Agenda

Regular Meeting of the Governing Body
December 10, 2025 at 5:00 PM
City Council Chambers, City Hall
200 Lincoln Avenue

Procedures for Governing Body Meeting

Viewing: *If the relevant technology is available to record the meeting in City Hall*, members of the public may stream the meeting live on the City of Santa Fe's YouTube channel. The YouTube live stream can be accessed from most smartphones, tablets, or computers.

The video recording*, if created,* of this and all past meetings of the Governing Body will also remain available for viewing at any time on the City's YouTube channel. Staff is available to help members of the public access pre-recorded Governing Body meetings online at any time during normal business hours. Please call 955-6521 for assistance.

If relevant technology is available and functioning for City use, the following options may be available:
Virtual Public Comment: To provide public comment during Petitions from the Floor, Public Comment, Final Action on Legislation, or Public Hearings virtually, you must join the Zoom meeting by internet or phone, using the following link:

- Internet: Join the Zoom meeting on the internet using a computer, laptop, smartphone, or tablet. Attendees should use the "Raise Hand" function to be recognized by the Mayor to speak at the appropriate time.
- Phone: To join the Zoom meeting using a phone, use the following phone numbers and Webinar ID: US: 1 (346) 248-7799 - Webinar ID: 819 0647 0889. Phone attendees should press *9 to use the "Raise Hand" function to be recognized by the Mayor to speak at the appropriate time.

Mayor Alan Webber

OTHERS PRESENT
Mark Scott, City Manager
Erin McSherry, City Attorney
Andrea Salazar, City Clerk
Elizabeth Martin, Stenographer

6. APPROVAL OF AGENDA

MOTION A motion was made by Councilor Romero-Wirth, seconded by Councilor Castro, to approve the agenda as presented.

VOTE The motion passed on a roll call vote as follows:

Councilor Castro, yes; Councilor Chavez, yes; Councilor Cassutt, yes; Councilor Michael Garcia, yes; Councilor Lee Garcia, yes; Councilor Lindell, yes, Councilor Faulkner, yes; Councilor Romero-Wirth, yes; Mayor Webber, abstained.

7. ACTION ITEMS: DISCUSSION AGENDA

A. IN RELATION TO A BILL #2025-22 ("A BILL AMENDING SFCC 1987, SECTION 5-2, TO DEFINE "ABANDONMENT" AND "UNATTENDED ANIMAL", SECTION 505.4 TO PROHIBIT KEEPING AN ANIMAL ON ANY MEDIAN; AND SECTION 5-8.4 TO SPECIFY THAT ABANDONING AN ANIMAL WILL INCUR A FINE; CREATING A NEW SECTION, 5-8.14, "UNATTENDED ANIMAL", PROHIBITING UNATTENDED ANIMALS AND IMPOSING A FINE; AND AMENDING TABLE 15-12.1 TO INCREASE THE FINE FOR ABANDONING AN ANIMAL FROM $200 TO $500, IMPOSE A $200 FINE FOR A FIRST UNATTENDED ANIMAL OFFENSE AND A $500 FINE FOR SUBSEQUENT OFFENSES, AND IMPOSE A $200 FINE FOR KEEPING ANIMALS ON MEDIANS,"), APPROVAL OF A WAIVER OF GOVERNING BODY PROCEDURAL RULE IV.D "REQUIRING RECOMMENDATION TO APPROVE BY ONE COMMITTEE BEFORE BILL PUBLICATION), PURSUANT TO RULE VII (ALLOWING A WAIVER OF THE PROCEDURAL RULES WITH A VOTE OF TWO THIRDS OF THE WHOLE), TO ALLOW THE PUBLICATION OF THE BILL BEFORE COMMITTEE APPROVAL AND A PUBLIC HEARING AND POTENTIAL FINAL APPROVAL ON DECEMBER 10, 2025 (IF THE BILL IS APPROVED BY AT LEAST ONE COMMITTEE BEFORE THAT DATE).

MOTION A motion was made by Councilor Cassutt, seconded by Councilor Lindell, to approve the action as stated.

VOTE The motion passed on a roll call vote as follows:

Councilor Castro, yes; Councilor Chavez, yes; Councilor Cassutt, yes; Councilor Michael Garcia, yes; Councilor Lee Garcia, yes; Councilor Lindell, yes, Councilor Faulkner, yes; Councilor Romero-Wirth, yes; Mayor Webber, abstained.

8. FINAL ACTION ON LEGISLATION (PUBLIC HEARING)

A. CONSIDERATION OF BILL NO. 2024-17. ADOPTION OF ORDINANCE NO. 2025-_____. A BILL REPEALING AND REPLACING SFCC 1987 CHAPTER 14 ("LAND DEVELOPMENT CODE"); CLARIFYING AND CONSOLIDATING VARIOUS REFERENCES TO CODE VIOLATIONS INTO ONE VIOLATIONS SECTION; SPECIFYING THAT THE APPLICANT OR THE PROPERTY OWNER HAVE THE BURDEN OF PROOF FOR ESTABLISHING LEGAL NON-CONFORMITIES; REDUCING THE EARLY NEIGHBORHOOD NOTIFICATION REQUIREMENT FOR CITY CAPITAL IMPROVEMENT PROJECTS TO THOSE EXCEEDING TWO HUNDRED AND FIFTY THOUSAND DOLLARS; RENAMING "SPECIAL USE PERMIT" TO "CONDITIONAL USE PERMIT", REMOVING HISTORIC DISTRICT REVIEW BOARD'S (HDRB) AUTHORITY TO RECOMMEND PERSONAL PROPERTY ACQUISITIONS; REQUIRING ARCHAEOLOGISTS TO HOLD A NEW MEXICO STATE BURIAL EXCAVATION PERMIT FOR CERTAIN WORK; REMOVING WAIVERS OF QUALIFICATIONS FOR ARCHAEOLOGISTS BY ARCHAEOLOGICAL REVIEW COMMITTEE; INCREASING PERMITTED BUILDING HEIGHTS FOR RESIDENTIAL DISTRICTS AND NON-RESIDENTIAL DEVELOPMENT; ESTABLISHING DENSITIES AND HEIGHT BY RIGHT FOR CERTAIN RESIDENTIAL ZONES EXCEEDING TEN UNITS PER ACRE; CREATING A PARKS AND OPEN SPACE ZONING DISTRICT; PERMITTING ADDITIONAL FLEXIBILITY FOR CERTAIN STRUCTURES AND SITUATIONS REGARDING SETBACKS; ELIMINATING RESIDENTIAL SUITE HOTEL/MOTEL AND ECOLOGICAL RESOURCE PROTECTION OVERLAY ZONING DISTRICTS; REDUCING THE LENGTH AT WHICH AN ARCHAEOLOGICAL CLEARANCE PERMIT IS REQUIRED FOR SEWER AND UTILITY MAIN CONSTRUCTION; REMOVING ALCOHOL SALE REGULATIONS IN THE AIRPORT ROAD OVERLAY;

IDENTIFYING A STRATEGY TO REVIEW AND APPROVE LAND USES NOT SPECIFICALLY LISTED IN THE "SUMMARY TABLE OF ALLOWED USES", CLARIFYING THAT DUPLEXES, TRIPLEXES, TOWN HOMES, AND RESIDENTIAL COMPLEXES ARE PERMITTED USES; CREATING USE CATEGORIES AND SUBCATEGORIES AND REORGANIZING SOME EXISTING USED INTO NEW CATEGORIES WITHIN THE TABLE OF ALLOWED USES; REQUIRING TREES TO BE INTEGRATED INTO STORMWATER INFRASTRUCTURE IN THE AIRPORT ROAD OVERLAY DISTRICT; REMOVING CERTAIN PROHIBITIONS FOR VEHICLE PARKING AT RESIDENCES; ALLOWING ACCESSORY DWELLING UNITS TO BE THE MAXIMUM ALLOWABLE HEIGHT OF THE ZONING DISTRICT; ESTABLISHING DESIGN AND DIMENSIONAL STANDARDS FOR RESIDENTIAL COMPOUND DEVELOPMENT; REGULATING IN-GROUND AND ABOVE THE GROUND POOLS; REGULATING AGRICULTURAL HOME OCCUPATIONS; REASSIGNING THE USE, "LABORATORY, RESEARCH OR TESTING" FROM INDUSTRIAL TO COMMERCIAL; REGULATING OUTDOOR DINING; UPDATING TELECOMMUNICATION FACILITIES CODE TO BE CONSISTENT WITH FEDERAL STANDARDS; ESTABLISHING NEW SUBDISTRICT REGULATIONS IN THE HISTORIC DISTRICT OVERLAYS; SPECIFYING PRIMARY FACADES ON CONTRIBUTING STRUCTURES; UPDATING DEFINITIONS FOR FACADE AND ELEVATION; PROHIBITING ENCLOSURE OF EXISTING PORCHES AND PORTALS ON PRIMARY FACADES OF CONTRIBUTING STRICTURES; REQUIRING WINDOW DEPTH AND OTHER CHARACTERISTICS OF WINDOWS AND DOORS BE PRESERVED IN HISTORIC DISTRICTS; INCREASING AFFORDABILITY INCENTIVES, INCLUDING ADMINISTRATIVE REVIEW AND DENSITY BONUSES; SPECIFYING THAT OPEN SPACE REQUIREMENTS IN THE C-2 DISTRICT ARE PER DWELLING UNIT; EXPANDING OPTIONS TO REDUCE ON-SITE PARKING AND EXEMPTING THE BUSINESS CAPITAL DISTRICT FROM PARKING REQUIREMENTS IN TABLE 7-4; REDUCING REQUIRED OFF-STREET PARKING SPACES; REQUIRING ELECTRIC VEHICLE CHARGING STATIONS FOR ALL NEW DEVELOPMENTS; DISTINGUISHING PARKING REGULATIONS APPLICABLE TO BICYCLES FROM THOSE APPLICABLE TO VEHICLES, AND REQUIRING LONG-TERM BICYCLE STORAGE AND PARKING; ELIMINATING CONTENT-BASED SIGN RESTRICTIONS; IMPOSING A VARIETY OF NEW REGULATIONS PROTECTING THE CITY'S TERRAIN AND STORMWATER MANAGEMENT; IMPOSING NEW LANDSCAPING STANDARDS FOR PLANTS AND TREES; ELIMINATING ALLOWANCE FOR HIGH AND LOW PRESSURE

SODIUM LAMPS AND MERCURY VAPOR, ADDING LED AS THE PERMITTED LAMP TYPE, AND DECREASING THE PERMITTED INCANDESCENT WATTS FROM 160 TO 150; SUNSETTING THE BUSINESS CAPITOL DISTRICT DESIGN REVIEW COMMITTEE AND LONG RANGE PLANNING SUBCOMMITTEE; DEFINING NUMEROUS TERMS; IMBEDDING GRAPHICAL DEPICTIONS OF PROCESSES; AND MAKING NON-SUBSTANTIVE CHAPTER ORGANIZATIONAL CHANGES.

Mayor Webber asked for those interested in making public comment on this bill to come forward to speak.

Stephanie Beninato. Ms. Beninato spoke about these changes being developer driven and significant. She urged the Council to adopt the HDRB requested changes.

Shelby Majistron, Gas Company of NM. Ms. Majistron spoke about the company's concerns regarding the utility main line sections and the support of Amendment D.

Dolores Shapiro. Ms. Shapiro spoke in full support of the Bill.

Kathy Garcia, Chain Breakers. Ms. Garcia spoke in support of this package.

Bill Roth. Mr. Roth spoke in support of the Bill.

Carlos Lucero, PNM. Mr. Lucero spoke about the concerns PNM has with the archeology review of the mail lines and the support of Amendment D.

Kathy Collins, SF Habitat. Ms. Collins spoke in support of the height increase, easing parking restrictions and incentives for affordable housing.

Johannah Gilligan, Homewise. Ms. Gilligan spoke in support of the Bill.

Ruth Godineski. Ms, Godineski spoke in support of the Bill.

Shawn Evans, architect. Mr. Evans spoke in support of the Bill.

Lisa Gabilloli. Ms. Gabilloli spoke in support of the affordable housing incentives.

Brigit Dixon, President of the Chamber of Commerce. Ms. Dixon spoke in support of the affordable housing section without the amendments.

Joe Simmons, architect. Mr. Simmons spoke in support of the Bill.

Elizabeth West. Ms. West spoke about her concerns, including watering down the archeology stuff.

Frank Katz. Mr. Katz spoke in favor of the process used and his concern about substantive change to the Historic Code. He supports the H-Board amendments.

Carlos Gamora. Mr. Gamora spoke in support of the affordable housing incentives.

Daniel Werwath. Mr. Werwath spoke in support of this step forward with this Bill.

Anne Watkins. Ms. Watkins spoke in support of the incentives for affordable housing and asked that the Council consider the H Board recommendations.

Marsha Emmerton. Ms. Emmerton spoke in support of the Bill.

Nate Krail. Mr. Krail spoke in support of the incentives for affordable housing without the amendments and the need for more multi-model transportation.

Dante Gonzales. Mr. Gonzales spoke about Santa Fe's serious housing challenges and his broad support of the Bill.

Anthony Guida, architect. Mr. Guida spoke in support of the Bill and recommended that the membership of the H Board be reviewed in Phase 2. He recommended that the Council drop the H Board amendments.

Bruce Thorn. Mr. Thorn spoke to his submission of 26 pages of recommendations focused on details and that the Council take a look at water use.

Jordan Young. Mr. Young thanked PNM and the Gas Company for their comments and thanked Mr. Guida. The City needs to clarify the membership of the H Board.

Bruce Vella. Mr. Vella spoke in support of the Bill as written.

Jenny Parks. Ms. Parks spoke in support of the Bill and the amendments.

Jennifer Jenkins, Land Use Planner. Ms. Jenkins spoke in support of the Bill.

Gayla Bechtel, architect. Ms. Bechtel spoke in support of the Bill with the

amendments.

MOTION A motion was made by Councilor Faulkner, seconded by Councilor Castro, to approve Bill No. 2024-17.

MOTION A motion was made by Councilor Romero-Wirth, seconded by Councilor Castro, to move Amendment A, recommended by the H Board.

VOTE The motion to move Amendment A passed on a roll call vote as follows:

Councilor Lee Garcia, yes; Councilor Michael Garcia, yes; Councilor Lindell, yes; Councilor Romero-Wirth, yes; Councilor Cassutt, yes; Councilor Castro, yes; Councilor Chavez, no; Councilor Faulkner, no, Mayor Webber, abstained.

MOTION A motion was made by Councilor Cassutt, seconded by Councilor Romero-Wirth, to move Amendment B.

VOTE The motion to move Amendment B passed on a roll call vote as follows:

Councilor Lee Garcia, yes; Councilor Michael Garcia, yes; Councilor Lindell, yes; Councilor Romero-Wirth, yes; Councilor Cassutt, yes; Councilor Castro, yes; Councilor Chavez, yes; Councilor Faulkner, yes, Mayor Webber, abstained.

MOTION A motion was made by Councilor Romero-Wirth, seconded by Councilor Lindell, to move Amendment D.

VOTE The motion to move Amendment D passed on a roll call vote as follows:

Councilor Lee Garcia, yes; Councilor Michael Garcia, yes; Councilor Lindell, yes; Councilor Romero-Wirth, yes; Councilor Cassutt, no; Councilor Castro, yes; Councilor Chavez, no; Councilor Faulkner, yes, Mayor Webber, abstained.

MOTION A motion was made by Councilor Cassutt, seconded by Councilor Faulkner, to move Amendment C.

VOTE The motion to move Amendment C passed on a roll call vote as follows:

Councilor Lee Garcia, yes; Councilor Michael Garcia, yes; Councilor Lindell, yes; Councilor Romero-Wirth, yes; Councilor Cassutt, yes; Councilor Castro, yes; Councilor Chavez, yes; Councilor Faulkner, yes, Mayor Webber, abstained.

VOTE ON THE MAIN MOTION AS AMENDED

The motion passed on a roll call vote as follows:

Councilor Lee Garcia, yes; Councilor Michael Garcia, yes; Councilor Lindell, yes; Councilor Romero-Wirth, yes; Councilor Cassutt, yes; Councilor Castro, yes; Councilor Chavez, yes; Councilor Faulkner, yes, Mayor Webber, abstained.

9. ADJOURN

There being no further business before the Governing Body, the meeting adjourned at 10:30 pm.

Re: Revised 2026 Council Committee and Governing Body Committee Meeting Calendar

---

Item and Issue

Request for Approval of the Revised 2026 Council Committee and Governing Body Meeting Calendar.

Background and Summary

A 2026 Governing Body and Council Committee Meeting Calendar was approved at the October 29, 2025, Regular Governing Body Meeting, but did not take into consideration NMSA 1978, Section 3-11-5, which was added into law during the 2025 Legislative Session. This provision requires that after each regular election the governing body shall hold an organizational meeting no earlier than fifteen days but no later than twenty-one days after the newly elected officials begin their terms. At this meeting, the mayor shall submit for confirmation the name of persons who will fill appointive offices of the municipality.

The first governing body meeting of the year has been rescheduled for January 15, 2025, to allow the new mayor to make appointments to each standing committee before the regularly scheduled meetings start, as well as all other appointments. The rest of the calendar will remain unchanged and will follow the same scheduling sequence that was used in creating the previous year's calendar.

Recommended Action

Approve the Revised 2026 Council Committee and Governing Body Meeting Calendar.

Jesse Roach (Nov 14, 2025 13:25:33 MST)

Subject: SKE Collection System On-Call Contract Amendment 1

Vendor Name: SKE Contractors, LLC

Munis Vendor Number: 10552

ITEM AND ISSUE:

The Public Utilities Department respectfully requests your review and approval of Amendment #1 to Contract Number 3260111 with SKE Contractors, LLC for On Call Collection System Maintenance and Repair. Amendment #1 increases the amount of compensation, to allow completion of a total project scope requested of the contractor, by $600,000.00 for a total compensation of $1,681,875 in FY26, including GRT for a total contract amount of $4,927,500.

CONTRACT NUMBER:

The FY26 Munis contract number is 3260111.

BACKGROUND AND SUMMARY:

The City of Santa Fe, Public Utilities Department, Wastewater Management Division (Division) wishes to establish a Price Agreement for On-Call Repair, Replacement, Extension, and Rehabilitation of Sewer Collection System Construction services work by New Mexico licensed contractors to provide miscellaneous repairs, upgrades, improvements, replacements, new construction services and material for facilities throughout the Paseo Real Wastewater Reclamation Facility, the Sanitary Sewer Collection System, and other remote locations. This amendment will provide additional funds to complete a single project under this contract in FY26 to line a concrete gravity sewer main within San Francisco Street.

CITY OF SANTA FE, PUBLIC UTILITIES DEPARTMENT
AMENDMENT No. 1 TO
Contract # 3260111

ON-CALL COLLECTION SYSTEM CONSTRUCTION SERVICES

This AMENDMENT No. 1 (the "Amendment") amends the CITY OF SANTA FE CONTRACT, dated September 29, 2025 (the "Contract"), between the City of Santa Fe (the "City") and SKE Contractors, LLC. (the "Contractor"). The date of this Amendment shall be the date when it is executed by the City and the Contractor whichever occurs last.

RECITALS:

A. Under the terms of the Contract, Contractor has agreed to provide the On Call Collection System Construction Services.

B. Pursuant to Article 14 of the Contract, and for good and valuable consideration, the receipt and sufficiency of which are acknowledged by the parties, the City and the Contractor agree as follows:

1. COMPENSATION.

Article 2, paragraph A of the Contract is amended to increase the amount of compensation by a total of $600,000.00 so that Article 2, paragraph A reads in its entirety as follows:

A. The total amount payable to the Contractor under this Price Agreement, including gross receipts tax and expenses, shall not exceed one million six hundred eighty one thousand eight hundred seventy five dollars ($1,681,875.00) for fiscal year 2026, and $1,081,875.00 for other fiscal years for a total of four million nine hundred twenty seven thousand five hundred dollars ($4,927,500.00) including gross receipts tax for the four (4) year term of this Contract.

The applicable gross receipts tax shall be shown as a separate amount on each billing or request for payment made under the contract, consistent with NMSA 1978, Section 13-1-108. Wage rates will be paid as set forth in Exhibit A.

D. CONTRACT IN FULL FORCE.

Except as specifically provided in this Amendment, the Contract remains and shall remain in full force and effect, in accordance with its terms.

IN WITNESS WHEREOF, the parties have executed this Amendment No. 1 to the Contract as of the dates set forth below.

CITY OF SANTA FE

CONSTRUCTION PRICE AGREEMENT

ON-CALL COLLECTION SYSTEM CONSTRUCTION SERVICES

THIS PRICE AGREEMENT is made and entered into by and between the City of Santa Fe, New Mexico, hereinafter referred to as the "City," and **SKE Contractors, LLC,** hereinafter referred to as the "Contractor," and is effective as of the date set forth below upon which it is executed by the Parties.

RECITALS

WHEREAS, the City, through its Governing Body, is authorized to enter into a construction Price Agreement for the project; and

WHEREAS, the City has procured this Price Agreement according to the established State and Local Purchasing procedures for Price Agreements of the type and amount; and

The City and the Contractor hereby agree as follows:

1. Scope of Work

A. The Contractor shall perform the following work:

The City of Santa Fe, Public Utilities Department, Wastewater Management Division (Division) wishes to establish a Price Agreement for On-Call Repair, Replacement, Extension, and Rehabilitation of Sewer Collection System Construction services work by New Mexico licensed contractors to provide miscellaneous repairs, upgrades, improvements, replacements, new construction services and material for facilities throughout the Paseo Real Wastewater Reclamation Facility, the Sanitary Sewer Collection System, and other remote locations.

The Division shall provide, at a minimum, a detailed scope of work and/or drawings, generally defining the construction work required for the project. The Contractor shall be responsible for verifications of all existing conditions, measurements, and dimensions for bidding.
The award of this Price Agreement is without assurance of quantity or dollar amount of work to be performed.

Contractors shall have the technical staff to perform diagnostic services and provide professionally prepared, stamped drawings, if needed, to obtain installation or construction permits. The Contractor is responsible for obtaining all required licenses, fees and permits required to perform the work. Contractor shall be responsible for any applicable Local, County, State and Federal requirements and permits including, but not limited to, the City of Santa Fe's Stormwater Pollution Prevention Program and Stormwater BMPs.

The City of Santa Fe Wastewater Management Division shall be able to utilize this On-Call Price Agreement as needed and as funding is available.

Wage Rates:

All work covered by this Price Agreement shall be in accordance with applicable City and State laws and is subject to the minimum wage rate determination issued by the Department of Workforce Solutions (DWS), if applicable.

A wage rate decision is required by the Public Works minimum Wage Act for construction, demolition or renovation purposes on projects costing sixty thousand dollars ($60,000) or more. The Contractor agrees to comply with the current prevailing wage rate schedule when applicable. For current wage rates or for additional information, visit: http://www.dws.state.nm.us . The Division will request a wage rate determination from the DWS for each project that is $60,000 or more.

When submitting a quote for a specific project valued at more than sixty thousand dollars ($60,000) for any portion of a public works project that is subject to the New Mexico Public Works Act, the Contractor is required to be registered with the Labor and Industrial Division of the Department of Workforce Solutions prior to submitting its quote. The Division may reject any quote that fails to provide a Public Works registration number for the prime Contractor and all other listed Contractors or subcontractors.

Other:

All work shall be in accordance with applicable City and state laws, the International Building Code (IBC) and the New Mexico building codes. The Contractor shall be responsible for all permits associated with this work as required by the governmental Authority Having Jurisdiction (AHJ). All work shall be in strict compliance with the national and state building mechanical, plumbing and electrical codes including SMACNA, and ASHRAE standards.

Contractors shall be capable of providing all coordination, supervision and services required for comprehensive general construction, facilities replacement, upgrade and improvement projects and to provide new construction services including incidental design. It can include site and utility work, mechanical work, pavement restoration, facilities repair, renovation, backfill services, digging, ditching, rock stabilization, concrete, and pour in place and form place finish. The utility work shall include pumping systems, gravity sewers, manholes, force mains, and related facilities. It may also include demolition and abatement projects.

All material shall be new and of the highest quality available for the type of work being performed. The purchase of major equipment or material must be preceded by submission of submittal data on the proposed equipment or material and shall be reviewed and approved by the Division.

The requesting entity reserves the right to purchase materials or specialty services directly from existing Statewide Price Agreements and other sources, and to provide these materials to the Contractor. The Contractor shall provide an itemized, quantifiable list of materials required for the project. Specialty services provided from Statewide Price Agreements and other sources shall be coordinated by the Contractor.

If the Contractor is requesting reimbursement for materials used on the work, copies of the invoices for the materials must be included when submitting invoices/pay applications. The Contractor may NOT add markups for the materials purchased.

The Division reserves the right to obtain quotes from multiple vendors covered under this Price Agreement and award a project to a contractor based on the quotes.

The Division reserves the right to provide an escort and/or full-time supervision of the Contractor and its employees during any or all phases of a project, should the Division feel it is in its best interest to provide these extraordinary security services.

The Division reserves the right to escort any or all employees of the Contractor off its property, for any inappropriate conduct or actions that jeopardize the safety, security, or wellbeing of the facility or any individual. Inappropriate behavior by the Contractor, its employees or subcontractors may be grounds for immediate removal from this Price Agreement. Any employee of the Contractor found in violation of any law, while on City property, will be prosecuted.

Contractor:

No person shall act as a Contractor without a license issued by the Construction Industries Division (CID), classified to cover the type of work to be performed. No bid on a Price Agreement shall be submitted unless the Contractor has a valid Contractor's license issued by the CID to bid and to perform the type of work to be undertaken, as set forth in §60-13-12, NMSA 1978.

Safety shall be of main concern and enforced by the Contractor on site. The Contractor shall comply with all local, state and federal laws governing safety, health and sanitation. The on-site superintendent shall always have a minimum OSHA 10 and preferably OSHA 30 card with them when on the jobsite. The Division shall not in any way be responsible for any fines set forth for such violations of codes, OSHA standards or any other governing agency having jurisdiction at the work site. The Contractor shall provide all needed safeguards, safety devices, protective equipment and take any actions necessary to protect the life and health of employees on the job; the safety of the public and to protect the property of the Division in connection with the performance of the work covered by this price Agreement.
All personnel working on the project and providing these services shall be experienced and certified in all areas related to this work and required by this Price Agreement. Journeymen level personnel shall have the ability and necessary skills to diagnose problems and to make the appropriate decisions needed to provide these services.

The Contractor shall follow the Occupational Safety and Health Act (OSHA) 29 CFR 1910.147 Standard pertaining to "Lockout/Tagout" procedures for hazardous energy.

The Contractor shall agree to provide required labor within 24 hours for emergency situations.

Contractor's price shall include labor costs, permits, overhead, profit, insurance, equipment, tools and any other fees required to successfully complete the work requested. The Contractor shall be capable of providing a work force with supervision, adequate to perform work for a forty (40) hour work week during normal working hours with the option of working non normal or overtime hours if

required. The Contractor shall be responsible for all permits, fees, and State and/or City inspections associated with their work.
Subcontracting of work is allowed and shall have prior approval by the Division. Subcontractors shall have the appropriate current valid Contractor's licenses for their work. Proof of licenses shall be furnished upon request.

There will be NO markups allowed for adding subcontractor costs or to cover general conditions (administrative costs and other related expenses) allowed on any of the quotes issued pursuant to this Price Agreement. If a subcontractor is hired for the project the reimbursement must be at actual cost of the subcontractor's cost. The cost of the subcontractor will be added at time of invoicing as a separate item to be paid by the Department.
Furnishing of submittal data for any/all new equipment and materials as well as O&M' s is required. Training of site personnel for the proper operation of newly installed equipment/systems and its related controls will be required for completion. This training will be acceptable to the person in charge of the facility and/or the City's Project manager in charge of the project.

The Contractor shall provide all protective coverings necessary to protect existing, adjacent finishes while performing its work. If any damage is encountered during the contractor's work, the contractor will be held responsible for repairing any damage done by his employees, subcontractors, and vendors. The Contractor shall restore any damage to existing and/or adjacent finishes damaged while performing work and to make new work inconspicuous with the existing adjacent finishes.

The Contractor and its employees agree to cooperate with and to abide by the rules and requirements of the Division to not interfere with the daily operations of the Division or to jeopardize the health, safety or welfare of the employees or general public conducting business with the Division.

Clean Up and Storage:

A. The Contractor will provide off-site legal disposal of all waste products, trash, and debris. The Division's trash receptacles will not be used by the Contractor. Sanitary facilities will "not" be available at the job site. Contractor shall be responsible for the provision and maintenance of portable toilets.
B. The Contractor, on a daily basis, shall keep the premises and surrounding area free from accumulation of waste materials or rubbish caused by operations under the Agreement. At completion of the Work, the Contractor shall remove the Project waste materials, rubbish, the Contractor's tools, construction equipment, machinery and surplus materials and shall then thoroughly clean the premises and the site to the Division's satisfaction.
C. Materials or equipment shall be delivered to the project in the manufacturer's original sealed, labeled containers and shall be adequately protected against moisture, dust, tampering or damage from improper handling or storage. Materials shall not be delivered to the site before they are needed.
D. Storage of materials and construction equipment shall be coordinated with the Division.

Task Order:

The Contractor shall be required to provide On-Call Construction Services for any number of the activities listed under Scope of Work upon the request of the Division. When a service is identified, the Division shall provide, at a minimum, a detailed scope of work and/or drawings defining work

required. Each project will be individually described in a "Task Order". The Task Order will describe the scope of work, the duration of the project with the date of Substantial Completion and if there are liquidated damages for not meeting the date of substantial completion. The date of Substantial Completion is the date when the space can be occupied or the Work used/operated and is turned over to the User Agency. Final completion is the date when the project is totally complete, the punch list work complete and the Contractor's final pay application/invoice is approved. The terms and conditions of the Contractor's Price Agreement will apply to all Task Orders.

Upon receiving the City's Task Order, the Contractor shall promptly visit the site and compare the Division's scope of work and/or drawings to the existing conditions and provide all services called for in addition to the requirements set forth in this Price Agreement. The Contractor will be required to provide a written quote (based upon the rates submitted in the Bid Form) sub-contractors list (including subcontractor's CID licenses) and cost summary to include the work to be performed, sub-contractors cost and the amount of time required for the completion of the project and submit to the Division at no cost to the Division. Project schedules, negotiated price, and completion dates shall be determined on a project-by-project basis and dependent upon the urgency of that task.

If any equipment or system cannot be economically repaired or has reached the end of its life cycle, the Contractor shall justify with costs and other information they need for replacement. If replacement is recommended, the Contractor will provide written justification for system and/or the model, size, and type of unit recommended along with any applicable efficiency data. The Division's standards will be discussed and taken into consideration when proposing replacement units or systems. Any replacement unit shall be reviewed and approved by the requesting entity.

Change Orders:

Any change orders to the project scope will require an additional Task Order with backup materials and labor costs and shall be substantiated that there was no way of knowing the additional services were needed when the original quote was provided. Change orders shall be managed closely by the Division. Preventative measures shall be taken by both the contractor and the Division prior to issuing the Notice to Proceed. Such measures may include soil tests (soil boring); clarification of ambiguity in the project plan, the scope of work, the Task Order, the drawings, etc.; the project scope should be completely defined and agreed upon before any work begins.

Other Construction Related Terms and Conditions:

Mediation:

Any controversy or claim arising between the parties shall be settled by mediation if the parties cannot reach a mutually agreeable solution. The parties shall endeavor to resolve their disagreement by mediation which, unless the parties mutually agree otherwise, shall be in accordance with the procedures of the New Mexico Public Works Mediation Act (NMSA §13-4C-1 et seq.) except that before any party may select a mediator it must confer in good faith with the other party concerning the selection of a mutually acceptable mediator. Mediation shall proceed in advance of legal or equitable proceedings, which shall be stayed pending mediation for a period of sixty (60) days from the date of notice of mediation session, unless stayed for a longer period by agreement of the parties or court order.

Inspection of Work:

If a Purchase Order is issued for the purchase of services, the following terms shall apply when applicable:

A. Services include services performed, workmanship, and material furnished or utilized in the performance of services.
B. The Contractor shall provide and maintain an inspection system acceptable to the Division covering the services under the Purchase Order. Complete records of all inspection work performed by the Contractor shall be maintained and made available to the Division during the term of performance of the Work and for as long thereafter as required.
C. The Division has the right to inspect and test all services contemplated to the extent practicable at all times and places during the term of the Project. The Division shall perform inspections and tests in a manner that will not unduly delay or interfere with the Contractor's performance.
D. If the Division performs inspections or tests on the premises of the Contractor or a subcontractor, the Contractor shall furnish, and shall require subcontractors to furnish, at no increase in Purchase Order price, all reasonable facilities and assistance for the safe and convenient performance of such inspections or tests.
E. If any part of the services does not conform with the requirements, the Division may require the Contractor to re-perform the services in conformity with the requirements at no increase in Purchase Order amount. When the defects in services cannot be corrected by re-performance, the Division may:
   (1) require the Contractor to take necessary action(s) to ensure that future performance conforms to the requirements; and
   (2) reduce the Purchase Order price to reflect the reduced value of the services performed.
F. If the Contractor fails to promptly re-perform the services or to take the necessary action(s) to ensure future performance in conformity with the requirements, the Division may:
   (1) by Agreement or otherwise, perform the services and charge to the Contractor any cost incurred by the Division that is directly related to the performance of such service; or
   (2) cancel the Purchase Order for default.

Suspension, Delay or Interruption of Work:

The Division may, without cause, order the Contractor, in writing, to suspend, delay or interrupt the Work in whole or in part for such period as the Division may determine. Upon receipt of such notice, Contractor shall leave the jobsite and any equipment in a safe condition prior to departing. Contractor must assert rights to additional compensation within thirty (30) days after suspension of work is lifted and return to work is authorized.

If at any time there is a delay in the critical path of the Work due to postponement, due to the Contractor's efforts to justify an extension of the time or an increase in the Agreement Price beyond the deadlines or due to the Contractor's refusal to proceed with any of the approved Work, such delay and any Contractor costs resulting from it shall not serve as the basis for the extension of the Time for Completion or Agreement Completion Date or for an increase in the Price Agreement Price.

Permits and Fees:

A. IF APPLICABLE- The Contractor shall secure and pay for the Building Permit and other permits and governmental fees, licenses and inspections and Certificate of Occupancy necessary for

proper execution and completion of the Work. Changes or modifications to the Work shall include all requirements of this paragraph.

B. The Contractor shall comply with and give notices required by laws, ordinances, rules, regulations, and lawful orders of public authorities applicable to performance of the Work.
C. IF APPLICABLE- Certificates of Inspection, use and occupancy will be delivered to the Division upon completion of the Work in sufficient time for occupation of the facility in accordance with the approved schedule for the Work. Contractor shall deliver a photocopy of the Building Permit to the Design Professional and requesting entity as soon as it is obtained.

Schedule, Progress Meetings and Reports:

A. The Contractor, promptly after being awarded a Project and before the first payment application, shall prepare and submit for the Division's information a Critical Path Construction Schedule for the Work that indicates the intended start and completion of the various construction activities, which shall be implemented and adhered to by the Contractor, Subcontractors, material suppliers and equipment suppliers. At a minimum, the schedule shall be a GANTT type schedule and shall not exceed time limits allowed by the Task Order or Notice to Proceed with no fewer work breakdown events than line items of the Schedule of Values.
B. The Contractor shall perform the Work in general accordance with the most recent schedule submitted to the Division.
C. Progress meetings shall be scheduled on a regular basis. The purpose will be to review the upcoming activities, any open issues and current progress. The Contractor shall keep any meeting minutes as needed. Progress schedules shall be updated regularly. A three-week look-ahead schedule should be presented at every project meeting. A new schedule shall be presented with any change orders.
D. The Contractor shall prepare a daily report each day the Contractor, subcontractors or any other entity are on the project. The daily reports shall be maintained at the site and be well organized. The Division may request copies at any time. The reports may include:
    1. report date and who prepared the report;
    2. weather conditions - low temp, visibility, humidity, wind, wind direction, cloud conditions, precipitation amount, other notes;
    3. companies present by name and their number of workers, work location, total man hours that day for each company;
    4. equipment-type, source, units of work done, location of work, hour meter reading;
    5. material brought to site-description, units, quantity, quality, location, time;
    6. visitors to site -name, company, time;
    7. safety concerns-company, contact, noticed by, work activity, safety issue, requirement, outcome: and
    8. quality assurance and control -company, description of issue, specification section, issued by.

Close-out Requirements:

The Contractor shall submit to the Division a separate and detailed Closeout Schedule indicating the date of Final Completion and all work to be completed before Final Completion including Close-Out requirements. The punch list of incomplete or inadequate work shall also be submitted when the work is substantially complete. Failure to include any item on the punch list does not alter the responsibility of the Contractor to complete all work in accordance with the Price Agreement Documents.

Before final completion can be achieved, all Work must be complete and accepted including the following as applicable:

a. Work associated with Punch List(s);
b. testing, balance or performance operations complete and in agreement that associated work is in compliance with the Price Agreement Documents;
c. one hard copy and one electronic copy in .pdf format of final approved test, balance or performance report(s) complete with directory of contents submitted to the Division;
d. as-Built drawings delivered in AutoCAD or electronic format;
e. written certification signed by the Division of delivery and stocking of extra material, equipment or components required by the Purchase Order at a location established by the Division;
f. delivery of all warranties required by the Work;
g. all keys, passes, codes, software or other methods or components of control or security which have been correctly and adequately accounted for and closed-out;
i. Start-up of any new equipment and training of staff on all new equipment;
l. Operations and Maintenance Manuals;
m. a certified statement of Release of Liens (AlA Document G706A or approved form) and Consent of Surety.

Warranty:

The Contractor shall warrant its work (non-roofing and equipment), for materials and for workmanship furnished and performed under this Price Agreement for a period of one (1) year minimum from the date of acceptance or Substantial Completion. The Contractor shall warrant its work for repairs or restoration of existing systems and work for ninety (90) days from the date of acceptance or Substantial Completion. It is understood that some equipment is far beyond its normal life and a warranty cannot be extended/supplied. Contractor must pass on to the Division warranties of replaced roofs and equipment offered by the manufacturer.

Bid information:

Hourly rates are requested for the three (3) levels of personnel.

Superintendent: a person with supervisory experience who maintains control of the work and work site. This person may or may not actually perform work on the project.

Journeyman or Experienced Worker: a person licensed by the State for work required and being performed or a person with many years of experience with a high rate of pay.

Laborer: a person with minimal experience, performing minor forms of labor.

Materials and Parts:

Contractor shall submit billings, based on actual Contractor costs for materials, less any applicable percentage for discounts. If there is no discount to be offered, enter zero. Contractor shall provide verification that materials purchased were used for the project. Any unused, billed for materials shall be turned over to the Division for which the work was provided.

The City of Santa Fe requires that all materials shall be new and of the highest quality and at the

best attainable price available for the type of work being performed.

No used materials shall be used on the project. Recycled materials specifically prepared for reuse to meet "LEED" certification may be permitted with the requesting entity's approval.

The City of Santa Fe reserves the right to award this Price Agreement to multiple vendors. Bidders must include pricing for all items starting from item 001 through item 008 in order to allow for accurate comparisons. If a Bidder fails to include one or more of those items his Bid may be rejected.

2. **Compensation**

A. The total amount payable to the Contractor under this Price Agreement, including gross receipts tax and expenses, shall not exceed one million dollars eighty one thousand eight hundred seventy five dollars ($1,081,875.00) per fiscal year, for a total of four million three hundred twenty seven thousand five hundred dollars ($4,327,500.00) including gross receipts tax for the four (4) year term of this Contract. The applicable gross receipts tax shall be shown as a separate amount on each billing or request for payment made under the contract, consistent with NMSA 1978, Section 13-1-108. Wage rates will be paid as set forth in Exhibit A.

B. Payment in future fiscal years is subject to availability of funds pursuant to the Appropriations Paragraph set forth below and to any negotiations between the parties from year to year pursuant to Paragraph 1, Scope of Work, and to approval by the City. All invoices MUST BE received by the City no later than fifteen (15) days after the termination of the Fiscal Year in which the services were delivered. Invoices received after such date WILL NOT BE PAID.

C. Contractor must submit a detailed statement accounting for all services performed and expenses incurred. If the City finds that the services are not acceptable, within thirty days after the date of receipt of written notice from the Contractor that payment is requested, it shall provide the Contractor a letter of exception explaining the defect or objection to the services, and outlining steps the Contractor may take to provide remedial action. Upon certification by the City that the services have been received and accepted, payment shall be tendered to the Contractor within twenty-one days after the date of acceptance. If payment is made by mail, the payment shall be deemed tendered on the date it is postmarked.

D. If the City fails to pay the contractor within twenty-one days after receipt of an undisputed request for payment, the City shall pay interest to the contractor beginning on the twenty-second day after payment was due, computed at one and one-half percent of the undisputed amount per month or fraction of a month until the payment is issued. If the City receives an improperly completed invoice, the City shall notify the sender of the invoice within seven days of receipt in what way the invoice is improperly completed, and the owner has no further duty to pay on the improperly completed invoice until it is resubmitted as complete.

E. **Notice of Extended Payment Provision for Grant Funded Price Agreements**. This price agreement allows the City to make payment within 45 days after submission of an undisputed request for payment for price agreements funded by grant money consistent with NMSA 1978, sec. 57-28-5(B).

3. Term

THIS PRICE AGREEMENT SHALL NOT BECOME EFFECTIVE UNTIL APPROVED IN WRITING BY THE CITY. This price agreement shall terminate **four (4) years from the date of final signature**.

4. Termination

A. Grounds. The City may terminate this price agreement for convenience or cause. For price agreements within their authority, the City Manager or their designee is authorized to provide the notice of termination, otherwise such notice of termination shall be provided by the Mayor or their designee as authorized by the Governing Body. The Contractor may only terminate this Price Agreement based upon the City's uncured, material breach of this Price Agreement.

B. Notice; City Opportunity to Cure.

1) Except as otherwise provided in Paragraphs 7.A and 17, the City shall give Contractor written notice of termination at least thirty (30) days prior to the intended date of termination.

2) Contractor shall give City written notice of termination at least thirty (30) days prior to the intended date of termination, which notice shall (i) identify all the City's material breaches of this Price Agreement upon which the termination is based and (ii) state what the City must do to cure such material breaches. Contractor's notice of termination shall only be effective (i) if the City does not cure all material breaches within the thirty (30) day notice period or (ii) in the case of material breaches that cannot be cured within thirty (30) days, the City does not, within the thirty (30) day notice period, notify the Contractor of its intent to cure and begin with due diligence to cure the material breach.

3) Notwithstanding the foregoing, this Price Agreement may be terminated immediately upon written notice to the Contractor (i) if the Contractor becomes unable to perform the services contracted for, as determined by the City; (ii) if, during the term of this Price Agreement, the Contractor is suspended or debarred by the City; or (iii) the Price Agreement is terminated pursuant to Paragraph 5, "Appropriations," of this Price Agreement.

C. Liability. Except as otherwise expressly allowed or provided under this Price Agreement, the City's sole liability upon termination shall be to pay for acceptable work performed prior to the Contractor's receipt or issuance of a notice of termination; provided, however, that a notice of termination shall not nullify or otherwise affect either party's liability for pre-termination defaults under or breaches of this Price Agreement. The Contractor shall submit an invoice for such work within thirty (30) days of receiving or sending the notice of termination. *THIS PROVISION IS NOT EXCLUSIVE AND DOES NOT WAIVE THE CITY'S OTHER LEGAL RIGHTS AND REMEDIES CAUSED BY THE CONTRACTOR'S DEFAULT/BREACH OF THIS PRICE AGREEMENT.*

5. Appropriations

The terms of this Price Agreement are contingent upon sufficient appropriations and authorization being made by the Governing Body for the performance of this Price Agreement. If sufficient appropriations and authorization are not made by the Governing Body, this Price Agreement shall terminate immediately upon written notice being given by the City to the Contractor. The City's decision as to whether sufficient appropriations are available shall be accepted by the Contractor and shall be final. If the City proposes an amendment to the Price Agreement to unilaterally reduce funding, the Contractor shall have the option to terminate the Price Agreement or to agree to the reduced funding, within thirty (30) days of receipt of the proposed amendment.

6. Status of Contractor

The Contractor and its agents and employees are independent contractors performing construction services for the City and are not employees of the City. The Contractor and its agents and employees shall not accrue

leave, retirement, insurance, bonding, use of City vehicles, or any other benefits afforded to employees of the City as a result of this Price Agreement. The Contractor acknowledges that all sums received hereunder are reportable by the Contractor for tax purposes, including without limitation, self-employment and business income tax. The Contractor agrees not to purport to bind the City unless the Contractor has express written authority to do so, and then only within the strict limits of that authority.

7. Construction Price Agreement **Performance and Payment Bond**

A. When a construction Task Order is approved in excess of twenty-five thousand dollars ($25,000), the following bonds or security shall be delivered to the City and shall become binding on the parties upon the approval of the Task Order. If the Contractor fails to deliver the required performance and payment bonds, the Contractor's bid shall be rejected, its bid security shall be enforced to the extent of actual damages. Approval of a task order shall be made pursuant to the Procurement Code in the following manner:

(1) a performance bond satisfactory to the City, executed by a surety company authorized to do business in this state and said surety to be approved in federal circular 570 as published by the United States treasury department or the state board of finance or the local governing authority, in an amount equal to one hundred percent of the price specified in the Task Order; and

(2) a payment bond satisfactory to the City, executed by a surety company authorized to do business in this state and said surety to be approved in federal circular 570 as published by the United States treasury department or the state board of finance or the local governing authority, in an amount equal to one hundred percent of the price specified in the Task Order, for the protection of all persons supplying labor and material to the contractor or its subcontractors for the performance of the work provided for in the Task Order.

B. A subcontractor shall provide a performance and payment bond on a public works building project if the subcontractor's contract for work to be performed on a project is one hundred twenty-five thousand dollars ($125,000) or more.

8. Assignment

The Contractor shall not assign or transfer any interest in this Price Agreement or assign any claims for money due or to become due under this Price Agreement without the prior written approval of the City.

9. Subcontracting

The Contractor shall not subcontract any portion of the services to be performed under this Price Agreement without the prior written approval of the City. No such subcontract shall relieve the primary Contractor from its obligations and liabilities under this Price Agreement, nor shall any subcontract obligate direct payment from the City.

10. Release

Final payment of the amounts due under this Price Agreement shall operate as a release of the City, its officers and employees from all liabilities, claims and obligations whatsoever arising from or under this Price Agreement.

11. Confidentiality

Any confidential information provided to or developed by the Contractor in the performance of this Price Agreement shall be kept confidential and shall not be made available to any individual or organization by the Contractor without the prior written approval of the City.

12. Product of Service -- Copyright

All materials developed or acquired by the Contractor under this Price Agreement shall become the property of the City and shall be delivered to the City no later than the termination date of this Price Agreement. Nothing developed or produced, in whole or in part, by the Contractor under this Price Agreement shall be the subject of an application for copyright or other claim of ownership by or on behalf of the Contractor.

13. Conflict of Interest; Governmental Conduct Act

A. The Contractor represents and warrants that it presently has no interest and, during the term of this Price Agreement, shall not acquire any interest, direct or indirect, which would conflict in any manner or degree with the performance or services required under the Price Agreement.

B. The Contractor further represents and warrants that it has complied with, and, during the term of this Price Agreement, will continue to comply with, and that this Price Agreement complies with all applicable provisions of the Governmental Conduct Act, Chapter 10, Article 16 NMSA 1978.

C. Contractor's representations and warranties in Paragraphs A and B of this Article 12 are material representations of fact upon which the City relied when this Price Agreement was entered into by the parties. Contractor shall provide immediate written notice to the City if, at any time during the term of this Price Agreement, Contractor learns that Contractor's representations and warranties in Paragraphs A and B of this Article 12 were erroneous on the effective date of this Price Agreement or have become erroneous by reason of new or changed circumstances. If it is later determined that Contractor's representations and warranties in Paragraphs A and B of this Article 12 were erroneous on the effective date of this Price Agreement or have become erroneous by reason of new or changed circumstances, in addition to other remedies available to the City and notwithstanding anything in the Price Agreement to the contrary, the City may immediately terminate the Price Agreement.

D. All terms defined in the Governmental Conduct Act have the same meaning in this section.

14. Amendment

A. This Price Agreement shall not be altered, changed or amended except by instrument in writing executed by the parties hereto and all other required signatories.

B. If the City proposes an amendment to the Price Agreement to unilaterally reduce funding due to budget or other considerations, the Contractor shall, within thirty (30) days of receipt of the proposed Amendment, have the option to terminate the Price Agreement, pursuant to the termination provisions as set forth in Article 4 herein, or to agree to the reduced funding.

15. Change Orders

A. Changes. The Contractor may only make changes or revisions within the Task Order as defined by Article 1 and/or Exhibit 1 after receipt of written approval by the Project Manager, or his/her designee. Such change may only be made to Tasks or Sub-Task as defined in the Scope of Work. Under no circumstance shall such change affect the:

1) Deliverable requirements, as outlined in the Task Order;
2) Due date of any Deliverable, as outlined in the Task Order;
3) Compensation of any Deliverable, as outlined in the Task Order;
4) Price Agreement compensation, as outlined in Article 2; or
5) Price Agreement termination, as outlined in Article 4.

B. Change Request Process. In the event that circumstances warrant a change to accomplish the Task Order as described above, a Change Request shall be submitted that meets the following criteria:

1) The Contractor shall draft a written Change Request for review and approval by the Project Manager to include:
(a) the name of the person requesting the change;
(b) a summary of the required change;
(c) the start date for the change;
(d) the reason and necessity for change;
(e) the elements to be altered; and
(f) the impact of the change.

2. The Project Manager shall provide a written decision on the Change Request to the Contractor within a maximum of ten (10) Business Days of receipt of the Change Request. All decisions made by the Project Manager are final. Change Requests, once approved, become a part of the Task Order, and become binding as a part of the original Task Order.

16. Merger

This Price Agreement incorporates all the agreements, covenants, and understandings between the parties hereto concerning the subject matter hereof, and all such covenants, agreements and understandings have been merged into this written Price Agreement.

All terms and conditions of the **ITB #25119 – On-Call Collection System Construction Services,** and the Contractor's response to such document(s) are incorporated herein by reference and is included in the order of precedence.

No prior Agreement or understanding, oral or otherwise, of the parties or their agents shall be valid or enforceable unless embodied in this Price Agreement.

17. Penalties for violation of law

NMSA 1978, sections 13-1-28 through 13-1-199, imposes civil and criminal penalties for its violation. In addition, the New Mexico criminal statutes impose felony penalties for illegal bribes, gratuities and kickbacks.

18. Equal Opportunity Compliance

The Contractor agrees to abide by all federal and state laws and rules and regulations, and Santa Fe City Code, pertaining to equal employment opportunity. In accordance with all such laws of the State of New Mexico, the Contractor assures that no person in the United States shall, on the grounds of race, religion, color, national origin, ancestry, sex, age, physical or mental handicap, or serious medical condition, spousal affiliation, sexual orientation or gender identity, be excluded from employment with or participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity performed under this Price Agreement. If Contractor is found not to be in compliance with these requirements during the life of this Price Agreement, Contractor agrees to take appropriate steps to correct these deficiencies.

19. Applicable Law

The laws of the State of New Mexico shall govern this Price Agreement, without giving effect to its choice of law provisions. Venue shall be proper only in a New Mexico court of competent jurisdiction in accordance with NMSA 1978, section 38-3-2. By execution of this Price Agreement, Contractor acknowledges and agrees to the jurisdiction of the courts of the State of New Mexico over any and all lawsuits arising under or out of any term of this Price Agreement.

20. Workers Compensation

The Contractor agrees to comply with state laws and rules applicable to workers compensation benefits for its employees. If the Contractor fails to comply with the Workers Compensation Act and applicable rules when required to do so, this Price Agreement may be terminated by the City.

21. Other Insurance

If the services contemplated under this Price Agreement will be performed on or in City facilities or property, Contractor shall maintain in force during the entire term of this Price Agreement, the following insurance coverage(s), naming the City as additional insured.

A. **Commercial General Liability** insurance shall be written on an occurrence basis and be a broad as ISO Form CG 00 01 with limits not less than $2,000,000 per occurrence and $2,000,000 in the aggregate for claims against bodily injury, personal and advertising injury, and property damage. Said policy shall include broad form Contractual Liability coverage and be endorsed to name the City of Santa Fe their officials, officers, employees, and agents as additional insureds.

B. **Broader Coverage and Limits**. The insurance requirements under this Price Agreement shall be the greater of (1) the minimum coverage and limits specified in this Price Agreement, or (2) the broader coverage and maximum limits of coverage of any insurance policy or proceeds available to the Named Insured. It is agreed that these insurance requirements shall not in any way act to reduce coverage that is broader or that includes higher limits than the minimums required herein. No representation is made that the minimum insurance requirements of this Price Agreement are sufficient to cover the obligations of Contractor hereunder.

C. Contractor shall maintain the above insurance for the term of this Price Agreement and name the City as an additional insured and provide for 30 days cancellation notice on any Certificate of Insurance form furnished by Contractor. Such certificate shall also specifically state the coverage provided under the policy is primary over any other valid and collectible insurance and provide a waiver of subrogation.

22. Records and Financial Audit

The Contractor shall maintain detailed time and expenditure records that indicate the date; time, nature and cost of services rendered during the Price Agreement's term and effect and retain them for a period of three (3) years from the date of final payment under this Price Agreement. The records shall be subject to inspection by the City. The City shall have the right to audit billings both before and after payment. Payment under this Price Agreement shall not foreclose the right of the City to recover excessive or illegal payments

23. Indemnification

The Contractor shall defend, indemnify and hold harmless the City from all actions, proceeding, claims,

demands, costs, damages, attorneys' fees and all other liabilities and expenses of any kind from any source which may arise out of the performance of this Price Agreement, caused by the negligent act or failure to act of the Contractor, its officers, employees, servants, subcontractors or agents, or if caused by the actions of any client of the Contractor resulting in injury or damage to persons or property during the time when the Contractor or any officer, agent, employee, servant or subcontractor thereof has or is performing services pursuant to this Price Agreement. In the event that any action, suit or proceeding related to the services performed by the Contractor or any officer, agent, employee, servant or subcontractor under this Price Agreement is brought against the Contractor, the Contractor shall, as soon as practicable but no later than two (2) days after it receives notice thereof, notify the legal counsel of the City.

24. New Mexico Tort Claims Act

Any liability incurred by the City of Santa Fe in connection with this Price Agreement is subject to the immunities and limitations of the New Mexico Tort Claims Act, Section 41-4-1, et. seq. NMSA 1978, as amended. The City and its "public employees" as defined in the New Mexico Tort Claims Act, do not waive sovereign immunity, do not waive any defense and do not waive any limitation of liability pursuant to law. No provision in this Price Agreement modifies or waives any provision of the New Mexico Tort Claims Act.

25. Invalid Term or Condition

If any term or condition of this Price Agreement shall be held invalid or unenforceable, the remainder of this Price Agreement shall not be affected and shall be valid and enforceable.

26. Enforcement of Price Agreement

A party's failure to require strict performance of any provision of this Price Agreement shall not waive or diminish that party's right thereafter to demand strict compliance with that or any other provision. No waiver by a party of any of its rights under this Price Agreement shall be effective unless express and in writing, and no effective waiver by a party of any of its rights shall be effective to waive any other rights.

27. Notices

Any notice required to be given to either party by this Price Agreement shall be in writing and shall be delivered in person, by courier service or by U.S. mail, either first class or certified, return receipt requested, postage prepaid, as follows:

To the City: Gilbert Rodriguez
73 Paseo Real
Santa Fe, NM 87507

To the Contractor: Brent Costlow
44 Coyote Mountain Rd.
Santa Fe, NM 87507

28. Authority

If Contractor is other than a natural person, the individual(s) signing this Price Agreement on behalf of Contractor represents and warrants that he or she has the power and authority to bind Contractor, and that no further action, resolution, or approval from Contractor is necessary to enter into a binding Price Agreement.

