### **Bond Registrar and Paying Agent**

Approximately forty-five (45) days immediately preceding each of the mandatory redemption dates specified above that the Term Bonds are to be mandatorily redeemed, the Paying Agent/Registrar shall select by lot the numbers of the Term Bonds within the applicable maturity to be redeemed on the next following August 1 from moneys set aside for that purpose in the Interest and Sinking Fund. Any Term Bonds not selected for prior redemption shall be paid on the date of their stated maturity.

#### *Notice of Redemption*

Notice of redemption of Bonds is to be given by the Registrar by sending a copy of such notice by first-class, postage prepaid mail not less than 30 days prior to the redemption date to the registered owner of each Bonds, or portion thereof, to be redeemed at the address shown as of the fifth day prior to the mailing of notice on the registration books kept by the Registrar. The City is to give the Registrar notice of Bonds to be called for optional redemption at least fifteen (15) days prior to the date that the Registrar is required to give the bond owners notice of redemption specifying the Bonds and the principal amount thereof to be called for redemption and the applicable redemption date. If the City has not designated the Bonds to be called for redemption on the dates specified above, the Registrar is to select the Bonds to be redeemed by lot.

Neither the City's failure to give such notice, the Registrar's failure to give such notice to the registered owner of any Bonds, or any defect therein, nor the failure of DTC to notify any Participant, or any Participant to notify a Beneficial Owner, of any such redemption, will affect the validity of the proceedings for the redemption of any Bonds for which proper notice was given. All notices are to specify the number or numbers and maturity dates of the Bonds to be redeemed (if less than all are to be redeemed), the amount of such Bonds to be redeemed (if less than the full amount of any Bonds is to be redeemed), the date fixed for redemption, the redemption price, the series and the CUSIP number and are further to state that on such redemption date there will become and be due and payable upon each Bonds or part thereof to be redeemed at the office of the Paying Agent the principal amount thereof to be redeemed plus accrued interest and that interest will cease to accrue on the principal amount redeemed. Subject to the provisions of the Bond Ordinance setting forth certain conditions to optional redemption of the Bonds, notice having been given in the manner provided above, the Bonds or part thereof called for redemption will become due and payable on the redemption date designated and the Bonds or part thereof to be redeemed for which the redemption price is on deposit with the Paying Agent will not be deemed to be outstanding and will cease to bear interest from and after such redemption date. Subject to the provisions of the Ordinance setting forth certain conditions to optional redemption of the Bonds, upon presentation of Bonds to be redeemed at the office of the Paying Agent on or after the redemption date, or, so long as the book-entry system is used for determining beneficial ownership of the Bonds, upon satisfaction of the terms of any other arrangement between the Paying Agent and DTC, the Paying Agent will pay such Bonds, or portion thereof called for redemption.

#### **Exchange or Transfer of Bonds**

The Registrar/Paying Agent will maintain the books of the City for the registration of ownership of the Bonds. Upon the surrender for transfer of any Bond at the principal office of the Registrar/Paying Agent, duly endorsed for transfer or accompanied by an assignment duly executed by the registered owner or his attorney duly authorized in writing, the Registrar/Paying Agent shall authenticate and deliver not more than three business days after receipt of the Bond to be transferred in the name of the transferee or transferees a new Bond or Bonds in fully registered form of the same aggregate principal amount of authorized denominations, and of the same maturity, interest rate and series, bearing a number or numbers not contemporaneously outstanding. Bonds may be exchanged at the principal office of the Registrar/Paying

Agent for an equal aggregate principal amount of Bonds of other authorized denominations, and of the same maturity, series and interest rate. The Registrar/Paying Agent shall authenticate and deliver not more than three business days after receipt of the Bond to be exchanged a Bond or Bonds which the registered owner making the exchange is entitled to receive, bearing a number or numbers not contemporaneously outstanding. Exchanges and transfers of Bonds as herein provided shall be without charge to the owner or any transferee, but the Registrar/Paying Agent may require the payment by the owner of any Bond requesting exchange or transfer of any tax or other governmental charge required to be paid with respect to such exchange or transfer. See “THE BONDS – Book-Entry Only System” herein for a description of the system to be utilized initially in regard to ownership and transferability of the Bonds.

### **Book-Entry Only System**

*The information in this section concerning DTC and DTC’s book-entry system has been obtained from sources that the City believes to be reliable, but neither the City, Municipal Advisor nor Bond Counsel take responsibility for the accuracy thereof.*

The Depository Trust Company (“DTC”), New York, New York, will act as securities depository for the Bonds. The Bonds will be issued as fully-registered securities registered in the name of Cede & Co. (DTC’s partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully-registered Bond will be issued for each maturity of the Bonds, each in the aggregate principal amount of Bonds of such maturity, and will be deposited with DTC.

DTC, the world’s largest securities depository, is a limited-purpose trust company organized under the New York Banking Law, a “banking organization” within the meaning of the New York Banking Law, a member of the Federal Reserve System, a “clearing corporation” within the meaning of the New York Uniform Commercial Code, and a “clearing agency” registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments (from over 100 countries) that DTC’s participants (“Direct Participants”) deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants’ accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation (“DTCC”). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly (“Indirect Participants”). DTC has Standard & Poor’s rating of AA+. The DTC Rules applicable to Direct Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at [www.dtcc.com](http://www.dtcc.com) and [www.dtc.org](http://www.dtc.org). The City undertakes no responsibility for and makes no representations as to the accuracy or the completeness of the content of such material contained on that website as described in the preceding sentence including, but not limited to, updates of such information or links to other Internet sites accessed through the aforementioned website.

Purchases of the Bonds under the DTC system must be made by or through Direct or Indirect Participants, which will receive a credit for the Bonds on DTC’s records. The ownership interest of each actual purchaser of each Bond (“Beneficial Owner”) is in turn to be recorded on the Direct and Indirect Participants’ records. Beneficial Owners will not receive written confirmation from DTC of their purchase.

Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Bonds are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in the Bonds, except in the event that use of the book-entry system for the Bonds is discontinued.

To facilitate subsequent transfers, all Bonds deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co. or such other name as may be requested by an authorized representative of DTC. The deposit of Bonds with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not affect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Bonds; DTC's records reflect only the identity of the Direct Participants to whose accounts such Bonds are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time.

While the Bonds are in the book-entry only system, redemption notices will be sent to DTC. If less than all of the Bonds are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such issue to be redeemed.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to the Bonds unless authorized by a Direct Participant in accordance with DTC's MMI Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the City as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts the Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Redemption proceeds, distributions, and dividend payments on the Bonds will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts, upon DTC's receipt of funds and corresponding detail information from the City or agent on payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC, agent, or the City, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of redemption proceeds, distributions, and dividend payments to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the City or agent, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.

DTC may discontinue providing its services as depository with respect to the Bonds at any time by giving reasonable notice to the City. Under such circumstances, in the event that a successor depository is not obtained, certificates representing the Bonds are required to be printed and delivered.

The City may decide to discontinue use of the system of book-entry transfers through DTC (or a successor securities depository). In that event, certificates representing the Bonds will be printed and delivered to DTC.

