**NEW MEXICO SPECIAL APPROPRIATION GRANT AGREEMENT
Santa Fe Critical Dam Maintenance and Improvement Project ZJ5134**

This Special Appropriation Grant Agreement (“**Agreement**”) is made and entered into by and between the State of New Mexico, Office of the State Engineer (“**Grantor**” or “**OSE**”) and the City of Santa Fe (“**Grantee**”) (individually “**Party**” and collectively “**Parties**”). This Agreement shall be effective as of the date the OSE executes it (“**Effective Date**”).

WITNESSETH

WHEREAS, pursuant to Subsection 102 of Section 5 of Chapter 210 of Laws 2023 the Legislature appropriated ten million dollars (\$10,000,000) to OSE for critical dam maintenance and improvement projects, Subsequently, Subsection 134 of Section 5 of Chapter 160 of Laws 2025 provided that the OSE was permitted to use up to six million dollars (\$6,000,000) of that appropriation to the OSE for other identified purposes. In the event that some of the identified purposes may not be able to utilize their maximum allocations, the OSE desires to enter into an agreement with the Grantee to grant up to two million dollars (\$2,000,000) of remaining funds available to the Grantee from the appropriation for additional critical dam maintenance and improvement projects in Santa Fe, with the final amount to be established at OSE’s sole discretion, (“**Project**”); and

NOW, THEREFORE, the Parties mutually agree as follows:

ARTICLE I - SCOPE OF WORK

- A. Grantee agrees that it will implement, in all respects, the activities outlined in its Program Description, attached hereto as **Exhibit “A,”** and incorporated herein by reference.
- B. Grantee agrees to make no change to the Program Description as defined herein without first submitting a written request to the OSE and obtaining the OSE’s written approval of the proposed change.

ARTICLE II - LENGTH OF GRANT AGREEMENT

- A. The term of this Agreement shall become effective July 1, 2025, and will terminate on June 30, 2026.
- B. The General Appropriation Act of 2025, Section 5 states: “Unless otherwise indicated, the appropriation may be expended in fiscal years 2025 and 2026”. Per section 5, any unexpended funds remaining at the end of fiscal year 2026 shall revert to the appropriate fund.

ARTICLE III - REPORTS

- A. Evaluation:
 - a. Grantee agrees to systematically collect, analyze, and use data to evaluate programs, initiatives, and policies by examining both the process and

outcomes to determine their effectiveness. Grantee agrees to review and update the existing evaluation plan regularly throughout the fiscal year.

- b. Grantee agrees that data entered into a database or otherwise provided to the OSE, is complete, accurate, and allows the OSE's designated evaluation contractor to develop and implement an evaluation system and/or to provide relevant reports derived from the available data.
- c. To adequately evaluate the progress of the Project statewide, Grantee shall provide, within thirty (30) days, upon request of the OSE's evaluator(s), information and access to program records and records of contractors working for Grantee.

B. Progress Reports:

- a. To adequately evaluate the progress of this Agreement, Grantee shall provide periodic quarterly progress reports to the OSE ("Progress Reports"). The Progress Reports shall contain a narrative and/or bulleted highlights of successes and challenges, a detailed budget breakdown of project milestones and expenditures to date, which includes expenditure back-up documentation, a certification all expenditures comply with the requirements of this Agreement, and anticipated project milestones and expenditures during the next quarter, in the form required by the OSE, attached hereto as **Exhibit "B,"** and incorporated herein by reference ("**Quarterly Progress Report**"), and such other information following the objectives of Grantee's evaluation as may be of assistance to the OSE in its evaluation. The first quarterly Progress Report is due on the thirtieth (30th) day following the end of the quarter, directly after the Effective Date.
- b. Grantee represents and warrants that Quarterly Progress Reports submitted to the OSE will not contain any "personally identifiable information" or "individually identifiable health information" in accordance with HIPAA.

C. Final Report:

- a. Grantee shall submit one copy of the final report for the Project to the OSE. The Final Report shall include the information called for in Article III, Paragraphs B (1) and B (2) for the fourth quarter. This requirement shall survive the termination of this Agreement.
- b. The Final Report and final reimbursement shall include sufficient detail to evaluate the effectiveness of each program component and shall be submitted no later than July 10th following expiration of the Term of this Agreement.

D. Annual Report:

- a. Grantee shall submit one copy of the annual report for the Project to the OSE. The Annual Report shall include the relevant data from the Project, including highlights for the period, budget to actual expenditures to date, and other information requested by the OSE in the format provided by the OSE. This requirement shall survive the termination of this Agreement.

