Mayor Webber:

I am writing to express my strong support for the proposed increase to the City of Santa Fe's minimum wage to \$17.50 per hour.

As a volunteer at The Food Depot, I have seen firsthand how economic hardship impacts families in our community. While emergency food assistance is essential, we know that addressing poverty requires a broader network of support, including a livable wage.

A minimum wage of \$17.50 per hour would raise annual income for full-time workers by over \$5,000. For many families, this increase could be the difference between falling behind and getting ahead.

Raising the minimum wage is a meaningful step toward a more equitable, food-secure, and thriving Santa Fe. I urge you to vote in favor of this proposal.

Thank you for your leadership and service to our community.

Sincerely,
Susan Spicer
