

Santa Fe Teen Center

The image shows the exterior of the Santa Fe Teen Center. In the foreground, there is a paved courtyard with large, light-colored rectangular tiles. A concrete curb runs across the middle ground. Behind the curb, there is a covered walkway with a curved, translucent roof supported by several columns. The building in the background has a modern design with a mix of brown and grey tones and a patterned facade. The sky is a clear, bright blue.

Our Role in the Community

Who We Are
