Subject: Amendment #2 to Lease Agreement between City of Santa Fe and Challenge New Mexico to Assign the Agreement to The Life Link

Vendor Name: Challenge New Mexico and The Life Link

Vendor Number: 1333 (CNM) and 1340 (TLL)

ITEM AND ISSUE:
The Office of Economic Development, Asset Development, respectfully requests your review and approval of Amendment #2 to the City of Santa Fe Amended Lease Agreement (574384) dated February 18, 1987, (the "1987 Agreement"), as amended, between the City of Santa Fe and Challenge New Mexico to, among other things, assign the Agreement to The Life Link. (Terry Lease, Asset Development Manager, tjlease@santafenm.gov).

CONTRACT NUMBER:
The Original Lease Number is 574384, as amended.

BACKGROUND AND SUMMARY:
In 1983 the City of Santa Fe ("City") was the sole owner of a tract of land known as Disposition Parcel D-73-3, currently identified as 631, 633 and 635 Agua Fria Street, Santa Fe, New Mexico. In 1983 the City and Challenge New Mexico ("Lessee"), a New Mexico non-profit corporation formerly known as the Santa Fe Association for Retarded Citizens, entered into a lease agreement for land ("1983 Agreement"), which allowed Lessee to build "group homes for the mentally and physically handicapped." Under the

terms of Ordinance No. 48, 1985, the City deeded a portion of Disposition Parcel D-73-3, identified as 631 Agua Fria, to Lessee; leaving the City as sole owner of the land only under a duplex with the address of 633 & 635 Agua Fria.

On February 18, 1987, the City and Lessee entered into the 1987 Agreement that replaced the 1983 Agreement and provided for Lessee's continued occupancy of the City owned land (633 & 635 Agua Fria). Currently, Lessee owns two residential duplexes, one on the City owned land (633 and 635 Agua Fria) that is the subject of the Agreement and one on Lessee owned land (631 Agua Fria, Units A & B).

The termination date of the 1987 Agreement is September 30, 2042 (60-year lease) and the rent is set at one dollar per year. Improvements on the land were financed by a Housing and Urban Development mortgage to serve the developmentally disabled.

Lessee's mission has transformed over the years and they now focus on providing therapeutic horseback riding opportunities for people with special needs and disabilities; it is no longer Lessee's mission to provide group home living situations for the disabled community. As a result, Lessee now desires to sell and transfer the improvements that were erected on the City owned land, and assign the 1987 Agreement, to The Life Link, who has funding to renovate and rehabilitate the now unoccupied improvements.

agents, representatives or employees. This provision shall be binding upon and become a part of any sublease entered into by the Lessee and approved by the Lessor.

15. Lessor's Right to Grant Easements. The Lessor shall have the right to grant easements and rights-of-way in areas of the leased property for the installation of utilities, roads and provisions of the pedestrian easement. 16. Lease Embodies All Agreements. This lease incorporates all of the agreements, covenants and understandings between the parties hereto concerning the subject matter of this lease, and that all such covenants, agreements and understandings have been merged into this written lease. No prior agreements or understanding, verbal or otherwise, of the parties or their agents shall be valid or enforceable unless embodied in this lease. This lease shall not be altered, changed or amended except by instrument in writing, executed by the parties hereto.

ARTICLE II. LIMITATION ON DEPARTMENT'S OBLIGATION TO MAKE GRANT DISBURSEMENT TO GRANTEE

A. Upon the Effective Date of this Agreement, for permissible purposes within the scope of the Project Description, the Grantee shall only be reimbursed monies for which the Department has issued and the Grantee has received a Notice of Department's Obligation to Reimburse[22] Grantee (hereinafter referred to as "Notice of Obligation"). ---

[21] The AIPP amount is "an amount of money equal to one percent or two hundred thousand dollars ($200,000), whichever is less, of the amount of money appropriated for new construction or any major renovation exceeding one hundred thousand dollars ($100,000)." Section 13-4A-4 NMSA 1978.

[22] "Reimburse" as used throughout this Agreement includes Department payments to the Grantee for invoices received, but not yet paid, by the Grantee from a third party contractor or vendor, if the invoices comply with the provisions of this Agreement and are a valid liability of the Grantee.

(v) In the event that capital assets acquired with Project funds are to be sold, leased, or licensed to or operated by a private entity, the sale, lease, license, or operating agreement:

a. must be approved by the applicable oversight entity (if any) in accordance with law; or
b. if no oversight entity is required to approve the transaction, the Department must approve the transaction as complying with law.

Prior to the sale, lease, license, or operating agreement being approved pursuant to Articles II(A)(v)(a) and II(A)(v)(b) herein, the Department may, in its sole and absolute discretion and unless inconsistent with State Board of Finance imposed conditions, reimburse the Grantee for necessary expenditures incurred to develop the Project sufficiently to make the sale, lease, license, or operating agreement commercially feasible, such as plan and design expenditures; and

(vi) The Grantee's submission of documentation of all Third Party Obligations and amendments thereto (including terminations) to the Department and the Department's issuance and the Grantee's receiving of a Notice of Obligation for a particular amount in accordance with the terms of this Agreement shall be governed by the following:

a. The Grantee shall submit to the Department one copy of all Third Party Obligations and amendments thereto (including terminations) as soon as possible after execution by the Third Party **but prior to execution by the Grantee.**

b. Grantee acknowledges and agrees that if it chooses to enter into a Third Party Obligation prior to receiving a Notice of Obligation that covers the expenditure, it is solely responsible for such obligations.

c. The Department may, in its sole and absolute discretion, issue to Grantee a Notice of Obligation for the particular amount of that Third Party Obligation that only obligates the Department to reimburse Grantee's expenditures made on or before the Reversion Date or an Early Termination Date. The current Notice of Obligation form is attached to this Agreement as Exhibit 2.

d. The date the Department signs the Notice of Obligation is the date that the Department's Notice of Obligation is effective. After that date, the Grantee is authorized to budget the particular amount set forth in the Notice of Obligation, execute the Third Party Obligation and request the Third Party to begin work. Payment for any work performed or goods received prior to the effective date of the Notice of Obligation is wholly and solely the obligation of the Grantee.

Upon being duly executed by both parties, this Agreement shall be effective as of the date of execution by the Department. For purposes of this Agreement, it is not sufficient for the Grantee to encumber the Project funds on its books on or before the Project's Reversion Date or Early Termination Date. Funds are expended and an expenditure has occurred as of the date that a particular quantity of goods are delivered to and received by the Grantee or title to the goods is transferred to the Grantee and/or as of the date particular services are rendered for the Grantee. Funds are ***not*** expended and an expenditure has ***not*** occurred as of the date they are encumbered by the Grantee pursuant to a contract or purchase order with a third party.

ARTICLE V. EARLY TERMINATION

A. **Early Termination Before Reversion Date Due to Completion of the Project or Complete Expenditure of the Adjusted Appropriation or Violation of this Agreement**

Early Termination includes:

(iii) Termination for violation of the terms of this Agreement; or

(iv) Termination for suspected mishandling of public funds, including but not limited to, fraud, waste, abuse, and conflicts of interest.

Either the Department or the Grantee may early terminate this Agreement prior to the Reversion Date by providing the other party with a minimum of fifteen (15) days' advance, written notice of early termination. Grantee hereby waives any rights to assert an impairment of contract claim against the Department or the State of New Mexico in the event of Early Termination of this Agreement by the Department pursuant to Article V(A).

B. **Early Termination Before Reversion Date Due to Non-appropriation**

The terms of this Agreement are expressly made contingent upon sufficient appropriations and authorization being made by the Legislature of New Mexico for the performance of this Agreement. Throughout this Agreement the term "non-appropriate" or "non-appropriation" includes the following actions by the New Mexico Legislature: deauthorization, reauthorization or revocation of a prior authorization. The Legislature may choose to non-appropriate the Appropriation referred to in Article I and, if that occurs, the Department shall early terminate this Agreement for non-appropriation by giving the Grantee written notice of such termination, and such termination shall be effective as of the effective date of the law making the non-appropriation. The Department's decision as to whether sufficient appropriations or authorizations are available shall be accepted by the Grantee and shall be final. Grantee hereby waives any rights to assert an impairment of contract claim against the Department or the State of New Mexico in the event of Early Termination of this Agreement by the Department pursuant to Article V(B).

C. **Limitation on Department's Obligation to Make Grant Disbursements to Grantee in the Event of Early Termination**

In the event of Early Termination of this Agreement by either party, the Department's sole and absolute obligation to reimburse the Grantee is expressly conditioned upon the limitations set forth Article II.

ARTICLE VI. SUSPENSION OF NEW OR FURTHER OBLIGATIONS

A. The Department may choose, in its sole and absolute discretion, to provide written notice to the Grantee to suspend entering into new and further obligations. Upon the receipt of such written notice by the Grantee:

(i) The Grantee shall immediately suspend entering into new or further written obligations with third parties; and

(ii) The Department will suspend the issuance of any new or further Notice of Obligation under this Agreement; and

(iii) The Department may direct the Grantee to implement a corrective action plan in accordance with Article VI(D) herein.

B. In the event of Suspension of this Agreement, the Department's sole and absolute obligation to reimburse the Grantee is expressly conditioned upon the limitations set forth in Article II herein.

C. A suspension of new or further obligations under this Agreement shall remain in effect unless or until the date the Grantee receives written notice given by the Department informing the Grantee that the Suspension has been lifted or that the Agreement has been Early Terminated in accordance with Article V herein. If the Suspension is lifted, the Department will consider further requests for Notice of Obligation.

D. Corrective Action Plan in the Event of Suspension

In the event that the Department chooses, in its sole and absolute discretion to direct the Grantee to suspend entering into new or further written obligations with third parties pursuant to Article VI(A), the Department may, but is not obligated to, require the Grantee to develop and implement a written corrective action plan to remedy the grounds for the Suspension. Such corrective action plan must be approved by the Department and be signed by the Grantee. Failure to sign a corrective action plan or meet the terms and deadlines set forth in the signed corrective action plan, is hereby deemed a violation of the terms of this Agreement for purposes of Early Termination, Article V(A)(iii). The corrective action plan is in addition to, and not in lieu of, any other equitable or legal remedy, including but not limited to Early Termination.

ARTICLE VII. AMENDMENT

This Agreement shall not be altered, changed, or amended except by instrument in writing duly executed by both the parties hereto.

ARTICLE VIII. REPORTS

A. Database Reporting

The Grantee shall report quarterly Project activity by entering such Project information as the Department and the Department of Finance and Administration may require, such information entered directly into a database maintained by the Department of Finance and Administration (Budget & Formulation Management System). Additionally, the Grantee shall certify on the Request for Payment form (Exhibit 1) that updates have been maintained and are current in the database. The Grantee hereby acknowledges that failure to perform and/or certify updates into the database will delay or potentially jeopardize the reimbursement of funds. The Department shall give Grantee a minimum of thirty (30) days' advance written notice of any changes to the information the Grantee is required to report.

Quarterly reports shall be due on the last day of the month that is 30 days prior to the end of the quarter following execution of this Agreement by the Department and ending during the quarter of the submission of the final request for reimbursement for the Project, or the following quarter.

B. <u>Requests for Additional Information/Project Inspection</u>

During the term of this Agreement and during the period of time during which the Grantee must maintain records pursuant to Article VIII, the Department may:

(i) request such additional information regarding the Project as it deems necessary; and

(ii) conduct, at reasonable times and upon reasonable notice, onsite inspections of the Project.

Grantee shall respond to such requests for additional information within a reasonable period of time, as established by the Department.

ARTICLE IX. REQUEST FOR PAYMENT PROCEDURES AND DEADLINES

A. The Grantee shall request payment by submitting a Request for Payment, in the form attached hereto as Exhibit 1. Payment requests are subject to the following procedures:

(i) The Grantee must submit a Request for Payment; and

(ii) Each Request for Payment must contain proof of payment by the Grantee or liabilities incurred by the Grantee showing that the expenditures are valid or are liabilities incurred by the Grantee in the form of actual unpaid invoices received by the Grantee for services rendered by a third party or items of tangible personal property received by the Grantee for the implementation of the Project; provided, however, that the Grantee may be reimbursed for unpaid liabilities only if the Department, in its sole and absolute discretion, agrees to do so and in accordance with any special conditions imposed by the Department.

(iii) In cases where the Grantee is submitting a Request for Payment to the Department based upon invoices received, but not yet paid, by the Grantee from a third party contractor or vendor, if the invoices comply with the provisions of this Agreement and are a valid liability of the Grantee, the Grantee shall make payment to those contractors or vendors within five (5) business days from the date of receiving reimbursement from the Department or such shorter period of time as the Department may prescribe in writing. The Grantee is required to certify to the Department proof of payment to the third party contractor or vendor within ten (10) business days from the date of receiving reimbursement from the Department.

B. The Grantee must obligate 5% of the Adjusted Appropriation Amount within six months of acceptance of the grant agreement and must have expended no less than 85% of the Adjusted Appropriation Amount six months prior to the reversion date.

C. **Deadlines**

Requests for Payments shall be submitted by Grantee to the Department on the earlier of:

(i) Immediately as they are received by the Grantee but at a minimum thirty (30) days from when the expenditure was incurred or liability of the Grantee was ~~a~~approved as evidenced by an unpaid invoice received by the Grantee from a third party contractor or vendor; or

(ii) Twenty (20) days from date of Early Termination; or

(iii) Twenty (20) days from the Reversion Date.

D. The Grantee's failure to abide by the requirements set forth in Article II and Article IX herein will result in the denial of its Request for Payment or will delay the processing of Requests for Payment. The Department has the right to reject a payment request for the Project unless and until it is satisfied that the expenditures in the Request for Payment are for permissible purposes within the meaning of the Project Description and that the expenditures and the Grantee are otherwise in compliance with this Agreement, including but not limited to, compliance with the reporting requirements and the requirements set forth in Article II herein to provide Third Party Obligations and the Deadlines set forth in Article IX herein. The Department's ability to reject any Request for Payment is in addition to, and not in lieu of, any other legal or equitable remedy available to the Department due to Grantee's violation of this Agreement.

ARTICLE X. PROJECT CONDITIONS AND RESTRICTIONS; REPRESENTATIONS AND WARRANTIES

A. The following general conditions and restrictions are applicable to the Project:

(i) The Project's funds must be spent in accordance with all applicable state laws, regulations, policies, and guidelines, including, but not limited to, the State Procurement Code (or local procurement ordinance, where applicable).

(ii) The Project must be implemented in accordance with the New Mexico Public Works Minimum Wage Act, Section 13-4-10 through 13-4-17 NMSA 1978, as applicable. Every contract or project in excess of sixty thousand dollars ($60,000) that the Grantee is a party to for construction, alteration, demolition or repair or any combination of these, including painting and decorating, of public buildings, public works or public roads and that requires or involves the employment of mechanics, laborers or both shall contain a provision stating the minimum wages and fringe benefits to be paid to various classes of laborers and mechanics, shall be based upon the wages and benefits that will be determined by the New Mexico Department of Workforce Solutions to be prevailing for the corresponding classes of laborers and mechanics employed on contract work of a similar nature in the locality. Further, every contract or project shall contain a stipulation that the contractor, subcontractor, employer or a person acting as a contractor shall pay all mechanics and laborers employed on the site of the project, unconditionally and not less often than once a week and without subsequent unlawful deduction or rebate on any account, the full amounts accrued at time of payment computed at wage rates and fringe benefit rates not less than those determined pursuant to Section 13-4-11 (B) NMSA 1978 to be the prevailing wage rates and prevailing fringe benefit rates issued for the project.

(iii) The Project may only benefit private entities in accordance with applicable law, including, but not limited to, Article IX, Section 14 of the Constitution of the State of New Mexico, the "Anti-Donation Clause."

(iv) The Grantee shall not for a period of 10 years from the date of this agreement convert any property acquired, built, renovated, repaired, designed or developed with the Project's funds to uses other than those specified in the Project Description without the Department's and the Board of Finance's express, advance, written approval, which may include a requirement to reimburse the State for the cost of the project, transfer proceeds from the disposition of property to the State, or otherwise provide consideration to the State.

(v) The Grantee shall comply with all federal and state laws, rules and regulations pertaining to equal employment opportunity. In accordance with all such laws, rules and regulations the Grantee agrees to assure that no person shall, on the grounds of race, color, national origin, sex, sexual preference, age or handicap, be excluded from employment with Grantee, be excluded from participation in the Project, be denied benefits or otherwise be subject to discrimination under, any activity performed under this Agreement. If Grantee is found to be not in compliance with these requirements during the life of this Agreement, Grantee agrees to take appropriate steps to correct any deficiencies. The Grantee's failure to implement such appropriate steps within a reasonable time constitutes grounds for terminating this Agreement.

B. The Grantee hereby represents and warrants the following:

(i) The Grantee has the legal authority to receive and expend the Project's funds.

(ii) This Agreement has been duly authorized by the Grantee, the person executing this Agreement has authority to do so, and, once executed by the Grantee, this Agreement shall constitute a binding obligation of the Grantee, enforceable according to its terms.

(iii) This Agreement and the Grantee's obligations hereunder do not conflict with any law or ordinance or resolution applicable to the Grantee, the Grantee's charter (if applicable), or any judgment or decree to which the Grantee is subject.

(iv) The Grantee has independently confirmed that the Project Description, including, but not limited to, the amount and Reversion Date, is consistent with the underlying appropriation in law.

(v) The Grantee's governing body has duly adopted or passed as an official act a resolution, motion, or similar action authorizing the person identified as the official representative of the Grantee to sign the Agreement and to sign Requests for Payment.

(vi) The Grantee shall abide by New Mexico laws regarding conflicts of interest, governmental conduct and whistleblower protection. The Grantee specifically agrees that no officer or employee of the local jurisdiction or its designees or agents, no member of the governing body, and no other public official of the locality who exercises any function or responsibility with respect to this Grant, during their tenure or for one year thereafter, shall have any interest, direct or indirect, in any contract or subcontract, or the proceeds thereof, for work to be performed or goods to be received, pursuant to this Grant. Further, Grantee shall require all of its contractors to incorporate in all subcontracts the language set forth in this paragraph prohibiting conflicts of interest.

(vii) No funds have been paid or will be paid, by or on behalf of the Grantee, to any person for influencing or attempting to influence an officer or employee of this or any agency or body in connection with the awarding of any Third Party Obligation and that the Grantee shall require certifying language prohibiting lobbying to be included in the award documents for all subawards, including subcontracts, loans and cooperative agreements. All subrecipients shall be required to certify accordingly.

ARTICLE XI. STRICT ACCOUNTABILITY OF RECEIPTS AND DISBURSEMENTS; PROJECT RECORDS

A. The Grantee shall be strictly accountable for receipts and disbursements relating to the Project's funds. The Grantee shall follow generally accepted accounting principles, and, if feasible, maintain a separate bank account or fund with a separate organizational code, for the funds to assure separate budgeting and accounting of the funds.

B. For a period of six (6) years following the Project's completion, the Grantee shall maintain all Project related records, including, but not limited to, all financial records, requests for proposals, invitations to bid, selection and award criteria, contracts and subcontracts, advertisements, minutes of pertinent meetings, as well as records sufficient to fully account for the amount and disposition of the total funds from all sources budgeted for the Project, the purpose for which such funds were used, and such other records as the Department shall prescribe.

C. The Grantee shall make all Project records available to the Department, the Department of Finance and Administration, and the New Mexico State Auditor upon request. With respect to the funds that are the subject of this Agreement, if the State Auditor or the Department of Finance and Administration finds that any

or all of these funds were improperly expended, the Grantee may be required to reimburse to the State of New Mexico, to the originating fund, any and all amounts found to be improperly expended.

ARTICLE XII. IMPROPERLY REIMBURSED FUNDS

If the Department determines that part or all of the Appropriation Amount was improperly reimbursed to Grantee, including but not limited to, Project funds reimbursed to Grantee based upon fraud, mismanagement, misrepresentation, misuse, violation of law by the Grantee, or violation of this Agreement, the Grantee shall return such funds to the Department for disposition in accordance with law.

ARTICLE XIII. LIABILITY

Neither party shall be responsible for liability incurred as a result of the other party's acts or omissions in connection with this Agreement. Any liability incurred in connection with this Agreement is subject to immunities and limitations of the New Mexico Tort Claims Act.

ARTICLE XIV. SCOPE OF AGREEMENT

This Agreement constitutes the entire and exclusive agreement between the Grantee and Department concerning the subject matter hereof. The Agreement supersedes any and all prior or contemporaneous agreements, understandings, discussions, communications, and representations, written or verbal.

ARTICLE XV. REQUIRED NON-APPROPRIATIONS CLAUSE IN CONTRACTS FUNDED IN WHOLE OR PART BY FUNDS MADE AVAILABLE UNDER THIS AGREEMENT

The Grantee acknowledges, warrants, and agrees that Grantee shall include a "non-appropriations" clause in all contracts between it and other parties that are (i) funded in whole or part by funds made available under this Agreement and (ii) entered into after the effective date of this Agreement that states:

"The terms of this Agreement are contingent upon sufficient appropriations and authorization being made by the Legislature of New Mexico for the performance of this Agreement. If sufficient appropriations and authorization are not made by the Legislature, the **City of Santa Fe** may immediately terminate this Agreement by giving Contractor written notice of such termination. The **City of Santa Fe**'s decision as to whether sufficient appropriations are available shall be accepted by the Contractor and shall be final. Contractor hereby waives any rights to assert an impairment of contract claim against the **City of Santa Fe** or the Department of Finance and Administration, Local Government Division (DFA/LGD) or the State of New Mexico in the event of immediate or Early Termination of this Agreement by the **City of Santa Fe** or the "Department."

ARTICLE XVI. REQUIRED TERMINATION CLAUSE IN CONTRACTS FUNDED IN WHOLE OR PART BY FUNDS MADE AVAILABLE UNDER THIS AGREEMENT

Grantee acknowledges, warrants, and agrees that Grantee shall include the following termination clause in all contracts that are (i) funded in whole or part by funds made available under this Agreement and (ii) entered into after the effective date of this Agreement:

"This contract is funded in whole or in part by funds made available under a DFA/LGD Grant Agreement. Should the DFA/LGD early terminate the grant agreement, the **City of Santa Fe** may early terminate this contract by providing Contractor written notice of such termination. In the event of termination pursuant to this paragraph, the **City of Santa Fe** only liability shall be to pay Contractor for acceptable goods delivered and services rendered before the termination date."

Grantee hereby waives any rights to assert an impairment of contract claim against the Department or the State of New Mexico in the event of Early Termination of this Agreement by the Department.

ARTICLE XVII. COMPLIANCE WITH UNIFORM FUNDING CRITERIA.

A. Throughout the term of this Agreement, Grantee shall:

1. submit all reports of annual audits and agreed upon procedures required by Section 12-6-3(A)-(B) NMSA 1978 by the due dates established in 2.2.2 NMAC, reports of which must be a public record pursuant to Section 12-6-5(A) NMSA 1978 within forty-five days of delivery to the State Auditor;
2. have a duly adopted budget for the current fiscal year approved by its budgetary oversight agency (if any);

4. have adequate accounting methods and procedures to expend grant funds in accordance with applicable law and account for and safeguard grant funds and assets acquired by grant funds.

B. In the event Grantee fails to comply with the requirements of Paragraph A of this Article XVII, the Department may take one or more of the following actions:

1. suspend new or further obligations pursuant to Article VI(A) of this Agreement;
2. require the Grantee to develop and implement a written corrective action plan pursuant to Article VI(D) of this Agreement to remedy the non-compliance;
3. impose special grant conditions to address the non-compliance by giving the Grantee notice of such special conditions in accordance with Article III of this Agreement; the special conditions shall be binding and effective on the date that notice is deemed to have been given pursuant to Article III; or
4. terminate this Agreement pursuant to Article V(A) of this Agreement.

ARTICLE XVIII. [OPTIONAL IF THE APPROPRIATION IS FUNDED BY SEVERANCE TAX BONDS OR GENERAL OBLIGATION BONDS] SEVERANCE TAX BOND AND GENERAL OBLIGATION BOND PROJECT CLAUSES

A. Grantee acknowledges and agrees that the underlying appropriation for the Project is a severance tax bond or general obligation bond appropriation, and that the associated bond proceeds are administered by the New Mexico State Board of Finance (SBOF), an entity separate and distinct from the Department. Grantee acknowledges and agrees that (i) it is Grantee's sole and absolute responsibility to determine through SBOF staff what (if any) conditions are currently imposed on the Project; (ii) the Department's failure to inform Grantee of a SBOF imposed condition does not affect the validity or enforceability of the condition; (iii) the SBOF may in the future impose further or different conditions upon the Project; (iv) all SBOF conditions are effective without amendment of this Agreement; (v) all applicable SBOF conditions must be satisfied before the SBOF will release to the Department funds subject to the condition(s); and (vi) the Department's obligation to reimburse Grantee from the Project is contingent upon the then current SBOF conditions being satisfied.

B. Grantee acknowledges and agrees that the SBOF may in its sole and absolute discretion remove a project's assigned bond proceeds if the project doesn't proceed sufficiently. Entities must comply with the requirement to encumber five percent (5%) of Project funds within six months of bond issuance as certified by the grantee in the Bond Questionnaire and Certification documents submitted to the SBOF. Failure to comply may result in the bond proceeds reassignment to a new ready project. If this should occur this grant agreement will be suspended until the entity has demonstrated readiness as determined by the SBOF and the Department.

C. Grantee acknowledges and agrees that this Agreement is subject to the SBOF's Bond Project Disbursements rule, NMAC 2.61.6, as may be amended or re-codified. The rule provides definitions and interpretations of grant language for the purpose of determining whether a particular activity is allowable under the authorizing language of the agreement.

Master Lease Agreement

Agreement No.	0078057

Lessee:	**CITY OF SANTA FE** 1142 SILER RD, , SANTA FE, NM 87507-3127
Lessor:	**DEERE CREDIT, INC.** 6400 NW 86TH ST, PO BOX 6600, JOHNSTON, IA 50131-6600

This Master Lease Agreement ("Master Agreement") is entered into between Deere Credit, Inc., as Lessor ("we", "us" or "our"), and the Lessee and any Co-Lessee identified below ("you" or "your"). "Schedule" shall mean any Lease Schedule signed by you and us, which incorporates the terms of this Master Agreement. "Lease" shall mean this Master Agreement and any Schedule.

TERMS AND CONDITIONS

1. **Lease Term; Payments.** You agree to lease from us the property ("Equipment") described in each Schedule for the Lease Term. The Lease Term will begin on the Lease Term Start Date and end on the Lease Term End Date. All attachments and accessories itemized on the Schedule and all replacements, parts and repairs to the Equipment shall form part of the Equipment. A Schedule is not accepted by us until we sign it, even if you have made a payment to us. You agree to remit to us the Lease Payments indicated in the Schedule and all other amounts when due and payable each Billing Period, even if we do not send you a bill or an invoice. To the extent funds have been appropriated, **YOUR PAYMENT OBLIGATIONS ARE ABSOLUTE AND UNCONDITIONAL, AND ARE NOT SUBJECT TO CANCELLATION, REDUCTION OR SETOFF FOR ANY REASON WHATSOEVER.** For any payment which is not received by its due date, you agree to pay a late charge equal to 1.5% per month of the unpaid balance due, but in no event more than the maximum lawful rate set by NMSA 1978, § 13-1-158, of the New Mexico Procurement Code. Restrictive endorsements on checks you send us will not change or reduce your obligations to us. If a payment is returned to us by the bank for any reason, you agree to pay us a fee of $25.00, or the maximum amount permitted by law, whichever is less. Lease Payments and other payments may be applied, at our discretion, to any obligation you may have to us or any of our affiliates. If the total of all payments made during the Lease Term (and any Renewal Term), exceeds the total of all amounts due under the Lease by less than $25.00, we may retain such excess.

2. **Security Deposit.** If the Schedule provides for a Security Deposit, the Security Deposit will be held by us in a non-interest bearing account, commingled with other funds. We may apply the Security Deposit to any amounts due under the Lease and, if we do so, you agree to promptly remit to us the amount necessary to restore the Security Deposit to the original amount. The Security Deposit will be returned to you within thirty days of termination of a Schedule and final inspection by us, provided you are not in default.

3. **Taxes.** Although you may be exempt from the payment of certain taxes, you agree to pay us when invoiced (a) all sales, use, rental, gross receipts and all other taxes which may be imposed on the Equipment or its use, and (b) all taxes and governmental charges associated with the ownership, use or possession of the Equipment including, but not limited to, personal property and ad valorem taxes ("Taxes"). Taxes do not include those measured by our net income. If applicable law requires tax returns or reports to be filed by you, you agree to promptly file such tax return and reports and deliver copies to us. You agree to keep and make available to us all tax returns and reports for Taxes paid by you.

4. **Security Interest; Missing Information.** We are the owner of the Equipment and you have the right to use the Equipment under the terms of the Lease. If a Schedule is deemed to be a secured transaction and not a lease, you (a) grant us and our affiliates a security interest in the Equipment (and all proceeds) to secure all of your obligations under the Lease and any other obligations, which you may have, to us or any of our affiliates, and (b) authorize us to file financing statements naming you as debtor. You agree to keep the Equipment free and clear of liens and encumbrances, except those in our favor, and promptly notify us if a lien or encumbrance is placed or threatened against the Equipment. You irrevocably authorize us, at any time, to (a) insert or correct clearly erroneous information on the Lease, such as a correct legal name, serial numbers and Equipment descriptions; (b) submit notices and proofs of loss for any required insurance; and (c) endorse your name on remittances for insurance and Equipment sale or lease proceeds. Notwithstanding any other election you make, you agree that (1) we can access any information regarding the location, maintenance, operation and condition of the Equipment; (2) you irrevocably authorize anyone in possession of that information to provide all of the that information to us upon our request; (3) you will not disable or otherwise interfere with any information gathering or transmission device within or attached to the Equipment; and (4) we may reactivate any such device.

5. **Equipment Maintenance, Operation and Use.** You agree to (a) USE THE EQUIPMENT ONLY FOR AGRICULTURAL, BUSINESS OR COMMERCIAL PURPOSES AND NOT FOR PERSONAL, FAMILY OR HOUSEHOLD PURPOSES; (b) not move the Equipment to another county or state without notifying us within 30 days; (c) operate and maintain the Equipment in accordance with all (1) laws, ordinances and regulations, (2) manuals and other instructions issued by the manufacturer(s) and supplier(s), and (3) insurance policy terms and requirements; (d) perform (at your own expense) all maintenance and repairs necessary to keep the Equipment in as good a condition as when delivered to you, reasonable wear excepted; (e) not install any accessory or device on the Equipment which affects the value, useful life or the originally intended function or use of the Equipment in any way, unless it can be removed without damaging the Equipment; (f) allow us and our agent(s) to inspect the Equipment and all of your records related to its use, maintenance and repair, at any reasonable time; (g) keep any metering device installed on the Equipment connected and in good working condition at all times; (h) affix and maintain, in a prominent place on the Equipment, any labels, plates or other markings we may provide to you; and (i) not permit the Equipment to be used by, or to be in the possession of, anyone other than you or your employees.

6. **Insurance.** You agree, at your cost, to (a) keep the Equipment insured against all risks of physical damage for no less than its Termination Value (as such term is defined in Section 7 below), naming us (and our successors and assigns) as sole loss payee; and (b) maintain public liability insurance, covering personal injury and property damage for not less than $1,000,000 per occurrence, naming us (and our successors and assigns) as additional insured. All insurance must be with companies and policies acceptable to us. Your obligation to insure the Equipment continues until you return the Equipment to us and we accept it, which acceptance will not be unreasonably withheld or delayed. Each insurance policy must provide that (a) our interest in the policy will not be invalidated by any act, omission, breach or neglect of anyone other than us; and (b) the insurer will give us at least 30 days' prior written notice before any cancellation of, or material change to, the policy.

Unless you provide us with evidence of the required insurance coverages, we may purchase insurance, at your expense, to protect our interests in the Equipment. This insurance may not (1) protect your interests; or (2) pay any claim that you make or any claim that is made against you in connection with the Equipment. You may later cancel any insurance purchased by us, but only after providing us with evidence that you have obtained the insurance required by the Lease. The cost of the insurance may be more than the cost of insurance you may be able to obtain on your own.

7. **Loss or Damage.** Until the Equipment is returned to us in satisfactory condition, you are responsible for all risk of loss, damage, theft, destruction or seizure of the Equipment (an "Event of Loss"). You must promptly notify us of any Event of Loss. If the Equipment can be repaired or replaced, you agree to promptly repair or replace the Equipment, at your cost, and the terms of the Lease will continue to apply. If the Equipment cannot be repaired or replaced, you agree to pay us, within 10 days of the Event of Loss, its Termination Value as of the day before such Event of Loss occurred. Upon receipt of the Termination Value, we will transfer to you (or the insurance company) all of our right, title and interest in such item(s) of Equipment (each, an "Item") AS-IS, WHERE-IS, WITHOUT ANY WARRANTY AS TO CONDITION OR VALUE. All insurance proceeds must be paid directly to us, and we may apply any excess insurance proceeds to any other amounts you owe us or any of our affiliates. "Termination Value" for any Item shall be the net book value calculated as the sum of (1) all Lease Payments and any other amounts then due and payable to us; plus (2) the present value of all remaining Lease Payments and other amounts, discounted at the Internal Rate of Return or, if a discount rate is set forth in the applicable Schedule, such discount rate (the "Discount Rate"); plus (3) the present value of the Purchase Option Price (or, if there is no Purchase Option Price, the residual value that we assumed in calculating Lease Payments), discounted at the Discount Rate. "Internal Rate of Return" shall be calculated using standard finance techniques with the Equipment Cost, Lease Payments, Lease Term and Purchase Option Price (or residual value assumption) as the variables.

Agreement No.	0078057

ADDITIONAL TERMS AND CONDITIONS OF MASTER LEASE AGREEMENT

8. **Early Payoff/Purchase.** In the event you desire to purchase an item of Equipment prior to the Lease Term End Date, and are not in default, you may request a payoff amount quote. Upon receipt of the payoff amount, we will transfer to you all of our right, title and interest in such item of Equipment AS-IS, WHERE-IS, WITHOUT ANY WARRANTY AS TO CONDITION OR VALUE.

9. **Return of Equipment.** If a Schedule is terminated for any reason and you do not (a) return the Equipment to us, (b) exercise any Purchase Option, or (c) exercise any Renewal Option, you agree to remit to us, until such time as the Equipment is returned to us in accordance with the provisions of this Section, lease payments each month equal to the higher of (i) the monthly fair market rental value of the Equipment, as determined by us in our sole discretion using market based internal tools, or (ii) the monthly Lease Payment set forth in the Schedule (or the monthly lease payment equivalent if the Lease Payments are other than monthly (e.g., for annual Lease Payments, the monthly lease payment equivalent would be calculated by dividing the annual Lease Payment by 12)). All Equipment must be returned to the nearest John Deere dealer that sells equipment substantially similar to the Equipment, at your expense and in satisfactory condition, along with all use, maintenance and repair records. Equipment is in satisfactory condition if it is in as good a condition as when the Equipment was delivered to you, reasonable wear excepted, and conforms to the standards of any Equipment Return Provisions incorporated into the Lease.

10. **Default.** You will be in default if: (a) you fail to remit to us any Lease Payment or other payment when due; (b) you breach any other provision of the Lease and fail to cure such breach within 10 days; (c) you remove any Equipment from the United States; (d) a petition is filed by or against you or any guarantor under any bankruptcy or insolvency law; (e) a default occurs under any other agreement between you (or any of your affiliates) and us (or any of our affiliates); (f) you or any guarantor is acquired by, merges with or consolidates into another entity, sells substantially all its assets, dissolves or terminates its existence, or (if an individual) dies; or (g) you fail to maintain the insurance required by Section 6. Time is of the essence under the Lease.

11. **Remedies.** If a default occurs, we may, to extent permitted by applicable law, do one or more of the following: (a) require you to return the Equipment in the manner outlined in Section 9, or take possession of the Equipment; (b) recover from you, AS LIQUIDATED DAMAGES FOR LOSS OF BARGAIN AND NOT AS A PENALTY (i) if the Equipment is returned and the Lease is deemed to be a lease and not a secured transaction in our sole discretion, the sum of (1) all Lease Payments and any other amounts then due and payable to us; (2) the present value of all remaining Lease Payments and other amounts, discounted at the Discount Rate; (3) the cost to repair and refurbish the item of Equipment so that it is in satisfactory condition in accordance with Section 9 and (4) unamortized amount of our initial direct costs of originating and administering the applicable Schedule (ii) if the Equipment is returned to us and the Lease is deemed to be a secured transaction and not a lease under New Mexico law, the difference between (1) the Termination Value as of the date of such default; and (2) the net proceeds we receive from any sale, lease or other disposition of the Equipment (after deducting all of our costs and expenses) or (iii) if the Equipment is not returned to us, the Termination Value as of the date of such default; (c) declare any other agreements between you and us (or any of our affiliates) in default; (d) terminate any of your rights (but none of your obligations) under any Lease and any other agreement between you and us (or any of our affiliates); (e) charge you for the expenses incurred in connection with the enforcement of our remedies including, without limitation, repossession, repair and collection costs, attorneys' fees and court costs; (f) exercise any other remedy available at law or in equity; and (g) take on your behalf (at your expense) any action required by the Lease which you fail to take. These remedies are cumulative, are in addition to any other remedies provided by law, and may be exercised concurrently or separately. Any failure or delay by us to exercise any right shall not operate as a waiver of any other right or future right.

12. **Assignment.** You will not assign, pledge or otherwise transfer any of your rights or interests in the Lease or any Equipment without our prior written consent. Any assignment without our consent will be void. The Lease shall be binding upon any successor or permitted assignee. We may assign the Lease or our interest in the Equipment at any time without notice to you and without your consent. We may provide information about you to any prospective assignee or participant. You agree not to assert against our assignee any claims, offsets or defenses which you may have against us.

13. **Claims.** To the extent permitted by law, You are responsible for all losses, damage, claims, injuries to or the death of an individual, and attorneys' fees and costs ("Claims"), incurred or asserted by any person, in any manner related to the Equipment or the lease thereof, including its use, condition or possession for acts or omissions, which occurred during the Lease Term. You will promptly notify us of all Claims made. You agree not to assert against our assignee any claims, offsets or defenses which you may have against us. Your liability under this Section is not limited to the amounts of insurance required under the Lease.

14. **Representations and Warranties.** To the extent permitted by law, You represent and warrant to us, as of the date of this Master Agreement and of each Schedule, and covenant to us so long as the Lease is in effect, that: (a) you are a State, or a political subdivision thereof, for purposes of Section 103 of the Internal Revenue Code of 1986, as amended (the "Code"); (b) any documents required to be delivered in connection with the Lease (collectively, the "Documents") have been duly authorized by you in accordance with all applicable laws, rules, ordinances, and regulations; (c) the Documents are valid, legal, binding agreements, enforceable in accordance with their terms and the person(s) signing the Documents have the authority to do so, are acting with the full authorization of your governing body, and hold the offices indicated below their signatures; (d) the Equipment is essential to the performance of a governmental or proprietary function by you within the scope of your authority and shall be used during the Lease Term only by you and only to perform such function; (e) you intend to use the Equipment for the entire Lease Term subject to paragraph 17; (f) you have complied fully with all applicable law governing open meetings, public bidding and appropriations, required in connection with the Lease and the debt under applicable state law; (g) your obligations to remit Lease Payments and other amounts due and to become due under the Lease constitute a current expense and not a debt under applicable state law; (h) all financial information you have provided is true and a reasonable representation of your financial condition; (i) you shall not do or cause to be done any act which shall cause, or by omission of any act allow the interest portion of any Lease Payment to become includible in our gross income for Federal income taxation purposes under the Code unless such action is required by federal or state law, regulation, or grant agreement; (j) you shall maintain a complete and accurate account of all assignments of the Lease in the form sufficient to comply with book entry requirements of Section 149(a) of the Code and the regulations prescribed thereunder from time to time; and (k) you shall comply with the information reporting requirements of Section 149(e) of the Code. Such compliance shall include, but not be limited to, the execution of 8038-G or 8038-GC Information Returns

EACH LEASE WILL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF NEW MEXICO, WHERE THIS MASTER AGREEMENT IS ACCEPTED AND ENTERED INTO.** You irrevocably submit to the non-exclusive jurisdiction and venue of federal and state courts located in Santa Fe, New Mexico and will not claim it is an inconvenient forum for legal action. **YOU AND WE IRREVOCABLY WAIVE ANY RIGHT YOU AND WE MAY HAVE TO A JURY TRIAL.**

16. **Miscellaneous. WE HAVE NOT MADE, AND DO NOT MAKE, ANY REPRESENTATION OR WARRANTY, EXPRESS OR IMPLIED, AS TO THE EQUIPMENT'S MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, SUITABILITY, OR OTHERWISE. WE ARE NOT LIABLE FOR CONSEQUENTIAL OR SPECIAL DAMAGES.** You acknowledge that no supplier or dealer of the Equipment is an agent of ours, or authorized to act for or bind us. You agree not to withhold any amount you owe us if you believe you have a claim against us, or any Equipment supplier(s) or manufacturer(s), but to pursue that claim independently. Any claim you have against us must be made within two years after the event that caused it. All notices must be in writing and will be deemed given 5 days after mailing to the intended recipient at its address indicated above, unless changed by a notice given in accordance with this Section. Each Lease supersedes and replaces all prior understandings and communications (oral or written) concerning the subject matter thereof. Except as otherwise provided in Section 11(d), no part of any Lease can be amended, waived or terminated except by a writing signed by both you and us. Any part of this Master Agreement may be signed in separate counterparts that, together, will constitute one document. If a court finds any part of this Master Agreement to be invalid or unenforceable, the remainder of this Master Agreement will remain in effect. Hourly Charges. You certify that the engine hour meter reading on each item of Equipment is accurate as of the date you sign this Schedule. If you use any Equipment during the Lease Term for more than the Engine Hourly Limit indicated above for that item of Equipment, you will pay to us within 10 days of the Lease Term End Date (or any earlier termination of the Lease) an amount equal to the Excess Hour Charge for that item of Equipment for each engine hour in excess of the Engine Hourly Limit. If the Lease is terminated, cancelled or extended for any reason, the Hourly Limit will be prorated by us in our sole discretion.

