- Your Comment: My name is Clarissa Miller and my zip code is 87507. I am writing this comment to demand that Councilors Pilar F.H. Faulkner and Lee Garcia would vocally advocate for postponing any discussion regarding or impacting the Interfaith Community Shelter (also known as Pete's Place) until a public meeting is held with the staff and volunteers of Pete's Place. I demand that Pete's Place is treated with dignity. It is discriminatory to literally shut Pete's Place and any other shelter in Santa Fe out of decisions processes that impact their clients. I expect City Councilors Faulkner and Garcia to honor the most vulnerable Santa Feans. I thank these councilors in advance for relentlessly upholding their promise to collaborate with Pete's Place and to serve and honor the community of Santa Fe.
