Subject: Request for Approval of an Exclusive Negotiation Agreement for Midtown Parcels J-1a & J-1b

ITEM AND ISSUE:

The Metropolitan Redevelopment Agency, Asset Development, respectfully requests your review and approval of an Exclusive Negotiation Agreement to negotiate the sale of Midtown Tracts J-1a and J-1b to Santa Fe Innovation Hub, LLC (“Offeror”) for development as a mixed-use development. Offeror will deposit \$18,125.00 (Eighteen Thousand One Hundred Twenty-Five Dollars) within 5 (five) business days of the Effective Date of this Agreement, (Carly Venditti, Asset Development Manager, cavenditti@santafen.gov).

BACKGROUND AND SUMMARY:

On March 21, 2025, the Governing Body unanimously approved the sale of real property located at 1600 Saint Michael’s Drive, part of the Midtown Redevelopment Site, through direct disposition, in accordance with Resolution 2021-16. This resolution, which is attached for reference, outlines the City’s strategy for the disposition of property valued over \$25,000.

Approval of this public announcement enables the Metropolitan Redevelopment Agency (MRA) to move forward with the implementation of both the Midtown Master Plan and the Midtown Community Development Plan, collectively referred to as the Midtown Redevelopment Plans.

The MRA initiated a 77-day solicitation period beginning April 4, 2025, and concluding June 20, 2025, during which it received six development proposals. These proposals were evaluated based on criteria established in the Midtown Master Plan and Community Development Plan, as adopted by Resolution 2022-12. The Metropolitan Redevelopment Agency requests the ability to enter into an Exclusive Negotiation Agreement with Santa Fe Innovation Hub.

If approved, this Exclusive Negotiation Agreement will authorize Santa Fe Innovation Hub LLC. to work in partnership with the MRA to develop a Disposition and Development Agreement (DDA) for the final transfer of the property. Santa Fe Innovation Hub LLC will also be required to comply with the City of Santa Fe Land Use Code, as well as all applicable local, state, and federal regulations.

Future land use, development standards, and other terms will be formalized through Disposition Agreements. The City retains the authority to apply Deed Restrictions, Covenants, Conditions, and Restrictions (CCRs) to ensure alignment with policy objectives when disposing of property via sale, exchange, or donation. In cases

of ground lease disposition, the City may use lease terms to similarly guide land use and policy compliance, while supporting the developer's ability to secure financing.

the occurrence of a material default by the Offeror, and Offeror's failure to cure such default within thirty (30) days after notice thereof from the City. Default shall be evidenced by Offeror's failure to timely or satisfactorily perform the due diligence activities as described above to refine and develop final development plans and offer terms.

F. The Parties recognize communicating regarding obstacles to performance is paramount. Should unpredicted, unforeseen, acts of nature, disaster, or emergency, beyond the reasonable control of either of the Parties, cause either party to be unable to perform, the relevant Party shall alert the other as soon as possible, including the consideration of amendments to this Agreement to allow performance. If amending the Agreement to address the inability to perform is not possible, the affected Party may terminate this Agreement without further obligations.

17. **Limitation on Effect of Agreement.** This Agreement does not obligate Owner or Offeror to enter a DDA for the disposition or development of the Property. Offeror understands and agrees that any proposed DDA resulting from the negotiations between Offeror and Owner pursuant to this ENA shall become effective only if and after such DDA has been approved by the City's Governing Body, acting in its sole and absolute discretion, and executed and delivered by both Owner and Offeror.

Offeror understands and agrees that this ENA does not indicate and does not imply that Owner, acting as a regulatory or permitting authority, has hereby granted, or is obligated to grant, any approval or permit that is required by law for the disposition of the Project Parcel or the development of the Project Parcel as contemplated by this ENA.

The City may use Deed Restrictions, Covenants, Conditions and Restrictions (CCRs), and/or Development Agreements, accompanied with Plan Restrictions, to restrict and require certain land uses and accomplish other policy objectives if disposing of the parcel through a sale, exchange, or donation.
