**ITEM AND ISSUE:**

The Conservation & Sustainability Division in Public Utilities respectfully requests your review and approval of professional services established using Santa Fe County’s contract with Homewise and a Budget Adjustment Resolution (BAR) in the total amount of \$1,254,170.00 to administer their Community Energy Efficiency Development (CEED) grant. The City of Santa Fe’s contract with Homewise will not exceed \$1,254,170 inclusive of NM GRT for administering the CEED program for a term duration of 05/26 to 12/27. Contract amount thresholds for both the Santa Fe County and the City of Santa Fe were established based on the amounts awarded by the New Mexico Energy, Minerals and Natural Resources Department’s Energy Conservation and Management Division (ECAM) CEED grant.

**CONTRACT NUMBER:**

The FY25-26 Munis contract number is 3260406.

**BACKGROUND AND SUMMARY:**

The Community Energy Efficiency Development (CEED) grant, funded through the New Mexico Energy, Minerals and Natural Resources Department’s Energy Conservation and Management Division (ECAM), enables the City of Santa Fe’s Conservation & Sustainability Division to deliver comprehensive energy efficiency and electrification upgrades to income-qualified households in Census Tracts 12.02, 12.03, and 12.05 by reducing energy burden, improving housing quality, and advancing the City’s carbon neutrality goals. The City has selected Homewise to administer the grant due to its proven track record as a trusted, community-based organization with extensive experience in home repair, energy efficiency, and affordable housing services. Through its Energywise program, Homewise brings established contractor networks, program delivery infrastructure, and demonstrated success managing similar funding, including large-scale home improvement and energy initiatives for low-income residents. This partnership allows the City to efficiently implement CEED by leveraging Homewise’s expertise and capacity, while also integrating additional resources such as community solar and state and federal rebate programs to maximize impact for participating households. The grant is fully funded by the State of New Mexico and requires no City matching funds.

### **A. Additional Insured - Owners, Lessees, or Contractors - Automatic Status (not applicable to Employee Benefits Liability Coverage)**

1. Section II - Who Is An Insured is amended to include as an additional insured any person or organization for whom you are performing operations when you and such person or organization have agreed in writing in a contract or agreement that such person or organization be added as an additional insured on your policy and any other person or organization you are required to add as an additional insured under the contract or agreement. Such person or organization is an additional insured only with respect to liability for "bodily injury," "property damage" or "personal and advertising injury" caused, in whole or in part, by:

- a. Your acts or omissions; or
- b. The acts or omissions of those acting on your behalf;

in the performance of your ongoing operations for the additional insured.

Except as provided for in the exception to 2.b. below, a person's or organization's status as an additional insured under this endorsement ends when your operations for that additional insured are completed.

However, the insurance afforded to such additional insured described above:

- a. only applies to the extent permitted by law; and
- b. will not be broader than that which you are required by the contract or agreement to provide for such additional insured.

2. With respect to the insurance afforded to these additional insureds, the following additional exclusions apply:

This insurance does not apply to:

- a. "Bodily injury," "property damage" or "personal and advertising injury" arising out of the rendering of, or the failure to render, any professional architectural, engineering or surveying services, including:

- 1) The preparing, approving, or failing to prepare or approve, maps, shop drawings, opinions, reports, surveys, field orders, change orders or drawings and specifications; or
- 2) Supervisory, inspection, architectural or engineering activities.

This exclusion applies even if the claims against any insured allege negligence or other wrongdoing in the supervision, hiring, employment, training or monitoring of others by that insured, if the "occurrence" which caused the "bodily injury" or "property damage", or the offense which caused the "personal and advertising injury", involved the rendering of, or failure to render, any professional architectural, engineering or surveying services.

**b. "Bodily injury" or "property damage" occurring after:**

- 1) All work, including materials, parts or equipment furnished in connection with such work, on the project (other than service, maintenance or repairs) to be performed by or on behalf of the additional insured(s) at the location of the covered operations has been completed; or
- 2) That portion of "your work" out of which the injury or damage arises has been put to its intended use by any person or organization other than another contractor or subcontractor engaged in performing operations for a principal as a part of the same project.

