Dear Kristen;

We are requesting an additional \$48,000 to be added to the original \$250,000 Homeless Services grant that was funded for salaries and operating costs for St. Elizabeth Shelter staff to provide needed supportive services to the residents at Santa Fe Suites. If approved, we would like to extend our now overall \$298,000 contract to provide homeless services for an additional year through June 30, 2027.

As you know, while St. Elizabeth operates this program, the property itself is owned by Community Solutions, based in New York. In previous years Community Solutions had paid all expenses for program staff, but this arrangement ended in March 2025. Given this, St. Elizabeth applied for a \$250,000 grant to cover annual staffing costs from the Community Health and Safety Department and was fortunate to receive the funding.

But this grant was to complement our other \$250,000 request to the City's Affordable Housing Trust Fund that we had received in previous years to offset rental costs for many formerly homeless individuals living at Santa Fe Suites. For several years these grants had enabled these still indigent residents to maintain their housing and continue living there with the assistance of St. Elizabeth staff. Some residents needed assistance for only one month, others without income for all year. Last year, 76 residents were able to maintain their housing due to these funds.

Unfortunately, we did not receive funding for the current year. As a result, we were faced with a serious conundrum – do we allow these already traumatized people to be evicted and return to homelessness or do we use other organizational funds, including from the Homeless Services grant, to pay the rents and enable them to keep living in their apartments.

We chose the second course, and while it is the humanitarian option it has caused serious financial hardship for the organization. Simply put, we can no longer continue providing this assistance and ask the City to augment the original Homeless Services grant with an additional \$48,000 to cover these residents' rental costs for the remainder of the fiscal year.

Sincerely,

Community Health and Safety respectfully requests your review and approval of a Professional Services Contract in the total amount of \$250,000 for Homelessness Response for a term of one year with St. Elizabeth's Shelter Corporation.

CONTRACT NUMBER:

The FY26 Munis contract number is 3260013

BACKGROUND AND SUMMARY:

The City of Santa Fe released RFP #25135 in March of 2025 to solicit applications from organizations, agencies, or service providers to Provide services in support of individuals experiencing homelessness and/or housing insecurity. The City of Santa Fe's Youth and Family Services Division has been looking at solutions for homelessness in our community. The city was open and willing to look at ways of reimagining the City's approach to preventing and responding to homelessness. St. Elizabeth Shelter will provide the following services-for the City:

- Continue operating a 122-unit mixed-use rental property at 3007 S. St. Francis Dr., housing recently homeless and lower-income individuals in separate apartments.
- The program's goal is to provide the resources needed for these recently homeless individuals to maintain their housing while making connections to available community services to enable continued living as independently as possible, whether at this property or moving to another residence.
- Participate in coordination with the City and community partners around data and cases to ensure system effectivity.

They were chosen by the Evaluation Committee in April of 2025.
