COOPERATIVE AGREEMENT

This Grant Agreement (Agreement) is between the New Mexico Department of Transportation (the **Department**) and Santa Fe Metropolitan Planning Organization (the **Grantee**), collectively referred to as "the Parties." This Agreement is effective as of the date of the last party to sign it on the signature page below. The Parties agree as follows:

1. **Award.** The Department hereby awards the Grantee funding for the following project: Santa Fe Metropolitan Planning Organization (SFMPO) Unified Planning Work Program for Federal Fiscal Years 2023-2026.
2. **Scope of Work.** The Grantee shall perform the professional services stated in the SFMPO Unified Planning Work Program available at the following address <https://santafemppo.org/>, for the current fiscal year and the Department's Planning Procedures Manual, available at the following address: <https://www.dot.nm.gov/planning-research-multimodal-and-safety/planning-division/multimodal-planning-and-programs-bureau/government-to-government/>.
3. **Payment.** To be reimbursed for eligible expenses, the Grantee must submit timely, properly prepared reimbursement requests as provided in the Department's Planning Procedures Manual.
 - a. The Grantee acknowledges the Department will not pay for any expenses incurred prior to the Parties signing the Agreement, after termination of the Agreement, or in excess of the amount of the federal award noted in Section 1.
 - b. Reimbursement requests must be submitted at least quarterly (federal fiscal year) no later than twenty-five (25) days after the last day of the quarter. Each reimbursement request shall reflect the correct federal/local match ratio as applied to the total of costs incurred by the Grantee for the quarter, as noted in Section 1.
 - c. When the Grantee pays more than its share of the total for a particular period, it must be clearly noted in the reimbursement request, and the amount of overpayment (over-match) will not be applied to future reimbursement requests.
 - d. The Department reserves the right to withhold reimbursement if any of the aforementioned requirements are not met.
 - e. The Grantee shall submit its final reimbursement request no later than thirty (30) days after termination of this Agreement.

- f. If the Grantee fails to submit a reimbursement request for two contiguous quarters, the Grantee shall provide written justification for the lack of activity to the Department within fifteen (15) days of the end of the second contiguous quarter.
4. **Records and Audit.** The Grantee shall strictly account for all receipts and disbursements related to this Agreement. The Grantee shall record costs incurred, services rendered, and payment received, and shall maintain these financial records during the Agreement and for five (5) years from the date of submission of the final reimbursement request pursuant to 2 CFR 200.333 and 1.21.2 NMAC. On request, the Grantee shall provide the financial records to the Department and the state auditor, and shall allow the Department and the state auditor to inspect or audit these financial records during business hours at the Grantee's principal office during the Agreement and for five (5) years from the date of submission of the final reimbursement request. If the financial records provided by the Grantee are insufficient to support an audit by customary accounting practices, the Grantee shall reimburse the Department for any expense incurred related to the insufficient documentation within thirty (30) days of written notice from the Department. If an audit or inspection reveals that funds were used for expenses not directly related to the project, or otherwise used inappropriately, or that payments were excessive or otherwise erroneous, the Grantee shall reimburse the Department for those funds or payments within thirty (30) days of written notice from the Department regarding the same.
5. **Officials Not to Benefit.** The parties intend that no member of the New Mexico legislature or the United States Congress, or any public official, public employee, tribal official, tribal council member, or tribal employee, in that person's individual capacity, will benefit from this Agreement.
6. **Termination.** The Department may terminate this Agreement for any reason, by giving the Grantee thirty (30) days written notice. On receipt of a "Notice of Cancellation" from the Department, the Grantee shall suspend work unless otherwise directed by the Department in writing. The Grantee may only terminate this Agreement based on the Department's uncured, material breach of the Agreement, by giving the Department thirty (30) days written notice. The Parties acknowledge that termination will not nullify obligations incurred prior to the date of Notice.
7. **Appropriations.** The Grantee acknowledges that:
- a. this Agreement is contingent upon sufficient appropriations and authorizations being made by the Congress of the United States or the New Mexico state legislature;
 - b. if sufficient appropriations and authorizations are not made, this Agreement will terminate upon written notice by the Department to the Grantee; and

