Date: June 3, 2025

To: Governing Body, Finance Committee, and Public Works & Utilities Committee

From: Sebastian Gallegos, Project Administrator

Via: Jimmy Gunn, Interim Airport Director

Subject: Santa Fe Regional Airport, Emergency Generator upgrades

Vendor Name: HEI Inc.

Munis Vendor Number: 2385

ITEM AND ISSUE:

The Santa Fe Regional Airport respectfully requests your review and approval of a purchase in the total amount of \$352,822.59 for Purchasing and installing 2 new Emergency Generators and moving and reinstalling an existing generator with HEI Inc.

CONTRACT NUMBER:

The FY25 Munis contract number is 3250044

BACKGROUND AND SUMMARY:

The Santa Fe regional Airport is undertaking a key infrastructure improvement project: the upgrade of its emergency generator system. This upgrade is part of ongoing efforts to enhance the airport's resilience, safety, and operational reliability during power outages or emergencies. The current emergency power system, which has served the airport for many years, no longer meets the growing energy demands of modern airport operations. With the expansion of services, facilities, and passenger volume, ensuring uninterrupted power for essential systems, such as communication systems, security infrastructure, and terminal operations, has become increasingly critical. The 2 new generator systems will significantly increase backup power capacity to the entire Air Traffic Control Tower (ATCT), the whole Terminal, and baggage claim area, the existing Cummins Diesel Emergency Generator will be relocated and reinstalled to the Maintenance Shop. This will be done to ensure that vital airport functions can continue during electrical outages caused by weather events, grid failures, or other emergencies. The upgraded generators will be more energy-efficient and environmentally compliant, aligning with the city's broader goals for sustainability and infrastructure modernization.

20. **Subcontracting:** The Contractor shall not subcontract any portion of the Price Agreement without the prior written approval of the Procuring Agency. No such subcontracting shall relieve the Contractor from its obligations and liabilities under this Price Agreement, nor shall any subcontracting obligate payment from the Agency.

21. **Records and Audit:** The Contractor shall maintain detailed time and expenditure records that indicate the date, time, nature, and cost of services rendered during this Price Agreement's term and effect, and retain them for a period of three (3) years from the date of final payment under this Price Agreement.
