

# PUBLIC OPEN HOUSE MEETING NOTICE

## HENRY LYNCH ROAD RECONSTRUCTION AND

### AGUA FRIA ROUNDABOUT PROJECT CN L500532

The City of Santa Fe and Santa Fe County, in cooperation with the New Mexico Department of Transportation, will host a public open-house meeting to present information about the Henry Lynch Road Reconstruction and Agua Fria Roundabout Project and to provide an opportunity for the public to ask questions and share comments. The project is currently in the Pre-Final Design Phase (90% complete).

The purpose of the Project is to provide safe and equal access for all road users, especially vulnerable populations, by enhancing multimodal mobility and connectivity. Improvements will also include upgraded stormwater drainage to help prevent seasonal flooding.

The meeting will allow the public to speak directly with project representatives, ask questions, and provide feedback in an interactive format. Additional public input (comments and questions) will be accepted after the meeting through May 30th, 2026.

To submit comments or questions:

**Mail:** Yomara Laurenzana c/o Samantha Askin