- b. The Annual Report shall be submitted no later than the date determined by the OSE.

ARTICLE IV - CONSIDERATION AND METHOD OF PAYMENT

- A. In consideration of Grantee's satisfactory completion of all work and services required to be performed under the terms of this Agreement, and in compliance with all other Agreement requirements herein stated, the OSE shall pay Grantee a sum not to exceed two million dollars (\$2,000,000). The funds are to be expended in accordance with the proposed budget attached hereto as **Exhibits "C,"** incorporated herein by reference. The Parties agree that the Grantee's expenditure of these monies shall not deviate from the line items or amounts of the budget without the prior written approval of the OSE.
- B. It is understood and agreed that if any portion of the funds set forth in Article IV, Paragraph (A), are not expended at the completion of this Agreement for the purpose(s) designated in this Agreement, shall revert to the OSE for disposition.
- C. All Grantee payment requests shall be subject to Grantor review and acceptance. Payments will be made on a reimbursement of actual cost basis for cost incurred by Grantee during the grant period unless the Grantor determines, with the express permission of the State Controller, that advance payment to Grantee is justified. Grantee must submit all payment requests to Grantor no later than July 15, 2026. Payment requests shall be sent to the Program Manager and include, at minimum, the following documentation:
 - a. A completed Request for Payment Form, attached hereto as **Exhibit "D."**
 - b. A copy of the paid invoice or receipt from vendor (or due and payable invoice from vendor in the case of advance payment).
 - c. A copy of the canceled check for the payment made to vendor (in the case of advance payment Grantee shall send a copy of the cancelled check for the payment made to the vendor to Grantor within five days of the vendor's deposit of the check to document appropriate use of the funds advanced).
- D. Payment shall be made only for those services specified in this Agreement and not funded by any other public entity funding source. **The Grantee shall not bill the OSE for the same service or services that have been billed to another funding agency or source.**

ARTICLE V - MODIFICATION AND TERMINATION

- A. The OSE, upon written notice to Grantee, shall have the unilateral right to immediately terminate this Agreement if, in the judgment of the OSE, the provisions of this Agreement are violated or the activities described in the Program Description do not

progress satisfactorily. In this regard, the OSE may demand a refund of all or part of the funds dispersed to Grantee.

- B. The Parties may modify any terms and conditions of this Agreement by mutual agreement confirmed in writing with the same formalities for execution as this Agreement.
- C. Early Termination for Convenience: Except as provided in Article X and subparagraph A above, either Party may terminate this Agreement by providing the other Party with a minimum of thirty (30) days' advance written notice of the termination.
- D. Liability in the Event of Early Termination: In the event of early termination of this Agreement by either party, the OSE's sole liability shall be to reimburse Grantee in accordance with this Grant Agreement for qualifying expenditures that were:
 - a. Incurred pursuant to a legally binding agreement entered into by Grantee before Grantee's receipt of the OSE's notice of early termination or the issuance by the Grantee of a notice of early termination;
 - b. Incurred on or before the termination date in the notice of early termination;
 - c. For permissible purposes under this Agreement's Program Description and procured and executed in accordance with applicable law; and
 - d. The subject of a Request for Payment Form properly and timely submitted in accordance with Article IV of this Agreement.

- J. No member, officer, employee, or family member(s) of the Grantee, or its designees or agents, no member of the governing body of the locality in which the program is situated, and no other public official of such locality or localities who exercises any functions or responsibilities with respect to the program during his/her tenure or for one year thereafter, shall have any interest, direct or indirect, in any contract, or the process thereof, for work to be performed in connection with the program assisted under the grant, and the Grantee shall incorporate, in all such contracts, a provision prohibiting such interest pursuant to the purposes of this certification.

Grantee shall follow generally accepted accounting principles, the State's model accounting principles, § 6-6-2 NMSA 1978, and, if feasible, maintain a separate bank account or fund with a separate organizational code to ensure separate budgeting and accounting of the funds.
- B. **Record Retention:** For six (6) years following the Program's completion ("**Record Retention Period**"), Grantee shall maintain all Project-related records, including, but not limited to, all financial records, requests for proposals, invitations to bid, selection and award criteria, contracts and subcontracts, advertisements, minutes of pertinent meetings, as well as records sufficient to fully account for the amount and disposition of funds from all sources budgeted for the Program, the purpose for which such funds were used, and such other records as the OSE may prescribe.
