

MEMORANDUM

To: SFSWMA Joint Powers Board
From: Randall Kippenbrock, P.E., Executive Director *RLK*
Date: February 11, 2026
Subject: Request for Approval to Purchase Four Tarp Assemblies with Tarps and Associated Cables from Tarpomatic, Inc. of Canton, OH, under ITB No. 25110 in the Amount of \$65,200

SUMMARY

The Agency is requesting Board approval to purchase four 40-foot tarp spool assemblies with tarps and associated cable assemblies from Tarpomatic, Inc. under ITB No. 25110 for \$65,200.

Delivery time for the spool assemblies with tarps and associated cable assemblies is approximately 3-4 weeks.

Funding is available from 810.100700 (Operating Fund Cash Balance).

BACKGROUND:

The Agency uses Tarpomatic automatic tarping machines daily to cover waste with tarps instead of dirt at the end of each workday. This approach helps minimize dirt use, conserve landfill space, extend the life of the landfill, and lower operational expenses.

When deploying tarps with the Tarpomatic machines, the spools and associated components (e.g., end flanges) become worn beyond repair. Furthermore, the spools are specific to the Tarpomatic machines.

Tarps, in addition to covering waste, also provide vector and odor control. They are made of a high-density, woven, coated, and flame-resistant fabric. Tarps can be damaged over time by deployment, high winds, or fires.

ACTION REQUESTED:

The Agency recommends approval to purchase four tarp assemblies with tarps and associated cables from Tarpomatic, Inc. under ITB No. 25110 for \$65,200.

The Agency also requests approval of a budget increase from 810.100700 (Operating Fund Cash Balance) to 8100851.530200 (Operating Supplies) in the amount of \$65,200.

Tarpomatic, Inc. Supplier Statement

Tarpomatic, Inc. certifies that OEM parts are required to properly repair and operate Tarpomatic ADC Machines. These parts are unique in nature due to the fact that Tarpomatic Inc. remains the sole Manufacturer of Certified-Genuine OEM parts for Tarpomatic ADC Machines. This includes tarp spools, electronics systems and all other parts used on Tarpomatic machines, including tarps specifically manufactured for Tarpomatic, Inc.

The use of tarps, tarp spools or repair parts on your Tarpomatic Machine that are not Certified-Genuine by Tarpomatic, Inc. will void your Tarpomatic Machine's Standard Warranty. Tarpomatic Machines are designed to only be used with Certified-Genuine Tarpomatic tarps, tarp spools and parts.

Tarpomatic, Inc. provides the only Certified-Genuine parts, tarps and tarp spools for use with Tarpomatic Machines.

Thank you,

Mike Slutz

President, Tarpomatic, Inc.
