What experience or special knowledge can you bring to your area(s) of interest?

I bring experience in grassroots community building, youth mentorship and student leadership. As a children's class teacher and junior youth animator, as a member of the Baha'i community, i've worked to create spaces where young people feel empowered to reflect, consult, and serve their communities. On my schools student council, I've learned how to listen and advocate effectively, and during my time as a lacrosse team captain, I've developed strong skills in collaboration and responsibility. These roles have taught me the value of inclusive leadership and the importance of bringing diverse voices- especially youth- into decision making spaces.

Please list community organizations to which you belong:
