- Section of Agenda you would like to comment on: Public Comment
- Your Comment: I want to voice my support for the Interfaith Community Shelter. I believe that the city needs to work with the shelter to find solutions, including a possible new location with wrap-around services to address substance use and mental health disorders. I realize the city council is not making a decision today. It would be helpful for the city to be more transparent about why it is holding closed-door executive sessions rather than letting rumors and speculation run wild.