- c. the Department will not expend any funds until they are approved for expenditure, and the Department's determination as to whether approval has been granted will be final.
8. **Compliance with Law.** The Grantee, its employees, agents and contractors, shall comply with the following:
- a. Title VI and Title VII of the Civil Rights Act of 1964, the Age Discrimination in Employment Act of 1967, the Americans with Disabilities Act of 1990, the ADA Amendments Act of 2008, the Environmental Justice Act of 1994, the Civil Rights Restoration Act of 1987, and 49 C.F.R. part 21;
 - b. all federal and state laws, rules, and regulations, and executive orders of the Governor of the state of New Mexico pertaining to equal employment opportunity, including the Human Rights Act, NMSA 1978, Sections 28-1-1 through 28-1-15 (and in accordance with such, the Grantee states that no person, on the grounds of race, religion, national origin, sex, sexual orientation, gender identity, spousal affiliation, serious medical condition, age, disability, or other protected class will be excluded from employment with or participation in, denied the benefits of, or otherwise subjected to, discrimination in any activity performed under this Agreement; if the Grantee is found to be in violation of any of these requirements, the Grantee shall take prompt and appropriate steps to correct such violation and failure to do so may be regarded a material breach of this Agreement);
 - c. state laws applicable to workers compensation benefits for the Grantee's employees, including the Workers' Compensation Act, NMSA 1978, Sections 52-1-1 through 52-1-70, and related regulations.

RECITALS

Whereas, 49 U.S.C. Section 5303, authorizes federal assistance from the Federal Transit Administration (FTA) for multimodal transportation planning in metropolitan areas that is cooperative, continuous, and comprehensive, resulting in long-range transportation plans and short-range programs of transportation investment priority (Program);

Whereas, the Governor of New Mexico has designated the Department to receive and administer the federal funds under this program;

Whereas, the Department and the MPO have long worked together in transportation planning that involved Section 5303 funds and they want to continue; and

Now, therefore, pursuant to Section 67-3-69 NMSA 1978, the parties agree as follows:

1. Program.

The MPO shall develop and implement a biennial Unified Planning Work Program (UPWP) to identify specific tasks, with detailed scopes of work and funding estimates, related to transportation planning and programs. The UPWP is subject to the approval of the Department and the FTA. A copy of the UPWP is on file with the Department and the MPO.

The MPO shall comply with all applicable provisions of 49 USC Section 5303, specifically sections (i) through (j), which requires development and implementation of additional transportation plans and identifies the planning process, a performance-based approach to plan development as well as requirements for public notification and involvement. A copy of each additional plan is on file with the Department and the MPO.

Additional requirements are highlighted in the attached **Exhibit A**, Program Requirements.

2. Funding.

Funding is determined annually by the FTA, the Department and the MPO, which has a 20% funding match requirement. The Department upon consultation with the MPO will select specific tasks from the UPWP to fund and identify the amount for each task. Prior to the start of funding period, the Department will mail to the MPO a Work Authorization that identifies the tasks to be performed, the funding for each task and the local match requirement.

Funding is provided by FTA, Catalog of Federal Domestic Assistance (CFDA) Number 20.505. State funds will not be earmarked or disbursed to fund the Tasks. The Department shall not be responsible for any other costs incurred by the MPO. The MPO shall take all actions necessary to fund its share of the Program.

3. Method of Payment.

With federal funds, the Department shall reimburse the MPO for 80% of the eligible expenses. Invoices shall be submitted quarterly to the Department by the 25th day of the quarter following the close of the invoice period utilizing the Electronic Grants Management Performance System (BlackCat). All expenses must be actual rather than estimated and listed on the invoice as charged. The MPO must submit backup documentation for line items over \$500. Rounding up or down, other than the total, is not permitted due to the possibility of audit exceptions. Reports and invoices shall be submitted to the Department electronically and must contain supporting documentation sufficient to allow the Department to determine what Project actions have been taken and what costs have been incurred by or on behalf of the MPO during each quarter. The Department reserves the right to request backup documentation for any line item submitted for reimbursement at any time. Only those expenses or percentage thereof, properly documented and deemed eligible by the Department, shall be reimbursed. The Department will withhold payment of any invoice that is incorrect and/or incomplete.