29. Progress Payments

Based upon Application for Payment submitted to the City by the Contractor and Certificates for Payment issued by the City, the City shall make progress payments on account of the Price Agreement sum to the Contractor as provided in the Price Agreement documents for the period ending the last day of the month as follows:

Not later than twenty-one (21) days following the end of the period covered by the Application for Payment, one hundred percent (100%) of the portion of the Price Agreement Sum properly allocable to labor, materials, and equipment incorporated in the work and one hundred percent (100%) of the portion of the Price Agreement sum properly allocable to materials and equipment suitably stored at the site or some other location agreed upon in writing for the period covered by the Application for Payment, less the aggregate of previous payments made by the City; and upon substantial completion of the entire work, a sum sufficient to increase the total payments to one hundred percent (100%) of the Price Agreement sum, less such amounts as the City shall determine for all incomplete work and unsettled claims as provided in the Price Agreement documents.

30. Final Payment

Final payment, constituting the entire unpaid balance of the Price Agreement sum, unless it is a disputed payment, shall be paid by the City to the Contractor within twenty-one (21) calendar days, after all deficiencies to the Price Agreement document that were noted during the Substantial Completion Inspection and listed on the attachment to the Certificate of Substantial Completion have been corrected, and provided the Price Agreement has been fully performed and a final Certificate for Payment has been issued by the City. In addition, the Contractor shall provide to the City a certified statement of Release of Lien (AIA Document G706A or approved form), Consent of Surety, Warranty from Prime Contractor, Warranties from Suppliers and Manufacturers, training sessions, equipment/operating manuals, and as-built drawings.

31. General and Special Provisions

A. Terms used in this Price Agreement which are defined in the Conditions of the Price Agreement shall have the meanings designated in those Conditions.

B. An enumeration of the Contractor's General Comprehensive Liability Insurance requirements appears in the General Conditions of the Price Agreement for construction. Insurance requirements are also described in the Instructions to the Bidder section of the Project Manual. Contractor shall maintain adequate insurance in at least the maximum amounts, which the City could be liable under the New Mexico Tort Claims Act and shall provide proof of such insurance coverage to the City. It is the sole responsibility of the Contractor to comply with the law.

C. This Price Agreement shall not become effective until: (1) approved by the Governing Body; and (2) signed by all parties required to sign this Price Agreement.

D. The Contractor shall maintain detailed time records which indicate the date, time and nature of services rendered. These records shall be subject to inspection by the City, the Department of Finance and Administration and the State Auditor. The City shall have the right to audit billings both before and after payment. Payment under this Price Agreement shall not foreclose the right of the City to recover excessive illegal payments.

E. The Contractor warrants that the Contractor presently has no interest and shall not acquire any interest, direct or indirect, which would conflict in any manner or degree with the performance or services required under this Price Agreement.

F. The Contractor hereby warrants that the Contractor complies with the Americans with Disabilities Act, 29 CFR 1630.

G. Gender, Singular/Plural. Words of any gender used in this Price Agreement shall be held and construed to include any other gender, and words in the singular number shall be held to include the plural, unless the context otherwise requires.

H. Captions and Section Headings. The captions and section headings contained in this Price Agreement are for convenience of reference only, and in no way limit, define, or enlarge the terms, scope, and conditions of this Price Agreement.

I. Certificates and Documents Incorporated. All certificates and documentation required by the provisions of the Price Agreement shall be attached to this Price Agreement at the time of execution and are hereby incorporated by reference as though set forth in full in this Price Agreement to the extent they are consistent with its conditions and terms.

J. Separability. If any clause or provision of this Price Agreement is illegal, invalid or unenforceable under present or future laws effective during the term of this Price Agreement, then and in that event, it is the intention of the parties hereto that the remainder of this Price Agreement shall not be affected thereby.

K. Words and Phrases. Words, phrases, and abbreviations, which have well-known technical or trade meanings used in the Price Agreement documents shall be used according to such recognized meaning. In the event of a conflict, the more stringent meaning shall govern.

L. Relationship of Price Agreement Documents. The Price Agreement Documents are complementary, and any requirement of one Price Agreement Document shall be as binding as if required by all.

M. Pursuant to NMSA 1978, section 13-1-191, reference is hereby made to the Criminal Laws of New Mexico (including NMSA 1978, sections 30-14-1, 30-24-2, and 30-41-1 through 30-41-3) which prohibit bribes, kickbacks, and gratuities, violation of which constitutes a felony. Further, the Procurement Code (NMSA 1978, sections 13-1-28 through 13-1-199) imposes civil and criminal penalties for its violation.

N. Pursuant to NMSA 1978, section 13-4-11. Reference is hereby made to the Minimum Wage on Public Works; weekly payments; posting wage scale; withholding funds.

IN WITNESS WHEREOF, the Parties have executed this Price Agreement as of the date of the signature by the required approval authorities below.

RE: Collection System On Call Construction

From DUTTON-LEYDA, TRAVIS K. <tkduttonleyda@santafenm.gov>
Date Thu 1/23/2025 11:52 AM
To HEERBRANDT, PAUL F. <pfheerbrandt@santafenm.gov>; Purchasing DET <purchasing_det@santafenm.gov>
Cc MACALLISTER, LINDA M. <lmmacallister@santafenm.gov>

Greetings,

The scope of work as written would be Construction. This determination relates only to that question and is no comment on whether the scope of work or procurement method meet all legal standards. I reserve the right to change this determination if the scope of work differs from the scope of work submitted for the original determination. This procurement must be conducted using the processes and procedures set forth by the City of Santa Fe, Central Purchasing, the Procurement Manual, and state statutes.

Please note:

- Save this email as a PDF and upload it into the corresponding Munis records.
- Check with WorkQuest dba Horizons of New Mexico (vendor # 8673) (mloehman@horizonsofnewmexico.org) if this service appears on their approved list.
- If your request includes anything that needs to be reviewed and preapproved by another City Department/Division, please send the same SOW to the corresponding email address and include their response in your packet/Munis.
  -IT components (anything IT) - ereview@santafenm.gov
  -Vehicles – dmjaramillo@santafenm.gov
  -Grants - grants@santafenm.gov
  - Construction, Facilities, Furniture, Fixtures, Equipment, etc. - jsburnett@santafenm.gov
  -Emergency Related Purchases - bgwilliams@santafenm.gov
  -Asset over $5k - jxbolden@santafenm.gov
- Ensure that the appropriate templates and forms are used https://intranet.santafenm.gov/finance_1 and documented procedures/laws/rules are followed.
- > $20k per year, when processing this procurement, please ensure the procurement number issued by Munis and the procurement name are used in the appropriate documents and the subject of emails.
- If you are processing a procurement where the forecasted amount is =/> $60k, per NMSA 1978, Section 13-1-102, the procurement method must be ITB (if you choose not to use a cooperative or an existing contract). If you feel you need to process an RFP, you must get an Authorization and Plan approved before you process.
- < $20k per year, one quote is acceptable.
- From $20k to $60k per year, if you aren't using a cooperative or existing contract, you'll need to provide 3 quotes in your req. Must use the Munis Bid Module after 12/21/2023.
- Please keep this as part of the procurement file for future reference.
- Figure out your funding source and **inform Purchasing**. To ensure that the proper documents and language are used, it is important to identify the funding source for the subsequent contract. For instance, if federal funds are involved, the procurement request and subsequent contract must

include the necessary federal language. Therefore, it is crucial to determine the funding source beforehand.

- Please review the pages linked below to determine whether any of the existing contracts/price agreements or cooperative agreements are applicable to this request. You might be able to use an existing price agreement to save time and money.
    - https://www.generalservices.state.nm.us/state-purchasing/statewide-price-agreements/ (if you choose to use a Statewide, you do not need to ask Horizons if they can do the work. State Purchasing must offer the SOW to Horizons prior to placing the award on their website.)

Subject: Collection System On Call Construction

Requesting the determination of the contract type and procurement method for the following scope of work. Thanks

Collection System On Call Construction

The City of Santa Fe, Public Utilities Department, Wastewater Management Division (Division) wishes to establish a Price Agreement for On-Call Repair, Replacement, Extension, and Rehabilitation of Sewer Collection System Construction services work by New Mexico licensed contractors to provide miscellaneous repairs, upgrades, improvements, replacements, new construction services and material for facilities throughout the Paseo Real Wastewater Reclamation Facility, the Sanitary Sewer Collection System, and other remote locations.

The Division shall provide, at a minimum, a detailed scope of work and/or drawings, generally defining the construction work required for the project. The Contractor shall be responsible for verifications of all existing conditions, measurements, and dimensions for bidding.

The award of this Price Agreement is without assurance of quantity or dollar amount of work to be performed.

Contractors shall have the technical staff to perform diagnostic services and provide professionally prepared, stamped drawings, if needed, to obtain installation or construction permits. The Contractor is responsible for obtaining all required licenses, fees and permits required to perform the work. Contractor shall be responsible for any applicable Local, County, State and Federal requirements and permits including, but not limited to, the City of Santa Fe's Stormwater Pollution Prevention Program and Stormwater BMPs.

The City of Santa Fe Wastewater Management Division shall be able to utilize this On-Call Contract as needed and as funding is available.

Wage Rates:

All work covered by this Price Agreement shall be in accordance with applicable City and State laws and is subject to the minimum wage rate determination issued by the Department of Workforce Solutions (DWS), if applicable.

A wage rate decision is required by the Public Works minimum Wage Act for construction, demolition or renovation purposes on projects costing sixty thousand dollars ($60,000) or more. The Contractor agrees to comply with the current prevailing wage rate schedule when applicable. For current wage rates or for additional information, visit: http://www.dws.state.nm.us . The Division will request a wage rate determination from the DWS for each project that is $60,000 or more.

When submitting a quote for a specific project valued at more than sixty thousand dollars ($60,000) for any portion of a public works project that is subject to the New Mexico Public Works Act, the Contractor is required to be registered with the Labor and Industrial Division of the Department of Workforce Solutions prior to submitting its quote. The Division may reject any quote that fails to provide a Public Works registration number for the prime Contractor and all other listed Contractors or subcontractors.

Other:

All work shall be in accordance with applicable City and state laws, the International Building Code (IBC) and the New Mexico building codes. The Contractor shall be responsible for all permits associated with this work as required by the governmental Authority Having Jurisdiction (AHJ).

All work shall be in strict compliance with the national and state building mechanical, plumbing and electrical codes including SMACNA, and ASHRAE standards.

Contractors shall be capable of providing all coordination, supervision and services required for comprehensive general construction, facilities replacement, upgrade and improvement projects and to provide new construction services including incidental design. It can include site and utility work, mechanical work, pavement restoration, facilities repair, renovation, backfill services, digging, ditching, rock stabilization, concrete, and pour in place and form place finish. The utility work shall include pumping systems, gravity sewers, manholes, force mains, and related facilities. It may also include demolition and abatement projects.

All material shall be new and of the highest quality available for the type of work being performed. The purchase of major equipment or material must be preceded by submission of submittal data on the proposed equipment or material and shall be reviewed and approved by the Division.

The requesting entity reserves the right to purchase materials or specialty services directly from existing Statewide Price Agreements and other sources, and to provide these materials to the Contractor. The Contractor shall provide an itemized, quantifiable list of materials required for the project. Specialty services provided from Statewide Price Agreements and other sources shall be coordinated by the Contractor.

If the Contractor is requesting reimbursement for materials used on the work, copies of the invoices for the materials must be included when submitting invoices/pay applications. The Contractor may NOT add markups for the materials purchased.

The Division reserves the right to obtain quotes from multiple vendors covered under this Price Agreement and award a project to a contractor based on the quotes.

The Division reserves the right to provide an escort and/or full-time supervision of the Contractor and its employees during any or all phases of a project, should the Division feel it is in its best interest to provide these extraordinary security services.

The Division reserves the right to escort any or all employees of the Contractor off its property, for any inappropriate conduct or actions that jeopardize the safety, security, or wellbeing of the facility or any individual. Inappropriate behavior by the Contractor, its employees or subcontractors may be grounds for immediate removal from this Price Agreement. Any employee of the Contractor found in violation of any law, while on City property, will be prosecuted.

Contractor:

No person shall act as a Contractor without a license issued by the Construction Industries Division (CID), classified to cover the type of work to be performed. No bid on a contract shall be submitted unless the Contractor has a valid Contractor's license issued by the CID to bid and to perform the type of work to be undertaken, as set forth in §60-13-12, NMSA 1978.

Safety shall be of main concern and enforced by the Contractor on site. The Contractor shall comply with all local, state and federal laws governing safety, health and sanitation. The on-site superintendent shall always have a minimum OSHA 10 and preferably OSHA 30 card with them when on the jobsite. The Division shall not in any way be responsible for any fines set forth for such violations of codes, OSHA standards or any other governing agency having jurisdiction at the work site. The Contractor shall provide all needed safeguards, safety devices, protective equipment and take any actions necessary to protect the life and health of employees on the job; the safety of the public and to protect the property of the Division in connection with the performance of the work covered by this price Agreement.

All personnel working on the project and providing these services shall be experienced and certified in all areas related to this work and required by this Price Agreement. Journeymen level personnel shall have the ability and necessary skills to diagnose problems and to make the appropriate decisions needed to provide these services.

The Contractor shall follow the Occupational Safety and Health Act (OSHA) 29 CFR 1910.147 Standard pertaining to "Lockout/Tagout" procedures for hazardous energy.

The Contractor shall agree to provide required labor within 24 hours for emergency situations.

Contractor's price shall include labor costs, permits, overhead, profit, insurance, equipment, tools and any other fees required to successfully complete the work requested. The Contractor shall be capable of providing a work force with supervision, adequate to perform work for a forty (40) hour work week during normal working hours with the option of working non normal or overtime hours if required. The Contractor shall be responsible for all permits, fees, and State and/or City inspections associated with their work.

Subcontracting of work is allowed and shall have prior approval by the Division. Subcontractors shall have the appropriate current valid Contractor's licenses for their work. Proof of licenses shall be furnished upon request.

There will be NO markups allowed for adding subcontractor costs or to cover general conditions (administrative costs and other related expenses) allowed on any of the quotes issued pursuant to this Price Agreement. If a subcontractor is hired for the project the reimbursement must be at actual cost of the subcontractor's cost. The cost of the subcontractor will be added at time of invoicing as a separate item to be paid by the Department.

Furnishing of submittal data for any/all new equipment and materials as well as O&M' s is required. Training of site personnel for the proper operation of newly installed equipment/systems and its related controls will be required for completion. This training will be acceptable to the person in charge of the facility and/or the City's Project manager in charge of the project.

The Contractor shall provide all protective coverings necessary to protect existing, adjacent finishes while performing its work. If any damage is encountered during the contractor's work, the contractor will be held responsible for repairing any damage done by his employees, subcontractors, and vendors. The Contractor shall restore any damage to existing and/or adjacent finishes damaged while performing work and to make new work inconspicuous with the existing adjacent finishes.

The Contractor and its employees agree to cooperate with and to abide by the rules and requirements of the Division to not interfere with the daily operations of the Division or to jeopardize the health, safety or welfare of the employees or general public conducting business with the Division.

Clean Up and Storage:

A. The Contractor will provide off-site legal disposal of all waste products, trash, and debris. The Division's trash receptacles will not be used by the Contractor. Sanitary facilities will "not" be available at the job site. Contractor shall be responsible for the provision and maintenance of portable toilets.

B. The Contractor, on a daily basis, shall keep the premises and surrounding area free from accumulation of waste materials or rubbish caused by operations under the Agreement. At completion of the Work, the Contractor shall remove the Project waste materials, rubbish, the Contractor's tools, construction equipment, machinery and surplus materials and shall then thoroughly clean the premises and the site to the Division's satisfaction.

C. Materials or equipment shall be delivered to the project in the manufacturer's original sealed, labeled containers and shall be adequately protected against moisture, dust, tampering or damage from improper handling or storage. Materials shall not be delivered to the site before they are needed.

D. Storage of materials and construction equipment shall be coordinated with the Division.

Task Order:

The Contractor shall be required to provide On-Call Construction Services for any number of the activities listed under Scope of Work upon the request of the Division. When a service is identified, the Division shall provide, at a minimum, a detailed scope of work and/or drawings defining work required. Each project will be individually described in a "Task Order". The Task Order will describe the scope of work, the duration of the project with the date of Substantial Completion and if there are liquidated damages for not meeting the date of substantial completion. The date of Substantial Completion is the date when the space can be occupied or the Work used/operated and is turned over to the User Agency. Final completion is the date when the project is totally complete, the punch list work complete and the Contractor's final pay application/invoice is approved. The terms and conditions of the Contractor's Price Agreement will apply to all Task Orders.

Upon receiving the City's Task Order, the Contractor shall promptly visit the site and compare the Division's scope of work and/or drawings to the existing conditions and provide all services called for in addition to the requirements set forth in this Price Agreement. The Contractor will be required to provide a written quote (based upon the rates submitted in the Bid Form) sub-contractors list (including subcontractor's CID licenses) and cost summary to include the work to be performed, sub-contractors cost and the amount of time required for the completion of the project and submit to the Division at no cost to the Division. Project schedules, negotiated price, and completion dates shall be determined on a project-by-project basis and dependent upon the urgency of that task.

If any equipment or system cannot be economically repaired or has reached the end of its life cycle, the Contractor shall justify with costs and other information they need for replacement. If replacement is recommended, the Contractor will provide written justification for system and/or the model, size, and type of unit recommended along with any applicable efficiency data. The Division's standards will be discussed and taken into consideration when proposing replacement units or systems. Any replacement unit shall be reviewed and approved by the requesting entity.

Change Orders:

Any change orders to the project scope will require an additional Task Order with backup materials and labor costs and shall be substantiated that there was no way of knowing the additional services were needed when the original quote was provided. Change orders shall be managed closely by the Division. Preventative measures shall be taken by both the contractor and the Division prior to issuing the Notice to Proceed. Such measures may include soil tests (soil boring); clarification of ambiguity in the project plan, the scope of work, the Task Order, the drawings, etc.; the project scope should be completely defined and agreed upon before any work begins.

Other Construction Related Terms and Conditions:

Mediation:

Any controversy or claim arising between the parties shall be settled by mediation if the parties cannot reach a mutually agreeable solution. The parties shall endeavor to resolve their disagreement by mediation which, unless the parties mutually agree otherwise, shall be in accordance with the procedures of the New Mexico Public Works Mediation Act (NMSA §13-4C-1 et seq.) except that before any party may select a mediator it must confer in good faith with the other party concerning the selection of a mutually acceptable mediator. Mediation shall proceed in advance of legal or equitable proceedings, which shall be stayed pending mediation for a period of sixty (60) days from the date of notice of mediation session, unless stayed for a longer period by agreement of the parties or court order.

Inspection of Work:

If a Purchase Order is issued for the purchase of services, the following terms shall apply when applicable:

A. Services include services performed, workmanship, and material furnished or utilized in the performance of services.

B. The Contractor shall provide and maintain an inspection system acceptable to the Division covering the services under the Purchase Order. Complete records of all inspection work performed by the Contractor shall be maintained and made available to the Division during the term of performance of the Work and for as long thereafter as required.

C. The Division has the right to inspect and test all services contemplated to the extent practicable at all times and places during the term of the Project. The Division shall perform inspections and tests in a manner that will not unduly delay or interfere with the Contractor's performance.

D. If the Division performs inspections or tests on the premises of the Contractor or a subcontractor, the Contractor shall furnish, and shall require subcontractors to furnish, at no increase in Purchase Order price, all reasonable facilities and assistance for the safe and convenient performance of such inspections or tests.

E. If any part of the services does not conform with the requirements, the Division may require the Contractor to re-perform the services in conformity with the requirements at no increase in Purchase Order amount. When the defects in services cannot be corrected by re-performance, the Division may:

(1) require the Contractor to take necessary action(s) to ensure that future performance conforms to the requirements; and
(2) reduce the Purchase Order price to reflect the reduced value of the services performed.

F. If the Contractor fails to promptly re-perform the services or to take the necessary action(s) to ensure future performance in conformity with the requirements, the Division may:

(1) by Agreement or otherwise, perform the services and charge to the Contractor any cost incurred by the Division that is directly related to the performance of such service; or
(2) cancel the Purchase Order for default.

THE PROVISIONS OF THIS ARTICLE ARE NOT EXCLUSIVE AND DO NOT WAIVE THE REQUESTING ENTITY'S OTHER LEGAL RIGHTS AND REMEDIES CAUSED BY THE CONTRACTOR'S DEFAULT/BREACH OF THE PURCHASE ORDER/PRICE AGREEMENT.

Suspension, Delay or Interruption of Work:

The Division may, without cause, order the Contractor, in writing, to suspend, delay or interrupt the Work in whole or in part for such period as the Division may determine. Upon receipt of such notice, Contractor shall leave the jobsite and any equipment in a safe condition prior to departing. Contractor must assert rights to additional compensation within thirty (30) days after suspension of work is lifted and return to work is authorized.

If at any time there is a delay in the critical path of the Work due to postponement, due to the Contractor's efforts to justify an extension of the time or an increase in the Agreement Price beyond the deadlines or due to the Contractor's refusal to proceed with any of the approved Work, such delay and any Contractor costs resulting from it shall not serve as the basis for the extension of the Time for Completion or Agreement Completion Date or for an increase in the Contract Price.

Permits and Fees:

A. IF APPLICABLE- The Contractor shall secure and pay for the Building Permit and other permits and governmental fees, licenses and inspections and Certificate of Occupancy necessary for proper execution and completion of the Work. Changes or modifications to the Work shall include all requirements of this paragraph.

B. The Contractor shall comply with and give notices required by laws, ordinances, rules, regulations, and lawful orders of public authorities applicable to performance of the Work.

C. IF APPLICABLE- Certificates of Inspection, use and occupancy will be delivered to the Division upon completion of the Work in sufficient time for occupation of the facility in accordance with the approved schedule for the Work. Contractor shall deliver a photocopy of the Building Permit to the Design Professional and requesting entity as soon as it is obtained.

Schedule, Progress Meetings and Reports:

A. The Contractor, promptly after being awarded a Project and before the first payment application, shall prepare and submit for the Division's information a Critical Path Construction Schedule for the Work that indicates the intended start and completion of the various construction activities, which shall be implemented and adhered to by the Contractor, Subcontractors, material suppliers and equipment suppliers. At a minimum, the schedule shall be a GANTT type schedule and shall not exceed time limits allowed by the Task Order or Notice to Proceed with no fewer work breakdown events than line items of the Schedule of Values.

B. The Contractor shall perform the Work in general accordance with the most recent schedule submitted to the Division.

C. Progress meetings shall be scheduled on a regular basis. The purpose will be to review the upcoming activities, any open issues and current progress. The Contractor shall keep any meeting minutes as needed. Progress schedules shall be updated regularly. A three-week look-ahead schedule should be presented at every project meeting. A new schedule shall be presented with any change orders.

D. The Contractor shall prepare a daily report each day the Contractor, subcontractors or any other entity are on the project. The daily reports shall be maintained at the site and be well organized. The Division may request copies at any time. The reports may include:

1. report date and who prepared the report;
2. weather conditions - low temp, visibility, humidity, wind, wind direction, cloud conditions, precipitation amount, other notes;
3. companies present by name and their number of workers, work location, total man hours that day for each company;
4. equipment-type, source, units of work done, location of work, hour meter reading;
5. material brought to site-description, units, quantity, quality, location, time;
6. visitors to site -name, company, time;
7. safety concerns-company, contact, noticed by, work activity, safety issue, requirement, outcome: and
8. quality assurance and control -company, description of issue, specification section, issued by.

Close-out Requirements:

The Contractor shall submit to the Division a separate and detailed Closeout Schedule indicating the date of Final Completion and all work to be completed before Final Completion including Close-Out requirements. The punch list of incomplete or inadequate work shall also be submitted when the work is substantially complete. Failure to include any item on the punch list does not alter the responsibility of the Contractor to complete all work in accordance with the Contract Documents.

Before final completion can be achieved, all Work must be complete and accepted including the following as applicable:

a. Work associated with Punch List(s);
b. testing, balance or performance operations complete and in agreement that associated work is in compliance with the Contract Documents;
c. one hard copy and one electronic copy in .pdf format of final approved test, balance or performance report(s) complete with directory of contents submitted to the Division;

d. as-Built drawings delivered in AutoCAD or electronic format;
e. written certification signed by the Division of delivery and stocking of extra material, equipment or components required by the Purchase Order at a location established by the Division;
f. delivery of all warranties required by the Work;
g. all keys, passes, codes, software or other methods or components of control or security which have been correctly and adequately accounted for and closed-out;
i. Start-up of any new equipment and training of staff on all new equipment;
l. Operations and Maintenance Manuals;
m. a certified statement of Release of Liens (AIA Document G706A or approved form) and Consent of Surety.

Warranty:

The Contractor shall warrant its work (non-roofing and equipment), for materials and for workmanship furnished and performed under this Price Agreement for a period of one (1) year minimum from the date of acceptance or Substantial Completion. The Contractor shall warrant its work for repairs or restoration of existing systems and work for ninety (90) days from the date of acceptance or Substantial Completion. It is understood that some equipment is far beyond its normal life and a warranty cannot be extended/supplied. Contractor must pass on to the Division warranties of replaced roofs and equipment offered by the manufacturer.

Bid information:

Hourly rates are requested for the three (3) levels of personnel.

Superintendent: a person with supervisory experience who maintains control of the work and work site. This person may or may not actually perform work on the project.

Journeyman or Experienced Worker: a person licensed by the State for work required and being performed or a person with many years of experience with a high rate of pay.

Laborer: a person with minimal experience, performing minor forms of labor.

Materials and Parts:

Contractor shall submit billings, based on actual Contractor costs for materials, less any applicable percentage for discounts. If there is no discount to be offered, enter zero. Contractor shall provide verification that materials purchased were used for the project. Any unused, billed for materials shall be turned over to the Division for which the work was provided.

The City of Santa Fe requires that all materials shall be new and of the highest quality and at the best attainable price available for the type of work being performed.

No used materials shall be used on the project. Recycled materials specifically prepared for reuse to meet "LEED" certification may be permitted with the requesting entity's approval.

The City of Santa Fe reserves the right to award this Price Agreement to multiple vendors. Bidders must include pricing for all items starting from item 001 through item 016 in order to allow for accurate comparisons. If a Bidder fails to include one or more of those items his Bid may be rejected.

CITY OF SANTA FE
AMENDMENT No. 1 TO
GENERAL SERVICES CONTRACT
ITEM# 23-0062

This AMENDMENT No. 1 (the "Amendment") amends the CITY OF SANTA FE GENERAL SERVICES CONTRACT, dated February 27, 2023 (the "Contract"), between the City of Santa Fe (the "City") and IPS Group Incorporated. (the "Contractor"). The date of this Amendment shall be the date when it is executed by the City and the Contractor whichever occurs last.

RECITALS:

A. Under the terms of the Contract, Contractor has agreed to provide parking meter equipment and service of single-spaced parking meters, related equipment, and the system management to operate the meters. The services under the Contract include management of parking meter software and Contractor's servers, an online management system, which will provide the Parking Division with real-time information on payments, meter malfunctions, updates and upgrades, meter configuration and programming, and credit card transactions and fees.

B. Pursuant to Article 2 of the Contract, and for good and valuable consideration, the receipt and sufficiency of which are acknowledged by the parties, the City and the Contractor agree as follows:

1. SCOPE OF SERVICES

Article 2 of the Contract is amended to add a Section B to read as follows:

B. The Contractor shall perform the following as described in Exhibit "C" attached hereto:

1) Provide ongoing support for credit card payments made by parking customers on Single Space

Parking Meters.

2) Provide ongoing support for Monthly Management System Fees for Single Space Parking Meters.

3) Provide replacement MK5 Refurbished Meters under Annual Spare Parts Budget.

2. COMPENSATION.

Article 3 of the Contract is amended to increase the amount of compensation by a total of $543,600 so that the following is added after the current list of Deliverable Items and the last sentence of Article 3 is amended as follows:

The City shall pay to the Contractor based upon fixed prices for each Deliverable item as listed here and identified in the attached Exhibit "C".

Deliverable Item:	U/I (unit of issue)	Price One Year Total	Price Three Year Total
Credit Card Transaction Fee for Single Space Parking Meters	1150	$72,000.00	$216,000.00
Monthly Management System Fee for Single Space Parking Meters	1150	$79,200.00	$237,600.00
Annual Spare Parts Budget	3	$30,000.00	$90,000.00

The total compensation under this agreement shall not exceed $1,346,607.14 including New Mexico gross receipts tax.

3. TERM:

Article 5 of the Contract is hereby deleted in its entirety and the following Article 5 is substituted in its place:

This Contract shall be effective when signed by the City and shall terminate on November 21, 2029.

4. CONTRACT IN FULL FORCE.

Except as specifically provided in this Amendment, the Contract remains and shall remain in full force and effect, in accordance with its terms.

IN WITNESS WHEREOF, the parties have executed this Amendment No. 1 to the Contract as of the dates set forth below.

CORDERO, ANDREW C.

From: DUTTON-LEYDA, TRAVIS K.
Sent: Wednesday, April 9, 2025 5:59 PM
To: CORDERO, ANDREW C.; Purchasing DET
Subject: RE: Determination Request for Type of Service

Greetings,

The scope of work as written would be General Services. This determination relates only to that question and is no comment on whether the scope of work or procurement method meet all legal standards. I reserve the right to change this determination if the scope of work differs from the scope of work submitted for the original determination. This procurement must be conducted using the processes and procedures set forth by the City of Santa Fe, Central Purchasing, the Procurement Manual, and state statutes.

Please note:

- Save this email as a PDF and upload it into the corresponding Munis records.
- Check with WorkQuest dba Horizons of New Mexico (vendor # 8673) (mloehman@horizonsofnewmexico.org) if this service appears on their approved list.
- If your request includes anything that needs to be reviewed and preapproved by another City Department/Division, please send the same SOW to the corresponding email address and include their response in your packet/Munis.

  -IT components (anything IT) - ereview@santafenm.gov

  -Vehicles – dmjaramillo@santafenm.gov

  -Grants - grants@santafenm.gov

  - Construction, Facilities, Furniture, Fixtures, Equipment, etc. - jsburnett@santafenm.gov_

  -Emergency Related Purchases - bgwilliams@santafenm.gov

  -Asset over $5k - jxbolden@santafenm.gov

- Ensure that the appropriate templates and forms are used https://intranet.santafenm.gov/finance_1 and documented procedures/laws/rules are followed.
- > $20k per year, when processing this procurement, please ensure the procurement number issued by Munis and the procurement name are used in the appropriate documents and the subject of emails.
- If you are processing a procurement where the forecasted amount is =/> $60k, per NMSA 1978, Section 13-1-102, the procurement method must be ITB (if you choose not to use a cooperative or an existing contract). If you feel you need to process an RFP, you must get an Authorization and Plan approved before you process.
- < $20k per year, one quote is acceptable.

- From $20k to $60k per year, if you aren't using a cooperative or existing contract, you'll need to provide 3 quotes in your req. Must use the Munis Bid Module after 12/21/2023.
- Please keep this as part of the procurement file for future reference.
- Figure out your funding source and **inform Purchasing**. To ensure that the proper documents and language are used, it is important to identify the funding source for the subsequent contract. For instance, if federal funds are involved, the procurement request and subsequent contract must include the necessary federal language. Therefore, it is crucial to determine the funding source beforehand.
- Please review the pages linked below to determine whether any of the existing contracts/price agreements or cooperative agreements are applicable to this request. You might be able to use an existing price agreement to save time and money.
    - https://www.generalservices.state.nm.us/state-purchasing/statewide-price-agreements/ (if you choose to use a Statewide, you do not need to ask Horizons if they can do the work. State Purchasing must offer the SOW to Horizons prior to placing the award on their website.)

Item# **23-0062**
Munis Contract#3203767

CITY OF SANTA FE
GENERAL SERVICES CONTRACT

THIS AGREEMENT is made and entered into by and between the City of Santa Fe, herein after referred to as the "City", and **IPS Group Incorporated**, herein after referred to as the "Contractor."

The purpose of this agreement is to purchase Parking Meter Equipment and Services for the installation and service of single-spaced parking meters, related equipment, and the system management to operate the meters. The service under this agreement includes management of parking meter software and IPS Group's servers, an online management system, which will provide the Parking Division with real-time information on payments, meter malfunctions, updates and upgrades, meter configuration and programming, and credit card transactions and fees.

IT IS MUTUALLY AGREED BETWEEN THE PARTIES:

1. **Definitions**

A. "Products and Services Schedule" refers to the complete list of products and services offered under this Agreement and the price for each. Product and service descriptions may be amended with the prior approval of the Agreement Administrator. New products and services shall not be added to the Products and Services Schedule.

B. You" and "your" refers to **IPS Group Incorporated** "We." "us" or "our" refers to the City and whose accounts are created under this Agreement.

2. **Scope of Work**

A. The Contractor shall perform the following and as described in Exhibit "A" attached hereto:

1) Provide 600 MK5 Refurbished Meters and assist in the installation to existing parking meter poles.
2) Provide ongoing Data Management Fees for 1,082 meters.
3) Provide ongoing support for Credit Card Transactions.
4) Onsite Installation.

3. **Compensation**

The City shall pay to the Contractor based upon fixed prices for each Deliverable item as listed here and identified in the attached Exhibit "A".

Deliverable item: U/I (unit of issue) Price

01 $ 144,000.00 for 600 MK5 Model 895 SSPM Meters.
02 $49,920.00 - 208 MK5 Model 895 SSPM Meters purchased and installed next fiscal year
03 $324,600 Data Management Fee (estimated cost for four years based on 1082 active meters annually)
04 $210,600.00 credit card transaction fees (based on 405,000 transactions for four years)
05 $5,700.00 – Onsite Installation
06 $5,698.48 - Freight

The total compensation under this Agreement shall not exceed $803,007.14 including New Mexico gross receipts tax.

4. **Payment Provisions**

All payments under this Agreement are subject to the following provisions.

A. Acceptance - In accordance with Section 13-1-158 NMSA 1978, the City shall determine if the product or services provided meet specifications. Until the products or services have been accepted in writing by the City, the City shall not pay for any products or services. Unless otherwise agreed upon between the City and the Contractor, within thirty (30) days from the date the City receives written notice from the Contractor that payment is requested for services or within thirty (30) days from the receipt of products, the City shall issue a written certification (by letter or email) of complete or partial acceptance or rejection of the products or services. Unless the City gives notice of rejection within the specified time period, the products or services will be deemed to have been accepted.

B. Payment of Invoice - Upon acceptance that the products or services have been received and accepted, payment shall be tendered to the Contractor within thirty (30) days after the date of invoice. After the thirtieth day from the date that written certification of acceptance is issued, late payment charges shall be paid on the unpaid balance due on the contract to the Contractor at the rate of 1.5 % per month. Contractor may submit invoices for payment no more frequently than monthly. Payment will be made to the Contractor's designated mailing address. Payment on each invoice shall be due within 30 days from the date of the acceptance of the invoice. The City agrees to pay in full the balance shown on each account's statement, by the due date shown on said statement.

5. **Term**

THIS AGREEMENT SHALL NOT BECOME EFFECTIVE UNTIL APPROVED IN WRITING BY THE CITY. This Agreement shall begin on date approved by the City, and end on 11/21/2026 unless terminated pursuant to paragraph 4 (Termination), or paragraph 5 (Appropriations). In accordance with Section 13-1-150 NMSA 1978, no contract term for a

professional services contract, including extensions and renewals, shall exceed four years, except as set forth in Section 13-1-150 NMSA 1978.

6. **Default and Force Majeure**

The City reserves the right to cancel all or any part of any orders placed under this contract without cost to the City, if the Contractor fails to meet the provisions of this contract and, except as otherwise provided herein, to hold the Contractor liable for any excess cost occasioned by the City due to the Contractor's default. The Contractor shall not be liable for any excess costs if failure to perform the order arises out of causes beyond the control and without the fault or negligence of the Contractor; such causes include, but are not restricted to, acts of God or the public enemy, acts of the State or Federal Government, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, unusually severe weather and defaults of sub- contractors due to any of the above, unless the City shall determine that the supplies or services to be furnished by the sub-contractor were obtainable from other sources in sufficient time to permit the Contractor to meet the required delivery scheduled. The rights and remedies of the City provided in this paragraph shall not be exclusive and are in addition to any other rights now being provided by law or under this contract.

7. **Termination**

A. Grounds. The City may terminate this Agreement for convenience or cause. The Contractor may only terminate this Agreement based upon the City's uncured, material breach of this Agreement.

B. Notice; City Opportunity to Cure.

1) Except as otherwise provided in Paragraphs 7.A and 17, the City shall give Contractor written notice of termination at least thirty (30) days prior to the intended date of termination.

2) Contractor shall give City written notice of termination at least thirty (30) days prior to the intended date of termination, which notice shall (i) identify all the City's material breaches of this Agreement upon which the termination is based and (ii) state what the City must do to cure such material breaches. Contractor's notice of termination shall only be effective (i) if the City does not cure all material breaches within the thirty (30) day notice period or (ii) in the case of material breaches that cannot be cured within thirty (30) days, the City does not, within the thirty (30) day notice period, notify the Contractor of its intent to cure and begin with due diligence to cure the material breach.

3) Notwithstanding the foregoing, this Agreement may be terminated immediately upon written notice to the Contractor (i) if the Contractor becomes unable to perform the services contracted for, as determined by the City; (ii) if, during the term of this Agreement, the Contractor is suspended or debarred by the City; or (iii) the Agreement is terminated pursuant to Paragraph 17, "Appropriations", of this Agreement.

C. Liability. Except as otherwise expressly allowed or provided under this Agreement, the City's sole liability upon termination shall be to pay for acceptable work performed prior to the Contractor's receipt or issuance of a notice of termination; provided, however, that a notice of termination shall not nullify or otherwise affect either party's liability for pre-termination defaults under or breaches of this Agreement. The Contractor shall submit an

invoice for such work within thirty (30) days of receiving or sending the notice of termination. *THIS PROVISION IS NOT EXCLUSIVE AND DOES NOT WAIVE THE CITY'S OTHER LEGAL RIGHTS AND REMEDIES CAUSED BY THE CONTRACTOR'S DEFAULT/BREACH OF THIS AGREEMENT.*

8. **Amendment**

A. This Agreement shall not be altered, changed or amended except by instrument in writing executed by the parties hereto and all other required signatories.

B. If the City proposes an amendment to the Agreement to unilaterally reduce funding due to budget or other considerations, the Contractor shall, within thirty (30) days of receipt of the proposed Amendment, have the option to terminate the Agreement, pursuant to the termination provisions as set forth in Paragraph 7 herein, or to agree to the reduced funding.

9. **Status of Contractor**

The Contractor, and Contractor's agents and employees, are independent Contractors for the City and are not employees of the City. The Contractor, and Contractor's agents and employees, shall not accrue leave, retirement, insurance, bonding, use of City vehicles, or any other benefits afforded to employees of the City as a result of this Agreement. The Contractor acknowledges that all sums received hereunder are personally reportable by the Contractor for income tax purposes, including without limitation, self-employment tax and business income tax. The Contractor agrees not to purport to bind the City unless the Contractor has written authority to do so, and then only within the strict limits of that authority.

10. **Assignment**

The Contractor shall not assign or transfer any interest in this Agreement or assign any claims for money due or to become due under this Agreement without the prior written approval of the City.

11. **Subcontracting**

The Contractor shall not subcontract any portion of the services to be performed under this Agreement without the prior written approval of the City. No such subcontract shall relieve the primary Contractor from its obligations and liabilities under this Agreement, nor shall any subcontract obligate direct payment from the City.

12. **Non-Collusion**

In signing this Agreement, the Contractor/Contractor certifies the Contractor/Contractor has not, either directly or indirectly, entered into action in restraint of free competitive bidding in connection with this offer submitted to the City.

13. **Inspection of Plant**

The City may inspect, at any reasonable time during Contractor's regular business hours and upon prior written notice, the Contractor's plant or place of business, or any subcontractor's plant or place of business, which is related to the performance of this contract.

14. **Commercial Warranty**

The Contractor agrees that the tangible personal property or services furnished under this Agreement shall be covered by the most favorable commercial warranties the Contractor gives to any customer for such tangible personal property or services, and that the rights and remedies provided herein shall extend to the City and are in addition to and do not limit any rights afforded to the City by any other clause of this order. Contractor agrees not to disclaim warranties of fitness for a particular purpose or merchantability.

15. **Condition of Proposed Items**

Where tangible personal property is a part of this Agreement, all proposed items are to be NEW and of most current production, unless otherwise specified. The single space parking meters sold in terms of this Agreement are certified refurbished meters.

16. **Records and Audit**

During the term of this Agreement and for three years thereafter, the Contractor shall maintain detailed records pertaining to the services rendered and products delivered. These records shall be subject to inspection by the City, the State Auditor and other appropriate state and federal authorities. The City shall have the right to audit billings both before and after payment. Payment under this Agreement shall not foreclose the right of the City to recover excessive or illegal payments.

17. **Appropriations**

The terms of this Agreement, and any orders placed under it, are contingent upon sufficient appropriations and authorization being made by the City Council for the performance of this Agreement. If sufficient appropriations and authorization are not made by the legislature, this Agreement, and any orders placed under it, shall terminate upon written notice being given by the City to the Contractor. The City's decision as to whether sufficient appropriations are available shall be accepted by the Contractor and shall be final. If the City proposes an amendment to the Agreement to unilaterally reduce funding, the Contractor shall have the option to terminate the Agreement or to agree to the reduced funding, within thirty (30) days of receipt of the proposed amendment.

18. **Release**

The Contractor, upon final payment of the amount due under this Agreement, releases the City, its officers and employees, from all liabilities, claims and obligations whatsoever arising from or under this Agreement. The Contractor agrees not to purport to bind the City, unless the

Contractor has express written authority to do so, and then only within the strict limits of that authority.

19. **Confidentiality**

Any confidential information provided to or developed by the Contractor in the performance of this Agreement shall be kept confidential and shall not be made available to any individual or organization by the Contractor without prior written approval by the City.

20. **Conflict of Interest**

A. The Contractor represents and warrants that it presently has no interest and, during the term of this Agreement, shall not acquire any interest, direct or indirect, which would conflict in any manner or degree with the performance or services required under the Agreement. The Contractor shall comply with any applicable provisions of the New Mexico Governmental Conduct Act and the New Mexico Financial Disclosures Act.

B. The Contractor further represents and warrants that it has complied with, and, during the term of this Agreement, will continue to comply with, and that this Agreement complies with all applicable provisions of the Governmental Conduct Act, Chapter 10, Article 16 NMSA 1978.

C. Contractor's representations and warranties in Paragraphs A and B of this Paragraph are material representations of fact upon which the City relied when this Agreement was entered into by the parties. Contractor shall provide immediate written notice to the City if, at any time during the term of this Agreement, Contractor learns that Contractor's representations and warranties in Paragraphs A and B of this Paragraph 20 were erroneous on the effective date of this Agreement or have become erroneous by reason of new or changed circumstances. If it is later determined that Contractor's representations and warranties in Paragraphs A and B of this Paragraph 20 were erroneous on the effective date of this Agreement or have become erroneous by reason of new or changed circumstances, in addition to other remedies available to the City and notwithstanding anything in the Agreement to the contrary, the City may immediately terminate the Agreement.

D. All terms defined in the Governmental Conduct Act have the same meaning in this section.

21. **Approval of Contractor Representative(s)**

The City reserves the right to require a change in Contractor representative(s) if the assigned representative(s) are not, in the opinion of the City, adequately serving the needs of the City.

22. **Scope of Agreement; Merger**

This Agreement incorporates all the agreements, covenants, and understandings between the parties hereto concerning the subject matter hereof, and all such covenants, agreements and understandings have been merged into this written Agreement. No prior agreements or understandings, verbal or otherwise, of the parties or their agents shall be valid or enforceable unless embodied in this Agreement.

23. **Notice**

The Procurement Code, Sections 13-1-28 through 13-1-199 NMSA 1978, imposes civil and criminal penalties for its violation. In addition, the New Mexico criminal statutes impose felony penalties for bribes, gratuities and kickbacks.

24. **Equal Opportunity Compliance**

The Contractor agrees to abide by all federal and state laws, and local Ordinances, pertaining to equal employment opportunity. In accordance with all such laws, rules, and regulations, the Contractor agrees to assure that no person in the United States shall on the grounds of race, religion, color, national origin, ancestry, sex, age, physical or mental handicap, or serious medical condition, spousal affiliation, sexual orientation or gender identity, be excluded from employment with or participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity performed under this Agreement. If Contractor is found not to be in compliance with these requirements during the life of this Agreement, Contractor agrees to take appropriate steps to correct these deficiencies.

25. **Indemnification**

The Contractor shall hold the City and its employees harmless and shall indemnify the City and its employees against any and all claims, suits, actions, liabilities and costs of any kind, including attorney's fees for personal injury or damage to property arising from the acts or omissions of the Contractor, its agents, officers, employees or subcontractors. The Contractor shall not be liable for any injury or damage as a result of any negligent act or omission committed by the City, its officers or employees.

26. **New Mexico Tort Claims Act**

Any liability incurred by the City of Santa Fe in connection with this Agreement is subject to the immunities and limitations of the New Mexico Tort Claims Act, Section 41-4-1, et. seq. NMSA 1978, as amended. The City and its "public employees" as defined in the New Mexico Tort Claims Act, do not waive sovereign immunity, do not waive any defense and do not waive any limitation of liability pursuant to law. No provision in this Agreement modifies or waives any provision of the New Mexico Tort Claims Act.

27. **Applicable Law**

The laws of the State of New Mexico shall govern this Agreement, without giving effect to its choice of law provisions. Venue shall be proper only in a New Mexico court of competent

jurisdiction in accordance with NMSA 1978, § 38-3-2.By execution of this Agreement, Contractor acknowledges and agrees to the jurisdiction of the courts of the State of New Mexico over any and all lawsuits arising under or out of any term of this Agreement.

28. **Limitation of Liability**

The Contractor's liability to the City, for any cause whatsoever shall be limited to the purchase price paid to the Contractor for the products and services that are the subject of the City's, claim. The foregoing limitation does not apply to paragraph 25 of this Agreement or to damages resulting from personal injury caused by the Contractor's negligence.

29. **Incorporation by Reference and Precedence**

If this Agreement has been procured pursuant to a request for proposals, this Agreement is derived from (1) the request for proposal, (including any written clarifications to the request for proposals and any City response to questions); (2) the Contractor's best and final offer; and (3) the Contractor's response to the request for proposals.

In the event of a dispute under this Agreement, applicable documents will be referred to for the purpose of clarification or for additional detail in the following order of precedence: (1) amendments to the Agreement in reverse chronological order; (2) the Agreement, including the scope of work and all terms and conditions thereof; (3) the request for proposals, including attachments thereto and written responses to questions and written clarifications; (4) the Contractor's best and final offer if such has been made and accepted by the City; and (5) the Contractor's response to the request for proposals.

30. **Workers' Compensation**

The Contractor agrees to comply with state laws and rules applicable to workers' compensation benefits for its employees. If the Contractor fails to comply with the Workers' Compensation Act and applicable rules when required to do so, this Agreement may be terminated by the City.

31. **Inspection**

If this contract is for the purchase of tangible personal property (goods), final inspection and acceptance shall be made at Destination. Tangible personal property rejected at Destination for non-conformance to specifications shall be removed at Contractor's risk and expense promptly after notice of rejection and shall not be allowable as billable items for payment.

32. **Inspection of Services**

If this contract is for the purchase of services, the following terms shall apply.

A. Services, as used in this Article, include services performed, workmanship, and

material furnished or utilized in the performance of services.

B. The Contractor shall provide and maintain an inspection system acceptable to the City covering the services under this Agreement. Complete records of all inspection work performed by the Contractor shall be maintained and made available to the City and for as long thereafter as the Agreement requires. The City has the right to inspect and test all services contemplated under this Agreement to the extent practicable at all times and places during the term of the Agreement. The City shall perform inspections and tests in a manner that will not unduly delay or interfere with Contractor's performance.

C. If the City performs inspections or tests on the premises of the Contractor or a subcontractor, the Contractor shall furnish, and shall require subcontractors to furnish, at no increase in contract price, all reasonable facilities and assistance for the safe and convenient performance of such inspections or tests.

D. If any part of the services do not conform with the requirements of this Agreement, the City may require the Contractor to re-perform the services in conformity with the requirements of this Agreement at no increase in contract amount. When the defects in services cannot be corrected by re-performance, the City may:

(1) require the Contractor to take necessary action(s) to ensure that future performance conforms to the requirements of this Agreement; and

(2) reduce the contract price to reflect the reduced value of the services performed.

E. If the Contractor fails to promptly re-perform the services or to take the necessary action(s) to ensure future performance in conformity with the requirements of this Agreement, the City may:

(1) by contract or otherwise, perform the services and charge to the Contractor any cost incurred by the City that is directly related to the performance of such service; or

(2) terminate the contract for default.

33. **Insurance**

If the services contemplated under this Agreement will be performed on or in City facilities or property, Contractor shall maintain in force during the entire term of this Agreement, the following insurance coverage(s), naming the City as additional insured.

A. **Commercial General Liability** insurance shall be written on an occurrence basis and be a broad as ISO Form CG 00 01 with limits not less than $2,000,000 per occurrence and $2,000,000 in the aggregate for claims against bodily injury, personal and advertising injury, and property damage. Said policy shall include broad form Contractual Liability coverage and be endorsed to name the City of Santa Fe their officials, officers, employees, and agents as additional insureds.

B. **Broader Coverage and Limits**. The insurance requirements under this Agreement shall be the greater of (1) the minimum coverage and limits specified in this Agreement, or (2) the broader coverage and maximum limits of coverage of any insurance policy or proceeds available to the Named Insured. It is agreed that these insurance requirements shall not in any way act to reduce coverage that is broader or that includes higher limits than the

minimums required herein. No representation is made that the minimum insurance requirements of this Agreement are sufficient to cover the obligations of Contractor hereunder.

C. Contractor shall maintain the above insurance for the term of this Agreement and name the City as an additional insured and provide for 30 days cancellation notice on any Certificate of Insurance form furnished by Contractor. Such certificate shall also specifically state the coverage provided under the policy is primary over any other valid and collectible insurance and provide a waiver of subrogation.

34. **Impracticality of Performance**

A party shall be excused from performance under this Agreement for any period that the party is prevented from performing as a result of an act of God, strike, war, civil disturbance, epidemic, or court order, provided that the party has prudently and promptly acted to take any and all steps that are within the party's control to ensure performance. Subject to this provision, such non-performance shall not be deemed a default or a ground for termination.

35. **Invalid Term or Condition**

If any term or condition of this Agreement shall be held invalid or unenforceable, the remainder of this Agreement shall not be affected and shall be valid and enforceable.

36. **Enforcement of Agreement**

A party's failure to require strict performance of any provision of this Agreement shall not waive or diminish that party's right thereafter to demand strict compliance with that or any other provision. No waiver by a party of any of its rights under this Agreement shall be effective unless express and in writing, and no effective waiver by a party of any of its rights shall be effective to waive any other rights.

37. **Patent, Copyright and Trade Secret Indemnification**

A. The Contractor shall defend, at its own expense, the City against any claim that any product or service provided under this Agreement infringes any patent, copyright to trademark in the United States or Puerto Rico, and shall pay all costs, damages and attorneys' fees that a court finally awards as a result of any such claim. In addition, if any third party obtains a judgment against the City based upon Contractor's trade secret infringement relating to any product or services provided under this Agreement, the Contractor agrees to reimburse the City for all costs, attorneys' fees and amount of the judgment. To qualify for such defense and or payment, the City shall:

1) give the Contractor prompt written notice within 48 hours of any claim;
2) allow the Contractor to control the defense of settlement of the claim; and
3) cooperate with the Contractor in a reasonable way to facilitate the defense or settlement of the claim.

B. If any product or service becomes, or in the Contractor's opinion is likely to become the subject of a claim of infringement, the Contractor shall at its option and expense:

1) provide the City the right to continue using the product or service and fully indemnify the City against all claims that may arise out of the City's use of the product or service;

2) replace or modify the product or service so that it becomes non-infringing; or.

3) accept the return of the product or service and refund an amount equal to the value of the returned product or service, less the unpaid portion of the purchase price and any other amounts, which are due to the Contractor. The Contractor's obligation will be void as to any product or service modified by the City to the extent such modification is the cause of the claim.

38. **Survival**

The Agreement paragraphs titled "Patent, Copyright, Trademark, and Trade Secret Indemnification: Indemnification: and Limit of Liability" shall survive the expiration of this Agreement. Software licenses, leases, maintenance and any other unexpired Agreements that were entered into under the terms and conditions of this Agreement shall survive this Agreement.

39. **Disclosure Regarding Responsibility**

A. Any prospective Contractor and any of its Principals who enter into a contract greater than sixty thousand dollars ($60,000.00) with any City for professional services, tangible personal property, services or construction agrees to disclose whether the Contractor, or any principal of the Contractor's company is presently debarred, suspended, proposed for debarment, or declared ineligible for award of contract by any federal entity, state agency or local public body.

B. Principal, for the purpose of this disclosure, means an officer, director, owner, partner, or a person having primary management or supervisory responsibilities within a business entity or related entities.

C. The Contractor shall provide immediate written notice to the City if, at any time during the term of this Agreement, the Contractor learns that the Contractor's disclosure was at any time erroneous or became erroneous by reason of changed circumstances.

D. A disclosure that any of the items in this requirement exist will not necessarily result in termination of this Agreement. However, the disclosure will be considered in the determination of the Contractor's responsibility and ability to perform under this Agreement. Failure of the Contractor to furnish a disclosure or provide additional information as requested will be grounds for immediate termination of this Agreement pursuant to the conditions set forth in Paragraph 7 of this Agreement.

E. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render, in good faith, the disclosure required by this document. The knowledge and information of a Contractor is not required to exceed that which is the

normally possessed by a prudent person in the ordinary course of business dealings.

F. The disclosure requirement provided is a material representation of fact upon which reliance was placed when making an award and is a continuing material representation of the facts during the term of this Agreement. If during the performance of the contract, the Contractor is indicted for or otherwise criminally or civilly charged by any government entity (federal, state or local) with commission of any offenses named in this document the Contractor must provide immediate written notice to the City. If it is later determined that the Contractor knowingly rendered an erroneous disclosure, in addition to other remedies available to the Government, the City may terminate the involved contract for cause. Still further the City may suspend or debar the Contractor from eligibility for future solicitations until such time as the matter is resolved to the satisfaction of the City.

40. **Suspension, Delay or Interruption of Work**

The City may, without cause, order the Contractor, in writing, to suspend, delay or interrupt the work in whole or in part for such period of time as the City may determine. The contract sum and contract time shall be adjusted for increases in cost and/or time associated with Contractor's compliance therewith. Upon receipt of such notice, Contractor shall leave the jobsite and any equipment in a safe condition prior to departing. Contractor must assert rights to additional compensation within thirty (30) days after suspension of work is lifted and return to work is authorized. Any compensation requested for which entitlement is granted and the contract sum adjusted, shall have profit included (for work completed) and for cost only (not profit) for Contractor costs incurred directly tied to the suspension itself and not otherwise covered by Contract remedy. Any change in Total Compensation must be reflected in an Amendment executed pursuant to Section 8 of this Agreement.

41. **Notification**

Either party may give written notice to the other party in accordance with the terms of this Paragraph. Any written notice required or permitted to be given hereunder shall be deemed to have been given on the date of delivery if delivered by personal service or hand delivery or three (3) business days after being mailed.

To the City:
City of Santa Fe Parking Division
500 Market Station, Ste 200
Santa Fe, NM 87504

To the Contractor:
IPS Group INC
DBA IPS Group Inc

Ref: Chad Randall

Either party may change its representative or address above by written notice to the other in accordance with the terms of this Paragraph. The carrier for mail delivery and notices shall be the agent of the sender.

42. **Succession**

This Agreement shall extend to and be binding upon the successors and assigns of the parties.

IN WITNESS WHEREOF, the Parties have executed this Agreement as of the date of the signature by the required approval authorities below.

AGREEMENT TO PURCHASE PARKING METER EQUIPMENT AND RELATED SERVICES

This Agreement To Purchase Parking Meter Equipment And Related Services ("Agreement") is made effective retro-actively to March 21, 2018 (the "Effective Date"), by and between the City of Santa Fe, NM, a municipal corporation (the "City"), and IPS GROUP, INC., a Pennsylvania corporation ("IPS"), with reference to the following:

RECITALS

A. City is a municipal corporation duly organized and validly existing under the laws of the State of New Mexico with the power to carry on its business as it is now being conducted under the statutes of the State of New Mexico and the Charter of the City of Santa Fe.

