- Your Comment: I am absolutely opposed to bringing in micro shelter homes to my backyard. We have have the right to feel safe in our community. This would just turn this into another Petes Place area. I listened to the meeting with the didability board and the said the 11 pellet homes already in place are not at capacity why add more? There isn't much for kids and families to do in Santa Fe why destroy a park? Why invite harm to the kids? To a safe neighbor hood? I unapologetically say NO I do not want everything we've worked hard for to go down the drain. This will not solve the problem anyway.