Purchase Option. You may purchase the Equipment on the Lease Term End Date (or the Renewal Term End Date) for the applicable Purchase Option Price (plus applicable Taxes including estimated property taxes), provided (1) you are not in default; and (2) we receive the Purchase Option Price and any other amounts you owe us on or before the Lease Term End Date (or the Renewal Term End Date). Upon receipt of the Purchase Option Price, we will transfer to you all of our right, title and interest in such item(s) of Equipment AS-IS, WHERE-IS, WITHOUT ANY WARRANTY AS TO CONDITION OR VALUE.

Renewal Term. If (1) a Renewal Term is provided for above, and (2) you notify us at least sixty (60) days prior to the end of the Lease Term that you intend to renew the Lease for the Renewal Term, the Lease shall renew for the Renewal Term. You agree to remit to us the Renewal Lease Payments indicated above (plus applicable taxes and other amounts) when due and payable each Billing Period, even if we do not send you a bill or an invoice.

Representations and Warranties. To the extent permitted by law, You represent and warrant to us, as of the date you signed this Schedule, that (1) the Equipment was selected by you; (2) the Equipment (including all manufacturer manuals and instructions) has been delivered to, and examined by, you; (3) the safe operation and the proper servicing of the Equipment were explained to you; (4) you received the written warranty applicable to the Equipment and understand that your rights under the written warranty may be limited; (5) the Equipment is unconditionally and irrevocably accepted by you as being suitable for its intended use; (6) the Equipment is in good condition and repair (operating and otherwise); (7) the Equipment shall be used only for the purpose indicated herein; (8) except as disclosed to us, neither you nor any person related to you will have an equity interest in the Equipment on the Lease Term Start Date; and (9) all information provided to us by you is true and correct.

You waive all rights and remedies conferred upon a lessee under Sections 508 – 522 of Article 2A of the Uniform Commercial Code.

Lease Payments may be based on the assumption that we will be entitled to certain tax benefits as the owner of the Equipment. If you take or fail to take any action that results in a loss of such tax benefits, you will pay us, on demand, the amount we calculate as the value of such lost tax benefits.

Miscellaneous. You agree that we can access any information regarding the location, maintenance, operation and condition of the Equipment, and you irrevocably authorize anyone in possession of such information to provide all of that information to us upon our request. You also agree to not disable or otherwise interfere with any information-gathering or transmission device within or attached to the Equipment. By providing any telephone number, including a mobile phone number, to us, any of our affiliates or any debt collectors we retain, we, such affiliates and such retained debt collectors can contact you using that number, including calls using an automatic dialing and announcing device and prerecorded calls, and that such calls are not "unsolicited" under state or federal law. All of our rights under each Lease shall remain in effect after the expiration of the Lease Term or termination of the Schedule.

You acknowledge and agree that, if You execute this Lease Agreement with your electronic signature, (a) you are signifying your intent to enter into this Lease Agreement and that this Lease Agreement be legally valid and enforceable in accordance with its terms to the same extent as if you had executed this Lease Agreement using your written signature, and (b) this Lease Agreement is an electronic record executed by you using your electronic signature. ARTICLE I. PROJECT DESCRIPTION, AMOUNT OF GRANT AND REVERSION DATE

A. The project that is the subject of this Agreement is described as follows:

22-G3019 $300,000.00 APPROPRIATION REVERSION DATE**: June 30, 2026**

Laws of 2022, Chapter 53, Section 30, Paragraph 407, Three Hundred Thousand Dollars and Zero Cents ($300,000.00), to acquire easements and rights of way and to plan, design and construct the Tierra Contenta trail from Buffalo Grass road to south Meadows road in Santa Fe in Santa Fe county;

The Grantee's total reimbursements shall not exceed Three Hundred Thousand Dollars and Zero Cents $300,000.00 (the "Appropriation Amount") minus the allocation for Art in Public Places ("AIPP amount")[23], if applicable, No Dollars and Zero Cents $0.00, which equals Three Hundred Thousand Dollars and Zero Cents $300,000.00 (the "Adjusted Appropriation Amount").

In the event of a conflict among the Appropriation Amount, the Reversion Date, as defined herein and/or the purpose of the Project, as set forth in this Agreement, and the corresponding appropriation language in the laws cited above in this Article I(A), the language of the laws cited herein shall control.

This project is referred to throughout the remainder of this Agreement as the "Project"; the information contained in Article I(A) is referred to collectively throughout the remainder of this Agreement as the "Project Description." [OPTIONAL LANGUAGE: "Optional Attachment A sets forth additional or more stringent requirements and conditions, which are incorporated by this reference as if set forth fully herein. If Optional Attachment A imposes more stringent requirements than any requirement set forth in this Agreement, the more stringent requirements of Attachment A shall prevail, in the event of irreconcilable conflict.] The Grantee shall reference the Project's number in all correspondence with and submissions to the Department concerning the Project, including, but not limited to, Requests for Payment and reports.

ARTICLE II. LIMITATION ON DEPARTMENT'S OBLIGATION TO MAKE GRANT DISBURSEMENT TO GRANTEE

A. Upon the Effective Date of this Agreement, for permissible purposes within the scope of the Project Description, the Grantee shall only be reimbursed monies for which the Department has issued and the Grantee has received a Notice of Department's Obligation to Reimburse[24] Grantee (hereinafter referred to as "Notice of Obligation"). This Grant Agreement and the disbursement of any and all amounts of the above referenced Adjusted Appropriation Amount are expressly conditioned upon the following:

(i) Irrespective of any Notice of Obligation, the Grantee's expenditures shall be made on or before the Reversion Date and, if applicable, an Early Termination Date (i.e., the goods have been delivered and accepted or the title to the goods has been transferred to the Grantee and/or the services have been rendered for the Grantee); and

(ii) The total amount received by the Grantee shall not exceed the lesser of: (a) the Adjusted Appropriation Amount identified in Article I(A) herein or (b) the total of all amounts stated in the Notice(s) of Obligation evidencing that the Department has received and accepted the Grantee's Third Party Obligation(s), as defined in subparagraph iii of this Article II(A); and

(iii) The Grantee's expenditures were made pursuant to the State Procurement Code and execution of binding written obligations or purchase orders with third party contractors or vendors for the provision of services, including professional services, or the purchase of tangible personal property and real property for the Project, hereinafter referred to as "Third Party Obligations"; and

(iv) The Grantee's submittal of timely Requests for Payment in accordance with the procedures set forth in Article IX of this Agreement; and

---

[23] The AIPP amount is "an amount of money equal to one percent or two hundred thousand dollars ($200,000), whichever is less, of the amount of money appropriated for new construction or any major renovation exceeding one hundred thousand dollars ($100,000)." Section 13-4A-4 NMSA 1978.

[24] "Reimburse" as used throughout this Agreement includes Department payments to the Grantee for invoices received, but not yet paid, by the Grantee from a third party contractor or vendor, if the invoices comply with the provisions of this Agreement and are a valid liability of the Grantee.

(v) In the event that capital assets acquired with Project funds are to be sold, leased, or licensed to or operated by a private entity, the sale, lease, license, or operating agreement:
   a. must be approved by the applicable oversight entity (if any) in accordance with law; or
   b. if no oversight entity is required to approve the transaction, the Department must approve the transaction as complying with law.

   Prior to the sale, lease, license, or operating agreement being approved pursuant to Articles II(A)(v)(a) and II(A)(v)(b) herein, the Department may, in its sole and absolute discretion and unless inconsistent with State Board of Finance imposed conditions, reimburse the Grantee for necessary expenditures incurred to develop the Project sufficiently to make the sale, lease, license, or operating agreement commercially feasible, such as plan and design expenditures; and

(vi) The Grantee's submission of documentation of all Third Party Obligations and amendments thereto (including terminations) to the Department and the Department's issuance and the Grantee's receiving of a Notice of Obligation for a particular amount in accordance with the terms of this Agreement shall be governed by the following:
   a. The Grantee shall submit to the Department one copy of all Third Party Obligations and amendments thereto (including terminations) as soon as possible after execution by the Third Party **but prior to execution by the Grantee.**
   b. Grantee acknowledges and agrees that if it chooses to enter into a Third Party Obligation prior to receiving a Notice of Obligation that covers the expenditure, it is solely responsible for such obligations.
   c. The Department may, in its sole and absolute discretion, issue to Grantee a Notice of Obligation for the particular amount of that Third Party Obligation that only obligates the Department to reimburse Grantee's expenditures made on or before the Reversion Date or an Early Termination Date. The current Notice of Obligation form is attached to this Agreement as Exhibit 2.
   d. The date the Department signs the Notice of Obligation is the date that the Department's Notice of Obligation is effective. After that date, the Grantee is authorized to budget the particular amount set forth in the Notice of Obligation, execute the Third Party Obligation and request the Third Party to begin work. Payment for any work performed or goods received prior to the effective date of the Notice of Obligation is wholly and solely the obligation of the Grantee.

B. The Grantee shall implement, in all respects, the Project. The Grantee shall provide all necessary qualified personnel, material, and facilities to implement the Project. The Grantee shall finance its share (if any) of the costs of the Project, including all Project overruns.

C. Project funds shall not be used for purposes other than those specified in the Project Description.

D. Unless specifically allowed by law, Project funds cannot be used to reimburse Grantee for indirect Project costs.

Funds are expended and an expenditure has occurred as of the date that a particular quantity of goods are delivered to and received by the Grantee or title to the goods is transferred to the Grantee and/or as of the date particular services are rendered for the Grantee. Funds are ***not*** expended and an expenditure has ***not*** occurred as of the date they are encumbered by the Grantee pursuant to a contract or purchase order with a third party.

ARTICLE V. EARLY TERMINATION

A. **Early Termination Before Reversion Date Due to Completion of the Project or Complete Expenditure of the Adjusted Appropriation or Violation of this Agreement**

Early Termination includes:

(i) Termination due to completion of the Project before the Reversion Date; or

(ii) Termination due to complete expenditure of the Adjusted Appropriation Amount before the Reversion Date; or

(iii) Termination for violation of the terms of this Agreement; or

(iv) Termination for suspected mishandling of public funds, including but not limited to, fraud, waste, abuse, and conflicts of interest.

Either the Department or the Grantee may early terminate this Agreement prior to the Reversion Date by providing the other party with a minimum of fifteen (15) days' advance, written notice of early termination. Grantee hereby waives any rights to assert an impairment of contract claim against the Department or the State of New Mexico in the event of Early Termination of this Agreement by the Department pursuant to Article V(A).

B. **Early Termination Before Reversion Date Due to Non-appropriation**

The terms of this Agreement are expressly made contingent upon sufficient appropriations and authorization being made by the Legislature of New Mexico for the performance of this Agreement. Throughout this Agreement the term "non-appropriate" or "non-appropriation" includes the following actions by the New Mexico Legislature: deauthorization, reauthorization or revocation of a prior authorization. The Legislature may choose to non-appropriate the Appropriation referred to in Article I and, if that occurs, the Department shall early terminate this Agreement for non-appropriation by giving the Grantee written notice of such termination, and such termination shall be effective as of the effective date of the law making the non-appropriation. The Department's decision as to whether sufficient appropriations or authorizations are available shall be accepted by the Grantee and shall be final. Grantee hereby waives any rights to assert an impairment of contract claim against the Department or the State of New Mexico in the event of Early Termination of this Agreement by the Department pursuant to Article V(B).

C. **Limitation on Department's Obligation to Make Grant Disbursements to Grantee in the Event of Early Termination**

In the event of Early Termination of this Agreement by either party, the Department's sole and absolute obligation to reimburse the Grantee is expressly conditioned upon the limitations set forth Article II.

ARTICLE VI. SUSPENSION OF NEW OR FURTHER OBLIGATIONS

A. The Department may choose, in its sole and absolute discretion, to provide written notice to the Grantee to suspend entering into new and further obligations. Upon the receipt of such written notice by the Grantee:

(i) The Grantee shall immediately suspend entering into new or further written obligations with third parties; and

(ii) The Department will suspend the issuance of any new or further Notice of Obligation under this Agreement; and

(iii) The Department may direct the Grantee to implement a corrective action plan in accordance with Article VI(D) herein.

B. In the event of Suspension of this Agreement, the Department's sole and absolute obligation to reimburse the Grantee is expressly conditioned upon the limitations set forth in Article II herein.

C. A suspension of new or further obligations under this Agreement shall remain in effect unless or until the date the Grantee receives written notice given by the Department informing the Grantee that the Suspension has been lifted or that the Agreement has been Early Terminated in accordance with Article V herein. If the Suspension is lifted, the Department will consider further requests for Notice of Obligation.

D. Corrective Action Plan in the Event of Suspension

In the event that the Department chooses, in its sole and absolute discretion to direct the Grantee to suspend entering into new or further written obligations with third parties pursuant to Article VI(A), the Department may, but is not obligated to, require the Grantee to develop and implement a written corrective action plan to remedy the grounds for the Suspension. Such corrective action plan must be approved by the Department and be signed by the Grantee. Failure to sign a corrective action plan or meet the terms and deadlines set forth in the signed corrective action plan, is hereby deemed a violation of the terms of this Agreement for purposes of Early Termination, Article V(A)(iii). The corrective action plan is in addition to, and not in lieu of, any other equitable or legal remedy, including but not limited to Early Termination.

ARTICLE VII. AMENDMENT

This Agreement shall not be altered, changed, or amended except by instrument in writing duly executed by both the parties hereto.

ARTICLE VIII. REPORTS

A. Database Reporting

The Grantee shall report quarterly Project activity by entering such Project information as the Department and the Department of Finance and Administration may require, such information entered directly into a database maintained by the Department of Finance and Administration (Budget & Formulation Management System). Additionally, the Grantee shall certify on the Request for Payment form (Exhibit 1) that updates have been maintained and are current in the database. The Grantee hereby acknowledges that failure to perform and/or certify updates into the database will delay or potentially jeopardize the reimbursement of funds. The Department shall give Grantee a minimum of thirty (30) days' advance written notice of any changes to the information the Grantee is required to report.

Quarterly reports shall be due on the last day of the month that is 30 days prior to the end of the quarter following execution of this Agreement by the Department and ending during the quarter of the submission of the final request for reimbursement for the Project, or the following quarter.

B. <u>Requests for Additional Information/Project Inspection</u>

During the term of this Agreement and during the period of time during which the Grantee must maintain records pursuant to Article VIII, the Department may:

(i) request such additional information regarding the Project as it deems necessary; and

(ii) conduct, at reasonable times and upon reasonable notice, onsite inspections of the Project.

Grantee shall respond to such requests for additional information within a reasonable period of time, as established by the Department.

ARTICLE IX. REQUEST FOR PAYMENT PROCEDURES AND DEADLINES

A. The Grantee shall request payment by submitting a Request for Payment, in the form attached hereto as Exhibit 1. Payment requests are subject to the following procedures:

(i) The Grantee must submit a Request for Payment; and

(ii) Each Request for Payment must contain proof of payment by the Grantee or liabilities incurred by the Grantee showing that the expenditures are valid or are liabilities incurred by the Grantee in the form of actual unpaid invoices received by the Grantee for services rendered by a third party or items of tangible personal property received by the Grantee for the implementation of the Project; provided, however, that the Grantee may be reimbursed for unpaid liabilities only if the Department, in its sole and absolute discretion, agrees to do so and in accordance with any special conditions imposed by the Department.

(iii) In cases where the Grantee is submitting a Request for Payment to the Department based upon invoices received, but not yet paid, by the Grantee from a third party contractor or vendor, if the invoices comply with the provisions of this Agreement and are a valid liability of the Grantee, the Grantee shall make payment to those contractors or vendors within five (5) business days from the date of receiving reimbursement from the Department or such shorter period of time as the Department may prescribe in writing. The Grantee is required to certify to the Department proof of payment to the third party contractor or vendor within ten (10) business days from the date of receiving reimbursement from the Department.

B. The Grantee must obligate 5% of the Adjusted Appropriation Amount within six months of acceptance of the grant agreement and must have expended no less than 85% of the Adjusted Appropriation Amount six months prior to the reversion date.

C. **Deadlines**

Requests for Payments shall be submitted by Grantee to the Department on the earlier of:

(i) Immediately as they are received by the Grantee but at a minimum thirty (30) days from when the expenditure was incurred or liability of the Grantee was ~~a~~approved as evidenced by an unpaid invoice received by the Grantee from a third party contractor or vendor; or

(ii) Twenty (20) days from date of Early Termination; or

(iii) Twenty (20) days from the Reversion Date.

D. The Grantee's failure to abide by the requirements set forth in Article II and Article IX herein will result in the denial of its Request for Payment or will delay the processing of Requests for Payment. The Department has the right to reject a payment request for the Project unless and until it is satisfied that the expenditures in the Request for Payment are for permissible purposes within the meaning of the Project Description and that the expenditures and the Grantee are otherwise in compliance with this Agreement, including but not limited to, compliance with the reporting requirements and the requirements set forth in Article II herein to provide Third Party Obligations and the Deadlines set forth in Article IX herein. The Department's ability to reject any Request for Payment is in addition to, and not in lieu of, any other legal or equitable remedy available to the Department due to Grantee's violation of this Agreement.

ARTICLE X. PROJECT CONDITIONS AND RESTRICTIONS; REPRESENTATIONS AND WARRANTIES

A. The following general conditions and restrictions are applicable to the Project:

(i) The Project's funds must be spent in accordance with all applicable state laws, regulations, policies, and guidelines, including, but not limited to, the State Procurement Code (or local procurement ordinance, where applicable).

(ii) The Project must be implemented in accordance with the New Mexico Public Works Minimum Wage Act, Section 13-4-10 through 13-4-17 NMSA 1978, as applicable. Every contract or project in excess of sixty thousand dollars ($60,000) that the Grantee is a party to for construction, alteration, demolition or repair or any combination of these, including painting and decorating, of public buildings, public works or public roads and that requires or involves the employment of mechanics, laborers or both shall contain a provision stating the minimum wages and fringe benefits to be paid to various classes of laborers and mechanics, shall be based upon the wages and benefits that will be determined by the New Mexico Department of Workforce Solutions to be prevailing for the corresponding classes of laborers and mechanics employed on contract work of a similar nature in the locality. Further, every contract or project shall contain a stipulation that the contractor, subcontractor, employer or a person acting as a contractor shall pay all mechanics and laborers employed on the site of the project, unconditionally and not less often than once a week and without subsequent unlawful deduction or rebate on any account, the full amounts accrued at time of payment computed at wage rates and fringe benefit rates not less than those determined pursuant to Section 13-4-11 (B) NMSA 1978 to be the prevailing wage rates and prevailing fringe benefit rates issued for the project.

(iii) The Project may only benefit private entities in accordance with applicable law, including, but not limited to, Article IX, Section 14 of the Constitution of the State of New Mexico, the "Anti-Donation Clause."

(iv) The Grantee shall not for a period of 10 years from the date of this agreement convert any property acquired, built, renovated, repaired, designed or developed with the Project's funds to uses other than those specified in the Project Description without the Department's and the Board of Finance's express, advance, written approval, which may include a requirement to reimburse the State for the cost of the project, transfer proceeds from the disposition of property to the State, or otherwise provide consideration to the State.

(v) The Grantee shall comply with all federal and state laws, rules and regulations pertaining to equal employment opportunity. In accordance with all such laws, rules and regulations the Grantee agrees to assure that no person shall, on the grounds of race, color, national origin, sex, sexual preference, age or handicap, be excluded from employment with Grantee, be excluded from participation in the Project, be denied benefits or otherwise be subject to discrimination under, any activity performed under this Agreement. If Grantee is found to be not in compliance with these requirements during the life of this Agreement, Grantee agrees to take appropriate steps to correct any deficiencies. The Grantee's failure to implement such appropriate steps within a reasonable time constitutes grounds for terminating this Agreement.

B. The Grantee hereby represents and warrants the following:

(i) The Grantee has the legal authority to receive and expend the Project's funds.

(ii) This Agreement has been duly authorized by the Grantee, the person executing this Agreement has authority to do so, and, once executed by the Grantee, this Agreement shall constitute a binding obligation of the Grantee, enforceable according to its terms.

(iii) This Agreement and the Grantee's obligations hereunder do not conflict with any law or ordinance or resolution applicable to the Grantee, the Grantee's charter (if applicable), or any judgment or decree to which the Grantee is subject.

(iv) The Grantee has independently confirmed that the Project Description, including, but not limited to, the amount and Reversion Date, is consistent with the underlying appropriation in law.

(v) The Grantee's governing body has duly adopted or passed as an official act a resolution, motion, or similar action authorizing the person identified as the official representative of the Grantee to sign the Agreement and to sign Requests for Payment.

(vi) The Grantee shall abide by New Mexico laws regarding conflicts of interest, governmental conduct and whistleblower protection. The Grantee specifically agrees that no officer or employee of the local jurisdiction or its designees or agents, no member of the governing body, and no other public official of the locality who exercises any function or responsibility with respect to this Grant, during their tenure or for one year thereafter, shall have any interest, direct or indirect, in any contract or subcontract, or the proceeds thereof, for work to be performed or goods to be received, pursuant to this Grant. Further, Grantee shall require all of its contractors to incorporate in all subcontracts the language set forth in this paragraph prohibiting conflicts of interest.

(vii) No funds have been paid or will be paid, by or on behalf of the Grantee, to any person for influencing or attempting to influence an officer or employee of this or any agency or body in connection with the awarding of any Third Party Obligation and that the Grantee shall require certifying language prohibiting lobbying to be included in the award documents for all subawards, including subcontracts, loans and cooperative agreements. All subrecipients shall be required to certify accordingly.

ARTICLE XI. STRICT ACCOUNTABILITY OF RECEIPTS AND DISBURSEMENTS; PROJECT RECORDS

A. The Grantee shall be strictly accountable for receipts and disbursements relating to the Project's funds. The Grantee shall follow generally accepted accounting principles, and, if feasible, maintain a separate bank account or fund with a separate organizational code, for the funds to assure separate budgeting and accounting of the funds.

B. For a period of six (6) years following the Project's completion, the Grantee shall maintain all Project related records, including, but not limited to, all financial records, requests for proposals, invitations to bid, selection and award criteria, contracts and subcontracts, advertisements, minutes of pertinent meetings, as well as records sufficient to fully account for the amount and disposition of the total funds from all sources budgeted for the Project, the purpose for which such funds were used, and such other records as the Department shall prescribe.

C. The Grantee shall make all Project records available to the Department, the Department of Finance and Administration, and the New Mexico State Auditor upon request. With respect to the funds that are the subject of this Agreement, if the State Auditor or the Department of Finance and Administration finds that any

or all of these funds were improperly expended, the Grantee may be required to reimburse to the State of New Mexico, to the originating fund, any and all amounts found to be improperly expended.

ARTICLE XII. IMPROPERLY REIMBURSED FUNDS

If the Department determines that part or all of the Appropriation Amount was improperly reimbursed to Grantee, including but not limited to, Project funds reimbursed to Grantee based upon fraud, mismanagement, misrepresentation, misuse, violation of law by the Grantee, or violation of this Agreement, the Grantee shall return such funds to the Department for disposition in accordance with law.

ARTICLE XIII. LIABILITY

Neither party shall be responsible for liability incurred as a result of the other party's acts or omissions in connection with this Agreement. Any liability incurred in connection with this Agreement is subject to immunities and limitations of the New Mexico Tort Claims Act.

ARTICLE XIV. SCOPE OF AGREEMENT

This Agreement constitutes the entire and exclusive agreement between the Grantee and Department concerning the subject matter hereof. The Agreement supersedes any and all prior or contemporaneous agreements, understandings, discussions, communications, and representations, written or verbal.

ARTICLE XV. REQUIRED NON-APPROPRIATIONS CLAUSE IN CONTRACTS FUNDED IN WHOLE OR PART BY FUNDS MADE AVAILABLE UNDER THIS AGREEMENT

The Grantee acknowledges, warrants, and agrees that Grantee shall include a "non-appropriations" clause in all contracts between it and other parties that are (i) funded in whole or part by funds made available under this Agreement and (ii) entered into after the effective date of this Agreement that states:

"The terms of this Agreement are contingent upon sufficient appropriations and authorization being made by the Legislature of New Mexico for the performance of this Agreement. If sufficient appropriations and authorization are not made by the Legislature, the **City of Santa Fe** may immediately terminate this Agreement by giving Contractor written notice of such termination. The **City of Santa Fe**'s decision as to whether sufficient appropriations are available shall be accepted by the Contractor and shall be final. Contractor hereby waives any rights to assert an impairment of contract claim against the **City of Santa Fe** or the Department of Finance and Administration, Local Government Division (DFA/LGD) or the State of New Mexico in the event of immediate or Early Termination of this Agreement by the **City of Santa Fe** or the "Department."

ARTICLE XVI. REQUIRED TERMINATION CLAUSE IN CONTRACTS FUNDED IN WHOLE OR PART BY FUNDS MADE AVAILABLE UNDER THIS AGREEMENT

Grantee acknowledges, warrants, and agrees that Grantee shall include the following termination clause in all contracts that are (i) funded in whole or part by funds made available under this Agreement and (ii) entered into after the effective date of this Agreement:

"This contract is funded in whole or in part by funds made available under a DFA/LGD Grant Agreement. Should the DFA/LGD early terminate the grant agreement, the **City of Santa Fe** may early terminate this contract by providing Contractor written notice of such termination. In the event of termination pursuant to this paragraph, the **City of Santa Fe** only liability shall be to pay Contractor for acceptable goods delivered and services rendered before the termination date."

Grantee hereby waives any rights to assert an impairment of contract claim against the Department or the State of New Mexico in the event of Early Termination of this Agreement by the Department.

ARTICLE XVII. COMPLIANCE WITH UNIFORM FUNDING CRITERIA.

A. Throughout the term of this Agreement, Grantee shall:

1. submit all reports of annual audits and agreed upon procedures required by Section 12-6-3(A)-(B) NMSA 1978 by the due dates established in 2.2.2 NMAC, reports of which must be a public record pursuant to Section 12-6-5(A) NMSA 1978 within forty-five days of delivery to the State Auditor;
2. have a duly adopted budget for the current fiscal year approved by its budgetary oversight agency (if any);
3. timely submit all required financial reports to its budgetary oversight agency (if any); and
4. have adequate accounting methods and procedures to expend grant funds in accordance with applicable law and account for and safeguard grant funds and assets acquired by grant funds.

B. In the event Grantee fails to comply with the requirements of Paragraph A of this Article XVII, the Department may take one or more of the following actions:

1. suspend new or further obligations pursuant to Article VI(A) of this Agreement;
2. require the Grantee to develop and implement a written corrective action plan pursuant to Article VI(D) of this Agreement to remedy the non-compliance;
3. impose special grant conditions to address the non-compliance by giving the Grantee notice of such special conditions in accordance with Article III of this Agreement; the special conditions shall be binding and effective on the date that notice is deemed to have been given pursuant to Article III; or
4. terminate this Agreement pursuant to Article V(A) of this Agreement.

ARTICLE XVIII. [OPTIONAL IF THE APPROPRIATION IS FUNDED BY SEVERANCE TAX BONDS OR GENERAL OBLIGATION BONDS] SEVERANCE TAX BOND AND GENERAL OBLIGATION BOND PROJECT CLAUSES

A. Grantee acknowledges and agrees that the underlying appropriation for the Project is a severance tax bond or general obligation bond appropriation, and that the associated bond proceeds are administered by the New Mexico State Board of Finance (SBOF), an entity separate and distinct from the Department. Grantee acknowledges and agrees that (i) it is Grantee's sole and absolute responsibility to determine through SBOF staff what (if any) conditions are currently imposed on the Project; (ii) the Department's failure to inform Grantee of a SBOF imposed condition does not affect the validity or enforceability of the condition; (iii) the SBOF may in the future impose further or different conditions upon the Project; (iv) all SBOF conditions are effective without amendment of this Agreement; (v) all applicable SBOF conditions must be satisfied before the SBOF will release to the Department funds subject to the condition(s); and (vi) the Department's obligation to reimburse Grantee from the Project is contingent upon the then current SBOF conditions being satisfied.

B. Grantee acknowledges and agrees that the SBOF may in its sole and absolute discretion remove a project's assigned bond proceeds if the project doesn't proceed sufficiently. Entities must comply with the requirement to encumber five percent (5%) of Project funds within six months of bond issuance as certified by the grantee in the Bond Questionnaire and Certification documents submitted to the SBOF. Failure to comply may result in the bond proceeds reassignment to a new ready project. If this should occur this grant agreement will be suspended until the entity has demonstrated readiness as determined by the SBOF and the Department.

C. Grantee acknowledges and agrees that this Agreement is subject to the SBOF's Bond Project Disbursements rule, NMAC 2.61.6, as may be amended or re-codified. The rule provides definitions and interpretations of grant language for the purpose of determining whether a particular activity is allowable under the authorizing language of the agreement.

ITEM AND ISSUE:

Request for approval of a Budget Amendment Resolution (BAR) in the amount of $3,047,327 to cover debt service for the 2021 GRT Refunding Bonds.

BACKGROUND AND SUMMARY:

During each budget season, the Budget Office works with the Treasury Division to budget debt service payments for the upcoming fiscal year's budget. During the FY25 budget process (occurring in late winter to spring of 2024), an error was made in the spreadsheet calculating and compiling these debt payments. Unfortunately the error was not caught until the final FY25 debt service payments were entered in late June of 2025. This BAR will correct that error, and will facilitate the payments via the Capital GRT Fund (365) which has sufficient resources to cover the payments that are normally paid from this fund.

ACTION RECOMMENDED:

Finance staff recommend that the Governing Body approve the BAR correcting the debt service budget and associated transfers for FY25.

Electronic Record and Signature Disclosure

ELECTRONIC RECORD AND SIGNATURE DISCLOSURE

A. ELECTRONIC RECORD AND SIGNATURE DISCLOSURE (ERSD)

From time to time, New Mexico General Services Department (GSD), on behalf of the State of New Mexico (SONM), may be required by law to provide you with certain written notices or disclosures. Stated below are the terms and conditions for GSD's providing you such notices and disclosures electronically through the DocuSign system. Please read this information carefully. If you are able to access this information electronically and agree to **this Electronic Record and Signature Disclosure (ERSD)**, please confirm your agreement by selecting the check-box next to "I agree to use electronic records and signatures" before clicking "CONTINUE" within the DocuSign system.

B. Obtaining paper copies

At any time up to twenty (20) calendar days following your use of DocuSign to electronically sign a document, you may request a paper copy of any record provided or made available electronically to you by GSD. You will have the ability to download and print documents SONM sends you through the DocuSign system during and immediately after the signing session and, if you elect to create a DocuSign account, you may access the documents for a twenty (20) calendar day period after such documents are first sent to you. Following the twenty (20) day period, if you want GSD to send you paper copies of any such documents from GSD's office, you will be charged a $1.00 per-page fee plus postage. You may request delivery of such paper copies from GSD by following the procedure stated in Section H, below.

C. Withdrawing your consent

If you decide to receive notices and disclosures from GSD electronically, you may at any time change your mind and inform GSD you want to receive required notices and disclosures only in paper format. The procedure concerning how you may inform GSD of your decision to receive future notices and disclosures in paper format as well as withdraw your consent to receive notices and disclosures electronically is stated in Section D, immediately below.

D. Consequences of changing your mind

If you elect to receive required notices and disclosures only in paper format, it will slow the speed with which GSD will be able to complete certain steps in specific transactions and deliver paper copies to you. GSD will need: (1) to send the required notices or disclosures to you in paper format; and (2) wait until GSD receives your acknowledgment of your receipt of such paper notices or disclosures. Further, you will no longer be able to use the DocuSign system to receive required notices and consents electronically from SONM or to electronically sign documents generated and sent to you from SONM.

E. All notices and disclosures will be sent to you electronically

Unless you inform GSD otherwise according to these procedures, GSD will electronically provide you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements and other documents that are required to be provided or made available to you during the course of your electronic signature relationship with SONM. To reduce the possibility of inadvertent non-receipt, GSD prefers to provide all required notices and disclosures by the same method and to the same email or physical address that you furnish to GSD. Thus, you may receive the disclosures and notices electronically or in paper form. If you do not agree with this procedure, please inform GSD according to the procedures stated in Section I, below. Please also refer to Section D, immediately above, which states the consequences resulting from your declination of electronic delivery of notices and disclosures.

F. How to contact GSD:

You may inform General Services Department (GSD) of any changes you select regarding State Purchasing Division's (SPD) electronic communications with you, to request paper copies of certain information from SPD, and to withdraw your prior consent to receive notices and disclosures electronically by emailing your request(s) to SPD at: *GSD.SPDinfo@state.nm.us*

G. To advise SPD of your new email address

To inform SPD of a change in the email address to which SPD sends you notices and disclosures electronically, you must send an email to SPD at *GSD.SPDinfo@state.nm.us* and in the body of such request you must include your previous and new email addresses.

H. To request paper copies from SPD

To request delivery of paper copies of electronic notices and disclosures that DocuSign and/or SPD have previously provided to you, you must send an email to SPD at *GSD.SPDinfo@state.nm.us* and in the body of your email request state your email address, full name, mailing address, and telephone number. SPD will charge you a $1.00 per page copy fee plus postage.

I. To withdraw your consent with SPD

To inform SPD that you no longer wish to receive notices and disclosures in electronic format you may:

(1) Decline to sign a document from within a signing session, and on the subsequent page, select the check-box indicating you wish to withdraw your consent, or you may:

(2) Send SPD an email to *GSD.SPDinfo@state.nm.us* and in the body of your request state your email address, full name, mailing address, and telephone number.

J. Required hardware and software

The minimum system requirements for using the DocuSign system may change over time. The current DocuSign system requirements may be found at:
https://support.docusign.com/guides/signer-guide-signing-system-requirements

K. Acknowledging your access and consent to receive and sign documents electronically

To confirm that you are able to electronically access the information contained in this Electronic Record and Signature Disclosure (ERSD), please confirm that you have: (1) read this ERSD, and either: (2) you are able to print on paper or electronically save this ERSD for your future reference and access; or (3) you are able to email this ERSD to an email address where you will be able to print this ERSD on paper and/or save this ERSD for your future reference and access. Further, if you consent to receiving notices and disclosures from DocuSign and/or SPD exclusively in electronic format, then select the check-box next to "I agree to use electronic records and signatures," before you click "CONTINUE" within the DocuSign system.

By selecting the check-box next to "I agree to use electronic records and signatures," you confirm that:

- You have read this Electronic Record and Signature Disclosure (ERSD); and
- You can print this ERSD on paper, or you can save and/ or send this ERSD to a location where you can print this ERSD, for your future reference and access; and
- Until or unless you notify SPD as stated in this ERSD, you consent to exclusively receive through electronic means all notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you by SPD during the course of your electronic signature relationship with SPD.

Neither the order, nor any interest therein, nor any claim thereunder, shall be assigned or transferred by the Vendor, except as set forth in Subparagraph 3b or as expressly authorized in writing by the State Purchasing Agent or his/her designee. No such assignment or transfer shall relieve the Vendor from the obligations and liabilities under this order.

b. Vendor agrees that any and all claims for overcharge resulting from antitrust violations which are borne by the State as to goods, services, and materials purchased in connection with this contract or procurement are hereby assigned to the State.

4. **State Furnished Property:** State furnished property shall be returned to the State upon request in the same condition as received except for ordinary wear, tear and modifications ordered hereunder.

7. **Packing, Shipping and Invoicing:**

a. The State's purchasing document number and the Vendor's name, user's name and location shall be shown on each packing and delivery ticket, package, bill of lading and other correspondence in connection with the shipments. c. Invoices must be submitted to the using agency and NOT to the State Purchasing Agent.

8. **Default:** The State reserves the right to cancel all or any part of this order without cost to the State, if the Vendor fails to meet the provisions of this order and, except as otherwise provided herein, to hold the Vendor liable for any excess cost occasioned by the State due to the Vendor's default. The Vendor shall not be liable for any excess costs if failure to perform the order arises out of causes beyond the control and without the fault or negligence of the Vendor, such causes include but are not restricted to, acts of God or the public enemy, acts of the State or Federal Government, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, unusually severe weather and defaults of subcontractors due to any of the above, unless the State shall determine that the supplies or services to be furnished by the subcontractor were obtainable from other sources in sufficient time to permit the Vendor to meet the required delivery scheduled. The

rights of the State provided in this paragraph shall not be exclusive and are in addition to any other rights now being provided by law or under this order.

9. **Non-Collusion:** In accepting these terms and conditions the Vendor certifies that the Vendor has not, either directly or indirectly, entered into action in restraint of free competitive procurement in connection with this offer submitted to the State Purchasing Agent or his/her designee.

10. **Nondiscrimination:** Vendors doing business with the State of New Mexico must be in compliance with the Federal Civil Rights Act of 1964 and Title VII of the Act (Rev. 1979) and the Americans with Disabilities Act of 1990 (Public Law 101-336).

11. **The Procurement Code:** Sections 13-1-28 through 13-1-199 NMSA 1978, impose civil and criminal penalties for its violation. In addition the New Mexico criminal statutes impose felony penalties for bribes, gratuities and kickbacks.

If the Vendor fails to comply with Workers' Compensation Act and applicable rules when required to do so, this Agreement may be terminated by the contracting agency.

15. **Subcontracting:** The Vendor shall not subcontract any portion of the Price Agreement without the prior written approval of the Procuring Agency. Subject: FY26 Vehicle Order

Vendor Name: Chalmers Ford, MHQ, Code 3 Service

Munis Vendor Number: 1693, 3527, 8602

ITEM AND ISSUE:

The Santa Fe Police Department respectfully requests your review and approval of the FY26 Vehicle purchase in the total amount of $1,892,661.18 for the vehicles, equipment, and labor costs associated with each vehicle.

CONTRACT NUMBER:

N/A

BACKGROUND AND SUMMARY:

As part of the annual fleet replacement, the Santa Fe Police Department is requesting the purchase of 20 vehicles, including the purchase of equipment and labor costs associated with each vehicle. The 20 police vehicles and associated equipment are imperative to maintain the operational capability of the Police Department. The following is the list of vehicles to be purchased.

VEHICLES	COSTS	ORG#	OBJ#
Ford Police Interceptor (18)	$911,448.00	2230310	570950
Ford F350 (2)	$134,446.20	2230310	570950
Total costs for 20 vehicles:	**$1,045.894.20**		

EQUIPMENT	COSTS
➢ Vehicle emergency/safety equipment, emergency lights, radio speaker, etc.	$704,562.85
➢ Radios	$142,204.13

Total costs for equipment and installation: **$846,766.98**

Grand total purchase cost: Vehicles, equipment and installation $1,892,661.18

Ford Police Interceptor Utility EcoBoost

Eighteen (18) Police Interceptor Utility vehicles will be purchased to replace the current Police Interceptor sedans that need replacement for the Patrol Section. The vehicles will be up fitted with the latest communication equipment, including police radios, mobile data terminals, and modems to work with our Dispatch Communications System, Records Management System and in car camera system.

The vehicle platform can accommodate varying sizes and compositions of officers while wearing protective and duty equipment. The ingress/egress for the vehicle does not require the officer to crouch down when entering the vehicle or to exit the vehicle from a crouched position. This can assist with minimizing issues with back pain, neck pain, and leg strain caused by entering/exiting the vehicle and minimizing lost time due to employee injuries. This remains a challenge with large statured officers who are issued a Police Interceptor sedan and often require them being placed in an Interceptor Utility if available.

The vehicle also provides sufficient secured storage space to accommodate communications equipment, duty equipment while also making it readily available for deployment or service when needed. The vehicle platform is also able to safely operate within the manufacturers' recommended payload capacity and gross vehicle weight rating (GVWR) without causing excessive brake, tire, and transmission wear when police vehicle equipment is installed, and duty equipment is loaded for duty use.

The vehicle comes standard as an all-wheel drive drivetrain providing improved handling stability and traction in all driving conditions. This is well suited for our community as we see all seasons. It is also the only vehicle, worldwide, that is engineered to meet the 75-mph rear-impact crash test that provides significant officer protection during a rear impact crash. Rear impact crashes are prone to occur while conducting traffic enforcement on roadways while a vehicle is parked on or alongside the roadway.

The vehicle is powered by the proven EcoBoost engine, which is reliable, fuel efficient and has allowed our Department to maintain an operational fleet with emergency response capability suitable to stand up to the rigorous work environment for law enforcement vehicles.

Ford F350 Truck

Two trucks will be purchased to increase our rapid response capability for our Hazardous Devices Technicians assigned to the Explosive Ordnance Disposal Team. The full-size truck platform is needed to accommodate the equipment carried by EOD technicians. We are increasing the number of equipment trucks to from two to four to allow for a rapid response to crisis incidents and the ability to resolve these situations as quickly and safely as possible so business can resume soon after. The two F350 EOD trucks have already proven to be an asset, and this will allow all four of our FBI Certified EOD Technicians to immediately have the equipment they need when summoned to an emergency situation. We anticipate these vehicles will remain in service for seven or more years.

The vehicles require four-wheel drive capability to complete the above tasks in inclement weather and in areas where roads are not well maintained within our jurisdiction.

The EOD vehicles will be up fitted with the latest communication equipment including police radio, mobile data terminal, and modem to work with our Dispatch Communications System and Records Management System.

Proposal Terms & Conditions

All proposals are valid for 30 days from the date issued. We reserve the right to withdraw a proposal at any time and for any reason. Shipping or freight charges may be added to the final invoice if they are not explicitly included in the proposal.

Please note that due to ongoing fluctuations in U.S. trade policy, including the implementation and partial suspension of tariffs on goods from countries such as Mexico, Canada, and China, pricing remains subject to change. While we have made efforts to avoid immediate adjustments, the situation remains fluid. We are actively working with our suppliers to mitigate potential cost impacts and maintain the best possible pricing for our customers.

Ref: Request for patrol vehicles

Chief/Deputy Chief,

The reason for this correspondence is to respectfully request assistance from the City of Santa Fe Police Department with the consideration of donating two (2) to four (4) patrol vehicles. If you can include any equipment the vehicle may be outfitted with (light bars, control boxes, radios, transport partitions, radars, or gunlocks it would be greatly appreciated.

The Truth or Consequences Police Department has had several patrol vehicles decommissioned due to mechanical failures, along with the addition of two patrol officer positions has created a hardship on patrol for us. Public safety is our number one goal, as it is for all police organizations across the nation, and the ability to provide 24-hour coverage through active patrols is key to accomplishing that priority. Any support from your organization in assisting us in accomplishing our goal would be greatly appreciated.

