

# CITY OF SANTA FE

## Memorandum

**Date:** June 12, 2024

**To:** Governing Body, Quality of Life Committee, Public Works and Utilities Committee

**From:** Geronimo Griego, City of Santa Fe Fire Marshal

**Via:** Brian Moya, City of Santa Fe Fire Chief BJM  
BJM

**RE:** Changing Fireworks Display Requirements

---

### EXECUTIVE SUMMARY:

State statute, NMSA 1978, Section 60-2C-9, requires that the Governing Body approve permits for public displays of fireworks. The proposed bill amends Section 12-3 of SFCC 1987, pertaining to the public display of fireworks. If approved, the bill would specify that legislation is not needed to approve permits for public firework displays and identifies the International Fire Code as the standard for the permitting of public displays of fireworks. The bill also requires operators to be certified and duly approved by the fire department.