However, exclusion **b.** does not apply when in conflict with the requirements of a written contract or agreement.

3. The most we will pay on behalf of the additional insured is the amount of insurance required by the contract or agreement you have entered into with the additional insured or the amount of insurance available under the applicable Limits of Insurance shown in the Declarations or Change Endorsement, whichever is less. These Limits of Insurance are inclusive and not in addition to the Limits of Insurance shown in the Declarations or Change Endorsement.

**B. Additional Insured - Managers or Lessors of Premises - Automatic Status (not applicable to Employee Benefits Liability Coverage)**

1. Section II - Who Is An Insured is amended to include as an insured any person or organization when you and such person or organization have agreed in writing in a contract or agreement that such person or organization be added as an additional insured on your policy, but only with respect to liability arising out of the ownership, maintenance or use of that part of the premises leased to you and subject to the following additional exclusions:

This insurance does not apply to:

- a. Any "occurrence" which takes place after you cease to be a tenant in that premises.
- b. Structural alterations, new construction or demolition operations performed by or on behalf of the additional insured.

However, the insurance afforded to such additional insured described above:

- a. only applies to the extent permitted by law; and
  - b. will not be broader than that which you are required by the contract or agreement to provide for such additional insured.
2. The most we will pay on behalf of the additional insured is the amount of insurance required by the contract or agreement you have entered into with the additional insured or the amount of insurance available under the applicable Limits of Insurance shown in the Declarations or Change Endorsement, whichever is less. These Limits of Insurance are inclusive and not in addition to the Limits of Insurance shown in the Declarations or Change Endorsement.

**C. Additional Insured – Lessor of Leased Equipment – Automatic Status (not applicable to Employee Benefits Liability Coverage)**

1. Section II – Who Is An Insured is amended to include as an additional insured any person or organization from whom you lease equipment when you and such a person or organization have agreed in writing in a contract or agreement that such person or organization be added as an additional insured on your policy. Such person or organization is an insured only with respect to liability for "bodily injury," "property damage" or "personal and advertising injury" caused, in whole or in part, by your maintenance, operation or use of equipment leased to you by such person or organization.

However, the insurance afforded to such additional insured described above:

- a. only applies to the extent permitted by law; and

- b. will not be broader than that which you are required by the contract or agreement to provide for such additional insured.

A person's or organization's status as an additional insured under this endorsement ends when their contract or agreement with you for such leased equipment ends.

- 2. With respect to the insurance afforded to these additional insureds, this insurance does not apply to any "occurrence" which takes place after the equipment lease expires.
- 3. The most we will pay on behalf of the additional insured is the amount of insurance required by the contract or agreement you have entered into with the additional insured or the amount of insurance available under the applicable Limits of Insurance shown in the Declarations or Change Endorsement, whichever is less. These Limits of Insurance are inclusive and not in addition to the Limits of Insurance shown in the Declarations or Change Endorsement.

However, the insurance afforded to such additional insured described above:

- a. only applies to the extent permitted by law; and
  - b. will not be broader than that which you are required by the contract or agreement to provide for such additional insured.
- 2. With respect to the insurance afforded to these vendors, the following additional exclusions apply:
    - a. "Bodily injury" or "property damage" for which the vendor is obligated to pay damages by reason of the assumption of liability in a contract or agreement. This exclusion does not apply to liability for damages that the vendor would have in the absence of the contract or agreement;
    - b. An express warranty unauthorized by you;
    - c. Any physical or chemical change in the product made intentionally by the vendor;
    - d. Repackaging, except when unpacked solely for the purpose of inspection, demonstration, testing, or the substitution of parts under instructions from the manufacturer, and then repackaged in the original container;

    - g. Products which, after distribution or sale by you, have been labeled or relabeled or used as a container, part or ingredient of any other thing or substance by or for the vendor; or
    - h. "Bodily injury" or "property damage" arising out of the sole negligence of the vendor for its own acts or omissions or those of its employees or anyone else acting on its behalf. However, this exclusion does not apply to:

- a) An act, error or omission; or
- b) A series of acts, errors or omissions negligently committed in the "administration" of your "employee benefit program."