## **SECURITY AND REMEDIES**

### **General**

The Bonds are general obligations of the City payable from *ad valorem* taxes, which may be levied against all taxable property within the City without limitation as to rate or amount. The Bonds are secured by the obligation of the City to levy and collect upon all taxable property within the City a tax rate levy sufficient, together with other legally available revenues, to pay the debt service on the Bonds. Such annual levy for debt service creates a statutory tax lien that can be enforced personally against the owner of the property or enforced by sale of the property. Neither the State nor any other political subdivision has any responsibility to pay the debt service on the Bonds.

### **Legal Matters**

Various State laws and constitutional provisions apply to the assessment and collection of *ad valorem* property taxes. There is no assurance that there will not be any amendment, change in the interpretation of, or addition to the applicable laws, provisions and regulations that would have a material effect, directly or indirectly, on the affairs of the City.

### **Limitations on Remedies Available to Owners of Bonds**

There is no provision for acceleration of maturity of the principal of the Bonds in the event of a default in the payment of principal of or interest on the Bonds. Consequently, remedies available to the owners of the Bonds may have to be enforced from year to year.

The enforceability of the rights and remedies of the owners of the Bonds, and the obligations incurred by the City in issuing the Bonds, are subject to the following: the Federal Bankruptcy Code and applicable bankruptcy, insolvency, reorganization, moratorium, or similar laws relating to or affecting the enforcement of creditor's rights generally, now or hereafter in effect; usual equity principles, which may limit the specific enforcement under State law of certain remedies; the exercise by the United States of America of the powers delegated to it by the federal Constitution; and the reasonable and necessary exercise, in certain exceptional situations, of the police power inherent in the sovereignty of the State and its governmental bodies in the interest of serving a significant and legitimate public purpose. Bankruptcy proceedings, or the exercise of powers by the federal or State government, if initiated, could subject the owners of the Bonds to judicial discretion and interpretation of their rights in bankruptcy or otherwise, and consequently may entail risks of delay, limitation, or modification of their rights.

### **Cybersecurity**

The City operates a large and complex information technology infrastructure to support internal and external operations. As is the case with any such environment, the threat of cybersecurity incidents is a constant one. These incidents may arise from multiple sources, including unintentional events or actions, intentional insider threat, and deliberate malicious attacks or actions from outside entities. The effect of these threats may include unauthorized access to City systems, data or resources, inappropriate exposure or use of City information, disruption of City services, and damage to City systems. The City carries insurance against losses relating to cybersecurity incidents with coverage at a level it believes to be comparable to coverage carried by other local governments of similar size.

### **Climate Change and Natural Disasters**

The State could experience and is susceptible to weather events and natural disasters that could be deemed extreme including, without limitation, periods of heat, droughts, floods, mud slides, tornadoes and other wind conditions and wildfires, which could result in negative economic impacts on the City. Such effects may be exacerbated by a longer term shift in the climate over several decades, commonly referred to as climate change. Numerous scientific studies on climate change show that, among other effects on the global ecosystem, extreme temperatures may become more common, and extreme weather events may become more frequent as a result of increasing global temperatures attributable to atmospheric pollution. As a result, the City could lose tax revenues and many residents, businesses, and governmental operations could be displaced. Additionally, climate change concerns have led, and may continue to lead, to new laws and regulations at the federal and state levels (including but not limited to air, water, hazardous substances and waste regulations) that could have a material adverse effect on the operations and/or financial condition of the City. The City cannot predict the occurrence or extent of any future extreme weather events or natural disasters or the economic impacts that the occurrence of any such events may have on the City.

### **Potential Limitation of Tax Exemption of Interest on the Bonds**

From time to time, the President of the United States, the United States Congress and/or state legislatures have proposed and could propose in the future, legislation that, if enacted, could cause interest on the Bonds to be subject, directly or indirectly, to federal income taxation or to be subject to or exempted from state income taxation, or otherwise prevent Beneficial Owners from realizing the full current benefit of the tax status of such interest. Clarifications of the Internal Revenue Code of 1986, as amended, or court decisions may also cause interest on the Bonds to be subject, directly or indirectly, to federal income taxation or to be subject to or exempted from state income taxation. The introduction or enactment of any such legislative proposals or any clarification of the Internal Revenue Code of 1986, as amended, or court decisions may also affect the market price for, or marketability of, the Bonds. Prospective purchasers of the Bonds should consult their own tax advisors regarding any such pending or proposed federal or state tax legislation, regulations or litigation, as to which Bond Counsel expresses no opinion.

### **PURPOSE AND PLAN OF FINANCING**

The Bonds will be issued in a principal amount of \$25,000,000\* to provide funds to acquire, construct, design, equip and improve road and street improvements within the City, and to pay costs of issuance related to the Bonds.

## SOURCES AND USES OF FUNDS

**Analysis of Assessed Valuation**

Assessed Valuation of property within the City is calculated as follows: Of the total assessed valuation of all taxable property in the City, 33 1/3% is legally subject to *ad valorem* taxes. After deduction of certain personal exemptions, the 2024 Assessed Valuation is \$5,884,882,813. The actual value of personal property within the City (see “Assessments” below) is determined by the Santa Fe County Assessor. The actual value of certain corporate property within the City (see “Centrally Assessed” below) is determined by the State of New Mexico, Taxation and Revenue Department, Property Tax Division.

## Residential and Non-Residential Tax Rates

Article VIII, Section 2 of the New Mexico Constitution limits the total *ad valorem* taxes for operational purposes levied by all overlapping governmental units within the County to \$20.00 per \$1,000 of assessed value. This limitation does not apply to levies for public debt and levies for additional taxes if authorized at an election by a majority of the qualified voters of the County voting on the question. The following table summarizes the tax situation on residential property located within the City for 2020 through 2024. Except as required to meet debt service on general obligation bonds and as a result of application of the yield control statute, Section 7-37-7.1 NMSA 1978, the City expects no change in the level of its taxes in the foreseeable future but is unable to predict what overlapping entities might do. See "DEBT AND OTHER FINANCIAL OBLIGATIONS – Yield Control Limitation" herein. A high level of taxation may adversely impact the City's ability to repay bonds.

## Yield Control Limitation

State law limits property tax increases from the prior property tax year. Specifically, no taxing entity may set a rate or impose a tax (excluding oil and gas production *ad valorem* and oil and gas production equipment *ad valorem* taxes) or assessment that will produce revenues that taxes exceed the prior year's tax revenues from residential and non-residential property multiplied by a "growth control factor." The growth control factor is the percentage equal to the sum of (a) "percent change I" plus (b) the prior property tax year's total taxable property value plus "net new value," as defined by statute, divided by such prior property tax year's total taxable property value; but if that percentage is less than 100 percent, then the growth control factor is (a) "percent change I" plus (b) 100%. "Percent change I" is based upon the annual implicit price deflator index for state and local government purchases of goods and services (as published in the United States Department of Commerce monthly publication entitled "Survey of Current Business," or any successor publication) and is a percent (not to exceed 5%) that is derived by dividing the increase in the prior calendar year's index over the index for the calendar year next preceding the prior calendar year (unless there was a decrease, in which case zero if used) by the index for such calendar year next preceding the prior calendar year. *The growth control factor applies to authorized operating levies and to any capital improvements levies, but does not apply to levies for paying principal and interest on public general obligation debt.*

## Limitations on Residential Property Tax Increases

In an effort to limit large annual increases in residential property taxes in some areas of the State (particularly the Santa Fe and Taos areas which have experienced large increases in residential property values in recent years), an amendment to the uniformity clause (Article VIII, Section 1) of the New Mexico Constitution was approved by a wide margin by New Mexico voters on November 3, 1998.

