19. "**Finalist**" means an Offeror who meets all the mandatory specifications of this Request for Proposals and whose score on evaluation factors is sufficiently high to merit further consideration by the Evaluation Committee.

20. "**General Plan**" means the adopted policy guide and program development for the City of Santa Fe, synonymous with a City "Comprehensive Plan" or "Master Plan."

21. "**Hourly Rate**" means the proposed fully loaded maximum hourly rates that include travel, per diem, fringe benefits and any overhead costs for contractor personnel, as well as subcontractor personnel if appropriate.

22. "**IT**" means Information Technology.

23. "**Living Wage**" means the City's minimum hourly wage necessary for a person to achieve a higher standard of living.

24. "**Land Development Code**" means the Santa Fe Code of Ordinances chapters that regulates all development activity within the City limits. Also known as "Chapter 14".

25. "**Mandatory**" – the terms "must," "shall" "will," "is required," or "are required," identify a mandatory item or factor. Failure to meet a mandatory item or factor may result in the rejection of the Offeror's proposal.

26. "**Minor Irregularities**" means anything in the proposal that does not affect the price, quality and/or quantity, or any other mandatory requirement.

27. "**Offeror**" is any person, corporation, or partnership who chooses to submit a proposal.

28. "**Procurement Manager**" means any person or designee authorized by the Requesting Department to facilitate the procurement and or administer the contract(s).

29. "**Project**" means a temporary process undertaken to solve a well-defined goal or objective with clearly defined start and end times, a set of clearly defined tasks, and a budget. The project terminates once the project scope is achieved, and project acceptance is given by the project executive sponsor.

30. "**Redacted**" means a version/copy of the Offeror's proposal with the information considered proprietary or confidential (as defined by NMSA 1978, §§ 57-3A-1 to 57-3A-7 and summarized herein and outlined in Section II.C.8 of this RFP) blacked-out BUT NOT omitted or removed.

31. "**Request for Proposals (RFP)**" means all documents, including those attached or incorporated by reference, used for soliciting proposals.

32. "**Requesting Department**" means the City Department responsible for overseeing the work or delivery of tangible personal property by a contractor.

33. "**Responsible Offeror**" means an Offeror who submits a responsive proposal and who has furnished, when required, information and data to prove that his financial resources, production or service facilities, personnel, service reputation and experience are adequate to make satisfactory delivery of the services, or items of tangible personal property described in the proposal.

34. "**Responsive Offer**" or means an offer which conforms in all material respects to the requirements set forth in the request for proposals. Material respects of a request for proposals include, but are not limited to price, quality, quantity, or delivery requirements.

35. "**Sealed**" means, in terms of a non-electronic submission, that the proposal is enclosed in a package which is completely fastened in such a way that nothing can be added or removed. Open packages submitted will not be accepted except for packages that may have been damaged by the delivery service itself. The City of Santa Fe reserves the right, however, to accept or reject packages where there may have been damage done by the delivery service itself. Whether a package has been damaged by the delivery service or left unfastened and should or should not be accepted is a determination to be made by the City's Chief Procurement Officer. By submitting a proposal, the Offeror agrees to and concurs with this process and accepts the determination of the Chief Procurement Officer in such cases.

36. "**Staff**" means any individual who is a full-time, part-time, or an independently contracted employee with the Offerors' company.

37. "**State (the State)**" means the State of New Mexico.

38. "**Statement of Concurrence**" means an affirmative statement from the Offeror to the required specification agreeing to comply and concur with the stated requirement(s). This statement shall be included in Offerors proposal. (E.g., "We concur," "Understands and Complies," "Comply," "Will Comply if Applicable,")

39. "**Unredacted**" means a version/copy of the proposal containing all complete information; including any that the Offeror would otherwise consider confidential, such copy for use only for the purposes of evaluation.

40. "**Written**" means typewritten on standard 8 ½ x 11-inch paper. Larger paper is permissible for charts, spreadsheets, etc.

G. PROCUREMENT LIBRARY

A procurement library has been established. Offerors are encouraged to review the material contained in the Procurement Library by selecting the link provided in the electronic version of this document through your own internet connection. The library contains information listed below:

Electronic version of RFP, Questions & Answers, RFP Amendments, etc.
https://www.santafenm.gov/bids_rfps

II. CONDITIONS GOVERNING THE PROCUREMENT

This section of the RFP contains the schedule of events, the descriptions of each event, and the conditions governing this procurement.

A. SEQUENCE OF EVENTS

The City's Central Purchasing Office and the Procurement Manager will make every effort to adhere to the following schedule:

Action	Responsible Party	Due Dates
1. Issue RFP	Central Purchasing Office	October 18, 2023
2. Acknowledgement of Receipt Form	Potential Offerors	November 1, 2023
3. Pre-Proposal Conference	Requesting Department	November 1, 2023
4. Deadline to submit Written Questions	Potential Offerors	November 3, 2023
5. Response to Written Questions	Procurement Manager	November 10, 2023
6. Submission of Proposal	***Potential Offerors***	***November 28, 2023***
7.* Proposal Evaluation	Evaluation Committee	November 29, 2023
8.* Selection of Finalists	Evaluation Committee	December 12, 2023
10 * Oral Presentation(s)	Finalist Offerors	January 8, 2024
11.* Finalize Contractual Agreements	Requesting Department/Finalist Offerors	January 16, 2024
12.* Contract Awards	Requesting Department/ Finalist Offerors	February 29, 2024
13.* Protest Deadline	Central Purchasing Office	+15 days

*Dates indicated in Events 7 through 13 are estimates only and may be subject to change without necessitating an amendment to the RFP.

B. EXPLANATION OF EVENTS

The following paragraphs describe the activities listed in the Sequence of Events shown in Section II.A., above.

1. Issue RFP

This RFP is being issued on behalf of The City Planning and Land Use Department on the date indicated in Section II.A, Sequence of Events.

2. **Acknowledgement of Receipt Form**

Potential Offerors may email the Acknowledgement of Receipt Form (APPENDIX A), to the Central Purchasing Office at Purchasing_RFP@santafenm.gov , to have their organization placed on the procurement Distribution List. The form must be returned to the Central Purchasing Office by 3:00 pm MST/ MDT on the date indicated in Section II.A, Sequence of Events

The procurement distribution list will be used for the distribution of written responses to questions, and/or any amendments to the RFP. Failure to return the Acknowledgement of Receipt Form does not prohibit potential Offerors from submitting a response to this RFP. However, by not returning the Acknowledgement of Receipt Form, the potential Offeror's representative shall not be included on the distribution list and will be solely responsible for obtaining from the Procurement Library (Section I.G.) responses to written questions and any amendments to the RFP.

3. **Pre-Proposal Conference**

A pre-proposal conference will be held as indicated in Section II.A, Sequence of Events, beginning at 1:30 P.M. MST/MDT via Microsoft Teams.

Microsoft Teams meeting

Learn More | Meeting options

Potential Offeror(s) are encouraged to submit written questions in advance of the conference to the Central Purchasing Office and the Procurement Manager (see Section I.D). The identity of the organization submitting the question(s) will not be revealed. Additional written questions may be submitted at the conference. All questions answered during the Pre-Proposal Conference will be considered **unofficial** until they are posted in writing. All written questions will be addressed in writing on the date listed in Section II.A, Sequence of Events. A public log will be kept of the names of potential Offeror(s) that attended the pre-proposal conference.

Attendance at the pre-proposal conference is highly recommended, but not a prerequisite for submission of a proposal.

4. **Deadline to Submit Written Questions**

Potential Offerors may submit written questions to the Central Purchasing Office and the Procurement Manager as to the intent or clarity of this RFP until 3:00 pm MST/MDT as indicated in Section II.A, Sequence of Events. All written questions must be addressed to the Central Purchasing Office and the Procurement Manager as declared in Section I.D.

Questions shall be clearly labeled and shall cite the Section(s) in the RFP or other document which form the basis of the question.

5. Response to Written Questions

Written responses to the written questions will be provided via email, on or before the date indicated in Section II.A, Sequence of Events, to all potential Offerors who timely submitted an Acknowledgement of Receipt Form (Section II.B.2 and APPENDIX A).

An electronic version of the Questions and Answers will be posted to:
https://www.santafenm.gov/bids_rfps

6. Submission of Proposal

At this time, only **electronic** proposal submission is allowed. **Do not** submit hard copies until further notice.

ALL OFFEROR PROPOSALS MUST BE RECEIVED FOR REVIEW AND EVALUATION BY THE CENTRAL PURCHASING OFFICE
https://cityofsantafenm.sharefile.com/r-r6a199d2a98094545a0fc75efdb971f9b
NO LATER THAN **3:00 PM** MST/MDT ON THE DATE INDICATED IN SECTION II.A, SEQUENCE OF EVENTS. **PROPOSALS RECEIVED AFTER THIS DEADLINE WILL NOT BE ACCEPTED.** The date and time of receipt will be recorded on each proposal.

Proposals must be submitted electronically through the link in Section III.B.1. Proposals submitted by facsimile will not be accepted.

A log will be kept of the names of all Offeror organizations that submitted proposals. Pursuant to NMSA 1978, § 13-1-116, the contents of proposals shall not be disclosed to competing potential Offerors during the negotiation process. The negotiation process is deemed to be in effect until the contract is awarded pursuant to this Request for Proposals. Awarded in this context means the final required City of Santa Fe signatures on the contract(s) resulting from the procurement has been obtained.

7. Proposal Evaluation

An Evaluation Committee will perform the evaluation of proposals. This process will take place as indicated in Section II.A, Sequence of Events, depending upon the number of proposals received. During this time, the Central Purchasing Office or/and the Procurement Manager may initiate discussions with Offerors who submit responsive or potentially responsive proposals for the purpose of clarifying aspects of the proposals. However, proposals may be accepted and evaluated without such discussion. Discussions SHALL NOT be initiated by the Offerors.

8. Selection of Finalists

The Evaluation Committee will select, and the Procurement Manager will notify the finalist Offerors as per schedule Section II.A, Sequence of Events or as soon as possible thereafter. A schedule for Oral Presentation, if any, will be determined at this time.

Finalists will be comprised of the three (3) Offerors receiving the highest cumulative scores in the following Sections: Section IV.B.1 Organizational Experience, Section IV.B. 2 Mandatory Specifications and Section IV.B.3.

9. Oral Presentations

Finalist Offerors, as selected per Section II.B.9 above, may be required to conduct an oral presentation at a venue to be determined as per schedule Section II.A., Sequence of Events, or as soon as possible thereafter. If oral presentations are held, Finalist Offerors may make their presentations through electronic means (GoToMeeting, Zoom, etc.) or in person. The Department will provide Finalist Offerors with applicable details. Whether or not Oral Presentations will be held is at the discretion of the Evaluation Committee and Central Purchasing Office.

10. Finalize Contractual Agreements

After approval of the Evaluation Committee Report, any contractual agreement(s) resulting from this RFP will be finalized with the most advantageous Offeror(s), taking into consideration the evaluation factors set forth in this RFP, as per Section II.A., Sequence of Events, or as soon as possible thereafter. The most advantageous proposal may or may not have received the most points. In the event mutually agreeable terms cannot be reached with the apparent most advantageous Offeror in the timeframe specified, the City of Santa Fe reserves the right to finalize a contractual agreement with the next most advantageous Offeror(s) without undertaking a new procurement process.

11. Contract Awards

Upon receipt of the signed contractual agreement, the Department will award as per Section II.A., Sequence of Events, or as soon as possible thereafter. The award is subject to appropriate Department and Governing Body approval.

12. Protest Deadline

Any protest by an Offeror must be timely submitted and in conformance with NMSA 1978, § 13-1-172 and applicable procurement regulations. As a Protest Manager has been named in this Request for Proposals, pursuant to NMSA 1978, § 13-1-172 and Procurement Manual Section Y, ONLY protests delivered directly to the Protest Manager in writing and in a timely fashion will be considered to have been submitted properly and in accordance with statute, rule and this Request for Proposals. The 15-calendar day protest period shall begin on the day following the notice of award of contract(s) and will end at 5:00 pm MST/MDT on the 15th day. Protests must be written and must include the name and address of the protestor and the request for proposals' number. It must also contain a statement of the grounds for protest including appropriate supporting exhibits and it must specify the ruling requested from the party listed below. The protest must be delivered to:

Travis Dutton-Leyda
Chief Procurement Officer
City of Santa Fe
tkduttonleyda@santafenm.gov

PROTESTS RECEIVED AFTER THE DEADLINE WILL NOT BE ACCEPTED.

C. GENERAL REQUIREMENTS

1. Acceptance of Conditions Governing the Procurement

Potential Offerors must indicate their acceptance of these Conditions Governing the Procurement, Section II.C, by completing and signing the Letter of Transmittal form, pursuant to the requirements in Section II.C.29, located in APPENDIX D.

2. Incurring Cost

Any cost incurred by the potential Offeror in preparation, transmittal, and/or presentation of any proposal or material submitted in response to this RFP shall be borne solely by the Offeror. Any cost incurred by the Offeror for set up and demonstration of the proposed equipment and/or system shall be borne solely by the Offeror.

3. Prime Contractor Responsibility

Any contractual agreement that may result from this RFP shall specify that the prime contractor is solely responsible for fulfillment of all requirements of the contractual agreement with the Department which may derive from this RFP. The Department entering into a contractual agreement with a vendor will make payments to only the prime contractor.

4. Subcontractors/Consent

The use of subcontractors is allowed. The prime contractor shall be wholly responsible for the entire performance of the contractual agreement whether or not subcontractors are used. Additionally, the prime contractor must receive approval, in writing, from the Department awarding any resultant contract, before any subcontractor is used during the term of this agreement.

5. Amended Proposals

An Offeror may submit an amended proposal before the deadline for receipt of proposals. Such amended proposals must be complete replacements for a previously submitted proposal and must be clearly identified as such in the transmittal letter. **The Department or the Central Purchasing Office personnel will not merge, collate, or assemble proposal materials.**

6. Offeror's Rights to Withdraw Proposal

Offerors will be allowed to withdraw their proposals at any time prior to the deadline for receipt of proposals. The Offeror must submit a written withdrawal request addressed to the Central Purchasing Office and the Procurement Manager and signed by the Offeror's duly authorized representative.

The approval or denial of withdrawal requests received after the deadline for receipt of the proposals is governed by the applicable procurement regulations.

7. Proposal Offer Firm

Responses to this RFP, including proposal prices for services, will be considered firm for one-hundred eighty (180) days after the due date for receipt of proposals or ninety (90) days after the due date for the receipt of a best and final offer, if the Offeror is invited or required to submit one.

8. Disclosure of Proposal Contents

The contents of all submitted proposals will be kept confidential until the final award has been completed by the City. At that time, all proposals and documents pertaining to the proposals will be available for public inspection, *except* for proprietary or confidential material as follows:

a. ***Proprietary and Confidential information is restricted to:***
    1. confidential financial information concerning the Offeror's organization; and
    2. information that qualifies as a trade secret in accordance with the Uniform Trade Secrets Act, §§57-3A-1 through 57-3A-7.

b. An additional but separate redacted version of Offeror's proposal, as outlined and identified in Sections III.B.1.a.i, shall be submitted containing the blacked-out proprietary or confidential information, to facilitate eventual public inspection of the non-confidential version of Offeror's proposal.

IMPORTANT: The price of products offered, or the cost of services proposed **SHALL NOT** be designated as proprietary or confidential information.

If a request is received for disclosure of proprietary or confidential materials, the City Attorney and the Chief Procurement Officer shall examine the request and make a written determination that specifies which portions of the proposal should be disclosed. Unless the Offeror takes legal action to prevent the disclosure, the proposal will be so disclosed. The proposal shall be open to public inspection subject to any continuing prohibition on the disclosure of proprietary or confidential information.

9. No Obligation

This RFP in no manner obligates the City or any of its Departments to the use of any Offeror's services until a valid written contract is awarded and approved by appropriate authorities.

10. Termination

This RFP may be canceled at any time and all proposals may be rejected in whole or in part when the Department determines such action to be in the best interest of the City of Santa Fe.

11. Sufficient Appropriation

Any contract awarded as a result of this RFP process may be terminated if sufficient appropriations or authorizations do not exist. Such terminations will be affected by sending written notice to the contractor. The Department's decision as to whether

sufficient appropriations and authorizations are available will be accepted by the contractor as final.

12. Legal Review

The Department requires that all Offerors agree to be bound by the General Requirements contained in this RFP. Any Offeror's concerns must be promptly submitted in writing to the attention of the Central Purchasing Office and the Procurement Manager.

13. Governing Law

This RFP and any agreement with an Offeror which may result from this procurement shall be governed by the laws of the State of New Mexico.

14. Basis for Proposal

Only information supplied in writing by the Central Purchasing Office and the Procurement Manager or contained in this RFP shall be used as the basis for the preparation of Offeror proposals.

15. Contract Terms and Conditions

The contract between the Department and a contractor will follow the format specified by the City and contain the terms and conditions set forth in the Draft Contract Appendix G. However, the contracting Department reserves the right to negotiate provisions in addition to those contained in this RFP Draft Contract with any Offeror. The contents of this RFP, as revised and/or supplemented, and the successful Offeror's proposal will be incorporated into and become part of any resultant contract.

The City discourages exceptions from the contract terms and conditions as set forth in the RFP Draft Contract. Such exceptions may cause a proposal to be rejected as nonresponsive when, in the sole judgment of the City (and its evaluation team), the proposal appears to be conditioned on the exception, or correction of what is deemed to be a deficiency, or an unacceptable exception is proposed which would require a substantial proposal rewrite to correct.

Should an Offeror object to any of the terms and conditions as set forth in the RFP Draft Contract (APPENDIX G) strongly enough to propose alternate terms and conditions in spite of the above, the Offeror must propose **specific** alternative language. The City may or may not accept the alternative language. General references to the Offeror's terms and conditions or attempts at complete substitutions of the Draft Contract are not acceptable to the City and will result in disqualification of the Offeror's proposal.

Offerors must provide a brief discussion of the purpose and impact, if any, of each proposed change followed by the specific proposed alternate wording.

If an Offeror fails to propose any alternate terms and conditions during the procurement process (the RFP process prior to selection as successful Offeror), no proposed alternate terms and conditions will be considered later during the negotiation process. Failure to propose alternate terms and conditions during the procurement process (the RFP process

prior to selection as successful Offeror) is an **explicit agreement** by the Offeror that the contractual terms and conditions contained herein are **accepted** by the Offeror.

16. Offeror's Terms and Conditions

Offerors must submit with the proposal a complete set of any additional terms and conditions they expect to have included in a contract negotiated with the City. See Section II.C.15 for requirements.

17. Contract Deviations

Any additional terms and conditions, which may be the subject of negotiation (such terms and conditions having been proposed during the procurement process, that is, the RFP process prior to selection as successful Offeror), will be discussed only between the City and the Offeror selected and shall not be deemed an opportunity to amend the Offeror's proposal.

18. Offeror Qualifications

The Evaluation Committee may make such investigations as necessary to determine the ability of the potential Offeror to adhere to the requirements specified within this RFP. The Evaluation Committee will reject the proposal of any potential Offeror who is not a Responsible Offeror or fails to submit a Responsive Offer as defined in NMSA 1978, §§ 13-1-83 and 13-1-85.

19. Right to Waive Minor Irregularities

The Evaluation Committee, upon approval from the Chief Procurement Officer, reserves the right to waive minor irregularities, as defined in Section I.F.26. The Evaluation Committee also reserves the right to waive mandatory requirements, provided that **all** of the otherwise responsive proposals failed to meet the same mandatory requirements and the failure to do so does not otherwise materially affect the procurement. This right is at the sole discretion of the Evaluation Committee.

20. Change in Contractor Representatives

The City reserves the right to require a change in contractor representatives if the assigned representative(s) is (are) not, in the opinion of the City, adequately meeting the needs of the City.

21. Notice of Penalties

The Procurement Code, NMSA 1978, §§ 13-1-28 through 13-1-199, imposes civil, and misdemeanor and felony criminal penalties for its violation. In addition, the New Mexico criminal statutes impose felony penalties for bribes, gratuities, and kickbacks.

22. Department Rights

The Department, in agreement with the Evaluation Committee, reserves the right to accept all or a portion of a potential Offeror's proposal.

23. Right to Publish

Throughout the duration of this procurement process and contract term, Offerors and contractors must secure from the City written approval prior to the release of any information that pertains to the potential work or activities covered by this procurement and/or City contracts deriving from this procurement. Failure to adhere to this requirement may result in disqualification of the Offeror's proposal or removal from the contract.

24. Ownership of Proposals

All documents submitted in response to the RFP shall become property of the City. If the RFP is cancelled, all responses received shall be destroyed by the Central Purchasing Office unless the Offeror either picks up, or arranges for pick-up, the materials within three (3) business days of notification of the cancellation. Offeror is responsible for all costs involved in return mailing/shipping of proposals.

25. Confidentiality

Any confidential information provided to, or developed by, the contractor in the performance of the contract resulting from this RFP shall be kept confidential and shall not be made available to any individual or organization by the contractor without the prior written approval of the City.

The Contractor(s) agrees to protect the confidentiality of all confidential information and not to publish or disclose such information to any third party without the City's written permission.

26. Electronic mail address required

A large part of the communication regarding this procurement will be conducted by electronic mail (email). Offeror must have a valid email address to receive this correspondence. (See also Section II.B.5, Response to Written Questions).

27. Use of Electronic Versions of this RFP

This RFP is being made available by electronic means. In the event of conflict between a version of the RFP in the Offeror's possession and the version maintained by the Central Purchasing Office, the Offeror acknowledges that the version maintained by the Central Purchasing Office shall govern. Please refer to: https://www.santafenm.gov/bids_rfps

28. Campaign Contribution Disclosure Form

Offeror must complete, sign, and return the Campaign Contribution Disclosure Form, APPENDIX B, as a part of their proposal. This requirement applies regardless of whether a covered contribution was made or not made for the positions of Governor and Lieutenant Governor, City Officials or other identified official. **Failure to complete and return the signed, unaltered form will result in Offeror's disqualification.**

29. Letter of Transmittal

Offeror's proposal must be accompanied by an **unaltered** Letter of Transmittal Form (APPENDIX D), which should be **completed** and **signed** by the individual authorized to

contractually obligate the company, identified in #2 below. **DO NOT LEAVE ANY OF THE ITEMS ON THE FORM BLANK** (N/A, None, Does not apply, etc. are acceptable responses).

The Letter of Transmittal MUST:

1. Identify the submitting business entity (its Name, Mailing Address and Phone Number);
2. Identify the Name, Title, Telephone, and Email address of the person authorized by the Offeror's organization to (A) contractually obligate the business entity providing the Offer, (B) negotiate a contract on behalf of the organization; and/or (C) provide clarifications or answer questions regarding the Offeror's proposal content *(A response to B and/or C is only required if the responses differs from the individual identified in A)*;
3. Identify sub-contractors, if any, anticipated to be utilized in the performance of any resultant contract award;
4. Describe any relationship with any other entity (such as City, County, State Agency, reseller, etc., that is not a sub-contractor identified in #3), if any, which will be used in the performance of this awarded contract; and
5. Be signed and dated by the person identified in #2 above; attesting to the veracity of the information provided and acknowledging (a) the organization's acceptance of the Conditions Governing the Procurement stated in Section II.C.1, (b) the organizations acceptance of the Section V Evaluation Factors, and (c) receipt of all amendments to the RFP.

30. Disclosure Regarding Responsibility

A. Any prospective Contractor and any of its Principals who enter into a contract greater than sixty thousand dollars ($60,000.00) with any state agency or local public body for professional services, tangible personal property, services or construction agrees to disclose whether the Contractor, or any principal of the Contractor's company:
   1. is presently debarred, suspended, proposed for debarment, or declared ineligible for award of contract by any federal entity, state agency or local public body;

   2. has within a three-year period preceding this offer, been convicted in a criminal matter or had a civil judgment rendered against them for:
      a. the commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (federal, state or local) contract or subcontract;
      b. violation of Federal or state antitrust statutes related to the submission of offers; or
      c. the commission in any federal or state jurisdiction of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, tax evasion, violation of Federal criminal tax law, or receiving stolen property;

3. is presently indicted for, or otherwise criminally or civilly charged by any (federal state or local) government entity with the commission of any of the offenses enumerated in paragraph A of this disclosure;
4. has, preceding this offer, been notified of any delinquent Federal or state taxes in an amount that exceeds $3,000.00 of which the liability remains unsatisfied. Taxes are considered delinquent if the following criteria apply.

a. The tax liability is finally determined. The liability is finally determined if it has been assessed. A liability is not finally determined if there is a pending administrative or judicial challenge. In the case of a judicial challenge of the liability, the liability is not finally determined until all judicial appeal rights have been exhausted.
b. The taxpayer is delinquent in making payment. A taxpayer is delinquent if the taxpayer has failed to pay the tax liability when full payment was due and required. A taxpayer is not delinquent in cases where enforced collection action is precluded.
c. Have within a three-year period preceding this offer, had one or more contracts terminated for default by any federal or state agency or local public body.)

B. Principal, for the purpose of this disclosure, means an officer, director, owner, partner, or a person having primary management or supervisory responsibilities within a business entity or related entities.

C. The Contractor shall provide immediate written notice to the Chief Procurement Officer or other party to this Agreement if, at any time during the term of this Agreement, the Contractor learns that the Contractor's disclosure was at any time erroneous or became erroneous by reason of changed circumstances.

D. A disclosure that any of the items in this requirement exist will not necessarily result in termination of this Agreement. However, the disclosure will be considered in the determination of the Contractor's responsibility and ability to perform under this Agreement. Failure of the Contractor to furnish a disclosure or provide additional information as requested will render the Offeror nonresponsive.

E. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render, in good faith, the disclosure required by this document. The knowledge and information of a Contractor is not required to exceed that which is the normally possessed by a prudent person in the ordinary course of business dealings.

F. The disclosure requirement provided is a material representation of fact upon which reliance was placed when making an award and is a continuing material representation of the facts during the term of this Agreement. If during the performance of the contract, the Contractor is indicted for or otherwise criminally or civilly charged by any government entity (federal, state, or local) with commission of any offenses named in this document the Contractor must provide immediate written notice to the Chief Procurement Officer or other party to this Agreement. If it is later determined that the

Contractor knowingly rendered an erroneous disclosure, in addition to other remedies available to the Government, the Chief Procurement Officer may terminate the involved contract for cause. Still further the Chief Procurement Officer may suspend or debar the Contractor from eligibility for future solicitations until such time as the matter is resolved to the satisfaction of the Chief Procurement Officer

31. Local Preferences

The City recognizes the value of revenue derived from local businesses and shall procure goods and/or services locally, when possible, pursuant to Ordinance and the City of Santa Fe Procurement Manual, except for purchases using City, state, and federal grant funds. Applicable City, state and federal law and regulations govern procurements using City, state, or federal funds.

A. **Local Preference Qualification**

To qualify for a local preference, an Offeror must attach a State of New Mexico Taxation and Revenue Department-issued, Resident Business certification of eligibility to its bid or proposal, showing that the business is located within the Santa Fe municipal limits. If an offer is received without a copy of the appropriate State of New Mexico Taxation and Revenue Department issued Business Registration Certificate, the preference will not be applied. A valid resident business certificate is issued by the Taxation and Revenue Department pursuant to NMSA 1978, § 13-1-22.

a. When the City makes a purchase using a formal request for proposals process, not including contracts awarded on a point-based system, the City shall award an additional 6% of the total weight of all the factors used in evaluating the proposal to a local resident business. The City shall award an additional 3% of the total weight of all the factors used in evaluating the proposal to a non-local resident business who has hired all local resident business subcontractors.
b. When the City makes a purchase using a formal request for proposals' process and the contract is awarded based on a point-based system, the City shall award additional point's equivalent to 6% of the total possible points to a local resident business. The City shall award an additional 3% of the total possible points to a business who has hired all local resident business subcontractors.

The maximum available local preference shall be 6%.

B. **Solicitations above One Million Dollars ($1,000,000)**

1. The City shall deem a bid or proposal submitted by a resident business to be 6% lower than the bid submitted, if and only if at least 50% of the subcontracted services go to subcontractors who are resident businesses.
2. The City shall deem the bid or proposal submitted by a non-local resident business to be 3% lower than the bid submitted, if and only at least 50% of the sub- contracted services go to subcontractors who are resident businesses.

32. Living Wage

Compliance with the City of Santa Fe and Santa Fe County's Minimum Wage Rate Ordinances (Living Wage Ordinances). The vendor must comply with the current living wage rate and requirements posted on this page https://santafenm.gov/economic-development/business-resources/living-wage-information

III. RESPONSE FORMAT AND ORGANIZATION

A. NUMBER OF RESPONSES

Offerors shall submit only one proposal in response to this RFP.

B. NUMBER OF COPIES

1. ELECTRONIC SUBMISSION ONLY Responses

Proposals in response to this RFP must be submitted through City of Santa Fe's Purchasing submission link ONLY. The Offeror need only submit one single electronic copy of each portion of its proposal (Technical and Cost) as outlined below.

Proposals must be submitted in the manner outlined below. Technical and Cost portions of Offerors proposal **must** be submitted in separate uploads as indicated below in this section, and **must** be prominently identified as "Technical Proposal," or "Cost Proposal," on the front page of each upload.

a) **Technical Proposals** – One (1) ELECTRONIC upload must be organized in accordance with **Section III.C.1. Proposal Format**. All information for the Technical Proposal **must be combined into a single file/document for uploading**. The Technical Proposals **SHALL NOT** contain any cost information. **Name the file as such, RFP Number – Company Name – Technical (e.g., 24/20/P - Acme Corp – Technical)**

i. **Confidential Information**: If Offeror's proposal contains confidential information, as defined in Section I.F.6 and detailed in Section II.C.8, Offeror **must** submit **two (2) separate ELECTRONIC technical files. Name the files accordingly:**

- One (1) ELECTRONIC version of the requisite proposals identified above as **unredacted** (def. Section I.F.39) versions for evaluation purposes (example file name, 24/20/P - Acme Corp – Unredacted Technical); and
- One (1) **redacted** (def. Section I.F.30) ELECTRONIC. for the public file, in order to facilitate eventual public inspection of the non-confidential version of Offeror's proposal. Redacted versions **must** be clearly marked as "REDACTED" or "CONFIDENTIAL" on the first page of the electronic file. (Example file name, 24/20/P - Acme Corp – Redacted Technical)

b) **Cost Proposals** – One (1) ELECTRONIC upload of the proposal containing **ONLY** the Cost Proposal. All information for the cost proposal **must be combined into a single file/document for uploading**. Name the file as such, RFP Number – Company Name – Cost (e.g., 24/20/P - Acme Corp – Cost)

The ELECTRONIC proposal submission must be fully submitted to: https://cityofsantafenm.sharefile.com/r-r6a199d2a98094545a0fc75efdb971f9b **by the submission deadline in Section II.B.6. Submissions cannot be password protected and must be a PDF format.** ***The Offeror must ensure to allow adequate time for large PDF files (uploads/attachments) in order to fully complete the proposal response by the deadline, date and time. An electronic submission that is not both: (1) fully complete; and (2) received, via the submission link by the deadline, will be deemed late. Further, a submission that is not fully received by the deadline because the response was captured, blocked, filtered, quarantined or otherwise prevented from reaching the proper destination server by any anti-virus or other security software will be deemed late.***

LATE PROPOSALS WILL NOT BE ACCEPTED

Any proposal that does not adhere to the requirements of this Section and **Section III.C.1 Proposal Content and Organization** may be deemed non-responsive and rejected on that basis.

C. PROPOSAL FORMAT

All proposals must be submitted as follows:

Organization of files/envelopes for electronic copy proposals:

1. **Proposal Content and Organization**

   Direct reference to pre-prepared or promotional material may be used if referenced and clearly marked. Promotional material must be minimal. The proposal must be organized and indexed in the following format and must contain, at a minimum, all listed items in the sequence indicated.

   Technical Proposal – DO NOT INCLUDE ANY COST INFORMATION IN THE TECHNICAL PROPOSAL.

   A. Signed Letter of Transmittal
   B. Signed Campaign Contribution Form
   C. Table of Contents
   D. Proposal Summary (Optional)
   E. Response to Contract Terms and Conditions (from Section II.C.15)
   F. Offeror's Additional Terms and Conditions (from Section II.C.16)
   G. Response to Specifications **(except Cost information which shall be included ONLY in Cost Proposal/Binder 2)**
      1. Organizational Experience
      2. Oral Presentation (if applicable)
      3. Mandatory Specification
      4. Desirable Specification

5. Local Preferences (if applicable)

H. Other Supporting Material (if applicable)

Cost Proposal:

1. Completed Cost Response Form (APPENDIX C)

Within each section of the proposal, Offerors should address the items in the order indicated above. All forms provided in this RFP must be thoroughly completed and included in the appropriate section of the proposal. **All discussion of proposed costs, rates or expenses must occur ONLY in the Cost Proposal.**

A Proposal Summary may be included in Offeror's Technical Proposal, to provide the Evaluation Committee with an overview of the proposal; however, this material will not be used in the evaluation process unless specifically referenced from other portions of the Offeror's proposal. **DO NOT INCLUDE COST INFORMATION IN THE PROPOSAL SUMMARY.**

IV. SPECIFICATIONS

A. GOALS

The revised General Plan is intended to capture the desired vision and choices related to Santa Fe's future with a 20-year plan that will identify opportunities for beneficial use of the community's resources and guide the advancement of the community. This vision will be accomplished through the implementation of dynamic growth guidance strategies and actionable implementation steps in the interest of ensuring a vibrant sense of place and belonging. These strategies and implementation steps will reflect and promote overarching community values, trends and themes, and correlate concepts such as sustainability, preservation of and access to resources, community and cultural engagement, connectivity, affordability, economic opportunity and prosperity, equity, inclusion, and regional partnerships.

The General Plan will identify desired and attainable goals, each with a set of quantifiable objectives which are correlated with the implementation plan.

To achieve this vision, the City aspires to the following goals:

1) Enhance the City's quality of life by ensuring that development is sustainable, and that social equity, physical growth, redevelopment, and natural resource conservation and protection are balanced, guided and dynamic.
2) Foster the Santa Fe tradition which enriches everyday life by designing urban spaces conducive to exceptional community character, public safety, and establishing an ecological conservation basis for urban design, while continuing to honor beneficial existing growth patterns.
3) Promote a compact urban form that enables the development of affordable housing, provides a mix of housing types and land uses in all areas of the city.
4) Promotes the stabilization of neighborhoods by implementing policies and programs that prevent residential and small business displacement.
5) Develop a sector planning process that promotes community cohesion, shared ownership and sense of place.
6) Reduce automobile dependence by becoming a city where essential goods, services, employment and amenities are available to residents within their neighborhood. Improve transportation network connectivity and provide equitable access to affordable and multimodal transportation that connects underserved communities to services and employment.
7) Diversify the economy while enhancing the city's unique character and sense of place.
8) Develop a regional growth management policy framework in collaboration with regional partners.
9) Promote engagement with regional partners to ensure coordinated growth and development, and annexation and expansion at the City's periphery.
10) Develop a comprehensive and enforceable review process that balances the goals of the General Plan when determining planning and development decisions.
11) Develop an implementation plan that creates a consistency of purpose across City departments.
12) Promote reconciliation of detrimental inconsistencies, disparities and inequities within the city and among its residents.

B. OBJECTIVES

In order to accomplish these goals, the City intends to engage in the General Plan Update, including an extensive community outreach program, that will identify quantifiable and achievable objectives that help answer the following questions:

1) "What's missing and where?" - Identify perceived challenges and shared objectives.
2) "Who is it for and how will it help them?" – Identify connections and sources of mutual benefit to the community that promote cohesion and take advantage of opportunities to enhance shared sense of place.
3) "What are we trying to deliver and how will it be provided?" - Identify the balance of measures for implementation that best promote, benefit and incentivize livability, equity, health and wellness across the spectrum of the demographic and economic landscape.

C. ASSUMPTIONS

City Staff and Consultant Support:

City staff from the Land Use and Planning Department will actively manage and participate in the revision. The staff will provide all existing data, plans and reports, Geographic Information System (GIS) mapping, and will assist in the reproduction and distribution of materials including mailings, meeting set-up, and other logistical and administrative functions.

City staff will coordinate meeting logistics with any working group, stakeholder group, or committee that may be agreed upon during Task 1. Consultant and City staff will conduct bi-weekly (or as needed) project management meetings (via video conference call) to address project management issues. During especially intense periods, these meetings may take place weekly. Consultant will produce monthly written (PDF format) status reports including a summary of all project activity and corelated invoicing prior to monthly meetings that will be attached to meeting agendas and monthly invoices.

Statutory Requirements:

The General Plan Update will exceed the minimum State of New Mexico Statute requirements outlined in Chapter 3 – Municipalities, Article 19- Planning and Platting and Section 3-19-11 – Legal status of master plan and 3-19-1 – Creation of a Planning Commission and all related "Annotations."

Scope of Service Tasks:

It is the intent of the Scope of Service Tasks (as described in Section D, "Detailed Scope of Work") to provide an essential framework of desired deliverables from the project. The General Plan Update consultant is expected to collaborate with the Land Development Code update project team across all three phases, but particularly in Phase 3, where the code will be amended to reflect the goals and policies identified in the General Plan update project. The full Land Development Code project scope is listed in Section I. G. Procurement Library.

D. DETAILED SCOPE OF WORK

PHASE 1
Approximately 12 months

Task 1. Administrative Coordination:
The City is seeking the best approach, process and best practices to develop the update, communication protocol, and an internal meeting schedule in coordination with City staff as outlined below.

1) Project Team Kick-Off and Pre-planning Coordination, including:
   a) Define and come to agreement on the General Plan Update development approach, process outline and best practices.
   b) Establish methods of communication and content sharing.
   c) Develop agreed upon plan development groups, engagement partners and strategies, committees, stakeholders that will be part of the development of the plan.
   d) Conduct in-person introductions and tours as needed. Work with City staff and leadership to evaluate current long-range planning practices and develop strategies to optimize internal workflows and planning activity outcomes.

Task 2. Existing Conditions and Trends
The City is looking for a baseline of information on existing conditions, including identification of key issues, problems and long-range goals. The City staff will provide all necessary existing materials, data and documentation. The consultant's responsibility will be to analyze this data and document the findings, and to conduct research, outreach, etc. and production of deliverables listed below. All maps will be done within the ArcGIS Software family and will be made compatible with existing City mapping systems.

The analysis should include but is not limited to mapping, surveys, studies, assessments and analysis of the following:

1) **Base Mapping**
2) **Regional Trends**
   a) Population and Growth Trends
   b) Demographic trends
3) **Land Capability Analysis**
4) **Existing Land Use and Development:**
   a) Identify developable land, including infill and redevelopment
5) **Neighborhoods:** Develop an official "Neighborhood and Districts" map for the City.
   a) **Downtown:** Conduct a more granular survey and analysis of downtown Santa Fe.
6) **Fiscal Sustainability:**
   a) Include a "value per acre" analysis or similar analysis.
7) **Urban Design**
8) **Transportation**
9) **Public and Private Utilities**
10) **Historical and Cultural Facilities**

11) **Public Safety**
12) **Schools**
13) **Parks and Recreation**
14) **Housing**
15) **Economic Development Assessment**
16) **Environmental Stewardship\Natural Resources**
17) **Institutional Structures:**
    a) Ongoing planning efforts and their sponsor departments/jurisdictions.

Assessment Report: The findings resulting from analysis of the above items will be summarized in a written (PDF format) Assessment Report. The findings will identify relevant planning issues, a summary of the findings, and policy implications for the General Plan. The report will be reviewed by the appropriate groups/committees as well as the public. It will be published on the project website where the public will be able to make comments and recommendations based on the report's findings.

Task 3. Digital User Platform (development and refinement to continue through all phases)
The City seeks a web-based dynamic interface tool that will enable staff, elected officials, the public, developers and stakeholders to access a user-friendly on-line version of the General Plan. The platform will become the Planning and Development Hub for the City after the General Plan is adopted, and therefore must be accessible and updatable by City staff.

1) The platform must include all maps, data and studies. The maps, data and studies should take advantage of ESRI Storymaps or similar technology to be interactive and easily understood.
2) The platform will integrate other adopted City plans, including the plan texts and map components such as the Residential Pipeline Map, Bicycle Master Plan, the Pedestrian Master Plan, the Water Plan, etc. The General Plan components should be included as map layers so they can be overlaid with components from other plans.
3) The platform will include an engagement section that becomes the main hub for digital engagement for the Planning and Land Use Department.
4) The platform will be built in such a way that other planning projects such as the Land Development Code website and permit searches can easily be integrated.
5) The platform will include a backend, dashboard-style user interface that enables City staff to run reports and manage the General Plan project.
6) The platform will be built with translation and accessibility options that meet City engagement standards.

PHASE 2
Approximately 6 months (in tandem with LDC update Phase 2)

Task 4. Public Engagement Plan
The coordination and execution of community outreach and engagement cannot be understated as a crucial component to the success of this project. Based on Public Engagement Plans submitted by the Consultant, a special coordination meeting shall occur to be determined in Task 1 for the purpose of refining the General Plan so that each stakeholder consents to it and has a role in its success.

1) The Public Engagement Plan should include the following elements:

a) Inclusive meeting provisions, such as
   i) Food and refreshments
   ii) Childcare
   iii) Interpretation services
   iv) Youth-oriented activities and meetings
   v) Larger events may have live entertainment to attract a wider audience
   vi) Collaboration with community partners such as churches, schools and organizations
b) Plan to coordinate with City staff, leadership, local organizations, and project Consultants to recruit equity representatives to drive engagement in their community, attend public meetings, and participate in working groups/committees.
   i) Representatives should be from an underrepresented community, such as Spanish speaking, indigenous, youth, low-income, etc.
   ii) The plan should recommend payment structure for equity representatives.
c) Review and consider Culture, History, Art, Reconciliation and Truth (CHART) outcomes
d) Review and consider Midtown outreach outcomes.

2) The consultant should provide local engagement and Public Relations (PR) support. subcontracted by the offerors.
   a) The PR team will work directly with City of Santa Fe Communications and Public Engagement teams to develop outreach materials that meet City standards.
   b) The Public Engagement Plan will be developed using the forthcoming City of Santa Fe Community Engagement Guide to craft all engagement materials. The City Clerk's office is expected to adopt the Engagement Guide in the coming months and will be shared with the project team at that time.
   c) The PR team will provide all project engagement materials in both English and Spanish and meet City accessibility standards for online and in-person engagement.
   d) The PR team will partner with local community-based organizations to conduct targeted engagement activities.

Task 5. Assessment Report

- Create a report on the engagement findings and identify the City's short-term and long-term needs and desires.
- The report should include a summary of findings from Task 2, Existing Conditions and Trends, a summary of findings from Task 4, Public Engagement, and a narrative description of the steps that should be taken to address those findings.

PHASE 3

Approximately 24 months (in tandem with LDC update phase 3)

Task 6. Growth Scenario Planning

Utilizing previous tasks' analysis and engagement, the Consultant will develop several future growth scenarios for future land use and development patterns. The Consultant will use dynamic visualization and analysis techniques to communicate the outcomes of each scenario to the City and the public. These scenarios will be used throughout the planning draft process to demonstrate the outcomes of proposed planning policies.

Task 7. General Plan Draft

The consultant will prepare the first draft of the General Plan. The draft shall include analysis and recommendations for each of the topics listed below. Other than certain required sections, the General Plan may be organized in a manner that best suites the project's overall goals, the vision of the project team and the consultant's workflow as approved by City Staff.

1) Executive Summary (required)
2) Introduction, Vision & Themes
3) Existing Conditions and Trends
   a) See "Task 2" above.
4) Assessment Report (required)
   a) Report engagement findings and identify of the City's short-term and long-term needs and desires.
5) Land Use and Growth Scenarios (see "Task 6" above)
   a) Develop the Future Land Use Map based on collaboration with Land Development Code Rewrite team and goals and objectives determined in this General Plan. Integrate Future Land Use Map into Digital User Platform to demonstrate the connection to other elements of the General Plan.
6) Regional Planning
   a) Priorities, major projects and organizational structures.
7) City Character
   a) Provide updated analysis of existing City Character, emphasizing areas of the City outside of historic overlays (Historic-area character is already well established and documented, only needs to be updated with current conditions.)
   b) Identify desired urban form for all areas of the City, coinciding with existing neighborhood boundaries, opportunity zones, redevelopment areas, master planned areas, and other contextual information.
8) Sector and Special Area Planning
   a) Identify areas for future Sector and Special Area scale planning.
   b) Develop strategies for Special Areas places for locals in addition to tourists.
   c) Assess Special Areas at granular level including economic activity, mobility, urban design and housing.
   d) Propose "catalyzing" City-led redevelopment projects of city owned property and Right of Way (R.O.W.) to be incorporated into sector plans.
9) Mobility and Accessibility
   a) Integrate goals existing plans including Multimodal Transition Plan, Bicycle/Ped/Transit Plans, Sustainability Plan
   b) Using recommendations from existing plans, identify quantifiable targets for transportation mode-shift.
      i) Identify quantifiable targets for infrastructure improvements to achieve mode-shift.
   c) Develop a "Connectivity and Street Network" map that requires future development to adhere to a street network that creates permeable, publicly accessible new development and improves connectivity in existing neighborhoods.
10) Infrastructure and Facilities

a) Integrate various infrastructure and facility plans to ensure various Capital projects are optimized and not redundant.
b) Identify infrastructure needs and desires such as improved internet, areas to extend utilities, etc.
c) Using ongoing facilities evaluation, identify top priorities for new facilities and facility improvements.
d) Evaluate Green Infrastructure and recommend improvements.

11) Climate and Natural Resources
a) Integrate relevant plans (such as water and sustainability plans) and correlate with goals and objectives of the General Plan.

12) Affordability and Human Services
a) Integrate various Human Service plans such as Senior Services, Youth and Family Services, Recreation Plans
b) Make recommendations for additional affordable housing tools
c) Make "Affordable Living" recommendations that address other aspects of affordability beyond housing.

13) Development Review Guidelines
a) Develop review processes to assess private and public development for compliance with the General Plan.

14) Glossary

15) Appendices

Task 8. Implementation and Administration Plan

Develop an Implementation Plan with the following components:

a) Provide detailed Implementation Plan that ties each recommendation to achievable goals and objectives.
    i) Each goal/objective should include proposed cost, departmental responsibility, and timeline.

Administration Plan should include procedures for the following:

i) Annual progress and action reports
ii) C.I.P. Plan update process
iii) 5-year reviews
iv) 20-year update timeline from planned adoption year
v) Identify 40-80+ year elements

Task 9. Plan Adoption and Publication

The consultants will work in tandem with City staff and City leadership throughout the duration of the General Plan adoption process. The General Plan adoption related responsibilities include but are not limited to:

i) Attend and present to commissions, board and the governing body.
ii) Respond to questions from the public, City staff and leadership regarding all aspects of the General Plan
iii) Make any amendments necessary that are identified during the adoption process.
iv) Assist with the transition to the new General Plan as necessary.

After adoption, the consultants will be responsible for the publication of General Plan, including:

i) Providing hard copies to the City and stakeholders if desired
ii) Publishing the final adopted General Plan to the project website.
iii) Finalizing any other aspects of the project.

B. TECHNICAL SPECIFICATIONS

1. Organizational Experience

Offeror **must**:

a) provide a detailed description of at least three (3) relevant projects with city, county or state governments or the private sector. The experience of all proposed subcontractors must be described. The narrative **must** thoroughly describe how the Offeror has supplied expertise for similar contracts and must include the extent of their experience, expertise and knowledge as a provider of comprehensive and community planning consultation. All comprehensive, land use and community planning consultation provided to private sector will also be considered.

b) provide a brief resume for all key personnel Offeror proposes to use in performance of the resulting contract, should Offeror be awarded. Key personnel is identified as the Project Principal (or equivalent), project planners, graphic, technology and administrative support staff. Offeror must include key personnel education, work experience and relevant certifications/licenses.

2. Mandatory Specification

The Offeror's proposal must:

a. Demonstrate a proven track record of General Plan rewrites (or Comprehensive Plan, Master Plan, etc. of a similar scope to this project) for municipalities of comparable size to Santa Fe. Offeror should give a detailed explanation of the municipalities they have provided service for and the size of the municipality.

b. Describe their knowledge and philosophies related to comprehensive planning in a contemporary municipal setting and how that knowledge and philosophy is aligned with City of Santa Fe goals, objectives, assumptions and scope of work as stated in this RFP.

c. Explain how they have demonstrated the ability to successfully collaborate with City staff, leadership, the public and other consulting firms working on concurrent projects relevant to a General Plan Rewrite Project.

d. Provide a detailed description of how the offeror will complete the phases and tasks listed in Section IV.D. taking into account the City's Goals, Objectives and Assumptions. In particular, the description must include:
    i. Detailed description of Digital User Platform including platform, integration with City ITT, and scope.

ii. Detailed description of scenario planning tools including platform, methods, integration in the Digital User Platform, and relation to the General Plan Draft as identified in Task 7.
iii. Proposed outline of the General Plan Draft demonstrating inclusion of all topics identified in Task 7.

e. The description for Phase 3 must detail how the Offeror will be integrating the concurrent Land Development Code Rewrite project.

3. Desirable Specification

a. Offeror should demonstrate a proven track record of General Plan rewrites (or Comprehensive Plan, Master Plan, etc. of a similar scope to this project) for municipalities of comparable size to Santa Fe. Offeror should give a detailed explanation of the municipalities they have provided service for and the size of the municipality.

b. Offeror should describe their knowledge and philosophies related to comprehensive planning in a contemporary municipal setting and how that knowledge and philosophy is aligned with City of Santa Fe goals and the General Plan as stated in this RFP.

c. Offeror should explain how they have demonstrated the ability to successfully collaborate with City staff, leadership, the public and other consulting firms working on concurrent projects relevant to the General Plan Rewrite Project.

d. Offeror should explain their specific understanding of the City of Santa Fe's unique history, geographic context and social climate. The offeror should include any experience working with Spanish speaking and minority communities.

e. Offeror is encouraged to include alternatives based on the Offeror's expertise, past successes and proven outcomes that support the City's vision, goals and objectives.

C. BUSINESS SPECIFICATIONS

1. Letter of Transmittal Form

The Offeror's proposal **must** be accompanied by the Letter of Transmittal Form located in APPENDIX D. The form must be signed by the person authorized to obligate the company.

2. Campaign Contribution Disclosure Form

The Offeror must complete an unaltered Campaign Contribution Disclosure Form and submit a signed copy with the Offeror's proposal. This must be accomplished whether or

not an applicable contribution has been made. (See APPENDIX B). **Failure to complete and return the signed, unaltered form will result in Offeror's disqualification.**

3. Oral Presentation

If selected as a finalist, Offerors agree to provide the Evaluation Committee the opportunity to interview proposed staff members identified by the Evaluation Committee, at the option of the Department. The Evaluation Committee may request a finalist to provide an oral presentation of the proposal as an opportunity for the Evaluation Committee to ask questions and seek clarifications.

4. Cost

Offerors must complete the Cost Response Form in APPENDIX C. Cost will be measured by the total cost of all three phases as shown on the Cost Response Form.

5. Local Preference

To ensure adequate consideration and application of NMSA 1978, § 13-1-21, Offerors **MUST** include a copy, in this section, of its NM Resident preference certificate, as issued by the New Mexico Taxation and Revenue Department.

V. EVALUATION

A. EVALUATION POINT SUMMARY

The following is a summary of evaluation factors with point values assigned to each. These weighted factors will be used in the evaluation of individual potential Offeror proposals by sub-category.

Evaluation Factors *(Correspond to section IV.B and IV C)*	Points Available
B. Technical Specifications	
B. 1. Organizational Experience	200
B. 2. Mandatory Specification	250
B. 3. Desirable Specification	200
C. Business Specifications	
C.1. Letter Of Transmittal	Pass/Fail
C.2. Campaign Contribution Disclosure Form	Pass/Fail
C.3. Oral Presentations	200
C.4. Cost	150
TOTAL POINTS AVAILABLE	**1000**
C.5. City of Santa Fe Local Preference per Section IV C. 2	**60**
C.5. City of Santa Fe Local Preference using Local Subcontractors Section IV C.2	**30**

Table 1: Evaluation Point Summary

B. EVALUATION FACTORS

1. B.1 Organizational Experience (See Table 1)

Points will be awarded based on the thoroughness and clarity of Offeror's response in this Section. The Evaluation Committee will also weigh the relevancy and extent of Offeror's experience, expertise and knowledge; and of personnel education, experience and certifications/licenses.

2. B.2 Mandatory Specifications

Points will be awarded based on the thoroughness and clarity of Offeror's response in this Section. The Evaluation Committee will also weigh the relevancy and extent of Offeror's response to each mandatory specification and how well it was explained.

3. B.3 Desirable Specifications

Points will be awarded based on the thoroughness and clarity of Offeror's response in this Section. The Evaluation Committee will also weigh the extent of Offeror's knowledge of Santa Fe and working with spanish speaking and minority communities.

4. **C.1 Letter of Transmittal (See Table 1)**
   Pass/Fail only. No points assigned.

5. **C.2 Campaign Contribution Disclosure Form (See Table 1)**
   Pass/Fail only. No points assigned.

6. **C.3 Oral Presentation (See Table 1)**

Points will be awarded based on the quality, organization and effectiveness of communication of the information presented, as well as the professionalism of the presenters and technical knowledge of the proposed staff. Prior to Oral Presentation, the Department will provide the Offeror a presentation agenda. (If no Oral Presentations are held, all Offerors will receive the maximum total points available for this Evaluation Factor).

7. **C.4 Cost (See Table 1)**

The evaluation of each Offeror's cost proposal will be conducted using the following formula: The formula below will use the total cost of all three phases as shown in the Cost Response Form in this RFP.

$$\frac{\text{Lowest Responsive Offeror's Cost}}{\text{Each Offeror's Cost}} \times \text{Available Award Points}$$

8. **C.5. Local Preferences**

Percentages will be determined based upon the point-based system outlined below.

To qualify for a local preference, an offeror must attach a state of New Mexico Taxation and Revenue Department-issued, Resident Business certification of eligibility to its bid or proposal, showing that the business is located within the Santa Fe municipal limits. If an offer is received without a copy of the appropriate State of New Mexico Taxation and Revenue Department issued Business Registration Certificate, the preference will not be applied. A valid resident business certificate is issued by the Taxation and Revenue Department pursuant to NMSA 1978, § 13-1-22.

A. When the City makes a purchase using a formal request for proposals process, not including contracts awarded on a point-based system, the City shall award additional 6% of the total weight of all the factors used in evaluating the proposal to a local resident business. The City shall award an additional 3% of the total weight of all the factors used in evaluating the proposal to a non-local resident business who has hired all local resident business subcontractors.
B. When the City makes a purchase using a formal request for proposals' process and

the contract is awarded based on a point-based system, the City shall award additional point's equivalent to 6% of the total possible points to a local resident business. The City shall award an additional 3% of the total possible points to a business who has hired all local resident business subcontractors.

The maximum available local preference shall be 6%.

A. Solicitations above One Million Dollars ($1,000,000)

1. The City shall deem a bid or proposal submitted by a resident business to be 6% lower than the bid submitted, if and only if at least 50% of the subcontracted services go to subcontractors who are resident businesses.
2. The City shall deem the bid or proposal submitted by a non-local resident business to be 3% lower than the bid submitted, if and only at least 50% of the sub-contracted services go to subcontractors who are resident businesses.

C. EVALUATION PROCESS

1. All Offeror proposals will be reviewed for compliance with the requirements and specifications stated within the RFP. Proposals deemed non-responsive will be eliminated from further consideration.

2. The Central Purchasing Office or/and the Procurement Manager may contact the Offeror for clarification of the response as specified in Section II. B.7.

3. Responsive proposals will be evaluated on the factors in Section IV, which have been assigned a point value in Section V. The responsible Offerors with the highest scores will be selected as finalist Offerors, based upon the proposals submitted. In accordance with NMSA 1978, 13-1-117, the responsible Offerors whose proposals are most advantageous to the City taking into consideration the Evaluation Factors in Section V will be recommended for award (as specified in Section II.B.11). Please note, however, that a serious deficiency in the response to any one factor may be grounds for rejection regardless of overall score.

APPENDIX A

ACKNOWLEDGEMENT OF RECEIPT FORM

REQUEST FOR PROPOSALS
General Plan Update
24/20/P
ACKNOWLEDGEMENT OF RECEIPT FORM

This Acknowledgement of Receipt Form should be signed and submitted no later than 3.00pm MDT on November 1, 2023. Only potential Offerors who elect to return this form will receive copies of all submitted questions and the written responses to those questions, as well as any RFP amendments, if any are issued.

In acknowledgement of receipt of this Request for Proposals, the undersigned agrees that he or she has received a complete copy of the RFP, beginning with the title page, and ending with APPENDIX G.

The name and address below will be used for all correspondence related to the Request for Proposals.

APPENDIX B

CAMPAIGN CONTRIBUTION DISCLOSURE FORM

CAMPAIGN CONTRIBUTION DISCLOSURE FORM

Pursuant to NMSA 1978, §§ 13-1-28, and 13-1-191.1, as amended by Laws of 2007, Chapter 234, a prospective contractor subject to this section shall disclose all campaign contributions given by the prospective contractor or a family member or representative of the prospective contractor to an applicable public official of the state or a local public body during the two years prior to the date on which a proposal is submitted or, in the case of a sole source or small purchase contract, the two years prior to the date on which the contractor signs the contract, if the aggregate total of contributions given by the prospective contractor or a family member or representative of the prospective contractor to the public official exceeds two hundred fifty dollars ($250) over the two-year period. A prospective contractor submitting a disclosure statement pursuant to this section who has not contributed to an applicable public official, whose family members have not contributed to an applicable public official or whose representatives have not contributed to an applicable public official shall make a statement that no contribution was made.

A prospective contractor or a family member or representative of the prospective contractor shall not give a campaign contribution or other thing of value to an applicable public official or the applicable public official's employees during the pendency of the procurement process or during the pendency of negotiations for a sole source or small purchase contract.

Furthermore, a solicitation or proposed award for a proposed contract may be canceled pursuant to NMSA 1978, § 13-1-181 or a contract that is executed may be ratified or terminated pursuant to NMSA 1978, § 13-1-182 if a prospective contractor fails to submit a fully completed disclosure statement pursuant to this section; or a prospective contractor or family member or representative of the prospective contractor gives a campaign contribution or other thing of value to an applicable public official or the applicable public official's employees during the pendency of the procurement process.

The state agency or local public body that procures the services or items of tangible personal property shall indicate on the form the name or names of every applicable public official, if any, for which disclosure is required by a prospective contractor.

THIS FORM MUST BE INCLUDED IN THE REQUEST FOR PROPOSALS AND MUST BE FILED BY ANY PROSPECTIVE CONTRACTOR WHETHER OR NOT THEY, THEIR FAMILY MEMBER, OR THEIR REPRESENTATIVE HAS MADE ANY CONTRIBUTIONS SUBJECT TO DISCLOSURE.

The following definitions apply:

"**Applicable public official**" means a person elected to an office or a person appointed to complete a term of an elected office, who has the authority to award or influence the award of the contract for which the prospective contractor is submitting a competitive sealed proposal or who has the authority to negotiate a sole source or small purchase contract that may be awarded without submission of a sealed competitive proposal.

"**Campaign Contribution**" means a gift, subscription, loan, advance or deposit of money.

or other thing of value, including the estimated value of an in-kind contribution, that is made to or received by an applicable public official, or any person authorized to raise, collect, or expend contributions on that official's behalf for the purpose of electing the official to statewide or local office. "Campaign Contribution" includes the payment of a debt incurred in an election campaign but does not include the value of services provided without compensation or unreimbursed travel or other personal expenses of individuals who volunteer a portion or all of their time on behalf of a candidate or political committee, nor does it include the administrative or solicitation expenses of a political committee that are paid by an organization that sponsors the committee.

"**Family member**" means a spouse, father, mother, child, father-in-law, mother-in-law, daughter-in-law or son-in-law of (a) a prospective contractor, if the prospective contractor is a natural person; or (b) an owner of a prospective contractor;

"**Pendency of the procurement process**" means the time period commencing with the public notice of the request for proposals and ending with the award of the contract or the cancellation of the request for proposals.

"**Prospective contractor**" means a person or business that is subject to the competitive sealed proposal process set forth in the Procurement Code [NMSA 1978, §§ 13-1-28 through 13-1-199] or is not required to submit a competitive sealed proposal because that person or business qualifies for a sole source or small purchase contract.

"**Representative of a prospective contractor**" means an officer or director of a corporation, a member or manager of a limited liability corporation, a partner of a partnership or a trustee of a trust of the prospective contractor.

APPENDIX F

CONFLICT OF INTEREST

CONFLICT OF INTEREST STATEMENT FOR CONSULTING FIRMS

Complete, sign and return with your proposal.

The City of Santa Fe policy is to prevent personal or organizational conflict of interest, or the appearance of such conflict of interest, in the award and administration of City contracts and Purchase Orders.

The Offeror shall comply with all applicable provisions of the Governmental Conduct Act, Chapter 10, Article 16 NMSA 1978 and include a full disclosure of all potential organization conflicts of interest in the Proposal.

In addition to the Principal Planning Consultant each key personnel shall also complete the Conflict of Interest Form below certifying that the entity has read and understands the City's policy regarding conflict of interest and the CFR. Each key personnel must also certify that there is no conflict of interest with the Project. If there is a conflict with the Project, then the Planning Consultant and known key personnel needs to describe the conflict.

The Planning Consultant agrees that, if after award, an organizational conflict of interest is discovered, the Planning Consultant makes an immediate and full written disclosure to the City that includes a description of the action that the Planning Consultant has taken or proposes to take to avoid or mitigate such conflicts. If an organizational conflict of interest is determined to exist, the City may, at its discretion, cancel the contract for the Project. If the Planning Consultant was aware of an organizational conflict of interest prior to the award of the contract and did not disclose the conflict to the City, the City may terminate the contract for default.

The City may disqualify an Offeror if any of its key personnel belong to more than one Submitter organization/firm.

I, _____ certify that I/We have no personal or financial interests and no present employment or activity which would be incompatible with this firm's participation in any activity related to the RFP or execution of the awarded General Plan Update. For the duration of this firm's involvement in the General Plan Update contract, this firm agrees not to accept any gift, benefit, gratuity or consideration, or begin a personal or financial interest in a party who is bidding and/or proposing or associated with a bidder and/or Offeror on the General Plan Update contract.

I certify that this firm will keep all General Plan Update contract information confidential and secure. This organization will not copy, give, or otherwise disclose such information to any other person unless the City of Santa Fe has on file a confidentiality agreement signed

by the other person, and the disclosure is authorized and necessary to the General Plan Update contract. I understand that if this firm leaves this General Plan Update contract before it ends, this firm must keep all contract information confidential. I agree to follow any instructions provided by the City relating to the confidentiality of the General Plan Update contract information. I fully understand that any unauthorized disclosure made by this firm may be a basis for civil or criminal penalties. I agree to advise the City's Procurement Officer, at 505-955-6432 immediately in the event that I or another person within this organization either learn or have reason to believe that any person who has access to the General Plan Update contract confidential information has or intends to disclose that information in violation of this agreement.

This statement must be fully completed and signed by an authorized representative.

The above information is subject to verification by the City of Santa Fe. If the City finds a misrepresentation, the bid may be automatically disqualified from the procurement process or the contract may be canceled.

APPENDIX G

DRAFT CONTRACT

The Agreement included in this Appendix G represents the contract the City intends to use to make an award. The City of Santa Fe reserves the right to modify the Agreement prior to, or during, the award process, as necessary.

Item#_____
Munis Contract# _____
RFP # 24/20/P

CITY OF SANTA FE

PROFESSIONAL SERVICES AGREEMENT
General Plan Update

THIS Contract is made and entered into by and between the City of Santa Fe, New Mexico, hereinafter referred to as the "City," and **NAME OF CONTRACTOR**, hereinafter referred to as the "Contractor," and is effective as of the date set forth below upon which it is executed by the Parties.

RECITALS

WHEREAS, the Chief Procurement Officer of the City has made the determination that this Contract is in accordance with the provisions of the New Mexico Procurement Code (NMSA 1978, 13-1-28 et seq.) pursuant to NMSA 1978, § 13-1-95.2.E; and NMSA 1978, § 13-1-111.

WHEREAS, the Contractor is one of such requisite and qualifications and is willing to engage with the City for professional services, in accordance with the terms and conditions hereinafter set out, and the Contractor understanding and consenting to the foregoing is willing to render such professional services as outlined in the Contract; and

WHEREAS, the Contractor does hereby accept its designation as [professional service], rendering services related to [insert services] for the City, as set forth in this Contract; and

WHEREAS, it is agreed by the parties that the performance of the professional services is for a period of [insert term], as directed by the City.

NOW, THEREFORE, the parties hereby agree as follows:

1. Scope of Work.
The Contractor shall provide the following services-for the City:

The General Plan Update is intended to capture the desired vision and choices related to Santa Fe's future that will identify opportunities for beneficial use of the community's resources and guide the advancement of the community. This will be accomplished through the implementation of dynamic growth guidance strategies and actionable implementation steps in the interest of ensuring a vibrant sense of place and belonging. These will reflect and promote overarching community values, trends and themes, and correlate concepts such as sustainability, preservation of and access to resources, community and cultural engagement, connectivity, affordability, economic opportunity and prosperity, equity, inclusion, and regional partnerships.

See Exhibit A for the full Scope of Work.

2. Standard of Performance; Licenses.

A. The Contractor represents that Contractor possesses the personnel, experience and knowledge necessary to perform the services described under this Contract.

B. The Contractor agrees to obtain and maintain throughout the term of this Contract, all applicable professional and business licenses required by law, for itself, its employees, agents, representatives and subcontractors.

2. Compensation.

A. The City shall pay to the Contractor in full payment for services satisfactorily performed at the rate of _____ dollars ($_____) per hour (OR BASED UPON DELIVERABLES, MILESTONES, BUDGET, ETC.), such compensation not to exceed (AMOUNT), excluding/including gross receipts tax. The New Mexico gross receipts tax levied on the amounts payable under this Contract totaling (AMOUNT) shall be paid by the City to the Contractor. **The total amount payable to the Contractor under this Contract, including gross receipts tax and expenses, shall not exceed (AMOUNT). This amount is a maximum and not a guarantee that the work assigned to be performed by Contractor under this Contract shall equal the amount stated herein. The parties do not intend for the Contractor to continue to provide services without compensation when the total compensation amount is reached. Contractor is responsible for notifying the City when the services provided under this Contract reach the total compensation amount. In no event will the Contractor be paid for services provided in excess of the total compensation amount without this Contract being amended in writing prior to those services in excess of the total compensation amount being provided.**

B. Payment is subject to availability of funds pursuant to the Appropriations Paragraph set forth below and to any negotiations between the parties from year to year pursuant to Paragraph 1, Scope of Work, and to approval by the City. All invoices MUST BE received by the City no later than thirty 30) days after the termination of the Fiscal Year in which the services were delivered. Invoices received after such date WILL NOT BE PAID.

C. Contractor must submit a detailed statement accounting for all services performed and expenses incurred. If the City finds that the services are not acceptable, within thirty days after the date of receipt of written notice from the Contractor that payment is requested, it shall provide the Contractor a letter of exception explaining the defect or objection to the services, and outlining steps the Contractor may take to provide remedial action. Upon certification by the City that the services have been received and accepted, payment shall be tendered to the Contractor within thirty days after the date of acceptance. If payment is made by mail, the payment shall be deemed tendered on the date it is postmarked. However, the City shall not incur late charges, interest, or penalties for failure to make payment within the time specified herein.

3. Term.

THIS CONTRACT SHALL NOT BECOME EFFECTIVE UNTIL APPROVED BY THE CITY. This Contract shall terminate on **DATE** unless terminated pursuant to paragraph 4 (Termination), or paragraph 5 (Appropriations). This Contract will not exceed a total of four (4) years in accordance with NMSA 1978, §§ 13-1-150 through 152.

4. Termination.

A. Termination. This Contract may be terminated by either of the parties hereto upon written notice delivered to the other party at least thirty (30) days prior to the intended date of termination. Except as otherwise allowed or provided under this Contract, the City's sole liability upon such termination shall be to pay for acceptable work performed prior to the Contractor's receipt of the notice of termination, if the City is the terminating party, or the Contractor's sending of the notice of termination, if the Contractor is the terminating party; provided, however, that a notice of termination shall not nullify or otherwise affect either party's liability for pre-termination defaults under or breaches of this Contract. The Contractor shall submit an invoice for such work within thirty (30) days of receiving or sending the notice of termination. Notwithstanding the foregoing, this Contract may be terminated immediately upon written notice to the Contractor if the Contractor becomes unable to perform the services contracted for, as determined by the City or if, during the term of this Contract, the Contractor or any of its officers, employees or agents is indicted for fraud, embezzlement or other crime due to misuse of City funds or due to the Appropriations paragraph herein. *THIS PROVISION IS NOT EXCLUSIVE AND DOES NOT WAIVE THE CITY'S OTHER LEGAL RIGHTS AND REMEDIES CAUSED BY THE CONTRACTOR'S DEFAULT/BREACH OF THIS CONTRACT.*

B. Termination Management. Immediately upon receipt by either the City or the Contractor of notice of termination of this Contract the Contractor shall: 1) not incur any further obligations for salaries, services or any other expenditure of funds under this Contract without written approval of the City; 2) comply with all directives issued by the City in the notice of termination as to the performance of work under this Contract; and 3) take such action as the City shall direct for the protection, preservation, retention or transfer of all property titled to the City and records generated under this Contract. Any non-expendable personal property or equipment provided to or purchased by the Contractor with contract funds shall become property of the City upon termination and shall be submitted to the City as soon as practicable.

5. Appropriations.

The terms of this Contract are contingent upon sufficient appropriations and authorization being made by the City Council for the performance of this Contract If sufficient appropriations and authorization are not made by the City Council, this Contract shall terminate immediately upon written notice being given by the City to the Contractor. The City's decision as to whether sufficient appropriations are available shall be accepted by the Contractor and shall be final. If the City proposes an amendment to the Contract to unilaterally reduce funding, the Contractor shall have the option to terminate the Contract or to agree to the reduced funding, within thirty (30) days of receipt of the proposed amendment.

6. Status of Contractor.

The Contractor and its agents and employees are independent contractors performing professional services for the City and are not employees of the City. The Contractor and its agents and employees shall not accrue leave, retirement, insurance, bonding, use of City vehicles, or any other benefits afforded to employees of the City as a result of this Contract. The Contractor acknowledges that all sums received hereunder are reportable by the Contractor for tax purposes, including without limitation, self-employment and business income tax. The Contractor agrees not to purport to bind the City unless the Contractor has express written authority to do so, and then only within the strict limits of that authority.

7. Assignment.

The Contractor shall not assign or transfer any interest in this Contract or assign any claims for money due or to become due under this Contract without the prior written approval of the City.

8. Subcontracting.

The Contractor shall not subcontract any portion of the services to be performed under this Contract without the prior written approval of the City. No such subcontract shall relieve the primary Contractor from its obligations and liabilities under this Contract, nor shall any subcontract obligate direct payment from the City.

9. Release.

Final payment of the amounts due under this Contract shall operate as a release of the City, its officers and employees from all liabilities, claims and obligations whatsoever arising from or under this Contract.

10. Confidentiality.

Any confidential information provided to or developed by the Contractor in the performance of this Contract shall be kept confidential and shall not be made available to any individual or organization by the Contractor without the prior written approval of the City.

11. Product of Service -- Copyright.

All materials developed or acquired by the Contractor under this Contract shall become the property of the City and shall be delivered to the City no later than the termination date of this Contract. Nothing developed or produced, in whole or in part, by the Contractor under this Contract shall be the subject of an application for copyright or other claim of ownership by or on behalf of the Contractor.

12. Conflict of Interest; Governmental Conduct Act.

A. The Contractor represents and warrants that it presently has no interest and, during the term of this Contract, shall not acquire any interest, direct or indirect, which would conflict in any manner or degree with the performance or services required under the Contract.

B. The Contractor further represents and warrants that it has complied with, and, during the term of this Contract will continue to comply with, and that this Contract complies with all applicable provisions of the Governmental Conduct Act, Chapter 10, Article 16 NMSA 1978.

C. Contractor's representations and warranties in Paragraphs A and B of this Article 12 are material representations of fact upon which the City relied when this Contract was entered into by the parties. Contractor shall provide immediate written notice to the City if, at any time during the term of this Contract, Contractor learns that Contractor's representations and warranties in Paragraphs A and B of this Article 12 were erroneous on the effective date of this Contract or have become erroneous by reason of new or changed circumstances. If it is later determined that Contractor's representations and warranties in Paragraphs A and B of this Article 12 were erroneous on the effective date of this Contract or have become erroneous by reason of new or changed circumstances, in addition to other remedies available to the City and notwithstanding anything in the Contract to the contrary, the City may immediately terminate the Contract.

D. All terms defined in the Governmental Conduct Act have the same meaning in this section.

13. Amendment.

A. This Agreement shall not be altered, changed or amended except by instrument in writing executed by the parties hereto and all other required signatories.

B. If the City proposes an amendment to the Agreement to unilaterally reduce funding due to budget or other considerations, the Contractor shall, within thirty (30) days of receipt of the proposed Amendment, have the option to terminate the Agreement, pursuant to the termination provisions as set forth in Article 4 herein, or to agree to the reduced funding.

14. Entire Contract.

This Contract, together with any other documents incorporated herein by reference and all related Exhibits and Schedules constitutes the sole and entire Contract of the Parties with respect to the subject matter of this Contract, and supersedes all prior and contemporaneous understandings, agreements, representations, and warranties, both written and oral, with respect to the subject matter. In the event of any inconsistency between the statements in the body of this Contract, and the related Exhibits and Schedules, the statements in the body of this Contract shall control.

15. Penalties for violation of law.

The Procurement Code, Sections 13-1-28 through 13-1-199, NMSA 1978, imposes civil and criminal penalties for its violation. In addition, the New Mexico criminal statutes impose felony penalties for illegal bribes, gratuities and kickbacks.

16. Equal Opportunity Compliance.

The Contractor agrees to abide by all federal and state laws and rules and regulations, and Santa Fe City Code, pertaining to equal employment opportunity. In accordance with all such laws of the State of New Mexico, the Contractor assures that no person in the United States shall, on the grounds of race, religion, color, national origin, ancestry, sex, age, physical or mental handicap, or serious medical condition, spousal affiliation, sexual orientation or gender identity, be excluded from

employment with or participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity performed under this Contract. If Contractor is found not to be in compliance with these requirements during the life of this Contract Contractor agrees to take appropriate steps to correct these deficiencies.

17. Applicable Law.

The laws of the State of New Mexico shall govern this Contract, without giving effect to its choice of law provisions. Venue shall be proper only in a New Mexico court of competent jurisdiction in accordance with NMSA 1978, sec. 38-3-2 . By execution of this Contract, Contractor acknowledges and agrees to the jurisdiction of the courts of the State of New Mexico over any and all lawsuits arising under or out of any term of this Contract.

18. Workers Compensation.

The Contractor agrees to comply with state laws and rules applicable to workers compensation benefits for its employees. If the Contractor fails to comply with the Workers Compensation Act and applicable rules when required to do so, this Contract may be terminated by the City.

19. Professional Liability Insurance.

Contractor shall maintain professional liability insurance throughout the term of this Contract providing a minimum coverage in the amount required under the New Mexico Tort Claims Act. The Contractor shall furnish the City with proof of insurance of Contractor's compliance with the provisions of this section as a condition prior to performing services under this Contract.

20. Other Insurance

If the services contemplated under this Contract will be performed on or in City facilities or property, Contractor shall maintain in force during the entire term of this Contract, the following insurance coverage(s), naming the City as additional insured.

A. Commercial General Liability insurance shall be written on an occurrence basis and be a broad as ISO Form CG 00 01 with limits not less than $2,000,000 per occurrence and $2,000,000 in the aggregate for claims against bodily injury, personal and advertising injury, and property damage. Said policy shall include broad form Contractual Liability coverage and be endorsed to name the City of Santa Fe their officials, officers, employees, and agents as additional insureds.

B. Broader Coverage and Limits. The insurance requirements under this Contract shall be the greater of (1) the minimum coverage and limits specified in this Agreement, or (2) the broader coverage and maximum limits of coverage of any insurance policy or proceeds available to the Named Insured. It is agreed that these insurance requirements shall not in any way act to reduce coverage that is broader or that includes higher limits than the minimums required herein. No representation is made that the minimum insurance requirements of this Contract are sufficient to cover the obligations of Contractor hereunder.

C. Contractor shall maintain the above insurance for the term of this Contract and name the City as an additional insured and provide for 30 days cancellation notice on any Certificate of Insurance form furnished by Contractor. Such certificate shall also specifically state the coverage provided under the policy is primary over any other valid and collectible insurance and provide a waiver of subrogation.

21. Records and Financial Audit.

The Contractor shall maintain detailed time and expenditure records that indicate the date; time, nature and cost of services rendered during the Contract's term and effect and retain them for a period of three (3) years from the date of final payment under this Contract. The records shall be subject to inspection by the City. The City shall have the right to audit billings both before and after payment. Payment under this Contract shall not foreclose the right of the City to recover excessive or illegal payments

22. Indemnification.

The Contractor shall defend, indemnify and hold harmless the City from all actions, proceeding, claims, demands, costs, damages, attorneys' fees and all other liabilities and expenses of any kind from any source which may arise out of the performance of this Contract, caused by the negligent act or failure to act of the Contractor, its officers, employees, servants, subcontractors or agents, or if caused by the actions of any client of the Contractor resulting in injury or damage to persons or property during the time when the Contractor or any officer, agent, employee, servant or subcontractor thereof has or is performing services pursuant to this Contract. In the event that any action, suit or proceeding related to the services performed by the Contractor or any officer, agent, employee, servant or subcontractor under this Contract is brought against the Contractor, the Contractor shall, as soon as practicable but no later than two (2) days after it receives notice thereof, notify the legal counsel of the City.

23. New Mexico Tort Claims Act

Any liability incurred by the City of Santa Fe in connection with this Contract is subject to the immunities and limitations of the New Mexico Tort Claims Act, Section 41-4-1, et. seq. NMSA 1978, as amended. The City and its "public employees" as defined in the New Mexico Tort Claims Act, do not waive sovereign immunity, do not waive any defense and do not waive any limitation of liability pursuant to law. No provision in this Contract modifies or waives any provision of the New Mexico Tort Claims Act.

24. Invalid Term or Condition.

If any term or condition of this Contract shall be held invalid or unenforceable, the remainder of this Contract shall not be affected and shall be valid and enforceable.

25. Enforcement of Contract.

A party's failure to require strict performance of any provision of this Contract shall not waive or diminish that party's right thereafter to demand strict compliance with that or any other provision. No waiver by a party of any of its rights under this Contract shall be effective unless express and in writing, and no effective waiver by a party of any of its rights shall be effective to waive any other rights.

26. Notices.

Any notice required to be given to either party by this Contract shall be in writing and shall be delivered in person, by courier service or by U.S. mail, either first class or certified, return receipt requested, postage prepaid, as follows:

To the City: [insert name, address and email].

To the Contractor: [insert name, address and email].

27. Authority.

If Contractor is other than a natural person, the individual(s) signing this Contract on behalf of Contractor represents and warrants that he or she has the power and authority to bind Contractor, and that no further action, resolution, or approval from Contractor is necessary to enter into a binding contract.

28. Merger.

This Contract incorporates all the Contracts, covenants and understandings between the parties hereto concerning the subject matter hereof, and all such covenants, Contracts and understandings have been merged into this written Contact. No prior Contract or understanding, oral or otherwise, of the parties or their agents shall be valid or enforceable unless embodied in this Contract.

29. Non-Collusion.

In signing this Contract, the Contractor certifies the Contractor has not, either directly or indirectly, entered into action in restraint of free competitive bidding in connection with this offer submitted to the City's Chief Procurement Officer.

30. Default/Breach.

In case of Default and/or Breach by the Contractor, for any reason whatsoever, the City may procure the goods or services from another source and hold the Contractor responsible for any resulting excess costs and/or damages, including but not limited to, direct damages, indirect damages, consequential damages, special damages and the City may also seek all other remedies under the terms of this Contract and under law or equity.

31. Equitable Remedies.

The Contractor acknowledges that its failure to comply with any provision of this Contract will cause the City irrevocable harm and that a remedy at law for such a failure would be an

inadequate remedy for the City, and the Contractor consents to the City 's obtaining from a court of competent jurisdiction, specific performance, or injunction, or any other equitable relief in order to enforce such compliance. The City's rights to obtain equitable relief pursuant to this Contract shall be in addition to, and not in lieu of, any other remedy that the City may have under applicable law, including, but not limited to, monetary damages.

32. Default and Force Majeure.

The City reserves the right to cancel all or any part of any orders placed under this Contract without cost to the City, if the Contractor fails to meet the provisions of this Contract and, except as otherwise provided herein, to hold the Contractor liable for any excess cost occasioned by the City due to the Contractor's default. The Contractor shall not be liable for any excess costs if failure to perform the order arises out of causes beyond the control and without the fault or negligence of the Contractor; such causes include, but are not restricted to, acts of God or the public enemy, acts of the State or Federal Government, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, unusually severe weather and defaults of subcontractors due to any of the above, unless the City shall determine that the supplies or services to be furnished by the subcontractor were obtainable from other sources in sufficient time to permit the Contractor to meet the required delivery scheduled. The rights and remedies of the City provided in this Clause shall not be exclusive and are in addition to any other rights now being provided by law or under this Contract.

IN WITNESS WHEREOF, the Parties have executed this Contract as of the date of the signature by the required approval authorities below.

Exhibit A
Scope of Work

The Consultant Services may include, but are not limited to, administrative coordination and support, public engagement, land use planning analysis and recommendations delivered in a variety of formats including reports, maps, digital and paper publications. The Consultant Team may include subcontractors, community organizations and other relevant members needed to perform the required tasks.

Tasks and Phases are meant to provide guidance on structure and schedule of deliverables but may change due to circumstances including but not limited to Land Development Code Rewrite progression, Consultant recommendations or other circumstances.

The Tasks and Phases listed below are intended to include the entire General Plan Update project, however only Phase 1 is currently funded. The subsequent Phases 2 and 3 will be undertaken as funding becomes available in subsequent fiscal years.

A. GOALS

The revised General Plan is intended to capture the desired vision and choices related to Santa Fe's future with a 20-year plan that will identify opportunities for beneficial use of the community's resources and guide the advancement of the community. This will be accomplished through the implementation of dynamic growth guidance strategies and actionable implementation steps in the interest of ensuring a vibrant sense of place and belonging. These will reflect and promote overarching community values, trends and themes, and correlate concepts such as sustainability, preservation of and access to resources, community and cultural engagement, connectivity, affordability, economic opportunity and prosperity, equity, inclusion, and regional partnerships.

The General Plan Update will identify desired and attainable goals, each with a set of quantifiable objectives which are correlated with the implementation plan.

To achieve this vision, the City aspires to the following goals:

1) Enhance the City's quality of life by ensuring that development is sustainable, and that social equity, physical growth, redevelopment, and natural resource conservation and protection are balanced, guided and dynamic.
2) Foster the Santa Fe tradition which enriches everyday life by designing urban spaces conducive to exceptional community character, public safety, and establishing an ecological conservation basis for urban design, while continuing to honor beneficial existing growth patterns.
3) Promote a compact urban form that enables the development of affordable housing, provides a mix of housing types and land uses in all areas of the city.
4) Promotes the stabilization of neighborhoods by implementing policies and programs that prevent residential and small business displacement.
5) Develop a sector planning process that promotes community cohesion, shared ownership and sense of place.

6) Reduce automobile dependence by becoming a city where essential goods, services, employment and amenities are available to residents within their neighborhood. Improve transportation network connectivity and provide equitable access to affordable and multimodal transportation that connects underserved communities to services and employment.
7) Diversify the economy while enhancing the city's unique character and sense of place.
8) Develop a regional growth management policy framework in collaboration with regional partners.
9) Promote engagement with regional partners to ensure coordinated growth and development, and annexation and expansion at the City's periphery.
10) Develop a comprehensive and enforceable review process that balances the goals of the General Plan when determining planning and development decisions.
11) Develop an implementation plan that creates a consistency of purpose across City departments.
12) Promote reconciliation of detrimental inconsistencies, disparities and inequities within the city and among its residents.

B. OBJECTIVES

In order to accomplish these goals, the City intends to engage in the General Plan Update, including an extensive community outreach program, that will identify quantifiable and achievable objectives that help answer the following questions:

1) "What's missing and where?" - Identify perceived challenges and shared objectives.
2) "Who is it for and how will it help them?" – Identify connections and sources of mutual benefit to the community that promote cohesion and take advantage of opportunities to enhance shared sense of place.
3) "What are we trying to deliver and how will it be provided?" - Identify the balance of measures for implementation that best promote, benefit and incentivize livability, equity, health and wellness across the spectrum of the demographic and economic landscape.

C. ASSUMPTIONS

City Staff and Consultant Support:
City staff from the Planning and Land Use Department will actively manage and participate in the revision. The staff will provide all existing data, plans and reports, Geographic Information System (GIS) mapping, and will assist in the reproduction and distribution of materials including mailings, meeting set-up, and other logistical and administrative functions.

City staff will coordinate meeting logistics with any working group, stakeholder group, or committee that may be agreed upon during Task 1. Consultant and City staff will conduct bi-weekly (or as needed) project management meetings (via video conference call) to address project management issues. During especially intense periods, these meetings may take place weekly. Consultant will produce monthly written (PDF format) status reports including a summary of all project activity and corelated invoicing prior to monthly meetings that will be attached to meeting agendas and monthly invoices.

Statutory Requirements:
The General Plan Revision will exceed the minimum State of New Mexico Statute requirements outlined in Chapter 3 – Municipalities, Article 19- Planning and Platting and Section 3-19-11 – Legal status of master plan and 3-19-1 – Creation of a Planning Commission and all related "Annotations."

Scope of Service Tasks:
It is the intent of the Scope of Service Tasks to provide an essential framework of desired deliverables from the project. The General Plan Update consultant is expected to collaborate with the Land Development Code update project team across all three phases, but particularly in Phase 3, where the code will be amended to reflect the goals and policies identified in the General Plan update project. The full Land Development Code project scope is listed in Section I. G. Procurement Library.

D. DETAILED SCOPE OF WORK

PHASE 1
Approximately 12 months

Task 1. Administrative Coordination:
The City is seeking the best approach, process and best practices to develop the update, communication protocol, and an internal meeting schedule in coordination with City staff as outlined below.

1) Project Team Kick-Off and Pre-planning Coordination, including:
   a) Define and come to agreement on plan update development approach, process outline and best practices.
   b) Establish methods of communication and content sharing.
   c) Develop agreed upon plan development groups, engagement partners and strategies, committees, stakeholders that will be part of the development of the General Plan.
   d) Conduct in-person introductions and tours as needed. Work with City staff and leadership to evaluate current long-range planning practices and develop strategies to optimize internal workflows and planning activity outcomes.

Task 2. Existing Conditions and Trends
The City is looking for a baseline of information on existing conditions, including identification of key issues, problems and long-range goals. The City staff will provide all necessary existing materials, data and documentation. The consultant's responsibility will be to analyze this data and document the findings, and to conduct research, outreach, etc. and production of deliverables listed below. All maps will be done within the ArcGIS Software family and will be made compatible with existing City mapping systems.

The analysis should include but is not limited to mapping, surveys, studies, assessments and analysis of the following:

1) **Base Mapping**
2) **Regional Trends**
   a) Population and Growth Trends.
   b) Demographic trends.
3) **Land Capability Analysis**
4) **Existing Land Use and Development:**
   a) Identify developable land, including infill and redevelopment.
5) **Neighborhoods:** Develop an official "Neighborhood and Districts" map for the City.
   a) **Downtown:** Conduct a more granular survey and analysis of downtown Santa Fe.
6) **Fiscal Sustainability:**
   a) Include a "value per acre" analysis or similar analysis.
7) **Urban Design**
8) **Transportation**
9) **Public and Private Utilities**
10) **Historical and Cultural Facilities**
11) **Public Safety**
12) **Schools**
13) **Parks and Recreation**
14) **Housing**
15) **Economic Development Assessment**
16) **Environmental Stewardship\Natural Resources**
17) **Institutional Structures:**
   a) Ongoing planning efforts and their sponsor departments/jurisdictions.

Assessment Report: The findings of the above items will be summarized in a written (PDF format) Assessment Report. The findings will identify relevant planning issues, a summary of the findings, and policy implications for the General Plan. The report will be reviewed by the appropriate groups/committees as well as the public. It will be published on the project website where the public will be able to make comments and recommendations based on the report's findings.

Task 3. Digital User Platform (development and refinement to continue through all phases) The City seeks a web-based dynamic interface tool that will enable staff, elected officials, the public, developers and stakeholders to access a user-friendly on-line version of the General Plan. The platform will become the Planning and Development Hub for the City after the General Plan is adopted, and therefore must be accessible and updatable by City staff.

1) The platform must include all maps, data and studies. The maps, data and studies should take advantage of ESRI Storymaps or similar technology to be interactive and easily understood.
2) The platform will integrate other adopted City plans, including the plan texts and map components such as the Residential Pipeline Map, Bicycle Master Plan, the Pedestrian Master Plan, the Water Plan, etc. The General Plan components should be included as map layers so they can be overlaid with components from other plans.
3) The platform will include an engagement section that becomes the main hub for digital engagement for the Planning and Land Use Department.

4) The platform will be built in such a way that other planning projects such as the Land Development Code website and permit searches can easily be integrated.
5) The platform will include a backend, dashboard-style user interface that enables City staff to run reports and manage the General Plan project.
6) The platform will be built with translation and accessibility options that meet City engagement standards.

PHASE 2

Approximately 6 months (in tandem with LDC update Phase 2)

Task 4. Public Engagement Plan

The coordination and execution of community outreach and engagement cannot be understated as a crucial component to the success of this project. Based on Public Engagement Plans submitted by the Consultant, a special coordination meeting shall occur to be determined in Task 1 for the purpose of refining the General Plan so that each stakeholder consents to it and has a role in its success.

1) The Public Engagement Plan should include the following elements:
   a) Inclusive meeting provisions, such as:
      i) Food and refreshments.
      ii) Childcare.
      iii) Interpretation services.
      iv) Youth-oriented activities and meetings.
      v) Larger events may have live entertainment to attract a wider audience.
      vi) Collaboration with community partners such as churches, schools and organizations.
   b) Plan to recruit equity representatives to drive engagement in their community, attend public meetings, and participate in working groups/committees.
      i) Representatives should be from an underrepresented community, such as Spanish speaking, indigenous, youth, low-income, etc.
      ii) The Plan should recommend payment structure for equity representatives.
   c) Review and consider Culture, History, Art, Reconciliation and Truth (CHART) outcomes.
   d) Review and consider Midtown outreach outcomes.
2) The consultant should provide local engagement and Public Relations (PR) support subcontracted by the offerors.
   a) The PR team will work directly with City of Santa Fe Communications and Public Engagement teams to develop outreach materials that meet City standards.
   b) The Public Engagement Plan will be developed using the forthcoming City of Santa Fe Community Engagement Guide to craft all engagement materials. The City Clerk's office is expected to adopt the Engagement Guide in the coming months and will be shared with the project team at that time.
   c) The PR team will provide all project engagement materials in both English and Spanish and meet City accessibility standards for online and in-person engagement.
   d) The PR team will partner with local community-based organizations to conduct targeted engagement activities.

Task 5. Assessment Report

Create a report on the engagement findings and identify the City's short-term and long-term needs and desires. The report should include a summary of findings from Task 2, Existing Conditions and Trends, a summary of findings from Task 4, Public Engagement, and a narrative description of the steps that should be taken to address those findings.

PHASE 3

Approximately 24 months (in tandem with LDC update phase 3)

Task 6. Growth Scenario Planning

Utilizing previous tasks' analysis and engagement, the consultant will develop several future growth scenarios for future land use and development patterns. The consultant will use dynamic visualization and analysis techniques to communicate the outcomes of each scenario to the City and the public. These scenarios will be used throughout the planning draft process to demonstrate the outcomes of proposed planning policies.

Task 7. General Plan Draft

The consultant will prepare the first draft of the General Plan Update. The draft shall include analysis and recommendations for each of the topics listed below. Other than certain required sections, the General Plan may be organized in a manner that best suits the project's overall goals, the vision of the project team and the consultant's workflow as approved by City Staff.

1) Executive Summary (required)
2) Introduction, Vision & Themes
3) Existing Conditions and Trends
   a) See "Task 2" above.
4) Assessment Report (required)
   a) Report engagement findings and identify of the City's short-term and long-term needs and desires.
5) Land Use and Growth Scenarios (see "Task 6" above)
   a) Develop the Future Land Use Map based on collaboration with Land Development Code Rewrite team and goals and objectives determined in this General Plan Update. Integrate Future Land Use Map into Digital User Platform to demonstrate the connection to other elements of the General Plan.
6) Regional Planning
   a) Priorities, major projects and organizational structures.
7) City Character
   a) Provide updated analysis of existing City Character, emphasizing areas of the City outside of historic overlays (Historic-area character is already well established and documented, only needs to be updated with current conditions.)
   b) Identify desired urban form for all areas of the City, coinciding with existing neighborhood boundaries, opportunity zones, redevelopment areas, master planned areas, and other contextual information.
8) Sector and Special Area Planning
   a) Identify areas for future Sector and Special Area scale planning.
   b) Develop strategies for Special Areas places for locals in addition to tourists.

c) Assess Special Areas at granular level including economic activity, mobility, urban design and housing.
d) Propose "catalyzing" City-led redevelopment projects of city owned property and Right of Way (R.O.W.) to be incorporated into sector plans.

9) Mobility and Accessibility
   a) Integrate goals existing plans including Multimodal Transition Plan, Bicycle/Ped/Transit Plans, Sustainability Plan.
   b) Using recommendations from existing plans, identify quantifiable targets for transportation mode-shift.
      i) Identify quantifiable targets for infrastructure improvements to achieve mode-shift.
   c) Develop a "Connectivity and Street Network" map that requires future development to adhere to a street network that creates permeable, publicly accessible new development and improves connectivity in existing neighborhoods.
10) Infrastructure and Facilities
   a) Integrate various infrastructure and facility plans to ensure various Capital projects are optimized and not redundant.
   b) Identify infrastructure needs and desires such as improved internet, areas to extend utilities, etc.
   c) Using ongoing facilities evaluation, identify top priorities for new facilities and facility improvements.
   d) Evaluate Green Infrastructure and recommend improvements.
11) Climate and Natural Resources
   a) Integrate relevant plans (such as water and sustainability plans) and correlate with goals and objectives of the General Plan.
12) Affordability and Human Services
   a) Integrate various Human Service plans such as Senior Services, Youth and Family Services, Recreation Plans.
   b) Make recommendations for additional affordable housing tools.
   c) Make "Affordable Living" recommendations that address other aspects of affordability beyond housing.
13) Development Review Guidelines
   a) Develop review processes to assess private and public development for compliance with the General Plan.
14) Glossary
15) Appendices

Task 8. Implementation and Administration Plan

Develop an Implementation Plan with the following components:

a) Provide detailed Implementation Plan that ties each recommendation to achievable goals and objectives.
   i) Each goal/objective should include proposed cost, departmental responsibility, and timeline.

Administration Plan should include procedures for the following:

i) Annual progress and action reports.
ii) C.I.P. Plan update process.
iii) 5-year reviews.

iv) 20-year update timeline from planned adoption year.
v) Identify 40-80+ year elements.

Task 9. General Plan Adoption and Publication

The consultants will work in tandem with City staff and City leadership throughout the duration of the General Plan adoption process. General Plan adoption related responsibilities include but are not limited to:

i) Attend and present to commissions, board and the governing body.
ii) Respond to questions from the public, City staff and leadership regarding all aspects of the General Plan Update.
iii) Make any amendments necessary that are identified during the adoption process.
iv) Assist with the transition to the new General Plan as necessary.

After adoption, the consultants will be responsible for the publication of the General Plan, including:

i) Providing hard copies to the City and stakeholders if desired.
ii) Publishing the final adopted General Plan to the project website.
iii) Finalizing any other aspects of the project.

APPENDIX D
Letter of Transmittal Form

ITEMS #1 to #4 EACH MUST BE COMPLETED IN FULL (pursuant to Section II.C.29). DO NOT LEAVE ANY ITEM BLANK! (N/A, None, Does not apply, etc. are acceptable responses.)

RFP#: 24/20/P

1. **Identify the following information for the submitting organization**:

Offeror Name	WSP USA Inc.
Mailing Address	2440 Louisiana Blvd NE, Suite 400, Albuquerque, NM 87110
Telephone	505-881-5357
FED ID#	11-1531569
NM CRS#	01-195458-002

2. **Identify the individual(s) authorized by the organization to (A) contractually obligate, (B) negotiate, and/or (C) clarify/respond to queries on behalf of this Offeror**:

	A Contractually Obligate	B Negotiate*	C Clarify/Respond to Queries*
Name	Manjeet Ranu		
Title	Senior Vice President		
Email	Manjeet.Ranu@wsp.com		
Telephone	858-869-7190		

* If the individual identified in Column A also performs the functions identified in Columns B & C, then no response is required for those Columns. If separate individuals perform the functions in Columns B and/or C, they must be identified.

3. **Use of subcontractors** (Select one):

____ No subcontractors will be used in the performance of any resultant contract, OR

✓ The following subcontractors will be used in the performance of any resultant contract:

Leland Consulting Group; Design Workshop

(Attach extra sheets, as needed)

4. **Describe any relationship with any entity (such as the City of Santa Fe, State Agency, reseller, etc. that is not a subcontractor(s) listed in #3 above), if any, which will be used in the performance of any resultant contract**. (N/A, None, Does not apply, etc. are acceptable responses to this item.)

N/A

(Attach extra sheets, as needed)

By signing the form below, the Authorized Signatory attests to the accuracy and veracity of the information provided on this form, and explicitly acknowledges the following:

- On behalf of the submitting-organization identified in item #1, above, I accept the Conditions Governing the Procurement, as required in Section II.C.1. of this RFP;
- I concur that submission of our proposal constitutes acceptance of the Evaluation Factors contained in Section V of this RFP; and
- I acknowledge receipt of any and all amendments to this RFP, if any.

Ms. Heather L. Lamboy, AICP, Assistant Director of Planning and Land Use & Procurement Manager
c/o Central Purchasing Division
City of Santa Fe
PO Box 909
Santa Fe, New Mexico 87504-0909

Re: City of Santa Fe General Plan Update (RFP 24/20/P)

Dear Ms. Lamboy and Selection Committee:

WSP with our team members, Design Workshop and Leland Consulting Group, are very excited to submit this proposal to support the City's update of the 1999 General Plan. We have been eagerly awaiting this opportunity, as Santa Fe is special place, home to many cultures that have influenced what it is today.

Our approach to support updating the General Plan includes these five key themes:

- Truly Comprehensive
- Inclusive Engagement
- Impactful Innovations
- Future Ready
- Immediately Implementable

WSP is a multidisciplinary professional services firm that understands the full spectrum of moving from notional ideas about how to organize around and respond to opportunities and issues toward successful, tangible implementation. **WSP knows how to keep plans from sitting on a shelf because WSP delivers projects**—from rapidly replacing the West Alameda culvert in Santa Fe, advising on the Santa Fe Midtown plan to delivering multi-billion-dollar infrastructure projects across the globe—**our experience and approach ensures that this will be an actionable General Plan.**

Our team of local, regional, and national experts are pleased to have this opportunity to support the City's present, do right for its future, and both respect and atone for its history.

Sincerely,

Daniel (Dan) Baer, AICP
Principal-in-Charge (PIC)
National Planning Marketing Lead

Manjeet Ranu, AICP
Project Manager
National Planning Lead
Senior Vice President

CAMPAIGN CONTRIBUTION DISCLOSURE FORM

Pursuant to NMSA 1978, §§ 13-1-28, and 13-1-191.1, as amended by Laws of 2007, Chapter 234, a prospective contractor subject to this section shall disclose all campaign contributions given by the prospective contractor or a family member or representative of the prospective contractor to an applicable public official of the state or a local public body during the two years prior to the date on which a proposal is submitted or, in the case of a sole source or small purchase contract, the two years prior to the date on which the contractor signs the contract, if the aggregate total of contributions given by the prospective contractor or a family member or representative of the prospective contractor to the public official exceeds two hundred fifty dollars ($250) over the two-year period. A prospective contractor submitting a disclosure statement pursuant to this section who has not contributed to an applicable public official, whose family members have not contributed to an applicable public official or whose representatives have not contributed to an applicable public official shall make a statement that no contribution was made.

A prospective contractor or a family member or representative of the prospective contractor shall not give a campaign contribution or other thing of value to an applicable public official or the applicable public official's employees during the pendency of the procurement process or during the pendency of negotiations for a sole source or small purchase contract.

Furthermore, a solicitation or proposed award for a proposed contract may be canceled pursuant to NMSA 1978, § 13-1-181 or a contract that is executed may be ratified or terminated pursuant to NMSA 1978, § 13-1-182 if a prospective contractor fails to submit a fully completed disclosure statement pursuant to this section; or a prospective contractor or family member or representative of the prospective contractor gives a campaign contribution or other thing of value to an applicable public official or the applicable public official's employees during the pendency of the procurement process.

The state agency or local public body that procures the services or items of tangible personal property shall indicate on the form the name or names of every applicable public official, if any, for which disclosure is required by a prospective contractor.

THIS FORM MUST BE INCLUDED IN THE REQUEST FOR PROPOSALS AND MUST BE FILED BY ANY PROSPECTIVE CONTRACTOR WHETHER OR NOT THEY, THEIR FAMILY MEMBER, OR THEIR REPRESENTATIVE HAS MADE ANY CONTRIBUTIONS SUBJECT TO DISCLOSURE.

The following definitions apply:

"**Applicable public official**" means a person elected to an office or a person appointed to complete a term of an elected office, who has the authority to award or influence the award of the contract for which the prospective contractor is submitting a competitive sealed proposal or who has the authority to negotiate a sole source or small purchase contract that may be awarded without submission of a sealed competitive proposal.

"**Campaign Contribution**" means a gift, subscription, loan, advance or deposit of money.

or other thing of value, including the estimated value of an in-kind contribution, that is made to or received by an applicable public official, or any person authorized to raise, collect, or expend contributions on that official's behalf for the purpose of electing the official to statewide or local office. "Campaign Contribution" includes the payment of a debt incurred in an election campaign but does not include the value of services provided without compensation or unreimbursed travel or other personal expenses of individuals who volunteer a portion or all of their time on behalf of a candidate or political committee, nor does it include the administrative or solicitation expenses of a political committee that are paid by an organization that sponsors the committee.

"**Family member**" means a spouse, father, mother, child, father-in-law, mother-in-law, daughter-in-law or son-in-law of (a) a prospective contractor, if the prospective contractor is a natural person; or (b) an owner of a prospective contractor;

"**Pendency of the procurement process**" means the time period commencing with the public notice of the request for proposals and ending with the award of the contract or the cancellation of the request for proposals.

"**Prospective contractor**" means a person or business that is subject to the competitive sealed proposal process set forth in the Procurement Code [NMSA 1978, §§ 13-1-28 through 13-1-199] or is not required to submit a competitive sealed proposal because that person or business qualifies for a sole source or small purchase contract.

"**Representative of a prospective contractor**" means an officer or director of a corporation, a member or manager of a limited liability corporation, a partner of a partnership or a trustee of a trust of the prospective contractor.

D. PROPOSAL SUMMARY

BE GUIDED

Our approach to updating the General Plan:

- **Truly comprehensive.** A living and relevant document that is calibrated periodically.
- **Inclusive engagement.** Broad and targeted, traditional and modern approaches.
- **Impactful innovations.** A culturally and technologically smart City.
- **Future ready.** Environmentally, economically, and socially resilient.
- **Immediately implementable.** Designed to be achievable and accountable.

BE FOCUSED

Keeping the General Plan Update on track.

- Process focused project management
- Identify key themes to develop an actionable plan
- Use milestones as stage gates to drive project progress

BE COORDINATED

Staying coordinated with current, major City initiatives, including:

- Land development code update
- Regional partner governance
- Midtown implementation

BE ENGAGED

Public, stakeholder, and partner engagement to add inclusive value and build consensus.

- Public engagement plan
- Online civic engagement tool
- Community partners

BE READY

Understanding the tools necessary to achieve successful implementation.

- Position for funding opportunities
- Understand trends
- Develop organizational capacity

We are local. Our Santa Fe office is located on 150 Washington Ave. Suite 201, Santa Fe, NM 87501 less than two blocks away from the Santa Fe Plaza.

We live here. Members of our WSP team live and work in Santa Fe and we take pride in our community.

We work here. We have completed numerous projects in and around Santa Fe including Acequia Trail Pedestrian and Bicycle Underpass for City of Santa Fe and the NM 14 Cerrillos Road Study for the NMDOT.

Our Experienced Team

Our proposed team, led by project manager, Manjeet Ranu, has experience and expertise in the General Plan tasks outlined in the RFP including, but not limited to:

- ✓ Administrative Coordination
- ✓ Existing Conditions
- ✓ Base Mapping
- ✓ Regional Trends
- ✓ Land Capability Analysis
- ✓ Existing Land Use and Development
- ✓ Neighborhoods
- ✓ Fiscal Sustainability
- ✓ Urban Design
- ✓ Transportation
- ✓ Public & Private Utilities
- ✓ Historical & Cultural Facilities
- ✓ Public Safety
- ✓ Schools
- ✓ Parks & Recreation
- ✓ Housing Economic Development Assessment
- ✓ Environmental Stewardship/ Natural Resources
- ✓ Institutional Structures
- ✓ Digital User Platform
- ✓ Public Engagement Plan
- ✓ Assessment Reports
- ✓ Growth Scenario Planning
- ✓ General Plan Drafting
- ✓ Implementation & Administration Plan
- ✓ Plan Adoption & Publication
- ✓ Equity & Inclusion
- ✓ Smart Cities
- ✓ Municipal Infrastructure
- ✓ Water

E. RESPONSE TO CONTRACT TERMS & CONDITIONS

WSP USA Inc. has reviewed the sample contract provided with the RFQ and would like to submit the following changes for consideration set forth in Section II.C.15.

WSP LEGAL EXCEPTIONS

ARTICLE/ PARAGRAPH OR EXHIBIT REFERENCE	PROPOSED CHANGES/ALTERNATE LANGUAGE FOR CONSIDERATION
9. Release	
Page 60	Proposed Change: Add, "payment" to this Article as shown for clarification. **9. Release** Final payment of the amounts due under this Contract shall operate as a release of the City, its officers and employees from all payment liabilities, claims and obligations whatsoever arising from or under this Contract.
22. Indemnification	
Page 63	Proposed Change: Delete, "defend" in this Article as shown for clarification. **22. Indemnification** The Contractor shall ~~defend~~, indemnify and hold harmless the City from all actions, proceeding, claims, demands, costs, damages, attorneys' fees and all other liabilities and expenses of any kind from any source which may arise out of the performance of this Contract, caused by the negligent act or failure to act of the Contractor, its officers, employees, servants, subcontractors or agents, or if caused by the actions of any client of the Contractor resulting in injury or damage to persons or property during the time when the Contractor or any officer, agent, employee, servant or subcontractor thereof has or is performing services pursuant to this Contract. In the event that any action, suit or proceeding related to the services performed by the Contractor or any officer, agent, employee, servant or subcontractor under this Contract is brought against the Contractor, the Contractor shall, as soon as practicable but no later than two (2) days after it receives notice thereof, notify the legal counsel of the City.

F. OFFEROR'S ADDITIONAL TERMS & CONDITIONS

WSP USA Inc. requests no additional contract terms and conditions.

G. RESPONSE TO SPECIFICATIONS

1. ORGANIZATIONAL EXPERIENCE

Our team has the combined General Plan project experience and qualifications to deliver the desired vision and choices for Santa Fe's future.

We have provided some relevant projects and showcased our qualified team on the following pages.

WSP AT A GLANCE

135+ Years in U.S.

Team with the Expertise to Deliver

15,500+ Employees

Collaborative & Experienced Team

300+ Offices

Local Santa Fe Presence

WSP is a multidisciplinary strategy, planning, design, delivery and management consultancy that develops creative, comprehensive and sustainable solutions for a future in which society and our planet can thrive. Equipped with an intimate understanding of local intricacies, world-class talent and proactive leadership, we enable long-lasting and impactful solutions to uniquely complex opportunities and problems. WSP has offices throughout the United States and globally, including major collaborations throughout the southwest. Lead WSP staff serving Santa Fe all have substantial experience practicing in the southwest undertaking similar multidimensional work. WSP regularly undertakes similarly complex efforts with outstanding, unifying outcomes.

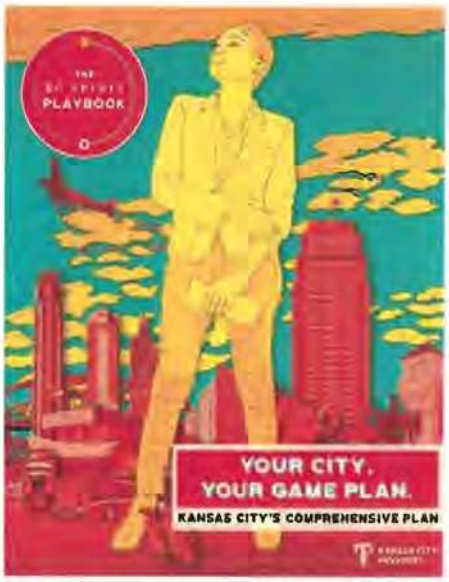
WSP understands the importance of the planning process, which supports navigating toward successful outcomes, with the technical and engagement work embedded in the process to inform decision-making. Investing in these processes properly and being willing to re-evaluate initial assumptions provides much better predictability for projects, stabilizing the subsequent design and delivery phases. With WSP, we bring the deep local knowledge closest to the client backed by expertise from across the company to identify potential risks early and creative solutions that allow the planning process to culminate in a decision of what should be delivered and how.

KEY TEAMING PARTNERS

LELAND CONSULTING GROUP

In more than 250 communities across the country, Leland Consulting Group's (LCG) strategies have resulted in built projects that immediately improve residents' quality of life: thriving downtowns, bustling shopping districts, inviting neighborhoods, and productive employment centers. **As urban strategists, LCG's role is to keep the big picture in sight, while simultaneously providing deep expertise in the strategic, market, financial, and economic elements that make projects possible and successful.** LCG recognizes that special and economically viable places result not just from one factor, but from the combination of quality design, supportive markets, developer capacity, and financial strength. During every assignment, LCG engages the public and private champions essential to rallying support and overcoming obstacles. LCG was established in 1989 and has over 34 years of experience providing real estate and urban planning services to public and private sector clients across the United States.

DESIGNWORKSHOP



As an international design studio, Design Workshop learned the value of building community across cultures, geographies, and economies. Whether designing a restorative private garden, reimagining an underperforming downtown center or developing the vision for a contemporary park within a fragile ecosystem, they are committed to more than design in the conventional sense.

Design Workshop tackles challenges beyond the project site and its mapped boundaries to create places of timeless beauty and meaningful connections. Their work provides an armature for building communities by considering how people live, economies operate and environments function at a regional scale. Optimizing these systems requires large-scale thinking. Using open space as the primary organizational component, Design Workshop examines economic and transportation networks to restore urban centers, conserve the natural environment and provide equitable access to parks and open space.

PROJECTS

KANSAS CITY SPIRIT PLAYBOOK COMPREHENSIVE PLAN

CITY OF KANSAS CITY | KANSAS CITY, MO

Similar to the Santa Fe General Plan Update, the Kansas City Spirit Playbook was the first update to the Comprehensive Plan for a mid-size city since the 1990s. WSP focused on recommendations for key issues relevant to Santa Fe such as public transportation, affordable housing, jobs access, and multi-modal mobility, much like we did for Kansas City. Incorporating objectives, action steps, and performance measures in an interactive web-based format ensures the Kansas City Spirit Playbook is immediately implementable and that the plan can be used as a tool in daily decision-making at City Hall.

This plan represents a departure from traditional comprehensive planning and will be organized not by siloed topic areas, but instead by broad inter-connected strategy areas dubbed visibility, mobility, livability, and serviceability. WSP is leading the development of the mobility, livability, and serviceability elements of the plan. The plan's objectives include recommendations on 28 issues, like public transportation, jobs access, freight and goods movement, multimodal mobility, vision zero, infrastructure, sustainability, jobs access, parks and open space, public health, affordable housing, business development, and other topics. Each of the objectives include analysis and narrative describing the purpose of the objective, detailed action steps, and performance measures to track implementation of the plan.

The WSP team coordinated public and stakeholder involvement, conducting strategy sessions that cover a wide range of topic areas of interest to neighborhood and community leaders. These conversations have been informed by the technical, data-driven analysis of the WSP team as well as a review of plans and policies in Kansas City's peer cities. Deep stakeholder engagement took place primarily over Zoom, taking advantage of breakout discussion groups and live polling features to get informed feedback. The WSP team worked with the City to draft final plan objectives and recommendations, which were organized by strategy area, plan goal area, and traditional topics (e.g. transportation, housing, land use, etc.). These objectives will live online in an interactive web-based format to ensure that the plan can be used as a tool in daily decision-making at City Hall and for coordinating with other stakeholders. The plan recommendations will also be organized into a structured database, with references to applicable geographies, key performance indicators, and other relevant city plans and policies.

KAY BAILEY HUTCHISON CONVENTION CENTER DALLAS (KBHCCD) MASTER PLAN

CITY OF DALLAS | DALLAS, TX

Like ongoing initiatives in Santa Fe, such as Midtown Campus redevelopment, the KBHCCD Master Plan provides a comprehensive vision for an important city district, making this much broader and inclusive than a convention center. This Master Plan focuses elements relevant to Santa Fe such as leveraging transit access for future development, multimodal transportation enhancement, and the creation of a walkable and dynamic multi-use public space.

The KBHCCD Master Plan provides a comprehensive vision for the future of the convention center and surrounding district. **The Master Plan lays out a strategy to transform the facility into one of the nation's premier Convention Centers that is both compelling and competitive in the market** in terms of the amount and quality of available space (exhibit, ballroom, and meeting rooms), on-site amenities, a leader in design and surrounded by a walkable, transit accessible district. The master plan considers the many investments required to achieve the plan's goals in a holistic and integrated plan.

Four critical elements of the master plan that support the transformation of the convention center are:

- **Area Plan** Leverages improved transit access to create a dynamic 30 plus acre mixed-use district around the convention center, extending the vitality and excitement from inside the convention center to the surrounding area.
- **Multimodal Station Plan** Brings together transit routes in the area to increase accessibility for the new, expanded Convention Center and serve the substantial new development in the Convention Center District.
- **Transportation Plan** Proposes enhancements to the multimodal transportation and street networks to improve access to the Convention Center and surrounding district, and to better connect the region.
- **Funding and Financing Plan** Identifies plan for implementation, funding, and financing identifies strategies that capture the value created by these investments to pay for the new Convention Center without financially impacting Dallas residents.

BURNHAM YARD

STATE OF COLORADO P3 UNIT | DENVER, CO

Burnham Yard is a key historic asset located in a strategic location in Denver, similar to the varied historic and cultural assets located throughout Santa Fe. As owner's representative and master planner, WSP helped foster the Burnham Yard plan, which focuses on creating value to stitch together neighborhoods, achieve beneficial mobility improvements, and redevelopment while promoting responsible preservation of historic assets. All these key objectives are relevant to future development considerations in Santa Fe.

Burnham Yard was an important railyard and employment center for the Denver region, with its establishment prior to Colorado statehood. Because of its role in the development of the region and its age, potentially significant historic resources exist. In 2016, Union Pacific Railroad ended railyard operations on the property, opening the opportunity for the State to acquire the site. Since its decommissioning, it has sat underutilized despite its strategic location in central Denver.

While its location is strategic, there are many obstacles to overcome at the site. Given the history and use as a rail yard, there are significant costs for transportation and infrastructure improvements, complex environmental remediation, and costs to advance the laudable social initiatives mandated of the P3 Unit. The redevelopment plan will help guide the potential value opportunities that can be created from the site based on informed market and social equity findings to achieve beneficial mobility improvements and redevelopment. The site is long, yet narrow and constrained by freight and transit rail lines. An existing RTD light rail station presents an opportunity for equitable transit-oriented development. Proximity to the Auraria Higher Education Center is another opportunity to explore relative to the campus master plan and advancing key initiatives of the P3 Unit. Stitching together neighborhoods surrounding Burnham Yard would mitigate the decades-long impact of Interstate 25 – the Valley Highway – has had and presents an opportunity to link with natural resources and trails in the area including the South Platte River, Cherry Creek, and Lakewood Gulch.

NEW JERSEY TRANSIT 5-YEAR CAPITAL PLAN

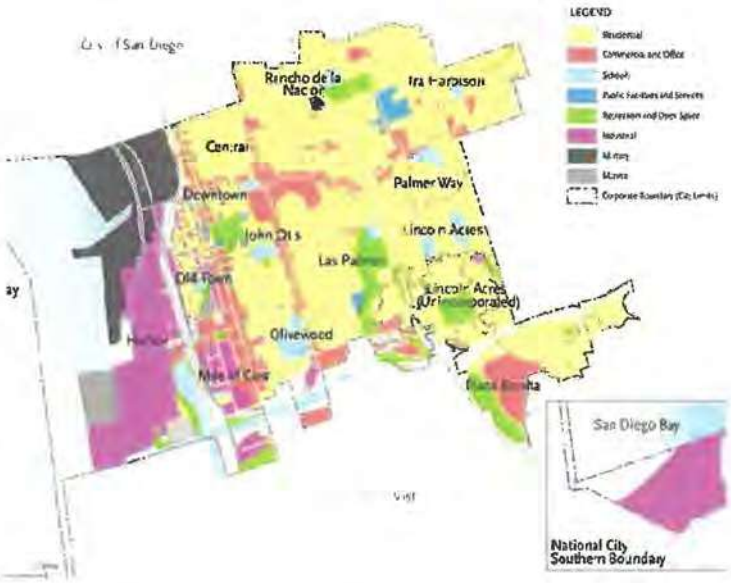
NEW JERSEY TRANSIT | NEWARK, NJ

Similar to Santa Fe's goal to develop General Plan Update that is immediately implementable and guides decision making, WSP developed the NJ Transit 5-year Capital Plan to guide strategic investments. The Capital Plan reflects a comprehensive vision through an ambitious set of projects and programs that focus on key impacts relevant to Santa Fe such as comprehensive transit investments and the support of economic development and equity.

Currently, WSP is supporting NJ Transit in developing and regularly updating its 5-Year Capital Plan to guide critical strategic investments across the agency. Released in June 2020, the Capital Plan presents an unconstrained vision and ambitious set of projects and programs to provide a vastly improved experience for customers and leverage transit to build healthy, inclusive, and sustainable communities. The projects and programs included in the Capital Plan are estimated at $5.78 billion over the next five years. Major areas of work included providing strategic support to identify comprehensive transit investments; determining how those investments could support economic development and equity; evaluating socioeconomic, planning, environmental, and operational impacts; and advising on project prioritization methods. In partnership with WSP, the content of the Capital Plan will be renewed and reprioritized regularly to reflect the emerging needs of the state and NJ Transit's customers.

RESILIENT NJ REGIONAL RESILIENCE ADAPTATION ACTION PLAN

NJ DEPARTMENT OF ENVIRONMENTAL PROTECTION | ATLANTIC CITY REGION, NJ



WSP is currently leading a consultant team in the development of a Regional Resilience and Adaptation Action Plan for the Atlantic County Coastal Region under the NJ Department of Environmental Protection (NJ DEP) Resilient NJ program. The U.S. Department of Housing and Urban Development (HUD)-funded regional planning project is one of four pilot regions in the Resilient NJ program, which seeks to set the precedent for how to reduce flood damages and increase physical and social resilience to climate impacts through community-based resiliency planning. **This is an example where WSP and consulting partners are tapping into a broad range of expertise to address multi-dimensional resilience challenges at the regional scale.** Developing innovative solutions over a long-term horizon is a key focus for the project and the Atlantic County Coastal Region won the Resilient NJ Innovation Competition for incorporating innovative ideas and practices into the proposed solutions to address climate vulnerabilities.

NATIONAL CITY MUNICIPAL CODE, ZONING CODE, AND SPECIFIC PLAN UPDATES

CITY OF NATIONAL CITY | NATIONAL CITY, CA

Demonstrating WSP's deep understanding of the link between updating a General Plan in coordination with a land use code, another WSP work effort in National City is more technical, requiring a working dialogue between land use and development regulations, and the General Plan to encourage the development of diverse housing in a community that sorely needs it.

The WSP team is revising the policies, regulations, and development standards in National City's various specific plans and zoning code, such as floor-area ratios (FARs), maximum allowable heights, and parking requirements, to accelerate housing production in all income categories.

Included in this effort are the development of an ADU ordinance, updated density bonus regulations, streamlined development approval procedures, and other incentives to increase housing production. Another key component of this endeavor is the development of Objective Design Standards to streamline the development process for multi-family residential projects. The end result will be a comprehensive suite of regulatory tools and incentives to accelerate housing production in a manner consistent with the goals of National City's Housing Element and recent state legislation.

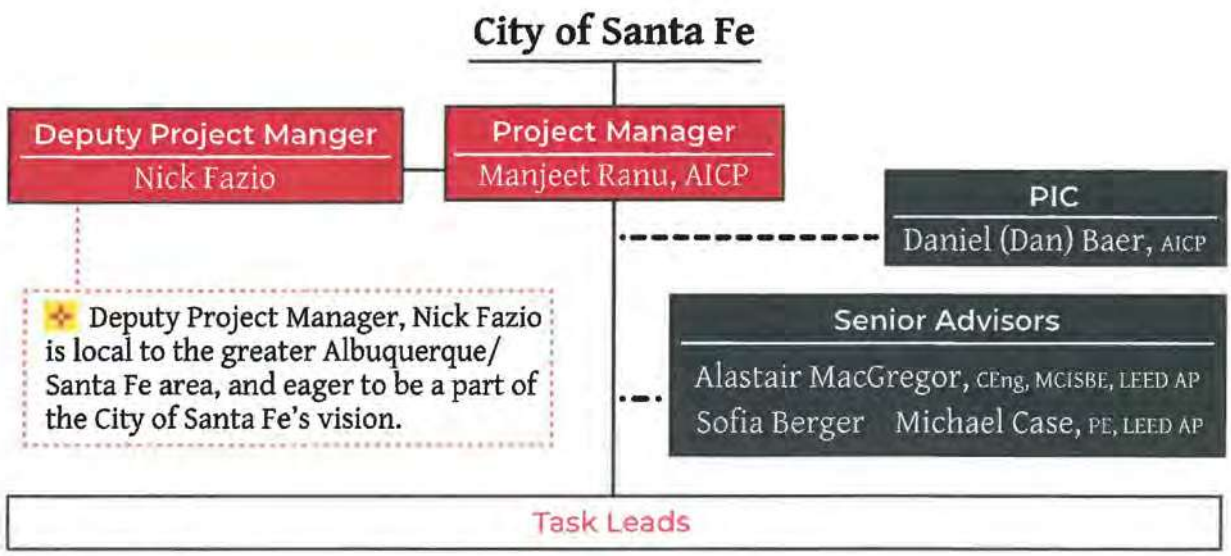
COMPREHENSIVE PLAN UPDATE AND DEVELOPMENT CODE REWRITE

LELAND CONSULTING GROUP

CITY OF ALBUQUERQUE | ALBUQUERQUE, NM

LCG led the economic development component of Albuquerque's comprehensive plan and development code rewrite project. **This illustrates the importance of a methodological, evidence-based approach to the planning process that will be taken for Santa Fe.** The project focused on improving both the comprehensive plan and the development code to remove barriers to development and better implement their centers and corridors policies. Developer outreach, market research, and pro forma testing of development concepts were used to ensure that the policies and goals envisioned by the community are in fact feasible and that the development code properly enables them. More specific research was focused on understanding barriers to economic development on the city's west side, where a jobs-housing imbalance has exacerbated regional transportation problems.

LOS ALAMOS TOURISM STRATEGIC PLAN



DESIGNWORKSHOP

LOS ALAMOS COUNTY | LOS ALAMOS, NM

Los Alamos, New Mexico is rich with history, natural beauty, and scientific discovery, and is the gateway to three National Parks. While tourists have always visited Los Alamos, the County engaged Design Workshop to create the Los Alamos Tourism Strategic Plan to help unify ongoing tourism efforts and position the County to optimize tourism economic development for the benefit of the Los Alamos and White Rock communities.

The final plan provides direction for decisions relating to tourism, community investment, cultural opportunities, and physical development. The County and its partners use the detailed action plan to direct funding and resources. Implementing the recommendations of this plan, along with other County and community initiatives, resulting in an improved visitor experience and enriched quality of life for the local community. **This project gives us firsthand knowledge of regional coordination opportunities to support the Santa Fe General Plan Update.**

Manjeet understands Santa Fe, having visited more than a dozen times, beginning in childhood and now providing support to the City as the Public Works Owner's Representative for Midtown. He has significant experience managing highly complex, multi-billion dollar planning projects. Interdisciplinary projects--just like the Santa Fe General Plan Update--are the heart of his passion for planning. Manjeet will be the project manager for the WSP and City team, supported by Nick Fazio, a local deputy project manager.

Manjeet Ranu is a comprehensive planning practitioner, having practiced in six high-growth, economically significant states as a land use, transportation, and environmental planner, with urban design expertise. He was an executive for three large urban transportation agencies in the Los Angeles, Salt Lake, and Atlanta regions. He also led community development for cities in the San Diego and Dallas regions. His transit experience involved leading and administering transportation planning, capital programs, Federal Transit Administration Capital Investment Grants program projects, National Environmental Policy Act and the California Environmental Quality Act. Areas of practice in land use include policy planning, master planning, development review, building safety, housing programs, preparing land use regulations, California Environmental Quality Act, and code enforcement. Manjeet's 20 years of experience in the public sector and six years in the private sector across different regions of the United States, along with years of community leadership, has given him keen strategic insights and creativity to advance highly complex initiatives to successful outcomes with broad support and equitable impact.

Nick's experience as a multidisciplinary consultant in the fields of public involvement, long-range community planning, transportation planning, and policy research and analysis gives him the background needed to support the City of Santa Fe in creating a General Plan update that if future ready. Starting his career as tribal planning intern here in New Mexico, he has led municipal long-range planning departments, served as a local Historic and Cultural Resources Preservation Officer, and served as project manager for megaproject health impact assessments. Nick's project management experience has continued to expand, both for sophisticated public involvement and communications programs, as well as inland port plans and transportation projects. His skills as a facilitator, strategic planner, and designer enable him to effectively solve problems and advance complex communication challenges with diverse audiences. Nick has worked in both urban and rural settings across the American West, with both public and private stakeholders, and always strives to create place-based solutions that meet client needs and serve the local community.

Chris Zahas is a real estate strategist and project manager with an emphasis on urban corridors, downtown revitalization, employment districts, transit-oriented development, and public-private partnerships. His project approach is to assist public and private sector clients in turning broad visions into prioritized and achievable action plans by combining market and economic research with strategic advice that is tied to the fundamental principles of real estate development. In all cases, Chris keeps the focus of projects on implementation, always anticipating next steps and never hesitating to advise a client to change directions when that is the best course.

In over 22 years at Leland Consulting Group, he has managed more than 35 downtown and corridor implementation strategies and played a strategic advisor role in dozens more. In the economic development realm, he brings a deep understanding of economic and demographic trends, ensuring that long-term strategies reflect the evolving drivers of how businesses choose to locate and where people choose to live. Prior to joining Leland Consulting Group, Chris coordinated economic development projects for the Portland Development Commission, Portland's redevelopment agency.

BA in Business Administration (with honors), University of Oklahoma

Ted Kamp provides market analysis in support of strategic land use decisions for public planners and private developers. Drawing on expertise in GIS, market economics, and demographic analysis, he incorporates user-friendly information designed to convey critical market intelligence to stakeholders. His work spans a variety of development and planning contexts including urban infill, economic development, suburban revitalization, impact analysis, and transit-oriented development. Recent client work has covered locales across the western and central US. In addition, he taught the Urban Market Analysis course for planning graduate students at the University of Colorado-Denver for five years. After receiving a BBA (with honors) from the University of Oklahoma and an MS in Marketing/Consumer Behavior from the University of Arizona, Ted provided research and strategic planning services for the Leo Burnett advertising agency in Chicago. He subsequently earned a Masters in Urban and Regional Planning (and completed PhD coursework) at the University of Colorado-Denver.

John leads WSP's Urban Design and Placemaking Practice. He brings an expertise in urban development and master planning honed from his experience as an architect, urban designer and through his work for both public agencies and private developers. John utilizes an integrated approach to leverage transportation and other infrastructure investments to catalyze development to meet agency, developer, and community goals.

John understands the complexities of integrating mixed-use development with transportation while meeting community needs and market demands. John brings lessons learned from delivering equitable and sustainable projects across the US, with an approach that delivers a vision unique to each locality. His experience includes transformative projects such as developer's guidelines for the overbuild above Manhattan's Hudson Yard, a comprehensive master plan for the Dallas Convention Center and district that includes recommendations for transportation investments and a new TOD entertainment district, and Guidelines for Equitable Transit Oriented Development for the City of Raleigh.

- Urban Design Lead, Guidelines for Equitable Development Around Transit - Raleigh, NC, **North Carolina Department of Transportation (NCDOT)**
- Project Manager and Area Plan Task Lead, Kay Bailey Hutchinson Convention Center Dallas (KBHCCD) Master Plan and Transit Oriented Development Area Plan, **City of Dallas (TX)**
- Land Use Planning Lead, Feasibility Study for Land Use Master Plan at Sakonnet River Bridge Landings, Portsmouth and Tiverton, RI, **Rhode Island Turnpike and Bridge Authority (RI)**
- Project Manager, Capital Gateway Concept Plan - Hartford, CT, **City of Hartford (CT)**

DESIGNWORKSHOP

LAND CAPABILITY, EXISTING LAND USE DEVELOPMENT, AND URBAN DESIGN SUPPORT

CHRIS GEDDES

DESIGN WORKSHOP PRINCIPAL

20 Years of Experience

EDUCATION

MA, Urban & Regional Planning, Highest Honors, University of Colorado, Denver

BS, Civil Engineering, University of Colorado, Boulder

CERTIFICATIONS/ LICENSES/ MEMBERSHIPS

AICP #019464

Chris, a planner and urban designer, is driven by the desire to provide clients and community members a meaningful voice in the planning and design of public spaces. With over 20 years' experience, he believes that it is the responsibility of designers to draw out the desires of those who use public space, illustrate those desires in ways that all can comprehend, and engage stakeholders in a way that builds trust. Chris works on projects of all scales, from community planning to the detailed design of public spaces, and is particularly fond of projects that tackle social and physical challenges.

- Principal, Downtown Ogden Master Plan, **City of Ogden (UT)**
- Project Manager, Downtown Denver Parks & Public Spaces Master Plan, **Denver Parks and Recreation and the Downtown Denver Partnership (CO)**
- Principal, West Jordan and Midvale Station Area Plans, **West Jordan and Midvale (UT)**

Lean Six Sigma Green Belt

Jessica is a community development professional with over fifteen years of experience and a proven track record of successful planning implementation and community engagement. She has effectively managed significant and complex projects and budgets, worked to craft innovative planning policies, and promoted sustainable comprehensive planning. Prior to Design Workshop, Jessica worked as a land use planner and Community Development Director for the City of Aspen. During that time, she worked on economic development plans, award-winning and broad community engagement strategies, the Comprehensive Plan and a number of overhauls to the Land Use Code.

- Principal, SLC Building Height and Pedestrian Code Revisions, **Salt Lake City (UT)**
- Principal, Ogden Downtown Land Use Code Update, **City of Ogden (UT)**
- Principal, San Miguel County East End Plan, **San Miguel County (CO)**

TRANSPORTATION LEAD

MATTHEW LONG

VICE PRESIDENT, DIRECTOR OF PUBLIC TRANSIT & PASSENGER RAIL

17 Years of Experience

EDUCATION

MA, Urban Planning
University of Kansas

BA, U.S. History
University of Kansas

CERTIFICATIONS/ LICENSES/ MEMBERSHIPS

Tennessee Public Transportation Association

Colorado Association of Transit Agencies

Colorado Electric Vehicle Coalition – Transit

Denver South Organization

Middle Tennessee Transit Alliance

AASHTO Technical Assistance Program (MTAP) Committee

American Public Transportation Association

WSP Global Academy for Rail & Transit

Matthew is a public transit lead expert, project manager, and urban planner with more than 17 years in the transit industry. He brings national experience working with agencies and DOTs across the United States and is a passionate transit advocate and user who has dedicated his career to transit planning, funding, and operations.

Prior to joining WSP, Matthew spent many years working as a strategic planner assisting transit agencies efficiently operate fixed route, demand response, and streetcar systems. He also led the State of Tennessee public transit office responsible for administering FTA grant program funds and providing compliance oversight of urban and rural transit operators. Matthew continues to expand his transit skills and expertise at WSP with consultative leadership and focus on transit communities and development, BRT corridor and alternative analysis, and capital grant programming.

- Transportation Lead, Utah Transit Authority (UTA) Headquarters Programming & Design, **UTA (Salt Lake City, UT)**
- Lead Planner, Federal Transit Administration (FTA) Grant Reconciliation, **Rock Region METR (Little Rock, AR)**
- Deputy Project Manager, Summerhill BRT Alternative Analysis, **Metropolitan Atlanta Rapid Transit (MARTA)**
- Transit Service Expert, Knoxville Broadway BRT-lite Alternative Analysis, **City of Knoxville (TN)**

PUBLIC & PRIVATE UTILITIES, PUBLIC SAFETY, SCHOOLS, PARKS & RECREATION, AND ASSESSMENT REPORT LEAD

AMY DICARLANTONIO, AICP, ENV SP, LEED AP BD+C

VICE PRESIDENT, URBAN AND ENVIRONMENTAL PLANNING

23 Years of Experience

EDUCATION

MSc, City Design & Social Science, The London School of Economics and Political Science

Professional development program in architecture/urban planning, Harvard University, Graduate School of Design

BA, Art History, Rutgers University

CERTIFICATIONS/ LICENSES/ MEMBERSHIPS

Certified Planner, American Institute of Certified Planners

LEED Accredited Professional (Building Design and Construction), Green Building Certification

Envision Sustainability Professional, Institute for Sustainable Infrastructure

American Public Transportation Association

WSP Global Academy for Rail & Transit

With more than 20 years of national and international experience, Amy DiCarlantonio has held a variety of roles including national practice lead for planning, regional manager, and program and project manager. She has a diverse portfolio of project experience spanning master planning and urban design, community resiliency, environmental planning, and federal planning for the Department of Defense. A certified planner, Amy specializes in sustainable development and incorporates forward looking strategies to enhance community resiliency in a variety of planning efforts. Much of her work has focused on the intersection of science and planning which promotes a holistic approach to planning with a specific emphasis on smart growth and community resiliency.

Amy is skilled at integrating various technical disciplines for unique planning and design projects. She has managed sustainability plans, master plans focusing on smart growth, site analyses, green infrastructure, transit-oriented development, and formulation of sustainable design guidelines and land use plans. As a LEED Accredited Professional, she also has created sustainable development frameworks that provide benchmark considerations for future environmentally responsible planning and site design work. Her background in sustainable design principles has informed her approach to resiliency planning and the crossover with emergency management. Throughout her planning career, Amy has led and supported various public participation and community outreach programs including developing programs for city and state clients.

- Project Manager, Resilient New Jersey Atlantic County Coastal Region (ACCR) - Regional Resilience and Adaptation Action Plan, **New Jersey Department of Environmental Protection (NJ)**
- Project Manager, Colorado Resiliency Framework, **Colorado Resiliency and Recovery Office (CRRO)**
- Planner, Colorado Resiliency Framework, El Paso Local Plan, **State of Colorado (CO)**

HISTORICAL & CULTURAL FACILITIES LEAD

TED ROBERTS, M.A., RPA

SENIOR ARCHAEOLOGIST

23 Years of Experience

EDUCATION

BA, Anthropology, Wayne State University

MA, Anthropology (Archaeology), Northern Arizona University

CERTIFICATIONS/ LICENSES/ MEMBERSHIPS

Registered Professional Archaeologist (67579909)

Secretary of the Interior's Professional Qualification Standards

New Mexico Archaeological Council

Archaeological Society of New Mexico

NM SHPO (CPRC) Principal Investigator/ Project Director

Arizona Bureau of Land Management Cultural Resource Use Permit (CRUP), Principal Investigator

Ted Roberts has more than 23 years of archaeological consulting experience across all regions of the U.S., including projects in 20 states. A Secretary of Interior qualified archaeologist and historian, Ted has managed hundreds of projects ranging from small surveys and monitoring projects to multi-year data recovery efforts- all in support of clients' goals. Areas of expertise include program and project management, technical writing, and cultural/heritage resource regulatory compliance at the federal, state, and local levels.

Formerly a cultural resources practice lead in New York City and southern California, and with specialties in the archaeological and regulatory environments of the American Southwest, California (CEQA), and Southeast U.S., Ted has abundant experience with project organization, implementation, and successful completion.

- Principal Investigator, North Tank Class III Cultural Resources Survey, **New Mexico State Land Office (Socorro County, NM)**
- Principal Investigator, Cultural Resource Inventory for the Bridge Replacement Over the Rio Grande/NM 500, **NMDOT (Bernalillo County, NM)**
- Principal Investigator, Cultural Resource Inventory for the NM 31/NM 128 Roadway Improvements Project, **NMDOT (Eddy and Lea Counties, NM)**
- Project Director, Lower Taos Canyon Cultural Resource Survey, **Camino Real Ranger District, Carson National Forest, (Taos County, NM)**

HISTORICAL & CULTURAL FACILITIES LEAD

GROWTH SCENARIO PLANNING LEAD

SARA KHOEINI, Ph.D.

LEAD DATA SCIENTIST

13 Years of Experience

EDUCATION

Ph.D., Georgia Institute of Technology Transportation Systems Engineering

MS, Clemson University Transportation and Highway Engineering

BS, K.N.Toosi University of Technology Civil Engineering

OTHER LANGUAGES

Persian (fluent)

Sara Khoeini specializes in travel demand modeling and forecasting, with expertise in planning-based model applications, equity analysis, and systems dynamics. Before joining WSP, she served as an Assistant Research Professor of Transportation Systems at Arizona State University for five years. Sara obtained her Ph.D. from the Georgia Institute of Technology in Transportation Systems Engineering.

Sara has applied her travel demand model application and data analysis skills in planning projects including the San Diego plan update called Blueprint. She has also explored the application of Systems Dynamics as a data-driven scenario planning tool for Southern California. Her strong interest in equity led her to develop the Access Equity Calculator for SCAG ABM to connect accessibility-based equity evaluation to ABM systems. Beyond her professional roles, Sara is a committee member of TRB's AED20 (Urban Transportation Data and Information Systems) and actively participates in its equity group.

- Deputy Project Manager and Data Analytics Tasks Lead, Arizona Statewide Travel Demand Model (AZTDM), **ADOT (AZ)**
- Data Analytics Tasks Lead, Long Range Transportation Planning and Mobility, **Los Angeles Metro (CA)**
- Scenario Planning Task Lead, I-405 Sepulveda Pass Express Lane Feasibility Study, **Los Angeles County Metropolitan Transportation Authority (CA)**
- Main Analyst, Vehicle Miles Traveled (VMT) Generation Visualization and Analysis Tool, **Orange County (CA)**

IMPLEMENTATION & CAPITAL PROGRAMMING LEAD

ALFONSO HERNANDEZ

ASSISTANT VICE PRESIDENT, ADVISORY SERVICES

18 Years of Experience

EDUCATION

BS, Public Justice Administration, San Diego State University

Grant Writing and Management Certification, California State University, San Bernardino

Grants Management Certificate Program, Management Concepts

Alfonso Hernandez offers public sector grant experience, from pre-award to post-award, which includes grant writing, grants management and identify funding opportunities. Alfonso has worked for various government organizations at the local and regional levels. He is a subject matter expert in the field of government grant development, which includes federal, state, and local grants, and has a large portfolio of grant experience that addresses across each department for government organizations. Collectively throughout his career, Alfonso has secured more than 200 competitive grant applications in excess of $800 million, while maintaining a high success rate.

He is also a subject matter expert in grants management and ensuring agency-wide compliance with funding requirements for each respective funded project. He has led audit and sub-recipient monitoring efforts on both sides of the audit as a reviewer and recipient, including USDOT/FTA triennial reviews and ongoing monitoring of sub-recipients.

- Project Manager, Grant Writing and Administration Services, **Pinellas County (FL)**
- National Advisory Lead, FY 2021 – FY2022 US Department of Transportation (USDOT) RAISE Grant Applications, **USDOT**
- Project Manager, Arizona Department of Transportation (ADOT) Grant Writing On-Call, **ADOT (AZ)**

- Project Manager, Sewer Pipeline Condition Assessment Business Process, **Portland Bureau of Environmental Services (OR)**
- Quality Assurance and Control, Colorado Department of Public Health - Environment Lead and Copper Service Line Technical Assistance Program, **Colorado Department of Public Health (CO)**

2. ORAL PRESENTATION

WSP acknowledges and is prepared to conduct an oral presentation of our qualifications and plans if the City of Santa Fe requires.

3. MANDATORY SPECIFICATION

UNDERSTANDING & APPROACH

Santa Fe—*the City Different*—is comparatively ancient in America but its legacy goes back much further than what is classically understood to be Santa Fe's founding by the Spanish. Indigenous peoples have lived in Santa Fe and well beyond for millennia, shaping what is today and what it can be tomorrow. Other cultures have and continue to shape the city. Santa Fe is known for its historic downtown, the Plaza, arts community, natural setting and more. During the 20th century, it also developed much like cities across the United States, with production-built suburban neighborhoods served by roads designed for the automobile and unfortunately, exclusionary practices. It is the capital of New Mexico—the oldest capital in the United States—yet its economy is predominately tourism and government. There are vast economic disparities, a lack of attainable housing and limited mobility choices. Santa Fe is a wonderful, magical place that experiences challenges similar to many cities but its history, diversity and being Different gives it many opportunities other cities lack. An updated General Plan can help focus the community in heading toward a common vision to capitalize or create opportunities and innovatively solve challenges.

SANTA FE'S FY2023-24 BUDGET GOALS

- More and attainable housing
- Parks and neighborhood amenities
- Family-friendly and neighborhood focused
- Growth that is consistent with and protective of Santa Fe's way of life
- Sustainability as a watchword of the City
- Invest in supporting the workforce, growing opportunities for all
- A better future
- Sustaining innovations
- A just Santa Fe

It Is Time for an Overall Update and Focusing on Strategic Areas

Much about the 1999 General Plan undoubtedly remains valid and useful, but its vintage is still 1999—all agree it's time to comprehensively update the General Plan. Some changes will be applicable citywide. Others will focus on strategic areas due to opportunities, challenges and identified priorities. Both scales will be determined during the process—a process that WSP has designed to be highly effective in updating the plan.

Increasing Cultural Awareness

Santa Fe's Culture, History, Art, Reconciliation and Truth (CHART) process was and continues to be a pivotal epoch for Santa Fe that is still playing out because there is much to do. Updating the General Plan is part of that process of atonement and meaningful, tangible change to reflect Santa Fe's rich cultural tapestry, regardless of power and wealth. Too often General Plans focus on growth and development. Neither will be occurring across most of the developed city. A General Plan must be broader to maintain, enhance, mitigate, change, improve, and accommodate for today and tomorrow in a manner that is guided by Santa Fe.

Diversification to Inclusively Serve Diversity, Increasing Access to Opportunity

Like most American cities, Santa Fe needs more diversity of housing types in the right places and coordinated with more mobility choices. Both are critical, leading ingredients to increased economic diversity. No city is "built-out." Cities are always changing and some areas are well-suited to change. Some change is needed to seize opportunities and address challenges. How that change is sustainably and equitably accomplished is a key indicator for the success of this General Plan Update. A thoughtful process, backed by technical work and engagement with deep experience is what the WSP team provides to support the City.

Regionalism for Collaboration

Santa Fe has far-reaching influence, from Albuquerque to Los Alamos; Taos and Espanola; many pueblos; and the County and MPO. That represents a lot of potential resources warranting stronger collaboration. The General Plan can suggest what is possible, with an implementation plan and governance framework to facilitate regionalism. Transit and housing are two examples of how a regional approach can improve quality of life and advance a more just Santa Fe.

Stewardship, Wellbeing, and Resiliency in Harmony with the Environment

Santa Fe sits within a dry climate that is warming and drying. This has stressed water resources in particular today, with more stresses coming with a changing climate. WSP is a leader in resiliency, sustainability, and equity because we envision, plan, design, and deliver transformational infrastructure projects—actual projects, not theories that sit on a shelf.

A FEW THEMES IN OUR TEAM'S SCOPE OF WORK

Clearly Defined Process and Governance
Scenario Planning to Promote Consensus Building
Implementation to Drive Outcomes and Capital Programming
Digestible and Streamlined Document to Ease Everyday Usage
Technological Innovations Begin Now

INTRODUCTION TO PROPOSED ALTERNATIVE PROCESS

The RFP offered the opportunity for proposers to illustrate critical and strategic thinking by suggesting an alternative process. **WSP is proposing an alternative process, outlined in the table below, with a crosswalk table showing the relationship between the process in the RFP.** This process is proposed to allow a progression of steps to create the building blocks that can effectively result in consensus building. By aligning to a stepwise, building blocks approach, evident stage gates are defined to establish a clear milestone with interim decision-making. Deliverables and a readiness review are aligned to these stage gates at which the Planning Commission and Governing Body will be asked to confirm readiness to advance into the next step. This process also allows the project to potentially be completed much faster—2.5 years instead of four—because of its progressive characteristics, project management rigor and alignment with the public review process. This approach can and will still be coordinated with the Land Development Code (LDC) Update. It is important that the General Plan Update be completed timely due to its vintage, urgent need for updating and to support informing the details of the LDC Update, as the LDC is an implementation tool guided by the General Plan. General Plans are higher level documents, with less detail than land use codes, so it takes less time to complete. A four-year work program risks community fatigue, evolving issues, and missed opportunities. Interim LDC regulations can be deployed, pending completion of the LDC, to ensure linkage between the updated General Plan and eventual LDC update.