B. IPS is a Pennsylvania corporation that is qualified to do business, and is doing business, in the State of California. In addition IPS is authorized to and conducts business in the State of New Mexico. IPS markets and supports a certain web-based system and operating system software known as the IPS Data Management System (the "DMS").

C City seeks to continue using the IPS smart parking meters system for use by the City's Parking Operations pursuant to the terms and conditions of this contract.

D. IPS has duly performed all prior work for the City regarding parking meters and related services, pursuant to the prior contract, and there are no known claims related to the prior contract. As this contract shall now replace any and all prior contract(s), and to prevent any doubt, the City waives any and all claims, which it has or may have against the IPS arising out of or in connection with the IPS's execution of the prior contract.

E. City and IPS desire to enter into this Agreement for IPS to provide continuing services of the single space parking meters and related equipment (the "Equipment") in conjunction with the IPS Data Management System (DMS) (collectively, "IPS Equipment and Software") to the City upon the terms and conditions set forth below.

Now, therefore, the parties agree as follows:

TERMS AND CONDITIONS

1. **Term of Agreement.**

1.1. **Initial Term.** The term of the Agreement means the period from the Effective Date above and will be in effect for a period of three (3) years ("Initial Term").

1.2. **Option to Extend.** City shall have the option to extend the term of the Agreement for 2 additional one (1) year increments, for a total period not to exceed five (5) years. City shall notify IPS of its intention to exercise the option to extend the Agreement at least ninety (90) days prior to the end of each such term.

2. **IPS Services.**

2.1. **Scope of Services.** IPS agrees to diligently undertake, perform, and complete all of the services ("Services") described in Attachment A.

3. **City Services & Responsibilities.** The City agrees to:

3.1. Make available to IPS any currently existing documents, data or information required for the performance of the Services, including any material updates therein.

3.2. Designate a representative authorized to act on behalf of the City.

3.3. Keep, at its own cost and expense, the Equipment in good repair, condition and working order.

3.4. Notify IPS of any need for warranty repair work and coordinate the return process with IPS.

3.5 Provide first line of preventative maintenance for all meter mechanisms for the term of this Agreement.

3.6. Be solely responsible for meter posts and housings, including keeping meter posts, keys locks and housings in good working order and in compliance with all applicable laws.

3.7. Use the Equipment in the proper manner and comply with and conform to all national, state, and local laws and regulations in any way relating to the possession, use or maintenance of such equipment.

3.8. Be fully responsible, at its own cost and expense, to provide and maintain a merchant account and associated merchant account services using a City designated third party provider.

4. **Equipment Delivery and Installation.**

4.1 When ordered, IPS shall deliver new, fully-tested Equipment. No used or previously owned Equipment will be allowed unless otherwise agreed to in writing by the City.

4.2 Coordinated installation of all Equipment will take place during standard business hours.

4.3 City staff, in conjunction with IPS staff, will inspect parking meter equipment following installation to ensure proper installation and operation. Unless otherwise notified in writing, the Equipment shall be deemed accepted at the time of installation of the Equipment, but no later than ten (10) business days following completed installation or thirty (30) days following delivery, whichever occurs first.

5. **Compensation**

5.1 The City will compensate IPS for the purchase of IPS Equipment and Software, as set forth in Attachment B.

5.2. City further agrees to pay to IPS the amounts specified in Attachment B on a Net 30 basis from the date of invoice.

5.3. Notwithstanding anything to the contrary stated elsewhere, payment for the Equipment shall be due and paid upon delivery of each batch of Equipment (if part deliveries are permitted in the Agreement) to the City.

5.4. City agrees to promptly notify IPS in writing of any dispute with any invoice, and that invoices for which no such notification is made within 10 business days after receipt of the invoice shall be deemed accepted by the City.

5.5. All pricing excludes any taxes that may be applicable to the City. Any applicable taxes will be added to invoices and will be paid by the City on submission of an invoice. Exemption from the payment of applicable taxes shall be provided by the City in writing.

5.6. Pricing shall remain fixed during the Initial Term after the effective date of this Agreement. After this initial period, IPS shall have the right to adjust Agreement pricing due to increases in Inflation as published by the US Bureau of Labor Statistics for All Items Consumer Price Index for All Urban Consumers (CPI-U) for the U.S. City Average, and will not exceed 3% compounded annually.

6. Risk and Title.

6.1. IPS shall bear risk of loss of the Equipment, including any damage sustained during transportation to the delivery site. Risk in the Equipment shall pass to City upon delivery. Transfer of title to Equipment shall pass to City upon payment.

7. Warranties.

7.1 IPS shall provide a limited 12-month warranty on all newly purchased Equipment as described in Attachment A, IPS Limited Warranty, on all Equipment. Extended warranties are available for an additional fee.

7.2. IPS shall provide technical support via telephone Mondays through Fridays from 8:00 AM to 4:00 PM PST. IPS can provide on-site services at the City's request. Lead times and costs for such services will be provided at the time of the request. IPS shall ensure the availability of current manuals and shall provide all manuals for any future upgraded or new services to the City.

7.3. Wireless Coverage & Longevity: IPS does not operate a mobile wireless network, but relies on third party carriers for this service. Carriers from time to time may change coverage areas, wireless technology platforms or make other network changes that are not within the control of IPS. During the term of this contract, IPS shall provide the City the ability to upgrade or change carriers as needed at the prices contained herein or at such prices as may be agreed. Any such change or upgrades shall be at the sole cost and discretion of the City.

7.4. THE WARRANTIES CONTAINED IN THE AGREEMENT DOCUMENTS ARE IPS'S SOLE AND EXCLUSIVE WARRANTIES. THE EXTENT OF IPS'S LIABILITY FOR A WARRANTY CLAIM IS LIMITED TO THE REPAIR OR REPLACEMENT OF THE DEFECTIVE EQUIPMENT OR DEFECTIVE SERVICE. IPS AFFIRMATIVELY EXCLUDES ANY AND ALL OTHER WARRANTIES, CONDITIONS, OR REPRESENTATIONS (EXPRESS OR IMPLIED, ORAL OR WRITTEN), WITH RESPECT TO THE EQUIPMENT AND/OR SERVICES PROVIDED INCLUDING ANY AND ALL IMPLIED WARRANTIES OR CONDITIONS OF TITLE, MERCHANTABILITY, OR FITNESS OR SUITABILITY FOR ANY PURPOSE (WHETHER OR NOT IPS KNOWS, HAS REASON TO KNOW, HAS BEEN ADVISED, OR IS OTHERWISE IN FACT AWARE OF ANY SUCH PURPOSE) WHETHER ARISING BY LAW OR BY REASON OF CUSTOM OF THE TRADE.

8. Intellectual Property and Confidential Information.

8.1 IPS represents and warrants that it owns or has acquired all requisite rights and licenses to use all intellectual property embodied, practiced or employed in IPS Equipment and Software being used by the City.

8.2. IPS hereby grants the City, including its departments, commissioners, officials, officers, employees, consultants, and agents (collectively, "City") all the rights and licenses required to use IPS Equipment and Software. Such rights and licenses are non-assignable, non-transferable and non-exclusive, and specific only to use within the City for the specific purposes of this Agreement.

8.3. All pre-existing and independently developed intellectual property, and any derivation thereof, including but not limited to designs, models, inventions, processes, methodologies, software, associated documentation, software upgrades, modifications and customizations, copyrightable material and other tangible and intangible materials authored, and combinations thereof, prepared, created, made, delivered, conceived or reduced to practice, in whole or in part, by the IPS and provided to the City ("Pre-Existing and Independently Developed IP") will at all times remain the sole and exclusive property of IPS and/or its vendors. Nothing in this Section or elsewhere in this Agreement shall be construed as assigning, selling, conveying, or otherwise transferring any ownership rights or title in IPS's Pre-Existing and Independently Developed IP.

8.4. IPS understands the nature of public information and the requirement for the City to adhere to all rules and laws that apply to public information, such as the Freedom of Information Act, Public Records Act, and the like. Therefore, the City agrees that it shall not knowingly agree, assist, or sell any equipment or allow any third party to gain access to equipment, software, back-office software, reporting or documentation provided by IPS for any purpose, including but not limited to the purposes of inspection, benchmarking or reverse engineering or evaluation without the prior written consent of IPS, or as mandated by applicable law.

8.5. The provisions of this Section will survive expiration or termination of this Agreement.

9. Dispute Resolution.

9.1. If any dispute arises out of or relates to this Agreement, or the breach thereof, the parties agree to meet and confer and negotiate in good faith prior to initiating a suit for damages. However, this Section does not prohibit the filing of a lawsuit to toll the running of a statute of limitations or to seek injunctive relief. Either party may make a written request for a meeting between representatives of each party within 14 calendar days after receipt of the request or such later period as agreed by the parties. Each party shall include, at a minimum and to the extent possible, one senior level individual with decision making authority regarding the dispute. The purpose of this and any subsequent meeting is to attempt in good faith to negotiate a resolution of the dispute. If, within 30 calendar days after such meeting, the parties have not succeeded in negotiating a resolution of the dispute, they will proceed directly to mediation via a mutually agreed third party, with the cost of mediation equally shared between the City and IPS or as otherwise agreed to between the parties. Negotiation may be waived by a written agreement signed by both parties, in which event the parties may proceed directly to mediation as described above.

10. Termination of Agreement.

10.1. If either the City or IPS violates any material term or condition of this Agreement or fails to fulfill in a timely and proper manner its obligations under this Agreement, then the aggrieved party will give the other party (the "responsible party") written notice of such failure or violation. The responsible party will correct the violation or failure within 30 calendar days or as otherwise mutually agreed. If the failure or violation is not corrected, this Agreement may be terminated immediately by written notice from the aggrieved party. The option to terminate will be at the sole discretion of the aggrieved party.

11. Insurance.

11.1. IPS agrees to obtain and maintain during the term of this Contract the following minimum insurance. Certificates of Insurance: Prior to commencing work under the contract, IPS agrees to furnish Certificates of Insurance coverage as set forth below. The premiums for such insurance shall be paid by IPS.

11.2. Commercial General Liability.

11.2.1. Minimum Limits: IPS shall obtain minimum limits of $1,000,000.00 each occurrence for bodily injury and property damage, $1,000,000.00 general aggregate, $1,000,000.00 products/completed operations aggregate, and $1,000,000.00 personal and advertising injury. The general aggregate limit shall apply on a "Per Project" basis. These minimum limits may obtained by a primary liability policy, umbrella/excess liability policy, or any combination thereof.

11.2.2. Additional Insured: If IPS is required to indemnify certain parties, then IPS shall include such indemnified parties as additional insureds under its Commercial General Liability Policy for liability due to IPS's negligence resulting from IPS's work for the indemnified parties. A copy of the additional insured endorsement shall accompany IPS's certificate of insurance.

11.3. Automobile Liability, including bodily injury and property damage coverage.

11.3.1. Minimum Limits: IPS shall obtain minimum limits of $2,000,000.00 each occurrence for all owned, hired, and non-owned vehicles written on a policy form equivalent to Insurance Services Office coverage form CA 0001. These minimum limits may obtained by a primary liability policy, umbrella/excess liability policy, or any combination thereof.

11.4. Workmen's Compensation. IPS shall obtain Worker's Compensation in accordance with Federal and State Laws for all States in which work is performed.

11.4.1. Waiver of Subrogation: IPS shall provide a waiver of subrogation with respect to workers compensation in favor of the City. A copy of the endorsement shall be attached to the certificate of insurance.

11.5. Employer's Liability Coverage. IPS shall obtain Employers Liability Coverage of at least $1,000,000.00 each accident, $1,000,000.00 disease policy limit and $1,000,000.00 disease each employee.

11.6. Professional [E&O], Data Breach, and Cyber Liability. IPS shall maintain Professional (E&O), Data Breach Liability, and Cyber Liability coverage in the amount of not less than $2,000,000.00 per claim. Coverage may be written on a claims made basis.

11.7. Cancellation: IPS shall provide to contract holder 30 days' notice in the event of cancellation, termination, or non-renewal without replacement. This notice shall be 10 days in the event cancellation for non payment of premium.

11.8. Carrier Rating: All carriers must have an AM Best rating of no less than A IX.

12. Defense and Indemnification.

12.1. IPS agrees to defend with counsel reasonably acceptable to the City and indemnify City, its elected and appointed officials, officers, agents, employees, contractors and agents (collectively, the "Indemnified Parties") from and against losses, claims, expenses (including, but not limited to, reasonable attorneys' fees), costs, liabilities or damages (collectively, "Losses") arising from IPSs breach of its obligations under this Agreement, arising from IPS's acts or omissions, for any Losses incurred by or asserted against any one or more or all of the Indemnified Parties by reason of damage to property or injury to, or death of, any person, caused by the acts, omissions, or negligence of IPS, its employees, agents or contractors. IPS shall not be responsible for any Losses attributable to acts, omissions, or negligence of the Indemnified Parties nor for any Losses arising directly or indirectly caused by acts of vandalism.

12.2. Notwithstanding the foregoing, this indemnification shall not apply to claims made by third parties in instances in which (a) IPS simply followed the directions or instructions provided by City, (b) City changed, modified or altered the services rendered or tasks performed by IPS such that, absent City's actions, no such claims would have been brought against IPS and/or City; or (c) the claims asserted by a third party derive from the combination of technology and/or intellectual property of IPS when used with City's owned or licensed technology and/or intellectual property such that, absent such combination, no such claims could have independently been brought by or against IPS.

12.3. In order for City to obtain the indemnification from IPS specified herein, City must: (a) promptly notify IPS in writing of the claims for which indemnification is sought; (b) provide IPS with copies of all pleadings, writings and documents pertaining to such claim; (c) permit IPS to control the defense of such claim and all settlement discussions in regards to resolving such claim; and (d) provide reasonable cooperation to Contactor in regards to the litigation or negotiation of a resolution of such claim. Notwithstanding the foregoing sentence, IPS will not enter into any settlement without City's prior written consent, unless all third party claims against City are released without any further liability on City's part. This paragraph shall survive the termination or expiration of this Agreement.

12.4. Nothing in this Agreement shall constitute any form of real or implied revenue guarantee by IPS.

12.5. Limits of Liability: NOTWITHSTANDING ANYTHING CONTAINED IN THIS AGREEMENT TO THE CONTRARY, IN NO EVENT SHALL EITHER PARTY BE RESPONSIBLE FOR SPECIAL, INDIRECT, INCIDENTAL, CONSEQUENTIAL, EXEMPLARY OR PUNITIVE DAMAGES OF ANY KIND OR NATURE, INCLUDING WITHOUT LIMITATION, LOST PROFITS, LOST REVENUES OR OTHER MONETARY LOSS, ARISING OUT OF OR RELATED TO THIS AGREEMENT AND ANY ACTIONS OR

OMISSIONS WITH RESPECT THERETO, WHETHER OR NOT ANY SUCH MATTERS OR CAUSES ARE WITHIN A PARTY'S CONTROL OR DUE TO NEGLIGENCE OR OTHER FAULT ON THE PART OF A PARTY, ITS AGENTS, AFFILIATES, EMPLOYEES OR OTHER REPRESENTATIVES, AND REGARDLESS OF WHETHER SUCH LIABILITY ARISES IN TORT, CONTRACT, BREACH OF WARRANTY OR OTHERWISE. ANY LIABILITY INCURRED BY IPS IN CONNECTION WITH THIS AGREEMENT SHALL BE LIMITED TO THE LESSER OF THE CONTRACT VALUE OR THE INSURANCE LIMITS AS SET FORTH IN THIS AGREEMENT.

13. Liens and Taxes.

13.1. City shall keep the parking meter equipment free and clear of all levies, liens, and encumbrances, except those created by this Agreement. City shall pay, when due, all charges and taxes (local, state, and federal), which may now or hereafter be imposed in conjunction with this Agreement.

14. Notices.

14.1. All notices under this Agreement must be in writing, shall refer to the title and effective date of this Agreement, and shall be sufficient if given personally, sent and confirmed electronically, or mailed certified, return receipt requested, postage prepaid, and at the address hereinafter set forth or to such address as such party may provide in writing from time to time. Any such notice will be deemed to have been received five days subsequent to mailing. Notices shall be sent to the following addresses:

15. Relationship of the Parties and Third Party Beneficiaries.

15.1. This Agreement shall not be construed as creating an agency, partnership, joint venture or any other form of association between the parties, and both parties shall be and remain independent entities. Neither party has the right or authority, express or implied, to assume or create any obligation of any kind, or to make any representation or warranty, on behalf of the other party or to bind the other party in any respect whatsoever, except as otherwise provided in this Agreement. No person shall claim any right, title or interest under this Agreement or seek to enforce this Agreement as a third party beneficiary of this Agreement.

16. Assignment.

16.1. Should the City enter into an agreement with a third party for parking operations during the term of this Agreement, IPS shall provide that operator the same rights, terms, and conditions as included in this Agreement. Such assignment shall not be effective unless and until the City has provided notice to the IPS of such assignment, and any such third party will be required to adhere to all terms and conditions contained herein.

16.2. IPS may not assign, hypothecate or transfer this Agreement or any interest therein directly or

indirectly, by operation of law or otherwise without the prior written consent of City, which shall not be unreasonably withheld.

17. General Provisions.

17.1. Waiver. A waiver of any breach of this Agreement shall not be deemed a waiver of any subsequent breach of the same or any other term, covenant or condition of this Agreement. No delay or failure on the part of either party to insist on compliance with any provision of this Agreement shall constitute a waiver of such party's right to enforce such provision, no matter the length of the delay. In the case of any granted waiver by the consenting Party, which must be provided in writing, such waiver shall not constitute a waiver of the same obligation or any other obligation under this Agreement.

17.2. Non-Discrimination. During the term of this Agreement, IPS shall not discriminate against any employee or applicant for an employment position to be used in the performance of services by IPS hereunder, on the basis of ethnicity, race, age, religion, creed, color, national origin, ancestry, sex, gender, sexual orientation, physical or mental disability, medical condition, or citizenship status or as applicable by law.

17.3. Records. IPS shall maintain, throughout the term of the Agreement and for a period of three years thereafter, detailed records of services rendered and payments received. The City shall have the right to audit the billing both before and after payment. Payment under this Agreement shall not foreclose the right of the City to recover excessive or illegal payments.

17.4. Modification or Amendment. No oral modifications shall be effective and nothing shall be deemed as a modification of this Agreement unless provided in writing and signed by both Parties.

17.5. Entire Agreement. This Agreement sets forth the entire agreement between the parties with respect to the subject matter hereof. Understandings, agreements, representations or warranties not contained in this Agreement, or as written amendment hereto, shall not be binding on either party. Except as provided herein, no alteration of any terms, conditions, delivery, price, quality or specifications of this Agreement shall be binding on either party without the written consent of both parties.

17.6. Integration. This Agreement may be executed in multiple counterparts each of which shall be deemed an original, but all of such taken together shall constitute only one Agreement, superseding all prior understandings, oral or written; and it is expressly understood and that this Agreement does not obligate either party to enter into any other or further agreements.

17.7. Governing Law. This Agreement shall not be construed against either party regardless of which party drafted it. This Agreement shall be construed and enforced according to the laws of the State of New Mexico, without regards to conflict-of-laws principles, and all local laws, ordinances, rules, and regulations of the City of Santa Fe.

17.8. Venue and Jurisdiction. The City and IPS agree that the venue shall be in New Mexico. Any action arising out of this Agreement may only be brought in either a federal to state court of competent jurisdiction, as appropriate, in New Mexico. The parties agree that venue exists in either court. Any action or suite commended in the courts of the State of New Mexico shall be brought in the First Judicial District Court.

17.9. Force Majeure. If any party is prevented from performing its obligations stated in this Agreement by any event not within the reasonable control of that party, including, but not limited to, acts of God, war, civil disturbance, insurrection, civil commotion, destruction of production facilities or materials by earthquake, fire, flood or storm, labor disturbances including strikes or lockouts or epidemic, and failures of public utilities (such as internet, cellular network, and electricity), it shall not be in default in the performance of its obligations stated in this Agreement. Provided, however, any party delayed by such an event shall request an extension of time to perform its obligations stated in this Agreement by notifying the party to which it is obligated within ten days following the event. If the notified party agrees that the event was the cause of the delay, the time to perform the obligations stated in this Agreement shall be extended by the number of days of delay caused by the event. If the required notice is not given by the delayed party, no time extension shall be granted. If any event of force majeure exists for a continuous period of more than 120 days, then either party shall be entitles to terminate this Agreement without being liable for any claim from the other party.

17.10. Severability. If any provision in this Agreement subsequently is determined to be invalid, illegal or unenforceable, that determination shall not affect the validity, legality or enforceability of the remaining provisions stated in any section or sub-section of this Agreement unless that effect is made impossible by the absence of the omitted provision.

17.11. Authorization. Both parties represent and warrant that the person executing this Agreement on behalf of each party is an authorized agent who has actual authority to bind each party to each and every term, condition, and obligation of this Agreement and that all requirements of each party have been fulfilled to provide such actual authority

17.12. Determination. Notwithstanding anything to the contrary, should either Party be required to make any determination in terms of this Contract, such determination shall be made in a reasonable and objective manner.

17.13. Binding Document. The City and IPS each binds itself, its partners, successors, assigns, and legal representatives to the other party hereto in respect to all covenants, conditions, and obligations contained in the Agreement.

17.14. Section Headings. All section headings in this Agreement are for the convenience of reference and are not intended to define or limit the scope of any provision of this Agreement.

17.15. Survival of Provisions and Obligations. Any provision of this Agreement, which by its nature must be exercised after termination of this Agreement, will survive termination and remain effective for a reasonable time. Any obligation that accrued prior to termination of this Agreement will survive termination of this Agreement.

18. Termination.

18.1. This Agreement may be terminated by the City upon 30 days written notice.

19. New Mexico Tort Claims Act.

19.1. Any liability incurred by the CITY in connection with this Agreement is subject to the immunities and limitations of the New Mexico Tort Claims Act, Section 41-4-1, et. seq. NMSA 1978, as amended. The CITY and its "public employees" as defined in the New Mexico Tort Claims Act, do not waive

sovereign immunity, do not waive any defense and do not waive any limitation of liability pursuant to law. No provision in this Agreement modifies or waives any provision of the New Mexico Tort Claims Act.

20. Appropriations.

20.1. The terms of this Agreement are contingent upon sufficient appropriations and authorization being made by the CITY for the performance of this Agreement. If sufficient appropriations and authorization are not made by the CITY, this Agreement shall terminate upon written notice being given by the CITY to IPS. The CITY's decision as to whether sufficient appropriations are available shall be accepted by IPS and shall be final.

21. Release.

21.1. IPS, upon acceptance of final payment of the amount due under this Agreement, releases the CITY, its officers and employees, from all liabilities, claims and obligations whatsoever arising from or under this Agreement. IPS agrees not to purport to bind the CITY to any obligation not assumed herein by the CITY unless IPS has express written authority to do so, and then only within the strict limits of that authority.

22. Third Party Beneficiaries.

22.1. By entering into this Agreement, the parties do not intend to create any right, title or interest in or for the benefit of any person other than the CITY and the IPS. No person shall claim any right, title or interest under this Agreement or seek to enforce this Agreement as a third party beneficiary of this Agreement.

23. **Severability.**

23.1. In case any one or more of the provisions contained in this Agreement or any application thereof shall be invalid, illegal or unenforceable in any respect, the validity, legality, and enforceability of the remaining provisions contained herein and any other application thereof shall not in any way be affected or impaired thereby.

In witness whereof, the parties have caused this Agreement to be executed the day and year first above written.

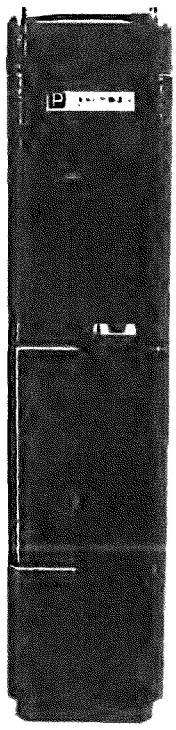
SCOPE OF SERVICES

M3™ or M5™ Single-Space Meter

IPS single-space meters provide customers and their patrons with a simple and consistent parking user experience which is more cost effective, customer-friendly, and more reliable than alternatives. The patented IPS solution uniquely provides a credit card enabled single-space meter. IPS smart meters offer multiple payment options (credit/debit card, optional contactless payment on M5™, coins, smart card, and tokens), access to real-time data, solar power technology, and a comprehensive web based management system.

Primary Features/Benefits:



- Mechanism is protected by zinc alloy meter dome and UV resistant, anti-fog Lexan cover
- Keypad has four easy-to-read buttons for intuitive payment navigation—rated at more than 250,000 cycles
- LED lights on front and back of meter alert enforcement officers of meter status: paid (green), unpaid (red), and meter fault (yellow - M5 only)
- Vandal resistant coin slot/chute allows for worry-free operation and quick servicing
- Environmentally-friendly solar panel and combination rechargeable/back-up battery pack maximize ongoing power
- Proven ability to operate under varying environmental conditions such as snow, sleet, rain, humidity, dust storms, extreme cold, and extreme heat
- RFID technology automatically identifies the meter location and downloads the correct operating configurations
- (M5 meter version pictured here)

MS1™ Pay Station

The MS1™ pay station is the latest generation of unattended payment systems from IPS Group. The MS1™ incorporates the unique features of the Proven™ IPS single-space platform, while offering customer focused features such as IntelliTouch™ transaction processing. The MS1™ features robust hardware design, which includes a stainless steel cabinet and scratch-resistant armored glass.

Primary Features/Benefits:

- **Flexibility:** The MS1™ is available in pay-by-space, pay-and-display, and pay-by-plate models. A simple change of the keypad and a firmware update are all that are required.
- **Unparalleled Power Efficiency:** Powered by environmentally-friendly solar panel and combination rechargeable and back-up battery pack to maximize ongoing power.
- **Customization:** Configurable buttons available for help screens, alternative languages, max time, and more.
- **Guaranteed Quality:** High security stainless steel housing with weather and graffiti-resistant powder coating make it both durable and easy to maintain
- **Improved Visibility:** Blue LED lighting above the display provides enhanced visibility for motorists, technicians, and collections staff.
- **Customer-Friendly Interface:** IntelliTouch™ provides additional flexibility when completing a transaction. Users may begin the payment sequence in any order. The MS1™ will then guide them through the transaction
- **Dependability:** Pay stations communicate wirelessly on the GPRS/3G cellular network, ensuring fast and reliable communications while processing secure credit card authorizations, wireless downloads of rates and messages, and transmissions to DMS.
- **Easy Maintenance:** Modularly designed with the technician in mind for easy plug-and-play maintenance.
- **Future-proof Design:** IPS Group's open interface provides seamless integration with third-party systems, such as enforcement, permitting, and ANPR (automatic number plate recognition) in order to further optimize parking operations.

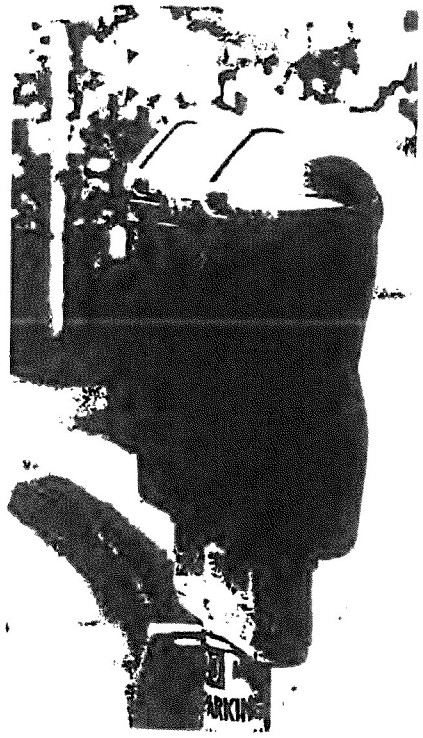
Revolution™ Upgrade Kits

The IPS Revolution™ Retrofit Kits are designed to retrofit outdated multi-space meter technology with IPS state-of-the-art parts. Installation will be seamless and will maximize the City's existing hardware while providing enhanced payment options and allowing integration with the IPS backed Data Management System (DMS).

Primary Features/Benefits:

- **Flexibility:** The upgrade kits are available in pay-by-space, pay-and-display, and pay-by-plate models. A simple change of the keypad and a firmware update are all that are required to support the different modes.
- **Unparalleled Power Efficiency:** Powered by environmentally-friendly solar panels and combination battery packs to maximize ongoing power.
- **Customization:** Configurable buttons include help screens, alternative languages, max time, and more.
- **Improved Visibility:** LED lighting above the display provides enhanced visibility for motorists, technicians, and collections staff.
- **Customer-Friendly Features:** IntelliTouch™ provides additional flexibility when completing a transaction. Users may begin the payment sequence in any order after which the pay station will guide them through the transaction.
- **Dependability:** Pay stations communicate wirelessly on the GPRS/3G cellular network, ensuring fast and reliable communications while processing secure credit card authorizations, wireless downloads of rates and messages, and transmissions to the Data Management System (DMS).
- **Easy Maintenance:** Modularly designed with the technician in mind for easy plug-and-play maintenance.
- **Future-proof Design:** IPS Group's open interface provides seamless integration with third-party systems, such as enforcement, permitting, and ANPR (automatic number plate recognition) in order to further optimize parking operations.
- *NOTE: Upgrade kit for Digital Luke I pictured here. Other makes and models are available.*

Vehicle Detection Sensors



IPS Vehicle Detection Sensors reliably detect the presence and absence of a vehicle in a parking space, while recording arrival and departure times. IPS sensor data integrates seamlessly with the IPS data management system and third-party enforcement applications, creating a powerful system for monitoring real-time occupancy and analyzing parking trends. The IPS sensor uniquely directs all sensing information to the IPS parking meter cellular communications backbone, saving customers the hassle of installing additional network equipment and dramatically reducing the cost of ownership. The IPS sensor uses multiple sensing technologies to detect vehicles. Its unique design provides the most accurate data on the sensor market and allows for quick installation and servicing.

Benefits of IPS Sensors

- Ability to reset the meter to zero when a vehicle leaves the parking space.
- Ability to prevent meter feeding, thereby generating turnover.
- Ability to offer courtesy time resulting in positive public perception of the meters.
- Access to real-time occupancy data.
- Installed under the ground or in the meter dome, eliminating the need for additional infrastructure.
- Proven to increase revenue.

Dome Mount (M5 only)

- Non-intrusive installation—sensor is integrated directly into the meter dome
- Easy access for maintenance and/or replacement
- Configuration for any parking environment
- Wireless connection to the IPS meter via cellular network—no additional infrastructure required

In Ground (M3 or M5)

- Underground sensor contains both power source and antenna for a completely wireless solution
- Wireless connection to the IPS meter via cellular network—no additional infrastructure required

Pole Mount (M5 only)

- Non-intrusive installation—sensor is mounted on the meter pole
- Easy access for maintenance and/or replacement
- Wireless connection to the IPS meter via cellular network—no additional infrastructure required

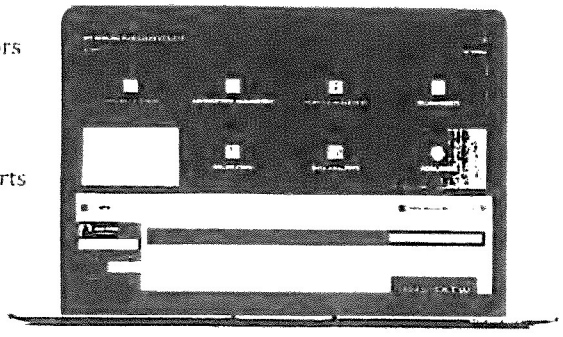
Data Management System

The IPS Data Management System (DMS) is a real-time, web-based application that allows parking professionals to remotely monitor their parking network from anywhere, at any time.

REPORTING & ANALYTICS

A comprehensive set of financial, technical, and administrative reporting features paired with remote meter configuration make the DMS both intuitive and powerful. DMS analytics creates a visual representation from large tables of data to help managers gain helpful insight into the patterns and trends of their parking program and leverage this information to derive future strategy and optimize systems.

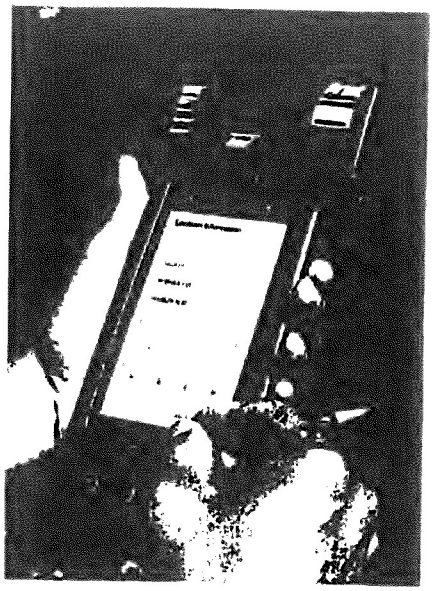
All reports are flexible with customized views for comparison purposes and/or to reveal "what-if" scenarios. With these fully integrated tools, customers can better manage the financial aspects of the Park's parking program. All reports can be exported into various formats, including XLS, CSV, and PDF.



SEAMLESS INTEGRATION

The DMS allows managers to seamlessly integrate parking meters with vehicle detection sensors, pay-by-cell capability, and other smart applications. A standard web browser is the only tool required to access the DMS and to make changes/ configurations to the Park's meters.

- Hardware requirements: IPS provides a hosted DMS; there is no local hardware required other than internet access.
- Network requirements: IPS recommends a high-speed internet connection to the DMS service, such as cable or DSL access.
- Operating system software requirements: An internet browser is the only tool required to access the system. Windows and Apple iOS are typical.
- Browser requirements: Any current internet browser will be sufficient to access the IPS DMS. MS Explorer, Mozilla Firefox, Google Chrome, iOS supported browsers are all compatible, including mobile phone browsers.



PRIMARY FEATURES

- Real-time updates and live alerts
- Customizable routes to maximize efficiency
- Seamless integration with all IPS meters and sensors
- Flexibility to use as much, or as little data as you choose
- Ability to monitor meter health remotely
- Analytics view options to turn data into usable charts
- User profiles to control access
- Compatibility with Android OS and Apple iOS

CITATION ISSUANCE

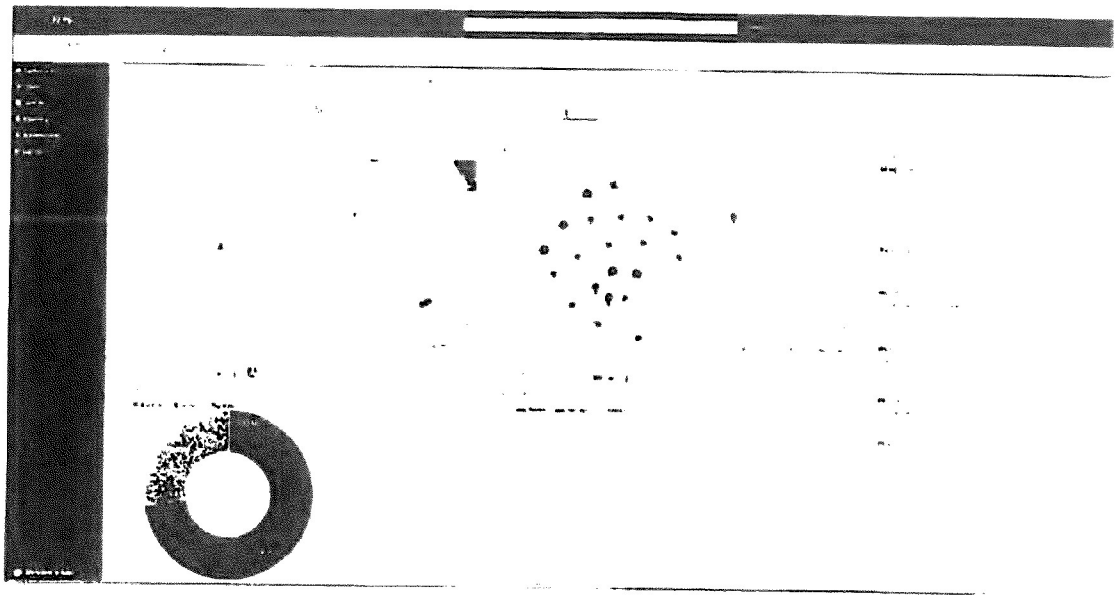
The Mobile Enforcement Solution from IPS Group is an easy-to-use handheld citation writer that ensures parking enforcement officers experience a convenient, quick and efficient citation issuance process. An officer can easily look up citation history, and once issued, citation information is transferred to a back office system for processing in real-time.

While lightweight and portable, the N5 Print citation writer is also rugged for heavy-duty use, and can withstand extreme weather conditions such as rain, sleet, and snow, and is mud-resistant (an IP65 rating; Operating temps tested to MIL-STD 810F -20° to + 50° C). An integrated thermal printer produces easy-to-read tickets, and a magnetic strip and smart card reader is also included for payment collection. Other features include color photo syncing, e-chalking, and heat mapping.

The Enforcement Solution is compatible with all Android devices and printer configurations. All features listed below are included:

Features at-a-glance

- Real-time syncing to secure/encrypted web services
- Scofflaw and customized notifications
- Customizable user dashboard
- High contrast easy-to-read screen – even in harsh daylight conditions
- Issuance and heat mapping
- Type-ahead field input
- Automatically populate fields
- LPR function
- E-chalking for timed parking
- GPS and color images
- 2mp 1080p @3fps color imager
- Automatic software updates
- Compatible with the latest Android operating system



Enforcement Management System

The Parking Enforcement Management Solution by IPS is backed by the Enforcement Management System (EMS), a real-time web-based enforcement application that allows officers to manage all steps of the citation process lifecycle. An officer can monitor the citation processing status from the application, including collections and communication with citizens. Officers also have the ability to void a ticket in the field if necessary through EMS without incurring a cost per citation. The application also offers reporting capabilities for officers to generate monthly or on-demand reports.

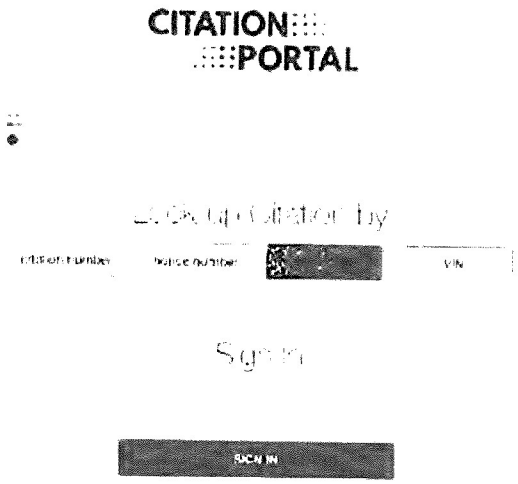
Officers can easily obtain high-level citation summaries and additional information on cases including photos, notices and letters; and adjudications and voids. The Enforcement Management System also interfaces with the California DMV and NLETS (the National Law Enforcement Telecommunications Service) via highly secured and encrypted communication methods to ensure vehicle registration information such as holds and releases are obtained and processed quickly and accurately.

Features at-a-glance

- Integration with third-party parking services (pay stations, license-plate recognition technology (LPR), pay-by-phone applications)
- Cross-compatible interface across all operating systems and devices
- Option for manual citation entry
- Advanced search capability

EMS screenshot 1

PAYMENT PORTAL

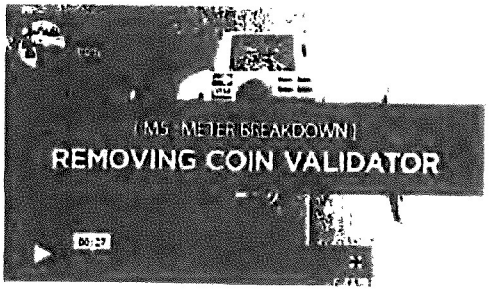


Online Public Portal

The Online Public Portal is a website that allows citizens to access their parking citation information in real time. Citizens can review the current status of their citation, pay or obtain information on how to contest their citation, review fine amounts including late fees, and obtain additional information.

Features at-a-glance

- Real-time access to citation status and transaction history
- Accepts all major credit cards
- Cross-compatible interface that supports all browsers and devices



IPS accepts VISA, MasterCard, Discover and American Express via the Public Portal website. IPS provides all credit/debit-card processing via real-time authorization and processing. Credit/debit card payments are updated real-time to the citation records and receipts can be printed from the system for the public. Payments by credit card are accepted 24/7. The system secures immediate authorization from the processor, and immediately updates the permit in real time. The Public Portal website is fully PCI compliant. Citizens are allowed to submit an appeal online by enting all necessary information required by the City and given the option to upload any supporting documents with the request

Comprehensive Support Program

IPS clearly understands the importance of ongoing project support and we encourage the City to speak with our references in this regard. We also understand that ongoing support is a critical element of any successful project and the basis of a long-term partnership. IPS is uniquely positioned to provide support services that will translate into the most responsive and comprehensive service offering available to the City.

Help Desk & Ongoing Support: IPS will be providing telephone-based help desk services during standard business hours from 8 a.m. to 5 p.m. CST. IPS offers a toll-free telephone option (877.630.6638). Additionally, IPS provides after-hours service in case of emergency 24/7/365. Additionally, IPS will provide contact information for all IPS senior staff.

Online Help & Manuals: IPS provides online help tools, such as product manuals, frequently asked questions, and a portal to submit and track help tickets. IPS offers the online ability to monitor and track RMA status and view help and training videos. These tools can be accessed 24/7.

Onsite Support: IPS will support the City with onsite project management and technical support during the implementation phase of the contract. Onsite support can be extended at the request of the City. Additional onsite support services can be quoted upon request.

Spare Parts and Warranty Repair Services: Our US-based facility ensures that spare parts are immediately available to the City at any time. The warranty repair process is managed through the DMS. IPS can solve most repair issues over the phone or will some additional training of City staff. For repair services not able to be first achieved on-site by the Customer or by phone, these meters will be returned to IPS at 7737 Kenamar Court, San Diego, CA, 92121, for repair or rework and IPS will endeavor to ship within 3-4 weeks of receipt, depending on the quantities received and work schedules. ALL RETURNS REQUIRE AN "RMA" NUMBER prior to shipment to IPS in order to avoid additional delays. An RMA may be requested by contacting the responsible IPS customer support manager, by contacting the IPS Help desk, phone ((877) 630-6638 or (858) 404-0607) or email (support@ipsgroupinc.com). All items returned to IPS must be securely package to avoid further damage in shipment and all shipments will be via Ground Freight Service unless expedited service and payment of associated fees are requested. Automated RMA tracking, including work performed to repair meters, can be viewed at any time using IPS meter management system.

MOBILE PAYMENTS

ParkSmarter™ Mobile Payment Solution

Product/Service	Price per unit
ParkSmarter™ mobile payment decals	$1.50
Decal Shipping	at cost
On-site Setup and Installation	see below
Additional signage or scope of work to be quoted upon request	TBD

On-site setup: IPS shall provide the City with instructions on how to setup / install decals in support of the ParkSmarter™ mobile payment application. However, IPS will send staff to provide installation and setup services. The costs for these services will be based on the costs of travel, rental car, hotel, and per diem expenses and will be added to the setup invoice at the completion of the service

Per Transaction Fees	Fees
Secure Credit Card Gateway Fee (per transaction)	$0.13
Optional: Merchant Processing Fees (per transaction)	Upon request

Per transaction fees: IPS shall charge the City the same per transaction gateway fee as we currently charge for the meter program in place today. No additional convenience charges are required.

Preferred Card Processing Rates: Using our own payment provider IPS can provide preferred pricing for small ticket mobile payment merchant processing. Quotes for this service are available upon request

Implementation with 3rd parties

Product/Service	Price per unit
Implementation with 3rd party for enforcement	TBD

Implementation: IPS shall integrate with 3rd party enforcement software or IPS can provide the City with IPS enforcement software at prices not included in this proposal. IPS does not intend to charge for 3rd party integration, however, if any city designated 3rd party charges IPS for such implementation, then those charges will be passed along to the City at IPS costs.

NOTE: Pricing does not include any applicable state or local taxes that are required to be paid by the City currently or in the future. This pricing is FOB, IPS Group, San Diego, CA. Sales taxes and shipping charges will be added to the final invoice.

REPLACEMENT PARTS & REPAIR SERVICES:

IPS shall provide warranty and non-warranty repair services based out of our office in San Diego, CA. For repair services not able to be first achieved on-site by the Customer or by phone, these meters will be returned to IPS at 7737 Kenamar Court, San Diego, CA, 92121, for repair or rework and IPS will endeavor to ship within 3-4 weeks of receipt, depending on the quantities received and work schedules. ALL RETURNS REQUIRE AN "RMA" NUMBER prior to shipment to IPS in order to avoid additional delays. An RMA may be requested by contacting the responsible IPS customer support manager, by contacting the IPS Help desk, phone ((877) 630-6638 or (858) 404-0607) or email (support@ipsgroupinc.com). All items returned to IPS must be securely package to avoid further damage in shipment and all shipments will be via Ground Freight Service unless expedited service and payment of associated fees are requested. Automated RMA tracking, including work performed to repair meters, can be viewed at any time using IPS meter management system

Product /Service	Price per unit
Single Space M3 ™ or M5™ Non-Warranty repair work (includes parts/labor)	$95.00 + shipping
Multi-Space MS1™ Non-Warranty repair work	To be quoted
On-site technical services: shall be quoted to include labor, travel costs, accommodation, car rental and per diem costs. Spare Parts shall be quoted and added to final costs based on the identified needs.	To be quoted
Shipping costs for any of the above shall be added to the final invoice	

Note: Please note that if upon receipt a meter is determined to be beyond repair, in IPS's sole discretion, the meter shall not be repaired for the fee described above and a replacement meter shall be required.

Enforcement/Permitting Systems

Mobile Enforcement Solution	Units	Unit Price

IPS Limited Warranty

IPS will provide a limited parts warranty for any new meter or sensor product manufactured and supplied by IPS for 12 months under normal use. The warranty protects against defects in materials and workmanship from the point of installation or 15 months from the date of delivery, whichever is sooner, and 90 days from the date of delivery received in the case of spare or repaired products. Software Services are provided "as-is" and IPS shall provide bug fixes at no cost during the contract term.

Additional Warranty Provisions: IPS must have the opportunity to assist in the initial deployment and system installation. Repair or replacement under warranty of any defective product (including any meter or subcomponent) does not extend the warranty period for that product or subcomponent. IPS will either repair or replace products or subcomponents, at our discretion, that are found to be defective within the defined warranty period, with transportation costs pre-paid by the customer. Returns for credit will only apply once IPS has received defective product (including any meter or subcomponent) and confirmed that defects were within the warranty period and are covered under the terms and conditions of the warranty provided. IPS strongly recommends that customers pre-purchase spare parts inventory for immediate access. Defective parts can be replaced immediately from customer stock and IPS shall replace such components upon receipt and determination of defect. On-site labor is explicitly not included in this limited warranty. Customer shall be sufficiently trained to perform all on-site work, including meter or sub-component removal/replacement. IPS can provide additional on-site services under a separate maintenance agreement or quoted on an as-needed basis. THE WARRANTIES CONTAINED IN THE AGREEMENT DOCUMENTS ARE IPS'S SOLE AND EXCLUSIVE WARRANTIES. THE EXTENT OF IPS'S LIABILITY FOR A WARRANTY CLAIM IS LIMITED TO THE REPAIR OR REPLACEMENT OF THE DEFECTIVE EQUIPMENT OR DEFECTIVE SERVICE OR SOFTWARE AT THE SOLE OPTION OF IPS. IPS AFFIRMATIVELY EXCLUDES ANY AND ALL OTHER WARRANTIES, CONDITIONS, OR REPRESENTATIONS (EXPRESS OR IMPLIED, ORAL OR WRITTEN), WITH RESPECT TO THE EQUIPMENT AND/OR SERVICES OR SOFTWARE PROVIDED INCLUDING ANY AND ALL IMPLIED WARRANTIES OR CONDITIONS OF TITLE, MERCHANTABILITY, OR FITNESS OR SUITABILITY FOR ANY PURPOSE (WHETHER OR NOT IPS KNOWS, HAS REASON TO KNOW, HAS BEEN ADVISED, OR IS OTHERWISE IN FACT AWARE OF ANY SUCH PURPOSE) WHETHER ARISING BY LAW OR BY REASON OF CUSTOM OF THE TRADE.

Exclusions: Warranty voided with use of imitation or non-genuine IPS replacement parts, un-authorized alterations, abuse, vandalism, improper installation by customer, handling or general misuse to the equipment (hardware or software), including attempted repairs that result in damage. Warranty specifically excludes any consummable items such as paper, batteries, etc. Software warranty is void if usernames and/or passwords are shared with 3rd parties, or allowance of 3rd party access to IPS software without IPS written consent. Force Majeure: IPS shall not be liable for any warranty provisions where such product failure is as a result of Acts of Nature (including fire, flood, earthquake, storm, hurricane or other natural disaster), war, invasion, act of foreign enemies, hostilities (whether war is declared or not), civil war, rebellion, revolution, insurrection, military or usurped power or confiscation, terrorist activities, nationalization, government sanction, blockage, embargo, labor dispute, strike, lockout or interruption or failure of electricity, internet services or cellular telecommunication failures caused by any of the events or causes described above. IPS provides no warranty with respect to any 3rd party hardware or software, whether supplied in connection with this Agreement or otherwise.

Preventative Maintenance: The primary operational elements will be a working battery, card reader, coin validator and printer (if applicable). All product surfaces should be kept clean with mild soap and water. No harsh chemicals should be used on any plastic surfaces. The card reader heads should be cleaned with a cleaning card every 1-2 months to ensure optimum performance. Cleaning cards may be purchased from IPS. Batteries should be replaced when notified by the IPS Data Management System. At 6 month increments, the coin validator shall be visually inspected for any damage or debris. Compressed air may be used to keep the card reader, coin acceptor or printer (if applicable) clear of debris, every 6 months. Additional preventative maintenance shall be administered by customer staff at such time as it is apparent to be necessary, even if it should occur on a more frequent basis than described herein.

CERTIFICATE OF LIABILITY INSURANCE

CITY OF SANTA FE

Amendment Purchasing Memo for Western Oilfields Supply Co.

Date: November 7, 2025

To: Governing Body, Finance Committee, and Public Works & Utilities Committee

From: Michael Dozier, Wastewater Management Division Director, Public Utilities Department

Via: Jesse Roach, Interim Public Utilities Director Jesse Roach (Nov 10, 2025 13:00:34 MST)

Subject: Amendment to Rental Contract for Western Oilfields Supply Co.

Vendor Name: Western Oilfields Supply Co. (dba. Rain for Rent)

Munis Vendor Number: 8362

ITEM AND ISSUE:

The Public Utilities Department, Wastewater Management Division respectfully requests your review and approval of Amendment #1 to Munis Contract #3204709 (Item 24-0351) with Western Oilfields Supply Co. (dba. Rain for Rent) for continued rental of 4 new disc-filters for 24 months (26 rental cycles) starting on June 1, 2025. Amendment #1 increases the amount of compensation by $2,909,100.12 for a total compensation of $3,909,100.12, including tax, for the term ending on May 31, 2027.

1. Approval of a Budget Adjustment Resolution (BAR) in the amount of $2,909,101 from the Wastewater Enterprise Fund to WIP Construction.

CONTRACT NUMBER:

The FY24 Munis contract number is 3204709.

BACKGROUND AND SUMMARY:

In reference to the Paseo Real Water Reclamation Facility Administrative Order Emergency Project, the Public Utilities Department has submitted an Emergency Determination Form for emergency procurement to implement a comprehensive plan that provides interim corrective measures and for the long-term success in operating and managing the Paseo Real Water Reclamation Facility (PRWRF) necessary to ensure compliance with NPDES and Discharge Permits within the shortest possible time. The referenced Administrative Order (AO), which the City received on March 6th, 2024 from the U.S. Environmental Protection Agency (EPA) Region 6 and amended July 10, 2024 (CWA-06-2024-1765), is attached and requires within 30 days the submission of the comprehensive written plan for the elimination of the violations within the shortest possible time, as well as measures to prevent these or similar violations from recurring.

On May 31, 2024, the contract was completed with the vendor, and two purchase orders (FY24-22406240, FY25-22501213) were placed for an ultimately inferior set of three filters and a pump. Close to the end of FY25, these filters and pump were replaced with four better filters and a more powerful pump. As of now, the vendor **has the rental equipment in place** to provide pump and filtration equipment for max flows of 5mgd at final clarification. With continued rental from the vendor, we are maintaining PRWRF's compliance to eliminate or minimize the

associated risks to public health and safety associated with the non-compliant discharge. Once the permanent onsite filtration units (disc and sand filters) have been repaired, the rentals can be discontinued.

PRIOR APPROVALS AND SUPPORTING INFORMATION:

FUNDING SOURCE:

Fund Name/Number: WW Management/500

Munis Org Name/Number: Wastewater-Capital Projects-5000375

Munis Object Name/Number: WIP Const/572970

Budget Officer / Designee: Andy Hopkins **Date:** 11/12/2025

Budget Officer Comment/Exceptions: _____

PROCUREMENT METHOD:

The procurement method used was NMSA 1978, Section 13-1-127, Emergency

The United States Environmental Protection Agency (EPA) has issued an Administrative Order (AO) issued to the City of Santa Fe for violations of the Clean Water Act (CWA) (33 U.S.C. §§ 1251-1387). The violations were identified during a review of the permit file and discharge monitoring reports submitted for the Paseo Real Wastewater Reclamation Facility. The violations alleged are for failure to meet permit effluent limitations. This AO does not assess a monetary penalty; however, it does require compliance with applicable federal regulations.

Similarly, the New Mexico Environment Department (NMED) has determined that the City of Santa Fe Paseo Real Wastewater Treatment Plant (WWTP) has been operating in noncompliance with the New Mexico Water Quality Act (WQA) and Water Quality Control Commission (WQCC)' regulations (20.6.2 and 20.6.4 New Mexico Administrative Code) adopted pursuant to the WQA. To facilitate the most efficient response to these regulators, the City requires emergency procurement to develop a plan and to implement that plan to bring the Paseo Real Wastewater Reclamation Facility into compliance as soon as is feasible to do so.

Chief Procurement Officer (CPO)/Designee: JoAnn Lovato Montaño **Date:** 11/18/2025

CPO Comment/Exceptions: City is currently working on a long term solution for this issue.

Project Description and Overview

PROJECT DESCRIPTION

Heat trace and concrete blanket are sale items, installation of the system per the Statement of Work.

PROJECT OVERVIEW

Winterize (4) existing disc filters
(20) Concrete blankets 6'x25'
Exterior rated tape to secure concrete blankets
(4) Heat trace units - utilizing existing electrical onsite
(Hardwiring of heat trace to be completed by electrician provided by the City of Santa Fe)

STATEMENT OF WORK

RFR Responsibilities & Scope of Work

Rain for Rent (RFR) will provide the following:
Installation of heat trace and concrete blankets, these items are sold to the customer at time of installation.

Due to the multitude of economic factors, materials, labor, hauling and freight are currently in a period of above average volatility. If, during the performance of work, the price of materials, labor, hauling or freight increases through no fault of Rain for Rent, the contract price shall be equitably adjusted by an amount reasonably necessary to cover any such price increases. Equipment subject to availability at time of project.

Reference Materials

Project is quoted based on applicable/customer provided reference materials noted below:
Job Walk - Scott Lee - Leroy Alvarado

Customer Responsibilities

It is the customer's responsibility to inform RFR about prevailing wage at time of proposal. If RFR is informed after the quote is issued that certified payroll is required, quote will be subject to additional charges.

Jobsite:
Customer is responsible for:
1. Electrical service and connection to each of the heat trace system.
2. Securing permits, fees, bonding, right of ways, vehicular/pedestrian traffic control, and security.
3. Providing safe, secure access and egress to an adequate staging area throughout the job which could include brush clearing, grading, and removal or replacement of any landscape or hardscape in the temporary right of way for the equipment.
4. Any damage to the environment including trees, vegetation, stream banks, or any other part of the site caused by the installation, removal, construction, pulling or dragging of equipment, or operation of the equipment that would require site restoration or environmental countermeasures.
5. Any excavation, saw cutting, trench plating for the purpose of road crossings, backfilling, restoration, modification, or alteration of any permanent structure or site element including changes to pump pad preparation, suction, or discharge chambers during duration of job (including installation and removal).