On behalf of my organization and the citizens of Truth or Consequences, I thank you in advance for your time and consideration of the request. Please feel free to contact me at (575)740-5939 or by email at ltavizon@torcnm.org if you have any questions or need additional information.

Respectfully,

Chief of Police

Re: Request for K9 Patrol Squad

Chief Paul Joye and Deputy Chief Ben Valdez,

The Village of Milan Police Department has recently gained the opportunity to add a K9 to the department at no cost. Having the opportunity to add a K9 to the department will greatly increase our abilities to combat the drug issues in the community. The K9 is also trained for tracking and apprehension, which will further increase the safety of doing our jobs.

Being a small agency with a budget that needs to be closely watched for spending, purchasing a squad equipped to house a K9 is not possible at this time. The K9 is available currently, but we are in danger of missing out on the opportunity because of the lack of a K9 equipped squad.

The Village of Milan Police Department is requesting your assistance with a K9 equipped patrol squad including any equipment the vehicle may be outfitted with.

Our Village greatly appreciates your consideration and efforts for our request. If you require additional information or have any questions, please let me know.

Thank you,

ACTION:
Request for Approval of a Budget Adjustment Resolution (BAR) to Allocate Road Impact Fees in the Total Amount of $1,220,000 to FY2026 Revenue and Expenses for the Completion of the Guadalupe Street Reconstruction Project (Romella Glorioso-Moss, rsglorioso-moss@santafenm.gov)

BACKGROUND AND SUMMARY:
The construction of the Guadalupe St. Reconstruction Project has been fully funded to date by a Federal Highway Safety Improvement Program (HSIP) grant for $10M with no City match. The project was a result of the road safety audit conducted in 2014 funded by HSIP – a federal-aid program with a purpose to achieve a significant reduction in traffic fatalities and serious injuries on all public roads. The substantial completion date for roadway construction is August 30, 2025.

During the construction, several issues were identified and remedied including archeological assessment of an old stormwater channel and artifacts, replacing failed storm drainpipes, installing missing foundation under sidewalks, replacing leaking water valves, adding irrigation for new landscaping, etc. The cost of this additional scope was approximately $334,000 for design and construction management and $886,000 for construction. This BAR will cover those costs. See table below for a breakdown of the City's share of costs for this project.

HSIP also does not pay for landscaping on roadway projects. Staff is securing quotes for construction of extensive landscaping improvements and will return to Governing Body for another BAR from Roadway Impact Fees for this work, estimated to cost $1,200,000.

RE: **Request for Retroactive Approval and Contact Extension -Animal Shelter Services**

In accordance with the Procurement Code and applicable procedures, this memo is to respectfully request retroactive approval and an extension of services for the emergency contract for Animal Shelter services. The original contract, City Clerk's #25-0011, was executed on January 14, 2025. During the term of this emergency agreement, a Request for Proposals (RFP) was issued and is still under active review. As of today, a new agreement between the City of Santa Fe and the Animal Shelter has not yet been finalized; however, an extension of the emergency determination has been approved.

The current contract is set to expire on July 14, 2025. We made efforts to include the contract extension on the Governing Body's July 9th agenda; however, we were unable to meet the submission deadline due to the shelter and legal not finalizing the contract amendment until July 3rd and purchasing requiring additional documentation, which delayed the routing of the packet for necessary approvals. The contract extension request is scheduled to appear on the Governing Body's agenda on July 30. To ensure there is no disruption in critical services, we are requesting a retroactive approval and a short-term extension of the existing contract until a new agreement is fully reached.

We confirm that the following conditions for retroactive approval have been met:

A. the services performed without the City's prior approval of the contract did not occur as the result of repeated mistakes or willful misconduct of the Requesting Department;
B. the failure to obtain City's retroactive approval will prevent the Requesting Department from fulfilling its obligations;
C. the Requesting Department provides to the City Manager a written, factual, explanation of the matters described in Paragraphs (1) and (2) signed by the department director;

D. the Requesting Department requested, through a public officer or employee with authority to make such a request, the contractor to perform services that were then actually performed by the contractor in good faith reliance that it would be paid for those services;

We respectfully request retroactive approval with an effective date of **July 14, 2025**.

Please let me know if further documentation is required.

Thank you for your consideration.

The contractor must ensure adherence to all applicable city ordinances, particularly SFCC 1987 Chapter V, Animal Control Ordinances, and provide consistent, humane, and timely care for animals under the city's jurisdiction. **The contractor shall comply with all provisions of law and regulations as set forth in Chapter V of SFCC 1987, pursuant to Section 5-11.1.B of the Animal Control Ordinance.**

- **Facility Management**: Operate a safe, sanitary, and fully staffed animal shelter as a housing facility to care for and shelter stray, abandoned, or seized animals.

- **Veterinary Oversight**: Ensure that all medical care decisions, including euthanasia, are made by a licensed veterinarian. Euthanize animals only when medically necessary and notify the City of such actions.

- **Public Health Reporting**: Coordinate with health authorities, including the New Mexico Department of Public Health, on communicable diseases or incidents affecting public safety.

- **Collaboration with City Representatives**: Work with city representatives to manage intake processes when city staff are unavailable and handle the release of impounded animals to owners outside regular operating hours.

VII. **Provide an explanation for the justification of the procurement including a description of the emergency condition(s) requiring use of emergency procurement and the practicable competition utilized in compliance with NMSA 1978, Section 13-1-127.**

The emergency procurement for animal services in Santa Fe is justified due to the immediate need for continued animal shelter operations, veterinary care, and compliance with public health regulations. The city's ability to care for stray, injured, and abandoned animals is essential for public safety and animal welfare. Without an established vendor, Santa Fe faces risks, including:

1. Public Health Risks: Managing rabid or diseased animals is critical to prevent the spread of diseases like rabies. The inability to quarantine, vaccinate, or euthanize animals as necessary could pose a health risk to the community.
2. Legal and Regulatory Compliance: The city is mandated to uphold Chapter V of the Santa Fe City Code, which outlines strict requirements for shelter operations, animal handling, and licensing. Failure to comply could lead to legal repercussions and public safety risks.

3. Immediate Animal Welfare Concerns: Without shelter and veterinary care, the city cannot meet basic animal welfare needs. This would likely lead to overcrowding in temporary holding facilities, inability to provide adequate care, and compromised humane treatment for animals.

4. Practicable Competition: In compliance with NMSA 1978, Section 13-1-127, an expedited yet practicable competitive process was utilized. Potential service providers within a reasonable distance of Santa Fe were considered, ensuring that the selected vendor meets city requirements and can initiate services without delay.

This emergency procurement process enables the city to fulfill essential animal services swiftly and within compliance, ensuring safety, welfare, and public health for the residents of Santa Fe.

VIII. **Please describe what measures are being taken to minimize the duration and effect of this emergency procurement (for example: is the emergency only in place until a competitive process can be completed, etc.).**

Measures to Minimize Duration and Impact of Emergency Procurement

This emergency procurement is structured as a temporary solution to address the city's immediate need for animal services. To ensure it is in place only as long as necessary, the following measures are being taken:

1. Transition Plan to Competitive Procurement: The emergency contract will remain active only until a standard competitive procurement process can be completed. The city is actively preparing the necessary documents to initiate a formal Request for Proposals (RFP) to secure long-term service providers through a competitive, transparent process.

2. Short-Term Contract with Defined Limits: The emergency procurement has clear limits in scope and duration to minimize dependency. The city has restricted services to the most critical functions, such as shelter operations, veterinary care, and public health compliance, essential for public safety and animal welfare.

3. Monitoring and Evaluation: The city will monitor the contractor's performance under the emergency contract, using this data to refine service requirements and improve the competitive bidding process. Monthly status reports from the contractor will ensure oversight and facilitate a smoother transition to long-term providers.

These measures are intended to minimize both the impact and duration of the emergency contract, ensuring that the city's animal services can return to a competitively bid, stable solution as soon as possible.

IX. **Describe what measures the Department will take in the future to prevent/mitigate use of emergency procurement under similar circumstances.**

To prevent or mitigate the need for emergency procurements in similar situations, the Department will take the following proactive steps:

1. Immediate RFP Process: The Department will issue a Request for Proposals (RFP) as soon as possible to secure long-term, competitively bid contracts for essential animal services. This proactive approach will reduce reliance on short-term emergency measures.

2. Advanced Contract Planning: In the future, the Department will implement advanced planning for contract renewals and potential vendor changes. This will include monitoring contract timelines and setting internal reminders to initiate competitive bidding well before contract expiration dates.

3. Contingency Partnerships: The Department will work to establish contingency agreements with additional animal service providers to ensure a rapid response in the event of vendor loss or service disruption. By having alternative providers identified, the Department can reduce delays and maintain service continuity.

4. Regular Market Assessments: Conducting periodic market assessments will help identify qualified vendors within the region, ensuring that the city has a pool of providers ready to respond to an RFP, if needed. This process will also aid in securing providers who meet the city's specific needs, reducing the likelihood of service disruptions.

By taking these steps, the Department aims to enhance preparedness and reduce reliance on emergency procurement, securing uninterrupted, compliant, and humane animal services for the City of Santa Fe.

After the expiration of the legal holding time, all animals become the property of the Contractor.***

7) Holds on animals beyond the legal stray holding time, including but not limited to animals held in the course of investigations, will be billed separately at the Contractor's daily impound rate, currently forty dollars ($40.00) per day, per animal. In addition, the Contractor shall provide all data related to licensing and fees to the City. 3. Term.

THIS AGREEMENT SHALL NOT BECOME EFFECTIVE UNTIL APPROVED BY THE GSD/SPD Contracts Review Bureau. This Agreement shall terminate on **June 30, 2027** unless terminated pursuant to paragraph 4 (Termination), or paragraph 5 (Appropriations). 2. Contractor shall give Agency written notice of termination at least thirty (30) days prior to the intended date of termination, which notice shall (i) identify all the Agency's material breaches of this Agreement upon which the termination is based and (ii) state what the Agency must do to cure such material breaches. Contractor's notice of termination shall only be effective (i) if the Agency does not cure all material breaches within the thirty (30) day notice period or (ii) in the case of material breaches that cannot be cured within thirty (30) days, the Agency does not, within the thirty (30) day notice period, notify the Contractor of its intent to cure and begin with due diligence to cure the material breach.

3. C. Liability. Except as otherwise expressly allowed or provided under this Agreement, the Agency's sole liability upon termination shall be to pay for acceptable work performed prior to the Contractor's receipt or issuance of a notice of termination; provided, however, that a notice of termination shall not nullify or otherwise affect either party's liability for pre-termination defaults under or breaches of this Agreement. The Contractor shall submit an invoice for such work within thirty (30) days of receiving or sending the notice of termination. *THIS PROVISION IS NOT EXCLUSIVE AND DOES NOT WAIVE THE AGENCY'S OTHER LEGAL RIGHTS AND REMEDIES CAUSED BY THE CONTRACTOR'S DEFAULT/BREACH OF THIS AGREEMENT.*

D. Termination Management. Immediately upon receipt by either the Agency or the Contractor of notice of termination of this Agreement, the Contractor shall: 1) not incur any further obligations for salaries, services or any other expenditure of funds under this Agreement without written approval of the Agency; 2) comply with all directives issued by the Agency in the notice of termination as to the performance of work under this Agreement; and 3) take such action as the Agency shall direct for the protection, preservation, retention or transfer of all property titled to the Agency and records generated under this Agreement. Any non-expendable personal property or equipment provided to or purchased by the Contractor with contract funds shall become property of the Agency upon termination and shall be submitted to the agency as soon as practicable.

5. Appropriations.

The terms of this Agreement are contingent upon sufficient appropriations and authorization being made by the Legislature of New Mexico for the performance of this Agreement. If sufficient appropriations and authorization are not made by the Legislature, this Agreement shall terminate immediately upon written notice being given by the Agency to the Contractor. The Agency's decision as to whether sufficient appropriations are available shall be accepted by the Contractor and shall be final. The Contractor acknowledges that all sums received hereunder are reportable by the Contractor for tax purposes, including without limitation, self-employment and business income tax. The Contractor agrees not to purport to bind the State of New Mexico unless the Contractor has express written authority to do so, and then only within the strict limits of that authority.

7. Assignment.

The Contractor shall not assign or transfer any interest in this Agreement or assign any claims for money due or to become due under this Agreement without the prior written approval of the Agency.

8. Subcontracting.

The Contractor shall not subcontract any portion of the services to be performed under this Agreement without the prior written approval of the Agency. No such subcontract shall relieve the primary Contractor from its obligations and liabilities under this Agreement, nor shall any subcontract obligate direct payment from the Procuring Agency.

9. Release.

Final payment of the amounts due under this Agreement shall operate as a release of the Agency, its officers and employees, and the State of New Mexico from all liabilities, claims and obligations whatsoever arising from or under this Agreement.

10. Confidentiality.

Any confidential information provided to or developed by the Contractor in the performance of this Agreement shall be kept confidential and shall not be made available to any individual or organization by the Contractor without the prior written approval of the Agency.

11. Product of Service -- Copyright.

All materials developed or acquired by the Contractor under this Agreement shall become the property of the State of New Mexico and shall be delivered to the Agency no later than the termination date of this Agreement. Nothing developed or produced, in whole or in part, by the Contractor under this Agreement shall be the subject of an application for copyright or other claim of ownership by or on behalf of the Contractor.

12. Conflict of Interest; Governmental Conduct Act.

A. The Contractor represents and warrants that it presently has no interest and, during the term of this Agreement, shall not acquire any interest, direct or indirect, which would conflict in any manner or degree with the performance or services required under the Agreement.

B. The Contractor further represents and warrants that it has complied with, and, during the term of this Agreement, will continue to comply with, and that this Agreement complies with all applicable provisions of the Governmental Conduct Act, Chapter 10, Article 16 NMSA 1978. Without in anyway limiting the generality of the foregoing, the Contractor specifically represents and warrants that:

5) in accordance with NMSA 1978, § 10-16-13, the Contractor has not directly participated in the preparation of specifications, qualifications or evaluation criteria for this Agreement or any procurement related to this Agreement; and

6) in accordance with NMSA 1978, § 10-16-3 and § 10-16-13.3, the Contractor has not contributed, and during the term of this Agreement shall not contribute, anything of value to a public officer or employee of the Agency.

C. Contractor's representations and warranties in Paragraphs A and B of this Article 12 are material representations of fact upon which the Agency relied when this Agreement was entered into by the parties. Contractor shall provide immediate written notice to the Agency if, at any time during the term of this Agreement, Contractor learns that Contractor's representations and warranties in Paragraphs A and B of this Article 12 were erroneous on the effective date of this Agreement or have become erroneous by reason of new or changed circumstances. If it is later determined that Contractor's representations and warranties in Paragraphs A and B of this Article 12 were erroneous on the effective date of this Agreement or have become erroneous by reason of new or changed circumstances, in addition to other remedies available to the Agency and notwithstanding anything in the Agreement to the contrary, the Agency may immediately terminate the Agreement.

D. All terms defined in the Governmental Conduct Act have the same meaning in this Article 12(B).

13. Amendment.

A. This Agreement shall not be altered, changed or amended except by instrument in writing executed by the parties hereto and all other required signatories.

B. If the Agency proposes an amendment to the Agreement to unilaterally reduce funding due to budget or other considerations, the Contractor shall, within thirty (30) days of receipt of the proposed Amendment, have the option to terminate the Agreement, pursuant to the termination provisions as set forth in Article 4 herein, or to agree to the reduced funding.

14. Merger.

This Agreement incorporates all the Agreements, covenants and understandings between the parties hereto concerning the subject matter hereof, and all such covenants, Agreements and understandings have been merged into this written Agreement. No prior Agreement or

understanding, oral or otherwise, of the parties or their agents shall be valid or enforceable unless embodied in this Agreement.

15. Penalties for violation of law.

The Procurement Code, NMSA 1978 §§ 13-1-28 through 13-1-199, imposes civil and criminal penalties for its violation. In addition, the New Mexico criminal statutes impose felony penalties for illegal bribes, gratuities and kickbacks.

16. Equal Opportunity Compliance.

The Contractor agrees to abide by all federal and state laws and rules and regulations, and executive orders of the Governor of the State of New Mexico, pertaining to equal employment opportunity. If Contractor is found not to be in compliance with these requirements during the life of this Agreement, Contractor agrees to take appropriate steps to correct these deficiencies.

Venue shall be proper only in a New Mexico court of competent jurisdiction in accordance with NMSA 1978, § 38-3-1 (G). By execution of this Agreement, Contractor acknowledges and agrees to the jurisdiction of the courts of the State of New Mexico over any and all lawsuits arising under or out of any term of this Agreement.

ITEM AND ISSUE:
Request approval to re-appropriate funding from FY25 in the amount of $1,000,000.00 into FY26 that was allocated for the Mayors for a Guaranteed Income Program.

BACKGROUND AND SUMMARY:
Mayors for a Guaranteed Income (MGI) was founded in June 2020 in Stockton, CA. Mayors across the nation, including Mayor Alan Webber, came together on this network to implement guaranteed income projects across the country to lift up adults in these communities. A guaranteed income is an unconditional monthly cash payment given directly to individuals meant to supplement, rather than replace, the existing social safety net services available to these individuals.

In 2021 the City of Santa Fe received a grant for $500,000 from MGI to help young student parents enrolled at Santa Fe Community College. The work continued with an additional $500,000 in American Rescue Plan Act (ARPA) funding that was approved by Mayor Webber and the City Council in 2022. This third year of MGI is supported through one time funding provided by the City of Santa Fe in the amount of $1,000,000.00.

The goal of the Santa Fe MGI project is to assist young parents attain their educational goals so that they can provide a stable income for themselves and their families in the future. This funding will target up to one hundred (100) young parents, making less than 80% of the Average Median Income (about $63,700 for a family of two or $79,600 for a family of four) enrolled in a degree, certificate, apprenticeship, or GED program at the Santa Fe Community College (SFCC).

ACTION REQUESTED:
The Community Health and Safety Department requests the approval of the Carryforward Request.

The City of Santa Fe's current platform is Tyler Technologies MUNIS version 19.3 and data are Cloud Based and hosted on Tyler Technologies. The City implemented Tyler Technology utilizing version 11.3 in 2019. Tyler Technologies consists of MUNIS Financial and MUNIS Human Capital Management (HCM), MUNIS has over 1,100 City staff end users, 7,000 registered City vendors, and has processed over 10 million transactions. Version 11.3 was over two (2) years in existence with the City of Santa Fe when a necessary upgrade to version 19.3 was required.
A prerequisite for a successful MUNIS upgrade implementation was to bring on board a dedicated Contractor who was involved in both planning the MUNIS upgrade and providing necessary training. Best Practices dictated hiring external resources who are experts in local government management, technology systems, organizational management, guidelines, requirements, business processes, user roles, workflows, training, policies, and procedures. For continued success in this implementation Ciber Pathway will continue functionality for daily operations of the City of Santa Fe providing production support with Tyler Applications, UKG (Time Clock Management) Applications, and other operations as detailed in the attached statement of work.

For a detailed Statement of Work please see Exhibit (A) for the Quote of Services to be Provided.

2. **Provide a detailed explanation of the criteria developed and specified by the department as necessary to perform and/or fulfill the contract.**

The City of Santa ITT Department determined a need to utilize an external resource with the necessary expertise to support multiple functions within Tyler Technologies. During the initial implementation phase Ciber Pathway established a statement of work that would meet the initial desired requirements and expertise for the sections identified that required additional support. Through implementation and upgrade the ITT Department identified and determined the following needs for continued support:

1. Work with the payroll team to ensure timely and accurate payroll processing.
2. Troubleshoot and provide technical support with issues in the Tyler Munis database.
3. Provide assistance with the Tyler Munis and UKG (Employee Time Management) processes.
4. Preform various analysis for better understanding and streamlining Tyler Munis functions.
5. Create and/or update documentation to reflect the changes made to the system as a result of problem solution for Tyler Munis.
6. Shall assist preparing data
7. Will assist with data validation and verification in the database.
8. Assist in the continued development of materials for the new version 19.3 systems and functions.

The complex services required by the City of Santa Fe going forward must be built upon the prior service and expertise demonstrated by Ciber Pathway Inc in various systems that the City currently utilizes on a day-to-day basis for payroll processing, budgeting, financials management and employee time tracking. As the current service provider Ciber Pathway Inc is positioned to understand what has been developed to date, what work is needed to advance the project and provide support.

3. Provide an explanation of the prospective vendor's unique qualifications, proprietary rights, or capabilities that make them the only source able to meet the intended purpose of the contract. Uniqueness should be fact-based and substantially related to the contract's purpose. Reasons should focus on factual uniqueness rather than statements such as "best" or "least costly" source.

Please see Exhibit (B) for a detailed description of Ciber Pathway's experience, qualifications, and capabilities which demonstrates their unique ability to assist the City of Santa Fe in this upgrade.

City of Santa Fe, New Mexico
Memorandum

DATE: June 30th, 2025

TO: Mark Scott, City Manager

VIA: Eric Candelaria, ITT Department Director

FROM: Joshua Chandler, Contract Administrator

SUBJECT: Retro-Active Approval for Amendment #3 to PSA Item #22-0266

ITEM & ISSUE:
Request for Approval of a Retro-Active Term (Per Page 31 of the Purchasing Manual) for Ciber Pathway Inc Amendment #3 to Professional Services Agreement Item #22-0266 which expired on June 30th, 2025.

XX. Retroactive Approval for a Contract or Contract Amendment
The Procurement Code requires that all non-exempt procurement by the City shall be achieved by competitive sealed bids or competitive sealed proposals except for small purchases, sole source procurements, emergency procurements, and existing contracts.
Failure of retroactive approval for contracts and contract amendments that fulfill all of the requirements of this manual and the Procurement Code, the City will approve the date requested in writing by the Requesting Department on the memo accompanying the request as long as the requested approval date is within thirty (30) days of the expiration of the contract.

For retroactive approval of contracts and contract amendments apart from the approval given pursuant to the provisions of this manual, the City may grant additional retroactive approval to a contract or contract amendment, based upon exceptional circumstances, where all the following conditions are met:

A. the services performed without the City's prior approval of the contract did not occur as the result of repeated mistakes or willful misconduct of the Requesting Department;
B. the failure to obtain the City's retroactive approval will prevent the Requesting Department from fulfilling its obligations;
C. the Requesting Department provides to the City Manager a written, factual, explanation of the matters described in Paragraphs (1) and (2) signed by the department director;
D. the Requesting Department requested, through a public officer or employee with authority to make such a request, the contractor to perform services that were then actually performed by the contractor in good faith reliance that it would be paid for those services;

The Procurement Code, NMSA 1978 §13-1-182, as amended, governs situations in which the City has denied a request for retroactive approval of a contract or contract amendment due to the department's failure to meet the requirements of this rule.

General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Future developments. For the latest information about developments related to Form W-9 and its instructions, such as legislation enacted after they were published, go to *www.irs.gov/FormW9*.

What's New

Line 3a has been modified to clarify how a disregarded entity completes this line. An LLC that is a disregarded entity should check the appropriate box for the tax classification of its owner. Otherwise, it should check the "LLC" box and enter its appropriate tax classification.

New line 3b has been added to this form. A flow-through entity is required to complete this line to indicate that it has direct or indirect foreign partners, owners, or beneficiaries when it provides the Form W-9 to another flow-through entity in which it has an ownership interest. This change is intended to provide a flow-through entity with information regarding the status of its indirect foreign partners, owners, or beneficiaries, so that it can satisfy any applicable reporting requirements. For example, a partnership that has any indirect foreign partners may be required to complete Schedules K-2 and K-3. See the Partnership Instructions for Schedules K-2 and K-3 (Form 1065).

Purpose of Form

An individual or entity (Form W-9 requester) who is required to file an information return with the IRS is giving you this form because they

must obtain your correct taxpayer identification number (TIN), which may be your social security number (SSN), individual taxpayer identification number (ITIN), adoption taxpayer identification number (ATIN), or employer identification number (EIN), to report on an information return the amount paid to you, or other amount reportable on an information return. Examples of information returns include, but are not limited to, the following.

- Form 1099-INT (interest earned or paid).
- Form 1099-DIV (dividends, including those from stocks or mutual funds).
- Form 1099-MISC (various types of income, prizes, awards, or gross proceeds).
- Form 1099-NEC (nonemployee compensation).
- Form 1099-B (stock or mutual fund sales and certain other transactions by brokers).
- Form 1099-S (proceeds from real estate transactions).
- Form 1099-K (merchant card and third-party network transactions).
- Form 1098 (home mortgage interest), 1098-E (student loan interest), and 1098-T (tuition).
- Form 1099-C (canceled debt).
- Form 1099-A (acquisition or abandonment of secured property).

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN.

Caution: If you don't return Form W-9 to the requester with a TIN, you might be subject to backup withholding. See *What is backup withholding*, later.

By signing the filled-out form, you:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued);

2. Certify that you are not subject to backup withholding; or

3. Claim exemption from backup withholding if you are a U.S. exempt payee; and

4. Certify to your non-foreign status for purposes of withholding under chapter 3 or 4 of the Code (if applicable); and

5. Certify that FATCA code(s) entered on this form (if any) indicating that you are exempt from the FATCA reporting is correct. See *What Is FATCA Reporting*, later, for further information.

Note: If you are a U.S. person and a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien;
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States;
- An estate (other than a foreign estate); or
- A domestic trust (as defined in Regulations section 301.7701-7).

Establishing U.S. status for purposes of chapter 3 and chapter 4 withholding. Payments made to foreign persons, including certain distributions, allocations of income, or transfers of sales proceeds, may be subject to withholding under chapter 3 or chapter 4 of the Code (sections 1441–1474). Under those rules, if a Form W-9 or other certification of non-foreign status has not been received, a withholding agent, transferee, or partnership (payor) generally applies presumption rules that may require the payor to withhold applicable tax from the recipient, owner, transferor, or partner (payee). See Pub. 515, Withholding of Tax on Nonresident Aliens and Foreign Entities.

The following persons must provide Form W-9 to the payor for purposes of establishing its non-foreign status.

- In the case of a disregarded entity with a U.S. owner, the U.S. owner of the disregarded entity and not the disregarded entity.
- In the case of a grantor trust with a U.S. grantor or other U.S. owner, generally, the U.S. grantor or other U.S. owner of the grantor trust and not the grantor trust.
- In the case of a U.S. trust (other than a grantor trust), the U.S. trust and not the beneficiaries of the trust.

See Pub. 515 for more information on providing a Form W-9 or a certification of non-foreign status to avoid withholding.

Foreign person. If you are a foreign person or the U.S. branch of a foreign bank that has elected to be treated as a U.S. person (under Regulations section 1.1441-1(b)(2)(iv) or other applicable section for chapter 3 or 4 purposes), do not use Form W-9. Instead, use the appropriate Form W-8 or Form 8233 (see Pub. 515). If you are a qualified foreign pension fund under Regulations section 1.897(l)-1(d), or a partnership that is wholly owned by qualified foreign pension funds, that is treated as a non-foreign person for purposes of section 1445 withholding, do not use Form W-9. Instead, use Form W-8EXP (or other certification of non-foreign status).

Nonresident alien who becomes a resident alien. Generally, only a nonresident alien individual may use the terms of a tax treaty to reduce or eliminate U.S. tax on certain types of income. However, most tax treaties contain a provision known as a saving clause. Exceptions specified in the saving clause may permit an exemption from tax to continue for certain types of income even after the payee has otherwise become a U.S. resident alien for tax purposes.

If you are a U.S. resident alien who is relying on an exception contained in the saving clause of a tax treaty to claim an exemption from U.S. tax on certain types of income, you must attach a statement to Form W-9 that specifies the following five items.

1. The treaty country. Generally, this must be the same treaty under which you claimed exemption from tax as a nonresident alien.

2. The treaty article addressing the income.

3. The article number (or location) in the tax treaty that contains the saving clause and its exceptions.

4. The type and amount of income that qualifies for the exemption from tax.

5. Sufficient facts to justify the exemption from tax under the terms of the treaty article.

Example. Article 20 of the U.S.-China income tax treaty allows an exemption from tax for scholarship income received by a Chinese student temporarily present in the United States. Under U.S. law, this student will become a resident alien for tax purposes if their stay in the United States exceeds 5 calendar years. However, paragraph 2 of the first Protocol to the U.S.-China treaty (dated April 30, 1984) allows the provisions of Article 20 to continue to apply even after the Chinese student becomes a resident alien of the United States. A Chinese student who qualifies for this exception (under paragraph 2 of the first Protocol) and is relying on this exception to claim an exemption from tax on their scholarship or fellowship income would attach to Form W-9 a statement that includes the information described above to support that exemption.

If you are a nonresident alien or a foreign entity, give the requester the appropriate completed Form W-8 or Form 8233.

Backup Withholding

What is backup withholding? Persons making certain payments to you must under certain conditions withhold and pay to the IRS 24% of such payments. This is called "backup withholding." Payments that may be subject to backup withholding include, but are not limited to, interest, tax-exempt interest, dividends, broker and barter exchange transactions, rents, royalties, nonemployee pay, payments made in settlement of payment card and third-party network transactions, and certain payments from fishing boat operators. Real estate transactions are not subject to backup withholding.

You will not be subject to backup withholding on payments you receive if you give the requester your correct TIN, make the proper certifications, and report all your taxable interest and dividends on your tax return.

Payments you receive will be subject to backup withholding if:

1. You do not furnish your TIN to the requester;

2. You do not certify your TIN when required (see the instructions for Part II for details);

3. The IRS tells the requester that you furnished an incorrect TIN;

4. The IRS tells you that you are subject to backup withholding because you did not report all your interest and dividends on your tax return (for reportable interest and dividends only); or

5. You do not certify to the requester that you are not subject to backup withholding, as described in item 4 under "*By signing the filled-out form*" above (for reportable interest and dividend accounts opened after 1983 only).

Certain payees and payments are exempt from backup withholding. See *Exempt payee code*, later, and the separate Instructions for the Requester of Form W-9 for more information.

See also *Establishing U.S. status for purposes of chapter 3 and chapter 4 withholding*, earlier.

What Is FATCA Reporting?

The Foreign Account Tax Compliance Act (FATCA) requires a participating foreign financial institution to report all U.S. account holders that are specified U.S. persons. Certain payees are exempt from FATCA reporting. See *Exemption from FATCA reporting code*, later, and the Instructions for the Requester of Form W-9 for more information.

Updating Your Information

You must provide updated information to any person to whom you claimed to be an exempt payee if you are no longer an exempt payee and anticipate receiving reportable payments in the future from this person. For example, you may need to provide updated information if you are a C corporation that elects to be an S corporation, or if you are no longer tax exempt. In addition, you must furnish a new Form W-9 if the name or TIN changes for the account, for example, if the grantor of a grantor trust dies.

Penalties

Failure to furnish TIN. If you fail to furnish your correct TIN to a requester, you are subject to a penalty of $50 for each such failure unless your failure is due to reasonable cause and not to willful neglect.

Civil penalty for false information with respect to withholding. If you make a false statement with no reasonable basis that results in no backup withholding, you are subject to a $500 penalty.

Criminal penalty for falsifying information. Willfully falsifying certifications or affirmations may subject you to criminal penalties including fines and/or imprisonment.

Misuse of TINs. If the requester discloses or uses TINs in violation of federal law, the requester may be subject to civil and criminal penalties.

Specific Instructions

Line 1

You must enter one of the following on this line; **do not** leave this line blank. The name should match the name on your tax return.

If this Form W-9 is for a joint account (other than an account maintained by a foreign financial institution (FFI)), list first, and then circle, the name of the person or entity whose number you entered in Part I of Form W-9. If you are providing Form W-9 to an FFI to document a joint account, each holder of the account that is a U.S. person must provide a Form W-9.

• **Individual.** Generally, enter the name shown on your tax return. If you have changed your last name without informing the Social Security Administration (SSA) of the name change, enter your first name, the last name as shown on your social security card, and your new last name.

Note for ITIN applicant: Enter your individual name as it was entered on your Form W-7 application, line 1a. This should also be the same as the name you entered on the Form 1040 you filed with your application.

• **Sole proprietor.** Enter your individual name as shown on your Form 1040 on line 1. Enter your business, trade, or "doing business as" (DBA) name on line 2.

• **Partnership, C corporation, S corporation, or LLC, other than a disregarded entity.** Enter the entity's name as shown on the entity's tax return on line 1 and any business, trade, or DBA name on line 2.

• **Other entities.** Enter your name as shown on required U.S. federal tax documents on line 1. This name should match the name shown on the charter or other legal document creating the entity. Enter any business, trade, or DBA name on line 2.

• **Disregarded entity.** In general, a business entity that has a single owner, including an LLC, and is not a corporation, is disregarded as an entity separate from its owner (a disregarded entity). See Regulations section 301.7701-2(c)(2). A disregarded entity should check the appropriate box for the tax classification of its owner. Enter the owner's name on line 1. The name of the owner entered on line 1 should never be a disregarded entity. The name on line 1 should be the name shown on the income tax return on which the income should be reported. For example, if a foreign LLC that is treated as a disregarded entity for U.S. federal tax purposes has a single owner that is a U.S. person, the U.S. owner's name is required to be provided on line 1. If the direct owner of the entity is also a disregarded entity, enter the first owner that is not disregarded for federal tax purposes. Enter the disregarded entity's name on line 2. If the owner of the disregarded entity is a foreign person, the owner must complete an appropriate Form W-8 instead of a Form W-9. This is the case even if the foreign person has a U.S. TIN.

Line 2

If you have a business name, trade name, DBA name, or disregarded entity name, enter it on line 2.

Line 3a

Check the appropriate box on line 3a for the U.S. federal tax classification of the person whose name is entered on line 1. Check only one box on line 3a.

IF the entity/individual on line 1 is a(n) . . .	THEN check the box for . . .
• Corporation	Corporation.
• Individual or • Sole proprietorship	Individual/sole proprietor.
• LLC classified as a partnership for U.S. federal tax purposes or • LLC that has filed Form 8832 or 2553 electing to be taxed as a corporation	Limited liability company and enter the appropriate tax classification: P = Partnership, C = C corporation, or S = S corporation.
• Partnership	Partnership.
• Trust/estate	Trust/estate.

Line 3b

Check this box if you are a partnership (including an LLC classified as a partnership for U.S. federal tax purposes), trust, or estate that has any foreign partners, owners, or beneficiaries, and you are providing this form to a partnership, trust, or estate, in which you have an ownership interest. You must check the box on line 3b if you receive a Form W-8 (or documentary evidence) from any partner, owner, or beneficiary establishing foreign status or if you receive a Form W-9 from any partner, owner, or beneficiary that has checked the box on line 3b.

Note: A partnership that provides a Form W-9 and checks box 3b may be required to complete Schedules K-2 and K-3 (Form 1065). For more information, see the Partnership Instructions for Schedules K-2 and K-3 (Form 1065).

If you are required to complete line 3b but fail to do so, you may not receive the information necessary to file a correct information return with the IRS or furnish a correct payee statement to your partners or beneficiaries. See, for example, sections 6698, 6722, and 6724 for penalties that may apply.

Line 4 Exemptions

If you are exempt from backup withholding and/or FATCA reporting, enter in the appropriate space on line 4 any code(s) that may apply to you.

The following codes identify payees that are exempt from backup withholding. Enter the appropriate code in the space on line 4.

• Interest and dividend payments	All exempt payees except for 7.

Exemption from FATCA reporting code. The following codes identify payees that are exempt from reporting under FATCA. These codes apply to persons submitting this form for accounts maintained outside of the United States by certain foreign financial institutions. Therefore, if you are only submitting this form for an account you hold in the United States, you may leave this field blank. Consult with the person requesting this form if you are uncertain if the financial institution is subject to these requirements. A requester may indicate that a code is not required by providing you with a Form W-9 with "Not Applicable" (or any similar indication) entered on the line for a FATCA exemption code.

J—A bank as defined in section 581.

K—A broker.

L—A trust exempt from tax under section 664 or described in section 4947(a)(1).

M—A tax-exempt trust under a section 403(b) plan or section 457(g) plan.

Note: You may wish to consult with the financial institution requesting this form to determine whether the FATCA code and/or exempt payee code should be completed.

Line 5

Enter your address (number, street, and apartment or suite number). This is where the requester of this Form W-9 will mail your information returns. If this address differs from the one the requester already has on file, enter "NEW" at the top. If a new address is provided, there is still a chance the old address will be used until the payor changes your address in their records.

Line 6

Enter your city, state, and ZIP code.

Part I. Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. If you are a resident alien and you do not have, and are not eligible to get, an SSN, your TIN is your IRS ITIN. Enter it in the entry space for the Social security number. If you do not have an ITIN, see *How to get a TIN* below.

If you are a sole proprietor and you have an EIN, you may enter either your SSN or EIN.

If you are a single-member LLC that is disregarded as an entity separate from its owner, enter the owner's SSN (or EIN, if the owner has one). If the LLC is classified as a corporation or partnership, enter the entity's EIN.

Note: See *What Name and Number To Give the Requester*, later, for further clarification of name and TIN combinations.

How to get a TIN. If you do not have a TIN, apply for one immediately. To apply for an SSN, get Form SS-5, Application for a Social Security Card, from your local SSA office or get this form online at *www.SSA.gov*. You may also get this form by calling 800-772-1213. Use Form W-7, Application for IRS Individual Taxpayer Identification Number, to apply for an ITIN, or Form SS-4, Application for Employer Identification Number, to apply for an EIN. You can apply for an EIN online by accessing the IRS website at *www.irs.gov/EIN*. Go to *www.irs.gov/Forms* to view, download, or print Form W-7 and/or Form SS-4. Or, you can go to *www.irs.gov/OrderForms* to place an order and have Form W-7 and/or Form SS-4 mailed to you within 15 business days.

If you are asked to complete Form W-9 but do not have a TIN, apply for a TIN and enter "Applied For" in the space for the TIN, sign and date the form, and give it to the requester. For interest and dividend payments, and certain payments made with respect to readily tradable instruments, you will generally have 60 days to get a TIN and give it to the requester before you are subject to backup withholding on payments. The 60-day rule does not apply to other types of payments. You will be subject to backup withholding on all such payments until you provide your TIN to the requester.

Note: Entering "Applied For" means that you have already applied for a TIN or that you intend to apply for one soon. See also *Establishing U.S. status for purposes of chapter 3 and chapter 4 withholding*, earlier, for when you may instead be subject to withholding under chapter 3 or 4 of the Code.

Caution: A disregarded U.S. entity that has a foreign owner must use the appropriate Form W-8.

Part II. Certification

To establish to the withholding agent that you are a U.S. person, or resident alien, sign Form W-9. You may be requested to sign by the withholding agent even if item 1, 4, or 5 below indicates otherwise.

For a joint account, only the person whose TIN is shown in Part I should sign (when required). In the case of a disregarded entity, the person identified on line 1 must sign. Exempt payees, see *Exempt payee code*, earlier.

Signature requirements. Complete the certification as indicated in items 1 through 5 below.

1. Interest, dividend, and barter exchange accounts opened before 1984 and broker accounts considered active during 1983. You must give your correct TIN, but you do not have to sign the certification.

2. Interest, dividend, broker, and barter exchange accounts opened after 1983 and broker accounts considered inactive during 1983. You must sign the certification or backup withholding will apply. If you are subject to backup withholding and you are merely providing your correct TIN to the requester, you must cross out item 2 in the certification before signing the form.

3. Real estate transactions. You must sign the certification. You may cross out item 2 of the certification.

4. Other payments. You must give your correct TIN, but you do not have to sign the certification unless you have been notified that you have previously given an incorrect TIN. "Other payments" include payments made in the course of the requester's trade or business for rents, royalties, goods (other than bills for merchandise), medical and health care services (including payments to corporations), payments to a nonemployee for services, payments made in settlement of payment card and third-party network transactions, payments to certain fishing boat crew members and fishermen, and gross proceeds paid to attorneys (including payments to corporations).

5. Mortgage interest paid by you, acquisition or abandonment of secured property, cancellation of debt, qualified tuition program payments (under section 529), ABLE accounts (under section 529A), IRA, Coverdell ESA, Archer MSA or HSA contributions or distributions, and pension distributions. You must give your correct TIN, but you do not have to sign the certification.

Secure Your Tax Records From Identity Theft

Identity theft occurs when someone uses your personal information, such as your name, SSN, or other identifying information, without your permission to commit fraud or other crimes. An identity thief may use your SSN to get a job or may file a tax return using your SSN to receive a refund.

To reduce your risk:

- Protect your SSN,
- Ensure your employer is protecting your SSN, and
- Be careful when choosing a tax return preparer.

If your tax records are affected by identity theft and you receive a notice from the IRS, respond right away to the name and phone number printed on the IRS notice or letter.

If your tax records are not currently affected by identity theft but you think you are at risk due to a lost or stolen purse or wallet, questionable credit card activity, or a questionable credit report, contact the IRS Identity Theft Hotline at 800-908-4490 or submit Form 14039.

For more information, see Pub. 5027, Identity Theft Information for Taxpayers.

Victims of identity theft who are experiencing economic harm or a systemic problem, or are seeking help in resolving tax problems that have not been resolved through normal channels, may be eligible for Taxpayer Advocate Service (TAS) assistance. You can reach TAS by calling the TAS toll-free case intake line at 877-777-4778 or TTY/TDD 800-829-4059.

Protect yourself from suspicious emails or phishing schemes. Phishing is the creation and use of email and websites designed to mimic legitimate business emails and websites. The most common act is sending an email to a user falsely claiming to be an established legitimate enterprise in an attempt to scam the user into surrendering private information that will be used for identity theft.

The IRS does not initiate contacts with taxpayers via emails. Also, the IRS does not request personal detailed information through email or ask taxpayers for the PIN numbers, passwords, or similar secret access information for their credit card, bank, or other financial accounts.

If you receive an unsolicited email claiming to be from the IRS, forward this message to *phishing@irs.gov*. You may also report misuse of the IRS name, logo, or other IRS property to the Treasury Inspector General for Tax Administration (TIGTA) at 800-366-4484. You can forward suspicious emails to the Federal Trade Commission at *spam@uce.gov* or report them at *www.ftc.gov/complaint*. You can contact the FTC at *www.ftc.gov/idtheft* or 877-IDTHEFT (877-438-4338). If you have been the victim of identity theft, see *www.IdentityTheft.gov* and Pub. 5027.

