Please address each of the criteria below. Each criterion is based on the Early Neighborhood Notification (ENN) guidelines for meetings, and can be found in Section 14-3.1(F)(5) SFCC 1987, as amended, of the Santa Fe City Code. A short narrative should address each criterion (if applicable) in order to facilitate discussion of the project at the ENN meeting. These guidelines should be submitted with the application for an ENN meeting to enable staff enough time to distribute to the interested parties. For additional detail about each criterion, consult the Land Development Code.

(a) EFFECT ON CHARACTER AND APPEARANCE OF THE SURROUNDING NEIGHBORHOODS *For example: number of stories, average setbacks, mass and scale, architectural style, landscaping, lighting, access to public places, open spaces and trails. (Ord. No. 2008-29 § 3)*

**RE: 1100, 1101, & 1103 Cerrillos Road
2nd Submittal: Request for Certificate of Compliance**

Dear Dan:

This letter is submitted on behalf of Titan Development to request a Certificate of Compliance to verify Legal Lot of Record by exclusion for one lot comprised of approximately 2.07 acres, in accordance with §14-3.7.A.7b. The other subject property adjoining to the south is a Legal Lot of Record. The two subject properties are to be eventually consolidated for development and total ±3.4-acres as depicted in Exhibit A, the *Boundary Survey Plat prepared for Titan Development*. This letter replaces our first Certificate of Compliance submittal dated August 13, 2025 to include new data as explained below.

After thorough cross-referencing research through the Santa Fe County Clerk Track Database, we have compiled the attached Exhibits, which establish all current boundaries of the subject ±3.4-acre property as follows:

- Exhibit A: Boundary Survey Plat prepared for Titan Development (north lot)
- Exhibit B: Davalos Survey for Right of Way for Paving District No.7 – Cerrillos Road Widening Project, recorded with the Santa Fe County Clerk April 29, 1954 (south lot)
- Exhibit C: Boundary Survey for Los Secos (south lot)

Exhibit C is provided to illustrate the matching lot dimensions shown in the Davalos Survey, though no recorded plat records were located in Clerk Track to prove that they were legally subdivided, thus indicating the total 1.33 acres to be one Legal Lot of Record.

In conclusion, no Legal Lots of Record to the east or west of the subject properties exist, as those boundaries are comprised of Cerrillos Road and the AT&SF Railroad Rights of Way, respectively.

Thank you for your consideration of this matter. Please do not hesitate to call if you have questions or require further information.

Sincerely,

Margaret Ambrosino