System:
1. Customer will provide dedicated equipment with operator and fuel to perform all needed unloading, testing, operations, maintenance,

Proposal Number 1101-IND-2187024 Confidentiality Notice: This proposal and any associated document(s) are privileged and confidential and are intended for the sole use of the addressee(s). If you have received this information in error, please immediately contact us at info@rainforrent.com.

Liquid Ingenuity®

relocating, cleaning, and reloading of provided equipment/system.
2. If installation provided by RFR and Customer is operating system, this Transfer of Operation form will need to be reviewed and signed by both parties upon completion of setup. (sample form only): **https://rainforrentcorp.box.com/v/systemtransferoperation**
3. Customer will provide preventative maintenance as recommended by manufacturer or per the Rental Agreement. **https://rainforrentcorp.box.com/v/pumpmaintenance**
4. Customer will supply all needed water for the commissioning, startup, and system testing. Project-specific criteria for hydrotesting can be provided at an additional charge.
5. By accepting this quotation, the customer has acknowledged that the equipment proposed herein is suitable for its intended application and accepts all liabilities associated with its use. Customer is responsible for compliance with appropriate liquid/material quality standards, regulations, and testing protocols to meet all federal, state, local and job location specific requirements. Customer is responsible for all waste materials associated with this equipment/system.

Customer is responsible for:
1. Any work in confined spaces.
2. Protecting system from damage including any freeze protection necessary to safeguard equipment from damage. Should equipment become frozen and damaged, customer is responsible for repair of equipment. RFR is providing the necessary freeze protection, but the customer is responsible to operate the system and provide the power required. Equipment stays on rent until it can be returned.
3. Using equipment in a safe and proper manner in accordance with manufacturers' recommendations, regulatory standards, and industry best practices. Improper usage may cause equipment/system failure, damage, possible incidents, injuries, and spills.

Upon Pickup:
Contact the RFR office at (505) 524-0879 to schedule pickup when equipment/system is cleaned and ready to be released.
Flushing and cleaning of equipment must be performed to RFR's standards prior to being called off rent. RFR personnel will perform a visual inspection. It is recommended to have a customer representative on-site during inspection. Equipment found not to be in "delivered condition" will not be picked up.
Project Scheduling & Billing
This quote is valid for 30 days. For the quoted items, RFR requires a signed quote not less than 7 days prior to delivery.

Customer acknowledges that availability of equipment/system and/or media will be confirmed at time of order. Additional freight charges may apply subject to mutually agreed upon change order.

Billing
1. Delivery and first week's labor will be billed at the end of the first week of installation, supported by signed daily work tickets. Any additional labor will be billed weekly supported by signed day tickets.
2. Delivery and labor for this project will be billed upon completion of the installation.
3. This is an estimate only. Actual Time and Material used for this job will be billed to the customer.

Any re-rented equipment may be billed according to the third party's billing period. All billing subject to our standard terms and conditions in the rental agreement.
A minimum 2 hour charge will be assessed in the event the crew is at site and weather forces cancellation of work for remainder of day.
Deposits may be required. All sales are final upon RFR's acceptance of the order. Sales may be subject to lead time from manufacturer. Final depository amounts, payment terms, and any interim payment requirements will be at the discretion of Seller upon acceptance of order. All sales are final upon RFR's acceptance of the order. Sales may be subject to lead time from manufacturer.

Rain for Rent's standard hours of operation are 7:30am – 4:00pm Monday – Friday. Time outside of normal business hours will be billed at 1.5x the base rate for Transportation and Service.

Safety

Each employee is expected to adhere to the RFR Environmental, Health and Safety programs, which will protect the environment, the health and safety of the customer, employees, and others. RFR asks for your full cooperation to succeed in this expected outcome.

Quote Agreement

If Customer has entered into a Master Service Agreement with Rain for Rent and there is a conflict between these terms and conditions of this Quotation Agreement and the Customer's Master Service Agreement, then the terms and conditions in the Customer's Master Service Agreement signed by Rain for Rent will prevail. Availability of products and services is subject to change without notice. Payment terms are net 30 days from invoice date. Interest at the rate of 18% per year shall be charged on any past due invoice. Rain for Rent applies a processing fee on credit card transactions. The processing fee amount does not exceed our cost of accepting credit cards as required by the card brands. To avoid this fee, choose an alternative payment method (e.g. ACH). A Fuel Surcharge will be calculated and invoiced based on the diesel fuel price as published by the Department of Energy on https://www.eia.gov/petroleum/gasdiesel An Environmental Recovery Fee shall apply to all rental charges invoiced for the duration of the rental pursuant to this quote/Estimate to help offset direct and indirect costs associated with regulatory compliance, obtaining permits, and obtaining licenses. California Air Quality Fee will be added to the cost of diesel pumps used in California only. This is a State mandated fee. Customer is prohibited from deducting retention from Rain for Rent invoices and charging Rain for Rent liquidated damages. Customer is responsible for flushing and cleaning tanks, roll off boxes, pipelines, pumps, filters and other Rain for Rent equipment prior to return unless specifically agreed to by both parties in writing. The Terms and Conditions of the Rain For Rent Rental and Hazardous Material and/or Non-Hazardous Waste Agreement, Credit Application/Master Rental & Sales Agreement, Invoice and this Quotation (also known as the Rain for Rent Rental/Sale Estimate as may be referenced in any Master Service Agreement, Blanket Purchase Order, or any other contractual document executed between the parties) contain the complete and final agreement between Rain for Rent and Customer and no other agreement in any way modifying or adding to any of said Terms and Conditions will be binding upon Rain for Rent unless made in writing and signed by a Rain for Rent Corporate Officer or Rain for Rent authorized representative. The Customer cannot alter the equipment without Rain for Rent's prior written approval. Customer is responsible for equipment, repairs, maintenance and damage, excluding normal wear and tear or damage caused by Rain for Rent. Rain for Rent will service all engine driven equipment at 400 hours of runtime or as required by manufacturer specifications, if less than 400 hours. Labor will be billed on a time and materials basis, portal to portal from nearest Rain for Rent location. Prorated billing will occur if rental is returned prior to 400 hours. All returned equipment is subject to inspection by Rain for Rent personnel. Damages and accrued rent will be invoiced to Customer while equipment is out of service for repairs. The Customer is responsible for damage caused by reactive, corrosive or abrasive material; including, but not limited to sand, sodium hydroxide, chlorine, and acids. Customer must notify Rain for Rent immediately of any spill so that any necessary repairs to the system can be made and to minimize service interruption. The Customer assumes all risks of loss due to operation and use of the equipment. Customer will provide "all risk" property insurance for rented equipment. Customer shall pay Rain for Rent additional expenses caused by unforeseen or changing conditions, including, but not limited to, soil, underground conditions, rock formations, environmental conditions, weather events, regulations or restrictions, hard pan, boulders, cesspools, gas lines, waterlines, drain pipes, underground electrical conduits or other above ground or underground obstructions. All equipment rented or used products sold are provided "AS IS, WHERE IS" in their present condition. Rain for Rent makes no warranties, expressed or implied of any kind whatsoever with respect to the equipment or products. Sold equipment is not to be rented. Customer agrees that customer is renting equipment or purchasing used products based on their judgment and evaluation, without reliance upon any statements of representations by Rain for Rent, and that Rain for Rent is not responsible for any defects in their operation or for any repairs, parts or services, unless otherwise noted. All new products sold are provided without warranty beyond the terms of such warranty offered by the manufacturer, if any. Customer must comply with all original manufacturer's terms and conditions for any warranty claims that may arise. Neither Rain for Rent nor the manufacturer warranties the product if it has failed due to corrosion, misuse or damage; (2) it has been altered, repaired or modified in any way that would adversely affect its operation; or (3) it was installed or operated other than in accordance with manufacturer's operating instructions. Products supplied by Rain for Rent are warranted to be free from any defect in workmanship and material under conditions of normal use and service. Rain for Rent's obligation under this warranty is limited to replacing or repairing at the designated manufacturer's or Rain for Rent facility any part or parts returned to it with transportation charges prepaid, which Rain for Rent determines in its sole discretion to be defective. This Quotation excludes any additional costs to Rain for Rent associated with Owner Controlled Insurance (OCIP) or WRAP insurance programs that will be added to Rain for Rent's prices. De-watering, Roll-off, Vacuum boxes and similar equipment are not liquid tight. Rentee accepts full responsibility for all losses, damages and costs caused by or arising out of spills, leakage or discharge from this equipment. Rain for Rent will not be held liable for any structural or soils subsidence. This Quotation is valid for 30 days and is subject to credit approval. The prices quoted herein are based on the tariffs, duties, and import/export regulations in effect as of the date of this quotation. If, at any time after the issuance of this Quotation, there is any change in applicable tariffs, duties, taxes, surcharges, or other government-imposed costs, Rain for Rent reserves the right to adjust the quoted prices accordingly. Rain for Rent is not liable for delays caused by changes in tariffs, duties, and import/export regulations. Please be assured every effort will be made to execute the quote as written.

Term of prospective contract: Three Years

GRAND TOTAL: $7,117,250.69

The attached contractors and their associated scopes of work will assist City staff in bringing the wastewater reclamation facility into compliance.

Location of Services: Paseo Real Wastewater Reclamation Facility, 73 Paseo Real, Santa Fe, NM 87507

III. **Please thoroughly list the services (scope of work), construction or items of tangible personal property of the contract:**

1. Emergency funding request to remediate issues currently affecting the WWTF
   a. Contractors: Hazen and Sawyer ($2.7M), AAC construction (est.$2.5M), Carollo ($80k), Aquasight ($350k), ITSQuest (scheduler $264k), Great Western ($156k), Molzen Corbin ($180k), Rain for Rent ($903K)
   b. Improvements Plan
      - Quarterly Reporting disconnect
      - Weekly Meetings with NMED
      - Unit Process Operating Strategy documentation (Carollo/Hazen)
      - Instrumentation Implementation
      - Model Development/SCADA Integration
      - Sample and Reporting External Support
      - Advanced SCADA for Each Process
      - Unit Process Improvements

See attached proposals and scopes of work for details.

IV. **Provide an explanation for the justification of the procurement including a description of the emergency condition(s) requiring use of emergency procurement and the practicable competition utilized in compliance with NMSA 1978, § 13-1-127.**

The United States Environmental Protection Agency (EPA) has issued an Administrative Order (AO) issued to the City of Santa Fe for violations of the Clean Water Act (CWA) (33 U.S.C. §§ 1251-1387). The violations were identified during a review of the permit file and discharge monitoring reports submitted for the Paseo Real Wastewater Reclamation Facility. The violations alleged are for failure to meet permit effluent limitations. This AO does not assess a monetary penalty; however, it does require compliance with applicable federal regulations.

Similarly, the New Mexico Environment Department (NMED) has determined that the City of Santa Fe Paseo Real Wastewater Treatment Plant (WWTP) has been operating in noncompliance with the New Mexico Water Quality Act (WQA) and Water Quality Control Commission (WQCC)' regulations (20.6.2 and 20.6.4 New Mexico Administrative Code) adopted pursuant to the WQA.

To facilitate the most efficient response to these regulators, the City requires emergency procurement to develop a plan and to implement that plan to bring the Paseo Real Wastewater Reclamation Facility into compliance as soon as is feasible to do so.

EPA Region 6 Administrative Order Attached.

III. **Please describe what measures are being taken to minimize the duration and effect of this particular emergency procurement (for example: is the emergency only in place until a competitive process can be completed, etc.).**

By immediately bringing these contractors in to perform their requested scopes of work, we can begin to bring the facility into compliance, thereby eliminating or minimizing the associated risks to public health and safety associated with the non-compliant discharge.

IV. **Describe what measures the Department will take in the future to prevent/mitigate use of emergency procurement under similar circumstances.**

It is our goal and desire to prevent the conditions that precipitated the need for this emergency procurement by implementing the measures afforded by this emergency procurement.

UNITED STATES ENVIRONMENTAL PROTECTION AGENCY
Region 6
FINDINGS OF VIOLATION AND COMPLIANCE ORDER
Docket Number: CWA-06-2024-1745; NPDES Permit Number: NM0022292

STATUTORY AUTHORITY

The following findings are made, and Order issued under the authority vested in the Administrator of the United States Environmental Protection Agency (EPA) by Section 309(a) of the Clean Water Act (Act), 33 U.S.C. § 1319(a). The Administrator of EPA delegated the authority to issue this Order to the Regional Administrator of EPA Region 6, who further delegated this authority to the Director of the Enforcement and Compliance Assurance Division.

FINDINGS

1. The City of Santa Fe (Respondent) is a municipality which was incorporated under the laws of the State of New Mexico, and as such, is a "person" as that term is defined at Section 502(5) of the Act, 33 U.S.C. § 1362(5), and 40 C.F.R. § 122.2.

2. At all times relevant to this Order (all relevant times), Respondent owned or operated a municipal wastewater treatment facility located at Airport Road, Santa Fe, Santa Fe County, New Mexico, 87504 (facility), and was, therefore, an "owner or operator" within the meaning of 40 C.F.R. § 122.2.

3. At all times relevant, the facility was a "point source" of a "discharge" of "pollutants" with its municipal wastewater to the receiving waters of Santa Fe River in Segment No. 20.6.4.113 of the Rio Grande Basin which are "waters of the United States" within the meaning of Section 502 of the Act, 33 U.S.C. § 1362, and 40 C.F.R. § 122.2.

4. Because Respondent owned or operated a facility that acted as a point source of discharges of pollutants to waters of the United States, Respondent and the facility were subject to the Act and the National Pollutant Discharge Elimination System (NPDES) program.

5. Under Section 301 of the Act, 33 U.S.C. § 1311, it is unlawful for any person to discharge any pollutant from a point source to waters of the United States, except with the authorization of, and in compliance with, an NPDES permit issued pursuant to Section 402 of the Act, 33 U.S.C. § 1342.

6. Section 402(a) of the Act, 33 U.S.C. § 1342(a), provides that the Administrator of EPA may issue permits under the NPDES program for the discharge of pollutants from point sources to waters of the United States. Any such discharge is subject to the specific terms and conditions prescribed in the applicable permit.

7. Respondent applied for and was issued NPDES Permit No. NM0022292 (herein the permit) under Section 402 of the Act, 33 U.S.C. § 1342, which became effective on September 1, 2021, and expires on August 31, 2026. At all relevant times, Respondent was authorized to discharge pollutants from the facility to waters of the United States only in compliance with the specific terms and conditions of the permit.

8. Part I.A of the permit places certain limitations on the quality and quantity of effluent discharged by Respondent. The relevant discharge limitations are indicated in the attached Table A.

9. Part I.C. of the permit requires the Respondent to sample and test its effluent and monitor its compliance with permit conditions according to specific procedures, in order to determine the facility's compliance or noncompliance with the permit and applicable regulations. It also requires the Respondent to file with EPA certified Discharge Monitoring Reports (DMRs) of the results of monitoring, and Noncompliance Reports when appropriate.

10. Certified DMRs filed by the Respondent with EPA in compliance with the permit show discharges of pollutants from the facility that exceed the permitted effluent limitations established in Part I.A of the permit, as specified in the attached Table B.

11. Each instance in which Respondent discharged pollutants to waters of the United States in amounts exceeding the effluent limitations contained in the permit is a violation of the permit and Section 301 of the Act, 33 U.S.C. § 1311. Each violation of the conditions of the permit or regulations described above is a violation of Section 301 of the Act, 33 U.S.C. § 1311.

12. Administrative Order (AO) Docket Number CWA-06-2019-1773 was issued on March 29, 2019, regarding the facility's NPDES permit excursions. The Respondent submitted a written response to the AO on May 31, 2019.

13. Administrative Order (AO) Docket Number CWA-06-2019-1818 was issued on August 26, 2019, regarding the facility's NPDES permit excursions. The Respondent submitted a written response to the AO on October 23, 2019.

14. Administrative Order (AO) Docket Number CWA-06-2021-1725 was issued on June 1, 2021, regarding the facility's NPDES permit excursions. The Respondent submitted a written response to the AO on June 11, 2021.

SECTION 309 (a)(3) COMPLIANCE ORDER

Based on the foregoing Findings and pursuant to the authority of Section 309 of the Act, EPA hereby orders Respondent to take the following actions:

A. Within thirty (30) days of the effective date of this Order, Respondent shall submit a list of the specific actions taken to correct the reporting and effluent violations cited in this Order.

B. Within thirty (30) days of the effective date of this Order, Respondent shall provide written certification to EPA, Region 6 that the violations cited herein have been corrected and that the facility is in compliance with the requirements of the permit.

C. In the event that Respondent believes complete correction of the violations cited herein is not possible within thirty (30) days of the effective date of this Order, Respondent shall, within thirty (30) days of the effective date of this Order, submit a comprehensive written plan for the elimination of the cited violations within the shortest possible time for EPA review. Such plan shall describe in detail the specific corrective actions to be taken and why such actions are sufficient to correct the violations. The plan may include interim corrective measures to address effluent limit violations as quickly as possible followed by subsequent permanent measures. The plan shall include a detailed schedule for the elimination of the violations within the shortest possible time, as well as measures to prevent these or similar violations from recurring.

D. If Respondent would like to arrange a meeting with EPA to discuss the allegations in this Order, it should contact EPA within forty-five (45) days of the effective date of this Order. The meeting will be held at the Region 6 offices, 1201 Elm Street, Dallas, Texas, and Respondent can provide any information it believes is relevant to this Order. Respondent shall submit to EPA all information or materials it considers relevant to EPA at least ten (10) days prior to the meeting.

E. To arrange a meeting, or to ask questions or comment on this matter, please contact Ms. Mona Tates, of my staff, at (214) 665-7152 or tates.mona@epa.gov.

F. Any information or correspondence submitted by Respondent to EPA under this Order shall be addressed to the following:

Ms. Nancy Williams
williams.nancy@epa.gov

and

Ms. Mona Tates
tates.mona@epa.gov

GENERAL PROVISIONS

Issuance of this Section 309(a)(3) Compliance Order shall not be deemed an election by EPA to forego any administrative, judicial, civil or criminal action to seek penalties, fines, or any other relief appropriate under the Act for the violations cited herein, or other violations that become known to EPA. EPA reserves the right to seek any remedy available under the law that it deems appropriate.

Respondent may seek federal judicial review of the Order pursuant to Chapter 7 of the Administrative Procedure Act, 5 U.S.C. §§ 701-706.

Failure to comply with this Section 309(a)(3) Compliance Order or the Act may result in further administrative action, or a civil judicial action initiated by the United States Department of Justice.

This Order does not constitute a waiver or modification of the terms or conditions of Respondent's NPDES permit, which remains in full force and effect. Compliance with the terms and conditions of this Order does not relieve Respondent of its obligation to comply with any applicable federal, state, or local law or regulation.

The effective date of this Order is the date it is received by the Respondent.

MOLZENCORBIN

March 20, 2024

Mr. Michael Dozier
Wastewater Division Manager
City of Santa Fe
P.O. Box 909
Santa Fe, New Mexico 87504-0909

RE: Emergency Purchase Order to Address EPA Administrative Order CWA-06-2024-1745 Citing Violations at the City of Santa Fe Paseo Real WWTP.

Dear Mr. Dozier:

The City of Santa Fe has requested that Molzen Corbin provide this Proposal for Engineering Services to assist in compliance with Administrative Order CWA-06-2024-1745. The Administrative Order was issued to the City of Santa Fe by the U.S. Environmental Protection Agency (USEPA) on March 4, 2024.

Molzen Corbin is one of the most experienced wastewater engineering firms in New Mexico. We have extensive experience designing, upgrading and retrofitting wastewater treatment facilities for communities throughout New Mexico. Our engineering staff regularly designs process modifications to improve performance at wastewater treatment facilities throughout the state.

We have assisted many communities when they have been issued Administrative Orders by the USEPA. We are experienced at working through the Administrative Order process to help communities comply with both the order and the conditions of their NPDES Permit. We have developed a template for responses to Administrative Orders and can assist them with their response.

Our process engineers work with the community's engineers and operators to evaluate data and assess operating conditions to solve water quality discharge problems. We may recommend changes to operating procedures, upgrades to existing facilities, replacement of aging equipment or installation of new infrastructure to improve effluent quality.

The City has expressed that Molzen Corbin develop a data-driven decision making approach to solving the problems at the Paseo Real Wastewater Treatment Facility. The City would like Molzen Corbin to explore ways that the Facility can be updated and streamlined so processes are equipped with that latest technology that is available.

Molzen Corbin understands that time is critical. The City of Santa Fe must submit a response to USEPA by April 3, 2024 as directed in Compliance Order Section C of the Compliance Order.

WILLINGNESS AND CAPABILITY

Molzen Corbin currently has staff available with the necessary expertise to assist the City of Santa Fe in complying with the Administrative Order. If the City needs services not offered by Molzen Corbin, this proposal includes fee for Additional Services that would allow Molzen Corbin to hire subconsultants. Additional Services may be used to explore multiple approaches to solving problems.

SCOPE OF SERVICES

This project may include but is not limited to the following:

- Research
- Process Engineering
- Design
- Construction Administration
- Telemetry and Controls

COMPENSATION
We propose to perform the Work described above on a Time and Materials basis based on our current Standard Billing Rates enclosed herein.

Basic Services – not to exceed $80,000 would include but not be limited to:

- Research
- Design
- Construction Administration

Additional Services – not to exceed $100,000 would include but not be limited to:

- Process Engineering
- Telemetry and Controls
- Other specialized services to be determined.

If you have any questions or require additional information, please contact Mr. Steve Morrow, P.E. at 505.242.5700.

Sincerely,

MOLZEN CORBIN

Kevin W. Eades, P.E.
Chief Executive Officer

Carollo Engineers, Inc.
On Call Engineering Services for
Water and Wastewater Processes and Treatment

SCOPE OF WORK
TASK ORDER 24-WW-01
Establishing Operational Excellence
March 19, 2024

The City of Santa Fe requested assistance to establish knowledge management tools that can be used to document the intent and nuances of each unit process. The resulting documentation can be used for training for new hires and refresher training for existing staff.

An evaluation of current conditions can help define available data, design parameters and current work routines. A gap analysis is typically used to establish the current conditions. From that analysis a more robust approach to formalize a variety of work practices and facility documentation that, if addressed, could provide more consistent facility operation. Consistent facility operation will result in reduced operating costs, less variable facility outputs, and improved O&M awareness.

Initially, three documents are desired. Two are Area Procedures and Expectations (APEs) to capture unit process information: Non-Potable Water Distribution (NPWD) and the Oxidation Ditch Biological Nutrient Removal (BNR) processes. The third is the initial Annual Operations Plan.

This Scope of Services includes working in concert with Hazen and Sawyer and the Wastewater Division Plant Superintendent, with concurrence with the Wastewater Division Director. For success, it is expected that the Plant Superintendent will be heavily involved in the development of the initiatives, with Carollo's and Hazen's Operations Specialists providing guidance and examples to complete and then launch the initiatives developed in this Scope of Services. It is probable that a variety of staff will be engaged, as many of these initiatives involve the existing database, upgraded presentation of concepts and instructions, and computer-based support.

The goal of this Scope of Services is to assist the City of Santa Fe and the Wastewater Division Plant Superintendent in developing means and methods to improve the operation and maintenance of wastewater treatment processes.

The work and resulting deliverables will be split between Carollo Engineers and (under separate authorization) Hazen. Additional authorizations may be required to complete the breadth of the envisioned Establishing Operational Excellence initiatives.

Services will include some or all of the specific tasks listed below, up to the budget upper limit for this Task Order.

PHASE 1 – Site Visit and Gap Analysis

Site Visit

1. This allows Operations Specialist(s) to learn the facility, but more importantly, meet the staff to establish our working relationships.

Conduct a gap analysis to understand the current state of facility operations.

1. The analysis will identify strengths, opportunities and concerns.
2. The results will be documented in a report.

Evaluate current databases for completeness.

1. Compare existing data and presentation to best-industry practices.
2. Includes daily process results, data tracking and trending used for process control and optimization.

Evaluate and upgrade existing unit process performance measurement reports.

1. Refine or establish key performance indicators to match typical industry practices.
2. Refine the presentation of performance data in monthly and annual formats to match KPIs and annual operating plan information.

Standardize unit process Standard Operating Procedures for the NPWD and BNR processes.

1. Evaluate existing SOPs against typical industry practices.
2. Define SOPs that may be missing.
3. Provide template to standardize SOPs based on EPA guidance.
4. Assist staff is the development of pilot SOPs based on the Oxidation Ditch BNR process.

Phase 2 – Develop Pilot APEs

Develop Area Procedures and Expectations (APEs) for the NPWD and BNR processes.

1. APEs will be developed in PowerPoint.
2. The presentation will define the treatment objectives, process control responses, control points, sampling locations, data recording, crucial SOPs, critical preventative maintenance activities, and expected duties and expectations of maintenance and operator personnel working within the process. These serve as a training tool for new employees and refresher information for others.
3. These APEs will be the model for all other identified process areas.

Draft a Facility Operations and Maintenance Plan (Plan).

1. The Plan establishes how O&M staff operate and maintain each unit process at the facility.
2. The Plan describes sampling means and methods used to demonstrate permit compliance.

Draft an Annual Operating Plan (AOP).

1. The AOP identifies factors, such as projected wastewater flows and loads, as well as activities, such as construction or extraordinary maintenance, which will impact plant operations in the coming year.
2. Based on these factors, specific operating strategies are identified for treatment unit processes for the year.

3. The AOP projects upcoming maintenance or construction activities for advanced planning to support budget allocations.
4. The plan identifies facility or capacity deficiencies to help inform capital improvement upgrades.

PRELIMINARY PROJECT APPROACH

The project objectives are provided below.

ID	Description	Work Required
Phase 1		
1.1	Site Visit and Gap Analysis	• Review current conditions • Conduct interview(s) • Confirm findings • Provide findings in a report
1.2	Process data reporting evaluation	• Evaluate existing means and methods • Provide report with suggested improvements
1.4	Data tracking and reporting	• Evaluate existing • Provide report with suggested improvements
1.5	Standard Operating Procedures	• Evaluate existing • Provide template for to standardize current and/or develop future SOPs
Phase 2		
2.1	NPWD Area Procedures and Expectations	• Develop PowerPoint • Provide NPWD staff training
2.2	BNR Area Procedures and Expectations	• Develop PowerPoint • Provide NPWD staff training
2.3	Facility Operations and Maintenance Plan	• Develop initial plan
2.4	Annual Operations Plan	• Develop initial plan

$80,000.00 of the contractual upper limit is allocated to work to be executed under this Task Order, inclusive of labor and expenses, but exclusive of NMGRT. The work will be invoiced on a time and materials basis. Project management time for staffing and budget management and reporting for this task order will be included when work is active on this task order. A progress report will accompany monthly invoices, providing a summary of work conducted under Task Order 24-WW-01 for the subject invoicing period. The invoice will indicate the amount of the $80,000.00 upper limit for this task order that has been incurred versus the amount remaining.

RE: Electrical Proposal
Santa Fe Waste Water SCATA Fiber Installation
Attention: Andrew Hardinge
Scope:

- Provide 18,000 feet of 1" innerduct.
- Provide 18,000 feet of TLC 24 fiber indoor, outdoor, and plenum rated.
- Provide and install 10 stainless NEMA4 boxes to end fiber runs in each building.
- Provide and install stainless NEMA4 boxes in manholes where fiber and innerduct splice.
- Pull innerduct and fiber per COSF WWTF proposed innerduct conduit system drawing.
- Provide and install a 2" EMT conduit from the SCATA room in the administration building to the underground manhole conduit system.
- Core holes into manholes to extend raceways to Las Campanas golf course pump house, dissolved air flotation control building, the holding tank by the lime bed, the maintenance office, and the primary clarifiers.

Labor	$70,363.35
Material retail	$63,101.26
Material 10% discount	$56,791.14
Equipment	$13,073.50
Permit	$800.00
Sub Total	$141,027.99
NMGRT @ 8.1875%	$11,546.67
Bond	$3,115.42
Total	**$155,690.08**

Exclusions

- Damaged to unmarked underground utilities.
- Testing and terminating the fiber.
- Overtime or after-hours work.
- Trench, conduit, fiber, and innerduct to secondary clarifiers and offices.

Regards,
Danny Burson
Project Manager

Re: Paseo Real Water Reclamation Facility (PRWRF)
Engineering, Operational Support, and Related Services in
Response to EPA Administrative Order CWA-06-2024-1745

Dear Mr. Dupuis:

We appreciated the opportunity to meet with the City of Santa Fe (City) on Wednesday, March 13, 2024 to discuss the referenced Administrative Order (AO) the City received from the U.S. Environmental Protection Agency (EPA) Region 6. As we discussed, the City would like to implement an overall plan that 1) responds to and resolves the AO, and 2) prepares the City for long-term, future success in operating and managing the Paseo Real Water Reclamation Facility (PRWRF) and similarly at a future facility being considered and visioned by the City as an eventual replacement for the PRWRF. The City's plan focuses on improving current data collection, regulatory compliance, operational, knowledge management / transfer, and management practices at the PRWRF, combined with selective capital improvements to existing PRWRF facilities. This comprehensive plan can be broken down into the following nine (9) steps:

1. Provide sampling and regulatory support to ensure compliance with existing permits.

2. Support the City's external communications with the New Mexico Environment Department (NMED).

3. Build a comprehensive base of knowledge management tools / decision trees to guide PRWRF staff in day-to-day operations and management of the facility.

4. Improve PRWRF laboratory practices, data management, workflows, and communications for all testing performed to ensure regulatory compliance and/or support treatment operations.

5. Provide an inventory of all PRWRF instrumentation, calibration practices, data flows, and uses of information currently collected and rectify gaps to improve process monitoring and control.

6. Develop a model for treatment operations using open-source software that integrates information available from lab test results and real-time supervisory control and data acquisition (SCADA) data.

7. Develop a "digital twin" model of PRWRF to simulate and help optimize treatment plant operations.

8. Develop tools for remote simulation and testing of proposed changes to plant operations.

9. Provide engineering support for short-term treatment plant improvement projects.

The following narrative further defines the specific activities and services Hazen and Sawyer ("Hazen") proposes to provide. This work will be performed under a new engineering services agreement between the City and Hazen to be issued in response to EPA Administrative Order CWA-06-2024-1745.

Scope of Work

1. Sampling and Regulatory Support

Hazen will coordinate one soil sampling event and four quarterly groundwater sampling events at the PRWRF, with the samples being analyzed for poly- and perfluoroalkyl substances (PFAS). Both the soil and groundwater samples will be analyzed using EPA Method 1633. The sampling and reporting will be conducted by a third party in the place of City staff, with minor support from City staff. We have assumed that a total of 10 soil samples will be collected during one soil sampling event (including duplicate samples), and that each sample will be collected from a depth of 2 to 3 feet below ground surface using a hand auger. Ten groundwater samples will be analyzed during each groundwater sampling event (7 PRWRF monitor wells and 3 quality assurance samples). The groundwater sampling for PFAS will begin before Hazen begins supporting the groundwater sampling that is required by the facility's discharge permits (discussed below).

Hazen will coordinate the quarterly groundwater sampling and analysis that is required under discharge permits DP-289 (Wastewater Reclamation Facility) and DP-135 (Sludge Disposal Facility) issued by the NMED Ground Water Quality Bureau (GWQB) for six (6) quarters, starting with the second quarter sampling event in 2024. Hazen will also coordinate the required reporting under these permits. The sampling and reporting will be conducted by a third party in the place of City staff, with minor support from City staff (e.g., for purge water disposal). The City will provide additional information (e.g., monthly totalized average daily and peak daily influent volumes, monthly volumes discharged to each reclaimed domestic wastewater recipient, discharge monitoring reports) for inclusion in the quarterly discharge permit reports prepared for NMED. This task will support the City in achieving compliance with the requirements of these permits.

2. Communications Support

Along with City leadership and staff, Hazen staff (Amy Ewing) will participate in weekly phone calls that will be scheduled with NMED to discuss the current and planned activities and progress made in support of responding to and resolving the AO.

3. **Build a comprehensive base of knowledge management tools / decision trees for PRWRF operations**

Daily activities by PRWRF operations, maintenance, and management staff will support routine and consistent compliance with permit limits established by the City's National Pollutant Discharge Elimination System (NPDES) Permit NM 0022292 once staff have a clear understanding of:

- The purpose of each unit process
- Key Performance Indicators (KPIs) for measuring its performance
- Its relationship to upstream and downstream unit processes
- Information needed to monitor the process, and
- Expectations for each level of staff on how to achieve performance goals set for the process

Hazen proposes to develop these understandings by developing a series of documents called Area Procedures and Expectations (APEs) for each of the seven (7) liquid stream unit processes and four (4) solids handling processes at PRWRF. Each APE, developed as a PowerPoint presentation, will provide a clear guide for each level of operations, maintenance, and management staff, and will provide specific guidance for how and when to adjust the process, by how much, and by whom. Hazen's production of APEs will leverage existing Operation and Maintenance (O&M) Manual and Standard Operating Procedure (SOP) documentation the City may already have in place for PRWRF.

APE production will also document gaps between available information routinely collected (e.g., lab tests and SCADA data) versus what is needed to achieve reliable performance, how such information is distributed, and what improvements to information management are needed so that key items are communicated to staff who need it the most and at a frequency that supports their needs. APE production will also identify information and records currently being collected that do not serve the purpose of optimizing a treatment process. Lastly, APEs will capture information provided during the development of Items 4 and 5 described below.

Once the APEs have been prepared, Hazen will provide on-site staff training for each. This will include administering knowledge assessment quizzes to confirm staff are absorbing the critical information needed to successfully operate and maintain each unit process.

The collection of APEs will form the foundation for PRWRF knowledge management / transfer to which existing staff can refer as they work to optimize facility operations and to train future staff. As "living documents", APEs can be periodically updated by the City to reflect new facilities and capital improvements implemented at PRWRF.

The next element of this PRWRF knowledge management program summarizes the information contained in the 11 APEs (7 for liquid processes / 4 for solids handling) and provides an overview for how each process is supposed to work. This document called **Unit Process Operating Strategies** provides a useful reference to all levels of PRWRF staff and will serve as a tool for newcomers so they can quickly become familiar with "the right way" to operate plant facilities.

The final element of the knowledge management program currently envisioned will be preparation of a PRWRF **Operational Plan**. This document will provide information on the staff hierarchy, command and

communications structure, state and federal regulatory permits, plant safety programs, interrelationships with other City work groups (e.g., purchasing and materials management), and key summaries about PRWRF unit processes extracted from the **Unit Process Operating Strategies** document. Whereas the latter focuses on the information needed to optimize plant treatment operations, the **Operational Plan** focuses on the PRWRF enterprise as a whole and the communications within each internal and external City work group needed to achieve the best performance possible from PRWRF.

4. Improve PRWRF laboratory practices, data management, workflows, and communications

Hazen will provide the City with external sampling and reporting support for samples that are collected by PRWRF staff and analyzed by the in-house laboratory to demonstrate compliance with applicable state and federal discharge permits and to support operational control of PRWRF unit processes. We will work with City staff to ensure that all lab process documentation is current and complete and will assist in clearly defining appropriate workflows for PRWRF staff involved in sample collection, testing, and reporting of results. This task will include performing a review of lab operations, external collection and testing of laboratory samples for a period of up to 4 weeks, and assistance with the transition back to in-house sampling and analysis after PRWRF staff roles and responsibilities have been clearly defined for future lab activity. Item 4 includes an initial workshop with Hazen and City staff to further define the City's specific goals and objectives for the work to be completed.

5. Provide an inventory of all PRWRF instrumentation

Hazen will develop an updated inventory of all instrumentation installed at PRWRF including calibration procedures and how this information is managed, stored, accessed, and communicated (e.g., paper logbooks, SCADA, Operator10™ software, or an alternate operational data storage platform/historian). This inventory will identify existing instruments that do not perform their intended function and/or could be re-deployed to provide the information needed by Operations staff. This inventory will also note opportunities to add instruments that will support real-time monitoring of treatment processes, as needed to accomplish Items 6 through 8 below. If practical, Hazen will use the City's current asset database format and structure to prepare this inventory of PRWRF instrumentation, which might then be used as an input to the City's asset management program.

6. Develop a model for treatment operations

Hazen will use the available information from lab data and SCADA data including any improvements to these sources realized through the outcomes of the work on Items 3 through 5 above, and will develop an operational model for PRWRF performance. This model will be developed using open-source software (e.g., SUMO™, BioWIN™, or similar product) and calibrated using the available data set. This model will be tested using the updated procedures for controlling and adjusting plant operations developed under our work for Item 3. This item includes an initial workshop with Hazen and City staff to further define the City's specific goals and objectives for the work to be completed.

7. **Develop a "digital twin" model of plant operations to simulate and help optimize treatment plant operations**

The modeling work for Item 6 will next be used to develop a more advanced model that will serve as a "digital twin" the City can use for a variety of purposes including:

- A testbed for proposed changes to existing modes of operation for a particular treatment process
- Observing responses to upset / unexpected conditions for influent wastewater
- Assessing the impact that mechanical breakdown of treatment plant equipment may have on plant performance

As described, the "digital twin" should allow the City to evaluate the plant's response to a suite of unexpected stressors and determine what facility improvements or changes to normal operating procedures will foster a more resilient operation. Item 7 includes an initial workshop with Hazen and City staff to further define the City's specific goals and objectives for the work to be completed.

8. **Develop tools for remote simulation and testing of proposed changes to plant**

The City has expressed interest in having Hazen partner with a nationally recognized firm to perform remote modeling, testing, and optimization of PRWRF operations, such as are provided by the company AM-Team or a similar entity. This item will build upon the work completed by Hazen for Items 3 through 7. The specific scope for Item 8 will be further refined once the outcomes for Items 3 through 7 have been established.

9. **Provide engineering support for short-term plant improvement projects at PRWRF**

The City has engaged the services of AAC Construction to perform select construction projects at PRWRF that are characterized as limited scope, remove-and-replace in-kind for specific treatment plant equipment / systems that are out of service or are no longer working. Examples of these limited scope projects include restoring two (2) former traveling bridge filter systems to working condition and installing a new mechanical bar screen the City previously procured. Hazen will provide the engineering support the Contractor may need to properly install and commission these equipment systems so that they perform as intended. There may be other projects of this type that the City decides to undertake, in addition to these two projects, for which Hazen can provide the engineering support the Contractor may need. We have included an allowance of $400,000 to cover the effort we anticipate may be needed for engineering support for short-term plant improvement projects.

Project Management

Hazen will perform ongoing project management activities including cost control and monitoring, invoicing, and general coordination with the City's project manager and staff for each of the 9 items of support described under **Scope** that the City authorizes. Each month, we will provide an overall progress report and invoice for authorized tasks similar to the reporting and invoicing process we currently employ for Engineering On-call Contract #23-0516.

Schedule

The work elements described under **Scope** are expected to be completed over the next 30 months, as needed and as directed by City staff. We are prepared to begin our work for the City immediately upon receipt of its written authorization to proceed.

Compensation

We are requesting an initial authorization of $2,718,000 including NMGRT to provide the services that are described under the Scope. Attachment 1 provides a budget breakdown for Items 1 through 7 and 9. As requested by the City, we have deferred estimating the effort for Item 8, pending completion of Items 1 through 7. All work will be performed on a time and materials basis using the labor rates attached to this letter. Please note these labor rates are the same rates used by Hazen for its work under Engineering On-Call Contract #23-0516 with the City of Santa Fe, and which get adjusted annually at the beginning of the City's fiscal year. Expenses may include reimbursable mileage, printing, mailing, supplies, and other similar costs incurred to perform the work. The Hazen Project Manager will provide status reports indicating percent complete by task with each monthly invoice.

Please call me at (505) 259-1679 or Charlie Leder at (505) 236-3889 if you have any questions or would like to discuss further Hazen's plan for providing services to help the City respond to EPA Administrative Order CWA-06-2024-1745.

Sincerely,

Greg Gates, PE
Vice President

Attachment 1

Proposed budgets for Engineering, Operational Support, and Related Services in Response to EPA Administrative Order CWA-06-2024-1745

Service Item	Proposed time and materials budget
1. Regulatory support	$ 250,000
2. Communications support	$ 25,000
3. Build a comprehensive base of knowledge management tools / roadmaps for PRWRF operations	$ 750,000
4. Improve PRWRF laboratory practices, data management, workflows, and communications	$ 350,000
5. Provide an inventory of all PRWRF instrumentation	$ 250,000
6. Develop a model for treatment operations	$ 300,000
7. Develop a "digital twin" model of plant operations to simulate and help optimize treatment plant operations	$ 200,000
8. Develop tools for remote simulation and testing of proposed changes to plant	TBD
9. Provide engineering support for short-term plant improvement projects at PRWRF	$ 400,000
Total estimated budget for all Items	$ 2,525,000
NMGRT Allowance[1]	$ 193,000
Total budget including applicable NMGRT	$ 2,718,000

1. Estimate calculated using the Albuquerque FY 2024 NMGRT rate of 7.625%. NMGRT will be assessed on labor and subconsultant work performed in New Mexico.

LABOR RATES FOR HAZEN AND SAWYER STAFF

	Rates over next 4 years			
	2023-2024	2024-2025	2025-2026	2026-2027
Vice President / Project Director	$348.91	$359.38	$370.16	$381.26
Senior Associate	$281.39	$289.83	$298.52	$307.48
Associate	$225.11	$231.86	$238.82	$245.98
Senior Principal Engineer	$191.33	$197.07	$202.98	$209.07
Principal Engineer	$168.83	$173.89	$179.11	$184.48
Engineer	$157.58	$162.31	$167.18	$172.20
Assistant Engineer	$135.06	$139.11	$143.28	$147.58
Technician	$112.55	$115.93	$119.41	$122.99
Effective date for rates	7/1/2023	7/1/2024	7/1/2025	7/1/2026

1. Work performed by subconsultants will be billed at cost plus a 10% mark-up

AQUASIGHT
INTELLIGENT WATER SOLUTIONS

Santa Fe, New Mexico 87501

Subject: Proposal for Aquasight APOLLO™ Intelligent Treatment Plant Solution

Dear Mr. Dupuis,

Aquasight is pleased to submit our proposal for implementation the APOLLO™ Intelligent Treatment Plant Solution for the City of Santa Fe Public Works Department.

With the primary goal of supporting your operations team and their successful work to meet all regulatory requirements at the Paseo Real Water Reclamation Facility, the APOLLO™ solution also will support many other benefits such as improved data visibility and mining for laboratory insights, identification of gaps in plant instrumentation, integration of Digital Twin capabilities for better process control, process optimization, and deeper knowledge capture for workforce training and support.

Our implementation program is collaborative, and we will work with your team to ensure project goals are achieved, and the City is provided with a strong foundational program for intelligent water and wastewater solutions.

If you have any questions, feel free to let us know. We look forward to working with the team.

Jonathan Hasson, PE

Vice President, Smart Water Solutions

SANTA FE PUBLIC UTILITIES

PASEO REAL WATER RECLAMATION FACILITY PROCESS OPTIMIZATION PROJECT PROPOSAL

March 19, 2024

BACKGROUND

The City of Santa Fe, NM provides wastewater collection, treatment, and disposal services for nearly 90,000 residents and businesses. The City owns and operates the 9 MGD annual average daily flow (AADF) (rated for 13 MGD) Paseo Real Water Reclamation Facility which is a conventional activated sludge plant that includes screening and sedimentation for primary treatment, oxidation ditch basins, aeration, and clarification for secondary treatment plus nitrogen reduction, and disk and sand filters, chlorination, and dechlorination for tertiary treatment before discharging into the Santa Fe River (**Figure 1**). The City recently received an Administrative Order for permit exceedances in both E. Coli and Nitrogen. As a measure to ensure improved plant effluent performance, optimize data usage and process performance, the City desires a rapidly deployable, data-driven solution for increase opportunities for successful permit compliance.

The PRWRF has adequate data for some process control, but also could benefit from additional sensors and instrumentation to make it a more data rich facility. Data is generated and stored in a variety of different systems, and many of those systems do not share/communicate data well for daily operational benefits. There is an abundance of untapped potential to integrate and mine this data using science or ML/AI-based algorithms to help with process optimization, capture energy and chemical savings, store process knowledge, create maintenance insights, and assist with troubleshooting. This will require a tool that can provide streaming analytics, smart advisors, Aquasight COPILOT™, and actionable assistance to the staff to create a data driven O&M culture.

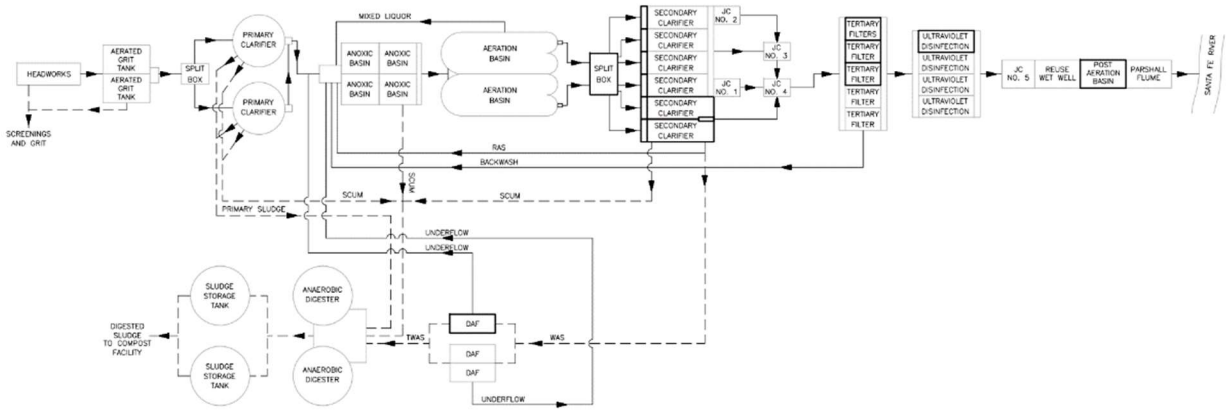

Figure 1: PRWRF Process Flow Diagram

PROJECT GOALS & EXPECTED BENEFITS

The City of Santa Fe Public Works is implementing a strategic initiative to further improve treatment plant effluent performance and reduce operating and maintenance costs by leveraging Aquasight's APOLLO™. The overall goal of this project is to implement a modular real-time advanced analytics and Copilot™ system for liquid unit processes that will support operator success for meeting permit discharge limits and support operational efficiencies for liquid processes that consume the greatest amount of power and chemicals. APOLLO™ will support the City's goals of continuous and measured progress towards the PRWRF optimization goals over time.

Benefits anticipated by implementation of the Aquasight APOLLO™ solution include:

- Deeper integration and sharing of Laboratory sampling data and insights supporting more informed operations.
- Identification of gaps in instrumentation throughout plant processes leading to a more data rich environment for improved process control, optimization, and decision making.
- Implementation of operator focused digital twin functionality allowing for improved real-time streaming insights into potential operational changes and their impacts on process performance KPIs.
- Capture of operational and institutional knowledge by providing a historical record of plant data and operational KPIs for improved new operator training and information recall.

In pursuit of this vision, Aquasight's APOLLO™ software is proposed to assist the City of Santa Fe by:

- Providing a one-stop integrated intelligence dashboarding and analysis solution.
- Integrating a copilot system with built in smart advisors.
- Driving energy and chemical savings and enabling fine tuning of control setpoints.
- Improving daily plant workflow and empowering a data driven decision culture.

- Storing operator knowledge to de-risk operator churn and retirements.
- Providing management visibility through remote off-site access.
- Highlighting compliance risks while providing quick access to process data.
- Enabling predictive maintenance of aeration and disinfection equipment.
- Providing robust tools for workforce training on plant performance at various flows and loads.
- Providing quick access of data for planning and engineering teams.
- Including monitoring and notifications on complex parameters.

Examples of the main dashboard for the aeration and secondary clarifier modules in action are provided in **Figure 2** and **Figure 3**, respectively.

Figure 2: Example of APOLLO's™ Activated Sludge (Aeration) Module

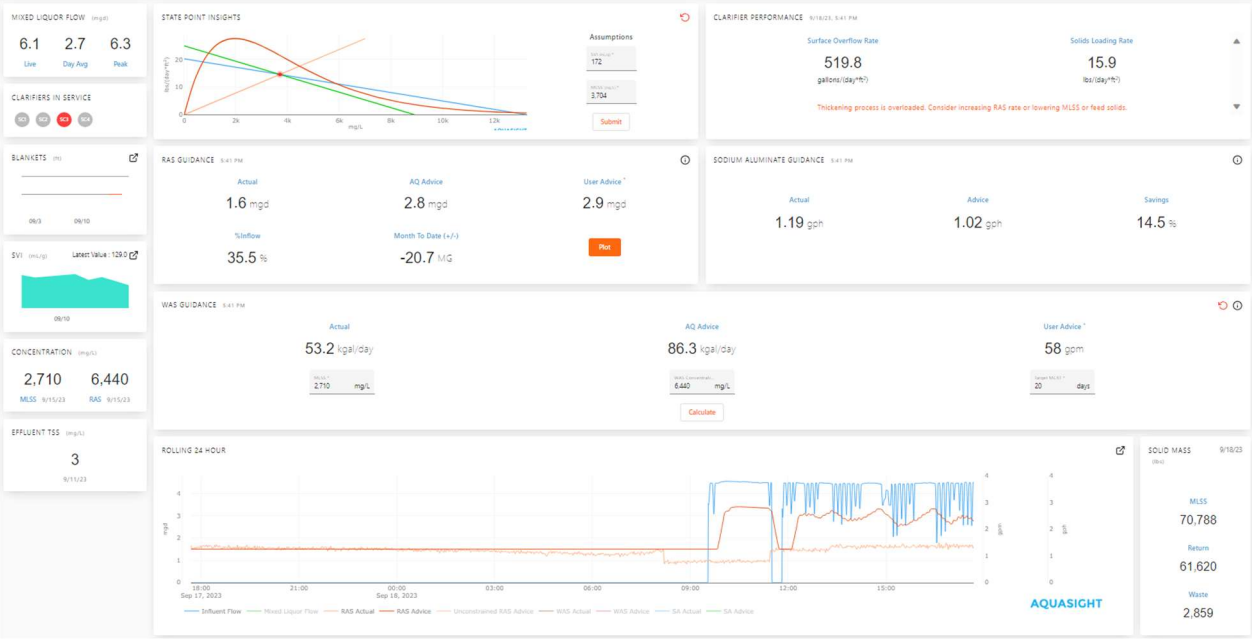

Figure 3: Example of APOLLO's™ Secondary Clarifier Module

SCOPE OF WORK

Generally, the scope of this project includes onboarding the PRWRF to Aquasight's APOLLO™ software equipped with seven (7) modules. The SCOPE OF WORK may change in the future depending on the needs of the plant. The final SOW will be determined in collaboration with the Utility team.

Table 1: Proposed APOLLO modules for PRWRF

Module	Description
Plant Dashboard	Default APOLLO™ module – Customizable dashboard that allows users to centralize analytics from various APOLLO™ modules to a single screen.
Weather	Default APOLLO™ module – Live weather radar with various meteorological layers.
Secondary Treatment – Activated Sludge	Focused on the aeration process, this module includes monitoring, analytics, and copilot dashboard and a detailed decode feature for analyzing aerator and process performance.
Secondary Treatment – Secondary Clarifiers	Focused on the secondary clarification process and RAS/WAS pumping, this module includes monitoring, analytics, and copilot

Module	Description
	dashboard and a detailed decode feature for analyzing process performance.
Disinfection	Focused on the UV disinfection with supplemental chlorination and dechlorination process, this module includes monitoring, analytics, and copilot dashboard and a detailed decode feature for analyzing permit compliance and process performance.
Lab Insights	Default APOLLO™ module – Provides users with a robust plotting tool for lab, live, and analytical data.
SAMI	Default APOLLO™ module – Digital alert system with customizable alert thresholds for parameters of the most critical interest.

Additionally, Aquasight will review data sources, data completeness, and instrumentation coverage for the PRWRF. We will make recommendations for additional instrumentation as may be necessary to optimize the data rich environment necessary for an optimized process solution.

The project goals described above will be completed through the following tasks:

Task 0 – Project Management
Task 1 – Data Polling
Task 2 – Site Visit and Plant Review Including Instrumentation Review and Recommendations
Task 3 – Aeration Onboarding
Task 4 – Secondary Clarifier & RAS/WAS Pumping Onboarding
Task 5 – UV Disinfection/Chlorination/Dechlorination Onboarding
Task 6 – Default Module Configuration
Task 7 – Training and Adoption

Appendix B: Project Milestones, Timeline, and Deliverables

The Aquasight scope of work for this project will have four key milestones and associated deliverables and will be implemented with approximately the following timelines (**Table 2)**. The timeline is subject to change by mutual agreement between Aquasight and the City of Santa Fe.

Table 2: Project Delivery Calendar

Milestones	WEEKS from Notice to Proceed	Aquasight Deliverables
1. Design Review, Instrumentation Review, Data Polling, Connections, Lab & Live Insights	~ 12 weeks	• APOLLO™ Release 1 – Lab Insights • Milestone 1 Report
2. Secondary Process & Aeration Modules	~ 16 weeks	• APOLLO™ Release 2 – Secondary & Aeration Modules • Milestone 2 Report
3. Disinfection Module & SAMI Alerts	~ 22 weeks	• APOLLO™ Release 3 – Disinfection Module & SAMI Alerts • Milestone 3 Report
4. Plant Dashboard, Training & Adoption	~ 26 weeks	• APOLLO™ Release 4 – Plant Dashboard, Training, & Adoption • APOLLO™ User Manual • Virtual Training Sessions

Appendix C: Required Participation from Santa Fe Public Works

DATA REQUIREMENTS

The following information is required from Santa Fe Public Works for successful project completion:

- Public Works SCADA Data Historian access,
- Public Works LIMS database access,
- Any applicable sensor/instrumentation API details,
- Where applicable, process data spreadsheets and mechanism to routinely upload,
- Process SOP's,
- Process design data,
- Equipment manufacturer information (specs, O&M manuals, etc.)
- Plant drawings of relevant processes,
- Energy bills,
- Control strategy documentation for automated control systems, and
- Plant budget and cost sheets

Where information is not available, assumptions will be made and discussed with Santa Fe Public Works team before implementing it in the APOLLO™ System.

O&M, SCADA, LAB, AND DESIGN CLARIFICATION MEETINGS

During deployment, in addition to or as a part of any project management meetings, Aquasight may request meetings with key Public Works staff. Such meetings are important to clarify operations, understand assumptions, and agree on key configurations in APOLLO™ systems.

Appendix D: Project Fee

Aquasight proposes the following Not-To-Exceed project fee for the APOLLO™ solution implementation for the City of Santa Fe Public Works Paseo Real Water Reclamation Facility:

APOLLO™ Onboarding Fee: **Not to Exceed $200,000**
APOLLO™ Annual Fee: **$50,000 per year, minimum three-year contract**

The project billing schedule will be included in the final contract documents, and shall have the basic invoice timing noted below:

- The Onboarding Fee shall be billed in monthly payments during the Onboarding period (estimated over 6 months) with the first Onboarding payment due at contract signing.
- The Annual Fee shall be billed at the beginning of each calendar year, with the first year Annual Fee billed at contract signing.