Go to *www.irs.gov/IdentityTheft* to learn more about identity theft and how to reduce your risk.

Privacy Act Notice

Section 6109 of the Internal Revenue Code requires you to provide your correct TIN to persons (including federal agencies) who are required to file information returns with the IRS to report interest, dividends, or certain other income paid to you; mortgage interest you paid; the acquisition or abandonment of secured property; the cancellation of debt; or contributions you made to an IRA, Archer MSA, or HSA. The person collecting this form uses the information on the form to file information returns with the IRS, reporting the above information. Routine uses of this information include giving it to the Department of Justice for civil and criminal litigation and to cities, states, the District of Columbia, and U.S. commonwealths and territories for use in administering their laws. The information may also be disclosed to other countries under a treaty, to federal and state agencies to enforce civil and criminal laws, or to federal law enforcement and intelligence agencies to combat terrorism. You must provide your TIN whether or not you are required to file a tax return. Under section 3406, payors must generally withhold a percentage of taxable interest, dividends, and certain other payments to a payee who does not give a TIN to the payor. Certain penalties may also apply for providing false or fraudulent information.

Hi Emily,

Here are the service and exempt determinations.

Legal services involving advice, consultation, or representation of the City are exempt under SFCC 1987, Section 11-13(B)(3).

This determination classifies the scope of work as *Professional Services*. It pertains solely to this classification and does not assess whether the scope of work or procurement method complies with all applicable legal standards. I reserve the right to revise this determination should there be any changes to the scope of work from what was originally submitted. The procurement process must adhere to the policies and procedures outlined by the City of Santa Fe, Central Purchasing, the Procurement Manual, and all relevant state statutes.
Please note:

Here is a breakdown of the fees I anticipate for FY 2026. The fees are based on the fee schedule attached to the most recent contract, which has not changed in the last 20 years, and are discounted from the contract fee where noted.

- Clean Water State Revolving Fund loan agreements ($114,000,000 Wastewater Utility System Loan, $17,000,000 Water Utility System Loan, and $20,000,000 Environmental Services Division loan): $100,000*
- $25,000,000 General Obligation Improvement Bonds (bond and disclosure counsel): $106,000
- $5,500,000 Water Project Fund loan/grant, $2,000,000 WPF loan/grant, and $7,750,000 Agreement: $41,775**
- Drinking Water State Revolving Fund loan agreement: $25,000.

Total Fees: $289,266.33

_____

* This fee amount reflects a discount from fees of (1) $293,900, if the fee for each loan is computed separately, and (2) $258,975, if the 3 loans are treated as a single $151,000,000 loan.

** This fee amount reflects a discount from fees of $80,500, if the fee for each transaction is computed separately; the fee is instead computed by treating all 3 transactions as a single $15,250,000 loan/grant.

*** This fee is based on the minimum fee charged for a revenue bond transaction.

Costs (primarily FedEx and publications) and GRT will be charged in addition to the fees described above. Additional work requested by the City that is not related to a pending transaction will be billed separately at the blended hourly rate of $285, for a total of $289,266.33 including GRT.

EXHIBIT A
FEE SCHEDULE

1. Fixed Fees Relating to Securities Issued by the City. For tasks related to the issuance of a specific series of securities for the City, Modrall, Sperling proposes the following fixed fees, based on the par amount of the bonds plus original issue premium:

Fixed Term-Fixed Rate New Money and Current Refunding General Obligation Bond Issues	
Size of Issue	Fee
$5,000,000 or less	$22,500
Between $5,000,000 and $7,500,000	$22,500 plus $1.50 per $1,000 principal amount between $5,000,000 and $7,500,000
Over $7,500,000	$26,250 plus $ 1.40 per $1,000 principal amount over $7,500,000

Fixed Term-Fixed Rate New Money and Current Refunding Revenue Bond Issues	
Size of Issue	Fee
$5,000.000 or less	$25,000
Between $5,000,000 and $7,500,000	$25,000 plus $1.75 per $1,000 principal amount between $5,000,000 and $7,500,000
Over $7,500,000	$29,375 plus $1.60 per $1,000 principal amount over $7,500,000

Our fee will *be* increased by ten percent (10%) for advance refundings based on the additional required to establish the defeasance escrow and related agreement.

Fixed Rate Special Assessment District Bonds	
Size of Issue	Fee
$2,000,000 or less	$40,000
Between $2,000,000 and $5,000,000	$40,000 plus $5.00 per $1,000 principal amount between $2,000,000 and $5,000,000
Over $5,000,000	$55,000 plus $4.00 per $1,000 principal amount over $5,000,000

Industrial Revenue Bonds

$0.30 per $1,000 face amount of the bonds with a minimum fee of $25,000 per issue.
(The cost of FRB review counsel services as bond counsel to the City will be passed through to the developer of the IRB project).

Fixed Rate Public Improvement District Bonds	
Size of Issue	Fee
$3,000,000 or less	$45,000
Between $3,000,000 and $5,000,000	$45,000 plus $5.00 per $1,000 principal amount between $3,000,000 and $5,000,000
Over $5,000,000	$55,000 plus $4.00 per $1,000 principal amount over $5,000,000

Modrall, Sperling's bond counsel review of an application for a public improvement district ("PED") and issuance of PID bonds will be billed to the City separately, at the hourly rates described above. Those fees are recovered by the City from the application fee required from the applicant. The application fee paid by the developer of the ND project is generally recoverable from bond proceeds.

Fixed Rate Tax Increment Development District Bonds	
Size of Issue	Fee
$3,000,000 or less	$45,000
Between $3,000,000 and $5,000,000	$45,000 plus $5.00 per $1,000 principal amount between $3,000,000 and $5,000,000
Over $5,000,000	$55,000 plus $4.00 per $1,000 principal amount over $5,000,000

Modrall Sperling's bond counsel review of an application for a tax increment development district ("TIDD") and issuance of TIDD bonds will be billed to the City separately, at the hourly rates described above. Those fees are recovered by the City from the application fee required from the applicant. The application fee paid by the developer of the TIDD project is generally recoverable from bond proceeds.

In the event that the securities are not issued, Modrall, Sperling will charge the City for professional fees at hourly rates for services provided up to the time the decision was made by the City to stop efforts to issue securities. We would also seek reimbursement of reasonable out-of-pocket expenses. We understand that payment in that situation would be dependent on the availability of funds and appropriations by Council in the discretion of the City.

2. Hourly Rates Not Relating to Securities to be Issued by the City. For tasks not related to issuance of a specific series of securities or substantial post-issuance tax or securities compliance matters, Modrall, Sperling agrees to bill the City at a blended rate of $285 per hour for the services of Peter Franklin, Ian Bearden, Chris Muirhead; and/or Katherine McKinney, in an amount not to exceed $100,000, unless otherwise negotiated and agreed by the City and Modrall Sperling based on the scope and complexity of a particular task.

Modrall, Sperling utilizes specialized computer software for compiling and maintaining client bills and routinely provides its clients with detailed monthly billings summarizing the work performed.

3. New Mexico Finance Authority and New Mexico Environment Department Loans. Our fee for New Mexico Finance Authority or New Mexico Environment Department loans will be the same as the bond counsel fee-based on the principal amount of the loan. There is no disclosure and/or underwriter's counsel fee for New Mexico Finance Authority loans or New Mexico Environment Department loans.

4. Fees Relating to Work as Disclosure and/or Underwriter Counsel. The fee for disclosure and/or underwriter counsel service such as the preparation of the preliminary official statement, the official statement and the 10b-5 opinion shall be 75% of the bond counsel fee outlined above. We recognize that some bond underwriters currently require independent counsel for preparation of the disclosure documents and the related due diligence investigation.

5. Fees Relating to Complex Issues. In unusual circumstances, where the complexity of the issue warrants an adjustment in the fees, we propose that Modrall, Sperling and the City negotiate a mutually acceptable fee prior to the date of the adoption of the final bond ordinance by the City. We believe that the rates we are quoting in this proposal are fair and at the "market rate." We do not follow the practice of bidding low on a proposal and then requesting an adjustment in the fee after issuance of the bonds, hoping to convince the public officials, overseeing the contract that the work was more complex than normal. No request for upper adjustment will be made by us unless it is clear to both the City and us that the issue was so out of the ordinary that the documents essentially had to be recreated. In such case, the City will be consulted as the issue progresses.

The fees quoted above do not contemplate issues involving multi-mode issues, credits swaps, interest rate swaps or other similar types of complex or nontraditional techniques, including those which may develop over the period of time covered by this proposal. With respect to such financing techniques, we would propose to negotiate a mutually acceptable fee, based upon the complexity of the transaction.

6. Advice Against Issuance Modrall, Sperling has provided and will continue to provide objective legal advice with respect to a proposed securities issue, without regard to fees, including advice against issuing of securities, if warranted.

It is our philosophy, if there are legal problems with respect to a proposed structure, to find a different structure or procedure to accomplish the goals of the client. Before advising against issuance, we will exhaust our resources to find a manner in which the issue can be restructured to accomplish the financing,

EXHIBIT B

The City shall compensate the Contractor for the projects listed below according to the following rates:

C. Clean Water State Revolving Fund loan agreements ($114,000,000 Wastewater Utility System Loan, $17,000,000 Water Utility System Loan, and $20,000,000 Environmental Services Division Loan): $100,000

For the services described in this Exhibit B, the City agrees pay the Contractor fees equal to $267,375.00, applicable gross receipts taxes (at 8.1875%) equal to $21,891.33, and applicable costs (Federal Express delivery of bonds and IRS Form 8038G) and publication costs, if any. The total compensation for the contract including GRT but excluding costs is $289,266.33.

CITY OF SANTA FE

The Purchasing Memo

Date: June 30, 2025

To: Mark Scott, City Manager

From: Joshua Chandler, Contract Administrator

Via: Eric Candelaria, ITT Department Director

Subject: Lumen Technologies Addendum

Vendor Name: Century Link Business

Munis Vendor Number: 3590

ITEM AND ISSUE:

Request for Approval of an Amendment/Addendum to Order Addendum with Century Link Business/ Lumen Technologies Government Solutions, Inc to Adjust the Scope, and Increase the Compensation by $7,546.68. (Eric Candeleria, ITT Department Director; edcandelaria@santafenm.gov)

CONTRACT NUMBER:

The FY25 Munis contract number is 3250299.

BACKGROUND AND SUMMARY:

Following comprehensive technical consultations between Lumen engineering teams and City engineering personnel during the discovery phase, it was determined that the originally proposed IPVPN and ANS Services would not adequately address the City's evolving technical requirements, particularly regarding VPN services and contemporary cybersecurity implementations. To better align with the City's infrastructure needs, Lumen is proposing the following addendum offerings that represent a strategic enhancement to the original service design. The revised solution includes the deployment of four dedicated internet firewalls configured for high availability network redundancy, with two units allocated to each City data center and corresponding Lumen redundant network sites. This re-engineered network architecture will meet or exceed the performance specifications of the original ANS design while providing superior security capabilities. Additionally, Lumen will double the current internet bandwidth allocation to support the City's growing connectivity demands. As part of this enhanced service offering, the unrealized and uninstalled IPVPN and ANS services from the previous proposal will be formally cancelled and removed from the contract scope. Due to unforeseen deployment delays that provided an opportunity for technical reassessment, both parties agree that this modernized technology approach represents the optimal solution for the City of Santa Fe's long-term network infrastructure requirements. This addendum ensures the City receives a more robust, scalable, and security-focused network solution that better positions the organization for future technological advancement.

LUMEN SASE SOLUTIONS SERVICE SCHEDULE

1. General. "Lumen" is defined for purposes of this Service Schedule as CenturyLink Communications, LLC d/b/a Lumen Technologies Group or its affiliated entities providing Services under this Service Schedule. This Service Schedule applies when Customer orders Lumen SASE Solutions ("SASE Service") which may be designated as "Lumen Secure Access Service Edge", "Lumen Secure Access Solutions Edge", "Lumen Secure Access Software Edge", "Lumen SASE", "Lumen SASE with Fortinet", "Lumen SASE with VMware", or "Lumen SASE with Versa" in the Customer Order, pricing attachment, Order acceptance, service delivery, billing and related documents. This Service Schedule incorporates the terms of the Master Service Agreement or other service agreement pursuant to which Lumen provides services to Customer (the "Agreement"). Terms used but not defined in this Service Schedule will have the meaning set forth in the Agreement. In the event of any conflict between the terms of the Agreement and the terms of this Service Schedule, this Service Schedule will control with respect to the Services.

1.1 Additional General Terms. These additional terms apply only if they are not already included in your Agreement. Customer expressly agrees that Lumen may use third party suppliers to provide the Service, provided that Lumen remains responsible to Customer. If changes in applicable law, regulation, rule, or order materially affect delivery of Service, the parties will negotiate appropriate changes to this Service Schedule. If the parties cannot reach agreement within 30 days after Lumen's notice requesting renegotiation, Lumen may, on a prospective basis after such 30-day period, pass any increased delivery cost on to Customer. If Lumen does so, Customer may terminate the affected Service on notice to Lumen delivered within 30 days of the cost increase taking effect.

All invoices will be issued to Customer and paid in the currency specified in the Order. Customer will pay such invoices free of currency exchange costs or bank charges. Service charges are exclusive of taxes and presented without reduction for any Withholding Tax, all of which are the responsibility of the Customer. "Withholding Tax" means any amount or account of tax on sources of income which a payor is obliged to deduct from payments due to a recipient and account for or to any tax authority. If any payment to be made to Lumen under this Service Schedule should be subject to reduction by reason of a Withholding Tax, Customer agrees to pay Lumen such amounts as would have been necessary so that the aggregate net amount received by Lumen after application of a Withholding Tax is the same amount as would have been received by Lumen if there had been no requirement to deduct or withhold such tax. For Services provided outside the United States, Customer or its local affiliate may be required to enter into a separate local country addendum/agreement (as approved by local authorities) ("LCA") with the respective Lumen affiliate that provides the local Service(s). Such Lumen affiliate will invoice Customer or its local affiliate for the respective local Service(s).

2. Services.

2.1 SASE Service Description. SASE Service is a portfolio of WAN and security solutions: Software Defined WAN (SDWAN), Security as Next Generation Firewall (NGFW), Secure Web Gateway (SWG), and Remote Access/Zero Trust Network Access (ZTNA). SASE Service utilizes a management portal and software deployed on a Lumen-provided customer premise equipment ("CPE"), into a Lumen Edge Gateway Service, or into a cloud environment (collectively "SASE Node"). If Customer orders SASE Service provisioned through a Lumen Hosted Gateway, the Lumen Hosted Gateway will include one SDWAN instance and one NGFW or SWG instance. Except for Lumen Hosted Gateway, SASE Service is available in a single or high availability configuration. SASE Service is offered as a Self-Managed or Pro-Managed service. SASE Service is further defined in the Lumen SASE Solutions Service Guide located at https://www.lumen.com/en-us/about/legal/business-customer-terms-conditions.html and subject to change upon posting.

2.2 Service Levels. SASE Service is subject to the Lumen Service Level Agreement available at https://www.lumen.com/en-us/about/legal/business-customer-terms-conditions.html and is subject to change upon posting. If Lumen changes the Lumen Service Level Agreement and the change is material and detrimental, Customer may request and receive the last version of the Service Level Agreement in effect before the change.

3. Customer Responsibilities.

3.1 Charges. Notwithstanding anything in the Agreement to the contrary, Lumen will notify Customer of acceptance of requested Service in this Order by delivering (in writing or electronically) a confirmation notice ("Order Confirmation Notice"). Lumen will send Customer a confirmation notice when the CPE arrives at Customer's service location ("Delivery Confirmation Notice"). The Service Term and Billing will begin on the date Lumen sends the Delivery Confirmation Notice ("Service Commencement Date"). Lumen will bill for any On-Site Installation work when the installation is complete. Customer will pay the monthly recurring charges ("MRCs") and non-recurring charges ("NRCs") as set forth in the Order in accordance with the Agreement. Customer agrees to pay and/or reimburse Lumen for its additional time for fees, costs and expenses resulting from Customer's failure to comply with this Service Schedule and/or Customer's request for changes in Services, unless such change is due to an act or omission of Lumen. In the event that Customer terminates the SASE Service prior to the end of the Service Term, Customer must provide Lumen with 60 days' advanced written notice and Customer will pay: (1) all unpaid amounts for Service actually provided; (2) 100% of the remaining monthly recurring charges for months 1-12 of the Service Term; (3) 50% of the remaining monthly recurring charges for month 13 through the end of the Service Term; and (4) if not recovered by the foregoing, any termination liability payable to third parties resulting from the termination and any out-of-pocket costs undertaken by Lumen to provide Service.

Charges for certain Services are subject to (a) a property tax surcharge and (b) a cost recovery fee per month to reimburse Lumen for various governmental taxes and surcharges. Such charges are subject to change by Lumen and will be applied regardless of whether

Customer has delivered a valid tax exemption certificate. For additional details on taxes and surcharges that are assessed, visit www.lumen.com/taxes.

3.2 SASE Specific Responsibilities. Customer is responsible for providing design specifications and technical data such as WAN circuit information to deploy the Service. Customer is solely responsible for all equipment, software, and other facilities used with the Service which are not provided by Lumen. Customer is responsible for scheduling Lumen support resources regardless of service management support level. Resource scheduling is available to Customer in the management portal.

Unless Customer purchases On-Site Installation, Customer is responsible for installation. If Customer purchases On-Site Installation, Customer will schedule the installation in the management portal and ensure Lumen and its representatives have access to Customer sites for installation as scheduled, including obtaining all landlord approvals or letters of agency. Customer will timely perform all inside wiring, outside plant, work, cabling, openings, connections, and/or building alterations and provide standard AC power within 5 feet of the installation location to enable delivery of the Service and CPE. Customer will provide adequate wallboard or rackmount space for the CPE to be installed. Customer will remove any existing CPE or equipment.

If Customer orders Self-Managed service, Customer is resonsible for activating the SASE Service in the management portal. If Customer orders Pro-Managed service, Customer must schedule activation by a Lumen engineer in the management portal.

Customer may not resell the Services and may use the Services only within Customer's sites. Lumen may provide Customer with guidelines for Customer's network minimum system requirements, environmental requirements, compatibility, and other information necessary to use the SASE Service. If Lumen determines that SASE Service is not available at a particular location or if the Customer's environment or network does not meet the specifications needed to use the SASE Service, Lumen has no obligation to provide Service at that location. Move or relocation of SASE service requires the Customer to submit and receive approval from Lumen. Customer must provide Lumen with 30 days notice before any move or relocation of SASE Service. If Customer fails to so notify Lumen, Customer will not be entitled to any service level credits for any service deficiencies that occur as a result of the move or relocation of SASE Service.

3.3 Use Restrictions. Customer will not use Service: (i) for fraudulent, abusive, or unlawful purposes or in any other unauthorized or attempted unauthorized manner, including unauthorized or attempted unauthorized access to, or alteration, or abuse of, information; (ii) in any manner that causes interference with Lumen's or another's use of the Lumen-provided network or infrastructure. Customer will cooperate promptly with Lumen to prevent third parties from gaining unauthorized access to the Services, including via Customer's facilities, if applicable; or (iii) in violation of Lumen's Acceptable Use Policy. Customer will ensure that all Customer data stored, transmitted, or processed via the Service complies with applicable law and reasonable information security practices, including those involving encryption.

3.4 CPE Return or Replacement. Lumen will provide Customer with instructions on return of CPE. Customer will either (i) deliver CPE to Lumen or its supplier or (ii) provide Lumen or its supplier reasonable access to Customer's premises to retrieve the CPE. CPE must be in the same condition it was on delivery to Customer, normal wear and tear excepted. If the return instructions provided to Customer state that Customer must deliver CPE to Lumen, Customer must give Lumen written notice of such return. If CPE is not delivered to Lumen within 30 calendar days of termination, Customer will become owner of and bear all responsibility for the terminated or replaced CPE and Lumen may invoice Customer the then-current value of the applicable CPE model ("Replacement Cost"). If the return instructions provided to Customer state that Lumen or its supplier will retrieve the CPE and Customer fails to provide Lumen with reasonable access to Customer's premises within ten (10) calendar days of termination, Lumen may continue to charge for the SASE Service. Where CPE is replaced due to loss or damage (for example, damage from accident, misuse, or abuse), Customer will pay: (i) the Replacement Cost for the damaged CPE, and (ii) a one-time charge to cover Lumen's cost to ship the new CPE. Customer is responsible for any claim for reimbursement from its insurance carrier. Replacement CPE may or may not be the same model, but will provide equivalent functionality in either case.

3.5 Privacy/Data Protection. Customer acknowledges that the Service enables the collection, access, use, storage and sharing of Customer traffic, which may include personal information and usage data, and that Lumen and its underlying vendor may have access to such information in connection with providing and managing the Services. Customer authorizes Lumen and its underlying vendor to collect, access, use, store and share such information for purposes of providing the Services and as otherwise described in this Service Schedule and any applicable end user agreement. Customer is responsible for complying with all laws and regulations in connection with its use of the Service, including, but not limited to: (a) all privacy and data protection laws and regulations, including those applicable to personally identifiable information, Customer traffic, or other sensitive information collected, stored, accessed, processed, or transmitted by Customer or its end users and those relating to the encryption of data; and (b) providing notice to, and obtaining any necessary consents from employees, end users, contractors, or other users that the Customer traffic and their content or personal information may be transferred internationally and accessed, collected, processed and stored by Lumen or its underlying vendor in accordance with this Service Schedule and any applicable end user agreement.

In addition, Customer consents to Lumen's processing and use of Customer traffic and personal information solely in connection with its performance of the Services, including any applicable monitoring. Customer is solely responsible for properly configuring and using the Service and taking its own steps to maintain appropriate security, protection and backup (if applicable) of any information, data or content, which may include the use of encryption technology to protect such information, data or content from unauthorized access or use while in transit and at rest. Given that Customer can provision and configure the Services and the Customer environment in ways that may reduce its security, notwithstanding anything else to the contrary in the Agreement, Customer acknowledges that it and not Lumen will be responsible for whether the Services and Customer environment are configured in a secure manner.

3.6 Data Compilation. Customer authorizes Lumen or its underlying vendor to use inspection and monitoring methods to collect, gather and compile security event log and similar operational data to look at trends, real or potential threats, and in order to provide and improve Service. Lumen may compile or otherwise combine this security event log data with similar data of other customers so long as such data is compiled, combined and/or anonymized in a manner that will not in any way reveal the data as being attributable to Customer. Aggregated data may be used to market and communicate to customers or shared to assist in mitigating suspected cyber security incidences. Customer specific event log data will not be shared without Customer's consent unless otherwise required by law. Lumen may retain event log data for as long as necessary or useful for its uses consistent with this Service Schedule. Lumen has no obligation to provide log data to Customer.

3.7 Customer's Security Policies. Customer is responsible for Customer's own network security policy and security response procedures. Customer acknowledges that Lumen will implement security policies as reasonably directed by the Customer and, accordingly, that Customer maintains overall responsibility for maintaining the security of Customer's network and computer systems. Lumen makes no guarantee that the Services under this Service Schedule will be invulnerable to malicious code, deleterious routines, and other techniques and tools employed by computer "hackers" and other third parties to create security exposures. LUMEN MAKES NO WARRANTY, EXPRESS OR IMPLIED, THAT SECURITY THREATS AND VULNERABILITIES WILL BE DETECTED THAT CONTENT WILL BE BLOCKED OR ALLOWED IN ACCORDANCE WITH CUSTOMER'S POLICIES OR THAT THE SERVICES WILL RENDER CUSTOMER'S NETWORK AND COMPUTER SYSTEMS SAFE FROM INTRUSIONS AND OTHER SECURITY BREACHES. LUMEN MAKES NO WARRANTY THAT THE SERVICES WILL BE UNINTERRUPTED. If any equipment or software not provided by Lumen impairs Customer's use of any Service, Customer will nonetheless be liable for payment for all Services provided by Lumen. Furthermore, Customer understands and agrees that as a consequence of the operation of the service, Lumen makes no warranty, guarantee, or representation, express or implied, that all legitimate communications will be received by Customer. Customer will ensure that its systems and networks will have up-to-date security controls and patches and that its systems and networks that connect with those included with SASE Service, or that use common network features, have appropriate security controls. Customer agrees to notify Lumen in advance of any network changes or activities that could impact Service or reasonably interfere with the monitoring of the Service, such as planned outages, configuration changes, maintenance, or systems changes.

3.8 Customer Technical Contacts. Customer will designate one primary and up to two additional Customer technical contacts and provide email and telephone contact details for each contact (the "Customer Technical Contacts"). Customer will ensure Customer Technical Contacts and all associated details are accurate and current at all times and that at least one Customer Technical Contact is reachable 24/7. Lumen will only accept, discuss, or make changes to the Service with the registered Customer Technical Contacts or via the management portal. Requests for changes to the list of Customer Technical Contacts must be made by an existing Customer Technical Contact.

3.9 Lumen Provided IP Addresses and Domain Names. If Lumen assigns Customer an IP address as part of the provision of Service, the IP address will (to the extent permitted by law) revert to Lumen after termination of the applicable Order for any reason whatsoever, and Customer will cease using the IP address. At any time after termination, Lumen may re-assign the IP address to another user. If Lumen obtains a domain name for Customer (which may be required in some jurisdictions), Customer will be the sole owner. Customer will be solely responsible for: (i) paying any associated fees (including renewal fees); (ii) complying with legal, technical, administrative, billing or other requirements imposed by the relevant domain name registration authority; and (iii) modifying the domain name if Customer changes service providers. Customer will defend Lumen from any claims arising from Customer's use of domain names (including claims for intellectual property infringement) and pay for any resulting damages or settlement costs.

3.10 Third Party Software. Customer acknowledges and agrees that it is solely responsible for selecting and ensuring that Customer provided software and systems, including third party software, is up to date and supportable. Customer's failure to do so may result in Lumen's inability to provide the Services and Lumen will have no liability therefrom, including for missed Service Levels.

3.11 Lumen Provided Software. If any third-party software, or agent including any corresponding documentation, is required in connection with the Service, Customer agrees to use third party software strictly in accordance with all applicable licensing terms and conditions, including any click to accept terms required as part of the download/install process. Customer agrees to update software to minimum version per Lumen guidelines.

3.12 Ownership. For the SASE Service, no license is conveyed nor is any right, title, or interest in any intellectual property or other proprietary right transferred to Customer. Lumen's intellectual property and proprietary rights include any skills, know-how, modifications or other enhancements developed or acquired in the course of configuring, providing, or managing the Service. Each party agrees that it will not, directly or indirectly, reverse engineer, disassemble, decompile, reproduce, or otherwise attempt to derive source code, trade secrets, or other intellectual property from any information, material, software, or technology of the other party, its licensors, or suppliers. The software and all copyrights, patent rights, and all intellectual property rights related thereto are the sole and exclusive property of Lumen or its licensors. Customer is hereby provided a non-exclusive, limited, non-transferrable, personal, revocable (at Lumen's sole discretion), non-sublicenseable, non-assignable right to access and/or use the software solely in association with the Service; provided, however, Customer will not remove any disclaimers, copyright attribution statements or the like from the software and any breach of the foregoing will automatically result in termination of any license granted in this Service Schedule. Export restrictions must be followed for encryption technology. End user licenses cannot be transferred. Customer has the right to use the software until the expiration or termination of the applicable Service Term.

CPE is the personal property of Lumen or its supplier. Notwithstanding that, the CPE, or any part thereof, may be affixed or attached to Customer's real property or any improvements thereon. Customer has no right or interest to the CPE other than as provided in this Service Schedule and will hold the CPE subject and subordinate to the rights of Lumen or its supplier. Customer will: (a) not attempt to sell,

transfer, or otherwise dispose of CPE, (b) at its own expense, keep the CPE free and clear of any claims, liens, and encumbrances of any kind; (c) at all times, keep the CPE at the Customer's site(s) and reasonable free from movement, external vibration or collision; (d) not to cause the CPE to be repaired, serviced or otherwise attended to except by an authorized representative of Lumen or its supplier; and (e) make no alterations or affix any additions or attachments to the CPE, except as approved by Lumen in writing.

Customer will not remove, alter, or destroy any words or labels on the CPE and will allow Lumen or its supplier to inspect the CPE at any time. Customer must use not less than a reasonable standard of care to store and protect CPE and will be responsible for providing a safe and secure environment for the equipment in accordance with Lumen's specifications. Customer agrees to: (i) not alter or disconnect CPE and (ii) notify Lumen as soon as Customer is aware of any circumstances that may adversely affect the CPE or its operation. As between Lumen and Customer, Customer will bear the entire risk of loss, theft, casualty, destruction, or damage to the CPE following delivery from any cause whatsoever (collectively, "Loss"), until returned to Lumen or its supplier. Customer agrees to advise Lumen in writing within five business days of any such Loss. In no event will such Loss relieve Customer of the obligation to pay Lumen any amounts due under this Service Schedule. All CPE is subject to the terms and conditions set forth in the manufacturer's or publisher's warranty or end-user license.

3.13 Insurance. Without limiting the liabilities or indemnification obligations of Customer, Customer will, at its own cost and expense, maintain during the term of this Agreement, such insurance as required under this Service Schedule. The insurance coverage will be from a company, or companies, with an A.M. Best's rating of A-VII and authorized to do business in each state or country where CPE is located. Customer may obtain all insurance limits through any combination of primary and excess or umbrella liability insurance. If local and/or regional laws stipulate higher values than those defined in this Service Schedule, then Customer must comply with the applicable higher value as required by law.

(a) Commercial General Liability with limits not less than $1,000,000 (USD) or local currency equivalent per occurrence and aggregate.

(b) "All-Risk" property insurance on a replacement cost basis in an amount sufficient to cover the CPE, including Lumen or a third party provider designated by Lumen, as loss payee as their interests may appear.

Lumen, its affiliates, subsidiaries, and parent, as well as the officers, directors, employees, and agents of all such entities will be included as additional insureds on the Commercial General Liability policy. Policies will be primary and not contributory to insurance which may be maintained by Lumen, subject to any and all indemnification provisions of this Agreement. Prior to commencement of work under this Agreement, Customer will make available to Lumen evidence of the insurance required in this Service Schedule.

3.14 Residential Use. SASE Service may be deployed at an end user's residential address ("Residential Use"). Customer understands that such Residential Use is an extension of Customer's SASE Service and Customer is still responsible for compliance with the terms of this Service Schedule and the Agreement. Customer acknowledges and agrees that even if Service utilizes the end user's residential internet connection, the Service is solely intended to enable remote connections between Customer corporate networks and Customer-authorized, work-related devices. Customer further acknowledges and agrees that improper installation or configuration by its end users of personal devices to the Service could potentially result in exposure of personal material, content, or traffic for such personal devices to Customer, Lumen and its underlying vendors in the course of configuring, providing and supporting the Service. Notwithstanding anything else in the Agreement to the contrary, Customer will: (i) provide all required and appropriate disclosures to its users of the Service and obtain all required and appropriate voluntary and fully informed consents; (ii) clearly and effectively communicate to its users that the Service is only intended for remote working purposes, only authorized, work related devices may be connected to the Service, and the risks associated with the connection of any personal device to the Service; (iii) in the event Customer discovers that a personal or any other unauthorized, non-work related device has accessed the Service, take immediate steps to suspend or disable such access or device and not use such access to view, monitor, collect, or store any content, data, or usage from such device; and (iv) implement and maintain appropriate access controls to its corporate network such that only authorized employees and contractors with current login credentials may access the Service using only authorized devices. Customer will defend Lumen from any claims arising from Customer's breach of an obligation in this Section and pay for any resulting damages or settlement costs.

3.15 Firewalls and devices, including any software on such devices, will be maintained and serviced only by or at the specific direction of Lumen. 3.16 Lumen reserves the right to modify any features or functionalities of the Service upon 90 days' prior notice to Customer. In the event that such modification materially or detrimentally affects the features or functionality of the Service, then Customer, as its sole remedy, may notify Lumen of such impact and if Lumen cannot remedy within 30 days, then Customer may cancel the affected Service without termination liability with 60 days' advanced written notice. Additionally, in such case, Lumen will notify Customer via e-mail of termination of the affected Service and Customer will not be billed for the terminated Service. Where Lumen procures services from third parties, and to the extent that those third parties have the right to change the terms and conditions upon which such access is provided, including but not limited to the right to terminate the service and/or to modify rates or charges, notwithstanding anything to the contrary in the Agreement, Lumen expressly reserves the right to make corresponding changes with Customer for such services. Lumen will provide Customer with as much advanced notice as is reasonable, given the notification provided to Lumen from such third-party provider. In the event of a termination, Lumen and Customer will work together in good faith to agree upon and expediently procure another type of service.

Customer will resolve any Chronic Problem by taking whatever steps are deemed necessary to rectify the issue, including, but not limited to: (i) removing or modifying the existing Service configuration; or (ii) making network changes in order to adhere to Lumen's guidelines. Lumen may suspend or terminate the Service if Customer has not remedied the Chronic Problem within 30 days of request by Lumen.

4. Additional Service Limitatons and Disclaimers.

4.1 Disclaimer. Neither Lumen or its subcontractors will be liable for any damages or liabilities however classified including third party claims which Customer or third parties may incur as a result of: (i) non-compliance with any standards which apply to Customer; and/or (ii) reliance upon (or implementation of recommendations from) results or reports related to the Services; or (iii) loss or corruption of data or information transmitted through the Service. SLED Terms and Conditions Governing This Order

1.“Lumen” is defined for purposes of this Order as CenturyLink Communications, LLC d/b/a Lumen Technologies Group or its affiliated entities providing Services under this Order. The Lumen entity providing Services is identified on the invoice. This Order is subject to the applicable state or municipal public records laws governing Customer and is non-binding until accepted by Lumen, as set forth in section 4. Customer places this Order by signing or otherwise acknowledging (in a manner acceptable to Lumen) this document and returning it to Lumen. Pricing is valid for 90 calendar days from the date indicated unless otherwise specified.

2. Prior to installation, Lumen may notify Customer in writing (including by e-mail) of price increases due to off-net vendors or increased construction costs. Customer has 5 business days following notice to cancel this Order without liability; or otherwise, Customer is deemed to accept the increase.

3. If a generic demarcation point (such as a street address) is provided, the demarcation point for on-net services will be Lumen’s Minimum Point of Entry (MPOE) at such location (as determined by Lumen). Off-net demarcation points will be the off-net vendor's MPOE. If this Order identifies aspects of services that are procured by Customer directly from third parties, Lumen is not liable for such services.

4. The service(s) identified in this Order (the “Service(s)”) is/are subject to the current, unexpired services agreement between Customer and Lumen (“Existing Agreement") provided if a service attachment describing the Services is not included in the Existing Agreement, then the current standard applicable Lumen Service Attachment(s) will apply in addition to the Existing Agreement. If Customer and Lumen do not have a current Existing Agreement,Services are subject to Lumen’s standard Master Service Agreement(s), State, Local and Education Government Agencies Version, Public Safety Version for public safety services, or E-Rate Version for E-Rate eligible services (each, a “Lumen MSA”), and applicable Service Attachment(s) for the Services described in this Order will govern, copies of which are available at https://www.lumen.com/en-us/about/legal/business-customer-terms-conditions.html or upon request, unless Customer has executed a service agreement with Lumen or one of its affiliates applicable to the Services on this Order. In that case, the most recent service agreement will apply to the extent not inconsistent with this Order and the current Service Schedule(s) will apply and is/are specifically incorporated into the applicable agreement by this reference. Customer will accept and pay all charges indicated on invoices for the Services.

Notwithstanding anything to the contrary, Lumen will notify Customer of acceptance of requested Service in this Order by delivering (in writing or electronically) the date by which Lumen will install Service (the "Customer Commit Date"), by delivering the Service, or by the manner described in a Service Schedule. Lumen will deliver a written or electronic notice that the Service is provisioned, at which time billing will commence. At the expiration of the Service Term, Service will continue month-to-month at the existing rates, subject to change by Lumen on 30 days' written notice. If the service agreement or applicable service specific terms do not include cancellation or early termination charges and if Customer cancels or terminates Service for any reason other than Lumen's uncured default or if Lumen cancels or terminates or cause, then Customer will pay Lumen's standard cancellation or early termination liability charges in the current standard Lumen MSA.

5. Neither party will be liable for any damages for lost profits, lost revenues, loss of goodwill, loss of anticipated savings, loss of data or cost of purchasing replacement service, or any indirect, incidental, special, consequential, exemplary or punitive damages arising out of the performance or failure to perform under this Order. Customer's sole remedies for any nonperformance, outages, failures to deliver or defects in Service are contained in the service levels applicable to the affected Service.

6. Transport services ordered from Lumen will be treated as interstate for regulatory purposes except as otherwise agreed to in writing.

7. Charges for certain Services are subject to (a) a monthly property tax surcharge and (b) a monthly cost recovery fee per month to reimburse Lumen for various governmental taxes and surcharges. Such charges are subject to change by Lumen and will be applied regardless of whether Customer has delivered a valid tax exemption certificate. For additional details on taxes and surcharges that are assessed, visit http://www.lumen.com/taxes.

8. Unless otherwise set forth in a Service Attachment, Customer will pay Lumen's standard ancillary charges for expedites and additional activities, features, or options as set forth in the Ancillary Fee Schedule, available at http://www.lumen.com/ancillary-fees. If Lumen cannot complete installation due to Customer delay or inaction, Lumen may begin charging Customer and Customer will pay such charges.

9. For colocation, data center and/or hosting services, pre-arranged escorted access may be required at certain locations, and cross connect services are subject to whether facilities are available at the particular location to complete the connection.

10. Compliance with Laws. The parties comply with all laws and regulations applicable to the execution of this Order and to the provision of Services by Lumen, including, as applicable, procurement laws or regulations regarding cumulative purchases of Services by Customer.

11. E-Rate and/or RHC/HCF Funding. If Customer applies for or seeks E-Rate and/or RHC/HCF funding for the Service(s) to be provided under this Order, Customer's Service(s) will be governed by a current eligible Existing Agreement, or if Customer and Lumen do not have a current eligible Existing Agreement, the Lumen E-Rate MSA or Lumen SLED MSA with the E-Rate and/or RHC/HCF Program Addendum will apply and must be executed contemporaneously with this Order.

12. If your network service utilizes TDM technologies, then the following applies: (a) During the Service Term and on 60 days' prior written notice, Lumen may re-provision Customer's off-net TDM services ("Service Re-provision"). If Customer objects to the Service Re-provision, Customer may terminate the affected service by notifying Lumen in writing within 30 days of the date of the Service Re-provision notification; and (b) During the Service Term, Lumen may increase rates for off-net TDM services. Lumen will provide Customer 60 days' prior written notice before implementing the increase ("Rerate Notice"). If Customer objects to the increase, Customer must notify Lumen in writing within 30 days of the date of the Rerate Notice whether Customer will (i) receive the affected service on a month-to-month basis or (ii) terminate the

affected service, subject to early termination liability charges. Under subsection (ii), Customer's requested disconnect date must be within 90 days of the Rerate Notice. Unless Customer so notifies Lumen, the affected service will continue to be provided at the increased rates. If Customer does not respond to the Rerate Notice, the affected service will continue to be provided at the increased rates set forth in the Rerate Notice.

13. Infrastructure Investment and Jobs Act (IIJA) Grant Programs. If Customer participates in an IIJA program, including but not limited to, the Middle Mile Grant, Tribal Connectivity Broadband, and the Broadband Equity Access and Deployment (BEAD) Grant Programs, then Customer cannot pay for Services with funds obtained through the IIJA or other similar grants that would obligate Lumen to provide certain information or perform certain regulatory compliance functions, unless each of those functions and obligations is explicitly identified and agreed to by the parties in the Agreement or in an amendment to the Agreement.

Additional Terms and Conditions

SASE Solutions Terms and Conditions

The Lumen SASE Solutions Service ("SASE Service" or "Service") identified in this Order is subject to the Lumen or CenturyLink Master Service Agreement(s) between Lumen and Customer (or its affiliate if expressly provided for under such affiliate Master Service Agreement). If Lumen and Customer have not executed a Lumen or CenturyLink Master Service Agreement, Lumen's current standard Master Service Agreement will govern. In all cases, the current standard Lumen SASE Solutions Schedule will apply. Lumen's current Master Service Agreement and Lumen SASE Solutions Service Schedule are available at https://www.lumen.com/en-us/about/legal/business-customer-terms-conditions and subject to change upon posting. The Lumen entity providing Services is identified on the invoice. SASE Service is also not available to federal government customers. Notwithstanding anything in the Master Service Agreement or elsewhere to the contrary, Lumen will notify Customer of acceptance of requested Service in this Order by delivering (in writing or electronically) an Order Confirmation Notice, at which time billing will commence and the Service Term will begin ("Service Commencement Date"). Customer agrees that Lumen's right to bill is not dependent on complete service delivery of all service components, Customer's activation of Service, or Customer's use of the Service. At the expiration of the Service Term, Service will continue month-to-month at the existing rates, subject to adjustment by Lumen on 30 days' written notice. If Customer cancels or terminates Service for any reason other than Lumen's uncured default or if Lumen terminates due to Customer's uncured default after the Service Commencement Date, then Customer will pay: (1) all unpaid amounts for Service actually provided; (2) 100% of the remaining monthly recurring charges for months 1-12 of the Service Term; (3) 50% of the remaining monthly recurring charges for month 13 through the end of the Service Term; and (4) if not recovered by the foregoing, any termination liability payable to third parties resulting from the termination and any out-of-pocket costs undertaken by Lumen to provide Service.

ORDER ADDENDUM

This **ADDENDUM TO CUSTOMER ORDER** ("Addendum") is entered into as of the last date of signature below (the "Addendum Effective Date"), by and between **Lumen Technology Government Solutions, Inc.** ("Lumen") and **City of Santa Fe** ("Customer"), and modifies the Customer Order with **SM10650391/R694949, SM10650373/R694953, R701684/59508228, R573499/58967262** (the "Customer Order"), a copy of which is attached hereto as EXHIBIT A. Lumen and Customer may be referred to herein collectively as the "Parties" and individually as a "Party."

