Hello Mayor Garcia:

Please stop the reconstruction idea of the obelisk in the plaza.

It's a waste of taxpayer money. A better use of taxpayer dollars is to invest in downtown improvements such as:

We need more accessible, affordable, safe, clean, updated housing in the plaza and more places for locals to eat in the plaza that's affordable.

The sidewalks and buildings in and around the plaza need much needed repairs, cleaning and improvements.

Thank you,

Donna Huaman-Castillo