Table 1: Proposed Work Plan Steps

	CY2024			CY2025				CY2026

FOUNDATION: THE FIRST BUILDING BLOCKS ARE LAID HERE

What's missing and where? Who is it for and how will it help them? What are we trying to deliver and how will it be provided?

These are excellent questions the RFP posits and are critical building blocks, along with the basics that demand attention in Step 1: Mobilization and Understanding.

STEP 1: MOBILIZATION AND UNDERSTANDING

This step is when the project is initiated, concluding the procurement process with a notice to proceed. Every step is important to advancing the General Plan Update with consensus. This step matters because it gets the project organized; undertakes an assessment to establish its purpose, need and potential with greater specificity; and identifies early guiding themes from which to support visioning and goal-setting. Foundational building blocks resulting from this step include:

- **Project Management Plan:** the playbook for undertaking the General Plan Update, which includes the scope of work, schedule, budget, organizational chart, decision-making and more.
- **Assessment Report:** a compendium that methodically studies existing conditions, trends, and themes using an evidence-based approach and further informed by public engagement.
- **Public Engagement Plan:** sets forth the strategies and tactics for communicating, educating and engaging myriad audiences.
- **Digital User Interfaces:** internal - and external-facing digital tools to manage, communicate and engage on the project.
- **Templates:** templates that provide a common communications vernacular for consistency and quality.

The revised General Plan must bring together multiple and overlapping goals in one comprehensive plan to capture the desired vision and choices related to Santa Fe's future. The plan will integrate transportation, housing and developments to meet community, economic, financial, and sustainability goals. To achieve the goals of the revised General Plan, we will build on past studies and plans tested against an understanding of existing conditions and analyze a full range of issues and challenges facing the City. The existing conditions and trends documented as part of this step will be the basis for an Assessment Report that will establish a baseline analysis of existing conditions. The WSP team will map and characterize existing conditions.

The **Assessment Report** will include the topics identified in the RFP and highlighted in detail herein, including from initial public engagement findings and the LDC Foundations body of work. It is important to have a clear understanding of what has already been accomplished in Santa Fe since 1999, the underlying fundamentals of the community, and how the General Plan Update can best address critical issues and opportunities. The Final Assessment Report will identify the following:

- Summary of existing conditions, trends and engagement findings,
- Identification of relevant planning issues in each subject area including issues identified through the public engagement process,
- Identification of short- and long-term needs and desires as defined by Santa Fe communities,
- Narrative description of steps that can be taken to address findings within each subject area, and
- Policy implications and recommendations for the General Plan.

The comprehensive Assessment Report will synthesize the analysis for each subject area, build upon the goals, strategies, and programs already defined, and incorporate the public engagement

input that will serve as a community atlas. As a community atlas the Assessment Report will serve as a base line of understanding and a foundation to inform Scenario Planning and the content of the General Plan Update. The policy implications and recommendations for the General Plan will be clearly defined as a chapter within the Assessment Report to ensure a clear transition between project steps and all existing conditions, trends, and engagement findings are incorporated into the General Plan Update.

REVIEW OF PRIOR PLANS & STUDIES & EXISTING POLICIES

As a starting point, the WSP team will review prior plans and studies provided by the client to understand the existing conditions and planning goals for the City. We will also review and summarize existing policies that will influence future growth and the feasibility of development. It will be important that the General Plan Update reflect prior decisions and public feedback rather than starting completely anew—respectful of the past and present. Based on this review and summary, we will identify opportunities, issues and summarize key findings that will be incorporated into or influence the recommendations in the General Plan Update.

BASE MAPPING

A crucial first step of the effort to update the General Plan involves gathering base mapping information to facilitate an analysis of existing conditions and trends. This foundational step is essential for understanding the current state of the city's infrastructure, land use, and demographic patterns, providing a solid basis for informed decision-making in the planning process.

To initiate this endeavor, our team will integrate existing geographic information systems (GIS), satellite imagery, and ground-level surveys (where appropriate) to create a comprehensive spatial database. GIS technology will play a crucial role in mapping and analyzing the spatial relationships among various elements, such as land use, transportation networks, public facilities, and environmental features. This comprehensive mapping effort will not only capture the static aspects of the city but will also incorporate dynamic elements, allowing for the examination of trends over time.

We will coordinate with City GIS staff to ensure the data and map templates are compatible with the City's existing GIS resources. Our team will employ ArcGIS Pro 3.x for data analysis and mapping, along with ArcGIS Online and other Esri products as needed. The robust base mapping will serve as a foundation for the existing conditions studies review and other remaining tasks.

CITY OF RACINE COMPREHENSIVE PLAN 2050
WSP uses GIS technology to map and analyze various elements.

REGIONAL TRENDS

An endeavor of this importance must be based on solid, factual market information so that the recommended typologies, development, preservation, and enhancement strategies are not just grounded in reality but are also credible and can be supported by a wide range of implementing partners and private investors.

We will prepare a thorough and objective citywide market analysis and forecast to ground the community conversation and visioning process and to form the basis of the resulting implementation strategy. The goal is to present a readable and engaging story of where Santa Fe has been, how it is projected to grow and change, and which external forces and trends are likely to shape its future. Information will make significant use of maps and infographics for use online, in print, and at presentations. Elements of the market and trends analysis will include:

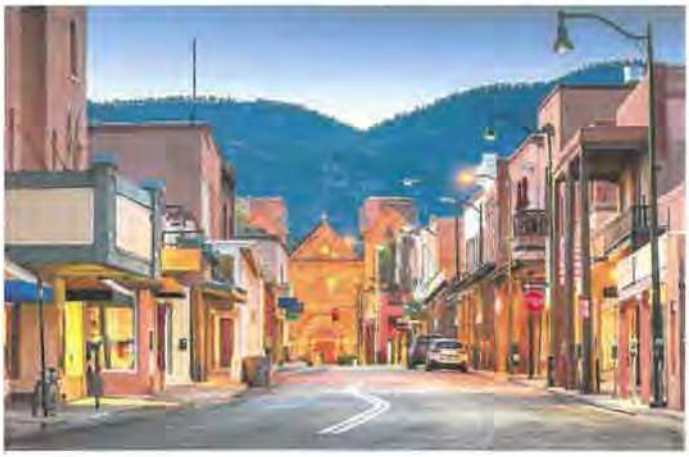
- Mapping of existing uses and conditions
- Demographics (Census-based data) across all relevant indicators, showing historical trends and future forecasts where possible
- Real estate market conditions (rents, vacancy, absorption, etc.) for office, retail, hospitality, and residential uses
- Visitor behavior analysis (Placer.ai cell phone data)
- Post-COVID office and retail trends
- Impacts of regional, state, and national economic conditions on housing and commercial markets
- Housing demand for both rental and ownership (affordable and market rate)
- Opportunity site identification (vacant, underutilized)
- Planned/proposed projects

LAND CAPABILITY ANALYSIS

Using data available from the City and other public sources, we will prepare a land capability analysis to guide growth scenario planning and development capacity. This analysis will inform the public about areas within the city that are well suited to accommodate growth and change, and areas that should either be avoided or require significant coordination. Data layers that we will consider include:

- Topography
- Utilities and Infrastructure
- Agricultural Lands
- Rivers and Arroyos
- Surface Hydrology
- Flood Plains
- RailRunner Stations and Transit Stops
- Santa Fe Trails Bus System
- Bikeways and Trails
- Parks and Open Space
- Annexation Areas
- Airport Clear Zones
- Historic Boundaries

WSP provided engineering design and construction services for the Acequia Trail Underpass in Santa Fe to provide safe and efficient connectivity of the Acequia Trail. Services included a Detailed Evaluation of Alternatives Study, which evaluated feasible alternatives such as bridge, underpass and at-grade crossing options, preparation of the Type Selection Report to evaluate structural alternatives and select the final structural system for the underpass, preliminary and final design, and full construction management and inspection services.



We engineered an innovative underpass structure to be constructed from the top down, incorporating prefabricated elements to speed up construction, minimize delays and disruptions to the public, and fit the design to site-specific conditions.

EXISTING LAND USE DEVELOPMENT

Santa Fe has grown significantly since the 1999 General Plan, and an analysis of what exists today is critical to determine how much land is available for potential new development, infill, and redevelopment. Our work will include an analysis of existing land uses and development, with a focus on understanding what exists today and what opportunities might be available. We will use available GIS data on zoning and land uses to map the existing development and use patterns, with a focus on identifying potential opportunity areas. Using the mapping and an analysis of the development code, we will identify infill and redevelopment opportunities that might exist. The Existing Land Use and Development section will be a comprehensive review of all land use types and will detail the amount and type of development that is possible under the existing adopted policies and regulations. The LDC update work products will also inform this section. We will couple this information with an understanding of the fiscal sustainability work our team is completing to provide a report that details opportunities for new development, including infill and redevelopment. This information will enable the city and community to begin to prioritize development types and locations in future engagement stages.

NEIGHBORHOODS

Defined by character areas, land uses, key transportation corridors, and existing neighborhood associations, we will develop an official Neighborhoods and Districts map for the City. This map will consider the built form, natural characteristics, development density, the positioning of land uses and their adjacencies, and other character elements that define distinct neighborhoods of the city. The Neighborhood and District map can be a useful tool in overlaying demographic and other data to determine defined areas of need in future policy and funding scenarios.

FISCAL SUSTAINABILITY

Our work will incorporate a fiscal sustainability strategy to ensure that the fiscal impacts of growth are captured and that proposed projects and initiatives are feasible. As with other aspects of the General Plan Update, this work is intended to be

educational and data-driven so that the visioning process is provided with objective data to inform growth alternatives.

Working closely with Santa Fe GIS and Planning staff, we will develop a baseline model to analyze various fiscal attributes of land and property throughout the city. As different attributes may be more or less useful to different parts of the planning process, we anticipate developing a flexible model that can be adjusted quickly to illustrate different fiscal dynamics. Likely attributes to be analyzed and mapped will include:

- Property value per acre (including both land and improvements), expressed as a value per acre;
- Improvement to land value ratio (to illustrate potentially redevelopable or underutilized land);
- Tax generation per parcel (incorporating tax-exempt properties) to illustrate fiscal impact to the city and other taxing jurisdictions;
- GRT and other employment-based data to understand the impact of business activity (as available from the state and aggregated to ensure confidential business activity is not disclosed);
- GIS mapping to illustrate patterns throughout the community, combined with land use, zoning, transportation, and other data layers to understand fiscal dynamics.

During Step 3, this data will further be used to enable the scenario planning to output fiscal impacts with each alternative.

URBAN DESIGN

This analysis will focus on elements that will contribute to Santa Fe's image as a great place to live, work and play. Public elements could include street character, street lighting, view corridors, and identity enhancement elements, including landmarks and gateways. Private elements could include parking treatments, development patterns (site planning criteria), and development character (building and landscape criteria). We will summarize the findings in an urban design analysis to understand the qualities that are unique to Santa Fe and identify the potential for placemaking. As part of this assessment our team will conduct a field visit and a visual survey. Site survey findings will be documented with maps, photographs and a short-written description.

An urban design assessment will investigate the existing built form, including the public realm, of key sectors, special planning areas, gateways, and other important districts to identify the characteristics that either support or detract from quality development, economic vitality, social vibrancy, and civic identity. This analysis will be used in public engagement to inform spatial qualities and building form that are important to the successful implementation of development types in different land use and character zones – specifically related to city character, sector, and special area planning. Items that we will catalogue in this assessment include:

- Urban forestry
- Streetscape composition (including materiality)
- Public art, lighting, and amenities
- Landscape
- Building height and scale
- Building articulation
- Plazas and civic spaces
- Utilities
- Street composition
- Natural areas and areas with potential for restoration into the natural environment

TRANSPORTATION

Since the development of Santa Fe's General Plan in 1999, the transportation network and connectivity has drastically changed. The range of mobility options, how transportation is used, and the need for more interconnected and responsive options for moving in and around Santa Fe have changed. It is important that the city is prepared to adapt with changing transportation needs and priorities and to leverage new transportation technologies and funding programs. This will help Santa Fe expand its network of safer, more affordable, and reliable mobility options that will also increase accessibility and ensure equitable access to community services and employment.

A review of existing transportation studies and plans identified by the City of Santa Fe (multimodal transition plan, bicycle/ped/transit plans, sustainability plan), along with the MPO's recent work on complete streets, will provide WSP with a solid understanding of the community's ideas and initiatives to expand mobility choices and create a more accessible city. A matrix will be created to ensure we integrate transportation recommendations with the goals and objectives of each existing plan and study.

The Cerrillos Road project from Saint Francis to Saint Michaels is a highly constrained corridor. The WSP team used a context sensitive design approach to prepare a complete streets solution that balanced safety, multi-modal needs, economic vitality, and environmental stewardship, including stormwater management. WSP was instrumental in forming a Project Study Team consisting of NMDOT, City of Santa Fe, Santa Fe Municipal Planning Organization, and consultant members to foster a holistic view towards meeting the needs of all agencies. Multiple public meetings and significant public and agency outreach efforts were part of the WSP efforts to date.

Using available data and material from the City, an inventory of the existing network characteristics will be compiled that can include streets and roadways, transit routes and stops, rail lines and stations, and bike and pedestrian pathways. Demographic and household trends data impacting transportation conditions will also be compiled and assessed using innovative and interactive web-based mapping applications. These tools assist us to identify travel conditions and to verify current transportation deficiencies and opportunities. From this analysis, our team will identify key performance indicators and develop improvement targets for the City to measure its mode-shift progress as it implements mobility and accessibility planning recommendations.

The **Transportation section** will be a comprehensive review and assessment of the city's multimodal transportation network that will provide a baseline of information on existing transportation conditions and services, and detail the key issues, barriers toward progress, and long-range transportation goals. The report will also provide specific data analysis and recommendations that are fiscally responsible and immediately implementable.

PUBLIC & PRIVATE UTILITIES

The General Plan Update will closely examine the intersection between growth policies and public and private utilities and services such as water, wastewater, electricity, and gas. Consistent with the 1999 General Plan themes, sustainable growth, quality of life, and affordable housing remain key considerations for the future of Santa Fe. Demand, quality, and availability of public and private utilities are primary considerations for new development and recommended growth patterns within the city. The existing conditions analysis will include a review of baseline conditions and projections to understand the availability and need for public and private utilities in different growth scenarios. Payment methods for future public and private utilities is an additional guiding consideration that will be examined. The utilities report will be comprehensive and future-focused, specifically with City of Santa Fe water, wastewater, and stormwater utilities.

Climate change and resilience are key trends related to the availability of water and energy sources in the near and short-term future. The city budget provides evidence to Santa Fe's commitment to sustainability and being at the forefront of renewable energy and forward-looking water planning including conservation and reuse. The transition to clean energy sources within New Mexico includes solar, wind, and geothermal. As detailed in the City of Santa Fe Water Storymap, climate change is expected to reduce streamflow and mountain snowpacks throughout the southwest. Since 1995, Santa Fe has had great success in reducing water demand through conservation even with a 25-percent increase in population served. Through a pro-active water management approach, Santa Fe prioritizes using surface water when available to preserve groundwater for drought conditions. Combined with the steady increase in demand through conservation, groundwater aquifers continue to recover from past practices of excessive pumping.

Today, water is provided to the city from four different surface water and groundwater sources. The existing conditions analysis will integrate key ongoing efforts within the city including the near-term 5-Year Water Conservation and Drought Management Plan and the Santa Fe Water 2100 – a long-term Water Resource Plan to provide a comprehensive view of Santa Fe's management of water resources. The intersection with other initiatives such as the Santa Fe Living River ordinance that supports the Santa Fe riparian corridor will also be documented. The Santa Fe General Plan Update will build upon past successes and develop a coordinated blueprint the reflects sustainable growth balanced with resource management.

WSP will identify all current utility providers (public/private) in Santa Fe, with an emphasis on City of Santa Fe water, wastewater, and stormwater utilities. WSP will review and compile any Utility System Plans and Public Works Capital Plans and comprehensively display/map the existing utility system area and proposed expansion and/or improvements necessary to accommodate growth and other updated policies. The Team will identify any inconsistencies in land use and growth projections presented in the various utility plans. In addition, the WSP team will identify proposed improvements from existing utility and capital plans to accommodate the growth and anticipated project completion dates.

We want to ensure that utilities are planned for expansion and improvements by identifying utility service efficiencies and gaps between existing conditions and proposed land use and growth projects. Our team can assist Santa Fe to holistically understand opportunities associated with utility expansion/improvements for projected land use and population growth by providing recommendations for potential project improvement/expansion opportunities between utilities to provide less public disturbance and identity potential multi-benefit projects.

Our team has experience in developing utility policies that are consistent with comprehensive plan policies. We understand how to work with existing water utilities to identify any conflicts or deficiencies in comprehensive plan policies that may affect successful utility planning and also identify utility policies that can inform comprehensive plan policies.

HISTORICAL & CULTURAL FACILITIES

Arts, culture, and historic preservation are of crucial importance to the City of Santa Fe. Santa Fe is a community that is rich in history and cultural diversity, with strong traditions and a distinctive sense of place. These elements collectively form the foundation of a unique identity. The local arts scene is a vibrant platform for creative expression, fostering a deep sense of community and driving economic development.

Historic preservation plays a vital role in maintaining the city's legacy, providing tangible connections to Santa Fe's past while shaping its character for future generations. The combined efforts in arts, culture, and historic preservation make a significant

contribution to Santa Fe's quality of life, creating a city that is dynamic, diverse, and deeply rooted in its history. As part of our scope of work, the WSP team will undertake the following tasks:

- Collaborate with ongoing initiatives, organizations, and City and State departments to prepare a comprehensive catalogue of existing and prospective arts, cultural, and historic resources across the city;
- Participate in the process of identifying, establishing, and assessing the viability of a possible Arts & Cultural District;
- Undertake an examination and valuation of historic resources, including a thorough review of the city's five historic districts and adjacent areas;
- Investigate and evaluate cultural, prehistoric, and paleontological resources; and
- Consider outcomes from the City's CHART process in the development of recommendations.

PUBLIC SAFETY

Public safety is a common thread that will inform recommendations and implementation policies in several of the General Plan Update elements. As defined in the city budget, safety is an overarching priority for Santa Fe. Multiple streams of revenue are available, including funds from the Federal government, to invest in safety initiatives alongside social, economic development and job training, and community health programs. Our team will take a comprehensive view in developing the Public Safety section by exploring the intersection of several themes as they relates to public safety such as social programs, the environment, community health, and economic development. A desktop review of plans such as the City of Santa Fe Office of Emergency Management 2018-2022 Strategic Plan and the Hazard Mitigation Plan will lay the groundwork for an understanding of public safety goals, strategies, and initiatives that will inform the development of the Santa Fe General Plan Update. The WSP team will document existing conditions and trends by incorporating input from key community health and safety stakeholders such as Santa Fe Police Department and Fire Department, Office of Emergency Management and Community Services. Stakeholder and public input will help identify critical safety needs and opportunities of the city as a whole and needs of specific neighborhoods and communities.

SCHOOLS

The Santa Fe Public Schools and overall education vision and direction should align with city growth strategies as they are outlined in the Sustainable Growth Management Plan and the General Plan Update. There are also several higher education institutions within the city such as private colleges and universities, public colleges and universities, and community colleges. These higher education offerings and campuses serve as important community resources and hubs but also require partnerships between the city and schools around planning topics such as quality of life, safety, housing, community concerns, and collaboration with community service organizations. Therefore, developing a **Schools section** will be critical to understanding the existing education conditions and trends within the community. The WSP team will complete a desktop review of the Santa Fe Public Schools Facilities Master Plan Update 2021-2026 to

understand recommended capital improvements and findings. For example, the Facilities Master Plan Update includes projections that indicate that excess classrooms will continue to grow over the next ten years.

Student population shifts from the north to the southwest sectors create facility demands in the south. Transfers into the older, northern schools remain high, so the schools are utilized well in the north. Traditional middle schools and high schools are underutilized, while alternative schools continue to show an increase in demand.

In addition to obtaining input from Santa Fe Public Schools, our team will also engage with higher education institutions and other alternative schools such as charter schools. The Santa Fe Public Schools (SFPS) is undertaking a Reimagining SFPS initiative that will also provide insight on important trends to consider when developing recommendations and implementation policies. The initiative has already highlighted several themes such as the need for community schools, the importance of bilingual programs, wellness, the intersection with outdoor learning and cultural programs, and transportation mobility.

PARKS & RECREATION

A comprehensive **Parks and Recreation section** will link to several General Plan themes and existing conditions such as environmental stewardship and habitat preservation, expansion of biodiversity, arts and culture, equity, sustainable growth and provision of services, community resilience, and the role of open space within future land use and development plans. The City has over 100 existing park facilities and 170 miles of trails. The Parks and Recreation evaluation will be informed by the final Planning Area Boundary for the City's General Plan Update and the recognition that Santa Fe is home to significant landscapes throughout the County that offer a range of recreational opportunities. A desktop review of plans such as the Santa Fe County Open Space, Trails, and Parks Strategic Management Plan (2019), Open Land and Trails Plan (2000), and the Open Space Management Plans will lay the groundwork for an understanding of the existing conditions of the parks and open spaces within the broader Santa Fe region. Understanding the future goals and initiatives within the region will inform the development of the Santa Fe General Plan Update.

Over the past 20 years the Santa Fe Open Space, Trails and Parks Program (OSTP) has moved from acquisition to resource management and providing meaningful experiences for residents within the region. Santa Fe strives to be a national leader in conservation, innovative land management, and the provision of exceptional recreation opportunities. While open space conservation remains a key priority so is the importance of providing access to open spaces, trail connections, educational programming, and context-sensitive and sustainable property management. There is also the recognition that open space, parks, trails, and recreational facilities should reflect the regional needs and user patterns within Santa Fe as they are defined in four management landscapes – El Norte, El Centro, Galisteo, and Estancia.

This understanding will be overlayed with relevant themes from the Santa Fe Sustainability Plan such as enhancing the connectivity of greenbelt and habitat corridors, watersheds and parks, and stormwater management through green infrastructure. Community Plans within Santa Fe County also document goals for open space, trail connections and environmental conservation at the community scale. Several goals and strategies within the Sustainable Growth Management Plan are also linked to parks and recreation such as community-based stewardship, education and outreach related to natural and cultural resource protection, and coordination and partnership with other landowners. Collaboration is a key theme with neighboring Pueblo of Tesuque, Hyde Memorial State Park, and federal land agencies such as the Santa Fe National Forest and the Bureau of Land Management (BLM). Management of shared borders, species, habitats, and recreation impacts is emphasized in the Santa Fe National Forest Plan. The BLM Taos Resource Management Plan recognizes the need for coordination with Santa Fe on a broader landscape-scale management approach for recreational access and biodiversity since BLM property borders several Santa Fe County Open Space properties. Collectively, these concepts and trends will be outlined in the Parks and Recreation analysis to inform the General Plan Update and provide a comprehensive and balanced approach to recreational needs and opportunities, future land development and landscape conservation.

HOUSING

LCG prepares analyses to support community housing elements as part of general and comprehensive plans for communities across the U.S. More recently, in response to the housing affordability crisis, this work has expanded to include housing action plans, which expand upon the assessment of existing conditions and needs to include strategies to encourage housing production, a broader diversity of housing types, and affordability that better matches the incomes of area residents and workers.

As part of this task, LCG will complete the following:

- Analyze population and employment trends, with documentation of projections.
- Quantify existing and projected housing needs for all income levels, including extremely low-income households, with documentation of housing and household characteristics, and cost-burdened households.
- Collect data on type, size, cost, and age of housing in the city. Collect data on rental properties (e.g., type, size, cost, and age) and percentage of housing stock.
- Review and evaluate the current housing element and other policies regarding housing, including an evaluation of success in attaining planned housing types and units, achievement of goals and policies, and implementation of the schedule of programs and actions.
- Review the effectiveness of current programs, development regulations and permitting processes related to housing development.
- Review land capacity analysis and ability of existing zoning to provide for housing needs and all income brackets.
- Identify areas that may be at higher risk of displacement from market forces.
- Conduct research and assemble findings following the most current New Mexico legislative policies related to housing.

ECONOMIC DEVELOPMENT ASSESSMENT

Our partner, LCG, understands development economics and the market realities of economic prosperity. Whether operating at the citywide level or addressing downtown Santa Fe or a specific neighborhood, we will ensure that goals and policies pertaining to housing and economic development are implementable and feasible. Our analysis will specifically address issues that are relevant to Santa Fe given its role as a state capital and tourist destination.

These issues include:

- Preserving and enhancing Santa Fe's cultural authenticity while capturing economic opportunities to provide family wage jobs to its residents;
- Enhancing and sustaining the downtown as a community amenity and economic driver;
- Nimbly navigating rapidly changing economic trends in ecommerce and industrial development to maximize job and investment opportunities;
- Understanding the role that affordable housing plays in maintaining an economically competitive city; and
- Other issues and strategies that emerge from the community visioning process.

As with the population and demographic trends analysis completed earlier, we will prepare a thorough baseline data set that tells the story of Santa Fe's current economy, where it has been, and where its future opportunities lie. This work will include a detailed assessment of:

- Employment trends;
- Major industries and employers;
- Key opportunities for job creation and growth;
- Key indicators such as education, wages, unemployment, industry clusters, and other data points; and
- Emerging trends that impact economic vitality such as the rise of ecommerce, demand for warehousing and distribution, work-from-home impacts on office demand, and the role that housing unaffordability plays on business recruitment and success.

ENVIRONMENT STEWARDSHIP/ NATURAL RESOURCES

Santa Fe's General Plan developed in 1999 supports the overall message of Natural Resource Conservation of the time, however, in 2023 these ideas have evolved and grown. The City of Santa Fe is an environmentally friendly community, and it is imperative that the city is prepared to adapt to the protection and conservation of biological and natural resources, visual resources, natural landscapes, and landmarks. Doing so will aid the City of Santa Fe to be more environmentally conservative and conscious. Biological and habitat conversation has grown, with our ever-evolving world, to include permitting, management, and mitigation of natural resources, clean waters, visual and sound responses, threatened and endangered species, air quality, and how the public is responding to these changing challenges.

A review of existing natural resource management, conservation policies and plans identified by the City of Santa Fe (quality of life and sustainable growth) will provide WSP with a solid base of the community's ideas and initiatives to expand the growth of environmental stewardship and natural resources management.

A review of the existing general plan, existing natural resources management, and conservation policies will allow WSP to advance a new City of Santa Fe General Plan that is constructed around the habitat and biological communities within Santa Fe. The new plan will allow Santa Fe to lessen their development impacts to biological and cultural resources.

This section of the Assessment Report will be a comprehensive review and assessment of the city's environmental community that will provide a baseline of information on existing natural resources habitats, communities, wetlands, land use and use those concepts to create a centralized general plan with the modern practices and policies. The Report will also provide specific data analysis and recommendations that are fiscally responsible and immediately implementable.

SMART CITY *VALUE-ADD*

WSP's Smart-City technology team will participate in city planning charrettes and lead all technology and data-driven conversations to help in WSP's understanding of existing conditions. This helps us to develop future integration opportunities which enhance resident experiences and operational efficiencies for the City.

The goal of these charrettes is to understand current operations, dataflows, ownership of data, identification of operational data, process pain points, shortcomings of data management/ collection, and future goals for data sharing, integrations, and information access.

For the Assessment Report, WSP's Smart City Team aims to clearly outline, through charrette outcomes, the opportunity data presents to the City. Outcomes dependent, we expect to present the City's desired improvements in data quality and the potential information sharing practices have for the City in terms of automation efficiencies.

This will begin with a distillation of charrette results and a review of existing documentation, including select City plans listed in the RFP. Further to the workshops, the WSP Smart City Team will request the following documents in its review of City documentation as well: City Data Management Policies, IT infrastructure documentation, cybersecurity policies, smart city initiatives, and the City network architecture, if these exist. **Altogether, the charrettes and documentation review will provide a foundational understanding into workflows, challenges, and needs.**

Based on this understanding, our team will summarize the data collection methods and information sharing landscape to outline the specific strengths and opportunities in the existing City organization. By further delving into data security measures required for compliance and ongoing smart city initiatives, the assessment will capture a holistic picture of the City's current technological and operational state.

This summary will become an assessment of current gaps in data collection practices, information sharing protocols, and the level of automation in department workflows. The gap analysis will identify areas requiring improvement, setting the stage for strategic recommendations aligned with the City's overarching goals in modernizing its General Plan Update.

Importantly, the Assessment Report will begin to answer the pivotal question posed by the City: **"What's missing & where?"**

Ultimately, the Assessment Report serves as a valuable guide for targeted enhancements across the City's data sharing and information access landscape.

MUNICIPAL INFRASTRUCTURE & ASSETS

WSP showcases its proficiency in municipal infrastructure through a comprehensive approach to asset management programs. In response to the evolving demands on urban infrastructure in rapidly growing cities, we collaborate with municipal agencies to conduct thorough asset management maturity assessments and formulate strategic directions for enhancing their asset management programs.

WSP's capabilities extend to the development of maturity assessment reports, synthesizing key findings and proposing improvement actions based on stakeholder consultations. The firm plays a pivotal role in crafting asset management improvement roadmaps, outlining high-priority initiatives for implementation over the short and long term. These roadmaps include detailed work plans for prioritized initiatives and overarching schedules for their phased implementation.

A significant aspect of our expertise lies in establishing Strategic Asset Management Plans, providing clear guidance for municipal agencies, and steering the evolution of their asset management programs. Additionally, our team facilitates strategy and visioning sessions, fostering discussions on current asset management drivers, defining goals and objectives, and delineating long-term desired outcomes.

The outcomes and benefits of our collaborations are transformative. They lead to a cohesive understanding of asset management visions, goals, and objectives across organizations, aligning strategic goals with asset management activities. This approach enhances accountability and transparency in decision-making, ensuring the responsible and sustainable allocation of resources.

Our contributions lead to the establishment of clear roles and responsibilities within asset management programs, fostering engagement and ownership of activities, and promoting a culture of collaboration and consistency. The projects contribute to increased consistency in how assets are managed, enabling systematic evaluations of asset conditions and needs.

Our team's expertise in municipal infrastructure shines through its collaborative efforts, demonstrating a commitment to advancing asset management practices, optimizing resource allocation, and fostering a culture of accountability and collaboration for the benefit of urban communities facing rapid growth.

INSTITUTIONAL STRUCTURES

The new plan must foster regional collaboration, represent a wide and diverse-cross section of residents and be ready to be implemented to address the challenges the Santa Fe region faces today and may face tomorrow. The updated plan needs to foster collaboration among all of the parties who are under its umbrella – both its regional partners and internal agencies and departments. It should make the region's goals and vision - and the corresponding projects that would flow from those goals and visions -- so clear, understandable, and actionable that Santa Fe will become a stronger candidate for many of the discretionary federal funding programs that are flowing from the recently passed infrastructure and climate bills.

However, a plan is really just paper on the shelf unless the parties responsible for making it a reality have agreed to the overarching goals; a clear

delineation of roles and responsibilities; and there is agreement about how decisions will be made. We know that Santa Fe is looking for a plan that can – in practical and real-world terms – address the community's challenges. Therefore, we believe that it is essential to develop buy-in and get the processes right on the front-end – it is better to take the time to define goals and objectives so there is clear understanding of where the process needs to go than to start searching for solutions that do not necessarily meet the ultimate goals of the city. We look forward to working with Santa Fe and its partners and stakeholders on a process that guides the development of the General Plan update and improves collaboration and decision making among the regional entities who are crucial to the city's success and within the internal agencies and departments who are responsible for the development and delivery of the city's plans and programs.

First, the key regional players and stakeholders must be brought together to agree upon a shared vision and goals that will inform their collaborative regional approach to problems. Solutions rarely end at convenient political boundaries, and we need to ensure that the region is working in a unified manner to set goals and priorities. As part of the process, we could also explore current decision-making structures and recommend improvements or enhancements as appropriate. We will work with the Santa Fe Project Manager to identify the key stakeholders, but recognize that this should include local, regional, state, and federal agencies who are essential to delivering funding and projects.

Second, it is also essential that all relevant Santa Fe agencies and departments are also working from a common understanding to ensure that the vision is at the forefront and remains implementable and actionable. There are various key departments, such as Public Utilities, Public Works, Community and Economic Development, and Community Health and Safety that have a role in determining which projects can and should move forward in the city. We want to work with the departments to make sure that from a capital planning and programming perspective, there is a common agreement with and appreciation of the goals of the process, so that everyone understands the direction that the city wants to go in and decisions are made through that lens.

Third, developing a governance model is not just an end-product to be used, there needs to be a process to manage the actual preparation of the update to the General Plan.

- How will decisions be made?
- How will competing interests be prioritized?
- How will voices be heard and decisions be made?

As part of the process, we will partner with Santa Fe to ensure an inclusive process that delivers an updated General Plan that meets the goals of the community and can then be acted upon.

DIGITAL USER PLATFORM

WSP proposes the development of a digital spatial platform to be the main gateway for stakeholders and the public to access mapping related information from the General Plan Update. Additionally, the platform will feature a dedicated engagement section (sometimes referred to as online civic engagement), strategically positioned as the hub for digital interactions related to the Planning Department. This section will facilitate public input, and surveys, fostering a sense of community involvement in the planning process. The integration of interactive tools, such as mapping widgets and comment features, will enable users to provide feedback directly on the platform, ensuring a more inclusive and participatory approach to city planning. The primary objective is to streamline access to key spatial information, enhance communication, and promote transparency.

The heart of this solution lies in the development of a user-friendly online portal that serves as the digital gateway to the General Plan. Leveraging Esri's cutting-edge GIS capabilities, our platform will provide an intuitive and visually engaging interface for users to explore the General Plan in a spatial context. Users, including city staff, stakeholders, and the public, will have the ability to navigate through different layers of information, accessing key details related to land use, infrastructure, and socio-economic data.

PLATFORM ARCHITECTURE

The platform will be built using an ArcGIS Hub Site connected to the city's existing ArcGIS Online or Portal instance. This setup will allow the city to share web maps and applications highlighting key aspects of the GPU and other planning related data along with a mechanism to share spatial datasets with stakeholders. Key aspects of the development of the Hub site include the creation of the hub site itself, a web mapping application to view the GPU and other spatial data layers, and a data portal for users to access and download specific data layers from the city. This innovative platform aims to enhance transparency, collaboration, and engagement among staff, stakeholders, and the public, while providing robust backend capabilities for efficient management by the Planning Department. On the backend, our proposed solution includes a robust, ArcGIS Dashboard designed specifically for City staff. This interface will empower staff members to run reports, analyze engagement data, and manage the platform efficiently. The backend system will be equipped with advanced reporting tools, data visualization capabilities, and user management features to streamline administrative tasks and enhance the overall effectiveness of the Planning Department's operations. To achieve this, WSP will undertake key tasks:

PRELIMINARY DATA AND SYSTEM ASSESSMENT

First, an in-depth assessment of the existing system will be conducted to evaluate the current infrastructure, spatial datasets, stakeholder needs, and future goals of the site. Included in this assessment will be determining how existing city datasets will be migrated into the platform at the parcel level. Collaborating closely with the planning department, WSP will gather requirements and define clear goals for the Hub site. The process will involve interviews with planning department staff and benchmarking against industry best practices. Based on the assessment, WSP will gain insights into the department's unique needs.

STRATEGIC ROADMAP

Following the needs assessment, WSP will create a strategic, phased roadmap for the Hub site and spatial data management within the department. This roadmap will guide the development of key data layers and the Hub site, ensuring that the GIS system is developed in a way that provides lasting value to the city and supports its long-term vision for developing and sharing planning related spatial data, within the budget available for the General Plan Update.

DEVELOPMENT OF THE HUB SITE AND MAPPING APPLICATIONS

Next, the design and development process will commence, ensuring that the site is user-friendly, secure, and efficient. Regular communication with department staff will be key to ensuring development is responsive to evolving needs. By establishing this central portal, both city staff and the public will benefit from improved access to essential information, fostering a more informed and engaged community.

Several of the maps currently available on the city's GIS Services and Products website could be combined into a parcel and zoning application, which would give members of the public a single-stop application for viewing essential property details such as the situs address, Assessor's Parcel Number (APN), assessed value, zoning classification, land use information, planning zone updates, and demographics based on Esri Tapestry Segmentation data. Customized pop-ups will contain links to the city's other information systems, such as tax cards or assessor's databases as appropriate. The aim of this application is to enhance efficiency and improve public interactions with parcel and zoning related data.

DATA UPDATE AND LINKING

The development of a Hub site and primary mapping application are only useful insofar as the underlying data is of high quality and is kept current. To achieve this, several key actions will be taken. First, WSP will review existing workflows to make sure that the data layers feeding the applications are maintained and current. This will be done in a way that minimizes disruptions to the city's existing workflows by automating data transfers or data enrichment as much as possible.

Second, integrating data from different sources is crucial for maintaining consistency. WSP will design

mechanisms to synchronize parcel and zoning data seamlessly. For example, when a property undergoes rezoning, the app will reflect this change promptly within the attributes of the parcel data and/or web application popups related to a given parcel. Similarly, any modifications to parcel boundaries or land use classifications will be synchronized across relevant systems to the extent feasible.

Third, quality assurance measures will be implemented to validate the accuracy of updated data. This includes cross-referencing information with official records, conducting spot checks, and flagging discrepancies promptly. The goal is to provide reliable data to city staff, developers, and the public, ensuring informed decision-making.

Finally, WSP will explore opportunities to link related datasets beyond parcel and zoning data. For instance, integrating property tax records with parcel information can enhance financial planning and revenue forecasting. Similarly, connecting zoning data with environmental factors (e.g., flood zones, soil quality) can inform land use decisions. By prioritizing data accuracy, synchronization, and integration, WSP aims to create a robust foundation for future applications and informed urban planning within the City of Santa Fe.

EXPAND FOR ADDITIONAL APPS IN THE FUTURE

WSP recognizes the need for scalability and adaptability in the City of Santa Fe's digital infrastructure. To prepare for future applications, WSP proposes that the Hub site be designed with flexibility in mind. Its architecture will allow for seamless integration of new mapping applications and features. By utilizing an ArcGIS Hub site and the city's existing ArcGIS Online and/or Portal instances the site can accommodate diverse functionalities without locking the city into the use of custom applications. Additional applications or sections of the Hub site can be introduced as needed to expand functionality and address new audiences. By adopting these principles, WSP aims to create a future-ready digital ecosystem that supports the City of Santa Fe's growth and enhances public services. By combining Esri technology with a user-centric design and comprehensive backend functionality, our proposed digital platform is poised to elevate the city's planning process, making it more accessible, engaging, and efficient for all stakeholders involved.

PUBLIC ENGAGEMENT PLAN

From our staff's participation in community organizations to our planning and design work, WSP has built strong connections with small businesses and community relationships over the many years we have worked in and around Santa Fe.

Our team's approach seeks to incorporate community voices throughout the planning process to develop a vision that strives for equitable and sustainable policy choices that result in a vibrant and vital future for Santa Fe. As a local firm and with our communications and public involvement lead living and working in nearby Albuquerque, WSP is deeply invested in New Mexico communities, including Santa Fe and its diverse neighborhoods. Our team's approach is inclusive, imaginative, interactive, and centered on building relationships with community partners (CBOs). Our approach focuses on forming neighborhood-specific engagement efforts to put community first and elevate the voices of those historically underserved or excluded from planning processes. To truly co-create a general plan with the community, we will complete the following steps, which are further defined in the subtasks that follow:

- Prepare a Public Engagement Plan and equity strategy that outlines open, transparent, and multi-path communication to engage equity-priority communities, key interested parties, and the broader community.
- Include equity throughout the process by working with the community to develop an equity analysis. Establishing equity goals will help guide the planning process and support equitable outcomes.
- Form a network of compensated Community Partners to lead neighborhood-specific engagement approaches.
- Develop a project-specific brand identity and communications materials, including creating a Social Pinpoint Hub to advance the City's engagement efforts.
- Engage the broader community through

visioning workshops, events, and community conversations.
- Prepare a community engagement and involvement/lessons learned summary and accountability matrix that captures all comments, evaluations, lessons learned, and input throughout the process. This will contribute to the City's future efforts and support long-term capacity building.

COMMUNITY PARTNERS

A key aspect of our engagement approach is developing relationships with Community Partners to provide consistent and meaningful input through all stages of the planning process. To identify the Community Partners, we will focus on the neighborhoods and districts identified and outlined in Step 1. Community Partners will be considered based on an examination of the existing neighborhood associations and networks, community-based organizations operating on the ground, potential growth areas, and the need to include voices that have historically been excluded from planning processes. We anticipate approximately ten to fifteen Community Partners being identified to help the project team better pinpoint distinct community characteristics and challenges from a grassroots level. Working with Community Partners who understand the Santa Fe tradition and historical and current challenges of neighborhoods will aid in recruiting members, including equity representatives, to participate.

Community Partners will be selected and compensated (compensation to be determined based on PEP and is funded separately of this project budget) based on their relationships and ability to represent and engage equity-priority communities and elevate their voices. The Community Partner selection process and compensation plan will be defined with the City at Project Kickoff in Step 1.

With the support of the public engagement team lead, the Community Partners will be responsible for leading outreach meetings or events, framed as "Community Conversations," in each of the neighborhoods. The Community Partners will help ensure communication materials are written in layperson's terms, use language and graphical communication appropriate to the audience, and meet the City's standards.

With the help of the Community Partners, we will seek perspectives that represent diverse interests and groups such as:

- Modes of transportation (pedestrian, ADA interests, bicycle, public transit, freight, automobile)
- BIPOC communities and businesses
- Social justice
- Neighborhood associations
- Economic development
- Arts and culture
- Urban design
- Environmental quality
- Housing groups and organizations
- Youth, LGBTQ+, and elder perspectives
- Accessibility and disability inclusivity

INTEGRATING EQUITY

To enhance our approach to existing conditions, the equity team will identify equity focused communities in Santa Fe and assess their baseline, the distance between their baseline and vision, and the priorities of their vision. We understand that equity communities often experience underrepresentation, underinvestment, being overburdened, and less resiliency to neighborhood change, and the legacy impacts of these experience may lead to a different baseline, vision, and priorities than greater Santa Fe. We also recognize the value of culture, economic contributions, diversity of thought, and other characteristics that define equity communities beyond disparities or disadvantages. First, we will review local resources provided by City Staff and conduct our own research to produce an equity analysis that identifies equity communities. This includes a quantitative element like data indicators, using tools like USDOT Transit Disadvantaged

Communities and the Climate and Economic Justice Screening, and a qualitative element that summarizes local historical context that contributed to existing conditions, and public input on their lived experiences with current infrastructure, and related programs, and policies.

The equity team will collaborate with the public engagement team to leverage the equity analysis and the requested Neighborhoods and Districts Map to inform a neighborhood-level public engagement plan. Neighborhood-level public engagement will capture insight specifically from equity communities to develop a Neighborhood Equitable Vision & Needs Assessment. Inclusive public engagement and meeting people where they are will allow us to empower and amplify diverse voices, including the Asian, Black, Hispanic, Spanish, and Native communities, as well as Santa Fe's thriving arts community. The assessment will address key areas of quality of life including housing, economic development, transportation, public safety, parks and recreation, and other themes consistent with the broader existing conditions work. The input will be organized into near, mid, and long-term goals so the City can plan for quick wins and long-term commitments that will build public trust.

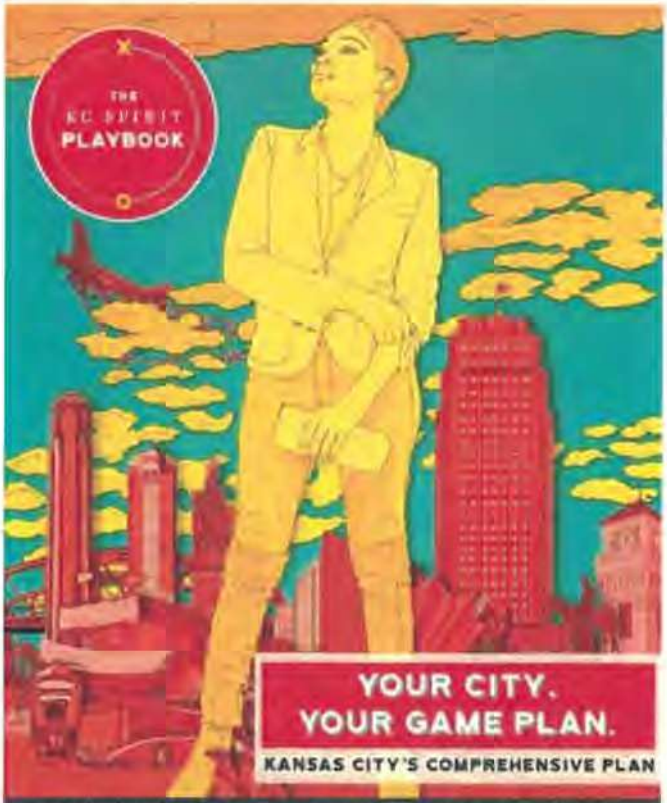
Based on community conversations and our own research, the equity team will develop a community assets map layer that can be overlayed on the Neighborhoods and Districts Map. Community assets can include places of worship, green spaces, community centers, public art, libraries, health care facilities, and more that offer sense of belonging, livability, and comfort. Mapping community assets can identify places and spaces to preserve and show gaps in these offerings in some neighborhoods compared to others. The City can use this data to support development without displacement, create connected infrastructure leveraging existing nodes, and prioritize funding.

The equity team will play an advisory role in public engagement. For example, the equity analysis will allow us to set a goal for representative participation in public engagement based on the diversity in the Santa Fe. This will help set a success metric beyond the volume of engagement efforts. The equity team will make recommendations of community leaders and organizations that represent equity communities and guide the structure for their compensation. They will also coordinate with the technical team on what content to share with the community, a format for that content that is equitably understood, and follow-up post-event to ensure input is used in refinement and decision-making.

Building an equitable, comprehensive plan requires more than just looking at maps and data. To truly plan for an equitable future, we need to understand the history and experiences of the people who live, work, and play in each of Santa Fe's neighborhoods. Effective coordination between technical team members and inclusive communication strategies, and frequent input and review from WSP's embedded equity experts will coordinate timing of inputs, balancing of opinions and development of equitable policies that will inform our planning team's work. This collaborative work will advise project staff on community priorities and identify areas of improvement such as inclusive playgrounds, disadvantaged business opportunities, or affordable housing.

Specific efforts that WSP will include to integrate equity include:

- Advising on Community Partners to engage from equity communities, ensuring inclusion of populations of people of color (e.g., Asian, Black, Hispanic, Spanish, and Native/ Indigenous communities)
- Provide content for community input (equity goals, equity analysis map, equity community asset map, etc.)
- Coordinate with the public engagement team on deliberate outreach to develop the Equity Community Needs Assessment.



ENGAGEMENT TOOLS

During preparation of the Public Engagement Plan, WSP will work with the City to identify communications and engagement strategies and tools that clearly communicate the project goals, relay technical information, and provide opportunities to meaningfully influence the process, analysis, and recommendations. WSP will work with the City to determine the specific outreach activities that are needed at each project milestone in coordination with the technical work. At a minimum, we recommend the following:

- WSP will establish a multi-disciplinary, interactive platform through Social Pinpoint that will act as the public engagement hub for the project. This Social Pinpoint Hub will include opportunities for community members to provide input, stay up to date on the project, and team members to communicate project information in a graphically articulate way.
- Preparation of Community Conversation Kits that Community Partners can use to facilitate discussions, use at community events, or distribute while traveling around town or riding transit. These Kits may include project factsheets, key questions and answers, and instructions on how to facilitate the collection of valuable feedback at places people already frequent.
- Understanding that not everyone can attend a public meeting or receive a letter in the mail, we will work with our Community Partners to account for the needs of various interested parties and apply area appropriate methods to obtain community input on aspects of the planning process.
- Visioning workshops and open houses, an interactive idea board through the Social Pinpoint Hub, and project team tables at existing City and community events to inform the overall community vision and vision statements for each comprehensive plan element.
- Surveys and polls to gather feedback about specific topics as identified by the project team and City staff.

PROJECT MATERIALS & BRAND IDENTITY

WSP will create a project brand and messaging that will be used throughout the project to provide a consistent graphic identity on all publicly distributed materials including the Social Pinpoint Hub, Community Conversation Kits, notices of events and meetings, and other materials that will promote the project, inform the community, and build consensus. All outreach materials will meet City of Santa Fe standards and will be developed in accordance with the City's Public Engagement Guide. All outreach materials will also be ADA-accessible, use better-practices for design and graphical communication, and be made available in both English and Spanish. Other language needs may be identified through the Public Engagement Plan process.

WSP helped create the Kansas City Spirit Playbook, the first update to Kansas City's comprehensive plan since 1997.

Table 3: Public Engagement	General Community	Equity-focused Communities (EFC)	Organized Stakeholders	Partners	Decision-makers
STEP 1 Mobilization and Understanding	• Open house on Assessment guiding themes and findings	• City staff engagement • EFC led conversations • Stipend community partners support	• City staff engagement	• Technical Advisory Committee	• Introduction to the team and work program • Stage gate readiness review
STEP 2 Vision and Goals	• Open house on vision and goals	• City staff engagement • EFC led conversations • Stipend community partners support	• City staff engagement	• Technical Advisory Committee	• Stage gate readiness review
STEP 3 Scenario Planning	• Open house on scenarios	• City staff engagement • EFC led conversations • Stipend community partners support	• City staff engagement	• Technical Advisory Committee	• Stage gate readiness review
STEP 4 Development of Preferred Plan	• Open house on draft General Plan	• City staff engagement • EFC led conversations • Stipend community partners support	• City staff engagement	• Technical Advisory Committee	• Stage gate readiness review
STEP 5 Work Program and Funding Plan	• Open house on work program and funding plan	• City staff engagement • EFC led conversations • Stipend community partners support	• City staff engagement	• Technical Advisory Committee	• Stage gate readiness review
STEP → FORWARD Governing Body Action + Implementation and Evaluation	• Regular communication • Online civic engagement tool	• City staff engagement • EFC led conversations • Stipend community partners support	• City staff engagement	• Technical Advisory Committee	• Stage gate readiness review

LISTENING, LEARNING, & REPORTING BACK

The feedback received throughout the public engagement process will be tracked by the project team in an Accountability Matrix, which will be used over the course of the project to record decisions and actions taken to address feedback, if any. The community feedback will be used in the reporting and analysis of key project documents as identified throughout the project lifecycle. All engagement activities will also be tracked and at the end of the project, an engagement summary, with insights and lessons learned, will be finalized. The Accountability Matrix will be included in the engagement summary to ensure transparency and accountability of the project team, and to help inform the City's future engagement efforts. Engagement findings will be incorporated into Task 5 efforts to ensure thorough and comprehensive communication of the community's vision and short- and long-term needs.

Deliverables:

- Kickoff meeting materials
- Project management plan
- Project SharePoint site
- Digital User Platform Strategic Roadmap: Launch Phase
- Social Pinpoint Hub or other online civic engagement tool
- Project communications brand, identity, supporting materials, and templates
- Public Engagement Plan, inclusive of CHART and Midtown outreach considerations
- Open house plans and materials, Community Conversation Kits, and other supporting public engagement materials in English and Spanish, per Table 3
- Governance model
- Administrative draft, public review draft and final assessment report completed in two phases
  - **Phase 1** will document the analysis of existing conditions and trends. The draft report will be published on the project website for public comments and recommendations
  - **Phase 2** will incorporate the public engagement findings and the City's short-term and long-term needs and desires

STEP 2: VISION AND GOALS

COMPLETE STREETS OR COMPLETE CORRIDORS?

Which is right for Santa Fe? Is the answer guided by context or feasibility? What can be accomplished in the short, medium, and long term? **These questions make citywide planning fun, exciting, and meaningful.**

With the benefit of a common baseline of understanding, the work begins to develop a vision for Santa Fe and goals to attain in realizing the vision. A vision is a high-level narrative and graphic communication of a future desired state. It should be brief, akin to a brochure. Goals are aspirational statements that guide the development of policies and implementation actions. The vision and goals will also be used to compare and evaluate the scenarios in Step 3. Conciseness is important to ensure that the General Plan is digestible and implementable. General Plans that represent lengthy wish lists are unwieldy to administer and sit on the shelf.

WSP will reference the General Plan Update Initiation Governing Body Resolution, the Assessment Report from Step 1 and the internal project team charrette to identify initial guiding themes to prepare an administrate draft vision and goals. Conceptual placetype groups will also be prepared to support creating an early, structured framework to support developing the vision and goals. A public review draft of the vision and goals will then be deployed pursuant to the Public Engagement Plan. Input from public engagement will then be used to refine and finalize the vision and goals. Planning Commission and Governing Body review will conclude this step as the stage gate prior to beginning Step 3, Scenario Planning.

Deliverables:

- Public communications and engagement materials per Table 3
- Internal project team charrette to develop vision and goals
- Administrative draft, public review draft and final vision statement
- Administrative draft, public review draft and final goals
- Placetype initial groups cross referenced to LDC
- Digital User Platform Strategic Roadmap: Phase 2

STEP 3: SCENARIO PLANNING

SANTA FE SCENARIOS

Different Potential Futures for Everyone Today and Tomorrow That Pull Forward an Indigenous Past

1: **Corridors of Mobility:** key corridors that could receive new housing and economic diversification to also support complete corridors, increasing ridership and competitiveness for funding robust transit

2. **Centers of Opportunity:** with Midtown as an initial guide, identifying additional centers throughout the City and exploring refinements to the historic downtown area

3: **Restoration for Resiliency:** emphasizing existing and degraded or lost natural systems to guide a resiliency framework, deepening the City's connection to nature for a sustainable and resilient future

Could these be the scenarios? Will the preferred plan be one scenario or a mix of all three? The process of technical study and engagement will ultimately guide the appropriate scenarios to create, develop, study, engage and select a preferred future.

Understanding different potential futures and the tradeoffs between those means that each scenario would emphasize different themes while maintaining fidelity to the vision and goals. Each concept is assessed against the project principles to provide a basis for evaluation and comparison.

CHART was and remains a highly important moment in the City's long history. The General Plan Update will be informed by outcomes of CHART. The University of New Mexico Indigenous Design and Planning Institute is a potential academic resource to tap for this project. While the Spanish Laws of

the Indies is well known for influencing the design of Santa Fe, what is less known is the influence of local indigenous populations on Santa Fe before the Spanish period. Understanding and incorporating indigenous cultural influence on urban design represents a tremendous opportunity to uncover repressed history and further Santa Fe as ***the City Different***.

For the internal project team charrette, WSP will identify six thematic scenarios described in brief narrative form to facilitate discussion. As a standalone document, WSP will develop the initial higher order groups of placetypes. The WSP team will then develop three conceptual, thematic scenarios with placetypes applied to illustrate graphically and narratively a description of each scenario. WSP will also quantitatively and qualitatively characterize the scenarios again (vision, goals, and assessment report) along with public input. Modeling is possible as a separate, optional task, which can be developed, should the process suggest a particular modeling exercise be needed.

As transportation and land-use planning become more and more complex, the need for better planning tools grows. Communities, stakeholders and decision-makers are demanding robust analysis these days. System dynamics helps teams organize complex trends and better understand their interrelationships. We see many transportation agencies immediately jump to travel demand modelling (TDM) for the right answers, and unfortunately it rarely works out. TDM is great for understanding car, truck and transit travel patterns based on a fixed set of assumptions, but the quality of those assumptions is key; so, there must first be greater understanding and consensus around the assumptions that become input for the models.

The WSP Scenario Planning Toolbox enables decision-makers to test how different assumptions can impact cities and places around the world. The interactive system dynamics analysis tool, which can be adapted to local and regional conditions, allows multidisciplinary teams to collaborate on the interrelationships of trends for improved understanding, consensus- building and decision-making in the development scenarios.

Deliverables:

- Public communications and engagement materials per Table 3
- Scenario planning internal project team charrette
- Placetype categories within each group identified in Step 2 coordinated with LDC
- Six discussion draft scenario ideas for internal project team charrette
- Three thematic, conceptual level scenarios with one-page briefer for each with characterization and comparative analysis: administrative review, public draft review and final
- Digital User Platform Strategic Roadmap: Phase 3

SMART CITY *VALUE-ADD*

The Smart City Team will aid the overall WSP team in development of Growth Scenarios for future land use and development patterns. Primarily, the WSP Smart City team's effort will be in development of telecommunications connectivity plans and technology integration strategies which accommodate each growth scenario. Benefits of such smart city connectivity strategies and technologies are, for example, easier district management despite the complexity inherent to growth.

The Smart City team will first assess what cutting-edge technologies and telecommunications infrastructure will be necessary to support each scenario. In terms of connectivity technologies, the team will explore shared connectivity means to ensure a reliable and high-speed data transmission infrastructure with clear return on investment or linked to enabling outcomes. This may involve recommending the upgrade of existing connectivity infrastructure to support the increased data loads expected. The team may provide a recommendation for 5G supporting infrastructure as well to enable faster data transfer rates, support emerging technologies, enable mobility, and include IoT.

These forward-looking approaches will ensure that the City's connectivity plans are not only robust for the present but also prepared for the demands of future technology advancements and development growth.

The team will include relevant insights from the Assessment Report on the City's current connectivity infrastructure and capabilities. The assessment will include an in-depth analysis of existing network systems, data communication protocols, and the overall capacity to support the anticipated growth. Our team will assess the readiness of the City for smart city applications, particularly the integration of connected sensors which support reporting and KPI tracking of growth scenarios. Example applications include the deployment of advanced sensors for environmental air quality monitoring, traffic management, waste management, footfall traffic, parking enforcement and other essential urban services. **The aim is to create a robust and interconnected technology landscape that can efficiently collect and transmit data to enhance City services and improve overall quality of life within each growth scenario.**

We recognize that Santa Fe is a prominent tourist attraction with visitors both during summer months hiking and exploring arts as well as during winter ski months. The opportunity data collection and connectivity brings is greater access to information for out-of-town visitors (parking availability, road conditions, public amenity availability) as well as operational insights to the City driving improved experiences (addressing faulty traffic signals, clearing snow from the road).

STEP 4: DEVELOPMENT OF PREFERRED PLAN

SIMPLICITY FOR POWERFUL PRACTICALITY

A focused plan that is readily digestible by many audiences, from the Governing Body to the Planning Commission, to neighborhood leaders and developers, to City staff, will be successful at realizing its vision and achieving its goals.

The General Plan document will intentionally be concise to facilitate ease of understanding and regular reference. The background information that went into informing its development will be placed in separate appendices. The General Plan must be a useful, usable document, not an encyclopedic homework assignment, which is how these important documents are all-too-often prepared.

An initial outline will be developed with the internal project team charrette as the basis for drafting the document; the topics listed in the RFP will be included, although the ordering and language may vary due to the updated process outcomes. Placetypes will also be fully developed, with specific types under each group, which were previously prepared during scenario planning. The placetypes will be closely coordinated with the LDC; it is expected there will be iteration between each. The framework for the natural, built, social, cultural and economic structure of the City to preserve, enhance and grow Santa Fe in a resilient, sustainable and equitable manner will be developed in narrative, map and graphic form in this step.

Deliverables:

- Administrative draft, public review draft and final General Plan document with appendices
- Public communications and engagement materials per Table 3
- General Plan document outlining internal project team charrette
- Complete draft of placetypes categories within each group, coordinated with LDC
- Digital User Platform Strategic Roadmap: Phase 4

SMART CITY *VALUE-ADD*

For the General Plan document, the Smart City team will outline the requirements necessary to transition the current development plan to a smart city model.

From a citizen experience perspective, the team will evaluate how the integration of smart technologies

can enhance daily life to address aspects such as improved public services, increased engagement, safety, and access to information in real-time. Depending on the desires of the City, the team will identify and specify the necessary technology components & systems—e.g., connected sensors, data networks, and IoT Devices—to support the enhanced citizen experience.

The smart city team will strategically apply findings from the Assessment Report to address the identified areas of development in City operations as well. We will identify key insights and pinpoint areas of improvement to define how the City can enhance its information sharing landscape between departments and to its citizens. The team will develop a roadmap in support of these improvements, outlining a step-by-step plan for the phased adoption of related technology solutions.

In essence, the team provides guidance through the General Plan for realizing citizen-centric and operational efficiency through smart technologies by defining the required infrastructure, technology specifications, and commitments necessary to transform the urban model of development.

STEP 5: WORK PROGRAM AND FUNDING PLAN

IF EVERYTHING IS A PRIORITY, THEN NOTHING IS

Being strategic demands setting priorities. The work program must be prioritized so it can be resourced with reasonably foreseeable staff availability, funding, and time. This also enables a programmatic approach to pursuing the generational federal funds available today to support accelerating implementation of the General Plan.

WSP will prepare a prioritized work program and identify potential local, regional, state, and federal funding sources to promote its implementation. The work program will also incorporate an administrative governance policy framework for City staff to use in its daily operations to ensure the General Plan is considered in daily municipal operations and decision-making, being mindful that New Mexico law provides that the General Plan is an advisory plan.

Prioritization is crucial, as the organizational capacity to undertake the work to implement the General Plan is significant. General Plans that have endless pages of action items get ignored. Simplicity, focus, and prioritization are key.

WSP will produce Equitable Project Development and Delivery Guidelines to empower the City to pull the thread of equity into the fruit the General Plan bears. These project-agnostic guidelines can establish a consistent city-wide approach to project equity, regardless of what departments or champions may lead a project effort. We will also produce a Funding Program Equity Criteria Index, scanning the most relevant federal funding programs and compiling their equity criteria, so if the City is interested in sourcing federal funding directly, projects definitions and approach can be proactively aligned for competitive applications.

Deliverables:

- Internal project team charrette to outline the General Plan document
- Public communications and engagement materials per Table 3
- Administrative governance policy and procedure
- Administrative draft, public review draft and final implementation work program
- Equitable project development and delivery guidelines
- Digital User Platform Strategic Roadmap: Phase 5

STEP → FORWARD: GOVERNING BODY ACTION + IMPLEMENTATION AND EVALUATION

THE FINISH LINE AND THE STARTING LINE TOGETHER

All the process, technical work, and engagement, guided by readiness reviews to pass through each stage gate to the next step have led the project to

final hearings for action. Bold yet achievable plans can make it to this milestone with general consensus. But there will still be important fairly debatable decisions for the Governing Body to ultimately make. Once the finish line is crossed, there is no waiting at the starting line to implement the plan and continuously evaluate how it is working--a living document because it was prepared to be used to daily.

WSP will support City staff in preparing for final hearings before the Planning Commission, Governing Body and any other established City advisory body with preparatory meetings and a PowerPoint presentation. WSP will attend the one final hearing each before the Planning Commission and Governing Body. WSP will advise City staff on monitoring and evaluating progress in implementing the updated General Plan after the General Plan Update is adopted to support City staff in building organizational capacity, including supporting staff in standing up a long-range planning division and integrating with the CIP.

Deliverables:

- Public communications and engagement materials per Table 3
- Internal charrette to prepare for final action on General Plan and preparatory implementation steps
- One decision-maker briefing PowerPoint presentation for City staff to use in briefing decision-makers
- One Planning Commission hearing and presentation
- One Governing Body hearing and presentation
- Digital User Platform Strategic Roadmap: Phase 6

STEP ↻ ONGOING: ADMINISTRATIVE COORDINATION + ENGAGEMENT AND COMMUNICATION

Using the project management plan tools developed in Step 1, biweekly team meetings will be held. Additionally, quarterly meetings will be held with the LDC Update team to facilitate information sharing and coordination. Engagement and communication based on the public engagement plan will occur throughout the life of the project.

Deliverables:

- Biweekly team agenda and notes
- Quarterly LDC update team agenda and notes
- Monthly e-newsletter
- Periodic social media posts
- PowerPoint presentations for periodic Planning Commission and Governing body updates conducted by City staff, including Step stage gates
- Monthly progress reports and invoices

4. DESIRABLE SPECIFICATION

OUR PROVEN TRACK RECORD

WSP and its teaming partners, Leland Consulting Group and Design Workshop, have a proven track record of preparing General Plans and similar plans. **Please refer to the Organizational Experience section projects and resumes.** Our team's experience goes beyond, as we understand how to support projects from conception to delivery, demonstrating that our experience will make this General Plan implementable and usable daily.

OUR KNOWLEDGE & PHILOSOPHIES RELATE TO CITY OF SANTA FE'S GOALS

WSP and its teaming partners have substantial experience working for municipal clients across the country. Therefore, we understand how municipal governments are structured, administered and engaged by the public, allowing us to effectively manage a complex project like the General Plan. WSP's project manager served three quarters of his career in the public sector across six states, including leading municipal planning departments responsible for General Plans.

OUR ABILITY TO WORK COLLABORATIVELY

WSP is already working successfully with the City of Santa Fe, from its support for infrastructure projects to serving as the owner's representative for the Public Works Department on the Midtown project. WSP recently supported City staff before the Governing Body on the Midtown project. WSP and its team members regularly collaborate with other firms. WSP's project manager has a relationship with principals in both firms extending back over 25 years.

OUR UNDERSTANDING OF THE CITY OF SANTA FE'S UNIQUE HISTORY & EXPERIENCE WITH SPANISH SPEAKING & MINORITY COMMUNITIES

Please refer to the Understanding and Approach of the Response to Specifications section of the proposal. Additionally, the deputy project manager and public engagement lead has working knowledge of Spanish. We regularly engage with Spanish speaking and minority communities. Our approach to engagement includes Spanish language materials, identifying equity focused communities, anticipation of a stipend for community partners so they may effectively participate and a desire to engage with the University of New Mexico Indigenous Design and Planning Institute.

OUR ALTERNATIVE WORK PLAN THAT SUPPORT CITY OF SANTA FE'S VISION, GOALS, & OBJECTIVES

WSP has proposed an alternate work plan based on our experience in conducting General Plan Updates and similar planning documents. The result allows for better integration with the LDC Update, a faster completion from a stepwise, consensus-building approach. Additionally, WSP has proposed a value-add focus on Smart Cities, to support the City of Santa Fe in modernizing and diversifying its economic base. We have also proposed to support local and regional governance for better decision-making and collaboration across these scales.

H. OTHER SUPPORTING MATERIAL

Please see the following pages for our signed Non-Collusion Affidavit and Conflict of Interest forms.

NON-COLLUSION AFFIDAVIT

Complete, Sign and Return with your proposal.

I hereby affirm that: I am the Senior Vice President (insert title) and the duly authorized representative of WSP USA Inc. (insert organization's name) whose address is 2440 Louisiana Blvd NE, Suite 400, Albuquerque, NM 87110. And, that I possess the legal authority to make this affidavit on behalf of myself and the firm for which I am acting.

I affirm:

1. I am fully informed respecting the preparation and contents of the attached proposal and of all pertinent circumstances respecting such proposal.

2. Such proposal is genuine and is not a collusive or sham proposal.

3. Neither the said Offeror nor any of its officers, partners, owners, agents, representatives, employees or parties in interest, including this affiant, has in any way colluded, conspired, connived or agreed, directly or indirectly with any Offeror, firm or person to submit a collusive or sham proposal in connection with the Contract for which the attached proposal has been submitted or to refrain from offering a proposal in connection with the Contract, or has in any manner, directly or indirectly, sought by agreement or collusion or communication or conference with any other Offeror, firm or person to fix the price or prices in the attached proposal or of any other Offeror, or to fix any overhead, profit or cost element of the proposal or the offer price of any other Offeror, or to secure through any collusion, conspiracy, connivance or unlawful agreement any advantage against the Mayor and Council of City of Santa Fe, New Mexico or any person interested in the proposed Contract; and

4. The price or prices quoted in the attached proposal are fair and proper and are not tainted by any collusion, conspiracy, connivance or unlawful agreement on the part of the Offeror or any of its agents, representatives, owners, employees, or parties in interest, including this affiant. I do solemnly declare and affirm under the penalties of perjury that the contents of this affidavit are true and correct.

CONFLICT OF INTEREST STATEMENT FOR CONSULTING FIRMS

Complete, sign and return with your proposal.

The City of Santa Fe policy is to prevent personal or organizational conflict of interest, or the appearance of such conflict of interest, in the award and administration of City contracts and Purchase Orders.

The Offeror shall comply with all applicable provisions of the Governmental Conduct Act, Chapter 10, Article 16 NMSA 1978 and include a full disclosure of all potential organization conflicts of interest in the Proposal.

In addition to the Principal Planning Consultant each key personnel shall also complete the Conflict of Interest Form below certifying that the entity has read and understands the City's policy regarding conflict of interest and the CFR. Each key personnel must also certify that there is no conflict of interest with the Project. If there is a conflict with the Project, then the Planning Consultant and known key personnel needs to describe the conflict.

The Planning Consultant agrees that, if after award, an organizational conflict of interest is discovered, the Planning Consultant makes an immediate and full written disclosure to the City that includes a description of the action that the Planning Consultant has taken or proposes to take to avoid or mitigate such conflicts. If an organizational conflict of interest is determined to exist, the City may, at its discretion, cancel the contract for the Project. If the Planning Consultant was aware of an organizational conflict of interest prior to the award of the contract and did not disclose the conflict to the City, the City may terminate the contract for default.

The City may disqualify an Offeror if any of its key personnel belong to more than one Submitter organization/firm.

I, Manjeet Ranu certify that I/We have no personal or financial interests and no present employment or activity which would be incompatible with this firm's participation in any activity related to the RFP or execution of the awarded General Plan Update. For the duration of this firm's involvement in the General Plan Update contract, this firm agrees not to accept any gift, benefit, gratuity or consideration, or begin a personal or financial interest in a party who is bidding and/or proposing or associated with a bidder and/or Offeror on the General Plan Update contract.

I certify that this firm will keep all General Plan Update contract information confidential and secure. This organization will not copy, give, or otherwise disclose such information to any other person unless the City of Santa Fe has on file a confidentiality agreement signed

by the other person, and the disclosure is authorized and necessary to the General Plan Update contract. I understand that if this firm leaves this General Plan Update contract before it ends, this firm must keep all contract information confidential. I agree to follow any instructions provided by the City relating to the confidentiality of the General Plan Update contract information. I fully understand that any unauthorized disclosure made by this firm may be a basis for civil or criminal penalties. I agree to advise the City's Procurement Officer, at 505-955-6432 immediately in the event that I or another person within this organization either learn or have reason to believe that any person who has access to the General Plan Update contract confidential information has or intends to disclose that information in violation of this agreement.

This statement must be fully completed and signed by an authorized representative.

Subject: Extension of Animal Shelter Contract/ Professional Services Agreement

Vendor Name: Santa Fe Animal Shelter and Humane Society

Munis Vendor Number: 1521

ITEM AND ISSUE:

The Police Department respectfully requests your review and approval of Amendment #2 to Contract #3250332 with Santa Fe Animal Shelter for animal boarding and care services. Amendment #2 increases the amount of compensation by $152,289 not to exceed, for a total contract amount of $430,289.

CONTRACT NUMBER:

The FY25 Munis contract number is 3250332.

BACKGROUND AND SUMMARY:

The original contract, City Clerk's #25-0011, was executed on January 14, 2025, as an emergency agreement. During the contract term, a Request for Proposals (RFP) was issued and remains under evaluation. Amendment #1, executed on August 8, 2025, increased the contract compensation by $150,000 and extended the term by six months, establishing a new expiration date of February 5, 2026. At this time, negotiations between the City of Santa Fe and the Animal Shelter are still ongoing, and a final agreement has not yet been reached.

AMENDMENT No. 2 TO
Contract # 3250332

Santa Fe Animal Shelter Services Contract

This AMENDMENT No. 2 (the "Amendment") amends the CITY OF SANTA FE CONTRACT, dated January 21, 2025 (the "Contract"), between the City of Santa Fe (the "City") and Santa Fe Animal Shelter and Humane Society, Inc. (the "Contractor"). The date of this Amendment shall be the date when it is executed by the City and the Contractor whichever occurs last.

RECITALS:

A. Under the terms of the Contract, Contractor has agreed to provide the City professional services, in accordance with the terms and conditions hereinafter set out, and the Contractor understanding and consenting to the foregoing is willing to render such professional services as outlined in the Contract.

B. Pursuant to Article 14 of the Contract, and for good and valuable consideration, the receipt and sufficiency of which are acknowledged by the parties, the City and the Contractor agree as follows:

1. COMPENSATION.

Article 3, paragraph A of the Contract is amended to increase the amount of compensation by a total of $152,289 so that Article 3, paragraph A reads in its entirety as follows:

> A. The City shall pay to the Contractor in full payment for services satisfactorily performed based on the per hour/per treatment costs listed in Attachment A. Such compensation shall not exceed four hundred thirty thousand two hundred eighty-nine dollars ($430,289), including gross receipts tax paid at the rate of 8.1875%. **The total amount payable to the Contractor under this Contract, including gross receipts, tax and expenses, shall not exceed ($430,289).**

2. CONTRACT IN FULL FORCE.

Except as specifically provided in this Amendment, the Contract remains and shall remain in full force and effect, in accordance with its terms.

IN WITNESS WHEREOF, the parties have executed this Amendment No. 2 to the Contract as of the dates set forth below.

City of Santa Fe
Emergency Determination Form

The emergency procurement method may only be used as described in NMSA 1978, Section 13-1-127 and in the City's Procurement Manual XII.

The Department that makes an emergency procurement to plan or prepare for the response to a serious threat to public health, welfare, safety or property caused by a flood, fire, epidemic, riot, act of terrorism, equipment failure or similar event shall account for the money spent in making the procurement and report on that accounting to the City's Finance Department Director within ninety days after the end of the contract or fiscal year in which the procurement was made, whichever comes first.

IV. **Amount of prospective contract: <u>Two hundred thousand dollars ($200,000.00)</u>**

V. **Location of Services: <u>Throughout the City of Santa Fe</u>**

VI. **Please thoroughly list the services (scope of work), construction or items of tangible personal property of the contract:**

Scope of Work for Animal Services Contract

The contracted provider will perform the following services to support the City of Santa Fe in meeting its urgent animal welfare, public health, and compliance needs. The contractor must ensure adherence to all applicable city ordinances, particularly SFCC 1987 Chapter V, Animal Control Ordinances, and provide consistent, humane, and timely care for animals under the city's jurisdiction. **The contractor shall comply with all provisions of law and regulations as set forth in Chapter V of SFCC 1987, pursuant to Section 5-11.1.B of the Animal Control Ordinance.**

1. Shelter Operations and Animal Care

- **Facility Management**: Operate a safe, sanitary, and fully staffed animal shelter as a housing facility to care for and shelter stray, abandoned, or seized animals.
- **Intake and Animal Control**: Accept animals brought by the City's Animal Services Officers, including stray, injured, or surrendered animals. Provide adequate housing, food, and care.
- **Quarantine and Rabies Control**: Confine and manage animals involved in bite incidents or suspected rabies cases. Report and deliver deceased animals as required for rabies testing.
- **Feral Cat Management**: Assess feral cats and, if healthy, provide sterilization before releasing them back to their original location or finding suitable alternative placements.
- **Holding Period Compliance**: Retain animals during the legally mandated holding period, transferring ownership to the shelter upon the hold's expiration unless other arrangements are specified by law.

2. Veterinary Care

- **Routine and Emergency Medical Services**: Provide veterinary evaluations, vaccinations, routine treatments, and emergency medical care as necessary to ensure animal welfare.

- **Veterinary Oversight**: Ensure that all medical care decisions, including euthanasia, are made by a licensed veterinarian. Euthanize animals only when medically necessary and notify the City of such actions.

3. Licensing and Public Health Compliance

- **Licensing**: Oversee pet licensing processes in alignment with city regulations. Collect and retain licensing fees, maintaining records and providing the City with access as needed.
- **Public Health Reporting**: Coordinate with health authorities, including the New Mexico Department of Public Health, on communicable diseases or incidents affecting public safety.

4. Storage and Disposal of Remains

- **Storage of Deceased Animals**: Maintain appropriate facilities (e.g., freezers) for storing the remains of deceased animals received from Animal Services Officers.
- **Cremation Services**: Provide timely and humane disposal of animal remains through cremation, ensuring environmental and public health compliance.

5. Administrative and Reporting Responsibilities

- **Detailed Documentation and Reporting**: Maintain records for each animal, including intake, care, medical treatment, and final disposition. Submit monthly status reports to the City, summarizing shelter activities and public health-related incidents.
- **Collaboration with City Representatives**: Work with city representatives to manage intake processes when city staff are unavailable and handle the release of impounded animals to owners outside regular operating hours.

VII. **Provide an explanation for the justification of the procurement including a description of the emergency condition(s) requiring use of emergency procurement and the practicable competition utilized in compliance with NMSA 1978, Section 13-1-127.**

The emergency procurement for animal services in Santa Fe is justified due to the immediate need for continued animal shelter operations, veterinary care, and compliance with public health regulations. The city's ability to care for stray, injured, and abandoned animals is essential for public safety and animal welfare. Without an established vendor, Santa Fe faces risks, including:

1. Public Health Risks: Managing rabid or diseased animals is critical to prevent the spread of diseases like rabies. The inability to quarantine, vaccinate, or euthanize animals as necessary could pose a health risk to the community.

2. Legal and Regulatory Compliance: The city is mandated to uphold Chapter V of the Santa Fe City Code, which outlines strict requirements for shelter operations, animal handling, and licensing. Failure to comply could lead to legal repercussions and public safety risks.

3. Immediate Animal Welfare Concerns: Without shelter and veterinary care, the city cannot meet basic animal welfare needs. This would likely lead to overcrowding in temporary holding facilities, inability to provide adequate care, and compromised humane treatment for animals.

4. Practicable Competition: In compliance with NMSA 1978, Section 13-1-127, an expedited yet

practicable competitive process was utilized. Potential service providers within a reasonable distance of Santa Fe were considered, ensuring that the selected vendor meets city requirements and can initiate services without delay.

This emergency procurement process enables the city to fulfill essential animal services swiftly and within compliance, ensuring safety, welfare, and public health for the residents of Santa Fe.

VIII. **Please describe what measures are being taken to minimize the duration and effect of this emergency procurement (for example: is the emergency only in place until a competitive process can be completed, etc.).**

Measures to Minimize Duration and Impact of Emergency Procurement

This emergency procurement is structured as a temporary solution to address the city's immediate need for animal services. To ensure it is in place only as long as necessary, the following measures are being taken:

1. Transition Plan to Competitive Procurement: The emergency contract will remain active only until a standard competitive procurement process can be completed. The city is actively in the process of a formal Request for Proposals (RFP) to secure long-term service providers through a competitive, transparent process.

2. Short-Term Contract with Defined Limits: The emergency procurement has clear limits in scope and duration to minimize dependency. The city has restricted services to the most critical functions, such as shelter operations, veterinary care, and public health compliance, essential for public safety and animal welfare.

3. Monitoring and Evaluation: The city will monitor the contractor's performance under the emergency contract, using this data to refine service requirements and improve the competitive bidding process. Monthly status reports from the contractor will ensure oversight and facilitate a smoother transition to long-term providers.

These measures are intended to minimize both the impact and duration of the emergency contract, ensuring that the city's animal services can return to a competitively bid, stable solution as soon as possible.

IX. **Describe what measures the Department will take in the future to prevent/mitigate use of emergency procurement under similar circumstances.**

To prevent or mitigate the need for emergency procurements in similar situations, the Department will take the following proactive steps:

1. Immediate RFP Process: The Department is currently in the process of a Request for Proposals (RFP) to secure long-term, competitively bid contracts for essential animal services. This proactive approach will reduce reliance on short-term emergency measures.

2. Advanced Contract Planning: In the future, the Department will implement advanced planning for contract renewals and potential vendor changes. This will include monitoring contract timelines and setting internal reminders to initiate competitive bidding well before contract expiration dates.

3. Contingency Partnerships: The Department will work to establish contingency agreements with additional animal service providers to ensure a rapid response in the event of vendor loss or service disruption. By having alternative providers identified, the Department can reduce delays and maintain service continuity.

4. Regular Market Assessments: Conducting periodic market assessments will help identify qualified vendors within the region, ensuring that the city has a pool of providers ready to respond to an RFP, if needed. This process will also aid in securing providers who meet the city's specific needs, reducing the likelihood of service disruptions.

By taking these steps, the Department aims to enhance preparedness and reduce reliance on emergency procurement, securing uninterrupted, compliant, and humane animal services for the City of Santa Fe.

AMENDMENT No. 1 TO
Contract # 3250332

Santa Fe Animal Shelter Services Contract

This AMENDMENT No. 1 (the "Amendment") amends the CITY OF SANTA FE CONTRACT, dated January 14, 2025 (the "Contract"), between the City of Santa Fe (the "City") and Santa Fe Animal Shelter and Humane Society, Inc. (the "Contractor"). The date of this Amendment shall be the date when it is executed by the City and the Contractor whichever occurs last.

RECITALS:

A. Under the terms of the Contract, Contractor has agreed to provide the City professional services, in accordance with the terms and conditions hereinafter set out, and the Contractor understanding and consenting to the foregoing is willing to render such professional services as outlined in the Contract.

B. Pursuant to Article 14 of the Contract, and for good and valuable consideration, the receipt and sufficiency of which are acknowledged by the parties, the City and the Contractor agree as follows:

1. COMPENSATION.

Article 3, paragraph A of the Contract is amended to increase the amount of compensation by a total of $150,000 so that Article 3, paragraph A reads in its entirety as follows:

> A. The City shall pay to the Contractor in full payment for services satisfactorily performed based on the per hour/per treatment costs listed in Attachment A. Such compensation shall not exceed two hundred seventy-eight thousand dollars ($278,000), including gross receipts tax ("NMGRT"). NMGRT will be paid at the rate of 8.1875%. **The total amount payable to the Contractor under this Contract, including gross receipts, tax and expenses, shall not exceed ($278,000).**

2. TERM:

Article 4 of the Contract is hereby deleted in its entirety and substitute the following Article 4 in its place:

THIS CONTRACT SHALL NOT BECOME EFFECTIVE UNTIL APPROVED BY THE CITY. This Contract shall terminate 6 months from the date of signature unless terminated pursuant to paragraph 5 (Termination) and paragraph 6 (Appropriations).

3. CONTRACT IN FULL FORCE.

Except as specifically provided in this Amendment, the Contract remains and shall remain in full force and effect, in accordance with its terms.

IN WITNESS WHEREOF, the parties have executed this Amendment No. 1 to the Contract as of the dates set forth below.

Vendor Name: **Santa Fe Animal Shelter and Humane Society**

Vendor Number: **1521**

ITEM AND ISSUE:
Request for Approval of the Emergency Professional Services Agreement between the Santa Fe Animal Shelter and Humane Society, Inc. and City of Santa Fe, for a six month agreement not to exceed a total of $128,000.00. (Ben Valdez, Deputy Chief of Police, bpvaldez@santafenm.gov)

Action Requested: Approval of a Professional Services Agreement for $128,000.

BACKGROUND AND SUMMARY:
The City of Santa Fe does not maintain their own animal shelter facility and has historically utilized the Santa Fe Animal Shelter and Humane Society to a facility for the humane housing of domestic animals, including veterinarian care for strays, and disposal services by way of cremation. Once animals complete the mandatory stray hold period, the Santa Fe Animal Shelter and Humane Society takes responsibility of the animals and facilitates adoptions.

The Emergency Professional Services Agreement for animal services in Santa Fe is justified due to the immediate need for continued animal shelter operations, veterinary care, and compliance with public health regulations. The city's ability to care for stray, injured, and abandoned animals is essential for public safety and animal welfare. Without an established vendor, Santa Fe faces numerous risks.

While this Emergency Agreement is in place, staff is concurrently completing the Request for Proposals (RFP) process to achieve a long term, multi-year agreement to for the operation of an animal shelter facility through a contractor. Having this agreement allows shelter operations to continue until the RFP process is complete.

CITY OF SANTA FE

PROFESSIONAL SERVICES CONTRACT

THIS CONTRACT is made and entered into by and between the City of Santa Fe, New Mexico, hereinafter referred to as the "City," and **Santa Fe Animal Shelter and Humane Society, Inc.**, hereinafter referred to as the "Contractor," and is effective as of the date set forth below upon which it is executed by the Parties.

RECITALS

WHEREAS, the Chief Procurement Officer of the City has made the determination that this Contract is in accordance with the provisions of the New Mexico Procurement Code (NMSA 1978, 13-1-28 et seq.) pursuant to NMSA 1978, Sections 13-1-127 and 13-1-128, and;

WHEREAS, the Contractor is one of such requisite and qualifications and is willing to engage with the City for professional services, in accordance with the terms and conditions hereinafter set out, and the Contractor understanding and consenting to the foregoing is willing to render such professional services as outlined in the Contract; and

The City and the Contractor hereby agree as follows:

1. Scope of Work

A. The City Shall:

1) Contact owners of animals collected by the City, as required by Section 5-7.1 SFCC 1987.
2) Mark all City Animal Services vehicles with a "City of Santa Fe" designation so as to identify and differentiate them from Contractor's vehicles. Only utilize personal protective equipment and supplies provided by the City of Santa Fe.
3) Complete in writing, information on the impound cards including the time and exact location at which the animal was impounded. At time of intake, it will be noted if the animal has been cited or will be issued an active citation such as "dangerous dog" or "vicious dog."
4) Regarding animal bite cases, supply upon intake, complete and sign a Bite Case Quarantine form, along with the regular impound card. If the owner of the animal is known and present at the time of impound, the form will be completed and signed by the owner. If the owner is known and is not present at the time of impound, the City will complete the form with the information, but without the signature.
5) The City assumes responsibility for expenses for any animal brought in by the City that requires services outside of the Contractor's regular business hours, scope of capability, or level of overnight care. Cases brought in after 4:30 PM may require transport and overnight care at a veterinary emergency facility, upon discretion of the Animal Services Officer with the City being responsible for expenses incurred. The City accepts the Contractor's business hours may be changed at the Contractor's discretion. Contractor will inform the City in writing at least ten (I 0) days before any such changes are implemented. In the event of delayed opening or early closing due to inclement weather, a manmade or natural disaster the Contractor shall

immediately inform the Animal Services Supervisor of the delayed opening or early closure.

6) During regular operating hours when summoned by the Contractor through the Santa Fe Police Dispatch Center, Animal Services Officers shall report to the Contractor's Facility to complete an impound or release of animals.
7) Deliver to the Contractor the remains of deceased animals for cremation disposal by the Contractor and pay the rate established cremation rate in l.B.15. The Animal Services Officer shall completely and legibly record each deceased animal on the City Carcass Log when placing an animal in the freezer.
8) The City reserves the right to utilize other vendors for veterinary care as needed.
9) The City reserves the right to utilize its own internal services when deemed appropriate.

B. The Contractor shall provide the following services for the City as requested by the city:

1) Comply with all provisions of law and regulations as set forth in Chapter "V" of SFCC 1987, pursuant to Section 5-11.1.B of the Animal Control Ordinance.
2) Operate and maintain an animal shelter as an animal housing facility for the benefit of the citizens of the City. Carry out all duties relating to rabid and biting animals, including, in the case of live animals, confining the animal and determining the immunization status, and in the case of dead animals, preparing and delivering such an animal to the New Mexico Department of Public Health or other approved facility in order that the department may arrange for laboratory determination of whether or not such animal is infected with rabies. All bite cases shall be reported to the City and the animal confined under supervision of the City.
3) Accept an average of ***one hundred ten*** (***110***) stray dogs, cats and other approved domestic small animals per month that are brought to the animal shelter by the City's Animal Services, provided these animals do not exhibit any symptoms of rabies or other dangerous disease. If the number of stray animals exceeds ***one hundred ten*** (***110)*** in a given month, the City will be billed separately at the Contractor's daily impound rate currently forty dollars ($40.00) per day, per animal.
4) All healthy feral cats (as determined by the Contractor) will be sterilized and returned to the location where they were found, delivered to another managed cat colony or considered for adoption.
5) Animals other than dogs and cats may be accepted by the animal shelter at the Contractor's exclusive discretion. Before other animals are accepted by the Contractor, the City must obtain explicit approval from the Contractor in each case. If the Contractor declines to accept these animals, the City will find housing for these animals other than the Contractor.
6) Hold all animals brought to the animal shelter by the City, which remain unclaimed, in accordance with the provisions as set forth in Section 5-7.1 SFCC 1987, unless for humane reasons, the Contractor's veterinarian determines that euthanasia is appropriate prior to that time. ***The date of impound counts as day one for City Impounded animals when calculating hold periods. After the expiration of the legal holding time, all animals become the property of the Contractor.***

7) Holds on animals beyond the legal stray holding time, including but not limited to animals held in the course of investigations, will be billed separately at the Contractor's daily impound rate, currently forty dollars ($40.00) per day, per animal. The Contractor reserves the right to refuse extended stays for animals whose quality of life is compromised or who cannot humanely be cared for in the Contractor's facility as determined by the Contractor.
8) The City may assign the Contractor to be responsible for licensing animals in the City of Santa Fe pursuant to Section 5-5.6 SFCC 1987 until the City makes the determination to assume sole responsibility for licensing animals in the City. Until such determination, the Contractor is responsible for licensing and the Contractor will incur all costs deemed necessary by the Contractor for such licensing and the City will allow Contractor to collect and retain all licensing fees and revenue. In addition, the Contractor shall provide all data related to licensing and fees to the City. Notice to the Contractor to be responsible for licensing or to provide notice to that the City will be solely responsible for licensing will be provided in writing. The City of Santa Fe retains the express right to determine the licensing fee.
9) Provide monthly status reports, as well as individual animal records to the City.
10) Collect and retain all animal boarding fees and costs.
11) Contractor will not be required to board beyond the stray hold period animals for impoundment from an Animal Services Officer, which the Animal Service Officer indicates are to be held as evidence in a pending legal proceeding such as a hoarding case or other criminal case. Contractor may accept such animals beyond the stray holding period on a case-by-case basis based on boarding availability.
12) When a representative of the City is not available during regular operating hours, the Contractor will complete the detailed intake documentation and accept a stray domestic animal found within the Santa Fe City limits by a person who is not the owner of the animal. Upon acceptance of the stray, the Contractor shall immediately contact the Santa Fe Police Dispatch Center and request the Animal Services Officer report to the Contractor's facility to complete the impound card and complete the impound process for the stray. The Contractor's acceptance and shelter of the stray will be confirmed by the Animal Services Officer and the stray will be counted toward the animals the Contractor is compensated for monthly in this contract.
13) If an owner of an impounded animal being held at the Contractor's facility under this contract wishes to retrieve their pet when a representative of the City is unavailable during regular operating hours, the Contractor shall immediately contact the Santa Fe Police Dispatch Center and request the Animal Services Officer report to the facility to complete the release of the animal.
14) Provide medical care under the direction and authority of the Contractor's licensed veterinarian. Decisions regarding all medical care, including the treatment of animals, rest with the Contractor's licensed veterinarian. Animals will not be euthanized within the animal holding period unless medically necessary. Decisions regarding medically necessary euthanasia of suffering animals impounded by the Animal Services Officer and being held at the Contractor's facility rest with the Contractor's licensed veterinarian. The Contractor shall notify the Animal Services Supervisor no later than the next business day of euthanasia or sedation of any animal administered prior to the completion of the hold period.
15) Be responsible for the storage and disposal by cremation of remains received from an Animal Services Officer (ASO) that are deceased upon arrival to the contractor's facility as per Article

1, paragraph A7. The agreed upon rate for disposal of remains by way of cremation is a flat rate of $100 per animal The Contractor shall provide and maintain a freezer on the premises for the appropriate storage of remains of deceased animals during the Stray Hold and remains identification period.

2. Standard of Performance; Licenses

A. The Contractor does hereby accept its designation as a professional service, rendering services related to Animal Services for the City, as set forth in this Contract. The Contractor represents that Contractor possesses the personnel, experience, and knowledge necessary to perform the services described under this Contract.

B. The Contractor agrees to obtain and maintain throughout the term of this Contract, all applicable professional and business licenses required by law, for itself, its employees, agents, representatives, and subcontractors.

3. Compensation

A. The City shall pay to the Contractor in full payment for services satisfactorily performed based on the per hour/per treatment costs listed in Attachment A. such compensation shall not exceed one hundred twenty eight thousand dollars ($128,000), including gross receipts tax. **The total amount payable to the Contractor under this Contract, including gross receipts tax and expenses, shall not exceed ($128,000.00).**

B. Payment. The total compensation under this Contract shall not exceed $128,000.00 including New Mexico gross receipts tax. **PLEASE NOTE NO PROPERTY TAX WILL BE PAID TO THE CONTRACTOR BY THE City. This amount is a maximum and not a guarantee that the work assigned to be performed by Contractor under this Contract shall equal the amount stated herein. The Parties do not intend for the Contractor to continue to provide Services without compensation when the total compensation amount is reached. Contractor is responsible for notifying the City when the Services provided under this Contract reach the total compensation amount. In no event will the Contractor be paid for Services provided in excess of the total compensation amount without this Contract being amended in writing prior to services, in excess of the total compensation amount being provided.**

C. Payment shall be made upon Acceptance of each Deliverable and upon the receipt and Acceptance of a detailed, certified Payment Invoice. Payment will be made to the Contractor's designated mailing address. In accordance with Section 13-1-158 NMSA 1978, payment shall be tendered to the Contractor within thirty (30) days of the date of written certification of Acceptance. All Payment Invoices MUST BE received by the City no later than fifteen (15) days after the termination of this Contract. Payment Invoices received after such date WILL NOT BE PAID.

D. **Notice of Extended Payment Provision For Grant Funded Contracts**. This contract allows the owner to make payment within 45 days after submission of an undisputed request for payment.

4. Term

THIS CONTRACT SHALL NOT BECOME EFFECTIVE UNTIL APPROVED BY THE CITY. This Contract shall terminate 6 months from date of signature unless terminated pursuant to paragraph 5 (Termination) and paragraph 6 (Appropriations).

5. Termination

A. Grounds. The City may terminate this Contract for convenience or cause. For contracts within their authority, the City Manager or their designee is authorized to provide the notice of termination, otherwise such notice of termination shall be provided by the Mayor or their designee as authorized by the Governing Body. The Contractor may only terminate this Contract based upon the City's uncured, material breach of this Contract.

B. Notice; City Opportunity to Cure.

1) The City shall give Contractor written notice of termination at least thirty (30) days prior to the intended date of termination.

2) Contractor shall give City written notice of termination at least thirty (30) days prior to the intended date of termination, which notice shall (i) identify all the City's material breaches of this Contract upon which the termination is based and (ii) state what the City must do to cure such material breaches. Contractor's notice of termination shall only be effective (i) if the City does not cure all material breaches within the thirty (30) day notice period or (ii) in the case of material breaches that cannot be cured within thirty (30) days, the City does not, within the thirty (30) day notice period, notify the Contractor of its intent to cure and begin with due diligence to cure the material breach.

3) Notwithstanding the foregoing, this Contract may be terminated immediately upon written notice to the Contractor (i) if the Contractor becomes unable to perform the services contracted for, as determined by the City; (ii) if, during the term of this Contract, the Contractor is suspended or debarred by the City; or (iii) the Contract is terminated pursuant to Paragraph 6, "Appropriations", of this Contract.

C. Liability. Except as otherwise expressly allowed or provided under this Contract, the City's sole liability upon termination shall be to pay for acceptable work performed prior to the Contractor's receipt or issuance of a notice of termination; provided, however, that a notice of termination shall not nullify or otherwise affect either party's liability for pre-termination defaults under or breaches of this Contract. The Contractor shall submit an invoice for such work within thirty (30) days of receiving or sending the notice of termination. *THIS PROVISION IS NOT EXCLUSIVE AND DOES NOT WAIVE THE CITY'S OTHER LEGAL RIGHTS AND REMEDIES CAUSED BY THE CONTRACTOR'S DEFAULT/BREACH OF THIS CONTRACT.*

6. Appropriations

The terms of this Contract are contingent upon sufficient appropriations and authorization being made by the Governing Body for the performance of this Contract. If sufficient appropriations and authorization are not made by the Governing Body, this Contract shall terminate immediately upon written notice being given by the City to the Contractor. The City's decision as to whether sufficient appropriations are available shall be accepted by the Contractor and shall be final. If the City proposes an amendment to the Contract to unilaterally reduce funding, the Contractor shall have the option to terminate the Contract or to agree to the reduced funding, within thirty (30) days of receipt of the proposed amendment.

7. Status of Contractor

The Contractor and its agents and employees are independent contractors performing professional services for the City and are not employees of the City. The Contractor and its agents and employees shall not accrue leave, retirement, insurance, bonding, use of City vehicles, or any other benefits afforded to employees of the

City as a result of this Contract. The Contractor acknowledges that all sums received hereunder are reportable by the Contractor for tax purposes, including without limitation, self-employment and business income tax. The Contractor agrees not to purport to bind the City unless the Contractor has express written authority to do so, and then only within the strict limits of that authority.

8. Assignment

The Contractor shall not assign or transfer any interest in this Contract or assign any claims for money due or to become due under this Contract without the prior written approval of the City.

9. Subcontracting

The Contractor shall not subcontract any portion of the services to be performed under this Contract without the prior written approval of the City. No such subcontract shall relieve the primary Contractor from its obligations and liabilities under this Contract, nor shall any subcontract obligate direct payment from the City.

10. Release

Final payment of the amounts due under this Contract shall operate as a release of the City, its officers and employees from all liabilities, claims and obligations whatsoever arising from or under this Contract.

11. Confidentiality

Any confidential information provided to or developed by the Contractor in the performance of this Contract shall be kept confidential and shall not be made available to any individual or organization by the Contractor without the prior written approval of the City.

12. Product of Service -- Copyright

All materials developed or acquired by the Contractor under this Contract shall become the property of the City and shall be delivered to the City no later than the termination date of this Contract. Nothing developed or produced, in whole or in part, by the Contractor under this Contract shall be the subject of an application for copyright or other claim of ownership by or on behalf of the Contractor.

13. Conflict of Interest; Governmental Conduct Act

A. The Contractor represents and warrants that it presently has no interest and, during the term of this Contract, shall not acquire any interest, direct or indirect, which would conflict in any manner or degree with the performance or services required under the Contract.

B. The Contractor further represents and warrants that it has complied with, and, during the term of this Contract, will continue to comply with, and that this Contract complies with all applicable provisions of the Governmental Conduct Act, Chapter 10, Article 16 NMSA 1978.

C. Contractor's representations and warranties in Paragraphs A and B of this Article are material representations of fact upon which the City relied when this Contract was entered into by the parties. Contractor shall provide immediate written notice to the City if, at any time during the term of this Contract, Contractor learns that Contractor's representations and warranties in Paragraphs A and B of this Article were erroneous on the effective date of this Contract or have become erroneous by reason of new or changed circumstances. If it is later determined that Contractor's representations and warranties in Paragraphs A and B of this Article were erroneous on the effective date of this Contract or have become erroneous by reason of new or changed circumstances, in addition to other remedies available to the City

and notwithstanding anything in the Contract to the contrary, the City may immediately terminate the Contract.

D. All terms defined in the Governmental Conduct Act have the same meaning in this section.

14. Amendment

A. This Contract shall not be altered, changed, or amended except by instrument in writing executed by the parties hereto and all other required signatories.

B. If the City proposes an amendment to the Contract to unilaterally reduce funding due to budget or other considerations, the Contractor shall, within thirty (30) days of receipt of the proposed Amendment, have the option to terminate the Contract, pursuant to the termination provisions as set forth in Article 4 herein, or to agree to the reduced funding.

15. Entire Agreement.

This Contract, together with any other documents incorporated herein by reference and all related Exhibits and Schedules constitutes the sole and entire contract of the Parties with respect to the subject matter of this Contract, and supersedes all prior and contemporaneous understandings, agreements, representations, and warranties, both written and oral, with respect to the subject matter. In the event of any inconsistency between the statements in the body of this Contract, and the related Exhibits and Schedules, the statements in the body of this Contract shall control.

16. Merger

This Contract incorporates all the Agreements, covenants and understandings between the parties hereto concerning the subject matter hereof, and all such covenants, agreements, and understandings have been merged into this written contract.

This contract is a result of emergency procurement 50-M0087-24-.

No prior Agreement or understanding, oral or otherwise, of the parties or their agents shall be valid or enforceable unless embodied in this Contract.

17. Penalties for violation of law

NMSA 1978, sections 13-1-28 through 13-1-199, imposes civil and criminal penalties for its violation. In addition, the New Mexico criminal statutes impose felony penalties for illegal bribes, gratuities, and kickbacks.

18. Equal Opportunity Compliance

The Contractor agrees to abide by all federal and state laws and rules and regulations, and Santa Fe City Code, pertaining to equal employment opportunity. In accordance with all such laws of the State of New Mexico, the Contractor assures that no person in the United States shall, on the grounds of race, religion, color, national origin, ancestry, sex, age, physical or mental handicap, or serious medical condition, spousal affiliation, sexual orientation or gender identity, be excluded from employment with or participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity performed under this Contract. If Contractor is found not to be in compliance with these requirements during the life of this Contract, Contractor agrees to take appropriate steps to correct these deficiencies.

19. Applicable Law

The laws of the State of New Mexico shall govern this Contract, without giving effect to its choice of law provisions. Venue shall be proper only in a New Mexico court of competent jurisdiction in accordance with

NMSA 1978, section 38-3-2. By execution of this Contract, Contractor acknowledges and agrees to the jurisdiction of the courts of the State of New Mexico over any and all lawsuits arising under or out of any term of this Contract.

20. Workers Compensation

The Contractor agrees to comply with state laws and rules applicable to workers compensation benefits for its employees. If the Contractor fails to comply with the Workers Compensation Act and applicable rules when required to do so, this Contract may be terminated by the City.

21. Professional Liability Insurance

Contractor shall maintain professional liability insurance throughout the term of this Contract providing a minimum coverage in the amount required under the New Mexico Tort Claims Act. The Contractor shall furnish the City with proof of insurance of Contractor's compliance with the provisions of this section as a condition prior to performing services under this Contract.

22. Other Insurance

If the services contemplated under this Contract will be performed on or in City facilities or property, Contractor shall maintain in force during the entire term of this Contract, the following insurance coverage(s), naming the City as additional insured.

A. **Commercial General Liability** insurance shall be written on an occurrence basis and be a broad as ISO Form CG 00 01 with limits not less than $2,000,000 per occurrence and $2,000,000 in the aggregate for claims against bodily injury, personal and advertising injury, and property damage. Said policy shall include broad form Contractual Liability coverage and be endorsed to name the City of Santa Fe their officials, officers, employees, and agents as additional insureds.

B. **Business Automobile Liability** insurance for all owned, non-owned automobiles, with a combined single limit not less than $1,000,000 per accident.

C. **Broader Coverage and Limits**. The insurance requirements under this Contract shall be the greater of (1) the minimum coverage and limits specified in this Contract, or (2) the broader coverage and maximum limits of coverage of any insurance policy or proceeds available to the Named Insured. It is agreed that these insurance requirements shall not in any way act to reduce coverage that is broader or that includes higher limits than the minimums required herein. No representation is made that the minimum insurance requirements of this Contract are sufficient to cover the obligations of Contractor hereunder.

D. Contractor shall maintain the above insurance for the term of this Contract and name the City as an additional insured and provide for 30 days cancellation notice on any Certificate of Insurance form furnished by Contractor. Such certificate shall also specifically state the coverage provided under the policy is primary over any other valid and collectible insurance and provide a waiver of subrogation.

23. Records and Financial Audit

The Contractor shall maintain detailed time and expenditure records that indicate the date; time, nature and cost of services rendered during the Contract's term and effect and retain them for a period of three (3) years from the date of final payment under this Contract. The records shall be subject to inspection by the City. The

City shall have the right to audit billings both before and after payment. Payment under this Contract shall not foreclose the right of the City to recover excessive or illegal payments.

24. Indemnification

The Contractor shall defend, indemnify and hold harmless the City from all actions, proceeding, claims, demands, costs, damages, attorneys' fees and all other liabilities and expenses of any kind from any source which may arise out of the performance of this Contract, caused by the negligent act or failure to act of the Contractor, its officers, employees, servants, subcontractors or agents, or if caused by the actions of any client of the Contractor resulting in injury or damage to persons or property during the time when the Contractor or any officer, agent, employee, servant or subcontractor thereof has or is performing services pursuant to this Contract. If any action, suit or proceeding related to the services performed by the Contractor or any officer, agent, employee, servant or subcontractor under this Contract is brought against the Contractor, the Contractor shall, as soon as practicable but no later than two (2) days after it receives notice thereof, notify the legal counsel of the City.

25. New Mexico Tort Claims Act

Any liability incurred by the City of Santa Fe in connection with this Contract is subject to the immunities and limitations of the New Mexico Tort Claims Act, Section 41-4-1, et. seq. NMSA 1978, as amended. The City and its "public employees" as defined in the New Mexico Tort Claims Act, do not waive sovereign immunity, do not waive any defense and do not waive any limitation of liability pursuant to law. No provision in this Contract modifies or waives any provision of the New Mexico Tort Claims Act.

26. Invalid Term or Condition

If any term or condition of this Contract shall be held invalid or unenforceable, the remainder of this Contract shall not be affected and shall be valid and enforceable.

27. Enforcement of Contract

A party's failure to require strict performance of any provision of this Contract shall not waive or diminish that party's right thereafter to demand strict compliance with that or any other provision. No waiver by a party of any of its rights under this Contract shall be effective unless express and in writing, and no effective waiver by a party of any of its rights shall be effective to waive any other rights.

28. Notices

Any notice required to be given to either party by this Contract shall be in writing and shall be delivered in person, by courier service or by U.S. mail, either first class or certified, return receipt requested, postage prepaid, as follows:

To the City: Paul Joye, Chief of Police, 2515 Camino Entrada, pmjoye@santafenm.gov

To the Contractor: Santa Fe Animal Shelter & Human Society, 100 Caja Del Rio
finances@SFhumanesociety.org

29. Authority

If Contractor is other than a natural person, the individual(s) signing this Contract on behalf of Contractor represents and warrants that he or she has the power and authority to bind Contractor, and that no further action, resolution, or approval from Contractor is necessary to enter a binding contract.

30. Non-Collusion

In signing this Contract, the Contractor certifies the Contractor has not, either directly or indirectly, entered into action in restraint of free competitive bidding in connection with this offer submitted to the City's Chief Procurement Officer.

31. Default/Breach

In case of Default and/or Breach by the Contractor, for any reason whatsoever, the City may procure the goods or services from another source and hold the Contractor responsible for any resulting excess costs and/or damages, including but not limited to, direct damages, indirect damages, consequential damages, special damages, and the City may also seek all other remedies under the terms of this Contract and under law or equity.

32. Equitable Remedies

The Contractor acknowledges that its failure to comply with any provision of paragraph 1.B of this Contract may cause the City irrevocable harm and that a remedy at law for such a failure might be an inadequate remedy for the City, and the Contractor consents to the City 's requesting from a court of competent jurisdiction, specific performance, or injunction, or any other equitable relief in order to enforce such compliance. The City's rights to seek equitable relief pursuant to this Contract shall be in addition to, and not in lieu of, any other remedy that the City may have under applicable law, including, but not limited to, monetary damages.

33. Default and Force Majeure

The City reserves the right to cancel all, or any part of any orders placed under this Contract without cost to the City, if the Contractor fails to meet the provisions of this Contract and, except as otherwise provided herein, to hold the Contractor liable for any excess cost occasioned by the City due to the Contractor's default. The Contractor shall not be liable for any excess costs if failure to perform the order arises out of causes beyond the control and without the fault or negligence of the Contractor; such causes include, but are not restricted to, acts of God or the public enemy, acts of the State or Federal Government, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, unusually severe weather and defaults of subcontractors due to any of the above, unless the City shall determine that the supplies or services to be furnished by the subcontractor were obtainable from other sources in sufficient time to permit the Contractor to meet the required delivery scheduled. The rights and remedies of the City provided in this Clause shall not be exclusive and are in addition to any other rights now being provided by law or under this Contract.

IN WITNESS WHEREOF, the Parties have executed this Contract as of the date of the signature by the required approval authorities below.

City of Santa Fe
Emergency Determination Form

The emergency procurement method may only be used as described in NMSA 1978, Section 13-1-127 and in the City's Procurement Manual XII.

The Department that makes an emergency procurement to plan or prepare for the response to a serious threat to public health, welfare, safety or property caused by a flood, fire, epidemic, riot, act of terrorism, equipment failure or similar event shall account for the money spent in making the procurement and report on that accounting to the City's Finance Department Director within ninety days after the end of the contract or fiscal year in which the procurement was made, whichever comes first.

III. **Term of prospective contract: Up to 6 months**

IV. **Amount of prospective contract: Two hundred thousand dollars ($200,000.00)**

V. **Location of Services: Throughout the City of Santa Fe**

VI. **Please thoroughly list the services (scope of work), construction or items of tangible personal property of the contract:**

Scope of Work for Animal Services Contract

The contracted provider will perform the following services to support the City of Santa Fe in meeting its urgent animal welfare, public health, and compliance needs. The contractor must ensure adherence to all applicable city ordinances, particularly SFCC 1987 Chapter V, Animal Control Ordinances, and provide consistent, humane, and timely care for animals under the city's jurisdiction. **The contractor shall comply with all provisions of law and regulations as set forth in Chapter V of SFCC 1987, pursuant to Section 5-11.1.B of the Animal Control Ordinance.**

1. Shelter Operations and Animal Care

- **Facility Management**: Operate a safe, sanitary, and fully staffed animal shelter as a housing facility to care for and shelter stray, abandoned, or seized animals.
- **Intake and Animal Control**: Accept animals brought by the City's Animal Services Officers, including stray, injured, or surrendered animals. Provide adequate housing, food, and care.
- **Quarantine and Rabies Control**: Confine and manage animals involved in bite incidents or suspected rabies cases. Report and deliver deceased animals as required for rabies testing.
- **Feral Cat Management**: Assess feral cats and, if healthy, provide sterilization before releasing them back to their original location or finding suitable alternative placements.
- **Holding Period Compliance**: Retain animals during the legally mandated holding period, transferring ownership to the shelter upon the hold's expiration unless other arrangements are specified by law.

2. Veterinary Care

- **Routine and Emergency Medical Services**: Provide veterinary evaluations, vaccinations, routine treatments, and emergency medical care as necessary to ensure animal welfare.
- **Veterinary Oversight**: Ensure that all medical care decisions, including euthanasia, are made by a licensed veterinarian. Euthanize animals only when medically necessary and notify the City of such actions.

3. Licensing and Public Health Compliance

- **Licensing**: Oversee pet licensing processes in alignment with city regulations. Collect and retain licensing fees, maintaining records and providing the City with access as needed.
- **Public Health Reporting**: Coordinate with health authorities, including the New Mexico Department of Public Health, on communicable diseases or incidents affecting public safety.

4. Storage and Disposal of Remains

- **Storage of Deceased Animals**: Maintain appropriate facilities (e.g., freezers) for storing the remains of deceased animals received from Animal Services Officers.
- **Cremation Services**: Provide timely and humane disposal of animal remains through cremation, ensuring environmental and public health compliance.

5. Administrative and Reporting Responsibilities

- **Detailed Documentation and Reporting**: Maintain records for each animal, including intake, care, medical treatment, and final disposition. Submit monthly status reports to the City, summarizing shelter activities and public health-related incidents.
- **Collaboration with City Representatives**: Work with city representatives to manage intake processes when city staff are unavailable and handle the release of impounded animals to owners outside regular operating hours.

VII. **Provide an explanation for the justification of the procurement including a description of the emergency condition(s) requiring use of emergency procurement and the practicable competition utilized in compliance with NMSA 1978, Section 13-1-127.**

The emergency procurement for animal services in Santa Fe is justified due to the immediate need for continued animal shelter operations, veterinary care, and compliance with public health regulations. The city's ability to care for stray, injured, and abandoned animals is essential for public safety and animal welfare. Without an established vendor, Santa Fe faces risks, including:

1. Public Health Risks: Managing rabid or diseased animals is critical to prevent the spread of diseases like rabies. The inability to quarantine, vaccinate, or euthanize animals as necessary could pose a health risk to the community.
2. Legal and Regulatory Compliance: The city is mandated to uphold Chapter V of the Santa Fe City Code, which outlines strict requirements for shelter operations, animal handling, and licensing. Failure to comply could lead to legal repercussions and public safety risks.

3. Immediate Animal Welfare Concerns: Without shelter and veterinary care, the city cannot meet basic animal welfare needs. This would likely lead to overcrowding in temporary holding facilities, inability to provide adequate care, and compromised humane treatment for animals.

4. Practicable Competition: In compliance with NMSA 1978, Section 13-1-127, an expedited yet practicable competitive process was utilized. Potential service providers within a reasonable distance of Santa Fe were considered, ensuring that the selected vendor meets city requirements and can initiate services without delay.

This emergency procurement process enables the city to fulfill essential animal services swiftly and within compliance, ensuring safety, welfare, and public health for the residents of Santa Fe.

VIII. **Please describe what measures are being taken to minimize the duration and effect of this emergency procurement (for example: is the emergency only in place until a competitive process can be completed, etc.).**

Measures to Minimize Duration and Impact of Emergency Procurement

This emergency procurement is structured as a temporary solution to address the city's immediate need for animal services. To ensure it is in place only as long as necessary, the following measures are being taken:

1. Transition Plan to Competitive Procurement: The emergency contract will remain active only until a standard competitive procurement process can be completed. The city is actively preparing the necessary documents to initiate a formal Request for Proposals (RFP) to secure long-term service providers through a competitive, transparent process.

2. Short-Term Contract with Defined Limits: The emergency procurement has clear limits in scope and duration to minimize dependency. The city has restricted services to the most critical functions, such as shelter operations, veterinary care, and public health compliance, essential for public safety and animal welfare.

3. Monitoring and Evaluation: The city will monitor the contractor's performance under the emergency contract, using this data to refine service requirements and improve the competitive bidding process. Monthly status reports from the contractor will ensure oversight and facilitate a smoother transition to long-term providers.

These measures are intended to minimize both the impact and duration of the emergency contract, ensuring that the city's animal services can return to a competitively bid, stable solution as soon as possible.

IX. **Describe what measures the Department will take in the future to prevent/mitigate use of emergency procurement under similar circumstances.**

To prevent or mitigate the need for emergency procurements in similar situations, the Department will take the following proactive steps:

1. Immediate RFP Process: The Department will issue a Request for Proposals (RFP) as soon as possible to secure long-term, competitively bid contracts for essential animal services. This proactive approach will reduce reliance on short-term emergency measures.

2. Advanced Contract Planning: In the future, the Department will implement advanced planning for contract renewals and potential vendor changes. This will include monitoring contract timelines and setting internal reminders to initiate competitive bidding well before contract expiration dates.

3. Contingency Partnerships: The Department will work to establish contingency agreements with additional animal service providers to ensure a rapid response in the event of vendor loss or service disruption. By having alternative providers identified, the Department can reduce delays and maintain service continuity.

4. Regular Market Assessments: Conducting periodic market assessments will help identify qualified vendors within the region, ensuring that the city has a pool of providers ready to respond to an RFP, if needed. This process will also aid in securing providers who meet the city's specific needs, reducing the likelihood of service disruptions.

By taking these steps, the Department aims to enhance preparedness and reduce reliance on emergency procurement, securing uninterrupted, compliant, and humane animal services for the City of Santa Fe.

Subject: BAR to fund Animal Services Emergency Contract and RFP Award

Vendor Name: Santa Fe Animal Shelter

Munis Vendor Number: 1521

ITEM AND ISSUE:

Request for Approval of a Budget Amendment Resolution (BAR) to Allocate $500,000 from prior year Gross Receipts Tax Revenue to Fund Animal Services Emergency Contract and the RFP Award for The Santa Fe Animal Shelter for this Fiscal Year (FY26) Only.

BACKGROUND AND SUMMARY:

The original contract, City Clerk's #25-0011, was executed on January 14, 2025, as an emergency agreement. During the contract term, a Request for Proposals (RFP) was issued and remains under evaluation. Amendment #1, executed on August 8, 2025, increased the contract compensation by $150,000 and extended the term by six months, establishing a new expiration date of February 5, 2026. At this time, negotiations between the City of Santa Fe and the Animal Shelter are still ongoing, and a final agreement has not yet been reached

CITY OF SANTA FE, TOURISM Santa Fe
AMENDMENT No.3 TO
Contract #23-0483

Adverting Agency

This AMENDMENT No.3 (the "Amendment") amends the CITY OF SANTA FE CONTRACT, dated August 2, 2023 (the "Contract"), between the City of Santa Fe (the "City") and Vladimir Jones (PRACO LTD). (the "Contractor"). The date of this Amendment shall be the date when it is executed by the City and the Contractor whichever occurs last.

RECITALS:

A. Under the terms of the Contract, Contractor has agreed to provide the advertising agency Services.

B. Pursuant to Article 14 of the Contract, and for good and valuable consideration, the receipt and sufficiency of which are acknowledged by the parties, the City and the Contractor agree as follows:

COMPENSATION.

To account for additional costs associated with added new asset capture as described in Article 1.D.1., Article 3, paragraph A of the Contract is amended to increase the amount of compensation by a total of Thirty Five Thousand Dollars ($35,000) so that Article 3, paragraph A reads in its entirety as follows:

A. The total amount payable to the Contractor under this Agreement, including gross receipts tax and expenses, shall not exceed Sixteen Million Four Hundred Twelve Thousand Dollars ($16,412,000).

CONTRACT IN FULL FORCE.

Except as specifically provided in this Amendment, the Contract remains and shall remain in full force and

effect, in accordance with its terms.

IN WITNESS WHEREOF, the parties have executed this Amendment No. __ to the Contract as of the dates set forth below.

CITY OF SANTA FE

PROFESSIONAL SERVICES AGREEMENT

THIS AGREEMENT is made and entered into by and between the City of Santa Fe, New Mexico, hereinafter referred to as the "City" and VLADIMIR JONES (PRACO LTD), hereinafter referred to as the "Contractor," and is effective as of the date set forth below upon which it is executed by the Parties.

RECITALS

WHEREAS, the Chief Procurement Officer of the City has made the determination that this Agreement is in accordance with the provisions of the New Mexico Procurement Code (NMSA 1978, 13-1-28 et seq.) pursuant to NMSA 1978, § 13-1-95.2 F, and NMSA 1978, § 13-1-111.

WHEREAS, the Contractor is one of such requisite and qualifications and is willing to engage with the City for professional services, in accordance with the terms and conditions hereinafter set out, and the Contractor understanding and consenting to the foregoing is willing to render such professional services as outlined in the Agreement; and

WHEREAS, the Contractor does hereby accept its designation as a professional service, rendering services related to advertising, marketing, and media services for the City, as set forth in this Agreement; and

WHEREAS, it is agreed by the parties that the performance of the professional services is for a period of four years, as directed by the City.

NOW, THEREFORE, the parties hereby agree as follows:

1. Scope of Work.

In collaboration with Tourism Santa Fe (TSF), the Contractor shall perform the following Scope of Work for the purpose of increasing tourism in the City of Santa Fe and building on the success and momentum of The City Different Brand (Brand):

A. Integrated Advertising Campaign and Comprehensive Media

1) Contractor is responsible for the creative development, production, trafficking/distribution, media placement, and ongoing collaboration and account services for TSF to further strengthen the Brand's effectiveness.
2) Contractor shall identify target markets including prioritized domestic fly markets, regional drive markets, and in-state travelers.

3) Contractor shall employ marketing strategies using both traditional and new media elements, including, but not limited to print, television, out of home, digital display, online video, digital native content, paid social media, strategic marketing partnerships, and experiential marketing.

B. Collaboration:

1) Contractor shall be available upon reasonable notice to plan and review work in progress under the terms of this Agreement.
2) Contractor shall collaborate with TSF and third-party contractors, as appropriate, in the development of strategic plans that integrate advertising activities and other TSF programs including but not limited to web development, social media, public relations, meetings and conferences, and tourism trade.
3) Contractor may, in its discretion and at the request of TSF, assist in presenting TSF's advertising objectives, strategic plans and creative direction to industry partners, in legislative meetings, and in public forums. Travel expenses associated with planning or presentations are the responsibility of the Contractor.
4) Contractor shall collaborate with TSF and submit a yearly advertising plan that will be a strategic component of the TSF Marketing Plan that designates target markets and is supported by statistics and research required to achieve goals. In addition, on a yearly basis perform market research to inform and guide the advertising decisions.

C. Contractor Services:

1) Contractor shall submit to TSF a budget tracker showing a detailed breakdown of all production and media budgets, amount committed to date, and amount billed to date no later than the tenth business day of the following month. Failure to provide an updated budget tracking may result in the delay of future payments directly related the reports but will not result in a delay in payment of monthly fees. Contractor shall also provide TSF with a production expense estimate, which must be submitted and approved prior to invoicing. Invoices should include line item detail with any variance from the estimated expense explained.

2) Contractor shall submit a report on the effectiveness of the campaign(s) to TSF Marketing Director on a quarterly basis. The report shall include cost per inquiry, return on the advertising dollar investment, and any/all tracking mechanisms deemed appropriate by TSF.

D. Production:

1) The Contractor shall develop, design and produce advertising copy, layouts, designs and artwork for print, broadcast, radio, outdoor, interactive, audiovisual and on-line media and deliver such material to TSF for approval and then to advertising media, printer, broadcaster, internet provider or producer upon approval on time. Creative design and production include promotions and other projects as

deemed necessary by TSF. Before releasing any material, including all forms of advertisement, to the media, the Contractor will obtain approval for all final layouts, copy or artwork from TSF. Final material shall be submitted to TSF for approval at least 24 hours in advance of release date.

E. Advertising and Media Buys:

1) Contractor shall arrange for all media to be billed at the net cost of time or space directly to the Contractor, which shall be paid from funds designated for media buys. The Contractor is responsible for placing written orders for time or space in advertising media and maintaining the records of all insertion orders, tear sheets, invoices, and all other billing information for a minimum of three (3) years. Contractor will notify TSF when prepayment of advertisement and or production is required. TSF will make prompt payment in accordance with Section 2 of this Agreement.

F. The parties understand this is a non-exclusive agreement and Contractor may freely contract with other entities for the performance of service.

G. Standard of Performance, Licenses:

1) The Contractor represents that it possesses the experience and knowledge necessary to perform the services described under this Agreement.
2) The Contractor agrees to obtain and maintain throughout the Terms of this Agreement, all applicable professional and business licenses required by law, for itself, its employees, agents, representatives, and subcontractors.
3) Contractor will use its best efforts to contract with local Santa Fe businesses to serve TSF and build the Brand. Contractor shall notify TSF of its subcontractors and update the City on any subcontractor changes.

3. Compensation.

A. The total amount payable to the Contractor under this Agreement, excluding gross receipts tax and expenses, shall not exceed eight million dollars ($8,000,000) for the term of this Agreement.

1) The City shall pay to the Contractor in full payment for services satisfactorily performed pursuant to the Scope of Work at the rate of:

a. FY24: (07/01/2023 - 06/30/2024) $2,000,000
b. FY25: (07/01/2024 - 06/30/2025) $2,000,000
c. FY26: (07/01/2025 - 06/30/2026) $2,000,000
d. FY27: (07/01/2026 - 06/30/2027) $2,000,000

B. Payment in future fiscal years is subject to availability of funds pursuant to the Appropriations Paragraph set forth below and to any negotiations between the parties from year to year pursuant to Paragraph 1, Scope of Work, and to approval by the City. All invoices MUST BE received by the City no later than fifteen (15) days after the termination of the Fiscal Year in which the services were delivered. Invoices received after such date WILL NOT BE PAID.)

C. Contractor must submit a detailed statement accounting for all services performed and expenses incurred. If the City finds that the services are not acceptable, within thirty days after the date of receipt of written notice from the Contractor that payment is requested, it shall provide the Contractor a letter of exception explaining the defect or objection to the services, and outlining steps the Contractor may take to provide remedial action. Upon certification by the City that the services have been received and accepted, payment shall be tendered to the Contractor within thirty days after the date of acceptance. If payment is made by mail, the payment shall be deemed tendered on the date it is postmarked. However, the City shall not incur late charges, interest, or penalties for failure to make payment within the time specified herein.

4. Term.

THIS AGREEMENT SHALL NOT BECOME EFFECTIVE UNTIL APPROVED BY THE CITY. This Agreement shall terminate on JUNE 30, 2027 unless terminated pursuant to paragraph 4 (Termination), or paragraph 5 (Appropriations). The City reserves the right to renew the contract on an annual basis by mutual Agreement not exceed a total of four (4) years in accordance with NMSA 1978, §§ 13-1-150 through 152.

5. Termination.

A. Termination. This Agreement may be terminated by either of the parties hereto upon written notice delivered to the other party at least thirty (30) days prior to the intended date of termination. Except as otherwise allowed or provided under this Agreement, the City's sole liability upon such termination shall be to pay for acceptable work performed prior to the Contractor's receipt of the notice of termination, if the City is the terminating party, or the Contractor's sending of the notice of termination, if the Contractor is the terminating party; provided, however, that a notice of termination shall not nullify or otherwise affect either party's liability for pre-termination defaults under or breaches of this Agreement. The Contractor shall submit an invoice for such work within thirty (30) days of receiving or sending the notice of termination. Notwithstanding the foregoing, this Agreement may be terminated immediately upon written notice to the Contractor if the Contractor becomes unable to perform the services contracted for, as determined by the City or if, during the term of this Agreement, the Contractor or any of its officers, employees or agents is indicted for fraud, embezzlement or other crime due to misuse of City funds or due to the Appropriations paragraph herein. *THIS PROVISION IS NOT EXCLUSIVE AND DOES NOT WAIVE THE City's OTHER LEGAL RIGHTS AND REMEDIES CAUSED BY THE CONTRACTOR'S DEFAULT/BREACH OF THIS AGREEMENT.*

B. Termination Management. Immediately upon receipt by either the City or the Contractor of notice of termination of this Agreement, the Contractor shall: 1) not incur any further obligations for salaries, services or any other expenditure of funds under this Agreement without written approval of the City; 2) comply with all directives issued by the City in the notice of termination as to the performance of work under this Agreement; and 3) take such action as the

City shall direct for the protection, preservation, retention or transfer of all property titled to the City and records generated under this Agreement. Any non-expendable personal property or equipment provided to or purchased by the Contractor with contract funds shall become property of the City upon termination and shall be submitted to the City as soon as practicable.

6. Appropriations.

The terms of this Agreement are contingent upon sufficient appropriations and authorization being made by the City Council for the performance of this Agreement. If sufficient appropriations and authorization are not made by the City Council, this Agreement shall terminate immediately upon written notice being given by the City to the Contractor. The City's decision as to whether sufficient appropriations are available shall be accepted by the Contractor and shall be final. If the City proposes an amendment to the Agreement to unilaterally reduce funding, the Contractor shall have the option to terminate the Agreement or to agree to the reduced funding within thirty (30) days of receipt of the proposed amendment.

7. Status of Contractor.

The Contractor and its agents and employees are independent contractors performing professional services for the City and are not employees of the City. The Contractor and its agents and employees shall not accrue leave, retirement, insurance, bonding, use of City vehicles, or any other benefits afforded to employees of the City as a result of this Agreement. The Contractor acknowledges that all sums received hereunder are reportable by the Contractor for tax purposes, including without limitation, self-employment and business income tax. The Contractor agrees not to purport to bind the City unless the Contractor has express written authority to do so, and then only within the strict limits of that authority.

8. Assignment.

The Contractor shall not assign or transfer any interest in this Agreement or assign any claims for money due or to become due under this Agreement without the prior written approval of the City.

9. Subcontracting.

The Contractor shall not subcontract any portion of the services to be performed under this Agreement without the prior written approval of the City. No such subcontract shall relieve the primary Contractor from its obligations and liabilities under this Agreement, nor shall any subcontract obligate direct payment from the City.

10. Release.

Final payment of the amounts due under this Agreement shall operate as a release of the City, its officers and employees from all liabilities, claims and obligations whatsoever arising from or under this Agreement.

11. Confidentiality.

Any confidential information provided to or developed by the Contractor in the performance of this Agreement shall be kept confidential and shall not be made available to any individual or organization by the Contractor without the prior written approval of the City.

12. Product of Service -- Copyright

All materials developed or acquired by the Contractor under this Agreement shall become the property of the City and shall be delivered to the City no later than the termination date of this Agreement. Nothing developed or produced, in whole or in part, by the Contractor under this Agreement shall be the subject of an application for copyright or other claim of ownership by or on behalf of the Contractor.

13. Conflict of Interest; Governmental Conduct Act.

A. The Contractor represents and warrants that it presently has no interest and, during the term of this Agreement, shall not acquire any interest, direct or indirect, which would conflict in any manner or degree with the performance of services required under the Agreement.

B. The Contractor further represents and warrants that it has complied with, and, during the term of this Agreement, will continue to comply with, and that this Agreement complies with all applicable provisions of the Governmental Conduct Act, Chapter 10, Article 16 NMSA 1978.

C. Contractor's representations and warranties in Paragraphs A and B of this Article 12 are material representations of fact upon which the City relied when this Agreement was entered into by the parties. Contractor shall provide immediate written notice to the City if, at any time during the term of this Agreement, Contractor learns that Contractor's representations and warranties in Paragraphs A and B of this Article 12 were erroneous on the effective date of this Agreement or have become erroneous by reason of new or changed circumstances. If it is later determined that Contractor's representations and warranties in Paragraphs A and B of this Article 12 were erroneous on the effective date of this Agreement or have become erroneous by reason of new or changed circumstances, in addition to other remedies available to the City and notwithstanding anything in the Agreement to the contrary, the City may immediately terminate the Agreement.

D. All terms defined in the Governmental Conduct Act have the same meaning in this section.

14. Amendment.

A. This Agreement shall not be altered, changed or amended except by instrument in writing executed by the parties hereto and all other required signatories.

B. If the City proposes an amendment to the Agreement to unilaterally reduce funding due to budget or other considerations, the Contractor shall, within thirty (30) days of receipt of the proposed Amendment, have the option to terminate the Agreement, pursuant to the termination provisions as set forth in Article 4 herein, or to agree to the reduced funding.

15. Entire Agreement.

This Agreement, together with any other documents incorporated herein by reference and all related Exhibits and Schedules constitutes the sole and entire agreement of the Parties with

respect to the subject matter of this Agreement, and supersedes all prior and contemporaneous understandings, agreements, representations, and warranties, both written and oral, with respect to the subject matter. In the event of any inconsistency between the statements in the body of this Agreement, and the related Exhibits and Schedules, the statements in the body of this Agreement shall control.

16. Penalties for violation of law.

The Procurement Code, Sections 13-1-28 through 13-1-199, NMSA 1978, imposes civil and criminal penalties for its violation. In addition, the New Mexico criminal statutes impose felony penalties for illegal bribes, gratuities and kickbacks.

17. Equal Opportunity Compliance.

The Contractor agrees to abide by all federal and state laws and rules and regulations, and Santa Fe City Code, pertaining to equal employment opportunity. In accordance with all such laws of the State of New Mexico, the Contractor assures that no person in the United States shall, on the grounds of race, religion, color, national origin, ancestry, sex, age, physical or mental handicap, or serious medical condition, spousal affiliation, sexual orientation or gender identity, be excluded from employment with or participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity performed under this Agreement. If Contractor is found not to be in compliance with these requirements during the life of this Agreement, Contractor agrees to take appropriate steps to correct these deficiencies.

18. Applicable Law.

The laws of the State of New Mexico shall govern this Agreement, without giving effect to its choice of law provisions. Venue shall be proper only in a New Mexico court of competent jurisdiction in accordance with NMSA 1978, sec. 38-3-2. By execution of this Agreement, Contractor acknowledges and agrees to the jurisdiction of the courts of the State of New Mexico over any and all lawsuits arising under or out of any term of this Agreement.

19. Workers Compensation.

The Contractor agrees to comply with state laws and rules applicable to workers compensation benefits for its employees. If the Contractor fails to comply with the Workers Compensation Act and applicable rules when required to do so, this Agreement may be terminated by the City.

20. Professional Liability Insurance

Contractor shall maintain professional liability insurance throughout the term of this Agreement providing a minimum coverage in the amount required under the New Mexico Tort Claims Act. The Contractor shall furnish the City with proof of insurance of Contractor's compliance with the provisions of this section, as a condition prior to performing services under this Agreement.

21. Other Insurance

If the services contemplated under this Agreement will be performed on or in City facilities or property, Contractor shall maintain in force, during the entire term of this Agreement,

the following insurance coverage(s), naming the City as additional insured:

A. Commercial General Liability insurance shall be written on an occurrence basis and be as broad as ISO Form CG 00 01 with limits not less than $2,000,000 per occurrence and $2,000,000 in the aggregate for claims against bodily injury, personal and advertising injury, and property damage. Said policy shall include broad form Contractual Liability coverage and be endorsed to name the City of Santa Fe their officials, officers, employees, and agents as additional insureds.

B. Business Automobile Liability insurance for all owned, non-owned automobiles with a combined single limit not less than $1,000,000 per accident.

C. Broader Coverage and Limits. The insurance requirements under this Agreement shall be the greater of (1) the minimum coverage and limits specified in this Agreement, or (2) the broader coverage and maximum limits of coverage of any insurance policy or proceeds available to the Named Insured. It is agreed that these insurance requirements shall not in any way act to reduce coverage that is broader or that includes higher limits than the minimums required herein. No representation is made that the minimum insurance requirements of this Agreement are sufficient to cover the obligations of Contractor hereunder.

D. Contractor shall maintain the above insurance for the term of this Agreement and name the City as an additional insured and provide for 30 days cancellation notice on any Certificate of Insurance form furnished by Contractor. Such certificate shall also specifically state the coverage provided under the policy is primary over any other valid and collectible insurance and provide a waiver of subrogation.

22. Records and Financial Audit.

The Contractor shall maintain detailed time and expenditure records that indicate the date, time, nature and cost of services rendered during the Agreement's term and effect and retain them for a period of three (3) years from the date of final payment under this Agreement. The records shall be subject to inspection by the City. The City shall have the right to audit billings both before and after payment. Payment under this Agreement shall not foreclose the right of the City to recover excessive or illegal payments.

23. Indemnification.

The Contractor shall defend, indemnify and hold harmless the City from all actions, proceeding, claims, demands, costs, damages, attorneys' fees and all other liabilities and expenses of any kind from any source which may arise out of the performance of this Agreement caused by the negligent act or failure to act of the Contractor, its officers, employees, servants, subcontractors or agents, or if caused by the actions of any client of the Contractor resulting in injury or damage to persons or property during the time when the Contractor or any officer, agent, employee, servant or subcontractor thereof has or is performing services pursuant to this Agreement. In the event that any action, suit or proceeding related to the services performed by the Contractor or any officer, agent, employee, servant or subcontractor under this Agreement is brought against the Contractor, the Contractor shall, as soon as practicable but no later than two (2) days after it receives notice thereof, notify the legal counsel of the City.

24. New Mexico Tort Claims Act

Any liability incurred by the City of Santa Fe in connection with this Agreement is subject to the immunities and limitations of the New Mexico Tort Claims Act, Section 41-4-1, et seq NMSA 1978, as amended. The City and its "public employees" as defined in the New Mexico Tort Claims Act, do not waive sovereign immunity, do not waive any defense and do not waive any limitation of liability pursuant to law. No provision in this Agreement modifies or waives any provision of the New Mexico Tort Claims Act.

25. Invalid Term or Condition.

If any term or condition of this Agreement shall be held invalid or unenforceable, the remainder of this Agreement shall not be affected and shall be valid and enforceable.

26. Enforcement of Agreement.

A party's failure to require strict performance of any provision of this Agreement shall not waive or diminish that party's right thereafter to demand strict compliance with that or any other provision. No waiver by a party of any of its rights under this Agreement shall be effective unless express and in writing, and no effective waiver by a party of any of its rights shall be effective to waive any other rights.

27. Notices.

Any notice required to be given to either party by this Agreement shall be in writing and shall be delivered in person, by courier service or by U.S. mail, either first class or certified, return receipt requested, postage prepaid, as follows:

To the City: Randy Randall, 201 W. Marcy Street, Santa Fe, NM 87501;
rrandall@santafenm.gov

To the Contractor: Vladimir Jones (PRACO)
Attn: Meredith Vaughn, CEO
6 North Tejon Street #400
Colorado Springs, CO 80903-3928
mvaughan@vladimirjones.com

28. Authority.

If Contractor is other than a natural person, the individual(s) signing this Agreement on behalf of Contractor represents and warrants that he or she has the power and authority to bind Contractor, and that no further action, resolution, or approval from Contractor is necessary to enter into a binding contract.

29. Merger.

This Agreement incorporates all the Agreements, covenants and understandings between the parties hereto concerning the subject matter hereof, and all such covenants, Agreements and understandings have been merged into this written Agreement. No prior Agreement or

understanding, oral or otherwise, of the parties or their agents shall be valid or enforceable unless embodied in this Agreement.

30. Non-Collusion.

In signing this Agreement, the Contractor certifies the Contractor has not, either directly or indirectly, entered into action in restraint of free competitive bidding in connection with this offer submitted to the City's Chief Procurement Officer.

31. Default/Breach.

In case of Default and or Breach by the Contractor, for any reason whatsoever, the City may procure the goods or services from another source and hold the Contractor responsible for any resulting excess costs and or damages, including but not limited to, direct damages, indirect damages, consequential damages, special damages and the City may also seek all other remedies under the terms of this Agreement and under law or equity.

32. Equitable Remedies.

The Contractor acknowledges that its failure to comply with any provision of this Agreement will cause the City irrevocable harm and that a remedy at law for such a failure would be an inadequate remedy for the City, and the Contractor consents to the City's obtaining from a court of competent jurisdiction, specific performance, or injunction, or any other equitable relief in order to enforce such compliance. The City's rights to obtain equitable relief pursuant to this Agreement shall be in addition to, and not in lieu of, any other remedy that the City may have under applicable law, including, but not limited to, monetary damages.

33. Default and Force Majeure.

The City reserves the right to cancel all or any part of any orders placed under this Agreement without cost to the City, if the Contractor fails to meet the provisions of this Agreement and, except as otherwise provided herein, to hold the Contractor liable for any excess cost occasioned by the City due to the Contractor's default. The Contractor shall not be liable for any excess costs if failure to perform the order arises out of causes beyond the control and without the fault or negligence of the Contractor; such causes include, but are not restricted to, acts of God or the public enemy, acts of the State or Federal Government, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, unusually severe weather and defaults of subcontractors due to any of the above, unless the City shall determine that the supplies or services to be furnished by the subcontractor were obtainable from other sources in sufficient time to permit the Contractor to meet the required delivery scheduled. The rights and remedies of the City provided in this Clause shall not be exclusive and are in addition to any other rights now being provided by law or under this Agreement.

IN WITNESS WHEREOF, the Parties have executed this Agreement as of the date of the signature by the required approval authorities below.

Cc: RANDALL, RANDY <rrandall@santafenm.gov>
Subject: RE: [DETERMINATION REQUESTED] Advertising Agency of Record Services

Thank you

Under NMSA 1978 13-1-52 I am making a determination of services. Based on NMSA 1978 13-1-76, this falls in line with a **Professional Service**. If the SOW should change, a new determination will be needed. Since the totality of this project will be more than $60K, a Request for Proposals (RFP) will be the formal solicitation method to be used. Please keep this as part of the procurement file for future reference.

The RFP number assigned to this solicitation is **23/49/P**. I have attached the current RFP template for utilization. Please let me know if you have any questions.

Thanks,

JoAnn D. Lovato

Subject: Re: [DETERMINATION REQUESTED] Advertising Agency of Record Services

Hi JoAnn,

Thank you so much for the quick response this morning; very much appreciated.

I've attached the latest Contract Amendment for the current FY (Munis Contract #3200492). We're requesting an increase to our advertising budget for next FY, but of course that is dependent on the budget process. The $1.8M is flat Y/Y.

Regarding your other two questions:

Will any federal funds be used? NO
Will the contractor be required to have a degree/certificate/special training to be able to perform the SOW? NO

Good morning JoAnn,

Just following back up on this determination request. I know this is a bit redundant as I expect this to be Professional Services as it has been in the past, but just trying to follow process protocol.

Thank you.

Subject: [DETERMINATION REQUESTED] Advertising Agency of Record Services

Hello JoAnn,

We're currently in the 4th year of a 4-year contract with our advertising agency contract.

Requesting your assistance with the determination of the SOW so that we can proceed accordingly (attached and pasted below for reference):

Scope of Work:

In collaboration with Tourism Santa Fe (TSF), the Contractor shall perform the following Scope of Work for the purpose of increasing tourism in the city of Santa Fe and building on the success and momentum of The City Different Brand (Brand):

A. Integrated Advertising Campaign and Comprehensive Media:

1. Contractor is responsible for the creative development, production, trafficking/distribution, media placement, and ongoing collaboration and account services for TSF to further strengthen the Brand's effectiveness.
2. Contractor shall identify target markets including prioritized domestic fly markets, regional drive markets, and in state travelers.
3. Contractor shall employ marketing strategies using both traditional and new media elements, including, but not limited to print, television, out of home, digital display, online video, digital native content, paid social media, strategic marketing partnerships, and experiential marketing.

B. Agency Collaboration:

1. Contractor shall be available upon reasonable notice to plan and review work in progress under the terms of this Agreement.
2. Contractor shall collaborate with TSF and third-party contractors, as appropriate, in the development of strategic plans that integrate advertising activities and other TSF programs including but not limited to web development, social media, public relations, meetings and conferences, and tourism trade.
3. Contractor may, in its discretion and at the request of TSF, assist in presenting TSF's advertising objectives, strategic plans and creative direction to industry partners, in legislative meetings, and in public forums. Travel expenses associated with planning or presentations are the responsibility of the Contractor.
4. Contractor shall collaborate with TSF and submit a yearly advertising plan that will be a strategic component of the TSF Marketing Plan that designates target markets and is supported by statistics and research required to achieve goals. In addition, on a yearly basis perform market research to inform and guide the advertising decisions.

C. Agency Services:

1. Contractor shall submit to TSF a budget tracker showing a detailed breakdown of all production and media budgets, amount committed to date, and amount billed to date no later than the tenth business day of the following month. Failure to provide an updated budget tracking may result in the delay of future payments directly related the reports but will not result in a delay in payment of monthly fees. Contractor shall also provide TSF with a production expense estimate, which must be submitted and approved prior to invoicing. Invoices should include line item detail with any variance vs. estimate explained.
2. Contractor shall submit a report on the effectiveness of the campaign(s) to TSF Marketing Director on a quarterly basis. The report shall include cost per inquiry, return on the advertising dollar investment, and any/all tracking mechanisms deemed appropriate by TSF.

D. Production:

1. The Contractor shall develop, design and produce advertising copy, layouts, designs and artwork for print, broadcast, radio, outdoor, interactive, audiovisual and on-line media and deliver such material to TSF for approval and then to advertising media, printer, broadcaster, internet provider or producer upon approval on time. Creative design and production include promotions and other projects as deemed necessary by TSF. Before releasing any material, including all forms of advertisement, to the media, the Contractor will obtain approval for all final layouts, copy or artwork from TSF. Final material shall be submitted to TSF for approval at least 24 hours in advance of release date.

E. Advertising and Media Buys:

1. Contractor shall arrange for all media to be billed at the net cost of time or space directly to the Contractor, which shall be paid from funds designated for media buys. The Contractor is responsible for placing written orders for time or space in advertising media and maintaining the records of all insertion orders, tear sheets, invoices, and all other billing information for a minimum of three (3) years. Contractor will notify TSF when prepayment of advertisement and/or production is required. TSF will make prompt payment in accordance with Section 2 of this Agreement.

Estimated Annual Cost:
$1.8M

The Purchasing Memo

Date: November 17, 2025

To: Governing Body and Finance Committee & Quality of Life

From: Randy Randall, TSF Executive Director Randy Randall (Nov 17, 2025 16:30:22 MST)

Subject: Mittera Printing Service - Amendment #4 of Item 22-0062

Vendor Name: Mittera

Munis Vendor Number: 9336

ITEM AND ISSUE:

Approval of Amendment #4 to item #22-0062 with Mittera for General Services. Amendment #4 is to Increases the Compensation for FY26 by $150,757.12 for Printing of the Santa Fe Visitor's for a Grand Total Compensation of $737,584.59 – not to exceed for a term of 4 years, expiring June 30, 2026.

COMMITTEE REVIEW:

Quality of Life Committee: December 3, 2025
Finance Committee: December 8, 2025
Governing Body: December 10, 2025

CONTRACT NUMBER:

Munis contract number is 3203137

BACKGROUND AND SUMMARY:

Every year TOURISM Santa Fe (TSF) prints a quantity of the "Official Santa Fe Visitor Guide" for the promotion of Santa Fe. Mittera was selected through an ITB #22/19/B. This amendment #4 is to increase the compensation for FY26 in the amount of $150,757.12 for contract grand total of $737,584.59 for a four-year term expiring June 30, 2026.

History:

FY22	Original Contract 22-0062	for Printing Services	$120,481.65
FY23	Amendment 1, 23-0150	to increase compensation by	$146,585.82
FY24	Amendment 2, 23-0694	to increase compensation by	$155,760.00
FY25	Amendment 3, 25-0095	to increase compensation by	$164,000.00

CITY OF SANTA FE, TOURISM Santa Fe
AMENDMENT No. 4 TO
Contract # 22-0062

Printing Services

This AMENDMENT No. 4 (the "Amendment") amends the CITY OF SANTA FE CONTRACT, dated February 23, 2022 (the "Contract"), between the City of Santa Fe (the "City") and MITTERA. (the "Contractor"). The date of this Amendment shall be the date when it is executed by the City and the Contractor whichever occurs last.

RECITALS:

A. Under the terms of the Contract, Contractor has agreed to provide the printing services.

B. Pursuant to Article 8 of the Contract, and for good and valuable consideration, the receipt and sufficiency of which are acknowledged by the parties, the City and the Contractor agree as follows:

1. COMPENSATION.

Article 3 of the Contract is amended to increase the amount of compensation by a total of One Hundred Fifty Thousand Seven Hundred Fifty-Seven Dollars and Twelve Cents ($150,757.12) so that Article 3 reads in its entirety as follows:

[REMAINER OF PAGE INTENTIONALLY LEFT BLANK]

Deliverable Item:	U/I (unit of Issue)	Prices
250,000	FY22	$120,481.65
200,000	FY23	$146,585.82
200,000	FY24	$155,760.00
175,000	FY25	$164,000.00
175,000	FY26	$150,757.12

The total compensation under this agreement shall not exceed Seven Hundred Thirty Seven Thousand Five Hundred Eighty-Four Dollars and Ninety Cents (737,584.59) including New Mexico Gross Receipts Tax.