WHEREAS the Parties wish to modify the Customer Order to incorporate revised terms applicable to the same.

NOW THEREFORE, the Parties agree to modify the Customer Order in the following limited respects:

1. **Order Submittal.** Contemporaneously with the execution of this Addendum, Customer shall execute and deliver the Customer Order to Lumen.

2. **Section 4**. The Parties acknowledge and agree that Section 4 in the terms and conditions is replaced with the following:

"4. Customer places this Order by signing (including electronically or digitally) or otherwise acknowledging (in a manner acceptable to Lumen) this document and returning it to Lumen. The Service identified in this Order shall be governed by and subject to the contract number **47QTCA20D0077** between GSA and Qwest Government Services, Inc. Customer agrees to the terms and conditions set forth in the Schedule 70 contract between Qwest Government Services, Inc. and GSA and hereby confirms that it will follow the cooperative purchasing requirements set out by GSA. The service level agreement(s) for the Service(s) contained in this Order are subject to Lumen's standard Service Schedule(s) (as of the date of this Order), a copy of which are available upon request. Services contained within this Order that are not contained on the Schedule 70 contract shall be governed by and subject to the Master Service Agreement(s) and Service Schedule(s) (if any) between Lumen and Customer for those Service(s) not contained on the Schedule 70 contract applicable to such Service(s). The applicable agreement may be between Customer and Lumen's affiliate if expressly provided for under such affiliate Master Service Agreement. If Customer has not executed a Master Services Agreement with Lumen but has executed a services agreement (including but not limited to Standard Terms and Conditions) with an affiliate of Lumen ("Affiliate Agreement"), then the terms of the most recent such Affiliate Agreement shall apply to the Service herein (to the extent not inconsistent with this Order) provided that in such cases, the current standard Lumen Service Schedule applicable to the Services shall apply. In the event that Lumen and Customer have not executed a Master Service Agreement and/or applicable Service Schedule(s) with respect to such Service and have not executed an Affiliate Agreement, (i) Lumen's standard Master Service Agreement/Service Schedule(s) (as of the date of this Order) shall govern, a copy of which are available upon request and (ii) the Lumen contracting party shall be the Lumen entity invoicing such Services. Notwithstanding anything in any Affiliate Agreement to the contrary, Lumen's acceptance of this Order will be evidenced by (and this Order will be binding on both parties upon) the earlier of Lumen's written delivery of a Customer Commit Date ("CCD") (i.e. the projected installation date) or Lumen's delivery of the requested Service, and, at the end of the Service Term the Services set forth herein shall renew on a month to month basis, terminable by either party with 30 days' advanced written notice and the rates are subject to change upon 30 days' notice from Lumen. "Affiliate Agreement" for CenturyLink Communications. LLC d/b/a Lumen Technologies Group ("Lumen") or any companies that were affiliates of Lumen before the merger between CenturyLink, Inc. and Level 3 Communications, Inc. means only an applicable Interexchange Carrier network agreement (e.g. CenturyLink Total Advantage Agreement, CenturyLink Total Advantage Express Agreement, CenturyLink Wholesale Services Agreement or CenturyLink Master Service Agreement) for non-government customers. In the event of a Lumen Affiliate Agreement, (a) Lumen will deliver a written or electronic notice that the Service is installed (a "Connection Notice"), at which time billing will commence, and (b) if Customer cancels or terminates Service for any reason other than Lumen's uncured default or if Lumen terminates due to Customer's uncured default, Customer shall pay Lumen's standard early termination liability charges as identified in Lumen's ancillary charge summary, a copy of which is available upon request."

3. **Limitation**. This Addendum shall apply to the Customer Order and shall have no applicability to any other Customer Order(s) that Customer may have submitted or may submit to Lumen in the future.

These terms and conditions have been read, are understood, and are hereby accepted as of the Addendum Effective Date.

SLED Terms and Conditions Governing This Order

1.“Lumen” is defined for purposes of this Order as CenturyLink Communications, LLC d/b/a Lumen Technologies Group or its affiliated entities providing Services under this Order. The Lumen entity providing Services is identified on the invoice. This Order is subject to the applicable state or municipal public records laws governing Customer and is non-binding until accepted by Lumen, as set forth in section 4. Customer places this Order by signing or otherwise acknowledging (in a manner acceptable to Lumen) this document and returning it to Lumen. Pricing is valid for 90

calendar days from the date indicated unless otherwise specified.

2. Prior to installation, Lumen may notify Customer in writing (including by e-mail) of price increases due to off-net vendors or increased construction costs. Customer has 5 business days following notice to cancel this Order without liability; or otherwise, Customer is deemed to accept the increase.

3. If a generic demarcation point (such as a street address) is provided, the demarcation point for on-net services will be Lumen's Minimum Point of Entry (MPOE) at such location (as determined by Lumen). Off-net demarcation points will be the off-net vendor's MPOE. If this Order identifies aspects of services that are procured by Customer directly from third parties, Lumen is not liable for such services.

4. The service(s) identified in this Order (the "Service(s)") is/are subject to the current, unexpired services agreement between Customer and Lumen ("Existing Agreement") provided if a service attachment describing the Services is not included in the Existing Agreement, then the current standard applicable Lumen Service Attachment(s) will apply in addition to the Existing Agreement. If Customer and Lumen do not have a current Existing Agreement,Services are subject to Lumen's standard Master Service Agreement(s), State, Local and Education Government Agencies Version, Public Safety Version for public safety services, or E-Rate Version for E-Rate eligible services (each, a "Lumen MSA"), and applicable Service Attachment(s) for the Services described in this Order will govern, copies of which are available at https://www.lumen.com/en-us/about/legal/business-customer-terms-conditions.html or upon request, unless Customer has executed a service agreement with Lumen or one of its affiliates applicable to the Services on this Order. In that case, the most recent service agreement will apply to the extent not inconsistent with this Order and the current Service Schedule(s) will apply and is/are specifically incorporated into the applicable agreement by this reference. Customer will accept and pay all charges indicated on invoices for the Services.

Notwithstanding anything to the contrary, Lumen will notify Customer of acceptance of requested Service in this Order by delivering (in writing or electronically) the date by which Lumen will install Service (the "Customer Commit Date"), by delivering the Service, or by the manner described in a Service Schedule. Lumen will deliver a written or electronic notice that the Service is provisioned, at which time billing will commence. At the expiration of the Service Term, Service will continue month-to-month at the existing rates, subject to change by Lumen on 30 days' written notice. If the service agreement or applicable service specific terms do not include cancellation or early termination charges and if Customer cancels or terminates Service for any reason other than Lumen's uncured default or if Lumen cancels or terminates or cause, then Customer will pay Lumen's standard cancellation or early termination liability charges in the current standard Lumen MSA.

5. Neither party will be liable for any damages for lost profits, lost revenues, loss of goodwill, loss of anticipated savings, loss of data or cost of purchasing replacement service, or any indirect, incidental, special, consequential, exemplary or punitive damages arising out of the performance or failure to perform under this Order. Customer's sole remedies for any nonperformance, outages, failures to deliver or defects in Service are contained in the service levels applicable to the affected Service.

6. Transport services ordered from Lumen will be treated as interstate for regulatory purposes except as otherwise agreed to in writing.

7. Charges for certain Services are subject to (a) a monthly property tax surcharge and (b) a monthly cost recovery fee per month to reimburse Lumen for various governmental taxes and surcharges. Such charges are subject to change by Lumen and will be applied regardless of whether Customer has delivered a valid tax exemption certificate. For additional details on taxes and surcharges that are assessed, visit http://www.lumen.com/taxes.

8. Unless otherwise set forth in a Service Attachment, Customer will pay Lumen's standard ancillary charges for expedites and additional activities, features, or options as set forth in the Ancillary Fee Schedule, available at http://www.lumen.com/ancillary-fees. If Lumen cannot complete installation due to Customer delay or inaction, Lumen

may begin charging Customer and Customer will pay such charges.

9. For colocation, data center and/or hosting services, pre-arranged escorted access may be required at certain locations, and cross connect services are subject to whether facilities are available at the particular location to complete the connection.

10. Compliance with Laws. The parties comply with all laws and regulations applicable to the execution of this Order and to the provision of Services by Lumen, including, as applicable, procurement laws or regulations regarding cumulative purchases of Services by Customer.

11. E-Rate and/or RHC/HCF Funding. If Customer applies for or seeks E-Rate and/or RHC/HCF funding for the Service(s) to be provided under this Order, Customer's Service(s) will be governed by a current eligible Existing Agreement, or if Customer and Lumen do not have a current eligible Existing Agreement, the Lumen E-Rate MSA or Lumen SLED MSA with the E-Rate and/or RHC/HCF Program Addendum will apply and must be executed contemporaneously with this Order.

12. If your network service utilizes TDM technologies, then the following applies: (a) During the Service Term and on 60 days' prior written notice, Lumen may re-provision Customer's off-net TDM services ("Service Re-provision"). If Customer objects to the Service Re-provision, Customer may terminate the affected service by notifying Lumen in writing within 30 days of the date of the Service Re-provision notification; and (b) During the Service Term, Lumen may increase rates for off-net TDM services. Lumen will provide Customer 60 days' prior written notice before implementing the increase ("Rerate Notice"). If Customer objects to the increase, Customer must notify Lumen in writing within 30 days of the date of the Rerate Notice whether Customer will (i) receive the affected service on a month-to-month basis or (ii) terminate the affected service, subject to early termination liability charges. Under subsection (ii), Customer's requested disconnect date must be within 90 days of the Rerate Notice. Unless Customer so notifies Lumen, the affected service will continue to be provided at the increased rates. If Customer does not respond to the Rerate Notice, the affected service will continue to be provided at the increased rates set forth in the Rerate Notice.

13. Infrastructure Investment and Jobs Act (IIJA) Grant Programs. If Customer participates in an IIJA program, including but not limited to, the Middle Mile Grant, Tribal Connectivity Broadband, and the Broadband Equity Access and Deployment (BEAD) Grant Programs, then Customer cannot pay for Services with funds obtained through the IIJA or other similar grants that would obligate Lumen to provide certain information or perform certain regulatory compliance functions, unless each of those functions and obligations is explicitly identified and agreed to by the parties in the Agreement or in an amendment to the Agreement.

Additional Order Terms

Invoices

Single prices shown above for bundled Services, or for Services provided at multiple locations, will be allocated among the individual services for the purpose of applying Taxes and regulatory fees and also may be divided on Customer's invoice by location served.

Activation Support

Lumen and Customer may be referred to herein collectively as the "Parties" and individually as a "Party."

WHEREAS the Parties wish to modify the Customer Order to incorporate revised terms applicable to the same.

NOW THEREFORE, the Parties agree to modify the Customer Order in the following limited respects:

1. **Order Submittal.** Contemporaneously with the execution of this Addendum, Customer shall execute and deliver the Customer Order to Lumen.

2. **Section 4**. The Parties acknowledge and agree that Section 4 in the terms and conditions is replaced with the following:

"4. Customer places this Order by signing (including electronically or digitally) or otherwise acknowledging (in a manner acceptable to Lumen) this document and returning it to Lumen. The Service identified in this Order shall be governed by and subject to the contract number **47QTCA20D0077** between GSA and Qwest Government Services, Inc. Customer agrees to the terms and conditions set forth in the Schedule 70 contract between Qwest Government Services, Inc. and GSA and hereby confirms that it will follow the cooperative purchasing requirements set out by GSA. The service level agreement(s) for the Service(s) contained in this Order are subject to Lumen's standard Service Schedule(s) (as of the date of this Order), a copy of which are available upon request. Services contained within this Order that are not contained on the Schedule 70 contract shall be governed by and subject to the Master Service Agreement(s) and Service Schedule(s) (if any) between Lumen and Customer for those Service(s) not contained on the Schedule 70 contract applicable to such Service(s). The applicable agreement may be between Customer and Lumen's affiliate if expressly provided for under such affiliate Master Service Agreement. If Customer has not executed a Master Services Agreement with Lumen but has executed a services agreement (including but not limited to Standard Terms and Conditions) with an affiliate of Lumen ("Affiliate Agreement"), then the terms of the most recent such Affiliate Agreement shall apply to the Service herein (to the extent not inconsistent with this Order) provided that in such cases, the current standard Lumen Service Schedule applicable to the Services shall apply. The Lumen entity providing Services is identified on the invoice. This Order is subject to the applicable state or municipal public records laws governing Customer and is non-binding until accepted by Lumen, as set forth in section 4. Customer places this Order by signing or otherwise acknowledging (in a manner acceptable to Lumen) this document and returning it to Lumen. Pricing is valid for 90

calendar days from the date indicated unless otherwise specified.

2. Prior to installation, Lumen may notify Customer in writing (including by e-mail) of price increases due to off-net vendors or increased construction costs. Customer has 5 business days following notice to cancel this Order without liability; or otherwise, Customer is deemed to accept the increase.

3. If a generic demarcation point (such as a street address) is provided, the demarcation point for on-net services will be Lumen's Minimum Point of Entry (MPOE) at such location (as determined by Lumen). Off-net demarcation points will be the off-net vendor's MPOE. If this Order identifies aspects of services that are procured by Customer directly from third parties, Lumen is not liable for such services.

4. The service(s) identified in this Order (the "Service(s)") is/are subject to the current, unexpired services agreement between Customer and Lumen ("Existing Agreement") provided if a service attachment describing the Services is not included in the Existing Agreement, then the current standard applicable Lumen Service Attachment(s) will apply in addition to the Existing Agreement. If Customer and Lumen do not have a current Existing Agreement,Services are subject to Lumen's standard Master Service Agreement(s), State, Local and Education Government Agencies Version, Public Safety Version for public safety services, or E-Rate Version for E-Rate eligible services (each, a "Lumen MSA"), and applicable Service Attachment(s) for the Services described in this Order will govern, copies of which are available at https://www.lumen.com/en-us/about/legal/business-customer-terms-conditions.html or upon request, unless Customer has executed a service agreement with Lumen or one of its affiliates applicable to the Services on this Order. In that case, the most recent service agreement will apply to the extent not inconsistent with this Order and the current Service Schedule(s) will apply and is/are specifically incorporated into the applicable agreement by this reference. Customer will accept and pay all charges indicated on invoices for the Services.

Notwithstanding anything to the contrary, Lumen will notify Customer of acceptance of requested Service in this Order by delivering (in writing or electronically) the date by which Lumen will install Service (the "Customer Commit Date"), by delivering the Service, or by the manner described in a Service Schedule. Lumen will deliver a written or electronic notice that the Service is provisioned, at which time billing will commence. At the expiration of the Service Term, Service will continue month-to-month at the existing rates, subject to change by Lumen on 30 days' written notice. If the service agreement or applicable service specific terms do not include cancellation or early termination charges and if Customer cancels or terminates Service for any reason other than Lumen's uncured default or if Lumen cancels or terminates or cause, then Customer will pay Lumen's standard cancellation or early termination liability charges in the current standard Lumen MSA.

5. Neither party will be liable for any damages for lost profits, lost revenues, loss of goodwill, loss of anticipated savings, loss of data or cost of purchasing replacement service, or any indirect, incidental, special, consequential, exemplary or punitive damages arising out of the performance or failure to perform under this Order. Customer's sole remedies for any nonperformance, outages, failures to deliver or defects in Service are contained in the service levels applicable to the affected Service.

6. Transport services ordered from Lumen will be treated as interstate for regulatory purposes except as otherwise agreed to in writing.

7. Charges for certain Services are subject to (a) a monthly property tax surcharge and (b) a monthly cost recovery fee per month to reimburse Lumen for various governmental taxes and surcharges. Such charges are subject to change by Lumen and will be applied regardless of whether Customer has delivered a valid tax exemption certificate. For additional details on taxes and surcharges that are assessed, visit http://www.lumen.com/taxes.

8. Unless otherwise set forth in a Service Attachment, Customer will pay Lumen's standard ancillary charges for expedites and additional activities, features, or options as set forth in the Ancillary Fee Schedule, available at http://www.lumen.com/ancillary-fees. If Lumen cannot complete installation due to Customer delay or inaction, Lumen

may begin charging Customer and Customer will pay such charges.

9. For colocation, data center and/or hosting services, pre-arranged escorted access may be required at certain locations, and cross connect services are subject to whether facilities are available at the particular location to complete the connection.

10. Compliance with Laws. The parties comply with all laws and regulations applicable to the execution of this Order and to the provision of Services by Lumen, including, as applicable, procurement laws or regulations regarding cumulative purchases of Services by Customer.

11. E-Rate and/or RHC/HCF Funding. If Customer applies for or seeks E-Rate and/or RHC/HCF funding for the Service(s) to be provided under this Order, Customer's Service(s) will be governed by a current eligible Existing Agreement, or if Customer and Lumen do not have a current eligible Existing Agreement, the Lumen E-Rate MSA or Lumen SLED MSA with the E-Rate and/or RHC/HCF Program Addendum will apply and must be executed contemporaneously with this Order.

12. If your network service utilizes TDM technologies, then the following applies: (a) During the Service Term and on 60 days' prior written notice, Lumen may re-provision Customer's off-net TDM services ("Service Re-provision"). If Customer objects to the Service Re-provision, Customer may terminate the affected service by notifying Lumen in writing within 30 days of the date of the Service Re-provision notification; and (b) During the Service Term, Lumen may increase rates for off-net TDM services. Lumen will provide Customer 60 days' prior written notice before implementing the increase ("Rerate Notice"). If Customer objects to the increase, Customer must notify Lumen in writing within 30 days of the date of the Rerate Notice whether Customer will (i) receive the affected service on a month-to-month basis or (ii) terminate the affected service, subject to early termination liability charges. Under subsection (ii), Customer's requested disconnect date must be within 90 days of the Rerate Notice. Unless Customer so notifies Lumen, the affected service will continue to be provided at the increased rates. If Customer does not respond to the Rerate Notice, the affected service will continue to be provided at the increased rates set forth in the Rerate Notice.

13. Infrastructure Investment and Jobs Act (IIJA) Grant Programs. If Customer participates in an IIJA program, including but not limited to, the Middle Mile Grant, Tribal Connectivity Broadband, and the Broadband Equity Access and Deployment (BEAD) Grant Programs, then Customer cannot pay for Services with funds obtained through the IIJA or other similar grants that would obligate Lumen to provide certain information or perform certain regulatory compliance functions, unless each of those functions and obligations is explicitly identified and agreed to by the parties in the Agreement or in an amendment to the Agreement.

Additional Order Terms

Invoices

Single prices shown above for bundled Services, or for Services provided at multiple locations, will be allocated among the individual services for the purpose of applying Taxes and regulatory fees and also may be divided on Customer's invoice by location served.

CITY OF SANTA FE

DATE: July 2, 2025

TO: Emily Oster, Finance Director
Andy Hopkins, Budget Officer

VIA: Henri Hammond-Paul, Community Health and Safety Director

FROM: Marcella Apodaca, Business Operations Manager

ITEM AND ISSUE:
Request approval to re-appropriate funding from FY25 in the amount of $3,400,000.00 into FY26 that was allocated for two (2) Urban Alchemy contracts.

BACKGROUND AND SUMMARY:
The Governing Body approved two contracts with Urban Alchemy at a special meeting on June 3, 2025, as part of a broader initiative to improve Santa Fe's homelessness response system. These contracts were the result of months of planning and coordination, and while they were executed at the end of FY25, the associated funding had been allocated well in advance.

The first contract—**Contract No. 25-0217 (Munis Contract No. 3250623)**—supports the emergency management and operation of the City's low-barrier, 24-hour shelter at 2801 Cerrillos Road. This $1,498,303 contract, procured under emergency authority per NMSA 1978, §13-1-127, enables Urban Alchemy to provide consistent shelter operations, maintain safety and dignity for up to 100 adults experiencing homelessness, and support service and housing connections while the City evaluates long-term use of the facility.

The second contract—**Contract No. 25-0216 (Munis Contract No. 3250602)**—was competitively procured under RFP #25131 and establishes a $7.95 million, four-year agreement for street outreach and community-based public safety services. This initiative prioritizes non-policing engagement strategies, harm reduction, and trust-building in the Cerrillos Corridor, Downtown Santa Fe, and other areas as needed, helping de-escalate crises and connect unsheltered individuals to resources.

A total of **$3.4 million** was allocated to cover the first year of these contracts. Of this, **$1.375 million** came from one-time funds, while the remaining **$2 million** was reprioritized from previously designated homelessness response funding, including funds originally set aside for pallet shelters. This carryforward request ensures the continuity of these priority initiatives into FY26.

ACTION REQUESTED:
The Community Health and Safety Department/Youth and Family Division requests the approval of the Carryforward Request.

CITY OF SANTA FE

The Purchasing Memo

Date: May 23, 2025

To: Governing Body and Finance Committee

From: Henri Hammond-Paul, Director, Community Health and Safety Department

Subject: Street Outreach Services Contract

Vendor Name: Urban Alchemy

Munis Vendor Number: 9716

ITEM AND ISSUE:

Community Health and Safety Department Respectfully Requests your Review and Approval of a Service Contract with Urban Alchemy in the Total Amount of $ 7,948,133.59 for Street Outreach and Community-Based Public Safety Services for a Term of 4 years. (Henri Hammond-Paul, Director, Community Health and Safety; hmhammondpaul@santafenm.gov)

CONTRACT NUMBER:

The FY25 Munis contract number is 3250602.

BACKGROUND AND SUMMARY:

Over the past 10 years, the City of Santa Fe has experienced a significant increase in calls for service, including emergency medical response, law enforcement activity, and community complaints related to public safety and sanitation. These challenges include reports of drug use, aggressive behavior, unsanitary conditions, and visible mental health crises. The high concentration of vulnerable individuals in both the Cerillos Corridor and the Downtown areas—many of whom are unsheltered and face complex behavioral health needs—has strained both emergency services and neighborhood relationships.

To address these concerns, the City is launching a community-based public safety initiative that prioritizes proactive engagement, harm reduction, and service connection. Rather than relying solely on traditional law enforcement responses, this approach aims to build trust, reduce conflict, and create safer conditions for both unhoused individuals and surrounding residents and businesses.

The selected Contractor will provide a consistent presence in affected areas, using de-escalation techniques, supportive engagement, and coordination with housing, behavioral health, and outreach services. The goal is to reduce risk, improve safety outcomes, and support long-term stabilization for individuals and the broader community.

I. INTRODUCTION

A. PURPOSE OF THIS RFP

The purpose of the RFP is to solicit sealed proposals to establish a contract through competitive negotiations for the procurement of street outreach services to address public safety concerns, build community relationships, and provide unhoused individuals with access to supportive services in safe locations.

B. BACKGROUND INFORMATION

Santa Fe, like many communities across the country, is grappling with an escalating public health crisis at the intersection of opioid misuse, untreated mental illness, and homelessness. The rise in fentanyl-related overdoses has placed immense pressure on emergency responders, hospitals, and public services. At the same time, a shortage of behavioral health resources has left many residents without access to necessary care, further compounding the crisis. These issues are exacerbated by the region's housing affordability challenges, which continue to push vulnerable individuals into homelessness. The result is a growing strain on city infrastructure, from emergency departments and law enforcement to local businesses and public spaces.

The need for targeted, coordinated interventions has never been greater. Without expanded outreach services, individuals in crisis will continue to cycle through emergency rooms, jails, and temporary shelters without long-term solutions. The absence of early intervention mechanisms not only places lives at risk but also increases financial and social burdens on the community. By investing in proactive and responsive service delivery, Santa Fe can reduce the harms associated with opioid use and mental health crises while improving public safety and overall community well-being.

C. SCOPE OF PROCUREMENT

The City of Santa Fe seeks proposals from qualified service providers to deliver **street outreach services** in two key areas but could expand to include more areas in the city:

1. **Cerrillos Corridor**
2. **Downtown Santa Fe**

The city is seeking a four-year contract with an estimated $1.5-2M/year. This initiative aims to address public safety concerns, build community relationships, and provide unhoused individuals with access to supportive services in safe locations. The selected provider will implement community-based public safety practices that foster positive outcomes for individuals and the broader community.

Goals and Objectives:

- Engage with unhoused individuals through **street outreach** to build trust and connect them with resources and services.
- Enhance public safety by intervening in non-emergency situations related to homelessness, mental health, and addiction.
- Provide **safe spaces** within the Cerrillos Corridor, Downtown area and any other area(s) as determined by the city for individuals to access day services.

- Activate public spaces to foster positive community interactions and improve perceptions of safety.

Key Service Areas:

1. **Street Outreach:**
    - Deploy outreach teams in the **Cerrillos Corridor, Downtown Santa Fe and any other area(s) as determined by the city.**
    - Engage unhoused individuals with a compassionate, non-policing approach.
    - Build relationships to reduce isolation, loneliness, and distress among vulnerable populations.
    - Provide referrals and connections to housing, medical care, substance use treatment, mental health services, and other community resources.

2. **Safe Spaces and Day Services:**
    - Establish or manage **designated safe spaces** in both the Cerrillos Corridor and Downtown areas and any other area(s) as determined by the city.
    - Provide day services such as:
        - Access to basic needs (e.g., hygiene facilities, climate stations, and food/water).
        - A welcoming environment for both housed and unhoused community members to foster inclusivity.

3. **Community-Based Public Safety:**
    - Activate public spaces through positive engagements that encourage safe behaviors.
    - Train outreach workers to de-escalate conflicts and address safety concerns with professionalism and empathy.
    - Foster collaboration between outreach teams, local law enforcement, and emergency services to ensure coordinated responses.
    - Collect data on outreach activities and outcomes to inform ongoing service improvements and impact evaluation.

Deliverables:

- **Staffing:**
    - Provide outreach workers for each service area (Cerrillos Corridor, Downtown and any other area(s) as determined by the city).
    - Ensure staff are trained in street psychology, trauma-informed care, conflict de-escalation, and community resource navigation.
- **Implementation:**
    - Define outreach schedules and coverage areas.
    - Establish safe spaces with access to day services in both areas.
- **Reporting:**
    - Submit regular updates on outreach activities, challenges, and outcomes.
    - Provide data on the number of individuals served, types of services provided, and any measurable impacts on public safety.
    - A detailed budget for outreach operations and the establishment/management of safe spaces.
    - A timeline for implementation and ongoing service delivery.

- **Collaboration:**
  - Work closely with city departments, local service providers, and law enforcement to coordinate responses and services.
  - Participate in city-led meetings or planning sessions as needed.

The resulting contract may be a multiple award.

This procurement will result in a Citywide Price Agreement/Contract that may be utilized by all agencies, commissions, institutions, political subdivisions, and local bodies, etc. allowed by law.

d) **Project Capability (PC) Submittal.** The Project Capability Submittal has two components: Scope/Level of Expertise Plan (SC/LE), and Value-Added Plan (VA). (See Attachments G, G1 and G2).

i. Purpose of PC Submittal

i. Assist City in prioritizing Offerors' submittals based on their scope, expertise, and ability to understand and deliver the intended project.
ii. Provide high performing offerors the opportunity to differentiate themselves from their competitors due to their experience and expertise by using verifiable performance metrics and previous relative project performance results.

ii. PC Submittal Format Requirements

i. PC submittal should NOT contain any names that can be used to identify who the offerors are (such as firm names, personnel names, Project names, or product names).
ii. A PC proposal template is included in this RFP. This document should be used by all offerors. Offerors are NOT allowed to re-create, re-format, or modify the template in any manner. Offerors should type their responses on the Word template provided.
iii. Failure to comply with any of the PC format requirements may result in disqualification.

v. References used in the PC submittal should be listed in the Attachment H Reference List. The Reference List is not seen by the Evaluation Committee until after PC submittal evaluations are performed.

iii. Overview of the Scope/Level of Expertise Plan - The Scope/Level of Expertise Plan is to allow offerors to differentiate themselves based on their technical capability and understanding of the City's specific needs. It should summarize the metrics that show the offeror can accomplish the subject project with the Scope defined by past experiences on similar projects. Offerors should identify scope claims based on their expertise and experience supported by verifiable performance metrics that show the capability to this specific project environment and requirement. All cost associated with technical capabilities listed in the SC/LE plan should be included in the proposed base project cost (see Attachments F and G1).

iv. Overview of the Value-Added Section - The purpose of the Value-Added Plan is to provide offerors with an opportunity to identify any value-added options or ideas that may benefit the City at a change in cost or revenue. These options or ideas may also be referred to as additional or optional services. Where applicable, the offeror should identify: 1) what the City may have excluded or omitted from its scope; and 2) how these options or ideas have been successful through verifiable

performance information of previous projects. The offeror should list the cost and time impact of its options or ideas. All cost and revenue impacts associated with these Value-Added options (Attachment G2) should NOT be included in the proposed base Cost (see Attachment F).

v. Reference List - There will be a designated area on both the Scope/Level of Expertise Plan and Value-Added Plan where performance claims are supported by an indicated reference. As the PC submittals are anonymous, the reference will be indicated only by a reference number which corresponds to the matching number on the Reference List (Attachment H).

e) Interviews - Offerors may be required to participate in an interview to evaluate expertise. If interviews are not conducted, each offeror will receive maximum points in this category. This is not a presentation. The Evaluation Committee will interview the Key Personnel Lead on the Interview date specified in the Project Procurement Schedule. The individual is required to be in person for the interview. A second individual may be present (standby) to clarify Pricing Proposal if requested.

f) Local Preferences

Purpose:
The City of Santa Fe recognizes the economic value of supporting local businesses. Local preferences are intended to enhance the competitiveness of local businesses in the procurement process, in alignment with the City's Procurement Manual and applicable ordinances. These preferences are applied to promote local economic growth while adhering to the governing laws and regulations.
Usage:
Local preferences are applied in the evaluation of proposals received in response to the City's Requests for Proposals (RFPs). These preferences are granted to businesses that meet specific qualifications, as outlined below, and can only be applied to procurements funded by the City. They are not applicable to purchases using state, federal, or grant funds.
Application:

1. **Local Preference Qualification**
   - To qualify, an Offeror should attach a Resident Business certification issued by the New Mexico Taxation and Revenue Department to their proposal. This certificate should verify that the business is located within Santa Fe municipal limits.
   - Proposals without a valid certification will not be eligible for local preference consideration.
2. **Evaluation in the Formal RFP Process**
   - **Point-Based System:**
     - Local resident businesses are awarded additional points equivalent to 3% of the total possible points.
     - Businesses with all local resident business subcontractors receive an additional 3% of the total possible points.
     - Maximum local preference: 6%.
3. **Solicitations Above $1,000,000**
   - Proposals from resident businesses are deemed 6% lower than their submitted bid, provided at least 50% of subcontracted services are performed by resident businesses.
   - Proposals from non-local resident businesses are deemed 3% lower, provided at least 50% of subcontracted services are performed by resident businesses.
4. **Restrictions**
   - Local preferences are not applicable when federal funds are part of the expenditure or anticipated to be used for the contract.

- If multiple preference certificates are submitted by a vendor, only one preference will be applied per solicitation, as determined by the City.
  Additional Information: Applications for Resident Business certification can be downloaded at: http://www.tax.newmexico.gov/Businesses/in-state-veteran-preference-certification.aspx.

B. PROJECT REVENUE CONTROLS OF THE BEST VALUE APPROACH (BVA)

There are two revenue controls in the BVA including:

a) Best Value Check: After the prioritization of offerors, if the best value Offeror(s) is within 15% of the next best value cost proposal, the best value Offeror(s) will be prioritized first. If not within the range, the best value Offeror(s) will attempt to justify why they should be awarded the contract. If the justification is clear to the Evaluation Committee, they will move into the clarification period.

b) Selection Check: Before the contract is awarded, an evaluation committee report should be given for the best value Offeror(s). If the justification is not sufficient, the award may go to the next best value who has met all the requirements of the BV approach. The Selection Check will provide the justification for hiring the highest prioritized Offeror(s). Selected proposal should be a proposal that is responsive, responsible, and is the most advantageous to City, as determined by the City in its sole discretion.

C. CLARIFICATION

The potential best value Offerors may be required to complete the Clarification Phase as outlined in the Clarification Phase Guide (Attachment I). The intent of this phase is to allow the Offerors an opportunity to clarify their proposal, address any issues or risks, any concerns to be resolved, develop a Weekly Risk Report (Attachment J), and prepare a presentation for the Clarification Meeting.

D. AWARD

The City will notify each offeror in writing of the City's decision.

a) The City reserves the right to reject any or all proposals and to award more than one offeror and to a offeror other than the lowest-priced offeror. The decision of the RFP awards by the City is final.

b) The City at its sole discretion may decide to take no procurement action as a result of the RFP and/or may re-issue all or portions of the RFP.

c) The City reserves the right to accept or reject without consideration proposals that do not address the full requirements of the RFP or that do not reach the designated address and contact before the proposal due date and time identified.

The final awards is/are dependent upon the Offeror's Scope of Work (SOW) being acceptable to the City. Proposals and contents provided by the Offeror will be considered contractual obligations. Any new or unique requirements included in the proposal can be added or amended, at the City's sole option, to the final contract. Obligations of confidentiality will be an important condition of resulting contracts. The selected Offeror and all employees performing duties on this project will be required to keep all aspects of this project in confidence unless otherwise allowed by the City.

All Offeror's performance will be tracked by the Department POC through the Weekly Risk Report System (See Attachment J).

ATTACHMENT I – CLARIFICATION PHASE GUIDE

1. OVERVIEW

a. The Clarification Phase is not a negotiation phase. Offerors will not be permitted to modify their cost/fee/financial rates, project durations, or project team unless the City requests changes. The Clarification Phase is started by the notification of the Prioritized highest scoring Best Value Offerors and ended by the final presentation to the City after all issues have been addressed. If the City is not satisfied during the Clarification Phase, or upon completion of the First Clarification Meeting and Clarification Summary Meetings, the City may consider another Offer for potential award (this Offeror would also have to participate in a Clarification Phase). If the Offeror provides all required documents and meets the requirements of the city with the potential Best-Value Offeror, The City may proceed with awards.

b. The Clarification Phase is carried out prior to the signing of the contract. The City's objective is to have the products/services maximized without any Offeror price increases, and with high customer satisfaction. At the end of the contract period, the City will evaluate the performance of the Offeror based on these factors, so it is very important that the Offeror pre-plans the project and utilizes the Weekly Risk Report to mitigate risk.

c. It is the Offeror's responsibility to ensure they understand the scope of their product/service offering and to clearly identify what they are delivering. It is the Offeror's responsibility to manage and mitigate the risk of their offering. It is the City's responsibility to ensure that it conveys any potential concerns and issues before the contract is signed.

d. The Clarification Phase provides the Offeror with an opportunity to identify their scope with a detailed specification and a simplified list of their tasks and financial streams. The City has the right to accept or reject this proposal. The City also has the right to identify its perceived risks, concerns, and issues which it will require the Offeror to mitigate and manage. The major deliverables in the Offeror's scope of services in the Clarification Phase include:

   i. Proposed detailed plan from beginning to end.
   ii. Integrated cost/time schedule that the BV Offeror will use to track cost/time deviations.
   iii. Simplified milestone schedule that non-technical stakeholders can follow to track deviations.
   iv. A Cost Proposal presented in two ways: milestone schedule and major areas.
   v. If any risk is identified, the Offeror should ensure that meeting minutes identify that the Offeror has a mitigation plan for the perceived risk to their proposed plan.
   vi. A Weekly Risk Reporting System (WRRS, Attachment F), which will track the implementation or delivery of the service. The service should never be executed without a Purchase Order (PO) and the WRR. The Offeror will be responsible for using the WRR to track the performance of the project, update the WRR, and send all stakeholders a copy of the WRR on a weekly basis. The WRR shall include updated: 1) cost and schedule status, 2) milestone schedule status, 3) project cost and time deviations, 4) risk mitigation and other performance metrics.

2. PRE-PLANNING AND COORDINATION

a. Offerors may be required to provide the City with supporting documentation for any information listed in their submittals before entering the Clarification Phase.

b. The City requires that the Offeror attend a First Clarification Meeting to present its proposal and to identify additional issues or concerns that the City may have. It is also an opportunity to meet all

participants who may be a stakeholder in the project. The Offeror is required to perform the following functions as part of, or in preparation for, this Meeting:

vii. Ensure that the City has invited all its stakeholders and participants to the meeting (including the City, sub-Offerors, designer / AE, interested parties, etc.).
viii. Present the scope of services (schedule, cost, deliverables, etc.).
ix. Identify the City's responsibilities.
x. Propose the Weekly Risk Report (WRR) format.
xi. Field questions and concerns from City stakeholders.
xii. Listen to concerns, issues, and comments from the City stakeholders.
xiii. Propose a schedule to finalize the Clarification Phase and the contract documents.

c. Once the First Clarification Meeting is held, and if the City is comfortable with the Offer, the Clarification Phase begins. The Offeror may be required to complete the following:
   i. Revisit the site/buildings/campus to do any additional investigating.
   ii. Coordinate with all parties that will be involved with the delivery of products/services.
   iii. Resolve concerns and issues with mitigating actions. Prepare to summarize resolutions in the final Clarification Phase Summary Presentation meeting.
   iv. Finalize the Clarification Document (contract, WRR, payment schedule, scope of work).

3. CLARIFICATION DOCUMENT

The final Clarification Document will include the following:

a. Executive Summary - high level summary of scope documents that clearly addresses what is in scope [being delivered] and what is out of scope for the project.
b. Finalized scope documents which include details on how the tasks will be completed.
c. Description of the end deliverable in terms of simplified metrics.
d. Detailed scope descriptions– A specific breakout of every action required for the Offeror to perform the work. Including all activities required by the Offeror, City and stakeholders to perform the work, inclusive of a detailed schedule and milestone schedule.
e. Weekly Risk Report format (WRR)
f. Project financial summary.
   i. The Offeror's Original Price Proposal.
   ii. A list of agreed/accepted Value-Added Options (with impact to price)
   iii. A list of agreed upon Scope Changes or Additional Work with impact to price.
   iv. A Price Breakout and Payment Schedule.
   g. Project and emergency contact list.
h. PowerPoint presentation that describes the scope of the project in terms of cost, time, deliverables and how the deliverables acceptance will be decided.

4. FINAL CLARIFICATION MEETING

a. The Final Clarification Meeting is held at the end of the Clarification Phase and is used to present a summary of what was developed and agreed upon during the Clarification Phase. The final Clarification meeting is not a question-and-answer session. The Offeror and City stakeholders should not wait for the meeting to ask questions. All coordination and planning with the City should be completed prior to the Clarification Phase Summary Presentation meeting on the RFP Procurement schedule.
b. The Offeror should give a presentation, which walks the City through the entire contract period and summarizes all the coordination and planning done during the Clarification Phase. The Offeror should bring its team, and all the documents specified in the Clarification Document. The Offeror should come

with documents explaining what the City is responsible for during the contract period. The Offeror should convince the City that they have minimized or mitigated all risks and will not be surprised once the service/production begins. The Clarification meeting presentation (and meeting minutes, if applicable) will become part of the contract along with the other documents from the Clarification Phase.

ATTACHMENT J – WEEKLY RISK REPORTING SYSTEM GUIDE

Overview

The City may choose to use the Weekly Risk Reporting System (WRRS). The Weekly Risk Reporting System (WRRS) is a companion to the Quality Control Plan that is created by the best value Offeror during the Clarification Phase. The report serves as a tool for the City in analyzing the performance of the Project based on risk. The WRRS does not substitute or eliminate weekly progress reports or any other traditional reporting systems (that the Offeror may do).

The purpose of the WRRS is to allow the Offeror to document and manage all risks that occur throughout a project. Risk is defined as anything that might impact the project scope, cost, and schedule. This includes risks that are caused by the Offeror (or entities subcontracted by the Offeror), and risks that are caused by City (scope changes, unforeseen conditions, etc.). The City's Project Manager may also require the Offeror to document risks that may impact the City satisfaction.

Submission

The weekly report is an Excel file that should be submitted every week. The report is due every week once the Contract Award is issued, until the Project is 100% complete (and final payment is made). The Excel spreadsheet will be available from the City upon request.

The completed report should be saved using the date and name of the Project given by the City (Format: YYMMDD_Project Name; For example, 'HCM Project' for the week ending Friday, Oct 7, 2021, should be labeled '211007_HCM Project'). Weekly Reports are to be emailed by Monday.

The weekly risk report consists of reporting the project performance metrics, cost, scope changes or unforeseen events that are risks to the project in terms of scope and cost deviations, or City satisfaction including any risks that could potentially develop into an issue. When a new risk is identified, it is added to the weekly risk mitigation log.

When a risk has become an issue and causes deviation to project cost, time or quality, it is added to a project deviations log, along with the following: Identification date (date the issue was identified), plan to resolve issue, resolution due date, impact to critical path or schedule (in days), and impact to final cost (in dollars).

As deviations arise that warrant attention, the Offeror should not wait to submit the weekly risk report. The Offeror should contact the City if there are any risks or potential risks identified that are or could be rated at a high level. When a risk is eliminated or the issue is resolved, the actual date of elimination or resolution should be listed.

The City will analyze the reports for accuracy and timeliness. The reports will be used in part by the City to determine the overall final performance rating of the Offeror (and its team).

CITY OF SANTA FE

The Purchasing Memo

Date: May 30, 2025

To: Governing Body and Finance Committee

From: Henri Hammond-Paul, Director, Community Health and Safety Department

Subject: Emergency Shelter Management Contract

Vendor Name: Urban Alchemy

Munis Vendor Number: 9716

ITEM AND ISSUE:

This 12-month contract is intended to stabilize operations while the City evaluates the long-term viability and use of the current facility. The contractor will ensure consistent shelter operations, maintain site safety and dignity, and connect guests with services and housing pathways. The shelter will be located at 2801 Cerrillos Road and the emergency procurement will:

Budget Officer Comment/Exceptions: _____

PROCUREMENT METHOD:

The procurement method used was NMSA 1978, Section 13-1-127, Emergency

The current conditions at 2801 Cerillos Road and the surrounding area have become an emergency impacting public health, safety, and welfare. Data from Santa Fe Police, Fire, and Constituent Services about the change in conditions in this area clearly demonstrate escalating health and safety risks and a serious strain on emergency response and public safety systems.

