Re: Request to Purchase a 2026 Ford F-250 Crew Cab 4x4 vehicle under the Major Repair & Replacement Fund (MR&RF) Vehicle Replacement program

ITEM AND ISSUE:

Request for Approval to finalize the purchase of a 2026 Ford F-250 Crew Cab 4x4 from Power Ford dealership under a Statewide Pricing Agreement 40-00000-24-00068 at a cost of \$69,763.60. The Buckman Direct Diversion (BDD) Board previously authorized the BDD Facility Manager within the Fiscal Year 2026 Budget to pursue its cyclical vehicle replacement project towards this goal.

BACKGROUND:

The Buckman Direct Diversion (BDD) requires the addition of a 2026 Ford F-250 Crew Cab for operational use. This vehicle will support BDD's fleet replacement plan and ensure reliability for ongoing water system operations. The vendor, Power Ford, is an authorized supplier under the State of New Mexico Statewide Price Agreement (SPA)# 40-00000-24-00068.

This SPA was competitively solicited by the State's General Services Department (GSD) and is available for use by political subdivisions, including the City of Santa Fe/BDD.