However, the amount paid under this endorsement shall not exceed, and will be subject to, the limits and restrictions that apply to the payment of benefits in any plan included in the "employee benefit program."

The Limits of Insurance of this endorsement apply separately to each consecutive annual period and to any remaining period of less than 12 months, starting with the beginning of the policy period shown in the Declarations of the policy to which this endorsement is attached, unless the policy period is extended after issuance for an additional period of less than 12 months. In that case, the additional period will be deemed part of the last preceding period for purposes of determining the Limits Of Insurance.

#### 4. Deductible

- a. Our obligation to pay damages on behalf of the insured applies only to the amount of damages in excess of **\$1,000**. The limits of insurance shall not be reduced by the amount of this deductible.
- b. The deductible amount applies to all damages sustained by any one "employee," including such "employee's" dependents and beneficiaries, because of all acts, errors or omissions to which this insurance applies.
- c. The terms of this insurance, including those with respect to:
  - 1) Our right and duty to defend any "suits" seeking those damages; and
  - 2) Your duties, and the duties of any other involved insured, in the event of an act, error or omission, "claim" or "suit" apply irrespective of the application of the deductible amount.
- d. We may pay any part or all of the deductible amount to effect settlement of any "claim" or "suit" and, upon notification of the action taken, you shall promptly reimburse us for such part of the deductible amount as we have paid.

**SECTION IV - CONDITIONS**, Paragraphs 2. and 4. are replaced by the following for the Employee Benefits Liability Coverage:

#### 2. Duties In The Event Of An Act, Error Or Omission, "Claim" Or "Suit"

- a. You must see to it that we are notified as soon as practicable of an act, error or omission which may result in a "claim." To the extent possible, notice should include:
  - 1) What the act, error or omission was and when it occurred; and
  - 2) The names and addresses of anyone who may suffer damages as a result of the act, error or omission.
- b. If a "claim" is made or "suit" is brought against any insured, you must:
  - 1) Immediately record the specifics of the "claims" or "suit" and the date received; and
  - 2) Notify us as soon as practicable.

You must see to it that we receive written notice of the "claim" or "suit" as soon as practicable.

- c. You and any other involved insured must:
  - 1) Immediately send us copies of any demands, notices, summonses or legal papers received in connection with the "claim" or "suit";
  - 2) Authorize us to obtain records and other information;
  - 3) Cooperate with us in the investigation or settlement of the "claim" or defense against the "suit"; and
  - 4) Assist us, upon our request, in the enforcement of any right against any person or organization which may be liable to the insured because of an act, error or omission to which this insurance may also apply.
- d. No insured will, except at the insured's own cost, voluntarily make a payment, assume any obligation or incur any expense without our consent.

#### 4. Other Insurance

If other valid and collectible insurance is available to the insured for a loss we cover under this endorsement, our obligations are limited as follows:

**a. Primary Insurance**

This insurance is primary except when **b.** below applies. If this insurance is primary, our obligations are not affected unless any of the other insurance is also primary. Then, we will share with all that other insurance by the method described in **c.** below.

**b. Excess Insurance**

Any other primary insurance available to you covering acts, errors or omissions for which you have been added as an additional insured.

When this insurance is excess, we will have no duty to defend the insured against any "suit" if any other insurer has a duty to defend the insured against that "suit." If no other insurer defends, we may undertake to do so, but we will be entitled to the insured's rights against all those other insurers.

When this insurance is excess over other insurance, we will pay only our share of the amount of the loss, if any, that exceeds the sum of:

- 1) The total amount that all such other insurance would pay for the loss in absence of this insurance; and
- 2) The total of all deductible and self-insured amounts under all that other insurance.

We will share the remaining loss, if any, with any other insurance that is not described in this Excess Insurance provision and was not bought specifically to apply in excess of the Limits of Insurance shown.

**c. Method Of Sharing**

If all of the other insurance permits contribution by equal shares, we will follow this method also. Under this approach each insurer contributes equal amounts until it has paid its applicable limit of insurance or none of the loss remains, whichever comes first.