The following activities are covered in the annual fee:

- **APOLLO™ technology usage:** APOLLO™ technology that has been developed by Aquasight is the core foundation of this project. The technology will be the backbone for releases, metrics, advisors, KPIs and is accessible anywhere, on any device and at any time.
- **APOLLO™ system operations:** APOLLO™ system operations include lab and live database management, analytical scripts management, API management and user preferences, credential, and security management.
- **Infrastructure management:** APOLLO™ runs on several virtual machines and servers. These servers require upkeep and maintenance include software library updates, monitoring of infrastructure metrics and hardware management.
- **Advisor upkeep and maintenance:** Advisors require quality data inputs; unforeseen bad data quality events do occur in practical environment and advisors must be evolved to ensure it discards bad data or debugged to ensure optimal performance of smart advisors.
- **Ticket management and Help desk:** Access Aquasight help desk will operate 8:00 am to 5:00 pm EST during weekdays for any issues such as user access, applications and/or routine troubleshooting. Any high priority issue Aquasight will address in 1-to-4-hour time frame depending on type and nature of this issue during business hours and during weekend and holidays within 24-to-48-hour time frame.
- **SAMI:** Alert's system that manages e-mails, notifications, alert statistics, thresholds management and user settings.
- **Bug fixes:** If we detect any issues or bugs in optimal running of software or technology, Aquasight will fix free of cost and repair those bugs.
- **Data polling maintenance:** Polling software is installed in virtual machine within Santa Fe Public Works. When tag names are changed and database connections are reconfigured, this require polling software to be updated. Public Works should inform or discuss with Aquasight

before making changes on setting and access credentials which may disrupt the flow of data streaming to APOLLO™.

- **Free feature upgrade as part of APOLLO™ product roadmap:** Aquasight continuously evolves its technology and features for driving more value to customers. Such features will be available for free at no additional cost if they are part of the standard product roadmap.

Project Location

73 Paseo Real
Santa Fe, NM, 87507

Project Description and Overview

PROJECT DESCRIPTION

Quoted as 28day cycle rental

Does not include applicable sales tax or services

PROJECT OVERVIEW

Provide pump and filtration equipment for max flows of 5mgd at final clarification.

STATEMENT OF WORK

RFR Responsibilities & Scope of Work

Rain for Rent (RFR) will provide the following: Provide pump and filtration equipment for max flows of 5mgd at final clarification. (2) 60-4SK, (1) 48-4SK, DV200E pump, HDPE pipe and misc fittings.
Delivery, installation, removal, pickup of all quoted materials/equipment

Due to the multitude of economic factors, materials, labor, hauling and freight are currently in a period of above average volatility. If, during the performance of work, the price of materials, labor, hauling or freight increases by 5% or greater through no fault of Rain for Rent, the contract price shall be equitably adjusted by an amount reasonably necessary to cover any such price increases. Equipment subject to availability at time of project.

Reference Materials

Project is quoted based on applicable/customer provided reference materials noted below:
Job Walk(s) 3-13-2023

Operating Parameters

System includes: Sand Media
System is designed to operate at a flow rate of 5mgd peak @ 80tdh
The water source location will be clarifor and discharging at location after clarifor. .

Customer Responsibilities

It is the customer's responsibility to inform RFR about prevailing wage at time of proposal. If RFR is informed after the quote is issued that certified payroll is required, quote will be subject to additional charges.

Jobsite:
Customer is responsible for:
1. Informing RFR of any jobsite or general requirement(s) to perform work on location.
2. Securing permits, fees, bonding, right of ways, vehicular/pedestrian traffic control, and security.
3. Providing safe, secure access and egress to an adequate staging area throughout the job which could include brush clearing, grading, and removal or replacement of any landscape or hardscape in the temporary right of way for the equipment.
4. Any damage to the environment including trees, vegetation, stream banks, or any other part of the site caused by the installation, removal, construction, pulling or dragging of equipment, or operation of the equipment that would require site restoration or environmental countermeasures.

Proposal Number 1101-IND-2113715 Confidentiality Notice: This proposal and any associated document(s) are privileged and confidential and are intended for the sole use of the addressee(s). They cannot be used, circulated, duplicated, quoted, or otherwise referred to or disclosed to third parties for any reason without the written consent of an Officer of Western Oilfields Supply Company dba/Rain for Rent. If you have received this information in error, please immediately contact us at info@rainforrent.com.

Liquid Ingenuity®

5. Any excavation, saw cutting, trench plating for the purpose of road crossings, backfilling, restoration, modification, or alteration of any permanent structure or site element including changes to pump pad preparation, suction, or discharge chambers during duration of job (including installation and removal).

System:

1. Customer will provide dedicated equipment with operator and fuel to perform all needed unloading, testing, operations, maintenance, relocating, cleaning, and reloading of provided equipment/system. Equipment must be capable of lifting 9000 Lbs.
2. If installation provided by RFR and Customer is operating system, this Transfer of Operation form will need to be reviewed and signed by both parties upon completion of setup. (sample form only): **https://rainforrentcorp.box.com/v/systemtransferoperation**
3. Customer will provide fueling.
4. Customer will provide preventative maintenance as recommended by manufacturer or per the Rental Agreement. **https://rainforrentcorp.box.com/v/pumpmaintenance**
5. Customer will supply all needed water for the commissioning, startup, and system testing. Project specific criteria for hydrotesting can be provided at an additional charge.
6. By accepting this quotation, the customer has acknowledged that the equipment proposed herein is suitable for its intended application and accepts all liabilities associated with its use. Customer is responsible for compliance with appropriate liquid/material quality standards, regulations, and testing protocols to meet all federal, state, local and job location specific requirements. Customer is responsible for all waste materials associated with this equipment/system.
7. RFR recommends a small-scale trial run of this product application to ensure system effectiveness. RFR does not warranty the water quality or degree of filtration. At customer request, RFR can perform a Total Suspended Solids (TSS) bench test to better select the appropriate media for optimized filtration effectiveness. Customer will be responsible for the cost of all media.
8. The customer will be designated as the generator for all liquid/solids processed with the use of RFR equipment. All used filtration media, such as carbon, sand, cartridges, bags, coalescing packs, etc. becomes the property of customer and is the responsibility of customer for proper disposal.
9. To activate carbon, customer will need to pre-soak for 24 hours.
10. RFR has not included the cost of the removal and regeneration for non-hazardous carbon. Customer is responsible for TCLP sample for TCLP VOC's, TCLP SVOC's, TCLP RCRA 8, pH. **https://rainforrentcorp.box.com/v/carbongenerator** If the carbon is deemed hazardous and cannot be regenerated, customer is responsible for additional disposal costs and/or final disposal. No media or materials will leave the site unless the TCLP RCRA 8 has been received and deemed non-hazardous unless otherwise noted.
11. RFR equipment/vessels will be taken off rent when the required testing has been submitted and accepted by RFR/Source Carbon Supplier for recycling and or disposal. Vessels cannot be removed until we receive and accept the testing that indicates the carbon is deemed NON-HAZARDOUS. At that time, the equipment will be taken off rent and be scheduled for pick-up from the site. Should the carbon be deemed HAZARDOUS the customer will be responsible to pay a third party for the chain of custody, transportation, and disposal of this material.
12. Additional cleaning and/or inspections may be required if tested material is deemed anything besides non-hazardous.

Customer is responsible for:

1. Any work in confined spaces.
2. Protecting system from damage including any freeze protection necessary to safeguard equipment from damage. Should equipment become frozen and damaged, customer is responsible for repair of equipment. RFR can provide necessary freeze protection at an additional charge per executed change order. Equipment stays on rent until it can be returned.
3. Using equipment in a safe and proper manner in accordance with manufacturers' recommendations, regulatory standards, and industry best practices. Improper usage may cause equipment/system failure, damage, possible incidents, injuries, and spills.

Upon Pickup:

Contact the RFR office at 575-524-0879 to schedule pickup when equipment/system is cleaned and ready to be released.
Flushing and cleaning of equipment must be performed to RFR's standards prior to being called off rent. RFR personnel will perform a visual inspection. It is recommended to have a customer representative on-site during inspection. Equipment found not to be in "delivered condition" will not be picked up. e picked up.

Project Scheduling & Billing

This quote is valid for 30 days. For the quoted items, RFR requires a signed quote not less than 14 days prior to delivery.

Estimated schedule durations:
Mobilization: 2 days
Installation: 3 days
Operation: TBD
Removal: 2 days
Demobilization: 1 day
System Rental Duration: 1 year or more

Customer acknowledges that availability of equipment/system and/or media will be confirmed at time of order. Additional freight charges may

Quote Agreement

If Customer has entered into a Master Service Agreement with Rain for Rent and there is a conflict between these terms and conditions of this Quotation Agreement and the Customer's Master Service Agreement, then the terms and conditions in the Customer's Master Service Agreement signed by Rain for Rent will prevail. Availability of products and services is subject to change without notice. Payment terms are net 30 days from invoice date. Interest at the rate of 18% per year shall be charged on any past due invoice. A Fuel Surcharge will be calculated and invoiced based on the diesel fuel price as published by the Department of Energy on https://www.eia.gov/petroleum/gasdiesel An Environmental Recovery Fee shall apply to all rental charges invoiced for the duration of the rental pursuant to this quote/Estimate to help offset direct and indirect costs associated with regulatory compliance, obtaining permits, and obtaining licenses. California Air Quality Fee will be added to the cost of diesel pumps used in California only. This is a State mandated fee. Customer is prohibited from deducting retention from Rain for Rent invoices and charging Rain for Rent liquidated damages. Customer is responsible for flushing and cleaning tanks, roll off boxes, pipelines, pumps, filters and other Rain for Rent equipment prior to return unless specifically agreed to by both parties in writing. The Terms and Conditions of the Rain For Rent Rental and Hazardous Material and/or Non-Hazardous Waste Agreement, Credit Application/Master Rental & Sales Agreement, Invoice and this Quotation (also known as the Rain for Rent Rental/Sale Estimate as may be referenced in any Master Service Agreement, Blanket Purchase Order, or any other contractual document executed between the parties) contain the complete and final agreement between Rain for Rent and Customer and no other agreement in any way modifying or adding to any of said Terms and Conditions will be binding upon Rain for Rent unless made in writing and signed by a Rain for Rent Corporate Officer or Rain for Rent authorized representative. The Customer cannot alter the equipment without Rain for Rent's prior written approval. Customer is responsible for equipment, repairs, maintenance and damage, excluding normal wear and tear or damage caused by Rain for Rent. Rain for Rent will service all engine driven equipment at 400 hours of runtime or as required by manufacturer specifications, if less than 400 hours. Labor will be billed on a time and materials basis, portal to portal from nearest Rain for Rent location. Prorated billing will occur if rental is returned prior to 400 hours. All returned equipment is subject to inspection by Rain for Rent personnel. Damages and accrued rent will be invoiced to Customer while equipment is out of service for repairs. The Customer is responsible for damage caused by reactive, corrosive or abrasive material; including, but not limited to sand, sodium hydroxide, chlorine, and acids. Customer must notify Rain for Rent immediately of any spill so that any necessary repairs to the system can be made and to minimize service interruption. The Customer assumes all risks of loss due to operation and use of the equipment. Customer will provide "all risk" property insurance for rented equipment. Customer shall pay Rain for Rent additional expenses caused by unforeseen or changing conditions, including, but not limited to, soil, underground conditions, rock formations, environmental conditions, weather events, regulations or restrictions, hard pan, boulders, cesspools, gas lines, waterlines, drain pipes, underground electrical conduits or other above ground or underground obstructions. All equipment rented or used products sold are provided "AS IS, WHERE IS" in their present condition. Rain for Rent makes no warranties, expressed or implied of any kind whatsoever with respect to the equipment or products. Sold equipment is not to be rented. Customer agrees that customer is renting equipment or purchasing used products based on their judgment and evaluation, without reliance upon any statements of representations by Rain for Rent, and that Rain for Rent is not responsible for any defects in their operation or for any repairs, parts or services, unless otherwise noted. All new products sold are provided without warranty beyond the terms of such warranty offered by the manufacturer, if any. Customer must comply with all original manufacturer's terms and conditions for any warranty claims that may arise. Neither Rain for Rent nor the manufacturer warranties the product if it has failed due to corrosion, misuse or damage; (2) it has been altered, repaired or modified in any way that would adversely affect its operation; or (3) it was installed or operated other than in accordance with manufacturer's operating instructions. Products supplied by Rain for Rent are warranted to be free from any defect in workmanship and material under conditions of normal use and service. Rain for Rent's obligation under this warranty is limited to replacing or repairing at the designated manufacturer's or Rain for Rent facility any part or parts returned to it with transportation charges prepaid, which Rain for Rent determines in its sole discretion to be defective. This Quotation excludes any additional costs to Rain for Rent associated with Owner Controlled Insurance (OCIP) or WRAP insurance programs that will be added to Rain for Rent's prices. De-watering, Roll-off, Vacuum boxes and similar equipment are not liquid tight. Rentee accepts full responsibility for all losses, damages and costs caused by or arising out of spills, leakage or discharge from this equipment. Rain for Rent will not be held liable for any structural or soils subsidence. This Quotation is valid for 30 days and is subject to credit approval. Rain for Rent will take every effort to protect our customers and employees. Due to the current pandemic, all quoted equipment and services are subject to delay, change, or unilateral cancelation by Rain for Rent. Please be assured every effort will be made to execute the quote as written. The customer is responsible to inform Rain for Rent of any jobsite hazards, precautions, or entry requirements relating to the Corona Virus prior to Rain for Rent personnel going onsite to perform work or deliver equipment. This includes informing Rain for Rent if anyone at the jobsite has tested positive and provide a list of actions taken to protect Rain for Rent personnel.

Rental Protection Plan Program Agreement

If you elect to maintain All Risk Property Insurance coverage, and the certificate of insurance You provide to Rain for Rent to evidence Your insurance coverage expires or is cancelled for any reason, You agree Rain for Rent may charge RPP for Your rentals until such time as You provide an acceptable and valid certificate of insurance to Rain for Rent. This Rental Protection Plan Program Agreement (this "RPP Agreement") is entered into between the undersigned Rentor and Rentee in relation to the Master Rental and Sales Agreement (MRSA) between Rentor and Rentee. If Rentee has checked or initialed, as applicable, the Rental Protection Plan Program (the "RPP Program") box on the quote, then Rentee has opted-in to the RPP Program and this RPPP Agreement shall supplement the MSRA whether or not executed by Rentee. Rentee understands and agrees that the RPP Program is not insurance and that the RPP Program provides only limited coverage, as described below.1.Cost; Deductible; Maximum Coverage; Rentee shall pay a fee equal to 15 percent (15%) of the rental charge for each covered item, which fee shall be listed on each invoice during which period Rentee has opted to participate in the RPP Program. In the event of a Covered Occurrence, as defined below, Rentee shall further be responsible for the lesser of $500 or 10 percent (10%) of the total loss, as a deductible. The maximum coverage available under the RPP Program is $150,000 per Covered Occurrence, whether or not there is more than one piece of equipment involved in the occurrence.2.Coverage; The RPP Program provides coverage only for losses involving Covered Equipment, as defined below, in the following instances: fire that was not caused by Rentee's gross negligence or willful misconduct; theft for which a police report was filed, and that occurred despite Rentee's reasonable precautions to protect and secure the covered equipment; and vandalism for which a police report was filed (individually, "Covered Occurrence," and collectively, "Covered Occurrence"). The RPP Program provides coverage only for the following types of equipment: pumps, electric submersible pumps, tanks, generators, light towers, filtration, boxes, heaters, spillguards, safety products, sprinklers, hoses, pipe, valves and fittings ("Covered Equipment"). Coverage does not extend to any equipment not owned by Rentor such as re-rented equipment.3.Exclusions; The RPP program does not cover any equipment or event of loss that is not specifically described in Section 2.Without limiting the foregoing, the RPP Program does not provide coverage for the following: misuse of equipment; willful abuse of equipment; failure to maintain equipment; failure to secure items from theft (including but not limited to failing to store items in a fenced, locked area or failing to maintain personnel on site); damage or theft while in transit to or from a jobsite; corrosion from any source; any damage caused by named storm events; any instance that occurs while the account is not in good standing, such as a default as defined in the MRSA or upon written notice of non-payment; and any occurrence not reported to Rentor within 24 hours after the occurrence. The RPP program does not provide coverage for: electronic equipment (controls, instrumentation, and wiring), flow meters, water meters, wheel wash systems & accessories, Freezesentry items, or tires.4.Claims; All claims must be submitted within 24 hours of the Covered Occurrence. Rentor's mechanic will inspect the equipment following any claim. The mechanic's findings as to the cause of the damage and cost of repair will be final. In the event of a theft or vandalism, Rentee must also provide supporting evidence that the site was secured at the time of loss.

Proposal Number 1101-IND-2113715 Confidentiality Notice: This proposal and any associated document(s) are privileged and confidential and are intended for the sole use of the addressee(s). They cannot be used, circulated, duplicated, quoted, or otherwise referred to or disclosed to third parties for any reason without the written consent of an Officer of Western Oilfields Supply Company dba/Rain for Rent. City of Santa Fe
Emergency Determination Form

The Department that makes an emergency procurement to plan or prepare for the response to a serious threat to public health, welfare, safety or property caused by a flood, fire, epidemic, riot, act of terrorism, equipment failure or similar event shall account for the money spent in making the procurement and report on that accounting to the City's Finance Department Director within ninety days after the end of the contract or fiscal year in which the procurement was made, whichever comes first.

I. Department: Public Utilities, **City of Santa Fe**

Department Director: John Dupuis

Department Contact: _P. Fred Heerbrandt, P.E.

Department Telephone Number: 505-955-4623

City of SF Chief Procurement Officer: **Travis Dutton-Leyda, CPO**

Telephone Number: **(505) 629-8351**

II. **A. Name of Contractor: AquaSight**

Address of Contractor: 1650 W. Big Beaver Rd., Troy MI 48084

Amount of prospective contract: $350,000.00

Term of prospective contract: Three years

B. Name of Contractor: Great Western Electrical

Address of Contractor: 3310 Girard NE, Albuquerque, nm 87107

Amount of prospective contract: $155,690.08

Term of prospective contract: One year

C. Name of Contractor: Carollo Engineers, Inc.

Address of Contractor: P. O. Box 30835, Salt Lake City, UT 84130-0835

Amount of prospective contract: $80,000.00

Term of prospective contract: One year

D. Name of Contractor: ITSQUEST Staffing

Address of Contractor: 1012 Marquez Pl Ste 301B, Santa Fe, NM 87505

Amount of prospective contract: $264,463.70

Term of prospective contract: One year and two months

E. Name of Contractor: Hazen and Sawyer

Address of Contractor: 100 Sun Ave. NE, Suite 206, Albuquerque, NM 87109

Amount of prospective contract: $2,718,000.00

Term of prospective contract: 2.5 years

F. Name of Contractor: A.A.C. Construction, LLC

Address of Contractor: 18 La Luna Rd, Santa Fe, NM 57507

Amount of prospective contract: $2,465,837.04

Term of prospective contract: Two Years

G. Name of Contractor: Molzen Corbin

Address of Contractor: 2701 Miles Rd. SE, Albuquerque, NM 87106

Amount of prospective contract: $180,000

Term of prospective contract: Two Years

H. Name of Contractor: Rain for Rent (Western Oilfields Supply Co.)

Address of Contractor: 2495 Lakeside Drive, Las Cruces, NM 88007

Amount of prospective contract: $903,214.87

Term of prospective contract: Three Years

GRAND TOTAL: $7,117,250.69

The attached contractors and their associated scopes of work will assist City staff in bringing the wastewater reclamation facility into compliance.

Location of Services: Paseo Real Wastewater Reclamation Facility, 73 Paseo Real, Santa Fe, NM 87507

III. **Please thoroughly list the services (scope of work), construction or items of tangible personal property of the contract:**

1. Emergency funding request to remediate issues currently affecting the WWTF
   a. Contractors: Hazen and Sawyer ($2.7M), AAC construction (est.$2.5M), Carollo ($80k), Aquasight ($350k), ITSQuest (scheduler $264k), Great Western ($156k), Molzen Corbin ($180k), Rain for Rent ($903K)
   b. Improvements Plan
      - Quarterly Reporting disconnect
      - Weekly Meetings with NMED
      - Unit Process Operating Strategy documentation (Carollo/Hazen)
      - Instrumentation Implementation
      - Model Development/SCADA Integration
      - Sample and Reporting External Support
      - Advanced SCADA for Each Process
      - Unit Process Improvements

See attached proposals and scopes of work for details.

IV. **Provide an explanation for the justification of the procurement including a description of the emergency condition(s) requiring use of emergency procurement and the practicable competition utilized in compliance with NMSA 1978, § 13-1-127.**

The United States Environmental Protection Agency (EPA) has issued an Administrative Order (AO) issued to the City of Santa Fe for violations of the Clean Water Act (CWA) (33 U.S.C. §§ 1251-1387). The violations were identified during a review of the permit file and discharge monitoring reports submitted for the Paseo Real Wastewater Reclamation Facility. The violations alleged are for failure to meet permit effluent limitations. This AO does not assess a monetary penalty; however, it does require compliance with applicable federal regulations.

Similarly, the New Mexico Environment Department (NMED) has determined that the City of Santa Fe Paseo Real Wastewater Treatment Plant (WWTP) has been operating in noncompliance with the New Mexico Water Quality Act (WQA) and Water Quality Control Commission (WQCC)' regulations (20.6.2 and 20.6.4 New Mexico Administrative Code) adopted pursuant to the WQA.

To facilitate the most efficient response to these regulators, the City requires emergency procurement to develop a plan and to implement that plan to bring the Paseo Real Wastewater Reclamation Facility into compliance as soon as is feasible to do so.

EPA Region 6 Administrative Order Attached.

III. **Please describe what measures are being taken to minimize the duration and effect of this particular emergency procurement (for example: is the emergency only in place until a competitive process can be completed, etc.).**

By immediately bringing these contractors in to perform their requested scopes of work, we can begin to bring the facility into compliance, thereby eliminating or minimizing the associated risks to public health and safety associated with the non-compliant discharge.

IV. **Describe what measures the Department will take in the future to prevent/mitigate use of emergency procurement under similar circumstances.**

It is our goal and desire to prevent the conditions that precipitated the need for this emergency procurement by implementing the measures afforded by this emergency procurement.

UNITED STATES ENVIRONMENTAL PROTECTION AGENCY
Region 6
FINDINGS OF VIOLATION AND COMPLIANCE ORDER
Docket Number: CWA-06-2024-1745; NPDES Permit Number: NM0022292

STATUTORY AUTHORITY

The following findings are made, and Order issued under the authority vested in the Administrator of the United States Environmental Protection Agency (EPA) by Section 309(a) of the Clean Water Act (Act), 33 U.S.C. § 1319(a). The Administrator of EPA delegated the authority to issue this Order to the Regional Administrator of EPA Region 6, who further delegated this authority to the Director of the Enforcement and Compliance Assurance Division.

FINDINGS

1. The City of Santa Fe (Respondent) is a municipality which was incorporated under the laws of the State of New Mexico, and as such, is a "person" as that term is defined at Section 502(5) of the Act, 33 U.S.C. § 1362(5), and 40 C.F.R. § 122.2.

2. At all times relevant to this Order (all relevant times), Respondent owned or operated a municipal wastewater treatment facility located at Airport Road, Santa Fe, Santa Fe County, New Mexico, 87504 (facility), and was, therefore, an "owner or operator" within the meaning of 40 C.F.R. § 122.2.

3. At all times relevant, the facility was a "point source" of a "discharge" of "pollutants" with its municipal wastewater to the receiving waters of Santa Fe River in Segment No. 20.6.4.113 of the Rio Grande Basin which are "waters of the United States" within the meaning of Section 502 of the Act, 33 U.S.C. § 1362, and 40 C.F.R. § 122.2.

4. Because Respondent owned or operated a facility that acted as a point source of discharges of pollutants to waters of the United States, Respondent and the facility were subject to the Act and the National Pollutant Discharge Elimination System (NPDES) program.

5. Under Section 301 of the Act, 33 U.S.C. § 1311, it is unlawful for any person to discharge any pollutant from a point source to waters of the United States, except with the authorization of, and in compliance with, an NPDES permit issued pursuant to Section 402 of the Act, 33 U.S.C. § 1342.

6. Section 402(a) of the Act, 33 U.S.C. § 1342(a), provides that the Administrator of EPA may issue permits under the NPDES program for the discharge of pollutants from point sources to waters of the United States. Any such discharge is subject to the specific terms and conditions prescribed in the applicable permit.

7. Respondent applied for and was issued NPDES Permit No. NM0022292 (herein the permit) under Section 402 of the Act, 33 U.S.C. § 1342, which became effective on September 1, 2021, and expires on August 31, 2026. At all relevant times, Respondent was authorized to discharge pollutants from the facility to waters of the United States only in compliance with the specific terms and conditions of the permit.

8. Part I.A of the permit places certain limitations on the quality and quantity of effluent discharged by Respondent. The relevant discharge limitations are indicated in the attached Table A.

9. Part I.C. of the permit requires the Respondent to sample and test its effluent and monitor its compliance with permit conditions according to specific procedures, in order to determine the facility's compliance or noncompliance with the permit and applicable regulations. It also requires the Respondent to file with EPA certified Discharge Monitoring Reports (DMRs) of the results of monitoring, and Noncompliance Reports when appropriate.

10. Certified DMRs filed by the Respondent with EPA in compliance with the permit show discharges of pollutants from the facility that exceed the permitted effluent limitations established in Part I.A of the permit, as specified in the attached Table B.

11. Each instance in which Respondent discharged pollutants to waters of the United States in amounts exceeding the effluent limitations contained in the permit is a violation of the permit and Section 301 of the Act, 33 U.S.C. § 1311. Each violation of the conditions of the permit or regulations described above is a violation of Section 301 of the Act, 33 U.S.C. § 1311.

12. Administrative Order (AO) Docket Number CWA-06-2019-1773 was issued on March 29, 2019, regarding the facility's NPDES permit excursions. The Respondent submitted a written response to the AO on May 31, 2019.

13. Administrative Order (AO) Docket Number CWA-06-2019-1818 was issued on August 26, 2019, regarding the facility's NPDES permit excursions. The Respondent submitted a written response to the AO on October 23, 2019.

14. Administrative Order (AO) Docket Number CWA-06-2021-1725 was issued on June 1, 2021, regarding the facility's NPDES permit excursions. The Respondent submitted a written response to the AO on June 11, 2021.

SECTION 309 (a)(3) COMPLIANCE ORDER

Based on the foregoing Findings and pursuant to the authority of Section 309 of the Act, EPA hereby orders Respondent to take the following actions:

A. Within thirty (30) days of the effective date of this Order, Respondent shall submit a list of the specific actions taken to correct the reporting and effluent violations cited in this Order.

B. Within thirty (30) days of the effective date of this Order, Respondent shall provide written certification to EPA, Region 6 that the violations cited herein have been corrected and that the facility is in compliance with the requirements of the permit.

C. In the event that Respondent believes complete correction of the violations cited herein is not possible within thirty (30) days of the effective date of this Order, Respondent shall, within thirty (30) days of the effective date of this Order, submit a comprehensive written plan for the elimination of the cited violations within the shortest possible time for EPA review. Such plan shall describe in detail the specific corrective actions to be taken and why such actions are sufficient to correct the violations. The plan may include interim corrective measures to address effluent limit violations as quickly as possible followed by subsequent permanent measures. The plan shall include a detailed schedule for the elimination of the violations within the shortest possible time, as well as measures to prevent these or similar violations from recurring.

D. If Respondent would like to arrange a meeting with EPA to discuss the allegations in this Order, it should contact EPA within forty-five (45) days of the effective date of this Order. The meeting will be held at the Region 6 offices, 1201 Elm Street, Dallas, Texas, and Respondent can provide any information it believes is relevant to this Order. Respondent shall submit to EPA all information or materials it considers relevant to EPA at least ten (10) days prior to the meeting.

E. To arrange a meeting, or to ask questions or comment on this matter, please contact Ms. Mona Tates, of my staff, at (214) 665-7152 or tates.mona@epa.gov.

F. Any information or correspondence submitted by Respondent to EPA under this Order shall be addressed to the following:

Ms. Nancy Williams
williams.nancy@epa.gov

and

Ms. Mona Tates
tates.mona@epa.gov

GENERAL PROVISIONS

Issuance of this Section 309(a)(3) Compliance Order shall not be deemed an election by EPA to forego any administrative, judicial, civil or criminal action to seek penalties, fines, or any other relief appropriate under the Act for the violations cited herein, or other violations that become known to EPA. EPA reserves the right to seek any remedy available under the law that it deems appropriate.

Respondent may seek federal judicial review of the Order pursuant to Chapter 7 of the Administrative Procedure Act, 5 U.S.C. §§ 701-706.

Failure to comply with this Section 309(a)(3) Compliance Order or the Act may result in further administrative action, or a civil judicial action initiated by the United States Department of Justice.

This Order does not constitute a waiver or modification of the terms or conditions of Respondent's NPDES permit, which remains in full force and effect. Compliance with the terms and conditions of this Order does not relieve Respondent of its obligation to comply with any applicable federal, state, or local law or regulation.

The effective date of this Order is the date it is received by the Respondent.

MEMORANDUM

DATE: *May 6, 2024*

TO: *Mayor Alan Webber and City Council*
Finance Committee
Public Works Public Utilities Committee

FROM:
Michael Dozier, WWMD Director MD

VIA:
John Dupuis, Public Utilities Director

ITEM: Emergency Determination and Administrative Order Response

ISSUE:
Request Authorization to Complete the Paseo Real Water Reclamation Facility Administrative Order Emergency Project to ensure compliance with National Pollutant Discharge Elimination System (NPDES) and Discharge Permits and associated Contract approvals (Public Utilities Department/John Dupuis, Michael Dozier)

ISSUE:
In reference to the Paseo Real Water Reclamation Facility Administrative Order Emergency Project, the Public Utilities Department has submitted an Emergency Determination Form for emergency procurement to implement a comprehensive plan that provides interim corrective measures and for the long-term success in operating and managing the Paseo Real Water Reclamation Facility (PRWRF) necessary to ensure compliance with NPDES and Discharge Permits within the shortest possible time. The referenced Administrative Order (AO), which the City received on March 6th, 2024 from the U.S. Environmental Protection Agency (EPA) Region 6, is attached and requires within 30 days the submission of the comprehensive written plan for the elimination of the violations within the shortest possible time, as well as measures to prevent these or similar violations from recurring.

The scope of work from each vendor included with the Emergency Determination Form, and attached, is a natural progression of the extensive evaluation and improvements-initiated April 2024 and would have been implemented over a reasonable timeframe. The emergency procurement, this request for authorization, and accompanying Budget Adjustment Request (BAR) are responsive to the requirement for the elimination of the violations within the shortest possible time. These actions included as part of the comprehensive plan will clearly communicate our commitment to complete this project within the shortest possible time, averts unnecessary enforcement escalation, and begins to restore the trust of the public and our regulators.

The comprehensive plan focuses on improving current data collection, regulatory compliance, operational knowledge management / transfer, and management practices at the PRWRF, combined with selective capital improvements to existing PRWRF facilities. This comprehensive plan can be broken down into the following nine (10) steps:

1. Provide sampling and regulatory support to ensure compliance with existing permits.

2. Support the City's external communications and regularly establish weekly updates to improve communication and restore trust with Regulators.

3. Build a comprehensive base of knowledge & management tools / decision trees to guide PRWRF staff in day-to-day operations and management of the facility.

4. Improve PRWRF laboratory practices, data management, workflows, and communications for all testing performed to ensure regulatory compliance and/or support treatment operations.

5. Provide an inventory of all PRWRF instrumentation, calibration practices, data flows, and uses of information currently collected, and rectify gaps to improve process monitoring and control.

6. Develop a model for treatment operations using open-source software that integrates information available from lab test results and real-time supervisory control and data acquisition (SCADA) data.

7. Develop continuous modeling results incorporated into an advanced SCADA interface at the PRWRF to simulate and help optimize treatment plant operations and management.

8. Develop tools for simulation, testing, and operation of proposed changes to plant operations and enable remote operational support for emergency conditions.

9. Short-term treatment plant improvement projects. Examples of these limited scope projects include installing a new mechanical bar screen the already procured by the City, restoring two (2) former traveling bridge filter systems to working condition, or portable container-based sand filtration equipment and related pumping capability.

10. Additional support to complete the items above including process engineering alternatives development and review, project management and scheduling support, construction related support and services, training support, and related items or equipment.

Below is a list of the contractors that to date have provided a proposal/scope of work, the amount of the prospective contract, and the term of the prospective contract that, once authorized, will be negotiated, and executed as quickly as possible.

A. Name of Contractor: AquaSight
Amount of prospective contract: $350,000.00
Term of prospective contract: Three years

B. Name of Contractor: Great Western Electrical
Amount of prospective contract: $155,690.08
Term of prospective contract: One year

C. Name of Contractor: Carollo Engineers, Inc.
Amount of prospective contract: $80,000.00
Term of prospective contract: One year

D. Name of Contractor: ITSQUEST Staffing
Amount of prospective contract: $264,463.70
Term of prospective contract: One year and two months

E. Name of Contractor: Hazen and Sawyer
Amount of prospective contract: $2,718,000.00
Term of prospective contract: 2.5 years

F. Name of Contractor: A.A.C. Construction, LLC
Amount of prospective contract: $2,465,837.04
Term of prospective contract: Two Years

G. Name of Contractor: Molzen Corbin
Amount of prospective contract: $180,000.00
Term of prospective contract: Two Years

H. Name of Contractor: Rain for Rent (Western Oilfields Supply Co.)
Address of Contractor: 2495 Lakeside Drive, Las Cruces, NM 88007
Amount of prospective contract: $903,214.87
Term of prospective contract: Three Years

The current total prospective contract amount is **$7,117,205.69.** Contract attached for signature is Western Oilfields Supply Co. dba Rain for Rent.

The total budget amount requested is **$8,000,000**. Due to the critical nature of the funding and schedule for completion of the project, the Public Utilities Department requests authorization to the City Manager to negotiate and execute all necessary contracts and purchase orders to expedite project initiation. Once a contract is executed, the results will be reported to the Governing Body.

ACTION REQUESTED:

Request Approval of the of contracts with Western Oilfields Supply Co. dba Rain for Rent in the amount of $903,214.87.

CITY OF SANTA FE PROCUREMENT CHECKLIST

Contractor Name: Rain for Rent (Western Oilfields Supply Co.)

Procurement/contract Title: Paseo Real Water Reclamation Facility

Procurement Method/Vehicle: ☐Sole Source ☐State Price Agreement/Existing ☐ Cooperative ☐Request For Proposals(RFP) ☐Invitation To Bid (ITB) ☐Exempt: 13-1-98

☐Small Purchase (Contract Under $60,000) ☒Other: Emergency Procurement

Requesting Department: PUD/WWMD Staff Name: Michael Dozier

Procurement Requirements:

Procurement files shall be maintained for all purchases and contracts, regardless of the method of procurement. The procurement files shall contain the basis on which the awards are made, all submitted bids/proposals, all evaluation materials (bid tabs or Evaluation Committee Reports), scoresheets, quotations, and all other documentation related to or prepared in conjunction with evaluations, negotiations, and the award processes. The procurements shall contain written determinations from the Requesting Departments, signed by the Chief Procurement Officers (this document), setting forth the reasoning for the contract award decisions before submitting them to the Committees.

CITY OF SANTA FE
GENERAL SERVICES CONTRACT

Rental Equipment

THIS CONTRACT is made and entered into by and between the City of Santa Fe, herein after referred to as the "City," and **Western Oilfields Supply Company dba Rain for Rent herein** after referred to as the "Contractor."

RECITALS

WHEREAS, the Chief Procurement Officer of the City has made the determination that this Agreement is in accordance with the provisions of the New Mexico Procurement Code (NMSA 1978, 13-1-28 et seq.) pursuant to NMSA 1978, section 13-1-127 and

The City and the Contractor hereby agree as follows:

IT IS MUTUALLY AGREED BETWEEN THE PARTIES:

1. **Definitions**

A. "Products and Services Schedule" refers to the complete list of products and services offered under this Contract and the price for each. Product and service descriptions may be amended with the prior approval of the Contract Administrator. New products and services shall not be added to the Products and Services Schedule.

B. "Business Hours" means 8:00 a.m. to 5:00 p.m. Mountain Time.

2. **Scope of Work**

A. The Contractor shall perform the following work:

The Contractor shall perform all the work required by this contract and any amendments thereof to build upon the improvements initiated in April 2024. The emergency procurement, this request for authorization, and accompanying Budget Adjustment Request (BAR) respond to the requirement that the City eliminate violations identified by the EPA and NMED within the shortest possible time. These actions, included as part of a comprehensive plan, will demonstrate our commitment to complete this project within the shortest possible time in the most efficient way possible.

The comprehensive plan focuses on improving current data collection, regulatory compliance, operational knowledge management / transfer, and management practices at the Paseo Real Water Reclamation Facility (PRWRF), combined with selective capital improvements to existing PRWRF facilities.

This comprehensive plan can be broken down into the following ten (10) steps:

1. Provide sampling and regulatory support to ensure compliance with existing permits.
2. Support the City's external communications and regularly established weekly updates to improve communication with Regulators.
3. Build a comprehensive base of knowledge & management tools / decision trees to guide PRWRF staff in day-to-day operations and management of the facility.
4. Improve PRWRF laboratory practices, data management, workflow, and communications for all testing performed to ensure regulatory compliance and/or support treatment operations.
5. Provide an inventory of all PRWRF instrumentation, calibration practices, data flows, and uses of information currently collected, and rectify gaps to improve process monitoring and control.
6. Develop a model for treatment operations using open-source software that integrates information available from lab test results and real-time supervisory control and data acquisition (SCADA) data.
7. Develop continuous modeling results incorporated into an advanced SCADA interface at the PRWRF to simulate and help optimize treatment plant operations and management.
8. Develop tools for simulation, testing, and operation of proposed changes to plant operations and enable remote operational support for emergency conditions.
9. Short-term treatment plant improvement projects. Examples of these limited scope projects include installing a new mechanical bar screen the already procured by the City, restoring two (2) former traveling bridge filter systems to working condition, or portable container-based sand filtration equipment and related pumping capability.
10. Additional support to complete the items above including process engineering alternatives development and review, project management and scheduling support, construction related support and services, training support, and related items or equipment, as described in the Contract Documents.

The Contractor's scope of work includes support for plan item #9 above by providing pump and filtration equipment for max flows of 5mgd at final clarification.

See quotation 1101-IND-2119008 attached and incorporated as Attachment A for details.

3. Compensation

The City shall pay to the Contractor based upon fixed prices for each Deliverable item as listed here:

PROJECT COSTS
Estimated Rental Total $21,159.93
Estimated Environmental Recovery Fees $687.70
Total Estimated Recurring Charges $21,847.63

Estimated yearly rental cost: $284,799.46

PROJECT COSTS
Estimated Sale Total $9,479.40

SERVICES
Estimated Delivery $14,818.04
Estimated Installation $13,883.00
Estimated Removal $8,018.00
Estimated Pickup $2,618.04

Rental Protection Plan (per rental cycle) $3,174.00

One rental cycle is 28 days. The total compensation under this Contract shall not exceed one million dollars ($1,000,000.00) including New Mexico gross receipts tax. The City agrees to pay applicable gross receipts tax which shall be listed on Contractor's invoice as a separate line item.

4. **Payment Provisions**

All payments under this Contract are subject to the following provisions.

A. Acceptance - In accordance with NMSA 1978, Section 13-1-158 the City shall determine if the product or services provided meet specifications. Until the products or services have been accepted in writing by the City, the City shall not pay for any products or services. Unless otherwise agreed upon between the City and the Contractor, within thirty (30) days from the date the City receives written notice from the Contractor that payment is requested for services or within thirty (30) days from the receipt of products, the City shall issue a written certification (by letter or email) of complete or partial acceptance or rejection of the products or services. Unless the City gives notice of rejection within the specified period, the products or services will be deemed to have been accepted.

B. Payment of Invoice - Upon acceptance that the products or services have been received and accepted, payment shall be tendered to the Contractor within thirty (30) days after the date of certification. After the thirtieth day from the date that written certification of acceptance is issued, late payment charges shall be paid on the unpaid balance due on the contract to the Contractor at the rate of 1.5 % per month. Contractor may submit invoices for payment no more frequently than monthly. Payment will be made to the Contractor's designated mailing address. Payment on each invoice shall be due within 30 days from the date of the acceptance of the invoice. The City agrees to pay in full the balance shown on each account's statement, by the due date shown on said statement.

5. Term

THIS CONTRACT SHALL NOT BECOME EFFECTIVE UNTIL APPROVED IN WRITING BY THE CITY. This contract shall terminate **three (3) years from date of final signature.** The City reserves the right to renew this contract on an annual basis by mutual agreement not to exceed a total of ten (10) years in accordance with NMSA 1978, Sections 13-1-150 through 152. If the term extends beyond the initial three year duration, the prices may be adjusted upward or downward in an amount that is mutually agreed upon in writing by the City and Contractor and is reflective of then current market conditions, subject to the availability of appropriations.

6. Default and Force Majeure

The City reserves the right to cancel all, or any part of any orders placed under this contract without cost to the City, if the Contractor fails to meet the provisions of this contract and, except as otherwise provided herein, to hold the Contractor liable for any excess cost occasioned by the City due to the Contractor's default. The Contractor shall not be liable for any excess costs if failure to perform the order arises out of causes beyond the control and without the fault or negligence of the Contractor; such causes include, but are not restricted to, acts of God or the public enemy, acts of the State or Federal Government, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, unusually severe weather and defaults of sub-contractors due to any of the above, unless the City shall determine that the supplies or services to be furnished by the sub-contractor were obtainable from other sources in sufficient time to permit the Contractor to meet the required delivery scheduled. The rights and remedies of the City provided in this paragraph shall not be exclusive and are in addition to any other rights now being provided by law or under this contract. Payment obligations for either party are not affected by force majeure events.

7. Termination

A. Grounds. The City may terminate this Contract for convenience or cause. For contracts within their authority, the City Manager or their designee is authorized to provide the notice of termination, otherwise such notice of termination shall be provided by the Mayor, or their designee as authorized by the Governing Body. The Contractor may only terminate this Contract based upon the City's uncured, material breach of this Contract.

B. Notice: City Opportunity to Cure.

1) Except as otherwise provided in Paragraphs 7.A and 17, the City shall give the Contractor written notice of termination at least thirty (30) days prior to the intended date of termination.

2) Contractor shall give City written notice of termination at least thirty (30) days prior to the intended date of termination, which notice shall (i) identify all the City's material breaches of this Contract upon which the termination is based and (ii) state what the City must do to cure such material breaches. Contractor's notice of termination shall only be effective (i) if the City does not cure all material breaches within the thirty (30) day notice period or (ii) in the case of material breaches that cannot be cured within thirty (30) days, the City does not, within the thirty (30) day notice period, notify the Contractor of its intent to cure and begin with due diligence to cure the material breach.

3) Notwithstanding the foregoing, this Contract may be terminated immediately upon written notice to the Contractor (i) if the Contractor becomes unable to perform the services contracted for, as determined by the City; (ii) if, during the term of this Contract, the Contractor is suspended or debarred by the City; or (iii) the Contract is terminated pursuant to Paragraph 17, "Appropriations", of this Contract.

C. Liability. Except as otherwise expressly allowed or provided under this Contract, the City's sole liability upon termination shall be to pay for acceptable work performed, including removal labor and pick up hauling charges, prior to the Contractor's receipt or issuance of a notice of termination; provided, however, that a notice of termination shall not nullify or otherwise affect either party's liability for pre-termination defaults under or breaches of this Contract. The Contractor shall submit an invoice for such work within thirty (30) days of receiving or sending the notice of termination. *THIS PROVISION IS NOT EXCLUSIVE AND DOES NOT WAIVE THE CITY'S OTHER LEGAL RIGHTS AND REMEDIES CAUSED BY THE CONTRACTOR'S DEFAULT/BREACH OF THIS CONTRACT.*

8. Amendment

A. This Contract shall not be altered, changed, or amended except by instrument in writing executed by the parties hereto and all other required signatories.

B. If the City proposes an amendment to the Contract to unilaterally reduce funding due to budget or other considerations, the Contractor shall, within thirty (30) days of receipt of the proposed Amendment, have the option to terminate the Contract, pursuant to the termination provisions as set forth in Paragraph 7 herein, or to agree to the reduced funding.

9. Status of Contractor

The Contractor, and Contractor's agents and employees, are independent Contractors for the City and are not employees of the City. The Contractor, and Contractor's agents and employees, shall not accrue leave, retirement, insurance, bonding, use of City vehicles, or any other benefits afforded to employees of the City because of this Contract. The Contractor acknowledges that all sums received hereunder are personally reportable by the Contractor for income tax purposes, including without limitation, self-employment tax and business income tax. The Contractor agrees not to purport to bind the City unless the Contractor has written authority to do so, and then only within the strict limits of that authority.

10. Assignment

The Contractor shall not assign or transfer any interest in this Contract or assign any claims for money due or to become due under this Contract without the prior written approval of the City.

11. Subcontracting

The Contractor shall not subcontract any portion of the services to be performed under this Contract without the prior written approval of the City. No such subcontract shall relieve the primary Contractor from its obligations and liabilities under this Contract, nor

shall any subcontract obligate direct payment from the City.

12. Non-Collusion

In signing this Contract, the Contractor certifies the Contractor has not, either directly or indirectly, entered into action in restraint of free competitive bidding in connection with this offer submitted to the City.

13. Inspection of Plant

The City may inspect, at any reasonable time during Contractor's regular business hours and upon prior written notice, the Contractor's plant or place of business, or any subcontractor's plant or place of business, which is related to the performance of this contract.

14. Commercial Warranty

The Contractor agrees that the tangible personal property or services furnished under this Contract shall be covered by the most favorable commercial warranties the Contractor gives to any customer for such tangible personal property or services, and that the rights and remedies provided herein shall extend to the City and are in addition to and do not limit any rights afforded to the City by any other clause of this order. The contractor agrees not to disclaim warranties of fitness for a particular purpose or merchantability. Notwithstanding the foregoing, warranty on rental equipment and related services is only valid during the rental period. Warranty on new sales items will be per the manufacturer's warranty.

15. Condition of Proposed Items

Where tangible personal property is a part of this Contract, all proposed items are to be NEW (rental equipment will not be new), unless otherwise specified.

16. Records and Audit

During the term of this Contract and for three years thereafter, the Contractor shall maintain detailed records pertaining to the services rendered and products delivered. These records shall be subject to inspection by the City, the State Auditor and other appropriate state and federal authorities. The City shall have the right to audit billings both before and after payment. Payment under this Contract shall not foreclose the right of the City to recover excessive or illegal payments.

17. Appropriations

The terms of this Contract, and any orders placed under it, are contingent upon sufficient appropriations and authorization being made by the Governing Body for the performance of this Contract. If sufficient appropriations and authorization are not made by the legislature, this Contract, and any orders placed under it, shall terminate upon written notice being given by the City to the Contractor. The City's decision as to whether sufficient appropriations are available shall be accepted by the Contractor and shall be final. If the City proposes an amendment to the Contract to unilaterally reduce funding, the Contractor shall have the option to terminate the Contract or to agree to the reduced funding, within thirty (30) days of receipt of the proposed amendment.

18. Release

The Contractor, upon final payment of the amount due under this Contract, releases the City, its officers, and employees, from all liabilities, claims and obligations whatsoever arising from or under this Contract. The Contractor agrees not to purport to bind the City, unless the Contractor has express written authority to do so, and then only within the strict limits of that authority.

19. Confidentiality

Any confidential information provided to or developed by the Contractor in the performance of this Contract shall be kept confidential and shall not be made available to any individual or organization by the Contractor without prior written approval by the City.

20. Conflict of Interest

A. The Contractor represents and warrants that it presently has no interest and, during the term of this Contract, shall not acquire any interest, direct or indirect, which would conflict in any manner or degree with the performance or services required under the Contract. The Contractor shall comply with any applicable provisions of the New Mexico Governmental Conduct Act and the New Mexico Financial Disclosures Act.

B. The Contractor further represents and warrants that it has complied with, and, during the term of this Contract, will continue to comply with, and that this Contract complies with all applicable provisions of the Governmental Conduct Act, Chapter 10, Article 16 NMSA 1978.

C. Contractor's representations and warranties in Paragraphs A and B of this Paragraph are material representations of fact upon which the City relied when this Contract was entered into by the parties. Contractor shall provide immediate written notice to the City if, at any time during the term of this Contract, Contractor learns that Contractor's representations and warranties in Paragraphs A and B of this Paragraph 20 were erroneous on the effective date of this Contract or have become erroneous by reason of new or changed circumstances. If it is later determined that Contractor's representations and warranties in Paragraphs A and B of this Paragraph 20 were erroneous on the effective date of this Contract or have become erroneous by reason of new or changed circumstances, in addition to other remedies available to the City and notwithstanding anything in the Contract to the contrary, the City may immediately terminate the Contract.

D. All terms defined in the Governmental Conduct Act have the same meaning in this section.

21. Approval of Contractor Representative(s)

The City reserves the right to require a change in Contractor representative(s) if the assigned representative(s) are not, in the opinion of the City, adequately serving the needs of the City.

22. Scope of Contract; Merger

This Contract incorporates all the Agreements, covenants and understandings between the parties hereto concerning the subject matter hereof, and all such covenants, agreements, and understandings

have been merged into this written contract. In the event of a conflict between this contract and any quote or exhibit, this Contract will control.

23. Notice

The Procurement Code, NMSA 1978, Sections 13-1-28 through 13-1-199, imposes civil and criminal penalties for its violation. In addition, the New Mexico criminal statutes impose felony penalties for bribes, gratuities, and kickbacks.

24. Equal Opportunity Compliance

The Contractor agrees to abide by all federal and state laws, and local Ordinances, pertaining to equal employment opportunity. In accordance with all such laws, rules, and regulations, the Contractor agrees to assure that no person in the United States shall on the grounds of race, religion, color, national origin, ancestry, sex, age, physical or mental handicap, or serious medical condition, spousal affiliation, sexual orientation or gender identity, be excluded from employment with or participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity performed under this Contract. If Contractor is found not to be in compliance with these requirements during the life of this Contract, Contractor agrees to take appropriate steps to correct these deficiencies.

25. Indemnification

The Contractor shall hold the City and its employees harmless and shall indemnify the City and its employees against any and all claims, suits, actions, liabilities and costs of any kind, including attorney's fees for personal injury or damage to property arising from the acts or omissions of the Contractor, its agents, officers, employees or subcontractors arising out of or otherwise resulting from this Contract. The Contractor shall not be liable for any injury or damage as a result of any grossly negligent act, willful misconduct or omission committed by the City, its officers or employees. The City shall be responsible for any loss or damage to Contractor's rental equipment, excluding normal wear and tear, and excluding loss or damage caused by Contractor.

26. New Mexico Tort Claims Act

Any liability incurred by the City of Santa Fe in connection with this Contract is subject to the immunities and limitations of the New Mexico Tort Claims Act, Section 41-4-1, et. seq. NMSA 1978, as amended. The City and its "public employees" as defined in the New Mexico Tort Claims Act, do not waive sovereign immunity, do not waive any defense and do not waive any limitation of liability pursuant to law. No provision in this Contract modifies or waives any provision of the New Mexico Tort Claims Act.

27. Applicable Law

The laws of the State of New Mexico shall govern this Contract, without giving effect to its choice of law provisions. Venue shall be proper only in a New Mexico court of competent jurisdiction in accordance with NMSA 1978, Section 38-3-2. By execution of this Contract, Contractor acknowledges and agrees to the jurisdiction of the courts of the State of New Mexico over any and all lawsuits arising under or out of any term of this Contract.

28. Limitation of Liability

The Contractor's liability to the City, for any cause whatsoever shall be limited to the purchase price paid to the Contractor for the products and services that are the subject of the City's, claim. The foregoing limitation does not apply to paragraph 25 of this Contract or to damages resulting from personal injury caused by the Contractor's negligence.

29. Incorporation by Reference and Precedence

If this Contract has been procured pursuant to a request for proposals, this Contract is derived from (1) the request for proposal, (including any written clarifications to the request for proposals and any City response to questions); (2) the Contractor's best and final offer; and (3) the Contractor's response to the request for proposals.

In the event of a dispute under this Contract, applicable documents will be referred to for the purpose of clarification or for additional detail in the following order of precedence: (1) amendments to the Contract in reverse chronological order; (2) the Contract, including the scope of work and all terms and conditions thereof; (3) the request for proposals, including attachments thereto and written responses to questions and written clarifications; (4) the Contractor's best and final offer if such has been made and accepted by the City; and (5) the Contractor's response to the request for proposals.

30. Workers' Compensation

The Contractor agrees to comply with state laws and rules applicable to workers' compensation benefits for its employees. If the Contractor fails to comply with the Workers' Compensation Act and applicable rules when required to do so, this Contract may be terminated by the City.

31. Inspection

If this Contract is for the purchase of tangible personal property (goods), final inspection and acceptance shall be made at Destination. Tangible personal property rejected at Destination for non-conformance to specifications shall be removed at Contractor's risk and expense promptly after notice of rejection and shall not be allowable as billable items for payment.

32. Inspection of Services

If this Contract is for the purchase of services, the following terms shall apply.

E. Services, as used in this Article, include services performed, workmanship, and material furnished or utilized in the performance of services.

F. The Contractor shall provide and maintain an inspection system acceptable to the City covering the services under this Contract. Complete records of all inspection work performed by the Contractor shall be maintained and made available to the City and for as long thereafter as the Contract requires. The City has the right to inspect and test all services contemplated under this Contract to the extent practicable at all times and places during the term of the Contract. The City shall perform inspections and tests in a manner that will not unduly delay or interfere with Contractor's performance.

G. If the City performs inspections or tests on the premises of the Contractor or a subcontractor, the Contractor shall furnish, and shall require subcontractors to furnish, at no increase in

contract price, all reasonable facilities and assistance for the safe and convenient performance of such inspections or tests.

H. If any part of the services do not conform with the requirements of this Contract, the City may require the Contractor to re-perform the services in conformity with the requirements of this Contract at no increase in contract amount. When the defects in services cannot be corrected by re-performance, the City may:

(1) require the Contractor to take necessary action(s) to ensure that future performance conforms to the requirements of this Contract; and

(2) reduce the contract price to reflect the reduced value of the services performed.

I. If the Contractor fails to promptly re-perform the services or to take the necessary action(s) to ensure future performance in conformity with the requirements of this Contract, the City may:

(1) by contract or otherwise, perform the services and charge to the Contractor any cost incurred by the City that is directly related to the performance of such service; or

(2) terminate the contract for default.

33. Insurance

If the services contemplated under this Contract will be performed on or in City facilities or property, Contractor shall maintain in force during the entire term of this Contract, the following insurance coverage(s), naming the City as additional insured.

J. **Commercial General Liability** insurance shall be written on an occurrence basis and be a broad as ISO Form CG 00 01 with limits not less than $2,000,000 per occurrence and $2,000,000 in the aggregate for claims against bodily injury, personal and advertising injury, and property damage. Said policy shall include broad form Contractual Liability coverage and be endorsed to name the City of Santa Fe their officials, officers, employees, and agents as additional insureds.

K. **Business Automobile Liability** insurance for all owned, non-owned automobiles, with a combined single limit not less than $1,000,000 per accident.

L. **Broader Coverage and Limits**. The insurance requirements under this Contract shall be the greater of (1) the minimum coverage and limits specified in this Contract, or (2) the broader coverage and maximum limits of coverage of any insurance policy or proceeds available to the Named Insured. It is agreed that these insurance requirements shall not in any way act to reduce coverage that is broader or that includes higher limits than the minimums required herein. No representation is made that the minimum insurance requirements of this Contract are sufficient to cover the obligations of Contractor hereunder.

M. Contractor shall maintain the above insurance for the term of this Contract and name the City as an additional insured and provide for 30 days cancellation notice on any Certificate of Insurance form furnished by Contractor. Such certificate shall also specifically state the coverage provided under the policy is primary over any other valid and collectible insurance and provide a waiver of subrogation.

34. Impracticality of Performance

A party shall be excused from performance under this Contract for any period that the party is prevented from performing as a result of an act of God, strike, war, civil disturbance, epidemic, or court order, provided that the party has prudently and promptly acted to take any and all steps that are within

the party's control to ensure performance. Subject to this provision, such non-performance shall not be deemed a default or a ground for termination.

35. Invalid Term or Condition

If any term or condition of this Contract shall be held invalid or unenforceable, the remainder of this Contract shall not be affected and shall be valid and enforceable.

36. Enforcement of Contract

A party's failure to require strict performance of any provision of this Contract shall not waive or diminish that party's right thereafter to demand strict compliance with that or any other provision. No waiver by a party of any of its rights under this Contract shall be effective unless express and in writing, and no effective waiver by a party of any of its rights shall be effective to waive any other rights.