2. CONTRACT IN FULL FORCE.

Except as specifically provided in this Amendment, the Contract remains and shall remain in full force and effect, in accordance with its terms.

[REMAINDER OF PAGE INTENTIONALLY LEFT BLANK]

[SIGNATURE PAGE TO FOLLOW]

IN WITNESS WHEREOF, the parties have executed this Amendment No. 4 to the Contract as of the dates set forth below.

TERMS & CONDITIONS:

This Proposal is an offer by Mittera ("**Supplier**") for the sale of the services specified on the face of this Proposal (the "**Services**") to the party to whom the Proposal is addressed (the "**Customer**"), in accordance with and subject to these terms and conditions (the "**Order**"). This Order, together with any documents incorporated herein by reference, constitutes the sole and entire agreement of the parties with respect to the Order, and supersedes all prior or contemporaneous understandings, agreements, negotiations, representations and warranties, and communications, both written and oral, with respect to the subject matter of the Order. These Terms prevail over any terms or conditions contained in any other documentation and expressly exclude any of Customer's general terms and conditions of purchase or any other document issued by Customer in connection with this Order.

Estimate
A Proposal not accepted in writing within thirty (30) days may be changed. Estimates are based on Supplier's understanding of Customer's specifications and on the cost of labor and materials on the date of the Proposal. If changes occur in the cost of materials, labor, or other costs prior to acceptance, or if Customer requires changes in specifications, quantities, designs, or the production schedule subsequent to acceptance, Supplier reserves the right to change the pricing of the Proposal. Subsequent orders may be subject to price revision.

Payment
Unless otherwise specified herein, payment for Services shall be net cash due thirty (30) days from invoice date, and payment for freight shall be net cash, due 10 days from invoice date.
In the event Customer defaults in making any payment when due, (a) Supplier may suspend performance under this Order; and (b) a finance charge of 1.5% percent per month (18% per annum), together with all costs of collection, including reasonable attorney's fees, will be charged on all past-due balances until paid.

As security for payment of any sum due under the terms of this Order, Supplier has the right to hold and place a lien on all of Customer's property in Supplier's possession.

Delivery
Unless otherwise specified, the price quoted is for a single shipment, without storage, F.O.B. Supplier's platform.

Postage
Estimates do not include postage. Supplier will notify Customer in writing including by facsimile or by delivery-confirmed e-mail of the required postage as soon as this amount is known and will notify Customer of the date when the postage is needed in order to complete the mailing prior to the agreed-upon mailing date. While Supplier will make every effort to provide Customer with an accurate estimate of required postage, Supplier is not responsible for additional postage charges if the rate of postage changes for reasons beyond Supplier's control.

Payment of postage in advance is required on all orders and is Customer's responsibility. Supplier reserves the right to hold mailings for which sufficient postage has not been paid or until postage payment has been verified. Customer will provide the postage payment in adequate time for Supplier to complete the mailing prior to the previously agreed-upon mail date.

Taxes
All taxes and assessments levied by any governmental authority are Customer's responsibility and will be added to Customer's invoice. No tax exemption will be granted unless official proof of Customer's exemption is on file with Supplier. If, after Customer has paid the invoice, it is determined that more tax is due, Customer must promptly remit the required taxes to the taxing authority or immediately reimburse Supplier for any additional taxes paid.

Cancellation
Customer shall give Supplier as much notice as reasonably practicable if Customer wishes to cancel the Order. Customer shall be liable for all costs incurred by Supplier resulting from such cancellation that are not avoidable through reasonable commercial efforts, including, without limitation, materials ordered or inventoried on Customer's behalf and not otherwise usable by Supplier in the ordinary course of its business within a reasonable period of time.

Copyrights
Customer warrants that it has the right to produce the subject matter to be printed, duplicated, or distributed.

Prepress, Preparatory, and Proofing
Until Customer's data or media can be evaluated by Supplier, no claims or promises are made about Supplier's ability to work with the material submitted in digital format, and no liability is assumed for problems that may arise. Any additional translating, editing, or programming needed to utilize Customer-supplied files will be charged at prevailing rates.

Supplier will submit prepress proofs along with original copy for Customer's review and approval. Corrections will be communicated electronically or returned to Supplier on a "master set" marked "OK," "OK With Corrections," or "Revised Proof Required," and electronically authorized or signed by Customer. Supplier will not be responsible for undetected production errors if: (a) Customer does not require proofs; (b) the work is printed per Customer's OK; or (c) requests for changes are communicated orally.

When proofing color, a reasonable variation between color proofs or electronic renderings and the final product is to be expected. This is due to differences in viewing conditions, equipment, paper, inks, and toner between the color proofing process and print production.
Press proofs will not be furnished unless they have been requested by Customer and presented in Supplier's quotation. A press sheet can be submitted for Customer's approval as long as Customer is present at the press during makeready. Any manufacturing time lost or alterations/corrections made because of Customer's delay or change of mind will be chargeable at Supplier's current rates.

Overruns, Underruns, Spoilage
Overruns or Underruns: Will not exceed ten (10) percent of the quantity ordered. Supplier will invoice for the actual quantity delivered within this tolerance. If Customer requires a guaranteed quantity, the percentage of tolerance must be stated at the time of estimate. Customer must advise Supplier, in advance of the job, the disposition of overs. Overs may be returned to Customer, stored, or destroyed. If items are stored or returned, applicable storage and delivery charges will be added. Additionally, at Supplier's option and without liability to Supplier, material may be automatically destroyed after 60 days if Customer has failed to respond to a disposition request or failed to pay for storage starting 30 days after the mail date. Premium storage rates may be applied to old materials or materials for which disposition has not been designated.

Spoilage: All direct mail handling and processing involves spoilage. Spoilage of up to three (3) percent of Customer's material is typical. Allowances for spoilage should be taken into consideration in ordering material. Every effort will be made to handle Customer's material with frugality and to prevent undue spoilage. Nevertheless, Supplier cannot accept responsibility for shortages of material as a result of normal spoilage in processing.

Storage
Verified Quantities: Outside manufacturer delivery tickets must accompany the material delivered and should show the number of rolls, skids, or cartons, the quantity per skid or carton, and the total delivery quantity. Each incoming carton or skid must bear an identity, item code, quantity, and a sample clearly visible.

Each skid should have only one material version, unless clearly marked and separated. Multiple items should not be included within a single carton, skid, or container unless noted thereon and on accompanying paperwork. Skids may not contain more than 2,000 pounds of material. Supplier will apply a surcharge for any rework necessary for materials received not meeting these specifications. Collect shipment will be accepted by Supplier only if clearance is obtained in advance, and a service charge will be added to the actual freight charges.
Counts: Supplier accepts outside manufacturers' count until processing and assume no responsibility for shortages discovered at that time. Additional charges will apply if Customer requires Supplier to verify outside manufacturers' counts prior to processing.

Paper Storage: Supplier will provide storage for Customer's paper chargeable at Supplier's current rates and based on the quantity of paper on hand the first day of the month. If storage charges remain unpaid for 90 days, Supplier shall have the right to demand that Customer remove the paper from Supplier's storage. If Customer fails to remove the paper after 20 days' notice, Supplier may sell the paper and remit the proceeds to Customer less storage costs and costs of sale. Supplier shall also have the right to purchase the paper for its own account at market rates.

Material Storage: Storage of finished goods, inserts, covers, cartons, and all other material will be free for up to 30 days prior to, and 30 days after, the originally scheduled print date. Finished goods and other material received earlier than 30 days prior to, or remaining in storage 30 days after, the originally scheduled print date will be chargeable at Supplier's current rates.

Claims
Claims for defects, damages, or shortages must be made by Customer in writing no later than 10 calendar days after delivery. If no claim is made within the specified time period, Supplier and Customer will have mutually acknowledged that the job has been accepted by Customer and that Supplier's performance has fully satisfied all terms, conditions, and specifications of this Order.

Choice of Law and Venue
This Order is made pursuant to and shall be governed by the law of the state where the Services are performed, and Customer consents to jurisdiction of the courts thereof.

Damages/Limitation of Liability
Supplier's liability for any and all claims whatsoever of any kind and nature arising out of this Order shall not exceed Supplier's price to Customer for performing the Services, and further mutually agree that replacing the work (including any services) or re-mailing or re-shipping a correction or corrected job as soon as possible to rectify the mistake that is the subject of this Order shall satisfy any and all claims whatsoever of any kind and nature arising out of this Order.
Under no circumstances will Supplier be liable for incidental or consequential damages, including but not limited to lost profits and lost postal discounts, however proximate or foreseeable, arising out of the Services.

Waiver
No waiver by either party of any default by the other in the performance of or compliance with any provision, condition, or requirement herein shall be deemed to be a waiver of, or any manner release such other party from compliance with any provision, condition, or requirement in the future, nor shall any delay or omission of either party to exercise any right hereunder in any manner impair the exercise of any such right accruing to it thereafter. Any matter arising under this Order that creates a right of action in either party against the other party, or the enforcement of any obligation or undertaking by one party against the other, shall survive any termination or expiration of this Order.

CITY OF SANTA FE - Tourism Santa Fe

Quote

Paper Terms & Conditions Acknowledgement

In an effort to provide our customers with the utmost flexibility, timeliness and competitive paper pricing, MG will routinely utilize our vast inventory of fine printing papers to manufacture your product. For your convenience, MG has access to over 100 sizes, types, and grades for just in time delivery. The information below outlines our paper terms and conditions.

General Paper Provisions:
Upon the mutual agreement of both MG and Customer in writing, changes may be made in delivery schedules, specifications as to quantities, specifications as to finished sizes and page count, specifications as to paper or any other matters affected by the conditions referred to above. *In the event Customer changes delivery schedule, quantity, page count or finished size without mutual agreement of MG in writing, Customer will be financially responsible for balance of unused paper that Printer has secured for job(s) currently in and / or scheduled for production. If MG purchases paper on behalf of Customer, and Customer leaves Printer prior to using such paper, then Customer agrees to financially reimburse MG for any unused paper. Unused paper is defined as paper on MG's floor, off-site storage locations, or in transit from the vendor whom the paper was purchased.*

Paper Price:

The agreed upon contract price includes paper priced as of the date of the contract. Paper prices are market driven and subject to change at any time. In the event the cost of paper on date of delivery of paper exceeds the paper cost on the date of this contract, MG reserves the right to charge customer the added paper cost to the contract price. If consumption of paper in contract exceeds 44,000 lbs, MG agrees to provide customer 30 days written notice of stated paper price increase in the contract price.

Paper Shortage Clause:

MG shall not be liable for damages, proximate or remote, arising in any way from its failure to make or delay in making delivery because of its inability to obtain paper in the amounts and grades specified herein or arising in any way from any circumstances or other unavoidable cause beyond the control of MG. Within a reasonable time after receiving knowledge of any condition referred to above, MG shall give notice to customer of such condition.

Quantity Variation:

An over-run of 3% _____ (initials) and under-run of 3% _____(initials) of the quantity ordered will constitute an acceptable delivery and shall be billed according to the actual quantity delivered.

Scope of Work for the purpose of increasing tourism in the City of Santa Fe and building on the success and momentum of The City Different Brand (Brand):

A. Integrated Advertising Campaign and Comprehensive Media:

1. Contractor is responsible for the creative development, production, trafficking/distribution, media placement, and ongoing collaboration and account services for TSF to further strengthen the Brand's effectiveness.
2. Contractor shall identify target markets including prioritized domestic fly markets, regional drive markets, and in state travelers.
3. Contractor shall employ marketing strategies using both traditional and new media elements, including, but not limited to print, television, out of home, digital display, online video, digital native content, paid social media, strategic marketing partnerships, and experiential marketing.

B. Collaboration:

1. Contractor shall be available upon reasonable notice to plan and review work in progress under the terms of this Agreement.
2. Contractor shall collaborate with TSF and third-party contractors, as appropriate, in the development of strategic plans that integrate advertising activities and other TSF programs including but not limited to web development, social media, public relations, meetings and conferences, and tourism trade.
3. Contractor may, in its discretion and at the request of TSF, assist in presenting TSF's advertising objectives, strategic plans and creative direction to industry partners, in legislative meetings, and in public forums. Travel expenses associated with planning or presentations are the responsibility of the Contractor.
4. Contractor shall collaborate with TSF and submit a yearly advertising plan that will be a strategic component of the TSF Marketing Plan that designates target markets and is supported by statistics and research required to achieve goals. In addition, on a yearly basis perform market research to inform and guide the advertising decisions.

C. Contractor Services:

1. Contractor shall submit to TSF a budget tracker showing a detailed breakdown of all production and media budgets, amount committed to date, and amount billed to date no later than the tenth business day of the following month. Failure to provide an updated budget tracking may result in the delay of future payments directly related the reports but will not result in a delay in payment of monthly fees. Contractor shall also provide TSF with a production expense estimate, which must be submitted and approved prior to invoicing. Invoices should include line item detail with any variance from the estimated expense explained.

2. Contractor shall submit a report on the effectiveness of the campaign(s) to TSF Marketing Director on a quarterly basis. The report shall include cost per inquiry,

return on the advertising dollar investment, and any/all tracking mechanisms deemed appropriate by TSF.

D. Production:

1. The Contractor shall develop, design and produce advertising copy, layouts, designs and artwork for print, broadcast, radio, outdoor, interactive, audiovisual and on-line media and deliver such material to TSF for approval and then to advertising media, printer, broadcaster, internet provider or producer upon approval on time. Creative design and production include promotions and other projects as deemed necessary by TSF. Before releasing any material, including all forms of advertisement, to the media, the Contractor will obtain approval for all final layouts, copy or artwork from TSF. Final material shall be submitted to TSF for approval at least 24 hours in advance of release date.

E. Advertising and Media Buys:

1. Contractor shall arrange for all media to be billed at the net cost of time or space directly to the Contractor, which shall be paid from funds designated for media buys. The Contractor is responsible for placing written orders for time or space in advertising media and maintaining the records of all insertion orders, tear sheets, invoices, and all other billing information for a minimum of three (3) years. Contractor will notify TSF when prepayment of advertisement and/or production is required. TSF will make prompt payment in accordance with Section 2 of this Agreement.

F. The parties understand this is a non-exclusive agreement and Contractor may freely contract with other entities for the performance of service.

G. Standard of Performance; Licenses:

1. The Contractor represents that it possesses the experience and knowledge necessary to perform the services described under this Agreement.
2. The Contractor agrees to obtain and maintain throughout the Terms of this Agreement, all applicable professional and business licenses required by law, for itself, its employees, agents, representatives, and subcontractors.
3. Contractor will use its best efforts to contract with local Santa Fe businesses to serve TSF and build the Brand. Contractor shall notify TSF of its subcontractors and update the City on any subcontractor changes.

CITY OF SANTA FE
AMENDMENT No. 3 TO
GENERAL Services Contract
ITEM# 22-0062

This AMENDMENT No. 3 (the "Amendment") amends the CITY OF SANTA FE GENERAL SERVICES CONTRACT, dated February 23. 2022 (the "Contract"), between the City of Santa Fe (the "City") and **MITTERA** (the "Contractor"). The date of this Amendment shall be the date when it is executed by the City and the Contractor whichever occurs last.

RECITALS:

A. Under the terms of the Contract, Contractor has agreed to provide printing services.

B. Pursuant to Article 8 of the Contract, and for good and valuable consideration, the receipt and sufficiency of which are acknowledged by the parties, the City and the Contractor agree as follows:

1. COMPENSATION.

Article 3 of the Contract is amended to increase the amount of compensation by a total of One Hundred Sixty Four Thousand Dollars ($164,000) so that Article 3 reads in its entirety as follows:

Deliverable item:	U/I (unit of issue)	Prices
250,000 run	FY22	$120,481.65
200,000 run	FY23	$146,585.82
200,000 run	FY24	$155,760.00
175,000 run	FY25	$164,000.00

The total compensation under this Agreement shall not exceed Five Hundred Eighty-Six Thousand Eight Hundred Twenty-Seven dollars and forty-seven cents ($586,827.47) including New Mexico gross receipts tax.

2. CONTRACT IN FULL FORCE.

Except as specifically provided in this Amendment, the Contract remains and shall remain in full force and effect, in accordance with its terms.

IN WITNESS WHEREOF, the parties have executed this Amendment No. 3 to the Contract as of the dates set forth below.

Item# 22-0062
Munis Contract# 3203137

CITY OF SANTA FE
GENERAL SERVICES CONTRACT

Printing of Annual Visitors Guide

THIS AGREEMENT is made and entered into by and between the City of Santa Fe, TOURISM Santa Fe, herein after referred to as the "City", and **MITTERA** herein after referred to as the "Contractor."

WHEREAS, pursuant to the Procurement Code, NMSA 1978 13-1-28 *et. seq.* and the City of Santa Fe Procurement Manual, the Contractor has held itself out as an entity with the ability to provide the required services to implement the Scope of Work as contained herein and the City of Santa Fe has selected the Contractor as the Offeror most advantageous to the City of Santa Fe; and

WHEREAS, all terms and conditions of ITB # 22/19/B and the Contractor's response to such document(s) are incorporated herein by reference; and

WHEREAS, all Parties agree that, pursuant to the Procurement Code, NMSA 1978 13-1-28 *et. seq.* this award was made.

IT IS MUTUALLY AGREED BETWEEN THE PARTIES:

1. **Definitions**

A. "Products and Services Schedule" refers to the complete list of products and services offered under this Agreement and the price for each. Product and service descriptions may be amended with the prior approval of the Agreement Administrator. New products and services shall not be added to the Products and Services Schedule.

B. "Business Hours" means 8:00 a.m. to 5:00 p.m. Mountain Time.

C. "You" and "your" refers to **MITTERA**. "We," "us" or "our" refers to the City and whose accounts are created under this Agreement.

2. **Scope of Work**

A. The Contractor shall perform the work as outlined in following Specifications and incorporated herein by reference.

Item# 22-0062
Munis Contract# 3203137

CITY OF SANTA FE
GENERAL SERVICES CONTRACT

Printing of Annual Visitors Guide

THIS AGREEMENT is made and entered into by and between the City of Santa Fe, TOURISM Santa Fe, herein after referred to as the "City", and MITTERA herein after referred to as the "Contractor."

WHEREAS, pursuant to the Procurement Code, NMSA 1978 13-1-28 *et. seq.* and the City of Santa Fe Procurement Manual, the Contractor has held itself out as an entity with the ability to provide the required services to implement the Scope of Work as contained herein and the City of Santa Fe has selected the Contractor as the Offeror most advantageous to the City of Santa Fe; and

WHEREAS, all terms and conditions of ITB # 22/19/B and the Contractor's response to such document(s) are incorporated herein by reference; and

WHEREAS, all Parties agree that, pursuant to the Procurement Code, NMSA 1978 13-1-28 *et. seq.* this award was made.

IT IS MUTUALLY AGREED BETWEEN THE PARTIES:

1. Definitions

A. "Products and Services Schedule" refers to the complete list of products and services offered under this Agreement and the price for each. Product and service descriptions may be amended with the prior approval of the Agreement Administrator. New products and services shall not be added to the Products and Services Schedule.

B. "Business Hours" means 8:00 a.m. to 5:00 p.m. Mountain Time.

C. "You" and "your" refers to MITTERA. "We," "us" or "our" refers to the City and whose accounts are created under this Agreement.

2. Scope of Work

A. The Contractor shall perform the work as outlined in following Specifications and incorporated herein by reference.

The Contractor shall perform Printing of Annual Santa Fe Visitors Guide and Mailing Envelopes. The Visitors Guide Scope (digital example of 2021 Visitors Guide can be found at https://issuu.com/visitsantafe/docs/santafevisitorsguide2022:

- Print-ready files provided by TOURISM Santa Fe to selected vendor
- Shipping/Delivery: Approx. cost to ship to Santa Fe, NM 87501, delivered December 2021/January 2022
- 116 pages (112 pages, plus 4-page cover)
- Paper: 45# or 50# Interior, 80# Cover
- Ink: 4 Color Process, Gloss Varnish
- Quantity: 250,000 run
- Trim Size: 5.375 x 8.375
- Bindery: Perfect bound

3. **Compensation**

The City shall pay to the Contractor based upon fixed prices for each Deliverable item as listed here.

Deliverable item:		U/I (unit of issue)	Price
01	250,000		$120,481.65

The total compensation under this Agreement shall not exceed One Hundred Twenty Thousand Four Hundred Eighty-one dollars and sixty-five cents (**$120,481.65**), including New Mexico gross receipts tax.

4. **Payment Provisions**

All payments under this Agreement are subject to the following provisions.

A. Acceptance - In accordance with Section 13-1-158 NMSA 1978, the City shall determine if the product or services provided meet specifications. Until the products or services have been accepted in writing by the City, the City shall not pay for any products or services. Unless otherwise agreed upon between the City and the Contractor, within thirty (30) days from the date the City receives written notice from the Contractor that payment is requested for services or within thirty (30) days from the receipt of products, the City shall issue a written certification (by letter or email) of complete or partial acceptance or rejection of the products or services. Unless the City gives notice of rejection within the specified time period, the products or services will be deemed to have been accepted.

B. Payment of Invoice - Upon acceptance that the products or services have been received and accepted, payment shall be tendered to the Contractor within thirty (30) days after the date of invoice. After the thirtieth day from the date that written certification of acceptance is issued, late payment charges shall be paid on the unpaid balance due on the contract to the

Contractor at the rate of 1.5 % per month. Contractor may submit invoices for payment no more frequently than monthly. Payment will be made to the Contractor's designated mailing address. Payment on each invoice shall be due within 30 days from the date of the acceptance of the invoice. The City agrees to pay in full the balance shown on each account's statement, by the due date shown on said statement.

5. Term

THIS AGREEMENT SHALL NOT BECOME EFFECTIVE UNTIL APPROVED IN WRITING BY THE CITY. This Agreement shall begin on date approved by the City, and end on June 30, 2026. The City reserves the right to renew the contract on an annual basis by mutual Agreement not exceed a total of four years in accordance with NMSA 1978, §§ 13-1-150 through 152.

6. Default and Force Majeure

The City reserves the right to cancel all or any part of any orders placed under this contract without cost to the City, if the Contractor fails to meet the provisions of this contract and, except as otherwise provided herein, to hold the Contractor liable for any excess cost occasioned by the City due to the Contractor's default. The Contractor shall not be liable for any excess costs if failure to perform the order arises out of causes beyond the control and without the fault or negligence of the Contractor; such causes include, but are not restricted to, acts of God or the public enemy, acts of the State or Federal Government, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, unusually severe weather and defaults of sub-contractors due to any of the above, unless the City shall determine that the supplies or services to be furnished by the sub-contractor were obtainable from other sources in sufficient time to permit the Contractor to meet the required delivery scheduled. The rights and remedies of the City provided in this paragraph shall not be exclusive and are in addition to any other rights now being provided by law or under this contract.

7. Termination

A. Grounds. The City may terminate this Agreement for convenience or cause. The Contractor may only terminate this Agreement based upon the City's uncured, material breach of this Agreement.

B. Notice; City Opportunity to Cure.

1) Except as otherwise provided in Paragraphs 7.A and 17, the City shall give Contractor written notice of termination at least thirty (30) days prior to the intended date of termination.

2) Contractor shall give City written notice of termination at least thirty (30) days prior to the intended date of termination, which notice shall (i) identify all the City's material breaches of this Agreement upon which the termination is based and (ii) state what the City must do to cure such material breaches. Contractor's notice of termination shall only be effective (i) if the City does not cure all material breaches within the thirty (30) day notice period or (ii) in the case of material breaches that cannot be cured within thirty (30) days, the City does

not, within the thirty (30) day notice period, notify the Contractor of its intent to cure and begin with due diligence to cure the material breach.

3) Notwithstanding the foregoing, this Agreement may be terminated immediately upon written notice to the Contractor (i) if the Contractor becomes unable to perform the services contracted for, as determined by the City; (ii) if, during the term of this Agreement, the Contractor is suspended or debarred by the City; or (iii) the Agreement is terminated pursuant to Paragraph 17, "Appropriations", of this Agreement.

C. Liability. Except as otherwise expressly allowed or provided under this Agreement, the City's sole liability upon termination shall be to pay for acceptable work performed prior to the Contractor's receipt or issuance of a notice of termination; provided, however, that a notice of termination shall not nullify or otherwise affect either party's liability for pre-termination defaults under or breaches of this Agreement. The Contractor shall submit an invoice for such work within thirty (30) days of receiving or sending the notice of termination. *THIS PROVISION IS NOT EXCLUSIVE AND DOES NOT WAIVE THE CITY'S OTHER LEGAL RIGHTS AND REMEDIES CAUSED BY THE CONTRACTOR'S DEFAULT/BREACH OF THIS AGREEMENT.*

8. **Amendment**

A. This Agreement shall not be altered, changed or amended except by instrument in writing executed by the parties hereto and all other required signatories.

B. If the City proposes an amendment to the Agreement to unilaterally reduce funding due to budget or other considerations, the Contractor shall, within thirty (30) days of receipt of the proposed Amendment, have the option to terminate the Agreement, pursuant to the termination provisions as set forth in Paragraph 7 herein, or to agree to the reduced funding.

9. **Status of Contractor**

The Contractor, and Contractor's agents and employees, are independent Contractors for the City and are not employees of the City. The Contractor, and Contractor's agents and employees, shall not accrue leave, retirement, insurance, bonding, use of City vehicles, or any other benefits afforded to employees of the City as a result of this Agreement. The Contractor acknowledges that all sums received hereunder are personally reportable by the Contractor for income tax purposes, including without limitation, self-employment tax and business income tax. The Contractor agrees not to purport to bind the City unless the Contractor has written authority to do so, and then only within the strict limits of that authority.

10. **Assignment**

The Contractor shall not assign or transfer any interest in this Agreement or assign any claims for money due or to become due under this Agreement without the prior written approval of the City.

11. Subcontracting

The Contractor shall not subcontract any portion of the services to be performed under this Agreement without the prior written approval of the City. No such subcontract shall relieve the primary Contractor from its obligations and liabilities under this Agreement, nor shall any subcontract obligate direct payment from the City.

12. Non-Collusion

In signing this Agreement, the Contractor/Contractor certifies the Contractor/Contractor has not, either directly or indirectly, entered into action in restraint of free competitive bidding in connection with this offer submitted to the City.

13. Inspection of Plant

The City may inspect, at any reasonable time during Contractor's regular business hours and upon prior written notice, the Contractor's plant or place of business, or any subcontractor's plant or place of business, which is related to the performance of this contract.

14. Commercial Warranty

The Contractor agrees that the tangible personal property or services furnished under this Agreement shall be covered by the most favorable commercial warranties the Contractor gives to any customer for such tangible personal property or services, and that the rights and remedies provided herein shall extend to the City and are in addition to and do not limit any rights afforded to the City by any other clause of this order. Contractor agrees not to disclaim warranties of fitness for a particular purpose or merchantability.

15. Condition of Proposed Items

Where tangible personal property is a part of this Agreement, all proposed items are to be NEW and of most current production, unless otherwise specified.

16. Records and Audit

During the term of this Agreement and for three years thereafter, the Contractor shall maintain detailed records pertaining to the services rendered and products delivered. These records shall be subject to inspection by the City, the State Auditor and other appropriate state and federal authorities. The City shall have the right to audit billings both before and after payment. Payment under this Agreement shall not foreclose the right of the City to recover excessive or illegal payments.

17. Appropriations

The terms of this Agreement, and any orders placed under it, are contingent upon sufficient appropriations and authorization being made by the City Council for the performance

of this Agreement. If sufficient appropriations and authorization are not made by the legislature, this Agreement, and any orders placed under it, shall terminate upon written notice being given by the City to the Contractor. The City's decision as to whether sufficient appropriations are available shall be accepted by the Contractor and shall be final. If the City proposes an amendment to the Agreement to unilaterally reduce funding, the Contractor shall have the option to terminate the Agreement or to agree to the reduced funding, within thirty (30) days of receipt of the proposed amendment.

18. **Release**

The Contractor, upon final payment of the amount due under this Agreement, releases the City, its officers and employees from all liabilities, claims and obligations whatsoever arising from or under this Agreement. The Contractor agrees not to purport to bind the City, unless the Contractor has express written authority to do so, and then only within the strict limits of that authority.

19. **Confidentiality**

Any confidential information provided to or developed by the Contractor in the performance of this Agreement shall be kept confidential and shall not be made available to any individual or organization by the Contractor without prior written approval by the City.

20 **Conflict of Interest**

A. The Contractor represents and warrants that it presently has no interest and, during the term of this Agreement, shall not acquire any interest, direct or indirect, which would conflict in any manner or degree with the performance or services required under the Agreement. The Contractor shall comply with any applicable provisions of the New Mexico Governmental Conduct Act and the New Mexico Financial Disclosures Act.

B. The Contractor further represents and warrants that it has complied with, and, during the term of this Agreement, will continue to comply with, and that this Agreement complies with all applicable provisions of the Governmental Conduct Act, Chapter 10, Article 16 NMSA 1978.

C. Contractor's representations and warranties in Paragraphs A and B of this Paragraph are material representations of fact upon which the City relied when this Agreement was entered into by the parties. Contractor shall provide immediate written notice to the City if, at any time during the term of this Agreement, Contractor learns that Contractor's representations and warranties in Paragraphs A and B of this Paragraph 20 were erroneous on the effective date of this Agreement or have become erroneous by reason of new or changed circumstances. If it is later determined that Contractor's representations and warranties in Paragraphs A and B of this Paragraph 20 were erroneous on the effective date of this Agreement or have become erroneous by reason of new or changed circumstances, in addition to other remedies available to the City and notwithstanding anything in the Agreement to the contrary, the City may immediately terminate the Agreement.

D. All terms defined in the Governmental Conduct Act have the same meaning in this section.

21. Approval of Contractor Representative(s)

The City reserves the right to require a change in Contractor representative(s) if the assigned representative(s) are not, in the opinion of the City, adequately serving the needs of the City.

22. Scope of Agreement; Merger

This Agreement incorporates all the agreements, covenants, and understandings between the parties hereto concerning the subject matter hereof, and all such covenants, agreements and understandings have been merged into this written Agreement. No prior agreements or understandings, verbal or otherwise, of the parties or their agents shall be valid or enforceable unless embodied in this Agreement.

23. Notice

The Procurement Code, Sections 13-1-28 through 13-1-199 NMSA 1978, imposes civil and criminal penalties for its violation. In addition, the New Mexico criminal statutes impose felony penalties for bribes, gratuities and kickbacks.

24. Equal Opportunity Compliance

The Contractor agrees to abide by all federal and state laws, and local Ordinances, pertaining to equal employment opportunity. In accordance with all such laws, rules, and regulations, the Contractor agrees to assure that no person in the United States shall on the grounds of race, religion, color, national origin, ancestry, sex, age, physical or mental handicap, or serious medical condition, spousal affiliation, sexual orientation or gender identity, be excluded from employment with or participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity performed under this Agreement. If Contractor is found not to be in compliance with these requirements during the life of this Agreement, Contractor agrees to take appropriate steps to correct these deficiencies.

25. Indemnification

The Contractor shall hold the City and its employees harmless and shall indemnify the City and its employees against any and all claims, suits, actions, liabilities and costs of any kind, including attorney's fees for personal injury or damage to property arising from the acts or omissions of the Contractor, its agents, officers, employees or subcontractors. The Contractor shall not be liable for any injury or damage as a result of any negligent act or omission committed by the City, its officers or employees.

26. New Mexico Tort Claims Act

Any liability incurred by the City of Santa Fe in connection with this Agreement is subject to the immunities and limitations of the New Mexico Tort Claims Act, Section 41-4-1, et. seq. NMSA 1978, as amended. The City and its "public employees" as defined in the New Mexico Tort Claims Act, do not waive sovereign immunity, do not waive any defense and do not waive any limitation of liability pursuant to law. No provision in this Agreement modifies or waives any provision of the New Mexico Tort Claims Act.

27. Applicable Law

The laws of the State of New Mexico shall govern this Agreement, without giving effect to its choice of law provisions. Venue shall be proper only in a New Mexico court of competent jurisdiction in accordance with NMSA 1978, § 38-3-2.By execution of this Agreement, Contractor acknowledges and agrees to the jurisdiction of the courts of the State of New Mexico over any and all lawsuits arising under or out of any term of this Agreement.

28. Limitation of Liability

The Contractor's liability to the City, for any cause whatsoever shall be limited to the purchase price paid to the Contractor for the products and services that are the subject of the City's, claim. The foregoing limitation does not apply to paragraph 25 of this Agreement or to damages resulting from personal injury caused by the Contractor's negligence.

29. Incorporation by Reference and Precedence

If this Agreement has been procured pursuant to a request for proposals, this Agreement is derived from (1) the request for proposal, (including any written clarifications to the request for proposals and any City response to questions); (2) the Contractor's best and final offer; and (3) the Contractor's response to the request for proposals.

In the event of a dispute under this Agreement, applicable documents will be referred to for the purpose of clarification or for additional detail in the following order of precedence: (1) amendments to the Agreement in reverse chronological order; (2) the Agreement, including the scope of work and all terms and conditions thereof; (3) the request for proposals, including attachments thereto and written responses to questions and written clarifications; (4) the Contractor's best and final offer if such has been made and accepted by the City; and (5) the Contractor's response to the request for proposals.

30. Workers' Compensation

The Contractor agrees to comply with state laws and rules applicable to workers' compensation benefits for its employees. If the Contractor fails to comply with the Workers' Compensation Act and applicable rules when required to do so, this Agreement may be terminated by the City.

31 Inspection

If this contract is for the purchase of tangible personal property (goods), final inspection and acceptance shall be made at Destination. Tangible personal property rejected at Destination for non-conformance to specifications shall be removed at Contractor's risk and expense promptly after notice of rejection and shall not be allowable as billable items for payment.

32 Inspection of Services

If this contract is for the purchase of services, the following terms shall apply:

A. Services, as used in this Article, include services performed, workmanship, and material furnished or utilized in the performance of services.

B. The Contractor shall provide and maintain an inspection system acceptable to the City covering the services under this Agreement. Complete records of all inspection work performed by the Contractor shall be maintained and made available to the City and for as long thereafter as the Agreement requires. The City has the right to inspect and test all services contemplated under this Agreement to the extent practicable at all times and places during the term of the Agreement. The City shall perform inspections and tests in a manner that will not unduly delay or interfere with Contractor's performance.

C. If the City performs inspections or tests on the premises of the Contractor or a subcontractor, the Contractor shall furnish, and shall require subcontractors to furnish, at no increase in contract price, all reasonable facilities and assistance for the safe and convenient performance of such inspections or tests.

D. If any part of the services do not conform with the requirements of this Agreement, the City may require the Contractor to re-perform the services in conformity with the requirements of this Agreement at no increase in contract amount. When the defects in services cannot be corrected by re-performance, the City may:

(1) require the Contractor to take necessary action(s) to ensure that future performance conforms to the requirements of this Agreement; and

(2) reduce the contract price to reflect the reduced value of the services performed.

E. If the Contractor fails to promptly re-perform the services or to take the necessary action(s) to ensure future performance in conformity with the requirements of this Agreement, the City may:

(1) by contract or otherwise, perform the services and charge to the Contractor any cost incurred by the City that is directly related to the performance of such service; or

(2) terminate the contract for default.

33. Insurance

If the services contemplated under this Agreement will be performed on or in City facilities or property, Contractor shall maintain in force during the entire term of this Agreement the following insurance coverage(s), naming the City as additional insured:

A. Commercial General Liability insurance shall be written on an occurrence basis and be as broad as ISO Form CG 00 01 with limits not less than $2,000,000 per occurrence and $2,000,000 in the aggregate for claims against bodily injury, personal and advertising injury, and property damage. Said policy shall include broad form Contractual Liability coverage and be endorsed to name the City of Santa Fe their officials, officers, employees, and agents as additional insureds.

B. Business Automobile Liability insurance for all owned, non-owned automobiles, with a combined single limit not less than $1,000,000 per accident.

C. Broader Coverage and Limits. The insurance requirements under this Agreement shall be the greater of (1) the minimum coverage and limits specified in this Agreement, or (2) the broader coverage and maximum limits of coverage of any insurance policy or proceeds available to the Named Insured. It is agreed that these insurance requirements shall not in any way act to reduce coverage that is broader or that includes higher limits than the minimums required herein. No representation is made that the minimum insurance requirements of this Agreement are sufficient to cover the obligations of Contractor hereunder.

D. Contractor shall maintain the above insurance for the term of this Agreement and name the City as an additional insured and provide for 30 days cancellation notice on any Certificate of Insurance form furnished by Contractor. Such certificate shall also specifically state the coverage provided under the policy is primary over any other valid and collectible insurance and provide a waiver of subrogation.

34. Impracticality of Performance

A party shall be excused from performance under this Agreement for any period that the party is prevented from performing as a result of an act of God, strike, war, civil disturbance, epidemic, or court order, provided that the party has prudently and promptly acted to take any and all steps that are within the party's control to ensure performance. Subject to this provision, such non-performance shall not be deemed a default or a ground for termination.

35. Invalid Term or Condition

If any term or condition of this Agreement shall be held invalid or unenforceable, the remainder of this Agreement shall not be affected and shall be valid and enforceable.

36. Enforcement of Agreement

A party's failure to require strict performance of any provision of this Agreement shall not waive or diminish that party's right thereafter to demand strict compliance with that or any other provision. No waiver by a party of any of its rights under this Agreement shall be effective unless express and in writing, and no effective waiver by a party of any of its rights shall be effective to waive any other rights.

37. Patent, Copyright and Trade Secret Indemnification

A. The Contractor shall defend, at its own expense, the City against any claim that any product or service provided under this Agreement infringes any patent, copyright to trademark in the United States or Puerto Rico, and shall pay all costs, damages and attorneys' fees that a court finally awards as a result of any such claim. In addition, if any third party obtains a judgment against the City based upon Contractor's trade secret infringement relating to any product or services provided under this Agreement, the Contractor agrees to reimburse the City for all costs, attorneys' fees and amount of the judgment. To qualify for such defense and or payment, the City shall:

1) give the Contractor prompt written notice within 48 hours of any claim;
2) allow the Contractor to control the defense or settlement of the claim; and
3) cooperate with the Contractor in a reasonable way to facilitate the defense or settlement of the claim.

B. If any product or service becomes, or in the Contractor's opinion is likely to become the subject of a claim of infringement, the Contractor shall at its option and expense:

1) provide the City the right to continue using the product or service and fully indemnify the City against all claims that may arise out of the City's use of the product or service;

2) replace or modify the product or service so that it becomes non-infringing; or,

3) accept the return of the product or service and refund an amount equal to the value of the returned product or service, less the unpaid portion of the purchase price and any other amounts, which are due to the Contractor. The Contractor's obligation will be void as to any product or service modified by the City to the extent such modification is the cause of the claim.

38. Survival

The Agreement paragraphs titled "Patent, Copyright, Trademark, and Trade Secret Indemnification; Indemnification, and Limit of Liability" shall survive the expiration of this Agreement. Software licenses, leases, maintenance and any other unexpired Agreements that were entered into under the terms and conditions of this Agreement shall survive this Agreement.

39. Disclosure Regarding Responsibility

A. Any prospective Contractor and any of its Principals who enter into a contract greater than sixty thousand dollars ($60,000.00) with any City for professional services, tangible personal property, services or construction agrees to disclose whether the Contractor, or any principal of the Contractor's company is presently debarred, suspended, proposed for debarment, or declared ineligible for award of contract by any federal entity, state agency or local public body.

B. Principal, for the purpose of this disclosure, means an officer, director, owner, partner, or a person having primary management or supervisory responsibilities within a business entity or

related entities.

C. The Contractor shall provide immediate written notice to the City if, at any time during the term of this Agreement, the Contractor learns that the Contractor's disclosure was at any time erroneous or became erroneous by reason of changed circumstances.

D. A disclosure that any of the items in this requirement exist will not necessarily result in termination of this Agreement. However, the disclosure will be considered in the determination of the Contractor's responsibility and ability to perform under this Agreement. Failure of the Contractor to furnish a disclosure or provide additional information as requested will be grounds for immediate termination of this Agreement pursuant to the conditions set forth in Paragraph 7 of this Agreement.

E. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render, in good faith, the disclosure required by this document. The knowledge and information of a Contractor is not required to exceed that which is the normally possessed by a prudent person in the ordinary course of business dealings.

F. The disclosure requirement provided is a material representation of fact upon which reliance was placed when making an award and is a continuing material representation of the facts during the term of this Agreement. If during the performance of the contract, the Contractor is indicted for or otherwise criminally or civilly charged by any government entity (federal, state or local) with commission of any offenses named in this document the Contractor must provide immediate written notice to the City. If it is later determined that the Contractor knowingly rendered an erroneous disclosure, in addition to other remedies available to the Government, the City may terminate the involved contract for cause. Still further the City may suspend or debar the Contractor from eligibility for future solicitations until such time as the matter is resolved to the satisfaction of the City.

40. <u>Suspension, Delay or Interruption of Work</u>

The City may, without cause, order the Contractor, in writing, to suspend, delay or interrupt the work in whole or in part for such period of time as the City may determine. The contract sum and contract time shall be adjusted for increases in cost and/or time associated with Contractor's compliance therewith. Upon receipt of such notice, Contractor shall leave the jobsite and any equipment in a safe condition prior to departing. Contractor must assert rights to additional compensation within thirty (30) days after suspension of work is lifted and return to work is authorized. Any compensation requested for which entitlement is granted and the contract sum adjusted, shall have profit included (for work completed) and for cost only (not profit) for Contractor costs incurred directly tied to the suspension itself and not otherwise covered by Contract remedy. Any change in Total Compensation must be reflected in an Amendment executed pursuant to Section 8 of this Agreement.

41. **Notification**

Either party may give written notice to the other party in accordance with the terms of this Paragraph. Any written notice required or permitted to be given hereunder shall be deemed to have been given on the date of delivery if delivered by personal service or hand delivery or three (3) business days after being mailed.

To the City: TOURISM Santa Fe, Randy Randall, Executive Director, [redacted], 505-955-6209, 201 West Marcy St. Santa Fe, NM 87501

To the Contractor: MITTERA, Harry Tomlinson, Bus. Dev. Director, [redacted], 817-901-9430

Either party may change its representative or address above by written notice to the other in accordance with the terms of this Paragraph. The carrier for mail delivery and notices shall be the agent of the sender.

To the Contractor: MITTERA, Harry Tomlinson, Bus. Dev. Director, [redacted], 817-901-9430

42. **Succession**

This Agreement shall extend to and be binding upon the successors and assigns of the parties.

IN WITNESS WHEREOF, the Parties have executed this Agreement as of the date of the signature by the required approval authorities below.

TO: Governing Body

FROM: Chelsey Johnson, Arts and Culture Director

RE: Request for FY26 BAR for Arts & Culture

ACTION:

The Arts and Culture Department respectfully requests approval of $440,000 in one-time funding from current Lodger's Tax balances to assist in funding community events, art in public places, and grants and services for FY26.

BACKGROUND AND SUMMARY:

In FY26, Arts and Culture is managing and supporting significant one-time initiatives. These include:

- Restoring and expanding our art in public places portfolio, including maintenance of current works, revamping and installing signage, and preparing new calls for sculptures and murals
- public programming for the 20th anniversary of Santa Fe's prestigious UNESCO Creative City designation
- expanded our one-time event funding of popular and culturally relevant Santa Fe events including the Honoring Native Nations Pow Wow on the Plaza, the Wonderful Fantastic Hip Hop Festival, Lowrider Day on the Plaza, Canyon Road Summer Walks and Guadalupe Winter Walk, the Recycled Art Show, the Tewa Nangeh exhibit at Georgia O'Keeffe, and more
- funding a feasibility study for the future restoration and operation of the Garson Theater at Midtown, in collaboration with the Midtown Redevelopment Authority

We therefore request a BAR of funds from our Lodger's Tax balance reserves to pay for these operations.

CITY OF SANTA FE

The Purchasing Memo

Date: December 4, 2025

To: Governing Body and Finance Committee

From: Andrea Phillips, Deputy City Manager ANDREA PHILLIPS (Dec 5, 2025 10:09:03 MST)

Via: Mark Scott, City Manager Mark Scott (Dec 5, 2025 11:02:22 MST)

Subject: Contract Amendment #1-Arthur J. Gallagher-FY26 Insurance Premiums

Vendor Name: Arthur J. Gallagher & Co

Munis Vendor Number: Item #25-0278 (Munis number 3250637)

ITEM AND ISSUE:

The City Manager/Risk Management Office respectfully requests your review and approval of Contract Amendment #1 with Arthur J. Gallagher & Co. for an additional $174,020 for inland marine insurance premiums and additional premiums resulting from possible policy audits for a total new contract amount of $4,133,989.08.

CONTRACT NUMBER:

The FY26 Munis contract number is #3260029

BACKGROUND AND SUMMARY:

Arthur J. Gallagher was selected through a competitive RFP process (#25127) to serve as the City's broker for comprehensive insurance coverage. The City's plan year is July 1 to June 30 and each year the City must renew these policies. Funding for the premiums is budgeted in FY 2026. At the June 25 Governing Body meeting, Council authorized the professional services contract with Arthur J. Gallagher for a four-year period and on June 30, 2025, the Governing Body authorized insurance coverages/premiums with several carriers through the Broker. Recently, AJ Gallagher notified the city that the inland marine/commercial equipment coverage was not included in the quotes/proposals that was approved by the Governing Body, although it is part of the Hanover policy. The city is covered, but payment is due. This type of coverage is offered through Hanover, which also provides the City's automobile/vehicle coverage. The quote for this coverage is $49,020, and covers heavy equipment and machinery such as backhoes, trailers, street sweepers, loaders, etc.

In addition to the cost of the premium for inland marine coverage, staff seek approval for an additional amount of $125,000 in this fiscal year to cover additional premium costs, should they be assessed on the city as a result of policy audits. Costs are based on the information provided to the insurers; and therefore, premium costs may fluctuate throughout the year as items come off or are added to the policy. For example, the city's workers' compensation policy/program is currently being audited, which could result in additional premiums with audited payroll and classification information. The Excess Workers' Compensation policy is audited annually at policy expiration. The "estimated" payroll is provided when the policy is renewed and the "actual" payroll is requested at expiration through an audit. The difference in the two numbers will generate additional or return premiums.

The city's vehicle/auto listing may also be audited, which could result in additional costs. As the city adds additional vehicles, equipment and properties in the remaining months of the year, additional premiums under those respective policies. The carrier will take the difference in number of autos/equipment submitted from the expiring policy term and the renewal term and the difference in the two numbers will generate additional or return premiums.

CITY OF SANTA FE

Annual Insurance Premiums

AMENDMENT NO. ONE TO

CONTRACT # 3260029

This AMENDMENT No. One the "Amendment") amends the CITY OF SANTA FE CONTRACT, dated June 30, 2025 (the "Contract"), between the City of Santa Fe (the "City") and Arthur J. Gallagher ("Gallagher" or "Contractor"). The date of this Amendment shall be the date when it is executed by the City and the Contractor whichever occurs last.

1. RECITALS

A. Under the terms of the subject Contract, Contractor has agreed to provide the City with Annual Insurance Premiums and through the parent contract, Item #25-0278 (Munis number 3250637) related broker services, including administration of insurance premium payments made to carriers on behalf of the City.

B. The Parties acknowledge that a needed coverage for the 25/26 policy period was omitted from the original premium calculation ("omitted coverage"), and that certain lines of coverage under the Contract are subject to carrier audits which may result in additional premiums ("Audit Premiums").

C. Pursuant to the Amendment Article of the original Contract, and for good and valuable consideration, the receipt and sufficiency of which are acknowledged by the Parties, the City and the Contractor agree as follows:

2. SCOPE OF WORK

Article 1 of the Arthur J. Gallagher Contract To Proposal For Insurance (Contract No. 3260029 Item and No.25-0291) is amended to increase the amount of compensation by a total of $174,020.00 so that the following paragraph, inserted after the Coverage/Carrier table, reads as follows:

> The City shall compensate the Contractor based the required types of insurance. For the types of insurance required, the City agrees pay the Contractor $4,133,989.08. Invoicing and Payment Terms Payment will be made upon the City's acceptance of deliverables and receipt of a detailed, certified invoice from the Contractor. Payments will be sent to the Contractor’s designated address. The City

shall issue payment in accordance with the timelines required by law.

3. CONTRACT IN FULL FORCE

Except as specifically provided in this Amendment, the Contract remains and shall remain in full force and effect, in accordance with its terms.

[REMAINDER OF PAGE INTENTIONALLY LEFT BLANK]

[SIGNATURE PAGE TO FOLLOW]

IN WITNESS WHEREOF, the Parties have executed this Amendment as of the date of the signature by the required approval authority below.

Exposures and Values

The City confirm the payroll, values, schedules, and any other information pertaining to the City's operations, and submitted to the underwriters, were compiled from information provided by the City. If no updates were provided to Gallagher, the values, exposures and operations used were based on the expiring policies. The City acknowledges it is its responsibility to notify Gallagher of any material change in its operations or exposures.

Additional Terms and Disclosures

Gallagher is not an expert in all aspects of the City's business. Gallagher's Proposals for insurance are based upon the information concerning the City business that was provided to Gallagher by the City. Gallagher expects the information the City provides is true, correct and complete in all material respects. Gallagher assumes no responsibility to independently investigate the risks that may be facing the City's business, but rather have relied upon the information the City provides to Gallagher in making our insurance Proposals.

The terms of Item # 25-0278 , in particular paragraphs 23 and 24 of Item # 25-0278, govern this contract **to the extent they conflict with the terms of this contract**. Gallagher's liability to the City arising from any of Gallagher's acts or omissions will not exceed $20 million in the aggregate. The parties each will only be liable for actual damages incurred by the other party, and will not be liable for any indirect, special, exemplary, consequential, reliance or punitive damages. No claim or cause of action, regardless of form (tort, contract, statutory, or otherwise), arising out of, relating to or in any way connected with the Proposal, any of Gallagher's services or your relationship with Gallagher may be brought by either party any later than two (2) years after the accrual of the claim or cause of action.

Gallagher shall protect the City's confidential information from unauthorized use or disclosure pursuant to Gallagher's Privacy Policy located at https://www.ajg.com/privacy-policy/.

The City has read, understands and agrees that the information contained in Exhibit A and all documents attached to and incorporated into the Exhibit A, is correct and has been disclosed to the City prior to authorizing Gallagher to bind coverage and/or provide services to the City. By signing below, or authorizing Gallagher to bind the City's insurance coverage through email when allowed, the City acknowledge the City has reviewed and agrees with terms, conditions and disclosures contained in the Exhibit A.

IN WITNESS WHEREOF, the Parties have executed this Contract as of the date of the signature by the required approval authorities below.

Andrew Hopkins, Budget Officer

SUBJECT: Request for Approval of a Budget Amendment Resolution (BAR) to Allocate $3,070,059.00 from Prior Year (FY2025) General Fund Balances to Establish Budget Authority for Transfers to the Affordable Housing Trust Fund (AHTF) Discussed in Prior Years Budget Narrative

---

BACKGROUND AND SUMMARY:
Since at least the inception of the Munis ERP system in FY2020 the financial activity of the Affordable Housing Trust Fund (AHTF) has been accounted for in the Community Development Fund (Munis Fund 240). Other activities unrelated to the AHTF are also accounted for in the Community Development Fund.

In FY2025 the Finance Department and the Office of Affordable Housing began a project to reconcile and separate the activity of the AHTF from other transactions recorded in the Community Development Fund. In the City's financial statements for the year ended June 30, 2025 the AHTF will be presented as a separate fund, and in fiscal year 2026 (FY26) the process to establish a separate fund for the AHTF in Munis is underway. The unaudited Affordable Housing Trust Fund Analysis is included as Attachment B to this memo. The projected unaudited FY26 year-end balance of the AHTF is $5,052,871.25.

In the process of reconciling the AHTF activity in the Community Development Fund a discrepancy in the transfers into the fund was identified for fiscal years 2022, 2023 and 2024 (FY22, FY23 and FY24). Inquiries with staff identified a misunderstanding about terminology related to transfers of amounts budgeted to fund AHTF activity. The misunderstanding was that although $3M per year was available to be spent from the AHTF, and the Community Development Commission awarded the full amount in grants each year, the actual expenditures charged by grant recipients came in at a lower amount. When Finance staff executed the transfers the amount needed to cover the actual expenditures of the AHTF was transferred, not the full $3M per year. As a result, the amount transferred into the AHTF for FY22, FY23, and FY24 was less than $3M per year. Please see Table 1 for the detail by fiscal year.

TABLE 1

Fiscal Year	Amount Allocated/Invested in AHTF in Budget Book	Actual Transfers into AHTF	Difference
FY2026 (as of 11/13/25)	$ 3,000,000.00	$ 3,000,000.00	$ -
FY2025	$ 3,000,000.00	$ 3,750,000.00	$ (750,000.00)
FY2024	$ 3,000,000.00	$ 587,810.00	$ 2,412,190.00
FY2023	$ 3,000,000.00	$ 2,480,024.00	$ 519,976.00
FY2022	$ 3,000,000.00	$ 2,112,107.00	$ 887,893.00
FY2021	$ 1,500,000.00	$ 1,500,000.00	$ -
TOTAL	**$ 16,500,000.00**	**$ 13,429,941.00**	**$ 3,070,059.00**

In the process of preparing the Affordable Housing Trust Fund Analysis (Attachment B to this memo), Finance staff and Affordable Housing staff reviewed contracts for prior year AHTF grant awards to identify contracts that were unexpired and had amounts remaining to be spent. The prior-year obligations of the AHTF consist of two FY24 awards to the Santa Fe Civic Housing Authority totaling $1,000,000 and one FY22 award to Bella Luz Apartments 2022 LLP for the Lamplighter project totaling $321,594.28.

ACTION REQUESTED:
Request for approval of the attached Budget Amendment Resolution (BAR) in the amount of $3,070,059.00. This request is necessary to establish budget authority for transfers to the Affordable Housing Trust Fund (AHTF) originally discussed in the FY22, FY23 and FY24 budget books. This transfer is also needed to fund amounts remaining on unexpired contracts from prior year AHTF grants totaling $1,321,594.28.

If this BAR is approved by the Governing Body, Finance staff will transfer $3,070,059.00 from the General Fund fund balance to the Affordable Housing Trust Fund. The preliminary unaudited estimated 6/30/25 fund balance of the General Fund is $62,607,645.31 as shown in Attachment C to this memo. The proposed BAR and transfer will bring the total actual transfers into the AHTF to $16,500,000.00 for FY21, FY22, FY23, FY24, FY25, and FY26 as discussed in the narrative for the City's operating budgets for those fiscal years.

CITY OF SANTA FE

The Purchasing Memo

Date: November 18, 2025

To: Governing Body, Finance Committee, and Quality of Life Committee

From: Destiny Duran, Administrative Manager

Via: Raymond Scott Gunter, Procurement Manager

Subject: WEX, Sourcewell Master Agreement

Vendor Name: WEX Bank DBA Wright Express

Munis Vendor Number: 4329

ITEM AND ISSUE:

Finance Department respectfully requests your review and approval of a General Services Contract in the total amount of $9,600,000.00 excluding GRT for WEX Fuel Cards. The amount of this contract shall be evaluated at the end of each contract year.

The term of this Agreement shall be for four (4) years from the effective date. All parties may agree to up to three (3) additional one-year extensions beyond the original four-year term. The total possible length of this Agreement, including extensions, shall not exceed seven (7) years from the original effective date. With WEX Bank DBA Wright Express.

+

CONTRACT NUMBER:

TBD

BACKGROUND AND SUMMARY:

The City seeks to enter into a new agreement with WEX through the Sourcewell Cooperative Contract (WEX Bank Master Agreement No. 030625) to continue providing fuel card and fleet fuel management services for City vehicles and equipment. This allows the City uninterrupted access to fuel services which are essential for ongoing operations across City departments.

The agreement provides continued access to monitored fuel cards assigned to vehicles and authorized employees, usage tracking and reporting tools, potential rebate opportunities, and secure purchasing through Driver Identification Numbers (DIN). All program details, card protocols, and administrative requirements are outlined in the City's WEX Fuel Policy 2100-4-1.

Upon acceptance of invoices, payments will be processed in accordance with City financial procedures and the applicable cooperative contract terms.

City of Santa Fe Addendum

This Agreement serves as a linking agreement between WEX Bank ("Contractor") and the City of Santa Fe ("City"). It incorporates the additional terms and conditions necessary to allow the City to utilize the WEX Bank Master Agreement No. 030625, executed and issued by Sourcewell on August 13, 2025 ("Master Agreement").

WHEREAS, the parties desire to continue the program previously established under Sourcewell Master Agreement No. 080620-WEX, and to continue services begun under Sourcewell Master Agreement No. 080620-WEX and Sourcewell Master Agreement No. 030625-WEX in order to maintain a valid procurement method.

TERM

The term of this Agreement shall be for four (4) years from the effective date. All parties may agree to up to three (3) additional one-year extensions beyond the original four-year term. The total possible length of this Agreement, including extensions, shall not exceed seven (7) years from the original effective date. Notwithstanding the foregoing, this Agreement shall automatically terminate upon the expiration or termination, for any reason, of the Master Agreement. Such termination shall be effective as of the effective date of termination or expiration of the Master Agreement. Prior to such termination, the parties agree to engage in good faith negotiations to link this Agreement to another Sourcewell master agreement. This Agreement shall at no time exceed the general services contract term allowance set forth in NMSA 1978, Section 13-1-150.

SCOPE OF PRODUCTS AND SERVICES

The City of Santa Fe may purchase any products, equipment, supplies, and services made available under the WEX Bank Master Agreement No. 030625, as issued by Sourcewell, together with any amendments, attachments, or addenda thereto. All purchases shall be in accordance with the terms, conditions, and pricing established in the Master Agreement.

PRICING AND COMPENSATION

Compensation under this Agreement shall not exceed two million four hundred thousand dollars ($2,400,000) in the first fiscal year and an estimated total compensation of $9,600,000.00 excluding gross receipts tax For all subsequent fiscal years, compensation shall be subject to annual budget appropriation and based on actual utilization under this Agreement.

The City's payment obligations are contingent upon budgeted funds being available for the purposes of this Agreement. Notwithstanding the foregoing, the City shall be responsible for all charges made on its fleet Cards issued by Contractor. The City shall make best efforts to remit payment of invoices in advance of the standard due date in order to realize rebates and incentives available under the applicable rebate structure in the Master Agreement.

TERMINATION

This Agreement may be terminated by the City upon thirty (30) days' written notice to the Contractor.

NEW MEXICO TORT CLAIMS ACT

Any liability incurred by the City in connection with this Agreement is subject to the immunities and limitations of the New Mexico Tort Claims Act, Section 41-4-1 et seq., NMSA 1978, as amended. The City and its "public employees," as defined in the New Mexico Tort Claims Act, do not waive sovereign immunity, do not waive any defense, and do not waive any limitation of liability pursuant to law.

No provision in this Agreement modifies or waives any provision of the New Mexico Tort Claims Act. Notwithstanding the foregoing, and for the avoidance of doubt, this section shall not be construed to limit the City's responsibility to pay for purchases made using its Cards under this Agreement. Notwithstanding the foregoing, this section shall not be construed to limit City's responsibility to pay for purchases made using its Cards under this Agreement.

APPLICABLE LAW; CHOICE OF LAW; VENUE

The Contractor shall abide by all applicable federal and state laws and regulations, and all ordinances, rules, and regulations applicable to the Contractor of the City of Santa Fe.

In any action, suit, or legal dispute arising from this Agreement, the Contractor agrees that the laws of the State of New Mexico shall govern. The parties agree that any action or suit arising from this Agreement shall be commenced in a federal court of competent jurisdiction in New Mexico. Any action or suit commenced in the courts of the State of New Mexico shall be brought in the First Judicial District Court.

ORDER OF PRECEDENCE

In the event of a conflict between the terms of this Agreement and any other incorporated document, the following order of precedence shall govern:

1. This Agreement, including the City's required provisions;
2. The WEX Bank / Sourcewell Master Agreement No. 030625, together with its attachments and amendments;
3. Any Contractor-provided documents, rate sheets, or proposals.

APPROPRIATIONS

The terms of this Agreement are contingent upon sufficient appropriations and authorization being made by the City for performance of this Agreement. If sufficient appropriations and authorization are not made by the City, the City shall immediately stop using Cards issued under this Agreement to make purchases, and this Agreement shall terminate upon written notice given by the City to the Contractor.

INSURANCE

The Contractor shall maintain general liability insurance throughout the term of this Agreement consistent with the requirements of the Master Agreement.

IN WITNESS WHEREOF, the Parties have executed this Contract as of the date of the signature by the required approval authorities below.

TERMS

DEFINITIONS:

"Agreement" means: the Contract #030625 effective August 13, 2025 (the "Agreement") between the Sourcewell and WEX Bank.

"Participating Entity" shall mean the Participating Entity as defined in the Agreement permitted to purchase services under the Agreement, as specified in the Credit Information above.
All other capitalized terms used in this Addendum without definition have the meanings set forth in the Agreement.
AGREEMENTS OF WEX BANK AND PARTICIPATING ENTITY:

1.This Addendum ("Addendum") is to allow the Participating Entity to participate under the Agreement between WEX and Sourcewell. It does not modify, amend or change the Agreement in any way.

2. Participating Entity represents that it is authorized or allowed by the laws of its home state to enter into this Addendum and to participate under the Agreement.

3. Participating Entity hereby requests the services of WEX described in the Agreement and agrees to perform all duties required under the Agreement, including, without limitation, timely payment of all charges (including any additional fees) on its account(s). Participating Entity agrees to be bound by the terms and conditions of the Agreement, including, without limitation, rules for authorized and unauthorized use of cards, disputes of charges, reporting lost and stolen cards, and all other rules and provisions relating to use of Participating Entity's account.

4. Participating Entity acknowledges that its failure to make timely payment in accordance with the terms of the Agreement, or for government entities subject to a Prompt Payment Act, may result in suspension or cancellation of the account(s).

5. WEX Bank shall pay financial incentives in accordance with the terms and conditions set forth in the Agreement.

6. Participating Entity agrees that it will be bound by any amendment to the Agreement, executed by the Sourcewell and WEX BANK, as long as Participating Entity has been provided a copy of the amendment. Participating Entity agrees that it will submit any additional information and/or complete any additional forms or documentation required by the Agreement or any amendment to the Agreement.

REBATE: You may be offered discounts and/or rebates by participating under this Agreement from time to time. Such discounts and/or rebates may be suspended, modified, or discontinued at any time without prior notice and may not be applicable to all fuel types. In addition, certain conditions in order to earn or receive the rebate or discount such as, but not limited to, maintaining your account in good standing will apply and be provided to you when such offers are made.
INFORMATION SHARING DISCLOSURE: Information regarding Participating Entity transactions may be provided to Sourcewell accepting merchants or their service providers.
COMPLIANCE WITH FEDERAL LAW: WEX Bank complies with federal law which requires all financial institutions to obtain, verify, and record information that Identifies each company or person who opens an account. What this means for Participating Entity: when you open an account, we will ask for your name, Address, date of birth, and other information that allow us to identify you. We may ask to see your driver's license or other identifying documents for your Business.
DISCLAIMER: **THIS IS AN APPLICATION FOR SERVICES AND SHALL NOT BE BINDING UPON WEX UNTIL FINAL CREDIT APPROVAL HAS BEEN GRANTED BY WEX.**

Any person signing on behalf of the Participating Entity has been duly authorized by all necessary action of Participating Entity's governing body, and that the undersigned is authorized to make this application and accept the terms referenced herein on behalf of the Participating Entity.

Electronic Record and Signature Disclosure

ELECTRONIC RECORD AND SIGNATURE DISCLOSURE

From time to time, WEX - iCertis (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through the DocuSign system. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to this Electronic Record and Signature Disclosure (ERSD), please confirm your agreement by selecting the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

Getting paper copies

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after the signing session and, if you elect to create a DocuSign account, you may access the documents for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a $0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

Withdrawing your consent

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

Consequences of changing your mind

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. Further, you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

All notices and disclosures will be sent to you electronically

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.

How to contact WEX - iCertis:

You may contact us to let us know of your changes as to how we may contact you electronically, to request paper copies of certain information from us, and to withdraw your prior consent to receive notices and disclosures electronically as follows:
To contact us by email send messages to: claire.gallacher@wexinc.com

To advise WEX - iCertis of your new email address

To let us know of a change in your email address where we should send notices and disclosures electronically to you, you must send an email message to us at claire.gallacher@wexinc.com and in the body of such request you must state: your previous email address, your new email address. We do not require any other information from you to change your email address.

If you created a DocuSign account, you may update it with your new email address through your account preferences.

To request paper copies from WEX - iCertis

To request delivery from us of paper copies of the notices and disclosures previously provided by us to you electronically, you must send us an email to claire.gallacher@wexinc.com and in the body of such request you must state your email address, full name, mailing address, and telephone number. We will bill you for any fees at that time, if any.

To withdraw your consent with WEX - iCertis

To inform us that you no longer wish to receive future notices and disclosures in electronic format you may:

i. decline to sign a document from within your signing session, and on the subsequent page, select the check-box indicating you wish to withdraw your consent, or you may;

ii. send us an email to claire.gallacher@wexinc.com and in the body of such request you must state your email, full name, mailing address, and telephone number. We do not need any other information from you to withdraw consent.. The consequences of your withdrawing consent for online documents will be that transactions may take a longer time to process..

Required hardware and software

The minimum system requirements for using the DocuSign system may change over time. The current system requirements are found here: https://support.docusign.com/guides/signer-guide-signing-system-requirements.

Acknowledging your access and consent to receive and sign documents electronically

To confirm to us that you can access this information electronically, which will be similar to other electronic notices and disclosures that we will provide to you, please confirm that you have read this ERSD, and (i) that you are able to print on paper or electronically save this ERSD for your future reference and access; or (ii) that you are able to email this ERSD to an email address where you will be able to print on paper or save it for your future reference and access. Further, if you consent to receiving notices and disclosures exclusively in electronic format as described herein, then select the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

By selecting the check-box next to 'I agree to use electronic records and signatures', you confirm that:

- You can access and read this Electronic Record and Signature Disclosure; and
- You can print on paper this Electronic Record and Signature Disclosure, or save or send this Electronic Record and Disclosure to a location where you can print it, for future reference and access; and
- Until or unless you notify WEX - iCertis as described above, you consent to receive exclusively through electronic means all notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you by WEX - iCertis during the course of your relationship with WEX - iCertis.

Services Offered to the City of Santa Fe (FY26)

Approved:

Hi Erminia, I believe I provided one and here's another so you can move forward.

Based on the provided scope of work, it has been classified as General Services. This determination is solely focused on that classification and does not address whether the scope of work or procurement method complies with all relevant legal requirements. I reserve the right to modify this determination should the scope of work differ from what was originally submitted. The procurement must follow the processes and procedures established by the City of Santa Fe, Central Purchasing, the Procurement Manual, and applicable state statutes.
Please note:

- Save this email as a PDF and upload it into the corresponding packet and Munis records.
- Check with WorkQuest dba Horizons of New Mexico (vendor # 8673) (mloehman@horizonsofnewmexico.org) ***if*** this service appears on their approved list.
- If your request includes anything that needs to be reviewed and preapproved by another City Department/Division, please send the same SOW to the corresponding email address and include their response in your packet/Munis.
- If your request includes anything that needs to be reviewed and preapproved by another City Department/Division, please send the same SOW to the corresponding email address and include their response in your packet/Munis.
    - Treasury (Point of Sale Systems) – questions: drsena@santafenm.gov; clromero@santafenm.gov. Request signature from: clromero@santafenm.gov
    - IT components (everything IT) – questions: ereview@santafenm.gov. Request signature from: edcandelaria@santafenm.gov;
      Copy: zxdushdurova@santafenm.gov; lenobes@santafenm.gov; lfworstell@santafenm.gov
    - Vehicles – questions: fleet@santafenm.gov. Request signature from: dmjaramillo@santafenm.gov
    - Grants – questions: grants@santafenm.gov. Request signature from: evlujan@santafenm.gov
    - Construction, Facilities, Furniture, Fixtures, Equipment, etc. – questions: fmdreview@santafenm.gov. Request signature from: jsburnett@santafenm.gov
    - Emergency Related Purchases – questions oem@santafenm.govand. Request signature from: klmorgan@santafenm.gov
    - Asset over $5k – questions: accountspayable@santafenm.gov. Request signature from: jxbolden@santafenm.gov
- Ensure that the current and appropriate templates and forms are used, they can be found on the

intranet https://intranet.santafenm.gov/finance_1 and OpenGov https://procurement.opengov.com/governments/1784201/projects and documented procedures/laws/rules are followed.

- > $20k per year, when processing this procurement, please ensure the procurement number issued by Munis and the procurement name are used in the appropriate documents and the subject of emails.
- If you are processing a procurement where the forecasted amount is =/> $60k, per NMSA 1978, Section 13-1-102, the procurement method must be ITB (if you choose not to use a cooperative or an existing contract). If you feel you need to process an RFP, you must get an Authorization and Plan approved before you process.
- < $20k per year, one quote is acceptable.
- From $20k to $60k per year, if you aren't using a cooperative or existing contract, you must provide 3 quotes in your req. Must use the Munis Bid Module, OpenGov, or Pavilion.
- **Identify your funding source and notify Purchasing.**
  It's essential to determine the funding source early, as it impacts the required documentation and contract language. For example, if federal funds are being used, specific federal provisions must be included in both the procurement request and the resulting contract. Notifying Purchasing of the funding source upfront ensures compliance and avoids delays.
- Follow the link below to review existing price agreements, contracts, or cooperative agreements that might be applicable to this request. You might be able to use an existing price agreement/contract to save time and money.
- Pavilion: Free Cooperative Contract Search for Governments (please work with Purchasing if you think you found an existing or cooperative contract that might work)
- Submit via **Submit Purchase Requests** or the appropriate email address:
- Determination requests to purchasing_det@santafenm.gov
- All other requests to purchasing@santafenm.gov

Thank you for submitting this scope of work for my review.

Book time to meet with me

Hi All,

What's the status on the WEX contract? Will it be ready to go to Governing Body on 12/10? To make that meeting we need a finalized packet by 12/3.

If we don't make the December meeting the next opportunity won't be until late January. We really need to get this contract approved in December please.

Thank you,

Subject: WEX contract

Hi All,

I understand that the WEX contract is currently with the vendor for signature. The point of contract is Tanya Watson.

This is a Finance contract. When it comes back in with the vendor's signature we need to make sure that the packet gets submitted to Purchasing and then placed on the appropriate Committee and Governing Body agendas. The last opportunity this calendar year will be the December meetings.

It is my understanding that Scott will be included on the distribution list when Tanya sends the contract with the WEX signature. I would like Destiny to work with Scott to prepare the packet and submit it to Purchasing, and then put it on the agendas for December. This should only need to go to Finance and Governing Body.

Thanks,

Emily K. Oster, CPA, CGMA, CPO

MASTER AGREEMENT # 030625
CATEGORY: Fleet Payment Solutions with Related Services
SUPPLIER: WEX Bank

This Master Agreement (Agreement) is between Sourcewell, a Minnesota service cooperative located at 202 12th Street Northeast, P.O. Box 219, Staples, MN 56479 (Sourcewell) and WEX Bank, 111 East Sego Lily Drive, Suite 250, Sandy, UT 84070 (Supplier).

Sourcewell is a local government and service cooperative created under the laws of the State of Minnesota (Minnesota Statutes Section 123A.21) offering a Cooperative Purchasing Program to eligible participating government entities.

Under this Master Agreement entered with Sourcewell, Supplier will provide Included Solutions to Participating Entities through Sourcewell's Cooperative Purchasing Program.

Article 1:
General Terms

The General Terms in this Article 1 control the operation of this Master Agreement between Sourcewell and Supplier and apply to all transactions entered by Supplier and Participating Entities. Subsequent Articles to this Master Agreement control the rights and obligations directly between Sourcewell and Supplier (Article 2), and between Supplier and Participating Entity (Article 3), respectively. These Article 1 General Terms control over any conflicting terms. Where this Master Agreement is silent on any subject, Participating Entity and Supplier retain the ability to negotiate mutually acceptable terms.

1) **Purpose.** Pursuant to Minnesota law, the Sourcewell Board of Directors has authorized a Cooperative Purchasing Program designed to provide Participating Entities with access to competitively awarded cooperative purchasing agreements. To facilitate the Program, Sourcewell has awarded Supplier this cooperative purchasing Master Agreement following a competitive procurement process intended to meet compliance standards in accordance with Minnesota law and the requirements contained herein.

2) **Intent.** The intent of this Master Agreement is to define the roles of Sourcewell, Supplier, and Participating Entity as it relates to Sourcewell's Cooperative Purchasing Program.

3) **Participating Entity Access.** Sourcewell's Cooperative Purchasing Program Master Agreements are available to eligible public agencies (Participating Entities). A Participating Entity's authority to access Sourcewell's Cooperative Purchasing Program is determined through the laws of its respective jurisdiction.

4) **Supplier Access.** The Included Solutions offered under this Agreement may be made available to any eligible Participating Entity that can legally access the Included Solutions offered under this Agreement. Supplier understands that a Participating Entity's use of this Agreement is at the Participating Entity's sole convenience. Supplier will educate its sales and service forces about

Docusign Envelope ID: 441ACB9B-7C3C-4CDA-8544-7E72BDBBE0AE

Sourcewell eligibility requirements and required documentation. Supplier will be responsible for ensuring sales are with Participating Entities.

5) **Term.** This Agreement is effective upon the date of the final signature below. The term of this Agreement is four (4) years from the effective date. The Agreement expires at 11:59 P.M. Central Time on June 27, 2029, unless it is cancelled or extended as defined in this Agreement.

   a) **Extensions.** Sourcewell and Supplier may agree to up to three (3) additional one-year extensions beyond the original four-year term. The total possible length of this Agreement will be seven (7) years from the effective date.

   b) **Exceptional Circumstances.** Sourcewell retains the right to consider additional extensions as required under exceptional circumstances.

6) **Survival of Terms.** Notwithstanding the termination of this Agreement, the obligations of this Agreement will continue through the performance period of any transaction entered between Supplier and any Participating Entity before the termination date.

7) **Scope.** Supplier is awarded a Master Agreement to provide the solutions identified in (RFP #030625) to Participating Entities. In Scope solutions include:

   1. Sourcewell is seeking proposals for Fleet Payment Solutions with Related Services, such as:

      a. Payment solutions for fuel, oil, and fluids for vehicles, aircraft, and watercraft, including gasoline, diesel fuel, alternative fuels, natural gas, propane, aviation fuel, lubricants, and fluids;

      b. Payment solutions for electric vehicle charging, station fees; and,

      c. Payment solutions for, vehicle, aircraft, and watercraft-related maintenance, repairs, supplies and services, including oil changes, tire repair, replacement, alignment and balancing, replacement parts, emergency repairs, roadside assistance and towing services, wash or detail services, inspections and certification services, FBO or marina services, and related parts or supplies.

   2. In addition to the card, mobile application, digital, and virtual payment services identified in Section II. B. 1. a. – c. above (of the original published RFP), Proposer may include a complementary offering of services, including, but not limited to card issuance and replacement, account customization, transaction processing and payment settlement, transaction statement and reporting, fleet data analytics, integrated telematics, private-site fuel location payment or data services, digital and mobile applications, training, and technical and customer support.

8) **Included Solutions.** Supplier's Proposal to the above referenced RFP is incorporated into this Master Agreement. Only those Solutions included within Supplier's Proposal and within Scope (Included Solutions) are included within the Agreement and may be offered to Participating Entities.

Docusign Envelope ID: 441ACB9B-7C3C-4CDA-8544-7E72BDBBE0AE

9) **Indefinite Quantity.** This Master Agreement defines an indefinite quantity of sales to eligible Participating Entities.

10) **Pricing.** Pricing information (including Pricing and Delivery and Pricing Offered tables) for all Included Solutions within Supplier's Proposal is incorporated into this Master Agreement.

11) **Not to Exceed Pricing.** Suppliers may not exceed the prices listed in the current Pricing List on file with Sourcewell when offering Included Solutions to Participating Entities. Participating Entities may request adjustments to pricing directly from Supplier during the negotiation and execution of any transaction.

12) **Open Market.** Supplier's open market pricing process is included within its Proposal.

13) Supplier Representations:

i) **Compliance.** Supplier represents and warrants it will provide all Included Solutions under this Agreement in full compliance with applicable federal, state, and local laws and regulations in the states in which the Included Solutions are sold.

ii) **Licenses.** As applicable, Supplier will maintain a valid status on all required federal, state, and local licenses, bonds, and permits required for the operation of Supplier's business with Participating Entities. Participating Entities may request all relevant documentation directly from Supplier.

iii) **Supplier Warrants.** Supplier warrants that all Included Solutions furnished under this Agreement are free from liens and encumbrances. In addition, Supplier warrants the Solutions are suitable for and will perform in accordance with the ordinary use for which they are intended.

14) **Bankruptcy Notices.** Supplier certifies and warrants it is not currently in a bankruptcy proceeding. Supplier has disclosed all current and completed bankruptcy proceedings within the past seven years within its Proposal. Supplier must provide notice in writing to Sourcewell if it enters a bankruptcy proceeding at any time during the term of this Agreement.

15) **Debarment and Suspension.** Supplier certifies and warrants that neither it nor its principals are presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from programs operated by the State of Minnesota, the United States federal government, or any Participating Entity. Supplier certifies and warrants that neither it nor its principals have been convicted of a criminal offense related to the subject matter of this Agreement. Supplier further warrants that it will provide immediate written notice to Sourcewell if this certification changes at any time during the term of this Agreement.

16) **Provisions for non-United States federal entity procurements under United States federal awards or other awards (Appendix II to 2 C.F.R § 200).** Participating Entities that use United States federal grant or other federal funding to purchase solutions from this Agreement may be subject to additional requirements including the procurement standards of the Uniform Administrative Requirements, Cost Principles and Audit Requirements for Federal Awards, 2 C.F.R. § 200. Participating Entities may have additional requirements based on specific funding source terms or

Docusign Envelope ID: 441ACB9B-7C3C-4CDA-8544-7E72BDBBE0AE

conditions. Within this Section, all references to "federal" should be interpreted to mean the United States federal government. The following list applies when a Participating Entity accesses Supplier's Included Solutions with United States federal funds.

i) **EQUAL EMPLOYMENT OPPORTUNITY.** Except as otherwise provided under 41 C.F.R. § 60, all agreements that meet the definition of "federally assisted construction contract" in 41 C.F.R. § 60-1.3 must include the equal opportunity clause provided under 41 C.F.R. § 60-1.4(b), in accordance with Executive Order 11246, "Equal Employment Opportunity" (30 FR 12319, 12935, 3 C.F.R. §, 1964-1965 Comp., p. 339), as amended by Executive Order 11375, "Amending Executive Order 11246 Relating to Equal Employment Opportunity," and implementing regulations at 41 C.F.R. § 60, "Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor." The equal opportunity clause is incorporated herein by reference.

ii) **DAVIS-BACON ACT, AS AMENDED (40 U.S.C. § 3141-3148).** When required by federal program legislation, all prime construction contracts in excess of $2,000 awarded by non-federal entities must include a provision for compliance with the Davis-Bacon Act (40 U.S.C. § 3141-3144, and 3146-3148) as supplemented by Department of Labor regulations (29 C.F.R. § 5, "Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction"). In accordance with the statute, contractors must be required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, contractors must be required to pay wages not less than once a week. The non-federal entity must place a copy of the current prevailing wage determination issued by the Department of Labor in each solicitation. The decision to award a contract or subcontract must be conditioned upon the acceptance of the wage determination. The non-federal entity must report all suspected or reported violations to the federal awarding agency. The contracts must also include a provision for compliance with the Copeland "Anti-Kickback" Act (40 U.S.C. § 3145), as supplemented by Department of Labor regulations (29 C.F.R. § 3, "Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States"). The Act provides that each contractor or subrecipient must be prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he or she is otherwise entitled. The non-federal entity must report all suspected or reported violations to the federal awarding agency. Supplier must comply with all applicable Davis-Bacon Act provisions.

iii) **CONTRACT WORK HOURS AND SAFETY STANDARDS ACT (40 U.S.C. § 3701-3708).** Where applicable, all contracts awarded by the non-federal entity in excess of $100,000 that involve the employment of mechanics or laborers must include a provision for compliance with 40 U.S.C. §§ 3702 and 3704, as supplemented by Department of Labor regulations (29 C.F.R. § 5). Under 40 U.S.C. § 3702 of the Act, each contractor must be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 U.S.C. § 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies, materials, or articles ordinarily available on the open market, or

Docusign Envelope ID: 441ACB9B-7C3C-4CDA-8544-7E72BDBBE0AE

contracts for transportation or transmission of intelligence. This provision is hereby incorporated by reference into this Agreement. Supplier certifies that during the term of an award for all Agreements by Sourcewell resulting from this procurement process, Supplier must comply with applicable requirements as referenced above.

iv) **RIGHTS TO INVENTIONS MADE UNDER A CONTRACT OR AGREEMENT.** If the federal award meets the definition of "funding agreement" under 37 C.F.R. § 401.2(a) and the recipient or subrecipient wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance of experimental, developmental, or research work under that "funding agreement," the recipient or subrecipient must comply with the requirements of 37 C.F.R. § 401, "Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements," and any implementing regulations issued by the awarding agency. Supplier certifies that during the term of an award for all Agreements by Sourcewell resulting from this procurement process, Supplier must comply with applicable requirements as referenced above.

v) **CLEAN AIR ACT (42 U.S.C. § 7401-7671Q.) AND THE FEDERAL WATER POLLUTION CONTROL ACT (33 U.S.C. § 1251-1387).** Contracts and subgrants of amounts in excess of $150,000 require the non-federal award to agree to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act (42 U.S.C. § 7401- 7671q) and the Federal Water Pollution Control Act as amended (33 U.S.C. § 1251- 1387). Violations must be reported to the Federal awarding agency and the Regional Office of the Environmental Protection Agency (EPA). Supplier certifies that during the term of this Agreement it will comply with applicable requirements as referenced above.

vi) **DEBARMENT AND SUSPENSION (EXECUTIVE ORDERS 12549 AND 12689).** A contract award (see 2 C.F.R. § 180.220) must not be made to parties listed on the government wide exclusions in the System for Award Management (SAM), in accordance with the OMB guidelines at 2 C.F.R. § 180 that implement Executive Orders 12549 (3 C.F.R. § 1986 Comp., p. 189) and 12689 (3 C.F.R. § 1989 Comp., p. 235), "Debarment and Suspension." SAM Exclusions contains the names of parties debarred, suspended, or otherwise excluded by agencies, as well as parties declared ineligible under statutory or regulatory authority other than Executive Order 12549. Supplier certifies that neither it nor its principals are presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation by any federal department or agency.

vii) **BYRD ANTI-LOBBYING AMENDMENT, AS AMENDED (31 U.S.C. § 1352).** Suppliers must file any required certifications. Suppliers must not have used federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any federal contract, grant, or any other award covered by 31 U.S.C. § 1352. Suppliers must disclose any lobbying with non-federal funds that takes place in connection with obtaining any federal award. Such disclosures are forwarded from tier to tier up to the non-federal award. Suppliers must file all certifications and disclosures required by, and otherwise comply with, the Byrd Anti-Lobbying Amendment (31 U.S.C. § 1352).

viii) **RECORD RETENTION REQUIREMENTS.** To the extent applicable, Supplier must comply with the record retention requirements detailed in 2 C.F.R. § 200.333. The Supplier further

Docusign Envelope ID: 441ACB9B-7C3C-4CDA-8544-7E72BDBBE0AE

certifies that it will retain all records as required by 2 C.F.R. § 200.333 for a period of 3 years after grantees or subgrantees submit final expenditure reports or quarterly or annual financial reports, as applicable, and all other pending matters are closed.

ix) **ENERGY POLICY AND CONSERVATION ACT COMPLIANCE.** To the extent applicable, Supplier must comply with the mandatory standards and policies relating to energy efficiency which are contained in the state energy conservation plan issued in compliance with the Energy Policy and Conservation Act.

x) **BUY AMERICAN PROVISIONS COMPLIANCE.** To the extent applicable, Supplier must comply with all applicable provisions of the Buy American Act. Purchases made in accordance with the Buy American Act must follow the applicable procurement rules calling for free and open competition.

xi) **ACCESS TO RECORDS (2 C.F.R. § 200.336).** Supplier agrees that duly authorized representatives of a federal agency must have access to any books, documents, papers and records of Supplier that are directly pertinent to Supplier's discharge of its obligations under this Agreement for the purpose of making audits, examinations, excerpts, and transcriptions. The right also includes timely and reasonable access to Supplier's personnel for the purpose of interview and discussion relating to such documents.

xii) **PROCUREMENT OF RECOVERED MATERIALS (2 C.F.R. § 200.322).** A non-federal entity that is a state agency or agency of a political subdivision of a state and its contractors must comply with Section 6002 of the Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act. The requirements of Section 6002 include procuring only items designated in guidelines of the Environmental Protection Agency (EPA) at 40 C.F.R. § 247 that contain the highest percentage of recovered materials practicable, consistent with maintaining a satisfactory level of competition, where the purchase price of the item exceeds $10,000 or the value of the quantity acquired during the preceding fiscal year exceeded $10,000; procuring solid waste management services in a manner that maximizes energy and resource recovery; and establishing an affirmative procurement program for procurement of recovered materials identified in the EPA guidelines.

xiii) **FEDERAL SEAL(S), LOGOS, AND FLAGS.** The Supplier cannot use the seal(s), logos, crests, or reproductions of flags or likenesses of Federal agency officials without specific pre-approval.

xiv) **NO OBLIGATION BY FEDERAL GOVERNMENT.** The U.S. federal government is not a party to this Agreement or any purchase by a Participating Entity and is not subject to any obligations or liabilities to the Participating Entity, Supplier, or any other party pertaining to any matter resulting from the Agreement or any purchase by an authorized user.

xv) **PROGRAM FRAUD AND FALSE OR FRAUDULENT STATEMENTS OR RELATED ACTS.** The Contractor acknowledges that 31 U.S.C. § 38 (Administrative Remedies for False Claims and Statements) applies to the Supplier's actions pertaining to this Agreement or any purchase by a Participating Entity.

Docusign Envelope ID: 441ACB9B-7C3C-4CDA-8544-7E72BDBBE0AE

xvi) **FEDERAL DEBT.** The Supplier certifies that it is non-delinquent in its repayment of any federal debt. Examples of relevant debt include delinquent payroll and other taxes, audit disallowance, and benefit overpayments.

xvii) **CONFLICTS OF INTEREST.** The Supplier must notify the U.S. Office of General Services, Sourcewell, and Participating Entity as soon as possible if this Agreement or any aspect related to the anticipated work under this Agreement raises an actual or potential conflict of interest (as described in 2 C.F.R. Part 200). The Supplier must explain the actual or potential conflict in writing in sufficient detail so that the U.S. Office of General Services, Sourcewell, and Participating Entity are able to assess the actual or potential conflict; and provide any additional information as necessary or requested.

xviii) **U.S. EXECUTIVE ORDER 13224.** The Supplier, and its subcontractors, must comply with U.S. Executive Order 13224 and U.S. Laws that prohibit transactions with and provision of resources and support to individuals and organizations associated with terrorism.

xix) **PROHIBITION ON CERTAIN TELECOMMUNICATIONS AND VIDEO SURVEILLANCE SERVICES OR EQUIPMENT.** To the extent applicable, Supplier certifies that during the term of this Agreement it will comply with applicable requirements of 2 C.F.R. § 200.216.

xx) **DOMESTIC PREFERENCES FOR PROCUREMENTS.** To the extent applicable, Supplier certifies that during the term of this Agreement, Supplier will comply with applicable requirements of 2 C.F.R. § 200.322.

Article 2:
Sourcewell and Supplier Obligations

The Terms in this Article 2 relate specifically to Sourcewell and its administration of this Master Agreement with Supplier and Supplier's obligations thereunder.

1) **Authorized Sellers**. Supplier must provide Sourcewell a current means to validate or authenticate Supplier's authorized dealers, distributors, or resellers which may complete transactions of Included Solutions offered under this Agreement. Sourcewell may request updated information in its discretion, and Supplier agrees to provide requested information within a reasonable time.

2) **Product and Price Changes Requirements.** Supplier may request Included Solutions changes, additions, or deletions at any time. All requests must be made in writing by submitting a Sourcewell Price and Product Change Request Form to Sourcewell. At a minimum, the request must:
   - Identify the applicable Sourcewell Agreement number;
   - Clearly specify the requested change;
   - Provide sufficient detail to justify the requested change;
   - Individually list all Included Solutions affected by the requested change, along with the requested change (e.g., addition, deletion, price change); and
   - Include a complete restatement of Pricing List with the effective date of the modified pricing, or product addition or deletion. The new pricing restatement must include all Included Solutions offered, even for those items where pricing remains unchanged.

Docusign Envelope ID: 441ACB9B-7C3C-4CDA-8544-7E72BDBBE0AE

A fully executed Sourcewell Price and Product Change Request Form will become an amendment to this Agreement and will be incorporated by reference.

3) **Authorized Representative.** Supplier will assign an Authorized Representative to Sourcewell for this Agreement and must provide prompt notice to Sourcewell if that person is changed. The Authorized Representative will be responsible for:
   - Maintenance and management of this Agreement;
   - Timely response to all Sourcewell and Participating Entity inquiries; and
   - Participation in reviews with Sourcewell.

   Sourcewell's Authorized Representative is its Chief Procurement Officer.

4) **Performance Reviews.** Supplier will perform a minimum of one review with Sourcewell per agreement year. The review will cover transactions to Participating Entities, pricing and terms, administrative fees, performance issues, supply chain issues, customer issues, and any other necessary information.

5) **Sales Reporting Required.** Supplier is required as a material element to this Master Agreement to report all completed transactions with Participating Entities utilizing this Agreement. Failure to provide complete and accurate reports as defined herein will be a material breach of the Agreement and Sourcewell reserves the right to pursue all remedies available at law including cancellation of this Agreement.

6) **Reporting Requirements.** Supplier must provide Sourcewell a sales activity report of all transactions completed utilizing this Agreement. Reports are due at least once each calendar quarter (Reporting Period). Reports must be received no later than 45 calendar days after the end of each calendar quarter. Supplier may report on a more frequent basis in its discretion. Reports must be provided regardless of the amount of completed transactions during that quarter (i.e., if there are no sales, Supplier must submit a report indicating no sales were made).

   The Report must contain the following fields:
   - Participating Entity Name (e.g., City of Staples Highway Department);
   - Participating Entity Physical Street Address;
   - Participating Entity City;
   - Participating Entity State/Province;
   - Participating Entity Zip/Postal Code;
   - Sourcewell Participating Entity Account Number;
   - Transaction Description;
   - Transaction Purchased Price;
   - Sourcewell Administrative Fee Applied; and
   - Date Transaction was invoiced/sale was recognized as revenue by Supplier.

   If collected by Supplier, the Report may, at Suppliers discretion, include the following fields as available:
   - Participating Entity Contact Name;
   - Participating Entity Contact Email Address;
   - Participating Entity Contact Telephone Number;

Docusign Envelope ID: 441ACB9B-7C3C-4CDA-8544-7E72BDBBE0AE

7) **Administrative Fee.** In consideration for the support and services provided by Sourcewell, Supplier will pay an Administrative Fee to Sourcewell on all completed transactions to Participating Entities utilizing this Agreement. Supplier will include its Administrative Fee within its proposed pricing. Supplier may not directly charge Participating Entities to offset the Administrative Fee.

8) **Fee Calculation.** Supplier's Administrative Fee payable to Sourcewell will be calculated as a stated percentage (listed in Supplier's Proposal) of all completed transactions utilizing this Master Agreement within the preceding Reporting Period. For certain categories, a flat fee may be proposed. The Administrative Fee will be stated in Supplier's Proposal.

9) **Fee Remittance.** Supplier will remit fee to Sourcewell no later than 45 calendar days after the close of the preceding calendar quarter in conjunction with Supplier's Reporting Period obligations defined herein. Payments should note the Supplier's name and Sourcewell-assigned Agreement number in the memo; and must be either mailed to Sourcewell above "Attn: Accounts Receivable" or remitted electronically to Sourcewell's banking institution per Sourcewell's Finance department instructions.

10) **Noncompliance.** Sourcewell reserves the right to seek all remedies available at law for unpaid or underpaid Administrative Fees due under this Agreement. Failure to remit payment, delinquent payments, underpayments, or other deviations from the requirements of this Agreement may be deemed a material breach and may result in cancellation of this Agreement and disbarment from future Agreements.

11) **Audit Requirements.** Pursuant to Minn. Stat. § 16C.05, subdivision 5, the books, records, documents, and accounting procedures and practices relevant to this Agreement are subject to examination by Sourcewell and the Minnesota State Auditor for a minimum of six years from the end of this Agreement. Supplier agrees to use commercially reasonable efforts to cooperate with Sourcewell in auditing transactions under this Agreement to ensure compliance with pricing terms, correct calculation and remittance of Administrative Fees, and verification of transactions as may be requested by a Participating Entity or Sourcewell.

12) **Assignment, Transfer, and Administrative Changes.** Supplier may not assign or otherwise transfer its rights or obligations under this Agreement without the prior written consent of Sourcewell. Such consent will not be unreasonably withheld. Sourcewell reserves the right to unilaterally assign all or portions of this Agreement within its sole discretion to address corporate restructurings, mergers, acquisitions, or other changes to the Responsible Party and named in the Agreement. Any prohibited assignment is invalid. Upon request Sourcewell may make administrative changes limited to agreement documentation such as name changes, address changes, and other non-material updates as determined within its sole discretion.

13) **Amendments.** Any material change to this Agreement must be executed in writing through an amendment and will not be effective until it has been duly executed by the parties.

14) **Waiver.** Failure by either party to enforce any right under this Agreement will not be deemed a waiver of such right in the event of the continuation or repetition of the circumstances giving rise to such right.

Docusign Envelope ID: 441ACB9B-7C3C-4CDA-8544-7E72BDBBE0AE

15) **Complete Agreement.** This Agreement represents the complete agreement between the parties for the scope as defined herein. Supplier and Sourcewell may enter into separate written agreements relating specifically to transactions outside of the scope of this Agreement.

16) **Relationship of Sourcewell and Supplier.** This Agreement does not create a partnership, joint venture, or any other relationship such as employee, independent contractor, master-servant, or principal-agent.

17) **Indemnification.** In the event of gross negligence or willful misconduct by Supplier, Supplier must indemnify, defend, save, and hold Sourcewell, including their agents and employees, harmless from any claims or causes of action, including attorneys' fees incurred by Sourcewell, arising directly from any grossly negligent act or omission by the Supplier, or willful misconduct by the Supplier in the performance of this Agreement by the Supplier or its agents or employees; this indemnification includes injury or death to person(s) or property alleged to have been caused by some defect in design, condition, or performance of Included Solutions under this Agreement. Sourcewell's responsibility will be governed by the State of Minnesota's Tort Liability Act (Minnesota Statutes Chapter 466) and other applicable law.

    Supplier's aggregate liability to Sourcewell and its Participating Entities pursuant to this Section 17 shall be limited to the sum of: (a) all fees paid by the relevant Participating Entity to Supplier under their participating agreement in the 12-month period prior to the date when the claim is made; plus (b) all other revenue earned by Supplier for all of the relevant Participating Entity's transactions made using the Supplier's charge cards in the 12 months prior to the date of any claim made. Additionally in no event will Supplier be liable for incidental, special, consequential, lost profits, lost business opportunities, or punitive damages.

18) **Data Practices.** Supplier and Sourcewell acknowledge Sourcewell is subject to the Minnesota Government Data Practices Act, Minnesota Statutes Chapter 13. As it applies to all data created and maintained in performance of this Agreement, Supplier may be subject to the requirements of this chapter.

19) **Grant of License.**
    a) **During the term of this Agreement:**
        i) **Supplier Promotion.** Sourcewell grants to Supplier a royalty-free, worldwide, non-exclusive right and license to use the trademark(s) provided to Supplier by Sourcewell in advertising, promotional materials, and informational sites for the purpose of marketing Sourcewell's Agreement with Supplier.

        ii) **Sourcewell Promotion.** Supplier grants to Sourcewell a royalty-free, worldwide, non-exclusive right and license to use Supplier's trademarks in advertising, promotional materials, and informational sites for the purpose of marketing Supplier's Agreement with Sourcewell.

    b) **Limited Right of Sublicense.** The right and license granted herein includes a limited right of each party to grant sublicenses to their respective subsidiaries, distributors, dealers, resellers, marketing representatives, partners, or agents (collectively "Permitted Sublicensees") in advertising, promotional, or informational materials for the purpose of marketing the Parties'

Docusign Envelope ID: 441ACB9B-7C3C-4CDA-8544-7E72BDBBE0AE

relationship. Any sublicense granted will be subject to the terms and conditions of this Article. Each party will be responsible for any breach of this section by any of their respective sublicensees.

c) **Use; Quality Control.**
   i) Neither party may alter the other party's trademarks from the form provided and must comply with removal requests as to specific uses of its trademarks or logos.

   ii) Each party agrees to use, and to cause its Permitted Sublicensees to use, the other party's trademarks only in good faith and in a dignified manner consistent with such party's use of the trademarks. Each party may make written notice to the other regarding misuse under this section. The offending party will have 30 days of the date of the written notice to cure the issue or the license/sublicense will be terminated.

d) **Termination.** Upon the termination of this Agreement for any reason, each party, including Permitted Sublicensees, will have 30 days to remove all Trademarks from signage, websites, and the like bearing the other party's name or logo (excepting Sourcewell's pre-printed catalog of suppliers which may be used until the next printing). Supplier must return all marketing and promotional materials, including signage, provided by Sourcewell, or dispose of it according to Sourcewell's written directions.

20) **Venue and Governing law between Sourcewell and Supplier Only.** The substantive and procedural laws of the State of Minnesota will govern this Agreement between Sourcewell and Supplier. Venue for all legal proceedings arising out of this Agreement between Sourcewell and Supplier must be in the appropriate state court in Todd County or federal court in Fergus Falls, Minnesota. This section does not apply to any dispute between Supplier and Participating Entity. This Agreement reserves the right for Supplier and Participating Entity to negotiate this term within any transaction documents.

21) **Severability.** If any provision of this Agreement is found by a court of competent jurisdiction to be illegal, unenforceable, or void then both parties will be relieved from all obligations arising from that provision. If the remainder of this Agreement is capable of being performed, it will not be affected by such determination or finding and must be fully performed.

22) **Insurance Coverage.** At its own expense, Supplier must maintain valid insurance policy(ies) during the performance of this Agreement with insurance company(ies) licensed or authorized to do business in the State of Minnesota having an "AM BEST" rating of A- or better, with coverage and limits of insurance not less than the following:

a) **Commercial General Liability Insurance.** Supplier will maintain insurance covering its operations, with coverage on an occurrence basis, and must be subject to terms no less broad than the Insurance Services Office ("ISO") Commercial General Liability Form CG0001 (2001 or newer edition), or equivalent. At a minimum, coverage must include liability arising from premises, operations, bodily injury and property damage, independent contractors, products-completed operations including construction defect, contractual liability, blanket contractual liability, and personal injury and advertising injury. All required limits, terms and conditions of coverage must be maintained during the term of this Agreement.
   - $1,500,000 each occurrence Bodily Injury and Property Damage

Docusign Envelope ID: 441ACB9B-7C3C-4CDA-8544-7E72BDBBE0AE

- $1,500,000 Personal and Advertising Injury
- $2,000,000 aggregate for products liability-completed operations
- $2,000,000 general aggregate

b) **Certificates of Insurance.** Prior to execution of this Agreement, Supplier must furnish to Sourcewell a certificate of insurance, as evidence of the insurance required under this Agreement. Prior to expiration of the policy(ies), renewal certificates must be mailed to Sourcewell, 202 12th Street Northeast, P.O. Box 219, Staples, MN 56479 or provided to in an alternative manner as directed by Sourcewell. The certificates must be signed by a person authorized by the insurer(s) to bind coverage on their behalf. Failure of Supplier to maintain the required insurance and documentation may constitute a material breach.

c) **Additional Insured Endorsement and Primary and Non-contributory Insurance Clause.** Supplier agrees to list Sourcewell, including its officers, agents, and employees, as an additional insured under the Supplier's commercial general liability insurance policy with respect to liability arising out of activities, "operations," or "work" performed by or on behalf of Supplier, and products and completed operations of Supplier. The policy provision(s) or endorsement(s) must further provide that coverage is primary and not excess over or contributory with any other valid, applicable, and collectible insurance or self-insurance in force for the additional insureds.

d) **Waiver of Subrogation.** Supplier waives and must require (by endorsement or otherwise) all its insurers to waive subrogation rights against Sourcewell and other additional insureds for losses paid under the insurance policies required by this Agreement or other insurance applicable to the Supplier or its subcontractors. The waiver must apply to all deductibles and/or self-insured retentions applicable to the required or any other insurance maintained by the Supplier or its subcontractors. Where permitted by law, Supplier must require similar written express waivers of subrogation and insurance clauses from each of its subcontractors.

e) **Umbrella/Excess Liability/SELF-INSURED RETENTION.** The limits required by this Agreement can be met by either providing a primary policy or in combination with umbrella/excess liability policy(ies), or self-insured retention.

23) **Termination for Convenience.** Sourcewell or Supplier may terminate this Agreement upon 60 calendar days' written notice to the other Party. Termination pursuant to this section will not relieve the Supplier's obligations under this Agreement for any transactions entered with Participating Entities through the date of termination, including reporting and payment of applicable Administrative Fees.

24) **Termination for Cause.** Sourcewell may terminate this Agreement upon providing written notice of material breach to Supplier. Notice must describe the breach in reasonable detail and state the intent to terminate the Agreement. Upon receipt of Notice, the Supplier will have 30 calendar days in which it must cure the breach. Termination pursuant to this section will not relieve the Supplier's obligations under this Agreement for any transactions entered with Participating Entities through the date of termination, including reporting and payment of applicable Administrative Fees.

Article 3:
Supplier Obligations to Participating Entities

Docusign Envelope ID: 441ACB9B-7C3C-4CDA-8544-7E72BDBBE0AE

The Terms in this Article 3 relate specifically to Supplier and a Participating Entity when entering transactions utilizing the General Terms established in this Master Agreement. Article 1 General Terms control over any conflict with this Article 3. Where this Master Agreement is silent on any subject, Participating Entity and Supplier retain the ability to negotiate mutually acceptable terms.

1) **Quotes to Participating Entities.** Suppliers are encouraged to provide all pricing information regarding the total cost of acquisition when quoting to a Participating Entity. Suppliers and Participating Entities are encouraged to include all cost specifically associated with or included within the Suppliers proposal and Included Solutions within transaction documents.

2) **Shipping, Delivery, Acceptance, Rejection, and Warranty.** Supplier's proposal may include proposed terms relating to shipping, delivery, inspection, and acceptance/rejection and other relevant terms of tendered Solutions. The Supplier and Participating Entity may negotiate final terms appropriate for the specific transaction, including but not limited to: relating to non-appropriation, shipping, delivery, inspection, acceptance/rejection of tendered Solutions, and warranty coverage for Included Solutions. Such terms may include, but are not limited to, costs, risk of loss, proper packaging, inspection rights and timelines, acceptance or rejection procedures, and remedies as mutually agreed include notice requirements, replacement, return or exchange procedures, and associated costs.

3) **Applicable Taxes.** Participating Entity is responsible for notifying supplier of its tax-exempt status and for providing Supplier with any valid tax-exemption certification(s) or related documentation.

4) **Ordering Process and Payment.** Supplier's ordering process and acceptable forms of payment are included within its Proposal. Participating Entities will be solely responsible for payment to Supplier and Sourcewell will have no liability for any unpaid invoice of any Participating Entity.

5) **Transaction Documents.** Participating Entity may require the use of its own forms to complete transactions directly with Supplier utilizing the terms established in this Agreement. Supplier's standard form agreements may be offered as part of its Proposal. Supplier and Participating Entity may complete and document transactions utilizing any type of transaction documents as mutually agreed. In any transaction document entered utilizing this Agreement, Supplier and Participating Entity must include specific reference to this Master Agreement by number and to Participating Entity's unique Sourcewell account number.

6) **Additional Terms and Conditions Permitted.** Participating Entity and Supplier may negotiate and include additional terms and conditions within transaction documentation as mutually agreed. Such terms may supplant or supersede this Master Agreement as agreed by the Supplier and the by Participating Entity. Sourcewell has expressly reserved the right for Supplier and Participating Entity to address any necessary provisions within transaction documents not expressly included within this Master Agreement, including but not limited to transaction cancellation, dispute resolution, governing law and venue, non-appropriation, insurance, liability, defense and indemnity, force majeure, and other material terms as mutually agreed. Additionally, Supplier may require Participating Entities to agree to the attached and Incorporated **WEX Account and Services Agreement and Participating Addendum**. Supplier acknowledges that some of the additional terms and conditions may need to be negotiated by a Participating Entity since the Participating Entity may not be legally permitted to agree to all terms. Any exceptions required by a Participating Entity shall

Docusign Envelope ID: 441ACB9B-7C3C-4CDA-8544-7E72BDBBE0AE

be listed and mutually agreed to between Supplier and a Participating Entity under the State's Exception appendix of the **WEX Account and Services Agreement and Participating Addendum**.

7) **Subsequent Agreements and Survival.** Supplier and Participating Entity may enter into a separate agreement to facilitate long-term performance obligations utilizing the terms of this Master Agreement as mutually agreed. Such agreements may provide for a performance period extending beyond the full term of this Master Agreement as determined in the discretion of Participating Entity.

8) **Participating Addendums.** Supplier and Participating Entity may enter a Participating Addendum or similar document extending and supplementing the terms of this Master Agreement to facilitate adoption as may be required by a Participating Entity.

Specifications

Table 1: Proposer Identity & Authorized Representatives (Not Scored)

General Instructions (applies to all Tables) Sourcewell prefers a brief but thorough response to each question. Do not merely attach additional documents to your response without also providing a substantive response. Do not leave answers blank; respond "N/A" if the question does not apply to you (preferably with an explanation).

Table 1 Specific Instructions. Sourcewell requires identification of all parties responsible for providing Solutions under a resulting master agreement(s) (Responsible Supplier). Proposers are strongly encouraged to include all potential Responsible Suppliers including any corporate affiliates, subsidiaries, D.B.A., and any other authorized entities within a singular proposal. All information required under this RFP must be included for each Responsible Supplier as instructed. Proposers with multiple Responsible Supplier options may choose to respond individually as distinct entities, however each response will be evaluated individually and only those proposals recommended for award may result in a master agreement award. Unawarded entities will not be permitted to later be added to an existing master agreement through operation of Proposer's corporate organization affiliation.

Line Item	Question	Response *	
1	Provide the legal name of the Proposer authorized to submit this Proposal.	WEX Bank	*
2	In the event of award, is this entity the Responsible Supplier that will execute the master agreement with Sourcewell? Y or N.	Y	*
3	Identify all subsidiaries, D.B.A., authorized affiliates, and any other entity that will be responsible for offering and performing delivery of Solutions within this Proposal (i.e. Responsible Supplier(s) that will execute a master agreement with Sourcewell).	WEX Bank, a Utah industrial bank, is the contracting party and a wholly-owned subsidiary of WEX Inc. (NYSE: WEX), a Delaware corporation. Unless context dictates otherwise, WEX Bank and WEX Inc. are collectively referred to herein as WEX.	*
4	Provide your CAGE code or Unique Entity Identifier (SAM):	WEX Bank Cage code: 3L5W9	*
5	Provide your NAICS code applicable to Solutions proposed.	522110	
6	Proposer Physical Address:	WEX Bank 111 East Sego Lily Drive, Suite 250 Sandy, UT 84070	*
7	Proposer website address (or addresses):	www.wexinc.com	*

WEX is Sourcewell's current fleet card program administrator. Sourcewell customers have the option to purchase Telematics and other ancillary products through the WEX contract.

ABOUT WEX

WEX is the global commerce platform that simplifies the business of running a business. We have created a powerful ecosystem that offers seamlessly embedded, personalized solutions for our customers around the world. Through our rich data and specialized expertise in simplifying benefits, reimagining mobility, and paying and getting paid, we aim to make it easy for companies to overcome complexity and reach their full potential. Since 1983, our business has grown from approximately $3 million in revenue and 50 employees to $2.63 billion in revenue and roughly 6,500 global employees in 2024, with 22 million fleet cards in circulation. Leveraging our unique capabilities, WEX offers solutions that organizations use to drive efficiencies and manage risk.

FLEET AND MOBILITY SOLUTIONS

For over 40 years, we have built our proprietary closed-loop network that provides the ability to control purchases in the field, and delivers comprehensive information and analysis tools that allow effective, data-driven operational management and cost reduction.

We believe our key source of differentiation in the Mobility segment is the enhanced data and controls we provide fleet operators based on our proprietary closed loop payments network. This proprietary closed-loop network enables us to capture Level III data, deploy custom controls, and establish the economics between fleets and merchants. Our data and tools allow fleet owners and managers to control spend and limit fraud while optimizing their fleet operations.

WEX's program simplifies your mobility management and performance with superior card functionality, reporting, and customer service, including:

- Level III data capture on 99.8% of transactions made with the WEX Fleet Card for greater insight and fraud detection
- Nine levels of account hierarchy for flexible reporting and billing options
- Advanced card to Prompt ID number functions; ability to tie one card to one Prompt ID,
  etc.
- More flexible prompting options at point of sale
- Acceptance at 95% of U.S. retail fuel sites; expanded acceptance through virtual Mastercard technologies (WEXPay)
- Robust online reporting tools through WEXOnline; ability to schedule and share custom reports
- Ability to customize data fields and add GL codes for accounts, drivers, vehicles or cards
- Control over user access to the online system, with advanced administrative functions
- The WEX Fleet Plus card, a one-card solution that combines WEX's current closed loop fleet card product with enhanced acceptance via the Mastercard network for non-fuel, vehicle-related purchases, all managed under a single account with one line of credit.
- WEX EV, providing en-route, at-home, and depot charging services. You can use your WEX account for all fueling and charging transactions, and receive one integrated invoice and set of reports.
- Cutting-edge EV analytics, fleet optimization, and emissions reporting as part of WEX's Sourcewell contract with Sawatch Labs.
- Holistic, streamlined, simplified mobility solution encompassing fuel, EV charging and optimization, vehicle repair, analytics, telematics, and more.

PUBLIC SECTOR EXPERTISE

In addition to serving as Sourcewell's fleet card provider since 2011, WEX provides mobility solutions for 36 states (seven of these states are current Sourcewell customers), and has governmental and tax-exempt customers in all 50 states. Our State customers represent more than 811,000 cards

WEX also provides mobility services as a subcontractor to Citibank under the Federal Government's GSA SmartPay 3 Charge Card Program for 13 federal agencies, including the GSA Fleet, and the Departments of Homeland Security, Agriculture, State, Treasury, Commerce, Energy and Justice. These federal government customers have more than 315,000 cards.

In total, WEX services approximately 1.2 million tax-exempt cards.

We are an active member of the National Alliance of State and University Fleets

(NASUF) and continually attend educational seminars and focus groups to better understand the industry so we can meet and exceed the needs of our customers.

TAX EXEMPTION, REPORTING, AND RECOVERY PROGRAM

Federal Gasoline and Diesel Excise Tax-Exempt Program:

WEX will invoice net of all Federal excise taxes on gasoline and diesel, at the transaction level, regardless of merchant participation if you are qualified as tax-exempt.

State Sales, County and Local Taxes at Participating Merchants:

WEX currently offers eligible tax-exempt entities a comprehensive tax exemption and reporting program for applicable motor fuel transactions based on merchant participation. The program supports the following levels of tax:

- State Primary (Excise Tax)
- State Secondary (Sales Tax)
- State Special
- County Primary (Excise Tax)
- County Secondary (Sales Tax)
- County Special
- City Primary (Excise Tax)
- City Secondary (Sales Tax)
- City Special

Tax-exempt reporting shows:

- Exempted Tax, at the transaction level.
- Reported Tax, at the transaction level.
- Summary of tax types by product for both exempted and reported transactions.

State Sales Tax and County Tax at Non-Participating Merchants:

For fueling transactions with those fuel marketers that do not participate in the WEX tax-exempt program, but for which the fleet is eligible to receive tax exemption, WEX reports applicable taxes as “Reported Tax.” “Reported Tax” transactions list transactions and tax amounts that WEX does not exempt so the customer can file for exemption. Many customers use their WEXLink data file to aid in the recovery of taxes that could not be excluded through the tax-exempt program. Reporting shows:

- Exempted tax, by transaction.
- Reported tax, by transaction.
- Summary of tax types by product for both exempted and reported transactions.

Tax Exemption for Non-Fuel Purchases:

For non-fuel transactions, merchants may provide transactional data to WEX net of tax on a fleet-by-fleet basis at the merchants’ discretion. Drivers must supply the merchant with proper documentation of the organization’s tax-exempt status at the point of sale. The merchant will send the transaction to WEX, net of tax, for billing.

Qualification:

Any customer participating in this contract will be required to complete a certification process affirming its qualification to receive the tax exemption based upon the rules and criteria set by the appropriate taxing jurisdiction.

Required Data:

Tax Exemption processing requires that the merchant provide electronically to WEX the following data points:

- Account Number
- Account Name
- Type of Fuel
- Gallons
- Price per gallon
- Total gross sale

Exemptions may not apply to all transactions. For example, WEX is not able to exempt applicable fuel taxes on transactions that are provided with certain data elements that are missing and may be autocorrected. Taxing jurisdictions require documentation from the party providing the exemption of the type of fuel, gallons purchased, and price per gallon. There are occasions where the merchant is unable

		to provide all the required documentation, therefore these transactions will not go through our tax processing. However, if the fleet provides a copy of the sales receipt, we can repost these transactions and apply the applicable exemptions. CORE VALUES / BUSINESS PHILOSOPHY For information pertaining to governance (e.g., WEX's Code of Business Conduct and Ethics) please visit: https://ir.wexinc.com/governance/governance-documents/default.aspx For information outlining WEX's commitment to Corporate Sustainability, and Diversity, Equity, and Inclusion, please visit https://www.wexinc.com/about/wex-sustainability-report/?_gl=1*12qggqp*_gcl_au*MzczNjc2MTE0LjE3MzYyODAzNzY.*_ga*NzE4NzcwNDI2LjE2Nzg0NjMwMDc.*_ga_K3HRZM070M*MTczNzA1ODQ2OS4yMTAuMS4xNzM3MDU4NTMyLjYwLjAuMA.. For your convenience, we have attached our most recent Sustainability Report, which highlights our work in Environmental Stewardship, Environmental Innovation, Social Impact, People & Culture (e.g., DEI, talent attraction, leadership development), and Governance.	
12	What are your company's expectations in the event of an award?	WEX has been Sourcewell's fleet card vendor of choice since 2011. We welcome the opportunity to continue what we feel is a mutually beneficial relationship for Sourcewell, your members, and WEX. Currently, across all organizational levels of seven states and direct municipal accounts there are approximately 5,238 accounts using the WEX / Sourcewell contract. WEX will continue marketing our best-in-class fleet card program to Sourcewell's members. Remaining with WEX helps ensure that Sourcewell's members continue receiving our card program's comprehensive benefits, while avoiding potentially time-consuming and costly contract negotiation and implementation with a new provider.	*
13	Demonstrate your financial strength and stability with meaningful data. This could include such items as financial statements, SEC filings, credit and bond ratings, letters of credit, and detailed reference letters. Upload supporting documents (as applicable) in the document upload section of your response. DO NOT PROVIDE ANY TAX INFORMATION OR PERSONALLY IDENTIFIABLE INFORMATION.	WEX's annual reports and proxy statements are publicly available via our investor page: https://ir.wexinc.com/financials/annual-reports-proxy-esg/default.aspx You may also view WEX's quarterly results here: https://ir.wexinc.com/financials/quarterly-results/default.aspx For your convenience, we have attached WEX's most recent annual report.	*
14	What is your US market share for the Solutions that you are proposing?	Although internal market share estimates are confidential, WEX's public sector expertise is unmatched in the marketplace, as we provide services for 36 states, have tax exempt customers in all 50 states, and provide fleet solutions as a subcontractor to Citibank under the Federal Government's GSA SmartPay 3 Charge Card Program for 13 federal agencies. In total, WEX services approximately 1.2 million tax exempt cards. Including our commercial and international accounts, we provide 19 million vehicles and 600,000 global fleet customers with exceptional service, payment security, and control	*
15	What is your Canadian market share for the Solutions that you are proposing?	The WEX card is currently accepted at 2,597 sites in Canada. This includes, but is not limited to, 1,457 Esso sites, 362 Circle K (Esso) sites, 213 Mobile sites, 131 Couche Tard (Esso) sites, 91 Canco Petroleum sites, 82 Shell Flying J sites, 72 Southwest Fuel sites, and 70 7-Eleven Canada sites. WEX has signed agreements with several additional Canadian merchants, which will add an additional 2,238 accepting locations from brands such as Parkland Fuel, Irving Oil, Pioneer Energy, and Wilsons Fuel.	*
16	Disclose all current and completed bankruptcy proceedings for Proposer and any included possible Responsible Party within the past seven years. Proposer must provide notice in writing to Sourcewell if it enters a bankruptcy proceeding at any time during the pendency of this RFP evaluation.	N/A - WEX has not petitioned for bankruptcy protection.	*

17	How is your organization best described: is it a manufacturer, a distributor/dealer/reseller, or a service provider? Answer the question that best applies to your organization, either a) or b). a) If your company is best described as a distributor/dealer/reseller (or similar entity), provide your written authorization to act as a distributor/dealer/reseller for the manufacturer of the products proposed in this RFP. If applicable, is your dealer network independent or company owned? b) If your company is best described as a manufacturer or service provider, describe your relationship with your sales and service force and with your dealer network in delivering the products and services proposed in this RFP. Are these individuals your employees, or the employees of a third party?	Service Provider. Our response details completely the services and products our organization provides. WEX provides most of the services for the requirements of this RFP. Our product and technology teams plan, develop, and roll out our industry-leading software solutions, and provide training and help with day-to-day issues. However, it makes smart business sense to partner with others for certain services. For example, our web hosting environments provide a level of security and environmental controls that would be cost-prohibitive to duplicate. Other areas are not part of our core business, which is why working with the best vendors in the industry is key to WEX's successful business model. WEX markets our services directly to fleets and to businesses. The sales and service delivery associates are employed by WEX. WEX does not utilize dealer networks to market, sell, or service the Sourcewell card program described throughout our response.	*
18	If applicable, provide a detailed explanation outlining the licenses and certifications that are both required to be held, and actually held, by your organization (including third parties and subcontractors that you use) in pursuit of the business contemplated by this RFP.	WEX holds all required licenses and certifications. WEX Bank is a Utah industrial bank regulated by the FDIC. WEX Inc. is SOC and PCI-DSS compliant.	*
19	Disclose all current and past debarments or suspensions for Proposer and any included possible Responsible Party within the past seven years. Proposer must provide notice in writing to Sourcewell if it enters a debarment or suspension status any time during the pendency of this RFP evaluation.	N/A	*
20	Describe any relevant industry awards or recognition that your company has received in the past five years.	The National Alliance of State and University Fleets (NASUF) recognized WEX with the Partner Excellence Award, which recognizes a corporate partner who has made an impact in the fleet community by demonstrating innovation in fleet management practices, collaborating with industry stakeholders to achieve mutual goals, promote best practices, and prove measurable outcomes or achievements through their efforts. Forbes recognized WEX as a Best Fleet Fuel Card Provider in 2024 Logistics and Transportation Review honored WEX in 2024 as a top 10 Fleet Management Solutions Provider and as a Fuel Cards and Fleet Management Company of the Year Newsweek selected WEX as a 2024 America's Greatest Workplaces with five out of five stars in the software and internet services category, while also recognizing WEX for its workplace efforts around: • Diversity, • Women, • Mental Wellbeing Named to U.S. News & World Report's 2024-2025 list of Best Companies to Work For, listing WEX among top companies in three categories: • Overall Companies • Professional Services Companies • Northeast Companies	*
21	What percentage of your sales are to the governmental sector in the past three years?	This information is considered proprietary and confidential. However, of our approximately 22 million cards currently in the market, roughly 1.2 million are public sector / tax exempt. This consists of 36 state contracts, including the existing Sourcewell contract (seven states and direct municipal accounts totaling 5,238 organizations). WEX is also a subcontractor to Citibank under the Federal Government's GSA SmartPay 3 Charge Card Program for 13 federal agencies.	*
22	What percentage of your sales are to the education sector in the past three years?	This information is considered proprietary and confidential.	*

23	List all state, cooperative purchasing agreements that you hold. What is the annual sales volume for each of these agreement over the past three years?	WEX currently provides services for 36 states, and has government / tax exempt customers in all 50 states. This business represents over 800,000 cards. WEX is currently Sourcewell's cooperative contract holder for fleet cards and administration. States currently on the Sourcewell contract include: - Arkansas - Iowa - Kansas - Massachusetts - Missouri - North Carolina - Rhode Island Additional state customers include: Alabama, Arizona, California, Colorado, Connecticut, Florida, Georgia, Idaho, Illinois, Indiana, Kentucky, Louisiana, Maine, Michigan, Minnesota, Montana, New Hampshire, New Mexico, New York, Oregon, Pennsylvania, South Carolina, Tennessee, Utah, Vermont, Washington, West Virginia, Wisconsin, and Wyoming. Of these states, some are direct WEX customers while others are part of our cooperative NASPO contract. WEX cannot share sales volume figures.	*
24	List any GSA contracts or Standing Offers and Supply Arrangements (SOSA) that you hold. What is the annual sales volume for each of these contracts over the past three years?	WEX has provided services (fleet card, private site, and telematics) as a subcontractor to Citibank since 2008 - under the Federal Government's GSA SmartPay 2 (2008 - 2018) and current SmartPay 3 Charge Card Program. This work encompasses 13 federal agencies, including the GSA Fleet, and the Departments of Homeland Security, Agriculture, State, Treasury, Commerce, Energy and Justice. These federal government customers have more than 315,000 cards. WEX cannot share sales volume figures.	*

Table 2B: References/Testimonials

Line Item 25. Supply reference information from three customers who are eligible to be Sourcewell participating entities.

Entity Name *	Contact Name *	Phone Number *	
State of North Carolina, Division of Motor Fleet Management	Robert Riddle – Fleet Director	(919) 857-4027	*
State of Georgia, Department of Administrative Services	Jazzmin Randall - Director, Office of Fleet Management	(404) 463-5458	*
Commonwealth of Pennsylvania, Bureau of Vehicle Management	Randall Tomlinson – Assistant Director	(717) 787-3162	*

Table 3: Ability to Sell and Deliver Solutions (150 Points)

Describe your company's capability to meet the needs of Sourcewell participating entities across the US and Canada, as applicable. Your response should address in detail at least the following areas: locations of your network of sales and service providers, the number of workers (full-time equivalents) involved in each sector, whether these workers are your direct employees (or employees of a third party), and any overlap between the sales and service functions.

Line Item	Question	Response *	

26	Sales force.	WEX directly employs all salesforce and account management assets working on the Sourcewell contract. WEX's card program offers acceptance in all 50 states, at more than 95% of retail fueling locations, all of which provide Level III data and best-in-class card controls for Sourcewell's membership organizations. Our ongoing, comprehensive strategy to public sector account management includes dedicated relationship and sales teams. Our holistic approach ensures that all eligible entities know they can take advantage of the overarching WEX/Sourcewell contract. We also create targeted marketing plans to support our public sector outreach, so eligible entities understand the program benefits and savings available to them. Communications are customized for each eligible public sector program, are disseminated via direct mail and email, and are structured around the specific contract provisions most relevant to each organization we target. We also provide a dedicated web page for those seeking additional information. Our marketing team uses mailing addresses provided by respective state agencies to identify eligible programs. Additionally, WEX's internal analytics team utilizes subscription-based databases to acquire contacts and conduct mailings. These tools enable us to maximize the effectiveness of the relationship, and ensure both parties benefit to the greatest extent possible. Our commitment to the Sourcewell relationship is evidenced by the contract's consistent performance, growing from 650 accounts and approximately $50 million in spend on over 14 million gallons in 2014 to 5,268 accounts and nearly $350 million in spend on over 105 million gallons in 2024. WEX has a fleet card sales force of a dozen representatives dispersed throughout the continental United States, all of whom are dedicated to selling our fleet card program and are full-time WEX employees. PUBLIC SECTOR RELATIONSHIP MANAGERS WEX has three Public Sector Relationship Managers - including Sourcewell's current relationship manager, Janet Parker - who focus on servicing and expanding the use of our largest public sector customers. Janet also ensures Sourcewell and your members maximize the value of our program by understanding organizational goals, providing on-point solutions and best practices for optimal savings, regular reviews of key performance indicators, sharing best practices, introducing new products, and tracking against established policies, goals and objectives. Janet also assists with problem resolution and escalation when necessary. Janet is located in Michigan, and will continue managing the account for the life of the contract. PUBLIC SECTOR ACCOUNT EXECUTIVES WEX directly employs two dedicated Public Sector Account Executives, located at our corporate headquarters in Portland, Maine, who pursue piggybacking opportunities with organizations eligible for the Sourcewell contract.	*
27	Describe the network of Authorized Sellers who will deliver Solutions, including dealers, distributors, resellers, and other distribution methods.	N/A	*

28	Service force.	Janet Parker, your current Relationship Manager, will continue meeting with interested strategic members to review the card program, and communicate meaningful best-practices to Sourcewell members. CUSTOMER SERVICE DEPARTMENT WEX's customer-centered service philosophy places skilled, expert personnel at all levels of our organization to meet your needs. This tiered approach enables us to provide high levels of customer service, as well as strategic oversight to help businesses maximize the value of their card programs. The WEX Customer Service Department is available 24x7x365 to answer questions, handle lost or stolen card reports, order replacement cards, and authorize transactions for cardholders and Program Administrators. Station attendants can utilize an interactive voice response system (IVR) to obtain quick purchase authorization, while managers can check balances, credit limits, or make a payment. WEX employs a state-of-the-art call handling system featuring skill-based call routing, which ensures that our CSRs do not receive certain types of calls until they are fully trained to support them. We conduct a rigorous training and examination phase for all new CSRs, and provide continuous refresher training to experienced staff. For escalated issues, our Customer Service Representatives leverage on-call Subject Matter Experts (SMEs) as needed. PREMIUM FLEET SERVICES We understand that not all customer service needs are met by a standard call center approach. We have developed service teams within our Client Services division that have the flexibility and skills to deliver non-standard service and meet the unique needs of our large fleet customers. Premium Fleet Services (PFS) account managers are the primary day-to-day contact for Sourcewell's larger fleet customers. The PFS Account Manager ensures smooth program operation, and prompt problem resolution so you experience minimal disruption. The PFS Account Manager also helps create custom reporting that may not be easily accessible to fleet managers, ensuring that essential data is available for effective oversight. Your PFS Account Manager is available toll-free between the hours of 8 a.m. and 5 p.m. Eastern time, Monday through Friday. For escalated or immediate issues, PFS Account Managers are available via mobile device. Phone calls are returned within two business hours, and emails within 24 business hours. FRAUD SPECIALISTS WEX's experienced fraud professionals work with fleets, partners, merchants, and, when necessary, local and federal authorities to minimize fraud, misuse, and abuse of our fleet card programs. We take a three-pronged approach to mitigating inappropriate use of cards and card programs - prevention, detection, and management. The Fraud Team has an extensive network of industry contacts and association memberships to ensure they are on top of new trends and developments. STRATEGIC PORTFOLIO ANALYST (SPA) For eligible customers, WEX's proactive, service-oriented approach helps reduce payment delinquency. Our SPA team works with large customers to ensure accurate, on-time billing and payment. You are assigned a specific receivables specialist who serves as your primary point of contact, and works closely with the account manager. Your SPA specialist also ensures that your billing structure and payment methods work well for your business, and helps you get the most value from your card program. SPA specialists monitor payments on a daily basis and contact customers that have either not sent payment, or remitted a payment amount that does not match the amount due. Past due balances are resolved quickly, lessening the need for costly and time-consuming historical reconciliation and analysis.

29	Describe the ordering process. If orders will be handled by distributors, dealers or others, explain the respective roles of the Proposer and others.	The products WEX provides are largely not applicable to a traditional ordering process. Sourcewell customers apply for credit and are adjudicated by WEX Bank on their own merit. Assuming application approval and a successful implementation, fleet managers and other authorized personnel may order cards anytime 24/7 via WEXOnline, our online fleet administration portal, or by calling our Customer Service Department. For card ordering, WEX processes requests for new, lost, damaged, or stolen cards within one business day. WEX Cards can be delivered using the carrier specified by the customer (e.g., the U.S. Postal Service for free standard shipping, or FedEx for expedited orders). Standard orders typically arrive in five - seven business days. For expedited shipping, you may use your own shipping account, or be charged a fee.	*
30	Describe in detail the process and procedure of your customer service program, if applicable. Include your response-time capabilities and commitments, as well as any incentives that help your providers meet your stated service goals or promises.	WEX's customer-centered service philosophy places skilled, expert personnel at all levels of our organization to meet your needs. This tiered approach enables us to provide high levels of customer service, as well as strategic oversight to help businesses maximize the value of their card programs. The WEX Customer Service Department is available 24x7x365 to answer questions, handle lost or stolen card reports, order replacement cards, and authorize transactions for cardholders and Program Administrators. Station attendants can utilize an interactive voice response system (IVR) to obtain quick purchase authorization, while managers can check balances, credit limits, or make a payment. Additionally, WEX Customer Service has limited bilingual Spanish/English and French/English staff. When a bilingual agent is not available, translation services are utilized which provide services in 100+ languages. SKILL-BASED CALL ROUTING SYSTEM WEX employs a state-of-the-art call handling system featuring skill-based call routing, which ensures that our CSRs do not receive certain types of calls until they are fully trained to support them. We conduct a rigorous training and examination phase for all new CSRs, and provide continuous refresher training to experienced staff. Only upon successful completion of the training program are CSRs allowed to field customer calls, ensuring their ability to provide best-in-class service. Experienced CSRs and team leaders monitor new staff responses to assure quality and program performance. CUSTOMER SATISFACTION Customer Satisfaction is the bottom line for any service organization and WEX has developed high standards for customer interaction. We set our standards for customer service by benchmarking against other card-based call centers, and then strive to exceed those standards with each call. Measured metrics (with most recent data) include: - Quality Assurance (97.18%) - Average speed to answer (1 minute 18 seconds) - Time to abandon (6 minutes 07 seconds) - Abandonment rate (5.00%) - Talk time (5 minutes 08 seconds) - After-call work (15 minutes) - Handle time (5 minutes 33 seconds) - Email response time (77.3 hours) WEX surveys our customers to gain insight into your experience, and receive consistently high marks. Additionally, we record all of our calls and evaluate trends using speech analytic technology. This provides us with rich, real-time "voice of the customer" information that enhances our training programs and informs our product development activities. CUSTOMER SERVICE MANAGEMENT At WEX, our management and staff are tasked with improving our service offering's effectiveness. Our charge is to maximize resources while creating and maintaining a balance between work expectations and personal lives. Keeping first line customer service representatives (CSRs) invigorated and available to handle the next call requires support from an extended team of specialists to help with complex issues and ensure optimal staffing during peak call hours. - Customer Service Managers lead the contact center, and maintain all KPIs and quality standards. Each team consists of 15 - 25 CSRs who receive daily performance reports, regular one-to-one meetings, monthly team meetings, and need-based coaching. The management team also reports and resolves technical and escalated issues, contributes insights to partners, and drives technical and process enhancements.	*

		- The Workforce Management Team oversees daily que management and service levels attainment. The team also provides daily, monthly, and ad hoc reporting for the call center. They produce resource forecasts and manage associate scheduling to optimize the customer experience. - The Learning and Development Team provides initial and ongoing training for all CSRs through a blend of intense learning modules which harness adult-learning best-practices and incorporate facilitation, practical application, assessment, and remediation. - Quality Assurance Associates review and score a cross section of each CSR's monthly customer interactions to ensure account security, procedural compliance, and customer experience. Each CSR and their Team Leader receives monthly scorecards, and real-time alerts to identify and remediate coaching opportunities. - Customer Service Mentors are the contact center's service experts, and support service representatives with calls that require additional research or specialized knowledge. Mentors also schedule coaching sessions as assigned by leadership. The goal is to resolve issues in one call, provide an immediate response, and ensure knowledge transfer to continually improve accuracy and customer experience. PREMIUM FLEET EMERGENCY RESPONSE WEX recognizes the critical importance of maintaining available fuel supplies for essential and public sector vehicles during natural disasters, threats to national security, and military mobilization, and is prepared to support the needs of Sourcewell's qualifying Premium Fleet Service customers in such instances. We are proud to be an integral part in our customers' ability to maintain continuous operations during their most crucial times of need. Some of the emergency services we provide upon request include: - Emergency plan development: we work with each customer to prepare a plan of response should an emergency occur. - Online emergency card profile set-up, so fleets can easily remove or change card control limits to support emergency operations. - Regular updates outlining which networks and fuel stations are open and active in disaster areas.	
31	Describe your ability and willingness to provide your products and services to Sourcewell participating entities.	WEX will continue providing marketing, products, and services to Sourcewell participating entities in the United States.	*
32	Describe your ability and willingness to provide your products and services to Sourcewell participating entities in Canada.	WEX is happy to provide existing products and services to participating entities in Canada, though the Canadian market is not a target of investment for WEX at this time.	*
33	Identify any geographic areas of the United States or Canada that you will NOT be fully serving through the proposed agreement.	N/A. The WEX card is accepted in all 50 states and in Canada.	*
34	Identify any account type of Participating Entity which will not have full access to your Solutions if awarded an agreement, and the reasoning for this.	N/A	*
35	Define any specific requirements or restrictions that would apply to our participating entities in Hawaii and Alaska and in US Territories.	N/A	*
36	Will Proposer extend terms of any awarded master agreement to nonprofit entities?	Yes.	*

Table 4: Marketing Plan (100 Points)

Line Item	Question	Response *	
37	Describe your marketing strategy for promoting this opportunity. Upload representative samples of your marketing materials (if applicable) in the document upload section of your response.	Our multi-channel marketing programs have a demonstrated track record of successful outreach to public sector fleets of all sizes. Since partnering with Sourcewell in 2011, WEX has grown the contract to benefit more than 5,200 participating entities, including seven states. WEX's public sector expertise is unmatched in the industry, providing services for 36 states, and supplying fleet card services as a subcontractor to Citibank under the SmartPay 2 (2008 - 2018) and current SmartPay 3 contracts. In total, we service approximately 1.2 million tax-exempt cards. We are an active member of the National Alliance of State and	

University Fleets (NASUF), continually attending educational seminars and focus groups to better understand the industry so we can meet and exceed the needs of our customers.

We reiterate this experience because WEX actively manages marketing efforts to inform eligible entities that Sourcewell has a fleet card program, and work to onboard these groups through education of program benefits.

Our custom outreach program ensures that eligible public sector organizations know about the Sourcewell / WEX program, understand the benefits of enrolling, and can easily sign up for the program. Our annual efforts include, but are not limited to, direct mail, email campaigns, newsletters, trade show participation, press releases, web-based marketing, online landing pages, and sales visits - all with an eye toward maximising overall program volume.

INTERNAL MARKETING CAPABILITIES

WEX invests millions of dollars each year in our comprehensive marketing and sales programs on behalf of our own WEX Universal, partner-based proprietary, and public sector card programs. We market to state, local, and other eligible public sector organizations in order to optimize participation in their respective card programs.

Our in-house Project and Channel Managers oversee our public relations campaigns, tradeshows, email, web, direct mail, and advertising programs. We also have a full-time, in-house design team who support the development of collateral, direct mail, traditional print, and web design. We are able to create turn-key programs for partners of all sizes.

Through our marketing and sales efforts, WEX has helped the Sourcewell contract grow from zero cards in 2011, to 3,350 customers purchasing over $175,000,000 on over 63 million gallons in 2018, to 5,268 accounts, and nearly $350 million in purchases on over 105 million gallons in 2024. WEX will continue our active marketing program, further growing the portfolio throughout the contract by leveraging local and municipal-level relationships. *

APPROACH

We utilize a disciplined, data-driven approach and track key metrics such as response rate, close rate, average fleet size, credit approval rate, account and activation rate, card yield, and overall ROI. We use Salesforce and Siebel CRM systems to track the effectiveness of each unique campaign, and review results of each marketing program in detail, both internally and in conjunction with our partners. Our approach includes a willingness to try new concepts and approaches using “champion-challenger” methodology to learn and compare results of proven campaign approaches with those of new test or concept campaigns.

Our in-house web marketing team develops a comprehensive marketing approach which utilizes the latest web marketing strategies. We have developed a dedicated Sourcewell landing page to inform existing and prospective state organizations about the Sourcewell Fleet Card program (e.g., https://www.wexinc.com/oklahoma; https://www.wexinc.com/texas). We use outreach efforts to draw traffic to the site, and encourage enrollment in the program. This program is supported by geographically targeted Search Engine Marketing (SEM) to drive applications. WEX will develop custom email outreach programs to communicate with eligible Sourcewell organizations. WEX successfully manages digital, web-based marketing campaigns on behalf of our partners, and our in-house web marketing team are experts at leveraging this channel for fleet acquisition and communication.

Our sales team attends multiple national, regional, and local trade shows each year, allowing us to reach key decision makers and establish key industry contacts. We will continue leveraging Sourcewell at public sector trade shows and conferences in our continuous effort to expand awareness of the Sourcewell program, and convert prospects into participants. Our in-house marketing team manages and coordinates our event calendar, and provides follow-up including lead generation, maintenance, and post-show mailings.

Finally, all WEX sales associates utilize Salesforce Customer Relationship Management (CRM) for effective territory management, as well as management reporting. Each member of our sales force uses this system to manage their territory and move prospective leads through the sales process to active leads which are followed up on until they are closed. Use of the tool gives us a clear view of individual and team effectiveness, their current 30-day account forecast, and their long-term pipeline. We also use Salesforce to track leads, develop custom email programs, and distribute marketing collateral to potential accounts. We would use Salesforce to track and manage Sourcewell’s sales and marketing program.

38	Describe your use of technology and digital data (e.g., social media, metadata usage) to enhance marketing effectiveness.	WEX has a world class in-house Marketing Agency with award-winning digital marketers specializing in fuel card lead generation and quality customer growth. We depend heavily on technology and digital data in our marketing efforts. Our marketing department works closely with our insights and analytics teams to glean valuable data which allows us to fine-tune our marketing campaigns and day-to-day activities. We are engaged actively in all modern marketing channels including social media (LinkedIn, Meta, Instagram, and X). Through sophisticated social listening capabilities, we receive valuable feedback and sentiment from customers and of course, use these platforms to deliver value to our customers. WEX also excels in the realm of precision targeting for fleet marketing due to our deep understanding of the fleet sector and strategic internal collaborations. By integrating risk grade data, behavioral insights, and transaction data with cutting-edge AI targeting, we have the prowess to attract customers who are not only highly likely to engage with WEX at the right moment but also contribute significantly to our profitability by fueling the most gallons. We meticulously craft tailored audiences, guiding them through the buyer's journey, fueled by their behaviors and interactions with our brand.	*
39	In your view, what is Sourcewell's role in promoting agreements arising out of this RFP? How will you integrate a Sourcewell-awarded agreement into your sales process?	Historically, WEX has overseen promotional and marketing activities for the Sourcewell contract. In addition to the marketing plans described above, we attend Sourcewell's annual H2O Conference to assist with networking, and include Sourcewell branding at WEX's other public sector conference appearances. We look forward to working with Sourcewell in updating the WEX landing page, and are happy to discuss additional input into the promotional and marketing activities we perform on Sourcewell's behalf. WEX has served as your fleet card provider since 2011. As such, we are very familiar with Sourcewell agreements and have integrated them into our sales process.	*
40	Are your Solutions available through an e-procurement ordering process? If so, describe your e-procurement system and how governmental and educational customers have used it.	The products and services WEX provides are largely ordered and managed through WEX Online. To obtain a WEX Fleet Card, Sourcewell customers apply for credit and are adjudicated by WEX Bank on their own merit. Once approved the account goes into implementation and goes active in roughly 30-90 days (depending on complexity and any custom requirements). The Fleet Manager module of WEXOnline allows users to order, add, edit, suspend, reactivate, and terminate cards and drivers, add and manage card controls, and to view and download invoice details. They can also: - Assign a card to the driver, vehicle or location. - Transfer cards from one account to another. - Group cards into profiles to enforce your purchasing policies. - Create organizational units or departments to better organize cards, vehicles and drivers for reporting and management purposes (initially added during the implementation phase). - Edit account information.	*

Table 5A: Value-Added Attributes (100 Points, applies to Table 5A and 5B)

Line Item	Question	Response *	

41	Describe any product, equipment, maintenance, or operator training programs that you offer to Sourcewell participating entities. Include details, such as whether training is standard or optional, who provides training, and any costs that apply.	We provide initial training to Sourcewell's customers at agreed-upon sites, ongoing as-needed training, and re-training as required via in-person training, webinars, phone conferences, or a combination of those. WEX's Strategic Implementation Manager (SIM) will discuss specific training requirements during Discovery. Upon initial implementation, the SIM trains the fleet management team in performing various administrative functions associated with the platform (including, but not limited to, adding drivers, adding vehicles or assets, assigning card controls, creating and assigning custom roles, reporting). Online or in person system training typically takes 60 to 90 minutes, depending on questions. These can be done for multiple groups, and may include on-site training as-needed. We also provide detailed reference and summary guides as part of the implementation project plan. Other reference guides exist throughout our various systems. For example, WEXOnline contains PDF help guides that provide step-by-step instructions to navigate different modules. The following PDF help guides are available: - Homepage: View news and events, pending online user requests, flexible exception report notifications, and search and select both accounts and organizational units - Fleet Manager: Managing cards, drivers, vehicles, authorization profiles, accounts, org units (or departments), contacts, and addresses - Financials: Provides access to accounting fields and definitions, and allows you to assign financial profiles throughout your hierarchy - Reports: Guides the user through the various reporting tools to meet your analysis needs. - Resource Tools: Offers various, commonly-requested reporting tools to help locate sites where your fleet card can be used, to assist you in finding diesel and alternative fuel sites, and to direct you to locations with available charging stations and/or the lowest price per gallon - Administration: Manage online users, view the roles and permissions to which these users are assigned; create custom roles to meet your security needs. The SIM also works with the customer to create a WEXOnline Summary Guide that outlines how agency nuances and requirements are captured and reported through the system, as well as quick-step guides for the online system. Additionally, we work with the State to organize tailored online training per users' assigned roles. Recorded training sessions can be shared as an additional tool. Multiple trainings can be recorded based on the audience's role e.g., full access or read only. Further, we develop and execute training plans to ensure card holders and fleet managers are well prepared to use the program. After implementation, on-going training meetings are available as-needed. For the individual card user: The WEX Customer Service Department is available 24 hours a day, 365 days a year, and is staffed by highly proficient service representatives and supervisors to answer any questions. We also provide electronic driver reference guides if they have issues with transactions, and produced a video showing drivers how to use our cards, available via our website at: https://www.wexinc.com/insights/blog/inside-wex/how-do-company-gas-cards-work/.
42	Describe any technological advances that your proposed Solutions offer.	As a payment technology company, we take a keen interest in technologies relating to transaction authorization and processing, messaging, payment devices, point of sale, industry hardware and software solutions, and new data sources to compliment our already-robust Level III reporting and analytics. WEX's new Fleet Plus Card, which enhances your ability to pay for non-fuel related vehicle purchases, and expanded mobile payment technology with our DriverDash app, are examples of this vision. WEX focuses on customer-driven technology enhancements, and actively solicits customer feedback when developing our roadmap. The Fleet Advisory Board - a targeted cross-section of our largest fleets - gives industry a voice with WEX senior leadership. We also actively engage with Sourcewell, and your customers, at numerous trade shows, and through our membership in public sector organizations such as the National Alliance of State and University Fleets (NASUF). WEX EV Whether your fleet relies on traditional fuel, electric vehicle charging, or a combination of both, WEX provides a seamless and future-ready solution. Manage all your transactions through a single, powerful platform, receiving one consolidated invoice and set of reports. WEX adapts to your evolving needs, simplifying the complexities of a mixed-energy fleet. with acceptance at over 146,000 public chargers nationwide. WEX EV En Route: Recharge drained EV batteries quickly during the workday Managing a mixed-fuel fleet can be complex with the wide variety of charge point operators

(CPOs) that all require a different method of authentication. Juggling cards, apps, and invoices creates administrative headaches that expose your fleet to inefficiency, and a greater likelihood of costly errors.

WEX has taken our original fleet card capabilities and added EV charging authentication and payment functionality. By pairing new or existing payment cards with a single WEX RFID and/or WEX DriverDash app, drivers can unlock EV charging at a growing network of 146,000 public charging stations in North America, including ChargePoint, EVGo, Flo, Blink, AmpUp, Noodoe, EV Gateway, Electrify America, and EVConnect. P

Worried about EV range? If drivers need to recharge their EV mid-day, DriverDash minimizes disruption by displaying convenient, available, in-network fast chargers. DriverDash is also the most secure, data-rich transaction platform currently available. DriverDash also enables fleets to capture valuable charging data, transaction receipts, odometer prompts, and even applies your custom purchase controls.

WEX EV At-Home: Access lower-cost, overnight charging at driver homes

Are you maximizing cost savings with your EV fleet? Without a dedicated at-home charging solution, you could be missing out on lower residential electricity rates, and struggling to accurately track and control charging expenses. WEX EV At-Home puts you in charge.

WEX EV At-Home is an end-to-end solution that allows you to request charging hardware and installation, and reimburse your drivers for their EV charging sessions, all utilizing your existing WEX fleet account and credit line. WEX's comprehensive and cost-saving solution allows you to:

- Order chargers and installation at your drivers' homes via WEXOnline
- Provide fast and accurate reimbursements to your drivers for home charging costs
- Approve charging sessions for reimbursement with manual, bulk, or automatic options
- Take advantage of lower off-peak residential electricity rates
- Receive one integrated invoice and set of reports for all fueling and EV charging purchases

WEX EV Depot: Convenient and controlled charging at your depots
Take control of your EV charging infrastructure with a private depot. Achieve greater security, track usage accurately, and ensure your fleet is always charged and ready. Don't be intimidated by the process – WEX simplifies depot setup, allowing you to focus on what matters most: your business.