If any of the other insurance does not permit contribution by equal shares, we will contribute by limits. Under this method, each insurer's share is based on the ratio of its applicable limits of insurance of all insurers.

**SECTION V - DEFINITIONS** is amended by adding the following definitions for Employee Benefits Liability Coverage:

1. "Administration" means:

- a. Providing information to "employees," including their dependents and beneficiaries, with respect to eligibility for or scope of "employee benefit programs";

However, that portion of the contract for a lease of premises that indemnifies any person or organization for damage by fire, sprinkler leakage or explosion to premises while rented to you or temporarily occupied by you with permission of the owner is not an insured contract.
3. The last paragraph of SECTION I - COVERAGE A (after the exclusions) is replaced by the following: Exclusions c. through n. do not apply to damage by fire, sprinkler leakage or explosion to premises while rented to you or temporarily occupied by you with permission of the owner. A separate limit of insurance applies to this coverage as described in SECTION III - LIMITS OF INSURANCE.  
But the Limit of Insurance shown in the Declaration will apply to all damage proximately caused by the same event. Whether such damage results from fire, sprinkler leakage or explosion or any combination of the three.
4. The Damage to Premises Rented To You Limit in Paragraph 6. of SECTION III - LIMITS OF INSURANCE, is replaced by a new Fire, Sprinkler Leakage or Explosion Limit, which will be subject to all of the terms of SECTION III - LIMITS OF INSURANCE. The new Fire, Sprinkler Leakage or Explosion Limit is **\$300,000** unless a higher limit is shown on the Declarations or Change Endorsement.

**H. Home Builders Amendments**

**SERVICE AGREEMENT  
BETWEEN SANTA FE COUNTY AND  
HOMEWISE, INC.**

This Agreement is entered into this 16<sup>th</sup> day of October 2025, between **Santa Fe County**, a political subdivision of the state of New Mexico (the "County"), and **Homewise, Inc.**, 1301 Siler Rd., Bldg. D, Santa Fe, NM 87507 (the "Administrator").

Background

**WHEREAS**, pursuant to NMSA 1978, Section 13-1-112, competitive, sealed proposals were solicited by a formal RFPs by No. 2025-0055-CDD/TJ to procure these services; and

**WHEREAS**, the County requires a community-based organization to administer the Santa Fe County Home Rehabilitation Energy Efficiency (HREE) and Community Energy Efficiency Development (CEED) programs to provide home rehabilitation and energy efficient improvements for low to moderate income County residents; and

**WHEREAS**, based upon the evaluation criteria in the RFP for selecting the most qualified offeror, the County has determined the Administrator as the most responsive and highly rated offeror; and

**WHEREAS**, the County requires the services of the Administrator, and the Administrator is qualified and willing to provide the services and both parties wish to enter into this Agreement.

**NOW, THEREFORE**, the parties agree as follows:

**1. ADMINISTRATOR'S SERVICES**

Attached are Santa Fe Resolution No. 2024-062 and Santa Fe County Ordinance No. 2025-01 (see Attachments A and B) for the Administrator's reference in performing the services under this Agreement and administering the CEED and HREE programs. The Administrator's Services are as follows:

- A. Household Eligibility and Application Assessment
  - 1) Utilize the Neighborly Software for processing applications and document collection. Evaluate applicants for completeness using basic household demographic information, supporting income documentation, and self-reported household conditions.
  - 2) Deny applications that do not meet program criteria, request additional information for incomplete applications, and notify the County of all program-eligible applicants. Program criteria include:
    - i. Area Median Income (AMI) cannot exceed 100% for any projects projected to draw down project funds.

- ii. Property must be owned by applicant.
- iii. Property must be applicant’s primary residence; Administrator will refer landlords seeking to make upgrades drawing on CEED and/or HREE capital.
- iv. Property must be located within the project region.
- v. Administrator will not proceed with work on any project unless the applicant’s property tax bill is current.

**B. Participant Ranking and Prioritization**

- 1) Rank eligible households that have been preapproved and referred by the County using a Vulnerability Index to determine the order of project deployment. The prioritization of applicants will be determined by utilizing a vulnerability index/point scale. Below is the point scale being used:

Key:	Points:
AMI under 65%	1
Age 62 or over	1
Children in HH under 18	1
More than two children under 18	1
Disabled individuals	1
Health or safety issues that meet thresholds	1

Should there be multiple applicants who receive the same number of points, priority will be established by AMI where the lowest AMI household gets the highest priority.

