- Your Comment: We do not want our tax money to go to that. In addition to the cost of the monument, they will need security because it will be destroyed again.

From the link below, in Santa Fe, NM its gonna be about \$300,000/yr to hire 1 security guard 24/7, that needs to be added to the cost In 10 years that's \$3,000,000, in 50 years that's \$15,000,000, etc.

because it will ALWAYS be contentious.

We are handing this unnecessary expense to future generations when we should be supporting programs that help the community and bring us together.
