

Here are some of the numbers for UVisas for 2026 to present, and for calendar year 2025:

2026

January

3 Certified / 0 unable to certify

March

1 Certified / 3 unable to certify - not a victim of a qualifying offense

Pending Review 8

2025

34 Certified / 14 unable to certify

Most that we are unable to certify are due to the requestor not being a victim of a qualifying crime.

I am working on how we will present them, should look cleaner on the next presentation.

Thank you,