The amendment directs the Legislature to provide for valuation of residential property in a manner that limits annual increases in valuation. The limitation may be applied to classes of residential property

taxpayers based on occupancy, age or income. The limitations may be authorized statewide or at the option of a local jurisdiction and may include conditions for applying the limitations.

Section 7-36-21.2 NMSA 1978 establishes a statewide limitation on residential property valuation increases which began in tax year 2001. Annual valuation increases will be limited to 3% over the prior year's valuation or 6.1% over the valuation from two years prior. These limitations do not apply under the following exceptions:

1. When property is being valued for the first time;
2. When physical improvements are made to the property;
3. When a change of ownership outside the family occurs;
4. When a change in zoning or use of property occurs; and
5. To property that is subject to the valuation limitations under Section 7-36-21.3 NMSA 1978.

Section 7-36-21.3 NMSA 1978 places a limitation on the increase in value for property taxation purpose for single-family dwellings occupied by low-income owners who are sixty-five years of age or older or who are disabled. The statute fixes the valuation of the property to the valuation in the year that the owner turned 65 or became disabled. The Section 7-36-21.3 limitation does not apply:

1. To property that is being valued for the first time;
2. To a change in valuation resulting from physical improvements made to the property in the preceding year; and
3. To a change in valuation resulting from a change in the zoning or permitted use of the property in the preceding year.

Amendments to State laws affecting residential property taxes are proposed from time to time and may be proposed in the future by the Legislature. Such amendments, if enacted, could result in an increase to the tax rate imposed on residential property tax within the City in order to pay the principal of and interest on general obligation bonds issued by the City, including the Bonds.

The constitutionality of the property tax limitation has been challenged in a number of venues. On March 28, 2012, the New Mexico Court of Appeals upheld the statutory valuation cap and its application under Section 7-36-21.2 NMSA 1978, which ruling was affirmed by the New Mexico Supreme Court in June, 2014.

## Tax Collections on Locally Assessed and Centrally Assessed Property

Property taxes are due in two installments. The first half installment is due on November 10 and becomes delinquent on December 10. The second half installment is due on April 10 and becomes delinquent on May 10. Collection statistics for Santa Fe County are presented here:

### Interest on Delinquent Taxes

Pursuant to Section 7-38-49 NMSA 1978, if property taxes are not paid for any reason within thirty days after the date they are due, interest on the unpaid taxes shall accrue from the thirtieth day after they are due until the date they are paid. Interest accrues at the rate of one percent (1%) per month or any fraction of a month.

### Penalty for Delinquent Taxes

Section 7-38-50 NMSA 1978 provides that, if property taxes become delinquent, a penalty of one percent of the delinquent tax for each month, or any portion of a month, they remain unpaid shall be imposed, but the total penalty shall not exceed five percent (5%) of the delinquent taxes. The minimum penalty imposed is \$5.00. A City can suspend application of the minimum penalty requirement for any tax year.

If property taxes become delinquent because of intent to defraud by the property owner, 50% of the property taxes due or \$50.00, whichever is greater, shall be added as a penalty.

## **Remedies Available for Non-Payment of Taxes**

Pursuant to Section 7-38-47 NMSA 1978, property taxes are the personal obligation of the person owning the property on the date on which the property was subject to valuation for property taxation purposes. A personal judgment may be rendered against the taxpayer for payment of taxes that are delinquent, together with any penalty and interest on the delinquent taxes.

Taxes on real property are a lien against the real property. A lien runs in favor of the State and secures the payment of property taxes and any penalty and interest until such payments are made. Such lien is a first lien and paramount to any other interest in the property, perfected or unperfected. Pursuant to Section 7-38-65 NMSA 1978, delinquent taxes on real property may be collected by selling the real property on which taxes are delinquent.

Pursuant to Section 7-38-53 NMSA 1978, delinquent property taxes on personal property may be collected by asserting a claim against the owner(s) of the personal property for which taxes are delinquent.

## **Protest**

Pursuant to Section 7-38-39 NMSA 1978, after receiving his or her property tax bill and after making payment prior to the delinquency date of all property taxes due in accordance with the bill, a property owner may protest the value or classification determined for his or her property for property taxation purposes, the allocation of value of his or her property to a particular governmental unit, the application to his or her property of an administrative fee adopted pursuant to Section 7-38-36.1 NMSA 1978 or a denial of a claim for an exemption by filing a claim for refund in the district court. Pursuant to Section 7-38-41 NMSA 1978, the portion of any property taxes paid to the County Treasurer that is not admitted to be due and is the subject of a claim for refund will be deposited in a "property tax suspense fund." Moneys in the property tax suspense fund may not be used for the payment of debt service on the Bonds.

## FINANCIAL INFORMATION CONCERNING THE CITY

### **The City's Accounting and Budgetary Practices and Procedures**

Receipts and disbursements of the City are recorded on a modified accrual basis of accounting. Under this method of accounting, as a general rule, revenue which is available for financing of current appropriations is recognized when received or when susceptible to accrual, and expenditures benefiting more than one year are recorded when encumbered. Exceptions to this general rule include: (1) disbursements for some inventory items are recorded at the time of purchase, (2) prepaid expenses benefiting more than one year are recorded in the year of payment and (3) property taxes are recognized as received.

### **Governmental Accounting Standards Board Statement**

The City's financial statements present the government as an entity for which the City is considered to be financially accountable. The City has no component units or blended component units that are legally separate entities.

During the year ended June 30, 2016, the City adopted GASB Statements Nos. 72, *Fair Value Measurement and Application*, a portion of No. 73 *Accounting and Financial Reporting for Pensions and Related Assets that are not within the Scope of GASB Statement 68 and Amendments to Certain Provisions of GASB Statements 67 and 68*, No. 76, *The Hierarchy of Generally Accepted Accounting Principles for State and Local Governments*, No. 79, *Certain External Investment Pools and Pool Participants* and No. 82 *Pension Issues – an amendment of GASB Statement No. 67, No. 68, and No. 73*. These five Statements were required to be implemented by June 30, 2016.

GASB Statement No. 72 addresses accounting financial reporting issues related to fair value measurements. The definition of *fair value* is price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. It provides guidance for determining a fair value measurement for financial reporting purposes and for applying fair value to certain investments and disclosures related to all fair value measurements. The requirements of GASB 72 enhances comparability of financial statements among governments by requiring measurements of certain assets and liabilities at fair value using a consistent and more detailed definition of fair value and accepted valuation techniques. This Statement also will enhance fair value application guidance and related disclosures in order to provide information to financial statement users about the impact of fair value measurements on government's financial position.

GASB Statement No. 82 addresses certain issues that have been raised with respect to Statement No. 67, *Financial Reporting for Pension Plans*, No. 68, *Accounting and Financial Reporting for Pensions*, and No. 73, *Accounting and Financial Reporting for Pensions and Related Assets That are Not within the Scope of GASB Statement 68, and Amendments to Certain Provisions of GASB Statements 67 and 68*. Specifically, this GASB 82 addresses issues regarding (1) the presentation of payroll-related measures in required supplementary information; (2) the selection of assumptions and the treatment of deviations from the guidance in an Actuarial Standard of Practice for financial reporting purposes, and; (3) the classification of payments made by employers to satisfy employee (plan member) contribution requirements. Its objective is to address certain issues that have been raised with respect to Statements No.67, *Financial Reporting for Pensions Plans*, No. 68, *Accounting and Financial Reporting for Pensions*, and No. 73, *Accounting and Financial Reporting for Pensions and Related Assets That Are Not within the Scope of GASB Statement 68, and Amendments to Certain Provisions of GASB Statement 67 and 68*. Specifically, the statement addresses issues regarding (1) the presentation of payroll-related measures in required supplementary information; (2) the selection of assumptions and treatment of deviations from the guidance in an Actuarial Standard of Practice for financial reporting purposes, and; (3) the classification of payments made by employers to satisfy employee (plan member) contribution requirements.