**C. Coordination of Home Assessments and Energy Audits**

- 1) Conduct home assessments/energy audits (referred to as Energywise Roadmaps) for all eligible applicants, to be completed by either Administrator Energy Coach or a third-party inspector. Where feasible, Administrator will encourage the inclusion of energy auditor trainees or apprentices through the New Mexico Home Energy Audit Train (NM HEAT) program in home assessment activities. The Energywise Roadmap notes the condition of the home and lists the energy-efficiency improvements needed to provide a reduction in housing costs though long-term decreases in utility expenses. Prior to conducting the home assessment, Administrator may inquire and/or verify the eligible applicant’s homeowner’s insurance status and refer those applicants who do not meet the requirements back to the County.

D. Development of Household Level Scopes of Work

- 1) Work with the homeowner to develop a scope of work that includes both proposed energy efficiencies measures identified in the Energywise Roadmap and associated funding sources (HREE, CEED, rebates, tax credits, etc.). Administrator will work with the homeowner to prioritize interventions that address long term livability, mitigate substandard living condition, connect to utilities, allow for equitable access to current occupants based on disability status, and/or provide a reduction in housing costs through longer-term decreases in utility expenses.
- 2) Identify and integrate all applicable Home Energy Rebates (HER) and Home Electrification Appliance Rebates (HEAR), as to make client aware of potential state and federal tax credit opportunities, and blend CEED and HREE capital to address as much of the scope of work as possible.
- 3) Identify the source of capital for each proposed activity to adhere to all CEED and HREE program requirements including approved activities and intervention specific funding caps as documented within GSA 25-521-0300-0140 (see Attachment C: Energy Conservation Measure Improvements).
- 4) Where the Energywise Roadmap indicates the presence of residential hazards like mold, asbestos, lead-based paint or ground water contaminants Administrator will notify the County. The Administrator's Services under this Agreement do not include hazard mitigation.

E. Subcontractor Solicitations, Reviews and Approval of Bids

- 1) For all projects Administrator will develop a list of qualified contractors approved by the County, preferably from the Statewide Price Agreement No. 30-00000-23-00070 (Attachment D). The Administrator will provide the list to the homeowner, who will solicit bids directly; Administrator will provide assistance with this process if the homeowner prefers. The contractors will submit bids based on the scope of work to the Administrator and homeowner indicating specific measures and associated costs. The Administrator will review bids with the homeowner to refine bids to meet funding and energy constraints in selecting a contractor. Administrator will provide the County with copies of all bids received. Finalizing the approved bid will include signatures from the Administrator, contractor and homeowner.

F. Project Funding

- 1) Provide the County with the final bid prior to the commencement of each project. Upon final approval, the County will provide Administrator with a loan packet for each homeowner, which must be signed before any work begins.
- 2) The County will hold the lien for each loan originated under this program. The County will record the mortgage and note for each project. The County is responsible for all post-funding compliance.

G. Administrator Coordination and Management of Contractors

- 1) During construction the Administrator will request and manage status updates from the contractors and notify the County of any issues or request change orders. Administrator will convey to the contractors the requirement in Section 10 below (Release), that any receipt of payment due to a contractor serves as a release of the County, its elected officials, officers, agents and employees from all liabilities, claims, and obligations arising from this Agreement.
- 2) Contractors will be required to maintain detailed project records and provide a quarterly report to the County, including without limitation the number of completed and in-process projects total CEED and HREE capital and demographics of households. Contractors will provide, as requested by the County, approved scopes of work and Energywise Roadmaps for specific households.
- 3) At completion, Administrator will conduct a final walkthrough, confirm all tasks outlined within the scope of work have been completed, and collect a certificate of completion signed by the client, contractor, and Administrator. Contractors will sign lien waivers upon receiving final payment. For CEED project following the completion of projection the Administrator will schedule and contract a second energy audit to validate project actions and efficiency improvements.
- 4) After Administrator has collected the Certificate of Completion, signed by both homeowner and contractor, Administrator will provide the certificate to the County. The County will issue payment directly to the contractor.

