- Your Comment: I am appalled that the Governing Body will go into Executive Session to consider terminating the Interfaith Community Shelter Group's lease at 2801 Cerrillos Rd. That group is well along in a thoughtful process for finding another site where it can increase and improve services. As the only game in town, the Interfaith Community Shelter Group deserves the time and support to grow. If the Governing Body has an out-of-town group in the wings that it thinks can do a better job, find another site for them. There are not enough shelter beds currently. Homeless people died outside last winter. Closing Pete's Place is truly unconscionable. Voting secretly to do so is completely outrageous.