- Santa Fe Police responded to 3,224 calls for service in 2024 in the vicinity of Pete's Place (3.8% of all citywide calls). So far in 2025, that number is 1,350 calls (4.9% of citywide total), averaging 11.25 calls per day.
- In the first four months of 2025 alone, SFPD has conducted 618 proactive actions at the site (e.g., close patrols, traffic stops).
- Santa Fe Fire Department responded to 583 calls in 2024 and 243 in early 2025. These include overdoses, injuries, and other emergencies totaling over $3.4M in public cost over two and a half years.
- Constituent Services, from 2022-2025 ,reports 153 complaints regarding feces, syringes, drug activity, unsanitary conditions and violence in and around the shelter.
- At current rates, 2025 is projected to result in approximately 4,050 police calls for service, 1,854 proactive police actions, 729 fire department calls, and $1.95 million in fire department response costs.

These conditions pose an imminent threat to shelter guests, surrounding residents and businesses, and first responders.

Compliance and Performance Metrics

Adhere to all City, State, and federal requirements related to shelter operations, data privacy, and non-discrimination. Required City performance metrics include the following and shall be submitted in quarterly reports:

Quarterly reports must include the following:
- Average occupancy rate
- Number of guests connected to identified services
- Guest and facility incident reports and responses
- Guest and neighbor feedback (anecdotal or survey-based)
- Bed utilization (target: >85%)

- Percent of guests connected to the Coordinated Entry System (CES), a system for prioritizing people experiencing homelessness based on their vulnerability, measured by a VI-SPDAT assessment in order to quickly and effectively provide assistance; or case management that assist with the planning, facilitation, and coordination of resources and services, promoting your and your family's safety, quality of life, and overall wellbeing.
- Percent of guests who exit to permanent housing
- Safety and cleanliness indicators
- Basic guest intake data (demographics, personal identifier) and track shelter utilization.
- Number of guests enrolled into the Homeless Management Information System (HMIS) and CONNECT when possible.

F. Site Safety, Neighborhood Relations, Facility Maintenance, and Appearance

- Implement professional security measures, both inside and around the facility.
- Ensure the Shelter is not contributing to blight conditions or illicit activity.
- Conduct regular trash pickup and exterior maintenance.
- Coordinate and participate with City staff and law enforcement as needed to maintain public safety and responsiveness.
- Establish a public-facing complaint and response protocol for neighborhood concerns.
- Make all non-capital repairs and ongoing maintenance necessary to ensure Shelter structural integrity and function and safe and functional operations. This responsibility includes, but is not limited to servicing the HVAC, repairing plumbing, keeping up of life safety systems (e.g., alarms, extinguishers, emergency lighting), and maintaining doors, windows, and basic building systems.

IV. Provide an explanation for the justification of the procurement including a description of the emergency condition(s) requiring use of emergency procurement and the practicable competition utilized in compliance with NMSA 1978, § 13-1-127.

The current conditions at 2801 Cerillos Road and the surrounding area have become an emergency impacting public health, safety, and welfare. Data from Santa Fe Police, Fire, and Constituent Services about the change in conditions in this area clearly demonstrate escalating health and safety risks and a serious strain on emergency response and public safety systems.

- Santa Fe Police responded to 3,224 calls for service in 2024 in the vicinity of Pete's Place (3.8% of all citywide calls). So far in 2025, that number is 1,350 calls (4.9% of citywide total), averaging 11.25 calls per day.

- In the first four months of 2025 alone, SFPD has conducted 618 proactive actions at the site (e.g., close patrols, traffic stops).

- Santa Fe Fire Department responded to 583 calls in 2024 and 243 in early 2025. These include overdoses, injuries, and other emergencies totaling over $3.4M in public cost over two and a half years.

- Constituent Services, from 2022-2025 ,reports 153 complaints regarding feces, syringes, drug activity, unsanitary conditions and violence in and around the shelter.
- At current rates, 2025 is projected to result in approximately 4,050 police calls for service, 1,854 proactive police actions, 729 fire department calls, and $1.95 million in fire department response costs.

These conditions pose an imminent threat to shelter guests, surrounding residents and businesses, and first responders.

V. **Please describe what measures are being taken to minimize the duration and effect of this particular emergency procurement (for example: is the emergency only in place until a competitive process can be completed, etc.).**

This emergency procurement is limited to a 14-month term to allow for immediate stabilization while the City conducts a feasibility review of the site and develops a long-term plan for shelter operations.

During the emergency term, the City will:

- Conduct an evaluation of whether 2801 Cerrillos Road is an appropriate long-term shelter location
- Explore alternative locations or potential redevelopment opportunities for community-serving uses
- Develop and issue a competitive procurement (or use a cooperative agreement) for a permanent shelter operator during the emergency contract period

These steps are intended to ensure accountability, improve long-term outcomes, and prevent future reliance on emergency procurement under similar circumstances.

The Community Health and Safety Department will coordinate a feasibility study regarding transitioning the shelter from its current location into an area that can better serve its needs and mitigate impacts to surrounding areas. The City will either release an RFP for a new permanent operator or procure services using another non-emergency method, such as cooperative agreement or an existing contract.

VI. **Describe what measures the Department will take in the future to prevent/mitigate use of emergency procurement under similar circumstances.**

The Community Health and Safety Department is taking several steps to reduce reliance on emergency procurement moving forward. These include:

- Building formalized contingency plans for shelter operations and emergency protocols for operator transitions.

- Increasing interdepartmental coordination and data-sharing to monitor public safety and public health indicators in real time.

These strategies aim to improve operational resilience and ensure that future service transitions can be handled through standard procurement methods with minimal disruption.

15. Entire Agreement.

This Agreement, together with any other documents incorporated herein by reference and all related Exhibits and Schedules constitutes the sole and entire agreement of the Parties with respect to the subject matter of this Agreement, and supersedes all prior and contemporaneous understandings, agreements, representations, and warranties, both written and oral, with respect to the subject matter. No representation is made that the minimum insurance requirements of this Contract are sufficient to cover the obligations of Contractor hereunder.

D. Contractor shall maintain the above insurance for the term of this Contract and name the City as an additional insured and provide for 30 days cancellation notice on any Certificate of Insurance form furnished by Contractor. The records shall be subject to inspection by the City. The

City shall have the right to audit billings both before and after payment. Payment under this Contract shall not foreclose the right of the City to recover excessive or illegal payments.

24. Indemnification

The Contractor shall defend, indemnify and hold harmless the City from all actions, proceeding, claims, demands, costs, damages, attorneys' fees and all other liabilities and expenses of any kind from any source which may arise out of the performance of this Contract, caused by the negligent act or failure to act of the Contractor, its officers, employees, servants, subcontractors or agents. The indemnification obligations herein do not apply where any such claim is caused in whole or in part by the City, its officers, employees, servants, subcontractors, or agents and their negligent act or omission or intentional misconduct. To the extent any claim arises from the negligence of Contractor and the City, Contractor's indemnification obligations herein shall be limited only to Contractor's proportionate share of fault. 32. Equitable Remedies

The Contractor acknowledges that its failure to comply with any provision of this Agreement will cause the City irrevocable harm and that a remedy at law for such a failure would be an inadequate remedy for the City, and the Contractor consents to the City 's obtaining from a court of competent jurisdiction, specific performance, or injunction, or any other equitable relief in order to enforce such compliance. The City's rights to obtain equitable relief pursuant to this Agreement shall be in addition to, and not in lieu of, any other remedy that the City may have under applicable law, including, but not limited to, monetary damages.

33. Default and Force Majeure

The City reserves the right to cancel all, or any part of any orders placed under this Agreement without cost to the City, if the Contractor fails to meet the provisions of this Agreement and, except as otherwise provided herein, to hold the Contractor liable for any excess cost occasioned by the City due to the Contractor's default and failure to cure such default within a reasonable time period. The Contractor shall not be liable for any excess costs if failure to perform the order arises out of causes beyond the control and without the fault or negligence of the Contractor; such causes include, but are not restricted to, acts of God or the public enemy, acts of the State or Federal Government, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, unusually severe weather and defaults of subcontractors due to any of the above, unless the City shall determine that the supplies or services to be furnished by the subcontractor were obtainable from other sources in sufficient time to permit the Contractor to meet the required delivery scheduled. The rights and remedies of the City provided in this Clause shall not be exclusive and are in addition to any other rights now being provided by law or under this Agreement.

From: Kristen Woods, Youth and Family Services Program Manger

Via: Henri Hammond-Paul, Community Health and Safety Department Director

Subject: Consuelo's Place Fiscal Sponsorship

Vendor Name: Interfaith Community Shelter Group LLC

Munis Vendor Number: 3783

ITEM AND ISSUE:

Request for Approval of Amendment No. 1 to Professional Services Contract 24-0490 With Fiscal Sponsorship of Consuelo's Place in the Total Amount of $1,530,000 and Extend the Term Through June 30 2026 to Provide Case Management and Property Management Services . (Kristen Woods, Youth and Family Services Program Manager; krwoods@santafenm.gov)

CONTRACT NUMBER:

The FY26 Munis contract number is 3250019.

BACKGROUND AND SUMMARY:

In 2020, the City deployed dormitory rooms located on City property at the former Santa Fe University of Art and Design campus, as temporary non-congregate shelter for people experiencing homelessness. Since then, the shelter has housed 50 – 100 residents per night, with stays lasting from a few days to several weeks. Over 40% of guests have exited into long-term stable housing situations. In 2023, The City's Office of Affordable Housing in collaboration with the Youth and Family Services Division released RFP # 24081 in which Interfaith was chosen as the new fiscal sponsor.

Contracted funds will be used to pay for a leadership position, several case managers, and materials costs related to operating the facility. Support services are onsite to ensure that residents are stabilized through access to health care services, mental health counseling, food, and communal spaces. On March 27th, Consuelo's Place has requested an extension of their Fiscal Sponsorship and additional funding under Contract 33250019.

Consuelo's Place provides non-congregate shelter for vulnerable individuals and families who are transitioning into permanent housing or whose unique circumstances make it difficult to succeed in a congregate setting; and provides life-stabilizing services for those individuals.

May 2, 2025

Henri Hammond-Paul
Kristen Woods
Office of Community Health and Safety
City of Santa Fe
Santa Fe, NM 87501

Dear Mr. Hammond-Paul and Ms. Woods:

The Consuelo's Place Board of Directors voted unanimously to begin the process of securing 501(c)3 status for the organization. The Board is committed to building on Consuelo's progress and momentum to become a stand-alone organization. While we are excited to become an independent organization, we also want the transition to be well-planned and purposeful.

The Board is finalizing our Form 1023 to the Internal Revenue Service with the intention to file by March 31, 2025. The timeline of our transition is being developed and will, to some extent, be contingent on the timeliness of the IRS's approval of our Form 1023 and additional logistics. In light of this transition, we formally request that Interfaith Community Shelter's Professional Services' Agreement with the City of Santa Fe, Munis contract #3250019, to support Consuelo's Place, be renewed for FY 2025-2026 with the caveat that the Agreement can be amended at some point during FY 2025-2026 when Consuelo's Place has the legal and fiscal ability to act independently. Additionally, we have projected finances for services for FY 2025-2026 to increase by an estimated $50,000. If it is desirable for Consuelo's Place to contribute to any "Code Blue" servicing, we ask for added funds of $15,000 be included in this contract. In summary, a total of $815,000 is requested for amendment to adequately provide all services currently offered by Consuelo's Place.

Consuelo's Place remains committed to serving our community's most vulnerable populations, and we greatly appreciate the City of Santa Fe's continued partnership and support. We welcome the opportunity to discuss this request further and provide any necessary documentation to facilitate the

amendment process.

Thank you for considering our request, and we look forward to your response.

Sincerely,

Michele Williams

Shelter Manager

If required by written "insured contract," we waive any right of recovery we may have against any person or organization because of payments we make for injury or damage arising out of your ongoing operations or "your work" done under a contract for that person or organization and included in the "products-completed operations hazard."

M. PRIORITY OF APPLICATION FOR MULTIPLE INSUREDS

Section III - Limits Of Insurance is amended to add the following paragraph:

a. You;

b. Your "executive officers," directors, "employees," and

c. Any other insureds in any order that we choose.

ALL OTHER TERMS AND CONDITIONS REMAIN UNCHANGED.

Furthermore, in no event will coverage be provided during the policy period after (1) the applicable aggregate Limit of Insurance under any one coverage form or policy has been exhausted, or (2) the applicable aggregate Limit of Insurance under any one coverage form or policy would have been exhausted had all covered claims been submitted under that one coverage form or policy rather than under two or more coverages forms or policies.

This condition does not apply to any coverage form or policy issued by us specifically to apply as excess insurance over this policy.

SUBJECT: Retro-Active approval for Consuelo's Place Contract Amendment #1

ITEM & ISSUE:
Request for Approval of a Retro-Active amendment (Per Page 31 of the Purchasing Manual) for Fiscal Sponsorship of Consuelo's Place Amendment #1 to Professional Services Agreement Item #24-490 which expired on June 30th, 2025.

XX. Retroactive Approval for a Contract or Contract Amendment
The Procurement Code requires that all non-exempt procurement by the City shall be achieved by competitive sealed bids or competitive sealed proposals except for small purchases, sole source procurements, emergency procurements, and existing contracts. Failure of retroactive approval for contracts and contract amendments that fulfill all of the requirements of this manual and the Procurement Code, the City will approve the date requested in writing by the Requesting Department on the memo accompanying the request as long as the requested approval date is within thirty (30) days of the expiration of the contract.
For retroactive approval of contracts and contract amendments apart from the approval given pursuant to the provisions of this manual, the City may grant additional retroactive approval to a contract or contract amendment, based upon exceptional circumstances, where all the following conditions are met:
Page 32 of 37
A. the services performed without the City's prior approval of the contract did not occur as the result of repeated mistakes or willful misconduct of the Requesting Department;
B. the failure to obtain the City's retroactive approval will prevent the Requesting Department from fulfilling its obligations;
C. the Requesting Department provides to the City Manager a written, factual, explanation of the matters described in Paragraphs (1) and (2) signed by the department director;
D. the Requesting Department requested, through a public officer or employee with authority to make such a request, the contractor to perform services that were then actually performed by the contractor in good faith reliance that it would be paid for those services;

The Procurement Code, NMSA 1978 §13-1-182, as amended, governs situations in which the City has denied a request for retroactive approval of a contract or contract amendment due to the department's failure to meet the requirements of this rule.

Request for Approval of a Professional Services Contract with Interfaith Community Shelter LLC for Fiscal Sponsorship and Oversight of Operations of Consuelo's Place Emergency Non-congregate Shelter in the Total Amount Not to Exceed $750,000 including NMGRT through June 30, 2025 (Kristen Woods, Youth and Family Services Program Manager krwoods@santafenm.gov)

BACKGROUND AND SUMMARY

In 2020, the City deployed dormitory rooms located on City property at the former Santa Fe University of Art and Design campus, as temporary non-congregate shelter for people experiencing homelessness. A primary goal was to mitigate the potential for a COVID outbreak among unhoused people by reducing the population density at local shelters and coordinating testing and isolation for those people who would otherwise be on the streets. Another objective was to relieve hospitals by creating a place where vulnerable patients and/or those with positive COVID tests could be discharged, as well as sheltering people leaving detox/recovery programs or detention centers. Since then, the shelter has housed 50 – 100 residents per night, with stays lasting from a few days to several weeks. Over 40% of guests have exited into long-term stable housing situations. The New Mexico Coalition to End Homelessness (NMCEH) took on the role of fiscal sponsor for the shelter, hiring staff, securing insurance, security and maintenance contracts, managing the invoicing process and applying for additional operational funding.

In late 2023 NMCEH reached out to the City of Santa Fe's Office of Affordable Housing and formally requested to no longer be the fiscal sponsor of Consuelo's Place due to their capacity to oversee operations. The City's Office of Affordable Housing in collaboration with the Youth and Family Services Division released RFP # 24081 in which Interfaith was chosen as the new fiscal sponsor. NMCEH requests a release of obligation to Consuelo's Place by the end of July 2024.

Contracted funds will be used to pay for a leadership position, several case managers, and materials costs related to operating the facility. Support services are onsite to ensure that residents are stabilized through access to health care services, mental health counseling, food, and communal spaces.

The City's Youth and Family Services Division in partnership with the S3 funders collaborative will work with Interfaith to ensure a smooth transition plan for the residents and staff of Consuelo's Place.

Greetings,

The scope of work as written would be Professional Services. This determination relates only to that question and is no comment on whether the scope of work or procurement method meet all legal standards. I reserve the right to change this determination if the scope of work differs from the scope of work submitted for the original determination. This procurement must be conducted using the processes and procedures set forth by the City of Santa Fe, Central Purchasing, the Procurement Manual, and state statutes.

- If your request includes any IT components, send it to ereview@santafenm.gov to make sure ITT is aware of the procurement. Please provide their response to this office when you submit your procurement/contract request for processing.
- Ensure that the appropriate templates and forms are used https://intranet.santafenm.gov/finance_1 and documented procedures/laws/rules are followed.
- > $20k per year, when processing this procurement, please ensure the procurement number issued by Munis and the procurement name are used in the appropriate documents and the subject of emails.
- If you are processing a procurement where the forecasted amount is =/> $60k, per NMSA 1978, Section 13-1-102, if you aren't using a cooperative or existing contract, you must process an RFP.
- < $20k per year, one quote is acceptable.

For instance, if federal funds are involved, the procurement request and subsequent contract must include the necessary federal language. Therefore, it is crucial to determine the funding source beforehand.

Subject: RFP for Consuelo's operations

Hi Travis and Kathy,

We are planning to issue an RFP for an operator for Consuelo's Place Shelter (the emergency non-congregate shelter at Midtown) – contract period starting 7/1/2024. NM Coalition to End Homelessness is the current fiscal agent for the shelter and do not want to continue in this role past 6/30/24. Below is a draft scope of work. It will likely be changed a bit, but not substantively. The budget for the yearly operations of the shelter is roughly $900k. Is an RFP the correct route to go for this? Would you be able to meet sometime in the next week or two to discuss?

The Contractor shall perform the work as follows:

A. Provide 24/7 staffing for "Consuelo's Place Shelter" to be operated at its current location documented as follows:

a. The staff on the payroll must be directly involved in the daily operation, provision of direct services, or administration of the Shelter;

b. Time sheets are required and the number of hours in the payroll must match the time sheets.

c. Contractor will provide to the City a staffing plan and time commitments (by percentage of an FTE) to be allocated to the operations and administration of the Shelter, if applicable.

B. Ensure that services are provided on-site, including emergency shelter stays, case management, formal and informal skill building for clients, quarantine services, housing navigation, and security services.

C. Prioritize individuals who meet federal definitions of homelessness or other standards of housing instability.

D. Participate in the NM Coordinated Entry System (CES), managed by the NM Coalition to End Homelessness (NMCEH), as follows:

a. Ensure that all staff is trained in completing an assessment (VI-SPDAT) identified by the New Mexico Coalition to End Homelessness (NMCEH) CES.

b. Complete the Assessment with all persons experiencing homelessness who present to the agency for housing services and provide the completed assessments to NM CES by either sending them to NMCEH or entering them into HMIS (depending on Contractor's level of HMIS and CES Access).

c. Select from the NM CES prioritized list to fill openings when appropriate.

d. Participate in Case Conferencing and focus on action-oriented housing outcomes.

E. Become familiar with the Built for Zero methodology and contribute to the by-name list by submitting at minimum a monthly report of unduplicated and deidentified individuals experiencing literal homelessness to the Built for Zero Data Manager, located at the NMCEH and commit to quality improvement practices.

F. Work with each guest to determine long term housing needs and assist them with a housing plan, including searching for housing options, applying for and securing subsidy when appropriate.

G. Work with City staff to develop a relocation plan for the closure of the current location (estimated for June 30, 2025) and potential relocation at a new location, including a phased intake process as needed.

H. Report to the City on a quarterly basis the use of funds, program outcomes achieved, specifying eligibility of people served, and the percentage of guests who achieve long-term and affordable housing

However, the disclosure will be considered in the determination of the Contractor's responsibility and ability to perform under this Contract. Failure of the Contractor to furnish a disclosure or provide additional information as requested will be grounds for immediate termination of this Contract pursuant to the conditions set forth in Paragraph 7 of this Contract.

Still further the City may suspend or debar the Contractor from eligibility for future solicitations until such time as the matter is resolved to the satisfaction of the City.

40. **Suspension, Delay or Interruption of Work**

The City may, without cause, order the Contractor, in writing, to suspend, delay or interrupt the work in whole or in part for such period of time as the City may determine. Upon receipt of such notice, Contractor shall leave the jobsite and any equipment in a safe condition prior to departing. Contractor must assert rights to additional compensation within thirty (30) days after suspension of work is lifted and return to work is authorized. Any compensation requested for which entitlement is granted and the contract sum adjusted, shall have profit included (for work completed) and for cost only (not profit) for Contractor costs incurred directly tied to the suspension itself and not otherwise covered by Contract remedy. Any change in Total Compensation must be reflected in an Amendment executed pursuant to Section 8 of this Contract.

- From $20k to $60k per year, if you aren't using a cooperative or existing contract, you'll need to provide 3 quotes in your req. Must use the Munis Bid Module after 12/21/2023.

Figure out your funding source and **inform Purchasing**. To ensure that the proper documents and language are used, it is important to identify the funding source for the subsequent contract. For instance, if federal funds are involved, the procurement request and subsequent contract must include the necessary federal language. Therefore, it is crucial to determine the funding source beforehand.

(1) What the act, error or omission was and when it occurred; and

(2) The names and addresses of anyone who may suffer damages as a result of the act, error or omission.

b. If a claim is made or "suit" is brought against any insured, you must:

(1) Immediately record the specifics of the claim or "suit" and the date received; and

this insurance may also apply.

b. Method Of Sharing

If all of the other insurance permits contribution by equal shares, we will follow this method also. Under this approach each insurer contributes equal amounts until it has paid its applicable limit of insurance or none of the loss remains, whichever comes first.

If any of the other insurance does not permit contribution by equal shares, we will contribute by limits. Under this method, each insurer's share is based on the ratio of its applicable limit of insurance to the total applicable limits of insurance of all insurers.

c. No Coverage

This insurance shall not cover any loss for which the insured is entitled to recovery under any other insurance in force previous to the effective date of this Employee Benefit Liability Coverage.

CITY OF SANTA FE

Memorandum

Date: May 30, 2025

To: Governing Body and Quality of Life Committee

From: Marci Eannarino; Legislation and Policy Innovation Manager ME

Via: Erin K. McSherry; City Attorney EM

RE: Ballot question to require consent to a mayor's removal of a city manager, city attorney, or city clerk

---

EXECUTIVE SUMMARY:

The resolution proposes to submit a ballot question to the City of Santa Fe ("City") voters during the November 4, 2025, regular election. Currently, Section 5.01(G), of the City's Charter allows a mayor to "have the authority to remove the city manager, city attorney and city clerk without council approval". The ballot question would amend the City's Charter to require governing body consent before removal of a city manager, city attorney, or city clerk.

BACKGROUND:

The process for placing a question on the ballot considers the following items:

- Section 10.02 of the City's Charter states, "This Charter may be amended or repealed as provided by law. The city attorney shall review and render and publish a public opinion as to the legality and form of any proposed charter amendment before it is submitted to the voters."
- State law, NMSA 1978, Section 3-15-16 states that a home rule municipality may amend its Charter "by a proposal submitted by the governing body of the municipality to the qualified electors."
- Therefore, a Resolution adopted by the Governing Body describing a proposed ballot question is the mechanism the City uses to document its wish to submit a proposal to the electors.

RE: Ballot question to provide for a vote of six councilors to remove or suspend the city manager, city attorney, and city clerk

---

EXECUTIVE SUMMARY:

The resolution proposes to submit a ballot question to the City of Santa Fe's ("City") voters during the November 4, 2025, regular local election. The ballot question would ask voters whether or not to amend Article VI, "Governing Body", Section 6.02 of the City's Charter ("Charter") to give the governing body the authority to suspend or remove the city manager, city clerk, and/or city attorney by a vote of five councilors at a regularly scheduled meeting. Additionally, as a matter of technicality, should the voters approve the change to Article VI, Section 6.02, the amendment would also remove Section 8.04 from Article VIII, "City Manager" from the Charter because the language in this section would become duplicative.

BACKGROUND:

The process for placing a question on the ballot considers the following items:

- Section 10.02 of the City's Charter states, "This Charter may be amended or repealed as provided by law. The city attorney shall review and render and publish a pubic opinion as to the legality and form of any proposed charter amendment before it is submitted to the voters."
- State law, NMSA 1978, Section 3-15-16 states that a home rule municipality may amend its Charter "by a proposal submitted by the governing body of the municipality to the qualified electors."
- Therefore, a Resolution adopted by the Governing Body describing a proposed ballot questions is the mechanism the City uses to document its wish to submit a proposal to the electors.

AGREEMENT

NOW, THEREFORE, in consideration of the mutual covenants and obligations contained herein, the parties hereby mutually agree as follows:

ARTICLE I. PROJECT DESCRIPTION, AMOUNT OF GRANT AND REVERSION DATE

A. The project that is the subject of this Agreement is described as follows:

DFA Appropriation ID F3057 NMDOT Control Number C5213057 $300,000
APPROPRIATION REVERSION DATE: 6/30/2025
Laws of 2021, Chapter 138, Section 33, Subsection 98, Three Hundred Thousand Dollars and No Cents ($300,000), to acquire rights of way and to plan, design, construct and improve pedestrian, bicycle and drainage infrastructure on Governor Miles road in Santa Fe in Santa Fe county; .

The Grantee's total reimbursements shall not exceed Three Hundred Thousand Dollars and No Cents $300,000 (the "Appropriation Amount") minus the allocation for Art in Public Places ("AIPP amount")[1], if

[1] The AIPP amount is "an amount of money equal to one percent or two hundred thousand dollars ($200,000), whichever is less, of the amount of money appropriated for new construction or any major renovation exceeding one hundred thousand dollars ($100,000)." Section 13-4A-4 NMSA 1978.

applicable, Zero Dollars and Zero Cents ($ 0.00), which equals Three Hundred Thousand Dollars and No Cents ($300,000) (the "Adjusted Appropriation Amount").

In the event of a conflict among the Appropriation Amount, the Reversion Date, as defined herein and/or the purpose of the Project, as set forth in this Agreement, and the corresponding appropriation language in the laws cited above in this Article I(A), the language of the laws cited herein shall control.

This project is referred to throughout the remainder of this Agreement as the "Project"; the information contained in Article I(A) is referred to collectively throughout the remainder of this Agreement as the "Project Description." Optional Attachment A sets forth additional or more stringent requirements and conditions, which are incorporated by this reference as if set forth fully herein. If Optional Attachment A imposes more stringent requirements than any requirement set forth in this Agreement, the more stringent requirements of Attachment A shall prevail, in the event of irreconcilable conflict. The Grantee shall reference the Project's number in all correspondence with and submissions to the Department concerning the Project, including, but not limited to, Requests for Payment and reports.

ARTICLE II. LIMITATION ON DEPARTMENT'S OBLIGATION TO MAKE GRANT DISBURSEMENT TO GRANTEE

A. Upon the Effective Date of this Agreement, for permissible purposes within the scope of the Project Description, the Grantee shall only be reimbursed monies for which the Department has issued and the Grantee has received a Notice of Department's Obligation to Reimburse[2] Grantee (hereinafter referred to as "Notice of Obligation"). This Grant Agreement and the disbursement of any and all amounts of the above referenced Adjusted Appropriation Amount are expressly conditioned upon the following:

(i) Irrespective of any Notice of Obligation, the Grantee's expenditures shall be made on or before the Reversion Date and, if applicable, an Early Termination Date (i.e., the goods have been delivered and accepted or the title to the goods has been transferred to the Grantee and/or the services have been rendered for the Grantee); and

(ii) The total amount received by the Grantee shall not exceed the lesser of: (a) the Adjusted Appropriation Amount identified in Article I(A) herein or (b) the total of all amounts stated in the Notice(s) of Obligation evidencing that the Department has received and accepted the Grantee's Third Party Obligation(s), as defined in subparagraph iii of this Article II(A); and

(iii) The Grantee's expenditures were made pursuant to the State Procurement Code and execution of binding written obligations or purchase orders with third party contractors or vendors for the provision of services, including professional services, or the purchase of tangible personal property and real property for the Project, hereinafter referred to as "Third Party Obligations"; and

(iv) The Grantee's submittal of timely Requests for Payment in accordance with the procedures set forth in Article IX of this Agreement; and

(v) In the event that capital assets acquired with Project funds are to be sold, leased, or licensed to or operated by a private entity, the sale, lease, license, or operating agreement:
   a. must be approved by the applicable oversight entity (if any) in accordance with law; or
   b. if no oversight entity is required to approve the transaction, the Department must approve the transaction as complying with law.

[2] "Reimburse" as used throughout this Agreement includes Department payments to the Grantee for invoices received, but not yet paid, by the Grantee from a third party contractor or vendor, if the invoices comply with the provisions of this Agreement and are a valid liability of the Grantee.

Prior to the sale, lease, license, or operating agreement being approved pursuant to Articles II(A)(v)(a) and II(A)(v)(b) herein, the Department may, in its sole and absolute discretion and unless inconsistent with State Board of Finance imposed conditions, reimburse the Grantee for necessary expenditures incurred to develop the Project sufficiently to make the sale, lease, license, or operating agreement commercially feasible, such as plan and design expenditures; and

(vi) The Grantee's submission of documentation of all Third Party Obligations and amendments thereto (including terminations) to the Department and the Department's issuance and the Grantee's receiving of a Notice of Obligation for a particular amount in accordance with the terms of this Agreement shall be governed by the following:

a. The Grantee shall submit to the Department one copy of all Third Party Obligations and amendments thereto (including terminations) as soon as possible after execution by the Third Party but prior to execution by the Grantee.
b. Grantee acknowledges and agrees that if it chooses to enter into a Third Party Obligation prior to receiving a Notice of Obligation that covers the expenditure, it is solely responsible for such obligations.
c. The Department may, in its sole and absolute discretion, issue to Grantee a Notice of Obligation for the particular amount of that Third Party Obligation that only obligates the Department to reimburse Grantee's expenditures made on or before the Reversion Date or an Early Termination Date. The current Notice of Obligation form is attached to this Agreement as Exhibit 2.
d. The date the Department signs the Notice of Obligation is the date that the Department's Notice of Obligation is effective. After that date, the Grantee is authorized to budget the particular amount set forth in the Notice of Obligation, execute the Third Party Obligation and request the Third Party to begin work. Payment for any work performed or goods received prior to the effective date of the Notice of Obligation is wholly and solely the obligation of the Grantee.

B. The Grantee shall implement, in all respects, the Project. The Grantee shall provide all necessary qualified personnel, material, and facilities to implement the Project. The Grantee shall finance its share (if any) of the costs of the Project, including all Project overruns.

C. Project funds shall not be used for purposes other than those specified in the Project Description.

D. Unless specifically allowed by law, Project funds cannot be used to reimburse Grantee for indirect Project costs.

ARTICLE IV. REVERSION DATE, TERM, DEADLINE TO EXPEND FUNDS

A. As referenced in Article I(A), the applicable law establishes a date by which Project funds must be expended by Grantee, which is referred to throughout the remainder of this Agreement as the "Reversion Date." Upon being duly executed by both parties, this Agreement shall be effective as of the date of execution by the Department. It shall terminate on 6/30/2025 the Reversion Date unless Terminated Before Reversion Date ("Early Termination") pursuant to Article V herein.

B. The Project's funds must be expended on or before the Reversion Date and, if applicable, Early Termination Date of this Agreement. For purposes of this Agreement, it is not sufficient for the Grantee to encumber the Project funds on its books on or before the Project's Reversion Date or Early Termination Date. Funds are expended and an expenditure has occurred as of the date that a particular quantity of goods are delivered to and received by the Grantee or title to the goods is transferred to the Grantee and/or as of the date

particular services are rendered for the Grantee. Funds are *not* expended and an expenditure has *not* occurred as of the date they are encumbered by the Grantee pursuant to a contract or purchase order with a third party.

ARTICLE V. EARLY TERMINATION

A. Early Termination Before Reversion Date Due to Completion of the Project or Complete Expenditure of the Adjusted Appropriation or Violation of this Agreement

Early Termination includes:

(i) Termination due to completion of the Project before the Reversion Date; or
(ii) Termination due to complete expenditure of the Adjusted Appropriation Amount before the Reversion Date; or
(iii) Termination for violation of the terms of this Agreement; or
(iv) Termination for suspected mishandling of public funds, including but not limited to, fraud, waste, abuse, and conflicts of interest.

Either the Department or the Grantee may early terminate this Agreement prior to the Reversion Date by providing the other party with a minimum of fifteen (15) days' advance, written notice of early termination. Grantee hereby waives any rights to assert an impairment of contract claim against the Department or the State of New Mexico in the event of Early Termination of this Agreement by the Department pursuant to Article V(A).

B. Early Termination Before Reversion Date Due to Non-appropriation

The terms of this Agreement are expressly made contingent upon sufficient appropriations and authorization being made by the Legislature of New Mexico for the performance of this Agreement. Throughout this Agreement the term "non-appropriate" or "non-appropriation" includes the following actions by the New Mexico Legislature: deauthorization, reauthorization or revocation of a prior authorization. The Legislature may choose to non-appropriate the Appropriation referred to in Article I and, if that occurs, the Department shall early terminate this Agreement for non-appropriation by giving the Grantee written notice of such termination, and such termination shall be effective as of the effective date of the law making the non-appropriation. The Department's decision as to whether sufficient appropriations or authorizations are available shall be accepted by the Grantee and shall be final. Grantee hereby waives any rights to assert an impairment of contract claim against the Department or the State of New Mexico in the event of Early Termination of this Agreement by the Department pursuant to Article V(B).

C. Limitation on Department's Obligation to Make Grant Disbursements to Grantee in the Event of Early Termination

In the event of Early Termination of this Agreement by either party, the Department's sole and absolute obligation to reimburse the Grantee is expressly conditioned upon the limitations set forth Article II.

ARTICLE VI. SUSPENSION OF NEW OR FURTHER OBLIGATIONS

A. The Department may choose, in its sole and absolute discretion, to provide written notice to the Grantee to suspend entering into new and further obligations. Upon the receipt of such written notice by the Grantee:

(i) The Grantee shall immediately suspend entering into new or further written obligations with third parties; and

(ii) The Department will suspend the issuance of any new or further Notice of Obligation under this Agreement; and

(iii) The Department may direct the Grantee to implement a corrective action plan in accordance with Article VI(D) herein.

B. In the event of Suspension of this Agreement, the Department's sole and absolute obligation to reimburse the Grantee is expressly conditioned upon the limitations set forth in Article II herein.

C. A suspension of new or further obligations under this Agreement shall remain in effect unless or until the date the Grantee receives written notice given by the Department informing the Grantee that the Suspension has been lifted or that the Agreement has been Early Terminated in accordance with Article V herein. If the Suspension is lifted, the Department will consider further requests for Notice of Obligation.

D. Corrective Action Plan in the Event of Suspension

In the event that the Department chooses, in its sole and absolute discretion to direct the Grantee to suspend entering into new or further written obligations with third parties pursuant to Article VI(A), the Department may, but is not obligated to, require the Grantee to develop and implement a written corrective action plan to remedy the grounds for the Suspension. Such corrective action plan must be approved by the Department and be signed by the Grantee. Failure to sign a corrective action plan or meet the terms and deadlines set forth in the signed corrective action plan, is hereby deemed a violation of the terms of this Agreement for purposes of Early Termination, Article V(A)(iii). The corrective action plan is in addition to, and not in lieu of, any other equitable or legal remedy, including but not limited to Early Termination.

ARTICLE VII. AMENDMENT

This Agreement shall not be altered, changed, or amended except by instrument in writing duly executed by both the parties hereto.

ARTICLE VIII. REPORTS

A. Database Reporting

The Grantee shall report monthly Project activity by entering such Project information as the Department and the Department of Finance and Administration may require, such information entered directly into a database maintained by the Department of Finance and Administration (http://cpms.dfa.state.nm.us). Additionally, the Grantee shall certify on the Request for Payment form (Exhibit 1) that updates have been maintained and are current in the database. The Grantee hereby acknowledges that failure to perform and/or certify updates into the database will delay or potentially jeopardize the reimbursement of funds. The Department shall give Grantee a minimum of thirty (30) days' advance written notice of any changes to the information the Grantee is required to report.

Monthly reports shall be due on the last day of each month, beginning with the first full month following execution of this Agreement by the Department and ending upon the submission of the final request for reimbursement for the Project.

B. Requests for Additional Information/Project Inspection

During the term of this Agreement and during the period of time during which the Grantee must maintain records pursuant to Article VIII, the Department may:

(i) request such additional information regarding the Project as it deems necessary; and

(ii) conduct, at reasonable times and upon reasonable notice, onsite inspections of the Project.

Grantee shall respond to such requests for additional information within a reasonable period of time, as established by the Department.

ARTICLE IX. REQUEST FOR PAYMENT PROCEDURES AND DEADLINES

A. The Grantee shall request payment by submitting a Request for Payment, in the form attached hereto as Exhibit 1. Payment requests are subject to the following procedures:

(i) The Grantee must submit a Request for Payment; and

(ii) Each Request for Payment must contain proof of payment by the Grantee or liabilities incurred by the Grantee showing that the expenditures are valid or are liabilities incurred by the Grantee in the form of actual unpaid invoices received by the Grantee for services rendered by a third party or items of tangible personal property received by the Grantee for the implementation of the Project; provided, however, that the Grantee may be reimbursed for unpaid liabilities only if the Department, in its sole and absolute discretion, agrees to do so and in accordance with any special conditions imposed by the Department.

(iii) In cases where the Grantee is submitting a Request for Payment to the Department based upon invoices received, but not yet paid, by the Grantee from a third party contractor or vendor, if the invoices comply with the provisions of this Agreement and are a valid liability of the Grantee, the Grantee shall make payment to those contractors or vendors within five (5) business days from the date of receiving reimbursement from the Department or such shorter period of time as the Department may prescribe in writing. The Grantee is required to certify to the Department proof of payment to the third party contractor or vendor within ten (10) business days from the date of receiving reimbursement from the Department.

B. The Grantee must obligate 5% of the Adjusted Appropriation Amount within six months of acceptance of the grant agreement and must have expended no less than 85% of the Adjusted Appropriation Amount six months prior to the reversion date.

C. Deadlines

Requests for Payments shall be submitted by Grantee to the Department on the earlier of:

(i) Immediately as they are received by the Grantee but at a minimum thirty (30) days from when the expenditure was incurred or liability of the Grantee was approved as evidenced by an unpaid invoice received by the Grantee from a third party contractor or vendor; or

(ii) July 15 of each year for all unreimbursed expenditures incurred during the previous fiscal year; or

(iii) Twenty (20) days from date of Early Termination; or

(iv) Twenty (20) days from the Reversion Date.

D. The Grantee's failure to abide by the requirements set forth in Article II and Article IX herein will result in the denial of its Request for Payment or will delay the processing of Requests for Payment. The Department has the right to reject a payment request for the Project unless and until it is satisfied that the expenditures in the Request for Payment are for permissible purposes within the meaning of the Project Description and that the expenditures and the Grantee are otherwise in compliance with this Agreement,

including but not limited to, compliance with the reporting requirements and the requirements set forth in Article II herein to provide Third Party Obligations and the Deadlines set forth in Article IX herein. The Department's ability to reject any Request for Payment is in addition to, and not in lieu of, any other legal or equitable remedy available to the Department due to Grantee's violation of this Agreement.

ARTICLE X. PROJECT CONDITIONS AND RESTRICTIONS; REPRESENTATIONS AND WARRANTIES

A. The following general conditions and restrictions are applicable to the Project:

(i) The Project's funds must be spent in accordance with all applicable state laws, regulations, policies, and guidelines, including, but not limited to, the State Procurement Code (or local procurement ordinance, where applicable).

(ii) The Project must be implemented in accordance with the New Mexico Public Works Minimum Works Act, Section 13-4-10 through 13-4-17 NMSA 1978, as applicable. Every contract or project in excess of sixty thousand dollars ($60,000) that the Grantee is a party to for construction, alteration, demolition or repair or any combination of these, including painting and decorating, of public buildings, public works or public roads and that requires or involves the employment of mechanics, laborers or both shall contain a provision stating the minimum wages and fringe benefits to be paid to various classes of laborers and mechanics, shall be based upon the wages and benefits that will be determined by the New Mexico Department of Workforce Solutions to be prevailing for the corresponding classes of laborers and mechanics employed on contract work of a similar nature in the locality. Further, every contract or project shall contain a stipulation that the contractor, subcontractor, employer or a person acting as a contractor shall pay all mechanics and laborers employed on the site of the project, unconditionally and not less often than once a week and without subsequent unlawful deduction or rebate on any account, the full amounts accrued at time of payment computed at wage rates and fringe benefit rates not less than those determined pursuant to Section 13-4-11 (B) NMSA 1978 to be the prevailing wage rates and prevailing fringe benefit rates issued for the project.

(iii) The Project may only benefit private entities in accordance with applicable law, including, but not limited to, Article IX, Section 14 of the Constitution of the State of New Mexico, the "Anti-Donation Clause."

(iv) The Grantee shall not for a period of 10 years from the date of this agreement convert any property acquired, built, renovated, repaired, designed or developed with the Project's funds to uses other than those specified in the Project Description without the Department's and the Board of Finance's express, advance, written approval, which may include a requirement to reimburse the State for the cost of the project, transfer proceeds from the disposition of property to the State, or otherwise provide consideration to the State.

(v) The Grantee shall comply with all federal and state laws, rules and regulations pertaining to equal employment opportunity. In accordance with all such laws, rules and regulations the Grantee agrees to assure that no person shall, on the grounds of race, color, national origin, sex, sexual preference, age or handicap, be excluded from employment with Grantee, be excluded from participation in the Project, be denied benefits or otherwise be subject to discrimination under, any activity performed under this Agreement. If Grantee is found to be not in compliance with these requirements during the life of this Agreement, Grantee agrees to take appropriate steps to correct any deficiencies. The Grantee's failure to implement such appropriate steps within a reasonable time constitutes grounds for terminating this Agreement.

B. The Grantee hereby represents and warrants the following:

(i) The Grantee has the legal authority to receive and expend the Project's funds.

(ii) This Agreement has been duly authorized by the Grantee, the person executing this Agreement has authority to do so, and, once executed by the Grantee, this Agreement shall constitute a binding obligation of the Grantee, enforceable according to its terms.

