RE: Updating Resolution No. 2025-38 to Prioritize Seniors, in Addition to Families at the Micro Community at 2396 Richards Avenue

EXECUTIVE SUMMARY:

Resolution No. 2025-38 originally prioritized families with children and youth at the Micro Community located at 2396 Richards Avenue. The proposed resolution would update Resolution No. 2025-38 to include seniors experiencing homelessness in its scope.

BACKGROUND:

On June 11th, 2025, the Governing Body adopted Resolution No. 2025-38, which identified City of Santa Fe's property at 2395 Richards Avenue as a location for a Micro Community. This Micro Community would specifically provide shelter and supportive services for families with children and youth experiencing homelessness. The property at 2395 Richards Avenue is suited for such a Micro Community because it can house up to fifty (50) units, is not abutting any schools, daycares or playgrounds, is accessible to Emergency Medical Service vehicles and trash pickup, and is approximately a third of a mile from the main road, while still being located close to two City bus routes (numbers Four and Six).