Invoices shall be certified by the MPO that they accurately reflect work completed, amount due and include the Work Authorization number, remaining work authorization balance, control and/or contract number.

4. Eligible Costs.

Eligible Costs are those costs attributable to and allowed under the Program and the provisions of 2 CFR 200 Uniform Administrative Requirements, Cost Principles, and Audit Requirement for Federal Awards. Costs incurred by the MPO prior to the effective date of this Agreement or subsequent to the termination date shall not be eligible for reimbursement as Program costs.

5. State General Appropriation Funds Not Obligated.

Nothing in this Agreement shall be construed as obligating state general appropriation funds for payment of any debt or liability arising under this Agreement. The parties expressly acknowledge that all payments made under this Agreement are from federal funds appropriated for these purposes.

6. Term.

This Agreement becomes effective upon the signature of all parties. The effective date is the date the last party signed the Agreement on the signature page below. All costs incurred under this agreement from October 1, 2022 to September 30, 2026 may be reimbursed. This Agreement shall expire September 30, 2026.

7. Termination for Convenience or Cause.

The Department has the option to terminate this Agreement if the MPO fails to comply with any provision. A written notice of termination shall be given at least thirty (30) days prior to the intended date of termination and shall identify all of the MPO breaches on which the termination is based.

The Department may provide the MPO a reasonable opportunity to correct the breach. If within ten (10) days after receipt of a written notice of termination, the MPO has not corrected the breach or, in the case of a breach which cannot be corrected in ten (10) days, the MPO has not begun and proceeded in good faith to correct the breach, the Department may declare the MPO in default and terminate the Agreement. The Department shall retain any and all other remedies available to it under the law.

8. Appropriations.

The terms of this Agreement are contingent upon sufficient appropriations and authorizations being made by the Congress of the United States. If sufficient appropriations and authorizations are not made, this Agreement shall terminate upon written notice from the Department to the MPO. The Department's decision as to whether sufficient appropriations are available shall be accepted by the MPO and shall be final.

9. Termination Management, Allowable Costs.

In the event of termination, neither party may nullify obligations already incurred for performance or failure to perform. The MPO shall be paid for all the allowable costs incurred prior to the date of termination, subject to audit verification by the Department or its duly authorized representative.

The MPO shall not be paid for any costs incurred that are inconsistent with, or contrary to, the terms and conditions of this Agreement.

10. Breach and Dispute Resolution.

Disputes which cannot be resolved informally by the parties shall be decided in writing by a representative of the Department's Transit and Rail Division. The MPO has ten (10) days from receipt of the decision to file a written appeal with the Transit and Rail Division. Upon appeal, the MPO will be afforded an opportunity to be heard and to offer evidence in support of its position. The decision of the Transit and Rail Division on appeal shall be binding.

11. New Mexico Tort Claims Act.

As between the Department and the MPO, neither party shall be responsible for liability incurred as a result of the other party's acts or omissions in connection with this agreement. Any liability incurred in connection with this Agreement is subject to the immunities and limitations of the New Mexico Tort Claims Act, Section 41-4-1, *et seq.*, NMSA 1978. This paragraph is intended only to define the liabilities between the parties and it is not intended to modify, in any way, the parties' liabilities as governed by the common law of the New Mexico Tort Claims Act.

12. Retention of Records.

The MPO shall maintain all books, documents, papers, accounting records, reports and other evidence pertaining to costs incurred in the Program for three (3) years after the date of termination or expiration of this Agreement.

13. Access to Records.

The MPO shall grant authorized representatives of the Department, the state and the federal government access to books, documents, papers, reports, and records of the MPO or its subcontractors, which are directly pertinent to this Agreement, for the purpose of making audits, examination excerpts, and transcriptions. The MPO agrees to permit any of the foregoing parties to reproduce by any means whatsoever or to copy excerpts and transcriptions as reasonably needed. The MPO shall reimburse the Department for any expenditure for which it received payment or reimbursement, as applicable, which is disallowed by an audit exception by the Department, the state or federal government.