WEX EV Depot product allows fleets to activate private charging sessions with their WEX RFID, track depot transactions as part of your complete charging picture and includes private sites on charging maps.

WEX EV with Sawatch Labs:Data-Driven Insights for Smarter EV Fleet Management

Sawatch Labs offers its cutting-edge fleet electrification analytics software as part of WEX's Sourcewell contract. This means that Sourcewell members can now access the tools they need to confidently transition their fleets to EVs without the hassle of a lengthy Request for Proposal (RFP) process.

Unlock the full potential of your customer's EV fleet with data-driven decisions about asset replacement and fleet optimization, leading to significant cost savings and improved efficiency.

- Strategic Charging Optimization: Avoid unnecessary infrastructure costs. Our analysis pinpoints the optimal number of on-site charging ports, ensuring you invest wisely and avoid the expense of even one extra port.

- Data-Driven Fleet Conversion: Make informed decisions about electrifying your fleet. Our comprehensive conversion analysis reveals the how, if, and when of transitioning to EVs, minimizing risk and maximizing ROI.
Smart Charging Strategies: Control your energy costs. We project charging times and implement managed charging technologies to mitigate peak demand charges and keep your utility bills in check.

- Optimized Vehicle Deployment: Minimize driver downtime and maximize productivity. Our analysis ensures your EVs are strategically positioned for optimal utilization, reducing wasted time and improving overall efficiency.

- Streamlined Reporting & Compliance: Free up your staff. Our automated reporting and analytics tools eliminate the need for manual data compilation, saving valuable staff hours and ensuring accurate compliance reporting.

Our reporting, analytics, and benchmarking tools are specifically designed for EV assets,

integrating seamlessly with Sourcewell customers' existing WEX mixed fleet programs.

For more on how Sawatch Labs and WEX simplify fleet electrification for Sourcewell's customers, please visit: https://sawatchlabs.com/industry-insights/how-sawatch-labs-and-wex-are-simplifying-fleet-electrification-for-public-agencies

DRIVER DASH

With DriverDash, a digital wallet version of the WEX Card, drivers authorize EV and fuel transactions from within their vehicle. This app simplifies transactions, reduces the need for physical cards that may be misplaced, and enhances security by mitigating issues like skimming and inaccurate odometer readings. DriverDash captures receipts electronically, so drivers spend less time at the pump and more time on the road.

Plus, if a driver needs a replacement card (due to loss, theft, damage, etc.) WEX can push a new digital card to DriverDash within one hour.

For conventional fueling, DriverDash is available at approximately 38,000 fueling stations across the continental U.S., including most Shell®, Exxon™, Mobil™, Phillips 66®, Conoco®, 76®, and Valero stations. WEX actively works to expand acceptance among our merchant network, and anticipates an additional 12,000 accepting locations coming online in 2025.

For EV charging, DriverDash features universal acceptance at our growing network of over 146,000 charging stations coast to coast. DriverDash is also the most secure transaction platform currently available, as the app captures odometer prompts and Prompt ID, and applies your fleet purchase controls to EV transactions for comprehensive data collection and reporting. Plus, WEX recently launched route planning functionality, allowing drivers to factor in variables like battery level, added weight, climate control usage, and more, when planning a trip.

WEXConnect

WEXConnect is a free mobile app that helps Sourcewell customers quickly find the lowest priced gas stations, nearby electric vehicle (EV) charging stations, specialty fueling stations (e.g., CNG, E85) and service locations. Real-time transaction information provides updated fuel pricing and current EV charging station availability.

APIs

WEX offers a comprehensive suite of API-driven solutions that empower businesses to optimize fleet management, reduce costs, and enhance security. Our APIs provide real-time transaction monitoring, fraud alerts, and granular card controls, enabling proactive fraud prevention and minimizing financial losses. We offer API-driven real-time alerts and notifications to our customers to immediately notify them of possible fraudulent events. We are also exploring mobile app payment integration to enhance security and convenience for drivers. Our APIs are designed to meet the diverse needs of our customers, from SMBs to large fleets, and can be customized to address specific use cases and risk tolerances. By partnering with WEX, you gain access to innovative solutions that enhance efficiency, strengthen security, and drive business growth.

- Fleet Administration Services currently available via API include Account, Card, Driver, Site, and Vehicle management integrations. .

- Digital Instant Issuance functionality provides a replacement card (due to loss, theft, or damage) within one hour.

- Fraud Mitigation functionality allows your customers to receive real-time email alerts and advanced decision making (e.g., flag a transaction as “valid” or "fraudulent").

We have additional API functionality in these areas, including mobile fleet payments, expanded fleet management functionality, and additional real-time fraud controls, on our 2025 roadmap. If there are specific integration capabilities of interest to Sourcewell or your customers, we are happy to discuss.

WEX FLEET PLUS CARD

Since our founding as a fuel card company in 1983, we have expanded our scope to become an innovative global leader in payment solutions. One key differentiator in the Mobility segment is the enhanced data and controls we provide fleet operators based on our proprietary closed loop payments network.

Looking forward, WEX is expanding the suite of card offerings to include WEX Fleet Plus, a one-card solution that combines WEX's current closed loop fleet card product with enhanced acceptance via the Mastercard network for non-fuel vehicle-related purchases. The product allows for both WEX and Mastercard transactions with one card, managed under a single

		account, utilizing one credit line, and detailed within one invoice and reporting package. Our research and testing indicates that the WEX Fleet Plus card will be a compelling product in the marketplace. WEX PAYABLES The WEX Payables solution includes purchasing cards and virtual cards. This product set expands purchasing capabilities beyond the proprietary WEX Fleet card network by utilizing the Mastercard Network. WEX Payables cards, available in both physical and virtual formats, broaden the range of accepting merchants and reduce product restrictions compared to the WEX Fleet Card. This solution is ideal for members who require the flexibility of an open-loop solution rather than a proprietary fleet card.	
43	Describe any “green” initiatives that relate to your company or to your Solutions, and include a list of the certifying agency for each.	WEX committed to the energy transition launching WEX Venture Capital (https://vc.wexinc.com/), with WEX's Board authorizing WEX to commit up to $100 million through the end of 2025 in predominantly early and growth-stage companies focused on the energy transition, including fleet electrification, the electric vehicle charging ecosystem, energy management and optimization, and adjacent technologies. Recent investments include: - ev.energy, a leading electric vehicle managed charging software platform and certified B Corp (https://www.ev.energy/blog/series-b), - Chargetrip, an EV routing platform and certified B Corp, (https://www.chargetrip.com/newsroom/we-closed-our-series-a), - AmpUp, an EV Charging Platform based in California (https://www.prnewswire.com/news-releases/ev-charging-platform-ampup-closes-15m-series-a-funding-302258798.html) - Gravity Climate, a leading enterprise carbon accounting and energy management platform based in New York (https://www.prnewswire.com/news-releases/gravity-announces-13m-in-series-a-funding-to-automate-reporting-and-accelerate-energy-optimization-302355444.html). In addition to the WEX Venture Capital initiatives described above, please see our attached WEX-2023-Sustainability-Report, which highlights WEX's work on Environmental Innovation and Fleet Electrification (pp. 10-13) and Environmental Stewardship (pp. 14-17).	*
44	Identify any third-party issued eco-labels, ratings or certifications that your company has received for the Solutions included in your Proposal related to energy efficiency or conservation, life-cycle design (cradle-to-cradle), or other green/sustainability factors.	N/A	*

45	What unique attributes does your company, your products, or your services offer to Sourcewell participating entities? What makes your proposed solutions unique in your industry as it applies to Sourcewell participating entities?	WEX is the current fleet card and administrative platform provider for Sourcewell's customers, and we look forward to building upon our 14 year relationship. We offer unmatched understanding of your organization, and the needs of your customers. Your Relationship Manager, Janet Parker, will continue providing strategic support, and remaining with WEX allows Sourcewell, and your members, to avoid a potentially costly and time-consuming implementation process. In general, we believe the following strengths distinguish us from our competitors: - Enhanced Data and Controls: We provide fleet operators with enhanced data and controls through our proprietary closed-loop fueling network, capturing Level III data, deploying custom controls, and establishing the economics between fleets and merchants. This helps in controlling spend, limiting fraud, and optimizing fleet operations. - EV Solutions: We are industry leaders in the ICE-to-EV conversion space, strengthening our EV solutions through in-house development and strategic acquisitions like Sawatch Labs, which offers best-in-class EV analytics, fleet optimization software, and emissions reporting to Sourcewell members as part of the WEX contract.. - Integrated Mobility Management: Our program integrates EV and ICE services into one fuel-agnostic program, providing superior acceptance, card functionality, and reporting. This includes acceptance at over 146,000 U.S. charging locations and 95% of U.S. retail fuel sites, Level III data capture on 99.8% of transactions, and robust reporting tools. - Proprietary Closed-Loop Fuel Network: Our network covers approximately 95% of retail fuel sites across the U.S., providing broad acceptance and a significant barrier to entry for competitors. This network allows us to offer higher levels of fleet-specific information and control than open-loop networks. - Level III Data Capture: We provide additional visibility into fleet-specific information, with detailed transaction data on 99.8% of transactions, aiding in fraud monitoring and reduction efforts. - Differentiated Products and Services: We offer security and purchase controls, customized analysis, and reporting on fleet efficiency and purchasing behavior, available through traditional reporting services and sophisticated web-based tools. - Experienced Management Team: Our management team has substantial industry knowledge and a proven track record of financial success, driving customer success through strong growth and consistent operating performance. - Relationship Building: Our customers cite their interactions with our team members, from Customer Service and Relationship Managers to other account support specialists, as a differentiating factor between WEX and our competitors.
46	Explain and demonstrate the capabilities of tools offered for fleet data analytics, integrated telematics, datafile transfer and validation, private site fueling solutions, fleet technology interfaces, and any other value added offerings.	DATA ANALYTICS - CLEARVIEW Clearview – our cloud-based data analytics platform – organizes and intuitively displays fleet-related information. Critical data is presented in an intentional layout of simple and informative dashboards, helping fleet managers monitor operations, understand trends, benchmark performance, investigate anomalies, and recognize cost-saving opportunities. The Exceptions Dashboard quickly identifies and analyzes transactions, purchasing, and driver behavior that fall outside the norm. This module includes a Summary Dashboard and nine exceptions related to monetary savings on fuel purchasing and suspicious purchasing behaviors. The exceptions highlight the biggest opportunities for savings and the most egregious behaviors, allowing managers to focus on the most impactful areas. For large fleets, this is especially helpful. The Volume & Spend Summary Dashboard tracks activity and expense on the WEX Card program. Fuel and non-fuel spend can be viewed in aggregate for the entire organization or easily dissected based on filter and grouping options. The Outlier Scatterplot visibly identifies anomalies in the card program. For example, WEX's customers have experienced great success identifying driver theft, making this view one of the most highly-used visualizations within WEX Analytics. Filter and Group by Capabilities: WEX Analytics offers robust smart search filters and grouping options that allow users to easily distill information and quickly get the answers they need. These filters offer multi-selection capability within a single filter's drop-down list. For example, in the product-grade filter, select both mid-grade and premium to get a complete view of your "non-regular" fuel spend. Product Code Cleansing Algorithm: WEX's data scientists solved a long-standing, industry-wide issue by developing a proprietary machine learning algorithm, which automatically detects and corrects inaccurate product codes transmitted by fuel merchants.

DATA ANALYTICS AND REPORTING - WEXONLINE

WEXOnline's reporting suite reduces the administrative time involved with managing expenses. We require all WEX-accepting merchants to capture detailed Level III transaction data, which supports our nine levels of hierarchy and provides the foundation for our superior reporting tools. WEX stores 24 rolling months of reference data, and provides older data upon service request. For qualifying Sourcewell customers, our Premium Fleet Services Account Managers have advanced query tools to assist with reporting needs not covered in our standard reporting suite.

The major report types we offer are:

Standard Reports: downloadable purchasing activity and financial summary reports such as Purchase Activity, Site Summary, Financial Summary, and Tax Summary reports.

Ad Hoc Reports: "snapshot in time" data of user-defined criteria, allowing managers to analyze transaction level detail, summaries, and purchase exceptions to identify inefficiencies. All reports contain standard Level III data and any unique appended accounting codes.

Custom Reports: gain deeper insight into authorizations, transactions, cards, drivers, and vehicles. Managers can incorporate standard data, as well as defined organizational accounting code information. The intuitive wizard-based process facilitates the creation of real-time or scheduled reports. Managers select the hierarchy level, and the report automatically includes all sub-levels while displaying the relationship to all upper level accounts (based on access level).

WEXOnline features the following reporting categories:

Management Reports: provide managers and administrators with a view into the entire portfolio, illuminating trends and areas for possible savings. Example reports include:

- Major Fleet Activity Report: Provides current and previous monthly summary information by account, by brand, outlining total spend, fueling spend, gallons, and average PPG; helps fleets identify potential savings/merchants with lower PPG.

- Account Review: A rolling 13-month review of data consisting of: portfolio summary, spend report, gallon report, fuel type usage snapshot, premium fuel gasoline spend, non-fuel spend snapshot, average price per gallon (gas and diesel), transaction report, activation report, brand report (gasoline, diesel, maintenance); allows fleets to identify savings opportunity (such as excessive premium fuel use).

- Opportunity Report: Outlines savings opportunities by account, driver and/or vehicle by benchmarking purchases at zip code level vs. WEX's entire portfolio; provides insight into where drivers are fueling, and ways to save by fueling at lower cost stations near their routes.

—

Benchmarking Reports: help fleets understand how their purchasing behavior compares to others and provides insight into the types of merchants being used. For example, our minority and woman-owned business report provides monthly roll-up of transactions, gallons, and dollars spent at minority- and women-owned fueling and service sites; the WEXIndex provides the price per gallon of certain fuel types in a given month, and is useful to understand industry pricing trends.

—

Profile Reports: provide fleet managers and administrators with a snapshot of the information available in our system at the time the report is run, making it easy to manage the inventory of accounts, cards, drivers, and vehicles and helping ensure that the information and status of each item is up-to-date. Example reports include:

- Account Report: Itemizes accounts within a fleet's hierarchy and provides details including contact name, shipping information, total cards, total driver prompts, card type, accounts, org units, and total vehicle prompts; helps fleet managers ensure their accounts are set up as desired.

- Card, Vehicle, or Driver profiles: Provides a broad view of cards, vehicles, or drivers across multiple or single accounts, allowing fleets to monitor and review data based on a comprehensive view of a few specific card details.

—

Exception Reports: are an excellent way to save time while ensuring those in the field follow fleet policies. Exception Reports, when paired with card controls, help fleets effectively

manage their program by identifying potential fraud or abuse. Example reports include:

- Ad hoc exceptions: A simple, on-demand, ad hoc exception reporting tool providing insight into posted transaction details for a variety of exceptions, including: high octane fuel, weekend purchases, and number of gallons or number of transactions per period. The tool has both filtering and sorting capabilities.

- Flexible exceptions: A comprehensive set of exception parameters for posted transactions; any transactions that meet the set threshold are captured for review. Additionally, optional once-daily email notifications inform you that an exception occurred; effective in identifying possible fraud or abuse.

- Real-Time Alerts: Enables near real-time email alerts when a transaction falls outside of set parameters; also available for review in an online report; very effective in identifying possible fraud or abuse as a transaction occurs.

—

Transaction Reports provide fleet managers and administrators with a full range of authorization and posted transaction data to perform audits, trend analysis and data mining. This allows for simple ad hoc queries and more in-depth, customizable reporting to help fleets drill down to the data they need. Example reports include:

- Ad hoc transaction details: A simple, on-demand, ad hoc reporting tool that provides up to 24 months of posted transaction details for a specified time frame; especially useful in viewing transactions associated with a particular billing cycle, or for quick investigations. It has both filtering and sorting capabilities. *

- Ad hoc transaction summary: A simple, on-demand, ad hoc reporting tool that summarizes up to 24 months of posted transaction details for a specified time frame; especially useful in summarizing information by account, card, or brand, with a granular capacity to examine transaction details for more specific information

- Transaction management: A comprehensive, highly customizable, transaction-level report that allows fleets to analyze usage at certain merchants or within specified dollar amounts or within selected accounts. It allows for a broad set of filters, and the ability to select and sort the fields individual fleets care about.

- Authorization activity: A direct view of authorization activity, posted in real-time in our system, helps inform decisions and perform analysis to help manage/enforce driver purchasing policies; also an excellent driver assistance tool for those who may have encountered a “decline,” but are unsure why.

—

Billing Cycle Reports accompany an invoice to assist fleets in reconciliation before making payment. They are available in a variety of formats, giving the fleet the ability to choose the format that is most beneficial. Example reports include:

- Purchase activity report: Our standard billing cycle report accompanying each invoice, with a roll-up by card or department, is available online as a PDF.

- Financial summary report: Financial roll-up of spend by account, fuel, and non-fuel.

- Site summary report: Roll-up of purchase behavior by brand, with totals.

- Tax Exempt Summary (tax-exempt fleets only): Roll-up of exempted and reported transactions by jurisdiction and fuel type.

- View details: Our standard transaction detail report, available online and with each invoice; downloadable into Excel or CSV as needed, providing easy transaction reconciliation with their invoice, and the ability to download for additional filtering or archiving.

- WEXLink is an electronic file that provides customers with transaction data on a daily, weekly, or monthly basis via the internet (i.e. FTP). The data is provided in a flat file, includes extensive detail for both fueling and service transactions, enables fleets to analyze vehicle, driver, and purchase information, and to reconcile monthly invoices. This file can be merged with your existing information management system, making it easy to track costs.

INTEGRATED TELEMATICS

WEX provides a telematics solution that integrates seamlessly with the WEX Card program to provide insight into the where, when, and how of vehicle use, and puts all vital fleet data in one location. Our solution encourages safe driver behavior, optimizes routes, reduces fuel spend, lowers operational costs, complies with federal mandates, and can help mitigate fraud by confirming that fuel dispensed actually goes into the appropriate vehicle.

At a high level WEX Telematics service collects all vehicle diagnostic and vehicle location data. We use this data to derive all kinds of insights by applying the latest analytics techniques, and provide specific hardware and software packages designed to meet specific fleet requirements, so managers can quantify, analyze, and understand data points such as:

- Idle time and location
- Speeding
- Mileage per day or week
- Total fuel consumption
- Seatbelt use
- Aggressive driving
- Customer stops
- Miles driven vs. customer time
- Accident reporting

WEX telematics also helps manage compliance, ensures timely vehicle inspections, and reduces paperwork with electronic logs. Additionally, when you combine these Services with our in-cab camera options, you can identify risky driver behaviors, capture video of critical events and easily recreate accidents to share with insurance or police.

In addition to our in-house solution, we integrate directly with most US-based telematics service providers, including Geotab & GPS Insights, to ensure integrated fuel data that enhances our customers' telematics experience.

DATA FILE TRANSFER

WEXLink is an electronic file that provides youR customers with transaction data on a daily, weekly, or monthly basis via the internet (i.e. FTP). The data is provided in a flat file and includes extensive detail for both fueling and service transactions, enabling fleets to analyze vehicle, driver, and purchase information, and to reconcile monthly invoices. WEXLink files are designed specifically for fleet customers who want to perform detailed analysis and reporting on their fleet account. This file can be merged with your existing information management system, making it easy to track costs.

PRIVATE SITE

Private Site Reporting consolidates tracking of onsite and retail fuel transactions into one comprehensive report, allowing you to monitor private transactions for abuse through purchase controls at the point of sale using your WEX card.

Your customers receive in-depth reporting of onsite fuel transactions at the vehicle level, integrated with retail fuel purchases. The system is designed to exclude onsite fuel transactions from your invoice while providing consolidated, comprehensive vehicle-level reporting.

Once installed, card readers are required to retain reportable information so your customers don’t have to.

Just like a retail transaction, the driver initiates data capture by entering their Prompt ID and odometer. The card reader provides the fuel type, gallons, PPG as programmed in the card reader, and total sale. Upon receipt, WEX integrates this key information into a fleet’s usage reporting.

FLEET TECHNOLOGY INTEGRATIONS

WEX offers a comprehensive suite of API-driven solutions that empower businesses to optimize fleet management, reduce costs, and enhance security. Our APIs provide real-time transaction monitoring, fraud alerts, and granular card controls, enabling proactive fraud prevention and minimizing financial losses. We offer API-driven real-time alerts and notifications to our customers to immediately notify them of possible fraudulent events. We are also exploring mobile app payment integration to enhance security and convenience for drivers. Our APIs are designed to meet the diverse needs of our customers, from SMBs to large fleets, and can be customized to address specific use cases and risk tolerances. By partnering with WEX, you gain access to innovative solutions that enhance efficiency, strengthen security, and drive business growth.

- Fleet Administration Services currently available via API include Account, Card, Driver, Site, and Vehicle management integrations. .

- Digital Instant Issuance functionality provides a replacement card (due to loss, theft, or damage) within one hour.

- Fraud Mitigation functionality allows your customers to receive real-time email alerts and advanced decision making (e.g., flag a transaction as “valid” or "fraudulent").

		We have additional API functionality in these areas, including mobile fleet payments, expanded fleet management functionality, and additional real-time fraud controls, on our 2025 roadmap. If there are specific integration capabilities of interest to Sourcewell or your customers, we are happy to discuss.	

Table 5B: Value-Added Attributes

Line Item	Question	Certification	Offered	Comment	
47	Select any Women or Minority Business Entity (WMBE), Small Business Entity (SBE), or veteran owned business certifications that your company or hub partners have obtained. Upload documentation and a listing of dealerships, HUB partners or re-sellers if available. Select all that apply.		○ Yes ◉ No	WEX is a publicly traded corporation (NYSE: WEX). Nevertheless, at WEX we strive to achieve a fully inclusive workplace that unifies and celebrates the diversity of our people. To fully realize our potential as a company, we must embrace our differences in culture, identity, and background. Committed to celebrating our differences and encouraging our people to be their most authentic selves, we acknowledge that building a sustainable company requires an intentional and continual focus on diversity and inclusion in everything we do. Employee Resource Groups (ERGs) are part of WEX's commitment to diversity and inclusion and part of our company's long term strategy for creating an inclusive community. Because of the size and dispersed nature of WEX, we strive to balance corporate-led diversity direction with "grassroots" employee-led initiatives such as ERGs. WEX's ERGs are not WEX associations; rather they are independent, employee-driven groups sponsored by WEX. The ERGs serve as touch points for communities across WEX with shared interests, cultures, identities, and backgrounds. Part of WEX's commitment to diversity and inclusion centers around the development of innovative hiring strategies that work to support and increase access to underrepresented candidates. WEX also has a fully approved and communicated Vendor Inclusion & Diversity Policy, and is committed to building a global vendor inclusion program that makes diversity and equality an integral part of how we purchase - creating mutually beneficial relationships with businesses owned by people from historically underrepresented communities. Please see our attached WEX-2023-Sustainability-Report, pp. 18-28, which highlights our efforts in this area.	*

Table 6A: Pricing (400 Points, applies to Table 6A and 6B)

Provide detailed pricing information in the questions that follow below.

Line Item	Question	Response *	
56	Describe your payment terms and accepted payment methods.	WEX will continue to offer Sourcewell members Net-26 day payment terms and will comply with any act or law governing payments timing upon review of such act or law. WEX offers the following payment options: Paper Check: You can pay by check using the remit stub attached to the invoice. If you ever need to expedite payment, the overnight payment address is included on the back of the invoice. Online Payment: You can choose to receive an email notification when your invoice is ready for online viewing and payment. Payments scheduled by 3:00 p.m. ET are credited to your account on the same day and you can pay from up to four different checking accounts. ACH: WEX supports customer initiated electronic payment through Automated Clearing House (ACH). Direct Debit/EFT: The Direct Debit system is free. You can elect to receive a Prior Notification fax from us on the morning of the scheduled debit, informing you in advance of the amount to be initiated for debit from your demand deposit bank account. One-time Authorization for Electronic Payment: If you need to expedite payment on the same day, but have not chosen to make online payments, you can request a one-time debit from your bank account for the outstanding balance on your account. (Processing fee may apply).	*
57	Describe any leasing or financing options available for use by educational or governmental entities.	N/A	*
58	Describe any standard transaction documents that you propose to use in connection with an awarded agreement (order forms, terms and conditions, service level agreements, etc.). Upload all template agreements or transaction documents which may be proposed to Participating Entities.	Please see attached Standard Transaction Documents zip folder.	*
59	Do you accept the P-card procurement and payment process? If so, is there any additional cost to Sourcewell participating entities for using this process?	No, we do not accept the P-card procurement and payment process.	*
60	Describe your pricing model (e.g., line-item discounts or product-category discounts). Provide detailed pricing data (including standard or list pricing and the Sourcewell discounted price) on all of the items that you want Sourcewell to consider as part of your RFP response. If applicable, provide a SKU for each item in your proposal. Upload your pricing materials (if applicable) in the document upload section of your response.	WEX Offers rebates to Sourcewell members for retail purchases made with the WEX Fleet Card. Please see the attached pricing for the fleet card and ancillary products.	*
61	Quantify the pricing discount represented by the pricing proposal in this response. For example, if the pricing in your response represents a percentage discount from MSRP or list, state the percentage or percentage range.	WEX Fleet Card rebates are a percentage off the retail prices for fuel, service, and in-store purchases at participating gas stations and service locations.	*
62	Describe any quantity or volume discounts or rebate programs that you offer.	WEX offers a flat percentage off retail purchases as well as early payment options. Please see the attached pricing documentation for the fleet card and ancillary products.	*
63	Propose a method of facilitating “sourced” products or related services, which may be referred to as “open market” items or "non-contracted items". For example, you may supply such items “at cost” or “at cost plus a percentage,” or you may supply a quote for each such request.	N/A	*

64	Identify any element of the total cost of acquisition that is NOT included in the pricing submitted with your response. This includes all additional charges associated with a purchase that are not directly identified as freight or shipping charges. For example, list costs for items like pre-delivery inspection, installation, set up, mandatory training, or initial inspection. Identify any parties that impose such costs and their relationship to the Proposer.	Please see the attached pricing document for the fleet card and ancillary products.	*
65	If freight, delivery, or shipping is an additional cost to the Sourcewell participating entity, describe in detail the complete freight, shipping, and delivery program.	Please see the attached pricing document for the fleet card and ancillary products.	*
66	Specifically describe freight, shipping, and delivery terms or programs available for Alaska, Hawaii, Canada, or any offshore delivery.	N/A	*
67	Describe any unique distribution and/or delivery methods or options offered in your proposal.	N/A	*
68	Specifically describe any self-audit process or program that you plan to employ to verify compliance with your proposed agreement with Sourcewell. This process includes ensuring that Sourcewell participating entities obtain the proper pricing.	WEX utilizes a number of different tools and processes to perform internal audits on its accounts. WEX implements additional layers of oversight and audit activities for operational processes to ensure alignment between contract documents and system configurations. Additionally, various compliance reviews and audits are performed each year as required by regulations, this includes but is not limited to WEX Banks bank compliance reviews. WEX manages a control environment that is consistent with commonly accepted industry standards and frameworks including ISO 27001, PCI-DSS, SOX/404, HITRUST and NIST. WEXs information security program prioritizes ensuring the confidentiality, integrity, and availability of WEXs information assets. A critical component to meeting these objectives is managing controls to safeguard WEXs information assets against any unauthorized use, access, or disclosure. Additionally, WEXs information security program provides robust access controls, security monitoring controls, regular penetration testing and vulnerability scanning, strong physical and environmental controls, and security awareness training. Furthermore, WEX information security program helps manage the risks related to the use of any external service providers or related third parties while ensuring that WEX maintains business resiliency in the event of a disaster scenario or security incident. WEXs security policies and procedures are reviewed and updated annually. WEX obtains SSAE18 SOC 1 and PCI-DSS certification for our Millennium platform, and are subject to regular reviews via Internal Audit, External Audit, FDIC Examiners, and various third parties. Recently, Revenue Management has begun implementing an additional layer of oversight and audit activities for operational processes—specifically related to non standard/negotiated fee schedules and terms—to ensure alignment between contracting documents and system configurations.	*
69	If you are awarded an agreement, provide a few examples of internal metrics that will be tracked to measure whether you are having success with the agreement.	Examples of tracked internal metrics include year-over-year gallon, non-fuel, and total spend. We track these metrics across the entire portfolio.	*
70	Provide a proposed Administration Fee payable to Sourcewell. The Fee is in consideration for the support and services provided by Sourcewell. The propose an Administrative Fee will be payable to Sourcewell on all completed transactions to Participating Entities utilizing this Agreement. The Administrative Fee will be calculated as a stated percentage, or flat fee as may be applicable, of all completed transactions utilizing this Master Agreement within the preceding Reporting Period defined in the agreement.	WEX issues a quarterly revenue share, in accordance with the Revenue Share Table below, based on all Sourcewell members' monthly retail transactions and the tier established in the table below: $0 - $50,000,000 quarterly spend: 10 basis points (0.10%) $50,000,001 - $75,000,000 quarterly spend: 12 basis points (0.12%) $75,000,001+ quarterly spend: 15 basis points (0.15%) Please see attached Pricing documents for additional information	*

Table 6B: Pricing Offered

Line Item	The Pricing Offered in this Proposal is: *	Comments	
71	The pricing offered is as good as or better than pricing typically offered through existing cooperative contracts, state contracts, or agencies.	Each contract we hold is individually priced, based on a number of variables including: volume, length of contract, payment terms, current economic conditions, customization, cost to serve, etc. For this reason, the pricing proposed for this contract is the same or better than what we typically offer government procurement organizations and state purchasing departments.	*

Table 7A: Depth and Breadth of Offered Solutions (200 Points, applies to Table 7A and 7B)

Line Item	Question	Response *
72	Provide a detailed description of all the solutions offered, including used Solutions if applicable, offered in the proposal.	THE WEX CARD PROGRAM As described throughout our response, the WEX Card Program offers best-in-class fleet card functionality, reporting, customer service, and ancillary services (e.g., a comprehensive EV program, Telematics, Vehicle Maintenance, etc.). Fleet administrators can manage the entire card program with WEXOnline, our web-based, mobile-responsive management and administration platform. For example, perform account maintenance activities, research real-time authorization and transaction information, monitor exception reporting, retrieve invoicing and transactional back up information, as well as review real-time alerts. You can also manage drivers, vehicles, edit card purchase controls, and order/add/suspend cards as-needed. Managers may assign access to as many WEXOnline users as necessary. Approved users can perform various functions depending on the level of access provisioned. WEXOnline comes with pre-defined roles, or managers can create custom user roles to meet unique program requirements. Responsibility is shared without giving broader permissions that could be abused, and administrators retain ultimate control over access privileges. Whether it's one or 100, approved users can perform various functions depending upon the level of access provisioned. Required Level III data capture from all of our accepting merchants across WEX's proprietary, closed loop network supports our detailed reporting, analytics, and superior card / purchase controls. The WEX Card Program helps public sector fleets of all sizes create operational efficiencies. Our customers also receive best-in-class security. We require dual prompt transaction authorization in which drivers must enter both their PromptID (Driver ID or Vehicle ID, depending on set up) and odometer reading. WEX's program also surpasses typical credit card offerings by controlling the product type being purchased. For instance, you can control by product class, which are groupings of like products separated by type: Fuel; Oil & Fluids; Parts & Service; Quick Lube; Roadside Assistance; General Merchandise. Purchase Controls enable or disable access to specific product classes within WEX's closed-loop network of fuel and service merchants. Managers can then set spending limits at the transaction level, such as: dollar limits and timeframe of purchase. WEX's purchase controls offer managers the flexibility to limit transactions within WEX's network of fuel and service vendors. For example, the fleet can allow drivers to purchase fluids, like washer fluid or oil, but disallow general merchandise. A typical credit card would be open to all gas stations and any merchandise that is available in this retail channel, potentially allowing a driver to purchase electronics or snack food, and exposing the customer to unauthorized expenses and program abuse. WEXPAY WEXPay is a tool that enables out-of-network purchases at additional merchants in

the Mastercard network by utilizing a virtual card interface. Typically used for independent or geographically remote fuel and service sites, WEXPay provides the control of a fleet card with the convenience of a credit card. This tool reduces the number of out-of-network sites where drivers would have to use an alternative form of payment.

Using WEXPay in conjunction with your WEX Card lets you set the rules for your drivers, controlling merchant, transaction, and even product type limits. We apply those limits to both WEX Card and WEXPay Mastercard transactions. Expanded coverage combined with integrated reporting and invoicing can further streamline purchasing and operations.

As a Mastercard issuing bank, WEX uses Single-Use Account Number technology to authorize a one-time payment to a merchant. The account number provided to the merchant by an automated voice response system (IVR) is fast and secure — good only for that one purchase.

When the merchant calls for authorization, the IVR prompts for card number, card expiration date, prompt ID, purchase amount, and product. The WEX system applies purchase controls based on the product selected by the merchant and collects similar levels of purchase data, including Prompt ID and odometer. Details of the purchase are integrated into your WEX invoice and reports. One card, one invoice, one report with the same controls and service WEX customers expect.

WEX PAYABLES

The WEX Payables solution includes purchasing cards and virtual cards. This product set expands purchasing capabilities beyond the proprietary WEX Fleet card network by utilizing the Mastercard Network.

WEX Payables cards, available in both physical and virtual formats, broaden the range of accepting merchants and reduce product restrictions compared to the WEX Fleet Card. This solution is ideal for members who require the flexibility of an open-loop solution rather than a proprietary fleet card.

WEX EV

Whether your fleet relies on traditional fuel, electric vehicle charging, or a combination of both, WEX provides a seamless and future-ready solution. Manage all your transactions through a single, powerful platform, receiving one consolidated invoice and set of reports. WEX adapts to your evolving needs, simplifying the complexities of a mixed-energy fleet. with acceptance at over 146,000 public chargers nationwide.

WEX EV En Route: Recharge drained EV batteries quickly during the workday Managing a mixed-fuel fleet can be complex with the wide variety of charge point operators (CPOs) that all require a different method of authentication. Juggling cards, apps, and invoices creates administrative headaches that expose your fleet to inefficiency, and a greater likelihood of costly errors.

WEX has taken our original fleet card capabilities and added EV charging authentication and payment functionality. By pairing new or existing payment cards with a single WEX RFID and/or WEX DriverDash app, drivers can unlock EV charging at a growing network of 146,000 public charging stations in North America, including ChargePoint, EVGo, Flo, Blink, AmpUp, Noodoe, EV Gateway, Electrify America, and EVConnect. P

Worried about EV range? If drivers need to recharge their EV mid-day, DriverDash minimizes disruption by displaying convenient, available, in-network fast chargers. DriverDash is also the most secure, data-rich transaction platform currently available. DriverDash also enables fleets to capture valuable charging data, transaction receipts, odometer prompts, and even applies your custom purchase controls.

WEX EV At-Home: Access lower-cost, overnight charging at driver homes

Are you maximizing cost savings with your EV fleet? Without a dedicated at-home charging solution, you could be missing out on lower residential electricity rates, and struggling to accurately track and control charging expenses. WEX EV At-Home puts you in charge.

WEX EV At-Home is an end-to-end solution that allows you to request charging hardware and installation, and reimburse your drivers for their EV charging sessions, all utilizing your existing WEX fleet account and credit line. WEX’s comprehensive and cost-saving solution allows you to:

- Order chargers and installation at your drivers’ homes via WEXOnline

- Provide fast and accurate reimbursements to your drivers for home charging costs
- Approve charging sessions for reimbursement with manual, bulk, or automatic options
- Take advantage of lower off-peak residential electricity rates
- Receive one integrated invoice and set of reports for all fueling and EV charging purchases

WEX EV Depot: Convenient and controlled charging at your depots
Take control of your EV charging infrastructure with a private depot. Achieve greater security, track usage accurately, and ensure your fleet is always charged and ready. Don't be intimidated by the process – WEX simplifies depot setup, allowing you to focus on what matters most: your business.

WEX EV Depot product allows fleets to activate private charging sessions with their WEX RFID, track depot transactions as part of your complete charging picture and includes private sites on charging maps.

WEX EV with Sawatch Labs:Data-Driven Insights for Smarter EV Fleet Management

Sawatch Labs offers its cutting-edge fleet electrification analytics software as part of WEX's Sourcewell contract. This means that Sourcewell members can now access the tools they need to confidently transition their fleets to EVs without the hassle of a lengthy Request for Proposal (RFP) process.

Unlock the full potential of your EV fleet with data-driven decisions about asset replacement and fleet optimization, leading to significant cost savings and improved efficiency. *

- Strategic Charging Optimization: Avoid unnecessary infrastructure costs. Our analysis pinpoints the optimal number of on-site charging ports, ensuring you invest wisely and avoid the expense of even one extra port.

- Data-Driven Fleet Conversion: Make informed decisions about electrifying your fleet. Our comprehensive conversion analysis reveals the how, if, and when of transitioning to EVs, minimizing risk and maximizing ROI.
Smart Charging Strategies: Control your energy costs. We project charging times and implement managed charging technologies to mitigate peak demand charges and keep your utility bills in check.

- Optimized Vehicle Deployment: Minimize driver downtime and maximize productivity. Our analysis ensures your EVs are strategically positioned for optimal utilization, reducing wasted time and improving overall efficiency.

- Streamlined Reporting & Compliance: Free up your staff. Our automated reporting and analytics tools eliminate the need for manual data compilation, saving valuable staff hours and ensuring accurate compliance reporting.

Our reporting, analytics, and benchmarking tools are specifically designed for EV assets, integrating seamlessly with Sourcewell customers' existing WEX mixed fleet programs.

For more on how Sawatch Labs and WEX simplify fleet electrification for Sourcewell's customers, please visit: https://sawatchlabs.com/industry-insights/how-sawatch-labs-and-wex-are-simplifying-fleet-electrification-for-public-agencies

WEX MOBILE APPLICATIONS

DriverDash: With DriverDash, a digital wallet version of the WEX Card, drivers authorize EV and fuel transactions from within their vehicle. This app simplifies transactions, reduces the need for physical cards that may be misplaced, and enhances security by mitigating issues like skimming and inaccurate odometer readings. DriverDash captures receipts electronically, so drivers spend less time at the pump and more time on the road.

Plus, if a driver needs a replacement card (due to loss, theft, damage, etc.) WEX can push a new digital card to DriverDash within one hour.

For conventional fueling, DriverDash is available at approximately 38,000 fueling stations across the continental U.S., including most Shell®, Exxon™, Mobil™, Phillips 66®, Conoco®, 76®, and Valero stations. WEX actively works to expand acceptance among our merchant network, and anticipates an additional 12,000 accepting locations coming online in 2025.

For EV charging, DriverDash features universal acceptance at our growing network of over 146,000 charging stations coast to coast. DriverDash is also the most secure

transaction platform currently available, as the app captures odometer prompts and Prompt ID, and applies your fleet purchase controls to EV transactions for comprehensive data collection and reporting. Plus, WEX recently launched route planning functionality, allowing drivers to factor in variables like battery level, added weight, climate control usage, and more, when planning a trip.

WEXConnect: WEXConnect is a free mobile app that helps Sourcewell customers quickly find the lowest priced gas stations, nearby electric vehicle (EV) charging stations, specialty fueling stations (e.g., CNG, E85) and service locations. Real-time transaction information provides updated fuel pricing and current EV charging station availability.

TELEMATICS

WEX provides a telematics solution that integrates seamlessly with the WEX Card program to provide insight into the where, when, and how of vehicle use, and puts all vital fleet data in one location. Our solution encourages safe driver behavior, optimizes routes, reduces fuel spend, lowers operational costs, complies with federal mandates, and can help mitigate fraud by confirming that fuel dispensed actually goes into the appropriate vehicle.

At a high level WEX Telematics service collects all vehicle diagnostic and vehicle location data. We use this data to derive all kinds of insights by applying the latest analytics techniques, and provide specific hardware and software packages designed to meet specific fleet requirements, so managers can quantify, analyze, and understand data points such as:

- Idle time and location
- Speeding
- Mileage per day or week
- Total fuel consumption
- Seatbelt use
- Aggressive driving
- Customer stops
- Miles driven vs. customer time
- Accident reporting

WEX telematics also helps manage compliance, ensures timely vehicle inspections, and reduces paperwork with electronic logs. Additionally, when you combine these Services with our in-cab camera options, you can identify risky driver behaviors, capture video of critical events and easily recreate accidents to share with insurance or police.

In addition to our in-house solution, we integrate directly with most US-based telematics service providers, including Geotab & GPS Insights, to ensure integrated fuel data that enhances our customers' telematics experience.

WEX FLEET PLUS CARD

Since our founding as a fuel card company in 1983, we have expanded our scope to become an innovative global leader in payment solutions. One key differentiator in the Mobility segment is the enhanced data and controls we provide fleet operators based on our proprietary closed loop payments network.

Looking forward, WEX is expanding the suite of card offerings to include WEX Fleet Plus, a one-card solution that combines WEX's current closed loop fleet card product with enhanced acceptance via the Mastercard network for non-fuel vehicle-related purchases. The product allows for both WEX and Mastercard transactions with one card, managed under a single account, utilizing one credit line, and detailed within one invoice and reporting package. Our research and testing indicates that the WEX Fleet Plus card will be a compelling product in the marketplace.

VEHICLE MAINTENANCE AND REPAIR

WEX offers several maintenance purchasing solutions to support customer needs. Currently, the WEX Card is accepted at over 45,000 maintenance locations, including Jiffy Lube, Valvoline, and Bridgestone/Firestone, and can be used to purchase tires, transmissions, brakes, mufflers, oil changes, glass replacement, car washes, and other routine vehicle maintenance products.

In addition to the card-based product described above, we are beta testing a cardless auto repair option that saves time, operational headaches, and money. This auto repair product offers digital order approval (eliminating phone calls between managers and repair shops). Approvals are per-repair-order-per-vehicle. This means a streamlined approval and payment process that keeps you in control by eliminating

		plastic cards while reducing operational costs, allowing for auto repair discounts, and ensuring quick, efficient turn-around time. One of our largest customers is piloting this program and saving hours of operational labor and thousands of dollars. PRIVATE SITE INTEGRATION AND REPORTING Our private site program allows Sourcewell customers to activate their privately owned onsite bulk fuel tanks using the WEX Fleet Card, which allows for increased security and asset-level fuel usage reporting on bulk fuel. WEX captures Prompt ID and odometer information, authorizes the card swipe, and provides integrated reporting of Private Site transactions with the customer's retail transactions while excluding onsite fuel transactions from the customer's invoice. Private Site Reporting consolidates tracking of onsite and retail fuel transactions into one comprehensive report, allowing you to monitor private transactions for abuse through purchase controls at the point of sale using your WEX card. Your customers receive in-depth reporting of onsite fuel transactions at the vehicle level, integrated with retail fuel purchases. The system is designed to exclude onsite fuel transactions from your invoice while providing consolidated, comprehensive vehicle-level reporting. Once installed, card readers are required to retain reportable information so your agency customers don't have to. Just like a retail transaction, the driver initiates data capture by entering their Prompt ID and odometer. The card reader provides the fuel type, gallons, PPG as programmed in the card reader, and total sale. Upon receipt, WEX integrates this key information into a fleet's usage reporting.	
73	Within this RFP category there may be subcategories of solutions. List subcategory titles that best describe your products and services.	N/A.	*
74	Describe and demonstrate available features or controls that assist with mitigation of fraud, waste, and/or abuse for all solutions offered.	In 2025 WEX is investing in additional fraud detection tools including case management and alerting systems, and implementing AI fraud detection in our call centers. One of the most significant advantages the WEX proprietary closed-loop card program offers over an open-loop solution is our custom-built network. The WEX Card can only be used at accepting fuel, charging, and maintenance locations, and transactions authorize only after the driver enters a valid Prompt ID and odometer at the time of purchase.This is the first line of defense against unauthorized or fraudulent spending, either of which could more easily occur with an open-loop credit card that can be used at any type of retailer. WEX works with state and local law enforcement in an effort to prosecute those who commit fraud. Our Fraud Department also provides recommendations to help reduce fraudulent activity, and proactively works with partners, customers, merchants, and appropriate authorities to minimize losses and prevent such situations from continuing or reoccurring. WEX's Fraud Department performs three primary functions in an effort to proactively identify and mitigate fraud on our customer accounts: - Transaction monitoring. - Identify potentially abusive or fraudulent behavior. - Notify customers when such behavior occurs. Our improved fraud notification process allows Sourcewell customers to quickly and easily identify a suspicious transaction as valid or fraudulent. WEX's fraud team sends up to three emails to the customer's fraud team, or named manager, requesting their response. They simply click the link, which takes them to a landing page listing the transaction(s) in question. From there, simply select "Valid" or "Fraudulent." WEX's Fraud Monitoring System WEX utilizes an advanced 24/7, real-time fraud mitigation system based on Machine Learning technology. The system's artificial-intelligence-based software identifies risky transactions during the authorization process within milliseconds. Transactions above a certain "suspicious level" are declined, while all other transactions pass through. The system continuously "learns" as it aggregates transactions, detecting trends at a portfolio, customer, channel, product, card, and transaction level. The logic within the system is highly adaptable and, as fraud trends are identified, will apply past learning, patterns, and trends to new transactions that stream through	*

		its logic engine. The system has multiple levels of detection which can actually prevent a transaction from being authorized or can flag a transaction for review by the fraud team depending upon scoring logic. The system model maintenance requires no vendor intervention, enabling WEX to update models internally on a daily basis. Lost or Stolen Cards Lost or stolen WEX Cards should be reported immediately to our Customer Service Department by calling the toll-free number, anytime 24x7x365. Customers can also report loss, theft, or unauthorized use of any card or account through WEXOnline. Once a card has been reported lost or stolen, it is immediately invalidated in the WEX system. After cancellation, all electronic authorizations associated with the card are declined at the time a purchase is attempted. Subject to any limitations imposed by applicable law, the customer is liable for all unauthorized use of a card until WEX receives proper notification of loss, theft, or unauthorized use. Partnership Partnership with our customers is critical. Beyond the solutions described above, we enable our customers to monitor and control their expenditures. Through WEXOnline, managers can set predetermined limits on spending amount, purchase frequency, product and service type, and the days and hours during which purchases can be made, while also performing real-time account modifications (e.g., predetermined limits, editing Prompt IDs in response to changes or to prevent theft). They also opt into Real Time Alerts when limits are exceeded in eight purchase categories, including limits on transactions within a time range, gallons per day and allowable fuel types. Our purchase controls allow drivers to purchase essential items and services when needed, but deter them from making excessive or unauthorized purchases. This, in tandem with careful review of all reports (including transaction and exception reports) helps substantially reduce exposure to abuse and fraud, and any associated losses.
75	Demonstrate the acceptance network of payment services offered for all forms of payments such as physical cards, mobile applications, digital, and/or virtual payment services.	PHYSICAL CARDS WEX Fleet Card: A WEX Card can be assigned to a vehicle/asset, driver, or organizational unit (or cost center), enabling the card to capture and track all purchase activity. When the card is used at the point-of-sale device, the driver enters a Prompt ID (either Driver ID or Vehicle ID, depending on your preference) and the odometer reading of the vehicle in order to receive transaction authorization. The Prompt ID, combined with the card and purchase controls, is referenced against the WEX database for verification. Upon successful verification, the transaction is authorized per the customer's purchase controls. The verification and authorization processes act as a security measure, and provide a layer of protection against fraudulent activity. RFID: WEX simplifies paying for and tracking fueling and charging events. Rather than using a different payment method for each charge point operator, your drivers can use a single WEX EV RFID card at any of our growing network of 146,000 public charging stations in North America, including ChargePoint, EVGo, Flo, Blink, AmpUp, Noodoe, EV Gateway, and EVConncet. WEX Fleet Plus: Since our founding as a fuel card company in 1983, we have expanded our scope to become an innovative global leader in payment solutions. One key differentiator in the Mobility segment is the enhanced data and controls we provide fleet operators based on our proprietary closed loop payments network. Looking forward, WEX is expanding the suite of card offerings to include WEX Fleet Plus, a one-card solution that combines WEX's current closed loop fleet card product with enhanced acceptance via the Mastercard network for non-fuel vehicle-related purchases. The product allows for both WEX and Mastercard transactions with one card, managed under a single account, utilizing one credit line, and detailed within one invoice and reporting package. Our research and testing indicates that the WEX Fleet Plus card will be a compelling product in the marketplace. Aviation: WEX customers can manage aircraft fueling, maintenance, and activity with the AVCARD program. AVCARD - a complete purchasing solution for fuel and related aviation services - is a credit card and contract fuel program used by corporate and private flight departments at both domestic and international airports. An AVCARD account integrates with the customer's existing WEX account, so you only need one card program for purchasing fuel and services from all AVCARD acceptors and/or contract fuel suppliers. AVCARD is the most widely accepted aviation credit card, providing fuel access at

7,500 locations in more than 190 countries. With an AVCARD account, customers automatically participate in their Contract Fuel Program, which facilitates savings on jet fuel virtually everywhere in the world. Additionally, AVCARD's online interface allows customers to:

-View and download contact information and a detailed listing of specific services provided (catering, rental cars, hangar, etc.).

-Prearrange fuel and services.

-Log in to obtain contract fuel pricing.

-Request a firm Price Quote by email.

-Report a lost or stolen card online or use the toll-free number during business hours.

WEX customers can sign up and use the convenient features of the AVCARD program at no additional charge.

Marina: Customers can purchase gasoline and diesel fuel at marine fueling locations through a combination of:

-Direct acceptance of the WEX Card at marinas with branded oil locations through electronic point of sale systems

-At any of the more than 9,500 marina locations that accept a Mastercard worldwide. The WEX Card and WEXPay would be used at these accepting locations just like any other fueling location to purchase fuel and related services. Additional terms and conditions apply.

DRIVERDASH MOBILE APP

With DriverDash, a digital wallet version of the WEX Card, drivers authorize EV and fuel transactions from within their vehicle. This app simplifies transactions, reduces the need for physical cards that may be misplaced, and enhances security by mitigating issues like skimming and inaccurate odometer readings. DriverDash captures receipts electronically, so drivers spend less time at the pump and more time on the road.

For conventional fueling, DriverDash is available at approximately 38,000 fueling stations across the continental U.S., including most Shell®, Exxon™, Mobil™, Phillips 66®, Conoco®, 76®, and Valero stations. WEX actively works to expand acceptance among our merchant network.

For EV charging, DriverDash features universal acceptance at our growing network of over 146,000 charging stations coast to coast. DriverDash is also the most secure transaction platform currently available, as the app captures odometer prompts and Prompt ID, and applies your fleet purchase controls to EV transactions for comprehensive data collection and reporting.

WEXPAY

WEXPay is a tool that enables out-of-network purchases at additional merchants in the Mastercard network by utilizing a virtual card interface. Typically used for independent or geographically remote fuel and service sites, this tool reduces the number of out-of-network sites where drivers would have to use an alternative form of payment.

Using WEXPay in conjunction with your WEX Card lets you set the rules for your drivers, controlling merchant, transaction, and even product type limits. We apply those limits to both WEX Card and WEXPay transactions. Expanded coverage combined with integrated reporting and invoicing can further streamline purchasing and operations.

WEX uses Single-Use Account Number technology to authorize a one-time payment to a merchant. The account number provided to the merchant by an automated voice response system (IVR) is fast and secure — good only for that one purchase.

When the merchant calls for authorization, the IVR prompts for card number, card expiration date, prompt ID, purchase amount, and product. The WEX system applies purchase controls based on the product selected by the merchant and collects similar levels of purchase data, including Prompt ID and odometer. Details of the purchase are integrated into your WEX invoice and reports. One card, one invoice, one report with the same controls and service WEX customers expect.

		WEX PAYABLES The WEX Payables solution includes purchasing cards and virtual cards. This product set expands purchasing capabilities beyond the proprietary WEX Fleet card network by utilizing the Mastercard Network. WEX Payables cards, available in both physical and virtual formats, broaden the range of accepting merchants and reduce product restrictions compared to the WEX Fleet Card. This solution is ideal for members who require the flexibility of an open-loop solution rather than a proprietary fleet card.	
76	Demonstrate your capabilities and abilities for payment services and data collection from use at EV charging stations and EV charging networks.	WEX is an e-Mobility Service Provider (EMSP) capable of facilitating EV charging sessions and payments directly from a fleet's existing WEX account. This allows WEX to issue one card that WEX directly integrates with our EV acceptance network partners, preventing a fleet from having to have multiple accounts with various networks, manage card-on-file payments, and download and manage multiple apps. All of the data flows back through a fleet's WEX account, like any other payment, allowing the fleets to have one place to manage all driver payments for consolidated reporting and one invoice on the fleet's existing line of credit with WEX. RFID WEX simplifies paying for and tracking fueling and charging events. Rather than using a different payment method for each charge point operator, your drivers can use a single WEX EV RFID card at any of our growing network of 146,000 public charging stations in North America, including ChargePoint, EVGo, Flo, Blink, AmpUp, Noodoe, EV Gateway, and EVConncet. You can use your WEX account for all fueling and charging transactions, and receive one integrated invoice and set of reports. Transactions initiated with an RFID do not currently go through our authorization process. This is because: - Chargepoint operators/networks currently work on a whitelist process for access, granting permission to charge when an RFID is used to initiate a transition - Most charging stations are not capable of prompting or input from drivers, so the transaction data and controls applicable to physical forms of payment (like RFID) are limited DRIVER DASH DriverDash, a digital wallet version of the WEX Card accepted at all 146,000 public charging stations in the WEX network, is the most secure, data-rich EV transaction platform currently available.The app captures odometer prompts and Prompt ID, and applies your fleet purchase controls to EV transactions for comprehensive data. Drivers authorize transactions from within their vehicle, and use the app to simplify transactions, reduce the need for physical cards that may be misplaced, and enhance security by mitigating issues like skimming and inaccurate odometer readings. DriverDash also supports Digital Instant Issuance functionality. Once the account is set up, WEX can replace physical cards lost, stolen, or damaged with a digital card within an hour. DriverDash also features route-planning functionality, allowing drivers to plan routes while factoring in variables like battery level, added weight, climate control usage, and more.	*

Table 7B: Depth and Breadth of Offered Solutions

Indicate below if the listed types or classes of Solutions are offered within your proposal. Provide additional comments in the text box provided, as necessary.

Line Item	Category or Type	Examples	Offered *	Comments	
77	Payment solutions for:	Fuel, oil, fluids for vehicles, aircraft, watercraft	(•) Yes ( ) No	Please see Table 7A, which describes our product categories (fuel, oil, fluids, etc.). Table 7A also describes our AVCARD (aircraft) and Marina payment options.	*

78		Electric vehicle charging and station fees	◉ Yes ○ No	Please see Tables 5A and 7A which describe WEX's comprehensive En-Route, At-Home, Depot, and EV analytics offerings.	*
79		Vehicle, aircraft, and watercraft-related maintenance, repairs, supplies and services	◉ Yes ○ No	Please see Table 7A, which describes our AVCARD (aircraft) and Marina payment options.	*
80	Complementary offering of services, including, but not limited to:	Card issuance, replacement and account customization	◉ Yes ○ No	The standard WEX Card contains both a traditional magnetic strip, and an embedded microchip which increases data security by encrypting information while reducing potential for white plastic or card-card counterfeiting. Account and card information are read at the point of sale, and validated in our systems with Level III data obtained during the transaction. The standard card expiration term is five years (60 months) for chip cards due to their thicker, sturdier plastic. WEX begins the card renewal process 45 days prior to expiration to ensure that drivers are never without an active card. Numbering and Customization Our customization capabilities include two lines for identification: The first line usually designates the account, while the second line identifies the associated equipment or driver. Each line accommodates up to 32 characters. The account number, card number, and expiration date are displayed on the front of the card, and the card's number, expiration date, and prompt are embedded in the card's technology. Card Delivery and Replacement WEX processes requests for new or replacement cards (due to loss, damage, theft, etc.) within one business day. WEX Cards can be delivered using the carrier specified by the customer (e.g., the U.S. Postal Service for standard shipping, or FedEx for expedited orders). For expedited shipping, you may use your own shipping account, or be charged a fee. Card Assignment and	*

				Transaction Authorization A WEX Card can be assigned to a vehicle/asset, driver, or organizational unit (or cost center), enabling the card to capture and track all purchase activity. When the card is used at the point-of-sale device, the driver enters a Prompt ID (either Driver ID or Vehicle ID, depending on your preference) and the odometer reading of the vehicle in order to receive transaction authorization. Each Prompt ID can be assigned to one, many, or all cards on the WEX account. WEX can generate Prompt IDs at random, or you may assign them. This four (4) or six (6) digit number can be assigned to a driver, vehicle/asset, or organizational unit on the WEX account (based on the type of card preferred). For example, for driver-assigned cards, the driver would enter a Prompt ID associated with the vehicle; conversely, vehicle-assigned cards typically associate the Prompt ID with the driver. The Prompt ID, combined with the card and purchase controls, is referenced against the WEX database for verification. Upon successful verification, the transaction is authorized per the customer's purchase controls. The verification and authorization processes act as a security measure, and provides a layer of protection against fraudulent activity.	
81		Transaction processing and payment settlement, transaction statement and reporting	(•) Yes ( ) No	Please see Table 6A which describes our payment options. Please see Table 5A which details our transaction statement, reporting, and analytics.	*
82		Fleet data analytics, integrated telematics	(•) Yes ( ) No	Please see Table 5A, which describes our analytics, reporting, and telematics solutions.	*
83		Private-site fuel location payment or data services	(•) Yes ( ) No	Please see Tables 5A and 5B, which describe our private-site fuel payment and data services	*
84		Digital and mobile applications	(•) Yes ( ) No	Please see Tables 5A and 7A which describe our WEXConnect (fuel finding), and DriverDash (digital wallet) mobile applications.	*

85		Training and technical and customer support	(•) Yes ( ) No	Please see Table 3, which describes our Account Management, Technical, and Customer Support. Please see Table 5A, which describes our training program.	*

Table 8: Exceptions to Terms, Conditions, or Specifications Form

Line Item 86. NOTICE: To identify any exception, or to request any modification, to Sourcewell standard Master Agreement terms, conditions, or specifications, a Proposer must submit the proposed exception(s) or requested modification(s) via redline in the Master Agreement Template provided in the "Bid Documents" section. Proposer must upload the redline in the "Requested Exceptions" upload field. All exceptions and/or proposed modifications are subject to review and approval by Sourcewell and will not automatically be included in the Master Agreement.

Do you have exceptions or modifications to propose?	Acknowledgement *
	(•) Yes ( ) No

Documents

Ensure your submission document(s) conforms to the following:

1. Documents in PDF format are preferred. Documents in Word, Excel, or compatible formats may also be provided.

2. Documents should NOT have a security password, as Sourcewell may not be able to open the file. It is your sole responsibility to ensure that the uploaded document(s) are not either defective, corrupted or blank and that the documents can be opened and viewed by Sourcewell.

3. Sourcewell may reject any response where any document(s) cannot be opened and viewed by Sourcewell.

4. If you need to upload more than one (1) document for a single item, you should combine the documents into one zipped file. If the zipped file contains more than one (1) document, ensure each document is named, in relation to the submission format item responding to. For example, if responding to the Marketing Plan category save the document as "Marketing Plan."

Addenda, Terms and Conditions

PROPOSER AFFIDAVIT OF COMPLIANCE

I certify that I am an authorized representative of Proposer and have authority to submit the foregoing Proposal:

1. The Proposer is submitting this Proposal under its full and complete legal name, and the Proposer legally exists in good standing in the jurisdiction of its residence.

2. The Proposer warrants that the information provided in this Proposal is true, correct, and reliable for purposes of evaluation for award.

3. The Proposer certifies that:

(1) The prices in this Proposal have been arrived at independently, without, for the purpose of restricting competition, any consultation, communication, or agreement with any other Proposer or competitor relating to-

(i) Those prices;

(ii) The intention to submit an offer; or

(iii) The methods or factors used to calculate the prices offered.

(2) The prices in this Proposal have not been and will not be knowingly disclosed by the Proposer, directly or indirectly, to any other Proposer or competitor before award unless otherwise required by law; and

(3) No attempt has been made or will be made by Proposer to induce any other concern to submit or not to submit a Proposal for the purpose of restricting competition.

4. To the best of its knowledge and belief, and except as otherwise disclosed in the Proposal, there are no relevant facts or circumstances which could give rise to an organizational conflict of interest. An organizational conflict of interest is created when a current or prospective supplier is unable to render impartial service to Sourcewell due to the supplier's: a. creation of evaluation criteria during performance of a prior agreement which potentially influences future competitive opportunities to its favor; b. access to nonpublic and material information that may provide for a competitive advantage in a later procurement competition; c. impaired objectivity in providing advice to Sourcewell.

5. Proposer will provide to Sourcewell Participating Entities Solutions in accordance with the terms, conditions, and scope of a resulting master agreement.

6. The Proposer possesses, or will possess all applicable licenses or certifications necessary to deliver Solutions under any resulting master agreement.

7. The Proposer will comply with all applicable provisions of federal, state, and local laws, regulations, rules, and orders.

8. Proposer its employees, agents, and subcontractors are not:

1. Included on the "Specially Designated Nationals and Blocked Persons" list maintained by the Office of Foreign Assets Control of the United States Department of the Treasury found at: https://www.treasury.gov/ofac/downloads/sdnlist.pdf;
2. Included on the government-wide exclusions lists in the United States System for Award Management found at: https://sam.gov/SAM/; or
3. Presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from programs operated by the State of Minnesota; the United States federal government, as applicable; or any Participating Entity. Vendor certifies and warrants that neither it nor its principals have been convicted of a criminal offense related to the subject matter of this solicitation.

☑ By checking this box I acknowledge that I am bound by the terms of the Proposer's Affidavit, have the legal authority to submit this Proposal on behalf of the Proposer, and that this electronic acknowledgment has the same legal effect, validity, and enforceability as if I had hand signed the Proposal. This signature will not be denied such legal effect, validity, or enforceability solely because an electronic signature or electronic record was used in its formation. - Jason Price, President & CEO, WEX Bank

The Proposer declares that there is an actual or potential Conflict of Interest relating to the preparation of its submission, and/or the Proposer foresees an actual or potential Conflict of Interest in performing the obligations contemplated in the solicitation proposal.

RFP #030625
REQUEST FOR PROPOSALS
for
Fleet Payment Solutions with Related Services

Proposal Due Date: March 6, 2025, 4:30 p.m., Central Time

Sourcewell, a State of Minnesota local government unit and service cooperative, is requesting proposals for Fleet Payment Solutions with Related Services to result in a procurement solution for use by its Participating Entities. Sourcewell Participating Entities include thousands of governmental, higher education, K-12 education, nonprofit, tribal government, and other public agencies located in the United States and Canada. A full copy of the Request for Proposals can be found on the Sourcewell Procurement Portal [https://proportal.sourcewell-mn.gov]. Only proposals submitted through the Sourcewell Procurement Portal will be considered. Proposals are due no later than March 6, 2025, at 4:30 p.m. Central Time, and late proposals will not be considered.

I. ABOUT SOURCEWELL

A. SOURCEWELL

Sourcewell is a State of Minnesota local government unit and service cooperative created under the laws of the State of Minnesota (Minnesota Statutes Section 123A.21) that facilitates a competitive public solicitation and master agreement award process for the benefit of its 50,000+ participating entities across the United States and Canada. Sourcewell's solicitation process complies with State of Minnesota law and policies, conforms to Canadian trade agreements (including Canadian Free Trade Agreement, Ontario-Quebec Trade and Cooperation Agreement, and Canada-European Union Comprehensive Economic and Trade Agreement, as applicable), and results in cooperative purchasing solutions from which Sourcewell's Participating Entities procure equipment, products, and services.

Cooperative purchasing provides participating entities and suppliers increased administrative efficiencies and the power of combined purchasing volume that result in overall cost savings. At times, Sourcewell also partners with other purchasing cooperatives to combine the purchasing volume of their membership into a single solicitation and master agreement expanding the reach of awarded suppliers' potential pool of end users.

Sourcewell uses a website-based platform, the Sourcewell Procurement Portal, through which all proposals to this RFP must be submitted.

B. USE OF RESULTING MASTER AGREEMENTS

In the United States, Sourcewell's master agreements are available for use by:

- Federal and state government entities;
- Cities, towns, and counties/parishes;
- Education service cooperatives;
- K-12 and higher education entities;
- Tribal government entities;
- Some nonprofit entities; and
- Other public entities.

In Canada, Sourcewell's master agreements are available for use by current and future members including:

- Federal, provincial, and territorial government departments, ministries, agencies, boards, councils, committees, commissions, and similar agencies;
- Indigenous self-governing bodies;
- Regional, local, district, and other forms of municipal government, municipal organizations, school boards, and publicly funded academic, health, and social service entities referred to as MASH sector (this should be construed to include but not be

Docusign Envelope ID: 441ACB9B-7C3C-4CDA-8544-7E72BDBBE0AE

limited to the cities of Calgary, Edmonton, Toronto, Ottawa, and Winnipeg), as well as any corporation or entity owned or controlled by one or more of the preceding entities;

- Crown corporations, government enterprises, and other entities that are owned or controlled by these entities through ownership interest; and
- Canoe procurement group of Canada's current and future members. Canoe members include:
    - Federal, provincial and territorial government departments, ministries, agencies, boards, councils, committees, commissions, and similar agencies;
    - Crown corporations, government enterprises, and other entities that are owned or controlled by these entities through ownership interest;
    - Indigenous self-governing bodies;
    - Airport authorities;
    - Regional, local, district, and other forms of municipal government, municipal organizations, school boards, and publicly funded academic, health, and social service entities referred to as MASH sector (this should be construed to include but not be limited to the cities of Calgary, Edmonton, Toronto, Ottawa, and Winnipeg), as well as any corporation or entity owned or controlled by one or more of the preceding entities; and
    - Canoe procurement group of Canada's current and future partner associations, including Saskatchewan Association of Rural Municipalities, Association of Manitoba Municipalities, Local Authorities Services/Association of Municipalities Ontario, Nova Scotia Federation of Municipalities, Federation of Prince Edward Island Municipalities, Municipalities Newfoundland Labrador, Union of New Brunswick Municipalities, Northwest Territories Association of Communities, Association of Yukon Communities, CivicInfo BC, Association and their current and future members.

For a listing of current United States and Canadian Participating Entities visit Sourcewell's website (note: there is a tab for each country): https://www.sourcewell-mn.gov/sourcewell-for-vendors/agency-locator.

Participating Entities typically access master agreements for equipment, products, or services through a purchase order issued directly to the awarded supplier. A Participating Entity may request additional terms or conditions related to a purchase. Use of Sourcewell master agreements is voluntary and Participating Entities retain the right to obtain similar equipment, products, or services from other sources.

To meet Participating Entities' needs, Sourcewell broadly publishes public notice of all solicitation opportunities, including this RFP. In addition, where applicable, other purchasing cooperatives and procurement officials receive notice and are encouraged to re-post the solicitation opportunity.

Proof of publication will be available at the conclusion of the solicitation process.

Docusign Envelope ID: 441ACB9B-7C3C-4CDA-8544-7E72BDBBE0AE

C. INTERGOVERNMENTAL SUPPORT AGREEMENTS

Pursuant to 10 U.S.C. § 2679, United States Department of Defense authorized installations may access Sourcewell's awarded cooperative purchasing master agreements through an Intergovernmental Support Agreement with Sourcewell. All transactions completed through this Intergovernmental Support program are directly facilitated by Sourcewell and may be subject to additional terms and conditions.

II. SOLICITATION DETAILS

A. SOLUTIONS-BASED SOLICITATION

This RFP and master agreement award process is a solutions-based solicitation; meaning that Sourcewell is seeking equipment, products, or services that meet the general requirements of the scope of this RFP and are commonly desired or are required by law or industry standards.

B. REQUESTED EQUIPMENT, PRODUCTS, OR SERVICES

It is expected that proposers will offer a wide array of equipment, products, or services at lower prices and with better value than what they would ordinarily offer to a single government entity, school district, or regional cooperative.

1. Sourcewell is seeking proposals for Fleet Payment Solutions with Related Services, such as:

    a. Payment solutions for fuel, oil, and fluids for vehicles, aircraft, and watercraft, including gasoline, diesel fuel, alternative fuels, natural gas, propane, aviation fuel, lubricants, and fluids;

    b. Payment solutions for electric vehicle charging, station fees; and,

    c. Payment solutions for, vehicle, aircraft, and watercraft-related maintenance, repairs, supplies and services, including oil changes, tire repair, replacement, alignment and balancing, replacement parts, emergency repairs, roadside assistance and towing services, wash or detail services, inspections and certification services, FBO or marina services, and related parts or supplies.

2. In addition to the card, mobile application, digital, and virtual payment services identified in Section II. B. 1. a. – c. above, Proposer may include a complementary offering of services, including, but not limited to card issuance and replacement, account customization, transaction processing and payment settlement, transaction statement and reporting, fleet data analytics, integrated telematics, private-site fuel location payment or data services, digital and mobile applications, training, and technical and customer support.

Docusign Envelope ID: 441ACB9B-7C3C-4CDA-8544-7E72BDBBE0AE

3. This solicitation does not include that equipment, products, or services covered under categories included in pending or planned Sourcewell solicitations, or in master agreements currently maintained by Sourcewell, identified below:

a. Fleet Management Services (RFP #030122);
b. Fleet Electrification Transition Planning, Management, and Related Services (RFP #051123);
c. Garage and Fleet Services (RFP #031224);
d. Aboveground Fuel and Fluid Storage with Related Hardware, Software, and Services (RFP #081524);
e. Software Solutions and Related Services for Public Sector and Education Administration (RFP #060624);
f. Fleet Management and Related Technology Solutions (RFP #102924); and,
g. Electric Vehicle Supply Equipment and Related Services (RFP #021825).

Generally, the solutions for Participating Entities are turn-key solutions, providing a combination of equipment, products and services, delivery, and installation to a properly operating status. However, equipment-only or products-only solutions may be appropriate for situations where Participating Entities possess the ability, either in-house or through local third-party contractors, to properly install and bring to operation the equipment or products being proposed.

Sourcewell prefers suppliers that provide a sole source of responsibility for the equipment, products, and services provided under a resulting master agreement. If proposer is including the equipment, products, and services of its subsidiary entities, the proposer must also identify all included subsidiaries in its proposal. If proposer requires the use of distributors, dealers, resellers, or subcontractors to provide the equipment, products, or services, the proposal must address how the equipment, products or services will be provided to Participating Entities, and describe the network of distributors, dealers, resellers, and/or subcontractors that will be available to serve Participating Entities under a resulting master agreement.

Sourcewell encourages suppliers to offer the broadest possible selection of equipment, products, and services being proposed over the largest possible geographic area and to the largest possible cross-section of Sourcewell current and future Participating Entities.

C. REQUIREMENTS

It is expected that proposers have knowledge of all applicable industry standards, laws, and regulations and possess an ability to market and distribute the equipment, products, or services to Participating Entities.

Docusign Envelope ID: 441ACB9B-7C3C-4CDA-8544-7E72BDBBE0AE

1. Safety Requirements. All items proposed must comply with current applicable safety or regulatory standards or codes.
2. Deviation from Industry Standard. Deviations from industry standards must be identified with an explanation of how the equipment, products, and services will provide equivalent function, coverage, performance, and/or related services.
3. New Equipment and Products. Proposed equipment and products must be for new, current model; however, proposer may offer certain close-out equipment or products if it is specifically noted in the Pricing proposal.
4. Delivered and operational. Unless clearly noted in the proposal, equipment and products must be delivered to the Participating Entity as operational.
5. Warranty. All equipment, products, supplies, and services must be covered by a warranty that is the industry standard or better.

D. PROSPECTIVE MASTER AGREEMENT TERM

The term of any resulting master agreement(s) awarded by Sourcewell under this solicitation will be four years. Sourcewell and supplier may agree to up to three additional one-year extensions based on the best interests of Sourcewell and its Participating Entities. Sourcewell retains the right to consider additional extensions beyond seven years as required under exceptional circumstances.

E. ESTIMATED MASTER AGREEMENT VALUE AND USAGE

Based on past volume of similar contracts, the estimated annual value of all transactions from master agreements resulting from this RFP are anticipated to be USD 500 Million; therefore, proposers are expected to propose volume pricing. Sourcewell anticipates considerable activity under the master agreement(s) awarded from this RFP; however, sales and sales volume from any resulting master agreement are not guaranteed.

F. MARKETING PLAN

Proposer's sales force will be the primary source of communication with Participating Entities. The proposer's Marketing Plan should demonstrate proposer's ability to deploy a sales force or dealer network to Participating Entities, as well as proposer's sales and service capabilities. It is expected that proposer will promote and market any master agreement award.

G. ADDITIONAL CONSIDERATIONS

1. Master agreements will be awarded to proposers able to best meet the need of Participating Entities. Proposers should submit their complete line of equipment, products, or services that are applicable to the scope of this RFP.
2. A proposer may submit only one proposal. If related, affiliated, or subsidiary entities elect to submit separate proposals, rather than a single parent-entity proposal, each

Docusign Envelope ID: 441ACB9B-7C3C-4CDA-8544-7E72BDBBE0AE

such proposal must be prepared independently and without cooperation, collaboration, or collusion.

3. If a proposer works with a consultant on its proposal, the consultant (an individual or company) may not assist any other entity with a proposal for this solicitation.
4. Proposers should include all relevant information in its proposal, since Sourcewell cannot consider information that is not included in the proposal. Sourcewell reserves the right to verify proposer's information and may request clarification from a proposer, including samples of the proposed equipment or products.
5. Depending upon the responses received in a given category, Sourcewell may need to organize responses into subcategories in order to provide the broadest coverage of the requested equipment, products, or services to Participating Entities. Awards may be based on a subcategory.
6. A proposer's documented negative past performance with Sourcewell or its Participating Entities occurring under a previously awarded Sourcewell master agreement may be considered in the evaluation of a proposal.

III. PRICING

A. REQUIREMENTS

All proposed pricing must be:

1. Either Line-Item Pricing or Percentage Discount from Catalog Pricing, or a combination of these:
   a. **Line-item Pricing** is pricing based on each individual product or service**.** Each line must indicate the proposer's published "List Price," as well as the "Master Agreement Price."
   b. **Percentage Discount from Catalog or Category** is based on a percentage discount from a catalog or list price, defined as a published Manufacturer's Suggested Retail Price (MSRP) for the products or services. Individualized percentage discounts can be applied to any number of defined product groupings. Proposers will be responsible for providing and maintaining current published MSRP with Sourcewell, and this pricing must be included in its proposal and provided throughout the term of any master agreement resulting from this RFP.
2. The proposer's not to exceed price. A not to exceed price is the highest price for which equipment, products, or services may be billed to a Participating Entity. However, it is permissible for suppliers to sell at a price that is lower than the agreed upon price.
3. Stated in U.S. and Canadian dollars (as applicable).
4. Clearly understandable, complete, and fully describe the total cost of acquisition (e.g., the cost of the proposed equipment, products, and services delivered and operational for its intended purpose in the Participating Entity's location).

Proposers should clearly identify any costs that are NOT included in the proposed product or service pricing. This may include items such as installation, set up, mandatory training, or initial inspection. Include identification of any parties that impose such costs and their relationship to

Docusign Envelope ID: 441ACB9B-7C3C-4CDA-8544-7E72BDBBE0AE

the proposer. Additionally, proposers should clearly describe any unique distribution and/or delivery methods or options offered in the proposal.

B. ADMINISTRATIVE FEES

Proposers awarded a master agreement are expected to pay to Sourcewell an administrative fee in exchange for Sourcewell facilitating the resulting master agreements. The administrative fee is normally calculated as a percentage of the total sales to Participating Entities for all equipment, products, or services made during a calendar quarter, and is typically one percent (1%) to two percent (2%). In some categories, a flat fee may be an acceptable alternative.

IV. MASTER AGREEMENT

Proposers awarded a master agreement will be required to execute a master agreement with Sourcewell (see attached template). Only those modifications the proposer indicates in its proposal will be available for discussion. Much of the language in the master agreement reflects Minnesota legal requirements and cannot be altered. Numerous and/or onerous exceptions that contradict Minnesota law may result in the proposal being disqualified from further review and evaluation.

To identify any exception, or to request any modification, to Sourcewell's standard master agreement terms, conditions, or specifications, a proposer must submit the proposed exception(s) or requested modification(s) via redline in the Master Agreement Template provided in the "Documents" section of the "Bid Details" page on the Sourcewell Procurement Portal and uploaded as part of its response. Only those exceptions noted at the time of the proposal submission will be considered.
Exceptions must:

1. Clearly identify the affected article and section.
2. Clearly note the requested modification; and as applicable, provide requested alternative language.

Unclear requests will be automatically denied.

Only those exceptions that have been accepted by Sourcewell will be included in the master agreement document provided to the awarded supplier for signature.

If a proposer receives a master agreement award resulting from this solicitation it will have up to 30 days to sign and return the master agreement. After that time, at Sourcewell's sole discretion, the master agreement award may be revoked.

Docusign Envelope ID: 441ACB9B-7C3C-4CDA-8544-7E72BDBBE0AE

V. RFP PROCESS

A. PRE-PROPOSAL CONFERENCE

Sourcewell will hold an optional, non-mandatory pre-proposal conference via webcast on the date and time noted in the Solicitation Schedule for this RFP and on the Sourcewell Procurement Portal. The purpose of this conference is to allow potential proposers to ask questions regarding this RFP and Sourcewell's competitive procurement process. Information about the webcast will be sent to all entities that have registered for this solicitation opportunity through their Sourcewell Procurement Portal Vendor Account. Pre-proposal conference attendance is optional.

B. QUESTIONS REGARDING THIS RFP AND ORAL COMMUNICATION

All questions regarding this RFP must be submitted through the Sourcewell Procurement Portal. The deadline for submission of questions is found in the Solicitation Schedule and on the Sourcewell Procurement Portal. Answers to questions will be issued through an addendum to this RFP. Repetitive questions will be summarized into a single answer and identifying information will be removed from the submitted questions.

All questions, whether specific to a proposer or generally related to the RFP, must be submitted using this process. Do not contact individual Sourcewell staff to ask questions or request information as this may disqualify the proposer from responding to this RFP. Sourcewell will not respond to questions submitted after the deadline.

C. ADDENDA

Sourcewell may modify this RFP at any time prior to the proposal due date by issuing an addendum. Addenda issued by Sourcewell become a part of the RFP and will be delivered to potential proposers through the Sourcewell Procurement Portal. Sourcewell accepts no liability in connection with the delivery of any addenda.

Before a proposal will be accepted through the Sourcewell Procurement Portal, all addenda, if any, must be acknowledged by the proposer by checking the box for each addendum. It is the responsibility of the proposer to check for any addenda that may have been issued up to the solicitation due date and time.

If an addendum is issued after a proposer submitted its proposal, the Sourcewell Procurement Portal will WITHDRAW the submission and change the proposer's proposal status to INCOMPLETE. The proposer can view this status change in the "MY BIDS" section of the Sourcewell Procurement Portal Vendor Account. The proposer is solely responsible to check the "MY BIDS" section of the Sourcewell Procurement Portal Vendor Account periodically after submitting its proposal (and up to the Proposal Due Date). If the proposer's proposal status has changed to INCOMPLETE, the proposer is solely responsible to:

Docusign Envelope ID: 441ACB9B-7C3C-4CDA-8544-7E72BDBBE0AE

1. make any required adjustments to its proposal;
2. acknowledge the addenda; and
3. ensure the re-submitted proposal is received through the Sourcewell Procurement Portal no later than the Proposal Due Date and time shown in the Solicitation Schedule above.

D. PROPOSAL SUBMISSION

Proposer's complete proposal must be submitted through the Sourcewell Procurement Portal no later than the date and time specified in the Solicitation Schedule. Any other form of proposal submission, whether electronic, paper, or otherwise, will not be considered by Sourcewell. **Late proposals will not be considered.** It is the proposer's sole responsibility to ensure that the proposal is received on time.

It is recommended that proposers allow sufficient time to upload the proposal and to resolve any issues that may arise. The time and date that a proposal is received by Sourcewell is solely determined by the Sourcewell Procurement Portal web clock.

In the event of problems with the Sourcewell Procurement Portal, follow the instructions for technical support posted in the portal. It may take up to 24 hours to respond to certain issues.

Upon successful submission of a proposal, the Sourcewell Procurement Portal will automatically generate a confirmation email to the proposer. If the proposer does not receive a confirmation email, contact Sourcewell's support provider at support@bidsandtenders.ca.

To ensure receipt of the latest information and updates via email regarding this solicitation, or if the proposer has obtained this solicitation document from a third party, the onus is on the proposer to create a Sourcewell Procurement Portal Vendor Account and register for this solicitation opportunity.

Within the Sourcewell Procurement Portal, all proposals must be digitally acknowledged by an authorized representative of the proposer attesting that the information contained in the proposal is true and accurate. By submitting a proposal, proposer warrants that the information provided is true, correct, and reliable for purposes of evaluation for potential master agreement award. The submission of inaccurate, misleading, or false information is grounds for disqualification from a master agreement award and may subject the proposer to remedies available by law.

E. GENERAL PROPOSAL REQUIREMENTS

Proposals must be:

1. In substantial compliance with the requirements of this RFP or it will be considered nonresponsive and be rejected.
2. Complete. A proposal will be rejected if it is conditional or incomplete.
3. Submitted in English.

Docusign Envelope ID: 441ACB9B-7C3C-4CDA-8544-7E72BDBBE0AE

4. Valid and irrevocable for 90 days following the Proposal Due Date.

Any and all costs incurred in responding to this RFP will be borne by the proposer.

F. PROPOSAL WITHDRAWAL

Prior to the proposal deadline, a proposer may withdraw its proposal.

G. OPENING

The Opening of proposals will be conducted in the Sourcewell Procurement Portal immediately following the proposal due date and time. To view the list of proposers resulting from the opening, verify that the Sourcewell Procurement Portal opportunities list search is set to "All" or "Closed."

Members of the public may attend the Opening at Sourcewell's office located at 202 12th Street NE, Staples, MN to hear the results.

VI. EVALUATION AND AWARD

A. EVALUATION

It is the intent of Sourcewell to award one or more master agreements to responsive and responsible proposers offering the best overall quality, selection of equipment, products, and services, and price that meet the commonly requested specifications of Sourcewell and its Participating Entities. The award(s) will be limited to the number of proposers that Sourcewell determines is necessary to meet the needs of its Participating Entities.

Factors to be considered in determining the number of master agreements to be awarded in any category may include the following:

1. Total evaluation scores (giving consideration to natural breaks in the scoring of responsive proposals);
2. The number and geographic location of highest-scoring proposers that offer:
    a. A comprehensive selection of the requested equipment, products, or services;
    b. A sales and service network ensuring availability and coverage for Participating Entities' use; and
    c. Other attributes of the proposer or contents of its proposal that assist Participating Entities in achieving environmental and social requirements, and goals.

Information submitted as part of a proposal should be as specific as possible when responding to the RFP. Do not assume Sourcewell has any knowledge about a specific supplier or product.

Docusign Envelope ID: 441ACB9B-7C3C-4CDA-8544-7E72BDBBE0AE

B. AWARD(S)

Award(s) will be made to the highest-scoring proposer(s) whose proposal conforms to all conditions and requirements of the RFP, and consistent with the award criteria defined in this RFP.

Sourcewell may request written clarification of a proposal at any time during the evaluation process.

Proposal evaluation will be based on the following scoring criteria and the Sourcewell Evaluator Scoring Guide (a copy is available in the Sourcewell Procurement Portal):

Conformance to RFP Requirements	Pass/Fail
Financial Viability and Marketplace Success	50
Ability to Sell and Deliver Solutions	150
Marketing Plan	100
Value Added Attributes	100
Depth and Breadth of Offered Solutions	200
Pricing	400
TOTAL POINTS	**1000**

C. PROTESTS OF AWARDS

Any protest made under this RFP by a proposer must be in writing, addressed to Sourcewell's Executive Director, and delivered to the Sourcewell office located at 202 12th Street NE, P.O. Box 219, Staples, MN 56479. All documents that comprise the complete protest package must be received, and time stamped at the Sourcewell office by 4:30 p.m., Central Time, no later than 10 calendar days following Sourcewell's notice of master agreement award(s) or non-award. A protest must allege a procedural, technical, or legal defect, with supporting documentation. A protest that merely requests a re-evaluation of a proposal's content will not be entertained.

A protest must include the following items:

- The name, address, and telephone number of the protester;
- Identification of the solicitation by RFP number;
- A precise statement of the relevant facts;
- Identification of the alleged procedural, technical, or legal defect;
- Analysis of the basis for the protest;
- Any additional supporting documentation;
- The original signature of the protester or its representative; and
- Protest bond in the amount of $20,000 (except where prohibited by law or treaty).

Protests that do not address these elements will not be reviewed.

Docusign Envelope ID: 441ACB9B-7C3C-4CDA-8544-7E72BDBBE0AE

D. RIGHTS RESERVED

This RFP does not commit Sourcewell to award any master agreement, and a proposal may be rejected if it is nonresponsive, conditional, incomplete, conflicting, or misleading. Proposals that contain false statements or do not support an attribute or condition stated by the proposer may be rejected.

Sourcewell reserves the right to:

- Modify or cancel this RFP at any time;
- Reject any and all proposals received;
- Reject proposals that do not comply with the provisions of this RFP;
- Select, for master agreements or for discussion, a proposal other than that with the lowest cost;
- Independently verify any information provided in a proposal;
- Disqualify any proposer that does not meet the requirements of this RFP, is debarred or suspended by the United States or Canada, State of Minnesota, Participating Entity's state or province; has an officer, or other key personnel, who have been charged with a serious crime; or is bankrupt, insolvent, or where bankruptcy or insolvency are a reasonable prospect;
- Waive or modify any informalities, irregularities, or inconsistencies in the proposals received;
- Clarify any part of a proposal and discuss any aspect of the proposal with any proposer; and negotiate with more than one proposer;
- Award a master agreement if only one responsive proposal is received if it is in the best interest of Participating Entities; and
- Award a master agreement to one or more proposers if it is in the best interest of Participating Entities.

E. DISPOSITION OF PROPOSALS

All materials submitted in response to this RFP will become property of Sourcewell and will become public record in accordance with Minnesota Statutes Section 13.591, after negotiations are complete. Sourcewell considers that negotiations are complete upon execution of a resulting master agreement. It is the proposer's responsibility to clearly identify any data submitted that it considers to be protected. Proposer must also include a justification for the classification citing the applicable Minnesota law. Sourcewell may reject proposals that are marked confidential or nonpublic, either substantially or in their entirety.

Sourcewell will not consider the prices submitted by the proposer to be confidential, proprietary, or trade secret materials. Financial information, including financial statements, provided by a proposer is not considered trade secret under the statutory definition.

Docusign Envelope ID: 441ACB9B-7C3C-4CDA-8544-7E72BDBBE0AE

This WEX ACCOUNT AND SERVICES AGREEMENT and PARTICIPATING ADDENDUM UNDER SOURCEWELL MASTER CONTRACT No. 030625, together with the related credit application, schedules, and amendments (collectively, the "Agreement") govern the establishment and use of one or more accounts and associated cards and services provided by WEX Bank, a Utah industrial bank ("Issuer"), to the business that has been approved by Issuer to receive such account(s) and services ("Customer"). Issuer and Customer may be referred to in this Agreement individually as a "Party" and collectively as the "Parties."

GENERAL TERMS

1. Use of Account.

1.1 Subject to the terms and conditions of the Agreement and Issuer's approval of Customer, Issuer agrees to provide one or more Accounts and associated Cards for Customer's use. Issuer will process Transactions on the WEX Network or on a Third Party Network as specified in the applicable Schedule. Customer and Account Users designated by Customer may only use the Account in accordance with this Agreement. Any Affiliate of Customer may participate under this Agreement if such Affiliate **(a)** agrees to the terms of this Agreement by executing an Affiliate Agreement Form as provided by Issuer, and **(b)** is approved by Issuer in its sole discretion.

1.2 Customer agrees that the Account and associated Card(s) may only be used for business purposes, and not for any personal, family, or household purposes, or for any purchase of lottery tickets or other games of chance, gift cards, pre-paid cards or other cash equivalent charges, all of which are prohibited. Customer shall maintain and comply, and shall ensure that Account Users comply, with its policies and controls to ensure strict compliance with the foregoing.

1.3 In connection with Customer's use of the Account, Issuer will provide access to Issuer's online account management system, websites, mobile applications, or other electronic online products, as applicable (each and collectively, the "Online Portal"), for Customer and its Account Users to manage the Account and Cards, view Transactions, and run reports. The Online Portal may only be used in connection with Customer's use of the Account and subject to the policies and terms of use posted therein, the terms of this Agreement, and any additional terms and conditions otherwise provided or made available to Customer by Issuer. Access to and use of the Online Portal by Customer and designated Account Users shall also be in accordance with, and subject to, Issuer's security protocols and policies including, without limitation, third-party user agreements and terms and conditions. Customer shall not, and shall ensure Account Users do not, tamper with, compromise, or attempt to circumvent any physical, technical, or administrative controls or security measures or otherwise compromise the security of the Online Portal.

2. Account Users.

2.1. Customer shall designate Account Users as well as those contacts authorized to: **(a)** provide Issuer with the information necessary to establish and maintain Account(s), Cards, and IDNs; **(b)** provide all Account User information and other information; **(c)** receive all Account numbers, Cards or reports; **(d)** receive other Account information; and **(e)** select additional products and/or services that may be offered by Issuer or any of its Affiliates. Customer remains liable for any Unauthorized Use until Issuer receives notice of any change in or removal of any Account User or contact. Issuer is authorized to take instruction from any Account User or contact with actual, implied or apparent authority to act on Customer's behalf, and unless Customer reports any errors in the provided information, Issuer is entitled to rely on that information for servicing the Account. Customer shall ensure that each Account User complies with the terms and conditions of this Agreement. Customer is liable for any misuse of Cards or Accounts.

2.2. Customer will provide prompt notice of any change or removal of any contact or Account User or any revocation of any Account User's authority, either in writing, by telephoning Issuer's customer service department, or through the Online Portal. Customer shall remain liable for all Transactions and Unauthorized Use until such notice is received by Issuer and Issuer has a reasonable time to act on the notice, notwithstanding whether any such use is consistent with any limitations on use imposed by Issuer.

2.3. Customer agrees to keep IDNs confidential and ensure that its personnel and Account Users do not disclose any IDN. Customer is liable for any Unauthorized Use that results if Account User or other personnel discloses an IDN or writes an IDN on a Card, even if the disclosure is inadvertent or unintentional. Customer shall not provide actual, implied or apparent authority to any Person to use a Card or the Account except for an Account User.

3. Credit Limit and Authorizations.

3.1 Issuer may in its sole discretion extend credit and establish Accounts. Issuer may, at any time, investigate the financial condition of Customer or as applicable, its Affiliates. If Customer is not a publicly traded Customer, at the request of Issuer, Customer shall promptly furnish Issuer with copies of its most recent financial statements acceptable to Issuer that were prepared no later than one hundred twenty (120) days following the end of its fiscal year. Customer shall provide financial statements prepared in accordance with generally accepted accounting principles consistently applied and shall be in accordance with the books and records of Customer. Any financial information submitted shall be kept confidential by Issuer.

3.2 Issuer will inform Customer of the Credit Limit assigned to the Account. Customer shall ensure that the balance of the Account does not exceed the assigned Credit Limit. Issuer may change the Credit Limit in its sole discretion without prior notice, except as may be required by applicable law. Issuer may, but is not required to, permit Customer to exceed its Credit Limit. Customer must comply with the Credit Limit even if Issuer has previously permitted Customer to exceed the Credit Limit. If Customer exceeds its Credit Limit, at Issuer's request, Customer shall immediately pay the amount over the Credit Limit and any associated fees as set forth in the applicable Schedule or the entire balance due on the Account.

3.3 Issuer may suspend an Account or refuse to authorize any Transaction in its sole discretion for any reason, and specifically in the event that: (a) any balance is past due; or (b) the amount of the Transaction plus the outstanding balance

(including Transactions authorized but not yet posted) exceed the Credit Limit.

4. Card Controls.

4.1 Customer may request via the Online Portal that Card Controls be applied to the Account. The availability and effectiveness of Card Controls are dependent upon each merchant's adoption of WEX Inc.'s ("WEX") Card specifications and the information, including product codes that the merchant transmits to Issuer. The product codes are assigned by each merchant and not by Issuer. Card Controls for Cards processing Transactions on a Third Party Network may also be dependent on information provided by the Third Party Network provider, such as their categorization of the merchant. In addition, some Card Controls are not enforceable at point-of-sale terminals due to equipment restrictions at the merchant location. There are inherent limitations on the ability of Card Controls to limit the use of Cards in the manner intended.

4.2 Issuer may, in its sole discretion and without prior notice, modify Card Controls for the purpose of, among others, the prevention of suspected fraudulent activity. Issuer may apply default Card Controls on its portfolio of accounts. Issuer will use reasonable efforts to inform Customer after any modification to a Card Control setting is made. Customer shall review and manage the account set-up for all Cards based on Customer's specific purchasing needs. Customer agrees it is responsible for reviewing fraud control data provided by Issuer for the purpose of detecting fraud that may occur within Card Control parameters.

4.3 Default Card Control values are modified through the Online Portal. More detailed information and certain limitations regarding Card Controls are provided online. Only Transactions submitted for authorization are subject to Card Controls and those Card Controls can only be enforced when the merchant provides sufficient information as part of the authorization.

4.4 Card Controls are provided for the convenience of Customer in its efforts to manage usage of Cards and the Account. Issuer encourages Customer to set Card Controls in a manner that Customer determines is most likely to conform usage of Cards and the Account to the purposes determined by Customer. However, Issuer is not responsible for the prudence of any particular Card Control level selected by Customer. Customer shall be liable for all Transactions, regardless of Card Control settings selected by Customer or the effectiveness of such controls.

5. Billing and Payments.

5.1 Issuer will provide or make available to Customer Transaction data or a billing statement, as applicable, for each Billing Cycle in which the Account has activity. Customer agrees to pay Issuer in full on or before the relevant cutoff time on or before the Due Date, as specified on the billing statement. Customer is encouraged to receive billing statements electronically and make payments electronically to ensure that each payment posts by the applicable Due Date.

5.2 Customer will pay Issuer for all credit extended under the Account, as well as any fees and charges, as provided in this Agreement. Customer is liable for all Transactions on the Account to the fullest extent permitted by applicable law, except as expressly provided in this Agreement. Customer may pay the entire balance of the Account or a portion of it, at any time prior to its Due Date without penalty.

5.3 All payments must be made in United States dollars, using checks or similar payment instruments drawn on financial institutions in the United States or by payment through the Automated Clearing House network in accordance with Issuer's requirements.

5.4 Regardless of payment method, Customer must ensure that Customer's account number is provided with the payment. Failure to do so will cause processing delays in posting the payment to the Account. Payments that are received at locations other than the address specified on the billing statement, or that do not otherwise comply with instructions on the billing statement or the Agreement, may be delayed in posting.

5.5 Payments will be applied first to fees and then to other amounts owing on the Account. Issuer, in its sole discretion, may determine when to restore available credit in the Credit Limit after crediting a payment to an Account.

5.6 Customer may be offered discounts and/or rebates from time to time. Such discounts and/or rebates may be suspended, modified, or discontinued at any time without prior notice and may not be applicable to all product types. In addition, certain conditions in order to earn or receive the rebate or discount, such as but not limited to, maintaining the Customer's Account in good standing, will apply and be provided to Customer when such offers are made.

6. Additional Products and Features

6.1 Reports. Issuer provides Transaction data for the Account to the Customer as transmitted by merchants. Issuer will report the data received from merchants and as such is not liable for the accuracy or completeness of the data received, posted, or contained in any specialty reports, management reports, data services, or other information services provided. Customer is responsible for reconciling that data. In addition, Customer understands that in the event an error is identified in a report, such as an incorrect product code, Customer is still liable for the Transaction, but may follow the dispute process as described in this Agreement.

6.2 Modifications. Issuer will deliver to Customer enhancements, updates or upgrades to the Cards, Accounts, and Card Controls that Issuer makes generally and commercially available to other similarly situated customers without any additional fee. In the event Customer requests additional modifications, including to the online application, and Issuer makes a reasonable business determination that the requested modifications or technical support entail specialized modifications or services different from the kind or amount provided to other similarly situated customers (including, but not limited to, custom software or operational development work or assistance to enable interfacing with a non-supported, unusual, or proprietary system), Issuer will inform Customer if the requested modification may be available as a service from an Affiliate of Issuer, subject to additional fees and other applicable terms as set forth in a separate statement of work as agreed between such Affiliate and Customer. Issuer, in its sole discretion, may decline to make any modifications, including if such modifications will impact other customers of Issuer. Issuer may, at any time, elect to terminate or modify products or services described in this Agreement, or provided in connection with the Account in which Customer or an

Account User has enrolled, upon thirty (30) days' prior written notice to Customer, and without such notice due to changes in law or if required by regulatory authorities.

7. Late Fees.

7.1 If Customer fails to make payment in full by the applicable Due Date, or a payment is returned (each a "Payment Default"), then a fee (the "Late Fee") will apply as set forth in the applicable Schedule. Customer will be considered to have made a payment to Issuer on an Account only when the payment is posted to the Account as provided in this Agreement.

7.2 Issuer will not charge a Late Fee if the unpaid portion of the invoice as of the Due Date is $10 or less.

8. Other Fees.

In addition to Late Fees, Customer agrees to pay any additional fees and applicable sales taxes in the amounts and as described in the applicable Schedule.

9. Disputed Amounts.

9.1 In General. Customer shall use its best efforts (but in no event less than commercially reasonable efforts) to resolve any disputes regarding Transactions directly with the relevant merchant, including any dispute related to the quality of goods or services that are purchased in a Transaction or any warranty received in connection with a Transaction. For any disputes which cannot be resolved with a merchant directly, Customer may dispute a Transaction if: **(a)** the amount does not reflect the face value of the Transaction (*e.g.*, based on the amount charged by the merchant or reflected in a receipt from the merchant); **(b)** the amount being disputed is a fee that is not properly accrued under this Agreement; or **(c)** Customer does not believe it is liable for the amount, as further described in the applicable Schedule.

9.2 WEX Network. Transactions on the WEX Network must be disputed in writing within sixty (60) days from the billing date or they will be final and binding. All billed charges must be paid in full regardless of reported disputes. Upon receipt of a dispute, including any supporting documentation required by Issuer, Issuer will use reasonable efforts to investigate the dispute. In the event that Issuer determines the dispute is due to an error by Issuer, Issuer will, as Customer's sole and exclusive remedy, correct applicable data or reports, including invoices, if any. If the dispute is related to an act or omission of a merchant, the Transaction may qualify for chargeback to such merchant. Issuer will use reasonable efforts to charge the Transaction back to the merchant in accordance with Issuer's procedures under its merchant acceptance agreement with such merchant. Any chargeback paid by the merchant to Issuer will be credited to the applicable Account. Customer may be liable for the Transaction if the disputed item is not due to an error by Issuer and cannot be charged back to the merchant.

9.3 Third Party Network. If a Transaction is processed on a Third Party Network, such Third Party Network rules shall govern the dispute process, including in the event a longer dispute window is permitted or required. Upon receipt of a dispute, including any required supporting documentation, Issuer will submit the dispute to the Third Party Network provider in accordance with the Third Party Network rules. Customer agrees to pay any costs assessed by the Third Party Network provider in connection with chargebacks (whether successful or not), if applicable. Any chargeback paid by the merchant to Issuer will be credited to the relevant Account. Customer is liable for the Transaction if the Transaction cannot be charged back to the merchant.

10. Unauthorized Use.

10.1 Except as provided in Section 10.3, Customer will be liable to Issuer for all Unauthorized Use: **(a)** that occurs if a Card or Account is lost, stolen or is otherwise compromised; or **(b)** that occurs before Customer provides Issuer with immediate notice as required in this Agreement or by applicable law or card association rules that a Card is lost or stolen or other possible Unauthorized Use of an Account; or **(c)** Issuer determines that such Unauthorized Use could have been prevented by Customer if it had maintained and followed reasonable security precautions and controls surrounding the Cards or Accounts. A failure by an Account User to comply with Customer's internal policy regarding use of an Account or Card does not, by itself, result in Unauthorized Use of an Account or Card. Notwithstanding the foregoing, if a Transaction is processed on a Third Party Network, then in the event the rules applicable to the Third Party Network mandate greater protection for Customer, the applicable Third Party Network rules will prevail.

10.2 If Customer or an Account User knows of or suspects the loss or theft of a Card or Account or possible Unauthorized Use, or if Customer would like to terminate authority of an Account User to use a Card or Account, Customer will report to Issuer immediately via the Online Portal or by calling the customer service number set forth on their Cards or as specified in the applicable Schedule. Customer shall adopt and maintain reasonable security precautions and controls to prevent Unauthorized Use.

10.3 Customer will use reasonable efforts to recover a Card from any Person whose authority to use Customer's Account has terminated or from any unauthorized individual with possession of or access to a Card. Customer will give Issuer and any law enforcement authority reasonable assistance with any investigation and prosecution with respect to Unauthorized Use, including without limitation, obtaining an affidavit or similar written, signed statement from the applicable Account User.

10.4 If Issuer has provided Customer with fewer than ten (10) Cards to access the Account, Customer's liability for Unauthorized Use of a Card will be limited to the lesser of fifty dollars ($50) or the amount of money, property, labor or services obtained by the Unauthorized Use of the Card before notification is provided to Issuer of a lost or stolen Card or potential Unauthorized Use of a Card. The limitation on liability for Unauthorized Use of a Card as described in this Section 10.3 shall apply irrespective of any other provision of this Agreement and this Section 10.3 shall control in the event of any inconsistency between this Section 10.3 and any other provision of this Agreement.

11. Representations and Warranties by Customer.

Customer represents and warrants to Issuer that: **(a)** the person signing this Agreement on behalf of Customer has the requisite power and authority to contractually bind Customer under this Agreement; **(b)** this Agreement constitutes the legal, valid, binding, and enforceable agreement of Customer; and **(c)** Customer's execution and performance of this Agreement **(i)**

does not constitute a breach of any agreement between Customer and a Person other than Issuer, or of any duty of Customer arising at law or in equity, **(ii)** does not violate any law, rule or regulation applicable to Customer, and **(iii)** has been duly authorized by all necessary organizational action of Customer.

12. Other Obligations of Customer.

12.1 Customer shall provide information and documentation requested by Issuer for purposes of Issuer's compliance with federal law related to customer identification and verification, including, but not limited to, name, address, date of birth, and other application information to identify the Customer and/or Account Users

12.2 For Issuer's compliance with banking and credit underwriting standards, Customer shall provide written notice to Issuer: **(a)** in advance of any change to its legal name or in the ownership of Customer; **(b)** in advance of any change in the organizational structure of Customer, including any merger or reorganization, or sale of substantially all of Customer's assets; **(c)** immediately if Customer becomes insolvent or the subject of bankruptcy or insolvency proceedings; or **(d)** immediately after any appointment of a receiver or trustee for the benefit of creditors of Customer.

13. Amendment.

Customer agrees that Issuer may change any part of this Agreement, including without limitation the rates, charges, fees and other terms of this Agreement, and that Issuer may introduce new rates, charges, fees and other terms of this Agreement to the fullest extent permitted under applicable law. Any change in the terms and conditions of the Account may be applied to the outstanding balance on the Account to the extent permitted under applicable law. Issuer will provide at least thirty (30) days' prior written notice to Customer before making any such changes.

14. Term and Termination.

14.1 Term; Termination. This Agreement is effective upon the date of the last signature hereto and will continue for a period of five (5) years (the "Initial Term"), unless earlier terminated pursuant to the terms of the Agreement. Thereafter, the term of the Agreement shall automatically renew for successive one-year periods (each, a "Renewal Term" and collectively with the Initial Term, the "Term"), unless either Party provides written notice of non-renewal to the other Party at least ninety (90) days prior to the end of the Initial Term or the then-current Renewal Term.

14.2 Issuer may terminate this Agreement during the Term for any reason. Issuer will provide notice of termination if required by applicable law, provided that Issuer may terminate Inactive Accounts without notice. Termination of all Accounts will automatically terminate this Agreement. Customer may terminate the Agreement after the Initial Term upon ninety (90) days' prior notice to Issuer, either in writing or by calling the number on the back of Customer's Cards. Issuer's right to terminate this Agreement pursuant to this Section 14 is in addition to Issuer's termination rights otherwise set forth in this Agreement, including without limitation under Section 15 (Default by Customer).

14.3 Termination Fee. In the event of the termination of this Agreement **(a)** by Issuer for cause, or **(b)** by Customer during the Initial Term (other than for a material breach by Issuer if Issuer fails to cure such breach within a reasonable time after receipt of notice thereof), there shall be no refund, in whole or in part, of any payments already made from Customer to Issuer, and Customer shall make all outstanding payments due prior to the date of termination. Customer acknowledges that it would be impractical or extremely difficult to ascertain the actual damages to Issuer in the event that this Agreement is terminated as set forth in (a) or (b) above. Accordingly, in the event of such termination, Customer shall pay a fee for termination ("Termination Fee") as set forth in the applicable Schedule to this Agreement. The Termination Fee shall be liquidated damages, a non-exclusive remedy, and not a penalty. Issuer shall be entitled to recover any costs of collection, including reasonable attorney's fees and costs, incurred in the collection of the Termination Fee. Customer acknowledges that Customer shall have no right to withhold any payment due as a set-off against alleged claims against Issuer and hereby waives any such claim as a defense or counterclaim to termination by Issuer.

14.4 Obligations Upon Termination. In the event the Agreement is terminated by Customer, any rebates payable to Customer by Issuer or WEX, as the case may be, shall immediately terminate and the standard fees set forth in this Agreement (i.e., without any rebate or discount) shall apply for the remainder of the Term. After termination, Issuer shall have a reasonable amount of time to terminate the Account. Customer shall not use a Card or the Account to make a purchase after termination of this Agreement. Customer shall return to Issuer, or provide verification of the destruction of, all Account numbers or Cards. Customer may retain a copy of any records or Account information for archival or data retention purposes.

14.5 Survival. Notwithstanding the termination of the Agreement as set forth herein, the terms and conditions of this Agreement shall continue to apply until all amounts owing with respect to the Account are paid in full (including all amounts owing on an Account and charged under this Agreement) and Customer has performed all of its obligations under this Agreement. Those provisions of this Agreement that by their nature are intended to survive termination or expiration of this Agreement in order to give them full force and effect will survive the termination or expiration of this Agreement, including the Parties' confidentiality obligations.

15. Default by Customer.

15.1 Customer will be in "Default" under this Agreement if: **(a)** Customer fails to perform any obligation under this Agreement; **(b)** a representation or warranty by Customer in connection with this Agreement was incorrect or misleading when made; **(c)** any petition in bankruptcy, insolvency, receivership, or reorganization or proceeding pursuant to any other debtor relief law is filed by or against Customer; **(d)** any order is entered appointing a receiver, custodian, trustee, liquidator, or any other person with similar authority over the assets of Customer; **(e)** there is an insolvency, dissolution, reorganization, or assignment for the benefit of creditors with respect to Customer, or any other material adverse change in the financial condition of Customer; **(f)** any adverse judgment, order or award is entered against Customer that has a material adverse impact on the financial condition of Customer or a detrimental effect on the ability of Customer to perform its

obligations under this Agreement; **(g)** Customer is in default under any other agreement between Customer and Issuer or its Affiliates; or **(h)** any event described in this Section 15.1(a) through (g) occurs with respect to any Guarantor or any Guarantor repudiates or otherwise defaults in its obligations under a guaranty.

15.2 If Customer is in Default: **(a)** Customer will not have any further right to borrow under this Agreement; **(b)** Issuer may declare all outstanding amounts under the Account to be immediately due and payable; **(c)** Issuer may terminate this Agreement; and **(d)** Issuer will have the right to bring suit and exercise all rights and remedies available under applicable law or in equity. In addition, if Customer is in Default, Issuer may, in its sole discretion, suspend all services and obligations, shorten the Billing Cycle, and change the payment terms. A suspension of services or obligations will not be deemed a waiver of any right to terminate this Agreement, whether as a result of the Default to which such suspension of services or obligations relates or otherwise. Customer agrees to pay any and all costs (including reasonable attorneys' fees) incurred by Issuer in enforcing Customer's obligations under this Agreement. If Issuer suspends all services and obligations, Customer agrees to pay any applicable Reactivation Fee set forth in this Agreement.

16. Foreign Transactions.

16.1 Accounts and Cards are issued for use by Customer's United States based operations. Customer may not distribute a Card to a Person based outside of the United States. If Transactions are made in any country other than the United States, Customer will: **(a)** be billed in U.S. Dollars; **(b)** receive reporting in English; and **(c)** pay the currency conversion fee as set forth in the applicable Schedule.

16.2 Any Transaction made in a foreign currency shall be converted into U.S. Dollars before the Transaction is posted to the Account. The exchange rate between the Transaction currency (the foreign currency) and the billing currency (U.S. Dollars) used for processing an international Transaction is a rate selected by Issuer using rates available in wholesale currency markets for the date that the Transaction is posted by Issuer, which rate may vary from the rate Issuer itself receives, or the government mandated rate in effect at that time. The conversion rate used on the posting date may differ from the rate applicable on the date of the Transaction.

17. Limitations on Liability.

17.1 Issuer and its Affiliates are not liable for any loss sustained by Customer or any other Person resulting from any act or omission by Issuer or any other Person, whether with respect to the exercise or enforcement of its rights or remedies under this Agreement or otherwise, unless the loss is caused by Issuer's gross negligence or willful misconduct. Issuer's liability shall be limited to actual damages incurred by Customer as a direct result of Issuer's gross negligence or willful misconduct. Furthermore, Issuer's liability for actual damages shall not exceed the sum of: **(a)** all fees paid by Customer to Issuer under this Agreement in the twelve (12) month period prior to the date when any claim is made against Issuer; plus **(b)** all other revenue earned by Issuer for all of Customer's Transactions made in the twelve (12) months prior to the date of any claim made against Issuer. In no event will Issuer be liable for incidental, special, consequential or punitive damages and Customer expressly and unconditionally waives any right to such damages. Except as otherwise required under applicable law, Issuer makes no warranty with respect to goods, products, merchantability, or services purchased with a Card or the Account, or through Issuer. Issuer is not responsible for any failure of a merchant to accept the Account or a Card.

17.2 Issuer and its Affiliates are not liable to Customer for any loss, liability or damages that Customer suffers as a result of, related to, or in any way are connected with any Card Control, fraud control or purchase restriction measures Issuer elects to implement from time to time, unless such loss, liability or damage is a direct result of Issuer's gross negligence or willful misconduct.

18. Waiver of Jury Trial.

18.1 THE PARTIES AGREE VOLUNTARILY, INTENTIONALLY AND IRREVOCABLY TO WAIVE ALL RIGHTS TO TRIAL BY JURY IN ANY PROCEEDING INSTITUTED IN ANY COURT, ARISING OUT OF THIS AGREEMENT.

18.2 Customer waives personal service of process in connection with any action or proceeding commenced by Issuer in connection with this Agreement, and agrees that service may be made by overnight courier or U.S. certified mail to the last known address in Issuer's records.

19. Dispute Resolution.

19.1 In accordance with the procedures outlined in this Section 19 (Dispute Resolution), any action, dispute, claim or controversy of any kind, whether in contract or tort, statutory or common law, legal or equitable, or under any applicable law, now existing or hereafter arising under or in connection with, or in any way pertaining to, this Agreement ("Dispute") will be resolved expeditiously, amicably, and at the level within each Party's organization most knowledgeable about the Dispute. Throughout the Dispute resolution process, each Party will continue to perform its obligations under this Agreement. No Dispute may be pursued as part of a class action or other representative action; disputes brought as part of a class action, private attorney general or other representative action can be arbitrated only on an individual basis. The arbitrator has no authority to arbitrate any Dispute on a class or representative basis and may award relief only on an individual basis. Disputes of two (2) or more Persons may not be combined in the same arbitration.

19.2 General. The complaining Party's representative will notify the other Party's representative in writing of a Dispute, and the non-complaining Party will exercise good faith efforts to resolve the matter as expeditiously as possible. In the event that such matter remains unresolved ten (10) Business Days after the delivery of the complaining Party's written notice, senior representatives of each Party will confer in an effort to resolve the Dispute. If the Parties do not reach a resolution of the Dispute, it will be resolved by binding arbitration in accordance with the terms of this Section 19 (Dispute Resolution), except as otherwise set forth below. A Party who fails or refuses to submit to arbitration following a lawful demand by any other Party will bear all costs and expenses incurred in compelling arbitration of any Dispute.

19.3 Governing Rules. Arbitration proceedings will be administered by the American Arbitration Association ("**AAA**") and conducted in accordance with the AAA

Commercial Arbitration Rules, or such other administrator and rules as agreed by the Parties. If there is any inconsistency between the terms of this Agreement and any such rules, the terms in this Agreement will control. The arbitration will be conducted at a mutually-agreed upon location in the jurisdiction whose law governs this Agreement, or as selected by the administrator if no agreement can be reached ("**Arbitration Location**"). The Parties hereby waive any claim of *forum non conveniens*. All Disputes submitted to arbitration will be resolved in accordance with the Federal Arbitration Act (Title 9 of the United States Code). All statutes of limitations applicable to any Dispute will apply to any arbitration proceeding. All discovery activities will be expressly limited to matters directly relevant to the Dispute being arbitrated. A judgment upon any award rendered in an arbitration may be entered in any court having jurisdiction.

19.4 No Waiver; Provisional Remedies. The Parties agree that pursuing arbitration of a Dispute will not limit a Party's right to seek provisional or ancillary remedies, including injunctive relief, attachment or the appointment of a receiver, from a court of competent jurisdiction in the Arbitration Location or elsewhere, whether before, after or during any Dispute resolution activity. The exercise of any such remedy will not waive the right of any Party to compel arbitration or referral under this section.

19.5 Arbitrator Qualifications and Powers; Awards. Arbitrators must be active members of the official licensing organization for attorneys in the Arbitration Location or retired judges of the judiciary of the Arbitration Location, with expertise in the substantive applicable law relating to the subject matter of the Dispute. Arbitrators are empowered to resolve Disputes by summary rulings in response to motions filed prior to the final arbitration hearing. Arbitrators: (a) will resolve all Disputes in accordance with the substantive Governing Law as set forth in Section 23.3 (Governing Law); (b) may grant any remedy or relief that a court of the Governing Law jurisdiction could order or grant and such ancillary relief as is necessary to make effective any such award (but in no event will the arbitrator have the authority to award damages that exceed the scope of this Agreement); and (c) will have the power to award recovery of all costs and fees, to impose sanctions and to take such other actions as they deem necessary to the same extent a judge could pursuant to the rules of civil procedure in the Governing Law jurisdiction. Any Dispute in which the initial amount in controversy is One Million Dollars ($1,000,000), or its equivalent, or less may be decided by a single arbitrator. Any Dispute in which the initial amount in controversy exceeds One Million Dollars ($1,000,000), or its equivalent, will be decided by majority vote of a panel of three arbitrators; provided however, that all three arbitrators must actively participate in all hearings and deliberations.

19.6 To the maximum extent practicable, the arbitrators and the Parties will take all action required to conclude any arbitration proceeding within one hundred eighty (180) days of the filing of the Dispute. No arbitrator or other Party to an arbitration proceeding may disclose the existence, content or results thereof, except for disclosures of information by a Party required in the ordinary course of its business, by Applicable Law, or to the extent necessary to exercise judicial review rights as set forth herein.

19.7 In all Disputes, the substantially prevailing Party is entitled to recover its reasonable legal counsel fees, and other legal expenses from the other Party.

20. Confidentiality.

All information furnished by or on behalf or either Party or any Affiliate of Issuer in connection with this Agreement will be kept confidential, using the same degree of care it uses to safeguard its own confidential information (but in no event less than commercially reasonable care), and will be used by the other Party only in connection with this Agreement or as otherwise expressly set forth herein, except to the extent that the information: **(a)** was in the possession of the receiving Party without restriction on disclosure at the time of the disclosure ; **(b)** was provided to the receiving Party by a third party who was not under a restriction on disclosure with respect to such information; **(c)** is or has become publicly available other than through an act or omission of the receiving Party in breach of this Agreement or other restriction on disclosure; **(d)** was independently developed by the receiving Party without reference to the disclosing Party's confidential information or **(e)** is required by law to be disclosed, provided that notice of the disclosure has been given (unless such notice is legally prohibited) to the disclosing Party by the receiving Party, which notice, to the extent practicable, shall be given sufficiently in advance of the proposed disclosure to permit the disclosing Party to contest the validity or scope of the disclosure. Nothing in this section or this Agreement prohibits Issuer from providing any information to its Affiliates or third-party servicers in connection with the operation and maintenance of Account or Cards, and Customer expressly agrees to these disclosures and use of information, provided that such Affiliates and third-party servicers agree to maintain the information in confidence. If Customer requests Issuer to provide Customer's information to any of Customer's third-party service providers in connection to Customer's use of Account or Card, Customer will defend, indemnify and hold harmless Issuer and its Affiliates, and their respective employees, officers, directors, agents, assigns and successors-in-interest against any and all claims, actions, proceedings, demands, judgments, losses, expenses, damages, liabilities, fines or penalties arising from or relating thereto. In addition, Customer agrees and understands that Issuer may use data and statistics generated from Transactions, including to provide or develop additional products and services and as set forth in Section 21 (Program Information). Further, for the avoidance of doubt, Customer may disclose information it is legally required to disclose pursuant to any applicable open records requests laws, provided that Customer will notify Issuer of the request prior to disclosure and honor any provisions of such laws that allow redaction of proprietary or trade secret information.

21. Program Information.

Transaction information related to the Account may be provided to merchants who accept the Card as payment for goods and services. Issuer and its Affiliates own and may use and disclose information obtained by Issuer in operating its card programs, including Transaction information and/or identifiable information of the Customer (collectively, "**Program Information**") for the purpose of operating

Issuer's and its Affiliates' business, delivering, improving, and customizing their respective services, sending communications related to their respective business, and for other legitimate purposes permitted by applicable law. Without limiting the foregoing, Issuer may provide Program Information to its Affiliates and third parties which provide goods or services to commercial enterprises and Customer understands that Issuer, its Affiliates, including but not limited to WEX, and third parties may contact Customer to offer additional products or services. If Customer chooses to enroll in any such product or service offered by Issuer, its Affiliates or a third party, Customer may be required to complete additional enrollment forms or agreements, and/or agree to additional terms and conditions (which may include fees for use) with respect to such products or services. For more information on Issuer's privacy policy, please visit the following website: https://www.wexinc.com/privacy-policy/. Issuer and its Affiliates may use and disclose Program Information that is not identifiable to Customer in industry analytics and other data services or products provided to third parties. Program Information shall be subject to this Section 21 (Program Information) and not Section 20 (Confidentiality).

22. Assignment.

Customer may not assign this Agreement nor any interest, rights or obligations under this Agreement, without Issuer's prior written consent. Any actual or attempted assignment or delegation contrary to the terms of this Section 22 (Assignment) will be null and void. Issuer may, in its sole discretion, assign this Agreement and any of its obligations, transfer any right, or delegate any duty of performance under this Agreement without further notice. The Person to whom Issuer makes any assignment is entitled to all of Issuer's rights under this Agreement, to the extent that those rights were assigned.

23. Miscellaneous.

23.1 Issuer may monitor communications (including telephonic) between its employees and its customers. Customer consents to such monitoring and recording of communications and agrees to inform employees who may be in telephone contact with Issuer's representatives that periodic monitoring of conversations will occur.

23.2 Issuer's obligations under this Agreement shall be excused to the extent that any failure or delay in performance by Issuer is attributable, in whole or in part, to causes or circumstances beyond Issuer's reasonable control including, but not limited to: acts of God, civil disturbance, war, acts of government, natural disasters, pandemic, epidemic events, strikes or any other general labor disputes, widespread technology events, or telecommunication failures.

23.3 Governing Law. This Agreement, and all Disputes, will be governed by and construed in accordance with what the Parties have agreed to regarding governing law in the State's Exceptions Appendix.

23.4 Customer understands and acknowledges that this Agreement and Customer's receipt of Account(s) and services herein are subject to Issuer's approval of Customer. Nothing contained in this Agreement, or the performance by a Party of its obligations under this Agreement, shall result in the Parties having a partnership, co-venture or agency relationship, except to the extent that a Party is expressly designated to act as an agent of the other Party, or render a Party responsible for the debts, liabilities or obligations of the other Party.

23.5 No course of dealing between the Parties, and no delay or omission by Issuer to exercise any right under the Agreement, shall impair such right or be construed to be a waiver of any default, and no waiver by Issuer of any breach of this Agreement will be construed as waiver of any subsequent breach. The authorization of Transactions shall not constitute any waiver, including of Issuer's rights with respect to such Transaction. Any single or partial exercise of any such right by Issuer shall not preclude other or further exercise thereof or the exercise of any other right. No amendment, or other variation of the terms, conditions, or provisions of the Agreement by other than Issuer shall be binding on Issuer unless in writing and signed by an authorized representative of Issuer, and then only to the extent set forth in such writing.

23.6 No Person other than a Party to this Agreement or any Schedule hereto shall have any right to enforce the terms and conditions of this Agreement. No Person, including an Account User, will be a third-party beneficiary of this Agreement.

23.7 Except as otherwise provided in this Agreement, all notices shall be in writing and deemed received (a) when personally delivered, (b) at the time of delivery, if sent via reputable overnight courier with tracking capabilities, or (c) on the fifth Business Day after mailing if sent via postage prepaid certified or registered mail, return receipt requested, to the appropriate Party at the address set forth in the application for credit or at such other address as the applicable Party may indicate from time to time. Additionally, notices may be sent by email via any nationally recognized SMTP delivery service, and deemed received on the day of sending, to Issuer at legalnotices@wexinc.com, to Customer at an email address provided by Customer or normally used by an Account User for business communications with Issuer. For the purposes of this Section, all times are to be the local time in the place of deemed receipt; and if deemed receipt under this Section is not within business hours (meaning 8:00 am to 5:00 pm Monday to Friday on any Business Day), the notice shall be deemed to have been received at 8:00 am on the next Business Day. The Parties agree to waive any claim that an electronic transmission does not satisfy any writing or signature requirements under applicable law. The Parties agree that a photocopy or printed copy of an email constitutes the "best evidence" and an "original" of such a writing.

23.8 Customer agrees that Issuer may: **(a)** include the name, logo, and success stories of Customer on Issuer's website and in press releases, presentations, promotional and sales literature, and advertising materials; and **(b)** identify Customer as a customer in Issuer's published customer list, earnings reports, and in response to third-party inquiries.

23.9 If any portion of this Agreement is held to be invalid, illegal or unenforceable, the remaining portions shall remain in full force and effect and shall continue to be binding upon the Parties.

23.10 This Agreement, any notices in connection with this Agreement, any relevant provisions of Sourcewell Master Agreement No. 030625, and any guaranty of Customer's obligations under this Agreement constitutes the entire agreement among the Parties and supersedes all prior agreements, understandings, and arrangements, oral or written,

among the Parties with respect to the subject matter hereof. This Agreement may be executed in one or more counterparts, each of which shall be deemed an original, and all of which shall constitute one and the same agreement. This Agreement and any notice may be executed by a Party in the form of an "**Electronic Record**" (as such term is defined in the Electronic Signatures in Global and National Commerce Act at 15 U.S.C. 7001 et seq. (**"ESIGN Act"**)), and an "**Electronic Signature**" (as defined in the ESIGN Act) of a Party that can be authenticated will constitute an original and binding signature of such Party.

23.11 Customer consents to be contacted by Issuer and its agents, representatives, Affiliates, or anyone calling on Issuer's behalf for any and all purposes arising out of or relating to Customer's Account or Card, at any telephone number, or physical or electronic address provided by Customer or an Account User or at which Customer or an Account User may be reached. Customer agrees that Issuer may contact Customer and Account Users in any way, including SMS messages (including text messages), calls using pre-recorded messages or artificial voice, and calls and messages delivered using auto telephone dialing system or an automatic texting system. Automated messages may be played when the telephone is answered, whether by an Account User or someone else. In the event that an agent or representative calls, they may also leave a message on Customer's or the Account User's answering machine, voice mail, or send a message via text.

23.12 In the event of any conflict between the General Terms of this Agreement and the terms of any Schedule hereto, the terms of any such Schedule shall govern unless the General Terms of this Agreement expressly indicates otherwise

23.13 If Customer is a state entity or otherwise subject to a statutory appropriations framework, and any state or federal action eliminates the appropriation or availability of funding needed to make payment pursuant to this Agreement, then Customer shall have the right to terminate this agreement upon thirty (30) days written notice to Issuer. However, Customer will not be entitled to a refund of prepaid fees, Customer remains responsible for all fees for all services actually performed up to the date of termination, and Customer will remain liable for all transactions and agrees to pay Issuer in full.

24. Definitions

24.1 "Account" means a credit line which may be unsecured or secured, or any other account, extended to Customer by Issuer. An Account may be accessed by a Card, an account number, or other approved access method.

24.2 "Account User" means Customer or any other entity or individual that Customer has informed Issuer is authorized to use the Account or a Card. The Account Users may include employees or independent contractors or other users who have been given a Card or access to an Account.

24.3 "Affiliate" means any present or future entity that, directly or indirectly, controls, is controlled by, or is under common control with either Party. For the purposes of this definition of Affiliate, "control" (including "controlled") means the possession, directly or indirectly, of the power to direct or cause the direction of the management and policies of a Person, whether through the ownership of securities or membership interests, as trustee, by contract or otherwise.

24.4 "Billing Cycle" means the time interval between the dates of Customer's regular billing statements. Customer's first Billing Cycle may be shorter than other Billing Cycles. All credit terms will apply in each Billing Cycle including the first Billing Cycle.

24.5 "Business Day" means Monday through Friday, excluding holidays observed by banking institutions in the state of Utah.

24.6 "Card" means an approved Account access method, physical (*e.g.*, plastic), digital or virtual card, account access device, payment device, or other technology, medium or form through which payments are enabled under this Agreement.

24.7 "Card Controls" are a set of authorization tools designed to assist Customer with managing Transactions.

24.8 "Credit Limit" is the amount of credit assigned to Customer's Account as established by Issuer from time to time at its sole discretion.

24.9 "IDN" means the identification number associated with an Account User or Card.

24.10 "Inactive Account" means an Account which has no Transactions for a twelve (12) month period.

24.11 "Due Date" means the date the repayment of the balance of the Account is due as set forth in a billing statement. Such date may be called "Payment Date" in a billing statement.

24.12 "Guarantor" means any Person who guarantees the obligations of Customer under this Agreement.

24.13 "Person" means an individual, corporation, limited liability Customer, partnership, trust, association or any other entity or organization.

24.14 "Schedule" means an attachment to this Agreement which contains additional terms and conditions specific to the products or services to be provided by Issuer or an Affiliate of Issuer to Customer or its Affiliates, and any associated costs or fees.

24.15 "Third Party Network" means a credit card payment network operated by a third party (e.g., Mastercard).

24.16 "Transaction" means the use of a Card or Account to buy goods or services at a merchant that accepts the Card or Account.

24.17 "Unauthorized Use" means the use of the Account or a Card by a Person who does not have actual, implied or apparent authority for such use, and from which the Customer receives no benefit.

24.18 "WEX Network" means the card payment network operated by WEX Inc.

Additional Terms and Conditions

A. Definitions.

1. **"Calculation Date"** means the earlier of (a) the posting date for Customer's payment in full of the invoiced amount to its Account, or (b) the last day of the Billing Cycle during which the Payment Default occurred.
2. **"Cross Border Fee"** means a fee applied to any Transaction on a Third Party Network when the country code of the merchant and the country code of the Account User are not the same. As an example, if Customer located in the US and it uses the U.S. issued card to make a purchase in Canada, then the cross-border transaction fee established by the applicable Third Party Network shall apply. The Third Party Network may establish different Cross Border Fees applicable to the card numbers that are issued from different regions.
3. **"Currency Conversion Fee"** means a multi-currency conversion fee applied to any Transaction that is billed through a Third Party Network in a currency other than the contractually agreed upon billing currencies of the BIN used for the Transaction. The Third Party Network will convert the Transaction to the billing currency at the exchange rate determined by such Third Party Network (or its Affiliates) using its currency conversion procedure. The currency conversion rate (which is different from the Multi-Currency Conversion Fee) is generally either a wholesale market rate or a government-mandated rate in effect on the date of conversion. The currency conversion rate used on the conversion date may differ from the rate in effect on the date a Transaction is made.
4. **"Enhanced Card"** means a Card which is capable of completing Transactions on both the WEX Network and a Third Party Network.
5. **"Private Label"** means a Card accepted for payment at limited locations within the WEX Network.
6. **"Standard Card"** means a Card capable of completing Transactions on the WEX Network.
7. **"Total Outstanding Balance"** means the invoiced amount, plus the amount of any unbilled Transactions delivered by a merchant to Issuer, and minus any credits that have been posted to the Account, through the Calculation Date.
8. **"Truck Stop"** means fuel distribution sites owned or operated by Love's, Pilot, Flying J, or Travel Centers of America, and includes (but is not limited to) distribution sites that sell fuel and have islands that can accommodate tractor trailers in addition to providing other services required of the over-the-road trucking market such as vehicle repair facilities, showers, and parking spaces to accommodate tractors and trailers.
9. **"Universal Cards"** means a Card accepted for payment at all locations in the WEX Network.

B. Use of Cards.

1. Customer and Account Users designated by Customer may use the Account in accordance with this Agreement to make purchases at merchants participating in the WEX Network. If Customer is approved for an Enhanced Card, the Account may also be used to make eligible purchases at merchants participating in a Third Party Network.

2. Customer may purchase dyed special fuel using its Account or Cards. Customer acknowledges that all dyed special fuel purchases will be used exclusively for off-road purposes and according to all applicable laws governing its use. Issuer is not liable in any way for any misuse or mishandling by Customer of any dyed special fuel. Upon request from applicable governmental authorities, Issuer may provide information regarding Customer's dyed special fuel purchases without prior authorization from Customer.

3. Customer assumes all risk if Customer chooses to leave a Card at an accepting location for use by its drivers or Account Users and, as such, agrees to pay for all charges made with that Card or on that Account.

C. Billing and Payment.

1. Customer agrees to pay for all Transactions occurring on its Cards or Account(s), plus all accrued Fees as set forth in the table above, including any Late Fees, and applicable sales taxes. The Due Date generally will be between twenty-two (22) days and fourteen (14) days after the end of the Billing Cycle, as designated by Issuer at the time of Account setup, although there may be variations.

2. Payments made by paper check are posted to the Account after processing and must arrive at Issuer at least two Business Days before the Due Date on the billing statement. It can take up to two Business Days to process a check from the time the envelope containing a check arrives at Issuer's facility to posting of the check amount to the Account. For payments not made by paper check, payments made: (a) by 3:30 p.m. ET on a Business Day will be posted on that Business Day; and (b) after 3:30 p.m. ET (or payments made on a day other than a Business Day) will be posted on the following Business Day.

3. If a Payment Default occurs, then a Late Fee will apply to the Total Outstanding Balance. The Late Fee is specified in the table above, not to exceed the amount allowable by applicable law. For Billing Cycles other than monthly, the percentage rate used in the Late Fee calculation will be prorated based on the length of the billing cycle in relation to a monthly billing cycle.
4. In addition to Late Fees, Customer agrees to pay the additional fees in the amounts and as described above. In the event that the Account incurs one or more payments past the payment due date in any 6-month period or makes a payment that is not honored by Customer's bank, Issuer may deem the Customer to be "High Risk" and reserves the right to change the Account's billing cycle, payment terms (days-to-pay), and credit limit.
5. Our billing and payment system provides for various Billing Cycle and payment timing options. In the event your desire to change Billing Cycles you must make a request to Fleet Receivables for a Billing Cycle change. Upon receipt of the request, it will be a minimum of thirty (30) business days to change the Billing Cycle. In addition, any changes to Billing Cycles will not take effect until after the current cycle has closed. Cycle changes cannot be made mid-month or mid-week from monthly to weekly Billing Cycles and cycle changes cannot be made mid-week or mid-month from weekly to monthly billing cycles. Cycle changes can only be made once per calendar year for each billing entity.

D. Reserved.

E. Effect of Termination.

1. **Early Termination Fee**. In the event of the termination of this Schedule or the Agreement (1) by Issuer for cause, or (2) by Customer during the Initial Term (other than for a material breach by Issuer if Issuer fails to cure such breach within a reasonable time after receipt of notice thereof), there shall be no refund, in whole or in part, of any payments already made by Customer to Issuer, and Customer shall make all outstanding payments due prior to the date of termination. Customer acknowledges that it would be impractical or extremely difficult to ascertain the actual damages to Issuer in the event that this Schedule or the Agreement is terminated as set forth in the preceding clauses (1) or (2) of this Section. Accordingly, in the event of such termination, Customer shall pay a fee for termination ("Early Termination Fee") equal to: (A) Issuer's actual costs of implementation of the services for Customer under this Schedule, plus (B) an amount equivalent to the standard monthly Card fee multiplied by the number of Cards active during the month prior to receipt of such termination notice, with such product multiplied by the number of months remaining in the Term, plus (C) the average interchange revenue from the applicable merchant pool projected for the remainder of the Initial Term based on Customer's average volume during the 12 months preceding receipt of such a termination notice. The Early Termination Fee shall be liquidated damages, a non-exclusive remedy, and not a penalty. Issuer shall be entitled to recover any costs of collection, including reasonable attorney's fees and costs, incurred in the collection of the Early Termination Fee. Customer acknowledges that Customer shall have no right to withhold any payment due as a set-off against alleged claims against Issuer and hereby waives any such claim as a defense or counterclaim to termination by Issuer.
2. **Repayment of Any Upfront Investment**. To the extent that Issuer or WEX has paid any incentive amount to Customer in advance, or has paid for or reimbursed Customer for any costs of Customer related to implementation or similar startup expenses, or has made any similar payments to Customer, then the following shall apply: If this Agreement is terminated for any reason, other than a breach by Issuer or WEX, prior to the end of the term during which such upfront investment was made, Customer shall repay to Issuer or WEX, as applicable, the entire amount of the upfront investment. Such payment shall be in addition to payment of the Early Termination Fee described in Section E.1 above.

Docusign Envelope ID: 441ACB9B-7C3C-4CDA-8544-7E72BDBBE0AE

Incentives Appendix
to Mobility Schedule

A. Definitions

1. **"Centralized Billing"** meaning Customer and each participating Affiliate, if applicable, each receive one bill and make one payment for their Account(s).
2. **"Direct Debit"** means payment of Customer's (and Affiliates, if applicable) Billing Statement by permitting Issuer to directly debit Customer's (or Affiliates, respectively) bank account. Applicable only if Customer elects to enroll in this payment method using the Direct Debit Enrollment Form, as updated by Issuer from time to time.
3. "**Monthly Gallons**" shall mean all gallons of fuel purchased using Cards at retail locations that are billed during a calendar month. Fuel purchased by participating Affiliates shall be included in the Monthly Gallon calculation. Fuel purchased at Tier 1 Truck Stop locations (currently Flying J, Loves, Petro, Travel Center of America and Pilot) and large general merchandise retail chain locations (i.e., "big box stores") is excluded from the Monthly Gallon amount for purposes of determining the applicable rebate percentage to apply. Due to billing cycle cut off dates and monthly calendar variances invoices for a particular month may contain transactions from the previous month and they may not contain all transactions that occurred during the month in which Customer was invoiced.
4. "**Monthly Retail Transactions**" shall mean the total amount of all purchases made using Cards at retail (not bulk, aviation, mobile or private site) locations that appear on invoices billed to Customer and any applicable Affiliates in a calendar month. Monthly Retail Transactions shall not include: (i) those amounts representing credits, disputed items, fees, late fees or charges posted to your accounts (such as returned check fees, collection costs, administrative fees and reporting fees); (ii) fuel purchased at Tier 1 Truck Stop locations (currently Flying J, Loves, Petro, Travel Center of America and Pilot); (iii) transactions that were billed to you as a repriced transaction (either cost-plus or retail minus) at select merchants; (iv) amounts posted to an Account which has been disputed or associated with a Card that has been reported lost or stolen; or (v) transactions at any large general merchandise retail chain locations (i.e., "big box stores"). Due to billing cycle cut off dates and monthly calendar variances invoices may contain transactions from the previous month and they may not contain all transactions that occurred during the month in which Customer was invoiced.

B. Billing Cycle

1. Billing Cycle: Monthly

In the event that Affiliates are participating, all entities will have the same Billing Cycle and payment term.

C. Financial Incentives paid by Issuer. Issuer shall pay to Customer the following financial incentives subject to the terms and conditions defined below. Customer understands that it is possible to individually qualify or not qualify for any financial incentives set forth herein.

1. Volume Rebate. Subject to the conditions identified below, Issuer shall pay a monthly rebate, in the accordance with the below rebate table, based on all qualified Monthly Retail Transactions charged to Customer's Accounts.

Rebate Table (Monthly)

D. Volume (Gallon Based) Rebate:

Issuer shall pay a monthly rebate of basis points off all Monthly Retail Transactions charged to Customer's accounts on the Program

Rebate – Members that are participating in a Statewide contract under Sourcewell

Monthly Spend	**Basis Points (Rebate Percentage) to member**
No minimum spend requirement	185 basis points (1.85%)

Rebate Table – Non-State Members

Monthly Spend	**Basis Points (Rebate Percentage) to member**
No minimum spend requirement	100 basis points (1.00%)

a. Calculation. Issuer shall commence calculating the Volume Rebate on the first day of the first Billing Cycle after this Schedule becomes effective. The Volume Rebate will be calculated by determining the applicable rebate factor set forth in the Rebate Table above (the "Rebate Factor"), then by determining if Customer (and any Affiliates) have met the conditions set forth above, thereby qualifying for payment of a Volume Rebate. Lastly, for each qualifying entity, Issuer shall multiply the Rebate Factor by the total dollar amount of that entity's qualified Monthly Retail Transactions to determine the Volume Rebate to be paid. If Customer Affiliates participate, the failure of one Affiliate to qualify for a Volume Rebate does not impact the eligibility of other Affiliates for a Volume Rebate payment.

b. Conditions. The Volume Rebate set forth herein is expressly conditioned on the following:

i. Monthly billing;
ii. Electronic reporting;
iii. Issuer's receipt of payment in full within 26 calendar days of the billing date appearing on your invoice;
iv. Credit approval; and
v. Signing a three year contract.

c. Cost of Lending Adjustment. Issuer may, in its sole discretion, decrease the applicable Rebate Factor by the applicable percentage (the "Adjustment Rate") set forth in the table below for every 0.5% (50 basis points) by which the Effective Federal Funds Rate ("EFFR") exceeds 5.25%. Issuer will evaluate the EFFR on a quarterly basis (based on calendar year) on the last day of the relevant quarter, and will apply the Adjustment Rate, if applicable, to the Volume Rebate with respect to the subsequent quarter. Subsequent to any decrease pursuant to this section, if the EFFR decreases, Issuer may, in its sole discretion, increase the Rebate Factor by the same Adjustment Rate, provided that Rebate Factor will never exceed the amounts set forth in the table above.

BILLING/INVOICING FREQUENCY:	ADJUSTMENT RATE:
Weekly	0.01% (1 basis point)
Bi-Weekly	0.02% (2 basis points)
Monthly	0.05% (5 basis points)

Payment. Volume Rebates for international transactions shall be paid at a rate of 50% of the applicable Rebate Factor. Volume Rebates shall be paid monthly in arrears.

2. Payment Timing Rebate. In addition to the Volume Rebate set forth above, Customer may qualify for an additional rebate based upon Issuer receiving payment prior to the payment due date. Subject to the express conditions below, we will issue a monthly rebate in accordance with the below Payment Timing Table of all Monthly Retail Transactions charged to your accounts (the "Payment Timing Rebate"). Customer shall select the billing cycle and payment frequency for the Agreement by placing an X in the "Election" column in the following Payment Timing Table.

Docusign Envelope ID: 441ACB9B-7C3C-4CDA-8544-7E72BDBBE0AE

PAYMENT TIMING TABLE

Bill Presentment	Payment Timing Options: Payment in full within the following calendar days of the billing date appearing on your invoice	Basis Points (Rebate Percentage)
Monthly	0	20 basis points (0.20%)
Monthly	1	19 basis points (0.19%)
Monthly	2	18 basis points (0.18%)
Monthly	3	17 basis points (0.17%)
Monthly	4	16 basis points (0.16%)
Monthly	5	15 basis points (0.15%)
Monthly	6	14 basis points (0.14%)
Monthly	7	13 basis points (0.13%)
Monthly	8	12 basis points (0.12%)
Monthly	9	11 basis points (0.11%)
Monthly	10	10 basis points (0.10%)
Monthly	11	9 basis points (0.09%)
Monthly	12	8 basis points (0.08%)
Monthly	13	7 basis points (0.07%)
Monthly	14	6 basis points (0.06%)
Monthly	15	5.5 basis points (0.055%)
Monthly	16	5 basis points (0.05%)
Monthly	17	4.5 basis points (0.045%)
Monthly	18	4 basis points (0.04%)
Monthly	19	3.5 basis points (0.035%)
Monthly	20	3 basis points (0.03%)
Monthly	21	2.5 basis points (0.025%)
Monthly	22	2 basis points (0.02%)
Monthly	23	1.5 basis points (0.015%)
Monthly	24	1 basis points (0.01%)
Monthly	25	0.5 basis points (0.005%)
Monthly	26	0 basis points

a. Calculation. Payments must be received and posted in the WEX systems in accordance with the option selected in order for the Payment Timing Incentive to apply. Please allow enough time for your payment to be sent from your financial institution and to be received and processed by Issuer.

b. Conditions. This discount will be applied at the time Issuer completes the Direct Debit (when applicable). In order to enroll in the Direct Debit program, Customer must complete a Direct Debit Enrollment Form. The Early Pay Rebate set forth herein is expressly conditioned on the following: (1) Receipt of payment in accordance with one of the options set forth in the Payment Timing Table (above); and (2) utilization of centralized billing by Customer (i.e. one bill, one payment); and (3) electronic reporting (i.e. no paper reports).

c. Payment. Payment Timing Rebates for international transactions shall be paid at 50% of the applicable Rebate Factor. Payment Timing Rebates shall be paid monthly in arrears.

CITY OF SANTA FE

The Purchasing Memo

Date: November 12, 2025

To: Governing Body and Finance Committee

From: Denise Gabaldon, Contracts Supervisor R. Denise Gabaldon

Via: Travis Dutton-Leyda, Chief Procurement Officer
Emily Oster, Finance Director Emily K. Oster

Subject: City-Wide On-Call Cintas Contract

Vendor Name: Cintas

Munis Vendor Number: 2398

ITEM AND ISSUE:

On behalf of all City Departments, the Purchasing Division respectfully requests your review and approval of a Citywide Price Agreement in the total amount of $2,163,750.00 for workplace solutions for a term of 8 years with Cintas Corporation. To be used as needed by all City Departments. It is Purchasing's hope to establish Price Agreements for as many of the high-need services and goods. The effort will allow end users to process purchase requests and connect them to the Citywide Price Agreement. [Travis Dutton-Leyda, tkduttonleyda@santafenm.gov, 505-629-8351]

CONTRACT NUMBER:

The FY26 Munis contract number is TBD.

BACKGROUND AND SUMMARY:

The City of Santa Fe requires reliable and timely access to a range of essential operational supplies and services to support daily city operations, maintenance activities, and employee safety. These needs include the rental and purchase of uniforms, janitorial and cleaning supplies, first aid materials, and related cleaning services.

Cintas Corporation is a nationally recognized provider of these products and services, offering consistent quality, safety compliance, and dependable delivery. Establishing an on-call contract with Cintas enables the City to obtain these goods and services efficiently, without the need for repeated procurement processes each time a need arises.

This on-call Price Agreement between the City of Santa Fe and Cintas Corporation is intended to provide a flexible and responsive mechanism for securing uniforms, janitorial supplies, first aid products, and cleaning services on an as-needed basis. The agreement supports multiple City departments in maintaining operational readiness, cleanliness, and employee safety while ensuring consistency in service quality and pricing.

The Price Agreement structure allows the City to quickly address routine and emergency requirements, streamline administrative processes, and maintain compliance with procurement regulations. Executing this agreement ensures the City of Santa Fe has dependable access to essential supplies and services that support safe, efficient, and professional operations across its facilities.

PRIOR APPROVALS AND SUPPORTING INFORMATION:

FUNDING SOURCE:

Each department's POs will be directly linked to this contract record in Munis for clear tracking and accountability.

Munis will verify budgets when purchase requisitions are allocated to ensure sufficient funds exist.

This integration helps prevent off-contract spending and overspending.

Overall, it provides a streamlined workflow connecting contracts, POs, and budget control, while allowing all departments to have access to all products and services allowed on the master agreement.

CITY OF SANTA FE
GENERAL SERVICES PRICE AGREEMENT

Goods and Services

THIS PRICE AGREEMENT is made and entered into by and between the City of Santa Fe, herein after referred to as the "City," and **Cintas Corporation** herein after referred to as the "Contractor."

IT IS MUTUALLY AGREED BETWEEN THE PARTIES:

1. **Definitions**

A. "Products and Services Schedule" refers to the complete list of products and services offered under this Price Agreement and the price for each. Product and service descriptions may be amended with the prior approval of the Price Agreement Administrator. New products and services shall not be added to the Products and Services Schedule.

B. "Business Hours" means 8:00 a.m. to 5:00 p.m. Mountain Time.

2. **Scope of Work**

A. The Contractor shall provide the City with rental and purchasing services for uniforms, janitorial supplies, first aid supplies, and cleaning services, as allowed in the University of Nebraska Master Agreement Contract Number 001299 which is attached hereto and incorporated herein. This Price Agreement does not constitute a guarantee of payment; services will be requested on an as-needed basis and are subject to the availability of funding.

The "Standardized Site Addendum," attached hereto as **Exhibit B**, shall be completed and executed by each City of Santa Fe department or site that will utilize any services under this Agreement.