37. Patent, Copyright and Trade Secret Indemnification

N. The Contractor shall defend, at its own expense, the City against any claim that any product or service provided under this Contract infringes any patent, copyright to trademark in the United States or Puerto Rico, and shall pay all costs, damages and attorneys' fees that a court finally awards as a result of any such claim. In addition, if any third party obtains a judgment against the City based upon Contractor's trade secret infringement relating to any product or services provided under this Contract, the Contractor agrees to reimburse the City for all costs, attorneys' fees and amount of the judgment. To qualify for such defense and or payment, the City shall:

1) give the Contractor prompt written notice within 48 hours of any claim;
2) allow the Contractor to control the defense of settlement of the claim; and
3) cooperate with the Contractor in a reasonable way to facilitate the defense or settlement of the claim.

O. If any product or service becomes, or in the Contractor's opinion is likely to become the subject of a claim of infringement, the Contractor shall at its option and expense:

1) provide the City the right to continue using the product or service and fully indemnify the City against all claims that may arise out of the City's use of the product or service;
2) replace or modify the product or service so that it becomes non-infringing; or,
3) accept the return of the product or service and refund an amount equal to the value of the returned product or service, less the unpaid portion of the purchase price and any other amounts, which are due to the Contractor. The Contractor's obligation will be void as to any product or service modified by the City to the extent such modification is the cause of the claim.

38. Survival

The Contract paragraphs titled "Patent, Copyright, Trademark, and Trade Secret Indemnification; Indemnification; and Limit of Liability" shall survive the expiration of this Contract. Software licenses, leases, maintenance and any other unexpired Agreements that were entered into under the terms and conditions of this Contract shall survive this Contract.

39. Disclosure Regarding Responsibility

A. Any prospective Contractor and any of its Principals who enter into a contract greater than sixty thousand dollars ($60,000.00) with any City for professional services, tangible personal property, services or construction agrees to disclose whether the Contractor, or any principal of the Contractor's company is presently debarred, suspended, proposed for debarment, or declared ineligible for award of contract by any federal entity, state agency or local public body.

B. Principal, for the purpose of this disclosure, means an officer, director, owner, partner, or a person having primary management or supervisory responsibilities within a business entity or related entities.

C. The Contractor shall provide immediate written notice to the City if, at any time during the term of this Contract, the Contractor learns that the Contractor's disclosure was at any time erroneous or became erroneous by reason of changed circumstances.

D. A disclosure that any of the items in this requirement exist will not necessarily result in termination of this Contract. However, the disclosure will be considered in the determination of the Contractor's responsibility and ability to perform under this Contract. Failure of the Contractor to furnish a disclosure or provide additional information as requested will be grounds for immediate termination of this Contract pursuant to the conditions set forth in Paragraph 7 of this Contract.

E. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render, in good faith, the disclosure required by this document. The knowledge and information of a Contractor is not required to exceed that which is the normally possessed by a prudent person in the ordinary course of business dealings.

F. The disclosure requirement provided is a material representation of fact upon which reliance was placed when making an award and is a continuing material representation of the facts during the term of this Contract. If during the performance of the contract, the Contractor is indicted for or otherwise criminally or civilly charged by any government entity (federal, state or local) with commission of any offenses named in this document the Contractor must provide immediate written notice to the City. If it is later determined that the Contractor knowingly rendered an erroneous disclosure, in addition to other remedies available to the Government, the City may terminate the involved contract for cause. Still further the City may suspend or debar the Contractor from eligibility for future solicitations until such time as the matter is resolved to the satisfaction of the City.

40. Suspension, Delay or Interruption of Work

The City may, without cause, order the Contractor, in writing, to suspend, delay or interrupt the work in whole or in part for such period of time as the City may determine. The contract sum and contract time shall be adjusted for increases in cost and/or time associated with Contractor's compliance therewith. Upon receipt of such notice, Contractor shall leave the jobsite and any equipment in a safe condition prior to departing. Contractor must assert rights to additional compensation within thirty (30) days after suspension of work is lifted and return to work is authorized. Any compensation requested for which entitlement is granted and the contract sum adjusted, shall have profit included (for work completed) and for cost only (not profit) for Contractor costs incurred directly tied to the suspension itself and not otherwise covered by Contract remedy. Any change in Total Compensation must be reflected in an Amendment executed pursuant to Section 8 of this Contract. In

event such suspension, delay or interruption of work goes beyond a twelve month duration, the price may be adjusted upward or downward in an amount that is mutually agreed in writing upon by the City and Contractor and is reflective of then current market conditions.

41. Notification

Either party may give written notice to the other party in accordance with the terms of this Paragraph. Any written notice required or permitted to be given hereunder shall be deemed to have been given on the date of delivery if delivered by personal service or hand delivery or three (3) business days after being mailed.

Project Description and Overview

PROJECT DESCRIPTION

Quoted as 28day cycle rental

Does not include applicable sales tax or services

PROJECT OVERVIEW

Provide pump and filtration equipment for max flows of 5mgd at final clarification.

STATEMENT OF WORK

RFR Responsibilities & Scope of Work

Rain for Rent (RFR) will provide the following: Provide pump and filtration equipment for max flows of 5mgd at final clarification. (2) 60-4SK, (1) 48-4SK, DV200E pump, HDPE pipe and misc fittings.
Delivery, installation, removal, pickup of all quoted materials/equipment

Due to the multitude of economic factors, materials, labor, hauling and freight are currently in a period of above average volatility. If, during the performance of work, the price of materials, labor, hauling or freight increases by 5% or greater through no fault of Rain for Rent, the contract price shall be equitably adjusted by an amount reasonably necessary to cover any such price increases. Equipment subject to availability at time of project.

Reference Materials

Project is quoted based on applicable/customer provided reference materials noted below:
Job Walk(s) 3-13-2023

Operating Parameters

System includes: Sand Media
System is designed to operate at a flow rate of 5mgd peak @ 80tdh
The water source location will be clarifor and discharging at location after clarifor. .

Customer Responsibilities

It is the customer's responsibility to inform RFR about prevailing wage at time of proposal. If RFR is informed after the quote is issued that certified payroll is required, quote will be subject to additional charges.

Jobsite:
Customer is responsible for:
1. Informing RFR of any jobsite or general requirement(s) to perform work on location.
2. Securing permits, fees, bonding, right of ways, vehicular/pedestrian traffic control, and security.
3. Providing safe, secure access and egress to an adequate staging area throughout the job which could include brush clearing, grading, and removal or replacement of any landscape or hardscape in the temporary right of way for the equipment.
4. Any damage to the environment including trees, vegetation, stream banks, or any other part of the site caused by the installation, removal, construction, pulling or dragging of equipment, or operation of the equipment that would require site restoration or environmental countermeasures.

Proposal Number 1101-IND-2119008 Confidentiality Notice: This proposal and any associated document(s) are privileged and confidential and are intended for the sole use of the addressee(s). They cannot be used, circulated, duplicated, quoted, or otherwise referred to or disclosed to third parties for any reason without the written consent of an Officer of Western Oilfields Supply Company dba/Rain for Rent. If you have received this information in error, please immediately contact us at info@rainforrent.com.

5. Any excavation, saw cutting, trench plating for the purpose of road crossings, backfilling, restoration, modification, or alteration of any permanent structure or site element including changes to pump pad preparation, suction, or discharge chambers during duration of job (including installation and removal).

System:

1. Customer will provide dedicated equipment with operator and fuel to perform all needed unloading, testing, operations, maintenance, relocating, cleaning, and reloading of provided equipment/system. Equipment must be capable of lifting 9000 Lbs.
2. If installation provided by RFR and Customer is operating system, this Transfer of Operation form will need to be reviewed and signed by both parties upon completion of setup. (sample form only): **https://rainforrentcorp.box.com/v/systemtransferoperation**
3. Customer will provide fueling.
4. Customer will provide preventative maintenance as recommended by manufacturer or per the Rental Agreement. **https://rainforrentcorp.box.com/v/pumpmaintenance**
5. Customer will supply all needed water for the commissioning, startup, and system testing. Project specific criteria for hydrotesting can be provided at an additional charge.
6. By accepting this quotation, the customer has acknowledged that the equipment proposed herein is suitable for its intended application and accepts all liabilities associated with its use. Customer is responsible for compliance with appropriate liquid/material quality standards, regulations, and testing protocols to meet all federal, state, local and job location specific requirements. Customer is responsible for all waste materials associated with this equipment/system.
7. RFR recommends a small-scale trial run of this product application to ensure system effectiveness. RFR does not warranty the water quality or degree of filtration. At customer request, RFR can perform a Total Suspended Solids (TSS) bench test to better select the appropriate media for optimized filtration effectiveness. Customer will be responsible for the cost of all media.
8. The customer will be designated as the generator for all liquid/solids processed with the use of RFR equipment. All used filtration media, such as carbon, sand, cartridges, bags, coalescing packs, etc. becomes the property of customer and is the responsibility of customer for proper disposal.
9. To activate carbon, customer will need to pre-soak for 24 hours.
10. RFR has not included the cost of the removal and regeneration for non-hazardous carbon. Customer is responsible for TCLP sample for TCLP VOC's, TCLP SVOC's, TCLP RCRA 8, pH. **https://rainforrentcorp.box.com/v/carbongenerator** If the carbon is deemed hazardous and cannot be regenerated, customer is responsible for additional disposal costs and/or final disposal. No media or materials will leave the site unless the TCLP RCRA 8 has been received and deemed non-hazardous unless otherwise noted.
11. RFR equipment/vessels will be taken off rent when the required testing has been submitted and accepted by RFR/Source Carbon Supplier for recycling and or disposal. Vessels cannot be removed until we receive and accept the testing that indicates the carbon is deemed NON-HAZARDOUS. At that time, the equipment will be taken off rent and be scheduled for pick-up from the site. Should the carbon be deemed HAZARDOUS the customer will be responsible to pay a third party for the chain of custody, transportation, and disposal of this material.
12. Additional cleaning and/or inspections may be required if tested material is deemed anything besides non-hazardous.

Customer is responsible for:

1. Any work in confined spaces.
2. Protecting system from damage including any freeze protection necessary to safeguard equipment from damage. Should equipment become frozen and damaged, customer is responsible for repair of equipment. RFR can provide necessary freeze protection at an additional charge per executed change order. Equipment stays on rent until it can be returned.
3. Using equipment in a safe and proper manner in accordance with manufacturers' recommendations, regulatory standards, and industry best practices. Improper usage may cause equipment/system failure, damage, possible incidents, injuries, and spills.

Upon Pickup:

Contact the RFR office at 575-524-0879 to schedule pickup when equipment/system is cleaned and ready to be released.
Flushing and cleaning of equipment must be performed to RFR's standards prior to being called off rent. RFR personnel will perform a visual inspection. It is recommended to have a customer representative on-site during inspection. Equipment found not to be in "delivered condition" will not be picked up. e picked up.

Project Scheduling & Billing

This quote is valid for 30 days. For the quoted items, RFR requires a signed quote not less than 14 days prior to delivery.

Estimated schedule durations:
Mobilization: 2 days
Installation: 3 days
Operation: TBD
Removal: 2 days
Demobilization: 1 day
System Rental Duration: 1 year or more

Customer acknowledges that availability of equipment/system and/or media will be confirmed at time of order. Additional freight charges may

Quote Agreement

If Customer has entered into a Master Service Agreement with Rain for Rent and there is a conflict between these terms and conditions of this Quotation Agreement and the Customer's Master Service Agreement, then the terms and conditions in the Customer's Master Service Agreement signed by Rain for Rent will prevail. Availability of products and services is subject to change without notice. Payment terms are net 30 days from invoice date. Interest at the rate of 18% per year shall be charged on any past due invoice. A Fuel Surcharge will be calculated and invoiced based on the diesel fuel price as published by the Department of Energy on https://www.eia.gov/petroleum/gasdiesel An Environmental Recovery Fee shall apply to all rental charges invoiced for the duration of the rental pursuant to this quote/Estimate to help offset direct and indirect costs associated with regulatory compliance, obtaining permits, and obtaining licenses. California Air Quality Fee will be added to the cost of diesel pumps used in California only. This is a State mandated fee. Customer is prohibited from deducting retention from Rain for Rent invoices and charging Rain for Rent liquidated damages. Customer is responsible for flushing and cleaning tanks, roll off boxes, pipelines, pumps, filters and other Rain for Rent equipment prior to return unless specifically agreed to by both parties in writing. The Terms and Conditions of the Rain For Rent Rental and Hazardous Material and/or Non-Hazardous Waste Agreement, Credit Application/Master Rental & Sales Agreement, Invoice and this Quotation (also known as the Rain for Rent Rental/Sale Estimate as may be referenced in any Master Service Agreement, Blanket Purchase Order, or any other contractual document executed between the parties) contain the complete and final agreement between Rain for Rent and Customer and no other agreement in any way modifying or adding to any of said Terms and Conditions will be binding upon Rain for Rent unless made in writing and signed by a Rain for Rent Corporate Officer or Rain for Rent authorized representative. The Customer cannot alter the equipment without Rain for Rent's prior written approval. Customer is responsible for equipment, repairs, maintenance and damage, excluding normal wear and tear or damage caused by Rain for Rent. Rain for Rent will service all engine driven equipment at 400 hours of runtime or as required by manufacturer specifications, if less than 400 hours. Labor will be billed on a time and materials basis, portal to portal from nearest Rain for Rent location. Prorated billing will occur if rental is returned prior to 400 hours. All returned equipment is subject to inspection by Rain for Rent personnel. Damages and accrued rent will be invoiced to Customer while equipment is out of service for repairs. The Customer is responsible for damage caused by reactive, corrosive or abrasive material; including, but not limited to sand, sodium hydroxide, chlorine, and acids. Customer must notify Rain for Rent immediately of any spill so that any necessary repairs to the system can be made and to minimize service interruption. The Customer assumes all risks of loss due to operation and use of the equipment. Customer will provide "all risk" property insurance for rented equipment. Customer shall pay Rain for Rent additional expenses caused by unforeseen or changing conditions, including, but not limited to, soil, underground conditions, rock formations, environmental conditions, weather events, regulations or restrictions, hard pan, boulders, cesspools, gas lines, waterlines, drain pipes, underground electrical conduits or other above ground or underground obstructions. All equipment rented or used products sold are provided "AS IS, WHERE IS" in their present condition. Rain for Rent makes no warranties, expressed or implied of any kind whatsoever with respect to the equipment or products. Sold equipment is not to be rented. Customer agrees that customer is renting equipment or purchasing used products based on their judgment and evaluation, without reliance upon any statements of representations by Rain for Rent, and that Rain for Rent is not responsible for any defects in their operation or for any repairs, parts or services, unless otherwise noted. All new products sold are provided without warranty beyond the terms of such warranty offered by the manufacturer, if any. Customer must comply with all original manufacturer's terms and conditions for any warranty claims that may arise. Neither Rain for Rent nor the manufacturer warranties the product if it has failed due to corrosion, misuse or damage; (2) it has been altered, repaired or modified in any way that would adversely affect its operation; or (3) it was installed or operated other than in accordance with manufacturer's operating instructions. Products supplied by Rain for Rent are warranted to be free from any defect in workmanship and material under conditions of normal use and service. Rain for Rent's obligation under this warranty is limited to replacing or repairing at the designated manufacturer's or Rain for Rent facility any part or parts returned to it with transportation charges prepaid, which Rain for Rent determines in its sole discretion to be defective. This Quotation excludes any additional costs to Rain for Rent associated with Owner Controlled Insurance (OCIP) or WRAP insurance programs that will be added to Rain for Rent's prices. De-watering, Roll-off, Vacuum boxes and similar equipment are not liquid tight. Rentee accepts full responsibility for all losses, damages and costs caused by or arising out of spills, leakage or discharge from this equipment. Rain for Rent will not be held liable for any structural or soils subsidence. This Quotation is valid for 30 days and is subject to credit approval. Rain for Rent will take every effort to protect our customers and employees. Due to the current pandemic, all quoted equipment and services are subject to delay, change, or unilateral cancelation by Rain for Rent. Please be assured every effort will be made to execute the quote as written. The customer is responsible to inform Rain for Rent of any jobsite hazards, precautions, or entry requirements relating to the Corona Virus prior to Rain for Rent personnel going onsite to perform work or deliver equipment. This includes informing Rain for Rent if anyone at the jobsite has tested positive and provide a list of actions taken to protect Rain for Rent personnel.

Rental Protection Plan Program Agreement

If you elect to maintain All Risk Property Insurance coverage, and the certificate of insurance You provide to Rain for Rent to evidence Your insurance coverage expires or is cancelled for any reason, You agree Rain for Rent may charge RPP for Your rentals until such time as You provide an acceptable and valid certificate of insurance to Rain for Rent. This Rental Protection Plan Program Agreement (this "RPP Agreement") is entered into between the undersigned Rentor and Rentee in relation to the Master Rental and Sales Agreement (MRSA) between Rentor and Rentee. If Rentee has checked or initialed, as applicable, the Rental Protection Plan Program (the "RPP Program") box on the quote, then Rentee has opted-in to the RPP Program and this RPPP Agreement shall supplement the MSRA whether or not executed by Rentee. Rentee understands and agrees that the RPP Program is not insurance and that the RPP Program provides only limited coverage, as described below.1.Cost; Deductible; Maximum Coverage; Rentee shall pay a fee equal to 15 percent (15%) of the rental charge for each covered item, which fee shall be listed on each invoice during which period Rentee has opted to participate in the RPP Program. In the event of a Covered Occurrence, as defined below, Rentee shall further be responsible for the lesser of $500 or 10 percent (10%) of the total loss, as a deductible. The maximum coverage available under the RPP Program is $150,000 per Covered Occurrence, whether or not there is more than one piece of equipment involved in the occurrence.2.Coverage; The RPP Program provides coverage only for losses involving Covered Equipment, as defined below, in the following instances: fire that was not caused by Rentee's gross negligence or willful misconduct; theft for which a police report was filed, and that occurred despite Rentee's reasonable precautions to protect and secure the covered equipment; and vandalism for which a police report was filed (individually, "Covered Occurrence," and collectively, "Covered Occurrence"). The RPP Program provides coverage only for the following types of equipment: pumps, electric submersible pumps, tanks, generators, light towers, filtration, boxes, heaters, spillguards, safety products, sprinklers, hoses, pipe, valves and fittings ("Covered Equipment"). Coverage does not extend to any equipment not owned by Rentor such as re-rented equipment.3.Exclusions; The RPP program does not cover any equipment or event of loss that is not specifically described in Section 2.Without limiting the foregoing, the RPP Program does not provide coverage for the following: misuse of equipment; willful abuse of equipment; failure to maintain equipment; failure to secure items from theft (including but not limited to failing to store items in a fenced, locked area or failing to maintain personnel on site); damage or theft while in transit to or from a jobsite; corrosion from any source; any damage caused by named storm events; any instance that occurs while the account is not in good standing, such as a default as defined in the MRSA or upon written notice of non-payment; and any occurrence not reported to Rentor within 24 hours after the occurrence. The RPP program does not provide coverage for: electronic equipment (controls, instrumentation, and wiring), flow meters, water meters, wheel wash systems & accessories, Freezesentry items, or tires.4.Claims; All claims must be submitted within 24 hours of the Covered Occurrence. Rentor's mechanic will inspect the equipment following any claim. The mechanic's findings as to the cause of the damage and cost of repair will be final. In the event of a theft or vandalism, Rentee must also provide supporting evidence that the site was secured at the time of loss.

ENDORSEMENT

This endorsement, effective 12:01 A.M. 10/01/2025
forms a part of Policy No. 756-89-25
issued to WESTERN OILFIELDS SUPPLY COMPANY
by NATIONAL UNION FIRE INSURANCE COMPANY OF PITTSBURGH, PA.

LIMITED ADVICE OF CANCELLATION PROVIDED VIA E-MAIL TO ENTITIES OTHER THAN THE FIRST NAMED INSURED

This policy is amended as follows:

In the event that the **Insurer** cancels this policy for any reason other than non-payment of premium, and

1. the cancellation effective date is prior to this policy's expiration date;

2. the **First Named Insured** is under an existing contractual obligation to notify a certificate holder when this policy is canceled (hereinafter, the "Certificate Holder(s)") and has provided to the **Insurer**, either directly or through its broker of record, the email address of a contact at each such entity; and

3. the **Insurer** received this information after the **First Named Insured** receives notice of cancellation of this policy and prior to this policy's cancellation effective date, via an electronic spreadsheet that is acceptable to the **Insurer,**

the **Insurer** will provide advice of cancellation (the "Advice") via e-mail to each such Certificate Holders withi n 30 days after the **First Named Insured** provides such information to the **Insurer**; provided, however, that if a specific number of days is not stated above, then the Advice will be provided to such Certificate Holder(s) as soon as reasonably practicable after the **First Named Insured** provides such information to the **Insurer**.

Proof of the **Insurer** emailing the Advice, using the information provided by the **First Named Insured**, will serve as proof that the **Insurer** has fully satisfied its obligations under this endorsement.

This endorsement does not affect, in any way, coverage provided under this policy or the cancellation of this policy or the effective date thereof, nor shall this endorsement invest any rights in any entity not insured under this policy.

The following Definitions apply to this endorsement:

1. **First Named Insured** means the Named Insured shown on the Declarations Page of this policy.
2. **Insurer** means the insurance company shown in the header on the Declarations page of this policy.

All other terms, conditions and exclusions shall remain the same.

Authorized Representative

ENDORSEMENT

This endorsement, effective 12:01 A.M. 10/01/2025
forms a part of Policy No. 756-89-25
issued to WESTERN OILFIELDS SUPPLY COMPANY
by NATIONAL UNION FIRE INSURANCE COMPANY OF PITTSBURGH, PA.

INSURANCE PRIMARY AS TO CERTAIN ADDITIONAL INSUREDS

This endorsement modifies insurance provided under the following:

BUSINESS AUTO COVERAGE FORM

Section IV - Business Auto Conditions, B., General Conditions, 5., Other Insurance, c., is amended by the addition of the following sentence:

The insurance afforded under this policy to an additional insured will apply as primary insurance for such additional insured where so required under an agreement executed prior to the date of accident. We will not ask any insurer that has issued other insurance to such additional insured to contribute to the settlement of loss arising out of such accident.

All other terms and conditions remain unchanged.

The City of Santa Fe, their officials, officers, employees, and agents

Authorized Representative or Countersignature (in States Where Applicable)

ENDORSEMENT

This endorsement, effective 12:01 A.M. 10/01/2025
forms a part of Policy No. 756-89-25
issued to WESTERN OILFIELDS SUPPLY COMPANY
by NATIONAL UNION FIRE INSURANCE COMPANY OF PITTSBURGH, PA.

ADDITIONAL INSURED - WHERE REQUIRED UNDER CONTRACT OR AGREEMENT

This endorsement modifies insurance provided under the following:

BUSINESS AUTO COVERAGE FORM

SCHEDULE

ADDITIONAL INSURED:
Any person or organization for whom you are contractually bound to provide Additional Insured status but only to the extent of such person's or organization's liability arising out of the use of a covered "auto".

I. **SECTION II - LIABILITY COVERAGE, A. Coverage, 1. - Who Is Insured,** is amended to add:

d. Any person or organization, shown in the schedule above, to whom you become obligated to include as an additional insured under this policy, as a result of any contract or agreement you enter into which requires you to furnish insurance to that person or organization of the type provided by this policy, but only with respect to liability arising out of use of a covered "auto". However, the insurance provided will not exceed the lesser of:

(1) The coverage and/or limits of this policy, or

(2) The coverage and/or limits required by said contract or agreement.

Authorized Representative or Countersignature (in States Where Applicable)

The City of Santa Fe, their officials, officers, employees, and agents

ENDORSEMENT

This endorsement, effective 12:01 A.M. 10/01/2025
forms a part of Policy No. 756-89-25
issued to WESTERN OILFIELDS SUPPLY COMPANY
by NATIONAL UNION FIRE INSURANCE COMPANY OF PITTSBURGH, PA.

WAIVER OF TRANSFER OF RIGHTS OF RECOVERY AGAINST OTHERS TO US

This endorsement modifies insurance provided under the following:

BUSINESS AUTO COVERAGE FORM

Section IV - Business Auto Conditions, A. - Loss Conditions, 5. - Transfer of Rights of Recovery Against Others to Us, is amended to add:

However, we will waive any right of recover we have against any person or organization with whom you have entered into a contract or agreement because of payments we make under this Coverage Form arising out of an "accident" or "loss" if:

(1) The "accident" or "loss" is due to operations undertaken in accordance with the contract existing between you and such person or organization; and

(2) The contract or agreement was entered into prior to any "accident" or "loss".

No waiver of the right of recovery will directly or indirectly apply to your employees or employees of the person or organization, and we reserve our rights or lien to be reimbursed from any recovery funds obtained by any injured employee.

The City of Santa Fe, their officials, officers, employees, and agents

AUTHORIZED REPRESENTATIVE

ENDORSEMENT NO. 16

This endorsement, effective 12:01 AM: October 1, 2025

Forms a part of policy no.: EG 7172346

Issued to: WESTERN OILFIELDS SUPPLY COMPANY

By: AIG SPECIALTY INSURANCE COMPANY

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

LIMITED ADVICE OF CANCELLATION, NONRENEWAL, OR COVERAGE REDUCTION TO ENTITIES OTHER THAN THE NAMED INSURED ENDORSEMENT

It is hereby agreed that the following is added to **SECTION IV - CONDITIONS**:

In the event that we cancel, non-renew or reduce coverage, except for the reduction of policy limits due to the payment of damages, medical expenses, claim expense or **loss** to this Policy, other than non-payment of premium, and

1. the effective date of the cancellation, non-renewal, or reduction in coverage is prior to this Policy's expiration date,

2. you are under an existing contractual obligation to notify a certificate holder when this Policy is canceled, non-renewed, or has a reduction in coverage (hereinafter, the "Certificate Holder(s)") and have provided to us, either directly or through your broker of record, the email address of a contact at each such entity, and

3. we received this information after you received notice of cancellation, non-renewal, or reduction in coverage of this Policy and prior to this Policy's effective date of cancellation, non-renewal, or reduction in coverage, via an electronic spreadsheet that is acceptable to us,

we will provide advice of cancellation, nonrenewal, or reduction in coverage (the "Advice") via e-mail to each such Certificate Holders within 30 days after you provide such information to us.

Proof of our emailing the Advice, using the information provided by you, will serve as proof that we have fully satisfied our obligations under this Endorsement.

This Endorsement does not affect, in any way, coverage provided under this Policy, the cancellation of this Policy, the non-renewal or the effective date thereof, nor shall this Endorsement invest any rights in any entity not insured under this Policy.

All other terms, conditions and exclusions remain the same.

Authorized Representative
or countersignature (where required by law)

ENDORSEMENT NO. 14

This endorsement, effective 12:01 AM: October 1, 2025

Forms a part of policy no.: EG 7172346

Issued to: WESTERN OILFIELDS SUPPLY COMPANY **By:**

AIG SPECIALTY INSURANCE COMPANY

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

COVERAGES A, B, C AND E ADDITIONAL INSURED PRIMARY AND NON-CONTRIBUTORY - DESIGNATED PERSON(S) OR ORGANIZATION(S) ENDORSEMENT

It is hereby agreed as follows, solely as respects the designated person(s) or organization(s), **SECTION II - WHO IS AN INSURED, Applicable Coverages A, B, C and E,** paragraph **4** is deleted in its entirety and replaced with the following:

4. Except as respects to Coverage E-4, the designated person or organization scheduled below with whom you agreed to include as an insured, because of a written contract, written agreement, permit, written purchase order, or written certificate of insurance specifications that are entered into or agreed upon prior to an **occurrence, claim** or loss but only with respect to **bodily injury, property damage, environmental damage** or **personal and advertising injury** caused, in whole or in part, by your acts or omissions or the acts or omissions of those acting on your behalf, arising out of your operations, **your work**, equipment or premises leased, rented or owned by you, or **your products** which are distributed or sold in the regular course of a vendor's business, however:

As respects vendors, this insurance does not apply to:

a. **Bodily injury, property damage** or **environmental damage** for which the vendor is obligated to pay damages by reason of the assumption of liability in a contract or agreement. This exclusion does not apply to liability for damages that the vendor would have in the absence of the contract or agreement,

b. Any express warranty unauthorized by you,

c. Any physical or chemical change in the product made intentionally by the vendor,

d. Repackaging, except when unpacked solely for the purpose of inspection, demonstration, testing, or the substitution of parts under instructions from the manufacturer, and then repackaged in the original container,

e. Any failure to make such inspections, adjustments, tests or servicing as the vendor has agreed to make or normally undertakes to make in the usual course of business, in connection with the distribution or sale of the products,

The City of Santa Fe, their officials, officers, employees, and agents

f. Demonstration, installation, servicing or repair operations, except such operations performed at the vendor's premises in connection with the sale of the product,

g. Products which, after distribution or sale by you, have been labeled or relabeled or used as a container, part or ingredient of any other thing or substance by or for the vendor, or

h. **Bodily injury, property damage** or **environmental damage** arising out of the sole negligence of the vendor for its own acts or omissions or those of its employees or anyone else acting on its behalf. However, this exclusion does not apply to:

(1) The exceptions contained in Sub-paragraphs **d.** or **f.** above, or

(2) Such inspections, adjustments, tests or servicing as the vendor has agreed to make or normally undertakes to make in the usual course of business, in connection with the distribution or sale of the products.

As respects a manager or lessor of premises, a lessor of leased equipment, or a mortgagee, assignee, or receiver, this insurance does not apply to:

(1) Any **occurrence** which takes place after the equipment lease expires or you cease to be a tenant.

(2) Structural alterations, new construction or demolition operations performed by or on behalf of the manager or lessor of premises, or mortgagee, assignee, or receiver.

SCHEDULED ADDITIONAL INSURED PERSON(S) OR ORGANIZATION(S)

Blanket - As required by written contract, written agreement, permit, written purchase order, or written certificate of insurance specifications that are entered into or agreed upon prior to an **occurrence, claim** or loss.

As respects the coverage afforded to the Additional Insured, this insurance is primary and non-contributory, and our obligations are not affected by any other insurance carried by such Additional Insured whether primary, excess, contingent, or on any other basis.

All other terms, conditions and exclusions remain the same.

AUTHORIZED REPRESENTATIVE

66900 (1/97)

CITY OF SANTA FE

Note to File

Date: November 19, 2025

To: Governing Body, Finance Committee, and Public Works & Utilities Committee

From: Michael Dozier, Wastewater Management Division Director, Public Utilities Department

Via: Jesse Roach, Interim Public Utilities Director

Subject: Amendment to Rental Contract for Western Oilfields Supply Co.

Vendor Name: Western Oilfields Supply Co. (dba. Rain for Rent)

Munis Vendor Number: 8362

BACKGROUND AND SUMMARY:

In reference to the Paseo Real Water Reclamation Facility Administrative Order Emergency Project (40-M0087-24-EM030), the Public Utilities Department has submitted an Emergency Determination Form for emergency procurement to implement a comprehensive plan that provides interim corrective measures and for the long-term success in operating and managing the Paseo Real Water Reclamation Facility (PRWRF) necessary to ensure compliance with NPDES and Discharge Permits within the shortest possible time. The referenced Administrative Order (AO), which the City received on March 6th, 2024 from the U.S. Environmental Protection Agency (EPA) Region 6 and amended July 10, 2024 (CWA-06-2024-1765), is attached and requires within 30 days the submission of the comprehensive written plan for the elimination of the violations within the shortest possible time, as well as measures to prevent these or similar violations from recurring.

On May 31, 2024, the contract was completed with the vendor, and two purchase orders (FY24-22406240, FY25-22501213) were placed for an ultimately inferior set of three filters and a pump. Close to the end of FY25, these filters and pumps were replaced with four better filters and a more powerful pump. As of now, the vendor **has the rental equipment in place** to provide pump and filtration equipment for max flows of 5mgd at final clarification. With continued rental from the vendor, we are maintaining PRWRF's compliance to eliminate or minimize the associated risks to public health and safety associated with the non-compliant discharge. The Wastewater Division is leveraging multiple procurement mechanisms, including State-Wide Price Agreements and established On-Call Contracts, to obtain the necessary parts for facility repairs. Once the permanent onsite filtration units (disc and sand filters) have been repaired, the rentals can be discontinued.

TO: Governing Body
Finance Committee
Public Works/Public Utilities Committee

VIA: John Dupuis, PUBLIC UTILITIES DEPARTMENT DIRECTOR JD
MIKE DOZIER, WWM DIVISION DIRECTOR MD

FROM: P. Fred Heerbrandt, P.E., Engineer Supervisor, WWMD FH

ITEM AND ISSUE

Request for approval of a On-Call contract with McDowell Mechanical, LLC. with a potential value of $2,000,000 over four years, including New Mexico Gross Reciepts Tax. (P. Fred Heerbrandt, P.E., pfheerbrandt@santafenm.gov, 505-955-4623)

BACKGROUND & SUMMARY

To establish a Division-wide Price Agreement for On-Call General and Mechanical Construction services, ITB #23-66-B was issued. The Scope of work includes miscellaneous repairs, upgrades, improvements, replacements, new construction services and material for facilities and processes throughout the Paseo Real Wastewater Reclamation Facility, the Sanitary Sewer Collection System, and other remote locations.

Four (4) Contractors were selected for awards, one of which is McDowell Mechanical, LLC. These contracts will allow the Division to react swiftly to equipment failures and repairs at the Paseo Real Wastewater Reclamation Facility.

RECOMMENDED ACTION

PUD, WWM, PRWRF respectfully requests approval of the contract and BAR for a total amount of $500,000 from WWMD Enterprise Fund cash balance.

CITY OF SANTA FE
GENERAL SERVICES CONTRACT

On-Call General/Mechanical Construction Services

THIS Price Agreement is made and entered into by and between the City of Santa Fe, herein after referred to as the "City", and **Mc Dowell Mechanical LLC** herein after referred to as the "Contractor."

IT IS MUTUALLY AGREED BETWEEN THE PARTIES:

1. Definitions

A. "Products and Services Schedule" refers to the complete list of products and services offered under this Agreement and the price for each. Product and service descriptions may be amended with the prior approval of the Agreement Administrator. New products and services shall not be added to the Products and Services Schedule.

B. "Business Hours" means 8:00 a.m. to 5:00 p.m. Mountain Time.

C. "Price Agreement" means a definite quantity contract or indefinite quantity contract which requires the contractor to furnish items of tangible personal property, services or construction to a state agency or a local public body which issues a purchase order, if the purchase order is within the quantity limitations of the contract, if any.

2. Scope of Work

A. The Contractor shall perform the following work:

The City of Santa Fe, Public Utilities Department, Wastewater Management Division (Wastewater) will establish a Price Agreement for on-call General and Mechanical Construction services work by New Mexico licensed contractors to provide miscellaneous repairs, upgrades, improvements, replacements, new construction services and material for facilities and processes throughout the Paseo Real Wastewater Reclamation Facility, the Sanitary Sewer Collection System, and other remote locations.

Wastewater shall provide, at a minimum, a detailed scope of work and/or drawings, generally defining the construction work required for the project. The Contractor shall be responsible for verifications of all existing conditions, measurements, and dimensions for bidding.

This Agreement is without assurance of quantity or dollar amount of work to be performed.

The Contractor shall perform diagnostic services and provide professionally prepared, stamped drawings, if needed, to obtain installation or construction permits.

Wastewater shall be able to utilize this On-Call Agreement as needed and as funding is available.

B. Other:

All work shall be in strict compliance with the national and state building mechanical, plumbing and electrical codes including SMACNA, and ASHRAE standards and in accordance with applicable City and state laws, the International Building Code (IBC) and the New Mexico building codes. The Contractor shall be responsible for all permits associated with this work as required by the governmental Authority Having Jurisdiction (AHJ).

Contractors shall be capable of providing all coordination, supervision and services required for comprehensive general construction, equipment replacement, upgrade and improvement projects and to provide new construction services including incidental design. The scope of an individual project may include equipment and fixtures whether attached or not to the building. It can include site and utility work, mechanical work, pavement restoration, building repair, renovation, painting, stucco, backfill services, digging, ditching, rock stabilization, concrete, and pour in place and form place finish. The utility work shall include building power systems such as solar panels, and piping and pumping systems, and waste treatment systems. It may also include demolition and abatement projects.

Wastewater reserves the right to procure specialty services directly from Statewide Price Agreements and other sources and shall be coordinated by the Contractor.

Wastewater reserves the right to obtain quotes from multiple vendors covered under this Agreement and award a project to a contractor based on the quotes.

Wastewater reserves the right to provide an escort and/or full-time supervision of the Contractor and its employees during any or all phases of a project, should Wastewater feel it is in its best interest to provide these extraordinary security services.

Wastewater reserves the right to escort any or all employees of the Contractor off its property, for any inappropriate conduct or actions that jeopardize the safety, security, or wellbeing of the facility or any individual. Inappropriate behavior by the Contractor, its employees or subcontractors may be grounds for immediate removal from this Agreement. Any employee of the Contractor found in violation of any law, while on City property, will be prosecuted.

C. Contractor:

Safety shall be of main concern and enforced by the Contractor on site. The Contractor shall comply with all local, state and federal laws governing safety, health and sanitation. The on-site superintendent shall always have a minimum OSHA 10 and preferably OSHA 30 card with them when on the jobsite. The Contractor shall follow the Occupational Safety and Health Act (OSHA) 29 CFR 1910.147 Standard pertaining to "Lockout/Tagout" procedures for hazardous energy.

Wastewater shall not in any way be responsible for any fines set forth for such violations of codes, OSHA standards or any other governing agency having jurisdiction at the work site. The Contractor shall provide all needed safeguards, safety devices, protective equipment and take any actions necessary to protect the life and health of employees on the job; the safety of the public and to protect the property in connection with the performance of the work covered by this Agreement.

All personnel working on the project and providing these services shall be experienced and certified in all areas related to this work and required by this Agreement. Journeymen level personnel shall have the ability and necessary skills to diagnose problems and to make the appropriate decisions needed to provide these services.

The Contractor shall agree to provide required labor within 24 hours for emergency situations.

Subcontracting of work is allowed and shall have prior approval by Wastewater. Subcontractors shall have the appropriate current valid Contractor's licenses for their work. Proof of licenses shall be furnished upon request.

There will be NO markups allowed for adding subcontractor costs or to cover general conditions (administrative costs and other related expenses) allowed on any of the quotes issued pursuant to this Agreement. If a subcontractor is hired for the project the reimbursement must be at actual cost of the subcontractor's cost. The cost of the subcontractor will be added at time of invoicing as a separate item to be paid by the department.

The Contractor shall provide all protective coverings necessary to protect existing, adjacent finishes while performing its work. If any damage is encountered during the contractor's work, the contractor will be held responsible for repairing any damage done by his employees, subcontractors, and vendors. The Contractor shall restore any damage to existing and/or adjacent finishes damaged while performing work and to make new work inconspicuous with the existing adjacent finishes.

The Contractor and its employees agree to cooperate with and to abide by the rules and requirements of Wastewater to not interfere with the daily operations or to jeopardize the health, safety or welfare of the employees or general public conducting business with Wastewater.

D. Bonding:

A one hundred percent (100%) performance bond and a one hundred percent (100%) payment and material bond executed by a surety company authorized to do business in the State of New Mexico will be required of the Contractor prior to each project over twenty-five thousand dollars ($25,000). Said bonds must be provided to Wastewater within ten (10) days of the request for the bonds. Failure to comply shall result in the order being issued to another vendor and the difference in the cost being charged back to the awarded Contractor.

E. Clean Up and Storage:

1) The Contractor will provide off-site legal disposal of all waste products, trash, and debris. Wastewater's trash receptacles will not be used by the Contractor. Sanitary facilities will "not" be available at the job site. Contractor shall be responsible for the provision and maintenance of portable toilets.

2) The Contractor, on a daily basis, shall keep the premises and surrounding area free from accumulation of waste materials or rubbish caused by operations under the Agreement. At completion of the Work, the Contractor shall remove the Project waste materials, rubbish, the Contractor's tools, construction equipment, machinery and surplus materials and shall then thoroughly clean the premises and the site to Wastewater's satisfaction.

3) Materials or equipment shall be delivered to the project in the manufacturer's original sealed, labeled containers and shall be adequately protected against moisture, dust, tampering or damage from improper handling or storage. Materials shall not be delivered to the site before they are needed.

4) Storage of materials and construction equipment shall be coordinated with Wastewater.

F. Task Order:

The Contractor shall be required to provide On-Call General Construction Services for any number of the activities listed under Scope of Work upon the request of Wastewater. When a service is identified, Wastewater shall provide, at a minimum, a detailed scope of work and/or drawings defining work required. Each project will be individually described in a "Task Order". The Task Order will describe the scope of work, the duration of the project with the date of Substantial Completion and if there are liquidated damages for not meeting the date of substantial completion. The date of Substantial Completion is the date when the space can be occupied or the Work used/operated and is turned over to Wastewater. Final completion is the date when the project is totally complete, the punch list work complete and the Contractor's final pay application/invoice is approved. The terms and conditions of the Contractor's Agreement will apply to all Task Orders.

Upon receiving the Task Order, the Contractor shall promptly visit the site and compare Wastewater's scope of work and/or drawings to the existing conditions and provide all services called for in addition to the requirements set forth in this Agreement. The Contractor will be required to provide a written quote (based upon the rates submitted in the Bid Form) and cost summary to include the work to be performed and the amount of time required for the completion of the project and submit to Wastewater at no cost to Wastewater. Project schedules, negotiated price, and completion dates shall be determined on a project-by-project basis and dependent upon the urgency of that task.

If any equipment or system cannot be economically repaired or has reached the end of its life cycle, the Contractor shall justify with costs and other information they need for replacement. If replacement is recommended, the Contractor will provide written justification for system and/or the model, size, and type of unit recommended along with any applicable efficiency data. Wastewater's standards will be discussed and taken into consideration when proposing

replacement units or systems. Any replacement unit shall be reviewed and approved by the requesting entity.

G. Change Orders:

Any change orders to the project scope will require an additional Task Order with backup materials and labor costs and shall be substantiated that there was no way of knowing the additional services were needed when the original quote was provided. Change orders shall be managed closely by Wastewater. Preventative measures shall be taken by both the contractor and Wastewater prior to issuing the Notice to Proceed. Such measures may include soil tests (soil boring); clarification of ambiguity in the project plan, the scope of work, the Task Order, the drawings, etc.; the project scope should be completely defined and agreed upon before any work begins.

3. Other Construction Related Terms and Conditions

A. Mediation:

Any controversy or claim arising between the parties shall be settled by mediation if the parties cannot reach a mutually agreeable solution. The parties shall endeavor to resolve their disagreement by mediation which, unless the parties mutually agree otherwise, shall be in accordance with the procedures of the New Mexico Public Works Mediation Act (NMSA §13-4C-1 et seq.) except that before any party may select a mediator it must confer in good faith with the other party concerning the selection of a mutually acceptable mediator. Mediation shall proceed in advance of legal or equitable proceedings, which shall be stayed pending mediation for a period of sixty (60) days from the date of notice of mediation session, unless stayed for a longer period by agreement of the parties or court order.

B. Inspection of Work:

If a Purchase Order is issued for the purchase of services, the following terms shall apply when applicable:

1) Services include services performed, workmanship, and material furnished or utilized in the performance of services.
2) The Contractor shall provide and maintain an inspection system acceptable to Wastewater covering the services under the Purchase Order. Complete records of all inspection work performed by the Contractor shall be maintained and made available to Wastewater during the term of performance of the Work and for as long thereafter as required.
3) Wastewater has the right to inspect and test all services contemplated to the extent practicable at all times and places during the term of the Project. Wastewater shall perform inspections and tests in a manner that will not unduly delay or interfere with the Contractor's performance.
4) If Wastewater performs inspections or tests on the premises of the Contractor or a subcontractor, the Contractor shall furnish, and shall require subcontractors to furnish, at

no increase in Purchase Order price, all reasonable facilities and assistance for the safe and convenient performance of such inspections or tests.

5) If any part of the services does not conform with the requirements, Wastewater may require the Contractor to re-perform the services in conformity with the requirements at no increase in Purchase Order amount. When the defects in services cannot be corrected by re-performance, Wastewater may:
   i. require the Contractor to take necessary action(s) to ensure that future performance conforms to the requirements; and
   ii. reduce the Purchase Order price to reflect the reduced value of the services performed.
6) If the Contractor fails to promptly re-perform the services or to take the necessary action(s) to ensure future performance in conformity with the requirements, Wastewater may:
   i. by Agreement or otherwise, perform the services and charge to the Contractor any cost incurred by Wastewater that is directly related to the performance of such service; or
   ii. cancel the Purchase Order for default.

THE PROVISIONS OF THIS ARTICLE ARE NOT EXCLUSIVE AND DO NOT WAIVE THE CITY'S OTHER LEGAL RIGHTS AND REMEDIES CAUSED BY THE CONTRACTOR'S DEFAULT/BREACH OF THE PURCHASE ORDER/PRICE AGREEMENT.

C. Suspension, Delay or Interruption of Work:

Wastewater may, without cause, order the Contractor, in writing, to suspend, delay or interrupt the Work in whole or in part for such period as Wastewater may determine. Upon receipt of such notice, Contractor shall leave the jobsite and any equipment in a safe condition prior to departing. Contractor must assert rights to additional compensation within thirty (30) days after suspension of work is lifted and return to work is authorized.

If at any time there is a delay in the critical path of the Work due to postponement, due to the Contractor's efforts to justify an extension of the time or an increase in the Agreement price beyond the deadlines or due to the Contractor's refusal to proceed with any of the approved work, such delay and any Contractor costs resulting from it shall not serve as the basis for the extension of the Time for Completion or Agreement Completion Date or for an increase in the Agreement price.

D. Permits and Fees:

1) IF APPLICABLE- The Contractor shall secure and pay for the Building Permit and other permits and governmental fees, licenses and inspections and Certificate of Occupancy necessary for proper execution and completion of the Work. Changes or modifications to the Work shall include all requirements of this paragraph.

2) The Contractor shall comply with and give notices required by laws, ordinances, rules, regulations, and lawful orders of public authorities applicable to performance of the Work.

3) IF APPLICABLE- Certificates of Inspection, use and occupancy will be delivered to Wastewater upon completion of the work in sufficient time for occupation of the facility in accordance with the approved schedule for the work. Contractor shall deliver a photocopy of the Building Permit to the Design Professional and Wastewater as soon as it is obtained.

E. Schedule, Progress Meetings and Reports:

1) The Contractor, promptly after being awarded a Project and before the first payment application, shall prepare and submit for Wastewater's information a Critical Path Construction Schedule for the work that indicates the intended start and completion of the various construction activities, which shall be implemented and adhered to by the Contractor, Subcontractors, material suppliers and equipment suppliers. At a minimum, the schedule shall be a GANTT type schedule and shall not exceed time limits allowed by the Task Order or Notice to Proceed with no fewer work breakdown events than line items of the Schedule of Values.

2) The Contractor shall perform the work in general accordance with the most recent schedule submitted to Wastewater.

3) Progress meetings shall be scheduled on a regular basis. The purpose will be to review the upcoming activities, any open issues and current progress. The Contractor shall keep any meeting minutes as needed. Progress schedules shall be updated regularly. A three-week look-ahead schedule should be presented at every project meeting. A new schedule shall be presented with any change orders.

4) The Contractor shall prepare a daily report each day the Contractor, subcontractors or any other entity are on the project. The daily reports shall be maintained at the site and be well organized. Wastewater may request copies at any time. The reports may include:

i. report date and who prepared the report;
ii. weather conditions - low temp, visibility, humidity, wind, wind direction, cloud conditions, precipitation amount, other notes;
iii. companies present by name and their number of workers, work location, total man hours that day for each company;
iv. equipment-type, source, units of work done, location of work, hour meter reading;
v. material brought to site-description, units, quantity, quality, location, time;
vi. visitors to site -name, company, time;
vii. safety concerns-company, contact, noticed by, work activity, safety issue, requirement, outcome: and
viii. quality assurance and control -company, description of issue, specification section, issued by.

F. Close-out Requirements:

The Contractor shall submit to Wastewater a separate and detailed Closeout Schedule indicating the date of Final Completion and all work to be completed before Final Completion

including Close-Out requirements. The punch list of incomplete or inadequate work shall also be submitted when the work is substantially complete. Failure to include any item on the punch list does not alter the responsibility of the Contractor to complete all work in accordance with the Agreement Documents.

Before final completion can be achieved, all Work must be complete and accepted including the following as applicable:

1) Work associated with Punch List(s);
2) Testing, balance or performance operations complete and in agreement that associated work is in compliance with the Agreement Documents;
3) One hard copy and one electronic copy in .pdf format of final approved test, balance or performance report(s) complete with directory of contents submitted to Wastewater;
4) As-Built drawings delivered in AutoCAD or electronic format;
5) Written certification signed by Wastewater of delivery and stocking of extra material, equipment or components required by the Purchase Order at a location established by Wastewater;
6) Delivery of all warranties required by the work;
7) All keys, passes, codes, software or other methods or components of control or security which have been correctly and adequately accounted for and closed-out;
8) Start-up of any new equipment and training of staff on all new equipment;
9) Operations and Maintenance Manuals;
10) A certified statement of Release of Liens (AlA Document G706A or approved form) and Consent of Surety.

G. Warranty:

The Contractor shall warrant its work (non-roofing and equipment), for materials and for workmanship furnished and performed under this Agreement for a period of one (1) year minimum from the date of acceptance or Substantial Completion. The Contractor shall warrant its work for repairs or restoration of existing systems and work for ninety (90) days from the date of acceptance or Substantial Completion. It is understood that some equipment is far beyond its normal life and a warranty cannot be extended/supplied. Contractor must pass on to Wastewater warranties of replaced roofs and equipment offered by the manufacturer.

H. Materials and Parts:

Contractor shall submit billings, based on actual Contractor costs for materials, less any applicable percentage for discounts.

Contractor shall provide verification that materials purchased were used for the project. Any unused, billed for materials shall be turned over to Wastewater for which the work was provided.

All material shall be new and of the highest quality available for the type of work being performed. The purchase of major equipment or material must be preceded by submission of

submittal data on the proposed equipment or material and shall be reviewed and approved by Wastewater.

No used materials shall be used on the project. Recycled materials specifically prepared for reuse to meet "LEED" certification may be permitted with Wastewater's approval.

Replacement systems and related equipment shall meet current minimum "Energy Star" energy conservation standards.

Furnishing of submittal data for any/all new equipment and materials as well as O&M' s is required. Training of site personnel for the proper operation of newly installed equipment/systems and its related controls will be required for completion. This training will be acceptable to the person in charge of the facility and/or the City's Project manager in charge of the project.

Wastewater reserves the right to purchase materials directly from existing Statewide Price Agreements and other sources, and to provide these materials to the Contractor. The Contractor shall provide an itemized, quantifiable list of materials required for the project.

If the Contractor is requesting reimbursement for materials used on the work, copies of the invoices for the materials must be included when submitting invoices/pay applications. The Contractor may NOT add markups for the materials purchased.

4. Compensation

The City shall pay to the Contractor based upon fixed labor rates as listed in Appendix A. The total compensation under this Agreement shall not exceed $2,000,000.00 including New Mexico gross receipts tax.

5. Payment Provisions

All payments under this Agreement are subject to the following provisions.

A. Acceptance - In accordance with Section 13-1-158 NMSA 1978, the City shall determine if the product or services provided meet specifications. Until the products or services have been accepted in writing by the City, the City shall not pay for any products or services. Unless otherwise agreed upon between the City and the Contractor, within thirty (30) days from the date the City receives written notice from the Contractor that payment is requested for services or within thirty (30) days from the receipt of products, the City shall issue a written certification (by letter or email) of complete or partial acceptance or rejection of the products or services. Unless the City gives notice of rejection within the specified time period, the products or services will be deemed to have been accepted.

B. Payment of Invoice - Upon acceptance that the products or services have been received and accepted, payment shall be tendered to the Contractor within thirty (30) days after the date of invoice. After the thirtieth day from the date that written certification of acceptance is issued, late payment charges shall be paid on the unpaid balance due on the contract

to the Contractor at the rate of 1.5 % per month. Contractor may submit invoices for payment no more frequently than monthly. Payment will be made to the Contractor's designated mailing address. Payment on each invoice shall be due within 30 days from the date of the acceptance of the invoice. The City agrees to pay in full the balance shown on each account's statement, by the due date shown on said statement.

6. Term

THIS AGREEMENT SHALL NOT BECOME EFFECTIVE UNTIL APPROVED IN WRITING BY THE CITY. This Agreement shall begin on the date approved by the City and end June 30, 2027. The City reserves the right to renew the Agreement on an annual basis by mutual agreement not to exceed a total of four years in accordance with NMSA 1978, §§ 13-1- 150 through 152.

7. Default and Force Majeure

The City reserves the right to cancel all or any part of any orders placed under this Agreement without cost to the City, if the Contractor fails to meet the provisions of this Agreement and, except as otherwise provided herein, to hold the Contractor liable for any excess cost occasioned by the City due to the Contractor's default. The Contractor shall not be liable for any excess costs if failure to perform the order arises out of causes beyond the control and without the fault or negligence of the Contractor; such causes include, but are not restricted to, acts of God or the public enemy, acts of the State or Federal Government, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, unusually severe weather and defaults of sub-contractors due to any of the above, unless the City shall determine that the supplies or services to be furnished by the sub-contractor were obtainable from other sources in sufficient time to permit the Contractor to meet the required delivery scheduled. The rights and remedies of the City provided in this paragraph shall not be exclusive and are in addition to any other rights now being provided by law or under this Agreement.

8. Termination

A. Grounds. The City may terminate this Agreement for convenience or cause. The Contractor may only terminate this Agreement based upon the City's uncured, material breach of this Agreement.

B. Notice; City Opportunity to Cure.

1) Except as otherwise provided in Paragraphs 8.A and 18, the City shall give Contractor written notice of termination at least thirty (30) days prior to the intended date of termination.

2) Contractor shall give City written notice of termination at least thirty (30) days prior to the intended date of termination, which notice shall (i) identify all the City's material breaches of this Agreement upon which the termination is based and (ii) state what the City must do to cure such material breaches. Contractor's notice of termination shall only be effective (i) if the City does not cure all material breaches within the thirty (30) day notice period or (ii) in the case of material breaches that cannot be cured within thirty (30) days, the City does not, within the

thirty (30) day notice period, notify the Contractor of its intent to cure and begin with due diligence to cure the material breach.

3) Notwithstanding the foregoing, this Agreement may be terminated immediately upon written notice to the Contractor (i) if the Contractor becomes unable to perform the services contracted for, as determined by the City; (ii) if, during the term of this Agreement, the Contractor is suspended or debarred by the City; or (iii) the Agreement is terminated pursuant to Paragraph 17, "Appropriations", of this Agreement.

C. Liability. Except as otherwise expressly allowed or provided under this Agreement, the City's sole liability upon termination shall be to pay for acceptable work performed prior to the Contractor's receipt or issuance of a notice of termination; provided, however, that a notice of termination shall not nullify or otherwise affect either party's liability for pre-termination defaults under or breaches of this Agreement. The Contractor shall submit an invoice for such work within thirty (30) days of receiving or sending the notice of termination. *THIS PROVISION IS NOT EXCLUSIVE AND DOES NOT WAIVE THE CITY'S OTHER LEGAL RIGHTS AND REMEDIES CAUSED BY THE CONTRACTOR'S DEFAULT/BREACH OF THIS AGREEMENT.*

9. Amendment

A. This Agreement shall not be altered, changed or amended except by instrument in writing executed by the parties hereto and all other required signatories.

B. If the City proposes an amendment to the Agreement to unilaterally reduce funding due to budget or other considerations, the Contractor shall, within thirty (30) days of receipt of the proposed Amendment, have the option to terminate the Agreement, pursuant to the termination provisions as set forth in Paragraph 8 herein, or to agree to the reduced funding.

10. Status of Contractor

The Contractor, and Contractor's agents and employees, are independent Contractors for the City and are not employees of the City. The Contractor, and Contractor's agents and employees, shall not accrue leave, retirement, insurance, bonding, use of City vehicles, or any other benefits afforded to employees of the City as a result of this Agreement. The Contractor acknowledges that all sums received hereunder are personally reportable by the Contractor for income tax purposes, including without limitation, self-employment tax and business income tax. The Contractor agrees not to purport to bind the City unless the Contractor has written authority to do so, and then only within the strict limits of that authority.