14. Audit.

The MPO shall ensure that an annual audit of the Program based on the MPO's fiscal year shall be conducted pursuant to 2 CFR 200 Uniform Administrative Requirements, Cost Principles, and Audit Requirement for Federal Awards. The MPO, prior to initiation of the audit, shall seek written approval from the Department of the auditing firm. The MPO agrees to provide the Department with a copy of the audit report concerning any portion of the Agreement period as soon as it is released, but in no case later than six months following the close of the local fiscal year. Audit costs are an eligible administrative expense. Should the MPO fail to produce the annual audit, the Department may, at its option, commission such an audit payable out of Program funds.

15. Audit Exceptions.

If federal or state audit exceptions are made, the MPO shall reimburse all costs incurred by the State and the Department associated with defending against the exceptions, which includes but is not limited to costs of performing a new audit or a follow-up audit, court costs, attorneys' fees, travel costs, penalty assessments.

Immediately upon notification from the Department, the MPO shall reimburse the amount of the audit exception and any other related costs directly to the Department. In the notification, the Department may inform the MPO of the Department's election to withhold an amount equal to the payment owed under this Section from any future distribution owed to MPO under this Agreement.

16. Third Party Beneficiaries.

It is not intended by any of the provisions of any part of this Agreement to create in the public or any member thereof a third party beneficiary or to authorize anyone not a party to the Agreement to maintain a suit(s) for wrongful death(s), bodily and/or personal injury(ies) to person(s), damage(s) to property(ies), and/or any other claim(s) whatsoever pursuant to the provisions of this Agreement.

17. Contracting and Assignment.

The MPO shall not contract any portion of this Agreement without prior written approval of the Department. No such contracting shall relieve the MPO from its obligations and liabilities under this Agreement, nor shall any subcontracting obligate payment from the Department.

Except to a successor in kind, the MPO shall not assign or transfer any interest in this Agreement or assign any claim for money due or to become due under this Agreement without the prior written approval of the Department.

Should subcontract(s) or an assignment be authorized by the Department, the subcontractor(s) and assignor(s) shall be subject to all provisions of this Agreement. It shall be the MPO's responsibility to duly inform the subcontractor(s) and assignor(s) by means of a contract or other legally binding document stipulating responsibility to this Agreement.

Subcontractors and Assignors of FTA funds must meet applicable Disadvantaged Business Enterprise (DBE) Program requirements when funds are used in whole or in part to finance procurements for applicable products and services.

18. No Federal Government Obligation to Third Parties.

The Department and MPO acknowledge and agree that, notwithstanding any concurrence by the federal government in or approval of the solicitation or award of the underlying contract, absent the express written consent by the federal government, the federal government is not a party to this contract and shall not be subject to any obligations or liabilities to the Department, MPO, or any other party (whether or not a party to that contract) pertaining to any matter resulting from the underlying contract.

The MPO agrees to include the above clause in each subcontract financed in whole or in part with federal assistance provided by FTA. It further agrees that the clause shall not be modified, except to identify the subcontractor who will be subject to its provisions.

The MPO agrees to take affirmative action to ensure that applicants are employed, and that employees are treated during employment, without regard to their race, color, creed, national origin, sex, or age. Such action shall include, but not be limited to, the following: employment, upgrading, demotion or transfer, recruitment or recruitment advertising, layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. Each contract the MPO signs with a contractor must include the assurance in this paragraph (see 49 CFR 26.13(b)).
- C. The MPO agrees to ensure that Disadvantaged Business Enterprises as defined in 49 CFR Part 26 have the maximum opportunity to participate in the performance of Contracts and subcontracts financed in whole or in part with Federal funds. The MPO must promptly notify the Department, whenever a DBE contractor is terminated or fails to complete its work, and must make good faith efforts to engage another DBE contractor to perform at least the same amount of work. The MPO may not terminate any DBE subcontractor and perform that work through its own forces or those of an affiliate without prior written consent of the Department.