The Site Addendum will identify specific service locations, authorized contacts, and any site-specific requirements necessary for Cintas Corporation to initiate services. Completion and local execution of the Site Addendum and specific Purchase Orders (POs) are required to ensure internal compliance, confirm departmental authorization for services to commence, and provide the information necessary for the City's keying team to properly establish accounts within the City's SAP system.

3. **Compensation.**

Compensation Schedule. The City shall pay to the Contractor based upon fixed prices for fulfillment of services, products, rentals, etc. per the University of Nebraska Master Agreement Contract Number 001299, which is attached here to as Exhibit A and incorporated herein.

Payment. The total compensation under this Price Agreement shall not exceed $2,000,000 including New Mexico gross receipts tax of $163,750.00. The total, not-to-exceed amount of this Contract, including compensation and New Mexico gross receipts tax is $2,163,750. This Citywide Price Agreement does not guarantee that the work assigned to be performed by Contractor under this Price Agreement shall equal the amount stated herein. The Parties do not intend for the Contractor to continue to provide Services without

compensation when the total compensation amount is reached. Contractor is responsible for notifying the City when the Services provided under this Price Agreement reach the total compensation amount. In no event will the Contractor be paid for Services provided in excess of the total compensation amount without this Price Agreement being amended in writing prior to services, in excess of the total compensation amount being provided.

Payment shall be made in connection with each site's PO and upon acceptance of each Deliverable and upon the receipt and acceptance of a detailed, certified Payment Invoice. Payment will be made to the Contractor's designated mailing address. In accordance with NMSA 1978, Section 13-1-158, payment shall be tendered to the Contractor within thirty (30) days of the date of written certification of acceptance. All Payment Invoices MUST BE received by the City no later than fifteen (15) days after the termination of this Price Agreement. Payment Invoices received after such date WILL NOT BE PAID.

Each department/site shall oversee their own POs, products, services, and invoices.

C. Retainage.
Not Applicable – The Parties agree there is no retainage.

D. Performance Bond.
Not Applicable. The Parties agree there is no Performance Bond.

4. **Term**

THIS PRICE AGREEMENT SHALL NOT BECOME EFFECTIVE UNTIL APPROVED IN WRITING BY THE CITY. This Price Agreement shall terminate **on January 31, 2033, unless terminated under paragraph 6 (Termination) or paragraph 15 (Appropriations)**.

5. **Default and Force Majeure**

The City reserves the right to cancel all, or any part of any orders placed under this Price Agreement without cost to the City, if the Contractor fails to meet the provisions of this Price Agreement and, except as otherwise provided herein, to hold the Contractor liable for any excess cost occasioned by the City due to the Contractor's default. The Contractor shall not be liable for any excess costs if failure to perform the order arises out of causes beyond the control and without the fault or negligence of the Contractor; such causes include, but are not restricted to, acts of God or the public enemy, acts of the State or Federal Government, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, unusually severe weather and defaults of sub-contractors due to any of the above, unless the City shall determine that the supplies or services to be furnished by the sub-contractor were obtainable from other sources in sufficient time to permit the Contractor to meet the required delivery scheduled. The rights and remedies of the City provided in this paragraph shall not be exclusive and are in addition to any other rights now being provided by law or under this Price Agreement.

6. **Termination**

A. Grounds. The City may terminate this Price Agreement for convenience or cause. For contracts within their authority, the City Manager or their designee is authorized to provide the notice of termination, otherwise such notice of termination shall be provided by the Mayor, or their designee as authorized by the Governing Body. The Contractor may only terminate this Price Agreement based upon the City's uncured, material breach of this Price Agreement.

B. Notice: City Opportunity to Cure.

1) The City shall give the Contractor written notice of termination at least thirty (30) days prior to the intended date of termination.

2) Contractor shall give City written notice of termination at least thirty (30) days prior to the intended date of termination, which notice shall (i) identify all the City's material breaches of this Price Agreement upon which the termination is based and (ii) state what the City must do to cure such material breaches. Contractor's notice of termination shall only be effective (i) if the City does not cure all material breaches within the thirty (30) day notice period or (ii) in the case of material breaches that cannot be cured within thirty (30) days, the City does not, within the thirty (30) day notice period, notify the Contractor of its intent to cure and begin with due diligence to cure the material breach.

3) Notwithstanding the foregoing, this Price Agreement may be terminated immediately upon written notice to the Contractor (i) if the Contractor becomes unable to perform the services contracted for, as determined by the City; (ii) if, during the term of this Price Agreement, the Contractor is suspended or debarred by the City; or (iii) the Price Agreement is terminated pursuant to Paragraph 15, "Appropriations", of this Price Agreement.

C. Liability. Except as otherwise expressly allowed or provided under this Price Agreement, the City's sole liability upon termination shall be to pay for acceptable work performed prior to the Contractor's receipt or issuance of a notice of termination; provided, however, that a notice of termination shall not nullify or otherwise affect either party's liability for pre-termination defaults under or breaches of this Price Agreement. The Contractor shall submit an invoice for such work within thirty (30) days of receiving or sending the notice of termination. *THIS PROVISION IS NOT EXCLUSIVE AND DOES NOT WAIVE THE CITY'S OTHER LEGAL RIGHTS AND REMEDIES CAUSED BY THE CONTRACTOR'S DEFAULT/BREACH OF THIS PRICE AGREEMENT.*

7. **Amendment**

A. This Price Agreement shall not be altered, changed, or amended except by instrument in writing executed by the parties hereto and all other required signatories.

B. If the City proposes an amendment to the Price Agreement to unilaterally reduce funding due to budget or other considerations, the Contractor shall, within thirty (30) days of receipt of the proposed Amendment, have the option to terminate the Price Agreement, pursuant to the termination provisions as set forth in Paragraph 7 herein, or to agree to the reduced funding.

8. **Status of Contractor**

The Contractor, and Contractor's agents and employees, are independent Contractors for the City and are not employees of the City. The Contractor, and Contractor's agents and employees, shall not accrue leave, retirement, insurance, bonding, use of City vehicles, or any other benefits afforded to employees of the City because of this Price Agreement. The Contractor acknowledges that all sums received hereunder are personally reportable by the Contractor for income tax purposes, including without limitation, self-employment tax and business income tax. The Contractor agrees not to purport to bind the City unless the Contractor has written authority to do so, and then only within the strict limits of that authority.

9. **Assignment**

The Contractor shall not assign or transfer any interest in this Price Agreement or assign any claims for money due or to become due under this Price Agreement without the prior written approval of the City.

10. **Subcontracting**

The Contractor shall not subcontract any portion of the services to be performed under this Price Agreement without the prior written approval of the City. No such subcontract shall relieve the primary Contractor from its obligations and liabilities under this Price Agreement, nor shall any subcontract obligate direct payment from the City.

11. **Non-Collusion**

In signing this Price Agreement, the Contractor certifies the Contractor has not, either directly or indirectly, entered into action in restraint of free competitive bidding in connection with this offer submitted to the City.

12. **Inspection of Plant**

The City may inspect, at any reasonable time during Contractor's regular business hours and upon prior written notice, the Contractor's plant or place of business, or any subcontractor's plant or place of business, which is related to the performance of this Price Agreement.

13. **Condition of Proposed Items**

Where tangible personal property is a part of this Price Agreement, all proposed items are to be NEW and of most current production, unless otherwise specified.

14. **Records and Audit**

During the term of this Price Agreement and for three years thereafter, the Contractor shall maintain detailed records pertaining to the services rendered and products delivered. These records shall be subject to inspection by the City, the State Auditor and other appropriate state and federal authorities. The City shall have the right to audit billings both before and after payment. Payment under this Price Agreement shall not foreclose the right of the City to recover excessive or illegal payments.

15. **Appropriations**

The terms of this Price Agreement, and any orders placed under it, are contingent upon sufficient appropriations and authorization being made by the Governing Body for the performance of this Price Agreement. If sufficient appropriations and authorization are not made by the legislature, this Price Agreement, and any orders placed under it, shall terminate upon written notice being given by the City to the Contractor. The City's decision as to whether sufficient appropriations are available shall be accepted by the Contractor and shall be final. If the City proposes an amendment to the Price Agreement to unilaterally reduce funding, the Contractor shall have the option to terminate the Price Agreement or to agree to the reduced funding, within thirty (30) days of receipt of the proposed amendment.

16. **Release**

The Contractor, upon final payment of the amount due under this Price Agreement, releases the City, its officers, and employees, from all liabilities, claims and obligations related to payment arising from or under

this Price Agreement. The Contractor agrees not to purport to bind the City, unless the Contractor has express written authority to do so, and then only within the strict limits of that authority.

17. **Confidentiality**

Any confidential information provided to or developed by the Contractor in the performance of this Price Agreement shall be kept confidential and shall not be made available to any individual or organization by the Contractor without prior written approval by the City.

18. **Conflict of Interest**

A. The Contractor represents and warrants that it presently has no interest and, during the term of this Price Agreement, shall not acquire any interest, direct or indirect, which would conflict in any manner or degree with the performance or services required under the Price Agreement. The Contractor shall comply with any applicable provisions of the New Mexico Governmental Conduct Act and the New Mexico Financial Disclosures Act.

B. The Contractor further represents and warrants that it has complied with, and, during the term of this Price Agreement, will continue to comply with, and that this Price Agreement complies with all applicable provisions of the Governmental Conduct Act, NMSA 1978, Section 10-16 et seq.

C. Contractor's representations and warranties in Paragraphs A and B of this Paragraph are material representations of fact upon which the City relied when this Price Agreement was entered into by the parties. Contractor shall provide immediate written notice to the City if, at any time during the term of this Price Agreement, Contractor learns that Contractor's representations and warranties in Paragraphs A and B of this Paragraph 20 were erroneous on the effective date of this Price Agreement or have become erroneous by reason of new or changed circumstances. If it is later determined that Contractor's representations and warranties in Paragraphs A and B of this Paragraph 20 were erroneous on the effective date of this Price Agreement or have become erroneous by reason of new or changed circumstances, in addition to other remedies available to the City and notwithstanding anything in the Price Agreement to the contrary, the City may immediately terminate the Price Agreement.

D. All terms defined in the Governmental Conduct Act have the same meaning in this section.

19. **Approval of Contractor Representative(s)**

The City reserves the right to require a change in Contractor representative(s) if the assigned representative(s) are not, in the opinion of the City, adequately serving the needs of the City.

20. **Scope of Contract; Merger**

This Price Agreement incorporates all the covenants and understandings between the parties hereto concerning the subject matter hereof, and all such covenants, agreements, and understandings have been merged into this written Price Agreement.

All terms and conditions of the OMNIA Partners Master Agreement solicited using RFP No. 3702-22-4618 Workplace Solutions and the Contractor's response to such documents are incorporated herein by reference and is included in the order of precedence, set Forth in Section 28.

21. **Notice**

The Procurement Code, NMSA 1978, Sections 13-1-28 through 13-1-199, imposes civil and criminal penalties for its violation. In addition, the New Mexico criminal statutes impose felony penalties for bribes, gratuities, and kickbacks.

22. **Equal Opportunity Compliance**

The Contractor agrees to abide by all federal and state laws, and local Ordinances, pertaining to equal employment opportunity. In accordance with all such laws, rules, and regulations, the Contractor agrees to assure that no person in the United States shall on the grounds of race, religion, color, national origin, ancestry, sex, age, physical or mental handicap, or serious medical condition, spousal affiliation, sexual orientation or gender identity, be excluded from employment with or participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity performed under this Price Agreement. If Contractor is found not to be in compliance with these requirements during the life of this Price Agreement, Contractor agrees to take appropriate steps to correct these deficiencies.

23. **Indemnification**

The Contractor shall hold the City and its employees harmless and shall indemnify the City and its employees against any and all claims, suits, actions, liabilities and costs of any kind, including attorney's fees for personal injury or damage to property arising from the acts or omissions of the Contractor, its agents, officers, employees or subcontractors, but only to the extent of Contractor's negligence. The Contractor shall not be liable for any injury or damage as a result of any negligent act or omission committed by the City, its officers or employees.

24. **New Mexico Tort Claims Act**

Any liability incurred by the City of Santa Fe in connection with this Price Agreement is subject to the immunities and limitations of the New Mexico Tort Claims Act, NMSA 1978, Section 41-4-1, et. seq. The City and its "public employees" as defined in the New Mexico Tort Claims Act, do not waive sovereign immunity, do not waive any defense and do not waive any limitation of liability pursuant to law. No provision in this Price Agreement modifies or waives any provision of the New Mexico Tort Claims Act.

25. **Applicable Law**

The laws of the State of New Mexico shall govern this Price Agreement, without giving effect to its choice of law provisions. Venue shall be proper only in a New Mexico court of competent jurisdiction in accordance with NMSA 1978, Section 38-3-2. By execution of this Price Agreement, Contractor acknowledges and agrees to the jurisdiction of the courts of the State of New Mexico over any and all lawsuits arising under or out of any term of this Price Agreement.

26. **Limitation of Liability**

The Contractor's liability to the City, for any cause whatsoever shall be limited to the purchase price paid to the Contractor for the products and services that are the subject of the City's, claim. The foregoing limitation

does not apply to paragraph 25 of this Price Agreement or to damages resulting from personal injury caused by the Contractor's negligence.

27. **Incorporation by Reference and Precedence**

In the event of a dispute under this Price Agreement, applicable documents will be referred to for the purpose of clarification or for additional detail in the following order of precedence: (1) Omnia Partners Master Agreement 001299 attached here to Exhibit A (2) amendments to the Price Agreement in reverse chronological order; (3) the Price Agreement, including the scope of work and all terms and conditions thereof;

28. **Workers' Compensation**

The Contractor agrees to comply with state laws and rules applicable to workers' compensation benefits for its employees. If the Contractor fails to comply with the Workers' Compensation Act and applicable rules when required to do so, this Price Agreement may be terminated by the City.

29. **Inspection**

If this Price Agreement is for the purchase of tangible personal property (goods), final inspection and acceptance shall be made at Destination. Tangible personal property rejected at Destination for non-conformance to specifications shall be removed at Contractor's risk and expense promptly after notice of rejection and shall not be allowable as billable items for payment.

30. **Inspection of Services**

If this Price Agreement is for the purchase of services, the following terms shall apply.

A. Services, as used in this Article, include services performed, workmanship, and material furnished or utilized in the performance of services.

B. The Contractor shall provide and maintain an inspection system acceptable to the City covering the services under this Price Agreement. Complete records of all inspection work performed by the Contractor shall be maintained and made available to the City and for as long thereafter as the Price Agreement requires. The City has the right to inspect and test all services contemplated under this Price Agreement to the extent practicable at all times and places during the term of the Price Agreement. The City shall perform inspections and tests in a manner that will not unduly delay or interfere with Contractor's performance.

C. If the City performs inspections or tests on the premises of the Contractor or a subcontractor, the Contractor shall furnish, and shall require subcontractors to furnish, at no increase in Price Agreement price, all reasonable facilities and assistance for the safe and convenient performance of such inspections or tests.

D. If any part of the services do not conform with the requirements of this Price Agreement, the City may require the Contractor to re-perform the services in conformity with the requirements of this Price Agreement at no increase in Price Agreement amount. When the defects in services cannot be corrected by re-performance, the City may:

(1) require the Contractor to take necessary action(s) to ensure that future performance conforms to the requirements of this Price Agreement; and

(2) reduce the Price Agreement price to reflect the reduced value of the services performed.

E. If the Contractor fails to promptly re-perform the services or to take the

necessary action(s) to ensure future performance in conformity with the requirements of this Price Agreement, the City may:

(1) by Price Agreement or otherwise, perform the services and charge to the Contractor any cost incurred by the City that is directly related to the performance of such service; or

(2) terminate the Price Agreement for default.

31. **Insurance**

If the services contemplated under this Price Agreement will be performed on or in City facilities or property, Contractor shall maintain in force during the entire term of this Price Agreement, the following insurance coverage(s), naming the City as additional insured.

A. Commercial General Liability insurance shall be written on an occurrence basis and be a broad as ISO Form CG 00 01 with limits not less than $2,000,000 per occurrence and $2,000,000 in the aggregate for claims against bodily injury, personal and advertising injury, and property damage. Said policy shall include broad form Contractual Liability coverage and be endorsed to name the City of Santa Fe their officials, officers, employees, and agents as additional insureds.

B. Broader Coverage and Limits. The insurance requirements under this Price Agreement shall be the greater of (1) the minimum coverage and limits specified in this Price Agreement, or (2) the broader coverage and maximum limits of coverage of any insurance policy or proceeds available to the Named Insured. It is agreed that these insurance requirements shall not in any way act to reduce coverage that is broader or that includes higher limits than the minimums required herein. No representation is made that the minimum insurance requirements of this Price Agreement are sufficient to cover the obligations of Contractor hereunder.

C. Contractor shall maintain the above insurance for the term of this Price Agreement and name the City as an additional insured and provide for 30 days cancellation notice on any Certificate of Insurance form furnished by Contractor. Such certificate shall also specifically state the coverage provided under the policy is primary over any other valid and collectible insurance and provide a waiver of subrogation.

32. **Impracticality of Performance**

A party shall be excused from performance under this Price Agreement for any period that the party is prevented from performing as a result of an act of God, strike, war, civil disturbance, epidemic, or court order, provided that the party has prudently and promptly acted to take any and all steps that are within the party's control to ensure performance. Subject to this provision, such non-performance shall not be deemed a default or a ground for termination.

33. **Invalid Term or Condition**

If any term or condition of this Price Agreement shall be held invalid or unenforceable, the remainder of this Price Agreement shall not be affected and shall be valid and enforceable.

34. **Enforcement of Price Agreement**

A party's failure to require strict performance of any provision of this Price Agreement shall not

waive or diminish that party's right thereafter to demand strict compliance with that or any other provision. No waiver by a party of any of its rights under this Price Agreement shall be effective unless express and in writing, and no effective waiver by a party of any of its rights shall be effective to waive any other rights.

35. **Patent, Copyright and Trade Secret Indemnification**

A. The Contractor shall defend, at its own expense, the City against any claim that any product or service provided under this Price Agreement infringes any patent, copyright to trademark in the United States or Puerto Rico, and shall pay all costs, damages and attorneys' fees that a court finally awards as a result of any such claim. In addition, if any third party obtains a judgment against the City based upon Contractor's trade secret infringement relating to any product or services provided under this Price Agreement, the Contractor agrees to reimburse the City for all costs, attorneys' fees and amount of the judgment. To qualify for such defense and or payment, the City shall:

1) give the Contractor prompt written notice within 48 hours of any claim;
2) allow the Contractor to control the defense of settlement of the claim; and
3) cooperate with the Contractor in a reasonable way to facilitate the defense or settlement of the claim.

B. If any product or service becomes, or in the Contractor's opinion is likely to become the subject of a claim of infringement, the Contractor shall at its option and expense:

1) provide the City the right to continue using the product or service and fully indemnify the City against all claims that may arise out of the City's use of the product or service;
2) replace or modify the product or service so that it becomes non-infringing; or,
3) accept the return of the product or service and refund an amount equal to the value of the returned product or service, less the unpaid portion of the purchase price and any other amounts, which are due to the Contractor. The Contractor's obligation will be void as to any product or service modified by the City to the extent such modification is the cause of the claim.

36. **Survival**

The Price Agreement paragraphs titled "Patent, Copyright, Trademark, and Trade Secret Indemnification; Indemnification; and Limit of Liability" shall survive the expiration of this Price Agreement. Software licenses, leases, maintenance and any other unexpired Agreements that were entered into under the terms and conditions of this Price Agreement shall survive this Price Agreement.

37. **Disclosure Regarding Responsibility**

A. Any prospective Contractor and any of its Principals who enter into a Price Agreement greater than sixty thousand dollars ($60,000.00) with any City for professional services, tangible personal property, services or construction agrees to disclose whether the Contractor, or any principal of the Contractor's company is presently debarred, suspended, proposed for debarment, or declared ineligible for award of Price Agreement by any federal entity, state agency or local public body.

B. Principal, for the purpose of this disclosure, means an officer, director, owner, partner, or a person having primary management or supervisory responsibilities within a business entity or related entities.

C. The Contractor shall provide immediate written notice to the City if, at any time during the term of this Price Agreement, the Contractor learns that the Contractor's disclosure was at any time erroneous or became erroneous by reason of changed circumstances.

D. A disclosure that any of the items in this requirement exist will not necessarily result in termination of this Price Agreement. However, the disclosure will be considered in the determination of the Contractor's responsibility and ability to perform under this Price Agreement. Failure of the Contractor to furnish a disclosure or provide additional information as requested will be grounds for immediate termination of this Price Agreement pursuant to the conditions set forth in Paragraph 7 of this Price Agreement.

E. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render, in good faith, the disclosure required by this document. The knowledge and information of a Contractor is not required to exceed that which is the normally possessed by a prudent person in the ordinary course of business dealings.

F. The disclosure requirement provided is a material representation of fact upon which reliance was placed when making an award and is a continuing material representation of the facts during the term of this Price Agreement. If during the performance of the Price Agreement, the Contractor is indicted for or otherwise criminally or civilly charged by any government entity (federal, state or local) with commission of any offenses named in this document the Contractor must provide immediate written notice to the City. If it is later determined that the Contractor knowingly rendered an erroneous disclosure, in addition to other remedies available to the Government, the City may terminate the involved Price Agreement for cause. Still further the City may suspend or debar the Contractor from eligibility for future solicitations until such time as the matter is resolved to the satisfaction of the City.

38. **Suspension, Delay or Interruption of Work**

The City may, without cause, order the Contractor, in writing, to suspend, delay or interrupt the work in whole or in part for such period of time as the City may determine. The Price Agreement sum and Price Agreement time shall be adjusted for increases in cost and/or time associated with Contractor's compliance therewith. Upon receipt of such notice, Contractor shall leave the jobsite and any equipment in a safe condition prior to departing. Contractor must assert rights to additional compensation within thirty (30) days after suspension of work is lifted and return to work is authorized. Any compensation requested for which entitlement is granted and the Price Agreement sum adjusted, shall have profit included (for work completed) and for cost only (not profit) for Contractor costs incurred directly tied to the suspension itself and not otherwise covered by Price Agreement remedy. Any change in Total Compensation must be reflected in an Amendment executed pursuant to Section 8 of this Price Agreement.

39. **Notification**

Either party may give written notice to the other party in accordance with the terms of this Paragraph. Any written notice required or permitted to be given hereunder shall be deemed to have been given on the date of delivery if delivered by personal service or hand delivery or three (3) business days after being mailed.

To the City:
Travis Dutton-Leyda
Chief Procurement Officer
200 Lincoln Ave
Santa Fe NM, 87501

To the Contractor:
Cintas Corporation NO. 2
5101 Wilshire Ave NE
Albuquerque, NM 87111

505-903-7225

Either party may change its representative or address above by written notice to the other in accordance with the terms of this Paragraph. The carrier for mail delivery and notices shall be the agent of the sender.

40. **Succession**

This Price Agreement shall extend to and be binding upon the successors and assigns of the parties.

IN WITNESS WHEREOF, the Parties have executed this Price Agreement as of the date of the signature by the required approval authorities below.

University of Nebraska/OMNIA Partners, Public Sector Contract with Cintas Corporation No. 2 under RFP No. 3702-22-4618, Workplace Solutions

This Master Agreement ("Master Agreement") is by and between the Board of Regents of the University of Nebraska, a public body corporate and governing body of the University of Nebraska ("University"), and Cintas Corporation No. 2 ("Cintas" or "Supplier").

This Master Agreement shall be made available to additional state and local governmental entities, public and private primary, secondary and higher education entities, non-profit entities, and agencies for the public benefit (referenced herein as "Participating Public Agencies") through the cooperative purchasing program administered by the National Intergovernmental Purchasing Alliance Company d/b/a OMNIA Partners, Public Sector.

The following documents are incorporated by reference into this Master Agreement:

1. University of Nebraska-Cintas Master Agreement
2. Exhibit A to University of Nebraska-Cintas Master Agreement, Alarm Monitoring Terms and Conditions (Inclusive of Schedules A and B)
3. Cintas Workplace Solutions RFP Pricing Sheet
4. Cintas Response to University of Nebraska RFP No. 3702-22-4618, Workplace Solutions/eBid Invitation
5. University of Nebraska RFP No. No. 3702-22-4618, Workplace Solutions
6. Attachment A to Solicitation (Requirements for National Cooperative Contract to be Administered by OMNIA Partners; inclusive of Exhibits A through H), as modified by Cintas and agreed by OMNIA ("Attachment A")

Order of Precedence: Any ambiguity, conflict, or inconsistency between the documents comprising this Master Agreement shall be resolved according to the following order of precedence:

1. Exhibit A to University of Nebraska-Cintas Master Agreement, Alarm Monitoring Terms and Conditions (not applicable to University of Nebraska, only to other Participating Public Agencies)
2. University of Nebraska-Cintas Master Agreement
3. Attachment A
4. Cintas Workplace Solutions RFP Pricing Sheet
5. Cintas Response to University of Nebraska RFP No. 3702-22-4618, Workplace Solutions/eBid Invitation
6. University of Nebraska RFP No. No. 3702-22-4618, Workplace Solutions

Acceptance Agreements: Sample Acceptance Agreements are attached to this Master Agreement but are not included in the Master Agreement order of precedence as these are exemplars only. The actual Acceptance Agreements signed by Participating Public Agencies may differ, and the precedence of those Acceptance Agreements relative to the Master Agreement is to be determined in accordance with the relevant Acceptance Agreement terms.

1. University of Nebraska-Cintas Master Agreement

University of Nebraska-Cintas Master Agreement – RFP 3702-22-4618

This University of Nebraska Master Agreement - Expenditure ("Agreement") dated as of the date of the last signature set forth below (the "Effective Date") sets forth the terms of purchase between the Board of Regents of the University of Nebraska a public body corporate and governing body of the University of Nebraska ("University"), which is composed of a chief governing administrative unit (University of Nebraska System), four universities (University of Nebraska at Kearney, University of Nebraska-Lincoln, University of Nebraska Medical Center, and University of Nebraska at Omaha), and such other institutions and units as may be designated by the Nebraska Legislature (each a "Campus" and collectively the "Campuses"), and Cintas Corporation No. 2 ("Supplier"). University and Supplier are collectively referred to as "parties."

WHEREAS, the terms and conditions of this Agreement shall be made available to additional state and local governmental entities, public and private primary, secondary and higher education entities, non-profit entities, and agencies for the public benefit (each a "Public Agency) through the cooperative purchasing program administered by the National Intergovernmental Purchasing Alliance Company d/b/a OMNIA Partners, Public Sector ("OMNIA");

WHEREAS, the terms and conditions set forth in this Agreement shall apply to any Public Agency that uses this Agreement through OMNIA's cooperative purchase program (each a "Participating Public Agency"), provided, University shall not be considered a Participating Public Agency;

WHEREAS, each Participating Public Agency shall execute one or more Facilities Solutions Cooperative Acceptance Agreement or Fire Protection Acceptance Agreement (collectively, "Acceptance Agreements"), as applicable, in the then-current format provided by Supplier (sample Acceptance Agreements attached hereto for general reference only);

WHEREAS, such Acceptance Agreements shall continue in force pursuant to their applicable term, notwithstanding the termination or expiration of this Agreement; and

WHEREAS, with respect to each Participating Public Agency subject to the terms and conditions of this Agreement, all references to "University" shall be deemed to refer to each Participating Public Agency except where (1) specifically noted or differentiated herein (including, without limitation, Sections 2, 14 and 46), or (2) where the terms and conditions on their face pertain specifically only to the University of Nebraska (e.g. Nebraska governing law). In the latter case, the intent is to modify such term for each Participating Public Agency as required by law, unless otherwise agreed in the Acceptance Agreement between Supplier and such Participating Public Agency.

NOW, THEREFORE, in consideration of the mutual covenants set forth in this Agreement the parties agree as follows:

1. **Description of Deliverables**. Supplier agrees to provide the services, goods, or both identified in any applicable purchase order or Acceptance Agreement (collectively, "Deliverables"). Supplier agrees to perform services under this Agreement to the satisfaction of University during the Term of this Agreement and with the standard of professional care and skill customarily provided in the performance of such service.

2. **Payment**. In full consideration for the Deliverables provided by Supplier under this Agreement, University shall pay or cause to be paid to Supplier a fee, pursuant to the Statement of Work and any subsequent proposal or statement of work incorporated by reference into this Agreement, within forty-five (45) days after Supplier's submission of an accurate invoice to University and all requested supporting documentation. Participating Public Agencies payment terms, consistent with the Acceptance Agreements, are Net 30. Along with its invoice, Supplier shall submit adequate receipts and documentation as requested by University to support reimbursement of all previously agreed upon reimbursable expenses. Supplier is expected to comply with applicable policies and procedures provided in writing to Supplier, including those stated within the University of Nebraska Travel Policy (located at https://nebraska.edu/-

/media/unca/docs/offices-and-policies/policies/policies/university-of-nebraska-travel-policy.pdf).University, in its discretion, may decline to reimburse expenses that are not pre-approved or fail to comply with applicable policies and procedures. Supplier agrees that it is solely responsible for payment of income, social security, and other employment taxes due to the proper taxing authorities, and that University will not deduct such taxes from any payments to Supplier hereunder, unless required by law.

3. **Purchase Order Requirement**.

a. A purchase order shall be issued by University to Supplier for payment in accordance with the terms of this Agreement. All invoices submitted by Supplier shall make reference to the appropriate purchase order number to be eligible for payment.

b. The parties agree that the terms and conditions of this Agreement shall prevail, notwithstanding contrary or additional terms, in any purchase order, sales acknowledgment, confirmation or any other document issued by either party affecting the products and services provided under this Agreement.

4. **Term**. The initial term of this Agreement shall commence on the Effective Date and continue for 5 years thereafter ("Initial Term"). This Agreement may be renewed for an additional 5 year term (the "Renewal Term") by mutual written agreement of the parties. Collectively the Initial Term and Renewal Term(s) shall be referred to as the "Term."

5. **Confidentiality.** "Confidential Information" shall mean any materials, written information, and data marked "Confidential" by University or non-written information and data disclosed by University that is identified at the time of disclosure to Supplier as confidential or is reasonably understood by Supplier to be confidential. Supplier agrees to protect and maintain Confidential Information in strict confidence for a period of three (3) years from the date of expiration or earlier termination of this Agreement and, upon request of University, return or destroy all materials containing such Confidential Information. Notwithstanding the foregoing, Supplier shall be entitled to retain archival copies of Confidential Information for legal, regulatory, or compliance purposes. The obligations of this paragraph do not apply to information that is in the public domain; independently known, obtained, or discovered by Supplier; or hereafter supplied to Supplier by a third party without restriction. If Supplier is compelled by law to disclose any Confidential Information, it shall provide University with prior notice of such compelled disclosure (to the extent legally permitted) and reasonable assistance, at University's cost, if University wishes to contest the disclosure.

6. **Property Rights.**

a. For purposes of this Section 6, "Intellectual Property" shall mean, whether or not reduced to writing, all copyrights, patent applications, issued patents, including reissues, renewals, continuations, and divisions of the foregoing, know-how, proprietary data, ideas, discoveries, inventions, improvements, technology, trade secrets, methods, procedures, formulae, processes, technical and non-technical data, trade secrets, design rights, trademarks, trade names, trade dress, related source identifiers, works, and other proprietary rights relating to intangible property, and any applications or registrations of the foregoing, any rights arising from registration of any of the foregoing, and any right to sue for past or future infringement of the foregoing.

b. University acknowledges and agrees that, as between the parties, Supplier owns all Intellectual Property that (i) was the property of Supplier prior to the execution of this Agreement and (ii) is independently developed or acquired outside the scope of this Agreement ("Pre-Existing Intellectual Property"). In addition, Supplier shall own any Intellectual Property, developed in connection with this Agreement, that is an improvement of, or direct derivative of, Supplier's Pre-Existing Intellectual Property and know-how.

c. This Section 6.c shall be subject to Section 6.b in all respects. University will possess all rights to any creations, inventions, or other intellectual property and materials, including copyright, trade secrets, or patents in the same, which arise out of, are prepared by, or are developed in the course of Supplier's performance. Supplier and University acknowledge and agree that work created by Supplier in connection with its performance under this Agreement shall belong to University as "work-made-for-hire" as such term is defined under 17 USC § 201, as amended. In the event such works are not copyrightable subject matter or for any reason cannot legally be considered a work-made-for-hire, Supplier hereby assigns all right, title, and interest in and to work created by Supplier in connection with its performance under this Agreement to University and agrees to execute all documents required to evidence such assignment. University's rights to any creations, inventions, or other intellectual property and materials, including copyright, trade secrets, or patents in the same, which arise out of, are prepared by, or are developed in the course of Supplier's performance under this Agreement shall be exclusive and Supplier will not use, license, or permit such works to be used for any other purpose. Upon termination of this Agreement for any reason, University shall have the exclusive right, without further obligation to Supplier, throughout the world, in all languages, and in perpetuity to use the work created by Supplier in connection with its performance under this Agreement in any manner it deems appropriate, including, without limitation, editing, altering and revising such work. This provision shall survive the termination of this Agreement.

7. **Termination**. In the event that either party commits a material breach of this Agreement and fails to remedy or cure such breach within thirty (30) days after receipt of written notice thereof from the non-breaching party, the non-breaching party may, at its option and in addition to any other remedies which it may have at law or in equity, terminate this Agreement by sending written notice of termination to the other party. Such termination shall be effective as of the date of its receipt. Additionally, University may terminate this Agreement for its convenience upon thirty (30) days' prior written notice to Supplier. Upon termination, University shall promptly pay Supplier for all fees incurred up to and including the effective date of termination or Supplier will refund to University a prorated share of any prepaid fees.

a. If University terminates this Agreement for convenience, the parties agree that the damages sustained by Supplier will be substantial and difficult to ascertain. Therefore, if this Agreement is terminated by University for convenience in whole or in part, for any reason other than as set forth in Section 36, University will pay to Supplier as termination charges and not as a penalty the following termination charges based on the particular products and services terminated for convenience:

7.a.1. Rental Products and Services:

7.a.1.1. If this Agreement is terminated for convenience in the first twelve months of the term, University shall pay as termination charges equal to 52 weeks of rental service.

7.a.1.2. If this Agreement is terminated for convenience in months thirteen (13) through twenty-four (24) of the term, University shall pay as termination charges equal to thirty-nine (39) weeks of rental service.

7.a.1.3. If this Agreement is terminated for convenience in months twenty-five (25) through thirty-six (36) of the term, University shall pay as termination charges equal to twenty-six (26) weeks of rental service.

7.a.1.4. If this Agreement is terminated for convenience after forty-eight (48) months of service, University shall pay as termination charges of thirteen (13) weeks of rental service.

7.a.1.5. University shall also be responsible to return all of the merchandise allocated to such University locations terminating this Agreement at the then current Loss/Damage Replacement Values and for any unpaid charges on University's account prior to termination.

First and Aid and Safety: Twenty-five percent (25%) of the unexpired term based on the previous six (6) months average revenue.

8. **Representations and Warranties**. Supplier warrants that it will convey good title to all direct sale goods, free of all encumbrances. Except as otherwise noted in this Agreement, at the time of delivery (i) all goods delivered shall be free from defects in workmanship, material, and manufacture, (ii) shall comply with the requirements of this Agreement, including any drawings or specifications incorporated or samples furnished by the Supplier, (iii) shall be free from defects in design, and (iv) shall be merchantable. In the event Supplier is providing University with services, Supplier warrants and represents that each of its employees and agents to perform any services under the terms of this Agreement shall have the skills, training, and background reasonably commensurate with their level of performance or responsibility, to be able to perform in a competent and professional manner that is consistent with industry standards. Supplier further warrants the services provided will conform to the requirements of this Agreement and that in performing the services Supplier will not be in breach of any agreement with a third party. The foregoing warranties are conditions to this Agreement. All warranties provided by Supplier shall run to University. Supplier will pass through to University all manufacturer warranties for the materials covered hereunder to the extent Supplier has the right to do so. Supplier does not adopt, guarantee or represent that the manufacturer will comply with any of the terms of the warranty of such manufacturer. If any warranties specified herein or otherwise applicable are breached by Supplier, University may, at its election, require Supplier to correct at Supplier's sole expense any defect or nonconformance by repair or replacement or return any defective or nonconforming goods to Supplier at Supplier's expense and recover from Supplier the purchase price or, in the case of services, require re-performance of the services or terminate this Agreement and receive a full refund. The foregoing remedies are in addition to all other remedies University may have at law or in equity. Except for the warranties specifically set forth in this Agreement, Supplier makes no other warranties and disclaims all other warranties, express or implied by law, course of dealing, course of performance, usage of trade or otherwise, including without limitation any warranty of merchantability or fitness for a particular purposes.

9. **Relationship of Parties**. No agency, partnership, or joint venture is created by this Agreement. The parties affirmatively disclaim any intent to form such relationship. Supplier is solely responsible for maintenance and payment of insurance and the like that may be required by federal, state, or local law with respect to any sums paid hereunder. Supplier is not University's agent or representative and has no authority to bind or commit University to any agreements or other obligations.

10. **Liability**. To the fullest extent allowed by law, Supplier shall defend, indemnify, and hold harmless University, its regents, officers, employees, agents, and students, for any loss, claim, damage, expense, or liability of any kind, including reasonable attorneys' fees and costs, to the extent caused by the negligence or willful misconduct of Supplier and its officers, employees, agents, and subcontractors.

11. **Insurance**. Supplier shall at its own expense obtain and maintain throughout the Term of this Agreement general commercial liability insurance against claims for bodily injury, death, and property damage with limits of not less than one million dollars ($1,000,000.00) per occurrence, and three million dollars ($3,000,000.00) general aggregate to cover such liability caused by, or arising out of, activities of Supplier and its agents and/or employees while engaged in or preparing for the provision of the Deliverables. Upon request by University, Supplier shall furnish to University certificates of insurance evidencing that such insurance is effective prior to provision of the Deliverables. By requiring such minimum insurance, University shall not be deemed or construed to have assessed the risk or limited the liability that may be applicable to Supplier under this Agreement. Supplier shall assess its own risks and, if it deems appropriate, maintain higher limits or broader coverages. Supplier further agrees, upon request, to include University as an additional insured on its general liability insurance policy on a primary and non-contributory basis. Supplier is not relieved of any liability or other obligations assumed or pursuant to this Agreement by reason of its failure to obtain or maintain insurance in sufficient amounts, duration, or types.

12. **Assignment**. This Agreement is non-assignable and non-transferrable unless agreed to in writing by the parties. Any attempt by either party to assign its rights or obligations hereunder without the consent of the other party shall be void.

13. **Amendment**. This Agreement constitutes the entire understanding between University and Supplier with respect to the subject matter hereof and may not be amended except by an agreement signed by Supplier and an authorized representative of University.

14. **Disputes; Governing Law and Forum**.

A. As pertains solely to disputes between the University and Supplier, this Agreement shall be governed by the laws of the State of Nebraska without giving effect to its conflicts of law provisions. Any legal actions brought by University or by Supplier shall be instituted in the state courts located in Lancaster County, Nebraska. It is understood and agreed that any legal action by Supplier in relation to this Agreement may only be instituted in accordance with the provisions of the State Contract Claims Act (Neb. Rev. Stat. §§ 81-8,302 to 81-8,306), as amended.

B. As pertains to disputes between any other Participating Public Agency and Supplier, the dispute shall be resolved consistent with the dispute resolution provisions set forth in the applicable Acceptance Agreement, which calls for binding arbitration, to the extent permitted under applicable law, or, where arbitration is not legally permissible, in accordance with the contracts disputes process required under applicable state law for the Participating Public Agency and, in either case, subject to that state's substantive law. As set forth in the Acceptance Agreement, any such dispute arising from or related to this Agreement shall be determined on an individual, non-class basis, whether in arbitration or in any court, shall be considered unique as to its facts, and shall not be consolidated in any arbitration or other legal proceeding with any claim or controversy of any other party.

15. **Conflict of Interest**. Supplier certifies, to the best of its knowledge and belief, that there are no potential organizational conflicts of interest related to this Agreement. If Supplier cannot so certify, it shall provide to University a disclosure statement that describes all relevant information concerning any potential conflict of interest under this Agreement. In the event the potential conflict of interest cannot be resolved, University may declare this Agreement void and of no further force or effect and University shall have no further obligations under this Agreement.

16. **Work Status Verification**. Supplier and its subcontractors shall use a federal immigration verification system to determine the work eligibility status of new employees physically performing services within the State of Nebraska pursuant to Neb. Rev. Stat. §§ 4-108 to 4-114, as amended.

17. **Debarment List**. Supplier certifies and warrants that it has not been debarred, suspended, or declared ineligible as defined in the Federal Acquisition Regulation 48 CFR Ch.1 Subpart 9.4. Supplier also certifies that Supplier, its partners, directors, officers, employees, licensees, subcontractors, or agents have not been excluded or debarred or otherwise become ineligible to participate in Federal health care programs pursuant to 42 USC § 1320a-7. This shall be an ongoing certification and warranty during the Term of the Agreement and Supplier shall immediately notify University of any change in the status of the certification and warranty set forth in this section. If Supplier becomes excluded from Federal health care program participation or placed on the Consolidated List of Debarred, Suspended, and Ineligible Contractors, the Agreement may be terminated immediately, for cause, by University. If any partners, directors, officers, employees, licensees, subcontractors, personnel, or agents of Supplier become excluded from Federal health care program participation, such individual shall be removed from participating in this Agreement immediately. Failure by Supplier to remove such excluded individual immediately shall provide University the right to terminate the Agreement immediately for cause.

18. **Taxpayer Transparency Act**. Under Neb. Rev. Stat. §§ 84-602.01 to 84-602.04, University is required to provide the Nebraska Department of Administrative Services with a copy of each contract that

is a basis for an expenditure of state funds, including any amendments and documents incorporated by reference in the contract. Copies of all such contracts and documents will be published by the Nebraska Department of Administrative Services at https://statecontracts.nebraska.gov/. It shall be the sole responsibility of Supplier (a) to notify University of any requested redactions to such contracts and documents and (b) to indicate the legal basis for such requested redactions at the time of execution. In addition, Supplier agrees to defend any challenge to such redactions at its own expense.

19. **Public Records**. Under Neb. Rev. Stat. §§ 84-712 to 84-712.09, information or records of or belonging to University regarding, related to, or part of the Agreement will be open to public inspection and copying unless exempted from disclosure in accordance with the University's interpretation and application of applicable law. It shall be the sole responsibility of Supplier (a) to notify University of requested redactions to any such information or records that may otherwise be required to be open to public inspection and copying and (b) to indicate the legal basis for such requested redactions. In addition, Supplier agrees to defend any challenge to such requested redactions at its own expense.

20. **Nondiscrimination**. Supplier agrees that neither it nor any of its subcontractors shall discriminate against any employee, or applicant for employment to be employed in the performance of this Agreement, with respect to hire, tenure, terms, conditions, or privilege of employment because of the race, color, religion, sex, disability, or national origin of the employee or applicant in accordance with the Nebraska Fair Employment Practice Act, Neb. Rev. Stat. § 48-1122, as amended.

21. **Discrimination including Sexual Harassment.** State and federal law, as well as University of Nebraska Bylaws, policies, and guidelines prohibit discrimination (as defined therein) including harassment and retaliation, against students, employees, and other members of the University community. Prohibited types of discrimination include discrimination on the basis of race, color, ethnicity, national origin, sex (including sexual harassment), pregnancy, sexual orientation, gender identity, religion, disability, age, genetic information, veteran status, marital status, political affiliation, and any other protected status. Supplier shall exercise control over itself, its employees, agents, contractors, and affiliated parties to prohibit acts of discrimination, including sexual harassment, against University students, employees, and other members of the University community. Supplier shall cooperate with the University following any report of discrimination. In the event University determines that Supplier or an employee, agent, contractor, or other person affiliated with Supplier has engaged in discrimination, including harassment, or other inappropriate conduct, Supplier will take prompt and effective action, in accordance with the University's direction, to prevent recurrence of the conduct and to correct its effects, which may include removal of Supplier or the employee, agent, contractor, or other person affiliated with Supplier from providing the Deliverables. Supplier's failure to comply with the University's directive or any other part of this provision may be cause for immediate termination of this Agreement. Supplier acknowledges that the University may have obligations to report any allegations or incidents of discrimination, including sexual harassment. Supplier and employees, agents, contractors, and other persons affiliated with Supplier who are directly providing the Deliverables or present on University premises shall participate in any training as may be required by the University from time to time, including training regarding sexual harassment and diversity and inclusion.

22. **Criminal Background Investigations.** If applicable, Supplier represents and warrants that Supplier has obtained, at its own expense and in a manner compliant with all applicable laws, a background screening for all of its employees who will be present on University premises. Such background screenings shall be completed consistent with current industry standards and shall, at a minimum, include the same degree of thoroughness as the background checks University conducts for its newly hired staff. Supplier agrees to update any background screening upon reasonable request by University, it being agreed that any request based upon the occurrence of any illegal activity involving Supplier or its personnel, or the reasonable suspicion of illegal activity would be deemed reasonable. Supplier shall provide University with evidence of the completion of the required background screenings upon University's request. Alternatively, in the event Supplier is an individual, University may require Supplier complete a background check

consistent with current industry standards at University's request. Supplier shall not hire, retain, or engage any individual directly involved in the performance of services under the Agreement who has been convicted (felony or misdemeanor) of or entered into a court-supervised diversion program for any sexual offense, felony assault (including domestic violence related incidents), child abuse, molestation or other crime involving endangerment of a minor, murder, or kidnapping. Supplier and Supplier's employees or agents directly performing services under the Agreement cannot be listed on any sex offender registry. Other convictions, such as misdemeanor assault, drug distribution activity, felony drug possession, and any other felony or crime involving moral turpitude may also render Supplier and Supplier's employees or agents ineligible to directly perform services under the Agreement, taking into consideration (a) the nature and gravity of the offense(s), (b) the time that has passed since the offense or conduct and/or completion of the sentence, and (c) the nature of the services being performed. Supplier and Supplier's employees or agents cannot be listed on any sex offender registry. Supplier agrees to ensure any third party with whom Supplier engages to provide any part of services provided under the Agreement agrees to the same restrictions, conditions, and requirements of this section in the same capacity as Supplier.

23. **Equal Opportunity (intentionally bolded).** Supplier shall comply with 41 CFR §§ 60-1.4(a), 60-300.5(a), and 60-741.5(a), incorporated by reference with the following statement: **"This contractor and subcontractor shall abide by the requirements of 41 CFR 60-1.4(a), 60-300.5(a) and 60- 741.5(a). These regulations prohibit discrimination against qualified individuals based on their status as protected veterans or individuals with disabilities, and prohibit discrimination against all individuals based on their race, color, religion, sex, sexual orientation, gender identity, national origin or for inquiring about, discussing, or disclosing compensation. Moreover, these regulations require that covered prime contractors and subcontractors take affirmative action to employ and advance in employment individuals without regard to race, color, religion, sex, sexual orientation, gender identity, national origin, disability or veteran status."**

24. **Logos or University Marks**. Supplier shall not use or display any University name, logo, trademark, service mark (individually a "Mark" and collectively the "Marks") and/or other indicia designated by University as a source identifier, unless expressly authorized in writing by University. Any unauthorized use of Marks is expressly prohibited. Supplier agrees it will not use University's name in any manner that acts as an endorsement or is an appearance of any endorsement in any promotion, advertisement, solicitation, or other communication, especially as it relates to Supplier's business.

25. **Right to Audit Privilege**. The University reserves the right to audit or inspect work performed by the Supplier under the Agreement. The University may participate directly or through an appointed representative in order to verify that services related to the Agreement have been performed in accordance with the procedures indicated.

26. **Affiliates.** "Affiliates" for the purposes of this Agreement are agents, contractors, consultants, or other entities or individuals who are authorized by University to use the Deliverables. Affiliates may be added by University upon written notice to Supplier. The parties agree Affiliates may avail themselves to the benefits of this Agreement by way of a separate agreement between Affiliate and Supplier. Affiliates include, without limitation, any public agency or instrumentality of the government of the State of Nebraska or political subdivisions within the State of Nebraska, any entity in which the Board of Regents of University has at least a fifty percent (50%) controlling interest, and The Nebraska Medical Center d/b/a Nebraska Medicine.

27. **Campuses.** By virtue of the authority granted by the Board of Regents of University of Nebraska, each Campus may execute certain contracts on their own behalf. Supplier acknowledges one or more Campuses may participate under this Agreement. The Campuses shall not be considered "Affiliates" for purposes of this Agreement.

28. **Compliance**. Supplier and its employees and agents will comply with all laws, ordinances, codes, rules, regulations, and licensing requirements that are applicable to the conduct of its business, including those of federal, state, and local agencies having jurisdiction and/or authority, as well as applicable University policies.

29. **Pricing and Annual Price Negotiations**. The contract item pricing as set forth in the RFP Pricing Worksheet incorporated herein shall remain firm for the first year of the Agreement. In advance of each contract year anniversary, price adjustments shall not exceed the lesser of three percent (3%) or the percentage increase in the Consumer Price Index for all Urban Consumers (CPI-U), U.S. City Average, All Items, Unadjusted, for the most recent twelve months for which data that is not subject to revision is available as published by the U.S. Department of Labor, Bureau of Labor Statistics. Any contract item price adjustments will be made to the then-current pricing in effect prior to the adjustment. Non-contract pricing is subject to adjustment by Supplier as described in the RFP Pricing Worksheet. Supplier shall provide at least thirty (30) days' written notice to University prior to the effective date of any increase.

30. **Severability.** The terms of the Agreement are severable. If any term or provision is declared by a court of competent jurisdiction to be illegal, void, or unenforceable the remainder of the provisions shall continue to be valid and enforceable.

31. **Survival.** Provisions surviving termination or expiration of this Agreement are those which on their face affect rights and obligations after termination or expiration and also include provisions concerning indemnification, confidentiality, representations and warranties, and governing law and venue.

32. **Waiver.** A waiver of any term or provision of this Agreement by University shall not be deemed to be a waiver of such provision on any subsequent breach of the same or any other provision contained in this Agreement. Any such waiver must be in writing to be effective, and no such waiver or waivers shall serve to establish a course of performance between the parties contradictory to the terms hereof.

33. **Notices.** Any notice required or permitted to be given under this Agreement shall be in writing, sent via certified mail, overnight courier, or hand delivery, effective when received, and delivered to the addresses provided on the signature page of this Agreement.

34. **Electronic Signatures.** Each party agrees that this Agreement and any other documents to be delivered in connection herewith may be electronically signed, and that any electronic signatures appearing on this Agreement or such other documents are the same as handwritten signatures for the purposes of validity, enforceability, and admissibility.

35. **Subcontractors**. Supplier shall not subcontract all or substantially all of any facet of the services without the prior written approval of University. Supplier shall be fully responsible for the acts and omissions of its subcontractors and of the persons directly or indirectly employed by them. Every subcontractor shall be bound by the terms of this Agreement; provided, however, that no contractual relationship shall exist between any subcontractor and University, unless evidenced in a separate contract independent of this Agreement with Supplier.

36. **Unavailability of Funding**. Due to possible future reductions in State and/or Federal funds, University cannot guarantee the continued availability of funding of this Agreement notwithstanding the consideration contained within this Agreement. In the event funds to finance this Agreement become unavailable, either in full or in part, due to such reductions, University may terminate the Agreement or reduce the consideration upon notice in writing to Supplier. Said notice shall be delivered by certified mail (return receipt requested) or in person (with proof of delivery). University shall be the final authority as to the availability of funds. The effective date of such Agreement, termination, or reduction in consideration shall be the actual effective date of the elimination or reduction of funding. In the event of a reduction in consideration, Supplier may cancel this Agreement as of the effective date of the proposed reduction upon the provision of advance written notice to University. Supplier shall be entitled to receive just and equitable

compensation for any satisfactory work performed up to the date of the notice of termination. In the event of unavailability of funding, the University shall not be liable for any penalty, expense, or liability, or for general, special, incidental, consequential, or other damages resulting therefrom.

37. **Delivery.** All shipments are to be made F.O.B. destination, freight prepaid, according to the delivery information provided in the applicable purchase order. Supplier shall make no partial deliveries under this Agreement without the University's consent unless otherwise indicated in the applicable purchase order. University may, but shall not be obligated to, inspect Supplier's performance under this Agreement from time to time. University's inspection, or lack of inspection, will not constitute an acceptance of any Deliverable or a waiver of any right or warranty or preclude University from rejecting any defective Deliverable. Supplier will coordinate lead times and delivery dates with the University.

38. **Flame Resistant Garments.** University agrees it bears sole responsibility for selecting the flame resistant clothing and fabrics ("FRC") under this Agreement and determining whether such items are appropriate for use by its employees and agents in their applicable work environment(s). UNIVERSITY ACKNOWLEDGES THAT SUPPLIER HAS MADE NO REPRESENTATION, WARRANTY, OR COVENANT WITH RESPECT TO THE FLAME RESISTANT QUALITIES OR OTHER CHARACTERISTICS OF THE FRC OR WITH RESPECT TO THEIR FITNESS OR SUITABILITY FOR THIS OR ANY OTHER PURPOSE. SUPPLIER MAKES NO REPRESENTATION WHETHER THE FRC CONSTITUTES APPROPRIATE PERSONAL PROTECTIVE EQUIPMENT FOR THE ENVIRONMENT(S) TO WHICH UNIVERSITY'S EMPLOYEES OR AGENTS MAY BE EXPOSED OR AS TO THE FRC'S ABILITY TO PROTECT USERS FROM INJURY OR DEATH. University agrees to notify all employees and other agents of University who may wear or will be wearing the FRC that it is not designed for substantial heat exposure or for use around open flames. University acknowledges that compliance with any and all OSHA or other similar regulations or requirements relating to personal protective equipment is the sole responsibility of University. Further, University releases Supplier from any and all liability to University that results or may result from the use of the FRC, including but not limited to any alleged failure of the FRC to function as flame resistant or provide protection against fire and/or heat. In addition to the foregoing release, disclaimers, and agreements related to FRC, and to the extent permitted by applicable law, each Participating Public Agency hereby agrees to defend, indemnify and hold harmless Supplier from any claims and damages arising out of or associated with the FRC or resulting from the Participating Public Agency's or its employees' use of the FRC.

39. **High Visibility Garments.** University bears sole responsibility for: (a) determining the level of visibility needed by wearers of the high visibility garments (the "Garments") for their specific work conditions or uses; (b) identifying and selecting which Garments meet the required level of visibility for any particular work conditions or uses; and (c) determining when Garments require repair or replacement to meet the required level of visibility. University acknowledges and understands that the Garments alone do not ensure visibility of the wearer. University further acknowledges that Supplier is relying upon University to determine whether any Garments need repair or replacement to maintain the required level of visibility. Supplier represents only that the Garments supplied satisfy certain ANSI/ISEA standards to the extent the Garments are so labeled. University acknowledges that Supplier has made no other representations, covenants, or warranties, whether express or implied, related to the Garments. Further, University hereby releases Supplier from any and all liability to University that results or might result from the failure of the garments to function per ANSI/ISEA standards. In addition to the foregoing release, disclaimers, and agreements related to the Garments, and to the extent permitted by applicable law, each Participating Public Agency agrees to defend, indemnify, and hold Supplier harmless from any claims that result or might result from the failure of the Garments to function per ANSI/ISEA standards.

40. **AED Warranty; AED Release; AED Release and Indemnification.** University acknowledges that all AED purchases, if any, made will be subject to the warranty provided by the manufacturer of the AED and not Supplier. University acknowledges that Supplier makes no warranty, representation or covenant, express or implied, with respect to the AED products. In addition, Supplier warrants that the services performed by it will be performed in a professional, workmanlike manner and will substantially conform to the specifications of the services at the time of performance.

a. As it pertains to University's use of the AEDs, the following shall apply:

40.a.1. RELEASE OF SUPPLIER BY UNIVERSITY. UNIVERSITY RELEASES SUPPLIER AND ALL OF ITS SUBCONTRACTORS, AGENTS, OFFICERS, EMPLOYEES, OR OTHER REPRESENTATIVES (COLLECTIVELY, "**REPRESENTATIVES**") OF ANY TYPE FROM LIABILITY TO UNIVERSITY FOR ANY AND ALL LOSS, DAMAGE, OR EXPENSE OF ANY KIND OR TYPE, UNDER ANY LEGAL, EQUITABLE OR OTHER THEORY, THAT MAY OCCUR PRIOR TO, CONTEMPORANEOUSLY WITH, OR AFTER THE EXECUTION OF THIS AGREEMENT RELATED IN ANY WAY TO THE USE OF THE AED PRODUCTS AND AED SERVICES. THIS RELEASE INCLUDES BUT (BUT IS NOT LIMITED TO) ANY CLAIM, DEMAND, SUIT, LIABILITY, DAMAGE, JUDGMENT, LOSS, EXPENSES, ATTORNEYS' FEES, AND COSTS, THAT MAY BE ASSERTED AGAINST SUPPLIER OR ITS REPRESENTATIVES BY UNIVERSITY FOR ANY EXPENSE, LOSS, OR DAMAGE CAUSED BY OR CONTRIBUTED TO IN ANY WAY, OR ALLEGED TO BE CAUSED BY OR CONTRIBUTED TO IN ANY WAY, BY ANY ACT, OMISSION, OR FAULT OF SUPPLIER OR ITS REPRESENTATIVES.

b. As it pertains to any Participating Public Agency's use of the AEDs, the following shall apply:

40.b.1. RELEASE AND INDEMNIFICATION OF SUPPLIER BY PARTICIPATING PUBLIC AGENCY. PARTICIPATING PUBLIC AGENCY RELEASES AND, TO THE EXTENT PERMITTED BY APPLICABLE LAW, AGREES TO DEFEND, INDEMNIFY, AND HOLD HARMLESS SUPPLIER AND ALL OF ITS SUBCONTRACTORS, AGENTS, OFFICERS, EMPLOYEES, OR OTHER REPRESENTATIVES (COLLECTIVELY, "**REPRESENTATIVES**") OF ANY TYPE FROM LIABILITY FOR ANY AND ALL LOSS, DAMAGE, OR EXPENSE OF ANY KIND OR TYPE, UNDER ANY LEGAL, EQUITABLE OR OTHER THEORY, THAT MAY OCCUR PRIOR TO, CONTEMPORANEOUSLY WITH, OR AFTER THE EXECUTION OF THIS AGREEMENT RELATED IN ANY WAY TO THE USE OF THE AED PRODUCTS AND AED SERVICES. THIS OBLIGATION INCLUDES (BUT IS NOT LIMITED TO) ANY CLAIM, DEMAND, SUIT, LIABILITY, DAMAGE, JUDGMENT, LOSS, EXPENSES, ATTORNEYS' FEES, AND COSTS, THAT MAY BE ASSERTED AGAINST OR INCURRED BY SUPPLIER OR ITS SUBCONTRACTORS, AGENTS, OFFICERS, EMPLOYEES, OR OTHER REPRESENTATIVES BY PARTICIPATING PUBLIC AGENCY OR ANY PERSON OR ENTITY NOT A PARTY TO THIS AGREEMENT (INCLUDING, BUT NOT LIMITED TO, PARTICIPATING PUBLIC AGENCY'S INSURANCE COMPANY, ADMINISTRATIVE BODY OR AUTHORITY, OR PARTICIPATING PUBLIC AGENCY'S EMPLOYEES) FOR ANY EXPENSE, LOSS, OR DAMAGE CAUSED BY OR CONTRIBUTED TO IN ANY WAY, OR ALLEGED TO BE CAUSED BY OR CONTRIBUTED TO IN ANY WAY, BY ANY ACT, OMISSION, OR FAULT OF SUPPLIER OR ITS SUBCONTRACTORS, AGENTS, OFFICERS, EMPLOYEES, OR OTHER REPRESENTATIVES. THIS OBLIGATION EXTENDS TO, WITHOUT LIMITATION, STATUTORY CIVIL DAMAGES, ECONOMIC DAMAGES, PERSONAL INJURY, DEATH, OR PROPERTY DAMAGE (REAL AND PERSONAL) ARISING OUT OF OR RELATED TO THIS AGREEMENT, INCLUDING (BUT NOT LIMITED TO) ANY CLAIMS BASED UPON BREACH OF THE AGREEMENT, STRICT LIABILITY, REQUESTS FOR OR RIGHTS OF SUBROGATION OR CONTRIBUTION, INDEMNIFICATION, WRONGFUL DEATH, AND NEGLIGENCE (WHETHER ACTIVE OR PASSIVE, AND INCLUDING CLAIMS BASED UPON SUPPLIER'S SOLE, PARTIAL, OR JOINT AND SEVERAL NEGLIGENCE OF ANY TYPE OR DEGREE), AND ANY OTHER CLAIM, WHETHER BASED UPON OR ARISING UNDER CONTRACT, TORT, LAW, OR EQUITY. PARTICIPATING PUBLIC AGENCY FURTHER RELEASES AND WAIVES ANY RIGHT OF SUBROGATION THAT IT, ANY INSURER, OR ANY OTHER THIRD PARTY MAY HAVE DUE TO OR FOR ANY SUCH CLAIM, LOSS, OR DAMAGE. THE PARTICIPATING PUBLIC AGENCY'S DEFENSE, HOLD HARMLESS AND INDEMNIFICATION OBLIGATIONS SHALL ALSO EXTEND TO INJURIES OR DEATH SUSTAINED BY PARTICIPATING PUBLIC AGENCY'S EMPLOYEES AND SHALL NOT BE LIMITED BY ANY APPLICABLE WORKERS' COMPENSATION LAW AND PARTICIPATING PUBLIC AGENCY EXPRESSLY WAIVES ANY STATUTORY OR CONSTITUTIONAL WORKERS' COMPENSATION IMMUNITY UNDER APPLICABLE LAW WHICH WOULD OTHERWISE LIMIT ITS INDEMNIFICATION OBLIGATIONS HEREUNDER. Supplier reserves the right to select counsel to represent it in any such action.

41. **Cleanroom Garments**. University will bear the full responsibility for selecting cleanroom apparel appropriate to its application. University hereby releases Supplier from any and all liability to University that results or might result from the failure of the cleanroom garment to function as intended.

42. **Eyewash Services**. The following terms and conditions shall apply to any Self-Contained The Safety Director® Station(s) ("Eyewash Station(s)") and any Eyewash Services (defined below) provided under this Agreement.

a. Service; Frequency. Supplier will provide periodic service visits to perform the actions identified in this Section 42.a ("Eyewash Service"). During each Eyewash Service, Supplier shall confirm the following relating to the Eyewash Station: (a) a sign is still present; (b) deployment manifold with both nozzles is in the upright position and both nozzles are covered; (c) water flows continuously from both nozzles; and (d) deployment occurs upon drop of manifold and water continuously flows without use of hands. Supplier shall also drain water from the Eyewash Station and replace the water with University-supplied potable water and add water additive solution. Upon completion of the Eyewash Service, Supplier shall apply a tamper-evident seal, and date and initial the service tag. Each Eyewash Service will be performed quarterly, with each Eyewash Service being completed within 120 days following the prior Eyewash Service. If University performs its own inspection and/or University identifies any concern with the Eyewash Products, University shall contact Supplier during normal business hours and Supplier will respond to University by the first business day following receipt of notice.

b. Scope and Limitations of Service. With each Eyewash Station, Supplier shall also provide: one stand; one fluid disposal cart; one eyewash identification sign; and one eyewash mat (together, including the Eyewash Station, the "Eyewash Products") The scope of Supplier's responsibilities under this Agreement is limited to delivering the Eyewash Products and performing Eyewash Services. University acknowledges that the scope of services expressly excludes: performance of a risk or hazard analysis of any kind or type; determining whether the Eyewash Station(s) exists on the same level as a hazard or is accessible within 10 seconds of any given hazard; monitoring the water temperature; providing regulatory guidance; or providing recommendations regarding the type, number, and placement or location of Eyewash Stations at University's facility. University further agrees that Supplier has no responsibility to monitor the condition of the Eyewash Products between Supplier's periodic service visits. University further acknowledges that it bears sole responsibility for ensuring that Eyewash Stations, Eyewash Products, and other eyewash equipment and other equipment at its facility satisfy ANSI, OSHA and all other applicable requirements. University expressly acknowledges that the status of the Eyewash Products can change at any time subsequent to a service visit by Supplier and that Supplier is not responsible or liable for any such change in status, including but not limited to any change in signage.

43. **Fire Services.** The following terms and conditions shall apply to any fire protection products and services provided under this Agreement:

a. Inspection. Supplier shall not be responsible for the consequences of University's failure to inspect the goods or services or for any defects, malfunctions, inaccuracies, insufficiencies or omissions. Where inspection and/or test services are provided, such inspection and/or test shall be documented on Supplier's then-current form, which shall be given to University, and, where required, Supplier may submit a copy thereof to the local authority having jurisdiction. The report and findings by Supplier ARE ONLY ADVISORY IN NATURE and are intended to assist University in reducing the risk of loss to property by indicating obvious defects or impairments noted to the system and equipment inspected and/or tested. It is University's responsibility to provide the Supplier with all municipal specific documentation and to ensure such municipal specific documentation for device certification is on site and available to Supplier at the time of inspection.

b. Deficiencies. REPORTED DEFICIENCIES ARE NOT INTENDED TO IMPLY THAT NO OTHER DEFECTS OR HAZARDS EXIST OR THAT ALL ASPECTS OF THE COVERED SYSTEM(S) ARE UNDER CONTROL AT THE TIME OF INSPECTION. RESPONSIBILITY FOR THE CONDITION AND OPERATION OF THE SYSTEM(S) LIES WITH THE UNIVERSITY. University shall promptly notify Supplier of any malfunction which comes to University's attention regarding the Systems.

c. Repair. This Agreement assumes the Systems and related equipment are in operational and maintainable condition as of the Agreement date. If, during the inspection process, Supplier determines that repairs are necessary, Supplier will perform those repairs subject to any applicable Not to Exceed (NTE) Allowance guidelines or notify the University with repair recommendations. Supplier shall have first right of refusal for all recommended repairs authorized by University. Supplier, at its option, may match any quotation provided to University by an alternate Supplier for the repair scope of work or alternate scope of work proposed by an alternate Supplier. Ensuring that recommended repairs are performed is the responsibility of the University. Supplier disclaims any liability which arises from repair recommendations which are not performed.

d. Limited Warranty. Because of the great number and variety of applications for which Supplier's goods and services are purchased, Supplier does not recommend specific applications or assume any responsibility for use, results obtained or suitability for specific applications. University is cautioned to determine the appropriateness of Supplier's goods and services for University's specific application before ordering and to test and evaluate thoroughly all goods before use. Supplier warrants that title to all goods sold by Supplier shall be good and marketable. Except for the warranties specifically set forth in this Agreement, THERE ARE NO OTHER WARRANTIES EXPRESSED OR IMPLIED IN CONNECTION WITH THE SALE OF GOODS AND SERVICES, INCLUDING ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. NO DISCLAIMER, EXCLUSION, LIMITATION OR MODIFICATION OF ANY OF THE AFORESAID WARRANTIES SHALL BE DEEMED EFFECTIVE UNLESS IN WRITING SIGNED BY SUPPLIER.

44. **Alarm Monitoring Services.** As it pertains to any Participating Public Agency's use of alarm monitoring services, the terms and conditions set forth in Exhibit A and all attached schedules shall apply. University is not using any alarm monitoring services under this Agreement and in no event shall Exhibit A and all attached schedules apply to University.

45. **Supplier Not an Insurer.** University agrees that neither Supplier nor its contractors or assignees, including, without limitation, those providing monitoring services, (collectively, "Subcontractors") are insurers and no insurance coverage is provided by this Agreement. UNIVERSITY ACKNOWLEDGES AND AGREES THAT SUPPLIER AND ITS CONTRACTORS DO NOT ASSUME ANY RESPONSIBILITY NOR SHALL THEY HAVE ANY LIABILITY FOR CLAIMS MADE AGAINST THEM CLAIMING THAT THEY ARE AN INSURER OF UNIVERSITY'S SYSTEMS, THE FAILURE OF SUCH SYSTEMS TO OPERATE EFFECTIVELY, OR ANY OTHER TYPE OF INSURANCE COVERAGE AS AN INSURER. University acknowledges that during the term of the Agreement, it will maintain a policy of insurance covering public liability, bodily injury, sickness or death, losses for property damage, fire, water damage, and loss of property in amounts that are sufficient to cover all claims of University for any losses sustained. Supplier shall not be responsible for any claims of University against the Subcontractors nor for any portion of any loss or damage that is required to be insured, is insured or insurable by University pursuant to this Section. In addition to the foregoing release and agreements, and to the extent permitted by applicable law, Participating Public Agency agrees to defend, indemnify, and hold Supplier harmless from any claims of Participating Public Agency against the Subcontractors and for any portion of any loss or damage that is required to be insured, is insured or insurable by Participating Public Agency pursuant to this Section.

University may satisfy its insurance obligations under the first paragraph of this Section 46 through a self-insurance program established under Neb. Rev. St. § 85-1,126 (the "Program"). Subject to the terms, conditions, exclusions, and limits of the Program, the Program shall pay on behalf of University, during any of its fiscal years, all sums for which University shall become legally obligated to pay as damages for liability occurrences, up to the limits of $1,000,000 per liability occurrence and $3,000,000 in the aggregate of liability occurrences in any fiscal year. The Program may be evidenced by a Statement of Self-Insurance Coverage.

46. **Limitation of Liability of Supplier.**

a. As it pertains to University, the following limitation of liability shall apply:

46.a.1. IF SUPPLIER OR ITS REPRESENTATIVES ARE HELD LIABLE FOR ANY REASON FOR ANY LOSS, INJURY, OR DAMAGES OF ANY KIND THAT ARISES OUT OF, RESULTS FROM, OR IS RELATED TO THIS AGREEMENT (INCLUDING, WITHOUT LIMITATION, LOSSES, INJURIES OR DAMAGES RESULTING FROM SUPPLIER'S SOLE OR PARTIAL NEGLIGENCE, WHETHER ACTIVE OR PASSIVE), UNIVERSITY AGREES AND WARRANTS THAT SUPPLIER'S AND ITS REPRESENTATIVE'S COLLECTIVE LIABILITY TO UNIVERSITY, ITS AGENTS, OFFICERS, DIRECTORS, AND EMPLOYEES SHALL BE LIMITED EXCLUSIVELY TO $2,000,000; PROVIDED, HOWEVER, THAT THE FOREGOING LIMITATION OF LIABILITY SHALL NOT APPLY TO: (1) DAMAGES ARISING FROM THE GROSS NEGLIGENCE OR WILLFUL MISCONDUCT OF SUPPLIER, ITS EMPLOYEES, ITS SUBCONTRACTORS, OR ITS AGENTS; (2) CLAIMS FOR PERSONAL INJURY, INCLUDING DEATH, ARISING FROM THE NEGLIGENCE OF SUPPLIER, ITS EMPLOYEES, ITS SUBCONTRACTORS, OR ITS AGENTS; (3) AND CLAIMS FOR DAMAGE TO REAL PROPERTY OR TANGIBLE OR INTANGIBLE PROPERTY ARISING FROM SUPPLIER'S ACTS OR OMISSIONS UNDER THE AGREEMENT. If University wishes to increase the limitation of liability, Supplier and University may negotiate a supplemental written agreement to increase the limit of Supplier's liability, but no such agreed upon increase to the limit of Supplier's liability shall be interpreted to find Supplier or its subcontractors or representatives to be insurers. Neither party shall be liable to the other or any other person for any incidental, punitive, speculative, or consequential damages of any type, including, but not limited to, loss of profits or business opportunity.

b. As it pertains to Participating Public Agencies, the following limitation of liability shall apply:

46.b.1. Participating Public Agency acknowledges that Supplier's service fees/purchase prices are based on the value of services or goods provided and the limited liability provided under this Agreement and not on the value of the Participating Public Agency's premises or its contents, or the likelihood or potential extent or severity of injury (including death) to Participating Public Agency or others. Participating Public Agency further acknowledges and agrees that Supplier cannot predict the potential amount, extent, or severity of any damages or injuries that Participating Public Agency or others may incur due to the failure of the goods, systems, or services to work as intended. IF SUPPLIER OR ITS REPRESENTATIVES ARE HELD LIABLE FOR ANY REASON FOR ANY LOSS, INJURY, OR DAMAGES OF ANY KIND THAT ARISES OUT OF, RESULTS FROM, OR IS RELATED TO THIS AGREEMENT (INCLUDING, WITHOUT LIMITATION, LOSSES, INJURIES OR DAMAGES RESULTING FROM SUPPLIER'S SOLE OR PARTIAL NEGLIGENCE, WHETHER ACTIVE OR PASSIVE), PARTICIPATING PUBLIC AGENCY AGREES AND WARRANTS THAT SUPPLIER'S AND ITS REPRESENTATIVE'S COLLECTIVE LIABILITY TO PARTICIPATING PUBLIC AGENCY, ITS AGENTS, OFFICERS, DIRECTORS, EMPLOYEES, INVITEES, AND ANY THIRD PARTY SHALL BE LIMITED EXCLUSIVELY TO 25% OF PARTICIPATING PUBLIC AGENCY'S SPEND IN THE TWELVE (12) MONTHS IMMEDIATELY PRECEDING THE DATE ON WHICH THE LIABILITY AROSE. If Participating Public Agency wishes to increase the limitation of liability, Supplier and Participating Public Agency may negotiate a supplemental written agreement to increase the limit of Supplier's liability, but no such agreed upon increase to the limit of Supplier's liability shall be interpreted to find Supplier or its subcontractors or representatives to be insurers. PARTICIPATING PUBLIC AGENCY AGREES THAT THE LIMITS ON THE LIABILITY OF SUPPLIER AND THE WAIVERS AND INDEMNITIES SET FORTH IN THIS AGREEMENT ARE A FAIR ALLOCATION OF RISKS AND LIABILITIES BETWEEN SUPPLIER, PARTICIPATING PUBLIC AGENCY, AND ANY OTHER AFFECTED PARTIES. PARTICIPATING PUBLIC AGENCY ACKNOWLEDGES AND AGREES THAT WERE SUPPLIER TO HAVE LIABILITY GREATER THAN THAT STATED ABOVE, IT WOULD NOT PROVIDE THE GOODS AND SERVICES. Neither party shall be liable to the other or any other person for any incidental, punitive, speculative, or consequential damages of any type, including, but not limited to, loss of profits or business opportunity.

47. **No Federal Contractor**. As a material condition of this Agreement, University represents and warrants that: (a) University is not an agency or instrumentality of the United States government; and (b) this Agreement does not constitute, and is not entered to support, a federal government contract,

subcontract or third party contract. In the event that this Agreement is considered or alleged to be a federal government contract, subcontract or third party contract, Supplier shall have the option unilaterally to terminate this Agreement without penalty. Further, in no event will Supplier act as a subcontractor under a U.S. federal prime contractor or a subrecipient under a U.S. federal grant or cooperative agreement in connection with this Agreement, whether as relates to the University or any other Participating Public Agency.

2. Exhibit A to Master Agreement, Alarm Monitoring Terms and Conditions (Inclusive of Schedules A and B)

Exhibit A
Alarm Monitoring Terms and Conditions

Cintas Corporation No. 2, d/b/a Cintas Fire Protection, and its parents, subsidiaries, and affiliates ("Cintas") agree to perform fire alarm monitoring services and other related services (collectively, "Monitoring Services") for a commercial signaling system ("System") located at the premises listed on Schedule A of this Alarm Monitoring Agreement (the "Premises") at the prices and on the terms and conditions set forth in this Alarm Monitoring Agreement ("Alarm Monitoring Agreement"). In the event of a conflict on inconsistency between terms and conditions in this Alarm Monitoring Agreement and the terms and conditions set forth in the master Agreement between Cintas and Customer, this Alarm Monitoring Agreement shall control with respect to any Monitoring Services.

		x		x 12 =	/year
			TOTAL ANNUAL COST	=	/year
			/one time		
			/one time		
			/one time		
			TOTAL ONE TIME	=	

1. Annual Monitoring Fee. Cintas bills annually for monitoring services. The Customer must pay a one-time service activation fee and the entire annual monitoring fee, both of which are due thirty (30) days prior to the Alarm Monitoring Agreement Effective Date. Upon request to Cintas and Cintas's written approval, Customer may be permitted to pay the annual maintenance fee in periodic payment. If periodic payments are elected, Customer must pay the one-time service activation fee and first periodic payment thirty (30) days prior to the Alarm Monitoring Agreement Start Date. Subsequent periodic payments are due upon receipt of each invoice. Quarterly or monthly payments shall include a surcharge of 4% per payment. For any payment that is not paid within thirty (30)days of the invoice date, Cintas shall be entitled to assess, and Customer shall pay, a service charge of 5% of the amount of the unpaid amount due and a finance charge of 1-1/2% per month on the unpaid amount due. Cintas has the right to increase periodic charges at any time or times (i) after expiration of one (1) year from the Alarm Monitoring Agreement Start Date; provided, that any increase shall not exceed the greater of 6% or the increase in CPI for all urban consumers in the United States for the period since any prior increase and (ii) at any time for any new or increased pass-through fees, costs and expenses.
2. Rented Cintas Net Equipment. For rented Cintas Net units, Cintas shall retain exclusive ownership, title, and control of the Cintas Net units at all times. If repair or replacement of the Cintas Net units is required for any reason other than ordinary wear and tear, the Customer shall pay for any such repair or replacement at Cintas's then-prevailing charges for time and/or material. For purposes of this paragraph, "ordinary wear and tear" does not include obsolete units or units that have reached the end of their useful life.

3. False Alarms. In the event the System is activated for any reason, other than activation caused by Cintas during a service inspection, Customer shall pay or reimburse Cintas for any and all fees, fines, costs, expenses, penalties and other charges assessed against Customer or Cintas pursuant to any law or by any governmental entity, court, or administrative agency.
4. Emergency Contact Information. Customer shall (i) furnish Cintas with all contact information for the Monitoring Services to Cintas in writing, including contact numbers for the person(s) identified by Customer as Customer's emergency contacts ("Customer Contacts") and contact numbers for the responsible police, sheriff, fire, medical, ambulance, guard, patrol, and response services and other governmental, private, or volunteer departments and organizations ("First Responders") requested on the Customer's Contact and First Responder's List, attached as Schedule "B" of this Alarm Monitoring Agreement ("Call List") and (ii) keep all information on the Call List current by submitting any changes in writing to the servicing Cintas location. Customer acknowledges and agrees that no such submission is deemed complete or effective until it receives written acknowledgment from Cintas that the information or changes have been received and entered. Customer further acknowledges and agrees that it has the sole responsibility for determining and providing the proper emergency contact information to Cintas in writing, regardless of whether it has Schedule "B" of the Alarm Monitoring Agreement available. Customer acknowledges that it can contact Cintas if it requires copies of Schedule B to comply with the provisions of this paragraph. Customer further acknowledges and agrees that Cintas has no responsibility for determining, evaluating, or confirming whether the "First Responders" identified are the proper or responsible authority for the Premises in question or whether any of the contact information provided is correct. Customer acknowledges and agrees that Cintas will rely solely upon the contact information provided by customer to perform the Monitoring Services. Customer bears all responsibility in the event that any of the information listed on the Call List is incorrect, inaccurate, expired, or illegible/unintelligible.
5. Term; Renewal. The Term of this Alarm Monitoring Agreement shall match the term of the master Agreement.
6. Cancellation. Customer may terminate this Alarm Monitoring Agreement or the Monitoring Service to any Premises covered by this Alarm Monitoring Agreement for its convenience at anytime with a sixty (60) day advance written notification. With the notice, Customer shall pay to Cintas (i) all charges then due, and (ii) 90% of all periodic payments which would be due for the unexpired term of this Alarm Monitoring Agreement, if this Alarm Monitoring Agreement is terminated, or the unexpired term related to the Premises, as liquidated damages and not as a penalty. Cintas shall have no further obligation to perform Monitoring Services for the Premises on and after the termination date, whether under this Alarm Monitoring Agreement or any obligation at law or in equity. In addition, for rented Cintas Net Units, on and after the last date of Monitoring Services, Customer shall permit Cintas access to the Premises during regular business hours to remove any and all such Cintas Net units. Customer shall pay Cintas $1,500 per Cintas Net unit that is damaged or is determined, in Cintas's sole and absolute discretion, to be not in good and proper working order after it is removed from the Premises.
7. Subcontractors. Cintas may subcontract the services to be performed under this Alarm Monitoring Agreement. Customer acknowledges and agrees that all provisions of this Alarm Monitoring Agreement inure to the benefit of and are applicable to any subcontractors engaged by Cintas to provide any service to Customer ("Subcontractor") and that they bind Customer to each such Subcontractor(s) with the same force and effect as they bind Customer to Cintas. (Accordingly, when used in this Alarm Monitoring Agreement, the term "Cintas" includes any such Subcontractors, Cintas employees, and agents.) Customer acknowledges that Subcontractors are independent companies and have no affiliation with Cintas. Customer irrevocably appoints Cintas as its agent to communicate with the Subcontractor(s)concerning all matters related to this Alarm Monitoring Agreement including, without limitation, Monitoring Services.
8. Monitoring Services. Customer acknowledges and agrees that the scope of the Monitoring Services Cintas has agreed to provide pursuant to this Alarm Monitoring Agreement is limited. For the purposes of this Alarm Monitoring Agreement, Cintas's Monitoring Service personnel ("Operators") will only (i) monitor a computer screen that may display specific codes ("Listed Codes") transmitted by Customer's alarm system at the Premises and/or (ii) monitor incoming telephone calls for voice communications from the Premises requesting assistance ("Voice Communications"), as applicable. Upon receiving Listed Codes or Voice Communications that, in the Operator's sole and absolute discretion, clearly and unambiguously constitute a valid alarm condition or request for assistance, the Operator is only required to communicate electronically and/or telephonically with First Responders or call by telephone the telephone numbers supplied by Customer in writing on the Call List within a reasonable period of time, given the circumstances existing at that time at the monitoring facility and the priority of the Listed Codes and/or Voice Communications. Customer understands and agrees that no Monitoring Services shall or need be rendered for signals received that are not Listed Codes or for Voice Communications that do not clearly and unambiguously request assistance, in Cintas's sole and absolute determination. Notwithstanding anything contained herein to the contrary, (a) upon receipt of a Listed Code or Voice Communication, and prior to contacting and/or telephoning First Responders, Cintas may, in its sole and absolute discretion and without any liability, contact or attempt to contact the Premises and/or the Customer Contacts (whether by telephone, electronic mail, or other contact information provided by Customer) as frequently as Cintas(in its sole and absolute discretion) deems appropriate to verify the necessity to report the receipt of a Listed Code or Voice Communication to the First Responders and/or the Customer Contacts, and (b) upon receipt of an abort code or Voice Communication from the Premises, the Customer, a Customer representative, a First Responder, and/or a Customer Contact, Cintas may, in its sole and absolute discretion and without any liability, refrain from contacting First Responders or advise First Responders of receipt of an abort code or Voice Communication or other communication instructing Cintas and/or First Responders to disregard the receipt of a Listed Code. Customer irrevocably agrees that any person at the Premises, Customer's representatives, and all of the Customer Contacts and First Responders have Customer's authority and consent to instruct Cintas to disregard the receipt of a Listed Code and/or Voice Communication informing of an alarm condition or otherwise requesting assistance. Customer acknowledges and agrees that Cintas has no responsibility for providing, establishing, determining, auditing, or otherwise evaluating in any way the Listed Codes that are provided and/or by Customer's system. Customer, for him/her/itself and as the authorized agent of his/her/its representatives and each person on the Customer's Call List at any time, consents to Cintas (i) calling each such person's cell phone, other mobile

device, or phone of any type; (ii) using automatic dialers; and (iii)using a technology known as "robocalling" (unless such person notifies Cintas that he/she opts out of this clause (iii))

Customer acknowledges and agrees that Cintas's efforts to notify First Responders shall be satisfied by attempting telephone contact with any person answering the telephone at the telephone number(s) provided to Cintas in writing or by leaving a message with a telephone answering service or any mechanical, electrical, electronic or other technology permitting the recording of voice and/or data communications. Customer acknowledges and agrees that in no event is Cintas respons ble for documenting its attempts to make the contact(s) referred to herein; to make any specific number of attempts at such contact(s); or for ensuring or documenting a response to any such attempted contact(s).

If the Premises is/are located in a jurisdiction that requires a personal verified on-site response ("Verified Response") prior to dispatching a Proper Authority, Customer has the sole responsibility to engage a service to provide such Verified Response. All fees, costs, and expenses incurred in obtaining or providing a Verified Response shall be borne solely by Customer. Customer understands and agrees that First Responders may not be dispatched or respond to the Premises after notice to First Responders unless there is independent confirmation of an incident at the Premises, such as an on-site witness's report, that a reason for response exists.

Customer further acknowledges and agrees that (i) all software, hardware, firmware, codes, data, audio and voice communications, video images, information and documentation arising out of or from, in connection with, related to, as a consequence of, or resulting from execution of this Alarm Monitoring Agreement or the Monitoring Services (collectively, "Intellectual Property") are the sole and exclusive property of Cintas, and Customer has no rights whatsoever in any of the Intellectual Property, and (ii) Cintas shall have the right, in its sole and absolute discretion, to destroy, delete, erase, or otherwise compromise (collectively, "Destruction") the Intellectual Property at any time without notice to Customer. If Cintas receives a written request from Customer to retain any specific Intellectual Property prior to the Destruction thereof, Cintas agrees to use commercially reasonable efforts to store the specific Intellectual Property as requested by Customer on the condition precedent that Customer pay all fees, costs, and expenses of any kind related to the request.

9. Run-Away Systems. If Cintas notifies Customer by telephone, electronically, or otherwise that its System is excessively transmitting signals to Cintas's monitoring facility (a "Run-Away System") and Customer fails to (i) immediately authorize Cintas to provide repair service to the Run-Away System, and (ii) provide reasonable unrestricted access to the Premises and the Run-Away System within four (4) hours after such notice, Customer agrees to pay to Cintas its then-prevailing charges for each signal transmitted to Cintas's monitoring facility by the Run-Away System.
10. **DISCLAIMER OF WARRANTIES AND REPRESENTATIONS.** Because of the great number and variety of applications for which Cintas's goods and services are purchased, Cintas does not design goods or services, does not recommend specific applications of goods or services, or and does not assume any responsibility for use, results obtained, or suitability for specific applications of goods or services. Customer acknowledges and agrees that Cintas has not made any representations or warranties to Customer regarding any fire suppression system or alarm system (or components thereof) at the Premises, its fitness for any purpose, or its suitability or effectiveness as designed. Customer further acknowledges and agrees that it has the sole responsibility for determining the appropriateness of Cintas's goods and services for Customer's specific application(s) before ordering and to test and evaluate thoroughly all goods before use. Cintas warrants that title to all goods it sells to Customer shall be good and marketable. CUSTOMER ACKNOWLEDGES AND AGREES THAT CINTAS MAKES NO GUARANTEES, REPRESENTATIONS, OR OTHER WARRANTIES OF ANY KIND, EXPRESSED OR IMPLIED, IN CONNECTION WITH THE SALE OF THE GOODS AND/OR SERVICES PURSUANT TO THIS ALARM MONITORING AGREEMENT, INCLUDING (BUT NOT LIMITED TO) ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, OTHER THAN AS SPECIFICALLY ENUMERATED ELSEWHERE IN THIS ALARM MONITORING AGREEMENT. NO MODIFICATION, WAIVER, OR AMENDMENT OF THIS DISCLAIMER SHALL BE DEEMED EFFECTIVE UNLESS MADE IN A WRITING DRAFTED BY CINTAS FOR THIS EXPRESS PURPOSE THAT IS (I) SIGNED BY CINTAS, (II) EXPLICITLY USES THE TERM "WARRANTY" IN ITS TITLE, (III) SPECIFICALLY REFERENCES THIS ALARM MONITORING AGREEMENT; AND (IV) EXPLICITLY AND UNAMBIGUOUSLY DESCRIBES WHAT ADDITIONAL WARRANTY(IES) ARE BEING OFFERED TO CUSTOMER PURSUANT TO THIS ALARM MONITORING AGREEMENT. CUSTOMER FURTHER AGREES THAT THIS EXPLICITLY EXCLUDES ANY OF CINTAS'S SALES MATERIALS, CIRCULARS, WEBSITES, OR OTHER ADVERTISING MATERIALS OF ANY TYPE FROM CREATING ANY WARRANTIES UNDER THIS ALARM MONITORING AGREEMENT, AND CUSTOMER WARRANTS THAT IT IS NOT RELYING UPON ANY SUCH MATERIALS FOR THIS PURPOSE.
11. **CINTAS NOT AN INSURER; CUSTOMER'S OBLIGATION TO OBTAIN INSURANCE AS SOLE RECOVERY FOR ANY LOSS AND WARRANTY OF SAME.** Customer acknowledges and agrees that neither Cintas nor its Subcontractors or assignees, including, without limitation, those providing monitoring services are insurers and that no insurance coverage is provided by this Alarm Monitoring Agreement. CUSTOMER ACKNOWLEDGES AND AGREES THAT CINTAS ASSUMES NO RESPONSIBILITY FOR, NOR SHALL IT HAVE ANY LIABILITY FOR, CLAIMS MADE AGAINST IT CLAIMING THAT IT IS AN INSURER OF CUSTOMER'S SYSTEMS OR ANY OTHER PROPERTY FOR ANY PURPOSE, INCLUDING, BUT NOT LIMITED TO, THE FAILURE OF SUCH SYSTEMS TO OPERATE EFFECTIVELY OR AS DESIGNED. Customer acknowledges that during the term of the Alarm Monitoring Agreement, it is the specific intent of the parties that the Customer will obtain and maintain insurance coverage with minimum coverage of at least two million dollars (U.S.), at the Customer's expense, that will cover any and all losses, damages, and expense arising out of or from, in connection with, related to, as a consequence of, or resulting from this Alarm Monitoring Agreement in any way, including, but not limited to, public liability, bodily injury, sickness or death, losses for property damage, fire, water damage, and loss of property, and Customer agrees to and warrants that it will obtain and maintain such insurance coverage at all times at no cost to Cintas. Customer shall name Cintas as an additional insured by endorsement on any

such policy(ies). This endorsement shall be without limitation or restriction of any type, and Cintas shall be exempt from, and in no way liable for, any sums of money related to this policy(ies) and associated coverage of any type, including, but not limited to, premium payments, deductible, co-payments, or self-insured retention, all of which are the sole respons bility of Customer. Customer agrees that recovery for all such injuries, losses, and damages shall be limited to this insurance coverage only and that it will look exclusively to its insurer(s) to recover for any such injuries, losses, and damages. CUSTOMER RELEASES AND AGREES TO INDEMNIFY AND HOLD HARMLESS CINTAS FROM AND AGAINST ALL COSTS, EXPENSES (INCLUDING REASONABLE ATTORNEY'S FEES), AND LIABILITY ARISING FROM CLAIMS REQUIRED TO BE COVERED BY INSURANCE PURSUANT TO THIS SECTION, INCLUDING ANY CLAIMS FOR DAMAGES ATTRIBUTABLE TO PUBLIC LIABILITY, BODILY INJURY, SICKNESS, OR DEATH, OR THE DESTRUCTION OF ANY REAL OR PERSONAL PROPERTY, INCLUDING, BUT NOT LIMITED TO, THOSE THAT ARE ATTRIBUTABLE TO CINTAS'S PARTIAL OR SOLE NEGLIGENCE. CUSTOMER FURTHER RELEASES AND WAIVES ANY RIGHT OF SUBROGATION THAT IT, ANY INSURER, OR ANY OTHER THIRD PARTY MAY HAVE DUE TO OR FOR ANY SUCH CLAIM, LOSS, OR DAMAGE. CINTAS SHALL NOT BE RESPONSIBLE FOR ANY CLAIMS OF CUSTOMER, ANY LOSSES, OR ANY DAMAGES THAT IS REQUIRED TO BE INSURED UNDER THIS ALARM MONITORING AGREEMENT, IS INSURED, OR IS INSURABLE. CUSTOMER AGREES TO INDEMNIFY CINTAS AGAINST ANY AND ALL SUCH CLAIMS, INCLUDING CLAIMS OF THIRD PARTIES, THAT MAY ARISE THAT ARE RELATED TO THE ALARM MONITORING AGREEMENT OR THE PROVISION OF THE SERVICES IN ANY WAY THAT MAY ARISE DUE TO CUSTOMER'S BREACH OF THESE OBLIGATIONS.

12. RELEASE AND INDEMNIFICATION OF CINTAS BY CUSTOMER. CUSTOMER RELEASES AND AGREES TO DEFEND, INDEMNIFY, AND HOLD HARMLESS CINTAS AND ANY/ALL OF ITS SUBCONTRACTORS, AGENTS, OFFICERS, EMPLOYEES, OR OTHER REPRESENTATIVES OF ANY TYPE FROM LIABILITY FOR ANY AND ALL LOSS, DAMAGE, OR EXPENSE OF ANY KIND OR TYPE, UNDER ANY LEGAL, EQUITABLE OR OTHER THEORY, THAT MAY OCCUR PRIOR TO, CONTEMPORANEOUSLY WITH, OR AFTER THE EXECUTION OF THIS ALARM MONITORING AGREEMENT RELATED IN ANY WAY TO THE SUBJECT MATTER OF THIS ALARM MONITORING AGREEMENT OR PERFORMANCE UNDER THE ALARM MONITORING AGREEMENT, INCLUDING (BUT NOT LIMITED TO) THE IMPROPER OPERATION OR NON-OPERATION OF THE FIRE SUPPRESSION, ALARM, MONITORING OR OTHER SYSTEM(S) OR ANY FAILURE OF THE MONITORING SERVICE FOR ANY REASON WHATSOEVER. THIS OBLIGATION INCLUDES (BUT IS NOT LIMITED TO) ANY CLAIM, DEMAND, SUIT, LIABILITY, DAMAGE, JUDGMENT, LOSS, EXPENSES, ATTORNEY'S FEES, AND COSTS, THAT MAY BE ASSERTED AGAINST OR INCURRED BY CINTAS OR ITS SUBCONTRACTORS, AGENTS, OFFICERS, EMPLOYEES, OR OTHER REPRESENTATIVES BY CUSTOMER OR ANY PERSON OR ENTITY NOT A PARTY TO THIS ALARM MONITORING AGREEMENT (INCLUDING, BUT NOT LIMITED TO, CUSTOMER'S INSURANCE COMPANY, ADMINISTRATIVE BODY OR AUTHORITY, OR CUSTOMER'S EMPLOYEES) FOR ANY EXPENSE, LOSS, OR DAMAGE CAUSED BY OR CONTRIBUTED TO IN ANY WAY, OR ALLEGED TO BE CAUSED BY OR CONTRIBUTED TO IN ANY WAY, BY ANY ACT, OMISSION, OR FAULT OF CINTAS OR ITS SUBCONTRACTORS, AGENTS, OFFICERS, EMPLOYEES, OR OTHER REPRESENTATIVES. THIS OBLIGATION EXTENDS TO, WITHOUT LIMITATION, STATUTORY CIVIL DAMAGES, ECONOMIC DAMAGES, PERSONAL INJURY, DEATH, OR PROPERTY DAMAGE (REAL AND PERSONAL) ARISING OUT OF OR RELATED TO THIS ALARM MONITORING AGREEMENT, INCLUDING (BUT NOT LIMITED TO) ANY CLAIMS BASED UPON BREACH OF THE ALARM MONITORING AGREEMENT, STRICT LIABILITY, REQUESTS FOR OR RIGHTS OF SUBROGATION OR CONTRIBUTION, INDEMNIFICATION, WRONGFUL DEATH, AND NEGLIGENCE (WHETHER ACTIVE OR PASSIVE, AND INCLUDING CLAIMS BASED UPON CINTAS'S SOLE, PARTIAL, OR JOINT AND SEVERAL NEGLIGENCE OF ANY TYPE OR DEGREE), AND ANY OTHER CLAIM, WHETHER BASED UPON OR ARISING UNDER CONTRACT, TORT, LAW, OR EQUITY. CUSTOMER FURTHER RELEASES AND WAIVES ANY RIGHT OF SUBROGATION THAT IT, ANY INSURER, OR ANY OTHER THIRD PARTY MAY HAVE DUE TO OR FOR ANY SUCH CLAIM, LOSS, OR DAMAGE. CINTAS RESERVES THE RIGHT TO SELECT COUNSEL TO REPRESENT ITSELF IN ANY SUCH ACTION.

13. DISCLAIMER/LIMITATION OF LIABILITY. CUSTOMER UNDERSTANDS AND AGREES AS FOLLOWS: (I) NEITHER CINTAS NOR ITS DIRECTORS, OFFICERS, SHAREHOLDERS, PARTNERS OR EMPLOYEES (COLLECTIVELY, "REPRESENTATIVES") IS AN INSURER; (II) IT IS THE SPECIFIC INTENT OF THE PARTIES THAT (A) INSURANCE COVERING ALL LOSS, DAMAGE AND EXPENSE ARISING OUT OF OR FROM, IN CONNECTION WITH, RELATED TO, AS A CONSEQUENCE OF OR RESULTING FROM THIS ALARM MONITORING AGREEMENT, SHALL BE OBTAINED AND CONTINUOUSLY MAINTAINED BY THE CUSTOMER, (B) RECOVERY FOR ALL SUCH LOSS, DAMAGE AND EXPENSE SHALL BE LIMITED TO ANY SUCH INSURANCE COVERAGE ONLY, AND (C) CINTAS AND REPRESENTATIVES ARE RELEASED FROM ANY AND ALL LIABILITY FOR ALL SUCH LOSS, DAMAGE AND EXPENSE; (III) CINTAS AND REPRESENTATIVES, EXCEPT AS SET FORTH HEREIN, MAKE NO GUARANTEE, REPRESENTATION OR WARRANTY INCLUDING, WITHOUT LIMITATION, ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR PURPOSE; (IV) CINTAS AND REPRESENTATIVES ARE RELEASED FOR ALL LOSS, DAMAGE OR EXPENSE WHICH MAY OCCUR PRIOR TO, CONTEMPORANEOUSLY WITH, OR SUBSEQUENT TO THE EXECUTION OF THIS ALARM MONITORING AGREEMENT DUE TO THE IMPROPER OPERATION OR NON-OPERATION OF THE SYSTEM (INCLUDING, WITHOUT LIMITATION OR EXAMPLE, THE COMMUNICATIONS EQUIPMENT OR SERVICES NECESSARY TO TRANSMIT TO OR FROM OR RECEIVE ANY DATA AT THE PREMISES OR THE MONITORING FACILITY); AND (V) SHOULD THERE ARISE ANY LIABILITY ON THE PART OF CINTAS OR REPRESENTATIVES FOR ECONOMIC LOSSES, PERSONAL INJURY, INCLUDING DEATH, OR PROPERTY DAMAGE (REAL OR PERSONAL) WHICH IS IN CONNECTION WITH, ARISES OUT OF OR FROM, RESULTS FROM, IS RELATED TO OR IS A CONSEQUENCE OF THE ACTIVE OR PASSIVE SOLE, JOINT OR SEVERAL NEGLIGENCE OF ANY KIND OR DEGREE OF CINTAS OR REPRESENTATIVES INCLUDING, WITHOUT LIMITATION, ACTS, ERRORS OR OMISSIONS WHICH OCCUR PRIOR TO, CONTEMPORANEOUSLY WITH OR SUBSEQUENT TO THE EXECUTION OF THIS ALARM MONITORING AGREEMENT, OR BREACH OF THIS ALARM MONITORING AGREEMENT, OR ANY CLAIM BROUGHT IN PRODUCT OR STRICT LIABILITY, SUBROGATION, CONTRIBUTION OR INDEMNIFICATION, WHETHER IN CONTRACT, TORT OR EQUITY, INCLUDING, WITHOUT

LIMITATION, ANY GENERAL, DIRECT, SPECIAL, INCIDENTAL, EXEMPLARY, PUNITIVE, STATUTORY OR CONSEQUENTIAL DAMAGES, IRRESPECTIVE OF CAUSE, SUCH LIABILITY SHALL BE LIMITED TO THE MAXIMUM SUM OF $1,000.00 COLLECTIVELY FOR CINTAS AND REPRESENTATIVES, AND THIS LIABILITY SHALL BE EXCLUSIVE. IF CUSTOMER WISHES TO INCREASE THE LIMITATION OF LIABILITY, CINTAS AND CUSTOMER MAY NEGOTIATE A SUPPLEMENTAL WRITTEN AGREEMENT TO INCREASE THE LIMIT OF CINTAS'S LIABILITY BUT NO SUCH AGREED UPON INCREASE TO THE LIMIT OF CINTAS'S LIABILITY SHALL BE INTERPRETED TO FIND CINTAS OR ITS SUBCONTRACTORS OR REPRESENTATIVES TO BE INSURERS.

14. Central Control Panel. Customer understands, acknowledges, and agrees that Customer shall provide an undamaged and fully operational System compliant with law including, without limitation, a central control panel compliant with law (the "Panel") useable by Cintas without any cost or expense to Cintas, e.g., if the Panel is programmed with proprietary data and not fully accessible or useable by Cintas, Customer shall promptly have the Panel reprogrammed so that it is fully accessible and useable by Cintas or, if necessary, replaced by Customer or replaced by Cintas at an additional charge to Customer.
15. Communication Path and Signals, Electrical Connections, and Systems. Customer acknowledges and agrees that during the term of this Alarm Monitoring Agreement, it is Customer's sole responsibility to provide and maintain the communication path (e.g., telephone lines, radio signal path, VOIP, etc.) for all monitoring signals. In all cases, Customer acknowledges and agrees that it has the sole responsibility to provide and maintain all required dedicated electrical connections to the System and equipment necessary or as required by applicable local, state, NFPA, insurance, and any other applicable standards and codes. Customer further acknowledges and agrees that Cintas has no responsibility to notify Customer of any failures in the communication path or signals received, including, but not limited to, failures of the System to send any periodic confirmation that the communication path and/or System is operational.
16. NO WARRANTIES OR REPRESENTATIONS BY CINTAS REGARDING SYSTEM. CUSTOMER ACKNOWLEDGES AND AGREES THAT CINTAS HAS NOT MADE ANY REPRESENTATION OR WARRANTIES (EXPRESS OR IMPLIED) TO CUSTOMER OF ANY KIND REGARDING THE SYSTEM AT THE PREMISES IDENTIFIED UNDER THIS ALARM MONITORING AGREEMENT, INCLUDING, BUT NOT LIMITED TO, ITS FITNESS FOR ANY PURPOSE, ITS MERCHANTABILITY, OR ITS SUITABILITY OR EFFECTIVENESS AS AN ALARM SYSTEM. UNDER THE TERMS OF THIS ALARM MONITORING AGREEMENT, NEITHER CINTAS NOR ANY SUBCONTRACTOR IS RESPONSIBLE FOR THE MAINTENANCE, SERVICE, REPAIR, OR OPERATION OF THE SYSTEM AND SHALL NOT BE LIABLE FOR ANY FAILURE OR MALFUNCTION OF THE SYSTEM TO DETECT AND COMMUNICATE SIGNALS TO THE MONITORING FACILITY.
17. Suspension of Service. Customer agrees that (i) Cintas's obligations hereunder are waived automatically without notice, and (ii) Cintas is released for and from all loss, damage, and expense in the event of a default or breach of this Alarm Monitoring Agreement by Customer or if the monitoring facility, transmission medium between the System and the monitoring facility, or the System are destroyed, damaged, altered, rendered inoperable, or malfunction for any reason whatsoever, for the duration of such interruption of service, and Customer shall be entitled to reimbursement of the unearned charge paid for the period of interruption upon Customer's request. CUSTOMER AGREES THAT THIS SHALL BE THE LIMIT OF CINTAS'S LIABILITY FOR ANY SUCH EVENT.
18. Delay or Interruption of Service. Cintas and its Subcontractors shall not be liable for delays in or interruption of Monitoring Service caused, in whole or in part, by riots, strikes, lockouts, other labor disputes, civil unrest, terrorism, war (declared or undeclared), insurrections, weather, natural phenomena, earthquakes, lightning, storms, power failures, hurricanes, tornadoes, interruption of communications (including, but not limited to, telephone, cable, cellular, satellite, internet, radio service or the malfunction of any or all such communications or communication devices for any reason whatsoever), acts of God, social instability, casualty, governmental orders, laws, rules, regulations, transportation, environmental conditions, or any other causes beyond the reasonable control of Cintas or its Subcontractors ("Force Majeure"), and all Monitoring Services shall be suspended during Force Majeure. Customer acknowledges and agrees that during any interruption of Monitoring Services for any reason including, without limitation, Force Majeure, Cintas has no duty or obligation to notify Customer of any such interruption or to supply Customer with alternative or substitute Monitoring Services, and has no liability for declining or failing to do so.
19. Consent to Intercept, Record, Disclose and Use Contents of Communications. Customer, for itself and as the authorized agent of its employees, invitees, guests, and representatives (individually and collectively, "Any Person"), consents to Cintas and any Subcontractor recording, retrieving, reviewing, copying, disclosing, and/or using the contents of all telephone and other forms of transmission or communication to which Customer and/or Any Person and Cintas or any Subcontractor are parties.
20. Default of Customer. In the event of any default by Customer, without limiting the rights of Cintas under this Alarm Monitoring Agreement or at law or equity, Cintas shall be entitled to retain all prepayments received, and Customer shall immediately pay to Cintas (i) all payments then due and payable, and (ii) ninety percent(90%) of all payments which would be due under this Alarm Monitoring Agreement for the unexpired term as liquidated damages and not as a penalty. In any such event, Cintas shall have no further obligation to perform under this Alarm Monitoring Agreement. In addition, if any suit or alternative dispute resolution proceeding is instituted and Cintas is the substantially prevailing party by judgment, award, finding, or settlement, Customer shall pay directly or reimburse Cintas for all of its costs and expenses, including, without limitation or example, consultants' and professionals' fees and costs including, without limitation or example, reasonable attorneys' fees and costs.
21. Governing Law. To the greatest extent permitted by law, this Alarm Monitoring Agreement shall be governed by the laws of the Customer is located, and it explicitly excludes any reference or resort to choice of law rules that suggest or require that the laws of another jurisdiction be applied.
22. Intentionally Omitted.
23. LIMITATION OF ACTION. ANY ACTION BY CUSTOMER AGAINST CINTAS OR ANY SUBCONTRACTOR MUST BE COMMENCED WITHIN ONE YEAR OF THE ACCRUAL OF THE CAUSE OF ACTION OR THE ACTION SHALL BE BARRED, REGARDLESS OF ANY OTHER STATUTE OF LIMITATION OR REPOSE THAT MAY APPLY TO THE CLAIM UNDER STATE OR FEDERAL LAW.

24. Authority to Execute Alarm Monitoring Agreement. Each party represents and warrants to the other party that (i) the execution, delivery, and performance of this Alarm Monitoring Agreement have been duly authorized by all necessary entity action(s), and (ii) this Alarm Monitoring Agreement constitutes a valid and binding obligation as to it, enforceable against it in accordance with its terms. The person signing this Alarm Monitoring Agreement on behalf of Customer expressly represents and warrants that he or she has all authority necessary to bind Customer to its terms.
25. Assignment. This Alarm Monitoring Agreement cannot be assigned by the Customer without the prior written consent of Cintas, which will not be unreasonably withheld. Cintas has the right to assign this Alarm Monitoring Agreement, and it may do so in its sole and absolute discretion. The Alarm Monitoring Agreement shall inure to the benefit of and be binding on the parties and their respective successors and permitted assigns
26. Waiver. No waiver of any provision of this Alarm Monitoring Agreement by a party shall be valid unless the same is in writing and signed by the party against whom it is sought to be enforced. No waiver of any provision of this Alarm Monitoring Agreement at any time will be deemed a waiver of any other provision of this Alarm Monitoring Agreement at such time, nor will it be deemed a waiver of that same provision at any other time.
27. Severability. The invalidity or unenforceability of any provision, section, or portion of a section of this Alarm Monitoring Agreement shall not affect the validity or enforceability of any other provision or section; provided, however, in the event one or more of the paragraphs "Disclaimer of Warranties and Representations," "Cintas Not an Insurer; Customer's Obligation To Obtain Insurance As Sole Recovery For Any Loss And Warranty Of Same," "Release And Indemnification Of Cintas By Customer," "Limitation Of Cintas's Liability; Liquidated Damages," and/or "No Warranties Or Representations By Cintas Regarding System" (or any portion thereof) are held by a court or other authority to be invalid or unenforceable (whether in an action involving the parties, any action involving Cintas, or any other action involving similar provisions), Cintas shall have the right to terminate this Alarm Monitoring Agreement without any liability of any type upon thirty (30) days prior written notice to Customer. Furthermore, the parties agree that in the event any of the interest rate provisions, cancellation fees, rate increases, renewal term lengths, or any other calculation of amounts due and owing Cintas under Paragraphs 1, 5, 6, or 20 are deemed to be excessive and/or unenforceable under applicable law, any such rate, fee, increase, term, or other calculation will be reduced to the maximum rate, value, or amount permitted by applicable law and will be binding upon them.
28. Prior Agreements With Others. Customer represents and warrants that (i) its cancellation or termination of any contract, and/or (ii) its execution of this Alarm Monitoring Agreement does not breach and will not breach any contract with or obligation to any other person. Customer agrees to protect, defend, indemnify, and hold harmless Cintas from and against and pay (without any condition that Cintas first pay) for all claims, demands, suits, liabilities, losses, damages, judgments, costs, and expenses, including, without limitation, attorneys' fees and court costs, arising out of or from, in connection with, as a result of, related to, or as a consequence of Customer's breach of this representation and warranty.
29. Updated Terms and Conditions and Policies. Customer acknowledges and agrees that Cintas may send copies of its various policies to Customer, including, but not limited to, amendments to these Terms and Conditions via e-mail or make them available via a web portal or other similar mechanism and that these policies are incorporated and made part of this Alarm Monitoring Agreement. To be effective, however, amendments to the Terms and Conditions must be expressly referred to as such in the e-mail, web portal, or other similar mechanism. Customer acknowledges and agrees that its continued request for service pursuant to this Alarm Monitoring Agreement and/or use and/or acceptance of the goods and/or services provided under this Alarm Monitoring Agreement constitute acceptance of any such updated Terms and Conditions and/or policies.
30. Internet Services. Cintas grants to Customer a non-exclusive, non-transferable license to use the Cintas portal via the Internet to access, input, delete, and modify Information through the internet related to the Services. Except for Customer's (a) failure to keep confidential all Intellectual Property, passwords, and other information related to the Services, (b) use of the license, the Intellectual Property, or other information related to or used in provision of the Services in any manner that negatively affects Cintas, (c) use of the license, the Intellectual Property, or other information related to or used in provision of the Services for any illegal purpose, or (d) violation of any applicable law, this license shall continue and be coextensive with the term of this Alarm Monitoring Agreement. Customer shall be solely and absolutely responsible for any information which it inputs, deletes, or modifies. Customer agrees that upon termination of this Alarm Monitoring Agreement or termination or suspension of the license by Cintas, Cintas may immediately, and without notice, disable Customer's access to the portal and cancel all passwords or other access codes.
31. Cross-Default. If Cintas and Customer are or become parties to any other agreement, Customer acknowledges and agrees that a default by Customer under this Alarm Monitoring Agreement or any other agreement between the parties shall be deemed to be a default by Customer under all such agreements, permitting Cintas, in its sole and absolute discretion, to exercise any or all of its rights under any or all of such agreements.
32. Electronic Mail Notice. If Customer elects to receive automatic electronic mail notice of certain System events (e.g., the arming or disarming of the System), Customer acknowledges, understands, and agrees that (i) any such notice is conditioned on (a) receipt of the data at Cintas's central station, (b)the proper operation of communication equipment, services, systems and networks including, without limitation, the Internet, and (c) lack of any failure, malfunction, or delay in processing or transmitting the data by Cintas's equipment or software, and (ii) Cintas is released from any liability arising out of or from, resulting from, or arising in connection with the failure, malfunction, or delay of any such notice for any reason, including Cintas's or Representative's sole, joint, or several negligence of any kind or degree.
33. Storage of Agreement and Information. Customer authorizes Cintas to store or retain this Alarm Monitoring Agreement and all information and other written materials on electronic data or other storage media and, in Cintas's sole and absolute discretion, to destroy all written documents or materials which have been stored or retained on electronic data or other storage media.
34. Intentionally Omitted.
35. Consent to Communicate to Others. Customer irrevocably authorizes and consents to Cintas communicating with U.L. (as necessary or appropriate) and Customer's insurance company and/or broker in connection with this Alarm Monitoring Agreement and/or the relationship between Cintas and Customer arising out of or from or as a result of this Alarm Monitoring Agreement; provided, that Cintas shall not be obligated or required to communicate with any other person or

entity including, without limitation, U.L. and Customer's insurance company or broker, and all such communication shall be in Cintas' sole and absolute discretion. Customer agrees that all such communications or failures to communicate shall not result in any liability of Cintas or Representatives. No third party including, without limitation, U.L. and Customer's insurance company and broker, are third-party beneficiaries of this section.

36. Taxes. Customer shall pay, remit to Cintas, or reimburse Cintas for all sales, use, value added, and any and all similar taxes (including any tax liability, interest, penalties, costs and expenses including, without limitation, reasonable attorneys', consultants', accountants', and other professional fees).
37. Time. The parties agree that time is of the essence of this Alarm Monitoring Agreement.
38. Video Systems. If the System records and/or transmits video images and/or audio, electronic, or the other forms of communication, Customer represents, warrants, covenants, and agrees that it shall at all times (i) provide and maintain adequate power and sufficient lighting for all cameras, audio devices, or other video-related equipment as recommended by the manufacturer; (ii) inform all persons who enter the Premises that their image and/or communications may be recorded and/or transmitted to others by video and/or audio equipment located on the Premises; (iii) comply with all privacy rights and laws and not use or permit the use of video and/or audio equipment where or in circumstances any person may have a reasonable expectation of privacy; (iv) use broadband (or similar transmission rate connectivity) exclusively to transmit video images and audio from any video system; (v) use the video and/or audio system for security, surveillance, and/or management services only; (vi) not use the video and/or audio system for any criminal, illegal, or otherwise unlawful activity; and (vii) obtain and keep in effect all permits or licenses required for the installation and operation of the video and/or audio system.

    Customer understands and agrees that (i) a video and/or audio system enables Customer and/or Cintas to record, store, and review images and/or communications of people on the Premises and outside of the Premises, and Customer agrees, authorizes, and consents to Cintas recording, storing, and reviewing video images and communications recorded and/or transmitted from the video and/or audio system at the Premises; (ii) video system services are limited to the area of the Premises covered by the video system images, and such coverage and/or images may be adversely affected by the camera angle, glare, lighting, contrast, etc., any of which may result in less than adequate images for the Operator to ascertain the necessity for video system services; (iii) Cintas is not liable for any delay or failure of notification due to in whole or in part to (a) any Force Majeure event including, without limitation or example, cellular provider transmission or network malfunctions, including overload of the cellular network, or (b) invalid electronic mail, text, or other electronic addresses; and (iv) any and all third-party claims related to the video and/or audio system asserted against Cintas are subject to all of the paragraphs of this Alarm Monitoring Agreement, including (but not limited to) paragraphs 11, 12, and 13, entitled "Cintas Not an Insurer; Customer's Obligation To Obtain Insurance As Sole Recovery For Any Loss And Warranty Of Same," "Release and Indemnification of Cintas by Customer." and "Limitation of Cintas's Liability; Liquidated Damages," respectively.

39. Mutual Drafting and Understanding of Alarm Monitoring Agreement. The parties acknowledge and agree that this Alarm Monitoring Agreement and all of its terms and conditions are the result of arms-length bargaining between sophisticated business entities. As a result, both parties shall be considered to be drafters of the Alarm Monitoring Agreement for purposes of interpretation, application, construction, or construing of the Alarm Monitoring Agreement. The parties also acknowledge that they have had an opportunity to consult with legal counsel of their choice regarding this Alarm Monitoring Agreement and that they have read and understand all of the terms of this Alarm Monitoring Agreement.
40. Entire Agreement; Modifications. This Alarm Monitoring Agreement constitutes the entire agreement between the parties with respect to the subject matter hereof and supersedes any and all other agreements, understandings, or representations, whether oral or in writing, between the parties. Any prior agreements, promises, negotiations, or representations, either oral or in writing, not expressly set forth in this Alarm Monitoring Agreement are of no force or effect. No modification or amendment to this Alarm Monitoring Agreement shall be effective unless drafted by Cintas for this express purpose and signed by an authorized representative of Cintas, except as described in paragraph 29 ("Updated Terms and Conditions and Policies") above. For the purposes of this paragraph, "authorized representative" is the General Manager of the Cintas location(s) providing the goods and/or services or higher management or executive personnel of Cintas. The parties specifically agree that any document sent to Cintas by Customer subsequent to execution of this Alarm Monitoring Agreement that contains different or additional terms or that purports to modify or amend the terms of this Alarm Monitoring Agreement in any way, such as a purchase order or conditional payment, shall be of no force and effect and will not modify the terms of this Alarm Monitoring Agreement. No course of prior dealings between the parties and no usage of the trade shall be relevant or used to supplement or explain any terms used in this Alarm Monitoring Agreement. Acceptance or acquiescence in a course of performance rendered under this Alarm Monitoring Agreement shall not be relevant to determine the meaning of this Alarm Monitoring Agreement even though the accepting or acquiescing party has knowledge of the nature of the performance and the opportunity for objection.
41. Customer's Acceptance by Allowing Performance. Customer agrees that engaging, requesting, or allowing Cintas to begin any work or provide any goods or services under this Alarm Monitoring Agreement and/or compensating Cintas for any such work, goods, and/or services constitutes acceptance of the Alarm Monitoring Agreement and all of its terms and conditions.
42. **Dispute Resolution – Arbitration and Class Waiver**. This provision shall take precedence over and supersede any contrary or conflicting provision in the Master Agreement.

    a. **Arbitration Notice**. Customer agrees to the maximum extent permitted by law that any dispute, controversy, or claim arising out of or relating to this Agreement (including its enforcement, performance, breach, arbitrability, or interpretation) or to the products or services provided hereunder will be submitted to and resolved by final and binding individual arbitration. ARBITRATION MEANS THAT AN ARBITRATOR, AND NOT A JUDGE OR A JURY, WILL DECIDE THE DISPUTE,

CONTROVERSY, OR CLAIM. BY ACCEPTING THESE TERMS, YOU AND CINTAS ARE EACH EXPRESSLY WAIVING THE RIGHT TO A TRIAL BY JURY AND TO PURSUE OR PARTICIPATE IN ANY CLASS ACTION, COLLECTIVE ACTION, OR REPRESENTATIVE CLAIMS OR PROCEEDINGS EITHER IN ARBITRATION OR IN ANY COURT. To the extent a class or collective action or representative claim or proceeding may not be waived, you agree to stay any such actions, claims, and proceedings until after all actions, claims, and proceedings subject to arbitration are fully resolved.

b. **Arbitration Procedures**. Any arbitration between Customer and Cintas will be governed by the Commercial Dispute Resolution Procedures and the Supplementary Procedures for Consumer Related Disputes (collectively, "AAA Rules") of the American Arbitration Association ("AAA"), as modified by this Agreement, and will be administered by the AAA. The AAA Rules and filing forms are available online at www.adr.org, by calling the AAA at 1-800-778-7879, or by contacting Cintas. Any arbitration hearings will take place in the state in which the Customer is located; provided, however, that if the claim is for $10,000 or less, Customer may choose for the arbitration instead to conducted: (i) solely on the basis of documents submitted to the arbitrator; or (ii) through a telephonic hearing. The arbitrator must issue a reasoned written decision sufficient to explain the essential findings and conclusions on which the decision and award, if any, are based.

c. **Fees**. If Customer commences arbitration in accordance with this Agreement, arbitration fees will be assessed consistent with the AAA Rules.

d. **No Class Actions in Arbitration or in Any Court, No Jury Trial**. CUSTOMER AND CINTAS AGREE THAT, TO THE MAXIMUM EXTENT PERMITTED BY LAW, EACH MAY BRING CLAIMS AGAINST THE OTHER ONLY IN THEIR INDIVIDUAL CAPACITIES AND NOT AS A PLAINTIFF OR CLASS MEMBER IN ANY PURPORTED CLASS OR REPRESENTATIVE PROCEEDING, WHETHER IN ARBITRATION OR IN ANY COURT. FURTHER, UNLESS BOTH CUSTOMER AND CINTAS AGREE OTHERWISE, AN ARBITRATOR OR JUDGE MAY NOT CONSOLIDATE MORE THAN ONE PARTICIPATING PUBLIC AGENCY'S CLAIMS AND MAY NOT OTHERWISE PRESIDE OVER ANY FORM OF A REPRESENTATIVE OR CLASS PROCEEDING.
FOR THE AVOIDANCE OF DOUBT, CUSTOMER AND CINTAS AGREE TO RESOLVE ANY DISPUTE ON AN INDIVIDUAL, NON-REPRESENTATIVE, NON-CLASS BASIS IN ARBITRATION, BUT IF FOR ANY REASON SUCH DISPUTE PROCEEDS IN COURT, CUSTOMER AND CINTAS AGREE TO WAIVE ANY RIGHT TO HAVE THE DISPUTE PROCEED AS A CLASS ACTION OR IN ANY REPRESENTATIVE CAPACITY WHATSOEVER. IF THE DISPUTE PROCEEDS IN COURT, CUSTOMER AND CINTAS AGREE TO WAIVE ANY RIGHT TO A TRIAL BY JURY.

e. **Enforceability.** If the requirement to submit any and all disputes, controversies, and claims to binding arbitration is found to be unenforceable or contrary to applicable law, the dispute, controversy or claim will be resolved in accordance with, and governed by, the laws of the State in which the Participating Public Agency exists.

f. **Severability**. If any section or provision of this ¶ 2, Dispute Resolution – Arbitration and Class Waiver, is found to be unenforceable or invalid, the parties will substitute an enforceable provision that, to the maximum extent possible under applicable law, preserves the original intentions of the parties, and the remainder will be given full force and effect.

43. **Federal Funds.** In no event will Cintas act as a subcontractor under a U.S. federal prime contractor or a subrecipient under a U.S. federal grant or cooperative agreement.

44. **Customer Funding Source**. Customer must select the appropriate response below:
Is Customer a United States federal government agency or instrumentality, or will Customer pay for the goods and services ordered under this Agreement with any United States government funds?

___No

___Yes (If Yes, Customer must provide any applicable U.S. government flowdown terms and conditions, which will only be binding on Cintas if attached hereto and agreed to by Cintas prior to execution of this agreement).

45. **Additional Terms.** Customer must select the appropriate response below:
Does Customer require any additional terms and conditions to be incorporated into this Agreement, or is Customer accepting the Agreement without additional terms?

___ No additional terms needed

___ Additional terms required (If so, Customer must provide any applicable additional terms and conditions, which will only be binding on Cintas if attached hereto and agreed to by Cintas prior to execution of this agreement).

NOTICE TO CUSTOMER. BY AGREEING TO THIS ALARM MONITORING AGREEMENT, CUSTOMER EXPLICITLY ACKNOWLEDGES AND ACCEPTS PARAGRAPHS 10-13 AND 15

OF THIS ALARM MONITORING AGREEMENT, WHICH DISCLAIM WARRANTIES AND REPRESENTATIONS, ACKNOWLEDGE CINTAS IS NOT AN INSURER AND REQUIRES CUSTOMER TO OBTAIN INSURANCE, LIMIT CINTAS'S LIABILITY FOR AND/OR RELEASE CINTAS FROM ANY LIABILITY RELATED IN ANY WAY TO THE ALARM MONITORING AGREEMENT, AND REQUIRE CUSTOMER TO INDEMNIFY CINTAS FOR ANY LOSSES RELATED IN ANY WAY TO THE ALARM MONITORING AGREEMENT. READ THE ENTIRE AGREEMENT BEFORE SIGNING.

Garment Loss Protection Program	

Provide a list of services (and their corresponding fee) to be made available to Contract users not specifically listed elsewhere:	
Premium Charge	$
Uniform Advantage	
Emblems	
Emblem/Prep Advantage	
Minimum Stop	$

Describe turnaround time and delivery requirements. Define any additional charges for delivery such as excessive deliveries or remote locations and state additional fees for these types of deliveries.
Cintas rental service programs provide personal delivery at a predefined frequency on a regularly scheduled day and time. Temporary garments are used only if there is a shortage of clean delivered garments, and this is a rare occurrence. The need for temporary garments is known by Cintas prior to clean delivery by the use of our garment inventory control process. If needed, the garments used for temporary replacement will be a used garment of like quality to the garment that is being replaced. Cintas rarely experiences backorders in our core rental product line however in the event there is a backorder our goal is to replenish in 30 days or less.
One of the goals of a national contract is to allow agencies to easily audit the price they are paying under a contract. Describe how users across the nation will be able to determine their pricing (including the provision of uniforms or other products, delivery, laundering, repair and maintenance) under the national contract using the information contained within the pricing workbook. Describe any regional pricing differences or other factors that will influence an agency's price.
The program will be communicated to the local sales force via a "Program Requirements Document" which will contain details of the program. This serves to ensure that the service and the pricing at each of your locations conforms to the Master Service Agreement and is controlled by our Account Team.
Describe how rental uniforms are amortized and how Replacement Charges are calculated.
If Customer has ordered from Company a garment rental service requiring embroidered garments that may not be standard to Company's normal rental product line. Those non-standard products will be designated as such under-Garment Description in Exhibit C. In the event Customer deletes a non-standard product, alters the design of the non-standard product, fails to renew the Agreement, or terminates the Agreement for any reason other than documented quality of service reasons which are not cured, Customer agrees to buy back all remaining non-standard products allocated to Customer that the Company has in service and out of service at the then current Loss/Damage Replacement Values. Cintas deems a garment "damaged" if it is beyond normal repair and not due to normal wear and tear. Specifically, as noted on the Cintas general agreement, "In the event any Merchandise is lost, stolen or is not returned to Company, or is destroyed or damaged by fire, acid, paint, ink, chemicals, neglect or otherwise, the Customer agrees to pay for said Merchandise at the then current Loss/Damage Replacement Values."
Describe how emergency requests for uniforms are handled.
Local facilities should direct rush requests to the local Customer Service Departments of their corresponding Cintas service centers. Every effort will be made locally to accommodate rush requests.

Items not specifically listed in catalogs are available under the contract as "specialty items."

****Cintas proposed pricing is structured to allow any participating agency, regardles of size, volume etc. to benefit from the same competitive and consistent rates.***

National Pricing - Uniforms

Instructions: Provide the percentage discount off a verifiable price list for each of the categories listed below. Indicate tiers for volume discounts and the corresponding percentage discount off a verifiable price list. For example 0-5,000 shirts = X% off each shirt; 5,001-10,000 shirts = X% off each shirt, etc.

Premium Charge	$
Uniform Advantage	
Emblems	
Emblem/Prep Advantage	
Minimum Stop	$

Describe turnaround time and delivery requirements. Define any additional charges for delivery such as excessive deliveries or remote locations and state additional fees for these types of deliveries.
Cintas rental service programs provide personal delivery at a predefined frequency on a regularly scheduled day and time. Temporary garments are used only if there is a shortage of clean delivered garments, and this is a rare occurrence. The need for temporary garments is known by Cintas prior to clean delivery by the use of our garment inventory control process. If needed, the garments used for temporary replacement will be a used garment of like quality to the garment that is being replaced. Cintas rarely experiences backorders in our core rental product line however in the event there is a backorder our goal is to replenish in 30 days or less.
One of the goals of a national contract is to allow agencies to easily audit the price they are paying under a contract. Describe how users across the nation will be able to determine their pricing (including the provision of uniforms or other products, delivery, laundering, repair and maintenance) under the national contract using the information contained within the pricing workbook. Describe any regional pricing differences or other factors that will influence an agency's price.
The program will be communicated to the local sales force via a "Program Requirements Document" which will contain details of the program. This serves to ensure that the service and the pricing at each of your locations conforms to the Master Service Agreement and is controlled by our Account Team.
Describe how rental uniforms are amortized and how Replacement Charges are calculated.
If Customer has ordered from Company a garment rental service requiring embroidered garments that may not be standard to Company's normal rental product line. Those non-standard products will be designated as such under-Garment Description in Exhibit C. In the event Customer deletes a non-standard product, alters the design of the non-standard product, fails to renew the Agreement, or terminates the Agreement for any reason other than documented quality of service reasons which are not cured, Customer agrees to buy back all remaining non-standard products allocated to Customer that the Company has in service and out of service at the then current Loss/Damage Replacement Values. Cintas deems a garment "damaged" if it is beyond normal repair and not due to normal wear and tear. Specifically, as noted on the Cintas general agreement, "In the event any Merchandise is lost, stolen or is not returned to Company, or is destroyed or damaged by fire, acid, paint, ink, chemicals, neglect or otherwise, the Customer agrees to pay for said Merchandise at the then current Loss/Damage Replacement Values."
Describe how emergency requests for uniforms are handled.
Local facilities should direct rush requests to the local Customer Service Departments of their corresponding Cintas service centers. Every effort will be made locally to accommodate rush requests.

Items not specifically listed in catalogs are available under the contract as "specialty items."

Exhibit F
Federal Funds Certifications

FEDERAL CERTIFICATIONS

ADDENDUM FOR AGREEMENT FUNDED BY U.S. FEDERAL GRANT

The following certifications and provisions may be required and apply when Participating Agency expends federal funds for any purchase resulting from this procurement process. Pursuant to 2 C.F.R. § 200.326, all contracts, including small purchases, awarded by the Participating Agency and the Participating Agency's subcontractors shall contain the procurement provisions of Appendix II to Part 200, as applicable.

In no event will Supplier act as a subcontractor under a U.S. federal prime contractor or a subrecipient under a U.S. federal grant or cooperative agreement.

The foregoing certifications apply only to Uniform Rental, Facilities Solutions, and First Aid and Safety products and services, and specifically do not apply to Fire products and services.

APPENDIX II TO 2 CFR PART 200

(A) Contracts for more than the simplified acquisition threshold currently set at $250,000, which is the inflation adjusted amount determined by the Civilian Agency Acquisition Council and the Defense Acquisition Regulations Council (Councils) as authorized by 41 U.S.C. 1908, must address administrative, contractual, or legal remedies in instances where contractors violate or breach contract terms, and provide for such sanctions and penalties as appropriate.

Pursuant to Federal Rule (A) above, when a Participating Agency expends federal funds, the Participating Agency reserves all rights and privileges under the applicable laws and regulations with respect to this procurement in the event of breach of contract by either party.

Does offeror agree? YES _____ Initials of Authorized Representative of offeror

(B) Termination for cause and for convenience by the grantee or subgrantee including the manner by which it will be effected and the basis for settlement. (All contracts in excess of $10,000)

Pursuant to Federal Rule (B) above, when a Participating Agency expends federal funds, the Participating Agency reserves the right to immediately terminate any agreement in excess of $10,000 resulting from this procurement process in the event of a breach or default of the agreement by Offeror as detailed in the terms of the contract.

Does offeror agree? YES _____ Initials of Authorized Representative of offeror

(C) Equal Employment Opportunity. Except as otherwise provided under 41 CFR Part 60, all contracts that meet the definition of "federally assisted construction contract" in 41 CFR Part 60-1.3 must include the equal opportunity clause provided under 41 CFR 60-1.4(b), in accordance with Executive Order 11246, "Equal Employment Opportunity" (30 CFR 12319, 12935, 3 CFR Part, 1964-1965 Comp., p. 339), as amended by Executive Order 11375, "Amending Executive Order 11246 Relating to Equal Employment Opportunity," and implementing regulations at 41 CFR part 60, "Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor."

Pursuant to Federal Rule (C) above, when a Participating Agency expends federal funds on any federally assisted construction contract, the equal opportunity clause is incorporated by reference herein.

Does offeror agree to abide by the above? YES _____ Initials of Authorized Representative of offeror

(D) Davis-Bacon Act, as amended (40 U.S.C. 3141-3148). When required by Federal program legislation, all prime construction contracts in excess of $2,000 awarded by non-Federal entities must include a provision for compliance with the Davis-Bacon Act (40 U.S.C. 3141-3144, and 3146-3148) as supplemented by Department of Labor regulations (29 CFR Part 5, "Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction"). In accordance with the statute, contractors must be required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, contractors must be required to pay wages not less than once a week. The non-Federal entity must place a copy of the current prevailing wage determination issued by the Department of Labor in each solicitation. The decision to award a contract or subcontract must be conditioned upon the acceptance of the wage determination. The non- Federal entity must report all suspected or reported violations to the Federal awarding agency. The contracts must also include a provision for compliance with the Copeland "Anti-Kickback" Act (40 U.S.C. 3145), as supplemented by Department of Labor regulations (29 CFR Part 3, "Contractors and Subcontractors on Public Building or Public Work Financed in Whole

or in Part by Loans or Grants from the United States"). The Act provides that each contractor or subrecipient must be prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he or she is otherwise entitled. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency.
Pursuant to Federal Rule (D) above, when a Participating Agency expends federal funds during the term of an award for all contracts and subgrants for construction or repair, offeror will be in compliance with all applicable Davis-Bacon Act provisions.

Does offeror agree? N/A _____ Initials of Authorized Representative of offeror

(E) Contract Work Hours and Safety Standards Act (40 U.S.C. 3701-3708). Where applicable, all contracts awarded by the non-Federal entity in excess of $100,000 that involve the employment of mechanics or laborers must include a provision for compliance with 40 U.S.C. 3702 and 3704, as supplemented by Department of Labor regulations (29 CFR Part 5). Under 40 U.S.C. 3702 of the Act, each contractor must be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 U.S.C. 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.

Pursuant to Federal Rule (E) above, when a Participating Agency expends federal funds, offeror certifies that offeror will be in compliance with all applicable provisions of the Contract Work Hours and Safety Standards Act during the term of an award for all contracts by Participating Agency resulting from this procurement process.

Does offeror agree? N/A _____ Initials of Authorized Representative of offeror

(F) Rights to Inventions Made Under a Contract or Agreement. If the Federal award meets the definition of "funding agreement" under 37 CFR §401.2 (a) and the recipient or subrecipient wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance of experimental, developmental, or research work under that "funding agreement," the recipient or subrecipient must comply with the requirements of 37 CFR Part 401, "Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements," and any implementing regulations issued by the awarding agency.

Pursuant to Federal Rule (F) above, when federal funds are expended by Participating Agency, the offeror certifies that during the term of an award for all contracts by Participating Agency resulting from this procurement process, the offeror agrees to comply with all applicable requirements as referenced in Federal Rule (F) above.

Does offeror agree? N/A _____ Initials of Authorized Representative of offeror

(G) Clean Air Act (42 U.S.C. 7401-7671q.) and the Federal Water Pollution Control Act (33 U.S.C. 1251-1387), as amended—Contracts and subgrants of amounts in excess of $150,000 must contain a provision that requires the non- Federal award to agree to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act (42 U.S.C. 7401-7671q) and the Federal Water Pollution Control Act as amended (33 U.S.C. 1251- 1387). Violations must be reported to the Federal awarding agency and the Regional Office of the Environmental Protection Agency (EPA)

Pursuant to Federal Rule (G) above, when federal funds are expended by Participating Agency, the offeror certifies that during the term of an award for all contracts by Participating Agency member resulting from this procurement process, the offeror agrees to comply with all applicable requirements as referenced in Federal Rule (G) above.

Does offeror agree? YES _____ Initials of Authorized Representative of offeror

(H) Debarment and Suspension (Executive Orders 12549 and 12689)—A contract award (see 2 CFR 180.220) must not be made to parties listed on the government wide exclusions in the System for Award Management (SAM), in accordance with the Executive Office of the President Office of Management and Budget (OMB) guidelines at 2 CFR 180 that implement Executive Orders 12549 (3 CFR part 1986 Comp., p. 189) and 12689 (3 CFR part 1989 Comp., p. 235), "Debarment and Suspension." SAM Exclusions contains the names of parties debarred, suspended, or otherwise excluded by agencies, as well as parties declared ineligible under statutory or regulatory authority other than Executive Order 12549.

Pursuant to Federal Rule (H) above, when federal funds are expended by Participating Agency, the offeror certifies that during the term of an award for all contracts by Participating Agency resulting from this procurement process, the offeror certifies that neither it nor its principals is presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation by any federal department or agency. If at any time during the term of an award the offeror or its principals becomes debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation by any federal

department or agency, the offeror will notify the Participating Agency.

Does offeror agree? YES _____ Initials of Authorized Representative of offeror

(l) Byrd Anti-Lobbying Amendment (31 U.S.C. 1352)—Contractors that apply or bid for an award exceeding $100,000 must file the required certification. Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant or any other award covered by 31 U.S.C. 1352. Each tier must also disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to the non-Federal award.

Pursuant to Federal Rule (l) above, when federal funds are expended by Participating Agency, the offeror certifies that during the term and after the awarded term of an award for all contracts by Participating Agency resulting from this procurement process, the offeror certifies that it is in compliance with all applicable provisions of the Byrd Anti-Lobbying Amendment (31 U.S.C. 1352). The undersigned further certifies that:

(1) No Federal appropriated funds have been paid or will be paid for on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of congress, or an employee of a Member of Congress in connection with the awarding of a Federal contract, the making of a Federal grant, the making of a Federal loan, the entering into a cooperative agreement, and the extension, continuation, renewal, amendment, or modification of a Federal contract, grant, loan, or cooperative agreement.

(2) If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of congress, or an employee of a Member of Congress in connection with this Federal grant or cooperative agreement, the undersigned shall complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying", in accordance with its instructions.

(3) The undersigned shall require that the language of this certification be included in the award documents for all covered sub-awards exceeding $100,000 in Federal funds at all appropriate tiers and that all subrecipients shall certify and disclose accordingly.

Does offeror agree? YES _____ Initials of Authorized Representative of offeror

RECORD RETENTION REQUIREMENTS FOR CONTRACTS INVOLVING FEDERAL FUNDS

When federal funds are expended by Participating Agency for any contract resulting from this procurement process, offeror certifies that it will comply with the record retention requirements detailed in 2 CFR § 200.333. The offeror further certifies that offeror will retain all records as required by 2 CFR § 200.333 for a period of three years after grantees or subgrantees submit final expenditure reports or quarterly or annual financial reports, as applicable, and all other pending matters are closed.

Does offeror agree? YES _____ Initials of Authorized Representative of offeror

CERTIFICATION OF COMPLIANCE WITH THE ENERGY POLICY AND CONSERVATION ACT

When Participating Agency expends federal funds for any contract resulting from this procurement process, offeror certifies that it will comply with the mandatory standards and policies relating to energy efficiency which are contained in the state energy conservation plan issued in compliance with the Energy Policy and Conservation Act (42 U.S.C. 6321 et seq.; 49 C.F.R. Part 18).

Does offeror agree? YES _____ Initials of Authorized Representative of offeror

CERTIFICATION OF COMPLIANCE WITH BUY AMERICA PROVISIONS

To the extent purchases are made with Federal Highway Administration, Federal Railroad Administration, or Federal Transit Administration funds, offeror certifies that its products comply with all applicable provisions of the Buy America Act and agrees to provide such certification or applicable waiver with respect to specific products to any Participating Agency upon request. Purchases made in accordance with the Buy America Act must still follow the applicable procurement rules calling for free and open competition.

Does offeror agree? YES _____ Initials of Authorized Representative of offeror

CERTIFICATION OF ACCESS TO RECORDS – 2 C.F.R. § 200.336

Offeror agrees that the Inspector General of the Agency or any of their duly authorized representatives shall have access to any documents, papers, or other records of offeror that are pertinent to offeror's discharge of its obligations under the Contract for the purpose of making audits, examinations, excerpts, and transcriptions. The right also includes timely and reasonable access to

offeror's personnel for the purpose of interview and discussion relating to such documents.

Does offeror agree? YES _____ Initials of Authorized Representative of offeror

CERTIFICATION OF APPLICABILITY TO SUBCONTRACTORS

Offeror agrees that all contracts it awards pursuant to the Contract shall be bound by the foregoing terms and conditions.

Does offeror agree? YES _____ Initials of Authorized Representative of offeror

Offeror certifies compliance with all provisions, laws, acts, regulations, etc. as specifically noted above.

Offeror's Name: _____

Address, City, State, and Zip Code: _____

Phone Number: _____ Fax Number: _____

SAMPLE

Omnia Participating Public Agencies Terms

1. Participating Public Agencies: Supplier agrees to extend the same terms, covenants agreed to under the OMNIA Vendor Agreement executed between Cintas Corporation and University of Nebraska (the "Master Agreement") to other government agencies ("Participating Public Agencies") that, in their discretion, desire to access the Master Agreement in accordance with all terms and conditions contained herein or attached hereto. Each participating Public Agency will be exclusively responsible and deal directly with Supplier on matters relating to length of agreement, ordering, delivery, inspection, acceptance, invoicing, and payment for products and services in accordance with the terms and conditions of the Master Agreement.
2. **Dispute Resolution – Arbitration and Class Waiver**. This provision shall take precedence over and supersede any contrary or conflicting provision in the Master Agreement.
    a. **Arbitration Notice**. Customer agrees to the maximum extent permitted by law that any dispute, controversy, or claim arising out of or relating to this Agreement (including its enforcement, performance, breach, arbitrability, or interpretation) or to the products or services provided hereunder will be submitted to and resolved by final and binding individual arbitration. ARBITRATION MEANS THAT AN ARBITRATOR, AND NOT A JUDGE OR A JURY, WILL DECIDE THE DISPUTE, CONTROVERSY, OR CLAIM. BY ACCEPTING THESE TERMS, YOU AND CINTAS ARE EACH EXPRESSLY WAIVING THE RIGHT TO A TRIAL BY JURY AND TO PURSUE OR PARTICIPATE IN ANY CLASS ACTION, COLLECTIVE ACTION, OR REPRESENTATIVE CLAIMS OR PROCEEDINGS EITHER IN ARBITRATION OR IN ANY COURT. To the extent a class or collective action or representative claim or proceeding may not be waived, you agree to stay any such actions, claims, and proceedings until after all actions, claims, and proceedings subject to arbitration are fully resolved.
    b. **Arbitration Procedures**. Any arbitration between Customer and Cintas will be governed by the Commercial Dispute Resolution Procedures and the Supplementary Procedures for Consumer Related Disputes (collectively, "AAA Rules") of the American Arbitration Association ("AAA"), as modified by this Agreement, and will be administered by the AAA. The AAA Rules and filing forms are available online at www.adr.org, by calling the AAA at 1-800-778-7879, or by contacting Cintas. Any arbitration hearings will take place in the state in which Customer is located; provided, however, that if the claim is for $10,000 or less, Customer may choose for the arbitration instead to be conducted: (i) solely on the basis of documents submitted to the arbitrator; or (ii) through a telephonic hearing. The arbitrator must issue a reasoned written decision sufficient to explain the essential findings and conclusions on which the decision and award, if any, are based.
    c. **Fees**. Arbitration fees will be assessed consistent with the AAA Rules.
    d. **No Class Actions in Arbitration or in Any Court, No Jury Trial**. CUSTOMER AND CINTAS AGREE THAT, TO THE MAXIMUM EXTENT PERMITTED BY LAW, EACH MAY BRING CLAIMS AGAINST THE OTHER ONLY IN THEIR INDIVIDUAL CAPACITIES AND NOT AS A PLAINTIFF OR CLASS MEMBER IN ANY PURPORTED CLASS OR REPRESENTATIVE PROCEEDING, WHETHER IN ARBITRATION OR IN ANY COURT. FURTHER, UNLESS BOTH CUSTOMER AND CINTAS AGREE OTHERWISE, AN ARBITRATOR OR JUDGE MAY NOT CONSOLIDATE MORE THAN ONE PARTICIPATING PUBLIC AGENCY'S CLAIMS AND MAY NOT OTHERWISE PRESIDE OVER ANY FORM OF A REPRESENTATIVE OR CLASS PROCEEDING.
    FOR THE AVOIDANCE OF DOUBT, CUSTOMER AND CINTAS AGREE TO RESOLVE ANY DISPUTE ON AN INDIVIDUAL, NON-REPRESENTATIVE, NON-CLASS BASIS IN ARBITRATION. BUT IF FOR ANY REASON SUCH DISPUTE PROCEEDS IN COURT, CUSTOMER AND CINTAS AGREE TO WAIVE ANY RIGHT TO HAVE THE DISPUTE PROCEED AS A CLASS ACTION OR IN ANY REPRESENTATIVE CAPACITY WHATSOEVER. IF THE DISPUTE PROCEEDS IN COURT, CUSTOMER AND CINTAS AGREE TO WAIVE ANY RIGHT TO A TRIAL BY JURY.
    e. **Enforceability.** If the requirement to submit any and all disputes, controversies, and claims to binding arbitration is found to be unenforceable or contrary to applicable law, the dispute, controversy or claim will be resolved in accordance with, and governed by, the laws of the State in which the Participating Public Agency exists.
    f. **Severability**. If any section or provision of this ¶ 2, Dispute Resolution – Arbitration and Class Waiver, is found to be unenforceable or invalid, the parties will substitute an enforceable provision that, to the maximum extent possible under applicable law, preserves the original intentions of the parties, and the remainder will be given full force and effect.
3. **Dispute Resolution – Timing of invoice challenges:** Requests for an invoice adjustment or challenges to invoice amounts must be received by Cintas within 60 days of Customer's receipt of the contested invoice, or any billing dispute is waived. Notification to Cintas of a request for an invoice adjustment must be made in writing and must include the invoice number, disputed amount, and the reason for the disputed charge.
4. Master Agreement available at https://www.omniapartners.com/publicsector.
5. In the event of any conflict between this Facilities Solutions Cooperative Acceptance Agreement (this "Agreement") and the Master Agreement, the Master Agreement shall prevail, except to the extent this Agreement specifically provides that it is superseding a provision in the Master Agreement.

Supplier General Service Terms Section

6. **Prices** Customer agrees to rent from Company, and Company agrees to provide to Customer, the Merchandise, inventory and services on the Master Agreement and / or outlined above. There will be a minimum charge of thirty-five dollars ($35.00) or 50% of initial invoice (whichever is greater) per week for each Customer location required to purchase its rental services from Company as set forth in this Agreement.