(iii) This Agreement and the Grantee's obligations hereunder do not conflict with any law or ordinance or resolution applicable to the Grantee, the Grantee's charter (if applicable), or any judgment or decree to which the Grantee is subject.

(iv) The Grantee has independently confirmed that the Project Description, including, but not limited to, the amount and Reversion Date, is consistent with the underlying appropriation in law.

(v) The Grantee's governing body has duly adopted or passed as an official act a resolution, motion, or similar action authorizing the person identified as the official representative of the Grantee to sign the Agreement and to sign Requests for Payment.

(vi) The Grantee shall abide by New Mexico laws regarding conflicts of interest, governmental conduct and whistleblower protection. The Grantee specifically agrees that no officer or employee of the local jurisdiction or its designees or agents, no member of the governing body, and no other public official of the locality who exercises any function or responsibility with respect to this Grant, during their tenure or for one year thereafter, shall have any interest, direct or indirect, in any contract or subcontract, or the proceeds thereof, for work to be performed or goods to be received, pursuant to this Grant. Further, Grantee shall require all of its contractors to incorporate in all subcontracts the language set forth in this paragraph prohibiting conflicts of interest.

(vii) No funds have been paid or will be paid, by or on behalf of the Grantee, to any person for influencing or attempting to influence an officer or employee of this or any agency or body in connection with the awarding of any Third Party Obligation and that the Grantee shall require certifying language prohibiting lobbying to be included in the award documents for all subawards, including subcontracts, loans and cooperative agreements. All subrecipients shall be required to certify accordingly.

ARTICLE XI. STRICT ACCOUNTABILITY OF RECEIPTS AND DISBURSEMENTS; PROJECT RECORDS

A. The Grantee shall be strictly accountable for receipts and disbursements relating to the Project's funds. The Grantee shall follow generally accepted accounting principles, and, if feasible, maintain a separate bank account or fund with a separate organizational code, for the funds to assure separate budgeting and accounting of the funds.

B. For a period of six (6) years following the Project's completion, the Grantee shall maintain all Project related records, including, but not limited to, all financial records, requests for proposals, invitations to bid, selection and award criteria, contracts and subcontracts, advertisements, minutes of pertinent meetings, as well as records sufficient to fully account for the amount and disposition of the total funds from all sources budgeted for the Project, the purpose for which such funds were used, and such other records as the Department shall prescribe.

C. The Grantee shall make all Project records available to the Department, the Department of Finance and Administration, and the New Mexico State Auditor upon request. With respect to the funds that are the subject of this Agreement, if the State Auditor or the Department of Finance and Administration finds that any or all of these funds were improperly expended, the Grantee may be required to reimburse to the State of New Mexico, to the originating fund, any and all amounts found to be improperly expended.

ARTICLE XII. IMPROPERLY REIMBURSED FUNDS

If the Department determines that part or all of the Appropriation Amount was improperly reimbursed to Grantee, including but not limited to, Project funds reimbursed to Grantee based upon fraud, mismanagement, misrepresentation, misuse, violation of law by the Grantee, or violation of this Agreement, the Grantee shall return such funds to the Department for disposition in accordance with law.

ARTICLE XIII. LIABILITY

Neither party shall be responsible for liability incurred as a result of the other party's acts or omissions in connection with this Agreement. Any liability incurred in connection with this Agreement is subject to immunities and limitations of the New Mexico Tort Claims Act.

ARTICLE XIV. SCOPE OF AGREEMENT

This Agreement constitutes the entire and exclusive agreement between the Grantee and Department concerning the subject matter hereof. The Agreement supersedes any and all prior or contemporaneous agreements, understandings, discussions, communications, and representations, written or verbal.

ARTICLE XV. REQUIRED NON-APPROPRIATIONS CLAUSE IN CONTRACTS FUNDED IN WHOLE OR PART BY FUNDS MADE AVAILABLE UNDER THIS AGREEMENT

The Grantee acknowledges, warrants, and agrees that Grantee shall include a "non-appropriations" clause in all contracts between it and other parties that are (i) funded in whole or part by funds made available under this Agreement and (ii) entered into after the effective date of this Agreement that states:

"The terms of this Agreement are contingent upon sufficient appropriations and authorization being made by the Legislature of New Mexico for the performance of this Agreement. If sufficient appropriations and authorization are not made by the Legislature, the City of Santa Fe may immediately terminate this Agreement by giving Contractor written notice of such termination. The City of Santa Fe's decision as to whether sufficient appropriations are available shall be accepted by the Contractor and shall be final. Contractor hereby waives any rights to assert an impairment of contract claim against the City of Santa Fe or the Department of Transportation or the State of New Mexico in the event of immediate or Early Termination of this Agreement by the City of Santa Fe or the Department"

ARTICLE XVI. REQUIRED TERMINATION CLAUSE IN CONTRACTS FUNDED IN WHOLE OR PART BY FUNDS MADE AVAILABLE UNDER THIS AGREEMENT

Grantee acknowledges, warrants, and agrees that Grantee shall include the following termination clause in all contracts that are (i) funded in whole or part by funds made available under this Agreement and (ii) entered into after the effective date of this Agreement:

"This contract is funded in whole or in part by funds made available under a Department of Transportation Grant Agreement. Should the Department of Transportation early terminate the grant agreement, the City of Santa Fe may early terminate this contract by providing Contractor written notice of such termination. In the event of termination pursuant to this paragraph, the City of Santa Fe only liability shall be to pay Contractor for acceptable goods delivered and services rendered before the termination date."

Grantee hereby waives any rights to assert an impairment of contract claim against the Department or the State of New Mexico in the event of Early Termination of this Agreement by the Department.

XVII. COMPLIANCE WITH UNIFORM FUNDING CRITERIA.

A. Throughout the term of this Agreement, Grantee shall:

1. submit all reports of annual audits and agreed upon procedures required by Section 12-6-3(A)-(B) NMSA 1978 by the due dates established in 2.2.2 NMAC, reports of which must be a public record pursuant to Section 12-6-5(A) NMSA 1978 within forty-five days of delivery to the State Auditor;
2. have a duly adopted budget for the current fiscal year approved by its budgetary oversight agency (if any);
3. timely submit all required financial reports to its budgetary oversight agency (if any); and
4. have adequate accounting methods and procedures to expend grant funds in accordance with applicable law and account for and safeguard grant funds and assets acquired by grant funds.

B. In the event Grantee fails to comply with the requirements of Paragraph A of this Article XVII, the Department may take one or more of the following actions:

1. suspend new or further obligations pursuant to Article VI(A) of this Agreement;
2. require the Grantee to develop and implement a written corrective action plan pursuant to Article VI(D) of this Agreement to remedy the non-compliance;
3. impose special grant conditions to address the non-compliance by giving the Grantee notice of such special conditions in accordance with Article III of this Agreement; the special conditions shall be binding and effective on the date that notice is deemed to have been given pursuant to Article III; or
4. terminate this Agreement pursuant to Article V(A) of this Agreement.

ARTICLE XVIII. SEVERANCE TAX BOND AND GENERAL OBLIGATION BOND PROJECT CLAUSES

A. Grantee acknowledges and agrees that the underlying appropriation for the Project is a severance tax bond or general obligation bond appropriation, and that the associated bond proceeds are administered by the New Mexico State Board of Finance (SBOF), an entity separate and distinct from the Department. Grantee acknowledges and agrees that (i) it is Grantee's sole and absolute responsibility to determine through SBOF staff what (if any) conditions are currently imposed on the Project; (ii) the Department's failure to inform Grantee of a SBOF imposed condition does not affect the validity or enforceability of the condition; (iii) the SBOF may in the future impose further or different conditions upon the Project; (iv) all SBOF conditions are effective without amendment of this Agreement; (v) all applicable SBOF conditions must be satisfied before the

SBOF will release to the Department funds subject to the condition(s); and (vi) the Department's obligation to reimburse Grantee from the Project is contingent upon the then current SBOF conditions being satisfied.

B. Grantee acknowledges and agrees that the SBOF may in its sole and absolute discretion remove a project's assigned bond proceeds if the project doesn't proceed sufficiently. Entities must comply with the requirement to encumber five percent (5%) of Project funds within six months of bond issuance as certified by the grantee in the Bond Questionnaire and Certification documents submitted to the SBOF. Failure to comply may result in the bond proceeds reassignment to a new ready project. If this should occur this grant agreement will be suspended until the entity has demonstrated readiness as determined by the SBOF and the Department.

C. Grantee acknowledges and agrees that this Agreement is subject to the SBOF's Bond Project Disbursements rule, NMAC 2.61.6, as may be amended or re-codified. The rule provides definitions and interpretations of grant language for the purpose of determining whether a particular activity is allowable under the authorizing language of the agreement.

[THIS SPACE LEFT BLANK INTENTIONALLY]

IN WITNESS WHEREOF, the parties have duly executed this Agreement as of the date of execution by the Department.

AGREEMENT

NOW, THEREFORE, in consideration of the mutual covenants and obligations contained herein, the parties hereby mutually agree as follows:

A. The project that is the subject of this Agreement is described as follows:

DFA Appropriation ID F3057 NMDOT Control Number C5213057 $300,000
APPROPRIATION REVERSION DATE: 6/30/2025
Laws of 2021, Chapter 138, Section 33, Subsection 98, Three Hundred Thousand Dollars and No Cents ($300,000), to acquire rights of way and to plan, design, construct and improve pedestrian, bicycle and drainage infrastructure on Governor Miles road in Santa Fe in Santa Fe county; .

[1] The AIPP amount is "an amount of money equal to one percent or two hundred thousand dollars ($200,000), whichever is less, of the amount of money appropriated for new construction or any major renovation exceeding one hundred thousand dollars ($100,000)." Section 13-4A-4 NMSA 1978.

Optional Attachment A sets forth additional or more stringent requirements and conditions, which are incorporated by this reference as if set forth fully herein. The Grantee shall reference the Project's number in all correspondence with and submissions to the Department concerning the Project, including, but not limited to, Requests for Payment and reports.

ARTICLE II. LIMITATION ON DEPARTMENT'S OBLIGATION TO MAKE GRANT DISBURSEMENT TO GRANTEE

A. Upon the Effective Date of this Agreement, for permissible purposes within the scope of the Project Description, the Grantee shall only be reimbursed monies for which the Department has issued and the Grantee has received a Notice of Department's Obligation to Reimburse[2] Grantee (hereinafter referred to as "Notice of Obligation"). This Grant Agreement and the disbursement of any and all amounts of the above referenced Adjusted Appropriation Amount are expressly conditioned upon the following:

(i) Irrespective of any Notice of Obligation, the Grantee's expenditures shall be made on or before the Reversion Date and, if applicable, an Early Termination Date (i.e., the goods have been delivered and accepted or the title to the goods has been transferred to the Grantee and/or the services have been rendered for the Grantee); and

(ii) The total amount received by the Grantee shall not exceed the lesser of: (a) the Adjusted Appropriation Amount identified in Article I(A) herein or (b) the total of all amounts stated in the Notice(s) of Obligation evidencing that the Department has received and accepted the Grantee's Third Party Obligation(s), as defined in subparagraph iii of this Article II(A); and

(iii) The Grantee's expenditures were made pursuant to the State Procurement Code and execution of binding written obligations or purchase orders with third party contractors or vendors for the provision of services, including professional services, or the purchase of tangible personal property and real property for the Project, hereinafter referred to as "Third Party Obligations"; and

   a. must be approved by the applicable oversight entity (if any) in accordance with law; or
   b. if no oversight entity is required to approve the transaction, the Department must approve the transaction as complying with law.

[2] "Reimburse" as used throughout this Agreement includes Department payments to the Grantee for invoices received, but not yet paid, by the Grantee from a third party contractor or vendor, if the invoices comply with the provisions of this Agreement and are a valid liability of the Grantee.

Prior to the sale, lease, license, or operating agreement being approved pursuant to Articles II(A)(v)(a) and II(A)(v)(b) herein, the Department may, in its sole and absolute discretion and unless inconsistent with State Board of Finance imposed conditions, reimburse the Grantee for necessary expenditures incurred to develop the Project sufficiently to make the sale, lease, license, or operating agreement commercially feasible, such as plan and design expenditures; and

(vi) The Grantee's submission of documentation of all Third Party Obligations and amendments thereto (including terminations) to the Department and the Department's issuance and the Grantee's receiving of a Notice of Obligation for a particular amount in accordance with the terms of this Agreement shall be governed by the following:

b. Grantee acknowledges and agrees that if it chooses to enter into a Third Party Obligation prior to receiving a Notice of Obligation that covers the expenditure, it is solely responsible for such obligations.
c. The Department may, in its sole and absolute discretion, issue to Grantee a Notice of Obligation for the particular amount of that Third Party Obligation that only obligates the Department to reimburse Grantee's expenditures made on or before the Reversion Date or an Early Termination Date. The current Notice of Obligation form is attached to this Agreement as Exhibit 2.
d. The date the Department signs the Notice of Obligation is the date that the Department's Notice of Obligation is effective. After that date, the Grantee is authorized to budget the particular amount set forth in the Notice of Obligation, execute the Third Party Obligation and request the Third Party to begin work. Payment for any work performed or goods received prior to the effective date of the Notice of Obligation is wholly and solely the obligation of the Grantee.

B. The Grantee shall implement, in all respects, the Project. The Grantee shall provide all necessary qualified personnel, material, and facilities to implement the Project. The Grantee shall finance its share (if any) of the costs of the Project, including all Project overruns.

In the case of email transmissions, the notice shall be deemed to have been given and received on the date reflected on the delivery receipt of email.

ARTICLE IV. REVERSION DATE, TERM, DEADLINE TO EXPEND FUNDS

A. As referenced in Article I(A), the applicable law establishes a date by which Project funds must be expended by Grantee, which is referred to throughout the remainder of this Agreement as the "Reversion Date." Upon being duly executed by both parties, this Agreement shall be effective as of the date of execution by the Department. It shall terminate on 6/30/2025 the Reversion Date unless Terminated Before Reversion Date ("Early Termination") pursuant to Article V herein.

B. The Project's funds must be expended on or before the Reversion Date and, if applicable, Early Termination Date of this Agreement. For purposes of this Agreement, it is not sufficient for the Grantee to encumber the Project funds on its books on or before the Project's Reversion Date or Early Termination Date. Funds are expended and an expenditure has occurred as of the date that a particular quantity of goods are delivered to and received by the Grantee or title to the goods is transferred to the Grantee and/or as of the date

particular services are rendered for the Grantee. Funds are *not* expended and an expenditure has *not* occurred as of the date they are encumbered by the Grantee pursuant to a contract or purchase order with a third party.

ARTICLE V. EARLY TERMINATION

A. Early Termination Before Reversion Date Due to Completion of the Project or Complete Expenditure of the Adjusted Appropriation or Violation of this Agreement

Early Termination includes:

(i) Termination due to completion of the Project before the Reversion Date; or
(ii) Termination due to complete expenditure of the Adjusted Appropriation Amount before the Reversion Date; or
(iii) Termination for violation of the terms of this Agreement; or
(iv) Termination for suspected mishandling of public funds, including but not limited to, fraud, waste, abuse, and conflicts of interest.

Either the Department or the Grantee may early terminate this Agreement prior to the Reversion Date by providing the other party with a minimum of fifteen (15) days' advance, written notice of early termination. Grantee hereby waives any rights to assert an impairment of contract claim against the Department or the State of New Mexico in the event of Early Termination of this Agreement by the Department pursuant to Article V(A).

B. Early Termination Before Reversion Date Due to Non-appropriation

The terms of this Agreement are expressly made contingent upon sufficient appropriations and authorization being made by the Legislature of New Mexico for the performance of this Agreement. Throughout this Agreement the term "non-appropriate" or "non-appropriation" includes the following actions by the New Mexico Legislature: deauthorization, reauthorization or revocation of a prior authorization. The Legislature may choose to non-appropriate the Appropriation referred to in Article I and, if that occurs, the Department shall early terminate this Agreement for non-appropriation by giving the Grantee written notice of such termination, and such termination shall be effective as of the effective date of the law making the non-appropriation. The Department's decision as to whether sufficient appropriations or authorizations are available shall be accepted by the Grantee and shall be final. Grantee hereby waives any rights to assert an impairment of contract claim against the Department or the State of New Mexico in the event of Early Termination of this Agreement by the Department pursuant to Article V(B).

C. Limitation on Department's Obligation to Make Grant Disbursements to Grantee in the Event of Early Termination

In the event of Early Termination of this Agreement by either party, the Department's sole and absolute obligation to reimburse the Grantee is expressly conditioned upon the limitations set forth Article II.

ARTICLE VI. SUSPENSION OF NEW OR FURTHER OBLIGATIONS

A. The Department may choose, in its sole and absolute discretion, to provide written notice to the Grantee to suspend entering into new and further obligations. Upon the receipt of such written notice by the Grantee:

(i) The Grantee shall immediately suspend entering into new or further written obligations with third parties; and

(ii) The Department will suspend the issuance of any new or further Notice of Obligation under this Agreement; and

(iii) The Department may direct the Grantee to implement a corrective action plan in accordance with Article VI(D) herein.

B. In the event of Suspension of this Agreement, the Department's sole and absolute obligation to reimburse the Grantee is expressly conditioned upon the limitations set forth in Article II herein.

C. A suspension of new or further obligations under this Agreement shall remain in effect unless or until the date the Grantee receives written notice given by the Department informing the Grantee that the Suspension has been lifted or that the Agreement has been Early Terminated in accordance with Article V herein. If the Suspension is lifted, the Department will consider further requests for Notice of Obligation.

D. Corrective Action Plan in the Event of Suspension

In the event that the Department chooses, in its sole and absolute discretion to direct the Grantee to suspend entering into new or further written obligations with third parties pursuant to Article VI(A), the Department may, but is not obligated to, require the Grantee to develop and implement a written corrective action plan to remedy the grounds for the Suspension. Such corrective action plan must be approved by the Department and be signed by the Grantee. Failure to sign a corrective action plan or meet the terms and deadlines set forth in the signed corrective action plan, is hereby deemed a violation of the terms of this Agreement for purposes of Early Termination, Article V(A)(iii). The corrective action plan is in addition to, and not in lieu of, any other equitable or legal remedy, including but not limited to Early Termination.

ARTICLE VII. AMENDMENT

This Agreement shall not be altered, changed, or amended except by instrument in writing duly executed by both the parties hereto.

ARTICLE VIII. REPORTS

A. Database Reporting

The Grantee shall report monthly Project activity by entering such Project information as the Department and the Department of Finance and Administration may require, such information entered directly into a database maintained by the Department of Finance and Administration (http://cpms.dfa.state.nm.us). Additionally, the Grantee shall certify on the Request for Payment form (Exhibit 1) that updates have been maintained and are current in the database. The Grantee hereby acknowledges that failure to perform and/or certify updates into the database will delay or potentially jeopardize the reimbursement of funds. The Department shall give Grantee a minimum of thirty (30) days' advance written notice of any changes to the information the Grantee is required to report.

Monthly reports shall be due on the last day of each month, beginning with the first full month following execution of this Agreement by the Department and ending upon the submission of the final request for reimbursement for the Project.

B. Requests for Additional Information/Project Inspection

During the term of this Agreement and during the period of time during which the Grantee must maintain records pursuant to Article VIII, the Department may:

(i) request such additional information regarding the Project as it deems necessary; and

(ii) conduct, at reasonable times and upon reasonable notice, onsite inspections of the Project.

Grantee shall respond to such requests for additional information within a reasonable period of time, as established by the Department.

ARTICLE IX. REQUEST FOR PAYMENT PROCEDURES AND DEADLINES

A. The Grantee shall request payment by submitting a Request for Payment, in the form attached hereto as Exhibit 1. Payment requests are subject to the following procedures:

(i) The Grantee must submit a Request for Payment; and

(ii) Each Request for Payment must contain proof of payment by the Grantee or liabilities incurred by the Grantee showing that the expenditures are valid or are liabilities incurred by the Grantee in the form of actual unpaid invoices received by the Grantee for services rendered by a third party or items of tangible personal property received by the Grantee for the implementation of the Project; provided, however, that the Grantee may be reimbursed for unpaid liabilities only if the Department, in its sole and absolute discretion, agrees to do so and in accordance with any special conditions imposed by the Department.

(iii) In cases where the Grantee is submitting a Request for Payment to the Department based upon invoices received, but not yet paid, by the Grantee from a third party contractor or vendor, if the invoices comply with the provisions of this Agreement and are a valid liability of the Grantee, the Grantee shall make payment to those contractors or vendors within five (5) business days from the date of receiving reimbursement from the Department or such shorter period of time as the Department may prescribe in writing. The Grantee is required to certify to the Department proof of payment to the third party contractor or vendor within ten (10) business days from the date of receiving reimbursement from the Department.

B. The Grantee must obligate 5% of the Adjusted Appropriation Amount within six months of acceptance of the grant agreement and must have expended no less than 85% of the Adjusted Appropriation Amount six months prior to the reversion date.

C. Deadlines

Requests for Payments shall be submitted by Grantee to the Department on the earlier of:

(i) Immediately as they are received by the Grantee but at a minimum thirty (30) days from when the expenditure was incurred or liability of the Grantee was approved as evidenced by an unpaid invoice received by the Grantee from a third party contractor or vendor; or

(ii) July 15 of each year for all unreimbursed expenditures incurred during the previous fiscal year; or

(iii) Twenty (20) days from date of Early Termination; or

(iv) Twenty (20) days from the Reversion Date.

D. The Grantee's failure to abide by the requirements set forth in Article II and Article IX herein will result in the denial of its Request for Payment or will delay the processing of Requests for Payment. The Department has the right to reject a payment request for the Project unless and until it is satisfied that the expenditures in the Request for Payment are for permissible purposes within the meaning of the Project Description and that the expenditures and the Grantee are otherwise in compliance with this Agreement,

including but not limited to, compliance with the reporting requirements and the requirements set forth in Article II herein to provide Third Party Obligations and the Deadlines set forth in Article IX herein. The Department's ability to reject any Request for Payment is in addition to, and not in lieu of, any other legal or equitable remedy available to the Department due to Grantee's violation of this Agreement.

ARTICLE X. PROJECT CONDITIONS AND RESTRICTIONS; REPRESENTATIONS AND WARRANTIES

A. The following general conditions and restrictions are applicable to the Project:

(i) The Project's funds must be spent in accordance with all applicable state laws, regulations, policies, and guidelines, including, but not limited to, the State Procurement Code (or local procurement ordinance, where applicable).

(ii) The Project must be implemented in accordance with the New Mexico Public Works Minimum Works Act, Section 13-4-10 through 13-4-17 NMSA 1978, as applicable. Every contract or project in excess of sixty thousand dollars ($60,000) that the Grantee is a party to for construction, alteration, demolition or repair or any combination of these, including painting and decorating, of public buildings, public works or public roads and that requires or involves the employment of mechanics, laborers or both shall contain a provision stating the minimum wages and fringe benefits to be paid to various classes of laborers and mechanics, shall be based upon the wages and benefits that will be determined by the New Mexico Department of Workforce Solutions to be prevailing for the corresponding classes of laborers and mechanics employed on contract work of a similar nature in the locality. Further, every contract or project shall contain a stipulation that the contractor, subcontractor, employer or a person acting as a contractor shall pay all mechanics and laborers employed on the site of the project, unconditionally and not less often than once a week and without subsequent unlawful deduction or rebate on any account, the full amounts accrued at time of payment computed at wage rates and fringe benefit rates not less than those determined pursuant to Section 13-4-11 (B) NMSA 1978 to be the prevailing wage rates and prevailing fringe benefit rates issued for the project.

(iii) The Project may only benefit private entities in accordance with applicable law, including, but not limited to, Article IX, Section 14 of the Constitution of the State of New Mexico, the "Anti-Donation Clause."

(iv) The Grantee shall not for a period of 10 years from the date of this agreement convert any property acquired, built, renovated, repaired, designed or developed with the Project's funds to uses other than those specified in the Project Description without the Department's and the Board of Finance's express, advance, written approval, which may include a requirement to reimburse the State for the cost of the project, transfer proceeds from the disposition of property to the State, or otherwise provide consideration to the State.

(v) The Grantee shall comply with all federal and state laws, rules and regulations pertaining to equal employment opportunity. In accordance with all such laws, rules and regulations the Grantee agrees to assure that no person shall, on the grounds of race, color, national origin, sex, sexual preference, age or handicap, be excluded from employment with Grantee, be excluded from participation in the Project, be denied benefits or otherwise be subject to discrimination under, any activity performed under this Agreement. If Grantee is found to be not in compliance with these requirements during the life of this Agreement, Grantee agrees to take appropriate steps to correct any deficiencies. The Grantee's failure to implement such appropriate steps within a reasonable time constitutes grounds for terminating this Agreement.

B. The Grantee hereby represents and warrants the following:

(i) The Grantee has the legal authority to receive and expend the Project's funds.

(ii) This Agreement has been duly authorized by the Grantee, the person executing this Agreement has authority to do so, and, once executed by the Grantee, this Agreement shall constitute a binding obligation of the Grantee, enforceable according to its terms.

(iii) This Agreement and the Grantee's obligations hereunder do not conflict with any law or ordinance or resolution applicable to the Grantee, the Grantee's charter (if applicable), or any judgment or decree to which the Grantee is subject.

(iv) The Grantee has independently confirmed that the Project Description, including, but not limited to, the amount and Reversion Date, is consistent with the underlying appropriation in law.

(v) The Grantee's governing body has duly adopted or passed as an official act a resolution, motion, or similar action authorizing the person identified as the official representative of the Grantee to sign the Agreement and to sign Requests for Payment.

(vi) The Grantee shall abide by New Mexico laws regarding conflicts of interest, governmental conduct and whistleblower protection. The Grantee specifically agrees that no officer or employee of the local jurisdiction or its designees or agents, no member of the governing body, and no other public official of the locality who exercises any function or responsibility with respect to this Grant, during their tenure or for one year thereafter, shall have any interest, direct or indirect, in any contract or subcontract, or the proceeds thereof, for work to be performed or goods to be received, pursuant to this Grant. Further, Grantee shall require all of its contractors to incorporate in all subcontracts the language set forth in this paragraph prohibiting conflicts of interest.

(vii) No funds have been paid or will be paid, by or on behalf of the Grantee, to any person for influencing or attempting to influence an officer or employee of this or any agency or body in connection with the awarding of any Third Party Obligation and that the Grantee shall require certifying language prohibiting lobbying to be included in the award documents for all subawards, including subcontracts, loans and cooperative agreements. All subrecipients shall be required to certify accordingly.

ARTICLE XI. STRICT ACCOUNTABILITY OF RECEIPTS AND DISBURSEMENTS; PROJECT RECORDS

A. The Grantee shall be strictly accountable for receipts and disbursements relating to the Project's funds. The Grantee shall follow generally accepted accounting principles, and, if feasible, maintain a separate bank account or fund with a separate organizational code, for the funds to assure separate budgeting and accounting of the funds.

B. For a period of six (6) years following the Project's completion, the Grantee shall maintain all Project related records, including, but not limited to, all financial records, requests for proposals, invitations to bid, selection and award criteria, contracts and subcontracts, advertisements, minutes of pertinent meetings, as well as records sufficient to fully account for the amount and disposition of the total funds from all sources budgeted for the Project, the purpose for which such funds were used, and such other records as the Department shall prescribe.

C. The Grantee shall make all Project records available to the Department, the Department of Finance and Administration, and the New Mexico State Auditor upon request. With respect to the funds that are the subject of this Agreement, if the State Auditor or the Department of Finance and Administration finds that any or all of these funds were improperly expended, the Grantee may be required to reimburse to the State of New Mexico, to the originating fund, any and all amounts found to be improperly expended.

ARTICLE XII. IMPROPERLY REIMBURSED FUNDS

If the Department determines that part or all of the Appropriation Amount was improperly reimbursed to Grantee, including but not limited to, Project funds reimbursed to Grantee based upon fraud, mismanagement, misrepresentation, misuse, violation of law by the Grantee, or violation of this Agreement, the Grantee shall return such funds to the Department for disposition in accordance with law.

ARTICLE XIII. LIABILITY

Neither party shall be responsible for liability incurred as a result of the other party's acts or omissions in connection with this Agreement. Any liability incurred in connection with this Agreement is subject to immunities and limitations of the New Mexico Tort Claims Act.

ARTICLE XIV. SCOPE OF AGREEMENT

This Agreement constitutes the entire and exclusive agreement between the Grantee and Department concerning the subject matter hereof. The Agreement supersedes any and all prior or contemporaneous agreements, understandings, discussions, communications, and representations, written or verbal.

ARTICLE XV. REQUIRED NON-APPROPRIATIONS CLAUSE IN CONTRACTS FUNDED IN WHOLE OR PART BY FUNDS MADE AVAILABLE UNDER THIS AGREEMENT

The Grantee acknowledges, warrants, and agrees that Grantee shall include a "non-appropriations" clause in all contracts between it and other parties that are (i) funded in whole or part by funds made available under this Agreement and (ii) entered into after the effective date of this Agreement that states:

"The terms of this Agreement are contingent upon sufficient appropriations and authorization being made by the Legislature of New Mexico for the performance of this Agreement. If sufficient appropriations and authorization are not made by the Legislature, the City of Santa Fe may immediately terminate this Agreement by giving Contractor written notice of such termination. The City of Santa Fe's decision as to whether sufficient appropriations are available shall be accepted by the Contractor and shall be final. Contractor hereby waives any rights to assert an impairment of contract claim against the City of Santa Fe or the Department of Transportation or the State of New Mexico in the event of immediate or Early Termination of this Agreement by the City of Santa Fe or the Department"

ARTICLE XVI. REQUIRED TERMINATION CLAUSE IN CONTRACTS FUNDED IN WHOLE OR PART BY FUNDS MADE AVAILABLE UNDER THIS AGREEMENT

Grantee acknowledges, warrants, and agrees that Grantee shall include the following termination clause in all contracts that are (i) funded in whole or part by funds made available under this Agreement and (ii) entered into after the effective date of this Agreement:

"This contract is funded in whole or in part by funds made available under a Department of Transportation Grant Agreement. Should the Department of Transportation early terminate the grant agreement, the City of Santa Fe may early terminate this contract by providing Contractor written notice of such termination. In the event of termination pursuant to this paragraph, the City of Santa Fe only liability shall be to pay Contractor for acceptable goods delivered and services rendered before the termination date."

Grantee hereby waives any rights to assert an impairment of contract claim against the Department or the State of New Mexico in the event of Early Termination of this Agreement by the Department.

XVII. COMPLIANCE WITH UNIFORM FUNDING CRITERIA.

A. Throughout the term of this Agreement, Grantee shall:

1. submit all reports of annual audits and agreed upon procedures required by Section 12-6-3(A)-(B) NMSA 1978 by the due dates established in 2.2.2 NMAC, reports of which must be a public record pursuant to Section 12-6-5(A) NMSA 1978 within forty-five days of delivery to the State Auditor;
2. have a duly adopted budget for the current fiscal year approved by its budgetary oversight agency (if any);
3. timely submit all required financial reports to its budgetary oversight agency (if any); and
4. have adequate accounting methods and procedures to expend grant funds in accordance with applicable law and account for and safeguard grant funds and assets acquired by grant funds.

B. In the event Grantee fails to comply with the requirements of Paragraph A of this Article XVII, the Department may take one or more of the following actions:

1. suspend new or further obligations pursuant to Article VI(A) of this Agreement;
2. require the Grantee to develop and implement a written corrective action plan pursuant to Article VI(D) of this Agreement to remedy the non-compliance;
3. impose special grant conditions to address the non-compliance by giving the Grantee notice of such special conditions in accordance with Article III of this Agreement; the special conditions shall be binding and effective on the date that notice is deemed to have been given pursuant to Article III; or
4. terminate this Agreement pursuant to Article V(A) of this Agreement.

ARTICLE XVIII. SEVERANCE TAX BOND AND GENERAL OBLIGATION BOND PROJECT CLAUSES

A. Grantee acknowledges and agrees that the underlying appropriation for the Project is a severance tax bond or general obligation bond appropriation, and that the associated bond proceeds are administered by the New Mexico State Board of Finance (SBOF), an entity separate and distinct from the Department. Grantee acknowledges and agrees that (i) it is Grantee's sole and absolute responsibility to determine through SBOF staff what (if any) conditions are currently imposed on the Project; (ii) the Department's failure to inform Grantee of a SBOF imposed condition does not affect the validity or enforceability of the condition; (iii) the SBOF may in the future impose further or different conditions upon the Project; (iv) all SBOF conditions are effective without amendment of this Agreement; (v) all applicable SBOF conditions must be satisfied before the

SBOF will release to the Department funds subject to the condition(s); and (vi) the Department's obligation to reimburse Grantee from the Project is contingent upon the then current SBOF conditions being satisfied.

B. Grantee acknowledges and agrees that the SBOF may in its sole and absolute discretion remove a project's assigned bond proceeds if the project doesn't proceed sufficiently. Entities must comply with the requirement to encumber five percent (5%) of Project funds within six months of bond issuance as certified by the grantee in the Bond Questionnaire and Certification documents submitted to the SBOF. Failure to comply may result in the bond proceeds reassignment to a new ready project. If this should occur this grant agreement will be suspended until the entity has demonstrated readiness as determined by the SBOF and the Department.

C. Grantee acknowledges and agrees that this Agreement is subject to the SBOF's Bond Project Disbursements rule, NMAC 2.61.6, as may be amended or re-codified. The rule provides definitions and interpretations of grant language for the purpose of determining whether a particular activity is allowable under the authorizing language of the agreement.

[THIS SPACE LEFT BLANK INTENTIONALLY]

IN WITNESS WHEREOF, the parties have duly executed this Agreement as of the date of execution by the Department.

Summary:
The Resolution designates authorized representatives and agents for an agreement with New Mexico Department of Transportation (NMDOT), regarding Appropriation ID number F3057, and NMDOT Control number C5213057 ("Grant Agreement"). The Grant Agreement makes available three hundred thousand dollars ($300,000), appropriated to acquire rights of way and to plan, design, construct, and improve pedestrian, bicycle, and drainage infrastructure on Governor Miles Road. Additionally, the State reauthorized or re-approved funding of NMDOT Control Number C5213057, and extended the expenditure period from June 30th, 2025, to June 30th, 2027.

Departments Affected:
Public Works Department.

Consequences of Not Enacting Legislation:
If this legislation is not adopted, the City of Santa Fe ("City") will not satisfy Article X.B (v) of the Agreement, which requires the Governing Body to adopt a resolution authorizing the person identified as the official representative of the City to sign the Agreement and to sign Requests for Payment. The City would also not satisfy additional requirements in Attachment A of the Grant Agreement which requires the City to accept responsibility for the project and assume ownership, liability, and maintenance responsibility for all amenities related to the project. Additionally, without the adoption of this Resolution the expenditure period would not be extended from June 30th, 2025, to June 30th, 2027.

Conflict, Duplication, Companionship, or Relationship to Other Legislation:
The Governing Body will approve the agreement through a separate action.

Performance and Administrative Implications:
Public Works Department staff will acquire easements and rights of way for and to plan, design, and construct and improve pedestrian, bicycle and drainage infrastructure on Governor Miles Road. Public Works staff and Finance Department staff will also administer the grant.

Fiscal Implications:
None.

ITEM AND ISSUE:

The resolution approves budget amendments and associated New Mexico Department of Finance and Administration/Local Government Division (DFA/LGD) Summary Schedules, and requests Department of Finance and Administration approval of City of Santa Fe ("City") budget amendments for the fiscal year quarter ending June 30, 2025 (Fourth Quarter).

BACKGROUND AND SUMMARY:

Attached is a resolution listing increases/decreases to the Fiscal Year 2024-2025 (FY2024/25) operating and capital projects budget. These amendments are included in this resolution because they result in a net increase or decrease to the various funds affected and thus require approval from the New Mexico Department of Finance/Local Government Division (DFA/LGD) as part of the quarterly budget resolution. The schedule of detail supporting these increases/decreases is presented as Exhibit A of the proposed resolution in four sections:

A. Sub-Section A: Amendments to FY 2024/25 Budget That Have Previously Been Approved by the Governing Body: these budget amendments have been previously approved by the Governing Body and reflect amendments that exceed $60,000 and result in a net increase or decrease to any funds (and that exclude permitted unspent budget amounts for capital projects and grant-funded projects from the prior year); per City ordinance, such amendments require Governing Body approval. They are included in this resolution for the purpose of summarizing all quarterly budget amendments on a single resolution to provide to DFA/LGD for its review and approval. Presentation of these amendments in a single resolution in this way is much more efficient than the alternative of presenting a revised resolution to DFA/LGD for each individual budget amendment approved by the Governing Body.

B. Sub-Section B: Amendments to FY 2024/25 Budget Previously Approved by other City Actors pursuant to SFCC 1987, Section 11-4 (A), (B) and (F): these amendments were approved by and executed under the authority of the Finance Director (if the net budgetary change to any fund was under $5,000) or the City Manager (if the net budgetary change was between $5,000 and $60,000), per City ordinance. Also included are purely technical corrections and re-

appropriations of unspent prior year budget amounts (including amounts over $60,000 for capital projects and grant-funded projects), which, per City ordinance, the Finance Director may approve based on the prior year's Governing Body-approved budget authority.

C. Sub-Section C: Joint Operations (Buckman Direct Diversion & Santa Fe Solid Waste Management Agency) – Board-Approved Amendments to FY 2024/25 Budget: as the title of this section states, these amendments reflect net changes to the Buckman Direct Diversion and Santa Fe Solid Waste Management Agency joint operations budgets, approved and entered under the authority of the governing boards of those entities, contingent upon City approval. Like the amendments outlined above, these budgetary changes are included in this resolution for the purpose of presenting all quarterly net budgetary fund changes to DFA/LGD for its approval as required by New Mexico state statute.

D. Sub-Section D: Summary of All Quarterly Amendments to FY 2024/25 Budget by Fund: this section summarizes the net changes to all City funds detailed in the previous two sections (A-B). As shown at the bottom of this section, these amendments result in a net increase to the City's overall expenditure budget of $32,040,775 and a net increase to the overall revenue budget of $24,813,764. The resulting net expenditure increase is $7,227,011.

E. Sub-Section E: Summary Schedule – Quarterly Budget Amendments Resolution (BAR) – LGBMS Reconciliation: as required by DFA/LGD, this section summarizes the City's submittal of fourth quarter budget amendments to DFA/LGD, expressed in both the City of Santa Fe fund structure and the DFA/LGD Local Government Budget Management System (LGBMS) fund structure.

Pursuant to SFCC 1987, Section 11-4 (D), the Budget Office summarizes all amendments resulting in net budgetary fund changes in a Resolution on a quarterly basis for Finance Committee consideration and Governing Body approval of the Resolution and subsequently submits said amendments to DFA/LGD for its approval.

ACTION RECOMMENDED:

Finance staff recommend that the Governing Body approve the resolution. Upon approval, the Resolution will be forwarded to DFA/LGD for its approval as is required by New Mexico state statute.

RE: Water Trust Board Project No. WPF-6315, Funding of $2,000,000 for San Juan-Chama Return Pipeline Project

---

EXECUTIVE SUMMARY:

The proposed bill would authorize the execution and delivery of both a Water Project Fund loan of $800,000 as well as a grant of $1,200,000 between the New Mexico Finance Authority (NMFA) and the City of Santa Fe (City), New Mexico. The total amount, $2,000,000, would finance the cost of designing a new pipeline and pumps to reclaim treated effluent water derived from the San Juan-Chama Project water for reuse via return flow credits and increased diversions at the Buckman Direct Diversion intake. The bill specifies that both the loan and the grant be utilized solely for the eligible project costs, pursuant to NMSA 1978, § 72-4A-7(C). With respect to the loan debt, the bill pledges that the City would repay the loan amount and an administrative fee solely from the net revenues of the water utility system of the City.

BACKGROUND: The design for the proposed new San Juan-Chama Return Pipeline Project and pumps to return San Juan-Chama Project source effluent water for reuse via return flow credits and increased diversions is for the purpose of adding resiliency to Santa Fe's regional water supply, which is threatened by drought, climate change and wildfire.

The Borrower/Grantee has duly authorized and approved its acceptance of the Loan/Grant and the execution and delivery of this Agreement and the other documents related to the transaction described in this Agreement, and this Agreement and the other documents related to the transaction to which the Borrower/Grantee is a party constitute legal, valid and binding special obligations of the Borrower/Grantee enforceable against the Borrower/Grantee in accordance with their respective terms.

The Borrower/Grantee shall promptly pay the Loan Amount and Administrative Fee as provided in this Agreement, except when a Hardship Waiver is obtained pursuant to Section 5(a)(iii) of this Agreement. Neither the execution and delivery of this Agreement and the other documents related to the transaction, nor the fulfillment of or compliance with the terms and conditions in this Agreement and the other documents related to the transaction, nor the consummation of the transactions contemplated herein and therein, conflicts with or results in a breach of terms, conditions or provisions of any restriction or any agreement or instrument to which the Borrower/Grantee is a party or by which the Borrower/Grantee is bound or any laws, ordinances, governmental rules or regulations or court or

other governmental orders to which the Borrower/Grantee or its properties are subject, or constitutes a default under any of the foregoing.

While this Agreement remains outstanding and unpaid, any ordinance, resolution or other enactment of the Governing Body applying the Pledged Revenues for the payment of this Agreement, including the Ordinance shall be irrevocable until the Project has been fully acquired and completed, and the Loan Amount, including all principal and interest has been repaid, or provision made for payment thereof, and shall not be subject to amendment or modification in any manner which would result in any use of the proceeds of this Agreement in a manner not permitted or contemplated by the terms hereof. The Borrower/Grantee shall not impair the rights of the NMFA or of any holders of bonds or other obligations payable from the Pledged Revenues while this Agreement is outstanding.

(l) No Litigation. To the knowledge of the Borrower/Grantee, no litigation or proceeding is pending or threatened against the Borrower/Grantee or any other person affecting the right of the Borrower/Grantee to execute or deliver this Agreement and the other documents related to the transaction or to comply with its obligations under this Agreement and the other documents related to the transaction. Neither the execution and delivery of this Agreement and the other documents related to the transaction by the Borrower/Grantee nor compliance by the Borrower/Grantee with the obligations under this Agreement and the other documents related to the transaction, requires the approval of any regulatory body, or any other entity, which approval has not been obtained or which is not reasonably expected to be obtained.