GASB 75, *Accounting and financial reporting by Employers for Postemployment Benefits Other than Pensions (OPEB Employer)* became effective for fiscal years beginning after June 15, 2017 and replaced the requirements of Statement Nos. 45 and 57. GASB 75 moves accounting of OPEB benefits to the balance sheet and income statement from the notes related to the financial statements. The methodology for valuing OPEB liabilities under GASB 75 has been standardized, and instead of being amortized over a period of up to 30 years, certain changes in OPEB liability are factored into the calculation of OPEB expense for the applicable reporting period. OPEB expense is based on the net OPEB liability change between reporting dates, with some sources of change recognized immediately, and others spread over years. OPEB expense under GASB 75 is no longer equal to the contributions to an OPEB trust or the OPEB benefits or premiums paid.

The government-wide financial statements (i.e., the statement of net assets and the statement of changes in net assets) report information on all of the non-fiduciary activities of the primary government and its component units. For the most part, the effect of interfund activity has been removed from these statements. Governmental activities, which normally are supported by taxes and intergovernmental revenues, are reported separately from business-type activities, which rely to a significant extent on fees and charges for support. Likewise, the primary government is reported separately from the legally separate component unit for which the primary government is financially accountable.

### **Operations of the General Fund**

## THE CITY

### General

Located in north-central New Mexico, the City was established in 1610. The City was incorporated in 1891 as a body politic and corporate under the laws of the State and is both the County seat and capital of the State, with approximately 46% of the County population located in the City. The City is situated in the foothills of the Sangre de Cristo Mountains (Rocky Mountain Range) at 7,000 feet elevation and is located approximately 380 miles south of Denver and 320 miles north of El Paso at the junction of Interstate 25 and U.S. Highways 64, 84 and 285.

The Santa Fe economy is diversified, with government, tourism, retail trade and industry being predominant. The State is the largest employer in the City. Most State department headquarters are located in the City. State and federal offices plus County and City offices combine to make the City the governmental center of the State. See “ECONOMIC AND DEMOGRAPHIC INFORMATION—Employment” herein. The central business district and shopping centers contain approximately 450 businesses. The City is also the service center for the northern-central region of the State. There are over 300 art galleries and dealers and over 70 antique dealers in the City, in addition to cultural markets on the Plaza. ## **Administration and City Government**

The administrative offices of the City are located at 200 Lincoln Avenue, Santa Fe, New Mexico. The Council is the policymaking body of the City and manages and controls the City's finances and property. The eight members of the City Council (the "Council") are elected for staggered four-year terms. The Mayor is the chief executive officer of the City and presiding officer of the Council.

Prior to December 9, 1997, the City operated under a Mayor-Council/City Manager form of government. On December 9, 1997, the City adopted a home-rule charter ("Charter") form of government. The Charter form of government became effective March 15, 1998. Under an amendment to the Charter that became effective on March 12, 2018 (the "Charter Amendment"), the Mayor is authorized to vote on all matters that come before the Council. Under the Charter Amendment the Mayor has authority to appoint, with the consent of the Council, the City Manager, City Attorney, City Clerk and members of advisory commissions; may exercise control over and remove the City Manager, City Attorney and City Clerk; prepare an annual budget and proposed spending priority for review and approval by the City Finance Committee and Council.

The masthead of this Official Statement contains the names of the Mayor and the members of the Council.

## **Budget**

The City's fiscal year begins on July 1 and ends on June 30. The City Manager is responsible for preparing the budget. After reviewing department requests and making adjustments as the City Manager deems necessary, the City Manager recommends to the Finance Committee of the City (the "Finance Committee") approval of the budget as the City Manager envisions the operations of the City for the coming fiscal year. The Finance Committee reviews the City Manager's recommendations, makes appropriate adjustments and recommends to the full Council for adoption of the budget. Finally, the Council reviews and adopts the budget. Prior to June 1, the City is required to submit a working draft of the budget to the Local Government Division of the State Department of Finance and Administration (the "Finance Department") for its approval. By July 20 of the new fiscal year, the City submits the budget to the Finance Department. Prior to the first Monday in September, the Finance Department must certify the budget with whatever adjustments it deems necessary to comply with State statutes. At mid-year, the City performs a budget review and adjusts the budget to reflect current conditions. Approval of the Finance Department is required for all budget increases, cash transfers between funds and budget transfers between departments within a fund or between funds. If adequate fund balances are available from the prior year, the City budgets expenditures in excess of revenues. The City budget is prepared using an estimate of anticipated revenues and expenditures.

## **Services**

The City provides traditional services such as public safety and recreation, public works, highways and streets as well as water and sewer services and refuse collection. In addition, the City operates parking facilities, convention facilities, a golf course and an industrial park.

## **Employees**

The City employs 1,402 persons, approximately 1,338 of whom are full-time employees, and approximately 54 of whom are part-time employees, including 10 elected officials.

## Retirement Plans

### *Public Employees Retirement Association*

Substantially all of the City's full-time employees participate in a public employee retirement system authorized under the Public Employees Retirement Act (Chapter 10, Article 11 NMSA 1978). The Public Employees Retirement Association ("PERA") is the administrator of the plan, which is a cost-sharing multi-employer defined benefit retirement plan. The plan provides retirement, disability benefits, survivor benefits, and cost-of-living adjustments to plan members and beneficiaries. PERA issues a separate, publicly available financial report that includes financial statements and required supplementary information. The report may be obtained by writing to PERA, P. O. Box 2123, Santa Fe, New Mexico 87504-2123.

The contribution requirements of defined benefit plan members and the City of Santa Fe are established in state statute under Chapter 10, Article 11, NMSA 1978. The contribution requirements may be amended by acts of the legislature. For employer and employee contribution rates in effect for FY18 for the various PERA coverage options, for both Tier I and Tier II, see the tables available in the PERA FY18 annual audit report available at [www.nmpera.org](http://www.nmpera.org). The PERA coverage options that apply to the City are the Municipal General Division, Municipal Police Division and Municipal Fire Division. Statutorily required contributions to the pension plan from the City were \$11,289,958 for the fiscal year ended June 30, 2024.

On June 25, 2012, the Governmental Accounting Standards Board approved Statement No. 68 which requires governments providing defined benefit pensions to recognize their long-term obligation for pension benefits as a liability for the first time, and to more comprehensively and comparably measure the annual costs of pension benefits. Statement No. 68 requires cost-sharing employers, such as the City, to record a liability and expense equal to their proportionate share of the collective net pension liability and expense for the cost-sharing plan. Statement No. 68 is effective for fiscal years beginning after June 15, 2014. For Fiscal Year ended June 30, 2024, the City reported the following proportionate shares of PERA's net pension liability: \$102,554,027 for PERA Fund Municipal General Division, \$40,803,876 for PERA Fund Municipal Police Division, and \$57,993,806 for the PERA Municipal Fire Division.