## 2. ADDITIONAL SERVICES

A. The parties agree that all tasks in Section 1 (Administrator's Services) will be completed to the County's satisfaction and for the amount stated in Section 3 (Compensation, Invoicing and Set-off).

B. The County may request changes in the Administrator's Services. Any changes to the Administrator's services must be made by written amendment.

C. The County may require Administrator to expand its services to include other departments and divisions of Santa Fe County.

## 3. COMPENSATION, INVOICING AND SET-OFF

A. The County shall pay the Administrator according to the following terms:

- 1) The total compensation payable to the Administrator for the term of this Agreement will not exceed **\$424,500.00**, *exclusive* of NM GRT.
- 2) The amount is a maximum and not a guarantee that the services and work assigned to be performed by the Administrator under this Agreement shall equal the amount stated herein. The parties do not intend for the Administrator to continue to provide services without compensation when the total compensation amount is reached. The County will notify the Administrator when the services provided under this Agreement reach the total compensation amount. In no event will the Administrator amount without this Agreement being amended in writing.

B. The Administrator must submit a written request for payment to the County when payment is due. Upon the County's receipt of the written request, the County will issue a written certification of complete or partial acceptance or rejection of the services for which payment is sought. The County will not make payment until the County issues a written certification accepting the services.

The City's rights to obtain

equitable relief pursuant to this Contract shall be in addition to, and not in lieu of, any other remedy that the City may have under applicable law, including, but not limited to, monetary damages.

**34. DEFAULT AND FORCE MAJEURE**

The City reserves the right to cancel all, or any part of any orders placed under this Contract without cost to the City, if the Contractor fails to meet the provisions of this Contract and, except as otherwise provided herein, to hold the Contractor liable for any excess cost occasioned by the City due to the Contractor's default. The Contractor shall not be liable for any excess costs if failure to perform the order arises out of causes beyond the control and without the fault or negligence of the Contractor; such causes include, but are not restricted to, acts of God or the public enemy, acts of the State or Federal Government, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, unusually severe weather and defaults of subcontractors due to any of the above, unless the City shall determine that the supplies or services to be furnished by the subcontractor were obtainable from other sources in sufficient time to permit the Contractor to meet the required delivery scheduled. The rights and remedies of the City provided in this Clause shall not be exclusive and are in addition to any other rights now being provided by law or under this Contract.

**A. Additional Insured - Owners, Lessees, or Contractors - Automatic Status (not applicable to Employee Benefits Liability Coverage)**

1. Section II - Who Is An Insured is amended to include as an additional insured any person or organization for whom you are performing operations when you and such person or organization have agreed in writing in a contract or agreement that such person or organization be added as an additional insured on your policy and any other person or organization you are required to add as an additional insured under the contract or agreement. Such person or organization is an additional insured only with respect to liability for "bodily injury," "property damage" or "personal and advertising injury" caused, in whole or in part, by:
  - a. Your acts or omissions; or
  - b. The acts or omissions of those acting on your behalf;
 in the performance of your ongoing operations for the additional insured.

Except as provided for in the exception to **2.b.** below, a person's or organization's status as an additional insured under this endorsement ends when your operations for that additional insured are completed.

However, the insurance afforded to such additional insured described above:

- a. only applies to the extent permitted by law; and
  - b. will not be broader than that which you are required by the contract or agreement to provide for such additional insured.
2. With respect to the insurance afforded to these additional insureds, the following additional exclusions apply:
 

This insurance does not apply to:

    - a. "Bodily injury," "property damage" or "personal and advertising injury" arising out of the rendering of, or the failure to render, any professional architectural, engineering or surveying services, including:

- 1) The preparing, approving, or failing to prepare or approve, maps, shop drawings, opinions, reports, surveys, field orders, change orders or drawings and specifications; or
- 2) Supervisory, inspection, architectural or engineering activities.

