## **ENN NAME**

Ragle Park ENN

## **PROJECT ADDRESS**

Ragle Park  
2530 W Zia Rd.  
Santa Fe, NM 87505

## **DESCRIPTION**

The City of Santa Fe in accordance with water conservation policy and public requests is proposing the resurfacing of field #2 at Ragle Park. The current field has a turf and dirt infield and the new surface will be synthetic turf at both the infield and outfield. In February 2023, a community engagement meeting was held and provided an opportunity for the community to review, comment, and provide feedback on the project. The City will provide the final field layout and distinct features as requested by public comment from the first meeting.

The City of Santa Fe requires Early Neighborhood Notification (ENN) meetings be conducted for the City capital improvement projects. It is intended to provide opportunity for the community to review, comment, and provide significant feedback on the City's capital improvement projects before plans become too firm to respond meaningfully to community concerns.