### *New Mexico Retiree Health Care Authority*

The City offers other post-employment benefits through the Retiree Health Care Fund, a cost-sharing multiple employer defined benefit plan administered by the New Mexico Retiree Healthcare Authority. This plan is used to provide post-employment health insurance benefits for eligible employees and their dependents. The contribution requirements are established by and may be amended by the statute. The City's contribution to the fund for Fiscal Year 2023, the most recent year for which information is available, was \$1,759,581. For additional information regarding the post-employment benefit plan, please refer to "Notes to Required Supplementary Information" at p. 138 of the City's audited financial statements for Fiscal Year ended June 30, 2024.

## **TAX EXEMPTION**

In the opinion of Modrall, Sperling, Roehl, Harris & Sisk, P.A., Bond Counsel, to be delivered at the time of original issuance of the Bonds, under existing laws, regulations rulings and judicial decisions, and assuming compliance with covenants described herein, interest on Bonds is excludable from gross income for federal income tax purposes and is not an item of tax preference under Section 57 of the Code (as defined below) for purposes of the federal alternative minimum tax imposed on individuals. Bond Counsel is also of the opinion, based on existing laws of the State of New Mexico as enacted and construed, that interest on the Bonds is exempt from all taxation by the State of New Mexico or any political subdivision thereof.

The Internal Revenue Code of 1986, as amended (the "Code"), imposes various restrictions, conditions and requirements relating to the exclusion from gross income for federal tax purposes of interest on obligations such as the Bonds. The City has made various representations and warranties with respect to, and has covenanted in the Bond Ordinance and other documents, instruments and certificates to comply with the applicable provisions of the Code to assure that interest on the Bonds will not become includible in gross income. Failure to comply with these covenants or the inaccuracy of these representations and warranties may result in interest on the Bonds being included in gross income from the date of issue of the Bonds. The opinion of Bond Counsel assumes compliance with the covenants and the accuracy of such representations and warranties.

Although Bond Counsel has rendered an opinion that interest on the Bonds is excludable from gross income for federal income tax purposes, the accrual or receipt of interest on the Bonds may otherwise affect the federal income tax liability of the recipient. The extent of these other tax consequences will depend upon the recipient's particular tax status or other items of income or deduction. Bond Counsel expresses no opinion regarding any such consequences. Before purchasing any of the Bonds, potential purchasers should consult their tax advisors as to the tax consequences of purchasing or owning the Bonds.

The opinions expressed by Bond Counsel are based upon existing law as of the date of issuance and delivery of the Bonds, and Bond Counsel expresses no opinion as of any date subsequent thereto or with respect to any pending legislation.

From time to time, there are legislative proposals in Congress that, if enacted, could alter or amend the federal tax matters referred to above or adversely affect the market value of the Bonds. It cannot be predicted whether or in what form any such proposal might be enacted or whether if enacted, it would apply to Bonds issued prior to enactment. Each purchaser of the Bonds should consult his or her own tax advisor regarding any pending or proposed federal tax legislation. Bond Counsel expresses no opinion regarding any pending or proposed federal tax legislation.

### **Internal Revenue Service Audit Program**

The Internal Revenue Service (the “Service”) has an ongoing program auditing tax-exempt obligations to determine whether, in the view of the Service, interest on such tax-exempt obligations is includable in the gross income of the owners thereof for federal income tax purposes. No assurances can be given as to whether the Service will commence an audit of the Bonds. If an audit is commenced, under current procedures the Service will treat the City as the taxpayer and the Bond owners may have no right to participate in such procedure. None of the Municipal Advisor, the Underwriter, or Bond Counsel is obligated to defend the tax-exempt status of the Bonds. The City has covenanted in the Bond Ordinance not to take any action that would cause the interest on the Bonds to become includable in gross income except to the extent described above for the owners thereof for federal income tax purposes. None of the City, the Municipal Advisor, the Underwriters or Bond Counsel is responsible to pay or reimburse the costs of any Bond owner with respect to any audit or litigation relating to the Bonds.

### **Original Issue Premium**

Certain maturities of the Bonds may be offered at a premium (“original issue premium”) over their principal amount. For federal income tax purposes, original issue premium is amortizable periodically over the term of a bond through reductions in the holders’ tax basis in the bond for determining taxable gain or loss from sale or from redemption prior to maturity. Amortizable premium is accounted for as reducing the tax-exempt interest on the bond rather than creating a deductible expense or loss. Holders of Bonds offered at an original issue premium should consult their tax advisors for an explanation of the amortization rules.

### **Original Issue Discount**

Certain maturities of the Bonds may be offered at a discount (“original issue discount”) equal generally to the difference between public offering price and principal amount. For federal income tax purposes, original issue discount on a bond accrues periodically over the term of the bond as interest with the same tax exemption and alternative minimum tax status as regular interest. The accrual of original issue discount increases the holder’s tax basis in the bond for determining taxable gain or loss from sale or from redemption prior to maturity. Holders of Bonds offered at an original issue discount should consult their tax advisors for an explanation of the accrual rules.

### **Internal Revenue Service Audit Program**

The Internal Revenue Service (the “Service”) has an ongoing program auditing tax-exempt obligations to determine whether, in the view of the Service, interest on such tax-exempt obligations is includable in the gross income of the owners thereof for federal income tax purposes. No assurances can be given as to whether the Service will commence an audit of the Bonds. If an audit is commenced, under current procedures the Service will treat the City as the taxpayer and the Bond owners may have no right to participate in such procedure. Neither the Municipal Advisor, the initial purchasers of the Bonds nor Bond Counsel is obligated to defend the tax-exempt status of the Bonds. The City has covenanted in the Bond Ordinance not to take any action that would cause the interest on the Bonds to become includable in gross income except to the extent described above for the owners thereof for federal income tax purposes.

None of the City, the Municipal Advisor, the initial purchasers of the Bonds, or Bond Counsel is responsible to pay or reimburse the costs of any Bond owner with respect to any audit or litigation relating to the Bonds.

## **FINANCIAL STATEMENTS**

The audited financial statements referred to above have been audited by Carr, Riggs & Ingram, L.L.C., Albuquerque, New Mexico, independent certified public accountants (the “Auditor”), whose report with respect thereto (the “Report”) also appears in Appendix A hereto.

## **CONTINUING DISCLOSURE**

The City believes that it has not been in default under its existing continuing disclosure agreements with respect to the filing of audited annual financial statements and annual financial information and notice of certain events as required by Rule 15c2-12.

## **LITIGATION**

At the time of the original delivery of the Bonds, the City will deliver a no-litigation certificate to the effect that no litigation or administrative action or proceeding is pending or, to the knowledge of the appropriate City officials, threatened, restraining or enjoining, or seeking to restrain or enjoin, the issuance and delivery of the Bonds, effectiveness of the Bond Ordinance, or contesting or questioning the proceedings and authority under which the Bonds have been authorized and are to be issued, sold, executed or delivered, or the validity of the Bonds.

## **RATINGS**

The Bonds have received a rating of “\_\_\_” on the Bonds from Fitch Ratings Group (“Fitch”) and has received a rating of “\_\_\_” from S&P Global Ratings, a division of the McGraw-Hill Companies, Inc. (“S&P”). An explanation of the significance of the rating given by Fitch may be obtained from Fitch at One State Street Plaza, New York, New York 10004, and from S&P at 55 Water Street, 38<sup>th</sup> Floor, New York, New York 10041.