This exclusion applies even if the claims against any insured allege negligence or other wrongdoing in the supervision, hiring, employment, training or monitoring of others by that insured, if the "occurrence" which caused the "bodily injury" or "property damage", or the offense which caused the "personal and advertising injury", involved the rendering of, or failure to render, any professional architectural, engineering or surveying services.

**b. "Bodily injury" or "property damage" occurring after:**

- 1) All work, including materials, parts or equipment furnished in connection with such work, on the project (other than service, maintenance or repairs) to be performed by or on behalf of the additional insured(s) at the location of the covered operations has been completed; or
- 2) That portion of "your work" out of which the injury or damage arises has been put to its intended use by any person or organization other than another contractor or subcontractor engaged in performing operations for a principal as a part of the same project.

However, exclusion **b.** does not apply when in conflict with the requirements of a written contract or agreement.

3. The most we will pay on behalf of the additional insured is the amount of insurance required by the contract or agreement you have entered into with the additional insured or the amount of insurance available under the applicable Limits of Insurance shown in the Declarations or Change Endorsement, whichever is less. These Limits of Insurance are inclusive and not in addition to the Limits of Insurance shown in the Declarations or Change Endorsement.

However, the insurance afforded to such additional insured described above:

- a. only applies to the extent permitted by law; and
- b. will not be broader than that which you are required by the contract or agreement to provide for such additional insured.

2. The most we will pay on behalf of the additional insured is the amount of insurance required by the contract or agreement you have entered into with the additional insured or the amount of insurance available under the applicable Limits of Insurance shown in the Declarations or Change Endorsement, whichever is less. These Limits of Insurance are inclusive and not in addition to the Limits of Insurance shown in the Declarations or Change Endorsement.

**C. Additional Insured – Lessor of Leased Equipment – Automatic Status (not applicable to Employee Benefits Liability Coverage)**

1. Section II – Who Is An Insured is amended to include as an additional insured any person or organization from whom you lease equipment when you and such a person or organization have agreed in writing in a contract or agreement that such person or organization be added as an additional insured on your policy. Such person or organization is an insured only with respect to liability for "bodily injury," "property damage" or "personal and advertising injury" caused, in whole or in part, by your maintenance, operation or use of equipment leased to you by such person or organization.

However, the insurance afforded to such additional insured described above:

- a. only applies to the extent permitted by law; and

- b. will not be broader than that which you are required by the contract or agreement to provide for such additional insured.

A person's or organization's status as an additional insured under this endorsement ends when their contract or agreement with you for such leased equipment ends.

- 2. With respect to the insurance afforded to these additional insureds, this insurance does not apply to any "occurrence" which takes place after the equipment lease expires.
- 3. The most we will pay on behalf of the additional insured is the amount of insurance required by the contract or agreement you have entered into with the additional insured or the amount of insurance available under the applicable Limits of Insurance shown in the Declarations or Change Endorsement, whichever is less. However, the insurance afforded to such additional insured described above:

- a. only applies to the extent permitted by law; and
  - b. will not be broader than that which you are required by the contract or agreement to provide for such additional insured.
- 2. With respect to the insurance afforded to these vendors, the following additional exclusions apply:
    - a. "Bodily injury" or "property damage" for which the vendor is obligated to pay damages by reason of the assumption of liability in a contract or agreement. This exclusion does not apply to liability for damages that the vendor would have in the absence of the contract or agreement;
    - b. An express warranty unauthorized by you;
    - c. Any physical or chemical change in the product made intentionally by the vendor;
    - d. Repackaging, except when unpacked solely for the purpose of inspection, demonstration, testing, or the substitution of parts under instructions from the manufacturer, and then repackaged in the original container;

