## Aerial View

The property is off Alameda St, near the intersection Siler Rd. It currently has one home, and the lot totals approximately 4.59-acres.

### Existing Conditions

Photo standing on the property looking north into the proposed Lot 3.

Photo standing on the eastern side of the property, showing the existing driveway on the right and space proposed for the driveway extension on the left.

Looking south into proposed Lot 2.

### Current Zoning Map

The property is located within Annexation Phase 3 and is zoned R-1 (Residential 1 dwelling unit per acre).

## Future Land Use Map

The Future Land Use Map (FLUM) designates the parcel as “1 dwelling per acre” (Beige). The applicants request maintains this designation.