Such ratings reflect only the view of such rating agencies, and there is no assurance that such ratings will continue for any given period of time after obtained or that such ratings will not be revised downward or withdrawn entirely by the rating agencies if, in their judgment, circumstances so warrant. Any such downward revision or withdrawal of such ratings may have an adverse effect on the market price of the Bonds. Neither the City nor the Underwriter has undertaken any responsibility to bring to the attention of the owners of the Bonds any proposed change in or withdrawal of such rating once received or to oppose any such proposed revision.

## **MUNICIPAL ADVISOR**

Hilltop Securities Inc. is employed as Municipal Advisor to the City in connection with the issuance of the Bonds. The Municipal Advisor's fee for services rendered with respect to the sale of the Bonds is contingent upon the issuance and delivery of the Bonds. Hilltop Securities Inc., in its capacity as Municipal Advisor, has relied on the opinion of Bond Counsel and does not assume any responsibility for the information, covenants and representations contained in any of the legal documents with respect to the federal income tax status of the Bonds, or the possible impact of any present, pending or future actions taken by any legislative or judicial bodies.

The Municipal Advisor to the City has provided the following sentence for inclusion in this Official Statement. The Municipal Advisor has reviewed the information in this Official Statement in accordance with, and as part of, its responsibilities to the City and, as applicable, to investors under the federal securities laws as applied to the facts and circumstances of this transaction, but the Municipal Advisor does not guarantee the accuracy or completeness of such information.

CITY OF SANTA FE, NEW MEXICO

**APPENDIX A**

**OPINION OF BOND COUNSEL**

\_\_\_\_\_, 2025

City of Santa Fe  
Santa Fe, New Mexico

\$25,000,000  
City of Santa Fe, New Mexico  
General Obligation Improvement Bonds  
Series 2025

Ladies and Gentlemen:

We have acted as bond counsel to the City of Santa Fe (the “City”), Santa Fe County, State of New Mexico (the “State”), in connection with the issuance and sale of its \$25,000,000 General Obligation Improvement Bonds, Series 2025 (the “Bonds”), dated August \_\_, 2025, with interest payable on February 1, 2026, and semi-annually thereafter on February 1 and August 1 in each year in which the Bonds are outstanding, being issued in registered form and maturing serially on August 1 in the years 2031 through 2046, inclusive. The Bonds are being issued pursuant to Ordinance No.07 adopted by the City Council on June 25, 2025 and the Pricing Certificate executed on August \_\_, 2025 (together, the “Bond Ordinance”).

We have examined the transcript of proceedings (the “Transcript”) relating to the issuance of the Bonds and the law under authority of which the Bonds are issued. Based on our examination, we are of the opinion that, under the law existing on the date of this opinion, subject to the provisions of federal bankruptcy law and other laws affecting creditors’ rights and further subject to the exercise of judicial discretion in accordance with general principles of equity:

1. The Bonds constitute legal, valid and binding general obligation debt of the City and the principal of and interest on the Bonds, unless paid from other sources, are to be paid from the proceeds of the levy of ad valorem taxes on all property within the City subject to ad valorem taxes levied by the City, which taxes are unlimited as to rate or amount.

2. Under existing laws, regulations, rulings and judicial decisions, interest on the Bonds is excludable from gross income for federal income tax purposes under Section 103 of the Internal Revenue Code of 1986 (the “Code”), as amended, and is not a specific item of tax preference for purposes of the federal alternative minimum tax under the Code; however, interest on the Bonds is included in the “adjusted financial statement income” of certain corporations that are subject to the alternative minimum tax under Section 55 of the Code. Although we are of the opinion that interest on the Bonds is excludable from gross income for federal income tax purposes, the accrual or receipt of interest on the Bonds may otherwise affect the federal income tax liability of the recipient. We call your attention to the fact that the interest on tax-exempt obligations, such as the Bonds, may be includable in a corporation's adjusted financial statement income for purposes of determining the alternative minimum tax imposed on certain corporations by section 55 of the Code. The extent of these other tax consequences will depend upon the recipient’s particular tax status or other items of income or deduction. We express no opinion regarding any such consequences.

3. The Bonds and the income from the Bonds are exempt from all taxation by the State or any political subdivision of the State.

The opinions set forth above in paragraph 2 are subject to continuing compliance by the City with covenants regarding federal tax law contained in the proceedings and other documents relevant to the issuance by the City of the Bonds. Failure to comply with these covenants may result in interest on the Bonds being included in gross income retroactive to their date of issuance. The obligations of the City related to the Bonds are subject to the reasonable exercise in the future by the State and its governmental bodies of the police power inherent in the sovereignty of the State and to the exercise by the United States of the powers (including bankruptcy powers) delegated to it by the United States Constitution. The obligations of the City and the security provided therefor, as contained in the Bond Ordinance, may be subject to general principles of equity which permit the exercise of judicial discretion and are subject to the provisions of applicable bankruptcy, insolvency, reorganization, moratorium or similar laws relating to or affecting the enforcement of creditors' rights generally, now or hereafter in effect.

The foregoing opinions represent our legal judgment based upon a review of existing legal authorities that we deem relevant to render such opinions and are not a guarantee of result. We express no opinion with respect to any pending legislation.

We are passing upon only those matters set forth in this opinion and are not passing upon the accuracy or completeness of any statement made in connection with any sale of the Bonds or upon any tax consequences arising from the receipt or accrual or interest on, or the ownership of, the Bonds except those specifically addressed in paragraphs 2 and 3 above.

Respectfully submitted,

**Submission of Bids.** All bids must be submitted only by electronic bidding on Grant Street Group at [www.grantstreet.com](http://www.grantstreet.com). No other provider of bidding services and no other means of delivery (i.e. telephone, telefax or physical delivery) will be accepted. If any bid becomes a leading bid two (2) minutes prior to the end of the auction, then the auction will be automatically extended by two (2) minutes from the time such new leading bid was received by Grant Street Group. The auction end time will continue to be extended, indefinitely, until a single leading bid remains the leading bid for at least two (2) minutes.

To bid, bidders must first visit the Grant Street Group website where, if they have not previously registered with Grant Street Group, they can register and then request admission to bid on the 2025 Bonds. Bidders will be notified prior to the scheduled bidding time of their eligibility to bid. Only NASD registered broker-dealers and dealer banks with DTC clearing arrangements will be eligible to bid. Bidders who have previously registered with Grant Street Group may call **(412) 391-5555, x 370, attention John Carver**, for their ID Number or password.

**Rules of Grant Street Group.** Bidders must comply with, and all bids must be made in accordance with, the Rules of Grant Street Group in addition to the requirements of this Official Notice of Bond Sale. The Rules of Grant Street Group can be viewed on the Grant Street Group website and are incorporated herein by reference. In the event the Rules of Grant Street Group conflict with this Official Notice of Bond Sale, this Official Notice of Bond Sale shall prevail.

***Bidding Parameters.*** Bidders are required to submit unconditional all-or-none bids specifying the rate of interest at which the bidder will purchase all of the 2025 Bonds. Interest shall be bid in multiples of 1/20<sup>th</sup> or 1/8<sup>th</sup> percentum and only one interest rate may be bid for each maturity of the 2025 Bonds. The maximum interest rate may not exceed 5% and the maximum interest rate specified for any maturity of the 2025 Bonds may not exceed the minimum interest rate specified for any maturity of the 2025 Bonds by more than 3 percent (3%). The maximum net effective interest rate of the 2025 Bonds shall not exceed ten percent (10%) per annum.