    - f. Demonstration, installation, servicing or repair operations, except such operations performed at the vendor's premises in connection with the sale of the product;
    - g. Products which, after distribution or sale by you, have been labeled or relabeled or used as a container, part or ingredient of any other thing or substance by or for the vendor; or
    - h. "Bodily injury" or "property damage" arising out of the sole negligence of the vendor for its own acts or omissions or those of its employees or anyone else acting on its behalf. However, this exclusion does not apply to:
      - 1) The exceptions contained in Sub-paragraphs d. or f.; or
      - 2) Such inspections, adjustments, tests or servicing as the vendor has agreed to make or normally undertakes to make in the usual course of business, in connection with the distribution or sale of the products.
  - 3. This insurance does not apply to any insured person or organization, from whom you have acquired such products, or any ingredient, part or container, entering into, accompanying or containing such products.
  - 4. The most we will pay on behalf of the vendor is the amount of insurance required by the contract or agreement you have entered into with the additional insured or the amount of insurance available under the applicable Limits of Insurance shown in the Declarations or Change Endorsement, whichever is less.   - 1) Our right and duty to defend any "suits" seeking those damages; and
  - 2) Your duties, and the duties of any other involved insured, in the event of an act, error or omission, "claim" or "suit" apply irrespective of the application of the deductible amount.
- d. We may pay any part or all of the deductible amount to effect settlement of any "claim" or "suit" and, upon notification of the action taken, you shall promptly reimburse us for such part of the deductible amount as we have paid.

**SECTION IV - CONDITIONS**, Paragraphs **2.** and **4.** are replaced by the following for the Employee Benefits Liability Coverage:

#### **2. Duties In The Event Of An Act, Error Or Omission, "Claim" Or "Suit"**

- a. You must see to it that we are notified as soon as practicable of an act, error or omission which may result in a "claim." To the extent possible, notice should include:
  - 1) What the act, error or omission was and when it occurred; and
  - 2) The names and addresses of anyone who may suffer damages as a result of the act, error or omission.
- b. If a "claim" is made or "suit" is brought against any insured, you must:
  - 1) Immediately record the specifics of the "claims" or "suit" and the date received; and
  - 2) Notify us as soon as practicable.

You must see to it that we receive written notice of the "claim" or "suit" as soon as practicable.

- c. You and any other involved insured must:
  - 1) Immediately send us copies of any demands, notices, summonses or legal papers received in connection with the "claim" or "suit";
  - 2) Authorize us to obtain records and other information;
  - 3) Cooperate with us in the investigation or settlement of the "claim" or defense against the "suit"; and
  - 4) Assist us, upon our request, in the enforcement of any right against any person or organization which may be liable to the insured because of an act, error or omission to which this insurance may also apply.
- d. No insured will, except at the insured's own cost, voluntarily make a payment, assume any obligation or incur any expense without our consent.

#### **4. Other Insurance**

If other valid and collectible insurance is available to the insured for a loss we cover under this endorsement, our obligations are limited as follows:

**a. Primary Insurance**

This insurance is primary except when **b.** below applies. If this insurance is primary, our obligations are not affected unless any of the other insurance is also primary. Then, we will share with all that other insurance by the method described in **c.** below.

**b. Excess Insurance**

Any other primary insurance available to you covering acts, errors or omissions for which you have been added as an additional insured.

When this insurance is excess, we will have no duty to defend the insured against any "suit" if any other insurer has a duty to defend the insured against that "suit." If no other insurer defends, we may undertake to do so, but we will be entitled to the insured's rights against all those other insurers.

When this insurance is excess over other insurance, we will pay only our share of the amount of the loss, if any, that exceeds the sum of:

- 1) The total amount that all such other insurance would pay for the loss in absence of this insurance; and
- 2) The total of all deductible and self-insured amounts under all that other insurance.

We will share the remaining loss, if any, with any other insurance that is not described in this Excess Insurance provision and was not bought specifically to apply in excess of the Limits of Insurance shown.

**c. Method Of Sharing**

If all of the other insurance permits contribution by equal shares, we will follow this method also.

Under this approach each insurer contributes equal amounts until it has paid its applicable limit of insurance or none of the loss remains, whichever comes first.

If any of the other insurance does not permit contribution by equal shares, we will contribute by limits. Under this method, each insurer's share is based on the ratio of its applicable limits of insurance of all insurers.

**SECTION V - DEFINITIONS** is amended by adding the following definitions for Employee Benefits Liability Coverage:

1. "Administration" means:

- a. Providing information to "employees," including their dependents and beneficiaries, with respect to eligibility for or scope of "employee benefit programs";