Cintas Representative Initial_____ Customer Initial _____

7. **Buyback of Non-Standard Garments (if applicable)** Customer has ordered from Company a garment rental service requiring embroidered garments that may not be standard to Company's normal rental product line. Those non-standard products will be designated as such under-Garment Description in Exhibit Buyback of Non-Standard Garments (if applicable). In the event Customer deletes a non-standard product, alters the design of the non-standard product, fails to renew the Agreement, or terminates the Agreement for any reason other than documented quality of service reasons which are not cured, Customer agrees to buy back all remaining non-standard products allocated to Customer that the Company has in service and out of service at the then current Loss/Damage Replacement Values.
8. **Garments' Lack of Flame Retardant or Acid Resistant Features** Unless specified otherwise in writing by the Company, the garments supplied under this Agreement are not flame retardant or acid resistant and contain no special flame retardant or acid resistant features. They are not designed for use in areas of flammability risk or where contact with hazardous materials is possible. Flame resistant and acid resistant garments are available from Company upon request. Customer warrants that none of the employees for whom garments are supplied pursuant to this Agreement require flame retardant or acid resistant clothing.
9. **Logo Mats** In the event that Customer decides to delete any mat bearing the Customer's logo (Logo Mat) from the rental program, changes the design of the Logo Mats, terminates this Agreement for any reason or fails to renew this Agreement, the Customer will purchase at the time of deletion, design change or termination, all remaining Logo mats that the Company has in service and out of service held in inventory at the then current Loss/Damage Replacement Value.
10. **Adding Employees** Additional employees and Merchandise may be added to this Agreement at any time upon written or oral request by the Customer to the Company. Any such additional employees or Merchandise shall automatically become a part of and subject to the terms of this Agreement. If such employees are employed at a Customer location that is then participating under this Agreement, the Customer shall pay Company the one-time preparation fee indicated on the Master Agreement and / or outlined above. Customer shall not pay Company any one-time preparation fee for garments for employees included in the initial installation of a Customer location. There will be a one-time charge for name and/or company emblems when employees are added to the program in garments requiring emblems.
11. **Emblem Guarantee** Customer has requested that Company supply emblems desi ..ed exclusively for Customer featuring Customer's logo or other specific identification (hereinafter "Customer Emblems"). Company will maintain a sufficient quantity of Customer Emblems in inventory to provide for Customer's needs and maintain a low cost per emblem through quantity purchases.
12. In the event Customer decides to discontinue the use of Customer Emblems, changes the design of the Customer Emblems, terminates this Agreement for any reason or fails to renew this Agreement, the Customer will purchase at the tim of deletion, design change, termination or expiration, all remaining Customer Emblems that the Company allocated to Customer at the price indicated on the Master Agreement and / or outlined above of this Agreement. In no event shall the number of Customer Emblems allocated to Customer exceed the greater of (a) twelve (12) months' volume for each unique Customer :m lem or (b) a quantity agreed to by Company and Customer and noted on the Master Agreement and / or outlined above.
13. **Terminating Employees** Subject to the provisions of t .is Agreement, the weekly rental charge attributable to any individual leaving the employ of the Customer, or on a temporary leave of .osence of three (3) weeks r more, shall be terminated upon oral or written notice by the Customer to the Company but only after all garments issued to that individual, or value of same at the then current Loss/Damage Replacement Values, are returned to Company.
14. **Replacement** In the event any Merchandise is lost, stolen or is not returned to Company, or is destroyed or damaged by fire, welding damage, acid, paint, ink, chemicals, neglect or otherwise, the Custor er agrees to pay for said Merchandise at the then current Loss/Damage Replacement Values.
15. **Indemnification** To the fullest extent permitted by law, Company agrees to defend, indemnify, pay on behalf of and save harmless the Participating Public Agency, its elected and appointed officials, agents, employees and authorized volunteers against any and all claims, liability, demands, suits or loss, including reasonable attorneys' fees and all other costs connected therewith, arising out of or connected to the services provided by Company under this Contract, but only to the extent of Company's negligence.
16. **Additional Customer Locations**. Notwithstanding anything to the contrary contained herein, there will be a minimum term equal to the greater of thirty-six (36) months or the remainde of the term for any individual Customer location added after the date of this Agreement.
17. **Additional Items:** Additional customer employees, products and services may be added to this Agreement and shall automatically become a part of and subject to the terms hereof and all of its provisions. If this Agreement is terminated early for convenience, the parties agree that the damages sustained by Company will be substantial and difficult to ascertain. Therefore, if this Agreement is terminated by Customer prior to the applicable expiration date for any reason other than documented quality of service reasons which are not cured, or terminated by Company for non-payment by Customer at any time Customer will pay to Company, as termination charges and not as a penalty based upon the following schedule:
    - If this Agreement is cancelled for convenience in the first twelve months of the term, Customer shall pay as termination charges equal to 52 weeks of rental service.
    - If this Agreement is cancelled for convenience in months thirteen (13) through twenty-four (24) of the term, Customer shall pay as termination charges equal to thirty-nine (39) weeks of rental service.
    - If this Agreement is cancelled for convenience in months twenty-five (25) through thirty-six (36) of the term, Customer shall pay as termination charges equal to twenty-six (26) weeks of rental service.
    - If this Agreement is cancelled for convenience after forty-eight (48) months of service, Customer shall pay as termination charges of thirteen (13) weeks of rental service.
    - Customer shall also be responsible to return all of the Merchandise allocated to such Customer locations terminating this Agreement at the then current Loss/Damage Replacement Values and for any unpaid charges on Customer's account prior to termination.
18. **Federal Funds.** In no event will Cintas act as a subcontractor under a U.S. federal prime contractor or a subrecipient under a U.S. federal grant or cooperative agreement.
19. **Customer Funding Source**. Customer must select the appropriate response below:
    Is Customer a United States federal government agency or instrumentality, or will Customer pay for the goods and services ordered

Cintas Representative Initial_____ Customer Initial _____

under this Agreement with any United States government funds?

___No

___Yes (If Yes, Customer must provide any applicable U.S. government flowdown terms and conditions, which will only be binding on Cintas if attached hereto and agreed to by Cintas prior to execution of this agreement).

20. **Additional Terms.** Customer must select the appropriate response below:

Does Customer require any additional terms and conditions to be incorporated into this Agreement, or is Customer accepting the Agreement without additional terms?

___ No additional terms needed

___ Additional terms required (If so, Customer must provide any applicable additional terms and conditions, which will only be binding on Cintas if attached hereto and agreed to by Cintas prior to execution of this agreement).

21. I authorize Cintas to verify my credit on Credit net and/or by contacting the parties provided. I am authorized to sign on behalf of this company. In addition, I authorize Cintas to open a new account on behalf of the company and deliver the products or services listed above at the agreed upon pricing and delivery terms.

Electronic Record and Signature Disclosure		

ELECTRONIC RECORD AND SIGNATURE DISCLOSURE

From time to time, Internet 2 OBO University of Nebraska - Lincoln (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through the DocuSign system. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to this Electronic Record and Signature Disclosure (ERSD), please confirm your agreement by selecting the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

Getting paper copies

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after the signing session and, if you elect to create a DocuSign account, you may access the documents for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a $0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

Withdrawing your consent

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

Consequences of changing your mind

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. Further, you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

All notices and disclosures will be sent to you electronically

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.

How to contact Internet 2 OBO University of Nebraska - Lincoln:

You may contact us to let us know of your changes as to how we may contact you electronically, to request paper copies of certain information from us, and to withdraw your prior consent to receive notices and disclosures electronically as follows:
To contact us by email send messages to: esignature@nebraska.edu

To advise Internet 2 OBO University of Nebraska - Lincoln of your new email address

To let us know of a change in your email address where we should send notices and disclosures electronically to you, you must send an email message to us at esignature@nebraska.edu and in the body of such request you must state: your previous email address, your new email address. We do not require any other information from you to change your email address.

If you created a DocuSign account, you may update it with your new email address through your account preferences.

To request paper copies from Internet 2 OBO University of Nebraska - Lincoln

To request delivery from us of paper copies of the notices and disclosures previously provided by us to you electronically, you must send us an email to esignature@nebraska.edu and in the body of such request you must state your email address, full name, mailing address, and telephone number. We will bill you for any fees at that time, if any.

To withdraw your consent with Internet 2 OBO University of Nebraska - Lincoln

To inform us that you no longer wish to receive future notices and disclosures in electronic format you may:

i. decline to sign a document from within your signing session, and on the subsequent page, select the check-box indicating you wish to withdraw your consent, or you may;

ii. send us an email to esignature@nebraska.edu and in the body of such request you must state your email, full name, mailing address, and telephone number. We do not need any other information from you to withdraw consent.. The consequences of your withdrawing consent for online documents will be that transactions may take a longer time to process..

Required hardware and software

The minimum system requirements for using the DocuSign system may change over time. The current system requirements are found here: https://support.docusign.com/guides/signer-guide-signing-system-requirements.

Acknowledging your access and consent to receive and sign documents electronically

To confirm to us that you can access this information electronically, which will be similar to other electronic notices and disclosures that we will provide to you, please confirm that you have read this ERSD, and (i) that you are able to print on paper or electronically save this ERSD for your future reference and access; or (ii) that you are able to email this ERSD to an email address where you will be able to print on paper or save it for your future reference and access. Further, if you consent to receiving notices and disclosures exclusively in electronic format as described herein, then select the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

By selecting the check-box next to 'I agree to use electronic records and signatures', you confirm that:

- You can access and read this Electronic Record and Signature Disclosure; and
- You can print on paper this Electronic Record and Signature Disclosure, or save or send this Electronic Record and Disclosure to a location where you can print it, for future reference and access; and
- Until or unless you notify Internet 2 OBO University of Nebraska - Lincoln as described above, you consent to receive exclusively through electronic means all notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you by Internet 2 OBO University of Nebraska - Lincoln during the course of your relationship with Internet 2 OBO University of Nebraska - Lincoln.

Competitive Review Findings	Formal Bid Awarded
Contract Information	this is an OMNIA cooperative contract

University of Nebraska/OMNIA Partners, Public Sector Contract with Cintas Corporation No. 2 under RFP No. 3702-22-4618, Workplace Solutions

This Master Agreement ("Master Agreement") is by and between the Board of Regents of the University of Nebraska, a public body corporate and governing body of the University of Nebraska ("University"), and Cintas Corporation No. 2 ("Cintas" or "Supplier").

This Master Agreement shall be made available to additional state and local governmental entities, public and private primary, secondary and higher education entities, non-profit entities, and agencies for the public benefit (referenced herein as "Participating Public Agencies") through the cooperative purchasing program administered by the National Intergovernmental Purchasing Alliance Company d/b/a OMNIA Partners, Public Sector.

The following documents are incorporated by reference into this Master Agreement:

1. University of Nebraska-Cintas Master Agreement
2. Exhibit A to University of Nebraska-Cintas Master Agreement, Alarm Monitoring Terms and Conditions (Inclusive of Schedules A and B)
3. Cintas Workplace Solutions RFP Pricing Sheet
4. Cintas Response to University of Nebraska RFP No. 3702-22-4618, Workplace Solutions/eBid Invitation
5. University of Nebraska RFP No. No. 3702-22-4618, Workplace Solutions
6. Attachment A to Solicitation (Requirements for National Cooperative Contract to be Administered by OMNIA Partners; inclusive of Exhibits A through H), as modified by Cintas and agreed by OMNIA ("Attachment A")

Order of Precedence: Any ambiguity, conflict, or inconsistency between the documents comprising this Master Agreement shall be resolved according to the following order of precedence:

1. Exhibit A to University of Nebraska-Cintas Master Agreement, Alarm Monitoring Terms and Conditions (not applicable to University of Nebraska, only to other Participating Public Agencies)
2. University of Nebraska-Cintas Master Agreement
3. Attachment A
4. Cintas Workplace Solutions RFP Pricing Sheet
5. Cintas Response to University of Nebraska RFP No. 3702-22-4618, Workplace Solutions/eBid Invitation
6. University of Nebraska RFP No. No. 3702-22-4618, Workplace Solutions

Acceptance Agreements: Sample Acceptance Agreements are attached to this Master Agreement but are not included in the Master Agreement order of precedence as these are exemplars only. The actual Acceptance Agreements signed by Participating Public Agencies may differ, and the precedence of those Acceptance Agreements relative to the Master Agreement is to be determined in accordance with the relevant Acceptance Agreement terms.

1. University of Nebraska-Cintas Master Agreement

University of Nebraska-Cintas Master Agreement – RFP 3702-22-4618

This University of Nebraska Master Agreement - Expenditure ("Agreement") dated as of the date of the last signature set forth below (the "Effective Date") sets forth the terms of purchase between the Board of Regents of the University of Nebraska a public body corporate and governing body of the University of Nebraska ("University"), which is composed of a chief governing administrative unit (University of Nebraska System), four universities (University of Nebraska at Kearney, University of Nebraska-Lincoln, University of Nebraska Medical Center, and University of Nebraska at Omaha), and such other institutions and units as may be designated by the Nebraska Legislature (each a "Campus" and collectively the "Campuses"), and Cintas Corporation No. 2 ("Supplier"). University and Supplier are collectively referred to as "parties."

WHEREAS, the terms and conditions of this Agreement shall be made available to additional state and local governmental entities, public and private primary, secondary and higher education entities, non-profit entities, and agencies for the public benefit (each a "Public Agency) through the cooperative purchasing program administered by the National Intergovernmental Purchasing Alliance Company d/b/a OMNIA Partners, Public Sector ("OMNIA");

WHEREAS, the terms and conditions set forth in this Agreement shall apply to any Public Agency that uses this Agreement through OMNIA's cooperative purchase program (each a "Participating Public Agency"), provided, University shall not be considered a Participating Public Agency;

WHEREAS, each Participating Public Agency shall execute one or more Facilities Solutions Cooperative Acceptance Agreement or Fire Protection Acceptance Agreement (collectively, "Acceptance Agreements"), as applicable, in the then-current format provided by Supplier (sample Acceptance Agreements attached hereto for general reference only);

WHEREAS, such Acceptance Agreements shall continue in force pursuant to their applicable term, notwithstanding the termination or expiration of this Agreement; and

WHEREAS, with respect to each Participating Public Agency subject to the terms and conditions of this Agreement, all references to "University" shall be deemed to refer to each Participating Public Agency except where (1) specifically noted or differentiated herein (including, without limitation, Sections 2, 14 and 46), or (2) where the terms and conditions on their face pertain specifically only to the University of Nebraska (e.g. Nebraska governing law). In the latter case, the intent is to modify such term for each Participating Public Agency as required by law, unless otherwise agreed in the Acceptance Agreement between Supplier and such Participating Public Agency.

NOW, THEREFORE, in consideration of the mutual covenants set forth in this Agreement the parties agree as follows:

1. **Description of Deliverables**. Supplier agrees to provide the services, goods, or both identified in any applicable purchase order or Acceptance Agreement (collectively, "Deliverables"). Supplier agrees to perform services under this Agreement to the satisfaction of University during the Term of this Agreement and with the standard of professional care and skill customarily provided in the performance of such service.

2. **Payment**. In full consideration for the Deliverables provided by Supplier under this Agreement, University shall pay or cause to be paid to Supplier a fee, pursuant to the Statement of Work and any subsequent proposal or statement of work incorporated by reference into this Agreement, within forty-five (45) days after Supplier's submission of an accurate invoice to University and all requested supporting documentation. Participating Public Agencies payment terms, consistent with the Acceptance Agreements, are Net 30. Along with its invoice, Supplier shall submit adequate receipts and documentation as requested by University to support reimbursement of all previously agreed upon reimbursable expenses. Supplier is expected to comply with applicable policies and procedures provided in writing to Supplier, including those stated within the University of Nebraska Travel Policy (located at https://nebraska.edu/-

/media/unca/docs/offices-and-policies/policies/policies/university-of-nebraska-travel-policy.pdf).University, in its discretion, may decline to reimburse expenses that are not pre-approved or fail to comply with applicable policies and procedures. Supplier agrees that it is solely responsible for payment of income, social security, and other employment taxes due to the proper taxing authorities, and that University will not deduct such taxes from any payments to Supplier hereunder, unless required by law.

3. **Purchase Order Requirement**.

a. A purchase order shall be issued by University to Supplier for payment in accordance with the terms of this Agreement. All invoices submitted by Supplier shall make reference to the appropriate purchase order number to be eligible for payment.

b. The parties agree that the terms and conditions of this Agreement shall prevail, notwithstanding contrary or additional terms, in any purchase order, sales acknowledgment, confirmation or any other document issued by either party affecting the products and services provided under this Agreement.

4. **Term**. The initial term of this Agreement shall commence on the Effective Date and continue for 5 years thereafter ("Initial Term"). This Agreement may be renewed for an additional 5 year term (the "Renewal Term") by mutual written agreement of the parties. Collectively the Initial Term and Renewal Term(s) shall be referred to as the "Term."

5. **Confidentiality.** "Confidential Information" shall mean any materials, written information, and data marked "Confidential" by University or non-written information and data disclosed by University that is identified at the time of disclosure to Supplier as confidential or is reasonably understood by Supplier to be confidential. Supplier agrees to protect and maintain Confidential Information in strict confidence for a period of three (3) years from the date of expiration or earlier termination of this Agreement and, upon request of University, return or destroy all materials containing such Confidential Information. Notwithstanding the foregoing, Supplier shall be entitled to retain archival copies of Confidential Information for legal, regulatory, or compliance purposes. The obligations of this paragraph do not apply to information that is in the public domain; independently known, obtained, or discovered by Supplier; or hereafter supplied to Supplier by a third party without restriction. If Supplier is compelled by law to disclose any Confidential Information, it shall provide University with prior notice of such compelled disclosure (to the extent legally permitted) and reasonable assistance, at University's cost, if University wishes to contest the disclosure.

6. **Property Rights.**

a. For purposes of this Section 6, "Intellectual Property" shall mean, whether or not reduced to writing, all copyrights, patent applications, issued patents, including reissues, renewals, continuations, and divisions of the foregoing, know-how, proprietary data, ideas, discoveries, inventions, improvements, technology, trade secrets, methods, procedures, formulae, processes, technical and non-technical data, trade secrets, design rights, trademarks, trade names, trade dress, related source identifiers, works, and other proprietary rights relating to intangible property, and any applications or registrations of the foregoing, any rights arising from registration of any of the foregoing, and any right to sue for past or future infringement of the foregoing.

b. University acknowledges and agrees that, as between the parties, Supplier owns all Intellectual Property that (i) was the property of Supplier prior to the execution of this Agreement and (ii) is independently developed or acquired outside the scope of this Agreement ("Pre-Existing Intellectual Property"). In addition, Supplier shall own any Intellectual Property, developed in connection with this Agreement, that is an improvement of, or direct derivative of, Supplier's Pre-Existing Intellectual Property and know-how.

c. This Section 6.c shall be subject to Section 6.b in all respects. University will possess all rights to any creations, inventions, or other intellectual property and materials, including copyright, trade secrets, or patents in the same, which arise out of, are prepared by, or are developed in the course of Supplier's performance. Supplier and University acknowledge and agree that work created by Supplier in connection with its performance under this Agreement shall belong to University as "work-made-for-hire" as such term is defined under 17 USC § 201, as amended. In the event such works are not copyrightable subject matter or for any reason cannot legally be considered a work-made-for-hire, Supplier hereby assigns all right, title, and interest in and to work created by Supplier in connection with its performance under this Agreement to University and agrees to execute all documents required to evidence such assignment. University's rights to any creations, inventions, or other intellectual property and materials, including copyright, trade secrets, or patents in the same, which arise out of, are prepared by, or are developed in the course of Supplier's performance under this Agreement shall be exclusive and Supplier will not use, license, or permit such works to be used for any other purpose. Upon termination of this Agreement for any reason, University shall have the exclusive right, without further obligation to Supplier, throughout the world, in all languages, and in perpetuity to use the work created by Supplier in connection with its performance under this Agreement in any manner it deems appropriate, including, without limitation, editing, altering and revising such work. This provision shall survive the termination of this Agreement.

7. **Termination**. In the event that either party commits a material breach of this Agreement and fails to remedy or cure such breach within thirty (30) days after receipt of written notice thereof from the non-breaching party, the non-breaching party may, at its option and in addition to any other remedies which it may have at law or in equity, terminate this Agreement by sending written notice of termination to the other party. Such termination shall be effective as of the date of its receipt. Additionally, University may terminate this Agreement for its convenience upon thirty (30) days' prior written notice to Supplier. Upon termination, University shall promptly pay Supplier for all fees incurred up to and including the effective date of termination or Supplier will refund to University a prorated share of any prepaid fees.

a. If University terminates this Agreement for convenience, the parties agree that the damages sustained by Supplier will be substantial and difficult to ascertain. Therefore, if this Agreement is terminated by University for convenience in whole or in part, for any reason other than as set forth in Section 36, University will pay to Supplier as termination charges and not as a penalty the following termination charges based on the particular products and services terminated for convenience:

7.a.1. Rental Products and Services:

7.a.1.1. If this Agreement is terminated for convenience in the first twelve months of the term, University shall pay as termination charges equal to 52 weeks of rental service.

7.a.1.2. If this Agreement is terminated for convenience in months thirteen (13) through twenty-four (24) of the term, University shall pay as termination charges equal to thirty-nine (39) weeks of rental service.

7.a.1.3. If this Agreement is terminated for convenience in months twenty-five (25) through thirty-six (36) of the term, University shall pay as termination charges equal to twenty-six (26) weeks of rental service.

7.a.1.4. If this Agreement is terminated for convenience after forty-eight (48) months of service, University shall pay as termination charges of thirteen (13) weeks of rental service.

7.a.1.5. University shall also be responsible to return all of the merchandise allocated to such University locations terminating this Agreement at the then current Loss/Damage Replacement Values and for any unpaid charges on University's account prior to termination.

First and Aid and Safety: Twenty-five percent (25%) of the unexpired term based on the previous six (6) months average revenue.

8. **Representations and Warranties**. Supplier warrants that it will convey good title to all direct sale goods, free of all encumbrances. Except as otherwise noted in this Agreement, at the time of delivery (i) all goods delivered shall be free from defects in workmanship, material, and manufacture, (ii) shall comply with the requirements of this Agreement, including any drawings or specifications incorporated or samples furnished by the Supplier, (iii) shall be free from defects in design, and (iv) shall be merchantable. In the event Supplier is providing University with services, Supplier warrants and represents that each of its employees and agents to perform any services under the terms of this Agreement shall have the skills, training, and background reasonably commensurate with their level of performance or responsibility, to be able to perform in a competent and professional manner that is consistent with industry standards. Supplier further warrants the services provided will conform to the requirements of this Agreement and that in performing the services Supplier will not be in breach of any agreement with a third party. The foregoing warranties are conditions to this Agreement. All warranties provided by Supplier shall run to University. Supplier will pass through to University all manufacturer warranties for the materials covered hereunder to the extent Supplier has the right to do so. Supplier does not adopt, guarantee or represent that the manufacturer will comply with any of the terms of the warranty of such manufacturer. If any warranties specified herein or otherwise applicable are breached by Supplier, University may, at its election, require Supplier to correct at Supplier's sole expense any defect or nonconformance by repair or replacement or return any defective or nonconforming goods to Supplier at Supplier's expense and recover from Supplier the purchase price or, in the case of services, require re-performance of the services or terminate this Agreement and receive a full refund. The foregoing remedies are in addition to all other remedies University may have at law or in equity. Except for the warranties specifically set forth in this Agreement, Supplier makes no other warranties and disclaims all other warranties, express or implied by law, course of dealing, course of performance, usage of trade or otherwise, including without limitation any warranty of merchantability or fitness for a particular purposes.

9. **Relationship of Parties**. No agency, partnership, or joint venture is created by this Agreement. The parties affirmatively disclaim any intent to form such relationship. Supplier is solely responsible for maintenance and payment of insurance and the like that may be required by federal, state, or local law with respect to any sums paid hereunder. Supplier is not University's agent or representative and has no authority to bind or commit University to any agreements or other obligations.

10. **Liability**. To the fullest extent allowed by law, Supplier shall defend, indemnify, and hold harmless University, its regents, officers, employees, agents, and students, for any loss, claim, damage, expense, or liability of any kind, including reasonable attorneys' fees and costs, to the extent caused by the negligence or willful misconduct of Supplier and its officers, employees, agents, and subcontractors.

11. **Insurance**. Supplier shall at its own expense obtain and maintain throughout the Term of this Agreement general commercial liability insurance against claims for bodily injury, death, and property damage with limits of not less than one million dollars ($1,000,000.00) per occurrence, and three million dollars ($3,000,000.00) general aggregate to cover such liability caused by, or arising out of, activities of Supplier and its agents and/or employees while engaged in or preparing for the provision of the Deliverables. Upon request by University, Supplier shall furnish to University certificates of insurance evidencing that such insurance is effective prior to provision of the Deliverables. By requiring such minimum insurance, University shall not be deemed or construed to have assessed the risk or limited the liability that may be applicable to Supplier under this Agreement. Supplier shall assess its own risks and, if it deems appropriate, maintain higher limits or broader coverages. Supplier further agrees, upon request, to include University as an additional insured on its general liability insurance policy on a primary and non-contributory basis. Supplier is not relieved of any liability or other obligations assumed or pursuant to this Agreement by reason of its failure to obtain or maintain insurance in sufficient amounts, duration, or types.

12. **Assignment**. This Agreement is non-assignable and non-transferrable unless agreed to in writing by the parties. Any attempt by either party to assign its rights or obligations hereunder without the consent of the other party shall be void.

13. **Amendment**. This Agreement constitutes the entire understanding between University and Supplier with respect to the subject matter hereof and may not be amended except by an agreement signed by Supplier and an authorized representative of University.

14. **Disputes; Governing Law and Forum**.

A. As pertains solely to disputes between the University and Supplier, this Agreement shall be governed by the laws of the State of Nebraska without giving effect to its conflicts of law provisions. Any legal actions brought by University or by Supplier shall be instituted in the state courts located in Lancaster County, Nebraska. It is understood and agreed that any legal action by Supplier in relation to this Agreement may only be instituted in accordance with the provisions of the State Contract Claims Act (Neb. Rev. Stat. §§ 81-8,302 to 81-8,306), as amended.

B. As pertains to disputes between any other Participating Public Agency and Supplier, the dispute shall be resolved consistent with the dispute resolution provisions set forth in the applicable Acceptance Agreement, which calls for binding arbitration, to the extent permitted under applicable law, or, where arbitration is not legally permissible, in accordance with the contracts disputes process required under applicable state law for the Participating Public Agency and, in either case, subject to that state's substantive law. As set forth in the Acceptance Agreement, any such dispute arising from or related to this Agreement shall be determined on an individual, non-class basis, whether in arbitration or in any court, shall be considered unique as to its facts, and shall not be consolidated in any arbitration or other legal proceeding with any claim or controversy of any other party.

15. **Conflict of Interest**. Supplier certifies, to the best of its knowledge and belief, that there are no potential organizational conflicts of interest related to this Agreement. If Supplier cannot so certify, it shall provide to University a disclosure statement that describes all relevant information concerning any potential conflict of interest under this Agreement. In the event the potential conflict of interest cannot be resolved, University may declare this Agreement void and of no further force or effect and University shall have no further obligations under this Agreement.

16. **Work Status Verification**. Supplier and its subcontractors shall use a federal immigration verification system to determine the work eligibility status of new employees physically performing services within the State of Nebraska pursuant to Neb. Rev. Stat. §§ 4-108 to 4-114, as amended.

17. **Debarment List**. Supplier certifies and warrants that it has not been debarred, suspended, or declared ineligible as defined in the Federal Acquisition Regulation 48 CFR Ch.1 Subpart 9.4. Supplier also certifies that Supplier, its partners, directors, officers, employees, licensees, subcontractors, or agents have not been excluded or debarred or otherwise become ineligible to participate in Federal health care programs pursuant to 42 USC § 1320a-7. This shall be an ongoing certification and warranty during the Term of the Agreement and Supplier shall immediately notify University of any change in the status of the certification and warranty set forth in this section. If Supplier becomes excluded from Federal health care program participation or placed on the Consolidated List of Debarred, Suspended, and Ineligible Contractors, the Agreement may be terminated immediately, for cause, by University. If any partners, directors, officers, employees, licensees, subcontractors, personnel, or agents of Supplier become excluded from Federal health care program participation, such individual shall be removed from participating in this Agreement immediately. Failure by Supplier to remove such excluded individual immediately shall provide University the right to terminate the Agreement immediately for cause.

18. **Taxpayer Transparency Act**. Under Neb. Rev. Stat. §§ 84-602.01 to 84-602.04, University is required to provide the Nebraska Department of Administrative Services with a copy of each contract that

is a basis for an expenditure of state funds, including any amendments and documents incorporated by reference in the contract. Copies of all such contracts and documents will be published by the Nebraska Department of Administrative Services at https://statecontracts.nebraska.gov/. It shall be the sole responsibility of Supplier (a) to notify University of any requested redactions to such contracts and documents and (b) to indicate the legal basis for such requested redactions at the time of execution. In addition, Supplier agrees to defend any challenge to such redactions at its own expense.

19. **Public Records**. Under Neb. Rev. Stat. §§ 84-712 to 84-712.09, information or records of or belonging to University regarding, related to, or part of the Agreement will be open to public inspection and copying unless exempted from disclosure in accordance with the University's interpretation and application of applicable law. It shall be the sole responsibility of Supplier (a) to notify University of requested redactions to any such information or records that may otherwise be required to be open to public inspection and copying and (b) to indicate the legal basis for such requested redactions. In addition, Supplier agrees to defend any challenge to such requested redactions at its own expense.

20. **Nondiscrimination**. Supplier agrees that neither it nor any of its subcontractors shall discriminate against any employee, or applicant for employment to be employed in the performance of this Agreement, with respect to hire, tenure, terms, conditions, or privilege of employment because of the race, color, religion, sex, disability, or national origin of the employee or applicant in accordance with the Nebraska Fair Employment Practice Act, Neb. Rev. Stat. § 48-1122, as amended.

21. **Discrimination including Sexual Harassment.** State and federal law, as well as University of Nebraska Bylaws, policies, and guidelines prohibit discrimination (as defined therein) including harassment and retaliation, against students, employees, and other members of the University community. Prohibited types of discrimination include discrimination on the basis of race, color, ethnicity, national origin, sex (including sexual harassment), pregnancy, sexual orientation, gender identity, religion, disability, age, genetic information, veteran status, marital status, political affiliation, and any other protected status. Supplier shall exercise control over itself, its employees, agents, contractors, and affiliated parties to prohibit acts of discrimination, including sexual harassment, against University students, employees, and other members of the University community. Supplier shall cooperate with the University following any report of discrimination. In the event University determines that Supplier or an employee, agent, contractor, or other person affiliated with Supplier has engaged in discrimination, including harassment, or other inappropriate conduct, Supplier will take prompt and effective action, in accordance with the University's direction, to prevent recurrence of the conduct and to correct its effects, which may include removal of Supplier or the employee, agent, contractor, or other person affiliated with Supplier from providing the Deliverables. Supplier's failure to comply with the University's directive or any other part of this provision may be cause for immediate termination of this Agreement. Supplier acknowledges that the University may have obligations to report any allegations or incidents of discrimination, including sexual harassment. Supplier and employees, agents, contractors, and other persons affiliated with Supplier who are directly providing the Deliverables or present on University premises shall participate in any training as may be required by the University from time to time, including training regarding sexual harassment and diversity and inclusion.

22. **Criminal Background Investigations.** If applicable, Supplier represents and warrants that Supplier has obtained, at its own expense and in a manner compliant with all applicable laws, a background screening for all of its employees who will be present on University premises. Such background screenings shall be completed consistent with current industry standards and shall, at a minimum, include the same degree of thoroughness as the background checks University conducts for its newly hired staff. Supplier agrees to update any background screening upon reasonable request by University, it being agreed that any request based upon the occurrence of any illegal activity involving Supplier or its personnel, or the reasonable suspicion of illegal activity would be deemed reasonable. Supplier shall provide University with evidence of the completion of the required background screenings upon University's request. Alternatively, in the event Supplier is an individual, University may require Supplier complete a background check

consistent with current industry standards at University's request. Supplier shall not hire, retain, or engage any individual directly involved in the performance of services under the Agreement who has been convicted (felony or misdemeanor) of or entered into a court-supervised diversion program for any sexual offense, felony assault (including domestic violence related incidents), child abuse, molestation or other crime involving endangerment of a minor, murder, or kidnapping. Supplier and Supplier's employees or agents directly performing services under the Agreement cannot be listed on any sex offender registry. Other convictions, such as misdemeanor assault, drug distribution activity, felony drug possession, and any other felony or crime involving moral turpitude may also render Supplier and Supplier's employees or agents ineligible to directly perform services under the Agreement, taking into consideration (a) the nature and gravity of the offense(s), (b) the time that has passed since the offense or conduct and/or completion of the sentence, and (c) the nature of the services being performed. Supplier and Supplier's employees or agents cannot be listed on any sex offender registry. Supplier agrees to ensure any third party with whom Supplier engages to provide any part of services provided under the Agreement agrees to the same restrictions, conditions, and requirements of this section in the same capacity as Supplier.

23. **Equal Opportunity (intentionally bolded).** Supplier shall comply with 41 CFR §§ 60-1.4(a), 60-300.5(a), and 60-741.5(a), incorporated by reference with the following statement: **"This contractor and subcontractor shall abide by the requirements of 41 CFR 60-1.4(a), 60-300.5(a) and 60- 741.5(a). These regulations prohibit discrimination against qualified individuals based on their status as protected veterans or individuals with disabilities, and prohibit discrimination against all individuals based on their race, color, religion, sex, sexual orientation, gender identity, national origin or for inquiring about, discussing, or disclosing compensation. Moreover, these regulations require that covered prime contractors and subcontractors take affirmative action to employ and advance in employment individuals without regard to race, color, religion, sex, sexual orientation, gender identity, national origin, disability or veteran status."**

24. **Logos or University Marks**. Supplier shall not use or display any University name, logo, trademark, service mark (individually a "Mark" and collectively the "Marks") and/or other indicia designated by University as a source identifier, unless expressly authorized in writing by University. Any unauthorized use of Marks is expressly prohibited. Supplier agrees it will not use University's name in any manner that acts as an endorsement or is an appearance of any endorsement in any promotion, advertisement, solicitation, or other communication, especially as it relates to Supplier's business.

25. **Right to Audit Privilege**. The University reserves the right to audit or inspect work performed by the Supplier under the Agreement. The University may participate directly or through an appointed representative in order to verify that services related to the Agreement have been performed in accordance with the procedures indicated.

26. **Affiliates.** "Affiliates" for the purposes of this Agreement are agents, contractors, consultants, or other entities or individuals who are authorized by University to use the Deliverables. Affiliates may be added by University upon written notice to Supplier. The parties agree Affiliates may avail themselves to the benefits of this Agreement by way of a separate agreement between Affiliate and Supplier. Affiliates include, without limitation, any public agency or instrumentality of the government of the State of Nebraska or political subdivisions within the State of Nebraska, any entity in which the Board of Regents of University has at least a fifty percent (50%) controlling interest, and The Nebraska Medical Center d/b/a Nebraska Medicine.

27. **Campuses.** By virtue of the authority granted by the Board of Regents of University of Nebraska, each Campus may execute certain contracts on their own behalf. Supplier acknowledges one or more Campuses may participate under this Agreement. The Campuses shall not be considered "Affiliates" for purposes of this Agreement.

28. **Compliance**. Supplier and its employees and agents will comply with all laws, ordinances, codes, rules, regulations, and licensing requirements that are applicable to the conduct of its business, including those of federal, state, and local agencies having jurisdiction and/or authority, as well as applicable University policies.

29. **Pricing and Annual Price Negotiations**. The contract item pricing as set forth in the RFP Pricing Worksheet incorporated herein shall remain firm for the first year of the Agreement. In advance of each contract year anniversary, price adjustments shall not exceed the lesser of three percent (3%) or the percentage increase in the Consumer Price Index for all Urban Consumers (CPI-U), U.S. City Average, All Items, Unadjusted, for the most recent twelve months for which data that is not subject to revision is available as published by the U.S. Department of Labor, Bureau of Labor Statistics. Any contract item price adjustments will be made to the then-current pricing in effect prior to the adjustment. Non-contract pricing is subject to adjustment by Supplier as described in the RFP Pricing Worksheet. Supplier shall provide at least thirty (30) days' written notice to University prior to the effective date of any increase.

30. **Severability.** The terms of the Agreement are severable. If any term or provision is declared by a court of competent jurisdiction to be illegal, void, or unenforceable the remainder of the provisions shall continue to be valid and enforceable.

31. **Survival.** Provisions surviving termination or expiration of this Agreement are those which on their face affect rights and obligations after termination or expiration and also include provisions concerning indemnification, confidentiality, representations and warranties, and governing law and venue.

32. **Waiver.** A waiver of any term or provision of this Agreement by University shall not be deemed to be a waiver of such provision on any subsequent breach of the same or any other provision contained in this Agreement. Any such waiver must be in writing to be effective, and no such waiver or waivers shall serve to establish a course of performance between the parties contradictory to the terms hereof.

33. **Notices.** Any notice required or permitted to be given under this Agreement shall be in writing, sent via certified mail, overnight courier, or hand delivery, effective when received, and delivered to the addresses provided on the signature page of this Agreement.

34. **Electronic Signatures.** Each party agrees that this Agreement and any other documents to be delivered in connection herewith may be electronically signed, and that any electronic signatures appearing on this Agreement or such other documents are the same as handwritten signatures for the purposes of validity, enforceability, and admissibility.

35. **Subcontractors**. Supplier shall not subcontract all or substantially all of any facet of the services without the prior written approval of University. Supplier shall be fully responsible for the acts and omissions of its subcontractors and of the persons directly or indirectly employed by them. Every subcontractor shall be bound by the terms of this Agreement; provided, however, that no contractual relationship shall exist between any subcontractor and University, unless evidenced in a separate contract independent of this Agreement with Supplier.

36. **Unavailability of Funding**. Due to possible future reductions in State and/or Federal funds, University cannot guarantee the continued availability of funding of this Agreement notwithstanding the consideration contained within this Agreement. In the event funds to finance this Agreement become unavailable, either in full or in part, due to such reductions, University may terminate the Agreement or reduce the consideration upon notice in writing to Supplier. Said notice shall be delivered by certified mail (return receipt requested) or in person (with proof of delivery). University shall be the final authority as to the availability of funds. The effective date of such Agreement, termination, or reduction in consideration shall be the actual effective date of the elimination or reduction of funding. In the event of a reduction in consideration, Supplier may cancel this Agreement as of the effective date of the proposed reduction upon the provision of advance written notice to University. Supplier shall be entitled to receive just and equitable

compensation for any satisfactory work performed up to the date of the notice of termination. In the event of unavailability of funding, the University shall not be liable for any penalty, expense, or liability, or for general, special, incidental, consequential, or other damages resulting therefrom.

37. **Delivery.** All shipments are to be made F.O.B. destination, freight prepaid, according to the delivery information provided in the applicable purchase order. Supplier shall make no partial deliveries under this Agreement without the University's consent unless otherwise indicated in the applicable purchase order. University may, but shall not be obligated to, inspect Supplier's performance under this Agreement from time to time. University's inspection, or lack of inspection, will not constitute an acceptance of any Deliverable or a waiver of any right or warranty or preclude University from rejecting any defective Deliverable. Supplier will coordinate lead times and delivery dates with the University.

38. **Flame Resistant Garments.** University agrees it bears sole responsibility for selecting the flame resistant clothing and fabrics ("FRC") under this Agreement and determining whether such items are appropriate for use by its employees and agents in their applicable work environment(s). UNIVERSITY ACKNOWLEDGES THAT SUPPLIER HAS MADE NO REPRESENTATION, WARRANTY, OR COVENANT WITH RESPECT TO THE FLAME RESISTANT QUALITIES OR OTHER CHARACTERISTICS OF THE FRC OR WITH RESPECT TO THEIR FITNESS OR SUITABILITY FOR THIS OR ANY OTHER PURPOSE. SUPPLIER MAKES NO REPRESENTATION WHETHER THE FRC CONSTITUTES APPROPRIATE PERSONAL PROTECTIVE EQUIPMENT FOR THE ENVIRONMENT(S) TO WHICH UNIVERSITY'S EMPLOYEES OR AGENTS MAY BE EXPOSED OR AS TO THE FRC'S ABILITY TO PROTECT USERS FROM INJURY OR DEATH. University agrees to notify all employees and other agents of University who may wear or will be wearing the FRC that it is not designed for substantial heat exposure or for use around open flames. University acknowledges that compliance with any and all OSHA or other similar regulations or requirements relating to personal protective equipment is the sole responsibility of University. Further, University releases Supplier from any and all liability to University that results or may result from the use of the FRC, including but not limited to any alleged failure of the FRC to function as flame resistant or provide protection against fire and/or heat. In addition to the foregoing release, disclaimers, and agreements related to FRC, and to the extent permitted by applicable law, each Participating Public Agency hereby agrees to defend, indemnify and hold harmless Supplier from any claims and damages arising out of or associated with the FRC or resulting from the Participating Public Agency's or its employees' use of the FRC.

39. **High Visibility Garments.** University bears sole responsibility for: (a) determining the level of visibility needed by wearers of the high visibility garments (the "Garments") for their specific work conditions or uses; (b) identifying and selecting which Garments meet the required level of visibility for any particular work conditions or uses; and (c) determining when Garments require repair or replacement to meet the required level of visibility. University acknowledges and understands that the Garments alone do not ensure visibility of the wearer. University further acknowledges that Supplier is relying upon University to determine whether any Garments need repair or replacement to maintain the required level of visibility. Supplier represents only that the Garments supplied satisfy certain ANSI/ISEA standards to the extent the Garments are so labeled. University acknowledges that Supplier has made no other representations, covenants, or warranties, whether express or implied, related to the Garments. Further, University hereby releases Supplier from any and all liability to University that results or might result from the failure of the garments to function per ANSI/ISEA standards. In addition to the foregoing release, disclaimers, and agreements related to the Garments, and to the extent permitted by applicable law, each Participating Public Agency agrees to defend, indemnify, and hold Supplier harmless from any claims that result or might result from the failure of the Garments to function per ANSI/ISEA standards.

40. **AED Warranty; AED Release; AED Release and Indemnification.** University acknowledges that all AED purchases, if any, made will be subject to the warranty provided by the manufacturer of the AED and not Supplier. University acknowledges that Supplier makes no warranty, representation or covenant, express or implied, with respect to the AED products. In addition, Supplier warrants that the services performed by it will be performed in a professional, workmanlike manner and will substantially conform to the specifications of the services at the time of performance.

a. As it pertains to University's use of the AEDs, the following shall apply:

40.a.1. RELEASE OF SUPPLIER BY UNIVERSITY. UNIVERSITY RELEASES SUPPLIER AND ALL OF ITS SUBCONTRACTORS, AGENTS, OFFICERS, EMPLOYEES, OR OTHER REPRESENTATIVES (COLLECTIVELY, "**REPRESENTATIVES**") OF ANY TYPE FROM LIABILITY TO UNIVERSITY FOR ANY AND ALL LOSS, DAMAGE, OR EXPENSE OF ANY KIND OR TYPE, UNDER ANY LEGAL, EQUITABLE OR OTHER THEORY, THAT MAY OCCUR PRIOR TO, CONTEMPORANEOUSLY WITH, OR AFTER THE EXECUTION OF THIS AGREEMENT RELATED IN ANY WAY TO THE USE OF THE AED PRODUCTS AND AED SERVICES. THIS RELEASE INCLUDES BUT (BUT IS NOT LIMITED TO) ANY CLAIM, DEMAND, SUIT, LIABILITY, DAMAGE, JUDGMENT, LOSS, EXPENSES, ATTORNEYS' FEES, AND COSTS, THAT MAY BE ASSERTED AGAINST SUPPLIER OR ITS REPRESENTATIVES BY UNIVERSITY FOR ANY EXPENSE, LOSS, OR DAMAGE CAUSED BY OR CONTRIBUTED TO IN ANY WAY, OR ALLEGED TO BE CAUSED BY OR CONTRIBUTED TO IN ANY WAY, BY ANY ACT, OMISSION, OR FAULT OF SUPPLIER OR ITS REPRESENTATIVES.

b. As it pertains to any Participating Public Agency's use of the AEDs, the following shall apply:

40.b.1. RELEASE AND INDEMNIFICATION OF SUPPLIER BY PARTICIPATING PUBLIC AGENCY. PARTICIPATING PUBLIC AGENCY RELEASES AND, TO THE EXTENT PERMITTED BY APPLICABLE LAW, AGREES TO DEFEND, INDEMNIFY, AND HOLD HARMLESS SUPPLIER AND ALL OF ITS SUBCONTRACTORS, AGENTS, OFFICERS, EMPLOYEES, OR OTHER REPRESENTATIVES (COLLECTIVELY, "**REPRESENTATIVES**") OF ANY TYPE FROM LIABILITY FOR ANY AND ALL LOSS, DAMAGE, OR EXPENSE OF ANY KIND OR TYPE, UNDER ANY LEGAL, EQUITABLE OR OTHER THEORY, THAT MAY OCCUR PRIOR TO, CONTEMPORANEOUSLY WITH, OR AFTER THE EXECUTION OF THIS AGREEMENT RELATED IN ANY WAY TO THE USE OF THE AED PRODUCTS AND AED SERVICES. THIS OBLIGATION INCLUDES (BUT IS NOT LIMITED TO) ANY CLAIM, DEMAND, SUIT, LIABILITY, DAMAGE, JUDGMENT, LOSS, EXPENSES, ATTORNEYS' FEES, AND COSTS, THAT MAY BE ASSERTED AGAINST OR INCURRED BY SUPPLIER OR ITS SUBCONTRACTORS, AGENTS, OFFICERS, EMPLOYEES, OR OTHER REPRESENTATIVES BY PARTICIPATING PUBLIC AGENCY OR ANY PERSON OR ENTITY NOT A PARTY TO THIS AGREEMENT (INCLUDING, BUT NOT LIMITED TO, PARTICIPATING PUBLIC AGENCY'S INSURANCE COMPANY, ADMINISTRATIVE BODY OR AUTHORITY, OR PARTICIPATING PUBLIC AGENCY'S EMPLOYEES) FOR ANY EXPENSE, LOSS, OR DAMAGE CAUSED BY OR CONTRIBUTED TO IN ANY WAY, OR ALLEGED TO BE CAUSED BY OR CONTRIBUTED TO IN ANY WAY, BY ANY ACT, OMISSION, OR FAULT OF SUPPLIER OR ITS SUBCONTRACTORS, AGENTS, OFFICERS, EMPLOYEES, OR OTHER REPRESENTATIVES. THIS OBLIGATION EXTENDS TO, WITHOUT LIMITATION, STATUTORY CIVIL DAMAGES, ECONOMIC DAMAGES, PERSONAL INJURY, DEATH, OR PROPERTY DAMAGE (REAL AND PERSONAL) ARISING OUT OF OR RELATED TO THIS AGREEMENT, INCLUDING (BUT NOT LIMITED TO) ANY CLAIMS BASED UPON BREACH OF THE AGREEMENT, STRICT LIABILITY, REQUESTS FOR OR RIGHTS OF SUBROGATION OR CONTRIBUTION, INDEMNIFICATION, WRONGFUL DEATH, AND NEGLIGENCE (WHETHER ACTIVE OR PASSIVE, AND INCLUDING CLAIMS BASED UPON SUPPLIER'S SOLE, PARTIAL, OR JOINT AND SEVERAL NEGLIGENCE OF ANY TYPE OR DEGREE), AND ANY OTHER CLAIM, WHETHER BASED UPON OR ARISING UNDER CONTRACT, TORT, LAW, OR EQUITY. PARTICIPATING PUBLIC AGENCY FURTHER RELEASES AND WAIVES ANY RIGHT OF SUBROGATION THAT IT, ANY INSURER, OR ANY OTHER THIRD PARTY MAY HAVE DUE TO OR FOR ANY SUCH CLAIM, LOSS, OR DAMAGE. THE PARTICIPATING PUBLIC AGENCY'S DEFENSE, HOLD HARMLESS AND INDEMNIFICATION OBLIGATIONS SHALL ALSO EXTEND TO INJURIES OR DEATH SUSTAINED BY PARTICIPATING PUBLIC AGENCY'S EMPLOYEES AND SHALL NOT BE LIMITED BY ANY APPLICABLE WORKERS' COMPENSATION LAW AND PARTICIPATING PUBLIC AGENCY EXPRESSLY WAIVES ANY STATUTORY OR CONSTITUTIONAL WORKERS' COMPENSATION IMMUNITY UNDER APPLICABLE LAW WHICH WOULD OTHERWISE LIMIT ITS INDEMNIFICATION OBLIGATIONS HEREUNDER. Supplier reserves the right to select counsel to represent it in any such action.

41. **Cleanroom Garments**. University will bear the full responsibility for selecting cleanroom apparel appropriate to its application. University hereby releases Supplier from any and all liability to University that results or might result from the failure of the cleanroom garment to function as intended.

42. **Eyewash Services**. The following terms and conditions shall apply to any Self-Contained The Safety Director® Station(s) ("Eyewash Station(s)") and any Eyewash Services (defined below) provided under this Agreement.

a. Service; Frequency. Supplier will provide periodic service visits to perform the actions identified in this Section 42.a ("Eyewash Service"). During each Eyewash Service, Supplier shall confirm the following relating to the Eyewash Station: (a) a sign is still present; (b) deployment manifold with both nozzles is in the upright position and both nozzles are covered; (c) water flows continuously from both nozzles; and (d) deployment occurs upon drop of manifold and water continuously flows without use of hands. Supplier shall also drain water from the Eyewash Station and replace the water with University-supplied potable water and add water additive solution. Upon completion of the Eyewash Service, Supplier shall apply a tamper-evident seal, and date and initial the service tag. Each Eyewash Service will be performed quarterly, with each Eyewash Service being completed within 120 days following the prior Eyewash Service. If University performs its own inspection and/or University identifies any concern with the Eyewash Products, University shall contact Supplier during normal business hours and Supplier will respond to University by the first business day following receipt of notice.

b. Scope and Limitations of Service. With each Eyewash Station, Supplier shall also provide: one stand; one fluid disposal cart; one eyewash identification sign; and one eyewash mat (together, including the Eyewash Station, the "Eyewash Products") The scope of Supplier's responsibilities under this Agreement is limited to delivering the Eyewash Products and performing Eyewash Services. University acknowledges that the scope of services expressly excludes: performance of a risk or hazard analysis of any kind or type; determining whether the Eyewash Station(s) exists on the same level as a hazard or is accessible within 10 seconds of any given hazard; monitoring the water temperature; providing regulatory guidance; or providing recommendations regarding the type, number, and placement or location of Eyewash Stations at University's facility. University further agrees that Supplier has no responsibility to monitor the condition of the Eyewash Products between Supplier's periodic service visits. University further acknowledges that it bears sole responsibility for ensuring that Eyewash Stations, Eyewash Products, and other eyewash equipment and other equipment at its facility satisfy ANSI, OSHA and all other applicable requirements. University expressly acknowledges that the status of the Eyewash Products can change at any time subsequent to a service visit by Supplier and that Supplier is not responsible or liable for any such change in status, including but not limited to any change in signage.

43. **Fire Services.** The following terms and conditions shall apply to any fire protection products and services provided under this Agreement:

a. Inspection. Supplier shall not be responsible for the consequences of University's failure to inspect the goods or services or for any defects, malfunctions, inaccuracies, insufficiencies or omissions. Where inspection and/or test services are provided, such inspection and/or test shall be documented on Supplier's then-current form, which shall be given to University, and, where required, Supplier may submit a copy thereof to the local authority having jurisdiction. The report and findings by Supplier ARE ONLY ADVISORY IN NATURE and are intended to assist University in reducing the risk of loss to property by indicating obvious defects or impairments noted to the system and equipment inspected and/or tested. It is University's responsibility to provide the Supplier with all municipal specific documentation and to ensure such municipal specific documentation for device certification is on site and available to Supplier at the time of inspection.

b. Deficiencies. REPORTED DEFICIENCIES ARE NOT INTENDED TO IMPLY THAT NO OTHER DEFECTS OR HAZARDS EXIST OR THAT ALL ASPECTS OF THE COVERED SYSTEM(S) ARE UNDER CONTROL AT THE TIME OF INSPECTION. RESPONSIBILITY FOR THE CONDITION AND OPERATION OF THE SYSTEM(S) LIES WITH THE UNIVERSITY. University shall promptly notify Supplier of any malfunction which comes to University's attention regarding the Systems.

c. Repair. This Agreement assumes the Systems and related equipment are in operational and maintainable condition as of the Agreement date. If, during the inspection process, Supplier determines that repairs are necessary, Supplier will perform those repairs subject to any applicable Not to Exceed (NTE) Allowance guidelines or notify the University with repair recommendations. Supplier shall have first right of refusal for all recommended repairs authorized by University. Supplier, at its option, may match any quotation provided to University by an alternate Supplier for the repair scope of work or alternate scope of work proposed by an alternate Supplier. Ensuring that recommended repairs are performed is the responsibility of the University. Supplier disclaims any liability which arises from repair recommendations which are not performed.

d. Limited Warranty. Because of the great number and variety of applications for which Supplier's goods and services are purchased, Supplier does not recommend specific applications or assume any responsibility for use, results obtained or suitability for specific applications. University is cautioned to determine the appropriateness of Supplier's goods and services for University's specific application before ordering and to test and evaluate thoroughly all goods before use. Supplier warrants that title to all goods sold by Supplier shall be good and marketable. Except for the warranties specifically set forth in this Agreement, THERE ARE NO OTHER WARRANTIES EXPRESSED OR IMPLIED IN CONNECTION WITH THE SALE OF GOODS AND SERVICES, INCLUDING ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. NO DISCLAIMER, EXCLUSION, LIMITATION OR MODIFICATION OF ANY OF THE AFORESAID WARRANTIES SHALL BE DEEMED EFFECTIVE UNLESS IN WRITING SIGNED BY SUPPLIER.

44. **Alarm Monitoring Services.** As it pertains to any Participating Public Agency's use of alarm monitoring services, the terms and conditions set forth in Exhibit A and all attached schedules shall apply. University is not using any alarm monitoring services under this Agreement and in no event shall Exhibit A and all attached schedules apply to University.

45. **Supplier Not an Insurer.** University agrees that neither Supplier nor its contractors or assignees, including, without limitation, those providing monitoring services, (collectively, "Subcontractors") are insurers and no insurance coverage is provided by this Agreement. UNIVERSITY ACKNOWLEDGES AND AGREES THAT SUPPLIER AND ITS CONTRACTORS DO NOT ASSUME ANY RESPONSIBILITY NOR SHALL THEY HAVE ANY LIABILITY FOR CLAIMS MADE AGAINST THEM CLAIMING THAT THEY ARE AN INSURER OF UNIVERSITY'S SYSTEMS, THE FAILURE OF SUCH SYSTEMS TO OPERATE EFFECTIVELY, OR ANY OTHER TYPE OF INSURANCE COVERAGE AS AN INSURER. University acknowledges that during the term of the Agreement, it will maintain a policy of insurance covering public liability, bodily injury, sickness or death, losses for property damage, fire, water damage, and loss of property in amounts that are sufficient to cover all claims of University for any losses sustained. Supplier shall not be responsible for any claims of University against the Subcontractors nor for any portion of any loss or damage that is required to be insured, is insured or insurable by University pursuant to this Section. In addition to the foregoing release and agreements, and to the extent permitted by applicable law, Participating Public Agency agrees to defend, indemnify, and hold Supplier harmless from any claims of Participating Public Agency against the Subcontractors and for any portion of any loss or damage that is required to be insured, is insured or insurable by Participating Public Agency pursuant to this Section.

University may satisfy its insurance obligations under the first paragraph of this Section 46 through a self-insurance program established under Neb. Rev. St. § 85-1,126 (the "Program"). Subject to the terms, conditions, exclusions, and limits of the Program, the Program shall pay on behalf of University, during any of its fiscal years, all sums for which University shall become legally obligated to pay as damages for liability occurrences, up to the limits of $1,000,000 per liability occurrence and $3,000,000 in the aggregate of liability occurrences in any fiscal year. The Program may be evidenced by a Statement of Self-Insurance Coverage.

46. **Limitation of Liability of Supplier.**

a. As it pertains to University, the following limitation of liability shall apply:

46.a.1. IF SUPPLIER OR ITS REPRESENTATIVES ARE HELD LIABLE FOR ANY REASON FOR ANY LOSS, INJURY, OR DAMAGES OF ANY KIND THAT ARISES OUT OF, RESULTS FROM, OR IS RELATED TO THIS AGREEMENT (INCLUDING, WITHOUT LIMITATION, LOSSES, INJURIES OR DAMAGES RESULTING FROM SUPPLIER'S SOLE OR PARTIAL NEGLIGENCE, WHETHER ACTIVE OR PASSIVE), UNIVERSITY AGREES AND WARRANTS THAT SUPPLIER'S AND ITS REPRESENTATIVE'S COLLECTIVE LIABILITY TO UNIVERSITY, ITS AGENTS, OFFICERS, DIRECTORS, AND EMPLOYEES SHALL BE LIMITED EXCLUSIVELY TO $2,000,000; PROVIDED, HOWEVER, THAT THE FOREGOING LIMITATION OF LIABILITY SHALL NOT APPLY TO: (1) DAMAGES ARISING FROM THE GROSS NEGLIGENCE OR WILLFUL MISCONDUCT OF SUPPLIER, ITS EMPLOYEES, ITS SUBCONTRACTORS, OR ITS AGENTS; (2) CLAIMS FOR PERSONAL INJURY, INCLUDING DEATH, ARISING FROM THE NEGLIGENCE OF SUPPLIER, ITS EMPLOYEES, ITS SUBCONTRACTORS, OR ITS AGENTS; (3) AND CLAIMS FOR DAMAGE TO REAL PROPERTY OR TANGIBLE OR INTANGIBLE PROPERTY ARISING FROM SUPPLIER'S ACTS OR OMISSIONS UNDER THE AGREEMENT. If University wishes to increase the limitation of liability, Supplier and University may negotiate a supplemental written agreement to increase the limit of Supplier's liability, but no such agreed upon increase to the limit of Supplier's liability shall be interpreted to find Supplier or its subcontractors or representatives to be insurers. Neither party shall be liable to the other or any other person for any incidental, punitive, speculative, or consequential damages of any type, including, but not limited to, loss of profits or business opportunity.

b. As it pertains to Participating Public Agencies, the following limitation of liability shall apply:

46.b.1. Participating Public Agency acknowledges that Supplier's service fees/purchase prices are based on the value of services or goods provided and the limited liability provided under this Agreement and not on the value of the Participating Public Agency's premises or its contents, or the likelihood or potential extent or severity of injury (including death) to Participating Public Agency or others. Participating Public Agency further acknowledges and agrees that Supplier cannot predict the potential amount, extent, or severity of any damages or injuries that Participating Public Agency or others may incur due to the failure of the goods, systems, or services to work as intended. IF SUPPLIER OR ITS REPRESENTATIVES ARE HELD LIABLE FOR ANY REASON FOR ANY LOSS, INJURY, OR DAMAGES OF ANY KIND THAT ARISES OUT OF, RESULTS FROM, OR IS RELATED TO THIS AGREEMENT (INCLUDING, WITHOUT LIMITATION, LOSSES, INJURIES OR DAMAGES RESULTING FROM SUPPLIER'S SOLE OR PARTIAL NEGLIGENCE, WHETHER ACTIVE OR PASSIVE), PARTICIPATING PUBLIC AGENCY AGREES AND WARRANTS THAT SUPPLIER'S AND ITS REPRESENTATIVE'S COLLECTIVE LIABILITY TO PARTICIPATING PUBLIC AGENCY, ITS AGENTS, OFFICERS, DIRECTORS, EMPLOYEES, INVITEES, AND ANY THIRD PARTY SHALL BE LIMITED EXCLUSIVELY TO 25% OF PARTICIPATING PUBLIC AGENCY'S SPEND IN THE TWELVE (12) MONTHS IMMEDIATELY PRECEDING THE DATE ON WHICH THE LIABILITY AROSE. If Participating Public Agency wishes to increase the limitation of liability, Supplier and Participating Public Agency may negotiate a supplemental written agreement to increase the limit of Supplier's liability, but no such agreed upon increase to the limit of Supplier's liability shall be interpreted to find Supplier or its subcontractors or representatives to be insurers. PARTICIPATING PUBLIC AGENCY AGREES THAT THE LIMITS ON THE LIABILITY OF SUPPLIER AND THE WAIVERS AND INDEMNITIES SET FORTH IN THIS AGREEMENT ARE A FAIR ALLOCATION OF RISKS AND LIABILITIES BETWEEN SUPPLIER, PARTICIPATING PUBLIC AGENCY, AND ANY OTHER AFFECTED PARTIES. PARTICIPATING PUBLIC AGENCY ACKNOWLEDGES AND AGREES THAT WERE SUPPLIER TO HAVE LIABILITY GREATER THAN THAT STATED ABOVE, IT WOULD NOT PROVIDE THE GOODS AND SERVICES. Neither party shall be liable to the other or any other person for any incidental, punitive, speculative, or consequential damages of any type, including, but not limited to, loss of profits or business opportunity.

47. **No Federal Contractor**. As a material condition of this Agreement, University represents and warrants that: (a) University is not an agency or instrumentality of the United States government; and (b) this Agreement does not constitute, and is not entered to support, a federal government contract,

subcontract or third party contract. In the event that this Agreement is considered or alleged to be a federal government contract, subcontract or third party contract, Supplier shall have the option unilaterally to terminate this Agreement without penalty. Further, in no event will Supplier act as a subcontractor under a U.S. federal prime contractor or a subrecipient under a U.S. federal grant or cooperative agreement in connection with this Agreement, whether as relates to the University or any other Participating Public Agency.

2. Exhibit A to Master Agreement, Alarm Monitoring Terms and Conditions (Inclusive of Schedules A and B)

Exhibit A
Alarm Monitoring Terms and Conditions

Cintas Corporation No. 2, d/b/a Cintas Fire Protection, and its parents, subsidiaries, and affiliates ("Cintas") agree to perform fire alarm monitoring services and other related services (collectively, "Monitoring Services") for a commercial signaling system ("System") located at the premises listed on Schedule A of this Alarm Monitoring Agreement (the "Premises") at the prices and on the terms and conditions set forth in this Alarm Monitoring Agreement ("Alarm Monitoring Agreement"). In the event of a conflict on inconsistency between terms and conditions in this Alarm Monitoring Agreement and the terms and conditions set forth in the master Agreement between Cintas and Customer, this Alarm Monitoring Agreement shall control with respect to any Monitoring Services.

		x		x 12 =	/year
			TOTAL ANNUAL COST	=	/year
			/one time		
			/one time		
			/one time		
			TOTAL ONE TIME	=	

1. Annual Monitoring Fee. Cintas bills annually for monitoring services. The Customer must pay a one-time service activation fee and the entire annual monitoring fee, both of which are due thirty (30) days prior to the Alarm Monitoring Agreement Effective Date. Upon request to Cintas and Cintas's written approval, Customer may be permitted to pay the annual maintenance fee in periodic payment. If periodic payments are elected, Customer must pay the one-time service activation fee and first periodic payment thirty (30) days prior to the Alarm Monitoring Agreement Start Date. Subsequent periodic payments are due upon receipt of each invoice. Quarterly or monthly payments shall include a surcharge of 4% per payment. For any payment that is not paid within thirty (30)days of the invoice date, Cintas shall be entitled to assess, and Customer shall pay, a service charge of 5% of the amount of the unpaid amount due and a finance charge of 1-1/2% per month on the unpaid amount due. Cintas has the right to increase periodic charges at any time or times (i) after expiration of one (1) year from the Alarm Monitoring Agreement Start Date; provided, that any increase shall not exceed the greater of 6% or the increase in CPI for all urban consumers in the United States for the period since any prior increase and (ii) at any time for any new or increased pass-through fees, costs and expenses.
2. Rented Cintas Net Equipment. For rented Cintas Net units, Cintas shall retain exclusive ownership, title, and control of the Cintas Net units at all times. If repair or replacement of the Cintas Net units is required for any reason other than ordinary wear and tear, the Customer shall pay for any such repair or replacement at Cintas's then-prevailing charges for time and/or material. For purposes of this paragraph, "ordinary wear and tear" does not include obsolete units or units that have reached the end of their useful life.

3. False Alarms. In the event the System is activated for any reason, other than activation caused by Cintas during a service inspection, Customer shall pay or reimburse Cintas for any and all fees, fines, costs, expenses, penalties and other charges assessed against Customer or Cintas pursuant to any law or by any governmental entity, court, or administrative agency.
4. Emergency Contact Information. Customer shall (i) furnish Cintas with all contact information for the Monitoring Services to Cintas in writing, including contact numbers for the person(s) identified by Customer as Customer's emergency contacts ("Customer Contacts") and contact numbers for the responsible police, sheriff, fire, medical, ambulance, guard, patrol, and response services and other governmental, private, or volunteer departments and organizations ("First Responders") requested on the Customer's Contact and First Responder's List, attached as Schedule "B" of this Alarm Monitoring Agreement ("Call List") and (ii) keep all information on the Call List current by submitting any changes in writing to the servicing Cintas location. Customer acknowledges and agrees that no such submission is deemed complete or effective until it receives written acknowledgment from Cintas that the information or changes have been received and entered. Customer further acknowledges and agrees that it has the sole responsibility for determining and providing the proper emergency contact information to Cintas in writing, regardless of whether it has Schedule "B" of the Alarm Monitoring Agreement available. Customer acknowledges that it can contact Cintas if it requires copies of Schedule B to comply with the provisions of this paragraph. Customer further acknowledges and agrees that Cintas has no responsibility for determining, evaluating, or confirming whether the "First Responders" identified are the proper or responsible authority for the Premises in question or whether any of the contact information provided is correct. Customer acknowledges and agrees that Cintas will rely solely upon the contact information provided by customer to perform the Monitoring Services. Customer bears all responsibility in the event that any of the information listed on the Call List is incorrect, inaccurate, expired, or illegible/unintelligible.
5. Term; Renewal. The Term of this Alarm Monitoring Agreement shall match the term of the master Agreement.
6. Cancellation. Customer may terminate this Alarm Monitoring Agreement or the Monitoring Service to any Premises covered by this Alarm Monitoring Agreement for its convenience at anytime with a sixty (60) day advance written notification. With the notice, Customer shall pay to Cintas (i) all charges then due, and (ii) 90% of all periodic payments which would be due for the unexpired term of this Alarm Monitoring Agreement, if this Alarm Monitoring Agreement is terminated, or the unexpired term related to the Premises, as liquidated damages and not as a penalty. Cintas shall have no further obligation to perform Monitoring Services for the Premises on and after the termination date, whether under this Alarm Monitoring Agreement or any obligation at law or in equity. In addition, for rented Cintas Net Units, on and after the last date of Monitoring Services, Customer shall permit Cintas access to the Premises during regular business hours to remove any and all such Cintas Net units. Customer shall pay Cintas $1,500 per Cintas Net unit that is damaged or is determined, in Cintas's sole and absolute discretion, to be not in good and proper working order after it is removed from the Premises.
7. Subcontractors. Cintas may subcontract the services to be performed under this Alarm Monitoring Agreement. Customer acknowledges and agrees that all provisions of this Alarm Monitoring Agreement inure to the benefit of and are applicable to any subcontractors engaged by Cintas to provide any service to Customer ("Subcontractor") and that they bind Customer to each such Subcontractor(s) with the same force and effect as they bind Customer to Cintas. (Accordingly, when used in this Alarm Monitoring Agreement, the term "Cintas" includes any such Subcontractors, Cintas employees, and agents.) Customer acknowledges that Subcontractors are independent companies and have no affiliation with Cintas. Customer irrevocably appoints Cintas as its agent to communicate with the Subcontractor(s)concerning all matters related to this Alarm Monitoring Agreement including, without limitation, Monitoring Services.
8. Monitoring Services. Customer acknowledges and agrees that the scope of the Monitoring Services Cintas has agreed to provide pursuant to this Alarm Monitoring Agreement is limited. For the purposes of this Alarm Monitoring Agreement, Cintas's Monitoring Service personnel ("Operators") will only (i) monitor a computer screen that may display specific codes ("Listed Codes") transmitted by Customer's alarm system at the Premises and/or (ii) monitor incoming telephone calls for voice communications from the Premises requesting assistance ("Voice Communications"), as applicable. Upon receiving Listed Codes or Voice Communications that, in the Operator's sole and absolute discretion, clearly and unambiguously constitute a valid alarm condition or request for assistance, the Operator is only required to communicate electronically and/or telephonically with First Responders or call by telephone the telephone numbers supplied by Customer in writing on the Call List within a reasonable period of time, given the circumstances existing at that time at the monitoring facility and the priority of the Listed Codes and/or Voice Communications. Customer understands and agrees that no Monitoring Services shall or need be rendered for signals received that are not Listed Codes or for Voice Communications that do not clearly and unambiguously request assistance, in Cintas's sole and absolute determination. Notwithstanding anything contained herein to the contrary, (a) upon receipt of a Listed Code or Voice Communication, and prior to contacting and/or telephoning First Responders, Cintas may, in its sole and absolute discretion and without any liability, contact or attempt to contact the Premises and/or the Customer Contacts (whether by telephone, electronic mail, or other contact information provided by Customer) as frequently as Cintas(in its sole and absolute discretion) deems appropriate to verify the necessity to report the receipt of a Listed Code or Voice Communication to the First Responders and/or the Customer Contacts, and (b) upon receipt of an abort code or Voice Communication from the Premises, the Customer, a Customer representative, a First Responder, and/or a Customer Contact, Cintas may, in its sole and absolute discretion and without any liability, refrain from contacting First Responders or advise First Responders of receipt of an abort code or Voice Communication or other communication instructing Cintas and/or First Responders to disregard the receipt of a Listed Code. Customer irrevocably agrees that any person at the Premises, Customer's representatives, and all of the Customer Contacts and First Responders have Customer's authority and consent to instruct Cintas to disregard the receipt of a Listed Code and/or Voice Communication informing of an alarm condition or otherwise requesting assistance. Customer acknowledges and agrees that Cintas has no responsibility for providing, establishing, determining, auditing, or otherwise evaluating in any way the Listed Codes that are provided and/or by Customer's system. Customer, for him/her/itself and as the authorized agent of his/her/its representatives and each person on the Customer's Call List at any time, consents to Cintas (i) calling each such person's cell phone, other mobile

device, or phone of any type; (ii) using automatic dialers; and (iii)using a technology known as "robocalling" (unless such person notifies Cintas that he/she opts out of this clause (iii))

Customer acknowledges and agrees that Cintas's efforts to notify First Responders shall be satisfied by attempting telephone contact with any person answering the telephone at the telephone number(s) provided to Cintas in writing or by leaving a message with a telephone answering service or any mechanical, electrical, electronic or other technology permitting the recording of voice and/or data communications. Customer acknowledges and agrees that in no event is Cintas respons ble for documenting its attempts to make the contact(s) referred to herein; to make any specific number of attempts at such contact(s); or for ensuring or documenting a response to any such attempted contact(s).

If the Premises is/are located in a jurisdiction that requires a personal verified on-site response ("Verified Response") prior to dispatching a Proper Authority, Customer has the sole responsibility to engage a service to provide such Verified Response. All fees, costs, and expenses incurred in obtaining or providing a Verified Response shall be borne solely by Customer. Customer understands and agrees that First Responders may not be dispatched or respond to the Premises after notice to First Responders unless there is independent confirmation of an incident at the Premises, such as an on-site witness's report, that a reason for response exists.

Customer further acknowledges and agrees that (i) all software, hardware, firmware, codes, data, audio and voice communications, video images, information and documentation arising out of or from, in connection with, related to, as a consequence of, or resulting from execution of this Alarm Monitoring Agreement or the Monitoring Services (collectively, "Intellectual Property") are the sole and exclusive property of Cintas, and Customer has no rights whatsoever in any of the Intellectual Property, and (ii) Cintas shall have the right, in its sole and absolute discretion, to destroy, delete, erase, or otherwise compromise (collectively, "Destruction") the Intellectual Property at any time without notice to Customer. If Cintas receives a written request from Customer to retain any specific Intellectual Property prior to the Destruction thereof, Cintas agrees to use commercially reasonable efforts to store the specific Intellectual Property as requested by Customer on the condition precedent that Customer pay all fees, costs, and expenses of any kind related to the request.

9. Run-Away Systems. If Cintas notifies Customer by telephone, electronically, or otherwise that its System is excessively transmitting signals to Cintas's monitoring facility (a "Run-Away System") and Customer fails to (i) immediately authorize Cintas to provide repair service to the Run-Away System, and (ii) provide reasonable unrestricted access to the Premises and the Run-Away System within four (4) hours after such notice, Customer agrees to pay to Cintas its then-prevailing charges for each signal transmitted to Cintas's monitoring facility by the Run-Away System.
10. **DISCLAIMER OF WARRANTIES AND REPRESENTATIONS.** Because of the great number and variety of applications for which Cintas's goods and services are purchased, Cintas does not design goods or services, does not recommend specific applications of goods or services, or and does not assume any responsibility for use, results obtained, or suitability for specific applications of goods or services. Customer acknowledges and agrees that Cintas has not made any representations or warranties to Customer regarding any fire suppression system or alarm system (or components thereof) at the Premises, its fitness for any purpose, or its suitability or effectiveness as designed. Customer further acknowledges and agrees that it has the sole responsibility for determining the appropriateness of Cintas's goods and services for Customer's specific application(s) before ordering and to test and evaluate thoroughly all goods before use. Cintas warrants that title to all goods it sells to Customer shall be good and marketable. CUSTOMER ACKNOWLEDGES AND AGREES THAT CINTAS MAKES NO GUARANTEES, REPRESENTATIONS, OR OTHER WARRANTIES OF ANY KIND, EXPRESSED OR IMPLIED, IN CONNECTION WITH THE SALE OF THE GOODS AND/OR SERVICES PURSUANT TO THIS ALARM MONITORING AGREEMENT, INCLUDING (BUT NOT LIMITED TO) ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, OTHER THAN AS SPECIFICALLY ENUMERATED ELSEWHERE IN THIS ALARM MONITORING AGREEMENT. NO MODIFICATION, WAIVER, OR AMENDMENT OF THIS DISCLAIMER SHALL BE DEEMED EFFECTIVE UNLESS MADE IN A WRITING DRAFTED BY CINTAS FOR THIS EXPRESS PURPOSE THAT IS (I) SIGNED BY CINTAS, (II) EXPLICITLY USES THE TERM "WARRANTY" IN ITS TITLE, (III) SPECIFICALLY REFERENCES THIS ALARM MONITORING AGREEMENT; AND (IV) EXPLICITLY AND UNAMBIGUOUSLY DESCRIBES WHAT ADDITIONAL WARRANTY(IES) ARE BEING OFFERED TO CUSTOMER PURSUANT TO THIS ALARM MONITORING AGREEMENT. CUSTOMER FURTHER AGREES THAT THIS EXPLICITLY EXCLUDES ANY OF CINTAS'S SALES MATERIALS, CIRCULARS, WEBSITES, OR OTHER ADVERTISING MATERIALS OF ANY TYPE FROM CREATING ANY WARRANTIES UNDER THIS ALARM MONITORING AGREEMENT, AND CUSTOMER WARRANTS THAT IT IS NOT RELYING UPON ANY SUCH MATERIALS FOR THIS PURPOSE.
11. **CINTAS NOT AN INSURER; CUSTOMER'S OBLIGATION TO OBTAIN INSURANCE AS SOLE RECOVERY FOR ANY LOSS AND WARRANTY OF SAME.** Customer acknowledges and agrees that neither Cintas nor its Subcontractors or assignees, including, without limitation, those providing monitoring services are insurers and that no insurance coverage is provided by this Alarm Monitoring Agreement. CUSTOMER ACKNOWLEDGES AND AGREES THAT CINTAS ASSUMES NO RESPONSIBILITY FOR, NOR SHALL IT HAVE ANY LIABILITY FOR, CLAIMS MADE AGAINST IT CLAIMING THAT IT IS AN INSURER OF CUSTOMER'S SYSTEMS OR ANY OTHER PROPERTY FOR ANY PURPOSE, INCLUDING, BUT NOT LIMITED TO, THE FAILURE OF SUCH SYSTEMS TO OPERATE EFFECTIVELY OR AS DESIGNED. Customer acknowledges that during the term of the Alarm Monitoring Agreement, it is the specific intent of the parties that the Customer will obtain and maintain insurance coverage with minimum coverage of at least two million dollars (U.S.), at the Customer's expense, that will cover any and all losses, damages, and expense arising out of or from, in connection with, related to, as a consequence of, or resulting from this Alarm Monitoring Agreement in any way, including, but not limited to, public liability, bodily injury, sickness or death, losses for property damage, fire, water damage, and loss of property, and Customer agrees to and warrants that it will obtain and maintain such insurance coverage at all times at no cost to Cintas. Customer shall name Cintas as an additional insured by endorsement on any

such policy(ies). This endorsement shall be without limitation or restriction of any type, and Cintas shall be exempt from, and in no way liable for, any sums of money related to this policy(ies) and associated coverage of any type, including, but not limited to, premium payments, deductible, co-payments, or self-insured retention, all of which are the sole respons bility of Customer. Customer agrees that recovery for all such injuries, losses, and damages shall be limited to this insurance coverage only and that it will look exclusively to its insurer(s) to recover for any such injuries, losses, and damages. CUSTOMER RELEASES AND AGREES TO INDEMNIFY AND HOLD HARMLESS CINTAS FROM AND AGAINST ALL COSTS, EXPENSES (INCLUDING REASONABLE ATTORNEY'S FEES), AND LIABILITY ARISING FROM CLAIMS REQUIRED TO BE COVERED BY INSURANCE PURSUANT TO THIS SECTION, INCLUDING ANY CLAIMS FOR DAMAGES ATTRIBUTABLE TO PUBLIC LIABILITY, BODILY INJURY, SICKNESS, OR DEATH, OR THE DESTRUCTION OF ANY REAL OR PERSONAL PROPERTY, INCLUDING, BUT NOT LIMITED TO, THOSE THAT ARE ATTRIBUTABLE TO CINTAS'S PARTIAL OR SOLE NEGLIGENCE. CUSTOMER FURTHER RELEASES AND WAIVES ANY RIGHT OF SUBROGATION THAT IT, ANY INSURER, OR ANY OTHER THIRD PARTY MAY HAVE DUE TO OR FOR ANY SUCH CLAIM, LOSS, OR DAMAGE. CINTAS SHALL NOT BE RESPONSIBLE FOR ANY CLAIMS OF CUSTOMER, ANY LOSSES, OR ANY DAMAGES THAT IS REQUIRED TO BE INSURED UNDER THIS ALARM MONITORING AGREEMENT, IS INSURED, OR IS INSURABLE. CUSTOMER AGREES TO INDEMNIFY CINTAS AGAINST ANY AND ALL SUCH CLAIMS, INCLUDING CLAIMS OF THIRD PARTIES, THAT MAY ARISE THAT ARE RELATED TO THE ALARM MONITORING AGREEMENT OR THE PROVISION OF THE SERVICES IN ANY WAY THAT MAY ARISE DUE TO CUSTOMER'S BREACH OF THESE OBLIGATIONS.

12. RELEASE AND INDEMNIFICATION OF CINTAS BY CUSTOMER. CUSTOMER RELEASES AND AGREES TO DEFEND, INDEMNIFY, AND HOLD HARMLESS CINTAS AND ANY/ALL OF ITS SUBCONTRACTORS, AGENTS, OFFICERS, EMPLOYEES, OR OTHER REPRESENTATIVES OF ANY TYPE FROM LIABILITY FOR ANY AND ALL LOSS, DAMAGE, OR EXPENSE OF ANY KIND OR TYPE, UNDER ANY LEGAL, EQUITABLE OR OTHER THEORY, THAT MAY OCCUR PRIOR TO, CONTEMPORANEOUSLY WITH, OR AFTER THE EXECUTION OF THIS ALARM MONITORING AGREEMENT RELATED IN ANY WAY TO THE SUBJECT MATTER OF THIS ALARM MONITORING AGREEMENT OR PERFORMANCE UNDER THE ALARM MONITORING AGREEMENT, INCLUDING (BUT NOT LIMITED TO) THE IMPROPER OPERATION OR NON-OPERATION OF THE FIRE SUPPRESSION, ALARM, MONITORING OR OTHER SYSTEM(S) OR ANY FAILURE OF THE MONITORING SERVICE FOR ANY REASON WHATSOEVER. THIS OBLIGATION INCLUDES (BUT IS NOT LIMITED TO) ANY CLAIM, DEMAND, SUIT, LIABILITY, DAMAGE, JUDGMENT, LOSS, EXPENSES, ATTORNEY'S FEES, AND COSTS, THAT MAY BE ASSERTED AGAINST OR INCURRED BY CINTAS OR ITS SUBCONTRACTORS, AGENTS, OFFICERS, EMPLOYEES, OR OTHER REPRESENTATIVES BY CUSTOMER OR ANY PERSON OR ENTITY NOT A PARTY TO THIS ALARM MONITORING AGREEMENT (INCLUDING, BUT NOT LIMITED TO, CUSTOMER'S INSURANCE COMPANY, ADMINISTRATIVE BODY OR AUTHORITY, OR CUSTOMER'S EMPLOYEES) FOR ANY EXPENSE, LOSS, OR DAMAGE CAUSED BY OR CONTRIBUTED TO IN ANY WAY, OR ALLEGED TO BE CAUSED BY OR CONTRIBUTED TO IN ANY WAY, BY ANY ACT, OMISSION, OR FAULT OF CINTAS OR ITS SUBCONTRACTORS, AGENTS, OFFICERS, EMPLOYEES, OR OTHER REPRESENTATIVES. THIS OBLIGATION EXTENDS TO, WITHOUT LIMITATION, STATUTORY CIVIL DAMAGES, ECONOMIC DAMAGES, PERSONAL INJURY, DEATH, OR PROPERTY DAMAGE (REAL AND PERSONAL) ARISING OUT OF OR RELATED TO THIS ALARM MONITORING AGREEMENT, INCLUDING (BUT NOT LIMITED TO) ANY CLAIMS BASED UPON BREACH OF THE ALARM MONITORING AGREEMENT, STRICT LIABILITY, REQUESTS FOR OR RIGHTS OF SUBROGATION OR CONTRIBUTION, INDEMNIFICATION, WRONGFUL DEATH, AND NEGLIGENCE (WHETHER ACTIVE OR PASSIVE, AND INCLUDING CLAIMS BASED UPON CINTAS'S SOLE, PARTIAL, OR JOINT AND SEVERAL NEGLIGENCE OF ANY TYPE OR DEGREE), AND ANY OTHER CLAIM, WHETHER BASED UPON OR ARISING UNDER CONTRACT, TORT, LAW, OR EQUITY. CUSTOMER FURTHER RELEASES AND WAIVES ANY RIGHT OF SUBROGATION THAT IT, ANY INSURER, OR ANY OTHER THIRD PARTY MAY HAVE DUE TO OR FOR ANY SUCH CLAIM, LOSS, OR DAMAGE. CINTAS RESERVES THE RIGHT TO SELECT COUNSEL TO REPRESENT ITSELF IN ANY SUCH ACTION.

13. DISCLAIMER/LIMITATION OF LIABILITY. CUSTOMER UNDERSTANDS AND AGREES AS FOLLOWS: (I) NEITHER CINTAS NOR ITS DIRECTORS, OFFICERS, SHAREHOLDERS, PARTNERS OR EMPLOYEES (COLLECTIVELY, "REPRESENTATIVES") IS AN INSURER; (II) IT IS THE SPECIFIC INTENT OF THE PARTIES THAT (A) INSURANCE COVERING ALL LOSS, DAMAGE AND EXPENSE ARISING OUT OF OR FROM, IN CONNECTION WITH, RELATED TO, AS A CONSEQUENCE OF OR RESULTING FROM THIS ALARM MONITORING AGREEMENT, SHALL BE OBTAINED AND CONTINUOUSLY MAINTAINED BY THE CUSTOMER, (B) RECOVERY FOR ALL SUCH LOSS, DAMAGE AND EXPENSE SHALL BE LIMITED TO ANY SUCH INSURANCE COVERAGE ONLY, AND (C) CINTAS AND REPRESENTATIVES ARE RELEASED FROM ANY AND ALL LIABILITY FOR ALL SUCH LOSS, DAMAGE AND EXPENSE; (III) CINTAS AND REPRESENTATIVES, EXCEPT AS SET FORTH HEREIN, MAKE NO GUARANTEE, REPRESENTATION OR WARRANTY INCLUDING, WITHOUT LIMITATION, ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR PURPOSE; (IV) CINTAS AND REPRESENTATIVES ARE RELEASED FOR ALL LOSS, DAMAGE OR EXPENSE WHICH MAY OCCUR PRIOR TO, CONTEMPORANEOUSLY WITH, OR SUBSEQUENT TO THE EXECUTION OF THIS ALARM MONITORING AGREEMENT DUE TO THE IMPROPER OPERATION OR NON-OPERATION OF THE SYSTEM (INCLUDING, WITHOUT LIMITATION OR EXAMPLE, THE COMMUNICATIONS EQUIPMENT OR SERVICES NECESSARY TO TRANSMIT TO OR FROM OR RECEIVE ANY DATA AT THE PREMISES OR THE MONITORING FACILITY); AND (V) SHOULD THERE ARISE ANY LIABILITY ON THE PART OF CINTAS OR REPRESENTATIVES FOR ECONOMIC LOSSES, PERSONAL INJURY, INCLUDING DEATH, OR PROPERTY DAMAGE (REAL OR PERSONAL) WHICH IS IN CONNECTION WITH, ARISES OUT OF OR FROM, RESULTS FROM, IS RELATED TO OR IS A CONSEQUENCE OF THE ACTIVE OR PASSIVE SOLE, JOINT OR SEVERAL NEGLIGENCE OF ANY KIND OR DEGREE OF CINTAS OR REPRESENTATIVES INCLUDING, WITHOUT LIMITATION, ACTS, ERRORS OR OMISSIONS WHICH OCCUR PRIOR TO, CONTEMPORANEOUSLY WITH OR SUBSEQUENT TO THE EXECUTION OF THIS ALARM MONITORING AGREEMENT, OR BREACH OF THIS ALARM MONITORING AGREEMENT, OR ANY CLAIM BROUGHT IN PRODUCT OR STRICT LIABILITY, SUBROGATION, CONTRIBUTION OR INDEMNIFICATION, WHETHER IN CONTRACT, TORT OR EQUITY, INCLUDING, WITHOUT

LIMITATION, ANY GENERAL, DIRECT, SPECIAL, INCIDENTAL, EXEMPLARY, PUNITIVE, STATUTORY OR CONSEQUENTIAL DAMAGES, IRRESPECTIVE OF CAUSE, SUCH LIABILITY SHALL BE LIMITED TO THE MAXIMUM SUM OF $1,000.00 COLLECTIVELY FOR CINTAS AND REPRESENTATIVES, AND THIS LIABILITY SHALL BE EXCLUSIVE. IF CUSTOMER WISHES TO INCREASE THE LIMITATION OF LIABILITY, CINTAS AND CUSTOMER MAY NEGOTIATE A SUPPLEMENTAL WRITTEN AGREEMENT TO INCREASE THE LIMIT OF CINTAS'S LIABILITY BUT NO SUCH AGREED UPON INCREASE TO THE LIMIT OF CINTAS'S LIABILITY SHALL BE INTERPRETED TO FIND CINTAS OR ITS SUBCONTRACTORS OR REPRESENTATIVES TO BE INSURERS.

14. Central Control Panel. Customer understands, acknowledges, and agrees that Customer shall provide an undamaged and fully operational System compliant with law including, without limitation, a central control panel compliant with law (the "Panel") useable by Cintas without any cost or expense to Cintas, e.g., if the Panel is programmed with proprietary data and not fully accessible or useable by Cintas, Customer shall promptly have the Panel reprogrammed so that it is fully accessible and useable by Cintas or, if necessary, replaced by Customer or replaced by Cintas at an additional charge to Customer.
15. Communication Path and Signals, Electrical Connections, and Systems. Customer acknowledges and agrees that during the term of this Alarm Monitoring Agreement, it is Customer's sole responsibility to provide and maintain the communication path (e.g., telephone lines, radio signal path, VOIP, etc.) for all monitoring signals. In all cases, Customer acknowledges and agrees that it has the sole responsibility to provide and maintain all required dedicated electrical connections to the System and equipment necessary or as required by applicable local, state, NFPA, insurance, and any other applicable standards and codes. Customer further acknowledges and agrees that Cintas has no responsibility to notify Customer of any failures in the communication path or signals received, including, but not limited to, failures of the System to send any periodic confirmation that the communication path and/or System is operational.
16. NO WARRANTIES OR REPRESENTATIONS BY CINTAS REGARDING SYSTEM. CUSTOMER ACKNOWLEDGES AND AGREES THAT CINTAS HAS NOT MADE ANY REPRESENTATION OR WARRANTIES (EXPRESS OR IMPLIED) TO CUSTOMER OF ANY KIND REGARDING THE SYSTEM AT THE PREMISES IDENTIFIED UNDER THIS ALARM MONITORING AGREEMENT, INCLUDING, BUT NOT LIMITED TO, ITS FITNESS FOR ANY PURPOSE, ITS MERCHANTABILITY, OR ITS SUITABILITY OR EFFECTIVENESS AS AN ALARM SYSTEM. UNDER THE TERMS OF THIS ALARM MONITORING AGREEMENT, NEITHER CINTAS NOR ANY SUBCONTRACTOR IS RESPONSIBLE FOR THE MAINTENANCE, SERVICE, REPAIR, OR OPERATION OF THE SYSTEM AND SHALL NOT BE LIABLE FOR ANY FAILURE OR MALFUNCTION OF THE SYSTEM TO DETECT AND COMMUNICATE SIGNALS TO THE MONITORING FACILITY.
17. Suspension of Service. Customer agrees that (i) Cintas's obligations hereunder are waived automatically without notice, and (ii) Cintas is released for and from all loss, damage, and expense in the event of a default or breach of this Alarm Monitoring Agreement by Customer or if the monitoring facility, transmission medium between the System and the monitoring facility, or the System are destroyed, damaged, altered, rendered inoperable, or malfunction for any reason whatsoever, for the duration of such interruption of service, and Customer shall be entitled to reimbursement of the unearned charge paid for the period of interruption upon Customer's request. CUSTOMER AGREES THAT THIS SHALL BE THE LIMIT OF CINTAS'S LIABILITY FOR ANY SUCH EVENT.
18. Delay or Interruption of Service. Cintas and its Subcontractors shall not be liable for delays in or interruption of Monitoring Service caused, in whole or in part, by riots, strikes, lockouts, other labor disputes, civil unrest, terrorism, war (declared or undeclared), insurrections, weather, natural phenomena, earthquakes, lightning, storms, power failures, hurricanes, tornadoes, interruption of communications (including, but not limited to, telephone, cable, cellular, satellite, internet, radio service or the malfunction of any or all such communications or communication devices for any reason whatsoever), acts of God, social instability, casualty, governmental orders, laws, rules, regulations, transportation, environmental conditions, or any other causes beyond the reasonable control of Cintas or its Subcontractors ("Force Majeure"), and all Monitoring Services shall be suspended during Force Majeure. Customer acknowledges and agrees that during any interruption of Monitoring Services for any reason including, without limitation, Force Majeure, Cintas has no duty or obligation to notify Customer of any such interruption or to supply Customer with alternative or substitute Monitoring Services, and has no liability for declining or failing to do so.
19. Consent to Intercept, Record, Disclose and Use Contents of Communications. Customer, for itself and as the authorized agent of its employees, invitees, guests, and representatives (individually and collectively, "Any Person"), consents to Cintas and any Subcontractor recording, retrieving, reviewing, copying, disclosing, and/or using the contents of all telephone and other forms of transmission or communication to which Customer and/or Any Person and Cintas or any Subcontractor are parties.
20. Default of Customer. In the event of any default by Customer, without limiting the rights of Cintas under this Alarm Monitoring Agreement or at law or equity, Cintas shall be entitled to retain all prepayments received, and Customer shall immediately pay to Cintas (i) all payments then due and payable, and (ii) ninety percent(90%) of all payments which would be due under this Alarm Monitoring Agreement for the unexpired term as liquidated damages and not as a penalty. In any such event, Cintas shall have no further obligation to perform under this Alarm Monitoring Agreement. In addition, if any suit or alternative dispute resolution proceeding is instituted and Cintas is the substantially prevailing party by judgment, award, finding, or settlement, Customer shall pay directly or reimburse Cintas for all of its costs and expenses, including, without limitation or example, consultants' and professionals' fees and costs including, without limitation or example, reasonable attorneys' fees and costs.
21. Governing Law. To the greatest extent permitted by law, this Alarm Monitoring Agreement shall be governed by the laws of the Customer is located, and it explicitly excludes any reference or resort to choice of law rules that suggest or require that the laws of another jurisdiction be applied.
22. Intentionally Omitted.
23. LIMITATION OF ACTION. ANY ACTION BY CUSTOMER AGAINST CINTAS OR ANY SUBCONTRACTOR MUST BE COMMENCED WITHIN ONE YEAR OF THE ACCRUAL OF THE CAUSE OF ACTION OR THE ACTION SHALL BE BARRED, REGARDLESS OF ANY OTHER STATUTE OF LIMITATION OR REPOSE THAT MAY APPLY TO THE CLAIM UNDER STATE OR FEDERAL LAW.

24. Authority to Execute Alarm Monitoring Agreement. Each party represents and warrants to the other party that (i) the execution, delivery, and performance of this Alarm Monitoring Agreement have been duly authorized by all necessary entity action(s), and (ii) this Alarm Monitoring Agreement constitutes a valid and binding obligation as to it, enforceable against it in accordance with its terms. The person signing this Alarm Monitoring Agreement on behalf of Customer expressly represents and warrants that he or she has all authority necessary to bind Customer to its terms.
25. Assignment. This Alarm Monitoring Agreement cannot be assigned by the Customer without the prior written consent of Cintas, which will not be unreasonably withheld. Cintas has the right to assign this Alarm Monitoring Agreement, and it may do so in its sole and absolute discretion. The Alarm Monitoring Agreement shall inure to the benefit of and be binding on the parties and their respective successors and permitted assigns
26. Waiver. No waiver of any provision of this Alarm Monitoring Agreement by a party shall be valid unless the same is in writing and signed by the party against whom it is sought to be enforced. No waiver of any provision of this Alarm Monitoring Agreement at any time will be deemed a waiver of any other provision of this Alarm Monitoring Agreement at such time, nor will it be deemed a waiver of that same provision at any other time.
27. Severability. The invalidity or unenforceability of any provision, section, or portion of a section of this Alarm Monitoring Agreement shall not affect the validity or enforceability of any other provision or section; provided, however, in the event one or more of the paragraphs "Disclaimer of Warranties and Representations," "Cintas Not an Insurer; Customer's Obligation To Obtain Insurance As Sole Recovery For Any Loss And Warranty Of Same," "Release And Indemnification Of Cintas By Customer," "Limitation Of Cintas's Liability; Liquidated Damages," and/or "No Warranties Or Representations By Cintas Regarding System" (or any portion thereof) are held by a court or other authority to be invalid or unenforceable (whether in an action involving the parties, any action involving Cintas, or any other action involving similar provisions), Cintas shall have the right to terminate this Alarm Monitoring Agreement without any liability of any type upon thirty (30) days prior written notice to Customer. Furthermore, the parties agree that in the event any of the interest rate provisions, cancellation fees, rate increases, renewal term lengths, or any other calculation of amounts due and owing Cintas under Paragraphs 1, 5, 6, or 20 are deemed to be excessive and/or unenforceable under applicable law, any such rate, fee, increase, term, or other calculation will be reduced to the maximum rate, value, or amount permitted by applicable law and will be binding upon them.
28. Prior Agreements With Others. Customer represents and warrants that (i) its cancellation or termination of any contract, and/or (ii) its execution of this Alarm Monitoring Agreement does not breach and will not breach any contract with or obligation to any other person. Customer agrees to protect, defend, indemnify, and hold harmless Cintas from and against and pay (without any condition that Cintas first pay) for all claims, demands, suits, liabilities, losses, damages, judgments, costs, and expenses, including, without limitation, attorneys' fees and court costs, arising out of or from, in connection with, as a result of, related to, or as a consequence of Customer's breach of this representation and warranty.
29. Updated Terms and Conditions and Policies. Customer acknowledges and agrees that Cintas may send copies of its various policies to Customer, including, but not limited to, amendments to these Terms and Conditions via e-mail or make them available via a web portal or other similar mechanism and that these policies are incorporated and made part of this Alarm Monitoring Agreement. To be effective, however, amendments to the Terms and Conditions must be expressly referred to as such in the e-mail, web portal, or other similar mechanism. Customer acknowledges and agrees that its continued request for service pursuant to this Alarm Monitoring Agreement and/or use and/or acceptance of the goods and/or services provided under this Alarm Monitoring Agreement constitute acceptance of any such updated Terms and Conditions and/or policies.
30. Internet Services. Cintas grants to Customer a non-exclusive, non-transferable license to use the Cintas portal via the Internet to access, input, delete, and modify Information through the internet related to the Services. Except for Customer's (a) failure to keep confidential all Intellectual Property, passwords, and other information related to the Services, (b) use of the license, the Intellectual Property, or other information related to or used in provision of the Services in any manner that negatively affects Cintas, (c) use of the license, the Intellectual Property, or other information related to or used in provision of the Services for any illegal purpose, or (d) violation of any applicable law, this license shall continue and be coextensive with the term of this Alarm Monitoring Agreement. Customer shall be solely and absolutely responsible for any information which it inputs, deletes, or modifies. Customer agrees that upon termination of this Alarm Monitoring Agreement or termination or suspension of the license by Cintas, Cintas may immediately, and without notice, disable Customer's access to the portal and cancel all passwords or other access codes.
31. Cross-Default. If Cintas and Customer are or become parties to any other agreement, Customer acknowledges and agrees that a default by Customer under this Alarm Monitoring Agreement or any other agreement between the parties shall be deemed to be a default by Customer under all such agreements, permitting Cintas, in its sole and absolute discretion, to exercise any or all of its rights under any or all of such agreements.
32. Electronic Mail Notice. If Customer elects to receive automatic electronic mail notice of certain System events (e.g., the arming or disarming of the System), Customer acknowledges, understands, and agrees that (i) any such notice is conditioned on (a) receipt of the data at Cintas's central station, (b)the proper operation of communication equipment, services, systems and networks including, without limitation, the Internet, and (c) lack of any failure, malfunction, or delay in processing or transmitting the data by Cintas's equipment or software, and (ii) Cintas is released from any liability arising out of or from, resulting from, or arising in connection with the failure, malfunction, or delay of any such notice for any reason, including Cintas's or Representative's sole, joint, or several negligence of any kind or degree.
33. Storage of Agreement and Information. Customer authorizes Cintas to store or retain this Alarm Monitoring Agreement and all information and other written materials on electronic data or other storage media and, in Cintas's sole and absolute discretion, to destroy all written documents or materials which have been stored or retained on electronic data or other storage media.
34. Intentionally Omitted.
35. Consent to Communicate to Others. Customer irrevocably authorizes and consents to Cintas communicating with U.L. (as necessary or appropriate) and Customer's insurance company and/or broker in connection with this Alarm Monitoring Agreement and/or the relationship between Cintas and Customer arising out of or from or as a result of this Alarm Monitoring Agreement; provided, that Cintas shall not be obligated or required to communicate with any other person or

entity including, without limitation, U.L. and Customer's insurance company or broker, and all such communication shall be in Cintas' sole and absolute discretion. Customer agrees that all such communications or failures to communicate shall not result in any liability of Cintas or Representatives. No third party including, without limitation, U.L. and Customer's insurance company and broker, are third-party beneficiaries of this section.

36. Taxes. Customer shall pay, remit to Cintas, or reimburse Cintas for all sales, use, value added, and any and all similar taxes (including any tax liability, interest, penalties, costs and expenses including, without limitation, reasonable attorneys', consultants', accountants', and other professional fees).
37. Time. The parties agree that time is of the essence of this Alarm Monitoring Agreement.
38. Video Systems. If the System records and/or transmits video images and/or audio, electronic, or the other forms of communication, Customer represents, warrants, covenants, and agrees that it shall at all times (i) provide and maintain adequate power and sufficient lighting for all cameras, audio devices, or other video-related equipment as recommended by the manufacturer; (ii) inform all persons who enter the Premises that their image and/or communications may be recorded and/or transmitted to others by video and/or audio equipment located on the Premises; (iii) comply with all privacy rights and laws and not use or permit the use of video and/or audio equipment where or in circumstances any person may have a reasonable expectation of privacy; (iv) use broadband (or similar transmission rate connectivity) exclusively to transmit video images and audio from any video system; (v) use the video and/or audio system for security, surveillance, and/or management services only; (vi) not use the video and/or audio system for any criminal, illegal, or otherwise unlawful activity; and (vii) obtain and keep in effect all permits or licenses required for the installation and operation of the video and/or audio system.

    Customer understands and agrees that (i) a video and/or audio system enables Customer and/or Cintas to record, store, and review images and/or communications of people on the Premises and outside of the Premises, and Customer agrees, authorizes, and consents to Cintas recording, storing, and reviewing video images and communications recorded and/or transmitted from the video and/or audio system at the Premises; (ii) video system services are limited to the area of the Premises covered by the video system images, and such coverage and/or images may be adversely affected by the camera angle, glare, lighting, contrast, etc., any of which may result in less than adequate images for the Operator to ascertain the necessity for video system services; (iii) Cintas is not liable for any delay or failure of notification due to in whole or in part to (a) any Force Majeure event including, without limitation or example, cellular provider transmission or network malfunctions, including overload of the cellular network, or (b) invalid electronic mail, text, or other electronic addresses; and (iv) any and all third-party claims related to the video and/or audio system asserted against Cintas are subject to all of the paragraphs of this Alarm Monitoring Agreement, including (but not limited to) paragraphs 11, 12, and 13, entitled "Cintas Not an Insurer; Customer's Obligation To Obtain Insurance As Sole Recovery For Any Loss And Warranty Of Same," "Release and Indemnification of Cintas by Customer." and "Limitation of Cintas's Liability; Liquidated Damages," respectively.

39. Mutual Drafting and Understanding of Alarm Monitoring Agreement. The parties acknowledge and agree that this Alarm Monitoring Agreement and all of its terms and conditions are the result of arms-length bargaining between sophisticated business entities. As a result, both parties shall be considered to be drafters of the Alarm Monitoring Agreement for purposes of interpretation, application, construction, or construing of the Alarm Monitoring Agreement. The parties also acknowledge that they have had an opportunity to consult with legal counsel of their choice regarding this Alarm Monitoring Agreement and that they have read and understand all of the terms of this Alarm Monitoring Agreement.
40. Entire Agreement; Modifications. This Alarm Monitoring Agreement constitutes the entire agreement between the parties with respect to the subject matter hereof and supersedes any and all other agreements, understandings, or representations, whether oral or in writing, between the parties. Any prior agreements, promises, negotiations, or representations, either oral or in writing, not expressly set forth in this Alarm Monitoring Agreement are of no force or effect. No modification or amendment to this Alarm Monitoring Agreement shall be effective unless drafted by Cintas for this express purpose and signed by an authorized representative of Cintas, except as described in paragraph 29 ("Updated Terms and Conditions and Policies") above. For the purposes of this paragraph, "authorized representative" is the General Manager of the Cintas location(s) providing the goods and/or services or higher management or executive personnel of Cintas. The parties specifically agree that any document sent to Cintas by Customer subsequent to execution of this Alarm Monitoring Agreement that contains different or additional terms or that purports to modify or amend the terms of this Alarm Monitoring Agreement in any way, such as a purchase order or conditional payment, shall be of no force and effect and will not modify the terms of this Alarm Monitoring Agreement. No course of prior dealings between the parties and no usage of the trade shall be relevant or used to supplement or explain any terms used in this Alarm Monitoring Agreement. Acceptance or acquiescence in a course of performance rendered under this Alarm Monitoring Agreement shall not be relevant to determine the meaning of this Alarm Monitoring Agreement even though the accepting or acquiescing party has knowledge of the nature of the performance and the opportunity for objection.
41. Customer's Acceptance by Allowing Performance. Customer agrees that engaging, requesting, or allowing Cintas to begin any work or provide any goods or services under this Alarm Monitoring Agreement and/or compensating Cintas for any such work, goods, and/or services constitutes acceptance of the Alarm Monitoring Agreement and all of its terms and conditions.
42. **Dispute Resolution – Arbitration and Class Waiver**. This provision shall take precedence over and supersede any contrary or conflicting provision in the Master Agreement.

    a. **Arbitration Notice**. Customer agrees to the maximum extent permitted by law that any dispute, controversy, or claim arising out of or relating to this Agreement (including its enforcement, performance, breach, arbitrability, or interpretation) or to the products or services provided hereunder will be submitted to and resolved by final and binding individual arbitration. ARBITRATION MEANS THAT AN ARBITRATOR, AND NOT A JUDGE OR A JURY, WILL DECIDE THE DISPUTE,

CONTROVERSY, OR CLAIM. BY ACCEPTING THESE TERMS, YOU AND CINTAS ARE EACH EXPRESSLY WAIVING THE RIGHT TO A TRIAL BY JURY AND TO PURSUE OR PARTICIPATE IN ANY CLASS ACTION, COLLECTIVE ACTION, OR REPRESENTATIVE CLAIMS OR PROCEEDINGS EITHER IN ARBITRATION OR IN ANY COURT. To the extent a class or collective action or representative claim or proceeding may not be waived, you agree to stay any such actions, claims, and proceedings until after all actions, claims, and proceedings subject to arbitration are fully resolved.

b. **Arbitration Procedures**. Any arbitration between Customer and Cintas will be governed by the Commercial Dispute Resolution Procedures and the Supplementary Procedures for Consumer Related Disputes (collectively, "AAA Rules") of the American Arbitration Association ("AAA"), as modified by this Agreement, and will be administered by the AAA. The AAA Rules and filing forms are available online at www.adr.org, by calling the AAA at 1-800-778-7879, or by contacting Cintas. Any arbitration hearings will take place in the state in which the Customer is located; provided, however, that if the claim is for $10,000 or less, Customer may choose for the arbitration instead to conducted: (i) solely on the basis of documents submitted to the arbitrator; or (ii) through a telephonic hearing. The arbitrator must issue a reasoned written decision sufficient to explain the essential findings and conclusions on which the decision and award, if any, are based.

c. **Fees**. If Customer commences arbitration in accordance with this Agreement, arbitration fees will be assessed consistent with the AAA Rules.

d. **No Class Actions in Arbitration or in Any Court, No Jury Trial**. CUSTOMER AND CINTAS AGREE THAT, TO THE MAXIMUM EXTENT PERMITTED BY LAW, EACH MAY BRING CLAIMS AGAINST THE OTHER ONLY IN THEIR INDIVIDUAL CAPACITIES AND NOT AS A PLAINTIFF OR CLASS MEMBER IN ANY PURPORTED CLASS OR REPRESENTATIVE PROCEEDING, WHETHER IN ARBITRATION OR IN ANY COURT. FURTHER, UNLESS BOTH CUSTOMER AND CINTAS AGREE OTHERWISE, AN ARBITRATOR OR JUDGE MAY NOT CONSOLIDATE MORE THAN ONE PARTICIPATING PUBLIC AGENCY'S CLAIMS AND MAY NOT OTHERWISE PRESIDE OVER ANY FORM OF A REPRESENTATIVE OR CLASS PROCEEDING.
FOR THE AVOIDANCE OF DOUBT, CUSTOMER AND CINTAS AGREE TO RESOLVE ANY DISPUTE ON AN INDIVIDUAL, NON-REPRESENTATIVE, NON-CLASS BASIS IN ARBITRATION, BUT IF FOR ANY REASON SUCH DISPUTE PROCEEDS IN COURT, CUSTOMER AND CINTAS AGREE TO WAIVE ANY RIGHT TO HAVE THE DISPUTE PROCEED AS A CLASS ACTION OR IN ANY REPRESENTATIVE CAPACITY WHATSOEVER. IF THE DISPUTE PROCEEDS IN COURT, CUSTOMER AND CINTAS AGREE TO WAIVE ANY RIGHT TO A TRIAL BY JURY.

e. **Enforceability.** If the requirement to submit any and all disputes, controversies, and claims to binding arbitration is found to be unenforceable or contrary to applicable law, the dispute, controversy or claim will be resolved in accordance with, and governed by, the laws of the State in which the Participating Public Agency exists.

f. **Severability**. If any section or provision of this ¶ 2, Dispute Resolution – Arbitration and Class Waiver, is found to be unenforceable or invalid, the parties will substitute an enforceable provision that, to the maximum extent possible under applicable law, preserves the original intentions of the parties, and the remainder will be given full force and effect.

43. **Federal Funds.** In no event will Cintas act as a subcontractor under a U.S. federal prime contractor or a subrecipient under a U.S. federal grant or cooperative agreement.

44. **Customer Funding Source**. Customer must select the appropriate response below:
Is Customer a United States federal government agency or instrumentality, or will Customer pay for the goods and services ordered under this Agreement with any United States government funds?

___No

___Yes (If Yes, Customer must provide any applicable U.S. government flowdown terms and conditions, which will only be binding on Cintas if attached hereto and agreed to by Cintas prior to execution of this agreement).

45. **Additional Terms.** Customer must select the appropriate response below:
Does Customer require any additional terms and conditions to be incorporated into this Agreement, or is Customer accepting the Agreement without additional terms?

___ No additional terms needed

___ Additional terms required (If so, Customer must provide any applicable additional terms and conditions, which will only be binding on Cintas if attached hereto and agreed to by Cintas prior to execution of this agreement).

NOTICE TO CUSTOMER. BY AGREEING TO THIS ALARM MONITORING AGREEMENT, CUSTOMER EXPLICITLY ACKNOWLEDGES AND ACCEPTS PARAGRAPHS 10-13 AND 15

OF THIS ALARM MONITORING AGREEMENT, WHICH DISCLAIM WARRANTIES AND REPRESENTATIONS, ACKNOWLEDGE CINTAS IS NOT AN INSURER AND REQUIRES CUSTOMER TO OBTAIN INSURANCE, LIMIT CINTAS'S LIABILITY FOR AND/OR RELEASE CINTAS FROM ANY LIABILITY RELATED IN ANY WAY TO THE ALARM MONITORING AGREEMENT, AND REQUIRE CUSTOMER TO INDEMNIFY CINTAS FOR ANY LOSSES RELATED IN ANY WAY TO THE ALARM MONITORING AGREEMENT. READ THE ENTIRE AGREEMENT BEFORE SIGNING.

Provide a list of services (and their corresponding fee) to be made available to Contract users not specifically listed elsewhere:	
Premium Charge	$
Uniform Advantage	
Emblems	
Emblem/Prep Advantage	
Minimum Stop	$

Describe turnaround time and delivery requirements. Define any additional charges for delivery such as excessive deliveries or remote locations and state additional fees for these types of deliveries.
Cintas rental service programs provide personal delivery at a predefined frequency on a regularly scheduled day and time. Temporary garments are used only if there is a shortage of clean delivered garments, and this is a rare occurrence. The need for temporary garments is known by Cintas prior to clean delivery by the use of our garment inventory control process. If needed, the garments used for temporary replacement will be a used garment of like quality to the garment that is being replaced. Cintas rarely experiences backorders in our core rental product line however in the event there is a backorder our goal is to replenish in 30 days or less.
One of the goals of a national contract is to allow agencies to easily audit the price they are paying under a contract. Describe how users across the nation will be able to determine their pricing (including the provision of uniforms or other products, delivery, laundering, repair and maintenance) under the national contract using the information contained within the pricing workbook. Describe any regional pricing differences or other factors that will influence an agency's price.
The program will be communicated to the local sales force via a "Program Requirements Document" which will contain details of the program. This serves to ensure that the service and the pricing at each of your locations conforms to the Master Service Agreement and is controlled by our Account Team.
Describe how rental uniforms are amortized and how Replacement Charges are calculated.
If Customer has ordered from Company a garment rental service requiring embroidered garments that may not be standard to Company's normal rental product line. Those non-standard products will be designated as such under-Garment Description in Exhibit C. In the event Customer deletes a non-standard product, alters the design of the non-standard product, fails to renew the Agreement, or terminates the Agreement for any reason other than documented quality of service reasons which are not cured, Customer agrees to buy back all remaining non-standard products allocated to Customer that the Company has in service and out of service at the then current Loss/Damage Replacement Values. Cintas deems a garment "damaged" if it is beyond normal repair and not due to normal wear and tear. Specifically, as noted on the Cintas general agreement, "In the event any Merchandise is lost, stolen or is not returned to Company, or is destroyed or damaged by fire, acid, paint, ink, chemicals, neglect or otherwise, the Customer agrees to pay for said Merchandise at the then current Loss/Damage Replacement Values."
Describe how emergency requests for uniforms are handled.
Local facilities should direct rush requests to the local Customer Service Departments of their corresponding Cintas service centers. Every effort will be made locally to accommodate rush requests.

Items not specifically listed in catalogs are available under the contract as "specialty items."

****Cintas proposed pricing is structured to allow any participating agency, regardles of size, volume etc. to benefit from the same competitive and consistent rates.***

Agency Owned Garment - Contractor Laundered	
Custom embroidering of logos and/or names	
Preparation charges per garment for removal and application of new patches and emblems on the same garment heat s aled or ewn.	
R mova of patc es and embl ms from one garment and reapplication on a different garment, heat sealed or sewn.	
Application of a new patch or emblem to a garment, heat sealed or sewn.	
Seasonal uniform change per garment (e.g. change one shirt from long sleeve to short sleeve)	
Uniform color change per garment (e.g. change one shirt from grey to blue)	
Steam Tunneling garments	
Pressing of garments	
Garment Loss Protection Program	
Provide a list of services (and their corresponding fee) to be made available to Contract users not specifically listed elsewhere:	
Premium Charge	$
Uniform Advantage	
Emblems	
Emblem/Prep Advantage	
Minimum Stop	$

Describe turnaround time and delivery requirements. Define any additional charges for delivery such as excessive deliveries or remote locations and state additional fees for these types of deliveries.
Cintas rental service programs provide personal delivery at a predefined frequency on a regularly scheduled day and time. Temporary garments are used only if there is a shortage of clean delivered garments, and this is a rare occurrence. The need for temporary garments is known by Cintas prior to clean delivery by the use of our garment inventory control process. If needed, the garments used for temporary replacement will be a used garment of like quality to the garment that is being replaced. Cintas rarely experiences backorders in our core rental product line however in the event there is a backorder our goal is to replenish in 30 days or less.
One of the goals of a national contract is to allow agencies to easily audit the price they are paying under a contract. Describe how users across the nation will be able to determine their pricing (including the provision of uniforms or other products, delivery, laundering, repair and maintenance) under the national contract using the information contained within the pricing workbook. Describe any regional pricing differences or other factors that will influence an agency's price.
The program will be communicated to the local sales force via a "Program Requirements Document" which will contain details of the program. This serves to ensure that the service and the pricing at each of your locations conforms to the Master Service Agreement and is controlled by our Account Team.
Describe how rental uniforms are amortized and how Replacement Charges are calculated.
If Customer has ordered from Company a garment rental service requiring embroidered garments that may not be standard to Company's normal rental product line. Those non-standard products will be designated as such under-Garment Description in Exhibit C. In the event Customer deletes a non-standard product, alters the design of the non-standard product, fails to renew the Agreement, or terminates the Agreement for any reason other than documented quality of service reasons which are not cured, Customer agrees to buy back all remaining non-standard products allocated to Customer that the Company has in service and out of service at the then current Loss/Damage Replacement Values. Cintas deems a garment "damaged" if it is beyond normal repair and not due to normal wear and tear. Specifically, as noted on the Cintas general agreement, "In the event any Merchandise is lost, stolen or is not returned to Company, or is destroyed or damaged by fire, acid, paint, ink, chemicals, neglect or otherwise, the Customer agrees to pay for said Merchandise at the then current Loss/Damage Replacement Values."
Describe how emergency requests for uniforms are handled.
Local facilities should direct rush requests to the local Customer Service Departments of their corresponding Cintas service centers. Every effort will be made locally to accommodate rush requests.

Items not specifically listed in catalogs are available under the contract as "specialty items."

Version April 12, 2022

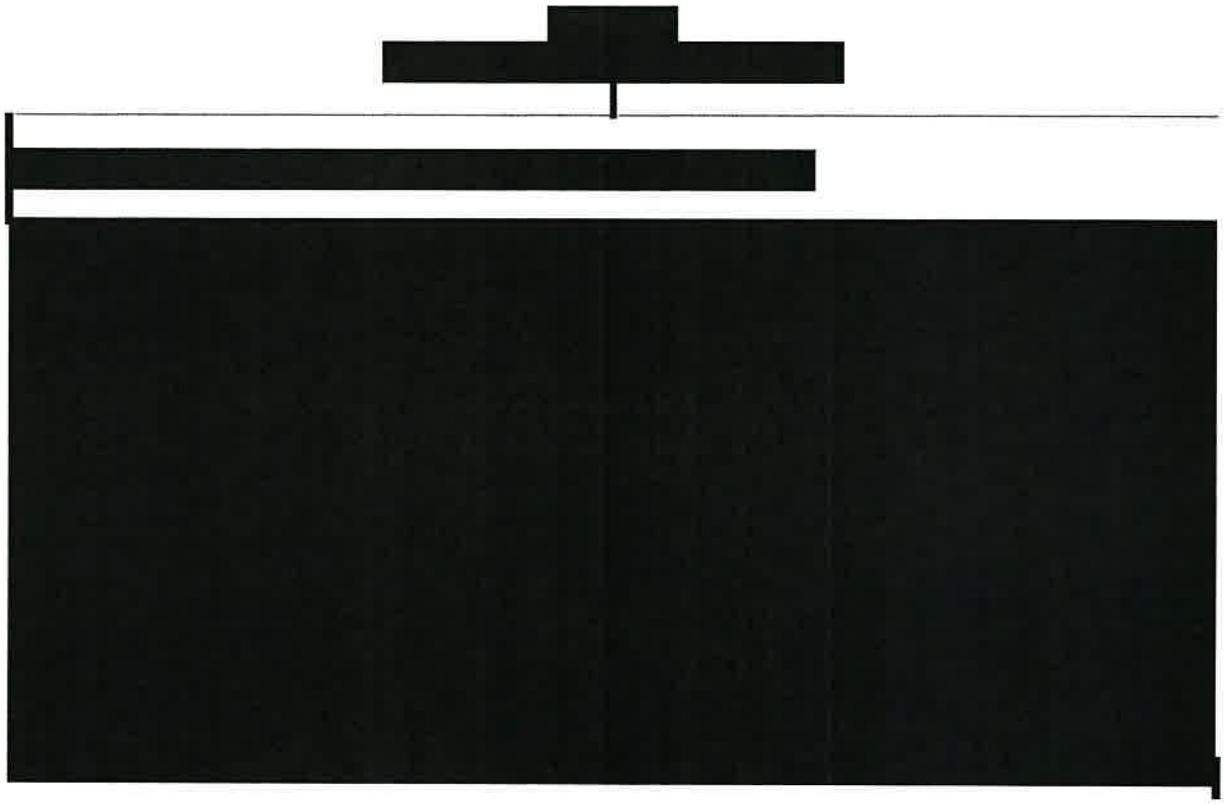

Exhibit F
Federal Funds Certifications

FEDERAL CERTIFICATIONS

ADDENDUM FOR AGREEMENT FUNDED BY U.S. FEDERAL GRANT

The following certifications and provisions may be required and apply when Participating Agency expends federal funds for any purchase resulting from this procurement process. Pursuant to 2 C.F.R. § 200.326, all contracts, including small purchases, awarded by the Participating Agency and the Participating Agency's subcontractors shall contain the procurement provisions of Appendix II to Part 200, as applicable.

In no event will Supplier act as a subcontractor under a U.S. federal prime contractor or a subrecipient under a U.S. federal grant or cooperative agreement.

The foregoing certifications apply only to Uniform Rental, Facilities Solutions, and First Aid and Safety products and services, and specifically do not apply to Fire products and services.

APPENDIX II TO 2 CFR PART 200

(A) Contracts for more than the simplified acquisition threshold currently set at $250,000, which is the inflation adjusted amount determined by the Civilian Agency Acquisition Council and the Defense Acquisition Regulations Council (Councils) as authorized by 41 U.S.C. 1908, must address administrative, contractual, or legal remedies in instances where contractors violate or breach contract terms, and provide for such sanctions and penalties as appropriate.

Pursuant to Federal Rule (A) above, when a Participating Agency expends federal funds, the Participating Agency reserves all rights and privileges under the applicable laws and regulations with respect to this procurement in the event of breach of contract by either party.

Does offeror agree? YES _____ Initials of Authorized Representative of offeror

(B) Termination for cause and for convenience by the grantee or subgrantee including the manner by which it will be effected and the basis for settlement. (All contracts in excess of $10,000)

Pursuant to Federal Rule (B) above, when a Participating Agency expends federal funds, the Participating Agency reserves the right to immediately terminate any agreement in excess of $10,000 resulting from this procurement process in the event of a breach or default of the agreement by Offeror as detailed in the terms of the contract.

Does offeror agree? YES _____ Initials of Authorized Representative of offeror

(C) Equal Employment Opportunity. Except as otherwise provided under 41 CFR Part 60, all contracts that meet the definition of "federally assisted construction contract" in 41 CFR Part 60-1.3 must include the equal opportunity clause provided under 41 CFR 60-1.4(b), in accordance with Executive Order 11246, "Equal Employment Opportunity" (30 CFR 12319, 12935, 3 CFR Part, 1964-1965 Comp., p. 339), as amended by Executive Order 11375, "Amending Executive Order 11246 Relating to Equal Employment Opportunity," and implementing regulations at 41 CFR part 60, "Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor."

Pursuant to Federal Rule (C) above, when a Participating Agency expends federal funds on any federally assisted construction contract, the equal opportunity clause is incorporated by reference herein.

Does offeror agree to abide by the above? YES _____ Initials of Authorized Representative of offeror

(D) Davis-Bacon Act, as amended (40 U.S.C. 3141-3148). When required by Federal program legislation, all prime construction contracts in excess of $2,000 awarded by non-Federal entities must include a provision for compliance with the Davis-Bacon Act (40 U.S.C. 3141-3144, and 3146-3148) as supplemented by Department of Labor regulations (29 CFR Part 5, "Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction"). In accordance with the statute, contractors must be required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, contractors must be required to pay wages not less than once a week. The non-Federal entity must place a copy of the current prevailing wage determination issued by the Department of Labor in each solicitation. The decision to award a contract or subcontract must be conditioned upon the acceptance of the wage determination. The non- Federal entity must report all suspected or reported violations to the Federal awarding agency. The contracts must also include a provision for compliance with the Copeland "Anti-Kickback" Act (40 U.S.C. 3145), as supplemented by Department of Labor regulations (29 CFR Part 3, "Contractors and Subcontractors on Public Building or Public Work Financed in Whole

or in Part by Loans or Grants from the United States"). The Act provides that each contractor or subrecipient must be prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he or she is otherwise entitled. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency.
Pursuant to Federal Rule (D) above, when a Participating Agency expends federal funds during the term of an award for all contracts and subgrants for construction or repair, offeror will be in compliance with all applicable Davis-Bacon Act provisions.

Does offeror agree? N/A _____ Initials of Authorized Representative of offeror

(E) Contract Work Hours and Safety Standards Act (40 U.S.C. 3701-3708). Where applicable, all contracts awarded by the non-Federal entity in excess of $100,000 that involve the employment of mechanics or laborers must include a provision for compliance with 40 U.S.C. 3702 and 3704, as supplemented by Department of Labor regulations (29 CFR Part 5). Under 40 U.S.C. 3702 of the Act, each contractor must be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 U.S.C. 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.

Pursuant to Federal Rule (E) above, when a Participating Agency expends federal funds, offeror certifies that offeror will be in compliance with all applicable provisions of the Contract Work Hours and Safety Standards Act during the term of an award for all contracts by Participating Agency resulting from this procurement process.

Does offeror agree? N/A _____ Initials of Authorized Representative of offeror

(F) Rights to Inventions Made Under a Contract or Agreement. If the Federal award meets the definition of "funding agreement" under 37 CFR §401.2 (a) and the recipient or subrecipient wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance of experimental, developmental, or research work under that "funding agreement," the recipient or subrecipient must comply with the requirements of 37 CFR Part 401, "Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements," and any implementing regulations issued by the awarding agency.

Pursuant to Federal Rule (F) above, when federal funds are expended by Participating Agency, the offeror certifies that during the term of an award for all contracts by Participating Agency resulting from this procurement process, the offeror agrees to comply with all applicable requirements as referenced in Federal Rule (F) above.

Does offeror agree? N/A _____ Initials of Authorized Representative of offeror

(G) Clean Air Act (42 U.S.C. 7401-7671q.) and the Federal Water Pollution Control Act (33 U.S.C. 1251-1387), as amended—Contracts and subgrants of amounts in excess of $150,000 must contain a provision that requires the non- Federal award to agree to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act (42 U.S.C. 7401-7671q) and the Federal Water Pollution Control Act as amended (33 U.S.C. 1251- 1387). Violations must be reported to the Federal awarding agency and the Regional Office of the Environmental Protection Agency (EPA)

Pursuant to Federal Rule (G) above, when federal funds are expended by Participating Agency, the offeror certifies that during the term of an award for all contracts by Participating Agency member resulting from this procurement process, the offeror agrees to comply with all applicable requirements as referenced in Federal Rule (G) above.

Does offeror agree? YES _____ Initials of Authorized Representative of offeror

(H) Debarment and Suspension (Executive Orders 12549 and 12689)—A contract award (see 2 CFR 180.220) must not be made to parties listed on the government wide exclusions in the System for Award Management (SAM), in accordance with the Executive Office of the President Office of Management and Budget (OMB) guidelines at 2 CFR 180 that implement Executive Orders 12549 (3 CFR part 1986 Comp., p. 189) and 12689 (3 CFR part 1989 Comp., p. 235), "Debarment and Suspension." SAM Exclusions contains the names of parties debarred, suspended, or otherwise excluded by agencies, as well as parties declared ineligible under statutory or regulatory authority other than Executive Order 12549.

Pursuant to Federal Rule (H) above, when federal funds are expended by Participating Agency, the offeror certifies that during the term of an award for all contracts by Participating Agency resulting from this procurement process, the offeror certifies that neither it nor its principals is presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation by any federal department or agency. If at any time during the term of an award the offeror or its principals becomes debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation by any federal

department or agency, the offeror will notify the Participating Agency.

Does offeror agree? YES _____ Initials of Authorized Representative of offeror

(l) Byrd Anti-Lobbying Amendment (31 U.S.C. 1352)—Contractors that apply or bid for an award exceeding $100,000 must file the required certification. Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant or any other award covered by 31 U.S.C. 1352. Each tier must also disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to the non-Federal award.

Pursuant to Federal Rule (l) above, when federal funds are expended by Participating Agency, the offeror certifies that during the term and after the awarded term of an award for all contracts by Participating Agency resulting from this procurement process, the offeror certifies that it is in compliance with all applicable provisions of the Byrd Anti-Lobbying Amendment (31 U.S.C. 1352). The undersigned further certifies that:

(1) No Federal appropriated funds have been paid or will be paid for on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of congress, or an employee of a Member of Congress in connection with the awarding of a Federal contract, the making of a Federal grant, the making of a Federal loan, the entering into a cooperative agreement, and the extension, continuation, renewal, amendment, or modification of a Federal contract, grant, loan, or cooperative agreement.

(2) If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of congress, or an employee of a Member of Congress in connection with this Federal grant or cooperative agreement, the undersigned shall complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying", in accordance with its instructions.

(3) The undersigned shall require that the language of this certification be included in the award documents for all covered sub-awards exceeding $100,000 in Federal funds at all appropriate tiers and that all subrecipients shall certify and disclose accordingly.

Does offeror agree? YES _____ Initials of Authorized Representative of offeror

RECORD RETENTION REQUIREMENTS FOR CONTRACTS INVOLVING FEDERAL FUNDS

When federal funds are expended by Participating Agency for any contract resulting from this procurement process, offeror certifies that it will comply with the record retention requirements detailed in 2 CFR § 200.333. The offeror further certifies that offeror will retain all records as required by 2 CFR § 200.333 for a period of three years after grantees or subgrantees submit final expenditure reports or quarterly or annual financial reports, as applicable, and all other pending matters are closed.

Does offeror agree? YES _____ Initials of Authorized Representative of offeror

CERTIFICATION OF COMPLIANCE WITH THE ENERGY POLICY AND CONSERVATION ACT

When Participating Agency expends federal funds for any contract resulting from this procurement process, offeror certifies that it will comply with the mandatory standards and policies relating to energy efficiency which are contained in the state energy conservation plan issued in compliance with the Energy Policy and Conservation Act (42 U.S.C. 6321 et seq.; 49 C.F.R. Part 18).

Does offeror agree? YES _____ Initials of Authorized Representative of offeror

CERTIFICATION OF COMPLIANCE WITH BUY AMERICA PROVISIONS

To the extent purchases are made with Federal Highway Administration, Federal Railroad Administration, or Federal Transit Administration funds, offeror certifies that its products comply with all applicable provisions of the Buy America Act and agrees to provide such certification or applicable waiver with respect to specific products to any Participating Agency upon request. Purchases made in accordance with the Buy America Act must still follow the applicable procurement rules calling for free and open competition.

Does offeror agree? YES _____ Initials of Authorized Representative of offeror

CERTIFICATION OF ACCESS TO RECORDS – 2 C.F.R. § 200.336

Offeror agrees that the Inspector General of the Agency or any of their duly authorized representatives shall have access to any documents, papers, or other records of offeror that are pertinent to offeror's discharge of its obligations under the Contract for the purpose of making audits, examinations, excerpts, and transcriptions. The right also includes timely and reasonable access to

offeror's personnel for the purpose of interview and discussion relating to such documents.

Does offeror agree? YES _____ Initials of Authorized Representative of offeror

CERTIFICATION OF APPLICABILITY TO SUBCONTRACTORS

Offeror agrees that all contracts it awards pursuant to the Contract shall be bound by the foregoing terms and conditions.

Does offeror agree? YES _____ Initials of Authorized Representative of offeror

Offeror certifies compliance with all provisions, laws, acts, regulations, etc. as specifically noted above.

Offeror's Name: _____

Address, City, State, and Zip Code: _____

Phone Number: _____ Fax Number: _____

SAMPLE

Omnia Participating Public Agencies Terms

1. Participating Public Agencies: Supplier agrees to extend the same terms, covenants agreed to under the OMNIA Vendor Agreement executed between Cintas Corporation and University of Nebraska (the "Master Agreement") to other government agencies ("Participating Public Agencies") that, in their discretion, desire to access the Master Agreement in accordance with all terms and conditions contained herein or attached hereto. Each participating Public Agency will be exclusively responsible and deal directly with Supplier on matters relating to length of agreement, ordering, delivery, inspection, acceptance, invoicing, and payment for products and services in accordance with the terms and conditions of the Master Agreement.
2. **Dispute Resolution – Arbitration and Class Waiver**. This provision shall take precedence over and supersede any contrary or conflicting provision in the Master Agreement.
    a. **Arbitration Notice**. Customer agrees to the maximum extent permitted by law that any dispute, controversy, or claim arising out of or relating to this Agreement (including its enforcement, performance, breach, arbitrability, or interpretation) or to the products or services provided hereunder will be submitted to and resolved by final and binding individual arbitration. ARBITRATION MEANS THAT AN ARBITRATOR, AND NOT A JUDGE OR A JURY, WILL DECIDE THE DISPUTE, CONTROVERSY, OR CLAIM. BY ACCEPTING THESE TERMS, YOU AND CINTAS ARE EACH EXPRESSLY WAIVING THE RIGHT TO A TRIAL BY JURY AND TO PURSUE OR PARTICIPATE IN ANY CLASS ACTION, COLLECTIVE ACTION, OR REPRESENTATIVE CLAIMS OR PROCEEDINGS EITHER IN ARBITRATION OR IN ANY COURT. To the extent a class or collective action or representative claim or proceeding may not be waived, you agree to stay any such actions, claims, and proceedings until after all actions, claims, and proceedings subject to arbitration are fully resolved.
    b. **Arbitration Procedures**. Any arbitration between Customer and Cintas will be governed by the Commercial Dispute Resolution Procedures and the Supplementary Procedures for Consumer Related Disputes (collectively, "AAA Rules") of the American Arbitration Association ("AAA"), as modified by this Agreement, and will be administered by the AAA. The AAA Rules and filing forms are available online at www.adr.org, by calling the AAA at 1-800-778-7879, or by contacting Cintas. Any arbitration hearings will take place in the state in which Customer is located; provided, however, that if the claim is for $10,000 or less, Customer may choose for the arbitration instead to be conducted: (i) solely on the basis of documents submitted to the arbitrator; or (ii) through a telephonic hearing. The arbitrator must issue a reasoned written decision sufficient to explain the essential findings and conclusions on which the decision and award, if any, are based.
    c. **Fees**. Arbitration fees will be assessed consistent with the AAA Rules.
    d. **No Class Actions in Arbitration or in Any Court, No Jury Trial**. CUSTOMER AND CINTAS AGREE THAT, TO THE MAXIMUM EXTENT PERMITTED BY LAW, EACH MAY BRING CLAIMS AGAINST THE OTHER ONLY IN THEIR INDIVIDUAL CAPACITIES AND NOT AS A PLAINTIFF OR CLASS MEMBER IN ANY PURPORTED CLASS OR REPRESENTATIVE PROCEEDING, WHETHER IN ARBITRATION OR IN ANY COURT. FURTHER, UNLESS BOTH CUSTOMER AND CINTAS AGREE OTHERWISE, AN ARBITRATOR OR JUDGE MAY NOT CONSOLIDATE MORE THAN ONE PARTICIPATING PUBLIC AGENCY'S CLAIMS AND MAY NOT OTHERWISE PRESIDE OVER ANY FORM OF A REPRESENTATIVE OR CLASS PROCEEDING.
    FOR THE AVOIDANCE OF DOUBT, CUSTOMER AND CINTAS AGREE TO RESOLVE ANY DISPUTE ON AN INDIVIDUAL, NON-REPRESENTATIVE, NON-CLASS BASIS IN ARBITRATION. BUT IF FOR ANY REASON SUCH DISPUTE PROCEEDS IN COURT, CUSTOMER AND CINTAS AGREE TO WAIVE ANY RIGHT TO HAVE THE DISPUTE PROCEED AS A CLASS ACTION OR IN ANY REPRESENTATIVE CAPACITY WHATSOEVER. IF THE DISPUTE PROCEEDS IN COURT, CUSTOMER AND CINTAS AGREE TO WAIVE ANY RIGHT TO A TRIAL BY JURY.
    e. **Enforceability.** If the requirement to submit any and all disputes, controversies, and claims to binding arbitration is found to be unenforceable or contrary to applicable law, the dispute, controversy or claim will be resolved in accordance with, and governed by, the laws of the State in which the Participating Public Agency exists.
    f. **Severability**. If any section or provision of this ¶ 2, Dispute Resolution – Arbitration and Class Waiver, is found to be unenforceable or invalid, the parties will substitute an enforceable provision that, to the maximum extent possible under applicable law, preserves the original intentions of the parties, and the remainder will be given full force and effect.
3. **Dispute Resolution – Timing of invoice challenges:** Requests for an invoice adjustment or challenges to invoice amounts must be received by Cintas within 60 days of Customer's receipt of the contested invoice, or any billing dispute is waived. Notification to Cintas of a request for an invoice adjustment must be made in writing and must include the invoice number, disputed amount, and the reason for the disputed charge.
4. Master Agreement available at https://www.omniapartners.com/publicsector.
5. In the event of any conflict between this Facilities Solutions Cooperative Acceptance Agreement (this "Agreement") and the Master Agreement, the Master Agreement shall prevail, except to the extent this Agreement specifically provides that it is superseding a provision in the Master Agreement.

Supplier General Service Terms Section

6. **Prices** Customer agrees to rent from Company, and Company agrees to provide to Customer, the Merchandise, inventory and services on the Master Agreement and / or outlined above. There will be a minimum charge of thirty-five dollars ($35.00) or 50% of initial invoice (whichever is greater) per week for each Customer location required to purchase its rental services from Company as set forth in this Agreement.

Cintas Representative Initial_____ Customer Initial _____

7. **Buyback of Non-Standard Garments (if applicable)** Customer has ordered from Company a garment rental service requiring embroidered garments that may not be standard to Company's normal rental product line. Those non-standard products will be designated as such under-Garment Description in Exhibit Buyback of Non-Standard Garments (if applicable). In the event Customer deletes a non-standard product, alters the design of the non-standard product, fails to renew the Agreement, or terminates the Agreement for any reason other than documented quality of service reasons which are not cured, Customer agrees to buy back all remaining non-standard products allocated to Customer that the Company has in service and out of service at the then current Loss/Damage Replacement Values.
8. **Garments' Lack of Flame Retardant or Acid Resistant Features** Unless specified otherwise in writing by the Company, the garments supplied under this Agreement are not flame retardant or acid resistant and contain no special flame retardant or acid resistant features. They are not designed for use in areas of flammability risk or where contact with hazardous materials is possible. Flame resistant and acid resistant garments are available from Company upon request. Customer warrants that none of the employees for whom garments are supplied pursuant to this Agreement require flame retardant or acid resistant clothing.
9. **Logo Mats** In the event that Customer decides to delete any mat bearing the Customer's logo (Logo Mat) from the rental program, changes the design of the Logo Mats, terminates this Agreement for any reason or fails to renew this Agreement, the Customer will purchase at the time of deletion, design change or termination, all remaining Logo mats that the Company has in service and out of service held in inventory at the then current Loss/Damage Replacement Value.
10. **Adding Employees** Additional employees and Merchandise may be added to this Agreement at any time upon written or oral request by the Customer to the Company. Any such additional employees or Merchandise shall automatically become a part of and subject to the terms of this Agreement. If such employees are employed at a Customer location that is then participating under this Agreement, the Customer shall pay Company the one-time preparation fee indicated on the Master Agreement and / or outlined above. Customer shall not pay Company any one-time preparation fee for garments for employees included in the initial installation of a Customer location. There will be a one-time charge for name and/or company emblems when employees are added to the program in garments requiring emblems.
11. **Emblem Guarantee** Customer has requested that Company supply emblems desi ..ed exclusively for Customer featuring Customer's logo or other specific identification (hereinafter "Customer Emblems"). Company will maintain a sufficient quantity of Customer Emblems in inventory to provide for Customer's needs and maintain a low cost per emblem through quantity purchases.
12. In the event Customer decides to discontinue the use of Customer Emblems, changes the design of the Customer Emblems, terminates this Agreement for any reason or fails to renew this Agreement, the Customer will purchase at the tim of deletion, design change, termination or expiration, all remaining Customer Emblems that the Company allocated to Customer at the price indicated on the Master Agreement and / or outlined above of this Agreement. In no event shall the number of Customer Emblems allocated to Customer exceed the greater of (a) twelve (12) months' volume for each unique Customer :m lem or (b) a quantity agreed to by Company and Customer and noted on the Master Agreement and / or outlined above.
13. **Terminating Employees** Subject to the provisions of t .is Agreement, the weekly rental charge attributable to any individual leaving the employ of the Customer, or on a temporary leave of .osence of three (3) weeks r more, shall be terminated upon oral or written notice by the Customer to the Company but only after all garments issued to that individual, or value of same at the then current Loss/Damage Replacement Values, are returned to Company.
14. **Replacement** In the event any Merchandise is lost, stolen or is not returned to Company, or is destroyed or damaged by fire, welding damage, acid, paint, ink, chemicals, neglect or otherwise, the Custor er agrees to pay for said Merchandise at the then current Loss/Damage Replacement Values.
15. **Indemnification** To the fullest extent permitted by law, Company agrees to defend, indemnify, pay on behalf of and save harmless the Participating Public Agency, its elected and appointed officials, agents, employees and authorized volunteers against any and all claims, liability, demands, suits or loss, including reasonable attorneys' fees and all other costs connected therewith, arising out of or connected to the services provided by Company under this Contract, but only to the extent of Company's negligence.
16. **Additional Customer Locations**. Notwithstanding anything to the contrary contained herein, there will be a minimum term equal to the greater of thirty-six (36) months or the remainde of the term for any individual Customer location added after the date of this Agreement.
17. **Additional Items:** Additional customer employees, products and services may be added to this Agreement and shall automatically become a part of and subject to the terms hereof and all of its provisions. If this Agreement is terminated early for convenience, the parties agree that the damages sustained by Company will be substantial and difficult to ascertain. Therefore, if this Agreement is terminated by Customer prior to the applicable expiration date for any reason other than documented quality of service reasons which are not cured, or terminated by Company for non-payment by Customer at any time Customer will pay to Company, as termination charges and not as a penalty based upon the following schedule:
    - If this Agreement is cancelled for convenience in the first twelve months of the term, Customer shall pay as termination charges equal to 52 weeks of rental service.
    - If this Agreement is cancelled for convenience in months thirteen (13) through twenty-four (24) of the term, Customer shall pay as termination charges equal to thirty-nine (39) weeks of rental service.
    - If this Agreement is cancelled for convenience in months twenty-five (25) through thirty-six (36) of the term, Customer shall pay as termination charges equal to twenty-six (26) weeks of rental service.
    - If this Agreement is cancelled for convenience after forty-eight (48) months of service, Customer shall pay as termination charges of thirteen (13) weeks of rental service.
    - Customer shall also be responsible to return all of the Merchandise allocated to such Customer locations terminating this Agreement at the then current Loss/Damage Replacement Values and for any unpaid charges on Customer's account prior to termination.
18. **Federal Funds.** In no event will Cintas act as a subcontractor under a U.S. federal prime contractor or a subrecipient under a U.S. federal grant or cooperative agreement.
19. **Customer Funding Source**. Customer must select the appropriate response below:
    Is Customer a United States federal government agency or instrumentality, or will Customer pay for the goods and services ordered

Cintas Representative Initial_____ Customer Initial _____

under this Agreement with any United States government funds?

___No

___Yes (If Yes, Customer must provide any applicable U.S. government flowdown terms and conditions, which will only be binding on Cintas if attached hereto and agreed to by Cintas prior to execution of this agreement).

20. **Additional Terms.** Customer must select the appropriate response below:

Does Customer require any additional terms and conditions to be incorporated into this Agreement, or is Customer accepting the Agreement without additional terms?

___ No additional terms needed

___ Additional terms required (If so, Customer must provide any applicable additional terms and conditions, which will only be binding on Cintas if attached hereto and agreed to by Cintas prior to execution of this agreement).

21. I authorize Cintas to verify my credit on Credit net and/or by contacting the parties provided. I am authorized to sign on behalf of this company. In addition, I authorize Cintas to open a new account on behalf of the company and deliver the products or services listed above at the agreed upon pricing and delivery terms.

PLEASE READ THESE TERMS CAREFULLY. BY SIGNING THIS AGREEMENT, YOU ACKNOWLEDGE THAT YOU HAVE READ, AND THAT YOU UNDERSTAND AND AGREE TO BE BOUND BY, THESE TERMS.

Omnia Participating Public Agencies Terms

1. **Participating Public Agencies**: Supplier agrees to extend the same terms, covenants agreed to under the Master Agreement to other government agencies ("Participating Public Agencies") that, in their discretion, desire to access the Master Agreement in accordance with all terms and conditions contained herein or attached hereto. Each participating Public Agency will be exclusively responsible and deal directly with Supplier on matters relating to length of agreement, ordering, delivery, inspection, acceptance, invoicing, and payment for products and services in accordance with the terms and conditions of the Master Agreement.
2. **Dispute Resolution – Arbitration and Class Waiver**. This provision shall take precedence over and supersede any contrary or conflicting provision in the Master Agreement.
    a. **Arbitration Notice**. Customer agrees to the maximum extent permitted by law that any dispute, controversy, or claim arising out of or relating to this Agreement (including its enforcement, performance, breach, arbitrability, or interpretation) or to the products or services provided hereunder will be submitted to and resolved by final and binding individual arbitration. ARBITRATION MEANS THAT AN ARBITRATOR, AND NOT A JUD E OR A JURY, WILL DECIDE THE DISPUTE, CONTROVERSY, OR CLAIM. BY ACCEPTING THESE TERMS, YOU AND CINTAS ARE EACH EXPRESSLY WAIVING THE RIGHT TO A TRIAL BY JURY AND TO PURSUE OR PARTICIPATE IN ANY CLASS ACTION, COLLECTIVE ACTION, OR REPRESENTATIVE CLAIMS OR PROCEEDINGS EITHER IN ARBITRATION OR IN ANY COURT. To the extent a class or collective action or representative claim or proceedi g may not be waived, you agree to stay any such actions, claims, and proceedings until after all actions, clai s, and proceedings subject to arbitration are fully resolved.
    b. **Arbitration Procedures**. Any arbitration between Customer and Cintas will be governed by the Commercial Dispute Resolution Procedures and the Supplementary Procedures for Consumer Related Disputes (collectively, "AAA Rules") of the American Arbitration Association ("AAA"), as modified by this Agreement, and will be administered by the AAA. The AAA Rules and filing forms are available onli at www.adr.org, by calling the AAA at 1-800-778-7879, or by contacting Cintas. Any arbitration hearings will take place in the state in which the Customer is located; provided, however, that if the claim is for $10,000 or less, Customer may choose for the arbitration instead to conducted: (i) solely on the basis of documents submitted to the arbitrator; or (ii) through a telephonic hearing. The arbitrator must issue a reasoned written decision sufficient to explain the essential findings and conclusions on which the decision and award, if any, are based.
    c. **Fees**. If Customer commences arbitration in accordance with this Agreement, arbitration fees will be assessed consistent with the AAA Rules.
    d. **No Class Actions in Arbit ation or in Any Court, No Jury Trial**. CUSTOMER AND CINTAS AGREE THAT, TO THE MAXIMUM EXTENT PERMITTED BY LAW, EACH MAY BRING CLAIMS AGAINST THE OTHER ONLY IN THEIR INDIVIDUAL C P/ CITIES AND NOT AS A PLAINTIFF OR CLASS MEMBER IN ANY PURPORTED CLASS OR REPRESENTATIVE PROCEEDING, WHETHER IN ARBITRATION OR IN ANY COURT. FURTHER, UNLESS BOTH CUSTOMER AND CINTAS AGREE OTHERWISE, AN ARBITRATOR OR JUDGE MAY NOT CONSOLIDATE MORE THAN ONE PARTICIPATING PUBLIC AGENCY'S CLAIMS AND MAY NOT OTHERWISE PRESIDE OVER ANY FORM OF A REPRESENTATIVE OR CLASS PROCEEDING.
    FOR THE AVOIDANCE OF DOUBT, CUSTOMER AND CINTAS AGREE TO RESOLVE ANY DISPUTE ON AN INDIVIDUAL, NON-REPRESENTATIVE, NON-CLASS BASIS IN ARBITRATION, BUT IF FOR ANY REASON SUCH DISPUTE PROCEEDS IN COURT, CUSTOMER AND CINTAS AGREE TO WAIVE ANY RIGHT TO HAVE THE DISPUTE PROCEED AS A CLASS ACTION OR IN ANY REPRESENTATIVE CAPACITY WHATSOEVER. IF THE DISPUTE PROCEEDS IN COURT, CUSTOMER AND CINTAS AGREE TO WAIVE ANY RIGHT TO A TRIAL BY JURY.
    e. **Enforceability.** If the requirement to submit any and all disputes, controversies, and claims to binding arbitration is found to be unenforceable or contrary to applicable law, the dispute, controversy or claim will be resolved in accordance with, and governed by, the laws of the State in which the Participating Public Agency exists.
    f. **Severability**. If any section or provision of this ¶ 2, Dispute Resolution – Arbitration and Class Waiver, is found to be unenforceable or invalid, the parties will substitute an enforceable provision that, to the maximum extent possible under applicable law, preserves the original intentions of the parties, and the remainder will be given full force and effect.
3. **Dispute Resolution – Timing of invoice challenges:** Requests for an invoice adjustment or challenges to invoice amounts must be received by Cintas within 60 days of Customer's receipt of the contested invoice, or any billing dispute is waived. Notification to Cintas of a request for an invoice adjustment must be made in writing and must include the invoice number, disputed amount, and the reason for the disputed charge.
4. Master Agreement available at https://www.omniapartners.com/publicsector.