**The 2025 Bonds will not be sold at less than 100% of par.**

***Term Bonds.*** A bidder may elect to have all or a portion of the 2025 Bonds scheduled to mature in consecutive years issued as one or more term bonds (“Term Bonds”) scheduled to mature in the latest of the consecutive years and subject to mandatory redemption requirements consistent with the schedule of serial maturities set forth in the Preliminary Official Statement; however, not less than all 2025 Bonds of the same serial maturity shall be converted to Term Bonds with mandatory redemption requirements.

***Adjustment of principal amounts, modification or clarification prior to examination of bids.*** The Finance Director Manager, in consultation with the City’s financial and bond advisors, in the Finance Director’s sole discretion and prior to the examination of bids, may (i) adjust the aggregate principal amount set forth herein or may adjust the principal amount of each series without increasing the aggregate principal amount of the 2025 Bonds; (ii) adjust individual maturities, and/or (iii) modify or clarify any other term hereof, including the date on which bids for the 2025 Bonds will be received, by issuing a notification of the adjusted series, amounts, modification or clarification via Thomson Municipal News (“TM3”) and/or Grant Street Group platform and/or Bloomberg Financial Services no later than 8:00 a.m., Mountain Time, on the Bid Date.

***Adjustments to principal amounts after determination of best bid.*** The aggregate principal amount of the 2025 Bonds is subject to increase or reduction, and each scheduled maturity thereof is subject to increase or reduction, by the Finance Director after the determination of the Best Bid (defined below). Such adjustments will be made within no more than two (2) hours after the end of the time of bid examination and will be in the sole discretion of the City. To cooperate with any adjustment in the principal amounts, the Purchaser is required to indicate by e-mail to Emily K. Oster, Finance Director, at [ekoster@santafenm.gov](mailto:ekoster@santafenm.gov) or such other address as may be indicated by the City Manager within one-half (1/2) hour after the end of the time of bid examination, the amount of any original issue discount or premium on any maturity of the 2025 Bonds, the initial offering price of each maturity, the cost of bond insurance, if any, and the amount received from the sale of the 2025 Bonds to the public that will be retained by the Purchaser as its compensation.

The Finance Director, in consultation with the City’s financial and bond advisors, may change the dollar amount bid by the Purchaser if the aggregate principal amount of the 2025 Bonds is adjusted as described below, but the interest rates specified by the Purchaser for all maturities will not change. The Finance Director, in consultation with the City’s financial and bond advisors, will make every effort to ensure that the percentage net compensation to the Purchaser (i.e., the percentage resulting from dividing (i) the aggregate difference between the offering price of the 2025 Bonds to the public and the price to be paid to the City, less any bond insurance premium to be paid by the bidder, by (ii) the principal amount of the 2025 Bonds) does not increase or decrease from the amount of such compensation if no adjustment was made to principal amounts shown in the maturity schedule. The City will notify the Purchaser of the final principal amounts and the resulting adjusted prices no later than 12:00 p.m. prevailing Mountain Time on the day of the sale and award of the 2025 Bonds. THE PURCHASER MAY NOT WITHDRAW OR MODIFY ITS BID ONCE SUBMITTED TO THE CITY FOR ANY REASON, INCLUDING, WITHOUT

LIMITATION, AS A RESULT OF ANY INCREASE OR DECREASE IN THE FINAL PRINCIPAL AMOUNTS AND THE AGGREGATE PURCHASE PRICE OF THE 2025 BONDS.

**Information Regarding Bids.** Bidders may change and submit bids as many times as they wish during the bidding; provided, however, that each bid submitted subsequent to a bidder's initial bid must result in a lower true interest cost ("TIC") with respect to a bid when compared to the immediately preceding bid of such bidder. During the bidding, no bidder will see any other bidder's bid, but each bidder will be able to see its own ranking (*i.e.*, "Leader," "Cover," "3<sup>rd</sup>," etc.).

**Bids Constitute an Irrevocable Offer.** Each bid submitted through Grant Street Group shall be deemed an irrevocable offer to purchase the 2025 Bonds on the terms provided in this Official Notice of Bond Sale and shall be binding upon the bidder.

**Basis of Award.** The 2025 Bonds will be sold to the bidder or bidders offering to purchase the same at the lowest true interest cost. The actuarial yield on the 2025 Bonds using the true interest cost method will be computed at that yield which, if used to compute the present value of all payments of principal and interest on the 2025 Bonds as of \_\_\_\_\_, 2025 (the "Sale Date"), produces an amount equal to the aggregate bid price. Such calculation will be made based upon a 360-day year and a semiannual interval for compounding.

The winning bid or bids will be indicated on Grant Street Group and the auction results, as posted on such website, will be subject to verification by the City. The City will verify the auction results immediately following the close of the bidding period and notice of confirmation by the City of the winning bidder or bidders will be made by a posting on Grant Street Group stating "Auction Results Verified and Confirmed."

An award may be made by the City to any bidder in a principal amount less than the principal amount of the 2025 Bonds for which the bid is submitted. Further, in the event of an award by the City for a principal amount less than the principal amount the bidder submitted, any premium bid shall be ratably reduced. If two or more bids have the same true interest cost, the first bid submitted, as determined by reference to the time stamp displayed on Grant Street Group, shall be deemed to be the leading bid.

**Sale Reservations.** The City reserves the right (a) to reject any and all bids for any 2025 Bonds, (b) to reoffer any 2025 Bonds for public sale, and (c) to waive any irregularity or informality in any bid.

**Good Faith Deposit Not Required to Bid.** A good faith deposit will not be required in connection with the submission of any bid for the 2025 Bonds. The winning bidder will be required to submit a Bid Award Deposit (see "Bid Award Deposit" below).

**Bid Award Deposit.** Not later than 12:00 p.m., prevailing Mountain Time on September 28, 2025, the winning bidder is required to submit a Bid Award Deposit of \$500,000. All Bid Award Deposits must be made in good funds by wire transfer of the required amount to an account specified by the City Manager and provided to the winning bidder after the sale of the 2025 Bonds.

No interest will be paid by the City on the amount of the Bid Award Deposit. The proceeds of the Bid Award Deposit of the winning bidder will be applied to the purchase price of the 2025 Bonds, or in the event of the failure of a winning bidder to take up and pay for the 2025 Bonds in compliance with the terms of the bid, at the option of the City, its Bid Award Deposit may be retained as liquidated damages, as partial payment of actual damages or as security for any other remedy available to the City.

***Manner and Time of Delivery.*** The 2025 Bonds will be delivered to DTC for the account of the winning bidder or bidders at the expense of the City on \_\_\_\_\_, 2025, or such later date as the City and the winning bidder may agree. Payment of the purchase price due at delivery must be made in Federal Reserve funds for immediate and unconditional credit to the City.

***Continuing Disclosure Undertaking.*** The City has covenanted to provide, in a timely manner, on the Electronic Municipal Market Access (EMMA) Website maintained by the Municipal Securities Rulemaking Board notice of the occurrence of specified, material events. The City has not failed to comply with any of its previous undertakings under Rule 15c2-12, except as disclosed in the Preliminary Official Statement.

