Re: Revised 2026 Council Committee and Governing Body Committee Meeting Calendar

Item and Issue

Request for Approval of the Revised 2026 Council Committee and Governing Body Meeting Calendar.

Background and Summary

A 2026 Governing Body and Council Committee Meeting Calendar was approved at the October 29, 2025, Regular Governing Body Meeting, but did not take into consideration NMSA 1978, Section 3-11-5, which was added into law during the 2025 Legislative Session. This provision requires that after each regular election the governing body shall hold an organizational meeting no earlier than fifteen days but no later than twenty-one days after the newly elected officials begin their terms. At this meeting, the mayor shall submit for confirmation the name of persons who will fill appointive offices of the municipality.

The first governing body meeting of the year has been rescheduled for January 15, 2025, to allow the new mayor to make appointments to each standing committee before the regularly scheduled meetings start, as well as all other appointments. The rest of the calendar will remain unchanged and will follow the same scheduling sequence that was used in creating the previous year's calendar.

Recommended Action

Approve the Revised 2026 Council Committee and Governing Body Meeting Calendar.
