- Your Comment: The Soldier's Monument will inevitably be moved one day. The only choice before the Governing Body is how much money--in construction, legal fees, surveillance, and other protective measures--and ongoing community anguish have to be spent before that happens. I fully support Mayor Garcia and Councilor Garcia's resolution to move the monument to the NM History Museum. Our beloved Plaza, the heart of the city, should be a place where all feel welcome and safe. It should be the shining example of community healing and repair, of diversity, history, and joy. Please help our community move forward by adopting the resolution and moving the obelisk as quickly as possible (ideally before summer concerts and dance parties start!).