***State Securities Laws.*** The City has taken no action to qualify the offer or sale of the 2025 Bonds under the securities laws of any state. Should any such qualification be necessary, the City agrees to cooperate with the winning bidder in such matters, provided that the City reserves the right not to consent to service of process outside its boundaries and expenses related to any such qualification shall be the responsibility of the winning bidder.

***CUSIP Numbers.*** CUSIP numbers will be issued at the cost of the winning bidder, and printed on the 2025 Bonds at the expense of the City. Any error or omission in printing such numbers on the 2025 Bonds will not constitute cause for any winning bidder to refuse delivery of any 2025 Bond.

***Legal Opinion, Certificates and Transcript.*** The validity and enforceability of the 2025 Bonds will be approved by the City's Bond Counsel. A copy of the form of the opinion of Bond Counsel is attached as an exhibit to the Preliminary Official Statement.

The purchaser of the 2025 Bonds will receive a certified transcript of legal proceedings which will include, among other items:

- (a) a certificate of the City to the effect that, as of its date, the Preliminary Official Statement was deemed final within the meaning of Rule 15c2-12, except for the omissions permitted under Rule 15c2-12;
- (b) a certificate of the City to the effect that there is no litigation pending or, to its knowledge, threatened affecting the validity of the 2025 Bonds as of the date of their delivery; and
- (c) a certificate of the City to the effect that, as of the date of the Official Statement and at all times to and including the date of delivery of the 2025 Bonds, the Official Statement did not contain any untrue statement of a material fact or omit any statement of a material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading.

***Establishment of Issue Price (Hold-the-Offering Price Rule May Apply if Competitive Sale Requirements are Not Satisfied):*** The winning bidder shall assist the City in establishing the issue price of the 2025 Bonds and shall execute and deliver to the City at closing an "issue price" or similar certificate, with such modifications as may be appropriate or necessary, in the reasonable judgment of the winning bidder, the City, and Bond Counsel. All actions to be taken by the City to establish the issue price of the 2025 Bonds may be taken on behalf of the City by the City's municipal advisor identified herein and any notice or report to be provided to the City may be provided to the City's municipal advisor.

- (a) The City intends that the provisions of Treasury Regulation Section 1.148-1(f)(3)(i) (defining "competitive sale" for purposes of establishing the issue price of the 2025 Bonds) will apply to the initial sale of the 2025 Bonds (the "competitive sale requirements") because:

- (i) the City shall disseminate a Notice of Sale to potential underwriters in a manner that is reasonably designed to reach potential underwriters;
- (ii) all bidders shall have an equal opportunity to bid;
- (iii) the City may receive bids from at least three underwriters of municipal bonds who have established industry reputations for underwriting new issuances of municipal bonds; and
- (iv) the City anticipates awarding the sale of the 2025 Bonds to the bidder who submits a firm offer to purchase the Bonds at the highest price (or lowest interest cost), as set forth in this Notice of Sale.

Any bid submitted pursuant to the Notice of Sale shall be considered a firm offer for the purchase of the 2025 Bonds, as specified in the bid.

In the event that the competitive sale requirements described above in subparagraph (a) are not satisfied, the City shall so advise the winning bidder. The City may determine to treat (i) the first price at which 10% of each maturity of the 2025 Bonds is sold to the public as the issue price of that maturity and/or (ii) the initial offering price to the public as of the sale date of any maturity of the 2025 Bonds as the issue price of that maturity (the “hold-the-offering-price rule”), in each case applied on a maturity-by-maturity basis. The winning bidder shall advise the City if any maturity of the 2025 Bonds satisfies the 10% test as of the date and time of the award of the 2025 Bonds. The City shall promptly advise the winning bidder, at or before the time of award of the 2025 Bonds, which maturities of the Bonds shall be subject to the 10% test or shall be subject to the hold-the-offering-price rule during the Holding Period, as defined in subparagraph (d)(i) below. Bids will not be subject to cancellation in the event that the City determines to apply the hold-the-offering-price rule to any maturity of the 2025 Bonds. Bidders should prepare their bids on the assumption that all of the maturities of the 2025 Bonds will be subject to the 10% test in order to establish the issue price of the 2025 Bonds.

(b) The City acknowledges that, in making the representation set forth above, the winning bidder will rely on (i) the agreement of each underwriter to comply with the hold-the-offering-price rule, as set forth in an agreement among underwriters and the related pricing wires, (ii) in the event a selling group has been created in connection with the initial sale of the 2025 Bonds to the public, the agreement of each dealer who is a member of the selling group to comply with the hold-the-offering-price rule, as set forth in a selling group agreement and the related pricing wires, and (iii) in the event that an underwriter is a party to a retail distribution agreement that was employed in connection with the initial sale of the 2025 Bonds to the public, the agreement of each broker-dealer that is a party to such agreement to comply with the hold-the-offering-price rule, as set forth in the retail distribution agreement and the related pricing wires. The City further acknowledges that each underwriter shall be solely liable for its failure to comply with its agreement regarding the hold-the-offering-price rule and that no underwriter shall be liable for the failure of any other underwriter, or of any dealer who is a member of a selling group, or of

any broker-dealer that is a party to a retail distribution agreement to comply with its corresponding agreement regarding the hold-the-offering-price rule as applicable to the 2025 Bonds.

(c) By submitting a bid, each bidder confirms that:

(i) any agreement among underwriters, any selling group agreement, and each retail distribution agreement (to which the bidder is a party) relating to the initial sale of the 2025 Bonds to the public, together with the related pricing wires, contains or will contain language obligating each underwriter, each dealer who is a member of the selling group, and each broker-dealer that is a party to such retail distribution agreement, as applicable, to (A) report the prices at which it sells to the public the unsold 2025 Bonds of each maturity allotted to it until it is notified by the winning bidder that either the 10% test has been satisfied as to the 2025 Bonds of that maturity or all 2025 Bonds of that maturity have been sold to the public and (B) comply with the hold-the-offering-price rule, if applicable, in each case if and for so long as directed by the winning bidder and as set forth in the related pricing wires, and

(ii) any agreement among underwriters relating to the initial sale of the 2025 Bonds to the public, together with the related pricing wires, contains or will contain language obligating each underwriter that is a party to a retail distribution agreement to be employed in connection with the initial sale of the 2025 Bonds to the public to require each broker-dealer that is a party to such retail distribution agreement to (A) report the prices at which it sells to the public the unsold 2025 Bonds of each maturity allotted to it until it is notified by the winning bidder or such underwriter that either the 10% test has been satisfied as to the 2025 Bonds of that maturity or all 2025 Bonds of that maturity have been sold to the public and (B) comply with the hold-the-offering-price rule, if applicable, in each case if and for so long as directed by the winning bidder or such underwriter and as set forth in the related pricing wires.

(d) The following terms are defined below:

(i) Hold-the-Offering-Price Maturity means a maturity of the 2025 Bonds of which less than 10% has been sold to the Public on the Sale Date.

(ii) Holding Period means, with respect to a Hold-the-Offering-Price Maturity, the period starting on the Sale Date and ending on the earlier of (a) the close of the fifth business day after the Sale Date, or (b) the date on which the winning bidder sold at least 10% of such Hold-the-Offering-Price Maturity to the Public at prices that are no higher than the Initial Offering Price for such Hold-the-Offering-Price Maturity.

(iii) Maturity means 2025 Bonds with the same credit and payment terms. Bond with different maturity dates, or 2025 Bonds with the same maturity date but different stated interest rates, are treated as separate maturities.
