Community Engagement Division  
PO Box 909  
Santa Fe, NM 87504-0909

Name of Applicant: Tulsi Restaurant LLC  
Doing Business As: Tulsi  
Proposed Location: 839 Paseo De Peralta H & J, Santa Fe, NM 87501

The Director of the Alcoholic Beverage Control Division (ABC) has reviewed the referenced Application and granted **Preliminary Approval**. It is being forwarded to you for Local Option District approval or disapproval of the Liquor License Application.

**Notice of the Public Hearing** required by the Liquor Control Act shall be given by the governing body by publishing a notice of the date, time, and place of the hearing twice during the 30 days prior to the hearing in a newspaper of general circulation within the territorial limits of the governing body. **The first notice must be published at least thirty (30) days before the hearing. Both publications must occur before a hearing can be conducted.** The notice shall include:

- (A) Name and address of the Applicant/Licensee;
- (B) The action proposed to be taken;
- (C) The location of the licensed premises.

In addition, if the Local Option District has a website, the **Notice shall also be published on the website.**

While the law states that “within forty-five (45) days after receipt of a Notice from the Alcoholic Beverage Control, the governing body shall hold a Public Hearing in the question of whether the department should approve the proposed issuance or transfer”, we recognize the potential for conflict between the requirement for publication of 30 day notice and the 45 day hearing requirement.

With that in mind, when a local governing body receives a liquor license application from ABC, that governing body has a couple of options:

- 1) Hold a hearing on the license application within the statutory time frame of forty-five (45) days, as required by the Liquor Control Act, and comply with all other statutory and regulatory procedures and notify ABC of your decision within thirty (30) days of the hearing;
- 2) Request from ABC an extension of time, past the forty-five (45) days, designating how much additional time will be needed to conduct the hearing in compliance with all statutory and regulatory procedures. After the extension is granted and the hearing is held, notify ABC of your decision within thirty (30) days of the hearing;

ABC has no preference in the option you choose.

The governing body is required to send notice by certified mail to the Applicant of the date, time, and place of the Public Hearing. The governing body may designate a Hearing Officer to conduct the hearing. **A record shall be made of the hearing.**

**The Applicant is seeking a Restaurant Liquor License.**

**Within thirty (30) days after the Public Hearing, the governing body shall notify ABC of their decision to approve or disapprove the issuance or transfer of the license by signing the enclosed original Page 1 of the Application. The original Page 1 of the Application must be returned together with the notices of publication. If the Governing Body fails to either approve or disapprove the issuance or transfer of the license within thirty days after the Public Hearing, the Director may issue the license.**

If the Governing Body disapproves the issuance or transfer of the license, it shall notify ABC within thirty (30) days setting forth the reasons for the disapproval. A copy of the Minutes of the Public Hearing shall be submitted to ABC with the Notice of Disapproval (*Page 1 of the Application, noting disapproval*).

Respectfully,
