

Ashbaugh Park Green Stormwater Infiltration Project

PUBLIC INFORMATION MEETING

Date & Time:

Thursday, April 16th
5:30-7:30 PM

Meeting Location:

Main Public Library
Community Room
145 Washington Ave, Santa Fe, NM 87501

Please join the City of Santa Fe for a public information meeting on the Ashbaugh Park Green Stormwater Infiltration Project.

The design team will share conceptual designs for the renovation of the northern section of Ashbaugh Park.

Improvements will be centered around new drainage and stormwater capture infrastructure and additional amenities to be discussed at the public meeting.

Residents and community members are invited to ask questions and share suggestions to help guide design choices.

ASL and Spanish interpretation will be provided at the meeting.

An online survey and project website will be available in late April.

If you are unable to attend the meeting in person, you may submit comments to:
AshbaughParkRenovation@gmail.com