(m) No Event of Default. No event has occurred and no condition exists which, with the giving of notice or the passage of time or upon the execution and delivery of this Agreement and the other documents related to the transaction, would constitute an Event of Default on the part of the Borrower/Grantee under this Agreement and the other documents related to the transaction.

The Borrower/Grantee covenants that, in addition to complying with the Rate Covenant set forth and defined in the Master Water Utility Ordinance, it will at all times fix, charge and collect such rates and charges as shall be required in order that in each Fiscal Year in which the Loan is outstanding the Gross Revenues shall at least equal the Operation and Maintenance Expenses of the System for the Fiscal Year, plus one hundred percent (100%) of the maximum annual principal and interest payments due on all outstanding obligations payable from the Pledged Revenues.

(s) Borrower/Grantee's Existence. The Borrower/Grantee will maintain its legal identity and existence so long as this Agreement remains outstanding unless another political subdivision, State agency, or other entity by operation of law succeeds to the liabilities, rights and duties of the Borrower/Grantee under this Agreement without adversely affecting to any substantial degree the privileges and rights of the Lender/Grantor.

(t) Use of Project; Continuing Covenant. During the Agreement Term, the Borrower/Grantee will at all times use the Project for the benefit of the Borrower/Grantee and the public it serves. The engineering design or engineering feasibility reports shall not involve or anticipate a sale, lease, mortgage, pledge, or the relocation or disposal of any part of the Project or System designed during its Useful Life; provided, however, that if the Project is a joint project of the Borrower/Grantee and other qualifying entities (as defined by the Act), the Borrower/Grantee and the other qualifying entities may, with the express written approval of the NMFA and not otherwise, enter into an agreement allocating ownership and operational and maintenance responsibilities for the Project during the term of the Agreement. Any such agreement shall provide that the Lender/Grantor, or either of them, shall have the power to enforce the terms of this Agreement, without qualification, as to each and every qualifying entity (as defined by the Act) other than the Borrower/Grantee, owning or operating any portion of the Project during the term of the Agreement. The Borrower/Grantee will operate and maintain the Project, so that it will function properly over its Useful Life.

As required by NMSA 1978, § 72-4A-7(A)(3) of the Act, as amended, and the Board Rules, the Borrower/Grantee shall provide written assurance signed by an attorney or provide a title insurance policy ensuring that the Borrower/Grantee has proper title to, easements, rights of way or use permits on the real property upon or through which the Project will be conducted and completed and if any portion of the Project will be designed, constructed, located, completed or extended on real property owned by a qualifying entity (as defined by the Act) other than the Borrower/Grantee, such other qualifying entity has title to such real property, and the Borrower/Grantee shall provide written assurance signed by an attorney or provide a title insurance policy ensuring that such other qualifying entity has proper title to such real property.

(v) Additional Funding Amount. Together with the Loan/Grant Amount and other amounts available to the Borrower/Grantee, the Additional Funding Amount is now available to the Borrower/Grantee, and in combination with the Loan/Grant Amount, will be sufficient to complete the Project. If any other additional expenses are incurred, the Borrower/Grantee shall be responsible for payment of such expenses.

(w) Audit Requirement. During the Agreement Term the Borrower/Grantee shall comply with the requirements of the State Audit Act, NMSA 1978, §§ 12-6-1 through 12-6-14, as amended. Such books shall include, but not necessarily be limited to, monthly records showing: (i) the number of customers for the System; (ii) the revenues separately received from charges by classes of customers, including but not necessarily limited to classification by facilities; and (iii) a detailed statement of the expenses of the System.

Bills for water service or facilities, furnished by or through the System, shall be rendered to customers on a regular basis each month following the month in which the service was rendered and shall be due as required by the applicable ordinance, resolution or regulation of the Borrower/Grantee. If permitted by law, if a bill is not paid within the period of time required by such ordinance, resolution or regulation, water service shall be discontinued as required by such ordinance, resolution or regulation, and the rates and charges due shall be collected in a lawful manner, including, but not limited to, the cost of disconnection and reconnection.

(bb) Competent Management. The Borrower/Grantee shall employ or contract for experienced and competent personnel to manage the System.

(ee) Additional Obligations. The Borrower/Grantee may incur additional Senior Obligations upon the satisfaction of the additional bonds test set forth in the Master Water Utility Ordinance. The Borrower/Grantee shall obtain the written consent of the NMFA prior to the issuance of additional Parity Obligations unless such Parity Obligation has been issued by the NMFA. The Borrower/Grantee shall identify any additional Senior Obligations issued by the

Borrower/Grantee after the Closing Date in any future application for financing submitted to the NMFA.

(g) Notwithstanding anything in this Agreement to the contrary, the NMFA shall not be obligated to execute the Agreement and may not make the Loan/Grant until the Borrower/Grantee has provided to the NMFA the documents listed on Exhibit "F" attached hereto, all of which must be in form and content acceptable to the NMFA.

Section 4.2 Determination of Eligibility Is Condition Precedent to Disbursement. No request for payment shall be made, nor shall any disbursement be made from the Water Project Fund, for any requisition of any portion of the Loan/Grant Amount, except upon a determination by the NMFA in its sole and absolute discretion that such disbursement is for payment of Eligible Items, and that the request for payment or disbursement does not exceed any limitation upon the amount payable for any Eligible Item pursuant to the Act, the Board Rules, and the Policies governing the Water Project Fund. The NMFA, as a condition precedent to submitting any request for payment to the State Board of Finance or making any requested disbursement from the Water Project Fund, may require submittal of such documentation as the NMFA deems necessary, in its sole and absolute discretion, for a determination whether any requested disbursement is for payment of Eligible Items and is fully consistent with the Act, the Board Rules, and the Policies, as applicable.

ARTICLE V
LOAN TO THE BORROWER/GRANTEE; GRANT TO THE BORROWER/GRANTEE; APPLICATION OF MONEYS

Section 5.1 Loan and Grant to the Borrower/Grantee.

(a) Loan to the Borrower/Grantee. The Lender/Grantor hereby lends to the Borrower/Grantee and the Borrower/Grantee hereby borrows from and agrees to pay to the order of the Lender/Grantor, without interest, an amount equal to the Loan Amount, with the principal amount of the Loan Amount being payable as provided by Article VI and Exhibit "B" of this Agreement.

(i) Subordinate Nature of Loan Amount and Administrative Fee Obligation. The obligation of the Borrower/Grantee to make the Loan Payments and to pay the Administrative Fee shall be subordinate to all other indebtedness secured by the Pledged Revenues existing on the Closing Date and, further, that may in the future be secured by the Pledged Revenues; except, however, that the obligation of the Borrower/Grantee to make the Loan Payments and to pay the Administrative Fee shall be on parity with any other obligation, present or future, of the Borrower/Grantee to repay a loan provided by the Lender/Grantor pursuant to the Act or the Colonias Infrastructure Act.

(ii) Administrative Fee. The Borrower/Grantee shall, on an annual basis beginning on the first payment date following the completion of the Project or exhaustion of all Loan/Grant Amounts as set out in Section 5.3 hereof, pay to the Lender/Grantor the Administrative Fee, taking into account both payments made by the Borrower/Grantee and Hardship Waivers granted to the Borrower/Grantee as provided by this Agreement. Any such Administrative Fee payment shall be due irrespective of whether or not a Hardship Waiver is granted to the Borrower/Grantee for the principal payment otherwise due on June 1 of the applicable year or any other year.

(iii) Hardship Waivers of Payment. Each year while any portion of the Loan Amount remains outstanding, no later than April 1 of each such year, the Borrower/Grantee may apply in writing to the NMFA for a determination of whether the annual principal payment on the Loan Amount otherwise due on the upcoming June 1 of such year should be forgiven because such payment would cause undue hardship for the Borrower/Grantee or the public it serves. The Borrower/Grantee shall submit such application to the NMFA for determination with sufficient documentation of the existence of such undue hardship as is reasonably required by the NMFA to make a determination, and the Borrower/Grantee shall promptly respond to additional requests for information from the NMFA. Such application for Hardship Waiver shall be executed by the Authorized Officers of the Borrower/Grantee. An "undue hardship" exists if the NMFA determines that the Borrower/Grantee is facing unforeseen events or an emergency that has caused the Borrower/Grantee to be unable to pay on a timely basis the annual principal payment on the Loan Amount. The NMFA may consult the Department of Finance and Administration in determining whether to grant the Hardship Waiver. The NMFA shall make a determination no later than May 15 of the applicable year, and the NMFA shall promptly communicate to the Borrower/Grantee in writing the results of its determination. Upon receipt of written notice of the determination, either the principal payment otherwise due on June 1 of such year shall be forgiven (in the event of a determination of undue hardship) or the principal payment shall remain outstanding and due and payable on June 1 (in the event no undue hardship is determined to exist).

(b) Grant and Acceptance. The Lender/Grantor hereby grants to the Borrower/Grantee and the Borrower/Grantee hereby accepts from the Lender/Grantor an amount equal to the Grant Amount.

(c) Project Account. The NMFA shall establish and maintain the Project Account as a book account only, on behalf of the Borrower/Grantee, which account shall be kept separate and apart from all other accounts of the NMFA.

(d) Constitutional and Statutory Debt Limitations. No provision of this Agreement shall be construed or interpreted as creating a general obligation or other indebtedness of the Water Trust Board, the NMFA, the State or the Borrower/Grantee within the meaning of any constitutional or statutory debt limitation.

Section 5.2 Application of Loan/Grant Amount. Following the determination by the NMFA in its sole and absolute discretion that the Conditions to the disbursement of the Loan/Grant Amount have been satisfied, the NMFA shall make an entry in its accounts, and in particular in the Project Account, reflecting the proceeds of the Loan/Grant Amount made available for disbursement from the Water Project Fund to the Borrower/Grantee at its request, and as needed by it to acquire and complete the Project, as provided in Section 7.2 of this Agreement.

Section 5.3 Final Requisition. The Final Requisition shall be submitted by the Borrower/Grantee within the Interim Period. The Interim Period may be extended only as approved in writing by an Authorized Officer of the NMFA, based on the Borrower/Grantee's demonstration, to the reasonable satisfaction of the Authorized Officer of the NMFA, that unanticipated circumstances beyond the control of the Borrower/Grantee resulted in delaying the acquisition and completion of the Project, and submission of the Borrower/Grantee's Final Requisition.

Section 5.4 Investment of Monies. Money in the Water Project Fund, representing proceeds of this Agreement, held and administered by the NMFA, may be invested by the NMFA for the credit of the Water Project Fund.

ARTICLE VI
LOAN PAYMENTS BY THE BORROWER/GRANTEE

Section 6.1 Loan to the Borrower/Grantee; Payment Obligations Limited to Pledged Revenues; Pledge of Pledged Revenues. The NMFA hereby lends to the Borrower/Grantee and the Borrower/Grantee hereby borrows from the NMFA an amount not to exceed the Loan Amount. The Borrower/Grantee promises to pay, but solely from the sources pledged herein, the Loan Payments and the Administrative Fees and other amounts owed by the Borrower/Grantee as herein provided. Subject to any outstanding Parity Obligations and Senior Obligations, the Borrower/Grantee does hereby grant a lien on and a security interest in and does hereby convey, assign and pledge unto the NMFA and unto its successors in trust forever all right, title and interest of the Borrower/Grantee in and to (i) the Pledged Revenues to the extent required to pay the Loan Payments, and to pay the Administrative Fees and other amounts owed by the Borrower/Grantee as herein provided, subject to and subordinate to all other pledges of the Pledged Revenues existing on the Closing Date and, further, that may exist in the future (except only that the pledge of the Pledged Revenues herein shall be on a parity with any other pledge of the Pledged Revenues by the Borrower/Grantee to repay any obligations issued by the Lender/Grantor pursuant to the Act or the Colonias Infrastructure Act); (ii) the Loan/Grant Amount including the Project Account; and (iii) all other rights hereinafter granted, for the securing of the Borrower/Grantee's obligations under this Agreement, including payment of the Loan Payments, Administrative Fees and other amounts owed by the Borrower/Grantee as herein provided, however, that if the Borrower/Grantee, its successors or assigns, shall pay, or cause to be paid, all Loan Payments and Administrative Fees at the time and in the manner contemplated by this Agreement, or shall provide as permitted by Section 6.5 of this Agreement for the payment thereof, and shall pay all other amounts due or to become due under this Agreement in accordance with its terms and provisions then, upon such final payment, this Agreement and the rights created thereby shall terminate; otherwise, this Agreement shall remain in full force and effect.

The schedule of Loan Payments, assuming the disbursal of the entire Loan/Grant Amount within twenty-four (24) months after the Closing Date, identified as the Interim Debt Service Schedule, is attached to this Agreement as Exhibit "B". Within thirty (30) days after the Final Requisition is made, the NMFA shall provide a Final Debt Service Schedule, reflecting the amount of the Loan/Grant Amount actually disbursed to the Borrower/Grantee pursuant to this Agreement. Such Final Debt Service Schedule shall supersede the schedule attached hereto as Exhibit "B". The NMFA shall additionally calculate the amount of the Administrative Fee that has accumulated

during that twenty-four (24) month period from the Closing Date, and shall include such amount in the first Loan Payment due from the Borrower/Grantee on the Final Debt Service Schedule.

The pledge of the Pledged Revenues and the lien thereon shall be effective upon the Closing Date. The Borrower/Grantee and the NMFA acknowledge and agree that the obligations of the Borrower/Grantee hereunder are limited to the Pledged Revenues; and that this Agreement with respect to the Loan Amount, the Administrative Fee and other amounts owed by the Borrower/Grantee as herein provided, and that the Agreement shall constitute a special, limited obligation of the Borrower/Grantee. No provision of this Agreement shall be construed or interpreted as creating a general obligation or other indebtedness of the Borrower/Grantee or the State within the meaning of any constitutional or statutory debt limitation. No provision of this Agreement shall be construed to pledge or to create a lien on any class or source of Borrower/Grantee moneys other than the Pledged Revenues, nor shall any provision of this Agreement restrict the future issuance of any bonds or obligations payable from any class or source of Borrower/Grantee moneys other than the Pledged Revenues. In addition, to the extent not required for the payment of obligations of the Borrower/Grantee hereunder, the Pledged Revenues may be utilized by the Borrower/Grantee for any other purposes permitted by law.

Section 6.2 Deposit of Payments of Loan Amount to Water Project Fund. All Loan Payments made by the Borrower/Grantee to the NMFA to repay the Loan Amount and interest thereon, if any, shall be deposited into the Water Project Fund.

Section 6.3 Manner of Payment. The Loan Amount and Administrative Fee shall be payable by the Borrower/Grantee to the Lender/Grantor in annual installments on June 1 beginning after expiration of the Interim Period and continuing through the expiration of the last Loan Payment due as outlined in the Final Debt Service Schedule. All payments of the Borrower/Grantee hereunder shall be paid in lawful money of the United States of America to the NMFA at the address designated in Section 11.1 of this Agreement or by electronic debit of the account identified in the ACH Authorization. The obligation of the Borrower/Grantee to make payments hereunder, from and to the extent of the available Pledged Revenues, shall be absolute and unconditional in all events, except as expressly provided hereunder. Notwithstanding any dispute between the Borrower/Grantee and the NMFA, any vendor or any other person, the Borrower/Grantee shall make all deposits hereunder, from and to the extent of the available Pledged Revenues, when due and shall not withhold any deposit hereunder pending final resolution of such dispute, nor shall the Borrower/Grantee assert any right of set-off or counterclaim against its obligation to make such deposits required hereunder.

Section 6.4 Borrower/Grantee May Budget for Payments. The Borrower/Grantee may, in its sole discretion, but without obligation and subject to the Constitution of the State, governing laws, and its budgetary requirements, make available properly budgeted and legally available funds to make the Loan Payments and other amounts owed by the Borrower/Grantee hereunder; provided, however, the Borrower/Grantee has not covenanted and cannot covenant to make such funds available and has not pledged any of such funds for such purpose.

Section 6.5 No Penalty for Prepayment of the Loan Amount. The Loan Amount shall be pre-payable by the Borrower/Grantee at the conclusion of the Interim Period without penalty.

Section 6.6 Lender/Grantor's Release of Lien and Further Assurances. Upon payment in full of the Loan Amount, Administrative Fee and other amounts owed by the Borrower/Grantee as herein provided in this Agreement and upon written request from the Borrower/Grantee the Lender/Grantor agrees to execute a release of lien and to give such further assurances as are reasonably necessary to ensure that the Lender/Grantor no longer holds or maintains any lien or claim against the Pledged Revenues.

ARTICLE VII
THE PROJECT

Section 7.1 Agreement to Acquire, Complete and Maintain the Project.

(a) The Borrower/Grantee hereby agrees that in order to effectuate the purposes of this Agreement and to acquire and complete the Project it shall take such steps as are necessary and appropriate to acquire, complete, operate and maintain the Project lawfully and efficiently. The plans and specifications for the Project shall incorporate available technologies and operational design for water use efficiency. No Loan/Grant funds shall be used for items not constituting Eligible Items.

(b) As provided by NMSA 1978, § 72-4A-7(A)(1), as amended, of the Act, the Project shall be designed to have a structural and material design life of the Useful Life of the Project; provided, that if any portion of the Project will be constructed, located, completed, installed or extended on real property owned by a qualifying entity (as defined by the Act) other than the Borrower/Grantee, the Borrower/Grantee may, prior to any use of the Loan/Grant funds for the Project on such real property, obtain the written agreement of such other qualifying entity to perform these obligations with respect to such real property (and the portion of the Project to be constructed, located, completed or extended on such real property), which written agreement shall be subject to approval by the Lender/Grantor and shall include an express statement by such other qualifying entity that the Lender/Grantor is a third party beneficiary of such written agreement.

Section 7.2 Accounting for Amounts Credited to the Project Account. So long as no Event of Default shall occur and provided that all Conditions to the disbursement of the Loan/Grant Amount have been satisfied (including approval of the plans and specifications), upon receipt by the NMFA of a requisition substantially in the form of Exhibit "C" attached hereto signed by an Authorized Officer of the Borrower/Grantee, supported by certification by the Borrower/Grantee's project architect, engineer, or such other authorized representative of the Borrower/Grantee that the amount of the disbursement request represents the progress of design, construction, acquisition or other Project-related activities accomplished as of the date of the disbursement request, the NMFA shall, in its sole and absolute discretion: (1) submit a request for payment to the State Board of Finance for payment; and/or (2) disburse from the Water Project Fund, amounts which together are sufficient to pay the requisition in full. The NMFA shall make the appropriate entry in the Project Account reflecting the amount of the payment. The certification provided pursuant to this Section 7.2 in support of the requisition must be acceptable in form and substance to the NMFA and, at its request, the Water Trust Board. The Borrower/Grantee shall provide such records or access to the Project as the NMFA, and, at its request, the Water Trust Board, in the discretion of each, may request in connection with the approval of the Borrower/Grantee's requisition requests made hereunder.

Section 7.3 No Disbursement for Prior Expenditures Except upon Approval. No disbursement shall be made from the Water Project Fund of the Loan/Grant Amount, or any portion thereof, without the written approval of the NMFA and, at its request, the Water Trust Board, to reimburse any expenditure made prior to the Closing Date.

Section 7.4 Borrower/Grantee Reporting to Lender/Grantor. During the acquisition implementation, installation and construction of the Project, the Borrower/Grantee shall provide the Lender/Grantor with a quarterly written report executed by an Authorized Officer of the Borrower/Grantee, in the form attached as Exhibit "D" hereto or in another form reasonably acceptable to the Lender/Grantor, describing the status of the Project as of the report date, uses of Loan/Grant funds during the quarterly period ending on the report date, and requests for distributions of Loan/Grant funds anticipated to occur during the quarterly period immediately following the report date. The first quarterly report shall be due on September 30, 2025 and subsequent reports shall be due on each March 31, June 30, September 30 and December 31 thereafter until the report date next following final distribution of the Loan/Grant funds. No reports shall be required after the report date next following final distribution of the Loan/Grant Funds, unless specifically required by the NMFA or the Water Trust Board. The description of the status of the Project in each quarterly report shall include, among other information, (a) a comparison of actual and anticipated requests for distributions of Loan/Grant funds as of the report date with those anticipated as of the Closing Date, (b) a description of actual and anticipated changes in the cost estimates for the Project as of the report date compared with those anticipated as of the Closing Date, (c) a description of the percentage of completion of the Project; and (d) a timeline of projected milestones.

Section 7.5 Completion of Disbursement of Loan/Grant Funds. Upon completion of the Project an Authorized Officer of the Borrower/Grantee shall deliver a certificate to the NMFA substantially in the form of Exhibit "E" attached hereto, stating that, to his or her knowledge, either (1) the Project has been completed, or (2) that the portion of the Loan/Grant Amount needed to complete the Project has been disbursed in accordance with the terms of this Agreement. No portion of the Loan/Grant Amount shall be disbursed after expiration of the Interim Period.

Section 7.6 Application of Project Account Subsequent to Disbursement of Loan/Grant Funds; Termination of Pledge.

(a) Upon the completion of the Project as signified by delivery of the completion certificate required by Section 7.5 hereof, the NMFA shall determine, by reference to the Project Account, whether any portion of the authorized Loan/Grant Amount remains unexpended and shall dispose of such unexpended proceeds in accordance with law.

(b) In the event that a portion of the Loan/Grant Amount remains unexpended after the expiration of the Interim Period, the NMFA shall dispose of such funds in accordance with law.

Upon the occurrence of either event described in (a) or (b) above, the NMFA shall make the appropriate entry in the Project Account and, upon such entry, the pledge of the Loan/Grant Amount established in this Agreement shall terminate.

ARTICLE VIII
COMPLIANCE WITH LAWS AND RULES; OTHER COVENANTS

Section 8.1 Further Assurances and Corrective Instruments. The Lender/Grantor and the Borrower/Grantee agree that they will, from time to time, execute, acknowledge and deliver, or cause to be executed, acknowledged and delivered, such supplements hereto and such further instruments as may reasonably be required for correcting any inadequate or incorrect description of the Project or of the Pledged Revenues and for carrying out the intention hereof.

Section 8.2 Representatives of Lender/Grantor or of Borrower/Grantee. Whenever under the provisions hereof the approval of the Lender/Grantor or the Borrower/Grantee is required, or the Borrower/Grantee, or the Lender/Grantor is required to take some action at the request of either of them, such approval or such request shall be given for the Lender/Grantor or for the Borrower/Grantee, by an Authorized Officer of the Lender/Grantor or the Borrower/Grantee, as the case may be, and any party hereto shall be authorized to act on any such approval or request.

Section 8.3 Selection of Contractors. All contractors providing services or materials in connection with the Project shall be selected in accordance with applicable provisions of the New Mexico Procurement Code, NMSA 1978, §§ 13-1-28 through 13-1-199, as amended, or, if the Borrower/Grantee is not subject to the New Mexico Procurement Code, shall be selected in accordance with a documented procurement process duly authorized and established pursuant to laws and regulations applicable to the Borrower/Grantee.

Section 8.4 Non-Discrimination in Employment. Except as otherwise specifically provided in the laws, statutes, ordinances or regulations of the Borrower/Grantee, the Borrower/Grantee shall require in any contract or subcontract executed in connection with the Project to which the Borrower/Grantee is a party that there shall be no discrimination against any employee or applicant for employment because of race, color, creed, sex, religion, sexual preference, ancestry or national origin.

Section 8.5 Little Miller Act. To the extent NMSA 1978, § 13-4-1 et seq., (the "Little Miller Act") is applicable to the Project, the Borrower/Grantee shall comply with the requirements of the "Little Miller Act". If bonding requirements of the Little Miller Act are not applicable to the Project, the Borrower/Grantee will require that the contractor to whom is given any contract for construction appertaining to the Project supply a performance bond or bonds satisfactory to the Borrower/Grantee. Any sum or sums derived from said performance bond or bonds shall be used within six (6) months after such receipt for the completion of said construction, and if not so used within such period, shall be treated as Gross Revenues.

Section 8.6 Required Contract Provisions. The Borrower/Grantee shall require the following provisions in any contract or subcontract executed in connection with the Project to which the Borrower/Grantee is a party:

(a) There shall be no discrimination against any employee or applicant for employment because of race, color, creed, sex, religion, sexual preference, ancestry or national origin; and

(b) Any contractor or subcontractor providing construction services in connection with the Project shall post a performance and payment bond in accordance with the requirements of NMSA 1978, § 13-4-18, as amended.

(c) Any contractor or subcontractor providing construction services in connection with the Project shall comply with the prevailing wage laws in accordance with the requirements of NMSA 1978, § 13-4-11, as amended.

Section 8.7 Application of Act and Board Rules. While this Agreement is outstanding, the Lender/Grantor and the Borrower/Grantee expressly acknowledge that this Agreement is governed by provisions and requirements of the Act and the Board Rules, as amended and supplemented, and all applicable provisions and requirements of the Act and Board Rules are incorporated into this Agreement by reference.

Section 8.8 Continuing Disclosure. The Borrower/Grantee shall provide continuing disclosure to the NMFA, as the NMFA may require, that shall include, but not be limited to: annual audits and notification of any event deemed material by the NMFA, including but not limited to, any event which may or does affect the Pledged Revenues, the ability of the Borrower/Grantee to repay the loan, and the default of the Borrower/Grantee in performance or observance of any covenant, term, or condition contained in any other loan agreement.

ARTICLE IX
INSURANCE; NON-LIABILITY OF LENDER/GRANTOR

Section 9.1 Insurance. The Borrower/Grantee shall carry general liability insurance or participate in the State's risk-management program and, to the extent allowed by the New Mexico Tort Claims Act, NMSA 1978, §§ 41-4-1 through 41-4-30, as amended, shall and hereby agrees to name the Lender/Grantor as an additional insured with respect to all claims, by or on behalf of any person, firm, corporation or other legal entity arising from the acquisition, completion or implementation of the Project or otherwise during the Agreement Term; provided, that if any portion of the Project will be constructed, located, completed or extended on real property owned by a qualifying entity (as defined by the Act) other than the Borrower/Grantee, the Borrower/Grantee may obtain the written agreement of such other qualifying entity to perform these insurance/risk-management program requirements for Borrower/Grantee with respect to such real property (and the portion of the Project to be constructed, located, completed or extended on such real property), which written agreement shall include an express statement by such other qualifying entity that the Lender/Grantor is a third party beneficiary of such written agreement.

Section 9.2 Non-Liability of Lender/Grantor.

(a) Lender/Grantor shall not be liable in any manner for the Project, Borrower/Grantee's use of the Loan/Grant, the acquisition, implementation, construction, installation, ownership, operation or maintenance of the Project, or any failure to act properly by the Borrower/Grantee or any other owner or operator of the Project.

(b) Lender/Grantor shall not be liable for the refusal or failure of any other agency of the State to transfer any portion of the Loan/Grant Amount in its possession, custody

and control to the NMFA for disbursement to the Borrower/Grantee, or to honor any request for such transfer or disbursement of the Loan/Grant Amount.

(c) From and to the extent of the Pledged Revenues, and to the extent permitted by law, the Borrower/Grantee shall and hereby agrees to indemnify and save the NMFA harmless against and from all claims, by or on behalf of any person, firm, corporation, or other legal entity, arising from the acquisition or operation of the Project during the Agreement Term, from: (i) any act of negligence or other misconduct of the Borrower/Grantee, or breach of any covenant or warranty by the Borrower/Grantee hereunder; and (ii) the incurrence of any cost or expense in connection with the acquisition or operation of the Project in excess of the Loan/Grant Agreement proceeds and interest on the investment thereof. The Borrower/Grantee shall indemnify and save the NMFA harmless, from and to the extent of the available Pledged Revenues, and to the extent permitted by applicable law, from any such claim arising as aforesaid from (i) or (ii) above, or in connection with any action or proceeding brought thereon and, upon notice from the NMFA, shall defend the NMFA in any such action or proceeding.

ARTICLE X
EVENTS OF DEFAULT AND REMEDIES

Section 10.1 Events of Default Defined. Any one of the following shall be an "Event of Default" under this Agreement:

(a) Failure by the Borrower/Grantee to pay any amount required to be paid under this Agreement on the date on which it is due and payable;

(b) Failure by the Borrower/Grantee to observe and perform any covenant, condition or agreement on its part to be observed or performed under this Agreement for a period of thirty (30) days after written notice, specifying such failure and requesting that it be remedied, is given to the Borrower/Grantee by the Lender/Grantor unless the Lender/Grantor shall agree in writing to an extension of such time prior to its expiration; provided, however, if the failure stated in the notice can be wholly cured within a period of time not materially detrimental to the rights of the Lender/Grantor but cannot be cured within the applicable thirty (30) day period, the Lender/Grantor will not unreasonably withhold their consent to an extension of such time if corrective action is instituted by the Borrower/Grantee within the applicable period and diligently pursued until the failure is corrected; and provided, further, that if by reason of force majeure the Borrower/Grantee is unable to carry out the agreements on its part herein contained, the Borrower/Grantee shall not be deemed in default under this paragraph 10.1(b) during the continuance of such inability (but force majeure shall not excuse any other Event of Default); or

(c) Any warranty, representation or other statement by or on behalf of the Borrower/Grantee contained in this Agreement or in any instrument furnished in compliance with or in reference to this Agreement is false or misleading in any material respect;

(d) A petition is filed against the Borrower/Grantee under any bankruptcy, moratorium, reorganization, arrangement, insolvency, readjustment of debt, dissolution or liquidation law of any jurisdiction, whether now or hereafter in effect, and is not dismissed within thirty (30) days after such filing, but the NMFA shall have the right to intervene in the proceedings prior to the expiration of such thirty (30) days to protect their interests;

(e) The Borrower/Grantee files a petition in voluntary bankruptcy or seeking relief under any provision of any bankruptcy, moratorium, reorganization, arrangement, insolvency, readjustment of debt, dissolution or liquidation law of any jurisdiction, whether now or hereafter in effect, or consents to the filing of any petition against it under any such law; or

(f) The Borrower/Grantee admits insolvency or bankruptcy or its inability to pay its debts as they become due or is generally not paying its debts as such debts become due, or becomes insolvent or bankrupt or makes an assignment for the benefit of creditors, or a custodian (including, without limitation, a receiver, liquidator or trustee) of the Borrower/Grantee for any of its property is appointed by court order or takes possession thereof and such order remains in effect or such possession continues for more than thirty (30) days, but the NMFA shall have the right to intervene in the proceedings prior to the expiration of such thirty (30) days to protect their interests.

(g) Default by the Borrower/Grantee in performance or observance of any covenant contained in any other loan agreement, document or instrument of any type whatsoever evidencing or securing obligations of the Borrower/Grantee to the NMFA.

Section 10.2 Remedies on Default. Whenever any Event of Default has occurred and is continuing and subject to Section 10.3 hereof, the Lender/Grantor may take any or all of the following actions as may appear necessary or desirable to collect the payments then due and to become due or to enforce performance of any obligations of the Borrower/Grantee in this Agreement:

(a) File a mandamus proceeding or other action or proceeding or suit at law or in equity to compel the Borrower/Grantee to perform or carry out its duties under the law and the agreements and covenants required to be performed by it contained herein;

(b) Terminate this Agreement;

(c) Cease disbursing any further amounts from the Project Account;

(d) Demand that the Borrower/Grantee immediately repay the Loan/Grant Amount or any portion thereof if such funds were not utilized in accordance with this Agreement;

(e) File a suit in equity to enjoin any acts or things which are unlawful or violate the rights of the Lender/Grantor;

(f) Intervene in judicial proceedings that affect this Agreement or the Pledged Revenues; or

(g) Cause the Borrower/Grantee to account as if it were the trustee of an express trust for all of the Pledged Revenues;

(h) Take whatever other action at law or in equity may appear necessary or desirable to collect amounts then due and thereafter to become due under this Agreement or to enforce any other of its rights hereunder; or

(i) Apply any amounts in the Project Account toward satisfaction of any and all fees and costs incurred in enforcing the terms of this Agreement.

Section 10.3 Limitations on Remedies. A judgment requiring payment of money entered against the Borrower/Grantee shall be paid from only available Pledged Revenues unless the Borrower/Grantee in its sole discretion pays the judgment from other available funds.

Section 10.4 No Remedy Exclusive. No remedy herein conferred upon or reserved to the Lender/Grantor is intended to be exclusive, and every such remedy shall be cumulative and shall be in addition to every other remedy given hereunder or now or hereafter existing at law or in equity. No delay or omission to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver thereof, but any such right and power may be exercised from time to time and as often as may be deemed expedient. In order to entitle the Borrower/Grantee or the Lender/Grantor to exercise any remedy reserved in this Article X, it shall not be necessary to give any notice, other than such notice as may be required in this Article X.

Section 10.5 Waivers of Events of Default. The Lender/Grantor may, in its sole discretion, waive any Event of Default hereunder and the consequences of any such Event of Default; provided, however, all expenses of the Lender/Grantor in connection with such Event of Default shall have been paid or provided for. Such waiver shall be effective only if made by a written statement of waiver issued by the NMFA. In case of any such waiver or rescission, or in case any proceeding taken by the Lender/Grantor, on account of any such Event of Default shall have been discontinued or abandoned or determined adversely, then and in every such case, the Lender/Grantor shall be restored to its former position and rights hereunder, respectively, but no such waiver or rescission shall extend to any subsequent or other Event of Default, or impair any right consequent thereon.

Section 10.6 No Additional Waiver Implied by One Waiver. In the event that any agreement contained herein should be breached by either party and thereafter waived by the other party, such waiver shall be in writing and limited to the particular breach so waived and shall not be deemed to waive any other breach hereunder.

Section 10.7 Agreement to Pay Attorneys' Fees and Expenses. In the event that the Borrower/Grantee shall default under any of the provisions hereof and the NMFA shall employ attorneys or incur other expenses for the collection of payments hereunder, or the enforcement of performance or observance of any obligation or agreement on the part of the Borrower/Grantee herein contained, the Borrower/Grantee agrees that it shall, on demand therefor, pay to the NMFA the fees of such attorneys and such other expenses so incurred, to the extent such attorneys' fees and expenses may be determined to be reasonable by a court of competent jurisdiction; provided, however, that the obligation of the Borrower/Grantee under this Section shall be limited to expenditures from and to the extent of the available Pledged Revenues of the Borrower/Grantee.

Summary:
The proposed bill would authorize the execution and delivery of both a Water Project Fund loan of $800,000 as well as a grant of $1,200,000 between the New Mexico Finance Authority (NMFA) and the City of Santa Fe (City), New Mexico. The total amount, $2,000,000, would finance the cost of designing a new pipeline and pumps to reclaim treated effluent water derived from San Juan-Chama Project water for reuse via return flow credits and increased diversions at the Buckman Direct Diversion intake. The bill specifies that both the loan and the grant be utilized solely for the eligible project costs, pursuant to NMSA 1978, Section 72-4A-7(C). As regards the loan debt, the bill pledges that the City would repay the loan amount and an administrative fee solely from the net revenues of the water utility system of the City.

Departments Affected:
Public Utilities Department

Consequences of Not Enacting Legislation:
If this legislation is not adopted, the City will not authorize funds for a total of two million dollars ($2,000,000) in the form of a loan of eight-hundred thousand dollars ($800,000) and a grant of one million, two-hundred thousand dollars ($1,200,000).

Conflict, Duplication, Companionship, or Relationship to Other Legislation:
Not at this time.

Performance and Administrative Implications:
Water Division staff will immediately submit contractor invoices for reimbursement toward design of the San Juan-Chama Return Pipeline Project. Staff will also be required to submit quarterly compliance reports on the progress of the final completion of the project within two years.

Fiscal Implications:
If this bill is adopted, the City will accept funds from NMFA in the total amount of two million dollars ($2,000,000) for the purpose of designing a new pipeline and pumps to return reclaimed, treated effluent water derived from San Juan-Chama Project water for reuse via return flow credits and increased diversions at the Buckman Direct Diversion intake. These funds take the form of two agreements—a loan for eight hundred thousand dollars ($800,000) and a grant for one million, two-hundred thousand dollars ($1,200,000). The loan portion of the agreement is to be paid back within twenty years at an interest rate of 0.25%.

RE: Request for Issuance of a Cease-and-Desist Order to close Good Luck Body Massage, 360 East Palace Avenue, Hongzhe Ding, Operator/Owner, 505-316-1127. Code Enforcement Case# 2025-4176, Violation of SFCC 18-1.7 *Notice of violation; penalty*, operating without a business license and in a manner contrary to the public welfare. (Maggie Moore, Assistant Land Use Director, mrmoore@santafenm.gov)

EXECUTIVE SUMMARY:

On June 16th, 2025, the Planning and Land Use Department (the "Department") received a constituent complaint regarding a "questionable scene" at Good Luck Body Massage, 360 E. Palace Avenue (the "Property"). On Friday, June 20th, Enforcement Division Manager Jason Sena and Supervisor Vidal Garcia inspected the Property and observed several code violations, including illegal signage and window coverings. At the time of the June 20th inspection, the Property had a valid city-issued business license #235245; however, there were no licensed massage therapists present. The individual who was present could not be positively identified, did not speak English, and produced a New Mexico Massage Therapy License No. MT9498 issued to Hongzhe Ding. On June 26, 2025, Vidal Garcia issued violation notices (see Code Case# 2025-4175 and Case# 2025-4176), which were posted on the property and sent via certified mail to the business owner (Hongzhe Ding) and the property owner (The Eli Sanford Revocable Trust). The notices established a compliance date and Finance Committee hearing date of July 28th, 2025.

On July 7, 2025, James Moye submitted a renewal application for business license #235245, which was set to expire on July 8th, 2025. The renewal application has not been approved because the application does not meet the current requirement that at least two (2) licensed massage therapists must be included in the application to meet the code definition of a massage parlor, as a business that employs at least two (2) persons. Additionally, evidence gathered by the Department indicates that the Property is operating in a manner contrary to the public welfare (see Figure 1 and Attachments: Online Advertisements).

Per SFCC 18-1.8 *Enforcement; hearing; cease and desist order*; staff requests that the Finance Committee issue a cease-and-desist order closing the business, Good Luck Body Massage at 360 E Palace Avenue, Hongzhe Ding, operator. Such cease and desist order shall prevent the owner or operator of the business from conducting any business in the building, structure or on the land, until the terms of this section have been complied with.

BACKGROUND:

Illicit massage businesses (IMBs), commonly known as "massage parlors," have become ubiquitous across the country, within the state of New Mexico, and in our community. Research finds an estimated 9,000-plus of these businesses operate in every state in the country, with earnings totaling nearly $2.5 billion per year.[1] Staff research of business license records and online advertising indicates there are as many as twenty (20) IMBs operating within the city of Santa Fe, some with a valid business license, some on expired licenses, and some without the requisite business license.

The State of New Mexico, through the Massage Therapy Board, oversees the practice of individuals who use the title of massage therapist or otherwise represent themselves as massage therapists, and massage therapy schools. The State and the Board do not regulate businesses that use the title of massage or otherwise represent themselves as massage businesses. The City of Santa Fe Enforcement Division is tasked with enforcing SFCC Chapter 18-*Licenses and Taxes*, to ensure that all businesses obtain a business license, pay applicable fees, and do not operate in a manner c

Acts of prostitution have a long history of concealing themselves behind the label of massage. While there may be some individuals who choose to sell sex under the guise of massage therapy, evidence suggests that thousands of women engaging in commercial sex in illicit massage businesses are victims of human trafficking. Corporate secrecy laws that obscure ownership make it nearly impossible to identify the organized crime networks and traffickers behind these operations[2]. Traditional law enforcement approaches are resource-intensive and often focus on the women engaged in these illicit acts, further victimizing them, while the organized criminal networks and traffickers evade accountability.

In their 2024 Annual Report, the New Mexico Governor's Organized Crime Commission (the Commission)[3] summarized their recent progress in assessing and moving against organized crime in the areas of human trafficking, gun smuggling, and drug trafficking. The Commission found that rather than these criminal activities being isolated and confined in silos, they are interconnected by the common thread of organized crime. That is, criminal organizations strategically use the same resources and infrastructure for multiple illicit activities. Criminals that provide logistical support, such as safe houses, transport vehicles, money laundering, and corrupt networks for drug smuggling, also use these assets to facilitate human trafficking and gun smuggling. As part of this effort to combat organized crime, the Commission is working with the Albuquerque Police Department to shut down illicit massage parlors in Bernalillo County, and has established that IMBs in New Mexico use women who are sex trafficked from China and travel into New Mexico from California.

Additionally, many jurisdictions across the country have found success in closing IMBs through targeted business licensing requirements[4], particularly in those jurisdictions that require all businesses to obtain a license, as Santa Fe does. Successful ordinances target the easily observable characteristics that distinguish an IMB from a legitimate massage therapy business. Trevor Vaughn, Manager of Licensing for the City of Aurora, Colorado, and an expert in identifying and preventing IMBs, has observed several factors that differentiate the business models of legitimate massage therapy businesses and illicit sex and human trafficking businesses (see Table 1).

Table 1. Illicit and Legitimate Massage Business Models

Illicit Sex and Human Trafficking Business	**Legitimate Massage Therapy Business**
Cheat requirements to look legit	Professional training, education and license
Advertise to people looking for sex	Advertise for health purposes
Unlicensed personnel	Licensed Massage Therapists
No records of treatments or clients	Regular business recordkeeping
Long hours, often living on site	Normal business hours and operations
Locked doors to conceal illicit activities	Professional massage practices
Advertise at lower rates	Rates match industry standard

[3] Governor's Organized Crime Commission, "2024 Annual Report.", (December 12, 2024)
[4] "Successful Massage Ordinance Factors." The Network, (September, 2021)

The Department is currently engaged with the City Attorney's Office to draft a massage facility ordinance to prevent IMBs from opening via a thorough application process, and regulating those characteristics and behaviors associated with IMBs, while minimizing the impact on legitimate massage therapists, spas, and businesses. The ubiquity of IMBs degrades the integrity of legitimate massage therapists, spas, and wellness businesses operating in the community. Following the adoption of their Ordinance in 2018, Aurora closed 18 IMBs within a year and has successfully prevented new IMBs from opening in their city.

The Department intends to bring forward the legislation for adoption by the end of the calendar year and will continue targeted inspections and enforcement actions against IMBs operating within the city.