The certification in this clause is a material representation of fact relied upon by the Department. If it is later determined that the bidder/MPO or proposer/MPO knowingly rendered an erroneous certification, in addition to remedies available to the Department, the federal government may pursue available remedies, including but not limited to suspension and/or debarment. The bidder/MPO or proposer/MPO agrees to comply with the requirements of 2 C.F.R. Part 1200 while this offer is valid and throughout the period of any contract that may arise from this offer. Please read the entire Agreement before completing, and do not change or add to the wording of the Agreement. The Agreement is incorporated into and becomes a material part of your contract with NMDOT, and Subrecipients are responsible for complying with the requirements contained therein.

DISADVANTAGE BUSINESS ENTERPRISE CERTIFICATION 2

DISADVANTAGED BUSINESS ENTERPRISE RACE-NEUTRAL IMPLEMENTATION AGREEMENT for the **Santa Fe Metropolitan Planning Organization**; hereinafter referred to as “**Subrecipient.**”

I. Definition of Terms

The terms used in this agreement have the meanings defined in 49 CFR Part 26.5.

II. OBJECTIVE/POLICY STATEMENT (§26/1. 26/23)

The Subrecipient intends to receive federal financial assistance from the U.S. Department of Transportation (USDOT) through the New Mexico Department of Transportation (NMDOT), and as a condition of receiving this assistance, the Subrecipient will sign the New Mexico Department of Transportation’s Disadvantaged Business Enterprise Race Neutral Implementation Agreement (hereinafter referred to as Agreement).

The Subrecipient must implement a policy to ensure that DBEs, as defined in 49 CFR Part 26 (also referred to as the DBE Program), have an equal opportunity to receive and participate in DOT-assisted contracts. It is also their policy:

To ensure nondiscrimination in the award and administration of DOT-assisted procurement and contracts of products and services contracts.

To create a level playing field on which DBE’s can compete fairly for DOT-assisted procurement and contracts of products and services contracts.

To ensure that their annual overall DBE participation percentage is narrowly tailored, in accordance with applicable law.

To ensure that only firms that fully meet 49 CFR, Part 26 eligibility standards are permitted to participate as DBEs.

To help remove barriers to the participation of DBEs in DOT-assisted procurement and contracts of products and services contracts.

To assist the development of firms that can compete successfully in the market place outside the DBE Program.

III. Nondiscrimination (§26.7)

Subrecipient will never exclude any person from participation in, deny any person the benefits of, or otherwise discriminate against anyone in connection with the award and performance of any contract covered by 49 CFR Part 26 on the basis of race, color, sex, or national origin. IV. Race-Neutral Means of Meeting the Annual DBE Goal (§26.51)

Subrecipient will assist NMDOT to achieve its Overall Statewide DBE Goal by race-neutral means of facilitating DBE participation. Race-neutral DBE participation includes any time a DBE wins a prime contract through customary competitive procurement procedures, is awarded a subcontract on a prime contract that does not carry a DBE goal, or even if there is a DBE goal, wins a subcontract from a prime contractor that did not consider its DBE status in making the award (e.g., a prime contractor that uses a strict low-bid system to award subcontracts).

Race-neutral means include, but are not limited to, the following:

DISADVANTAGE BUSINESS ENTERPRISE CERTIFICATION 2

1. Arranging solicitations, times for the presentation of bids, quantities, specifications, and delivery schedules in ways that facilitate DBE, and other small businesses, participation (e.g., unbundling large contracts to make them more accessible to small businesses, requiring or encouraging prime contractors to subcontract portions of work that they might otherwise perform with their own forces);
2. Providing assistance in overcoming limitations such as inability to obtain bonding or financing (e.g., by such means as simplifying the bonding process, reducing bonding requirements, eliminating the impact of surety costs from bids, and providing services to help DBEs, and other small businesses, obtain bonding and financing);
3. Providing technical assistance and other services;
4. Carrying out information and communication programs on contracting procedures and specific contract opportunities (e.g., ensuring the inclusion of DBEs, and other small businesses, on recipient mailing lists of bidders; ensuring the dissemination to bidders on prime contracts of lists of potential subcontractors; provision of information in languages other than English, where appropriate);
5. Implementing a supportive services program to develop and improve immediate and long-term business management, record keeping, and financial and accounting capability for DBEs and other small businesses;
6. Providing services to help DBEs, and other small businesses, improve long-term development, increase opportunities to participate in a variety of kinds of work, handle increasingly significant projects, and achieve eventual self-sufficiency;
7. Establishing a program to assist new, start-up firms, particularly in fields in which DBE participation has been historically low;
8. Ensuring distribution of the New Mexico DBE directory, through print and electronic means, to the widest feasible universe of potential contractors; and
9. Assisting DBEs, and other small businesses, to develop their capability to utilize emerging technology and conduct business through electronic media.