11. Assignment

The Contractor shall not assign or transfer any interest in this Agreement or assign any claims for money due or to become due under this Agreement without the prior written approval of the City.

12. Subcontracting

The Contractor shall not subcontract any portion of the services to be performed under this Agreement without the prior written approval of the City. No such subcontract shall relieve the primary Contractor from its obligations and liabilities under this Agreement, nor shall any subcontract obligate direct payment from the City.

13. Non-Collusion

In signing this Agreement, the Contractor/Contractor certifies the Contractor/Contractor has not, either directly or indirectly, entered into action in restraint of free competitive bidding in connection with this offer submitted to the City.

14. Inspection of Plant

The City may inspect, at any reasonable time during Contractor's regular business hours and upon prior written notice, the Contractor's plant or place of business, or any subcontractor's plant or place of business, which is related to the performance of this Agreement.

15. Commercial Warranty

The Contractor agrees that the tangible personal property or services furnished under this Agreement shall be covered by the most favorable commercial warranties the Contractor gives to any customer for such tangible personal property or services, and that the rights and remedies provided herein shall extend to the City and are in addition to and do not limit any rights afforded to the City by any other clause of this order. Contractor agrees not to disclaim warranties of fitness for a particular purpose or merchantability.

16. Condition of Proposed Items

Where tangible personal property is a part of this Agreement, all proposed items are to be NEW and of most current production, unless otherwise specified.

17. Records and Audit

During the term of this Agreement and for three years thereafter, the Contractor shall maintain detailed records pertaining to the services rendered and products delivered. These records shall be subject to inspection by the City, the State Auditor and other appropriate state and federal authorities. The City shall have the right to audit billings both before and after payment. Payment under this Agreement shall not foreclose the right of the City to recover excessive or illegal payments.

18. Appropriations

The terms of this Agreement, and any orders placed under it, are contingent upon sufficient appropriations and authorization being made by the City Council for the performance of this

Agreement. If sufficient appropriations and authorization are not made by the legislature, this Agreement, and any orders placed under it, shall terminate upon written notice being given by the City to the Contractor. The City's decision as to whether sufficient appropriations are available shall be accepted by the Contractor and shall be final. If the City proposes an amendment to the Agreement to unilaterally reduce funding, the Contractor shall have the option to terminate the Agreement or to agree to the reduced funding, within thirty (30) days of receipt of the proposed amendment.

19. Release

The Contractor, upon final payment of the amount due under this Agreement, releases the City, its officers and employees, from all liabilities, claims and obligations whatsoever arising from or under this Agreement. The Contractor agrees not to purport to bind the City, unless the Contractor has express written authority to do so, and then only within the strict limits of that authority.

20. Confidentiality

Any confidential information provided to or developed by the Contractor in the performance of this Agreement shall be kept confidential and shall not be made available to any individual or organization by the Contractor without prior written approval by the City.

21. Conflict of Interest

A. The Contractor represents and warrants that it presently has no interest and, during the term of this Agreement, shall not acquire any interest, direct or indirect, which would conflict in any manner or degree with the performance or services required under the Agreement. The Contractor shall comply with any applicable provisions of the New Mexico Governmental Conduct Act and the New Mexico Financial Disclosures Act.

B. The Contractor further represents and warrants that it has complied with, and, during the term of this Agreement, will continue to comply with, and that this Agreement complies with all applicable provisions of the Governmental Conduct Act, Chapter 10, Article 16 NMSA 1978.

C. Contractor's representations and warranties in Paragraphs A and B of this Paragraph are material representations of fact upon which the City relied when this Agreement was entered into by the parties. Contractor shall provide immediate written notice to the City if, at any time during the term of this Agreement, Contractor learns that Contractor's representations and warranties in Paragraphs A and B of this Paragraph 20 were erroneous on the effective date of this Agreement or have become erroneous by reason of new or changed circumstances. If it is later determined that Contractor's representations and warranties in Paragraphs A and B of this Paragraph 20 were erroneous on the effective date of this Agreement or have become erroneous by reason of new or changed circumstances, in addition to other remedies available to the City and notwithstanding anything in the Agreement to the contrary, the City may immediately terminate the Agreement.

D. All terms defined in the Governmental Conduct Act have the same meaning in this section.

22. Approval of Contractor Representative(s)

The City reserves the right to require a change in Contractor representative(s) if the assigned representative(s) are not, in the opinion of the City, adequately serving the needs of the City.

23. Scope of Agreement; Merger

This Agreement incorporates all the agreements, covenants, and understandings between the parties hereto concerning the subject matter hereof, and all such covenants, agreements and understandings have been merged into this written Agreement. No prior agreements or understandings, verbal or otherwise, of the parties or their agents shall be valid or enforceable unless embodied in this Agreement.

24. Notice

The Procurement Code, Sections 13-1-28 through 13-1-199 NMSA 1978, imposes civil and criminal penalties for its violation. In addition, the New Mexico criminal statutes impose felony penalties for bribes, gratuities, and kickbacks.

25. Equal Opportunity Compliance

The Contractor agrees to abide by all federal and state laws, and local Ordinances, pertaining to equal employment opportunity. In accordance with all such laws, rules, and regulations, the Contractor agrees to assure that no person in the United States shall on the grounds of race, religion, color, national origin, ancestry, sex, age, physical or mental handicap, or serious medical condition, spousal affiliation, sexual orientation or gender identity, be excluded from employment with or participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity performed under this Agreement. If Contractor is found not to be in compliance with these requirements during the life of this Agreement, Contractor agrees to take appropriate steps to correct these deficiencies.

26. Indemnification

The Contractor shall hold the City and its employees harmless and shall indemnify the City and its employees against any and all claims, suits, actions, liabilities and costs of any kind, including attorney's fees for personal injury or damage to property arising from the acts or omissions of the Contractor, its agents, officers, employees or subcontractors. The Contractor shall not be liable for any injury or damage as a result of any negligent act or omission committed by the City, its officers or employees.

27. New Mexico Tort Claims Act

Any liability incurred by the City of Santa Fe in connection with this Agreement is subject to the immunities and limitations of the New Mexico Tort Claims Act, Section 41-4-1, et. seq. NMSA 1978, as amended. The City and its "public employees" as defined in the New Mexico Tort Claims Act, do not waive sovereign immunity, do not waive any defense and do not waive any limitation of liability pursuant to law. No provision in this Agreement modifies or waives any provision of the New Mexico Tort Claims Act.

28. Applicable Law

The laws of the State of New Mexico shall govern this Agreement, without giving effect to its choice of law provisions. Venue shall be proper only in a New Mexico court of competent jurisdiction in accordance with NMSA 1978, § 38-3-2. By execution of this Agreement, Contractor acknowledges and agrees to the jurisdiction of the courts of the State of New Mexico over any and all lawsuits arising under or out of any term of this Agreement.

29. Limitation of Liability

The Contractor's liability to the City, for any cause whatsoever shall be limited to the purchase price paid to the Contractor for the products and services that are the subject of the City's, claim. The foregoing limitation does not apply to paragraph 27 of this Agreement or to damages resulting from personal injury caused by the Contractor's negligence.

30. Incorporation by Reference and Precedence

If this Agreement has been procured pursuant to a request for proposals, this Agreement is derived from (1) the request for proposal, (including any written clarifications to the request for proposals and any City response to questions); (2) the Contractor's best and final offer; and (3) the Contractor's response to the request for proposals.

In the event of a dispute under this Agreement, applicable documents will be referred to for the purpose of clarification or for additional detail in the following order of precedence: (1) amendments to the Agreement in reverse chronological order; (2) the Agreement, including the scope of work and all terms and conditions thereof; (3) the request for proposals, including attachments thereto and written responses to questions and written clarifications; (4) the Contractor's best and final offer if such has been made and accepted by the City; and (5) the Contractor's response to the request for proposals.

31. Workers' Compensation

The Contractor agrees to comply with state laws and rules applicable to workers' compensation benefits for its employees. If the Contractor fails to comply with the Workers' Compensation Act and applicable rules when required to do so, this Agreement may be terminated by the City.

32. Inspection

If this Agreement is for the purchase of tangible personal property (goods), final inspection and acceptance shall be made at Destination. Tangible personal property rejected at Destination for non-conformance to specifications shall be removed at Contractor's risk and expense promptly after notice of rejection and shall not be allowable as billable items for payment.

33. Inspection of Services

If this Agreement is for the purchase of services, the following terms shall apply.

A. Services, as used in this Article, include services performed, workmanship, and material furnished or utilized in the performance of services.

B. The Contractor shall provide and maintain an inspection system acceptable to the City covering the services under this Agreement. Complete records of all inspection work performed by the Contractor shall be maintained and made available to the City and for as long thereafter as the Agreement requires. The City has the right to inspect and test all services contemplated under this Agreement to the extent practicable at all times and places during the term of the Agreement. The City shall perform inspections and tests in a manner that will not unduly delay or interfere with Contractor's performance.

C. If the City performs inspections or tests on the premises of the Contractor or a subcontractor, the Contractor shall furnish, and shall require subcontractors to furnish, at no increase in Agreement price, all reasonable facilities and assistance for the safe and convenient performance of such inspections or tests.

D. If any part of the services do not conform with the requirements of this Agreement, the City may require the Contractor to re-perform the services in conformity with the requirements of this Agreement at no increase in Agreement amount. When the defects in services cannot be corrected by re-performance, the City may:

(1) require the Contractor to take necessary action(s) to ensure that future performance conforms to the requirements of this Agreement; and

(2) reduce the Agreement price to reflect the reduced value of the services performed.

E. If the Contractor fails to promptly re-perform the services or to take the necessary action(s) to ensure future performance in conformity with the requirements of this Agreement, the City may:

(1) by contract or otherwise, perform the services and charge to the Contractor any cost incurred by the City that is directly related to the performance of such service; or

(2) terminate the Agreement for default.

34. Insurance

If the services contemplated under this Agreement will be performed on or in City facilities or property, Contractor shall maintain in force during the entire term of this Agreement, the following insurance coverage(s), naming the City as additional insured.

A. Commercial General Liability insurance shall be written on an occurrence basis and be a broad as ISO Form CG 00 01 with limits not less than $2,000,000 per occurrence and $2,000,000 in the aggregate for claims against bodily injury, personal and advertising injury, and property damage. Said policy shall include broad form Contractual Liability coverage and be endorsed to name the City of Santa Fe their officials, officers, employees, and agents as additional insureds.

B. Broader Coverage and Limits. The insurance requirements under this Agreement shall be the greater of (1) the minimum coverage and limits specified in this Agreement, or (2) the broader coverage and maximum limits of coverage of any insurance policy or proceeds available to the Named Insured. It is agreed that these insurance requirements shall not in any way act to reduce coverage that is broader or that includes higher limits than the minimums required herein. No representation is made that the minimum insurance requirements of this Agreement are sufficient to cover the obligations of Contractor hereunder.

C. Contractor shall maintain the above insurance for the term of this Agreement and name the City as an additional insured and provide for 30 days cancellation notice on any Certificate of Insurance form furnished by Contractor. Such certificate shall also specifically state the coverage provided under the policy is primary over any other valid and collectible insurance and provide a waiver of subrogation.

35. Impracticality of Performance

A party shall be excused from performance under this Agreement for any period that the party is prevented from performing as a result of an act of God, strike, war, civil disturbance, epidemic, or court order, provided that the party has prudently and promptly acted to take any and all steps that are within the party's control to ensure performance. Subject to this provision, such non-performance shall not be deemed a default or a ground for termination.

36. Invalid Term or Condition

If any term or condition of this Agreement shall be held invalid or unenforceable, the remainder of this Agreement shall not be affected and shall be valid and enforceable.

37. Enforcement of Agreement

A party's failure to require strict performance of any provision of this Agreement shall not waive or diminish that party's right thereafter to demand strict compliance with that or any other provision. No waiver by a party of any of its rights under this Agreement shall be effective unless express and in writing, and no effective waiver by a party of any of its rights shall be effective to waive any other rights.

38. Patent, Copyright and Trade Secret Indemnification

A. The Contractor shall defend, at its own expense, the City against any claim that any product or service provided under this Agreement infringes any patent, copyright to trademark in

the United States or Puerto Rico, and shall pay all costs, damages and attorneys' fees that a court finally awards as a result of any such claim. In addition, if any third party obtains a judgment against the City based upon Contractor's trade secret infringement relating to any product or services provided under this Agreement, the Contractor agrees to reimburse the City for all costs, attorneys' fees and amount of the judgment. To qualify for such defense and or payment, the City shall:

1) give the Contractor prompt written notice within 48 hours of any claim;
2) allow the Contractor to control the defense of settlement of the claim; and
3) cooperate with the Contractor in a reasonable way to facilitate the defense or settlement of the claim.

B. If any product or service becomes, or in the Contractor's opinion is likely to become the subject of a claim of infringement, the Contractor shall at its option and expense:

1) provide the City the right to continue using the product or service and fully indemnify the City against all claims that may arise out of the City's use of the product or service;
2) replace or modify the product or service so that it becomes non-infringing; or,
3) accept the return of the product or service and refund an amount equal to the value of the returned product or service, less the unpaid portion of the purchase price and any other amounts, which are due to the Contractor. The Contractor's obligation will be void as to any product or service modified by the City to the extent such modification is the cause of the claim.

39. Survival

The Agreement paragraphs titled "Patent, Copyright, Trademark, and Trade Secret Indemnification; Indemnification; and Limit of Liability" shall survive the expiration of this Agreement. Software licenses, leases, maintenance and any other unexpired agreements that were entered into under the terms and conditions of this Agreement shall survive this Agreement.

40. Disclosure Regarding Responsibility

A. Any prospective Contractor and any of its Principals who enter into a contract greater than sixty thousand dollars ($60,000.00) with any City for professional services, tangible personal property, services or construction agrees to disclose whether the Contractor, or any principal of the Contractor's company is presently debarred, suspended, proposed for debarment, or declared ineligible for award of contract by any federal entity, state agency or local public body.

B. Principal, for the purpose of this disclosure, means an officer, director, owner, partner, or a person having primary management or supervisory responsibilities within a business entity or related entities.

C. The Contractor shall provide immediate written notice to the City if, at any time during the term of this Agreement, the Contractor learns that the Contractor's disclosure was at any time erroneous or became erroneous by reason of changed circumstances.

D. A disclosure that any of the items in this requirement exist will not necessarily

result in termination of this Agreement. However, the disclosure will be considered in the determination of the Contractor's responsibility and ability to perform under this Agreement. Failure of the Contractor to furnish a disclosure or provide additional information as requested will be grounds for immediate termination of this Agreement pursuant to the conditions set forth in Paragraph 7 of this Agreement.

E. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render, in good faith, the disclosure required by this document. The knowledge and information of a Contractor is not required to exceed that which is the normally possessed by a prudent person in the ordinary course of business dealings.

F. The disclosure requirement provided is a material representation of fact upon which reliance was placed when making an award and is a continuing material representation of the facts during the term of this Agreement. If during the performance of the contract, the Contractor is indicted for or otherwise criminally or civilly charged by any government entity (federal, state or local) with commission of any offenses named in this document the Contractor must provide immediate written notice to the City. If it is later determined that the Contractor knowingly rendered an erroneous disclosure, in addition to other remedies available to the Government, the City may terminate the involved contract for cause. Still further the City may suspend or debar the Contractor from eligibility for future solicitations until such time as the matter is resolved to the satisfaction of the City.

41. Suspension, Delay or Interruption of Work

The City may, without cause, order the Contractor, in writing, to suspend, delay or interrupt the work in whole or in part for such period of time as the City may determine. The contract sum and contract time shall be adjusted for increases in cost and/or time associated with Contractor's compliance therewith. Upon receipt of such notice, Contractor shall leave the jobsite and any equipment in a safe condition prior to departing. Contractor must assert rights to additional compensation within thirty (30) days after suspension of work is lifted and return to work is authorized. Any compensation requested for which entitlement is granted and the contract sum adjusted, shall have profit included (for work completed) and for cost only (not profit) for Contractor costs incurred directly tied to the suspension itself and not otherwise covered by Contract remedy. Any change in Total Compensation must be reflected in an Amendment executed pursuant to Section 8 of this Agreement.

42. Notification

Either party may give written notice to the other party in accordance with the terms of this Paragraph. Any written notice required or permitted to be given hereunder shall be deemed to have been given on the date of delivery if delivered by personal service or hand delivery or three (3) business days after being mailed.

To the City:
Paul F. Heerbrandt, P.E., Engineer Supervisor
73 Paseo Real
Santa Fe, NM 87

pfheerbrandt@santafenm.gov

To the Contractor:
Kenneth McDowell
P. O. Box 6771
Santa Fe, NM 87502
mcdowellmechanicalsf@gmail.com

Either party may change its representative or address above by written notice to the other in accordance with the terms of this Paragraph. The carrier for mail delivery and notices shall be the agent of the sender.

43. Succession

This Agreement shall extend to and be binding upon the successors and assigns of the parties.

44. Performance Bond

A one hundred percent (100%) performance bond and a one hundred percent (100%) payment and material bond executed by a surety company authorized to do business in the State of New Mexico will be required of the Contractor prior to each project over twenty-five thousand dollars ($25,000). Said bonds must be provided to Wastewater within ten (10) days of the request for the bonds. Failure to comply shall result in the order being issued to another vendor and the difference in the cost being charged back to the awarded Contractor.

IN WITNESS WHEREOF, the Parties have executed this Agreement as of the date of the signature by the required approval authorities below.

CITY OF SANTA FE

The Purchasing Memo

Date: October 29, 2025

To: Governing Body, Finance Committee, and Public Works & Utilities Committee

From: LeRoy Alvarado Operations Manag le'Ro!J Atvarado L,RoyAl,arado[Oct30,2025074527MDT)

Via: Micheal Dozier, Waste Management Division Director

Subject: Conference Room Re-Roof

Vendor Name: National Roofing Company

Munis Vendor Number: 8113

ITEM AND ISSUE:

The Waste Management Division Wastewater Treatment Plant respectfully requests your review and approval for Construction services in the total amount of $330,722,00 including GRT tax for removal of existing roof and replacement for a term of one year with National Roofing Company.

CONTRACT NUMBER:

n/a

BACKGROUND AND SUMMARY:

The Wastewater treatment plant has a building that is used as a conference room and houses a treatment process No.3 Dissolved air Floatation (DAF) electrical Motor Control Center (MCC). Just recently the roof started leaking excessively to the point where the electrical components are in danger of water exposure from the leaking roof. The building is 64years old and cannot be demolished due to the installation of the DAF in 2010. This building has two roof assemblies in place. Current building codes prohibit the installation of a third system. Removing the two existing system and installing a new roof assembly is the best approach to avoid a potentially extreme Health and safety danger.

PRIOR APPROVALS AND SUPPORTING INFORMATION:

Good morning am,
We here at the WWTP are in the need to complete repairs to a roof on one of our buildings. Is this something we need to run through you for approval or can we proceed with repairs. Attached is the proposal we received from National Roofing. They completed a roof repair on another building here.
Respectfully,

LeRoy Alvarado

CAUTION: This email originated from outside of the organization. Do not click links or open attachments unless you recognize the sender and know the content is safe.

Good Afternoon Leroy,

Thank you for taking the time this morning to go over the bid for the conference room. To recap you stated that you were going to see if you could possibly reroute the coax cable that is located in the vault and see about eliminating the vault altogether. Please let us know if you will still want us to have our MEP contractor remove the actual vault and conduit once you have rerouted the wire, or if you plan on eliminating it, we can have it stricken from the scope. We additionally spoke about the stucco being temperature sensitive and about this portion potentially moving to the spring if procurement takes longer than expected. Attached is the bid abstract, and the document I created for you covering the items which are driving cost. Please feel free to reach out to me or Lori if you have any additional questions.

Electronic Record and Signature Disclosure		

ELECTRONIC RECORD AND SIGNATURE DISCLOSURE

A. ELECTRONIC RECORD AND SIGNATURE DISCLOSURE (ERSD)

From time to time, New Mexico General Services Department (GSD), on behalf of the State of New Mexico (SONM), may be required by law to provide you with certain written notices or disclosures. Stated below are the terms and conditions for GSD's providing you such notices and disclosures electronically through the DocuSign system. Please read this information carefully. If you are able to access this information electronically and agree to **this Electronic Record and Signature Disclosure (ERSD),** please confirm your agreement by selecting the check-box next to "I agree to use electronic records and signatures" before clicking "CONTINUE" within the DocuSign system.

B. Obtaining paper copies

At any time up to twenty (20) calendar days following your use of DocuSign to electronically sign a document, you may request a paper copy of any record provided or made available electronically to you by GSD. You will have the ability to download and print documents SONM sends you through the DocuSign system during and immediately after the signing session and, if you elect to create a DocuSign account, you may access the documents for a twenty (20) calendar day period after such documents are first sent to you. Following the twenty (20) day period, if you want GSD to send you paper copies of any such documents from GSD's office, you will be charged a $1.00 per-page fee plus postage. You may request delivery of such paper copies from GSD by following the procedure stated in Section H, below.

C. Withdrawing your consent

If you decide to receive notices and disclosures from GSD electronically, you may at any time change your mind and inform GSD you want to receive required notices and disclosures only in paper format. The procedure concerning how you may inform GSD of your decision to receive future notices and disclosures in paper format as well as withdraw your consent to receive notices and disclosures electronically is stated in Section D, immediately below.

D. Consequences of changing your mind

If you elect to receive required notices and disclosures only in paper format, it will slow the speed with which GSD will be able to complete certain steps in specific transactions and deliver paper copies to you. GSD will need: (1) to send the required notices or disclosures to you in paper format; and (2) wait until GSD receives your acknowledgment of your receipt of such paper notices or disclosures. Further, you will no longer be able to use the DocuSign system to receive required notices and consents electronically from SONM or to electronically sign documents generated and sent to you from SONM.

E. All notices and disclosures will be sent to you electronically

Unless you inform GSD otherwise according to these procedures, GSD will electronically provide you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements and other documents that are required to be provided or made available to you during the course of your electronic signature relationship with SONM. To reduce the possibility of inadvertent non-receipt, GSD prefers to provide all required notices and disclosures by the same method and to the same email or physical address that you furnish to GSD. Thus, you may receive the disclosures and notices electronically or in paper form. If you do not agree with this procedure, please inform GSD according to the procedures stated in Section I, below. Please also refer to Section D, immediately above, which states the consequences resulting from your declination of electronic delivery of notices and disclosures.

F. How to contact GSD:

You may inform General Services Department (GSD) of any changes you select regarding State Purchasing Division's (SPD) electronic communications with you, to request paper copies of certain information from SPD, and to withdraw your prior consent to receive notices and disclosures electronically by emailing your request(s) to SPD at: *GSD.SPDinfo@state.nm.us*

G. To advise SPD of your new email address

To inform SPD of a change in the email address to which SPD sends you notices and disclosures electronically, you must send an email to SPD at *GSD.SPDinfo@state.nm.us* and in the body of such request you must include your previous and new email addresses.

H. To request paper copies from SPD

To request delivery of paper copies of electronic notices and disclosures that DocuSign and/or SPD have previously provided to you, you must send an email to SPD at *GSD.SPDinfo@state.nm.us* and in the body of your email request state your email address, full name, mailing address, and telephone number. SPD will charge you a $1.00 per page copy fee plus postage.

I. To withdraw your consent with SPD

To inform SPD that you no longer wish to receive notices and disclosures in electronic format you may:

(1) Decline to sign a document from within a signing session, and on the subsequent page, select the check-box indicating you wish to withdraw your consent, or you may:

(2) Send SPD an email to *GSD.SPDinfo@state.nm.us* and in the body of your request state your email address, full name, mailing address, and telephone number.

J. Required hardware and software

The minimum system requirements for using the DocuSign system may change over time. The current DocuSign system requirements may be found at:
https://support.docusign.com/ guides/signer-guide-signing-system-requirements

K. Acknowledging your access and consent to receive and sign documents electronically

To confirm that you are able to electronically access the information contained in this Electronic Record and Signature Disclosure (ERSD), please confirm that you have: (1) read this ERSD, and either: (2) you are able to print on paper or electronically save this ERSD for your future reference and access; or (3) you are able to email this ERSD to an email address where you will be able to print this ERSD on paper and/or save this ERSD for your future reference and access. Further, if you consent to receiving notices and disclosures from DocuSign and/or SPD exclusively in electronic format, then select the check-box next to "I agree to use electronic records and signatures," before you click "CONTINUE" within the DocuSign system.

By selecting the check-box next to "I agree to use electronic records and signatures," you confirm that:

- You have read this Electronic Record and Signature Disclosure (ERSD); and
- You can print this ERSD on paper, or you can save and/ or send this ERSD to a location where you can print this ERSD, for your future reference and access; and
- Until or unless you notify SPD as stated in this ERSD, you consent to exclusively receive through electronic means all notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you by SPD during the course of your electronic signature relationship with SPD.

Term: August 9, 2023 - August 8, 2024

This Statewide Price Agreement is made subject to the "terms and conditions" as indicated on subsequent pages.

Accepted for the State of New Mexico

Valerie Paulk

Date: 8/8/2023

Dorothy Mendonca
New Mexico State Purchasing Agent

x **This Agreement was signed on behalf of the State Purchasing Agent**

MS CF

DocuSign Envelope ID: 11279EA3-3O2E-4304-933C-B05O848B81B8

Terms and Conditions

(Unless otherwise specified)

1. **General:** When the State Purchasing Agent or his/her designee issues a purchase document in response to the Vendor's bid, a binding contract is created.

2. **Variation in Quantity:** No variation in the quantity of any item called for by this order will be accepted unless such variation has been caused by conditions of loading, shipping, packing or allowances in manufacturing process and then only to the extent, if any, specified in this order.

3. **Assignment:**

a. Neither the order, nor any interest therein, nor any claim thereunder, shall be assigned or transferred by the Vendor, except as set forth in Subparagraph 3b or as expressly authorized in writing by the State Purchasing Agent or his/her designee. No such assignment or transfer shall relieve the Vendor from the obligations and liabilities under this order.

b. Vendor agrees that any and all claims for overcharge resulting from antitrust violations which are borne by the State as to goods, services, and materials purchased in connection with this bid are hereby assigned to the State.

4. **State Furnished Property:** State furnished property shall be returned to the State upon request in the same condition as received except for ordinary wear, tear and modifications ordered hereunder.

5. **Discounts:** Prompt payment discounts will not be considered in computing the low bid.

6. **Inspection:** Final inspection and acceptance will be made at the destination. Supplies rejected at the destination for nonconformance with specifications shall be removed at the Vendor's risk and expense, promptly after notice of rejection.

7. **Inspection of Plant:** The State Purchasing Agent or his/her designee may inspect, at any reasonable time, the part of the Contractor's, or any subcontractor's plant or place of business, which is related to the performance of this contract.

8. **Commercial Warranty:** The Vendor agrees that the supplies or services furnished under this order shall be covered by the most favorable commercial warranties the Vendor gives for such to any customer for such supplies or services. The rights and remedies provided herein shall extend to the State and are in addition to and do not limit any rights afforded to the State by any other clause of this order. **Vendor agrees not to disclaim warranties of fitness for a particular purpose of merchantability.**

9. **Taxes:** The unit price shall exclude all state taxes.

10. **Packing, Shipping and Invoicing:**

a. The State's purchasing document number and the Vendor's name, user's name and location shall be shown on each packing and delivery ticket, package, bill of lading and other correspondence in connection with the shipments. The user's count will be accepted by the Vendor as final and conclusive on all shipments not accompanied by a packing ticket.

b. The Vendor's invoice shall be submitted duly certified and shall contain the following information: order number, description of supplies or services, quantities, unit price and extended totals. Separate invoices shall be rendered for each and every complete shipment.

c. Invoices must be submitted to the using agency and NOT the State Purchasing Agent.

11. **Default:** The State reserves the right to cancel all or any part of this order without cost to the State, if the Vendor fails to meet the provisions of this order and, except as otherwise provided herein, to hold the Vendor liable for any excess cost occasioned by the State due to the Vendor's default. The Vendor shall not be liable for any excess costs if failure to perform the order arises out of causes beyond the control and without the fault or negligence of the Vendor, such causes include but are not restricted to, acts of God or the public enemy, acts of the State or Federal Government, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, unusually severe weather and defaults of

DocuSign Envelope ID: 11279EA3-3O2E-4304-933C-B05O848B81B8

subcontractors due to any of the above, unless the State shall determine that the supplies or services to be furnished by the subcontractor were obtainable from other sources in sufficient time to permit the Vendor to meet the required delivery scheduled. The rights of the State provided in this paragraph shall not be exclusive and are in addition to any other rights now being provided by law or under this order.

12. **Non-Collusion:** In signing this bid the Vendor certifies he/she has not, either directly or indirectly, entered into action in restraint of free competitive bidding in connection with this offer submitted to the State Purchasing Agent or his/her designee.

13. **Nondiscrimination:** Vendor doing business with the State ofNew Mexico must be in compliance with the Federal Civil Rights Act of 1964 and Title VII of the Act (Rev. 1979) and the Americans with Disabilities Act of 1990 (Public Law 101-336).

14. **The Procurement Code:** Sections 13-1-28 through 13-1-199 NMSA 1978, imposes civil and criminal penalties for its violation. In addition the New Mexico criminal statutes impose felony penalties for bribes, gratuities and kickbacks.

15. **Items:** All bid items are to be NEW and of most current production, unless otherwise specified.

16. **Payment for Purchases:** Except as otherwise agreed to: late payment charges may be assessed against the user state agency in the amount and under the conditions set forth in Section 13-1-158 NMSA 1978.

17. **Workers' Compensation:** The Contractor agrees to comply with state laws and rules pertaining to Workers' Compensation benefits for its employees. If the Contractor fails to comply with Workers' Compensation Act and applicable rules when required to do so, this Agreement may be terminated by the contracting agency.

18. **Submission of Bid:** Bids must be submitted in a sealed envelope with the bid number and opening date clearly indicated on the bottom left hand side of the front of the envelope. Failure to label bid envelope will necessitate the premature opening of the bid in order to identify the bid number.

19. **Contractor Personnel:** Personnel proposed in the Contractor's written bid to the Procuring Agency are considered material to any work performed under this Price Agreement. Once a Purchase Order or contract has been executed, no changes of personnel will be made by the Contractor without prior written consent of the Procuring Agency. Replacement of any Contractor personnel, if approved, shall be with personnel of equal ability, experience, and qualifications. The Contractor will be responsible for any expenses incurred in familiarizing the replacement personnel to insure their being productive to the project immediately upon receiving assignments. Approval of replacement personnel shall not be unreasonably withheld. The Procuring Agency shall retain the right to request the removal of any of the Contractor's personnel at any time.

20. **Subcontracting:** The Contractor shall not subcontract any portion of the Price Agreement without the prior written approval of the Procuring Agency. No such subcontracting shall relieve the Contractor from its obligations and liabilities under this Price Agreement, nor shall any subcontracting obligate payment from the Agency.

21. **Records and Audit:** The Contractor shall maintain detailed time and expenditure records that indicate the date, time, nature, and cost of services rendered during this Price Agreement's term and effect, and retain them for a period of three (3) years from the date of final payment under this Price Agreement. The records shall be subject to inspection by the Agency, State Purchasing Division, Department of Finance and Administration, and for Information Technology contracts, State Chieflnformation Officer. The Agency shall have the right to audit billings, both before and after payment. Payment for services under this Price Agreement shall not foreclose the right of the Agency to recover excessive or illegal payments.

22. **Subcontracts:** The foregoing requirements for Contractor Personnel, Subcontracting, and Audit shall be inserted into all subcontracts from the prime contractor to the subcontractor.

New Mexico Employees Health Coverage

A. If Contractor has, or grows to, six (6) or more employees who work, or who are expected to work, an average

DocuSign Envelope ID: 11279EA3-3O2E-4304-933C-B05O848B81B8

of at least 20 hours per week over a six (6) month period during the term of the contract, Contractor certifies, by signing this agreement, to have in place, and agrees to maintain for the term of the contract, health insurance for its New Mexico Employees and offer that health insurance to its New Mexico Employees if the expected annual value in the aggregate of any and all contracts between Contractor and the State exceeds $250,000 dollars.

B. Contractor agrees to maintain a record of the number of its New Mexico Employees who have (a) accepted health insurance; (b) declined health insurance due to other health insurance coverage already **in** place; or (c) declined health insurance for other reasons. These records are subject to review and audit by a representative of the state.

C. Contractor agrees to advise all of its New Mexico Employees of the availability of State publicly financed health care coverage programs by providing each of its New Mexico Employees with, as a minimum, the following web site **link** to additional infonnation: https://bewellnm.com.

D. For purposes of this Paragraph, the following terms have the following meanings:

(1) "New Mexico Employee" means any resident of the State of New Mexico employed by Contractor who performs the majority of the employee's work for Contractor within the State of New Mexico, regardless of the location of Contractor's office or offices; and

(2) "offer" means to make available, without unreasonable restriction, enrollment in one or more health coverage plans and to actively seek and encourage participation in order to achieve the goals of Executive Order 2007-049. This could include State publicly financed public health coverage programs such as *Insure New Mexico!*

Statewide Price Agreement

Article I- Statement of Work
Under the terms and conditions of this Price Agreement all State of New Mexico agencies, commissions, institutions, political subdivisions and local public bodies allowed by law may issue orders for items and/or services described herein. The terms and conditions of this Price Agreement shall form a part of each order issued hereunder.

The items and/or services to be ordered shall be as listed under Article IX - Price Schedule. All orders issued hereunder will bear both an order number and this Price Agreement number. It is understood that no guarantee or warranty is made or implied by the New Mexico State Purchasing Agent, his/her designee or the user that any order for any definite quantity will be issued under this Price Agreement. The Contractor is required to accept the order and furnish the items and/or services in accordance with the articles contained hereunder for the quantity of each order.

Article II - **Term**
The term of this Price Agreement, for issuance of orders, shall be as indicated in the specifications.

Article III - Specifications
Items and/or services furnished hereunder shall conform to the requirements of specifications and/or drawings applicable to items listed under Article IX-Price Schedule. Orders issued against this schedule will show the applicable Price Agreement item(s), number(s), and price(s); however they may not describe the item(s) fully.

Article IV - Shipping and Billing Instructions
Contractor shall ship in accordance with the following instructions: Shipment shall be made only against specific orders which the user may place with the Contractor during the term; The Contractor shall enclose a packing list with each shipment listing the order number, price agreement number and the commercial parts number (if any) for each item; Delivery shall be made as indicated on page1. If vendor is unable to meet stated delivery the State Purchasing Agent or his/her designee must be notified.

Article V - Termination
The Agency may terminate this Agreement for convenience or cause. The Contractor may only terminate this Agreement based upon the Agency's uncured, material breach of this Agreement. Contractor shall give Agency written notice of termination at least thirty (30) days prior to the intended date of termination, which notice shall **(i)** identify all the Agency's

DocuSign Envelope ID: 11279EA3-3O2E-4304-933C-B05O848B81B8

material breaches of this Agreement upon which the termination is based and (ii) state what the Agency must do to cure such material breaches. Contractor's notice of termination shall on
ly be effective (i) if the Agency does not cure all material breaches within the thirty (30) day notice period or (ii) in the case of material breaches that cannot be cured within thirty (30) days, the Agency does not, within the thirty (30) day notice period, notify the Contractor of its intent to cure and begin with due diligence to cure the material breach. Termination of this Contract, however, shall not affect any outstanding orders. This provision is not exclusive and shall not waive other rights and remedies afforded either party in the event of breach of contract or defau It. In such instances the contract may be cancelled effective immediately.

Article VI - Amendment
This Price Agreement may be amended by mutual agreement of the New Mexico State Purchasing Agent or his/her designee and the Contractor upon written notice by either party to the other. An amendment to this Price Agreement shall not affect any outstanding orders issued prior to the effective date of the amendment as mutually agreed upon, and as published by the New Mexico State Purchasing Agent or his/her designee. Amendments affecting price adjustments and/or the extension of a price agreement expiration date are not allowed unless specifically provided in the bid and price agreement specifications.

Article VII - Indemnity Clause
Contractor shall indemnify and hold harmless the State, its officers and employees, against liability, claims, damages, losses or expenses arising out of bodily injury to persons or damage to properties caused by, or resulting from Contractor's, and/or its employees, own negligent act or omission while Contractor, and/or its employees, perform or fails to perform its obligations and duties under the Terms and Conditions of this agreement. This save harmless and indemnification clause is subject to the immunities, provisions, and limitations of the Tort Claims Act (Section 41-4-1, et seq., N.M.S.A. 1978 comp. and Section 57-7-1 N.M.S.A. 1878 comp. and any amendments thereto.

It is specifically agreed between the parties executing this agreement that it is not intended by any of the provisions of any part of the agreement to create in the public or any member thereof a third party beneficiary or to authorize anyone not a party to the agreement to maintain a suit(s) for wrongful death(s), bodily and/ or personal injury(s) to person(s), damage(s) to property(ies) and/or any other claim(s) whatsoever pursuant to the provisions of this agreement.
Vendor shall provide all insurance necessary to employees on the work site, including but not limited to Worker's Compensation.

Article VIII - Issuance or Orders
Only written signed orders are valid under this Price Agreement.

Article IX - Packing (if applicable)
Packing shall be in conformance with standard commercial practices.

Article X- Price Schedule
Prices as listed in the price schedule hereto attached are firm.

Specifications

The State of New Mexico wishes to establish a Statewide Price Agreement for Roofing Services available to all state agencies, local public bodies, state political subdivisions, and other state entities allowed by law (referred to herein as "user agency" or "State"), may procure from this price agreement.

Scope of Work

The work shall include, but not limited to removal of all existing defective or damaged roofing materials, all preparation work and lay-out needed/required for installation of new roofing materials and other roofing related work required to make the building weather tight. All materials used for repairs shall be compatible with the existing roofing systems involved, ranging from, but not limited to, built-up asphalt and gravel, PVC, EPDM, TPO, HYPALON, modified bitumen and metal roofing panels. Any repairs to the substrate and/or building interior due to water damage may be included. Asbestos/mold testing and removal may be covered. All work shall be installed in strict compliance with the manufacturer's requirements and roofing industry standards, by workers trained and certified by the applicable roofing materials manufacturer.

All work area(s) shall be maintained in a neat and workmanlike manner. The contractor shall provide all clean-up for its operations and control of all construction debris. All construction debris shall be removed from the work areas and disposed of at an approved waste disposal site. The owner's trash container for the building shall not be used for disposal of construction debris. All personnel working on the project and providing these services shall be experienced and certified in all areas related to this work and required by this contract. Foremen level personnel shall have the ability and necessary skills to diagnosis problems and to make the appropriate decisions needed to provide these services.

Contractor's price shall include all labor costs, tools, equipment, materials, permits, overhead, profit, insurance and any other fees necessary to perform the work called for in the owner's scope of work and drawings for this project. Contractor shall provide quote separating materials, labor, per diem and mileage, bonds, permits, Gross Receipts Tax, and discounts. Contractor is responsible for any required permits and wage rates including the applications and costs. Any profit and overhead shall be rolled into the labor cost: it is not allowed as a markup. Subcontractor quotes may not be marked up and must be shown as quote line items. Rental equipment costs are allowed as well as temporary fencing and port-a-potties. The cost for stamped drawings, if not provided by the Owner, is allowed. The cost of subcontractors needed to remove and reconnect utility lines/equipment on the roof is allowed. Crane and scaffolding costs are allowed. The cost for materials may include shipping/delivery. Testing for wet sub-surfaces or leaks is an allowable cost.

Per diem: Contractor must agree to the maximum "Per Diem Rate" for any per diem charged to the procuring agency for contracted work as defined below:

"Per Diem Rate" means lodging, meals, and incidentals (excluding taxes). Reference Section Lodging by month and Section Meals & Incidentals Breakdown link:
https://www.gsa.gov/travel/plan-book/per-diem-rates

Mileage: One way per mile cost, per service (measured from contractor's office/shop to the requested job site, for travel in excess of 50 miles one way)

Contractor must agree to the maximum "Mileage Rate" for any mileage charged to the procuring agency for contracted work as defined below: "Mileage Rate" means Only the mileage from the dispatch to the customer site for repair orders for each mile traveled by vehicle as referenced in IRS standard mileage rates using link https://www.irs.gov/tax-professionals/standard-mileage-rates/

At the travel rate for that period/year travel was performed. Mileage calculation shall be evaluated with https://mapquest.com for reimbursement.

DocuSign Envelope ID: 11279EA3-3O2E-4304-933C-B05O848B81B8

The State of New Mexico requires that all materials shall be new and of the highest quality and at the best attainable price available for the type of work being performed.

No used materials shall be used on the project. Recycled materials specifically prepared for reuse to meet "LEED" certification will be permitted.

When a service is needed, the using agency shall provide, at a minimum, a detailed scope of work and/or drawings defining work required.

The contractor shall visit the site and compare the owner's scope of work and/or drawings to the existing conditions and provide all services called for in addition to the requirements set forth in this contract.

The contractor will be required to provide a written quote, to include the work to be performed and the amount of time required for the completion of the project and submit to the using agency at no cost to the state. Agency can be billed for the sub-contractor without markup

Prior to commencement of any work performed the using agency will issue a notice to proceed for the work upon receipt of a purchase order, based on the prices set forth by vendors quote.

The contractor shall begin the work based on the priority identified by the using agency. Any delay beyond the stated completion date shall be upon agreement by the owner and the contractor.

Abatement: Where hazardous waste and/or asbestos abatement must be dealt with, the costs for that service shall be calculated by the pound.

Where work is to be conducted in a correctional or secured facility, security clearances and background checks that may be required by the facility for the contractor and its employees must be obtained prior to commencement of any work at that facility. The using agency reserves the right to deny any employee of the contractor, access to the facility should the employee be in violation of any criteria required for the security clearance.

The user agency reserves the right to provide an escort and/or full time supervision of the contractor and its employees during any or all phases of a project, should the user agency feel it is in its best interest to provide these extraordinary security services.

The user agency reserves the right to escort any or all employees of the contractor off its property, for any inappropriate conduct or actions that jeopardize the safety, security or well being of the facility. Inappropriate behavior by the contractor, its employees or subcontractors shall immediately cancel this agreement. Any employee of the contractor found in violation of any law, while on the user agency's property, will be prosecuted.

Warranty- Roof

The contractor, making roofrepairs, shall provide a one (1) year workmanship warranty, with a manufacturer's warranty, for the new roofing materials, for ten (10) years. Provide a twenty (20) year, no dollar limit, manufacturer's warranty for new roofing systems. The contractor shall provide any necessary protective coverings needed to protect existing adjacent finishes. Should any damages occur, the contractor shall restore all existing adjacent finishes to their original condition.

Abatement:

Any time during the course of performing any work under this agreement the Contractor discovers the presence of asbestos or suspects that asbestos, mold, or hazardous material is present, the Contractor shall stop working immediately, secure the area, notify the Procuring Agency immediately and wait for positive identification of the suspect material. During the downtime in such a case, the Contractor shall not disturb any surrounding surfaces, but shall protect the area with suitable dust covers. In the event the Contractor is delayed due to the discovery of suspected material, then a mutually agreed

DocuSign Envelope ID: 11279EA3-3O2E-4304-933C-B05O848B81B8

extension of time to perform the work shall be allowed the Contractor, but without additional compensation due to the time extension. Work shall not proceed without a related work authorization cleared by the Procuring Agency.

Term

The tern of this agreement shall be for two (2) years from date of award with the option to extend for three (3) additional biennial periods, by mutual agreement of all parties. This price agreement shall not exceed eight (8) years.

Bids

Bids/or these services are requested on a statewide basis. If the awarded contractor does not wish to travel to other parts of the State, it is acceptable to decline work. The State anticipates awarding multiple contracts to cover the whole state. So local roofers are encouraged to bid on this ***1TB.*** *Mileage and per diem costs are allowable beyond 50 miles.*

Method of Award

Pursuant to the Procurement Code, Sections 13-1-153 and 13-1-154, the State reserves the right to issue multiple awards to obtain the items listed. Multiple awards are recommended to ensure availability and timely delivery. Determination for award shall be based upon the lowest total cost of all items listed and the bidder's abilities to meet the "minimum" and "submittal" requirements of the Invitation to Bid. This may be a multiple award contract. To be considered, the bidder MUST enter prices/costs for all of the items. If the bidder does not have any laborers, the bidder must still put an amount in fro that item number. Most of these projects will be over $60,000 and subject to State Department of Workforce Solutions wage rates so assume that that level of wages would have to be paid.

Tax

Price shall not include State Gross Receipts or Local Option Tax. Taxes shall be added to the purchase order and invoice at current rates as a separate item to be paid by Utilizing Entity.

Escalation/Reduction Clause

Contractor shall keep pricing fixed for each year of this Agreement. Thereafter, SPD and the Contractor may adjust pricing no more than once annually through an amendment to the Agreement at the time of Agreement renewal. Contractor shall submit all pricing increase requests to SPD directly or through the agency contact in writing and provide substantiating evidence that each request is based on demonstrable market changes impacting the cost of products. The request must show all proposed increases by line item and include supporting documentation acceptable to SPD (such as a letter from a manufacturer indicating price increases, etc.) SPD's decision on what is acceptable in this context is final and shall be accepted by all parties to the Agreement. *Requested price increases that exceed 10% will not be accepted. No* price increase may result in a higher profit margin for the Contractor than at the beginning of the initial term of this Agreement. Pricing changes will apply to Agreements and amendments to Agreements entered on and after the effective date of the price change. Price decreases as well as increases shall apply in the same manner. If vendor's prices are reduced for any reason, users shall receive the benefit of such reductions, immediately. Price increases will not be retroactive to orders already in house or backorders. Orders will be filled at the price in effect on the date ofreceipt of the order by the vendor. To facilitate prompt consideration, all requests for price increase must include all information listed below:

1. Agreement Item Number
2. Current Item Price
3. Proposed New Price
4. Percentage oflncrease
5. Mill/Supplier Notification of price increase indicating percentage of increase including reason for increase.

DocuSign Envelope ID: 11279EA3-3O2E-4304-933C-B05O848B81B8

Contractor shall provide the following information:
Contractor's New Mexico license no.
Contractor classification no.
New Mexico Business Identification Number (formerly CRS Number)
Federal Employer Identification Number (FEIN)

Electronic Record and Signature Disclosure

ELECTRONIC RECORD AND SIGNATURE DISCLOSURE

A. ELECTRONIC RECORD AND SIGNATURE DISCLOSURE (ERSD)

From time to time, New Mexico General Services Department (GSD), on behalf of the State of New Mexico (SONM), may be required by law to provide you with certain written notices or disclosures. Stated below are the terms and conditions for GSD's providing you such notices and disclosures electronically through the DocuSign system. Please read this information carefully. If you are able to access this information electronically and agree to **this Electronic Record and Signature Disclosure (ERSD),** please confirm your agreement by selecting the check-box next to "I agree to use electronic records and signatures" before clicking "CONTINUE" within the DocuSign system.

B. Obtaining paper copies

At any time up to twenty (20) calendar days following your use of DocuSign to electronically sign a document, you may request a paper copy of any record provided or made available electronically to you by GSD. You will have the ability to download and print documents SONM sends you through the DocuSign system during and immediately after the signing session and, if you elect to create a DocuSign account, you may access the documents for a twenty (20) calendar day period after such documents are first sent to you. Following the twenty (20) day period, if you want GSD to send you paper copies of any such documents from GSD's office, you will be charged a $1.00 per-page fee plus postage. You may request delivery of such paper copies from GSD by following the procedure stated in Section H, below.

C. Withdrawing your consent

If you decide to receive notices and disclosures from GSD electronically, you may at any time change your mind and inform GSD you want to receive required notices and disclosures only in paper format. The procedure concerning how you may inform GSD of your decision to receive future notices and disclosures in paper format as well as withdraw your consent to receive notices and disclosures electronically is stated in Section D, immediately below.

D. Consequences of changing your mind

If you elect to receive required notices and disclosures only in paper format, it will slow the speed with which GSD will be able to complete certain steps in specific transactions and deliver paper copies to you. GSD will need: (1) to send the required notices or disclosures to you in paper format; and (2) wait until GSD receives your acknowledgment of your receipt of such paper notices or disclosures. Further, you will no longer be able to use the DocuSign system to receive required notices and consents electronically from SONM or to electronically sign documents generated and sent to you from SONM.

E. All notices and disclosures will be sent to you electronically

Unless you inform GSD otherwise according to these procedures, GSD will electronically provide you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements and other documents that are required to be provided or made available to you during the course of your electronic signature relationship with SONM. To reduce the possibility of inadvertent non-receipt, GSD prefers to provide all required notices and disclosures by the same method and to the same email or physical address that you furnish to GSD. Thus, you may receive the disclosures and notices electronically or in paper form. If you do not agree with this procedure, please inform GSD according to the procedures stated in Section I, below. Please also refer to Section D, immediately above, which states the consequences resulting from your declination of electronic delivery of notices and disclosures.

F. How to contact GSD:

You may inform General Services Department (GSD) of any changes you select regarding State Purchasing Division's (SPD) electronic communications with you, to request paper copies of certain information from SPD, and to withdraw your prior consent to receive notices and disclosures electronically by emailing your request(s) to SPD at: *GSD.SPDinfo@state.nm.us*

G. To advise SPD of your new email address

To inform SPD of a change in the email address to which SPD sends you notices and disclosures electronically, you must send an email to SPD at *GSD.SPDinfo@state.nm.us* and in the body of such request you must include your previous and new email addresses.

H. To request paper copies from SPD

To request delivery of paper copies of electronic notices and disclosures that DocuSign and/or SPD have previously provided to you, you must send an email to SPD at *GSD.SPDinfo@state.nm.us* and in the body of your email request state your email address, full name, mailing address, and telephone number. SPD will charge you a $1.00 per page copy fee plus postage.

I. To withdraw your consent with SPD

To inform SPD that you no longer wish to receive notices and disclosures in electronic format you may:

(1) Decline to sign a document from within a signing session, and on the subsequent page, select the check-box indicating you wish to withdraw your consent, or you may:

(2) Send SPD an email to *GSD.SPDinfo@state.nm.us* and in the body of your request state your email address, full name, mailing address, and telephone number.

J. Required hardware and software

The minimum system requirements for using the DocuSign system may change over time. The current DocuSign system requirements may be found at:
https://support.docusign.com/guides/signer-guide-signing-system-requirements

K. Acknowledging your access and consent to receive and sign documents electronically

To confirm that you are able to electronically access the information contained in this Electronic Record and Signature Disclosure (ERSD), please confirm that you have: (1) read this ERSD, and either: (2) you are able to print on paper or electronically save this ERSD for your future reference and access; or (3) you are able to email this ERSD to an email address where you will be able to print this ERSD on paper and/or save this ERSD for your future reference and access. Further, if you consent to receiving notices and disclosures from DocuSign and/or SPD exclusively in electronic format, then select the check-box next to "I agree to use electronic records and signatures," before you click "CONTINUE" within the DocuSign system.

By selecting the check-box next to "I agree to use electronic records and signatures," you confirm that:

- You have read this Electronic Record and Signature Disclosure (ERSD); and
- You can print this ERSD on paper, or you can save and/ or send this ERSD to a location where you can print this ERSD, for your future reference and access; and
- Until or unless you notify SPD as stated in this ERSD, you consent to exclusively receive through electronic means all notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you by SPD during the course of your electronic signature relationship with SPD.

Electronic Record and Signature Disclosure

ELECTRONIC RECORD AND SIGNATURE DISCLOSURE

A. ELECTRONIC RECORD AND SIGNATURE DISCLOSURE (ERSD)

From time to time, New Mexico General Services Department (GSD), on behalf of the State of New Mexico (SONM), may be required by law to provide you with certain written notices or disclosures. Stated below are the terms and conditions for GSD's providing you such notices and disclosures electronically through the DocuSign system. Please read this information carefully. If you are able to access this information electronically and agree to **this Electronic Record and Signature Disclosure (ERSD),** please confirm your agreement by selecting the check-box next to "I agree to use electronic records and signatures" before clicking "CONTINUE" within the DocuSign system.

B. Obtaining paper copies

At any time up to twenty (20) calendar days following your use of DocuSign to electronically sign a document, you may request a paper copy of any record provided or made available electronically to you by GSD. You will have the ability to download and print documents SONM sends you through the DocuSign system during and immediately after the signing session and, if you elect to create a DocuSign account, you may access the documents for a twenty (20) calendar day period after such documents are first sent to you. Following the twenty (20) day period, if you want GSD to send you paper copies of any such documents from GSD's office, you will be charged a $1.00 per-page fee plus postage. You may request delivery of such paper copies from GSD by following the procedure stated in Section H, below.

C. Withdrawing your consent

If you decide to receive notices and disclosures from GSD electronically, you may at any time change your mind and inform GSD you want to receive required notices and disclosures only in paper format. The procedure concerning how you may inform GSD of your decision to receive future notices and disclosures in paper format as well as withdraw your consent to receive notices and disclosures electronically is stated in Section D, immediately below.

D. Consequences of changing your mind

If you elect to receive required notices and disclosures only in paper format, it will slow the speed with which GSD will be able to complete certain steps in specific transactions and deliver paper copies to you. GSD will need: (1) to send the required notices or disclosures to you in paper format; and (2) wait until GSD receives your acknowledgment of your receipt of such paper notices or disclosures. Further, you will no longer be able to use the DocuSign system to receive required notices and consents electronically from SONM or to electronically sign documents generated and sent to you from SONM.

E. All notices and disclosures will be sent to you electronically

Unless you inform GSD otherwise according to these procedures, GSD will electronically provide you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements and other documents that are required to be provided or made available to you during the course of your electronic signature relationship with SONM. To reduce the possibility of inadvertent non-receipt, GSD prefers to provide all required notices and disclosures by the same method and to the same email or physical address that you furnish to GSD. Thus, you may receive the disclosures and notices electronically or in paper form. If you do not agree with this procedure, please inform GSD according to the procedures stated in Section I, below. Please also refer to Section D, immediately above, which states the consequences resulting from your declination of electronic delivery of notices and disclosures.

F. How to contact GSD:

You may inform General Services Department (GSD) of any changes you select regarding State Purchasing Division's (SPD) electronic communications with you, to request paper copies of certain information from SPD, and to withdraw your prior consent to receive notices and disclosures electronically by emailing your request(s) to SPD at: *GSD.SPDinfo@state.nm.us*

G. To advise SPD of your new email address

To inform SPD of a change in the email address to which SPD sends you notices and disclosures electronically, you must send an email to SPD at *GSD.SPDinfo@state.nm.us* and in the body of such request you must include your previous and new email addresses.

H. To request paper copies from SPD

To request delivery of paper copies of electronic notices and disclosures that DocuSign and/or SPD have previously provided to you, you must send an email to SPD at *GSD.SPDinfo@state.nm.us* and in the body of your email request state your email address, full name, mailing address, and telephone number. SPD will charge you a $1.00 per page copy fee plus postage.

I. To withdraw your consent with SPD

To inform SPD that you no longer wish to receive notices and disclosures in electronic format you may:

(1) Decline to sign a document from within a signing session, and on the subsequent page, select the check-box indicating you wish to withdraw your consent, or you may:

(2) Send SPD an email to *GSD.SPDinfo@state.nm.us* and in the body of your request state your email address, full name, mailing address, and telephone number.

J. Required hardware and software

The minimum system requirements for using the DocuSign system may change over time. The current DocuSign system requirements may be found at:
https://support.docusign.com/ guides/signer-guide-signing-system-requirements

K. Acknowledging your access and consent to receive and sign documents electronically

To confirm that you are able to electronically access the information contained in this Electronic Record and Signature Disclosure (ERSD), please confirm that you have: (1) read this ERSD, and either: (2) you are able to print on paper or electronically save this ERSD for your future reference and access; or (3) you are able to email this ERSD to an email address where you will be able to print this ERSD on paper and/or save this ERSD for your future reference and access. Further, if you consent to receiving notices and disclosures from DocuSign and/or SPD exclusively in electronic format, then select the check-box next to "I agree to use electronic records and signatures," before you click "CONTINUE" within the DocuSign system.

