ENN NAME

Bishop's Lodge Road Reconstruction ENN

PROJECT ADDRESS

Bishop's Lodge Road from Paseo de Peralta to Pedregal Place.

DESCRIPTION

The City of Santa Fe is in the early stages of the design for the reconstruction of Bishop's Lodge Road between Paseo De Peralta and the city limits just north of the Pedregal Place intersection. The purpose of this reconstruction is to address speeding, vehicular and pedestrian safety concerns, and any existing drainage issues. This project is being designed by Wilson & Company – an engineering firm contracted by the City Public Works Department.

The City of Santa Fe requires an Early Neighborhood Notification (ENN) meeting be conducted for the city capital improvement projects. It is intended to provide opportunity for the community to review, comment, and provide feedback on the city's capital infrastructure projects before plans become too firm to respond meaningfully to community's concerns.

APPLICANT

NV5 & Wilson

STAFF

Romella Glorioso-Moss

MEETING LOCATION

City of Santa Fe Convention Center at 201 W. Marcy Street in the O'Keefe, Milagro, Kearny rooms

Persons with disabilities in need of special accommodations, or the hearing impaired needing an interpreter, please contact the Land Use Department at 505-955-6820 or gagurule@santafenm.gov 5 days prior to the meeting date.