Supplier General Service Terms Section

Cintas Representative_____ Customer_____

1. **Customer Obligations:** Customer shall make its premises and facilities available to Company for the performance by Company of the Services. If Customer cancels a scheduled service appointment without providing prior notice or if Company is prevented from performing any Services upon arrival by Customer or conditions at the location, then Company may charge a cancellation fee or trip charge.
2. **Equipment Exchange**: Customer hereby agrees that in servicing Customer's portable fire extinguishers, Company may exchange Customer's portable fire extinguishers for Company's portable fire extinguishers of similar kind and quality. Customer further acknowledges and agrees that upon completion of such exchange that all right, title and interest in the Customer's portable fire extinguishers so exchanged will belong to Company and all right, title and interest in Company's portable fire extinguishers so exchanged will belong to Customer.
3. **Federal Funds.** In no event will Cintas act as a subcontractor under a U.S. federal prime contractor or a subrecipient under a U.S. federal grant or cooperative agreement.
4. **Customer Funding Source.** Customer must select the appropriate response below:
   Is Customer a United States federal government agency or instrumentality, or will Customer pay for the goods and services ordered under this Agreement with any United States government funds?
   ___No
   ___Yes (If Yes, Customer must provide any applicable U.S. government flowdown terms and conditions, which will only be binding on Cintas if attached hereto and agreed to by Cintas prior to execution of this agreement).
5. **Additional Terms.** Customer must select the appropriate response below:
   Does Customer require any additional terms and conditions to be incorporated into this Agreement, or is Customer accepting the Agreement without additional terms?
   ___ No additional terms needed
   ___ Additional terms required (If so, Customer must provide any applicable additional terms and conditions, which will only be binding on Cintas if attached hereto and agreed to by Cintas prior to execution of this agreement).

Electronic Record and Signature Disclosure		

ELECTRONIC RECORD AND SIGNATURE DISCLOSURE

From time to time, Internet 2 OBO University of Nebraska - Lincoln (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through the DocuSign system. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to this Electronic Record and Signature Disclosure (ERSD), please confirm your agreement by selecting the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

Getting paper copies

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after the signing session and, if you elect to create a DocuSign account, you may access the documents for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a $0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

Withdrawing your consent

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

Consequences of changing your mind

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. Further, you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

All notices and disclosures will be sent to you electronically

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.

How to contact Internet 2 OBO University of Nebraska - Lincoln:

You may contact us to let us know of your changes as to how we may contact you electronically, to request paper copies of certain information from us, and to withdraw your prior consent to receive notices and disclosures electronically as follows:
To contact us by email send messages to: esignature@nebraska.edu

To advise Internet 2 OBO University of Nebraska - Lincoln of your new email address

To let us know of a change in your email address where we should send notices and disclosures electronically to you, you must send an email message to us at esignature@nebraska.edu and in the body of such request you must state: your previous email address, your new email address. We do not require any other information from you to change your email address.

If you created a DocuSign account, you may update it with your new email address through your account preferences.

To request paper copies from Internet 2 OBO University of Nebraska - Lincoln

To request delivery from us of paper copies of the notices and disclosures previously provided by us to you electronically, you must send us an email to esignature@nebraska.edu and in the body of such request you must state your email address, full name, mailing address, and telephone number. We will bill you for any fees at that time, if any.

To withdraw your consent with Internet 2 OBO University of Nebraska - Lincoln

To inform us that you no longer wish to receive future notices and disclosures in electronic format you may:

i. decline to sign a document from within your signing session, and on the subsequent page, select the check-box indicating you wish to withdraw your consent, or you may;

ii. send us an email to esignature@nebraska.edu and in the body of such request you must state your email, full name, mailing address, and telephone number. We do not need any other information from you to withdraw consent.. The consequences of your withdrawing consent for online documents will be that transactions may take a longer time to process..

Required hardware and software

The minimum system requirements for using the DocuSign system may change over time. The current system requirements are found here: https://support.docusign.com/guides/signer-guide-signing-system-requirements.

Acknowledging your access and consent to receive and sign documents electronically

To confirm to us that you can access this information electronically, which will be similar to other electronic notices and disclosures that we will provide to you, please confirm that you have read this ERSD, and (i) that you are able to print on paper or electronically save this ERSD for your future reference and access; or (ii) that you are able to email this ERSD to an email address where you will be able to print on paper or save it for your future reference and access. Further, if you consent to receiving notices and disclosures exclusively in electronic format as described herein, then select the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

By selecting the check-box next to 'I agree to use electronic records and signatures', you confirm that:

- You can access and read this Electronic Record and Signature Disclosure; and
- You can print on paper this Electronic Record and Signature Disclosure, or save or send this Electronic Record and Disclosure to a location where you can print it, for future reference and access; and
- Until or unless you notify Internet 2 OBO University of Nebraska - Lincoln as described above, you consent to receive exclusively through electronic means all notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you by Internet 2 OBO University of Nebraska - Lincoln during the course of your relationship with Internet 2 OBO University of Nebraska - Lincoln.

CERTIFICATE OF LIABILITY INSURANCE

DATE(MM/DD/YYYY) 10/16/2025

THIS CERTIFICATE IS ISSUED AS A MATTER OF INFORMATION ONLY AND CONFERS NO RIGHTS UPON THE CERTIFICATE HOLDER. THIS CERTIFICATE DOES NOT AFFIRMATIVELY OR NEGATIVELY AMEND, EXTEND OR ALTER THE COVERAGE AFFORDED BY THE POLICIES BELOW. THIS CERTIFICATE OF INSURANCE DOES NOT CONSTITUTE A CONTRACT BETWEEN THE ISSUING INSURER(S), AUTHORIZED REPRESENTATIVE OR PRODUCER, AND THE CERTIFICATE HOLDER.

IMPORTANT: If the certificate holder is an ADDITIONAL INSURED, the policy(ies) must have ADDITIONAL INSURED provisions or be endorsed. If SUBROGATION IS WAIVED, subject to the terms and conditions of the policy, certain policies may require an endorsement. A statement on this certificate does not confer rights to the certificate holder in lieu of such endorsement(s).

Subject: RE: SOW Determination
Date: Tuesday, March 4, 2025 2:11:53 PM
Attachments: image002.jpg
image003.png

Greetings,

The scope of work as written would be General Services. This determination relates only to that question and is no comment on whether the scope of work or procurement method meet all legal standards. I reserve the right to change this determination if the scope of work differs from the scope of work submitted for the original determination. This procurement must be conducted using the processes and procedures set forth by the City of Santa Fe, Central Purchasing, the Procurement Manual, and state statutes.

Please note:

- Save this email as a PDF and upload it into the corresponding Munis records.
- Check with WorkQuest dba Horizons of New Mexico (vendor # 8673) (mloehman@horizonsofnewmexico.org) if this service appears on their approved list.
- If your request includes anything that needs to be reviewed and preapproved by another City Department/Division, please send the same SOW to the corresponding email address and include their response in your packet/Munis.
  -IT components (anything IT) - ereview@santafenm.gov
  -Vehicles – dmjaramillo@santafenm.gov
  -Grants - grants@santafenm.gov
  - Construction, Facilities, Furniture, Fixtures, Equipment, etc. - jsburnett@santafenm.gov
  -Emergency Related Purchases - bgwilliams@santafenm.gov
  -Asset over $5k - jxbolden@santafenm.gov
- Ensure that the appropriate templates and forms are used https://intranet.santafenm.gov/finance_1 and documented procedures/laws/rules are followed.
- > $20k per year, when processing this procurement, please ensure the procurement number issued by Munis and the procurement name are used in the appropriate documents and the subject of emails.
- If you are processing a procurement where the forecasted amount is =/> $60k, per NMSA 1978, Section 13-1-102, the procurement method must be ITB (if you choose not to use a cooperative or an existing contract). If you feel you need to process an RFP, you must get an Authorization and Plan approved before you process.
- < $20k per year, one quote is acceptable.
- From $20k to $60k per year, if you aren't using a cooperative or existing contract, you'll need to provide 3 quotes in your req. Must use the Munis Bid Module after 12/21/2023.
  Please keep this as part of the procurement file for future reference.

- Figure out your funding source and **inform Purchasing**. To ensure that the proper documents and language are used, it is important to identify the funding source for the subsequent contract. For instance, if federal funds are involved, the procurement request and subsequent contract must include the necessary federal language. Therefore, it is crucial to determine the funding source beforehand.
- Please review the pages linked below to determine whether any of the existing contracts/price agreements or cooperative agreements are applicable to this request. You might be able to use an existing price agreement to save time and money.
    - https://www.generalservices.state.nm.us/state-purchasing/statewide-price-agreements/ (if you choose to use a Statewide, you do not need to ask Horizons if they can do the work. State Purchasing must offer the SOW to Horizons prior to placing the award on their website.)

The Purchasing Memo

Date: November 26, 2025

To: Governing Body and Finance Committee

From: Denise Gabaldon, Contracts Supervisor, Finance Department R. Denise Gabaldon

Via: Travis Dutton-Leyda, Chief Procurement Officer, Finance Department
Emily Oster, Finance Department Director Emily K. Oster

Subject: Request for Approval of Amendment #2 to City-Wide Price Agreement

Vendor Name: Safeware, Inc.

Munis Vendor Number: 9936

ITEM AND ISSUE:

Finance Department respectfully requests your review and approval of Amendment No. 2 to Item No. 24-0540 with Safeware, Inc. for Public Safety, Preparedness, Safety Equipment & Solutions. Amendment No. 2 increases the total compensation to $10,000,000 including GRT and extends the termination date to March 28, 2029.

CONTRACT NUMBER:

The Munis contract number is 3204676.

BACKGROUND AND SUMMARY:

The City currently conducts procurement largely through individual department contracts, creating inefficiencies and inconsistent access to needed goods and services. Establishing citywide master contracts, beginning with this agreement focused on public safety, emergency preparedness, and safety equipment, provides a coordinated approach that benefits all departments by utilizing pre-vetted vendors and streamlined purchasing processes. These areas are critical across the organization, and centralized solutions help ensure consistent standards and improved operational readiness.

Since its implementation, this contract has seen significantly higher usage than originally anticipated, as departments across the City have relied heavily on Safeware for essential safety and emergency-preparedness supplies. This elevated demand has quickly exceeded the originally authorized contract capacity, necessitating an amendment to increase the contract amount to ensure continuity of services. The increased usage reflects both the broad applicability of these safety solutions and the efficiencies gained through a centralized contract vehicle.

CITY OF SANTA FE

GENERAL SERVICES CONTRACT

Public Safety Agreement

CITY OF SANTA FE, FINANCE DEPARTMENT

AMENDMENT No. 2 TO

Contract # 3204676

Public Safety Agreement

This AMENDMENT No. 2 the "Amendment") amends the CITY OF SANTA FE CONTRACT, dated March 28, 2024 (the "Contract"), between the City of Santa Fe (the "City") and SAFEWARE INC. (the "Contractor"). The date of this Amendment shall be the date when it is executed by the City and the Contractor whichever occurs last.

1. Recitals

A. Under the terms of the Contract, Contractor has agreed to provide the City with allowed services and goods described in the OMNIA Master Agreement, Public Safety, Preparedness, Safety Equipment, and Solutions PRICE AGREEMENT.

B. Pursuant to the Amendment Article of the original Contract, and for good and valuable consideration, the receipt and sufficiency of which are acknowledged by the parties, the City and the Contractor agree as follows:

2. COMPENSATION

Article 3, paragraph 3.1 of the Contract is amended to increase the amount of compensation by a total of $8,307,751.67 so that Article 3 reads in its entirety as follows:

A. The City shall compensate the Contractor for the services and/or goods described in the scope of work, the City agrees pay the Contractor $9,243,212.02. The Gross Receipts Tax ("GRT") on this contract is levied at the rate of 8.1875%, equaling $756,787.98. The total not to exceed compensation for this Contract inclusive of GRT is $10,000,000.

B. The compensation represents a maximum amount. The Contractor must notify the City when the Services provided under this Contract approach 90% of compensation total. Services rendered beyond the maximum compensation amount will not be reimbursed unless the Contract is amended in writing prior to the provision of such services.

C. Invoicing and Payment Terms Payment will be made upon the City's acceptance of deliverables and receipt of a detailed, certified invoice from the Contractor. Payments will be sent to the Contractor's designated address. The City shall issue payment in accordance with the timelines required by law. Invoices must be submitted no later than fifteen (15) days after the Contract's termination. Late invoices will not be processed or paid.

D. Extended Payment Terms for Grant-Funded Contracts. For grant-funded agreements, the City may issue payment within forty-five (45) days following submission of an undisputed payment request.

3. TERM

THIS CONTRACT SHALL NOT BECOME EFFECTIVE UNTIL APPROVED IN WRITING BY THE CITY. This contract shall terminate March 28, 2029 **from date of final signature**. A contract for general services may not exceed seven (7) years, including all extensions and renewals, except as otherwise provided by NMSA 1978, Sections 13-1-150 through 13-1-152 or SFCC 1987, Section 11-13.

From: Travis Dutton-Leyda, Chief Procurement Officer, Finance Department

Subject: Request for Approval of Amendment #1 to City-wide Price Agreement

Vendor: Safeware, Inc.

ITEM AND ISSUE:
Request for the Approval of Amendment #1 to City Price Agreement with Safeware, Inc. in the total amount of $1,000,000.00 for Public Safety, Preparedness, Safety Equipment & Solutions. The purpose of this amendment is to update the compensation terms in the contract, specifying that payment will depend on budget availability at the time of purchase. This Amendment #1 makes no other changes to the contract. The responsible party for this request is Travis Dutton-Leyda, Chief Procurement Officer, tkduttonleyda@santafenm.gov, (505) 629-8351.

BACKGROUND AND SUMMARY:
The City currently handles most procurement through individual department contracts on a piecemeal basis. Establishing citywide master contracts will enable end users across departments to efficiently obtain needed services and products simply by processing purchase orders with pre-vetted vendors.

To start building out this citywide contracting model, this contract focuses on public safety, emergency preparedness, safety equipment, and associated solutions. These are critical areas that impact all City departments. Numerous vendor solutions exist that can meet overarching safety needs in a coordinated fashion.

This contract includes an administrative fee to provide expanded bandwidth for the Purchasing Division. Currently, just 3 staff members, 1 contractor, and the CPO handle all City procurement processes and requirements. Additional staffing is needed to expedite contract review, ensure compliance, and meet departmental needs in a timely manner. The administrative fee will allow Purchasing to grow its team to better serve all requesting departments

Original Agreement/Contract # 3204676 (Item# 24-0255) was approved by Governing Body on February 28, 2024, Quality of Life Committee on February 21, 2024, and the Finance Committee on February 26, 2024.

PROCUREMENT METHOD:
NMSA 1978, 13-1-135 Cooperative Procurement through OMNIA Partners.

CITY OF SANTA FE
AMENDMENT NO. ONE TO
CITY-WIDE PRICE AGREEMENT #3204506
Item #24-0255

This AMENDMENT No. One (the "Amendment") amends the CITY OF SANTA FE Public Safety, Preparedness, Safety Equipment, and Solutions PRICE AGREEMENT, dated March 28, 2024 (the "Price Agreement"), between the City of Santa Fe (the "City") and Safeware, Inc. (the "Contractor"). The date of this Amendment shall be the date when it is executed by the City and the Contractor whichever occurs last.

RECITALS:

A. Under the terms of the Contract, Contractor has agreed to provide the City with allowed services and goods described in the OMNIA Master Agreement, Public Safety, Preparedness, Safety Equipment, and Solutions PRICE AGREEMENT.

B. Pursuant to Article 14 of the Contract, and for good and valuable consideration, the receipt and sufficiency of which are acknowledged by the parties, the City and the Contractor agree as follows:

1. COMPENSATION

Article 3, paragraph 3.1 of the Price Agreement shall be deleted in its entirety and replaced with the following:

3.1The City shall pay to the Contractor in full payment for services satisfactorily performed and goods delivered based on the unit prices/discounts established by the Port of Portland, Oregon/OMNIA Contract. Such compensation not to exceed one million ($1,000,000.00) for the first fiscal year including gross receipts tax. All subsequent fiscal years shall be based on available budget. **The contractor is not guaranteed any amount of work or money. All work assigned to be performed by Contractor under this Price Agreement shall not exceed the allowable amount per the Port of Portland, Oregon/OMNIA Price Agreement. The parties do not intend for the Contractor to continue to provide services without compensation when the total**

Participating Addendum/City-wide Price Agreement for Public Safety, Preparedness, Safety Equipment and Solutions
CITY OF SANTA FE

THIS Price Agreement is made and entered into by and between the City of Santa Fe, New Mexico, hereinafter referred to as the "City," and **Safeware, Inc.**, hereinafter referred to as the "Contractor," and is effective as of the date set forth below upon which it is executed by the Parties.

RECITALS

WHEREAS, the Chief Procurement Officer of the City has made the determination that this Agreement is in accordance with the provisions of NMSA 1978, 13-1-28 et seq. pursuant to NMSA 1978, section 13-1-135; and

WHEREAS, the Contractor is one of such requisite and qualifications and is willing to engage with the City for services, in accordance with the terms and conditions hereinafter set out, and the Contractor understanding and consenting to the foregoing is willing to render such services as outlined in the Agreement; and

WHEREAS, the Contractor does hereby accept its designation as Services, rendering services and goods related to Public Safety, Preparedness, Safety Equipment and Solutions for the City, as set forth in this Agreement; and

WHEREAS, it is agreed by the parties that the performance of the services is for a period of four (4) years as directed by the City.

The City and the Contractor hereby agree as follows:

1. Scope of Work

The Contractor shall provide all allowed services and goods described in OMNIA Master Agreement, Public Safety, Emergency Preparedness, Safety Equipment and Solutions. Refer to Attachment A for examples of items and services that may be purchased using this Price Agreement. The Master Agreement as amended shall govern.

Port of Portland, OR

Contract Number: 159469

https://www.omniapartners.com/suppliers/safeware/public-sector/contract-documents#contract-564

This Price Agreement may be used by all city of Santa Fe Departments, educational institutions, political subdivisions, other local public bodies, and all other entities allowed by law. Issues of interpretation and eligibility for participation are within the authority of the Chief Procurement Officer of the using entity.

2. Standard of Performance: Licenses

2.1 The Contractor represents that Contractor possesses the personnel, experience, and knowledge necessary to perform the services described under this Price Agreement.

2.2 The Contractor agrees to obtain and maintain throughout the term of this Price Agreement, all applicable professional and business licenses required by law, for itself, its employees, agents, representatives, and subcontractors.

3. **Compensation**

3.1The City shall pay to the Contractor in full payment for services satisfactorily performed and goods delivered based on the unit prices/discounts established by the Port of Portland, Oregon/OMNIA Contract. Such compensation not to exceed one million ($1,000,000.00) for the first year including gross receipts tax. **The total amount payable to the Contractor under this Agreement, including gross receipts tax and expenses, shall not exceed one million ($1,000,000.00) per fiscal year. This amount is a maximum per fiscal year and not a guarantee that the work assigned to be performed by Contractor under this Price Agreement shall equal the amount stated herein. The parties do not intend for the Contractor to continue to provide services without compensation when the total compensation amount is reached. Contractor is responsible for notifying the City when the services provided under this Price Agreement reach the total compensation amount. In no event will the Contractor be paid for services provided in excess of the total compensation amount without this Price Agreement being amended in writing prior to those services in excess of the total compensation amount being provided.**

3.2 Contractor must maintain detailed statements accounting for all services performed, goods delivered, and expenses incurred. The contractor shall provide said detailed reports at the request of the city. If the City finds that the services and/or goods are not acceptable, within thirty (30) days after the date of receipt of written notice from the Contractor that payment is requested, it shall provide the Contractor a letter of exception explaining the defect or objection to the services, and outlining steps the Contractor may take to provide remedial action. Upon certification by the City that the services have been received and accepted, payment shall be tendered to the Contractor within thirty days after the date of acceptance. If payment is made by mail, the payment shall be deemed tendered on the date it is postmarked. However, the City shall not incur late charges, interest, or penalties for failure to make payment within the time specified herein.

4. **Term**

THIS PRICE AGREEMENT SHALL NOT BECOME EFFECTIVE UNTIL APPROVED BY THE CITY. This Price Agreement shall terminate four (4) years from date of execution, unless terminated pursuant to paragraph 5 (Termination), or paragraph 6 (Appropriations).

5. **Termination**

5.1 Termination. This Price Agreement may be terminated by either of the parties hereto upon written notice delivered to the other party at least thirty (30) days prior to the intended date of termination. Except as otherwise allowed or provided under this Contract, the City's sole liability upon such termination shall be to pay for acceptable work performed prior to the Contractor's receipt of the notice of termination, if the City is the terminating party, or the Contractor's sending of the notice of termination, if the Contractor is the terminating party; provided, however, that a

notice of termination shall not nullify or otherwise affect either party's liability for pre-termination defaults under or breaches of this Contract. The Contractor shall submit an invoice for such work within thirty (30) days of receiving or sending the notice of termination. Notwithstanding the foregoing, this Price Agreement may be terminated immediately upon written notice to the Contractor if the Contractor becomes unable to perform the services contracted for, as determined by the City or if, during the term of this Contract, the Contractor or any of its officers, employees or agents is indicted for fraud, embezzlement or other crime due to misuse of City funds or due to the Appropriations paragraph herein. *THIS PROVISION IS NOT EXCLUSIVE AND DOES NOT WAIVE THE CITY'S OTHER LEGAL RIGHTS AND REMEDIES CAUSED BY THE CONTRACTOR'S DEFAULT/BREACH OF THIS CONTRACT.*

5.2 Termination Management. Immediately upon receipt by either the City or the Contractor of notice of termination of this Contract, the Contractor shall: 1) not incur any further obligations for salaries, services or any other expenditure of funds under this Price Agreement without written approval of the City; 2) comply with all directives issued by the City in the notice of termination as to the performance of work under this Contract; and 3) take such action as the City shall direct for the protection, preservation, retention or transfer of all property titled to the City and records generated under this Contract. Any non-expendable personal property or equipment provided to or purchased by the Contractor with Price Agreement funds shall become property of the City upon termination and shall be submitted to the City as soon as practicable.

6. **Appropriations**

The terms of this Price Agreement are contingent upon sufficient appropriations and authorization being made by the Governing Body for the performance of this Contract. If sufficient appropriations and authorization are not made by the Governing Body, this Price Agreement shall terminate immediately upon written notice being given by the City to the Contractor. The City's decision as to whether sufficient appropriations are available shall be accepted by the Contractor and shall be final. If the City proposes an amendment to the Price Agreement to unilaterally reduce funding, the Contractor shall have the option to terminate the Price Agreement or to agree to the reduced funding, within thirty (30) days of receipt of the proposed amendment.

7. **Status of Contractor**

The Contractor and its agents and employees are independent contractors performing construction services for the City and are not employees of the City. The Contractor and its agents and employees shall not accrue leave, retirement, insurance, bonding, use of City vehicles, or any other benefits afforded to employees of the City as a result of this Contract. The Contractor acknowledges that all sums received hereunder are reportable by the Contractor for tax purposes, including without limitation, self-employment and business income tax. The Contractor agrees not to purport to bind the City unless the Contractor has express written authority to do so, and then only within the strict limits of that authority.

8. **Assignment**

The Contractor shall not assign or transfer any interest in this Price Agreement or assign any claims for money due or to become due under this Price Agreement without the prior written approval of the City.

9. **Subcontracting**

The Contractor shall not subcontract any portion of the services to be performed under this Price Agreement without the prior written approval of the City. No such subcontract shall relieve the primary

Contractor from its obligations and liabilities under this Contract, nor shall any subcontract obligate direct payment from the City.

10. **Release**

Final payment of the amounts due under this Price Agreement shall operate as a release of the City, its officers and employees from all liabilities, claims and obligations whatsoever arising from or under this Contract.

11. **Confidentiality**

Any confidential information provided to or developed by the Contractor in the performance of this Price Agreement shall be kept confidential and shall not be made available to any individual or organization by the Contractor without the prior written approval of the City.

12. **Product of Service – Copyright**

All materials developed or acquired by the Contractor under this Price Agreement shall become the property of the City and shall be delivered to the City no later than the termination date of this Contract. Nothing developed or produced, in whole or in part, by the Contractor under this Price Agreement shall be the subject of an application for copyright or other claim of ownership by or on behalf of the Contractor.

13. **Conflict of Interest; Governmental Conduct Act**

13.1 The Contractor represents and warrants that it presently has no interest and, during the term of this Contract, shall not acquire any interest, direct or indirect, which would conflict in any manner or degree with the performance or services required under the Contract.

13.2 The Contractor further represents and warrants that it has complied with, and, during the term of this Contract, will continue to comply with, and that this Price Agreement complies with all applicable provisions of the Governmental Conduct Act, Chapter 10, Article 16 NMSA 1978.

13.3 Contractor's representations and warranties in sub-paragraphs 13.1 and 13.2 of this Article 13 are material representations of fact upon which the City relied when this Price Agreement was entered into by the parties. Contractor shall provide immediate written notice to the City if, at any time during the term of this Contract, Contractor learns that Contractor's representations and warranties in sub-paragraphs 13.1 and 13.2 were erroneous on the effective date of this Price Agreement or have become erroneous by reason of new or changed circumstances. If it is later determined that Contractor's representations and warranties in sub-paragraphs 13.1 and 13.2 were erroneous on the effective date of this Price Agreement or have become erroneous by reason of new or changed circumstances, in addition to other remedies available to the City and notwithstanding anything in the Price Agreement to the contrary, the City may immediately terminate the Contract.

13.4 All terms defined in the Governmental Conduct Act have the same meaning in this section.

14. **Amendment**

14.1 This Agreement shall not be altered, changed, or amended except by instrument in writing executed by the parties hereto and all other required signatories.

14.2 If the City proposes an amendment to the Price Agreement to unilaterally reduce funding due to budget or other considerations, the Contractor shall, within thirty (30) days of receipt of the

proposed Amendment, have the option to terminate the Contract, pursuant to the termination provisions as set forth in Article 4 herein, or to agree to the reduced funding.

15. **Entire Agreement.**

This Agreement, together with any other documents incorporated herein by reference and all related Exhibits and Schedules constitutes the sole and entire agreement of the Parties with respect to the subject matter of this Agreement, and supersedes all prior and contemporaneous understandings, agreements, representations, and warranties, both written and oral, with respect to the subject matter. In the event of any inconsistency between the statements in the body of this Agreement, and the related Exhibits and Schedules, the statements in the body of this Agreement shall control.

16. **Merger**

This Price Agreement incorporates all the Agreements, covenants and understandings between the parties hereto concerning the subject matter hereof, and all such covenants, Agreements and understandings have been merged into this written Contract.

This Price Agreement is issued against the Port of Portland, Oregon/OMNIA Contract established and maintained by the Port of Portland, Oregon and OMNIA Partners for Public Safety, Preparedness, Safety Equipment and Solutions Contract # 159469, and through this language hereby incorporates this agreement by reference and is included in the order of precedence. Using entities may use all Safeware's subcontractors/authorized dealers that are listed on the current Safeware OMNIA contract supplier list.

No prior Agreement or understanding, oral or otherwise, of the parties or their agents shall be valid or enforceable unless embodied in this Price Agreement.

17. **Penalties for violation of law**

NMSA 1978, sections 13-1-28 through 13-1-199, imposes civil and criminal penalties for its violation. In addition, the New Mexico criminal statutes impose felony penalties for illegal bribes, gratuities, and kickbacks.

18. **Equal Opportunity Compliance**

The Contractor agrees to abide by all federal and state laws and rules and regulations, and Santa Fe City Code, pertaining to equal employment opportunity. In accordance with all such laws of the State of New Mexico, the Contractor assures that no person in the United States shall, on the grounds of race, religion, color, national origin, ancestry, sex, age, physical or mental handicap, or serious medical condition, spousal affiliation, sexual orientation or gender identity, be excluded from employment with or participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity performed under this Price Agreement. If Contractor is found not to be in compliance with these requirements during the life of this Price Agreement, Contractor agrees to take appropriate steps to correct these deficiencies.

19. **Applicable Law**

The laws of the State of New Mexico shall govern this Price Agreement, without giving effect to its choice of law provisions. Venue shall be proper only in a New Mexico court of competent jurisdiction in accordance with NMSA 1978, section 38-3-2. By execution of this Contract, Contractor acknowledges and agrees to the jurisdiction of the courts of the State of New Mexico over any and all lawsuits arising under or out of any term of this Price Agreement.

20. **Workers Compensation**

The Contractor agrees to comply with state laws and rules applicable to workers compensation benefits for its employees. If the Contractor fails to comply with the Workers Compensation Act and applicable rules when required to do so, this Price Agreement may be terminated by the City.

21. **Professional Liability Insurance**

Contractor shall maintain professional liability insurance throughout the term of this Price Agreement providing a minimum coverage in the amount required under the New Mexico Tort Claims Act. The Contractor shall furnish the City with proof of insurance of Contractor's compliance with the provisions of this section as a condition prior to performing services under this Price Agreement.

22. Other Insurance

If the services contemplated under this Price Agreement will be performed on or in City facilities or property, Contractor shall maintain in force during the entire term of this Price Agreement, the following insurance coverage(s), naming the City as additional insured.

A. **Commercial General Liability** insurance shall be written on an occurrence basis and be a broad as ISO Form CG 00 01 with limits not less than $2,000,000 per occurrence and $2,000,000 in the aggregate for claims against bodily injury, personal and advertising injury, and property damage. Said policy shall include broad form Contractual Liability coverage and be endorsed to name the City of Santa Fe their officials, officers, employees, and agents as additional insureds.

22.A.1 Broader Coverage and Limits. The insurance requirements under this Price Agreement shall be the greater of (1) the minimum coverage and limits specified in this Price Agreement, or (2) the broader coverage and maximum limits of coverage of any insurance policy or proceeds available to the Named Insured. It is agreed that these insurance requirements shall not in any way act to reduce coverage that is broader or that includes higher limits than the minimums required herein. No representation is made that the minimum insurance requirements of this Price Agreement are sufficient to cover the obligations of Contractor hereunder.

22.A2 Contractor shall maintain the above insurance for the term of this Price Agreement and name the City as an additional insured and provide for 30 days cancellation notice on any Certificate of Insurance form furnished by Contractor. Such certificate shall also specifically state the coverage provided under the policy is primary over any other valid and collectible insurance and provide a waiver of subrogation.

23. **Records and Financial Audit**

The Contractor shall maintain detailed time and expenditure records that indicate the date; time, nature and cost of services rendered during the Contract's term and effect and retain them for a period of three (3) years from the date of final payment under this Price Agreement. The records shall be subject to inspection by the City. The City shall have the right to audit billings both before and after payment. Payment under this Price Agreement shall not foreclose the right of the City to recover excessive or illegal payments.

24. Indemnification

The Contractor shall defend, indemnify and hold harmless the City from all actions, proceeding, claims, demands, costs, damages, attorneys' fees and all other liabilities and expenses of any kind from any source which

may arise out of the performance of this Price Agreement, caused by the negligent act or failure to act of the Contractor, its officers, employees, servants, subcontractors or agents, or if caused by the actions of any client of the Contractor resulting in injury or damage to persons or property during the time when the Contractor or any officer, agent, employee, servant or subcontractor thereof has or is performing services pursuant to this Price Agreement. If any action, suit or proceeding related to the services performed by the Contractor or any officer, agent, employee, servant or subcontractor under this Price Agreement is brought against the Contractor, the Contractor shall, as soon as practicable but no later than two (2) days after it receives notice thereof, notify the legal counsel of the City.

25. New Mexico Tort Claims Act

Any liability incurred by the City of Santa Fe in connection with this Price Agreement is subject to the immunities and limitations of the New Mexico Tort Claims Act, Section 41-4-1, et. seq. NMSA 1978, as amended. The City and its "public employees" as defined in the New Mexico Tort Claims Act, do not waive sovereign immunity, do not waive any defense and do not waive any limitation of liability pursuant to law. No provision in this Price Agreement modifies or waives any provision of the New Mexico Tort Claims Act.

26. Invalid Term or Condition

If any term or condition of this Price Agreement shall be held invalid or unenforceable, the remainder of this Price Agreement shall not be affected and shall be valid and enforceable.

27. Enforcement of Contract

A party's failure to require strict performance of any provision of this Price Agreement shall not waive or diminish that party's right thereafter to demand strict compliance with that or any other provision. No waiver by a party of any of its rights under this Price Agreement shall be effective unless express and in writing, and no effective waiver by a party of any of its rights shall be effective to waive any other rights.

28. Notices

Any notice required to be given to either party by this Price Agreement shall be in writing and shall be delivered in person, by courier service or by U.S. mail, either first class or certified, return receipt requested, postage prepaid, as follows:

To the City:	To the Contractor:
Travis Dutton-Leyda Chief Procurement Officer 200 Lincoln Ave Santa Fe, NM 87501 purchasing@santafenm.gov 505-629-8351	Safeware Safeware PHX 5710 S. 32nd Street Phoenix, AZ 85040 Rob Berner Office: 480-322-0310 Mobile: 480-433-1268 Email: rberner@safewareinc.com

29. Authority

If Contractor is other than a natural person, the individual(s) signing this Price Agreement on behalf of Contractor represents and warrants that he or she has the power and authority to bind Contractor, and that no further action, resolution, or approval from Contractor is necessary to enter a binding contract.

30. **Non-Collusion**

In signing this Agreement, the Contractor certifies the Contractor has not, either directly or indirectly, entered into action in restraint of free competitive bidding in connection with this offer submitted to the City's Chief Procurement Officer.

31. Default/Breach

In case of Default and/or Breach by the Contractor, for any reason whatsoever, the City may procure the goods or services from another source and hold the Contractor responsible for any resulting excess costs and/or damages, including but not limited to, direct damages, indirect damages, consequential damages, special damages, and the City may also seek all other remedies under the terms of this Agreement and under law or equity.

32. Equitable Remedies

The Contractor acknowledges that its failure to comply with any provision of this Agreement will cause the City irrevocable harm and that a remedy at law for such a failure would be an inadequate remedy for the City, and the Contractor consents to the City 's obtaining from a court of competent jurisdiction, specific performance, or injunction, or any other equitable relief in order to enforce such compliance. The City's rights to obtain equitable relief pursuant to this Agreement shall be in addition to, and not in lieu of, any other remedy that the City may have under applicable law, including, but not limited to, monetary damages.

33. Default and Force Majeure

The City reserves the right to cancel all or any part of any orders placed under this Agreement without cost to the City, if the Contractor fails to meet the provisions of this Agreement and, except as otherwise provided herein, to hold the Contractor liable for any excess cost occasioned by the City due to the Contractor's default. The Contractor shall not be liable for any excess costs if failure to perform the order arises out of causes beyond the control and without the fault or negligence of the Contractor; such causes include, but are not restricted to, acts of God or the public enemy, acts of the State or Federal Government, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, unusually severe weather and defaults of subcontractors due to any of the above, unless the City shall determine that the supplies or services to be furnished by the subcontractor were obtainable from other sources in sufficient time to permit the Contractor to meet the required delivery scheduled. The rights and remedies of the City provided in this Clause shall not be exclusive and are in addition to any other rights now being provided by law or under this Agreement.

34. **Utilization Reporting**:

The Contractor agrees to provide a utilization report on all sales/or services and other revenues (including commissions charged) and fees to the City Chief Procurement Officer in accordance with the following schedule:

Quarter:	Period Ending:	Report Due Date:
First	September 30	October 30
Second	December 31	January 31
Third	March 31	April 30
Fourth	June 30	July 31

The sales report shall include the gross total sales and other revenues including commissions charged for the period subtotaled by Procuring Department. Even if the Contractor experiences zero sales during the quarter, a zero-dollar report shall still be submitted.

35. **Utilization Fees**:

The Contractor agrees to remit an administrative reporting fee payable by check to the City Purchasing Division for an amount equal to one percent **(1%)** of the total gross sales and other revenues derived from this Price Agreement. The Contractor shall indicate the Price Agreement name **[Public Safety, Preparedness, Safety Equipment, and Solutions]** and include the remittance check with the quarterly sales report.

Reports may be submitted via U.S. mail to the City Purchasing Division or via email to purchasing@santafenm.gov. If you have any questions regarding the administrative reporting fee, please contact the Chief Procurement Officer at tkduttonleyda@santafenm.gov or (505) 629-8351.

For payment of fees through U.S. Mail or Courier Delivery: City Purchasing Division
Attn: Chief Procurement Officer
200 Lincoln Avenue

ATTACHMENT A

DETAILED SPECIFICATIONS FOR PUBLIC SAFETY CATEGORIES (this attachment is an example. The OMNIA Master Agreement as amended shall be the current list.)

PUBLIC SAFETY, EMERGENCY PREPAREDNESS, SAFETY EQUIPMENT AND SOLUTIONS

1. Personal Protective Equipment

Equipment worn to protect the individual from hazardous materials and contamination in the workplace, including a chemical/biological threat environment. Examples include the following: respirators, such as N95 and Self-Contained Breathing, Apparatus (SCBA); gloves such as medical nitrile gloves and cryogenic gloves; protective clothing, such as isolation gowns and wildland firefighting gear, eye protection, helmets, safety footwear, respiratory protective equipment, SCBA's, and all other protective items worn on the person.

2. Explosive Device Mitigation and Remediation Equipment

Equipment providing for the mitigation and remediation of explosive devices in a Chemical, Biological, Radiological, Nuclear or Explosive (CBRNE) environment such as:

- Bomb Search Protective Ensemble for Chemical/Biological Response Chemical/Biological Undergarment for Bomb Search Protective Ensemble Cooling Garments to manage heat stress
- Robots; Robot Upgrades
- Ballistic Threat Body Armor & Helmets Blast and Ballistic Threat Eye Protection
- Blast and Overpressure Threat Ear Protection Fire Resistant Gloves
- Disarmer/Disrupter
- Real Time X-Ray Unit, Portable X-Ray Unit
- CBRNE Compatible Total Containment Vessel (TCV) CBRNE Upgrades for Existing TCV
- Fiber Optic Kit (inspection or viewing)
- Tents, standard or air inflatable for chem/bio protection Inspection mirrors
- Ion Tract Explosive Detector Z Ray Equipment
- All other Explosive Ordinance Disposal (EOD)Equipment

3. CBRNE Operational and Search and Rescue Equipment

Equipment providing a technical search and rescue capability for a CBRNE environment, such as:

- Hydraulic tools; hydraulic power unit Listening devices, hearing protection
- Search cameras (Including thermal and infrared imaging) Night Vision
- Radiological isotope identifying detectors

- Breaking devices (Including spreaders, saws, and hammers)
- Lifting devices (including air bag systems, hydraulic rams, jacks, ropes, and block and tackle)
- Blocking and bracing materials
- Evacuation chairs (for evacuation of disabled personnel) Ventilation fans
- All other CBRNE operational and search and rescue equipment

4. Information Technology

Equipment and services providing Information Technology, such as: Servers

- Switches Software
- Monitors and wall displays for Real time Crime Centers Cloud services
- All other Information Technology for Emergency and Public Preparedness

5. Cyber Security Enhancement Equipment and Services

Equipment and services providing cyber security enhancement, such as: Secure appliances

- Filter switches Filters
- Securer cloud services
- All other cyber security enhancement equipment and services for Emergency and Public Preparedness

6. Interoperable Communications Equipment

Equipment and systems providing connectivity and electrical interoperability between local and interagency organizations to coordinate CBRNE response operations. This includes system design, installation, service, and maintenance. Products include:

- CAD / RMS fusion equipment Software and services
- Land/Mobile. Two-way in-suit communications (secure, hands-free, fully duplex, optional), including air-to-ground capability (as required)
- Antenna systems
- Personnel Alert Safety System (PASS) - (location and physiological monitoring systems optional)
- Personnel Accountability Systems
- Individual/portable radios, software radios, portable repeaters, radio interconnect systems, satellite phones, batteries, chargers, and battery conditioning systems Computer systems designated for use in an integrated system to assist with detection and communication efforts (must be linked with integrated software packages designed specifically for chemical and/or biological agent detection and communication purposes)
- Portable Meteorological Station (monitors temperature, wind speed, wind direction and barometric pressure at a minimum)
- Commercially available crisis management software Mobile Display Terminals
- All other interoperable communications equipment

7. Detection Equipment

Equipment to sample, detect, identify, quantify, and monitor for chemical, biological, radiological/nuclear, and explosive agents throughout designated areas or at specific points. Such items include:

- Bioassays PID
- Radiation Detection PCR
- All other detection equipment

8. Decontamination Equipment

Equipment and material used to clean, remediate, remove, or mitigate chemical and biological contamination. Such items include:

- Decontamination system for individual and mass application with environmental controls, water heating system, showers, lighting, and transportation (trailer)
- Decon7/Extraction Litters/roller systems
- Runoff Containment Bladder(s), decontamination shower waste collection with intrinsically-safe evacuation pumps, hoses, connectors, scrub brushes, nozzles
- Spill containment devices Overpack drums Cadaver bags
- Hand carts
- Wastewater classification kits/strips HEPA vacuum for dry decontamination Disinfectants
- Shelters Modesty kits
- All other decontamination equipment

9. Medical

Medical supplies, such as:

- Trauma kits Tourniquets Tactical medical kits
- AED's (Portable, personal, and medical automatic external defibrillators, AED trainers, accessories, and replacement parts)
- First aid kits, refills, and blood borne pathogen response kits Burn care
- Medicinals such as antacids, aspirin, non-aspirin pain relief, cold and sinus medication
- Skin care products such as heavy-duty cleansers, medicated and protective skin creams, insect repellents, poison ivy relief, sunscreen Heat-Stress relief such as fluid replacement drinks and coolers
- All other medical supplies related to emergency and public preparedness

10. Power

Equipment used to provide power, such as: Generators

- Batteries
- All other equipment to provide power

11. CBRNE Reference Materials

Reference materials designed to assist emergency first responders in preparing for and responding to a CBRNE incident. This includes but is not limited to the following:

- Jane's books
- Training books, including but not limited to, NFPA Guide to hazardous materials, NIOSH Hazardous Materials Pocket Guide, North American Emergency Response Guide, First Responder Job Aids, etc.
- Reference and training videos
- All other CBRNE reference materials

12. CBRNE Incident Response Vehicles

Any emergency and public preparedness vehicles, including: Command vehicles, hazmat rigs, bomb trucks, armored vehicles, ATV's, and all other CBRNE incident response vehicles.

13. Terrorism Incident Prevention Equipment

Any emergency and public preparedness terrorism incident prevention equipment including: area monitoring, situational awareness equipment, CWA, stand-off detection, and all other terrorism incident prevention equipment

14. Physical Security Enhancement Equipment

Any equipment, such as CCTV, access control, LPR, radar and all other physical security enhancement equipment, including installation necessary to enhance the physical security of critical infrastructure such as system design, installation, service, and maintenance

15. Inspection and Screening Systems

- Millimeter X Ray
- Gamma Ray Thermal Infrared Proximity
- All other inspection and screening systems

16. Animal and Plants

Any animal and plants such as bomb sniffing dogs, drug sniffing dogs and all other animal and plants for the provision of emergency and public preparedness.

17. CBRNE Prevention and Response Watercraft

Watercraft equipment and any services such as CBRNE boats, box boats and all other CBRNE prevention

and response watercraft.

18. CBRNE Aviation Equipment

Aviation equipment and any services such as helicopters and associated maintenance, UAV, UAW and accessories, drones, aviation mapping, software and all other CBRNE aviation equipment.

19. CBRNE Logistical Support Equipment

Logistical support equipment and any services such as control and command vehicles, NIMS accessories, traffic control items and all other CBRNE logistical support equipment.

20. Intervention Equipment

- Ballistic protection
- Situational awareness equipment All other intervention equipment

21. Related Products and Services

Any related emergency and public preparedness equipment, supplies, and services offered by supplier.

22. All Other Non-Listed Emergency and Public Preparedness, Law Enforcement, and Fire Equipment available through Supplier

Equipment, supplies, materials, and services supplier offers but does not appear specifically in the above categories.

Version 3 12.1.2023

Port of Portland, OR

Contract # 159469

for

Public Safety, Preparedness, Safety Equipment and Solutions

with

Safeware, Inc.

Effective: April 1, 2021

The following documents comprise the executed contract between the Port of Portland and Safeware, Inc., effective April 1, 2021:

I. Vendor Contract – Price Agreement: Goods & Services
II. Supplier's Response to the RFP, incorporated by reference

DocuSign Envelope ID: 238DB5D7-ED7A-444E-A953-18A6F64A2B4F

Contract No. 159469
This number must appear
on all invoices

PORT OF PORTLAND

PRICE AGREEMENT – GOODS & SERVICES

Public Safety, Preparedness, Safety Equipment and Solutions.

Parties: Port of Portland ("Port")
P.O. Box 3529
Portland, Oregon 97208

Safeware, Inc. ("Provider")
4403 Forbes Blvd
Lanham, MD 20706

RECITALS

A. The Port issued a Request for Proposals, No. 2020-9189 (the "Solicitation"), inviting offers from potential providers for Public Safety, Preparedness, Safety Equipment and Solutions.

B. Provider submitted an offer in response to the Solicitation, offering to provide the item or items described on the attached Schedule 1, Pricing, collectively the ("Goods & Services") under the terms and conditions of this Price Agreement (the "Contract").

C. The Port evaluated all offers and selected Provider as a provider for the Goods and Services.

D. The Port of Portland has partnered with OMNIA Partners, Public Sector ("OMNIA Partners") to make the Contract (also known as the "Master Agreement" in materials distributed by OMNIA Partners) available to other public agencies nationally, including state and local governmental entities, public and private primary, secondary and higher education entities, non-profit entities, and agencies for the public benefit ("Public Agencies"), through OMNIA Partners' cooperative purchasing program.

AGREEMENT

1 NATURE OF CONTRACT

1.1 This Contract is for Provider's supply of the Goods and Services to the Port, on an as-required basis upon the Port's order. The Port does not guarantee the purchase of any specific quantity of Goods under this Contract and reserves the right to order similar goods and services from other suppliers if it is in the Port's best interests to do so.

1.2 Similar items purchased but not listed Schedule 1 shall be supplied at a minimum 41% discount from the Provider's published list(s) price for goods and a 10% discount for Services.

2 TERM

The term of this Contract shall commence on April 1, 2021 or the date that this Contract is fully executed by both parties, whichever is later, and shall expire on April 1, 2026, unless sooner terminated under the provisions of this Contract. The Port shall have 2 options, exercisable sequentially and unilaterally by the Port, in its sole discretion, to extend the term of this Contract for one year at a time. The Port may exercise an option to extend the term by giving Provider written notice no later than fourteen calendar days prior to the then-current expiration date. Expiration of the Contract term does not excuse Provider's duty to deliver Goods and Services that were ordered prior to expiration . The Provider shall have the right to enter local "service" agreements with Participating Public Agencies ("PPA") accessing the contract through OMNIA Partners, so long as the effective date of such agreement is prior to the expiration of the Contract. All local agreements may have a full potential term (any combination of initial and renewal periods) not to exceed seven years.

3 PROVIDER'S OBLIGATIONS

Provider's obligations under this Contract include, but are not limited to, the following:

3.1 To sell, furnish, and deliver the Goods and Services anywhere the Port may designate within the greater Portland, Oregon metropolitan area, FOB destination, as specified in the attached Schedule 1,Pricing, and Attachment A, Specifications, upon Provider's receipt of an authorized order from the Port.

3.2 To submit reports of all sales activity under this Contract, including descriptions, quantities supplied, and prices charged, in an MS Excel spreadsheet format to the Port's Manager of Contracts and Procurement upon request; and

3.3 To provide the Port's Contract Administrator for this Contract, Bobbi Matthews,, 503-415-6590, Bobbi.Matthews@portofportland.com a minimum of two (2) contact names for Provider including 24 hour-accessible phone numbers (office, home, cellular and/or pager), with full authority to make all necessary shipping arrangements for Goods. The Port will identify the Port representatives which are authorized to place orders against this Contract.

3.4 To comply with all federal, state, and local laws, regulations, and ordinances applicable to this Contract or to Provider's obligations under this Contract, as they may be adopted or amended from time to time.

4 COMPENSATION

4.1 Basis of Compensation

The Port will pay for Goods & Services on a price-per-unit basis, as set forth on Schedule 1. Provider acknowledges that such prices include all delivery costs, tariffs, import charges, duties, and all local, State or Federal taxes required to deliver the Goods & Services in accordance with this Contract.

4.2 Total Compensation

The total compensation payable under this Contract shall not exceed $100,000.00 per contract year without a written amendment signed by authorized representatives of both parties.

5 PAYMENT

Payment will be made within 30 days of receipt of a properly completed invoice delivered pursuant to an authorized order under this Contract. Provider shall include the Contract number on all invoices and shall submit invoices to Accounts Payable, Port of Portland, PO Box 3529, Portland, OR 97208. Invoices may also be submitted to Accounts Payable via email to portinvoices@portofportland.com.

6 DUTY TO INFORM

Provider shall give prompt written notice to the Port if, at any time during the performance of this Contract, Provider becomes aware of actual or potential problems, faults, or defects in the Goods, any non-conformance with the Contract, or with any federal, state, or local law, rule, or regulation, or has any objection to any decision or order made by the Port. Any delay or failure on the part of the Port to provide a written response to Provider shall constitute neither agreement with nor acquiescence in Provider's statement or claim and shall not constitute a waiver of any of the Port's rights.

6.1 Representations and Warranties

All express and implied warranties that are applicable to goods under ORS Chapter 72 apply to Goods delivered under this Contract. Provider represents and further warrants to the Port that:

6.1.1 the Goods will conform to the specifications set forth in this Contract and be free from material defects;

6.1.2 the Goods will comply with all applicable federal health and safety standards; and

6.1.3 Provider has good title to the Goods, and that Provider conveys the Goods to the Port free from any restriction or condition, and free from any encumbrance, including but not limited to any security interest or lien. Provider will defend title to the Goods against the rightful claim of any person.

The warranties specified in this Section 6.1 are in addition to, and not in lieu of, any other warranties provided in this Contract. All warranties are cumulative and shall be interpreted broadly to give the Port the greatest warranty protection available.

6.2 Manufacturer Warranties

At no charge to the Port, Provider shall transfer or cause the transfer of all manufacturers' warranties for Goods and component parts, if any, to the Port for the Port's benefit when Provider delivers Goods to the Port. If a conflict or inconsistency exists between a manufacturer's warranty and Provider's warranty, the warranty that provides the greatest benefit and protection to the Port shall prevail.

7 INDEMNIFICATION

Provider shall indemnify, defend, reimburse, and hold harmless the Port and the Port's commissioners, officers, employees, and agents for, from and against all claims, suits, actions, losses, damages, liabilities, costs, and expenses of any nature whatsoever, including without limitation reasonable attorney fees, accountant fees, paralegal fees, expert witness fees, escrow fees, fines, environmental costs, and penalties resulting from, arising out of, or in any way connected with the acts or omissions of Provider or Provider's partners, directors, officers, employees, subcontractors, invitees, or agents under this Contract.

8 DAMAGE TO PORT PROPERTY

Provider shall fully compensate the Port for harm to the Port's real or personal property caused by the acts or omissions, negligent or not, of Provider or Provider's partners, directors, officers, employees, subcontractors, invitees, or agents under this Contract.

9 INSURANCE

9.1 Liability Insurance

Provider shall maintain occurrence form commercial general liability and automobile liability insurance for the protection of Provider, the Port, its commissioners, employees, and agents. Coverage shall include personal injury, bodily injury, including death, and broad form property damage, including loss of use of property, occurring during or in any way related to Provider's operations, in an amount not less than $1,000,000 combined single limit per occurrence. Such insurance shall reference the Contract number and shall name the Port, its Commissioners, employees, and agents as additional insureds.

9.2 Workers' Compensation Coverage; Employers' Liability Coverage

Provider shall maintain workers compensation and employers' liability coverage for all Provider's employees who are subject to Oregon's Workers' Compensation statute (and/or Provider's domicile state, if different), either as a carrier-insured employer or as a self-insured employer as provided by ORS 656.407. If Provider's domicile state is a monopolistic state, employers stop gap liability insurance may be substituted for employers' liability coverage

9.3 Certificates

9.3.1 Certificates Required

Prior to full execution of this Contract, Provider shall furnish the Port with:

a) certificates referencing this Contract (by number, if known), coverage dates, amount, and type of insurance required by this Contract; and

b) a copy of the endorsement or policy provision providing additional insured status under the commercial general liability and automobile liability policies.

9.3.2 Certificate Management; Notice Requirement

When the period of Provider's performance under this Contract exceeds the coverage period stated on a certificate, prior to the certificate expiration date Provider or its insurer must furnish updated certificates demonstrating continuous coverage. Provider or its insurer must give the Port not less than thirty (30) days' written notice before cancellation, non-renewal, or material change of any policy (except ten (10) days for non-payment of premium).

10 BREACH OF CONTRACT

10.1 Generally

Provider acknowledges that its breach of its obligation to deliver promised quantities of Goods within the time periods set forth in this Contract may result in curtailment or cessation of critical Port operations, and that such curtailment or cessation may cause substantial harm to the Port including without limitation incidental and consequential damages

10.2 Cure; Remedies

Provider must cure any breach of this Contract within the shortest reasonable time after Provider first has actual notice of the breach or the Port notifies Provider of the breach, whichever is earlier. If Provider fails to cure a breach in accordance with this subsection, the Port may exercise one or more of the following remedies:

10.3 Substitute Goods

The Port may terminate that part of this Contract affected by the breach upon written notice to Provider, may obtain substitute goods in a reasonable manner, and may recover from Provider the amount by which the price for those substitute goods exceeds the price for the terminated Goods.

10.4 Suspension of Orders

Pending a decision to terminate all or part of this Contract under this Section, the Port may unilaterally order Provider to suspend all or part of the ordered Goods. If the Port terminates all or part of this Contract after such a suspension, Provider shall be entitled to compensation only for Goods accepted by the Port and delivered as required by this Contract prior to the date of termination but not for any Goods delivered after the Port-ordered suspension date. If the Port suspends certain orders and later requires Provider to resume the delivery of those Goods, Provider shall be entitled to reasonable damages incurred, if any, as a result of the suspension.

10.5 Default

If the breach is material, the Port may declare Provider in default, and the Port may pursue any remedy available for a default.

10.6 Recovery of Amounts Due for Breach

To recover any amounts Provider owes to the Port due to Provider's material or non-material breach of this Contract, the Port may withhold such amounts from any Port payments to Provider, including but not limited to payments made under this Contract or under any other agreement between the parties. Provider's default under this Contract will be, at the Port's option, a default under any other agreement between the parties.

10.7 Contractual Remedies Not Exclusive

The Port shall have all remedies available to the Port under this Contract, at law, and in equity, including reasonable attorneys' fees and costs incurred in any action to enforce the Port's rights under this Contract. All available remedies are cumulative and may be exercised singularly or concurrently.

11 TERMINATION FOR CONVENIENCE

The Port may terminate all or part of this Contract at any time for its own convenience by written notice to Provider. Upon termination under this Section, Provider shall be entitled to compensation for all Goods & Services delivered to and accepted by the Port prior to Provider's actual notice of the termination or the receipt of the written notice of termination, whichever is earlier, plus Provider's reasonable costs actually incurred in closing out the Contract. Provider shall not be entitled to compensation for any Goods & Services ordered but not yet delivered and accepted by Port prior to Provider's actual notice of the termination or receipt of written notice of termination.

12 STATUTORILY-REQUIRED PROVISIONS

12.1 Taxes

Provider represents and warrants that Provider has complied with the tax laws of the State of Oregon or a political subdivision of the State of Oregon, including but not limited to ORS 305.620 and ORS chapters 316, 317 and 318. Provider covenants that Provider will continue to comply with the tax laws of the State of Oregon or a political subdivision of the State of Oregon during the term of this Contract. Provider's failure to comply with the tax laws of the State of Oregon or a political subdivision of the State of Oregon before Provider executed this Contract or during the term of this Contract will be a default for which the Port may terminate the Contract and seek damages and other relief available under the terms of this Contract and under applicable law. [Required by ORS 279B.045]

12.2 Payment for Labor or Material

As a condition of this Contract, Provider shall make payment promptly, as due, to all persons supplying to Provider labor or material for Provider's performance under this Contract. [Required by ORS 279B.220(1)]

12.3 Contributions to the Industrial Accident Fund

As a condition of this Contract, Provider shall pay all contributions or amounts due the Industrial Accident Fund from Provider or Provider's subcontractor incurred in the performance of this Contract. [Required by ORS 279B.220(2)]

12.4 Income Tax Withholding

As a condition of this Contract, Provider shall pay to the Oregon Department of Revenue all sums withheld from employees pursuant to ORS 316.167. [Required by ORS 279B.220(4)]

12.5 Workers' Compensation

As a condition of this Contract, all subject employers performing services under this Contract are either employers that will comply with ORS 656.017 or employers that are exempt under ORS 656.126. [Required by ORS 279B.230(2)]

12.6 Medical Care for Employees

As a condition of this Contract, Provider shall promptly, as due, make payment to any person, co-partnership, association or corporation, furnishing medical, surgical and hospital care services or other needed care and attention, incident to sickness or injury, to the employees of Provider, of all sums that Provider agrees to pay for such services and all moneys and sums that Provider collected or deducted from the wages of employees under any law, contract or agreement for the purpose of providing or paying for such services. [Required by ORS 279B.230(1)]

12.7 Liens and Claims Prohibited

As a condition of this Contract, Provider shall not permit any lien or claim to be filed or prosecuted against the Port, the state, any county, any school district, any municipality, any municipal corporation, or any subdivision thereof, on account of any labor or material furnished. [Required by ORS 279B.220(3)]

13 MISCELLANEOUS PROVISIONS

13.1 Time of Essence

Time is of the essence with respect to all dates and time periods in this Contract.

13.2 Contingencies

Neither party will be responsible for failure to perform the party's obligations under this Contract due to contingencies beyond the party's reasonable control, including but not limited to earthquakes, floods, tornadoes, and other acts of nature, fires, epidemics, wars, riots, revolutions, acts of civil or military authorities, sabotage, or nuclear incidents. If any obligation of a party will be delayed by a contingency, the party will promptly notify the other party. Each party will use commercially reasonable efforts to remove the contingency as soon as practicable.

13.3 Law of Oregon; Venue

ORS 15.320 provides that Oregon law applies to this Contract. The parties also agree that Oregon law applies to this Contract, even if ORS 15.320 is determined to be inapplicable or invalid, without reference to any conflict of laws provision that would call for the application of the law of any other jurisdiction. Any suit, action, or other proceeding arising out of or related to this Contract shall only be brought in a state or federal court located in Multnomah County, Oregon, which court's jurisdiction shall be exclusive. To the fullest extent permitted by applicable law, Provider shall be deemed to have irrevocably waived any objections to personal jurisdiction, venue, and objections based on forum non convenience, and further agrees to appear and submit to the jurisdiction of such courts in connection with any suit, action or other proceeding arising out of or related to this Contract.

13.4 Successors and Assigns

This Contract shall bind the parties and their permitted assignees.

13.5 Provider Identification

Provider shall furnish to the Port Provider's employer identification number, as designated by the Internal Revenue Service.

13.6 No Waiver of Legal Rights

A waiver by a party of any breach by the other shall not be deemed to be a waiver of any subsequent breach.

13.7 Modification

This Contract may be modified only by a writing signed by both parties. No oral modification shall be effective.

13.8 Attorney Fees

The prevailing party on a claim shall be entitled to reasonable attorney fees with respect to the claim at trial and on appeal in an action brought with respect to this Contract.

13.9 Permissive Cooperative Procurement Allowed

Other public contracting agencies may establish contracts or price agreements under the terms, conditions, and prices of this Contract. Provider agrees to extend the terms, conditions, and prices of this Contract to any purchasing contracting agency, as that term is defined at ORS 279A.200 (1)(h). Contracts or price agreements between Provider and purchasing public contracting agencies are entirely independent of and have no effect upon this Contract.

13.10 Counterparts, Execution, Electronic Signatures

This Contract may be executed in counterparts. This Contract may be executed using original signatures, facsimile signatures, or only with the Port's prior approval, Electronic Signatures as defined in the Electronic Signatures in Global and National Commerce Act, that can be authenticated. Under ORS 84.014, Provider's consent is not required for this Contract to be executed using Electronic Signatures. Even if ORS 84.014 is determined to be inapplicable or invalid, Provider grants such consent.

13.11 Integration

This Contract contains the entire agreement between the parties regarding the subject matter of this Contract and supersedes all prior written or oral discussions or agreements regarding the subject matter of this Contract.

13.12 Attachments

Any exhibits, schedules, and other attachments referenced in this Contract are part of this Contract.

13.13 Authority of Signers

The individuals signing below warrant that they have full authority to execute this Contract on behalf of the party for which they sign.

ATTACHMENT A

DETAILED SPECIFICATIONS FOR PUBLIC SAFETY CATEGORIES

PUBLIC SAFETY, EMERGENCY PREPAREDNESS, SAFETY EQUIPMENT AND SOLUTIONS

1. Personal Protective Equipment

Equipment worn to protect the individual from hazardous materials and contamination in the workplace, including a chemical/biological threat environment. Examples include the following: respirators, such as N95 and SCBA; gloves such as medical nitrile gloves and cryogenic gloves; protective clothing, such as isolation gowns and wildland firefighting gear, eye protection, helmets, safety footwear, respiratory protective equipment, SCBA's, and all other protective items worn on the person.

2. Explosive Device Mitigation and Remediation Equipment

Equipment providing for the mitigation and remediation of explosive devices in a CBRNE environment such as:

- Bomb Search Protective Ensemble for Chemical/Biological Response
- Chemical/Biological Undergarment for Bomb Search Protective Ensemble
- Cooling Garments to manage heat stress
- Robots; Robot Upgrades
- Ballistic Threat Body Armor & Helmets
- Blast and Ballistic Threat Eye Protection
- Blast and Overpressure Threat Ear Protection
- Fire Resistant Gloves
- Disarmer/Disrupter
- Real Time X-Ray Unit, Portable X-Ray Unit
- CBRNE Compatible Total Containment Vessel (TCV)
- CBRNE Upgrades for Existing TCV
- Fiber Optic Kit (inspection or viewing)
- Tents, standard or air inflatable for chem/bio protection
- Inspection mirrors
- Ion Tract Explosive Detector
- Z Ray Equipment

- All other EOD Equipment

3. CBRNE Operational and Search and Rescue Equipment

Equipment providing a technical search and rescue capability for a CBRNE environment, such as:

- Hydraulic tools; hydraulic power unit
- Listening devices, hearing protection
- Search cameras (Including thermal and infrared imaging)
- Night Vision
- Radiological isotope identifying detectors
- Breaking devices (Including spreaders, saws, and hammers)
- Lifting devices (including air bag systems, hydraulic rams, jacks, ropes, and block and tackle)
- Blocking and bracing materials
- Evacuation chairs (for evacuation of disabled personnel)
- Ventilation fans
- All other CBRNE operational and search and rescue equipment

4. Information Technology

Equipment and services providing Information Technology, such as:

- Servers
- Switches
- Software
- Monitors and wall displays for Real time Crime Centers
- Cloud services
- All other Information Technology for Emergency and Public Preparedness

5. Cyber Security Enhancement Equipment and Services

Equipment and services providing cyber security enhancement, such as:

- Secure appliances
- Filter switches
- Filters
- Securer cloud services
- All other cyber security enhancement equipment and services for Emergency and Public Preparedness

6. Interoperable Communications Equipment

DocuSign Envelope ID: 238DB5D7-ED7A-444E-A953-18A6F64A2B4F

Equipment and systems providing connectivity and electrical interoperability between local and interagency organizations to coordinate CBRNE response operations. This includes system design, installation, service, and maintenance. Products include:

- CAD / RMS fusion equipment
- Software and services
- Land/Mobile. Two-way in-suit communications (secure, hands-free, fully duplex, optional), including air-to-ground capability (as required)
- Antenna systems
- Personnel Alert Safety System (PASS) - (location and physiological monitoring systems optional)
- Personnel Accountability Systems
- Individual/portable radios, software radios, portable repeaters, radio interconnect systems, satellite phones, batteries, chargers, and battery conditioning systems
- Computer systems designated for use in an integrated system to assist with detection and communication efforts (must be linked with integrated software packages designed specifically for chemical and/or biological agent detection and communication purposes)
- Portable Meteorological Station (monitors temperature, wind speed, wind direction and barometric pressure at a minimum)
- Commercially available crisis management software
- Mobile Display Terminals
- All other interoperable communications equipment

7. Detection Equipment

Equipment to sample, detect, identify, quantify, and monitor for chemical, biological, radiological/nuclear, and explosive agents throughout designated areas or at specific points. Such items include:

- Bioassays
- PID
- Radiation Detection
- PCR
- All other detection equipment

DocuSign Envelope ID: 238DB5D7-ED7A-444E-A953-18A6F64A2B4F

8. Decontamination Equipment

Equipment and material used to clean, remediate, remove, or mitigate chemical and biological contamination. Such items include:

- Decontamination system for individual and mass application with environmental controls, water heating system, showers, lighting, and transportation (trailer)
- Decon7/Extraction Litters/roller systems
- Runoff Containment Bladder(s), decontamination shower waste collection with intrinsically-safe evacuation pumps, hoses, connectors, scrub brushes, nozzles
- Spill containment devices
- Overpack drums
- Cadaver bags
- Hand carts
- Waste water classification kits/strips
- HEPA vacuum for dry decontamination
- Disinfectants
- Shelters
- Modesty kits
- All other decontamination equipment

9. Medical

Medical supplies, such as:

- Trauma kits
- Tourniquets
- Tactical medical kits
- AED's (Portable, personal, and medical automatic external defibrillators, AED trainers, accessories, and replacement parts)
- First aid kits, refills, and blood borne pathogen response kits
- Burn care
- Medicinals such as antacids, aspirin, non-aspirin pain relief, cold and sinus medication
- Skin care products such as heavy-duty cleansers, medicated and protective skin creams, insect repellents, poison ivy relief, sunscreen
- Heat-Stress relief such as fluid replacement drinks and coolers
- All other medical supplies related to emergency and public preparedness

DocuSign Envelope ID: 238DB5D7-ED7A-444E-A953-18A6F64A2B4F

10. Power

Equipment used to provide power, such as:

- Generators
- Batteries
- All other equipment to provide power

11. CBRNE Reference Materials

Reference materials designed to assist emergency first responders in preparing for and responding to a CBRNE incident. This includes but is not limited to the following:

- Jane's books
- Training books, including but not limited to, NFPA Guide to hazardous materials, NIOSH Hazardous Materials Pocket Guide, North American Emergency Response Guide, First Responder Job Aids, etc.
- Reference and training videos
- All other CBRNE reference materials

12. CBRNE Incident Response Vehicles

Any emergency and public preparedness vehicles, including: Command vehicles, hazmat rigs, bomb trucks, armored vehicles, ATV's, and all other CBRNE incident response vehicles.

13. Terrorism Incident Prevention Equipment

Any emergency and public preparedness terrorism incident prevention equipment including: area monitoring, situational awareness equipment, CWA, stand-off detection, and all other terrorism incident prevention equipment

14. Physical Security Enhancement Equipment

Any equipment, such as CCTV, access control, LPR, radar and all other physical security enhancement equipment, including installation necessary to enhance the physical security of critical infrastructure such as system design, installation, service, and maintenance

15. Inspection and Screening Systems

- Millimeter
- X Ray
- Gamma Ray
- Thermal
- Infrared
- Proximity
- All other inspection and screening systems

16. Animal and Plants

Any animal and plants such as bomb sniffing dogs, drug sniffing dogs and all other animal and plants for the provision of emergency and public preparedness.

17. CBRNE Prevention and Response Watercraft

Watercraft equipment and any services such as CBRNE boats, box boats and all other CBRNE prevention and response watercraft.

18. CBRNE Aviation Equipment

Aviation equipment and any services such as helicopters and associated maintenance, UAV, UAW and accessories, drones, aviation mapping, software and all other CBRNE aviation equipment.

19. CBRNE Logistical Support Equipment

Logistical support equipment and any services such as control and command vehicles, NIMS accessories, traffic control items and all other CBRNE logistical support equipment.

20. Intervention Equipment

- Ballistic protection
- Situational awareness equipment
- All other intervention equipment

DocuSign Envelope ID: 238DB5D7-ED7A-444E-A953-18A6F64A2B4F

21. Related Products and Services

Any related emergency and public preparedness equipment, supplies, and services offered by supplier.

22. All Other Non-Listed Emergency and Public Preparedness, Law Enforcement, and Fire Equipment available through Supplier

Equipment, supplies, materials, and services supplier offers but does not appear specifically in the above categories.

CERTIFICATE OF LIABILITY INSURANCE

DATE (MM/DD/YYYY): 12/22/2023

THIS CERTIFICATE IS ISSUED AS A MATTER OF INFORMATION ONLY AND CONFERS NO RIGHTS UPON THE CERTIFICATE HOLDER. THIS CERTIFICATE DOES NOT AFFIRMATIVELY OR NEGATIVELY AMEND, EXTEND OR ALTER THE COVERAGE AFFORDED BY THE POLICIES BELOW. THIS CERTIFICATE OF INSURANCE DOES NOT CONSTITUTE A CONTRACT BETWEEN THE ISSUING INSURER(S), AUTHORIZED REPRESENTATIVE OR PRODUCER, AND THE CERTIFICATE HOLDER.

IMPORTANT: If the certificate holder is an ADDITIONAL INSURED, the policy(ies) must have ADDITIONAL INSURED provisions or be endorsed. If SUBROGATION IS WAIVED, subject to the terms and conditions of the policy, certain policies may require an endorsement. A statement on this certificate does not confer rights to the certificate holder in lieu of such endorsement(s).

RE: Contract #159469

The City of Santa Fe, New Mexico, their officials, officers employees and agents are listed as additional insured on the General Liability policy when required by written contract per the attached forms. 30 days notice of cancellation applies.

CERTIFICATE HOLDER

City of Santa Fe, New Mexico
200 Lincoln Ave
Santa Fe NM 87501

CANCELLATION

SHOULD ANY OF THE ABOVE DESCRIBED POLICIES BE CANCELLED BEFORE THE EXPIRATION DATE THEREOF, NOTICE WILL BE DELIVERED IN ACCORDANCE WITH THE POLICY PROVISIONS.

AUTHORIZED REPRESENTATIVE

© 1988-2015 ACORD CORPORATION. All rights reserved.

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

ADDITIONAL INSURED – DESIGNATED PERSON OR ORGANIZATION

This endorsement modifies insurance provided under the following:

COMMERCIAL GENERAL LIABILITY COVERAGE PART

SCHEDULE

Name Of Additional Insured Person(s) Or Organization(s): **Any Person or Organization where required by written contract signed prior to the date of loss.**
Information required to complete this Schedule, if not shown above, will be shown in the Declarations.

A. **Section II – Who Is An Insured** is amended to include as an additional insured the person(s) or organization(s) shown in the Schedule, but only with respect to liability for "bodily injury", "property damage" or "personal and advertising injury" caused, in whole or in part, by your acts or omissions or the acts or omissions of those acting on your behalf:

1. In the performance of your ongoing operations; or
2. In connection with your premises owned by or rented to you.

However:

1. The insurance afforded to such additional insured only applies to the extent permitted by law; and
2. If coverage provided to the additional insured is required by a contract or agreement, the insurance afforded to such additional insured will not be broader than that which you are required by the contract or agreement to provide for such additional insured.

B. With respect to the insurance afforded to these additional insureds, the following is added to **Section III – Limits Of Insurance:**

If coverage provided to the additional insured is required by a contract or agreement, the most we will pay on behalf of the additional insured is the amount of insurance:

1. Required by the contract or agreement; or
2. Available under the applicable limits of insurance;

whichever is less.

This endorsement shall not increase the applicable limits of insurance.

General Endorsement

General Policy Information

Named Insured: Safeware, Inc

Policy Symbol: PMD | Policy Number: G71540856 005

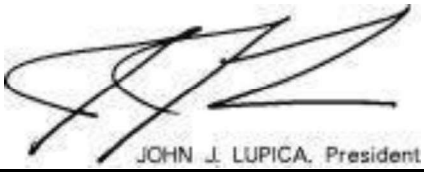
Endorsement Number: 001 | Effective date of Endorsement: 07/31/2023

Policy Period: 07/01/2023 to 07/01/2024

Issued by: ACE American Insurance Company

This Endorsement changes the policy – Please read it carefully

This endorsement modifies insurance provided under the following:



Commercial General Liability COVERAGE FORM

Endorsement Information

In consideration of no change in premium, the following endorsement has been added per the attached:

Additional Insured – Owners, Lessees or Contractors – Completed Operations
CG 20 37 12 19

All other terms and conditions of this policy remain unchanged.

Authorized Agent

CHUBB®

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

ADDITIONAL INSURED – OWNERS, LESSEES OR CONTRACTORS – COMPLETED OPERATIONS

This endorsement modifies insurance provided under the following:

COMMERCIAL GENERAL LIABILITY COVERAGE PART
PRODUCTS/COMPLETED OPERATIONS LIABILITY COVERAGE PART

SCHEDULE

Name Of Additional Insured Person(s) Or Organization(s)	Location And Description Of Completed Operations
Any Person or Organization where required by written contract signed prior to the date of loss.	
Information required to complete this Schedule, if not shown above, will be shown in the Declarations.	

A. **Section II – Who Is An Insured** is amended to include as an additional insured the person(s) or organization(s) shown in the Schedule, but only with respect to liability for "bodily injury" or "property damage" caused, in whole or in part, by "your work" at the location designated and described in the Schedule of this endorsement performed for that additional insured and included in the "products-completed operations hazard".

However:

1. The insurance afforded to such additional insured only applies to the extent permitted by law; and

2. If coverage provided to the additional insured is required by a contract or agreement, the insurance afforded to such additional insured will not be broader than that which you are required by the contract or agreement to provide for such additional insured.

B. With respect to the insurance afforded to these additional insureds, the following is added to **Section III – Limits Of Insurance:**

If coverage provided to the additional insured is required by a contract or agreement, the most we will pay on behalf of the additional insured is the amount of insurance:

1. Required by the contract or agreement; or

2. Available under the applicable limits of insurance;

whichever is less.

This endorsement shall not increase the applicable limits of insurance.

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

ADDITIONAL INSURED – OWNERS, LESSEES OR CONTRACTORS – COMPLETED OPERATIONS

This endorsement modifies insurance provided under the following:

COMMERCIAL GENERAL LIABILITY COVERAGE PART
PRODUCTS/COMPLETED OPERATIONS LIABILITY COVERAGE PART

SCHEDULE

Name Of Additional Insured Person(s) Or Organization(s)	Location And Description Of Completed Operations
As required by written contract signed by both parties prior to loss	
Information required to complete this Schedule, if not shown above, will be shown in the Declarations.	

A. **Section II – Who Is An Insured** is amended to include as an additional insured the person(s) or organization(s) shown in the Schedule, but only with respect to liability for "bodily injury" or "property damage" caused, in whole or in part, by "your work" at the location designated and described in the Schedule of this endorsement performed for that additional insured and included in the "products-completed operations hazard".

However:

1. The insurance afforded to such additional insured only applies to the extent permitted by law; and
2. If coverage provided to the additional insured is required by a contract or agreement, the insurance afforded to such additional insured will not be broader than that which you are required by the contract or agreement to provide for such additional insured.

B. With respect to the insurance afforded to these additional insureds, the following is added to **Section III – Limits Of Insurance:**

If coverage provided to the additional insured is required by a contract or agreement, the most we will pay on behalf of the additional insured is the amount of insurance:

1. Required by the contract or agreement; or
2. Available under the applicable Limits of Insurance shown in the Declarations;

whichever is less.

This endorsement shall not increase the applicable Limits of Insurance shown in the Declarations.

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

ADDITIONAL INSURED – OWNERS, LESSEES OR CONTRACTORS – SCHEDULED PERSON OR ORGANIZATION

This endorsement modifies insurance provided under the following:

COMMERCIAL GENERAL LIABILITY COVERAGE PART

SCHEDULE

Name Of Additional Insured Person(s) Or Organization(s)	Location(s) Of Covered Operations
As required by written contract signed by both parties prior to loss	
Information required to complete this Schedule, if not shown above, will be shown in the Declarations.	

A. **Section II – Who Is An Insured** is amended to include as an additional insured the person(s) or organization(s) shown in the Schedule, but only with respect to liability for "bodily injury", "property damage" or "personal and advertising injury" caused, in whole or in part, by:

1. Your acts or omissions; or
2. The acts or omissions of those acting on your behalf;

in the performance of your ongoing operations for the additional insured(s) at the location(s) designated above.

However:

1. The insurance afforded to such additional insured only applies to the extent permitted by law; and
2. If coverage provided to the additional insured is required by a contract or agreement, the insurance afforded to such additional insured will not be broader than that which you are required by the contract or agreement to provide for such additional insured.

B. With respect to the insurance afforded to these additional insureds, the following additional exclusions apply:

This insurance does not apply to "bodily injury" or "property damage" occurring after:

1. All work, including materials, parts or equipment furnished in connection with such work, on the project (other than service, maintenance or repairs) to be performed by or on behalf of the additional insured(s) at the location of the covered operations has been completed; or
2. That portion of "your work" out of which the injury or damage arises has been put to its intended use by any person or organization other than another contractor or subcontractor engaged in performing operations for a principal as a part of the same project.

CITY OF SANTA FE

Memorandum

Date: October 23, 2025

To: Governing Body, Public Works and Utilities Committee, Quality of Life Committee, Finance Committee

From: Sam Burnett, Interim Public Works Department Director
Marci Eannario, Legislation and Policy Innovation Manager
Christine Spiers, Legislative Assistant

Via: Erin K. McSherry, City Attorney EM
Mark Scott, City Manager

RE: 2026 Legislative Priorities

EXECUTIVE SUMMARY:

The proposed resolution establishes the City of Santa Fe's ("City's") priorities for the 2026 Legislative Session. The resolution includes citywide capital outlay requests, district capital outlay requests, and policy priorities for the Governing Body.

The capital outlay requests this year are those adopted as the top five requests in the City's ICIP list. Specifically, they include the following items: 1) permanent and transitional housing to end veteran, youth, and chronic homelessness, 2) replacement of the Paseo Real Wastewater Reclamation Facility, 3) the Police Training Facility Project, 4) the Santa Fe Regional Airport Terminal Expansion Phase II, 5) the Midtown Redevelopment Infrastructure Improvements.

This resolution also includes district-specific capital outlay requests as follows: funding for the Arroya Torreon Stabilization project in District 1, funding for the Ragle Park Baseball Field Upgrades in District 2, funding for the Santa Fe Beautification projects construction in District 3, funding for the Herb Martinez Park Improvements in District 4.

The policy priorities include, but are not limited to, the expansion of affordable housing availability, expansion of services for homeless families and individuals; support for the City and Santa Fe County partnership, "CONNECT"; support for economic mobility efforts related to community and economic development; support for violence intervention programs; support for addressing fentanyl as a community health crisis through meaningful partnerships between State, County and City agencies; support for water conservation, recycling, and other environmental

priorities; elimination of the three percent property tax increase on non-owner-occupied residences; and a statewide business licensing system.

BACKGROUND:

Every year the Governing Body adopts capital outlay and policy priorities for the Legislature's consideration during the next legislative session. The City has successfully lobbied for numerous capita outlay projects and policy issues in the past. Some items included in the resolution have been policy priorities for multiple years.

CITY OF SANTA FE, NEW MEXICO

RESOLUTION NO. 2025-__

INTRODUCED BY:

Mayor Alan Webber

A RESOLUTION

ESTABLISHING THE CITY OF SANTA FE'S PRIORITIES FOR CONSIDERATION BY THE NEW MEXICO STATE LEGISLATURE DURING THE 57TH LEGISLATURE – STATE OF NEW MEXICO – SECOND SESSION, 2026.

WHEREAS, the 30-day Legislative Session ("Legislative Session") of the 2026 New Mexico State Legislature ("Legislature") begins on January 20, 2026, and ends on February 19, 2026; and

WHEREAS, the Governing Body desires to establish City of Santa Fe ("City") legislative priorities to be considered by the City's legislative delegation and the Legislature; and

WHEREAS, the Governing Body's legislative priorities include City-wide capital outlay priorities, statutory priorities, general fund priorities, City Council District capital outlay priorities, and other legislative priorities beneficial to the City to be pursued during the Legislative Session.

NOW, THEREFORE, BE IT RESOLVED BY THE GOVERNING BODY OF THE CITY OF SANTA FE that the Governing Body hereby adopts priorities for the Legislative Session, consistent with Resolution No. 2025-44 (adopting the City's Infrastructure Capital Improvements Plan ("ICIP") for 2027-2031) and as specified below. The specific amount requested from the legislature

for each project is either all or part of the City's Fiscal Year 2027 budget as represented in the ICIP for each project.

1. From any statewide capital outlay initiative associated with homelessness and housing, the City requests funding in the amount of **$10,000,000** for permanent and transitional housing to end veteran, youth, and chronic homelessness;

2. From any statewide capital outlay initiative associated with water and wastewater, the City requests funding in the amount of **$5,000,000** for the replacement Paseo Real Wastewater Reclamation Facility;

3. From any statewide capital outlay initiative associated with public safety, the City requests funding in the amount of **$750,000** for the Police Training Facility project.

4. From any statewide capital outlay initiative associated with airports, regional transportation and economic development, the City requests funding in the amount of **$5,000,000** for the Santa Fe Regional Airport Terminal Expansion Phase II.

5. From any statewide capital outlay initiative associated with economic development, affordable housing, and urban redevelopment, the City requests funding in the amount of **$10,000,000** for the Midtown Redevelopment Infrastructure Improvements.

BE IT FURTHER RESOLVED that, as is consistent with Resolution No. 2022-12 (establishing next steps for the Midtown Property), the Governing Body requests the Legislature enact a Joint Resolution ratifying and approving the transfer of one or more tracts of City-owned real property to the State of New Mexico Department of Public Safety in trade and exchange for the transfer of multiple tracts of State-owned real property to the City of Santa Fe, New Mexico for the Midtown Redevelopment Project, including the property known as "Tract O", instrument #2052655.

BE IT FURTHER RESOLVED that the Governing Body supports legislation that funds the New Mexico Department of Transportation for capital projects within Santa Fe, especially for the following:

1. Cerrillos Road Phase III reconstruction project, which is shovel-ready and will improve a gateway to downtown Santa Fe for end-of-life replacement of signals on US 285;
2. St. Francis Drive within Santa Fe's city limits, with emphasis on the West Alameda Street and St. Francis intersection.

BE IT FURTHER RESOLVED that the Governing Body supports legislation that enhances the Downtown Improvement District of Santa Fe including such items as revised streetscapes, improved signage, placemaking, Americans with Disabilities Act considerations, and litter collection.

BE IT FURTHER RESOLVED that the Governing Body renews its request that the Legislature support legislation that promotes water reuse and water planning and other legislation designed to improve overall sustainability at the state and local level.

BE IT FURTHER RESOLVED that the Governing Body re-affirms its support for and endorsement of legislation that would support municipal recycling programs and other programs that support recycling market development.

BE IT FURTHER RESOLVED that the Governing Body hereby establishes the following City Council District capital outlay legislative funding priorities for improvements of citywide infrastructure for consideration by the Legislature during the Legislative Session:

1. For a capital outlay initiative located within **City Council District 1**, **$1,000,000** for Arroyo Torreon Stabilization project to address erosion of [soil on properties with?] affordable housing.
2. For a capital outlay initiative located within **City Council District 2**, **$1,000,000** for the Ragle Park Baseball Field Upgrades.
3. For a capital outlay initiative located within **City Council District 3**, **$1,000,000** for Santa Fe Median Beautification Project construction.
4. For a capital outlay initiative located within **City Council District 4**, **$875,000** for Herb Martinez Park Improvements for safety, accessibility, and sustainability.

BE IT FURTHER RESOLVED that, consistent with Resolution No. 2023-32, the Governing

Body hereby establishes the following capital outlay legislative funding priority for any initiative associated with public safety: **$1,150,000** to plan, design, and construct much needed renovations of the Municipal Court building including adding security measures.

BE IT FURTHER RESOLVED that the Governing Body supports legislation to restrict deadly weapons in public buildings unless a local government opts out of the restriction and place a constitutional referendum on the ballot to permit municipalities and counties to restrict firearms to the extent constitutionally permissible, while continuing to disallow municipalities and counties from regulating firearms in a manner that is less restrictive than the State.

BE IT FURTHER RESOLVED that the Governing Body supports and endorses the following firearms legislation:

1. Creating a New Mexico Office of Gun Violence Prevention;
2. Funding for regional and/or local collaboration to address youth gun violence;
3. Raising the age of purchase for certain rifles;
4. Banning assault-style weapons;
5. Creating mandatory minimum sentencing for illegal firearms trafficking; and
6. Enhancing the penalty for the illegal possession of a firearm during any crime, including during the illegal sale of drugs.

BE IT FURTHER RESOLVED that the Governing Body supports continued funding for the Violence Intervention Program fund, including money for operational capacity.

BE IT FURTHER RESOLVED that the Governing Body supports and endorses funding for interventions and responses to domestic violence, sexual assault, and human trafficking, including the expansion of a coordinated, comprehensive approach that benefits both the survivor and the perpetrator.

BE IT FURTHER RESOLVED that the Governing Body re-affirms its support for and endorsement of the establishment of the Santa Fe County Detox Center that would serve the residents of Santa Fe and northern New Mexico.

BE IT FURTHER RESOLVED that the Governing Body supports and endorses funding mental health and behavioral health programs focused on addressing the needs of residents and individuals struggling with mental illness and/or substance abuse or addiction, including the expansion or augmentation of treatment opportunities and facilities to support that treatment.

BE IT FURTHER RESOLVED that the Governing Body supports and endorses appropriations for mental health and behavioral health programs, including the development of the Santa Fe County's Youth Behavioral Health Center and the La Salla Center, focused on addressing the needs of residents and individuals struggling with mental illness and/or substance abuse or addiction, including the expansion or augmentation of treatment opportunities and facilities to support that treatment.

BE IT FURTHER RESOLVED that the Governing Body endorses legislation that supports meaningful partnerships between State, county, and municipal governmental agencies to address fentanyl as a health crisis by removing barriers to services for those struggling with addiction, supporting the coordination of response efforts, and funding such initiatives.

BE IT FURTHER RESOLVED that the Governing Body renews its requests that the Legislature appropriate money from the general fund to support the City's "Alternative Response Unit", which allows law enforcement officers to work with the Santa Fe Fire Department and with case managers under the supervision of a licensed clinical social worker to redirect persons who are experiencing non-violent mental health episodes, public intoxication, and/or who may be suspected of involvement in non-violent, low-level crimes, to alternative, community-based services in lieu of prosecution or jail.

BE IT FURTHER RESOLVED that, as is consistent with Resolution No. 2022-47 (supporting state and federal legislation protecting the right to a safe abortion), the Governing Body endorses legislation that supports reproductive rights and that would codify the right to safe abortion into law.

BE IT FURTHER RESOLVED that, as is consistent with initiatives such as what is contained in Resolution No. 2024-29, the Governing Body supports the rights of the LGBTQIA+ population such that every individual, regardless of the individual's reproductive choices, sexual orientation, or gender identity, can live, work, and pursue their dreams free from discrimination and prejudice and supports legislation that preserves and protects the rights of the LGBTQIA+ community.

BE IT FURTHER RESOLVED that the Governing Body supports and endorses legislation and allocation of funding designed to interrupt intergenerational cycles of poverty, such as appropriations for operations of a state-wide pilot program that provides a monthly, guaranteed income.

BE IT FURTHER RESOLVED that the Governing Body re-affirms its support for and endorsement of legislation that improves broadband infrastructure in Santa Fe and throughout the state, specifically as it relates to associated community and economic development.

BE IT FURTHER RESOLVED that the Governing Body endorses legislation and funding that supports the rights of the disability community, that advances disability access in public spaces, and that allows for individuals to live, work, and pursue their dreams free from discrimination and prejudice.

BE IT FURTHER RESOLVED that, as is consistent MOA No. 2020-0629, the Governing Body supports legislation dedicated to the City and Santa Fe County partnership program, "CONNECT," defined by the City and County as "a network of navigators at clinics, community organizations, and city and county programs," which has successfully connected approximately ten thousand (10,000) Santa Fe County residents with resources such as housing, food, transportation, childcare, and other essential needs.

BE IT FURTHER RESOLVED that the Governing Body re-affirms its support for and endorsement of legislation that supports the development and construction of affordable and workforce housing to decrease and/or subsidize the cost of housing for residents of Santa Fe and New Mexico.

BE IT FURTHER RESOLVED that the Governing Body supports and endorses legislation

and appropriations that::

- Increase housing availability, including transitional housing options tailored to the individual's needs, and expands available social services for homeless families and individuals, including those who are chronically homeless, veterans experiencing homelessness, and young people experiencing homelessness, as well as those living in outdoor unsupervised encampments;
- Expand program staff that supports the goals of housing preservation and homelessness prevention, emergency shelter, building housing units, individual housing vouchers, project-based housing vouchers, supportive services, and system infrastructure; and
- Replenish and seek a recurring funding source to support New Mexico Mortgage Finance Authority's Housing Trust Fund.

BE IT FURTHER RESOLVED that the Governing Body supports and endorses legislation that expands the permitted uses of existing lodgers' tax, or creates an additional lodgers' tax, to defray the cost of providing affordable housing and permanent supportive housing and addressing the needs of low-income people by providing wraparound services such as childcare and/or that leverages federal funding for affordable housing.

BE IT FURTHER RESOLVED that the Governing Body re-affirms its support for and endorsement of legislation that would eliminate the three percent (3%) cap on annual property tax increases on residences that are not owner-occupied as the owner's principal place of residence.

BE IT FURTHER RESOLVED that the Governing Body supports and endorses legislation that increases the likelihood of local governments recruiting, retaining, promoting, and housing first responders and Alternative Response Unit case workers and behavioral health employees in the communities in which they serve to improve public safety and enhance emergency response capacity.

BE IT FURTHER RESOLVED that the Governing Body re-affirms its support for and endorsement of legislation that slows down the timeline for eviction, connects tenants to rental

assistance resources, and improves opportunities for mediation between renters and landlords.

BE IT FURTHER RESOLVED that the Governing Body supports and endorses legislation promoting the facilitation of community efforts to address the cleanup of trash, litter, and weeds which may include methods such as using compost and chipping, with a specific emphasis on elevating the quality of the City's roadways, rights of way, medians, arroyos, open spaces, trails, and parks.

BE IT FURTHER RESOLVED that the Governing Body supports and endorses legislation or appropriations to improve the environment, enhance the quality of the City's public spaces, and achieve its sustainability goals, including, but not limited to, funding for projects and programs that support water conservation, erosion control, tree planting, biodiversity, outdoor recreation, and public art.

BE IT FURTHER RESOLVED that that Governing Body re-affirms its support for and endorsement of legislation that

- Establishes an "extended producer responsibility" program that requires manufacturers and retailers to be responsible for the costs associated with a product throughout its life cycle, from creation to disposal, and/or re-use;
- Advances the environmental sustainability goals of the City, including legislation that facilitates renewable energy generation and interconnection, energy storage, building electrification, public transportation, complete streets, carbon neutrality, net-zero greenhouse gas emissions, community solar, and watershed restoration and forest fire mitigation; and/or
- Expands the Air Quality Control Act, NMSA 1978, § 74-2-2(J), to include an express option for local governments to opt-in to an emissions inspections program.

BE IT FURTHER RESOLVED that the Governing Body supports continued study and analysis of how to improve emergency response, preparation, and management strategies for addressing environmental and radiological emergencies, which could include climate change adaptation strategies

and development of, and improvement to, emergency management infrastructure.

BE IT FURTHER RESOLVED that the Governing Body supports appropriations to New Mexico's Department of Cultural Affairs in support of the expansion of local library programming for local communities.

BE IT FURTHER RESOLVED that the Governing Body endorses legislation that supports childcare as a guaranteed, basic right for families.

BE IT FURTHER RESOLVED that the Governing Body re-affirms its support for and endorsement of legislation that would improve and expand early childhood education, with an emphasis on the following initiatives: infant and toddler care; capital improvements for center-based and in-home care; stipend-based training opportunities for the family, friends, and neighbor network (FFN); and investment in pre-apprentice and apprenticeship programs to develop the early childcare educator pipeline.

BE IT FURTHER RESOLVED that the Governing Body supports investing in pre-apprentice and apprenticeship programs to develop the early childcare educator pipeline and expanding the workforce to run such programs.

BE IT FURTHER RESOLVED that the City continues to support statewide paid sick leave legislation, as described in the City's Resolution No. 2021-11, unanimously passed by the members of the Governing Body in 2021.

BE IT FURTHER RESOLVED that the Governing Body endorses legislation for Paid Family and Medical Leave in support of providing care for new children and/or ill family members.

BE IT FURTHER RESOLVED that the Governing Body supports the appropriation of funds for New Mexico-grown fresh fruits and vegetables for school and senior meals programs and related education programs for schools and farmers.

BE IT FURTHER RESOLVED that the Governing Body urges the legislature to address the underfunding of the Public Employees Retirement Association pension plans.

BE IT FURTHER RESOLVED that the Governing Body renews its requests that the Legislature ensure that hold harmless payments to counties and municipalities are not eliminated or further reduced and returned to their original schedule; ensure that any tax reform continues to hold counties and municipalities harmless in lieu of the enactment of legislation reinstating the gross receipts tax on food and medical; and that protects local governments' annual revenues if the Legislature enacts legislation modifying State gross receipts tax deductions and exemptions.

BE IT FURTHER RESOLVED that the Governing Body supports legislation that creates a major entertainment venue in Santa Fe for sports, concerts, and music festivals, specifically for economic development.

BE IT FURTHER RESOLVED that the Governing Body renews its request that the Legislature adopt legislation that pertains to statewide business licensing to permit business owners to operate in all cities, counties, and municipalities, provided business owners comply with local land use and safety requirements.

BE IT FURTHER RESOLVED that the Governing Body directs the City's lobbyist to undertake the following actions:

- Work with the New Mexico Municipal League in support of Municipal League 2025 Legislative Priority from which the City would benefit from the passage of such initiative;
- Prioritize capital outlay projects included in the City ICIP Priority List;
- Work to advance any legislation introduced during the Legislative Session deemed to be beneficial to the City; and
- Oppose legislation introduced during the Legislative Session deemed to be detrimental to the City.

BE IT FURTHER RESOLVED that while this Resolution represents a majority of the intent of the Governing Body as to 2025 legislative priorities, other timely priorities may be approved by the Governing Body, incorporated into the City's legislative agenda, and forwarded to the City's lobbying

team for action.

BE IT FURTHER RESOLVED that the City Clerk be directed to forward a copy of this Resolution to the City's lobbyist, the City's legislative delegation, and the Governor of New Mexico.

PASSED, APPROVED, and ADOPTED this ____ day of ____, 2026.

Summary:
The proposed resolution establishes the City of Santa Fe's ("City's") legislative priorities for the State of New Mexico's 2026 Legislative Session. The Resolution includes citywide capital outlay requests, district capital outlay requests, and policy priorities.

Departments Affected:
All departments.

Consequences of Not Enacting Legislation:
If this legislation is not adopted, the City will have limited capital outlay and policy priorities identified prior to the 2026 New Mexico Legislative Session.

Conflict, Duplication, Companionship, or Relationship to Other Legislation:
None identified.

Performance and Administrative Implications:
The resolution would direct the City Clerk to send the adopted resolution to the City's lobbyist, the City's legislative delegation, and the Governor of New Mexico.

Fiscal Implications:
None.

---

EXECUTIVE SUMMARY:

The proposed resolution calls for the City Manager to issue a request for proposals for developing and donating two parcels of undeveloped land identified as 1522 & 1650 West Alameda Street ("the Properties") to a Qualified Grantee for the development of at least six homes that meet the definition in SFCC 26-3 as "Low-Priced Dwelling Units" ("LPDU") either as rental or homeownership homes. The Properties neighbor land with homes built by Habitat for Humanity.

BACKGROUND:

According to the Santa Fe Association of Realtors' Q1-2025 quarterly property statistics report, the median single family home sales price in Santa Fe is $570,000, an increase of 7.3% over Q1-2024.

The donation of the Sites must be in conformance with the New Mexico Affordable Housing Act (the "Act") which provides an exemption to the State of New Mexico's Anti-Donation Clause. The Act determines eligible uses for donations of public land, cash, buildings or infrastructure. All beneficiaries of the donated value must be income-qualified as earning no more than 120% of the area median income ("AMI"), determined through a Department of Housing and Urban Development (HUD) approved income certification process. In turn, the pricing of the homes must be affordable to the 100% AMI household.

CITY OF SANTA FE, NEW MEXICO

RESOLUTION NO. 2025-__

INTRODUCED BY:

Mayor Alan Webber

Councilor Signe Lindell

Councilor Alma Castro

A RESOLUTION

AUTHORIZING DONATING PROPERTIES IDENTIFIED AS 1522 AND 1650 WEST ALAMEDA STREET TO A DEVELOPER CERTIFIED AS A "QUALIFYING GRANTEE" UNDER THE NEW MEXICO AFFORDABLE HOUSING ACT TO DEVELOP LOW-PRICED DWELLING UNITS, PURSUANT TO THE CITY OF SANTA FE'S AFFORDABLE HOUSING ORDINANCE.

WHEREAS, it is the policy of the City of Santa Fe ("City") to provide incentives and encourage proposals that support the production, acquisition, and redevelopment of affordably priced homes in mixed-income developments; and

WHEREAS, according to the Santa Fe Association of Realtors' Q1-2025 quarterly property statistics report, the median single family home sales price in Santa Fe is $570,000, an increase of 7.3% over Q1-2024; and

WHEREAS, the Governing Body wishes to donate two parcels of undeveloped land identified as 1522 and 1650 West Alameda Street ("the Properties") as shown in Exhibit A that are sufficient for the development of at least six homes that meet the definition in SFCC 26-3 as "low Priced Dwelling Units" ("LPDU"), either as rental or homeownership homes; and

WHEREAS, the City can donate land to "Qualified Grantees" pursuant to its affordable housing ordinances and in compliance with the New Mexico Affordable Housing Act; and

WHEREAS, the City may donate land or money for the construction, renovation, or purchase of affordable housing pursuant to NM Const. Art. 9, Section 14, NMSA 1978, Section 6-27-1, et seq., and the City's Affordable Housing Trust Fund Ordinance, SFCC 1987, Section 26-3, which requires disbursing donations according to standard city procurement practices, "reviewed according to evaluation criteria contained within the administrative procedures"; and

WHEREAS, the proposed land donation conforms to the City of Santa Fe Five-Year Strategic Housing Plan "Affordable Housing Element", which was adopted in conformance to the Affordable Housing Act by Ordinance No. 2007-23 pursuant to the express statutory authority conferred upon municipalities to enact a housing code in NMSA 1978, Section 3-17-6A(8).

NOW, THEREFORE, BE IT RESOLVED BY THE GOVERNING BODY OF THE CITY OF SANTA FE, that the Properties shall be considered part of the City's Affordable Housing Trust Fund.

BE IT FURTHER RESOLVED THAT the City Manager shall direct staff to work with the Community Development Commission to recommend a Qualified Entity to develop the Properties with at least six affordable units using standard procurement practices.

BE IT FURTHER RESOLVED that the City Manager shall develop a real estate donation agreement and quit claim deeds for Governing Body approval, imposing land-use restrictions that ensure an affordability period of no less than forty-five (45) years and runs concurrently with any requirements imposed by any other subsidy provider, to be executed upon transfer of the Properties.

RE: Route 66 Centennial Celebration Approval for Street Light Pole Banners

---

EXECUTIVE SUMMARY:
This resolution would approve installing seventy-five banners on City of Santa Fe- ("City") owned light poles commemorating the 100th anniversary of Route 66.

BACKGROUND:
Section 14-8.10 of the City's Code allows installing banners on City property under certain circumstances, when erected by the City or a City permittee and if approved by the Governing Body via resolution. Permitted circumstances include banners commemorating dates associated with important civic milestones. Under the City's Code, a resolution approving banner installation must include the dates of display, location, number, design approval process, installation, maintenance, and cost of installation.

The proposed resolution addresses the required elements for placing banners commemorating the Centennial Celebration of Route 66 as follows:

- The dates of display will be March 2, 2026, through November 2, 2026;
- The location is on City-owned light poles located along Cerillos Road, Santa Fe Trial, San Fransico Street, Galisteo Street; and Old Pecos Trail;
- Seventy-five (75) banners total, one banner is allowed per light pole;
- The design of the banners has been approved by the Land Use Director and City Attorney as conforming to all applicable requirements and restrictions; and
- The City is responsible for the installation of the banners, and for replacing banners that become damaged, defaced, or are in any form of disrepair at its expense.
- Tourism Santa Fe anticipates a grant of $43,000 from the New Mexico Tourism Department to help support this project.

CITY OF SANTA FE, NEW MEXICO

RESOLUTION NO. 2025-__

INTRODUCED BY:

Councilor Signe Lindell

Mayor Alan Webber

Councilor Michael Garcia

A RESOLUTION

AUTHORIZING THE INSTALLATION OF SEVENTY-FIVE BANNERS FROM MARCH 2, 2026, THROUGH NOVEMBER 2, 2026, ON CITY OF SANTA FE-OWNED LIGHT POLES, COMMEMORATING THE CENTENNIAL ANNIVERSARY OF ROUTE 66.

WHEREAS, SFCC 1987, Section 14-8.10, allows permittees or the City of Santa Fe ("City") to install banners e if the Governing Body adopts a Resolution, approving the banners; and

WHEREAS, SFCC 1987, Section 14-8.10, defines a "Banner" as "a *temporary sign* no larger than eighteen (18) square feet made of flexible material (cloth, paper, vinyl, or other lightweight, non-rigid material) on which information relating to an event, function, or activity is painted or printed, which projects from, hangs from, or is affixed to a city-owned support structure"; and

WHEREAS, the Resolution banners installation must approve the banners' dates of display, location, number, design , installation, maintenance, and cost; and

WHEREAS, the City's Tourism Department, Tourism Santa Fe, wishes to install banners commemorating the 100th anniversary of U.S. Route 66; and

WHEREAS, the banners are intended to highlight the Route 66 Centennial Celebration and recognize the historic and cultural significance of Route 66 in Santa Fe; and

WHEREAS, Tourism Santa Fe proposes installing the banners on City-owned light poles located along the original Route 66, including Cerrillos Road, Santa Fe Trail, San Francisco Street, Galisteo Street, and Old Pecos Trail.

NOW, THEREFORE, BE IT RESOLVED BY THE GOVERNING BODY OF THE CITY OF SANTA FE approves the following banner design and installation plan:

Dates:	The banners may be displayed from March 2, 2026, through November 2, 2026.
Location:	The banners may be displayed on light poles along Cerrillos Road, Santa Fe Trail, San Francisco Street, Galisteo Street, and Old Pecos Trail.
Number:	Up to Seventy-five (75) total banners may be displayed.
Design Approval Process:	The Land Use Director and City Attorney have approved the design of the banners conforms with all applicable requirements and restrictions. See Exhibit A.
Installation:	Comcast may install the banners associated with this request.
Maintenance:	The City shall immediately replace banners that become damaged, defaced, or are in any form of disrepair shall be replaced immediately. The City may remove any banners it deems in disrepair prior to their scheduled removal date.
Cost Allocation:	Tourism Santa Fe received a grant of $42,333 from the New Mexico Tourism Department to help support this project.

Summary:
This resolution would approve installing seventy-five banners on City of Santa Fe ("City") owned light poles commemorating the 100th anniversary of Route 66. The banners would be hung on light poles located along Cerrillos Road, Santa Fe Trail, San Fransico Street, Galisteo Street, and Old Pecos Trail from March 2, 2026, through November 2, 2026. The request is pursuant to SFCC 1987, Section 14-8.10, which requires the Governing Body to adopt a resolution to permit installing banners on City-owned support structures, such as light poles.

Departments Affected:
Tourism Santa Fe and Public Works Department

Consequences of Not Enacting Legislation:
If this legislation is not adopted, then the City will need to review the execution and installation of the banners commemorating the centennial anniversary of Route 66. Without full funding from NMTD, the City may need to reduce the quantity of banners produced and installed.

Conflict, Duplication, Companionship, or Relationship to Other Legislation:
None.

Performance and Administrative Implications:
The Land Use Director and City Attorney have approved the form of the banners conform to the applicable requirements and restrictions.

Fiscal Implications:
Tourism Santa Fe anticipates a grant of $43,000 from the New Mexico Tourism Department to help support this project. If the New Mexico Tourism Department ("NMTD") does not award the grant, then the City would need to review the execution and installation of the banners commemorating the centennial anniversary of Route 66. Without full funding from NMTD, the City may need to reduce the quantity of

banners produced and installed.

RE: New Mexico Department of Transportation Que Linda Beautification Program Grant Agreement

---

EXECUTIVE SUMMARY:

The Resolution accepts a Grant Agreement, administered by the New Mexico Department of Transportation ("NMDOT") under the Que Linda Beautification Program, to control and remove little from the roads, highways, trails, and open space in Santa Fe. The grant amount is ninety thousand dollars ($90,000). All allocated funds must be spent by June 30, 2026.

BACKGROUND:

The purpose of the Que Linda Beautification Program is to control litter throughout New Mexico, Under the authority delegated to the NMDOT by the "Clean Highway Act", NMSA 1978, Sections 67-15-1 to -4.

The State of New Mexico first awarded this grant to the City last year to initiate the implementation of an ongoing program to reduce litter and beautify Santa Fe. The scope of work funded by this agency grant includes development and implementation of community outreach, partnerships with local nonprofits, and program management by existing staff.

RESOLUTION NO. 2025-__

INTRODUCED BY:

Mayor Alan Webber

Councilor Jamie Cassutt

A RESOLUTION

ACCEPTING A GRANT FROM THE QUE LINDA BEAUTIFICATION PROGRAM ADMINISTERED BY THE NEW MEXICO DEPARTMENT OF TRANSPORTATION; ENTERING INTO A GRANT AGREEMENT FOR A TOTAL AMOUNT OF $90,000.00, TERM ENDING JUNE 30, 2026; IDENTIFYING THE CITY MANAGER OR CITY MANAGER'S DESIGNEE AS THE SIGNATORY FOR THE AGREEMENT.

WHEREAS, the City of Santa Fe ("City") and the New Mexico Department of Transportation ("NMDOT") wish to enter into a grant agreement ("Agreement"), in the total amount of ninety thousand dollars $90,000.00, term ending June 30, 2026, under the "Que Linda Beautification Program" ("Program"), attached and incorporated as Exhibit A, the purpose of which is to control and remove litter from the roads and highways in Santa Fe; and

WHEREAS, costs that exceed the ninety thousand dollars ($90,000) are not covered in the Agreement; and

WHEREAS, the purpose of the Agreement is to partially fund "a permanent and continuous program to control and remove litter from the roads and highways of New Mexico to

the maximum extent possible"; and

WHEREAS, Section 3 of the Agreement states that the City must "adopt a written resolution of Program supports that includes a commitment to funding, ownership, liability, and maintenance".

NOW, THEREFORE, BE IT RESOLVED BY THE GOVERNING BODY OF THE CITY OF SANTA FE that the Agreement, for a total amount of $90,000, and with a term ending June 30, 2026, included as Exhibit A, is hereby approved.

BE IT FURTHER RESOLVED that the City Manger or the City Manager's designee is authorized to sign the agreement.

BE IT FURTHER RESOLVED that all allocated funds must be spent by June 30, 2026, and the City incorporates all agreements, covenants, and understandings between the parties hereto concerning the subject matter hereof, and all such covenants, agreements, and understandings have been merged into the written agreement.

BE IT FURTHER RESOLVED that the City is responsible for the Agreement; assumes the lead role in execution of the Agreement; agrees to the terms, conditions, and certification and reporting requirements of the Agreement; and assumes ownership, liability, and maintenance responsibility for all amenities related to the completion of the work described in the Agreement.

NEW MEXCIO DEPARTMENT OF TRANSPORTATION
QUE LINDA BEAUTIFICATION PROGRAM
GRANT AGREEMENT

This Agreement is between the New Mexico Department of Transportation (Department) and City of Santa Fe (Grantee), collectively referred to as the "Parties." This Agreement is effective as of the date of the last party to sign it on the signature page below.

RECITALS

WHEREAS, the purpose of the Que Linda Beautification Program (Program) is to accomplish litter control throughout New Mexico, under the authority delegated to the Department by the "Clean Highways Act," NMSA 1978, Section 67-15-1 to -4 (Act) to conduct a permanent and continuous program to control and remove litter from the roads and highways of New Mexico to the maximum extent possible;

WHEREAS, the Department was appropriated funding through the General Appropriation Act, Laws 2024, Chapter 64, Section 11, for roadway beautification and litter control, of which a portion is being used for the purposes of carrying out the provisions of the Act; and

WHEREAS, the Act provides that the Department may enter into agreements and provide a Program for the purposes of carrying out the provisions of the Act.

AGREEMENT

Now, therefore, the Parties agree as follows:

1. Program Funding.

a. The Department hereby awards $90,000 to partially fund the Budget (Appendix A) with the purpose of conducting a permanent and continuous program to control and remove litter from the roads, highways and open space of New Mexico to the maximum extent possible.
b. The Grantee is responsible for all costs that exceed Program funding.
c. All allocated funds must be spent by June 30, 2026.
d. All allocated funds are eligible to be reallocated pursuant to Section 19.
e. The Grantee must repay Program funding to the Department if:
    1. The Program is cancelled or partially performed.
    2. A final audit conducted by the Department determines the following:
        i. an overpayment,
        ii. unexpended funds, or
        iii. ineligible expenses.

2. The Department:

a. Shall distribute the funds, identified in Section l(a), in a lump sum to the Grantee after:

1. The Department has received this Agreement fully executed with a Resolution of Sponsorship.

b. May perform Program monitoring that might consist of the following:

1. Conduct a review of the Grantee's performance and administration of the Program funds identified in Section l(a).
2. Conduct a review of subcontracts for administration of the Program funds.

3. The Grantee Shall:

a. Perform and participate in the Program by accomplishing the following:

1. Participating in 3 technical assistance meetings with the Que Linda Director for the development of a local beautification program plan;
2. Creating and adopting a formal local beautification program plan;
3. Hosting a minimum of 3 events in alignment with the 11 strategies of the Que Linda Program (Appendix D); and
4. Completing a minimum of 2 contracts in alignment with the 11 strategies of the Que Linda Program (Appendix D).

b. Procure and award any contract in accordance with applicable procurement law, rules, regulations and ordinances.

c. Adopt a written resolution of Program support that includes a commitment to funding, ownership, liability and maintenance.

d. Comply with any and all state, local and federal regulations including the Americans with Disabilities Act (ADA) and laws regarding noise ordinances, air quality, surface water quality, ground water quality, threatened and endangered species, hazardous materials, historic and cultural properties, and cultural resources.

e. Meet with the Department, as needed, or provide Program status reports within 30 days of request.

f. Acknowledge that the Department reserves the right to unilaterally adjust, modify, or cancel any and all funding identified in Section l(a) in order to ensure the expenditure of all funds.

g. Agree and acknowledge Program funds shall not be used for purposes other than those outlined and specified in Appendix A.

h. Comply with Department mandatory reporting requirements:

1. The Grantee shall submit an annual report on the progress of activities during the funding period.
2. The Grantee must participate in a minimum of 75% (3 out of 4) of the Que Linda statewide cohort meetings.

i. Agree that Program funds must be expended on or before June 30, 2026.

4. Both Parties Agree:

a. The inability to properly complete and administer the Program may result in the Grantee being

denied future Program funding.

b. The Department will not pay for any expenses incurred prior to the Parties signing the Agreement, after termination of the Agreement, or in excess of the amount of the Program funding noted in Section l(a).

5. Term.

This Agreement becomes effective upon signature of the Parties. The effective date is the date when the last party signed the Agreement on the signature page blow. This Agreement tenninates at 11:59:59 p.m. on June 30, 2026, unless terminated earlier as provided under this Agreement.

6. Termination.

The Department may tenninate this Agreement for any reason, by giving the Grantee 30 days written notice. On receipt of written notice from the Department, the Grantee shall suspend all Program activities unless otherwise directed by the Department in writing. The Parties acknowledge that termination will not nullify obligations incurred prior to the date of the written notice requiring termination. Neither Party has any obligations after termination, except as stated in Section l(e) and 15.

7. **Notices.**

For a notice under this Agreement to be valid, it must be in writing; be delivered by hand, registered or certified mail return receipt requested and postage prepaid, fax or e-mail; and be addressed as follows:

To the Department:

Amy Whitfield, Special Director
New Mexico Department of Transportation
P.O. Box 1149
Santa Fe, NM 87504-1149
Phone: 505-309-1066
Email: Amy.Whitfield@dot.nm.gov

To the Grantee:

Mark Scott, City Manager

200 Lincoln Ave
Santa Fe, NM 87501
Phone:
Email:

8. Third Party Beneficiary.

It is not intended by any of the provisions of any part of this Agreement to create in the public or any member of the public a third party beneficiary or to authorize anyone not a party to the Agreement to maintain a suit(s) for wrongful death(s), bodily and/or personal injury(ies) to person(s), damage(s) to property(ies), and/or any other claim(s) whatsoever pursuant to the provisions of this Agreement.

9. New Mexico Tort Claims Act.

As between the Department and Public Entity, neither party shall be responsible for liability incurred as a result of the other party's acts or omissions in connection with this Agreement. Any liability incurred in connection with this Agreement is subject to the immunities and limitations of the New Mexico Tort Claims Act, NMSA 1978, Section 41-4-1 to -27.

10. Scope of Agreement.
This Agreement constitutes the entire understanding between the Parties with respect to the subject matter of the Agreement and supersedes all other Agreements, whether written or oral, between the parties, except that this Agreement does not supersede the Grantee's rights under any other grant Agreement.

11. Terms of this Agreement.
The terms of this Agreement are lawful; performance of all duties and obligations must conform with and not contravene any state, local, or federal statutes, regulations, rules, or ordinances.

12. Legal Compliance.
The Grantee shall comply with all applicable federal, state, and local laws, regulations and Department policies in the performance of this Agreement, including, but not limited to laws governing civil right, equal opportunity compliance, environmental issue, workplace safety, employer-employee relations and all other laws governing operations of the workplace. The Grantee shall include the requirements of this Section 12 in each contract and subcontract at all tiers.

13. Equal Opportunity Compliance.
The Parties agree to abide by all federal and state laws and rules and regulations, and executive orders, pertaining to equal employment opportunity. In accordance with all such laws and rules and regulations, and executive orders, the parties agree to assure that no person in the United States will, on the grounds of race, color, national origin, ancestry, sex, sexual preference, age or handicap, be excluded from employment with, or participation in, any program or activity performed under this Agreement. If the parties are found to not be in compliance with these requirements during the term of this Agreement, the parties agree to take appropriate steps to correct these deficiencies.

14. Appropriations and Authorizations.
The terms of this Agreement are contingent upon sufficient appropriations and authorizations being made by the governing board of the Grantee, and the Legislature of New Mexico for performance of the Agreement. If sufficient appropriations and authorizations are not made by the Grantee and the Legislature, this Agreement will terminate upon written notice being given by one Party to the other. The Department and Grantee are expressly not committed to expenditure of any funds until such time as they are budgeted, encumbered, and approved for expenditure.

15. Accountability of Receipts and Disbursements.
There shall be strict accountability for all receipts and disbursements relating to this Agreement. The Grantee shall maintain all records and documents relating to the Program for a minimum of 5 years after completion. The Grantee shall furnish the Department and State Auditor, upon demand, any and all such records relevant to this Agreement. If an audit finding determines that specific funding was inappropriate or not related to the Program, the Grantee shall reimburse that portion to the Department within thirty (30)

days of written notification. If documentation is insufficient to support an audit by customarily accepted accounting practices, the expense supported by such insufficient documentation must be reimbursed to the Department within thirty (30) days.

16. Severability.
In the event that any portion of this Agreement is determined to be void, unconstitutional or otherwise unenforceable, the remainder of this Agreement will remain in full force and effect.

17. Applicable Law.
The laws of the State of New Mexico shall govern this Agreement, without giving effect to its choice of law provisions. Venue is proper in a New Mexico Court of competent jurisdiction in accordance with NMSA 1978, Section 38-3-l(G).

18. Amendment.
This Agreement may be amended by an instrument in writing executed by the Parties.

19. Reallocation of Funding.
The Grantee may request reallocation of the Program Funds from any Budget (Appendix A) item to other identified Budget items. The Grantee must submit a written request with the proposed Budget detailing the reallocation amount and the identified Budget item(s) and costs of which funds are being reallocated. The Grantee shall be allowed to reallocate pursuant to the written request upon receipt of approval from the Department and executed Amendment by the Parties pursuant to Section 18.

The remainder of this page is intentionally left blank.

Each party is signing this Agreement on the date stated opposite that party's signature. This Agreement is effective as of the date of the last party to sign it on the signature page below.

Appendix A: Project Budget and Scope of Work

Scope of Work. The Grantee shall complete and oversee the following activities.

Activities. The Grantee shall complete and oversee the following Que Linda Grant related activities in support of the Program, as situated in the Public Works Department, Parks and Open Space Division and under the oversight and in coordination with Department consultation. The Grantee is responsible for:

a. Contract organization for Project Management.
b. Partner with local nonprofit to host cleanup events and promote anti-litter messaging;
d. Partner with local nonprofit to organize volunteer cleanup events, and report illegal trash dumping;
e. Facilitate purchasing, shipping and contracted installation of trash cans.
f. Facilitate Volunteer Appreciation Event
g. Facilitate printing of interpretive materials and interpretive panels for trash cans.

Project Budget 1
See email attachment *''Appendix A_Que Linda FY26_Budget Tracking''*.

11 Strategies of Que Linda Statewide Beautification

Student Service Learning:

Leveraging local high school students provide three benefits: 1) creates a very affordable resource to help keep communities clean; 2) provides high school students with opportunities to engage in community service; 3) creates local ambassadors that spread anti-litter messaging.

Local high schools must incorporate service-learning requirements in certain courses. The requirements shall require a certain number of community service hours which can be met through participation in trash pickup and graffiti removal/prevention programs.

Litter Abatement Alternatives to Penalty Fines:

This program would serve as a resource for municipal and county court systems. For various reasons, residents are assessed penalties or court fees associated with a crime. In many instances, individuals cannot afford to pay the cost. As an alternative, the individual could be assigned to a local trash pickup and graffiti removal/prevention program.

Use of Corrections Contractors:

The New Mexico Corrections Department offers litter pickup, general landscaping and graffiti clean-up services. Cost for services range but are highly competitive. LBPs can leverage services for contract maintenance of their property.

County Inmate Litter Abatement Program:

Utilizing incarcerated individuals for trash pickup is a long-standing practice. Oftentimes county-run facilities are discouraged to establish this program because inmates are incarcerated for short periods. Nonetheless, an established program could put short-term inmates to work immediately. The County correctional facility would establish the program that utilizes inmates to perform trash pickup services. This program would provide the service to the LBP.

Elementary Anti-Litter Education Campaign:

The State of NM is rolling out a new anti-litter campaign. It can provide media to local elementary schools that incorporate anti-litter activities into their curriculum. Activities could include coloring contests, recording radio ads, writing letters to newspapers, campus clean up days, recycling programs, etc. This program is integral to building ambassadors among the youth in the community who will have a positive influence within their families.

Business Corridor Adoption Program:

Engaging businesses in an effort to keep cities clean is longstanding. Typically businesses would adopt a corridor and become responsible for its upkeep. In this program, the business would simply provide a financial sponsorship. The sponsorship would go to the LBP who would utilize the resources for contract maintenance.

Reporting Illegal Trash Dumping Hotline:

Illegal dumping is a major issue in several communities. It's typically driven by limited options for legal dumping. When residents dump illegally, or lose trash because of an unsecured load, the trash often includes personal identifiable information. Local law enforcement agencies shall establish a hotline or online portal where this information could be anonymously obtained. Penalties for violators would need to be established in ordinance.

Secure Loads Establishment and Enforcement:

Unsecure loads is a major cause of messy roadways. Local governments must put an ordinance in place that establishes a penalty for driving with an unsecured load. In addition to this penalty, trash collection centers must impose a fee when a resident arrives with an unsecured load.

Establish Free Weekend Events at Collection Centers:

Affordability may be an issue for some residents. If trash authorities were to provide "Free Weekends" once a month, it would encourage residents to dump legally.

Neighbor Rates at Collection Centers:

Some communities and counties do not have adequate access to a collection center, therefore, an established "Neighbor Rate" at the closest facility will encourage residents to dump trash legally.

Community Trash Pick-up Events:

Some residents, for various reasons, are unable to take trash to a collection center on their own. This program would identify weekends, throughout the year, when trash authorities, together with volunteers, would pick up trash and deliver it to a collection center. Residents would need to signup for this service and provide a justification.

Summary:
This Resolution accepts a Grant Agreement, administered by the New Mexico Department of Transportation ("NMDOT"), under the Que Linda Beautification Program ("Program"), to conduct a permanent and continuous program to control and remove litter from the roads and highways in Santa Fe. The grant amount is ninety thousand dollars ($90,000). All allocated funds must be spent by June 30, 2026.

Departments Affected:
Public Works Department.

Consequences of Not Enacting Legislation:
If this legislation is not adopted, the City will not receive the Program Grant from NMDOT in the amount of ninety thousand dollars ($90,000). The City will also not completed the listed scope of work to control litter and enhance beautification.

Conflict, Duplication, Companionship, or Relationship to Other Legislation:
None.

Performance and Administrative Implications:
The Public Works Department and Open Space Park Rangers will implement the work required by the grant. Administration of the grant will be preformed by the Public Works Department and Finance Department.

Fiscal Implications:
The City would receive ninety thousand dollars ($90,000) to conduct the scope of work in the grant. The cost of the scope of work is not expected to exceed the grant amount.

CITY OF SANTA FE

FINANCE

DATE: November 6, 2025

TO: Governing Body, Finance Committee, Public Works and Utilities Committee, and Quality of Life Committee

FROM: Andy Hopkins, Budget Officer AJH
Christina Martinez, Senior Budget Analyst CFM

VIA: Emily K. Oster, Finance Director EKO

ITEM AND ISSUE:

The resolution approves budget amendments for the Buckman Direct Diversion and Santa Fe Solid Waste Management Agency and requests Department of Finance and Administration approval of City of Santa Fe ("City") budget amendments for the fiscal year quarter ending September 30, 2025 (First Quarter).

BACKGROUND AND SUMMARY:

Attached is a resolution listing increases/decreases to the Fiscal Year 2025-2026 (FY2025/26) operating and capital projects budget. These amendments are included in this resolution because they result in a net increase or decrease to the various funds affected, and thus require approval from the New Mexico Department of Finance/Local Government Division (DFA/LGD) as part of the quarterly budget resolution. The schedule of detail supporting these increases/decreases is presented as Exhibit A of the proposed resolution in four sections:

A. Sub-Section A: Amendments to FY 2025/26 Budget That Have Previously Been Approved by the Governing Body: these budget amendments have been previously approved by the Governing Body and reflect amendments that exceed $60,000 and result in a net increase or decrease to any funds (and do not represent re-appropriations of unspent budget amounts from the prior year); per City ordinance, such amendments require Governing Body approval. They are included in this resolution for the purpose of summarizing all quarterly budget amendments on a single resolution to provide to DFA/LGD for its review and approval. Presentation of these amendments in a single resolution in this way is much more efficient than the alternative of presenting a revised resolution to DFA/LGD for each individual budget amendment approved by the Governing Body.

B. Sub-Section B: Amendments to FY 2025/26 Budget Previously Approved by other City Actors pursuant to SFCC 1987, Section 11-4 (A), (B) and (G): these amendments were approved by and executed under the authority of the Finance Director (if the net budgetary change to any fund was under $5,000) or the City Manager (if the net budgetary change was between $5,000 and $60,000), per City ordinance. Also included are purely technical corrections and re-appropriations of unspent prior year budget amounts (including amounts over $60,000), which,

per City ordinance, the Finance Director may approve based on the prior year's Governing Body-approved budget authority.

C. Sub-Section C: Joint Operations (Buckman Direct Diversion & Santa Fe Solid Waste Management Agency) – Board-Approved Amendments to FY 2025/26 Budget: as the title of this section states, these amendments reflect net changes to the Buckman Direct Diversion and Santa Fe Solid Waste Management Agency joint operations budgets, approved and entered under the authority of the governing boards of those entities, contingent upon City approval. Like the amendments outlined above, these budgetary changes are included in this resolution for the purpose of presenting all quarterly net budgetary fund changes to DFA/LGD for its approval as required by New Mexico state statute.

D. Sub-Section D: Summary of All Quarterly Amendments to FY 2025/26 Budget by Fund: this section summarizes the net changes to all City funds detailed in the previous three sections (A-C). As shown at the bottom of this section, these amendments result in a net increase to the City's overall expenditure budget of $212,821,777 and a net increase to the overall revenue budget of $74,320,594. The resulting net expenditure increase of $138,501,183 (over and above additional revenue) is supported by current budgeted revenues and/or available fund balances.

Pursuant to SFCC 1987, Section 11-4 (D), the Budget Office summarizes all amendments resulting in net budgetary fund changes in a Resolution on a quarterly basis for Finance Committee consideration and Governing Body approval of the Resolution and subsequently submits said amendments to DFA/LGD for its approval.

ACTION RECOMMENDED:

Finance staff recommend that the Governing Body approve the resolution. Upon approval, the Resolution will be forwarded to DFA/LGD for its approval as is required by New Mexico state statute.

CITY OF SANTA FE, NEW MEXICO

RESOLUTION NO. 2025-__

INTRODUCED BY:

Mayor Alan Webber

A RESOLUTION

APPROVING BUDGET AMENDMENTS FOR THE BUCKMAN DIRECT DIVERSION BOARD AND SANTA FE SOLID WASTE MANAGEMENT AGENCY AND REQUESTING THAT NEW MEXICO DEPARTMENT OF FINANCE AND ADMINISTRATION APPROVE THE CITY OF SANTA FE'S FIRST QUARTER BUDGET AMENDMENTS FOR FISCAL YEAR 2026.

WHEREAS, SFCC 1987, Section 11-4(D), provides that budget adjustments approved by the City of Santa Fe's ("City's") Finance Director, City Manager, and the Governing Body shall be included by fund in a quarterly budget resolution approved by the Governing Body; and

WHEREAS, NMSA 1978, Section 6-6-2, provides that the Local Government Division of the New Mexico Department of Finance and Administration has the power and duty to authorize local public bodies to transfer funds from one budget item to another when the Secretary of the Department approves and a need exists meriting the transfer and the transfer is not prohibited by law; and

WHEREAS, Articles 3 and 4 of the Project Management and Fiscal Services Agreement

for the Buckman Direct Diversion Project requires that the Buckman Direct Diversion Project Board ("the BDD Board") establish and submit a budget to the City, Santa Fe County, and Las Campanas and to condition the BDD Board's approval of the budget on "appropriation by the City and/or [Santa Fe] County in an appropriate budget or budget amendment"; and

WHEREAS, the Joint Powers Agreement for the Santa Fe Solid Waste Management Agency ("the Waste Management Agency") requires that the Waste Management Agency recommend an annual budget, which "shall not be formally adopted or implemented unless and until it is approved by each of the City and [Santa Fe County]"; and

WHEREAS, the BDD Board and the Waste Management Agency have approved First Quarter adjustments for their respective budgets and these adjustments have been incorporated into the City's proposed First Quarter Budget amendments; and

WHEREAS, a First Quarter Review of the Fiscal Year 2026 Budget shows a need to address significant priorities through adoption of net budget amendments that the Governing Body, City Manager or Finance Director, Buckman Direct Diversion Board or the Santa Fe Solid Waste Management Agency's Board have authorized.

NOW, THEREFORE, BE IT RESOLVED BY THE GOVERNING BODY OF THE CITY OF SANTA FE that it approves the budget amendments for the BDD Board and the Waste Management Agency; and

BE IT FURTHER RESOLVED that the Governing Body respectfully requests that the Secretary of the New Mexico Department of Finance and Administration approve the First Quarter Budget Amendments, as detailed on the attached Exhibit A, and that the Local Government Division then authorize the amendments.

PASSED, APPROVED, and ADOPTED this _____day of _____, 2025.

FIR No. 10726

FISCAL IMPACT REPORT

General Information:

(Check) Bill: _____ Resolution: X

Short Title(s): First Quarter Budget Amendments, Fiscal Year 2025/2026

Sponsor(s): Mayor Alan Webber

Reviewing Department(s): Finance Department

Staff Completing FIR: Christina Martinez Date: 11/6/2025 **Phone:** (505) 629-3063

Reviewed by City Attorney: Erin McSherry Erin McSherry (Nov 7, 2025 15:16:55 MST) **Date:** 11/07/2025

Reviewed by Finance Director: Emily K. Oster **Date:** 11/07/2025

Summary:
The purpose of the Resolution is to approve Buckman Direct Diversion and Santa Fe Solid Waste Management Agency budget adjustments and request the Department of Finance Authority to approve First Quarter FY 2026 budget amendments in the form of increases and decreases to various funds, which include adjustments for department priorities, grant adjustments, prior year encumbrances, and increases supported by available revenue.

Departments Affected:
Various.

Consequences of Not Enacting Legislation:
If this legislation is not adopted, the City's budget will not sufficiently reflect the City's actual revenues and expenditures and adjustments would not be submitted to the New Mexico Department of Finance Administration's approval, as is required by New Mexico State law, NMSA 1978, Section 6-6-2(H).

Conflict, Duplication, Companionship, or Relationship to Other Legislation:
None.

Performance and Administrative Implications:
None. Staff have already performed the necessary actions to comport with the purpose of the proposed budget amendments.

Fiscal Implications:
See Resolution, Exhibit A –City of Santa Fe 1st Quarter FY 2025-26 Budget Amendments.

The Purchasing Memo

Date: November 21, 2025

To: Governing Body, Finance Committee, and Public Works & Utilities Committee

From: Erin Gomez, Contract Administrator

Via: Eric Candelaria, ITT Department Director/ Larry Worstell, ISD Manager

Subject: Insight Public Sector Reseller of Microsoft Office 365 Amendment No.4

Vendor Name: Insight Public Sector

Munis Vendor Number: 4367

ITEM AND ISSUE:

Request for Approval of Amendment No. 4 to Memorandum of Understanding Item #18-1309 with the Insight Public Sector to Increase the Compensation by $4,090,461.67 for a New Total Amount of $8,018,466.37 and to Extend the Termination Date to November 26th, 2028. (Larry Worstell, ISD Manager, lfworstell@santafenm.gov)

CONTRACT NUMBER:

The FY19 Munis contract number is 3202628.

BACKGROUND AND SUMMARY:

Insight Public Sector has agreed to provide the City Microsoft 365 Products and Services as detailed in Microsoft Renewal Quote 0925-City of Santa Fe V2-MSEA-DSG. The amendment is allowing extension up to a maximum of three years.

This amendment proposes two key modifications to the existing agreement:

1. Term Extension: A three-year extension to the current service period
2. Compensation Adjustment: An increase of $4,090,461.67.

CITY OF SANTA FE
AMENDMENT No. 4 TO
INSIGHT PUBLIC SECTOR RESELLER OF MICROSOFT OFFICE 365 AGREEMENT
ITEM # 18-1309

This AMENDMENT No. 4 (the "Amendment") amends the CITY OF SANTA FE CONTRACT, dated November 14, 2018 (the "Contract"), between the City of Santa Fe (the "City") and Insight Public Sector, Inc., reseller of Microsoft 365 (the "Contractor"). The date of this Amendment shall be the date when it is executed by the City and the Contractor whichever occurs last.

RECITALS:

A. Under the terms of the Contract, Contractor has agreed to provide the City Microsoft 0365 Products and Services as detailed in Microsoft Renewal Quote 0925-City of Santa Fe-V2-MSEA-DSG.

B. Pursuant to Article 14, Section E of the Contract, and for good and valuable consideration, the receipt and sufficiency of which are acknowledged by the parties, the City and the Contractor agree as follows:

2. COMPENSATION

Article 3, Section A of the Contract is amended to increase the amount of compensation by a total of four million, ninety thousand, four hundred sixty-one dollars and sixty-seven cents ($4,090,461.67), including gross receipts tax so that the total compensation for the contract in its entirety as follows:

The total compensation including NMGRT is not to exceed eight million, eighteen thousand, four hundred sixty-six dollars and thirty-seven cents ($8,018,466.37).

3. TERM:

The term of this Contract is hereby extended to November 26, 2028, unless earlier terminated as provided herein.

4. CONTRACT IN FULL FORCE.

Except as specifically provided in this Amendment, the Contract remains and shall remain in full force and effect, in accordance with its terms.

IN WITNESS WHEREOF, the parties have executed this Amendment No. 4 to the Contract as of the dates set forth below.

CITY OF SANTA FE
AMENDMENT No. 3 TO
Insight Public Sector Reseller of Microsoft Office 365 Agreement
ITEM# 18-1309

This AMENDMENT No. 3 (the "Amendment") amends the CITY OF SANTA FE **Insight Public Sector** CONTRACT, dated November 14, 2018 (the "Agreement"), between the City of Santa Fe (the "City") and Insight Public Sector, Inc. (the "Contractor"). The date of this Amendment shall be the date when it is executed by the City and the Contractor whichever occurs last.

RECITALS:

A. Under the terms of the Contract, Contractor has agreed to provide the City Microsoft 0365 Products and Services as detailed in Exhibit D of Microsoft Renewal Quote 1024-City of Santa Fe-V2-MSEA-DSG.

B. Pursuant to Article 14(e) of the Contract, and for good and valuable consideration, the receipt and sufficiency of which are acknowledged by the parties, the City and the Contractor agree as follows:

1. SCOPE OF SERVICES

The Products and Services have been deleted in its entirety and replaced with the following:

Insight Public Sector shall provide the Products and services as detailed in attached Exhibit D Quote 1024-City of Santa Fe-V2-MESEA-DSG for two thousand three hundred (2,300) users.

2. COMPENSATION.

The compensation of the Original Microsoft Agreement E5623598, City item #18-1309 is amended to

increase the amount of compensation by a total of one million thirty-two thousand eight hundred eighty five dollars and forty eight cents ($1,032,885.48) including gross receipts tax so that the total compensation for the contract is as follows:

The total compensation including GRT is not to exceed three million nine hundred twenty-eight and four dollars and seventy cents ($ 3,928,004.70).

3. TERM:

Article 6 (a) of the Contract is hereby deleted in its entirety and substituted with the following:

This Contract shall be effective when signed by the City and shall terminate on December 31, 2025.

4. CONTRACT IN FULL FORCE.

Except as specifically provided in this Amendment, the Contract remains and shall remain in full force and effect, in accordance with its terms.

IN WITNESS WHEREOF, the parties have executed this Amendment No. 3 to the Contract as of the dates set forth below.

CITY OF SANTA FE
AMENDMENT No. 1 TO
En Pointe Technologies, a PCM Co. AGREEMENT
ITEM#18-1309
Munis Contract # 3200410

This AMENDMENT No. 1 (the "Amendment") amends the Agreement with En Pointe Techologies, a PCM Co., dated November 14, 2018 (the "Agreement"), between the City of Santa Fe (the "City") and Insight Public Sector, Inc. formerly known as En Pointe Technologies, LLC, a PCM Co. (the "Contractor"). The date of this Amendment shall be the date when it is executed by the City and the Contractor whichever occurs last.

RECITALS:

A. Under the terms of the Agreement, Contractor has agreed to provide Licenses of Products of original agreement between the City of Santa Fe and En Pointe, a PCM Co.

B. Pursuant to 14 (e) and for good and valuable consideration, the receipt and sufficiency of which are acknowledged by the parties, the City and the Contractor agree as follows:

1. NAME CHANGE

The Contractor, En Pointe, a PCM Co, is now known as Insight Public Sector, Inc. (See Exhibit "A" attached hereto).

2. AGREEMENT IN FULL FORCE,

Except as specifically provided in this Amendment, the Agreement remains and shall remain in full force and effect, in accordance with its terms.

IN WITNESS WHEREOF, the parties have executed this Amendment No. 1 to the Agreement as of the dates set forth below.

Microsoft Volume Licensing

Enterprise Enrollment State and Local

Enterprise Enrollment number *(Microsoft to complete)*	51044310
Previous Enrollment number *(Reseller to complete)*	

Framework ID *(if applicable)*

This Enrollment must be attached to a signature form to be valid.

This Microsoft Enterprise Enrollment is entered into between the entities as identified in the signature form as of the effective date. Enrolled Affiliate represents and warrants it is the same Customer, or an Affiliate of the Customer, that entered into the Enterprise Agreement identified on the program signature form.

This Enrollment consists of: (1) these terms and conditions, (2) the terms of the Enterprise Agreement identified on the signature form, (3) the Product Selection Form, (4) the Product Terms, (5) the Online Services Terms, (6) any Supplemental Contact Information Form, Previous Agreement/Enrollment form, and other forms that may be required, and (7) any order submitted under this Enrollment. This Enrollment may only be entered into under a 2011 or later Enterprise Agreement. By entering into this Enrollment, Enrolled Affiliate agrees to be bound by the terms and conditions of the Enterprise Agreement.

All terms used but not defined are located at http://www.microsoft.com/licensing/contracts. In the event of any conflict the terms of this Agreement control.

Effective date. If Enrolled Affiliate is renewing Software Assurance or Subscription Licenses from one or more previous Enrollments or agreements, then the effective date will be the day after the first prior Enrollment or agreement expires or terminates. If this Enrollment is renewed, the effective date of the renewal term will be the day after the Expiration Date of the initial term. Otherwise, the effective date will be the date this Enrollment is accepted by Microsoft. Any reference to "anniversary date" refers to the anniversary of the effective date of the applicable initial or renewal term for each year this Enrollment is in effect.

Term. The initial term of this Enrollment will expire on the last day of the month, 36 full calendar months from the effective date of the initial term. The renewal term will expire 36 full calendar months after the effective date of the renewal term.

Terms and Conditions

1. Definitions.

Terms used but not defined in this Enrollment will have the definition in the Enterprise Agreement. The following definitions are used in this Enrollment:

"Additional Product" means any Product identified as such in the Product Terms and chosen by Enrolled Affiliate under this Enrollment.

"Community" means the community consisting of one or more of the following: (1) a Government, (2) an Enrolled Affiliate using eligible Government Community Cloud Services to provide solutions to a Government or a qualified member of the Community, or (3) a Customer with Customer Data that is subject to Government regulations for which Customer determines and Microsoft agrees that the use of Government Community Cloud Services is appropriate to meet Customer's regulatory requirements.

Membership in the Community is ultimately at Microsoft's discretion, which may vary by Government Community Cloud Service.

"Enterprise Online Service" means any Online Service designated as an Enterprise Online Service in the Product Terms and chosen by Enrolled Affiliate under this Enrollment. Enterprise Online Services are treated as Online Services, except as noted.

"Enterprise Product" means any Desktop Platform Product that Microsoft designates as an Enterprise Product in the Product Terms and chosen by Enrolled Affiliate under this Enrollment. Enterprise Products must be licensed for all Qualified Devices and Qualified Users on an Enterprise-wide basis under this program.

"Expiration Date" means the date upon which the Enrollment expires.

"Federal Agency" means a bureau, office, agency, department or other entity of the United States Government.

"Government" means a Federal Agency, State/Local Entity, or Tribal Entity acting in its governmental capacity.

"Government Community Cloud Services" means Microsoft Online Services that are provisioned in Microsoft's multi-tenant data centers for exclusive use by or for the Community and offered in accordance with the National Institute of Standards and Technology (NIST) Special Publication 800-145. Microsoft Online Services that are Government Community Cloud Services are designated as such in the Use Rights and Product Terms.

"Industry Device" (also known as line of business device) means any device that: (1) is not useable in its deployed configuration as a general purpose personal computing device (such as a personal computer), a multi-function server, or a commercially viable substitute for one of these systems; and (2) only employs an industry or task-specific software program (e.g. a computer-aided design program used by an architect or a point of sale program) ("Industry Program"). The device may include features and functions derived from Microsoft software or third-party software. If the device performs desktop functions (such as email, word processing, spreadsheets, database, network or Internet browsing, or scheduling, or personal finance), then the desktop functions: (1) may only be used for the purpose of supporting the Industry Program functionality; and (2) must be technically integrated with the Industry Program or employ technically enforced policies or architecture to operate only when used with the Industry Program functionality.

"Managed Device" means any device on which any Affiliate in the Enterprise directly or indirectly controls one or more operating system environments. Examples of Managed Devices can be found in the Product Terms.

"Qualified Device" means any device that is used by or for the benefit of Enrolled Affiliate's Enterprise and is: (1) a personal desktop computer, portable computer, workstation, or similar device capable of running Windows Pro locally (in a physical or virtual operating system environment), or (2) a device used to access a virtual desktop infrastructure ("VDI"). Qualified Devices do not include any device that is: (1) designated as a server and not used as a personal computer, (2) an Industry Device, or (3) not a Managed Device. At its option, the Enrolled Affiliate may designate any device excluded above (e.g., Industry Device) that is used by or for the benefit of the Enrolled Affiliate's Enterprise as a Qualified Device for all or a subset of Enterprise Products or Online Services the Enrolled Affiliate has selected.

"Qualified User" means a person (e.g., employee, consultant, contingent staff) who: (1) is a user of a Qualified Device, or (2) accesses any server software requiring an Enterprise Product Client Access License or any Enterprise Online Service. It does not include a person who accesses server software or an Online Service solely under a License identified in the Qualified User exemptions in the Product Terms.

"Reseller" means an entity authorized by Microsoft to resell Licenses under this program and engaged by an Enrolled Affiliate to provide pre- and post-transaction assistance related to this agreement;

"Reserved License" means for an Online Service identified as eligible for true-ups in the Product Terms, the License reserved by Enrolled Affiliate prior to use and for which Microsoft will make the Online Service available for activation.

"State/Local Entity" means (1) any agency of a state or local government in the United States, or (2) any United States county, borough, commonwealth, city, municipality, town, township, special purpose district, or other similar type of governmental instrumentality established by the laws of Customer's state and located within Customer's state's jurisdiction and geographic boundaries.

"Tribal Entity" means a federally-recognized tribal entity performing tribal governmental functions and eligible for funding and services from the U.S. Department of Interior by virtue of its status as an Indian tribe.

"Use Rights" means, with respect to any licensing program, the use rights or terms of service for each Product and version published for that licensing program at the Volume Licensing Site. The Use Rights supersede the terms of any end user license agreement (on-screen or otherwise) that accompanies a Product. The Use Rights for Software are published by Microsoft in the Product Terms. The Use Rights for Online Services are published in the Online Services Terms.

"Volume Licensing Site" means http://www.microsoft.com/licensing/contracts or a successor site.

2. *Order requirements.*

a. **Minimum order requirements.** Enrolled Affiliate's Enterprise must have a minimum of 250 Qualified Users or Qualified Devices. The initial order must include at least 250 Licenses for Enterprise Products or Enterprise Online Services.

(i) **Enterprise commitment.** Enrolled Affiliate must order enough Licenses to cover all Qualified Users or Qualified Devices, depending on the License Type, with one or more Enterprise Products or a mix of Enterprise Products and the corresponding Enterprise Online Services (as long as all Qualified Devices not covered by a License are only used by users covered with a user License).

(ii) **Enterprise Online Services only.** If no Enterprise Product is ordered, then Enrolled Affiliate need only maintain at least 250 Subscription Licenses for Enterprise Online Services.

b. **Additional Products.** Upon satisfying the minimum order requirements above, Enrolled Affiliate may order Additional Products.

c. **Use Rights for Enterprise Products.** For Enterprise Products, if a new Product version has more restrictive use rights than the version that is current at the start of the applicable initial or renewal term of the Enrollment, those more restrictive use rights will not apply to Enrolled Affiliate's use of that Product during that term.

d. **Country of usage.** Enrolled Affiliate must specify the countries where Licenses will be used on its initial order and on any additional orders.

e. **Resellers.** Enrolled Affiliate must choose and maintain a Reseller authorized in the United States. Enrolled Affiliate will acquire its Licenses through its chosen Reseller. Orders must be submitted to the Reseller who will transmit the order to Microsoft. The Reseller and Enrolled Affiliate determine pricing and payment terms as between them, and Microsoft will invoice the Reseller based on those terms. Throughout this Agreement the term "price" refers to reference price. Resellers and other third parties do not have authority to bind or impose any obligation or liability on Microsoft.

f. **Adding Products.**

(i) **Adding new Products not previously ordered**. New Enterprise Products or Enterprise Online Services may be added at any time by contacting a Microsoft Account Manager or Reseller. New Additional Products, other than Online Services, may be used if an order is placed in the month the Product is first used. For Additional Products that are Online Services, an initial order for the Online Service is required prior to use.