Subrecipient will encourage utilization of DBE contractors whenever possible on its USDOT-assisted contracts. New Mexico Certified DBE firms and the fields of work in which they participate are listed in the electronic web-based DBE Directory located at <https://nmdot.dbesystem.com>

V. Quotas (§26.43)

Subrecipient will not use quotas or set-asides in any way in the administration of the DBE Program.

VI. DBE Liaison Officer (§26.25)

Subrecipient must designate a DBE Liaison Officer (DBELO). The DBELO is responsible for implementing the DBE Program as it pertains to the Subrecipient and ensures that the Subrecipient is fully and properly advised concerning DBE Program matters.

VII. Federal Financial Assistance Agreement Assurance (§26.13)

The Subrecipient will sign the following assurance, applicable to and to be included in all USDOT-assisted procurements and contracts for products and services:

The recipient shall not discriminate on the basis of race, color, national origin, or sex in the award and performance of any USDOT-assisted contract, or in the administration of its DBE Program, or the requirements of 49 CFR Part 26. The recipient shall take all necessary and reasonable steps under 49 CFR, Part 26 to ensure nondiscrimination in the award and administration of USDOT-assisted contracts. The recipient's DBE Program, as required by 49 CFR, Part 26 as approved by USDOT, is incorporated by reference in this agreement. Implementation of this program is a legal obligation and failure to carry out its terms shall be treated as a violation of this agreement. Upon notification to the recipient of its failure to carry out its approved program, the Department may impose sanctions as provided for under Part 26 and may, in appropriate cases, refer the matter for enforcement under 18 U.S.C. 1001 and/or the Program Fraud Civil Remedies Act of 1986 (31 U.S.C. 3801 et seq.).

VIII. Required Contract Clauses (§§26.13, 26.29)

Subrecipient assures that the following clauses will be included in each USDOT-assisted prime contract:

A. Contract Assurance

The contractor or subcontractor shall not discriminate on the basis of race, color, national origin, or sex in the performance of this contract. The contractor shall carry out applicable requirements of 49 CFR, Part 26 in the award and administration of DOT-assisted procurement and contracts of products and services contracts. Failure by the contractor to carry out these requirements is a material breach of this contract, which may result in the termination of this contract or such other remedy, as recipient deems appropriate.

B. Prompt Payment

Prompt Progress Payment to Subcontractors

A prime contractor or subcontractor shall pay to any subcontractor not later than 10 days of receipt of each progress payment. The 10-days is applicable unless a longer period is agreed to in writing. Any delay or postponement of payment over 30 days may take place only for good cause and with the NMDOT's prior written approval. Any violation of this Section shall subject the violating contractor or subcontractor to penalties, sanctions, and other remedies provided by law. This requirement shall not be construed to limit or impair any contractual, administrative, or judicial remedies otherwise available to the contractor or subcontractor in the event of a dispute involving late payment or nonpayment by the contractor, deficient subcontractor performance, and/or noncompliance by a subcontractor. This clause applies to both DBE and non-DBE subcontractors.

Prompt Payment of Retainage

Subrecipient shall include either (1), (2), or (3) of the following provisions in their USDOT-assisted contracts to ensure prompt and full payment of retainage (withheld funds) to subcontractors in compliance with 49 CFR 26.29.

1. No retainage will be held by the agency from progress payments due to the prime contractor. Prime contractors and subcontractors are prohibited from holding retainage from subcontractors.