(ii) **Adding Licenses for previously ordered Products.** Additional Licenses for previously ordered Products other than Online Services may be added at any time but must be included in the next true-up order. Additional Licenses for Online Services must be ordered prior to use, unless the Online Services are (1) identified as eligible for true-up in the Product Terms or (2) included as part of other Licenses.

g. **True-up requirements.** Enrolled Affiliate must submit an annual true-up order that accounts for any changes since the initial order or last order. If there are no changes, then an update statement must be submitted instead of a true-up order.

(i) **Enterprise Products.** For Enterprise Products, Enrolled Affiliate must determine the number of Qualified Devices and Qualified Users (if ordering user-based Licenses) at the time the true-up order is placed and must order additional Licenses for all Qualified Devices and Qualified Users that are not already covered by existing Licenses, including any Enterprise Online Services.

(ii) **Additional Products.** For Additional Products that have been previously ordered under this Enrollment, Enrolled Affiliate must determine the maximum number of Additional Products used since the latter of the initial order, the last true-up order, or the prior anniversary date and submit a true-up order that accounts for any increase.

(iii) **Online Services.** For Online Services identified as eligible for true-up in the Product Terms, Enrolled Affiliate may place a reservation order for the additional Licenses prior to use and payment may be deferred until the next true-up order. Microsoft will provide a report of Reserved Licenses ordered but not yet invoiced to Enrolled Affiliate and its Reseller. Reserved Licenses will be invoiced retroactively to the month in which they were ordered.

(iv) **Subscription License reductions.** Enrolled Affiliate may reduce the quantity of Subscription Licenses at the Enrollment anniversary date on a prospective basis if permitted in the Product Terms, as follows:

1) For Subscription Licenses that are part of an Enterprise-wide purchase, Licenses may be reduced if the total quantity of Licenses and Software Assurance for an applicable group meets or exceeds the quantity of Qualified Devices and Qualified Users (if ordering user-based Licenses) identified on the Product Selection Form, and includes any additional Qualified Devices and Qualified Users added in any prior true-up orders. Step-up Licenses do not count towards this total count.

2) For Enterprise Online Services that are not a part of an Enterprise-wide purchase, Licenses can be reduced as long as the initial order minimum requirements are maintained.

3) For Additional Products available as Subscription Licenses, Enrolled Affiliate may reduce the Licenses. If the License count is reduced to zero, then Enrolled Affiliate's use of the applicable Subscription License will be cancelled.

Invoices will be adjusted to reflect any reductions in Subscription Licenses at the true-up order Enrollment anniversary date and effective as of such date.

(v) **Update statement.** An update statement must be submitted instead of a true-up order if, since the initial order or last true-up order, Enrolled Affiliate's Enterprise: (1) has not changed the number of Qualified Devices and Qualified Users licensed with Enterprise Products or Enterprise Online Services; and (2) has not increased its usage of Additional Products. This update statement must be signed by Enrolled Affiliate's authorized representative.

(vi) **True-up order period.** The true-up order or update statement must be received by Microsoft between 60 and 30 days prior to each Enrollment anniversary date. The third-year true-up order or update statement is due within 30 days prior to the Expiration Date, and any license reservations within this 30 day period will not be accepted. Enrolled Affiliate

may submit true-up orders more often to account for increases in Product usage, but an annual true-up order or update statement must still be submitted during the annual order period.

(vii) Late true-up order. If the true-up order or update statement is not received when due, Microsoft will invoice Reseller for all Reserved Licenses not previously invoiced and Subscription License reductions cannot be reported until the following Enrollment anniversary date (or at Enrollment renewal, as applicable).

h. Step-up Licenses. For Licenses eligible for a step-up under this Enrollment, Enrolled Affiliate may step-up to a higher edition or suite as follows:

(i) For step-up Licenses included on an initial order, Enrolled Affiliate may order according to the true-up process.

(ii) If step-up Licenses are not included on an initial order, Enrolled Affiliate may step-up initially by following the process described in the Section titled "Adding new Products not previously ordered," then for additional step-up Licenses, by following the true-up order process.

i. Clerical errors. Microsoft may correct clerical errors in this Enrollment, and any documents submitted with or under this Enrollment, by providing notice by email and a reasonable opportunity for Enrolled Affiliate to object to the correction. Clerical errors include minor mistakes, unintentional additions and omissions. This provision does not apply to material terms, such as the identity, quantity or price of a Product ordered.

j. Verifying compliance. Microsoft may, in its discretion and at its expense, verify compliance with this Enrollment as set forth in the Enterprise Agreement.

3. *Pricing.*

a. Price Levels. For both the initial and any renewal term Enrolled Affiliate's Price Level for all Products ordered under this Enrollment will be Level "D" throughout the term of the Enrollment.

b. Setting Prices. Enrolled Affiliate's prices for each Product or Service will be established by its Reseller. Except for Online Services designated in the Product Terms as being exempt from fixed pricing, As long as Enrolled Affiliate continues to qualify for the same price level, Microsoft's prices for Resellers for each Product or Service ordered will be fixed throughout the applicable initial or renewal Enrollment term. Microsoft's prices to Resellers are reestablished at the beginning of the renewal term.

4. *Payment terms.*

For the initial or renewal order, Enrolled Affiliate may pay upfront or elect to spread its payments over the applicable Enrollment term. If an upfront payment is elected, Microsoft will invoice Enrolled Affiliate's Reseller in full upon acceptance of this Enrollment. If spread payments are elected, unless indicated otherwise, Microsoft will invoice Enrolled Affiliate's Reseller in three equal annual installments. The first installment will be invoiced upon Microsoft's acceptance of this Enrollment and remaining installments will be invoiced on each subsequent Enrollment anniversary date. Subsequent orders are invoiced upon acceptance of the order and Enrolled Affiliate may elect to pay annually or upfront for Online Services and upfront for all other Licenses.

5. *End of Enrollment term and termination.*

a. General. At the Expiration Date, Enrolled Affiliate must immediately order and pay for Licenses for Products it has used but has not previously submitted an order, except as otherwise provided in this Enrollment.

b. **Renewal option.** At the Expiration Date of the initial term, Enrolled Affiliate can renew Products by renewing this Enrollment for one additional 36-month term or by signing a new Enrollment. Microsoft must receive a Renewal Form, Product Selection Form, and renewal order prior to or at the Expiration Date. Microsoft will not unreasonably reject any renewal. Microsoft may make changes to this program that will make it necessary for Customer and its Enrolled Affiliates to enter into new agreements and Enrollments at renewal.

c. **If Enrolled Affiliate elects not to renew.**

(i) **Software Assurance.** If Enrolled Affiliate elects not to renew Software Assurance for any Product under its Enrollment, then Enrolled Affiliate will not be permitted to order Software Assurance later without first acquiring a new License with Software Assurance.

(ii) **Online Services eligible for an Extended Term.** For Online Services identified as eligible for an Extended Term in the Product Terms, the following options are available at the end of the Enrollment initial or renewal term.

1) **Extended Term.** Licenses for Online Services will automatically expire in accordance with the terms of the Enrollment. An extended term feature that allows Online Services to continue month-to-month ("Extended Term") for up to one year, unless designated in the Product Terms to continue until cancelled, is available. During the Extended Term, Online Services will be invoiced monthly at the then-current published price as of the Expiration Date plus a 3% administrative fee. If Enrolled Affiliate wants an Extended Term, Enrolled Affiliate must submit a request to Microsoft at least 30 days prior to the Expiration Date.

2) **Cancellation during Extended Term.** At any time during the first year of the Extended Term, Enrolled Affiliate may terminate the Extended Term by submitting a notice of cancellation to Microsoft for each Online Service. Thereafter, either party may terminate the Extended Term by providing the other with a notice of cancellation for each Online Service. Cancellation will be effective at the end of the month following 30 days after Microsoft has received or issued the notice.

(iii) **Subscription Licenses and Online Services not eligible for an Extended Term.** If Enrolled Affiliate elects not to renew, the Licenses will be cancelled and will terminate as of the Expiration Date. Any associated media must be uninstalled and destroyed and Enrolled Affiliate's Enterprise must discontinue use. Microsoft may request written certification to verify compliance.

d. **Termination for cause.** Any termination for cause of this Enrollment will be subject to the "Termination for cause" section of the Agreement. In addition, it shall be a breach of this Enrollment if Enrolled Affiliate or any Affiliate in the Enterprise that uses Government Community Cloud Services fails to meet and maintain the conditions of membership in the definition of Community.

e. **Early termination.** Any early termination of this Enrollment will be subject to the "Early Termination" Section of the Enterprise Agreement.

For Subscription Licenses, in the event of a breach by Microsoft, or if Microsoft terminates an Online Service for regulatory reasons, Microsoft will issue Reseller a credit for any amount paid in advance for the period after termination.

6. *Government Community Cloud.*

a. **Community requirements.** If Enrolled Affiliate purchases Government Community Cloud Services, Enrolled Affiliate certifies that it is a member of the Community and agrees to use Government Community Cloud Services solely in its capacity as a member of the Community and, for eligible Government Community Cloud Services, for the benefit of end users that are members of the Community. Use of Government Community Cloud Services by an entity that is not a member of the Community or to provide services to non-Community members is strictly

prohibited and could result in termination of Enrolled Affiliate's license(s) for Government Community Cloud Services without notice. Enrolled Affiliate acknowledges that only Community members may use Government Community Cloud Services.

b. All terms and conditions applicable to non-Government Community Cloud Services also apply to their corresponding Government Community Cloud Services, except as otherwise noted in the Use Rights, Product Terms, and this Enrollment.

c. Enrolled Affiliate may not deploy or use Government Community Cloud Services and corresponding non-Government Community Cloud Services in the same domain.

d. **Use Rights for Government Community Cloud Services.** For Government Community Cloud Services, notwithstanding anything to the contrary in the Use Rights:

(i) Government Community Cloud Services will be offered only within the United States.

(ii) Additional European Terms, as set forth in the Use Rights, will not apply.

(iii) References to geographic areas in the Use Rights with respect to the location of Customer Data at rest, as set forth in the Use Rights, refer only to the United States.

Enrollment Details

1. *Enrolled Affiliate's Enterprise.*

a. Identify which Agency Affiliates are included in the Enterprise. (Required) Enrolled Affiliate's Enterprise must consist of entire offices, bureaus, agencies, departments or other entities of Enrolled Affiliate, not partial offices, bureaus, agencies, or departments, or other partial entities. Check only one box in this section. If no boxes are checked, Microsoft will deem the Enterprise to include the Enrolled Affiliate only. If more than one box is checked, Microsoft will deem the Enterprise to include the largest number of Affiliates:

☒ Enrolled Affiliate only

☐ Enrolled Affiliate and all Affiliates

☐ Enrolled Affiliate and the following Affiliate(s) (Only identify specific affiliates to be included if fewer than all Affiliates are to be included in the Enterprise):

☐ Enrolled Affiliate and all Affiliates, with following Affiliate(s) excluded:

b. Please indicate whether the Enrolled Affiliate's Enterprise will include all new Affiliates acquired after the start of this Enrollment: Exclude future Affiliates

2. *Contact information.*

Each party will notify the other in writing if any of the information in the following contact information page(s) changes. The asterisks (*) indicate required fields. By providing contact information, Enrolled Affiliate consents to its use for purposes of administering this Enrollment by Microsoft, its Affiliates, and other parties that help administer this Enrollment. The personal information provided in connection with this Enrollment will be used and protected in accordance with the privacy statement available at https://www.microsoft.com/licensing/servicecenter.

a. **Primary contact.** This contact is the primary contact for the Enrollment from within Enrolled Affiliate's Enterprise. This contact is also an Online Administrator for the Volume Licensing Service Center and may grant online access to others. The primary contact will be the default contact for all purposes unless separate contacts are identified for specific purposes

Name of entity (must be legal entity name)* City of Santa Fe
Contact name* **First** Joshua **Last** Elicio
Contact email address* juelicio@ci.santa-fe.nm.us
Street address* 200 Lincoln Avenue
City* Santa Fe
State/Province* NM
Postal code* 87501-0909-
(For U.S. addresses, please provide the zip + 4, e.g. xxxxx-xxxx)
Country* United States
Phone* (505) 955-5576
Tax ID
** indicates required fields*

b. **Notices contact and Online Administrator.** This contact (1) receives the contractual notices, (2) is the Online Administrator for the Volume Licensing Service Center and may grant online access to others, and (3) is authorized to order Reserved Licenses for eligible Online Servies, including adding or reassigning Licenses and stepping-up prior to a true-up order.

☐ Same as primary contact (default if no information is provided below, even if the box is not checked).

Contact name* First Bill **Last** Smith
Contact email address* wfsmith@santafenm.gov
Street address* 200 Lincoln Avenue
City* Santa Fe
State/Province* NM
Postal code* 87501-0909-
(For U.S. addresses, please provide the zip + 4, e.g. xxxxx-xxxx)
Country* United States
Phone* 505-955-6527
Language preference. Choose the language for notices. English
☐ This contact is a third party (not the Enrolled Affiliate). Warning: This contact receives personally identifiable information of the Customer and its Affiliates.
** indicates required fields*

c. **Online Services Manager.** This contact is authorized to manage the Online Services ordered under the Enrollment and (for applicable Online Services) to add or reassign Licenses and step-up prior to a true-up order.

☐ Same as notices contact and Online Administrator (default if no information is provided below, even if box is not checked)

Contact name*: First Bill **Last** Smith
Contact email address* wfsmith@santafenm.gov
Phone* 505-955-6527
☐ This contact is from a third party organization (not the entity). Warning: This contact receives personally identifiable information of the entity.
** indicates required fields*

d. **Reseller information.** Reseller contact for this Enrollment is:

Reseller company name* En Pointe Technologies Sales, LLC
Street address (PO boxes will not be accepted)* 18701 S. Figueroa St
City* Gardena
State/Province* CA
Postal code* 95818
Country* United States
Contact name* Software Admin
Phone* 508-203-3021
Contact email address* microsoftinfo@enpointe.com
** indicates required fields*

By signing below, the Reseller identified above confirms that all information provided in this Enrollment is correct.

Signature* _____

Printed name* Steve DeAngelo
Printed title* operations specialist
Date* 11/2/18

** indicates required fields*

Changing a Reseller. If Microsoft or the Reseller chooses to discontinue doing business with each other, Enrolled Affiliate must choose a replacement Reseller. If Enrolled Affiliate or the Reseller intends to terminate their relationship, the initiating party must notify Microsoft and the

other party using a form provided by Microsoft at least 90 days prior to the date on which the change is to take effect.

e. If Enrolled Affiliate requires a separate contact for any of the following, attach the Supplemental Contact Information form. *Otherwise, the notices contact and Online Administrator remains the default.*

(i) Additional notices contact
(ii) Software Assurance manager
(iii) Subscriptions manager
(iv) Customer Support Manager (CSM) contact

3. Financing elections.

Is a purchase under this Enrollment being financed through MS Financing? ☐ Yes, ☒ No.

If a purchase under this Enrollment is financed through MS Financing, and Enrolled Affiliate chooses not to finance any associated taxes, it must pay these taxes directly to Microsoft.

Microsoft Enterprise Enrollment for O365 reseller is En Pointe a PCM Co.

Title: **Software Value Added Reseller (SVAR)**

This amendment is to be attached to the respective Price Agreement and become a part thereof.

This amendment is issued to reflect the following effective immediately:

- **Update language regarding Oracle Software to the following: "*Orders of Oracle software programs and/or services and Oracle cloud services shall be governed by the terms and conditions of the applicable publisher that are available at https://www.ips.insight.com/nasposvar2022. The Oracle terms and conditions must take precedence for all matters pertaining to Oracle.*"**
- **Add the following language to the Statewide Price Agreement: *Every state agency, unless exempted from the authority of the State Purchasing Agent pursuant to Section 13-1-99 NMSA 1978, that utilizes this Statewide Price Agreement for professional services over $5,000 must process the professional services agreement template and accompanying documents through GSD's Contracts Review Bureau. If procuring goods only, no determination of service is required.***

Except as modified by this amendment, the provisions of the Price Agreement shall remain in full force and effect.

Accepted for the State of New Mexico

Electronic Record and Signature Disclosure

ELECTRONIC RECORD AND SIGNATURE DISCLOSURE

A. ELECTRONIC RECORD AND SIGNATURE DISCLOSURE (ERSD)

From time to time, New Mexico General Services Department (GSD), on behalf of the State of New Mexico (SONM), may be required by law to provide you with certain written notices or disclosures. Stated below are the terms and conditions for GSD's providing you such notices and disclosures electronically through the DocuSign system. Please read this information carefully. If you are able to access this information electronically and agree to **this Electronic Record and Signature Disclosure (ERSD)**, please confirm your agreement by selecting the check-box next to "I agree to use electronic records and signatures" before clicking "CONTINUE" within the DocuSign system.

B. Obtaining paper copies

At any time up to twenty (20) calendar days following your use of DocuSign to electronically sign a document, you may request a paper copy of any record provided or made available electronically to you by GSD. You will have the ability to download and print documents SONM sends you through the DocuSign system during and immediately after the signing session and, if you elect to create a DocuSign account, you may access the documents for a twenty (20) calendar day period after such documents are first sent to you. Following the twenty (20) day period, if you want GSD to send you paper copies of any such documents from GSD's office, you will be charged a $1.00 per-page fee plus postage. You may request delivery of such paper copies from GSD by following the procedure stated in Section H, below.

C. Withdrawing your consent

If you decide to receive notices and disclosures from GSD electronically, you may at any time change your mind and inform GSD you want to receive required notices and disclosures only in paper format. The procedure concerning how you may inform GSD of your decision to receive future notices and disclosures in paper format as well as withdraw your consent to receive notices and disclosures electronically is stated in Section D, immediately below.

D. Consequences of changing your mind

If you elect to receive required notices and disclosures only in paper format, it will slow the speed with which GSD will be able to complete certain steps in specific transactions and deliver paper copies to you. GSD will need: (1) to send the required notices or disclosures to you in paper format; and (2) wait until GSD receives your acknowledgment of your receipt of such paper notices or disclosures. Further, you will no longer be able to use the DocuSign system to receive required notices and consents electronically from SONM or to electronically sign documents generated and sent to you from SONM.

E. All notices and disclosures will be sent to you electronically

Unless you inform GSD otherwise according to these procedures, GSD will electronically provide you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements and other documents that are required to be provided or made available to you during the course of your electronic signature relationship with SONM. To reduce the possibility of inadvertent non-receipt, GSD prefers to provide all required notices and disclosures by the same method and to the same email or physical address that you furnish to GSD. Thus, you may receive the disclosures and notices electronically or in paper form. If you do not agree with this procedure, please inform GSD according to the procedures stated in Section I, below. Please also refer to Section D, immediately above, which states the consequences resulting from your declination of electronic delivery of notices and disclosures.

F. How to contact GSD:

You may inform General Services Department (GSD) of any changes you select regarding State Purchasing Division's (SPD) electronic communications with you, to request paper copies of certain information from SPD, and to withdraw your prior consent to receive notices and disclosures electronically by emailing your request(s) to SPD at: *GSD.SPDinfo@state.nm.us*

G. To advise SPD of your new email address

To inform SPD of a change in the email address to which SPD sends you notices and disclosures electronically, you must send an email to SPD at *GSD.SPDinfo@state.nm.us* and in the body of such request you must include your previous and new email addresses.

H. To request paper copies from SPD

To request delivery of paper copies of electronic notices and disclosures that DocuSign and/or SPD have previously provided to you, you must send an email to SPD at *GSD.SPDinfo@state.nm.us* and in the body of your email request state your email address, full name, mailing address, and telephone number. SPD will charge you a $1.00 per page copy fee plus postage.

I. To withdraw your consent with SPD

To inform SPD that you no longer wish to receive notices and disclosures in electronic format you may:

(1) Decline to sign a document from within a signing session, and on the subsequent page, select the check-box indicating you wish to withdraw your consent, or you may:

(2) Send SPD an email to *GSD.SPDinfo@state.nm.us* and in the body of your request state your email address, full name, mailing address, and telephone number.

J. Required hardware and software

The minimum system requirements for using the DocuSign system may change over time. The current DocuSign system requirements may be found at:
https://support.docusign.com/guides/signer-guide-signing-system-requirements

K. Acknowledging your access and consent to receive and sign documents electronically

To confirm that you are able to electronically access the information contained in this Electronic Record and Signature Disclosure (ERSD), please confirm that you have: (1) read this ERSD, and either: (2) you are able to print on paper or electronically save this ERSD for your future reference and access; or (3) you are able to email this ERSD to an email address where you will be able to print this ERSD on paper and/or save this ERSD for your future reference and access. Further, if you consent to receiving notices and disclosures from DocuSign and/or SPD exclusively in electronic format, then select the check-box next to "I agree to use electronic records and signatures," before you click "CONTINUE" within the DocuSign system.

By selecting the check-box next to "I agree to use electronic records and signatures," you confirm that:

- You have read this Electronic Record and Signature Disclosure (ERSD); and
- You can print this ERSD on paper, or you can save and/ or send this ERSD to a location where you can print this ERSD, for your future reference and access; and
- Until or unless you notify SPD as stated in this ERSD, you consent to exclusively receive through electronic means all notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you by SPD during the course of your electronic signature relationship with SPD.

Master Agreement #:	CTR060025
Contractor:	**Insight Public Sector**
Participating Entity:	**STATE OF NEW MEXICO**
New Mexico Statewide Price Agreement #:	10-00000-20-00054AD

This Participating Addendum is entered into by Contractor and Participating Entity (collectively, the "Parties").

Scope and Participation:

1. Scope:

   ☒ This Participating Addendum includes the entire scope of the products and services (including the General Software Category, Microsoft Software Category, and Oracle Software Category as outlined in Attachment A) available through the Master Agreement referenced above.

   Orders of Oracle software programs and/or services and Oracle cloud services shall be governed by the terms and conditions of the applicable publisher that are available at https://www.ips.insight.com/nasposvar2022

Any scope exclusions specified herein apply only to this Participating Addendum and shall not amend or affect other participating addendums or the Master Agreement itself.

2. Participation: This Participating Addendum covers participation of Participating Entity in the above-referenced Master Agreement between the State of Arizona and Contractor for Software Value Added Reseller (SVAR). This Participating Addendum may be used by all state agencies, institutions of higher education, cities, counties, districts, and other political subdivisions of the state, and nonprofit organizations within the state if authorized herein and by law. Issues of interpretation and eligibility for participation are solely within the authority of the State Chief Procurement Official.

3. Term:

   ☐ This Participating Addendum shall become effective as of the date of the last signature below and shall terminate upon the expiration or termination of the Master Agreement, as amended, unless the Participating Addendum is terminated sooner in accordance with the terms set forth herein.

   ☒ This Participating Addendum shall become effective as of the date of the last signature below and shall terminate on ***April 24, 2027***, unless terminated sooner or otherwise amended in accordance with the terms set forth herein. Notwithstanding the previous, in no event shall the term of the Participating Addendum exceed the term of the Master Agreement, as amended.

4. Primary Contacts: The following (or their named successors) are the primary contact individuals for this Participating Addendum:

Participating Entity Modifications and Additions to the Master Agreement

☐ This Participating Addendum incorporates all terms and conditions of the Master Agreement as applied to the Participating Entity and Contractor.

☒ This Participating Addendum incorporates all terms and conditions of the Master Agreement as applied to the Participating Entity and Contractor, **subject to the following limitations, modifications, and additions:**

Any limitations, modifications, or additions specified herein apply only to the agreement and relationship between Participating Entity and Contractor and shall not amend or affect other participating addendums or the Master Agreement itself.

5. **Taxes:**
The Contractor shall be reimbursed by the Participating State for applicable New Mexico gross receipts taxes, excluding interest or penalties assessed on the Contractor by any authority. **PLEASE NOTE NO PROPERTY TAX WILL BE PAID TO THE CONTRACTOR BY THE PARTICIPATING STATE.** The payment of taxes for any money received under this Agreement shall be the Contractor's sole responsibility and should be reported under the Contractor's Federal and State tax identification number(s).

Contractor and any and all subcontractors shall pay all Federal, state and local taxes applicable to its operation and any persons employed by the Contractor. Contractor shall require all subcontractors to hold the Participating State harmless from any responsibility for taxes, damages and interest, if applicable, contributions required under Federal and/or state and local laws and regulations and any other costs, including transaction privilege taxes, unemployment compensation insurance, Social Security and Worker's Compensation.

6. **Retainage:**

DocuSign Envelope ID: 0AA2DAAE-52DE-4198-9916-CA1B0FF90C97

Reserved

7. **Performance Bond:**
Reserved

8. **Term:**
THIS AGREEMENT SHALL NOT BECOME EFFECTIVE UNTIL APPROVED IN WRITING BY THE NEW MEXICO STATE PURCHASING AGENT, IF REQUIRED. This Agreement shall begin on a date approved by the New Mexico State Purchasing Agent, if the New Mexico State Purchasing Agent has signed this Agreement, and end on ***April 24, 2027***. The Participating State reserves the right to renew the contract on an annual basis by mutual Agreement not to exceed a total of 10 years in accordance with NMSA 1978 §13-1-150. Notwithstanding the previous in no event shall the term of the Participating Addendum exceed the term of the Master Agreement, as amended.

9. **Termination:**

A. Grounds. The Participating State may terminate this Agreement for convenience or cause. The Contractor may only terminate this Agreement based upon the Participating State's uncured, material breach of this Agreement.

B. Notice; Participating State Opportunity to Cure.

1. Except as otherwise provided in sub-paragraph A of this Clause and the Appropriations Clause of this Agreement, the Participating State shall give Contractor written notice of termination at least thirty (30) days prior to the intended date of termination.

2. Contractor shall give Participating State written notice of termination at least thirty (30) days prior to the intended date of termination, which notice shall (i) identify all the Participating State's material breaches of this Agreement upon which the termination is based and (ii) state what the Participating State must do to cure such material breaches. Contractor's notice of termination shall only be effective (i) if the Participating State does not cure all material breaches within the thirty (30) day notice period or (ii) in the case of material breaches that cannot be cured within thirty (30) days, the Participating State does not, within the thirty (30) day notice period, notify the Contractor of its intent to cure and begin with due diligence to cure the material breach.

3. Notwithstanding the foregoing, this Agreement may be terminated immediately upon written notice to the Contractor (i) if the Contractor becomes unable to provide the Goods or perform the Services contracted for, as determined by the Participating State; (ii) if, during the term of this Agreement, the Contractor is suspended or debarred by the New Mexico State Purchasing Agent; or (iii) the Agreement is terminated pursuant to the Appropriations Clause of this Agreement.

C. Liability. Except as otherwise expressly allowed or provided under this Agreement, the Participating State's sole liability upon termination shall be to pay for acceptable work performed prior to the Contractor's receipt or issuance of a notice of termination; provided, however, that a notice of termination shall not nullify or otherwise affect either Party's liability for pre-termination defaults under or breaches of this Agreement. The Contractor shall submit an invoice for such work within thirty (30) days of receiving or sending the notice of termination. *THIS PROVISION IS NOT EXCLUSIVE AND DOES NOT WAIVE THE PARTICIPATING STATE'S OTHER LEGAL RIGHTS AND REMEDIES CAUSED BY THE CONTRACTOR'S DEFAULT/BREACH OF THIS AGREEMENT.*

DocuSign Envelope ID: 0AA2DAAE-52DE-4198-9916-CA1B0FF90C97

10. **Appropriations:**
The terms of this Agreement are contingent upon sufficient appropriations and authorization being made by the Legislature of New Mexico for the performance of this Agreement. If sufficient appropriations and authorization are not made by the Legislature, this Agreement shall terminate immediately upon written notice being given by the Participating State to the Contractor. The Participating State's decision as to whether sufficient appropriations are available shall be accepted by the Contractor and shall be final. If the Participating State proposes an amendment to the Agreement to unilaterally reduce funding, the Contractor shall have the option to terminate the Agreement or to agree to the reduced funding, within thirty (30) days of receipt of the proposed amendment.

11. **Status of Contractor:**
The Contractor and its agents and employees are independent contractors providing Goods and/or performing professional or general services for the Participating State and are not employees of the State of New Mexico. The Contractor and its agents and employees shall not accrue leave, retirement, insurance, bonding, use of state vehicles, or any other benefits afforded to employees of the State of New Mexico as a result of this Agreement. The Contractor acknowledges that all sums received hereunder are reportable by the Contractor for tax purposes, including without limitation, self-employment and business income tax. The Contractor agrees not to purport to bind the State of New Mexico unless the Contractor has express written authority to do so, and then only within the strict limits of that authority.

12. **Conflict of Interest; Governmental Conduct Act:**

A. The Contractor represents and warrants that it presently has no interest and, during the term of this Agreement, shall not acquire any interest, direct or indirect, which would conflict in any manner or degree with the performance or services required under the Agreement.

B. The Contractor further represents and warrants that it has complied with, and, during the term of this Agreement, will continue to comply with, and that this Agreement complies with all applicable provisions of the Governmental Conduct Act, Chapter 10, Article 16 NMSA 1978. Without in any way limiting the generality of the foregoing, the Contractor specifically represents and warrants that:

1) in accordance with NMSA 1978, § 10-16-4.3, the Contractor does not employ, has not employed, and will not employ during the term of this Agreement any Participating State employee while such employee was or is employed by the Participating State and participating directly or indirectly in the Participating State's contracting process;

2) this Agreement complies with NMSA 1978, § 10-16-7(A) because (i) the Contractor is not a public officer or employee of the Participating State; (ii) the Contractor is not a member of the family of a public officer or employee of the Participating State; (iii) the Contractor is not a business in which a public officer or employee or the family of a public officer or employee has a substantial interest; or (iv) if the Contractor is a public officer or employee of the Participating State, a member of the family of a public officer or employee of the Participating State, or a business in which a public officer or employee of the Participating State or the family of a public officer or employee of the Participating State has a substantial interest, public notice was given as required by NMSA 1978, § 10-16-7(A) and this Agreement was awarded pursuant to a competitive process;

3) in accordance with NMSA 1978, § 10-16-8(A), (i) the Contractor is not, and has not been represented by, a person who has been a public officer or employee of the Participating State

DocuSign Envelope ID: 0AA2DAAE-52DE-4198-9916-CA1B0FF90C97

within the preceding year and whose official act directly resulted in this Agreement and (ii) the Contractor is not, and has not been assisted in any way regarding this transaction by, a former public officer or employee of the Participating State whose official act, while in the Participating State's employment, directly resulted in the Participating State's making this Agreement;

4) this Agreement complies with NMSA 1978, § 10-16-9(A)because (i) the Contractor is not a legislator; (ii) the Contractor is not a member of a legislator's family; (iii) the Contractor is not a business in which a legislator or a legislator's family has a substantial interest; or (iv) if the Contractor is a legislator, a member of a legislator's family, or a business in which a legislator or a legislator's family has a substantial interest, disclosure has been made as required by NMSA 1978, § 10-16-7(A), this Agreement is not a sole source or small purchase contract, and this Agreement was awarded in accordance with the provisions of the Procurement Code;

5) in accordance with NMSA 1978, § 10-16-13, the Contractor has not directly participated in the preparation of specifications, qualifications or evaluation criteria for this Agreement or any procurement related to this Agreement; and

6) in accordance with NMSA 1978, § 10-16-3 and § 10-16-13.3, the Contractor has not contributed, and during the term of this Agreement shall not contribute, anything of value to a public officer or employee of the Participating State.

C. Contractor's representations and warranties in paragraphs A and B of this Clause are material representations of fact upon which the Participating State relied when this Agreement was entered into by the Parties. Contractor shall provide immediate written notice to the Participating State if, at any time during the term of this Agreement, Contractor learns that Contractor's representations and warranties in paragraphs A and B of this Clause were erroneous on the effective date of this Agreement or have become erroneous by reason of new or changed circumstances. If it is later determined that Contractor's representations and warranties in paragraphs A and B of this Clause were erroneous on the effective date of this Agreement or have become erroneous by reason of new or changed circumstances, in addition to other remedies available to the Participating State and notwithstanding anything in the Agreement to the contrary, the Participating State may immediately terminate the Agreement.

D. All terms defined in the Governmental Conduct Act have the same meaning in this Agreement.

13. **Amendment:**

A. This Agreement shall not be altered, changed or amended except by instrument in writing executed by the Parties hereto and all other required signatories.

B. If the Participating State proposes an amendment to the Agreement to unilaterally reduce funding due to budget or other considerations, the Contractor shall, within thirty (30) days of receipt of the proposed Amendment, have the option to terminate the Agreement, pursuant to the termination provisions as set forth in the Terminations Clause of this Agreement, or to agree to the reduced funding.

14. **Merger:**

This Agreement incorporates all the Agreements, covenants and understandings between the Parties hereto concerning the subject matter hereof, and all such covenants, Agreements and understandings have been merged into this written Agreement. No prior Agreement or understanding, oral or otherwise, of the Parties or their agents shall be valid or enforceable unless embodied in this Agreement.

DocuSign Envelope ID: 0AA2DAAE-52DE-4198-9916-CA1B0FF90C97

15. **Penalties for violation of law:**
The Procurement Code, NMSA 1978 §§ 13-1-28 through 13-1-199, imposes civil and criminal penalties for violation of the statute. In addition, the New Mexico criminal statutes impose felony penalties for illegal acts, including bribes, gratuities and kickbacks.

16. **Equal Opportunity Compliance:**
The Contractor agrees to abide by all federal and state laws and rules and regulations, and executive orders of the Governor of the State of New Mexico, pertaining to equal employment opportunity. In accordance with all such laws of the State of New Mexico, the Contractor assures that no person in the United States shall, on the grounds of race, religion, color, national origin, ancestry, sex, age, physical or mental handicap, or serious medical condition, spousal affiliation, sexual orientation or gender identity, be excluded from employment with or participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity performed under this Agreement. If Contractor is found not to be in compliance with these requirements during the life of this Agreement, Contractor agrees to take appropriate steps to correct these deficiencies.

17. **Workers Compensation:**
The Contractor agrees to comply with the Participating State's laws and rules applicable to workers compensation benefits for its employees. If the Contractor fails to comply with the Workers Compensation Act and applicable rules when required to do so, this Agreement may be terminated by the Participating State.

18. **Applicable Law:**
The laws of the State of New Mexico shall govern this Agreement, without giving effect to its choice of law provisions. Venue shall be proper only in a New Mexico court of competent jurisdiction in accordance with NMSA 1978, § 38-3-1 (G). By execution of this Agreement, Contractor acknowledges and agrees to the jurisdiction of the courts of the State of New Mexico over any and all lawsuits arising under or out of any term of this Agreement.

19. **Records and Financial Audit:**
The Contractor shall maintain detailed time and expenditure records that indicate the date, time, nature and cost of services rendered during the Agreement's term and effect and retain them for a period of three (3) years from the date of final payment under this Agreement. The records shall be subject to inspection by the Participating State, including the New Mexico Department of Finance and Administration and the New Mexico State Auditor. The Participating State shall have the right to audit billings both before and after payment. Payment under this Agreement shall not foreclose the right of the Participating State to recover excessive or illegal payments.

20. **Invalid Term or Condition:**
If any term or condition of this Agreement shall be held invalid or unenforceable, the remainder of this Agreement shall not be affected and shall be valid and enforceable.

21. **Enforcement of Agreement:**
A Party's failure to require strict performance of any provision of this Agreement shall not waive or diminish that Party's right thereafter to demand strict compliance with that or any other provision. No waiver by a Party of any of its rights under this Agreement shall be effective unless express and in writing, and no effective waiver by a Party of any of its rights shall be effective to waive any other rights.

DocuSign Envelope ID: 0AA2DAAE-52DE-4198-9916-CA1B0FF90C97

22. **Non-Collusion:**
In signing this Agreement, the Contractor certifies the Contractor has not, either directly or indirectly, entered into action in restraint of free competitive bidding in connection with this offer submitted to the Participating State.

23. **Notices:**
Any notice required to be given to either Party by this Agreement shall be in writing and shall be delivered in person, by courier service or by U.S. mail, either first class or certified, return receipt requested, postage prepaid, as follows:

To the Participating State:

Name:	Mark Hayden, State Purchasing Director, State Purchasing Division
Address:	1100 St. Francis Dr., Room 2016, Santa Fe, NM 87505
Telephone:	(505) 827-0472
Email:	mark.hayden@state.nm.us

To the Contractor:

Name:	Insight Public Sector, Inc.
Address:	13755 Sunrise Valley Drive, Suite 750, Herndon, VA 20171
Telephone:	(480) 366 - 7029
Contact:	Brittany Dunaway
Email:	SLEDcontracts@insight.com

24. **Succession:**
This Agreement shall extend to and be binding upon the successors and assigns of the Parties.

25. **Headings:**
Any and all headings herein are inserted only for convenience and ease of reference and are not to be considered in the construction or interpretation of any provision of this Agreement. Numbered or lettered provisions, sections and subsections contained herein, refer only to provisions, sections and subsections of this Agreement unless otherwise expressly stated.

26. **Default/Breach:**
In case of Default and/or Breach by the Contractor, for any reason whatsoever, the Purchasing Entity and the State of New Mexico may procure the Goods or Services from another source and hold the Contractor responsible for any resulting excess costs and/or damages, including but not limited to, direct damages, indirect damages, consequential damages, special damages and the Purchasing Entity and the State of New Mexico may also seek all other remedies under the terms of this Agreement and under law or equity.

27. **Equitable Remedies:**
Contractor acknowledges that its failure to comply with any provision of this Agreement will cause the Participating State irrevocable harm and that a remedy at law for such a failure would be an inadequate remedy for the Participating State, and the Contractor consents to the Participating State's obtaining from a court of competent jurisdiction, specific performance, or injunction, or any other equitable relief in order to enforce such compliance. Participating State's rights to obtain equitable relief pursuant to this

DocuSign Envelope ID: 0AA2DAAE-52DE-4198-9916-CA1B0FF90C97

Agreement shall be in addition to, and not in lieu of, any other remedy that the Participating State may have under applicable law, including, but not limited to, monetary damages.

28. **New Mexico Employees Health Coverage:**

A. If Contractor has, or grows to, six (6) or more employees who work, or who are expected to work, an average of at least 20 hours per week over a six (6) month period during the term of this Agreement, Contractor certifies, by signing this agreement, to have in place, and agree to maintain for the term of the Agreement, health insurance for those employees and offer that health insurance to those employees if the expected annual value in the aggregate of any and all contracts between Contractor and the Participating State exceed $250,000 dollars.

B. Contractor agrees to maintain a record of the number of employees who have (a) accepted health insurance; (b) declined health insurance due to other health insurance coverage already in place; or (c) declined health insurance for other reasons. These records are subject to review and audit by a representative of the Participating State.

C. Contractor agrees to advise all employees of the availability of Participating State's publicly financed health care coverage programs by providing each employee with, as a minimum, the following web site link to additional information: https://bewellnm.com.

29. **Indemnification:**

The Contractor shall defend, indemnify and hold harmless the Purchasing Entity and the State of New Mexico from all actions, proceeding, claims, demands, costs, damages, attorneys' fees and all other liabilities and expenses of any kind from any source which may arise out of the performance of this Agreement, caused by the negligent act or failure to act of the Contractor, its officers, employees, servants, subcontractors or agents, resulting in injury or damage to persons or property during the time when the Contractor or any officer, agent, employee, servant or subcontractor thereof has or is performing services pursuant to this Agreement. In the event that any action, suit or proceeding related to the services performed by the Contractor or any officer, agent, employee, servant or subcontractor under this Agreement is brought against the Contractor, the Contractor shall, as soon as practicable but no later than two (2) days after it receives notice thereof, notify the legal counsel of the Participating State and the Risk Management Division of the New Mexico General Services Department by certified mail.

30. **Default and Force Majeure:**

The Purchasing Entity reserves the right to cancel all or any part of any Orders placed under this Agreement without cost to the Purchasing Entity, if the Contractor fails to meet the provisions of this Agreement and, except as otherwise provided herein, to hold the Contractor liable for any excess cost occasioned by the Participating State and/or the Purchasing Entity due to the Contractor's default. The Contractor shall not be liable for any excess costs if failure to perform the Order arises out of causes beyond the control and without the fault or negligence of the Contractor; such causes include, but are not restricted to, acts of God or the public enemy, acts of the State or Federal Government, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, unusually severe weather and defaults of subcontractors due to any of the above, unless the Participating State shall determine that the supplies or services to be furnished by the subcontractor were obtainable from other sources in sufficient time to permit the Contractor to meet the required delivery scheduled. The rights and remedies of the Participating State provided in this Clause shall not be exclusive and are in addition to any other rights now being provided by law or under this Agreement.

31. **Assignment:**

DocuSign Envelope ID: 0AA2DAAE-52DE-4198-9916-CA1B0FF90C97

The Contractor shall not assign or transfer any interest in this Agreement or assign any claims for money due or to become due under this Agreement without the prior written approval of the Participating State.

32. **Subcontracting:**
The Contractor shall not subcontract any portion of the services to be performed under this Agreement without the prior written approval of the Participating State. No such subcontract shall relieve the primary Contractor from its obligations and liabilities under this Agreement, nor shall any subcontract obligate direct payment from the Participating State.

33. **Inspection of Plant:**
The Participating State may inspect, at any reasonable time during Contractor's regular business hours and upon prior written notice, the Contractor's plant or place of business, or any subcontractor's plant or place of business, which is related to the performance of this Agreement.

34. **Commercial Warranty:**
The Contractor agrees that the Goods and/or Services furnished under this Agreement shall be covered by the most favorable commercial warranties the Contractor gives to any customer for such Goods and/or Services, and that the rights and remedies provided herein shall extend to the Participating State and are in addition to and do not limit any rights afforded to the Participating State by any other Clause of this Agreement or order. Contractor agrees not to disclaim warranties of fitness for a particular purpose or merchantability.

35. **Condition of Proposed Items:**
Where Goods are a part of this Agreement, all proposed items are to be NEW and of most current production, unless otherwise specified in the Participating Addendum.

36. **Release:**
Final payment of the amounts due under this Agreement shall operate as a release of the Participating State, its officers and employees and Procuring Entity from all liabilities, claims and obligations whatsoever arising from or under this Agreement.

37. **Confidentiality:**
Any Confidential Information provided to the Contractor by the Participating State or, developed by the Contractor based on information provided by the Participating State in the performance of this Agreement shall be kept confidential and shall not be made available to any individual or organization by the Contractor without the prior written approval of the Participating State. Upon termination of this Agreement, Contractor shall deliver all Confidential Information in its possession to the Participating State within thirty (30) Business Days of such termination. Contractor acknowledges that failure to deliver such Confidential Information to the Participating State will result in direct, special and incidental damages.

38. **Contractor Personnel:**

A. Key Personnel. Contractor's key personnel shall not be diverted from this Agreement without the prior written approval of the Participating State. Key personnel are those individuals considered by the Participating State to be mandatory to the work to be performed under this Agreement. Key personnel shall be:

DocuSign Envelope ID: 0AA2DAAE-52DE-4198-9916-CA1B0FF90C97

Contract Administration Britany Dunaway SLEDcontracts@insight.com 480.366.7029
Reporting Virginia Mace sledreporting@insight.com 480.333.3068
Sales/Quotes Sergio Torrez Sergio.Torrez@insight.com 505.318.3071

B. Personnel Changes. Replacement of any personnel shall be made with personnel of equal ability, experience, and qualification and shall be approved by the Participating State. For all personnel, the Participating State reserves the right to require submission of their resumes prior to approval. If the number of Contractor's personnel assigned to the Agreement is reduced for any reason, Contractor shall, within ten (10) Business Days of the reduction, replace with the same or greater number of personnel with equal ability, experience, and qualifications, subject to the Participating State's approval. The Participating State, in its sole discretion, may approve additional time beyond the ten (10) Business Days for replacement of personnel. The Contractor shall include status reports of its efforts and progress in finding replacements and the effect of the absence of the personnel on the progress of the Agreement. The Contractor shall also make interim arrangements to assure that the Agreement progress is not affected by the loss of personnel. The Participating State reserves the right to require a change in Contractor's personnel if the assigned personnel are not, in the sole opinion of the Participating State, meeting the Participating State's expectations.

39. **Incorporation by Reference and Precedence:**
In the event of a dispute under this Agreement, applicable documents will be referred to for the purpose of clarification or for additional detail in the following order of precedence: (1) this Participating Addendum; (2) the Master Lease Agreement, if applicable; and (3) the NASPO ValuePoint Master Agreement.

40. **Inspection:**
If this Agreement is for the purchase of Goods, final inspection and acceptance shall be made at Destination. Goods rejected at Destination for non-conformance to specifications shall be removed at Contractor's risk and expense promptly after notice of rejection and shall not be allowable as billable items for payment.

41. **Inspection of Services:**
If this Agreement is for the purchase of services, the following terms shall apply.

A. Services, as used in this Clause, include services performed, workmanship, and material furnished or utilized in the performance of services.
B. The Contractor shall provide and maintain an inspection system acceptable to the Participating State covering the services under this Agreement. Complete records of all inspection work performed by the Contractor shall be maintained and made available to the Participating State during the term of performance of this Agreement and for as long thereafter as the Agreement requires.
C. The Participating State has the right to inspect and test all services contemplated under this Agreement to the extent practicable at all times and places during the term of the Agreement. The Participating State shall perform inspections and tests in a manner that will not unduly delay or interfere with Contractor's performance.
D. If the Participating State performs inspections or tests on the premises of the Contractor or a subcontractor, the Contractor shall furnish, and shall require subcontractors to furnish, at no

DocuSign Envelope ID: 0AA2DAAE-52DE-4198-9916-CA1B0FF90C97

increase in Agreement price, all reasonable facilities and assistance for the safe and convenient performance of such inspections or tests.

E. If any part of the services do not conform with the requirements of this Agreement, the Participating State may require the Contractor to re-perform the services in conformity with the requirements of this Agreement at no increase in Agreement amount. When the defects in services cannot be corrected by re-performance, the Participating State may:
(1) require the Contractor to take necessary action(s) to ensure that future performance conforms to the requirements of this Agreement; and
(2) reduce the Agreement price to reflect the reduced value of the services performed.

F. If the Contractor fails to promptly re-perform the services or to take the necessary action(s) to ensure future performance in conformity with the requirements of this Agreement, the Participating State may:
(1) by Agreement or otherwise, perform the services and charge to the Contractor any cost incurred by the Participating State that is directly related to the performance of such service; or
(2) terminate the Agreement for default.

THE PROVISIONS OF THIS CLAUSE ARE NOT EXCLUSIVE AND DO NOT WAIVE THE STATE'S OTHER LEGAL RIGHTS AND REMEDIES CAUSED BY THE CONTRACTOR'S DEFAULT/BREACH OF THIS AGREEMENT.

42. **Insurance:**
If the Services contemplated under this Agreement will be performed on or in Participating State facilities or property, Contractor shall maintain in force during the entire term of this Agreement, the following insurance coverage(s), naming the State of New Mexico, General Services Department or other party to this Agreement as additional insured.

A. Workers Compensation (including accident and disease coverage) at the statutory limit. Employers liability: $100,000.
B. Comprehensive general liability (including endorsements providing broad form property damage, personal injury coverage and contractual assumption of liability for all liability the Contractor has assumed under this Agreement). Limits shall not be less than the following:
    a. Bodily injury: $1,000,000 per person /$1,000,000 per occurrence.
    b. Property damage or combined single limit coverage: $1,000,000.
    c. Automobile liability (including non-owned automobile coverage): $1,000,000.
    d. Umbrella: $1,000,000.
C. Contractor shall maintain the above insurance for the term of this Agreement and name the State of New Mexico, General Services Department or other party to this Agreement as an additional insured and provide for 30 days cancellation notice on any Certificate of Insurance form furnished by Contractor. Such certificate shall also specifically state the coverage provided under the policy is primary over any other valid and collectible insurance and provide a waiver of subrogation.

43. **Arbitration:**
Any controversy or claim arising between the Parties shall be settled by arbitration pursuant to NMSA 1978 § 44-7A-1 *et seq.*

44. **New Mexico Administration Reporting:**
All contracts and Purchase Orders arising out of this agreement shall be deemed to include an

DocuSign Envelope ID: 0AA2DAAE-52DE-4198-9916-CA1B0FF90C97

Administrative Fee assessment at the rate of **one percent (1.00 %)** for the gross total sales and other revenues (including commissions and fees charged). This assessment shall apply to all New Mexico state agencies and local public bodies. "Gross total sales" means any invoiced amount less any applicable state and local taxes. The Contractor agrees to provide a utilization report on all sales/or services and other revenues (including commissions charged) and fees to the agreement administrator in accordance with the following schedule:

Quarter:	Period Ending:	Report Due Date:
First	September 30	October 30
Second	December 31	January 31
Third	March 31	April 30
Fourth	June 30	July 31

The sales report shall include the gross total sales and other revenues including commissions charged for the period subtotaled by Procuring Agency or local public body name. Even if the Contractor experiences zero sales during the quarter, a report shall still be submitted. Reports and Administrative Fee shall be due no later than thirty (30) days following the end of the quarter. Only submit one payment and one report for each quarter, do not combine payments or reports.

Sample Reports can be found at:
http://www.generalservices.state.nm.us/statepurchasing/resourcesandinformation.aspx#Vendors

Email completed reports to: GSD.QuarterlyUsageR@state.nm.us

For questions regarding the Administrative Fees and Quarterly Sales Reports contact the Compliance Officer Amber Sanchez at Amber.Sanchez2@state.nm.us or (505) 469-2679 or (505) 795-4512

45. **Fees**:
The Contractor agrees to remit an administrative reporting fee payable by check to the State Purchasing Division for an amount equal to **one percent (1.00 %)** of the total sales and other revenues, less interchange and merchant fees, derived from the New Mexico state agencies and local public bodies. The Contractor shall indicate the contract number ***10-00000-20-00054AD*** and include the remittance check with the quarterly sales report.

Remit Checks to: State Purchasing Division
1100 St. Francis Drive, Room 2016
PO Box 6850
Santa Fe, NM 87505
Attn: Compliance Officer

46. **Lease Agreements:**
Reserved

47. **Subcontractors:**
All Contactors, Authorized Dealers, and resellers authorized in the State of New Mexico, as shown on the dedicated Contractor (cooperative contract) website, are approved to provide sales and service support to participants in the NASPO ValuePoint Master Agreement. The Contractor's dealer participation will be in accordance with the terms and conditions set forth in this Participating Addendum and the aforementioned Master Agreement.

DocuSign Envelope ID: 0AA2DAAE-52DE-4198-9916-CA1B0FF90C97

48. **Orders:**
Any order placed by Participating Entity or a Purchasing Entity for a product or service offered through this Participating Addendum shall be deemed to be a sale under, and subject to the pricing and other terms and conditions of, the Master Agreement unless the parties to the order agree in writing that another contract or agreement applies to the order.

IN WITNESS WHEREOF, the Parties have executed this Participating Addendum.

Electronic Record and Signature Disclosure

ELECTRONIC RECORD AND SIGNATURE DISCLOSURE

A. ELECTRONIC RECORD AND SIGNATURE DISCLOSURE (ERSD)

From time to time, New Mexico General Services Department (GSD), on behalf of the State of New Mexico (SONM), may be required by law to provide you with certain written notices or disclosures. Stated below are the terms and conditions for GSD's providing you such notices and disclosures electronically through the DocuSign system. Please read this information carefully. If you are able to access this information electronically and agree to **this Electronic Record and Signature Disclosure (ERSD)**, please confirm your agreement by selecting the check-box next to "I agree to use electronic records and signatures" before clicking "CONTINUE" within the DocuSign system.

B. Obtaining paper copies

At any time up to twenty (20) calendar days following your use of DocuSign to electronically sign a document, you may request a paper copy of any record provided or made available electronically to you by GSD. You will have the ability to download and print documents SONM sends you through the DocuSign system during and immediately after the signing session and, if you elect to create a DocuSign account, you may access the documents for a twenty (20) calendar day period after such documents are first sent to you. Following the twenty (20) day period, if you want GSD to send you paper copies of any such documents from GSD's office, you will be charged a $1.00 per-page fee plus postage. You may request delivery of such paper copies from GSD by following the procedure stated in Section H, below.

C. Withdrawing your consent

If you decide to receive notices and disclosures from GSD electronically, you may at any time change your mind and inform GSD you want to receive required notices and disclosures only in paper format. The procedure concerning how you may inform GSD of your decision to receive future notices and disclosures in paper format as well as withdraw your consent to receive notices and disclosures electronically is stated in Section D, immediately below.

D. Consequences of changing your mind

If you elect to receive required notices and disclosures only in paper format, it will slow the speed with which GSD will be able to complete certain steps in specific transactions and deliver paper copies to you. GSD will need: (1) to send the required notices or disclosures to you in paper format; and (2) wait until GSD receives your acknowledgment of your receipt of such paper notices or disclosures. Further, you will no longer be able to use the DocuSign system to receive required notices and consents electronically from SONM or to electronically sign documents generated and sent to you from SONM.

E. All notices and disclosures will be sent to you electronically

Unless you inform GSD otherwise according to these procedures, GSD will electronically provide you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements and other documents that are required to be provided or made available to you during the course of your electronic signature relationship with SONM. To reduce the possibility of inadvertent non-receipt, GSD prefers to provide all required notices and disclosures by the same method and to the same email or physical address that you furnish to GSD. Thus, you may receive the disclosures and notices electronically or in paper form. If you do not agree with this procedure, please inform GSD according to the procedures stated in Section I, below. Please also refer to Section D, immediately above, which states the consequences resulting from your declination of electronic delivery of notices and disclosures.

F. How to contact GSD:

You may inform General Services Department (GSD) of any changes you select regarding State Purchasing Division's (SPD) electronic communications with you, to request paper copies of certain information from SPD, and to withdraw your prior consent to receive notices and disclosures electronically by emailing your request(s) to SPD at: *GSD.SPDinfo@state.nm.us*

G. To advise SPD of your new email address

To inform SPD of a change in the email address to which SPD sends you notices and disclosures electronically, you must send an email to SPD at *GSD.SPDinfo@state.nm.us* and in the body of such request you must include your previous and new email addresses.

H. To request paper copies from SPD

To request delivery of paper copies of electronic notices and disclosures that DocuSign and/or SPD have previously provided to you, you must send an email to SPD at *GSD.SPDinfo@state.nm.us* and in the body of your email request state your email address, full name, mailing address, and telephone number. SPD will charge you a $1.00 per page copy fee plus postage.

I. To withdraw your consent with SPD

To inform SPD that you no longer wish to receive notices and disclosures in electronic format you may:

(1) Decline to sign a document from within a signing session, and on the subsequent page, select the check-box indicating you wish to withdraw your consent, or you may:

(2) Send SPD an email to *GSD.SPDinfo@state.nm.us* and in the body of your request state your email address, full name, mailing address, and telephone number.

J. Required hardware and software

The minimum system requirements for using the DocuSign system may change over time. The current DocuSign system requirements may be found at:
https://support.docusign.com/guides/signer-guide-signing-system-requirements

K. Acknowledging your access and consent to receive and sign documents electronically

To confirm that you are able to electronically access the information contained in this Electronic Record and Signature Disclosure (ERSD), please confirm that you have: (1) read this ERSD, and either: (2) you are able to print on paper or electronically save this ERSD for your future reference and access; or (3) you are able to email this ERSD to an email address where you will be able to print this ERSD on paper and/or save this ERSD for your future reference and access. Further, if you consent to receiving notices and disclosures from DocuSign and/or SPD exclusively in electronic format, then select the check-box next to "I agree to use electronic records and signatures," before you click "CONTINUE" within the DocuSign system.

By selecting the check-box next to "I agree to use electronic records and signatures," you confirm that:

- You have read this Electronic Record and Signature Disclosure (ERSD); and
- You can print this ERSD on paper, or you can save and/ or send this ERSD to a location where you can print this ERSD, for your future reference and access; and
- Until or unless you notify SPD as stated in this ERSD, you consent to exclusively receive through electronic means all notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you by SPD during the course of your electronic signature relationship with SPD.

Form **W-9**
(Rev. March 2024)
Department of the Treasury
Internal Revenue Service

Request for Taxpayer Identification Number and Certification

Go to *www.irs.gov/FormW9* for instructions and the latest information.

Give form to the requester. Do not send to the IRS.

Before you begin. For guidance related to the purpose of Form W-9, see *Purpose of Form*, below.

Print or type. See ***Specific Instructions*** on page 3.

1 Name of entity/individual. An entry is required. (For a sole proprietor or disregarded entity, enter the owner's name on line 1, and enter the business/disregarded entity's name on line 2.)

Insight Public Sector Inc.

2 Business name/disregarded entity name, if different from above.

3a Check the appropriate box for federal tax classification of the entity/individual whose name is entered on line 1. Check only **one** of the following seven boxes.

☐ Individual/sole proprietor ☑ C corporation ☐ S corporation ☐ Partnership ☐ Trust/estate

☐ LLC. Enter the tax classification (C = C corporation, S = S corporation, P = Partnership) . . . . .

Note: Check the "LLC" box above and, in the entry space, enter the appropriate code (C, S, or P) for the tax classification of the LLC, unless it is a disregarded entity. A disregarded entity should instead check the appropriate box for the tax classification of its owner.

☐ Other (see instructions)

3b If on line 3a you checked "Partnership" or "Trust/estate," or checked "LLC" and entered "P" as its tax classification, and you are providing this form to a partnership, trust, or estate in which you have an ownership interest, check this box if you have any foreign partners, owners, or beneficiaries. See instructions . . . . . ☐

4 Exemptions (codes apply only to certain entities, not individuals; see instructions on page 3):

Exempt payee code (if any) 5

Exemption from Foreign Account Tax Compliance Act (FATCA) reporting code (if any)

(Applies to accounts maintained outside the United States.)

5 Address (number, street, and apt. or suite no.). See instructions.

2701 E. Insight Way

6 City, state, and ZIP code

Chandler AZ 85286

Requester's name and address (optional)

7 List account number(s) here (optional)

Part I Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. The TIN provided must match the name given on line 1 to avoid backup withholding. For individuals, this is generally your social security number (SSN). However, for a resident alien, sole proprietor, or disregarded entity, see the instructions for Part I, later. For other entities, it is your employer identification number (EIN). If you do not have a number, see *How to get a TIN*, later.

Note: If the account is in more than one name, see the instructions for line 1. See also *What Name and Number To Give the Requester* for guidelines on whose number to enter.

Social security number

			–		–				

or

Employer identification number

3	6	–	3	9	4	9	0	0	0

Part II Certification

Under penalties of perjury, I certify that:

1. The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me); and
2. I am not subject to backup withholding because (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding; and
3. I am a U.S. citizen or other U.S. person (defined below); and
4. The FATCA code(s) entered on this form (if any) indicating that I am exempt from FATCA reporting is correct.

Certification instructions. You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and, generally, payments other than interest and dividends, you are not required to sign the certification, but you must provide your correct TIN. See the instructions for Part II, later.

General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Future developments. For the latest information about developments related to Form W-9 and its instructions, such as legislation enacted after they were published, go to *www.irs.gov/FormW9*.

What's New

Line 3a has been modified to clarify how a disregarded entity completes this line. An LLC that is a disregarded entity should check the appropriate box for the tax classification of its owner. Otherwise, it should check the "LLC" box and enter its appropriate tax classification.

New line 3b has been added to this form. A flow-through entity is required to complete this line to indicate that it has direct or indirect foreign partners, owners, or beneficiaries when it provides the Form W-9 to another flow-through entity in which it has an ownership interest. This change is intended to provide a flow-through entity with information regarding the status of its indirect foreign partners, owners, or beneficiaries, so that it can satisfy any applicable reporting requirements. For example, a partnership that has any indirect foreign partners may be required to complete Schedules K-2 and K-3. See the Partnership Instructions for Schedules K-2 and K-3 (Form 1065).

Purpose of Form

An individual or entity (Form W-9 requester) who is required to file an information return with the IRS is giving you this form because they

must obtain your correct taxpayer identification number (TIN), which may be your social security number (SSN), individual taxpayer identification number (ITIN), adoption taxpayer identification number (ATIN), or employer identification number (EIN), to report on an information return the amount paid to you, or other amount reportable on an information return. Examples of information returns include, but are not limited to, the following.

- Form 1099-INT (interest earned or paid).
- Form 1099-DIV (dividends, including those from stocks or mutual funds).
- Form 1099-MISC (various types of income, prizes, awards, or gross proceeds).
- Form 1099-NEC (nonemployee compensation).
- Form 1099-B (stock or mutual fund sales and certain other transactions by brokers).
- Form 1099-S (proceeds from real estate transactions).
- Form 1099-K (merchant card and third-party network transactions).
- Form 1098 (home mortgage interest), 1098-E (student loan interest), and 1098-T (tuition).
- Form 1099-C (canceled debt).
- Form 1099-A (acquisition or abandonment of secured property).

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN.

Caution: If you don't return Form W-9 to the requester with a TIN, you might be subject to backup withholding. See *What is backup withholding*, later.

By signing the filled-out form, you:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued);

2. Certify that you are not subject to backup withholding; or

3. Claim exemption from backup withholding if you are a U.S. exempt payee; and

4. Certify to your non-foreign status for purposes of withholding under chapter 3 or 4 of the Code (if applicable); and

5. Certify that FATCA code(s) entered on this form (if any) indicating that you are exempt from the FATCA reporting is correct. See *What Is FATCA Reporting*, later, for further information.

Note: If you are a U.S. person and a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien;
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States;
- An estate (other than a foreign estate); or
- A domestic trust (as defined in Regulations section 301.7701-7).

Establishing U.S. status for purposes of chapter 3 and chapter 4 withholding. Payments made to foreign persons, including certain distributions, allocations of income, or transfers of sales proceeds, may be subject to withholding under chapter 3 or chapter 4 of the Code (sections 1441–1474). Under those rules, if a Form W-9 or other certification of non-foreign status has not been received, a withholding agent, transferee, or partnership (payor) generally applies presumption rules that may require the payor to withhold applicable tax from the recipient, owner, transferor, or partner (payee). See Pub. 515, Withholding of Tax on Nonresident Aliens and Foreign Entities.

The following persons must provide Form W-9 to the payor for purposes of establishing its non-foreign status.

- In the case of a disregarded entity with a U.S. owner, the U.S. owner of the disregarded entity and not the disregarded entity.
- In the case of a grantor trust with a U.S. grantor or other U.S. owner, generally, the U.S. grantor or other U.S. owner of the grantor trust and not the grantor trust.
- In the case of a U.S. trust (other than a grantor trust), the U.S. trust and not the beneficiaries of the trust.

See Pub. 515 for more information on providing a Form W-9 or a certification of non-foreign status to avoid withholding.

Foreign person. If you are a foreign person or the U.S. branch of a foreign bank that has elected to be treated as a U.S. person (under Regulations section 1.1441-1(b)(2)(iv) or other applicable section for chapter 3 or 4 purposes), do not use Form W-9. Instead, use the appropriate Form W-8 or Form 8233 (see Pub. 515). If you are a qualified foreign pension fund under Regulations section 1.897(l)-1(d), or a partnership that is wholly owned by qualified foreign pension funds, that is treated as a non-foreign person for purposes of section 1445 withholding, do not use Form W-9. Instead, use Form W-8EXP (or other certification of non-foreign status).

Nonresident alien who becomes a resident alien. Generally, only a nonresident alien individual may use the terms of a tax treaty to reduce or eliminate U.S. tax on certain types of income. However, most tax treaties contain a provision known as a saving clause. Exceptions specified in the saving clause may permit an exemption from tax to continue for certain types of income even after the payee has otherwise become a U.S. resident alien for tax purposes.

If you are a U.S. resident alien who is relying on an exception contained in the saving clause of a tax treaty to claim an exemption from U.S. tax on certain types of income, you must attach a statement to Form W-9 that specifies the following five items.

1. The treaty country. Generally, this must be the same treaty under which you claimed exemption from tax as a nonresident alien.

2. The treaty article addressing the income.

3. The article number (or location) in the tax treaty that contains the saving clause and its exceptions.

4. The type and amount of income that qualifies for the exemption from tax.

5. Sufficient facts to justify the exemption from tax under the terms of the treaty article.

Example. Article 20 of the U.S.-China income tax treaty allows an exemption from tax for scholarship income received by a Chinese student temporarily present in the United States. Under U.S. law, this student will become a resident alien for tax purposes if their stay in the United States exceeds 5 calendar years. However, paragraph 2 of the first Protocol to the U.S.-China treaty (dated April 30, 1984) allows the provisions of Article 20 to continue to apply even after the Chinese student becomes a resident alien of the United States. A Chinese student who qualifies for this exception (under paragraph 2 of the first Protocol) and is relying on this exception to claim an exemption from tax on their scholarship or fellowship income would attach to Form W-9 a statement that includes the information described above to support that exemption.

If you are a nonresident alien or a foreign entity, give the requester the appropriate completed Form W-8 or Form 8233.

Backup Withholding

What is backup withholding? Persons making certain payments to you must under certain conditions withhold and pay to the IRS 24% of such payments. This is called "backup withholding." Payments that may be subject to backup withholding include, but are not limited to, interest, tax-exempt interest, dividends, broker and barter exchange transactions, rents, royalties, nonemployee pay, payments made in settlement of payment card and third-party network transactions, and certain payments from fishing boat operators. Real estate transactions are not subject to backup withholding.

You will not be subject to backup withholding on payments you receive if you give the requester your correct TIN, make the proper certifications, and report all your taxable interest and dividends on your tax return.

Payments you receive will be subject to backup withholding if:

1. You do not furnish your TIN to the requester;

2. You do not certify your TIN when required (see the instructions for Part II for details);

3. The IRS tells the requester that you furnished an incorrect TIN;

4. The IRS tells you that you are subject to backup withholding because you did not report all your interest and dividends on your tax return (for reportable interest and dividends only); or

5. You do not certify to the requester that you are not subject to backup withholding, as described in item 4 under "*By signing the filled-out form*" above (for reportable interest and dividend accounts opened after 1983 only).

Certain payees and payments are exempt from backup withholding. See *Exempt payee code*, later, and the separate Instructions for the Requester of Form W-9 for more information.

See also *Establishing U.S. status for purposes of chapter 3 and chapter 4 withholding*, earlier.

What Is FATCA Reporting?

The Foreign Account Tax Compliance Act (FATCA) requires a participating foreign financial institution to report all U.S. account holders that are specified U.S. persons. Certain payees are exempt from FATCA reporting. See *Exemption from FATCA reporting code*, later, and the Instructions for the Requester of Form W-9 for more information.

Updating Your Information

You must provide updated information to any person to whom you claimed to be an exempt payee if you are no longer an exempt payee and anticipate receiving reportable payments in the future from this person. For example, you may need to provide updated information if you are a C corporation that elects to be an S corporation, or if you are no longer tax exempt. In addition, you must furnish a new Form W-9 if the name or TIN changes for the account, for example, if the grantor of a grantor trust dies.

Penalties

Failure to furnish TIN. If you fail to furnish your correct TIN to a requester, you are subject to a penalty of $50 for each such failure unless your failure is due to reasonable cause and not to willful neglect.

Civil penalty for false information with respect to withholding. If you make a false statement with no reasonable basis that results in no backup withholding, you are subject to a $500 penalty.

Criminal penalty for falsifying information. Willfully falsifying certifications or affirmations may subject you to criminal penalties including fines and/or imprisonment.

Misuse of TINs. If the requester discloses or uses TINs in violation of federal law, the requester may be subject to civil and criminal penalties.

Specific Instructions

Line 1

You must enter one of the following on this line; **do not** leave this line blank. The name should match the name on your tax return.

If this Form W-9 is for a joint account (other than an account maintained by a foreign financial institution (FFI)), list first, and then circle, the name of the person or entity whose number you entered in Part I of Form W-9. If you are providing Form W-9 to an FFI to document a joint account, each holder of the account that is a U.S. person must provide a Form W-9.

• **Individual.** Generally, enter the name shown on your tax return. If you have changed your last name without informing the Social Security Administration (SSA) of the name change, enter your first name, the last name as shown on your social security card, and your new last name.

Note for ITIN applicant: Enter your individual name as it was entered on your Form W-7 application, line 1a. This should also be the same as the name you entered on the Form 1040 you filed with your application.

• **Sole proprietor.** Enter your individual name as shown on your Form 1040 on line 1. Enter your business, trade, or "doing business as" (DBA) name on line 2.

• **Partnership, C corporation, S corporation, or LLC, other than a disregarded entity.** Enter the entity's name as shown on the entity's tax return on line 1 and any business, trade, or DBA name on line 2.

• **Other entities.** Enter your name as shown on required U.S. federal tax documents on line 1. This name should match the name shown on the charter or other legal document creating the entity. Enter any business, trade, or DBA name on line 2.

• **Disregarded entity.** In general, a business entity that has a single owner, including an LLC, and is not a corporation, is disregarded as an entity separate from its owner (a disregarded entity). See Regulations section 301.7701-2(c)(2). A disregarded entity should check the appropriate box for the tax classification of its owner. Enter the owner's name on line 1. The name of the owner entered on line 1 should never be a disregarded entity. The name on line 1 should be the name shown on the income tax return on which the income should be reported. For example, if a foreign LLC that is treated as a disregarded entity for U.S. federal tax purposes has a single owner that is a U.S. person, the U.S. owner's name is required to be provided on line 1. If the direct owner of the entity is also a disregarded entity, enter the first owner that is not disregarded for federal tax purposes. Enter the disregarded entity's name on line 2. If the owner of the disregarded entity is a foreign person, the owner must complete an appropriate Form W-8 instead of a Form W-9. This is the case even if the foreign person has a U.S. TIN.

Line 2

If you have a business name, trade name, DBA name, or disregarded entity name, enter it on line 2.

Line 3a

Check the appropriate box on line 3a for the U.S. federal tax classification of the person whose name is entered on line 1. Check only one box on line 3a.

IF the entity/individual on line 1 is a(n) . . .	THEN check the box for . . .
• Corporation	Corporation.
• Individual or • Sole proprietorship	Individual/sole proprietor.
• LLC classified as a partnership for U.S. federal tax purposes or • LLC that has filed Form 8832 or 2553 electing to be taxed as a corporation	Limited liability company and enter the appropriate tax classification: P = Partnership, C = C corporation, or S = S corporation.
• Partnership	Partnership.
• Trust/estate	Trust/estate.

Line 3b

Check this box if you are a partnership (including an LLC classified as a partnership for U.S. federal tax purposes), trust, or estate that has any foreign partners, owners, or beneficiaries, and you are providing this form to a partnership, trust, or estate, in which you have an ownership interest. You must check the box on line 3b if you receive a Form W-8 (or documentary evidence) from any partner, owner, or beneficiary establishing foreign status or if you receive a Form W-9 from any partner, owner, or beneficiary that has checked the box on line 3b.

Note: A partnership that provides a Form W-9 and checks box 3b may be required to complete Schedules K-2 and K-3 (Form 1065). For more information, see the Partnership Instructions for Schedules K-2 and K-3 (Form 1065).

If you are required to complete line 3b but fail to do so, you may not receive the information necessary to file a correct information return with the IRS or furnish a correct payee statement to your partners or beneficiaries. See, for example, sections 6698, 6722, and 6724 for penalties that may apply.

Line 4 Exemptions

If you are exempt from backup withholding and/or FATCA reporting, enter in the appropriate space on line 4 any code(s) that may apply to you.

Exempt payee code.

• Generally, individuals (including sole proprietors) are not exempt from backup withholding.

• Except as provided below, corporations are exempt from backup withholding for certain payments, including interest and dividends.

• Corporations are not exempt from backup withholding for payments made in settlement of payment card or third-party network transactions.

• Corporations are not exempt from backup withholding with respect to attorneys' fees or gross proceeds paid to attorneys, and corporations that provide medical or health care services are not exempt with respect to payments reportable on Form 1099-MISC.

The following codes identify payees that are exempt from backup withholding. Enter the appropriate code in the space on line 4.

1—An organization exempt from tax under section 501(a), any IRA, or a custodial account under section 403(b)(7) if the account satisfies the requirements of section 401(f)(2).

2—The United States or any of its agencies or instrumentalities.

3—A state, the District of Columbia, a U.S. commonwealth or territory, or any of their political subdivisions or instrumentalities.

4—A foreign government or any of its political subdivisions, agencies, or instrumentalities.

5—A corporation.

6—A dealer in securities or commodities required to register in the United States, the District of Columbia, or a U.S. commonwealth or territory.

7—A futures commission merchant registered with the Commodity Futures Trading Commission.

8—A real estate investment trust.

9—An entity registered at all times during the tax year under the Investment Company Act of 1940.

10—A common trust fund operated by a bank under section 584(a).

11—A financial institution as defined under section 581.

12—A middleman known in the investment community as a nominee or custodian.

13—A trust exempt from tax under section 664 or described in section 4947.

The following chart shows types of payments that may be exempt from backup withholding. The chart applies to the exempt payees listed above, 1 through 13.

IF the payment is for . . .	THEN the payment is exempt for . . .
• Interest and dividend payments	All exempt payees except for 7.
• Broker transactions	Exempt payees 1 through 4 and 6 through 11 and all C corporations. S corporations must not enter an exempt payee code because they are exempt only for sales of noncovered securities acquired prior to 2012.
• Barter exchange transactions and patronage dividends	Exempt payees 1 through 4.
• Payments over $600 required to be reported and direct sales over $5,000[1]	Generally, exempt payees 1 through 5.[2]
• Payments made in settlement of payment card or third-party network transactions	Exempt payees 1 through 4.

[1] See Form 1099-MISC, Miscellaneous Information, and its instructions.

[2] However, the following payments made to a corporation and reportable on Form 1099-MISC are not exempt from backup withholding: medical and health care payments, attorneys' fees, gross proceeds paid to an attorney reportable under section 6045(f), and payments for services paid by a federal executive agency.

Exemption from FATCA reporting code. The following codes identify payees that are exempt from reporting under FATCA. These codes apply to persons submitting this form for accounts maintained outside of the United States by certain foreign financial institutions. Therefore, if you are only submitting this form for an account you hold in the United States, you may leave this field blank. Consult with the person requesting this form if you are uncertain if the financial institution is subject to these requirements. A requester may indicate that a code is not required by providing you with a Form W-9 with "Not Applicable" (or any similar indication) entered on the line for a FATCA exemption code.

A—An organization exempt from tax under section 501(a) or any individual retirement plan as defined in section 7701(a)(37).

B—The United States or any of its agencies or instrumentalities.

C—A state, the District of Columbia, a U.S. commonwealth or territory, or any of their political subdivisions or instrumentalities.

D—A corporation the stock of which is regularly traded on one or more established securities markets, as described in Regulations section 1.1472-1(c)(1)(i).

E—A corporation that is a member of the same expanded affiliated group as a corporation described in Regulations section 1.1472-1(c)(1)(i).

F—A dealer in securities, commodities, or derivative financial instruments (including notional principal contracts, futures, forwards, and options) that is registered as such under the laws of the United States or any state.

G—A real estate investment trust.

H—A regulated investment company as defined in section 851 or an entity registered at all times during the tax year under the Investment Company Act of 1940.

I—A common trust fund as defined in section 584(a).

J—A bank as defined in section 581.

K—A broker.

L—A trust exempt from tax under section 664 or described in section 4947(a)(1).

M—A tax-exempt trust under a section 403(b) plan or section 457(g) plan.

Note: You may wish to consult with the financial institution requesting this form to determine whether the FATCA code and/or exempt payee code should be completed.

Line 5

Enter your address (number, street, and apartment or suite number). This is where the requester of this Form W-9 will mail your information returns. If this address differs from the one the requester already has on file, enter "NEW" at the top. If a new address is provided, there is still a chance the old address will be used until the payor changes your address in their records.

Line 6

Enter your city, state, and ZIP code.

Part I. Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. If you are a resident alien and you do not have, and are not eligible to get, an SSN, your TIN is your IRS ITIN. Enter it in the entry space for the Social security number. If you do not have an ITIN, see *How to get a TIN* below.

If you are a sole proprietor and you have an EIN, you may enter either your SSN or EIN.

If you are a single-member LLC that is disregarded as an entity separate from its owner, enter the owner's SSN (or EIN, if the owner has one). If the LLC is classified as a corporation or partnership, enter the entity's EIN.

Note: See *What Name and Number To Give the Requester*, later, for further clarification of name and TIN combinations.

How to get a TIN. If you do not have a TIN, apply for one immediately. To apply for an SSN, get Form SS-5, Application for a Social Security Card, from your local SSA office or get this form online at *www.SSA.gov*. You may also get this form by calling 800-772-1213. Use Form W-7, Application for IRS Individual Taxpayer Identification Number, to apply for an ITIN, or Form SS-4, Application for Employer Identification Number, to apply for an EIN. You can apply for an EIN online by accessing the IRS website at *www.irs.gov/EIN*. Go to *www.irs.gov/Forms* to view, download, or print Form W-7 and/or Form SS-4. Or, you can go to *www.irs.gov/OrderForms* to place an order and have Form W-7 and/or Form SS-4 mailed to you within 15 business days.

If you are asked to complete Form W-9 but do not have a TIN, apply for a TIN and enter "Applied For" in the space for the TIN, sign and date the form, and give it to the requester. For interest and dividend payments, and certain payments made with respect to readily tradable instruments, you will generally have 60 days to get a TIN and give it to the requester before you are subject to backup withholding on payments. The 60-day rule does not apply to other types of payments. You will be subject to backup withholding on all such payments until you provide your TIN to the requester.

Note: Entering "Applied For" means that you have already applied for a TIN or that you intend to apply for one soon. See also *Establishing U.S. status for purposes of chapter 3 and chapter 4 withholding*, earlier, for when you may instead be subject to withholding under chapter 3 or 4 of the Code.

Caution: A disregarded U.S. entity that has a foreign owner must use the appropriate Form W-8.

Part II. Certification

To establish to the withholding agent that you are a U.S. person, or resident alien, sign Form W-9. You may be requested to sign by the withholding agent even if item 1, 4, or 5 below indicates otherwise.

For a joint account, only the person whose TIN is shown in Part I should sign (when required). In the case of a disregarded entity, the person identified on line 1 must sign. Exempt payees, see *Exempt payee code*, earlier.

Signature requirements. Complete the certification as indicated in items 1 through 5 below.

1. Interest, dividend, and barter exchange accounts opened before 1984 and broker accounts considered active during 1983. You must give your correct TIN, but you do not have to sign the certification.

2. Interest, dividend, broker, and barter exchange accounts opened after 1983 and broker accounts considered inactive during 1983. You must sign the certification or backup withholding will apply. If you are subject to backup withholding and you are merely providing your correct TIN to the requester, you must cross out item 2 in the certification before signing the form.

3. Real estate transactions. You must sign the certification. You may cross out item 2 of the certification.

4. Other payments. You must give your correct TIN, but you do not have to sign the certification unless you have been notified that you have previously given an incorrect TIN. "Other payments" include payments made in the course of the requester's trade or business for rents, royalties, goods (other than bills for merchandise), medical and health care services (including payments to corporations), payments to a nonemployee for services, payments made in settlement of payment card and third-party network transactions, payments to certain fishing boat crew members and fishermen, and gross proceeds paid to attorneys (including payments to corporations).

5. Mortgage interest paid by you, acquisition or abandonment of secured property, cancellation of debt, qualified tuition program payments (under section 529), ABLE accounts (under section 529A), IRA, Coverdell ESA, Archer MSA or HSA contributions or distributions, and pension distributions. You must give your correct TIN, but you do not have to sign the certification.

What Name and Number To Give the Requester

For this type of account:	Give name and SSN of:
1. Individual	The individual
2. Two or more individuals (joint account) other than an account maintained by an FFI	The actual owner of the account or, if combined funds, the first individual on the account[1]
3. Two or more U.S. persons (joint account maintained by an FFI)	Each holder of the account
4. Custodial account of a minor (Uniform Gift to Minors Act)	The minor[2]
5. a. The usual revocable savings trust (grantor is also trustee)	The grantor-trustee[1]
b. So-called trust account that is not a legal or valid trust under state law	The actual owner[1]
6. Sole proprietorship or disregarded entity owned by an individual	The owner[3]
7. Grantor trust filing under Optional Filing Method 1 (see Regulations section 1.671-4(b)(2)(i)(A))**	The grantor*
8. Disregarded entity not owned by an individual	The owner
9. A valid trust, estate, or pension trust	Legal entity[4]
10. Corporation or LLC electing corporate status on Form 8832 or Form 2553	The corporation
11. Association, club, religious, charitable, educational, or other tax-exempt organization	The organization
12. Partnership or multi-member LLC	The partnership
13. A broker or registered nominee	The broker or nominee
14. Account with the Department of Agriculture in the name of a public entity (such as a state or local government, school district, or prison) that receives agricultural program payments	The public entity
15. Grantor trust filing Form 1041 or under the Optional Filing Method 2, requiring Form 1099 (see Regulations section 1.671-4(b)(2)(i)(B))**	The trust

[1] List first and circle the name of the person whose number you furnish. If only one person on a joint account has an SSN, that person's number must be furnished.

[2] Circle the minor's name and furnish the minor's SSN.

[3] You must show your individual name on line 1, and enter your business or DBA name, if any, on line 2. You may use either your SSN or EIN (if you have one), but the IRS encourages you to use your SSN.

[4] List first and circle the name of the trust, estate, or pension trust. (Do not furnish the TIN of the personal representative or trustee unless the legal entity itself is not designated in the account title.)

* **Note:** The grantor must also provide a Form W-9 to the trustee of the trust.

** For more information on optional filing methods for grantor trusts, see the Instructions for Form 1041.

Note: If no name is circled when more than one name is listed, the number will be considered to be that of the first name listed.

Secure Your Tax Records From Identity Theft

Identity theft occurs when someone uses your personal information, such as your name, SSN, or other identifying information, without your permission to commit fraud or other crimes. An identity thief may use your SSN to get a job or may file a tax return using your SSN to receive a refund.

To reduce your risk:

- Protect your SSN,
- Ensure your employer is protecting your SSN, and
- Be careful when choosing a tax return preparer.

If your tax records are affected by identity theft and you receive a notice from the IRS, respond right away to the name and phone number printed on the IRS notice or letter.

If your tax records are not currently affected by identity theft but you think you are at risk due to a lost or stolen purse or wallet, questionable credit card activity, or a questionable credit report, contact the IRS Identity Theft Hotline at 800-908-4490 or submit Form 14039.

For more information, see Pub. 5027, Identity Theft Information for Taxpayers.

Victims of identity theft who are experiencing economic harm or a systemic problem, or are seeking help in resolving tax problems that have not been resolved through normal channels, may be eligible for Taxpayer Advocate Service (TAS) assistance. You can reach TAS by calling the TAS toll-free case intake line at 877-777-4778 or TTY/TDD 800-829-4059.

Protect yourself from suspicious emails or phishing schemes. Phishing is the creation and use of email and websites designed to mimic legitimate business emails and websites. The most common act is sending an email to a user falsely claiming to be an established legitimate enterprise in an attempt to scam the user into surrendering private information that will be used for identity theft.

The IRS does not initiate contacts with taxpayers via emails. Also, the IRS does not request personal detailed information through email or ask taxpayers for the PIN numbers, passwords, or similar secret access information for their credit card, bank, or other financial accounts.

If you receive an unsolicited email claiming to be from the IRS, forward this message to *phishing@irs.gov*. You may also report misuse of the IRS name, logo, or other IRS property to the Treasury Inspector General for Tax Administration (TIGTA) at 800-366-4484. You can forward suspicious emails to the Federal Trade Commission at *spam@uce.gov* or report them at *www.ftc.gov/complaint*. You can contact the FTC at *www.ftc.gov/idtheft* or 877-IDTHEFT (877-438-4338). If you have been the victim of identity theft, see *www.IdentityTheft.gov* and Pub. 5027.

Go to *www.irs.gov/IdentityTheft* to learn more about identity theft and how to reduce your risk.

Privacy Act Notice

Section 6109 of the Internal Revenue Code requires you to provide your correct TIN to persons (including federal agencies) who are required to file information returns with the IRS to report interest, dividends, or certain other income paid to you; mortgage interest you paid; the acquisition or abandonment of secured property; the cancellation of debt; or contributions you made to an IRA, Archer MSA, or HSA. The person collecting this form uses the information on the form to file information returns with the IRS, reporting the above information. Routine uses of this information include giving it to the Department of Justice for civil and criminal litigation and to cities, states, the District of Columbia, and U.S. commonwealths and territories for use in administering their laws. The information may also be disclosed to other countries under a treaty, to federal and state agencies to enforce civil and criminal laws, or to federal law enforcement and intelligence agencies to combat terrorism. You must provide your TIN whether or not you are required to file a tax return. Under section 3406, payors must generally withhold a percentage of taxable interest, dividends, and certain other payments to a payee who does not give a TIN to the payor. Certain penalties may also apply for providing false or fraudulent information.

Subject: Emergency Approval Request -

Good morning Mark,

The ITT Department respectfully requests your approval to expedite Insight (Microsoft 365) Amendment 4 through an abbreviated committee review process.

REQUEST: We are seeking approval to present Insight (Microsoft 365) Amendment 4 to only two committees:

- Finance Committee (12/08/2025)
- Governing Body (12/10/2025)

JUSTIFICATION: This request requires expedited processing due to the urgent nature of the renewal of our Microsoft 365 software which is used citywide.
We appreciate your consideration of this time-sensitive matter and are available to provide any additional information you may require.

Requested Action: Please approve the abbreviated committee review process for Insight (Microsoft 365) Amendment 4.

Thank you,
Joshua Love Chandler
Contract Administrator

CITY OF SANTA FE

Date: November 20, 2025

To: Governing Body, Finance Committee, and Public Works & Utilities Committee

Via: Sam Burnett, Interim Public Works Department Director JOHN BURNETT (Nov 26, 2025 11:57:12 MST)

From: Gabrielle Chavez, Transit Director of Administration Gabrielle Chavez (Nov 26, 2025 10:38:05 MST)

ACTION:
Request for Approval of a Memorandum of Agreement (MOA) with The State of New Mexico Department of Transportation (NMDOT) for Public Transportation Service funding in the Amount of $807,315.10 (Gabrielle Chavez, Transit Director of Administration: gnchavez@santafenm.gov)

Request for Approval of a Budget Adjustment Resolution (BAR) in the Total Amount of $1,009,146 to Budget Proceeds from the MOA with NMDOT in the Amount of $807,315 with Local Match of $201,830 from Transit Fund Balance. (Gabrielle Chavez, Transit Director of Administration: gnchavez@santafenm.gov)

Request Authorization of the Chief Procurement Officer to Issue a Purchase Order to Purchase Six Paratransit E-Transit Buses for an Amount of $400,287 (Gabrielle Chavez, Transit Director of Administration: gnchavez@santafenm.gov)

BACKGROUND AND SUMMARY:
The city has been awarded an FTA Award, identified as FY26 Section 5310 Enhanced Mobility of Seniors and Individuals with Disabilities Funding for FY26 by the NMDOT Transit and Rail Division. The purpose of the grant is two-fold: to purchase six new Ford E-Transit paratransit, fourteen-passenger vans, each equipped with two rear lift wheelchair positions at $66,714 each for a total of $400,287. These vans will replace three paratransit vans that have met or exceeded their useful life and three expansion paratransit vans for new microtransit service. The 2nd purpose of the grant is to construct EV charging stations for Transit.

FISCAL YEAR 2026 (FY 26)

MEMORANDUM OF AGREEMENT

BETWEEN

THE NEW MEXICO DEPARTMENT OF TRANSPORTATION

AND

CITY OF SANTA FE

This Agreement is between the **STATE OF NEW MEXICO**, acting through its **DEPARTMENT OF TRANSPORTATION**, Transit and Rail Division (Department), and the **CITY OF SANTA FE** (Subrecipient). This Agreement is effective as of the date of the last party to sign it on the signature page below.

RECITALS

Whereas, 49 U.S.C. Section 5305(e) provides federal assistance for public transportation statewide planning that can be used to provide technical assistance to subrecipients for planning purposes;

Whereas, 49 U.S.C. Section 5307 provides federal assistance for public transportation in small urbanized areas by way of a formula grant program which may be administered by the State;

Whereas, 49 U.S.C. Section 5310 provides federal assistance for public transportation to meet the special needs of seniors and individuals with disabilities by way of a formula grant program administered by the State;

Whereas, 49 U.S.C. Section 5311 provides federal assistance for public transportation in rural areas by way of a formula grant program administered by the State;

Whereas, 49 U.S.C. Section 5339 provides federal assistance for buses and bus-related equipment and facilities by way of a formula and discretionary grant program administered by the State;

Whereas, the State of New Mexico participates in the 49 U.S.C. Section 5305(e), 49 U.S.C. Section 5307, 49 U.S.C. Section 5310, 49 U.S.C. Section 5311, and U.S.C. Section 5339 programs, collectively referred to herein as the Program;

Whereas, the Governor of the State of New Mexico designated the Department to administer the Program funds; and

Whereas, the Subrecipient applied for financial assistance for public transportation services, which was approved by the Department and the Federal Transit Administration (FTA).

Now, therefore, pursuant to Section 67-3-69 NMSA 1978, the parties agree as follows:

1. Scope of Program.

A. **Operations Profile.** The Subrecipient shall provide transportation services to the public within its service area as specified in the Operations Profile submitted with the Application, which is incorporated by reference and is on file with the Department and the Subrecipient.

B. **Use of Program Equipment.** The Subrecipient agrees that any Program equipment purchased under this Agreement shall be used to provide public transportation service within the area described in the Operations Profile. If the equipment is not used in this manner or withdrawn from service, the Subrecipient shall notify the Department in accordance with *Section 15. Use of Program Equipment*.

Docusign Envelope ID: 65BD2169-4BF9-446E-97D2-BE437C6C9DA8

C. **Use of Program Funds.** The services described in the Operations Profile shall remain intact throughout the term of this Agreement. If the services change, the Subrecipient must submit a revised Operations Profile. The Subrecipient shall notify and seek prior approval from the Department if there will be an elimination or a reduction of services greater than twenty percent (20%). Failure to provide notice shall give the Department cause for termination, as described in *Section 7. Termination for Cause*.

D. **Fare Schedule.** The fare schedule, which shall be approved by the Subrecipient's governing body, shall be stated in the approved Operations Profile. The Subrecipient shall provide the Department with prior notification of any changes to the fare schedule and documentation of governing body approval.

E. **Advertising and Public Information (Section 5311).** The Subrecipient shall implement an advertising and information program. Acceptable methods include but are not limited to websites, social media, apps, trip planners, brochures, fliers and handbills, signs and posters, radio announcements, press releases and articles in local and organization newspapers, bulletins, and newsletters. Subrecipients operating fixed and deviated routes shall maintain and update as needed General Transit Feed Specification (GTFS) data. In addition, the name of the service together with the words "Public Transportation" shall be prominently displayed on all vehicle(s) and be readable at a distance of no less than thirty (30) feet. Painted or affixed signing with a decal is acceptable. Magnetic signs are not acceptable. The name shall indicate that the service is a transportation system open to the public. The Subrecipient shall have a telephone number established and operative during hours of transportation services so that the public can access information. All methods of advertising and the signs on the vehicles shall include the telephone number.

F. **Personnel.** The Subrecipient shall maintain and update organizational contacts in BlackCat Transit Data Management System (BlackCat).

2. Cost of Program.

The Department shall provide partial funding to the Subrecipient to cover expenses of the Program as described in the approved Operations Profile in an amount described below:

Subaward FY 26

City of Santa Fe, Santa Fe Trails	Total	Federal	Local
Capital to Subrecipient (80/20)) Section 5310 Equipment	$614,273.25	$ 491,418.60	$ 122,854.65
Capital to Subrecipient (80/20)) Section 5310 Vehicles	$394,870.62	$ 315,896.50	$ 78,974.12
Total Capital	**$1,009,143.87**	**$ 807,315.10**	**$ 201,828.77**

Vehicle acquisition funds that designate payment as capital to subrecipient that are not obligated by contract by September 30, 2026, may revert to the Department.

Capital equipment acquisition funds that are not obligated by contract by September 30, 2027, may revert to the Department.

Capital rehab/renovation and construction project funds that are not obligated by contract by September 30, 2028, may revert to the Department.

This program is funded with grants provided by the FTA Section 5305 Statewide Transportation Planning Formula Program, Assistance Listing number 20.505; FTA Section 5307 Urbanized Area Formula Program, Assistance Listing number 20.507; FTA Section 5310 Enhanced Mobility of Seniors and Individuals with Disabilities Program, Assistance Listing number 20.513; FTA Section 5311 Formula Grants for Rural Areas, Assistance Listing number 20.509; and FTA Section 5339 Bus and Bus Facilities Formula and Discretionary Program, Assistance Listing number 20.526. (**Attachment A**.) The Department's share of Program expenses shall be obtained from the federal government. State funds will not be earmarked or disbursed to fund the

Docusign Envelope ID: 65BD2169-4BF9-446E-97D2-BE437C6C9DA8

Program. The Department shall not be responsible for any other costs incurred by the Subrecipient. The Subrecipient shall take all actions necessary to fund its share of the Program.

3. Method of Payment.

The Department shall reimburse the Subrecipient for the Department's share of Program administration, operating assistance, and/or non-vehicle capital upon receipt of invoices with sufficient supporting documentation as determined and approved by the Department indicating that expenses have been paid and/or money is owed.

The Subrecipient is to submit Budget Summary Reports for administration and/or operating assistance on a monthly basis, to be received by the Department by the 25th day of the following month. Reimbursement requests for non-vehicle capital shall be submitted within 30 days of payment to the vendor.

All reimbursement requests shall be submitted to the Department utilizing BlackCat. All expenses must be actual and listed on the invoice as charged. Rounding up or down, other than the total, is not permitted. Only those expenses or percentage thereof, properly documented and deemed eligible, shall be reimbursed. The Department may withhold payment of invoices that are incorrect and/or incomplete.

Subrecipients that receive capital assistance for vehicle purchases are expected to remit payment to the vendor within 30 days of vehicle delivery.

Subrecipients with capital to subrecipient designation will pay the vendor in full for the cost of the vehicle and invoice NMDOT for reimbursement of the federal share (80/20).

Reimbursements will be issued upon receipt of invoices, with sufficient supporting documentation as determined and approved by the Department, indicating that expenses have been paid and/or money is owed. The Subrecipient should refer to the Vehicle Purchase Procedures in the Global Resources section of BlackCat for payment procedures.

4. Eligible Costs.

A. Eligible Costs are those costs attributable to and allowed under the Program and the provisions of 2 CFR Parts 200 and 1201, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*.

B. Costs incurred by the Subrecipient prior to the effective date of this Agreement or after termination are not eligible for reimbursement.

C. Within forty-five (45) days after completion of this Agreement, the Subrecipient shall submit a final invoice to the Department for Administration and Operating expenses and a financial statement showing the total expense of the Program.

D. Match shall be provided from eligible matching sources.

5. State General Appropriation Funds Not Obligated.

Nothing in this Agreement shall be construed as obligating State general appropriation funds for payment of any debt or liability arising under this Agreement. The parties expressly acknowledge that all payments made under this Agreement are from federal funds appropriated for these purposes.

6. Term.

Upon the signature of all parties, this Agreement becomes effective with a starting date of October 1, 2025.

Docusign Envelope ID: 65BD2169-4BF9-446E-97D2-BE437C6C9DA8

Costs incurred under this agreement for Administration and Operating expenses from October 1, 2025, to September 30, 2026, are eligible for reimbursement.

Vehicle acquisition funds that designate payment as capital to subrecipient that are obligated by contract by September 30, 2026, are eligible for reimbursement.

Capital equipment acquisition funds obligated by contract by September 30, 2027, are eligible for reimbursement.

Capital rehab/renovation and construction project funds obligated by contract by September 30, 2028, are eligible for reimbursement.

7. Termination for Cause.

The Department has the option to terminate this Agreement if the Subrecipient fails to comply with any provision. A written notice of termination shall be given at least thirty (30) days prior to the intended date of termination and shall identify all of the Subrecipients breaches on which the termination is based.

The Department may provide the Subrecipient with a reasonable opportunity to correct the breach. If within ten (10) days after receipt of a written notice of termination, the Subrecipient has not corrected the breach or, in the case of a breach which cannot be corrected in ten (10) days, the Subrecipient has not begun and proceeded in good faith to correct the breach, the Department may declare the Subrecipient in default and terminate the Agreement. The Department shall retain any and all other remedies available to it under the law. Upon termination of this Agreement, the Subrecipient shall return the Program equipment as specified in *Section 1. Scope of the Program*.

8. Appropriations.

The terms of this Agreement are contingent upon sufficient appropriations and authorizations being made by the Congress of the United States. If sufficient appropriations and authorizations are not made, this Agreement shall terminate upon written notice from the Department to the Subrecipient. The Department's decision as to whether sufficient appropriations are available shall be accepted by the Subrecipient and shall be final.

9. Termination Management, Allowable Costs.

In the event of termination, neither party may nullify obligations already incurred for performance or failure to perform. The Subrecipient shall be paid for all the allowable costs incurred prior to the date of termination, subject to audit verification by the Department or its duly authorized representative. The Subrecipient shall not be paid for any costs incurred that are inconsistent with, or contrary to, the terms and conditions of this Agreement.

10. Breach and Dispute Resolution.

A. **Matters to be Submitted to Arbitration**. All disputes and controversies of every kind and nature between the Department and the Subrecipient as to the existence, construction, validity, interpretation or meaning, performance, nonperformance, enforcement, operation, breach, continuance, or termination of this Agreement shall be submitted to arbitration pursuant to the procedure set forth herein.

B. **Procedure**.

1. Either party may demand arbitration in writing, identifying its arbitrator and the issue in controversy.
2. Within twenty (20) days after demand, the other party(s) shall name its arbitrator. In the event of a default, an arbitrator shall be named by the American Arbitration Association (AAA).
3. The two (2) arbitrators then shall name a third arbitrator within twenty (20) days. In the event of a default, the Federal District Court of New Mexico will appoint a third arbitrator within thirty (30) days. In the event of a default, the AAA shall appoint the third arbitrator.

Docusign Envelope ID: 65BD2169-4BF9-446E-97D2-BE437C6C9DA8

4. Each party shall pay their individual arbitration costs and expenses. The parties will share the arbitrators' fees, costs and expenses equally.
5. The arbitrators shall schedule a hearing, providing at least twenty (20) days' written notice to the parties.
6. The arbitrators' award shall be final and binding on all parties, and the parties agree to be bound by such award.
7. The parties shall follow the Commercial Arbitration Rules of the AAA, unless specified differently in this Agreement or negotiated with a signed written agreement prior to the hearing.

C. **Arbitration as Bar to Suit**.

1. The parties stipulate that the arbitration provisions of this Agreement shall be a complete defense to any suit, action, or proceeding instituted in federal, state, or tribal court or before an administrative tribunal with respect to any controversy or dispute arising during the period of this Agreement and which is capable of being arbitrated as set forth in this Agreement.

2. The arbitration provisions of this Agreement shall, with respect to such controversy or dispute, survive the termination or expiration of this Agreement.

D. **Lack of Arbitrators' Authority to Modify Agreement**. Nothing contained in this Agreement shall be deemed to give the arbitrators any authority, power, or right to alter, change, amend, modify, add to, or subtract from any of the provisions of this Agreement.

E. **Enforcement**. Failure by either party to arbitrate any dispute pursuant to the procedure set forth herein when a demand to do so has been made by the other party or failure by either party to comply with the arbitration award shall amount to a material breach of this Agreement and shall entitle the party who demanded arbitration to cease performance of any obligation set forth in this Agreement at the sole discretion of that party.

F. **Nonapplicability of Uniform Arbitration Act**. To the extent allowed by law, this Agreement is not subject to enforcement under the Uniform Arbitration Act, NMSA 1978, Sections 44-7A-1 *et seq*.

11. Procurement Requirements.

The Subrecipient shall purchase Program equipment pursuant to procedures established by 2 CFR Parts 200 and 1201, the United States Department of Transportation (U.S. DOT), the FTA, applicable New Mexico State Law, and the standards set forth in: Third Party Contracting Guidance, FTA Circular 4220.1G; and the Americans with Disabilities Act of 1990, Pub. L. No. 101-336.

The Subrecipient agrees to comply with 49 U.S.C. Section 5323(j) as amended by the Infrastructure Investment in Jobs Act (IIJA).

Prior to awarding a bid award or execution of a contract for services or capital equipment in excess of $10,000, the Subrecipient shall seek concurrence in writing from the Department.

12. Rolling Stock.

In acquiring rolling stock, the Subrecipient agrees that the parties are bound by the following provisions:

A. **Method of Acquisition**. In compliance with 49 U.S.C. Section 5325(f), the Subrecipient agrees that any third party contract award it makes for rolling stock will be based on initial capital costs, or on performance, standardization, life cycle costs, and other factors, or on a competitive procurement process.

B. **Multi-year Options**. In accordance with 49 U.S.C. Section 5325(e)(1), the Subrecipient procuring rolling stock financed with Federal assistance under 49 U.S.C. Chapter 53 may not enter into a multiyear contract

Docusign Envelope ID: 65BD2169-4BF9-446E-97D2-BE437C6C9DA8

with options, exceeding five (5) years after the date of the original contract, to purchase additional rolling stock and replacement parts.

C. **Buy America**. The Subrecipient agrees to comply with the requirements of 49 U.S.C. Section 5323(j) and FTA regulations, "Buy America Requirements," 49 C.F.R. Part 661, and any amendments to those regulations that may be promulgated.

D. **Pre-Award and Post-Delivery Audits**. The Subrecipient agrees to comply with the requirements of 49 U.S.C. Section 5323(m) and FTA regulations, "Pre Award and Post Delivery Audits of Rolling Stock Purchases," 49 C.F.R. Part 663, and any amendments to those regulations that may be promulgated.

E. **Bus Testing**. To the extent applicable, the Subrecipient agrees to comply with the requirements of 49 U.S.C. Section 5318(e) and FTA regulations, "Bus Testing," 49 C.F.R. Part 665, and any amendments to those regulations that may be promulgated.

13. Insurance.

The Subrecipient shall maintain liability, comprehensive, collision, and uninsured motorist insurance adequate to protect the Program equipment, and satisfactory to the Department. The Department shall be named as an additional insured and a loss payee on Subrecipient's policy for each vehicle on which the Department has a lien. A certificate of insurance shall be provided to the Department and it shall state that coverage provided under the policy is primary over any other valid insurance. The Subrecipient shall provide the Department with documentation of subsequent renewals and shall keep a copy of the insurance policy, which shall be accessible to the Department.

The Subrecipient shall require contractors and subcontractors hired to perform the services under this Agreement to have a commercial general liability insurance policy. The Department shall be named as an additional insured on the contractor's and subcontractor's policy and a certificate of insurance shall be provided to the Department and it shall state that coverage provided under the policy is primary over any other valid insurance.

The Subrecipient shall require contractors and subcontractors hired to perform services under this Agreement to indemnify, defend and hold harmless the State of New Mexico, the Department, its officers, agents and employees from and against all suits, actions or claims of any character brought because of any injury, including death or damages arising out of contractors' or subcontractors' construction or maintenance activities pursuant to this Agreement, as memorialized herein and subject to any additional permit that may be required of the contractor or subcontractor to perform said activities.

14. Liability, Tort Claims and Sovereign Immunity.

The Department and the Subrecipient shall not be responsible for liability incurred as a result of the other's acts or omissions. No provision of this Agreement establishes any waiver of immunity from liability for alleged tortious conduct of any employee of the Department or the Subrecipient arising from the performance of this Agreement apart from that set forth in the New Mexico Tort Claims Act, NMSA 1978, Sections 41-4-1, *et seq*., or any applicable consent to suit by the Subrecipient.

The Subrecipient grants to the Department a limited waiver of sovereignty for the sole purpose of performance under this Agreement. Nothing in this Agreement shall be construed to further limit the immunity of the Subrecipient under existing federal law.

As between the Department and the Subrecipient, neither party shall be responsible for liability incurred as a result of the other party's acts or omissions in connection with this agreement. Any liability incurred in connection with this Agreement is subject to the immunities and limitations of the New Mexico Tort Claims Act, Sections 41-4-1, *et seq*., NMSA 1978. This paragraph is intended only to define the liabilities between the parties and it is not intended to modify, in any way, the parties' liabilities as governed by the common law of the New Mexico Tort Claims Act.

Docusign Envelope ID: 65BD2169-4BF9-446E-97D2-BE437C6C9DA8

15. Use of Program Equipment.

A. A Program Vehicle Inventory shall be completed for each vehicle used in the program and entered into BlackCat within thirty (30) days of delivery. Vehicle Inventory shall be reported and updated within BlackCat on a quarterly schedule, and as changes to the vehicle inventory occur.

B. The Subrecipient shall maintain a current written fleet maintenance plan that includes procedures for preventive and corrective maintenance, warranty tracking and claims recovery, and recall notification and follow-up. Major corrective maintenance, warranty tracking and claims recovery, and recall notifications shall be reported in BlackCat as they are received and updated as repairs are completed.

C. The Subrecipient shall follow the equipment manufacturer's minimum standards and recommended preventive maintenance schedules. The Subrecipient shall maintain the equipment in a clean, safe, and mechanically sound condition. The Department or its authorized representative has the right to conduct periodic inspections during normal business hours for the purpose of confirming property maintenance pursuant to this clause.

D. The Subrecipient shall keep Vehicle Inspection Records before and/or after the use of each transit vehicle for at least three (3) years.

E. Each vehicle shall be equipped with a fire extinguisher, first aid kit (including a blood borne pathogens/biohazard kit), fluorescent triangles and/or safety flares, reflective vests for drivers, flashlights, and web cutters/seat belt cutters, while the vehicle is in operation.

F. Program Equipment Inventory shall be completed for each piece of equipment used in the Program with an acquisition value of $50,000 or greater. The Program Equipment Inventory shall be reported and updated within BlackCat on an annual schedule, and, as changes to the equipment inventory occur.

G. The Subrecipient shall maintain a current written equipment maintenance plan that includes procedures for preventive and corrective maintenance, warranty tracking and claims recovery, and recall notification and follow-up. The plan will address maintenance of equipment with an acquisition value of $10,000 or more.

H. Program Facilities Inventory shall be completed for each facility used in the Program. The Program Facility Inventory shall be reported and updated within BlackCat on an annual schedule, and, as changes to the facility inventory occur.

I. The Subrecipient shall maintain a current written facility maintenance plan that includes procedures for preventive and corrective maintenance, warranty tracking and claims recovery, and recall notification and follow-up.

J. The Program equipment shall be used to provide public transportation service within the described service area and in the manner described in *Section 1. Scope of Program*.

K. Failure to use Program equipment as described in *Section 1. Scope of Program* shall be considered a material breach of contract subject to the provisions of *Section 7. Termination for Cause*.

L. The Subrecipient shall notify the Department immediately of vehicular/facilities accidents, thefts, or vandalism involving Program equipment. All supporting documentation relating to the incident, including police reports, damage assessments, and insurance claims shall be reported and uploaded in BlackCat to the corresponding inventory record. Failure to notify the Department shall be considered a material breach of contract subject to the provisions of *Section 7. Termination for Cause*.

Docusign Envelope ID: 65BD2169-4BF9-446E-97D2-BE437C6C9DA8

M. All Program equipment that is damaged in an accident, by vandalism, or weather is to be repaired or replaced depending on the physical and monetary extent of the damage and according to its scheduled final disposition.

N. If the Subrecipient wants to remove any Program equipment from service or dispose of such equipment either as a result of planned withdrawal, casualty loss, or transfer, the Subrecipient shall submit a completed disposition or transfer request in BlackCat including all relevant and required supporting documentation. The Subrecipient should refer to the Vehicle Disposition Procedures in the Global Resources section of BlackCat.

O. The Department may require that Program equipment purchased under FTA programs, on which liens are held, be returned to the Department. Such Program equipment shall be returned in good working condition within ten (10) business days or as stipulated by the Department. If the Subrecipient fails to return the equipment, the Department, as the recorded lien holder, shall have the right to immediately repossess the vehicle(s) by whatever means available to it under New Mexico law.

P. Upon termination of the Agreement under *Section 7. Termination for Cause*, the Subrecipient shall not be eligible for reimbursement of any costs associated with the vehicle(s) purchase or be entitled to damages arising from Program operations, except that the Subrecipient shall be reimbursed for its pro-rata share of the Program equipment's depreciated value as determined by the straight-line depreciation method.

Q. The Subrecipient agrees that no modifications will be made to Program vehicle(s) with liens held by the Department without prior written approval of the Department. If unapproved modifications are made, the Subrecipient is responsible for the cost of restoring the vehicle(s) to its original condition.

16. Charter Bus Requirements.

The Subrecipient agrees to comply with 49 U.S.C. Section 5323(d) and 49 C.F.R. Part 604, which provides that recipients and subrecipients of FTA assistance are prohibited from providing charter service using federally funded equipment or facilities if there is at least one private charter operator willing and able to provide the service, except under one of the exceptions at 49 C.F.R. Part 604.9. Any charter service provided under one of the exceptions shall be "incidental." For example, it shall not interfere with or detract from the provision of mass transportation.

17. School Bus Requirements.

Pursuant to 49 U.S.C. Section 5323(f) and 49 C.F.R. Part 605, recipients and subrecipients of FTA assistance may not engage in school bus operations exclusively for the transportation of students and school personnel in competition with private school bus operators unless qualified under specified exemptions. When operating exclusive school bus service under an allowable exemption, recipients and sub recipients may not use federally funded equipment, vehicles, or facilities.

18. Certificate of Title for Vehicles.

Any title to capital equipment the Subrecipient purchases will reflect in a lien in favor of the Department. The liens will remain in effect according to the following schedule:

Docusign Envelope ID: 65BD2169-4BF9-446E-97D2-BE437C6C9DA8

Category	Approx. GVW	Minimum Life (either years or miles)	
		Years	Miles
Heavy-Duty Large Bus	33,000 to 40,000lbs	15	625,000
Medium-Duty and Purpose-Built Bus	16,000 to 26,000lbs	10	285,000
Light-Duty Mid-Sized Bus	10,000 to 16,000lbs	8	240,000
Light-Duty Small Bus, Cutaway, and Modified Van	6,000 to 14,000	7	175,000

The Subrecipient shall pay all costs associated with obtaining, securing, and maintaining titles and liens including the payment of all applicable taxes and fees.

19. Duration of Lien.

The Subrecipient shall not pledge or collateralize any vehicles purchased under this Agreement without written authorization from the Department. This restriction is in effect from the date a title certificate is issued to when the Department releases the lien pursuant to *Section 18. Certificate of Title for Vehicles*. For specifics on disposition of vehicles after title lien is released, the Subrecipient should refer to the Vehicle Disposition Procedures in the Global Resources section of BlackCat.

20. Reporting Requirements.

A. **Monthly Budget Summary Reporting**. Section 5311 Subrecipients shall submit a monthly invoice/report using BlackCat to include financial expenditures and service data, as described in *Section 3. Method of Payment*. This monthly invoice shall be submitted to the Department by the 25th of the following month. The invoice shall include the supporting documentation as requested by NMDOT.

B. **Final Administration and Operating Invoice**. Section 5311 Subrecipients shall submit a final invoice to the Department for Administration and Operating expenses and a financial statement showing the total expenses within 45 days of the end of the agreement.

C. **Semi-annual Disadvantaged Business Enterprise (DBE) Reporting**. Section 5311 Subrecipients shall submit in BlackCat semi-annual DBE reports due May 15 (for the period October 1 to March 31) and due November 15 (for the period April 1 to September 30).

D. **Vehicle/ Equipment/ Facility Updates**. Section 5310 and Section 5311/5339 Subrecipients shall report vehicle/ equipment/ facility inventories within the BlackCat system as well as updates to the vehicle/ equipment/facility inventories on a quarterly schedule or as they occur. Reporting requirements apply to equipment valued at $50,000 or greater.

E. **Quarterly Section 5310 Ridership Reporting**. Section 5310 Subrecipients shall report Section 5310 ridership statistics quarterly within BlackCat system. Quarterly Ridership Reports are due thirty (30) days after each quarter ends. Reports are due January 30, April 30, July 30, and October 30 respectively.

F. **Drug and Alcohol Quarterly Testing Report**. Section 5311 Subrecipients will submit a quarterly Testing Report in BlackCat for each quarter of the calendar year. Subrecipients will also conduct one (1) breath alcohol test observation and two (2) urine collection observations during the calendar year. Completed checklists shall be submitted with the corresponding quarterly testing report during the quarter in which the test(s) were observed. Reports are due January 31, April 30, July 31, and October 31 respectively.

Docusign Envelope ID: 65BD2169-4BF9-446E-97D2-BE437C6C9DA8

G. **National Transit Database (NTD) Rural Report**. Section 5311 Subrecipients will submit an annual NTD report, as required by 49 U.S.C. Section 5335, due December 15.

H. **Drug and Alcohol Management Information System (MIS) Data**. Section 5311 Subrecipients will submit drug and alcohol testing data for the previous calendar year using the Management Information System (MIS) Data Collection Form to the entity designated by the Department before March 1 of each year.

I. **Drug and Alcohol Compliance Review/Report**. Section 5311 Subrecipients will participate in Drug and Alcohol Compliance Reviews by the Department. Once a final report has been issued, the Subrecipient will begin to implement corrective actions, providing supportive documentation for all deficiencies cited in the final report and respond to all recommendations in the final report.

J. **Technical Assistance and Compliance Review/Report**. Section 5310 and Section 5311/5339 Subrecipients will participate in a Technical Assistance and Compliance Review by the Department. Once a final report has been issued, the Subrecipient will begin to implement corrective actions, providing supportive documentation for all deficiencies cited in the final report and respond to all recommendations in the final report.

K. **Transit Asset Management (TAM) Reporting**. Section 5310 and Section 5311 Public Transit Providers may participate in a group TAM Plan sponsored by The Department (49 U.S.C. 625). All TAM plan participants shall sign a TAM Plan Approval Statement and assign an Accountable Executive to be identified in BlackCat. TAM reporting requires participants to maintain updated asset/facility inventories and condition assessments in BlackCat.

The Department may withhold payment of monthly invoices if reports are not submitted in a timely manner, are incorrect and/or incomplete. The Subrecipient's failure to submit reports in a timely manner on the dates specified shall be a material breach of this Agreement and shall be subject to termination as provided in *Section 7. Termination for Cause*.

21. Retention of Records.

The Subrecipient shall maintain all books, documents, papers, accounting records, reports and other evidence pertaining to costs incurred in the Program for three (3) years after the date of termination or expiration of this Agreement.

22. Access to Records.

The Subrecipient shall grant authorized representatives of the Department, the State, and the federal government access to books, documents, papers, reports, and records of the Subrecipient or its contractors or subcontractors, which are directly pertinent to this Agreement, for the purpose of making audits, examination excerpts, and transcriptions. The Subrecipient agrees to permit any of the foregoing parties to reproduce by any means whatsoever or to copy excerpts and transcriptions as reasonably needed. The Subrecipient shall reimburse the Department for any expenditure for which it receives payment or reimbursement, as applicable, which is disallowed by an audit exception by the Department, the State or federal government.

23. Audit.

The Subrecipient shall ensure that an annual audit of the Program based on the Subrecipient's fiscal year shall be conducted pursuant to 2 CFR Parts 200 and 1201.

24. Audit Exceptions.

If federal or State audit exceptions are made, the Subrecipient shall reimburse all costs incurred by the State and the Department associated with defending against the exceptions, which includes but is not limited to costs of performing a new audit or a follow-up audit, court costs, attorneys' fees, travel costs, penalty assessments.

Docusign Envelope ID: 65BD2169-4BF9-446E-97D2-BE437C6C9DA8

Immediately upon notification from the Department, the Subrecipient shall reimburse the amount of the audit exception and any other related costs directly to the Department. In the notification, the Department may inform the Subrecipient of the Department's election to withhold an amount equal to the payment owed under this Section from any future distribution owed to Subrecipient under this Agreement.

25. Third Party Beneficiaries.

It is not intended by any of the provisions of any part of this Agreement to create in the public or any member thereof a third party beneficiary or to authorize anyone not a party to the Agreement to maintain a suit(s) for wrongful death(s), bodily and/or personal injury(ies) to person(s), damage(s) to property(ies), and/or any other claim(s) whatsoever pursuant to the provisions of this Agreement.

26. Contracting and Assignment.

The Subrecipient shall not contract or permit to have subcontracted any portion of this Agreement without prior written approval of the Department. No such contracting or subcontracting shall relieve the Subrecipient from its obligations and liabilities under this Agreement, nor shall any contracting or subcontracting obligate payment from the Department.

Except to a successor in kind, the Subrecipient shall not assign or transfer any interest in this Agreement or assign any claim for money due or to become due under this Agreement without the prior written approval of the Department.

Should contract(s), subcontract(s) or an assignment be authorized by the Department, the contractor(s), subcontractor(s) and assignor(s) shall be subject to all provisions of this Agreement. It shall be the Subrecipient's responsibility to duly inform the contractor(s), subcontractor(s) and assignor(s) by means of a contract or other legally binding document stipulating responsibility to this Agreement.

27. Training.

The Subrecipient shall ensure that all drivers described in the Operations Profile are trained in accordance with the Department's Training Standard Operating Procedures. The Subrecipient should refer to the Training Procedures in the Global Resources section of BlackCat. Should the Subrecipient fail to satisfy the terms and conditions as outlined, the Subrecipient may be found to be in breach of contract and subject to the provisions of *Section 7. Termination for Cause*.

28. No Federal Government Obligation to Third Parties.

A. The Department and Subrecipient acknowledge and agree that, notwithstanding any concurrence by the federal government in or approval of the solicitation or award of the underlying Agreement, absent the express written consent by the federal government, the federal government is not a party to this Agreement and shall not be subject to any obligations or liabilities to the Department, Subrecipient, or any other party (whether or not a party to the Agreement or any contract or subcontract) pertaining to any matter resulting from the Agreement.

B. The Subrecipient agrees to include the above clause in each contract or subcontract financed in whole or in part with federal assistance provided by FTA. It further agrees that the clause shall not be modified, except to identify the contractor or subcontractor who will be subject to its provisions.

29. Drug and Alcohol Testing (Section 5311).

A. The Subrecipient will implement a drug and alcohol testing program that complies with 49 C.F.R. Parts 40 and 655 for its Section 5311 and 5310 programs.

Docusign Envelope ID: 65BD2169-4BF9-446E-97D2-BE437C6C9DA8

B. The Subrecipient shall produce documentation necessary to establish its compliance, permit authorized representatives of the U.S. DOT or the Department to inspect the facilities and records associated with the drug and alcohol testing program, and review the testing process.

C. The Subrecipient will submit for review and approval a copy of its Policy Statement developed to implement its drug and alcohol testing program.

D. The Subrecipient agrees to participate in the Department's consortium.

E. The Subrecipient agrees to develop a drug and alcohol program standard operating procedures desk manual.

F. The Subrecipient will participate in Department-provided training opportunities.

30. Labor Warranty (Section 5311).

The Section 5311 Subrecipient agrees to comply with the terms and conditions of the Special 49 U.S.C. Section 5333(B) Labor Protection Warranty. The Subrecipient will assume all legal and financial responsibility relative to compliance with the terms and conditions of the Warranty.

31. Civil Rights Laws and Regulations Compliance.

The Subrecipient shall comply with all federal, State, and local laws and ordinances applicable to the work called for under this Agreement.

A. **Nondiscrimination**. In accordance with Title VI of the Civil Rights Act, 42 U.S.C. § 2000d, Section 303 of the Age Discrimination Act of 1975, 42 U.S.C. § 6102, Section 202 of the Americans with Disabilities Act of 1990, 42 U.S.C. § 12132, and Federal transit law at 49 U.S.C. § 5332, the Subrecipient shall not discriminate against any employee or applicant for employment because of race, color, religion, national origin, sex, age, disability, or other protected class. The Subrecipient shall comply with applicable Federal implementing regulations and such other implementing requirements FTA may issue. **T**he Nondiscrimination Assurance is attached as **Assurance 3**.

B. **Equal Employment Opportunity**. The following equal employment opportunity requirements apply to this Agreement:

1. **Race, Color, Religion, National Origin, Sex**. In accordance with Title VII of the Civil Rights Act, 42 U.S.C. Section 2000e, and Federal transit laws at 49 U.S.C. Section 5332, the Subrecipient agrees to comply with all applicable equal employment opportunity requirements of U.S. Department of Labor (U.S. DOL) regulations, "Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor," 41 C.F.R. Part 60 *et seq*., (which implement Executive Order No. 11246, "Equal Employment Opportunity," as amended by Executive Order No. 11375, "Amending Executive Order 11246 Relating to Equal Employment Opportunity," 42 U.S.C. Section 2000e note), and with any applicable federal statutes, executive orders, regulations, and federal policies that may in the future affect construction activities undertaken in the course of the project. The Subrecipient agrees to take affirmative action to ensure that applicants are employed, and that employees are treated during employment, without regard to their race, color, religion, national origin, or sex (including gender identity and sexual orientation). Such action shall include, but not be limited to, the following: employment, upgrading, demotion or transfer, recruitment or recruitment advertising, layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. In addition, the awarded contractor shall comply with any implementing requirements FTA may issue.

2. **Age**. In accordance with Section 4 of the Age Discrimination in Employment Act of 1967, 29 U.S.C. Section 623 and Federal transit law at 49 U.S.C. Section 5332, the Subrecipient agrees to refrain from

Docusign Envelope ID: 65BD2169-4BF9-446E-97D2-BE437C6C9DA8

discrimination against present and prospective employees for reason of age. In addition, the Subrecipient shall comply with any implementation requirements FTA may issue.

3. **Disabilities**. In accordance with Section 102 of the Americans with Disabilities Act, 42 U.S.C. Section 12112, the Subrecipient agrees that it will comply with the requirements of U.S. Equal Employment Opportunity Commission, "Regulations to Implement the Equal Employment Provisions of the Americans with Disabilities Act," 29 C.F.R. Part 1630, pertaining to employment of persons with disabilities. In addition, the awarded contractor shall comply with any implementing requirements FTA may issue.

C. The Subrecipient shall include these requirements in each contract financed in whole or in part with federal assistance provided by FTA, modified only if necessary to identify the affected parties.

D. The Subrecipient also agrees to ensure that these requirements are included in each subcontract financed in whole or in part with federal assistance provided by FTA, modified only if necessary to identify the affected parties.

32. DBE Policy.

A. This Agreement is subject to the requirements of 49 CFR Part 26, Participation by Disadvantaged Business Enterprises in Department of Transportation Financial Assistance Programs. The Department's proposed overall goal for FTA participation for the 2025 fiscal year is 8.13%, through race-neutral means.

B. The Subrecipient shall not discriminate on the basis of race, color, national origin, sex, or other protected class in the performance of the Agreement. The Subrecipient shall carry out applicable requirements of 49 CFR Part 26 in the administration of the Program. Failure by the Subrecipient to carry out these requirements is a material breach of the Agreement, which may result in the termination or other such remedy as the Department deems appropriate. Each contract the Subrecipient signs with a contractor shall include the assurance in this paragraph (see 49 CFR 26.13(b)).

C. The Subrecipient agrees to ensure that DBEs as defined in 49 CFR Part 26 have the maximum opportunity to participate in the performance of Contracts and subcontracts financed in whole or in part with Federal funds. In this regard, all recipients or contractors shall take all necessary and reasonable steps in accordance with 49 CFR Part 26 to ensure that DBEs have the maximum opportunity to compete for and perform contracts. Recipients and their contractors shall not discriminate on the basis of race, color, national origin, sex, or other protected class in the award and performance of U.S. DOT assisted contracts. The Subrecipient will be required to report on its DBE participation obtained through race-neutral means throughout the period of performance.

D. The Subrecipient is required to pay its contractors performing work related to this contract for satisfactory performance of that work no later than thirty (30) days after the awarded contractor's receipt of payment for that work from the Department.

E. The Subrecipient shall promptly notify the Department whenever a DBE contractor is terminated or fails to complete its work and shall make good faith efforts to engage another DBE contractor to perform at least the same amount of work. The Subrecipient may not terminate any DBE subcontractor and perform that work through its own forces or those of an affiliate without prior written consent of the Department.

A subrecipient of FTA funds shall meet applicable DBE requirements when funds are used in whole or in part to finance procurements of and contracts for applicable products and services. A subrecipient with contracting opportunities shall sign and submit a *Disadvantaged Business Enterprise Race-Neutral Implementation Agreement for Federal Transit Administration Subrecipients,* which is attached as **Certification 1**.

Docusign Envelope ID: 65BD2169-4BF9-446E-97D2-BE437C6C9DA8

33. ADA Access.

The Subrecipient shall comply with 49 U.S.C. Section 5301(d), which states the Federal policy that elderly individuals and individuals with disabilities have the same right as other individuals to use public transportation services and facilities, and that special efforts shall be made in planning and designing those services and facilities to implement transportation accessibility rights for seniors and individuals with disabilities. The Subrecipient also agrees to comply with all applicable provisions of section 504 of the Rehabilitation Act of 1973; with 29 U.S.C. Section 794, which prohibits discrimination on the basis of disability; with the Americans with Disabilities Act of 1990 (ADA); 42 U.S.C. Sections 12101 *et seq*., which requires that accessible facilities and services be made available to individuals with disabilities; and with the Architectural Barriers Act of 1968, 42 U.S.C. Sections 4151 *et seq*., which requires that buildings and public accommodations be accessible to individuals with disabilities.

34. Program Fraud and False or Fraudulent Statements or Related Acts.

A. The Subrecipient acknowledges that the provisions of the Program Fraud Civil Remedies Act of 1986, 31 U.S.C. Sections 3801 *et seq*. and U.S. DOT regulations, "Program Fraud Civil Remedies," 49 C.F.R. Part 31, apply to its actions pertaining to this program. The Subrecipient certifies or affirms the truthfulness and accuracy of any statement it makes pertaining to the resultant Agreement or the FTA assisted program for which this work is being performed. The Subrecipient further acknowledges that if it makes, or causes to be made, a false, fictitious or fraudulent claim, statement, submission or certification, the federal government reserves the right to impose the penalties of the Program Fraud Civil Remedies Act of 1986 on Subrecipient to the extent the federal government deems appropriate.

B. The Subrecipient also acknowledges that if it makes, or causes to be made, a false, fictitious or fraudulent claim, statement, submission or certification to the federal government under a contract connected with a program that is financed in whole or in part with federal assistance originally awarded by FTA, the federal government reserves the right to impose the penalties of 18 U.S.C. Section 1001 on the Subrecipient to the extent the federal government deems appropriate.

C. The Subrecipient certifies to abide by these clauses and include the clauses in each subcontract financed in whole or in part with Federal Transit Administration funds. The Subrecipient further agrees that these clauses shall not be modified, except to identify the contractor or subcontractor subject to its provisions.

D. All claims for compensation reimbursement and payment of any amounts due pursuant to this Agreement are governed by the Fraud Against Taxpayers Act, NMSA 1978, Sections 44-9-1 through 44-9-14.

35. Lobbying.

A subrecipient receiving $100,000 or more of 49 U.S.C. Section 5311 funds shall file the Lobbying Certification required by 49 C.F.R. Part 20, “New Restrictions on Lobbying” with the application. The Subrecipient shall certify that it has not used federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of a member of Congress in connection with obtaining any federal contract, grant or any other award covered by 31 U.S.C. Section 1352.

Before awarding a third-party contract exceeding $100,000, the Subrecipient shall obtain a signed Lobbying Certification from the contractor. Each tier below the contractor awarded a subcontract exceeding $100,000 shall also provide a Lobbying Certification. Such disclosures are forwarded from tier to tier up to the Subrecipient.

36. Officials Not to Benefit.

Neither any member of the New Mexico Legislature nor any member of or delegate to Congress shall be admitted to any share or part of this Agreement or to any benefit that may arise therefrom. The provisions of this clause shall be extended to all public employees, officers, or tribal council members.

Docusign Envelope ID: 65BD2169-4BF9-446E-97D2-BE437C6C9DA8

37. Clean Water and Air Requirements.

A. The Subrecipient agrees to comply with all applicable standards, orders or regulations issued pursuant to the Federal Water Pollution Control Act, 33U.S.C. Sections 1251 *et seq*., and the Clean Air Act, 42 U.S.C. Sections 7401 *et seq*. The Subrecipient agrees to report each violation to the Department and understands and agrees that the Department will, in turn, report each violation as required to assure notification to FTA and the appropriate United States Environmental Protection Agency Regional Office.

B. The Subrecipient agrees to include these requirements in each contract or subcontract exceeding $150,000.00 and financed in whole or in part with federal assistance provided by the FTA.

38. Energy Conservation

The Subrecipient agrees to comply with mandatory standards and policies relating to energy efficiency which are contained in the State Energy Conservation Plan issued in compliance with the Energy Policy and Conservation Act, 42 U.S.C. §§ 6321 *et seq.*

39. Debarment and Suspension.

Executive Order No. 12549, "Debarment and Suspension of Participants in Federal Programs," February 18, 1986, 31 U.S.C. Section 6101 note, as amended by Executive Order No. 12689, "Debarment and Suspension," August 16, 1989 31 U.S.C. Section 6101 note, as implemented by 2 C.F.R. Part 180, subpart C, as adopted and supplemented by U.S. DOT regulations at 2 C.F.R. part 1200 prohibits FTA subrecipients from contracting for goods and services from organizations that have been suspended or debarred from receiving federally-assisted contracts. Subrecipients shall include the certification and instruction language contained at 2 C.F.R. Part 1200 in all Invitations for Bids and Requests for Proposals (for inclusion by contractors and subcontractors in their bids or proposals) for all contracts expected to equal or exceed $25,000.00, regardless of the type of contract to be awarded.

The Subrecipient is required to verify that none of the Subrecipient's principals or affiliates are excluded or disqualified as defined, as defined by 2 C.F.R. Part 1200. By signing and submitting this Agreement, the Subrecipient certifies as follows:

> The certification in this clause is a material representation of fact relied upon by the Department. If it is later determined that the bidder/Subrecipient or proposer/Subrecipient knowingly rendered an erroneous certification, in addition to remedies available to the Department, the federal government may pursue available remedies, including but not limited to suspension and/or debarment. The bidder/Subrecipient or proposer/Subrecipient agrees to comply with the requirements of 2 C.F.R. Part 1200 while this offer is valid and throughout the period of any contract that may arise from this offer. The bidder/Subrecipient or proposer/Subrecipient further agrees to include a provision requiring such compliance in its lower tier covered transactions.

40. Notification Related to Fraud, Waste, Abuse, or Other Legal Matters

If a current or prospective legal matter that may affect the Federal Government emerges, the Subrecipient shall promptly notify the Department so that it can notify the Federal Government. The Subrecipient shall include a similar notification requirement in its third-party agreements and shall require each third-party participant to include an equivalent provision in its subagreements at every tier, for any agreement that is a "covered transaction" according to 2 C.F.R. §§ 180.230 and 1200.230. The types of legal matters that require notification include, but are not limited to, a major dispute, breach, default, litigation, or naming the Federal Government as a party to litigation or a legal disagreement in any forum for any reason. Matters that may affect the Federal Government include, but are not limited to, the Federal Government's interests in the Award, the accompanying Underlying Agreement, and any Amendments thereto, or the Federal Government's administration or enforcement of federal laws, regulations, and requirements.

Docusign Envelope ID: 65BD2169-4BF9-446E-97D2-BE437C6C9DA8

41. Seat Belt Use

The Subrecipient agrees to implement Executive Order No. 13043, "Increasing Seat Belt Use in the United States," April 16, 1997, 23 U.S.C. § 402 note, (62 Fed. Reg. 19217), by: 90 (1) Adopting and promoting on-the-job seat belt use policies and programs for its employees and other personnel that operate company-owned vehicles, company-rented vehicles, or personally operated vehicles.

42. Safe Operation of Motor Vehicles

The Subrecipient agrees to comply with: (1) Executive Order No. 13513, "Federal Leadership on Reducing Text Messaging While Driving," October 1, 2009, 23 U.S.C. § 402 note, (74 Fed. Reg. 51225); (2) U.S. DOT Order 3902.10, "Text Messaging While Driving," December 30, 2009; and (3) The following U.S. DOT Special Provision pertaining to Distracted Driving:

(i) Safety. The Subrecipient agrees to adopt and enforce workplace safety policies to decrease crashes caused by distracted drivers, including policies to ban text messaging while using an electronic device supplied by an employer, and driving a vehicle the driver owns or rents, a vehicle Subrecipient owns, leases, or rents, or a privately-owned vehicle when on official business in connection with the Award, or when performing any work for or on behalf of the Award;

(ii) Recipient Size. The Subrecipient agrees to conduct workplace safety initiatives in a manner commensurate with its size, such as establishing new rules and programs to prohibit text messaging while driving, re-evaluating the existing programs to prohibit text messaging while driving, providing education, awareness, and other outreach to employees about the safety risks associated with texting while driving; and

(iii) Extension of Provision. The Subrecipient agrees to encourage its contractors to comply with this Special Provision and include this Special Provision in each third-party contract at each tier supported with federal assistance.

43. Prohibition on Certain Telecommunications and Video Surveillance Services or Equipment

Public Law 115-232, section 889, prohibits entering into a contract (or extending or renewing a contract) to procure or obtain equipment, services, or systems that uses covered telecommunications equipment or services as a substantial or essential component of any system, or as critical technology as part of any system. Covered telecommunications equipment is telecommunications equipment produced by Huawei Technologies Company or ZTE Corporation (or any subsidiary or affiliate of such entities).

(i) For the purpose of public safety, security of government facilities, physical security surveillance of critical infrastructure, and other national security purposes, video surveillance and telecommunications equipment produced by Hytera Communications Corporation, Hangzhou Hikvision Digital Technology Company, or Dahua Technology Company (or any subsidiary or affiliate of such entities).

(ii) Telecommunications or video surveillance services provided by such entities or using such equipment.

(iii) Telecommunications or video surveillance equipment or services produced or provided by an entity that the Secretary of Defense, in consultation with the Director of the National Intelligence or the Director of the Federal Bureau of Investigation, reasonably believes to be an entity owned or controlled by, or otherwise connected to, the government of a covered foreign country.

44. Federal Tax Liability and Recent Felony Convictions.

The Subrecipient hereby certifies that it does not have any unpaid Federal tax liability that has been assessed, for which all judicial and administrative remedies have been exhausted or have lapsed, and that is not being paid in

Docusign Envelope ID: 65BD2169-4BF9-446E-97D2-BE437C6C9DA8

a timely manner pursuant to an agreement with the authority responsible for collecting the tax liability; and was not convicted of the felony criminal violation under any Federal law within the preceding 24 months.

45. Trafficking in Persons.

The Subrecipient agrees that it and its employees that participate in this contract, may not engage in severe forms of trafficking in persons during the period of time that this agreement is in effect, procure a commercial sex act during the period of time that this agreement is in effect, or use forced labor in the performance of any activities covered by this agreement.

46. Central Contractor Registration Requirements.

Prior to payment of invoices and receipt of vehicles and equipment, the Subrecipient shall register and maintain current registration in the Central Contractor Registration website, http://www.sam.gov. Registration requires having a Dun and Bradstreet Data Universal Number (DUNS), see http://www.dnb.com. The Department will not provide vehicles, or make payments, until the Subrecipient demonstrates that it is registered with the System for Award Management (SAM) website.

47. Federal Grant Reporting Requirements.

Under the Federal Funding Accountability and Transparency Act, the Department is required to report on projects or activities which are awarded federal grants of $25,000 or more. This information will be made available to the public on www.USAspending.gov.

The type of information the Department is required to report includes:

- Name of Subrecipient receiving the award,
- Amount of Award,
- Funding Agency,
- NAICS code for contracts or the Catalog of Federal Domestic Assistance program number for grants,
- Program source,
- Award title is descriptive of the purpose of the funding action,
- Location of the Subrecipient, which includes the Congressional District,
- Place of performance of the program or activity, which includes the Congressional District,
- Unique Entity Identifier of the Subrecipient and its parent organization, if one exists, and
- Total compensation and names of the top five executives of the Subrecipient. This information is required if the Subrecipient in the preceding year received eighty (80) percent or more of its annual gross revenues in federal awards, which exceed $25 million annually, and the public has no access to this information under the Securities Exchange Act or the Internal Revenue Code.

The Department will extract as much information as possible from the Subrecipient's grant application and standard reports. However, the Subrecipient will be required to provide additional information, which includes the total compensation and names of the Subrecipient's top five executives, if applicable. As specified earlier in Section 42, "Central Contractor Registration Requirements," of this Agreement, the Subrecipient shall register with SAM.gov and provide that information to the Department.

48. Severability.

In the event that any portion of this Agreement is determined to be void, unconstitutional or otherwise unenforceable, the remainder of this Agreement shall remain in full force and effect.

49. Scope of Agreement.

This Agreement incorporates all of the agreements, covenants, and understandings between the parties concerning the subject matter. All such covenants, agreements, and understandings have been merged into this written

Docusign Envelope ID: 65BD2169-4BF9-446E-97D2-BE437C6C9DA8

Agreement. No prior agreements or understandings of the parties or their agents shall become valid or enforceable unless embodied in this Agreement.

50. Applicable Law and Venue; Federal Changes.

The Subrecipient shall comply with all federal, State, and local laws, ordinances, rules, warranties, assurances, and regulations applicable to the performance of this Agreement. This includes all applicable FTA regulations, policies, procedures and directives, including without limitation those listed directly or by reference in the current year's Master Agreement between the Department and the FTA. The Subrecipient shall make as part of this Agreement between the Department and the Subrecipient the assurances and warranties which were signed as part of the grant award. Venue shall be proper only in a New Mexico court of competent jurisdiction in accordance with NMSA 1978, Section 38-3-1(G).

51. Incorporation of FTA Terms.

Provisions of this Agreement include, in part, certain Standard Terms and Conditions required by the U.S. DOT. All contractual provisions required by the U.S. DOT, as set forth in FTA Circulars 4230.1F, and 9040.1F, are incorporated by reference. Anything to the contrary herein notwithstanding, all FTA mandated terms shall be deemed to control in the event of a conflict with other provisions contained in this Agreement. The Subrecipient shall not perform any act, fail to perform any act, or refuse to comply with any Department request, which would cause the Department to be in violation of FTA terms and conditions, as referenced in the current Federal Transit Administration Master Agreement shall prevail and be the instrument governing the receipt of Federal assistance from the Federal Transit Administration. The Master Agreement can be viewed on the web at https://www.transit.dot.gov/funding/grantee-resources/sample-fta-agreements/fta-grant-agreements.

52. Amendment.

The terms of this Agreement may be altered, modified or amended by an instrument in writing executed by the parties. Specifically excluded from this requirement are revisions to transportation services and fare schedules identified in the Operations Profile. *Section 1. Scope of Program, Paragraphs C and E*, details how such changes are to be approved and documented.

The remainder of this page is intentionally left blank.

Docusign Envelope ID: 65BD2169-4BF9-446E-97D2-BE437C6C9DA8

In witness whereof, each party is signing this Agreement on the date stated below that party's signature. This Agreement becomes effective on the date the last party signed the Agreement.

NEW MEXICO DEPARTMENT OF TRANSPORTATION
TRANSIT AND RAIL DIVISION

NONDISCRIMINATION ASSURANCE AGREEMENT
FOR
FEDERAL TRANSIT ADMINISTRATION SUBRECIPIENTS

INTRODUCTION AND INSTRUCTIONS:

Please read the entire Agreement before completing, and do not change or add to the wording of the Agreement. The Agreement is incorporated into and becomes a material part of your contract with NMDOT, and Subrecipients are responsible for complying with the requirements contained therein.

On behalf of this Agreement, CITY OF SANTA FE; hereinafter referred to as "**Subrecipient**" assures that:

1. Subrecipient will comply with the following laws, regulations, and requirements so that no person in the
United States will be denied the benefits of, or otherwise be subjected to discrimination in, any U.S. DOT or FTA assisted program or activity (particularly in the level and quality of transportation services and transportation-related benefits) based on race, color, national origin, religion, sex, disability, or age including:

    a. Federal transit laws, specifically 49 U.S.C. § 5332 (prohibiting discrimination based on race, color, religion, national origin, sex (including gender identity), disability, age, employment, or business opportunity),
    b. Title VI of the Civil Rights Act of 1964, as amended, 42 U.S.C. § 2000d,
    c. Title VII of the Civil Rights Act of 1964, as amended, 42 U.S.C. § 2000e et seq. (prohibiting discrimination based on race, color, religion, sex, (including gender identity and sexual orientation) or national origin,
    d. Executive Order No. 11246, "Equal Employment Opportunity" September 24, 1965, 42 U.S.C. § 2000e note, as amended by any later Executive Order that amends or supersedes it in part and is applicable to federal assistance programs,
    e. Title IX of the Education Amendments of 1972, as amended, 20 U.S.C. § 1681 et seq.,f. U.S. DOT regulations, "Nondiscrimination on the Basis of Sex in Education Programs or Activities Receiving Federal Financial Assistance," 49 CFR part 25,
    g. The Rehabilitation Act of 1973, as amended, 29 U.S.C. § 794, et seq.,
    h. The Americans with Disabilities Act of 1990, as amended, 42 U.S.C. § 12101 et seq.,
    i. U.S. DOT regulations, "Nondiscrimination in Federally-Assisted Programs of the Department of Transportation-Effectuation of Title VI of the Civil Rights Act of 1964," 49 CFR part 21,
    j. U.S. DOT regulations, specifically 49 CFR parts 27, 37, 38, and 39, and
    k. Any other applicable federal statutes that may be signed into law, federal regulations that may be issued, or federal requirements that may be imposed.

2. Subrecipient will comply with federal guidance implementing federal nondiscrimination laws, regulations, or requirements, except as FTA determines otherwise in writing.

Docusign Envelope ID: 65BD2169-4BF9-446E-97D2-BE437C6C9DA8

3. As required by 49 CFR § 21.7:

a. Subrecipient will comply with 49 U.S.C. § 5332, 42 U.S.C. § 2000d, and 49 CFR part 21 in the manner that:

(1) Subrecipient implements its Award,

(2) Subrecipient undertakes property acquisitions, and

(3) Subrecipient operates all parts of its facilities, as well as its facilities operated in connection with its Award.

b. This assurance applies to its Award and to all parts of its facilities, as well as its facilities used to implement its Award.

c. Subrecipient will promptly take the necessary actions to carry out this assurance, including the following:

(1) Notifying the public that discrimination complaints about transportation-related services or benefits may be filed with U.S. DOT or FTA Headquarters Office of Civil Rights, and

(2) Submitting information about its compliance with these provisions to U.S. DOT or FTA upon their request.

d. If Subrecipient transfers U.S. DOT or FTA assisted real property, structures, or improvements to another party, any deeds and instruments recording that transfer will contain a covenant running with the land assuring nondiscrimination:

(1) While the property is used for the purpose that the federal assistance is extended, or

(2) While the property is used for another purpose involving the provision of similar services or benefits.

e. The United States has a right to seek judicial enforcement of any matter arising under:

(1) Title VI of the Civil Rights Act, 42 U.S.C. § 2000d,

(2) U.S. DOT regulations, 49 CFR part 21, or

(3) This assurance.

f. Subrecipient will make any changes in its Title VI implementing procedures, as U.S. DOT or FTA may request, to comply with:

(1) Title VI of the Civil Rights Act, 42 U.S.C. § 2000d,

(2) U.S. DOT regulations, 49 CFR part 21, and

(3) Federal transit law, 49 U.S.C. § 5332.

g. Subrecipient will comply with applicable federal guidance issued to implement federal nondiscrimination requirements, except as FTA determines otherwise in writing.

h. Subrecipient will extend the requirements of 49 U.S.C. § 5332, 42 U.S.C. § 2000d, and 49 CFR part 21 to each Third Party Participant, including any:

(1) Subrecipient,

(2) Transferee,

(3) Third Party Contractor or Subcontractor at any tier,

(4) Successor in Interest,

(5) Lessee, or

(6) Other Participant in its Award, except FTA and the Applicant (and later, the Recipient).

i. Subrecipient will include adequate provisions to extend the requirements of 49 U.S.C. § 5332, 42 U.S.C. § 2000d, and 49 CFR part 21 to each third party agreement, including each:

(1) Subagreement at any tier,

(2) Property transfer agreement,

(3) Third party contract or subcontract at any tier,

Docusign Envelope ID: 65BD2169-4BF9-446E-97D2-BE437C6C9DA8

(4) Lease, or
(5) Participation agreement.

j. The assurances you have made on your behalf remain in effect as long as FTA determines appropriate, including, for example, as long as:

(1) Federal assistance is provided for its Award,
(2) Subrecipient property acquired or improved with federal assistance is used for a purpose for which the federal assistance is extended, or for a purpose involving similar services or benefits,
(3) Subrecipient retains ownership or possession of its property acquired or improved with federal assistance provided for its Award,
(4) Subrecipient transfers property acquired or improved with federal assistance, for the period during which the real property is used for a purpose for which the financial assistance is extended or for another purpose involving the provision of similar services or benefits, or
(5) FTA may otherwise determine in writing.

4. As required by U.S. DOT regulations, "Nondiscrimination on the Basis of Handicap in Programs and Activities Receiving or Benefiting from Federal Financial Assistance," 49 CFR part 27, specifically 49 CFR § 27.9, and consistent with 49 U.S.C. § 5332, you assure that:

a. Subrecipient will comply with the following prohibitions against discrimination based on disability listed below in subsection 4.b of this Category 01.D Assurance, of which compliance is a condition of approval or extension of any FTA assistance awarded to:

(1) Construct any facility,
(2) Obtain any rolling stock or other equipment,
(3) Undertake studies,
(4) Conduct research, or
(5) Participate in any benefit or obtain any benefit from any FTA administered program.

b. In any program or activity receiving or benefiting from federal assistance that U.S. DOT administers, no qualified individual with a disability will, because of his or her disability be:

(1) Excluded from participation,
(2) Denied benefits, or
(3) Otherwise subjected to discrimination.