By selecting the check-box next to "I agree to use electronic records and signatures," you confirm that:

- You have read this Electronic Record and Signature Disclosure (ERSD); and
- You can print this ERSD on paper, or you can save and/ or send this ERSD to a location where you can print this ERSD, for your future reference and access; and
- Until or unless you notify SPD as stated in this ERSD, you consent to exclusively receive through electronic means all notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you by SPD during the course of your electronic signature relationship with SPD.

RE: Re-Roof Facility
GSA #30-00000-23-00051
WWTP Conference Room

Mr. Alvarado:

In accordance with your request, National Roofing Co. (NRC) inspected the roof at the above referenced location to provide a replacement estimate. Accordingly, we propose the following.

EXISTING ROOF ASSEMBLY - FINDINGS

We inspected this commercial facility and noted these issues.

- Existing Roof System is a Built-up roofing assembly over approximately 5" of perlite over concrete.
- We presume that the roof Slope is created by tapered perlite descending towards internal drains.

- Base-to-wall Flashings current terminate under a two-piece Metal Counter flashing mounted to the inner parapet walls.

- Roof Drainage is to internal, standard primary with separate scupper drain assemblies.

- Parapets show signs of extreme deterioration caused by destructive UV rays and temperature swings.

CONSPECTUS – ROOFING REPLACEMENT

This building has two roof assemblies in place. Current building code will not allow the application of a third system. We propose removing the existing system, and installing a new, warranted Roof Assembly. The full assembly will receive a Manufacturer's Twenty (20) year Standard Form System Warranty with an Installers Two (2) year.

Roof Replacement Process – Thermoplastic Polyolefin Membrane

- Parapets and Penetration Flashings will be removed, and substrates prepared for new Flashings.
- Existing Field Membrane and Insulation will be removed and hauled off site for disposal.
  - Only as much area will be disabled as can be made weathertight by the end of each workday
- A new, High Density Polyisocyanurate coverboard, Insulation and Taper system will be installed, adhesive attached to the Structural Concrete Deck.
- A new sixty (60) mil White Thermoplastic Polyolefin (TPO) membrane will be installed utilizing TPO bonding adhesive.
- New sixty (60) mil White TPO membrane will be installed on inner parapets terminating approximately twelve (8) inches vertically up from the field under counterflashing.
- Roof Curbs, Penetrations, Parapets and Drains will be flashed in accordance with manufacturer's written instructions for warranty issuance.

Mechanical and Electrical Process – Removal and Replacement

- Gas/Electrical/disconnect all exhaust units
- Raise all units to allow for new curb flashing
- Units lowered over new curb flashing
- Gas reconnect/pressurization/testing of all units
- Electrical reconnect/testing off all units
- Removal of (5) abandoned units/curbs
- Remove lightning protection system
- Raise ridged conduit
- Raise junction box
- Install new overflow drains (4)
- Lower preexisting drains (2)
- Install new scupper drains (2)
- Demo abandoned conduit
- Demo abandoned exhaust vent

Stucco Re-coat Process (Inner parapet over to outer parapet down to tile frieze)

- Power wash entire area to remove debris and loose stucco and paint
- Patch all holes/voids and level to existing surface
- Add metal lath to areas that will receive recoat
- Apply FRS base coat
- Install water resistant parapet system using fiberglass mesh and resin
- Apply NCB base coat
- Apply primer before installation of finish
- Hand trowel synthetic stucco finish (Mojave Sand)
- Clean up and haul off remaining debris

Schedule, Access, and Additional Information

- We anticipate the upper roof to take approximately three (3) weeks to complete, weather permitting.
  - Access will be as shown - if acceptable.
  - Our goal would be to inconvenience building occupants as little as possible.

Pricing

BID AMOUNTS	
As of publication date, material lead times for larger orders can be excessive. Material Pricing is stabilizing, but National Roofing reserves the right to recover costs for material price increases that may occur when procurement durations are extended (see below**) **We are utilizing published pricing for ship date good to October 16, 2025**	
BASE BID -Removal and replacement of existing roofing	**Price**
• GSA #30-00000-23-00051 • Prevailing State Wages utilized in pricing • Santa Fe reroof Permit • 60 mil TPO regular smooth membrane adhered over coverboard, provide a 20-year warranty. • Santa Fe Tax @ 8.1875%	**TPO Roofing** $201,937.00 **MEP** $70,311.00 **Stucco** $25,654.00 **Permit** $3,984.00 **Bonds** $3,807.00 **Tax** $25,029.00 **Total** $330,722.00

Taxes, Miscellaneous Fees and Warranty Fees

- Commercial re-roof permit fees are included.
  - All Fees are subject to invoice.

General Liability Insurance with the following limits

- Insurance limits exceeding New Mexico statutory requirements.
- $1,000,000.00 per occurrence general liability.
- $2,000,000.00 general aggregate.
- $2,000,000.00 completed operations.
- $5,000,000.00 excess/umbrella liability.

Workmen's Compensation Insurance with the following limits:

- $2,000,000.00 employer's liability per accident
- $2,000,000.00 employer's liability for disease per employee
- $2,000,000.00 employer's liability for disease policy limit

Training and Safety

- Compliance with all OSHA safety policies.
- Independent safety inspections are conducted by a third-party consultant, when requested.
- Our crews have OSHA 10 training.
- Entire crew has safety and fall protection training.
- Key personnel are CPR certified.
- Every crew has a minimum 2 safety monitors.

Pricing Excludes:

- Non-scheduled work hours
- Moisture or Asbestos Testing, SWPPP or BIM Costs
- Manufacturer's Shop Drawings
- Interior protection or repair to interior when damage is caused by normal execution of roofing or re-roofing activities
- Bid amount includes flashing at penetrations indicated on Documents - Pipes, vents, curbs and curb insulation, hatches and ladders are not included unless noted otherwise
- Products, materials, installations not specifically included in the Scope of Work above.

Submitted Prices are Subject to the Following terms and Conditions:

- We have anticipated needing one mobilization to complete our work - NRC will negotiate for additional mobilizations if required by factors outside our control.
- Our standard work week is four 10-hour days. This Bid is based on a final project schedule that allows a reasonable time to complete the Work in an efficient manner. Roof activities may be delayed due to environmental conditions that result in unsafe working conditions and those that would adversely affect system installation. Subcontractor shall be entitled to an equitable adjustment in the price of the work resulting from any change of schedule, acceleration of work, or out of sequence work required as a result of factors outside of our control. National Roofing shall not be responsible for damage or delay caused by circumstances beyond its reasonable control.
- Final Contract terms will be subject to review upon Notice of Award; fees are based on the assumption that this Bid Abstract will constitute part of the Agreement between National Roofing and the Owner - Owner Entity
- National Roofing utilizes Construction Billing Cycles or Progress Billing on projects that have a production duration of thirty (30) days or more. Billings are submitted on or around the 25th of each month, projected through the end of that month, payable by the 10th next month.
- Material pricing utilized at time of bid will be provided with our submitted Schedule of Values for reference and to establish a baseline for material orders. Comparison with material billing upon shipment and receipt may result in Contract Price adjustments. Please note that impending Trade Tariffs may have impacts on construction materials. Increases do to material shortages, increased costs or other reasons out of National Roofing's direct control will be the responsibility of the final purchaser of goods and services from National Roofing.

Notice:

- National Roofing shall not be liable for any claims or damages arising from or related to deficiencies in existing drainage conditions. Roofer's work does not include evaluation of the adequacy of the existing drainage components (for example, sizing and placement of existing scuppers); nor does the building code require compliance with current plumbing codes when existing drainage elements are not modified. National Roofing may make recommendations to improve drain conditions if potential deficiencies are detected during the course of roofing operations.
- Additionally, tapered insulation above deck (if included in scope) may not compensate for all low points in an existing roof; National Roofing shall not be liable for ponding water due to existing imperfections in the roof deck. If obvious deflection or low spots are noted in the existing deck after existing roof tear off,

additional tapered insulation may be required to achieve positive drainage.

- Unless specifically noted elsewhere, addition of drains or scuppers for improved drainage, or supplemental insulation required to compensate for unseen imperfections is not part of the base bid and will be offered as a change order for consideration prior to installation.

We can be contacted at (505) 883-3000 to schedule this work. Thank you for relying on National Roofing for your roofing needs.

Sincerely,

Douglas Harrison

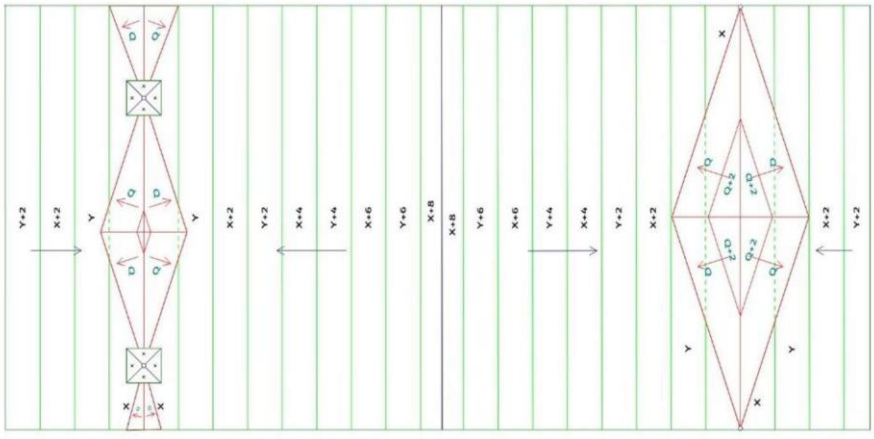
City of Santa Fe Wastewater Treatment Plant

Conference Room- Re-Roof

National Roofing



Cost driving factors

- Insulation is saturated and needs to be Removed. Code requires insulation with R-30 value to be reinstalled.

- Slope is entirely in the current taper assembly and must be removed. A new taper system with¼"/ 12"has been added for proper drainage flow. *(See below for new assembly layout)*

- Drains will be removed, and scupper wall drains will be replaced. Code requires overflow drainage to be added in instances where the drains are moved or replaced. (4) overflow drains will be added to the current.

- Parapets are cracked in many places allowing for water infiltration into the parapet walls and roof assembly. Parapets will need to be re-stuccoed in order to provide a warranted new roofing assembly.

- Electrical vault and connecting conduit will need to be raised in order to accommodate for the rise in the taper insulation system.

CERTIFICATE OF LIABILITY INSURANCE

DATE (MM/DD/YYYY): 10/28/2025

THIS CERTIFICATE IS ISSUED AS A MATTER OF INFORMATION ONLY AND CONFERS NO RIGHTS UPON THE CERTIFICATE HOLDER. THIS CERTIFICATE DOES NOT AFFIRMATIVELY OR NEGATIVELY AMEND, EXTEND OR ALTER THE COVERAGE AFFORDED BY THE POLICIES BELOW. THIS CERTIFICATE OF INSURANCE DOES NOT CONSTITUTE A CONTRACT BETWEEN THE ISSUING INSURER(S), AUTHORIZED REPRESENTATIVE OR PRODUCER, AND THE CERTIFICATE HOLDER.

IMPORTANT: If the certificate holder is an ADDITIONAL INSURED, the policy(ies) must have ADDITIONAL INSURED provisions or be endorsed. If SUBROGATION IS WAIVED, subject to the terms and conditions of the policy, certain policies may require an endorsement. A statement on this certificate does not confer rights to the certificate holder in lieu of such endorsement(s).

RE: SANTA FE NEW YEARS EVE
LA FONDA ROOFTOP/ SANTA FE PLAZA
100 E SAN FRANCISCO ST

This firework display permit shall be officially recognized if the following conditions are complied with the IFC 2015 Section 105.6.15:

1. Permission is granted for **Article, Pyrotechnic 1.4G, UN 0431, (for professional use ONLY)**
2. Shall provide this firework permit signed by the Fire Marshal/ Fire Code Official filled out on site for verification.
3. Site map with firing site(s), drop zone distances, and safe zone distances.
4. Shall provide no smoking signs.
5. Shall include date, time, and location on site map.
6. List of all fireworks to be used with their descriptions.
7. As soon as fireworks arrive on site, they will not be left unattended under any circumstances.
8. In the event of unfavorable wind conditions, the firework display will be postponed until favorable wind conditions exist (wind conditions not to exceed 10 mph).
9. If **any** of the above requirements are **NOT FOLLOWED**, this firework permit **will be REVOKED** by the fire code official. The applicant acknowledges and agrees to this statement and all requirements listed above.

Fire Chief/ Fire Code Official

November 12th, 2025

October 29, 2025

Chief Brian Moya &
Fire Marshal Geronimo G. Griego
Santa Fe Fire Department

Re: Fireworks Permit application for Santa Fe 2025 New Year's Eve

Dear Chief Moya & Fire Marshal Griego:

We have been contacted to conduct the fireworks display for the Santa Fe December 31, 2025, New Year's Eve Celebration to be staged at the La Fonda Plaza Hotel, same as last year. As per the request for the display, we are enclosing the following information.

1) Certificate of Insurance for Fireworks Display, Copy of New Mexico State Fire Marshal's Fireworks License for Western Enterprises, Inc.
2) Copy of BATF&E Explosives License for Western Enterprises, Inc.
3) Copy of United States DOT "Hazardous Materials Safety Permit" for Western Enterprises, Inc.
4) Product will be classified as **Articles, Pyrotechnic 1.4 G, UN 0431, (for Professional Use ONLY)** Product Description Script attached.
5) Copy of a site maps diagram of the launch site of the fireworks display
6) ATF Clearance for Technicians in charge: (Matthew Flores, Nick Flores & Kevin Connelly)

We hope this provides you with the information you need for the permit application.
If you have any questions, please feel free to email or call us immediately at 580-855-2203.

Respectfully,

Jim Burnett, President

First Firing Location on the La Fonda Hotel.
(100 E San Francisco St, Santa Fe, NM 87501)

Requirements they are to provide for the 1.4 G Articles Pyrotechnic on the La Fonda Hotel

- The green star indicates the approximate firing location.
- The **outside yellow line** represents the drop zone.
- Inside the red lines denote no spectators or parking during fireworks. **This MUST be adhered to.**
- The black rectangle is the loading zone and apparatus location.

Second Firing Location from the plaza area on San Francisco Street.

Requirements they are to provide for the 1.4 G Articles Pyrotechnic on San Francisco Street

1. The "**Red Stage**" is approximate location for stage for ZIA
2. The "**Purple Squares**" denote gerb and 7/8' crackling mine placement. (The gerbs and mines are to be secured by "clamps" in a black frame platform. Gerbs and mines are fired simultaneously from left to right, see script.)
3. "Yellow Lines" are drawn from "**Purple Squares**" to the "**Blue Line Outside Safety Perimeter**". **(Pyro is approximately 20-ft to the north curb toward park, 35-ft from stage, 45-ft to the east and west to secured area, and 22-ft back to the buildings.)** No spectators can be on the sidewalk in front of the buildings during the fireworks. There will be spectators outside of the "**Blue Line Outside Safety Perimeter**".

CERTIFICATE OF LIABILITY INSURANCE

Change of Address *(27 CFR 555.54(a)(1))*. Licensees or permittees may during the term of their current license or permit remove their business or operations to a new location at which they intend regularly to carry on such business or operations. The licensee or permittee is required to give notification of the new location of the business or operations not less than 10 days prior to such removal with the Chief, Federal Explosives Licensing Center. The license or permit will be valid for the remainder of the term of the original license or permit. **(The Chief, FELC, shall, if the licensee or permittee is not qualified, refer the request for amended license or permit to the Director of Industry Operations for denial in accordance with § 555.54.)**

Right of Succession *(27 CFR 555.59)*. (a) Certain persons other than the licensee or permittee may secure the right to carry on the same explosive materials business or operations at the same address shown on, and for the remainder of the term of, a current license or permit. Such persons are: (1) The surviving spouse or child, or executor, administrator, or other legal representative of a deceased licensee or permittee; and (2) A receiver or trustee in bankruptcy, or an assignee for benefit of creditors. (b) In order to secure the right provided by this section, the person or persons continuing the business or operations shall furnish the license or permit for for that business or operations for endorsement of such succession to the Chief, FELC, within 30 days from the date on which the successor begins to carry on the business or operations.

HAZARDOUS MATERIALS SAFETY PERMIT
HM Safety Permit ID: US-203517-OK-HMSP
Effective Date: July 14, 2025

Dear JAMES V. BURNETT:

The Hazardous Materials Safety Permit (HMSP) is verification of the motor carrier's permission to engage in the transportation of hazardous materials listed in 49 CFR 385.403 by motor vehicle in interstate, intrastate, or foreign commerce.

This HMSP will be effective beginning July 14, 2025 and remain effective through July 31, 2027 if your company maintains compliance with the requirements pertaining to the safe and secure movement of hazardous materials for the protection of the public (49 CFR 385 and other applicable Federal Motor Carrier Safety Regulations and Hazardous Material Regulations). Failure to maintain compliance will constitute sufficient grounds for suspension or revocation of this authority.

Willful and persistent noncompliance with applicable safety fitness regulations as evidenced by a Department of Transportation safety fitness rating less than "Satisfactory" or by other indicators, could result in a proceeding requiring the holder of this permit to show cause as to why this authority should not be suspended or revoked.

For questions regarding this document you may contact the FMCSA Hazardous Materials Division by email at fmcsa.hmsp@dot.gov or by phone at (202) 385-2400 or by fax at (202) 366-3621.

Sincerely,

Paul Bomgardner
Chief, Hazardous Material Division

Memorandum

DATE: November 14, 2025

TO: Governing Body, Finance Committee, and Public Works & Utilities Committee

VIA: Jesse Roach, Interim Public Utilities Department Director

FROM: John Del Mar, Water Division Engineering Supervisor

CC: Jonathan Montoya, Interim Water Division Director

RE: BAR for Carollo On-call Engineering Services

ITEM AND ISSUE:

The Public Utilities Department respectfully requests your review and approval of a Budget Amendment Resolution (BAR) in the amount of $2,005,000 from the Water Enterprise Cash Fund to Water WIP Design for on-call engineering services for Carollo Engineers Inc. (John Del Mar, jpdelmar@santafenm.gov, 505-955-4231)

BACKGROUND AND SUMMARY:

This BAR is needed to fund on-call engineering services from Carollo Engineers Inc. for FY 26. Carollo was procured via RFP in August of 2023. The Water Division currently has over $150M in capital improvement projects either in construction or in the planning and design phase. Projects include dam safety improvements at two reservoirs, numerous water treatment plant repairs and upgrades, new pipelines for long term water security, and replacement of aging water distribution infrastructure. In addition to CIP, the water Division manages a complex water system with multiple sources, planning needs, and operating modes. The Water Division relies on on-call engineering services for specialized expertise and general support.

This BAR adds funds to the contract amount that was originally processed when the contract was initiated and also replaces the carry-over BAR from FY25 to FY26 in order to provide more detailed budgeting information pursuant to Ordinance 2025-10.

CONTRACT NUMBER:

The FY24 Munis contract number is 3204172. The original contract date was August 14, 2023.

RE: BAR for Hazen and Sawyer On-call Engineering Services

ITEM AND ISSUE:

The Public Utilities Department respectfully requests your review and approval of a Budget Amendment Resolution (BAR) in the amount of $1,060,000 from the Water Enterprise Cash Fund to Water WIP Design for on-call engineering services for Hazen and Sawyer. (John Del Mar, jpdelmar@santafenm.gov, 505-955-4231)

BACKGROUND AND SUMMARY:

This BAR is needed to fund on-call engineering services from Hazen and Sawyer for FY 26. Hazen and Sawyer were procured via RFP in August of 2023. The Water Division currently has over $150M in capital improvement projects either in construction or in the planning and design phase. Projects include dam safety improvements at two reservoirs, numerous water treatment plant repairs and upgrades, new pipelines for long term water security, and replacement of aging water distribution infrastructure. In addition to CIP, the water Division manages a complex water system with multiple sources, planning needs, and operating modes. The Water Division relies on on-call engineering services for specialized expertise and general support.

This BAR adds funds to the contract amount that was originally processed when the contract was initiated and also replaces the carry-over BAR from FY25 to FY26 in order to provide more detailed budgeting information pursuant to Ordinance 2025-10.

CONTRACT NUMBER:

The FY24 Munis contract number is 3204162. The original contract date was August 14, 2023.

RE: BAR for AECOM On-call Engineering Services

ITEM AND ISSUE:

The Public Utilities Department respectfully requests your review and approval of a Budget Amendment Resolution (BAR) in the amount of $1,480,000 from the Water Enterprise Cash Fund to Water WIP Design for on-call engineering services for AECOM Technical Services. (John Del Mar, jpdelmar@santafenm.gov, 505-955-4231)

BACKGROUND AND SUMMARY:

This BAR is needed to fund on-call engineering services from AECOM Technical Services, Inc. for FY 26. AECOM was procured via RFP in August of 2023. The Water Division currently has over $150M in capital improvement projects either in construction or in the planning and design phase. Projects include dam safety improvements at two reservoirs, numerous water treatment plant repairs and upgrades, new pipelines for long term water security, and replacement of aging water distribution infrastructure. CITY OF SANTA FE

Date: November 18, 2025

To: Governing Body

From: Tim Farrell, Interim Facilities Division Director Timothy Farrell

Via: Sam Burnett, Interim Public Works Department Director JOHN BURNETT (Nov 18, 2025 15:57:05 MST)
Brian Moya, Fire Chief BRIAN MOYA

Subject: Capital Appropriation Agreement Project 25-J4367 for Fire Station Facilities

---

ACTION:
Request for Approval of Capital Appropriation Grant Agreement with New Mexico Department of Finance and Administration for Project 25-J4367 Improvements to Fire Station Facilities in the Total Amount of $3,955,050 with a Reversion Date of June 30, 2027. (Tim Farrell, Interim Facilities Division Director, tgfarrell@santafenm.gov)

Request for Approval of a Budget Amendment Resolution (BAR) to Allocate $3,955,050 to FY26 Revenue and Facilities WIP Construction for Improvements to Fire Station Facilities.

BACKGROUND AND SUMMARY:
The City of Santa Fe has been awarded State Grant for Capital Appropriation Project 25-J4367 in the amount of $3,955,050 to plan, design, construct, renovate, furnish, and equip fire station facilities in Santa Fe. The Facilities Division is currently working with the Fire Department to identify necessary improvements to existing fire station facilities to utilize this State Grant.

This appropriation does not require an allocation for Art in Public Places (AIPP) and the total of $3,955,050 is available for project budget allocations. All funds are expected to be expended prior to the June 30, 2027, reversion date.

The Agreement designates Mayor Alan Webber as the official representative in all matters related to the project and requires Governing Body review and approval.

NEW MEXICO CAPITAL OUTLAY GRANT AGREEMENT
CAPITAL APPROPRIATION PROJECT

THIS AGREEMENT is made and entered into by and between the State of New Mexico, Department of Finance & Administration, 407 Galisteo Street, Santa Fe, NM 87501, ("**Department**") and the City of Santa Fe, ("**Grantee**") (individually "**Party**" and collectively "**Parties**"). This Agreement shall be effective as of the date the Department executes it ("**Effective Date**").

WITNESSETH

WHEREAS, in the Laws of 2025, Chapter 158, Section 369, the Legislature made an appropriation to the Department, funds from which the Department is making available to the Grantee pursuant to this Agreement; and

WHEREAS, the Department is granting to Grantee, and the Grantee is accepting the grant of funds from this appropriation, in accordance with the terms and conditions of this Agreement;

NOW, THEREFORE, in consideration of the mutual covenants and obligations contained herein, the parties hereby mutually agree as follows:

AGREEMENT

I. PROJECT DESCRIPTION, GRANT AMOUNT, AND REVERSION

A. **25-J4367** ("**Project**") 6/30/2027 ("**Reversion Date**"). Laws of 2025, Chapter 158, Section 369, Three Million Nine Hundred Fifty-Five Thousand Fifty Dollars and No Cents, $3,955,050.00, The unexpended balance of the appropriation to the local government division in Subsection 447 of Section 28 of Chapter 199 of Laws 2023 to plan, design, construct, furnish and equip fire station 2, including infrastructure, for Santa Fe in Santa Fe county shall not be expended for the original purpose but is changed to plan, design, consruct, renovate, furnish and equip fire station facilities in Santa Fe in Santa Fe county. The time of expenditure is extended through fiscal year 2027..

B. Grantee's total reimbursements shall not exceed $3,955,050.00 Three Million Nine Hundred Fifty-Five Thousand Fifty Dollars and No Cents, ("**Appropriation Amount**") minus the allocation for Art in Public Places ("**AIPP amount**"), if applicable, $0.00 Zero Dollars and No Cents, which equals $3,955,050.00 Three Million Nine Hundred Fifty-Five Thousand Fifty Dollars and No Cents ("**Adjusted Appropriation Amount**").

C. In the event of a conflict among the Appropriation Amount, the Reversion Date, as defined herein and/or the purpose of the Project, as set forth in this Agreement, and the corresponding appropriation language in the laws cited above in this Article I, the language of the laws cited herein shall control.

The information contained in Article I is referred to collectively as the "**Project Description**."

II. DISBURSEMENT LIMITATION

A. Upon the Effective Date, the Grantee shall submit to the Department a comprehensive procurement plan and expenditure plan, detailing a Project timeline with milestones, required procurements, and identifying expected expenditures per milestone (collectively, "**Project Budget**"). The Department shall review and approve the Project Budget by approving a Notice of Department's Obligation ("**Notice of Obligation**"), in accordance with the Project Description, a sample of which is attached hereto as **Exhibit B** and incorporated herein by reference. After receipt of approved Notice of Obligation, the Grantee may be reimbursed for allowable costs up to the Adjusted Appropriation Amount. This Agreement and any reimbursements up to the Adjusted Appropriation Amount are expressly conditioned upon the following:

a. Irrespective of any Notice of Obligation, Grantee's expenditures shall be made in accordance with the Project Budget, on or before the Reversion Date and/or, if applicable, any Early Termination Date; and
b. The total amount received by Grantee shall not exceed the lesser of:
    i. the Adjusted Appropriation Amount identified in Article I (B) herein; or
    ii. the total of all amounts stated in the Notice(s) of Obligation evidencing the Department has received and accepted Grantee's Third Party Obligation(s); and
c. Grantee's expenditures are made and accounted for pursuant to the State Procurement Code, State's Model Accounting Practices, and execution of binding written obligations or purchase orders with third-party contractors or vendors for the provision of services, including professional services, or the purchase of tangible personal property and real property for the Project ("**Third Party Obligations**"); and
d. Grantee's submittal of timely Requests for Payment and supporting documentation in accordance with the procedures set forth in this Agreement; and
e. In the event capital assets acquired with Project funds are to be sold, leased, or licensed to or operated by a private entity, the sale, lease, license, or operating agreement:
    i. must be approved by the applicable oversight entity (if any) in accordance with §§ 13-6-2, 13-6-2.1, and 13-6-3; or
    ii. If no oversight entity is required to approve the transaction, the Department of Finance and Administration's Infrastructure Planning Development Division (IPDD) must approve it as complying with the law.

B. Prior to the sale, lease, license, or operating agreement being approved pursuant to Articles II(A)(e) (i) or (ii) herein, the Department may, in its sole and absolute discretion, unless inconsistent with State Board of Finance imposed conditions, reimburse Grantee for necessary expenditures incurred to develop the Project sufficiently to make the sale, lease, license, or operating agreement commercially feasible, limited to planning and design expenditures; and

C. Grantee's submission of documentation of all Third Party Obligations and amendments thereto (including terminations) to the Department and the Department's issuance of a Notice of Obligation for a particular amount in accordance with the terms of this Agreement shall be governed by the following:

a. Grantee is authorized to budget the particular amount set forth in the Notice of Obligation, execute the Third Party Obligation, and request the Third Party to begin work after issuance of a Notice of Obligation by the Department.
b. Grantee acknowledges and agrees that any Third Party Obligations agreed to prior to receiving a Notice of Obligation are its sole responsibility.

c. Grantee shall submit to the Department one copy of all Third Party Obligations and amendments thereto (including terminations) as soon as possible after execution by the Third Party but prior to execution by the Grantee.
d. Department may, in its sole and absolute discretion, issue a Notice of Obligation for the particular amount of a Third Party Obligation that only obligates the Department to reimburse Grantee's expenditures made on or before the Reversion Date or an Early Termination Date. The current Notice of Obligation form is incorporated herein and attached hereto as **Exhibit B**.

D. Grantee shall provide all necessary qualified personnel, materials, and facilities to implement the Project. The Grantee shall finance its share (if any) of the costs of the Project, including all Project overruns.

E. Prior to entering into this Agreement, the Department conducted a risk assessment on the Grantee and a project readiness review for the Project. In accordance with State Model Accounting Practices, FIN 9.2, if the Department determines that the expenditure of Project funds by the Grantee requires special conditions, those conditions are identified and listed in **Exhibit C**, which is attached and incorporated by reference. The Parties agree that, to the extent the Department, in its sole and absolute discretion, determines additional special conditions are necessary or that existing special conditions are no longer required, it may update **Exhibit C** from time to time without the need for a formal amendment of this Agreement.

F. Project funds shall not be used for purposes other than those authorized by the Department in accordance with the Project Description.

G. Project funds cannot be used to reimburse the Grantee for indirect Project costs unless specifically allowed by law.

III. NOTICES

The following provisions shall apply whenever written notices, including written decisions, are to be given or received related to this Agreement.

A. The Grantee designates the person(s) listed below, or their successor, as their official representative(s) concerning all matters related to this Agreement:

Grantee: City of Santa Fe
Name: Alan Webber
Title: Mayor
Address: PO Box 909, Santa Fe, NM 87504
Email: mayor@santafenm.gov
Telephone: 505-955-6590

B. The Grantee designates the person(s) listed below, or their successor, as their Fiscal Officer or Fiscal Agent concerning all matters related to this Agreement:

Grantee: City of Santa Fe
Name: Emily Oster

Title: Finance Director
Address: PO Box 909, Santa Fe, NM 87504
Email: ekoster@santafenm.gov
Telephone: 505-629-3411

C. The Department designates the persons listed below, or their successors, as the Points of Contact for matters related to this Agreement.

Department: DFA/Local Government Division
Name: Daniel Catanach
Title: Grant Manager
Address: Bataan Memorial Bldg. Rm 202, Santa Fe NM 87501
Email: danieln.catanach@dfa.nm.gov
Telephone: 505-231-6090

The Parties agree that all notices, including written decisions, related to this Agreement shall be sent to the persons named above by email or regular mail. For mailings, notices shall be deemed to have been given and received upon the date of the receiving party's actual receipt or five (5) calendar days after mailing, whichever shall first occur. In the case of email transmissions, the notice shall be deemed to have been given and received on the date reflected on the delivery receipt of the email.

IV. TERM & DEADLINE TO EXPEND FUNDS

A. The term of this Agreement shall begin on the Effective Date and terminate on the 30th day of June during the calendar year of the Reversion Date unless Terminated Before Reversion Date ("**Early Termination**") pursuant to Article V herein (collectively "**Term**").

B. The Project's funds must be expended on or before the Reversion Date and, if applicable, the Early Termination Date of this Agreement.

a. For purposes of this Agreement, it is not sufficient for the Grantee to encumber the Project funds on its books on or before the Reversion Date or Early Termination Date.
b. For purposes of this Agreement, an expenditure of funds has occurred on the date the particular quantity of goods is delivered to and received by the Grantee, title to the goods is transferred to the Grantee, and/or as of the date particular services are rendered to and accepted by the Grantee.
c. For purposes of this Agreement, an encumbrance of funds pursuant to a contract or purchase order with a third party does not qualify as an expenditure.

V. EARLY TERMINATION

A. General Provision. The Department may terminate this Agreement before the Reversion Date based on the Completion of the Project, Complete Expenditure of the Adjusted Appropriation, and/or Violation of this Agreement. Early Termination hereunder includes:

a. Termination due to completion of the Project before the Reversion Date;
b. Termination due to complete expenditure of the Adjusted Appropriation Amount before the Reversion Date;
c. Termination for violation of the terms of this Agreement; or

d. Termination for suspected mishandling of public funds, including but not limited to fraud, waste, abuse, and conflicts of interest.

B. Non-appropriation. This Agreement is expressly contingent upon the New Mexico State Legislature making sufficient appropriations and authorizations for the Project Description.

a. If the Legislature does not appropriate the Appropriation Amount, this Agreement shall terminate upon the Department giving the Grantee written notice of such termination. Such termination shall be effective as of the effective date of the law making the non-appropriation.
    i. The Department's decision as to whether sufficient appropriations or authorizations are available shall be final. Grantee hereby waives any rights to assert an impairment of contract claim against the State of New Mexico in the event of Early Termination of this Agreement.
b. As used herein, "non-appropriate" or "non-appropriation" includes the following actions by the New Mexico Legislature:
    i. Deauthorization, reauthorization, or revocation of a prior authorization.

C. Grant Disbursements in the Event of Early Termination. In the event of Early Termination, the Department's sole and absolute obligation to reimburse the Grantee is expressly conditioned upon the limitations set forth in Article II above.

D. Notice. Either Party may terminate this Agreement prior to the Reversion Date by providing the other Party with a minimum of fifteen (15) days advance written notice of the Early Termination. Grantee hereby waives any rights to assert an impairment of contract claim against the State of New Mexico in the event of Early Termination of this Agreement by the Department.

VI. SUSPENSION OF NEW OR FURTHER OBLIGATIONS

A. Department, in its sole and absolute discretion, may provide written notice to Grantee to suspend entering into further obligations. Upon the receipt of such written notice by the Grantee:

a. Grantee shall immediately suspend entering into new or further written obligations with third parties;
b. Department will suspend the issuance of any new or further Notice of Obligation under this Agreement; and
c. Department may direct the Grantee to implement a corrective action plan in accordance with Article VI (D) herein.

B. In the event of Suspension of this Agreement, the Department's sole and absolute obligation to reimburse the Grantee is expressly conditioned upon the limitations set forth in Article II herein.

C. A suspension of new or further obligations under this Agreement shall remain in effect unless or until the date the Grantee receives written notice given by the Department informing the Grantee that the Suspension has been lifted or that the Agreement has been Early Terminated in accordance with Article V herein. If the Suspension is lifted, the Department will consider further requests for a Notice of Obligation.

D. Corrective Action Plan in the Event of Suspension. Where the Department, in its sole and absolute discretion, directs Grantee to suspend entering into new or further written obligations with third parties pursuant to Article VI(A), the Department may, but is not obligated to, require the Grantee to develop and implement a written corrective action plan to remedy the grounds for the Suspension.

a. Such a corrective action plan must be approved by the Department and be signed by the Grantee.
b. Failure to sign a corrective action plan or meet the terms and deadlines set forth in the signed corrective action plan is hereby deemed a violation of the terms of this Agreement for purposes of Early Termination, Article V(A)(c).
c. A corrective action plan shall be in addition to, and not in lieu of, any other equitable or legal remedy authorized hereunder or at law, including but not limited to Early Termination.

VII. AMENDMENTS

Unless expressly stated otherwise herein, this Agreement shall not be altered, changed, or amended except by an instrument in writing duly executed by both parties hereto with the same formalities as this agreement.

VIII. REPORTING

A. Database Reporting

a. Grantee shall provide the Department with quarterly reports of Project activity, entering the required Project information directly into a database required by the Department.
b. Additionally, Grantee shall certify on each Request for Payment form, attached hereto as **Exhibit A** and incorporated herein, that all information provided in the database is true and accurate, updates to the database have been maintained, and all Project activity complies with applicable law and the terms of this Agreement.
c. Grantee hereby acknowledges that failure to perform and/or certify updates to the database will jeopardize the reimbursement of funds. The Department shall give Grantee a minimum of fourteen (14) days' advance written notice of any changes to the information the Grantee is required to report.
d. At the Department's discretion, all reports required hereunder may be directed to and facilitated through an electronic database.
e. Quarterly reports shall be due on the last day of the month, that is, 30 days prior to the end of the quarter following the execution of this Agreement by the Department and ending during the quarter of the submission of the final request for reimbursement for the Project, or the following quarter.

B. Requests for Additional Information/Project Inspection

During the term of this Agreement and during the period of time during which the Grantee must maintain records pursuant to Article VIII, the Department may:

i. request such additional information regarding the Project as it deems necessary; and
ii. conduct, at reasonable times and upon reasonable notice, onsite inspections of the Project.

Grantee shall respond to such requests for additional information within a reasonable period of time, as established by the Department.

B. Requests for Additional Information/Project Inspection

a. During the term of this Agreement and the Record Retention Period, the Department may:
   i. Request additional information regarding the Project as it deems necessary and
   ii. Conduct on-site inspections of the Project at reasonable times and upon reasonable notice.
b. Grantee shall respond to such requests for additional information within the time established by the Department.

IX. REQUEST FOR PAYMENT PROCEDURES

A. Grantee shall request payment by submitting the form attached hereto as **Exhibit A**. Payment requests are subject to the following procedures:

a. Each Request for Payment must be in accordance with the Project Budget and contain proof of payment by the Grantee or liabilities incurred by the Grantee.
   i. Proof of payment must demonstrate the validity of an expenditure or liabilities incurred by Grantee.
   ii. However, Grantee may be reimbursed for unpaid liabilities only if the Department, in its sole and absolute discretion, agrees to do so and in accordance with any special conditions imposed by the Department.
   iii. The Grantee shall make payment to those contractors or vendors within five (5) business days from the date of receiving reimbursement from the Department or in a shorter period than the Department may prescribe in writing.
   iv. The Department reserves the right to make such payments directly to the contractors or vendors as a special condition under this Agreement.
   v. The Grantee is required to certify to the Department proof of payment to the third-party contractor or vendor within five (5) business days from the date the Department reimburses the Grantee.

B. Until the Project is fully planned, designed, and all necessary procurements identified in the Project Budget are completed, Grantee's reimbursements will be limited to the planning, design, and procurement costs outlined in the Project Budget. Once the planning, designing, and procuring stages are complete, the Grantee must obligate at least ten percent (10%) of the Adjusted Appropriation Amount within one (1) year and must have utilized at least eighty-five percent (85%) of the Adjusted Appropriation Amount six (6) months before the reversion date.

C. Deadlines. Grantee shall submit requests for Payments to the Department on the earlier of:

a. Immediately as Grantee receives them, but at a maximum of thirty (30) days from when Grantee incurred the expenditure or liability; or
b. Twenty (20) days from the date of Early Termination or Reversion Date for expenditures or liabilities incurred before the Early Termination date or Reversion Date.

D. Grantee's failure to abide by the requirements set forth in Article II and Article IX herein may result in the denial of its Request for Payment. Department reserves the right to reject a payment request for the Project unless and until it is satisfied that the expenditures or liabilities are for permissible purposes within the meaning of the Project Description, identified within the Project Budget, and that the Grantee is otherwise in compliance with this Agreement.

a. Department's authority to reject any Request for Payment is in addition to, and not in lieu of, any other legal or equitable remedy available to the Department under this Agreement, at law, or in equity.

X. PROJECT CONDITIONS AND RESTRICTIONS

A. The following general conditions and restrictions shall apply to the Project:

a. The Project's funds must be spent in accordance with all applicable state laws, regulations, policies, and guidelines, including, but not limited to, the State Procurement Code.
b. The Project's expenditures and liabilities must be accounted for in accordance with the State's Model Accounting Practices, as amended from time to time.
c. The Project must be implemented in accordance with the New Mexico Public Works Minimum Wage Act, Section 13-4-10 through 13-4-17 NMSA 1978, as applicable.
d. The Project must provide a public benefit above and beyond any incidental benefit to private entities in accordance with applicable law, including, but not limited to, Article IX, Section 14 of the Constitution of the State of New Mexico.
e. Without prior written approval from the Department and State Board of Finance, for the useful life of any asset purchased under this Agreement, Grantee shall not convert any property acquired, built, renovated, repaired, designed, or developed with Project funds to uses other than those specified in the Project Description.
    i. In addition to other remedies available at law or in equity, any disposal or conversion of property acquired, built, renovated, repaired, designed, or developed with Project funds without the Department's and the Board of Finance's express written approval will trigger the Department's right to reimbursement from Grantee of the Appropriated Amount, transfer proceeds from any disposition of property to the State, or otherwise provide consideration to the State for the Appropriated Amounts.
f. Grantee shall comply with all applicable federal and state laws, rules, and regulations pertaining to civil rights and equal employment opportunity.
    i. In accordance with all such laws, rules, and regulations, the Grantee agrees to assure that no person shall, on the grounds of race, color, national origin, sex, sexual preference, age, or handicap, be excluded from participation in the Project, use of the Project, employment with Grantee, or otherwise be denied benefits/subject to discrimination for any activity performed under this Agreement.

g. Where the Department, in its sole and absolute discretion, determines Grantee has failed to comply with the above conditions and restriction, Grantee agrees to take appropriate steps to correct any deficiencies immediately. The Grantee's failure to implement such appropriate steps within a reasonable time, but no longer than thirty (30) days after notice from the Department, constitutes a breach of this Agreement and grounds for Early Termination.

XI. REPRESENTATIONS AND WARRANTIES

A. Reliance by Department.
   a. Grantee expressly acknowledges that the Department relies on the representations and warranties made by Grantee in this Agreement. Grantee acknowledges that such representations and warranties are a material inducement for the Department to enter into this Agreement and provide the Appropriated Amount.
   b. Grantee shall ensure all representations and warranties provided herein are true, accurate, and complete as of the date of the Effective Date and shall remain so throughout the Term of this Agreement. Grantee is responsible for promptly notifying the Department in writing of any changes or inaccuracies in the representations and warranties contained herein.

B. Grantee hereby represents and warrants the following:

   a. Grantee has taken all necessary steps to attain the legal authority to receive and expend the Project's funds.
   b. Grantee has duly authorized this Agreement, and the person executing it has authority to do so. Once executed by Grantee, this Agreement shall constitute a binding obligation of Grantee, enforceable according to its terms.
   c. Grantee's obligations hereunder do not conflict with any law, ordinance, or resolution applicable to Grantee, Grantee's charter (if applicable), or any judgment or decree to which Grantee is subject.
   d. Grantee has independently confirmed that the Project Description, including, but not limited to, the Appropriated Amount and Reversion Date, is consistent with the underlying appropriation in law.
   e. Grantee's governing body has duly adopted or passed as an official act a resolution, motion, or similar action authorizing the person identified as the official representative of the Grantee to sign and submit Requests for Payment on behalf of Grantee.
   f. Grantee will abide by New Mexico laws regarding conflicts of interest, governmental conduct, and whistleblower protection.
      i. Grantee agrees explicitly none of its officers or employees or its designees or agents, no member of the governing body, and no other public official of Grantee who exercises any function or responsibility with respect to this Agreement, shall have any interest, direct or indirect, in any contract or subcontract, or the proceeds thereof, for the Project.
      ii. Further, Grantee will require all of its contractors to incorporate the language set forth in this paragraph prohibiting conflicts of interest in all subcontracts.
   g. No funds have been paid or will be paid, by or on behalf of the Grantee, to any person for influencing or attempting to influence an officer or employee of the State, any agency, or body in connection with the awarding of any Third Party Obligation.

i. Grantee will require certifying language prohibiting lobbying to be included in the award documents for all subawards, including subcontracts, loans, and cooperative agreements.

C. Consequences of False or Misleading Representations. If any representation or warranty made by Grantee is found to be false or misleading, the Department shall have the right to exercise any or all of the following remedies:

a. **Termination of Agreement:** Department may terminate this Agreement immediately upon written notice to the Grantee.
b. **Repayment of Grant Funds:** Grantee shall repay all Appropriated Amounts disbursed under this Agreement, upon demand by the Department.
c. **Other Remedies:** Department may pursue any other remedies available at law or in equity.

D. Survival of Representations and Warranties. The representations and warranties made by the Grantee shall survive the Early Termination or expiration of this Agreement.

XII. PROJECT RECORDS

A. Grantee shall be strictly accountable for receipts and disbursements relating to the Project's funds. The Grantee shall follow generally accepted accounting principles and the State's Model Accounting Practices and, if feasible, maintain a separate bank account or fund with a separate organizational code to ensure separate budgeting and accounting of the funds.

B. For six (6) years following the Project's completion ("**Record Retention Period**"), Grantee shall maintain all Project-related records, including, but not limited to, all financial records, requests for proposals, invitations to bid, selection and award criteria, contracts and subcontracts, advertisements, minutes of pertinent meetings, as well as records sufficient to fully account for the amount and disposition of the Appropriated Amount from all sources budgeted for the Project, the purpose for which such funds were used, and such other records as the Department may prescribe.

C. Grantee shall make all Project records available to the Department, the Department's Independent Public Accountant, and the New Mexico State Auditor upon request. With respect to the funds that are the subject of this Agreement, if the State Auditor or the Department finds any funds were improperly expended, Grantee shall be required to reimburse the State all amounts found to be improperly expended.

XIII. IMPROPERLY REIMBURSED FUNDS

If the Department determines part or all of the Appropriation Amount was improperly reimbursed to Grantee, including but not limited to funds reimbursed to Grantee based upon fraud, mismanagement, misrepresentation, misuse, violation of law by the Grantee, after ten (10) days' notice to Grantee and the opportunity to return such funds to the Department, the Department may offset any funds due to Grantee from the State, until the Appropriation Amount is fully repaid.

XIV. LIABILITY

Neither Party shall be responsible for liability incurred as a result of the other Party's acts or omissions in connection with this Agreement. Any liability incurred in connection with this Agreement is subject to immunities and limitations of the New Mexico Tort Claims Act.

XV. SCOPE OF AGREEMENT

This Agreement constitutes the entire and exclusive agreement between the Parties concerning the subject matter hereof. The Agreement supersedes all prior or contemporaneous agreements, understandings, discussions, communications, and representations, written or verbal.

XVI. REQUIRED NON-APPROPRIATIONS CLAUSE

A. Grantee acknowledges and agrees to include a "non-appropriations" clause in all contracts between it and other parties that are (i) funded in whole or part by funds made available under this Agreement and (ii) entered into after the effective date of this Agreement that states:

   a. "The terms of this Agreement are contingent upon sufficient appropriations and authorization being made by the Legislature of the State of New Mexico ("**Legislature**") for the performance of this Agreement.
   b. If the Legislature does not make sufficient appropriations and authorization, City of Santa Fe may immediately terminate this Agreement by giving Contractor written notice of such termination.
   c. The City of Santa Fe's decision as to whether sufficient appropriations are available shall be final and accepted by the Contractor. Contractor hereby waives any rights to assert an impairment of contract claim against the City of Santa Fe or the State of New Mexico in the event of immediate or Early Termination of this Agreement by the City of Santa Fe or the State Department of Finance and Administration."

XVII. REQUIRED TERMINATION CLAUSE

A. Grantee acknowledges and agrees to include the following termination clause in all contracts that are (i) funded in whole or part by funds made available under this Agreement and (ii) entered into after the effective date of this Agreement:

   a. "This contract is funded in whole or in part by funds made available by the State of New Mexico ("**State**"). Should the State terminate its Agreement with the City of Santa Fe, the City of Santa Fe may terminate this contract immediately by providing Contractor written notice of such termination.
   b. In the event of termination pursuant to this paragraph, the City of Santa Fe's only liability to Contractor shall be for goods and services delivered and accepted prior to the termination date."

XVIII. COMPLIANCE WITH UNIFORM FUNDING CRITERIA

A. Throughout the term of this Agreement, Grantee shall:

a. Submit all reports of annual audits and agreed-upon procedures required by § 12-6-3(A)-(B), NMSA 1978 by the due dates established in § 2.2.2 NMAC, reports of which must be a public record pursuant to § 12-6-5(A), NMSA 1978 within forty-five (45) days of delivery to the State Auditor;
b. Have a duly adopted budget for the current fiscal year approved by its budgetary oversight agency (if any);
c. Timely submit all required financial reports to its budgetary oversight agency (if any); and
d. Use accounting methods and procedures consistent with Generally Accepted Accounting Principles and the State's Model Accounting Principals to expend the Appropriated Amount in accordance with applicable law and account for and safeguard Project funds and assets acquired with Project funds.

B. In the event Grantee fails to comply with the requirements of subparagraph A of this Article XVIII, Department may take one or more of the following actions:

a. Suspend new or further obligations pursuant to Article VI(A) of this Agreement;
b. Require the Grantee to develop and implement a written corrective action plan pursuant to Article VI(D) of this Agreement to remedy the non-compliance;
c. Impose special conditions to address the non-compliance by giving Grantee notice of such special conditions in accordance with Article III of this Agreement;
    i. The Parties agree that any special conditions imposed to address non-compliance shall be incorporated into this Agreement, through **Exhibit C**, upon notice to Grantee, without need for formal amendment of this Agreement;
    ii. Special conditions shall be binding and effective on the date that notice is deemed to have been given pursuant to Article III or
d. Terminate this Agreement pursuant to Article V(A) of this Agreement.

XIX. SEVERANCE TAX AND GENERAL OBLIGATION BONDS

A. Grantee acknowledges and agrees that the underlying appropriation for the Project may originate from the issuance of tax-exempt severance tax bonds or general obligation bonds by the State. Proceeds from such bonds are administered by the New Mexico State Board of Finance ("**SBOF**"), an entity separate and distinct from the Department.

a. Grantee acknowledges and agrees:
    i. It is Grantee's responsibility to determine through SBOF what (if any) conditions are currently imposed on the Project;
    ii. Department's failure to inform Grantee of an SBOF-imposed condition does not affect the validity or enforceability of the condition;
    iii. The SBOF may in the future impose further or different conditions upon the Project;
    iv. All SBOF conditions are attached to the Project and Appropriation Amount without the need for formal amendment of this Agreement;
    v. All applicable SBOF conditions must be satisfied before the SBOF will release to the Department funds subject to the condition(s) and
    vi. The Department's obligation to reimburse Grantee from the Project is expressly contingent upon the satisfaction of the then-current SBOF conditions.

B. Grantee acknowledges and agrees SBOF may, at its sole and absolute discretion, require reimbursement or remove eligibility for bond proceeds for the Project if the Project doesn't proceed sufficiently.

   a. Grantee must comply with the requirement to encumber five percent (5%) of Project funds within six months of bond issuance as certified by Grantee in the Bond Questionnaire and Certification documents submitted to the SBOF.
   b. Failure to comply may result in the reassignment of the bond proceeds. Upon reassignment of bond proceeds, this Agreement will be suspended until the entity has demonstrated readiness as determined by the SBOF and the Department.

C. Grantee acknowledges and agrees that this Agreement is subject to the SBOF's Bond Project Disbursements rule, § 2.61.6, NMAC, as may be amended from time to time or re-codified.

XX. GENERAL PROVISIONS

A. Assignment: Grantee's rights and obligations under this Agreement are personal and may not be transferred or assigned without the prior written consent of the State. Any attempt at assignment or transfer without such consent shall be void. Any assignment or transfer of Grantee's rights and obligations approved by the State shall be subject to the provisions of this Agreement.

B. Subcontractors: Grantee shall not enter any subgrant or subcontract in connection with its obligations under this Agreement without the prior written approval of the State. Upon request, Grantee shall submit to the Department a copy of each such subgrant or subcontract.

C. Binding Effect: Except as otherwise provided, all provisions of this Agreement, including the benefits and burdens, shall extend to and be binding upon the Parties' respective successors and assigns.

D. Authority: Each Party represents and warrants to the other that the execution and delivery of this Agreement and the performance of such Party's obligations have been duly authorized.

E. Captions and References: The captions and headings in this Agreement are for the convenience of reference only and shall not be used to interpret, define, or limit its provisions. All references in this Agreement to sections (whether spelled out or using the § symbol), subsections, exhibits, or other attachments are references to sections, subsections, exhibits, or other attachments contained herein or incorporated as a part hereof, unless otherwise noted.

F. Counterparts: This Agreement may be executed in multiple, identical, original counterparts, each of which shall be deemed to be an original, but all of which, taken together, shall constitute the same agreement.

G. Digital Signatures: If any signatory signs this agreement using a digital signature in accordance with the State Policies regarding the use of digital signatures, then any agreement or consent to use digital signatures within the electronic system through which that signatory signed shall be incorporated into this Agreement by reference.

H. Modification: Except as otherwise provided in this Agreement, any modification to this Agreement shall only be effective if agreed to in a formal amendment, properly executed and approved in accordance with applicable New Mexico law and State fiscal policies and rules. Modifications permitted under this Agreement, other than Agreement amendments, shall conform to the policies issued by the State.

I. Statutes, Regulations, Fiscal Rules, and Other Authority: Any reference in this Agreement to a statute, regulation, policy, or other authority shall be interpreted to refer to such authority then current, as may have been changed or amended after the Effective Date of this Agreement.

J. External Terms and Conditions: Notwithstanding anything to the contrary herein, the State shall not be subject to any provision included in any terms, conditions, or agreements appearing on Grantee's or a subcontractor's website or any provision incorporated into any click-through or online agreements related to the Work unless that provision is specifically referenced in this Agreement.

K. Severability: The invalidity or unenforceability of any provision of this Agreement shall not affect the validity or enforceability of any other provision of this Agreement, which shall remain in full force and effect, provided that the Parties can continue to perform their obligations under this Agreement in accordance with its intent.

L. Survival of Certain Agreement Terms: Any provision of this Agreement that imposes an obligation on a Party after the termination or expiration of this Agreement shall survive the termination or expiration of this Agreement and shall be enforceable by the other Party.

M. Third Party Beneficiaries: Except for the Parties' respective successors and assigns described in this Agreement, it does not and is not intended to confer any rights or remedies upon any person or entity other than the Parties. Enforcement of this Agreement and all rights and obligations hereunder are reserved solely to the Parties. Any services or benefits that third parties receive as a result of this Agreement are incidental to this Agreement and do not create any rights for such third parties.

N. Waiver: A Party's failure or delay in exercising any right, power, or privilege under this Agreement, whether explicit or by lack of enforcement, shall not operate as a waiver, nor shall any single or partial exercise of any right, power, or privilege preclude any other or further exercise of such right, power, or privilege.

O. Standard and Manner of Performance: Grantee shall perform its obligations under this Agreement in accordance with the highest standards of care, skill, and diligence in Grantee's industry, trade, or profession.

P. Licenses, Permits, and Other Authorizations: Grantee shall secure, prior to the Effective Date, and maintain at all times during the term of this Agreement, at its sole expense, all licenses, certifications, permits, and other authorizations required to perform its obligations under this Agreement and shall ensure that all employees, agents, and subcontractors secure and maintain at all times during the term of their employment, agency or subcontractor, all license, certifications, permits and other authorizations required to perform their obligations in relation to this Agreement.

Q. Publicity: Any Publicity regarding the subject matter of this Agreement may not be released without prior written approval from the Department. For purposes of this agreement, "**Publicity**" means notices, informational pamphlets, press releases, email responses, research, reports, signs, and similar public notices prepared by or for the Grantee or jointly with others.

a. Grantee shall obtain written approval prior to issuing any press release or making any public announcement regarding this agreement. Grantee agrees to obtain approval of the Department in advance with respect to all Public Relations, all communications with media, or all communications with any other member of the public with respect to this agreement, except to acknowledge that an agreement does exist.
b. For purposes of this agreement, "Public Relations" includes community relations and means those activities dedicated to maintaining the Department's image or maintaining or promoting understanding and favorable relations with the community or public at large or any segment of the public.
c. Violations of either Article XX (Q)(a) or (b) shall constitute a material Breach of Agreement.

R. Data Sharing: The State intends to secure and collate specific data generated by Grantee under this Agreement to use in support of the State's organizational, policy-making, and management of public resource functions. State, in accordance with **Exhibit E**, attached hereto and incorporated herein by reference, reserves the right to require Grantee and/or its subcontractors to provide specific data relevant to the above-listed functions. Data provided by Grantee may be incorporated into existing or future developed State integrated analysis tools or databases, including but not limited to geographic information system (GIS) networks and databases accessible by the public. Dissemination of data collected may include historical data and projections based on such historical data.

a. To the extent any data transferred as part of this Agreement is legally determined to be the property of Subrecipient or its subcontractors, Subrecipient and/or its subcontractors grants State a nonexclusive, fully paid-up right and license to reproduce, use, distribute, do derivative works based on, and archive data transferred as part of this Agreement.

S. Venue and Choice of Law: This Agreement shall be governed by and construed in accordance with the laws of the State of New Mexico, without regard to any conflict of law provisions. Any legal suit, action, or proceeding arising out of or related to this Agreement shall be instituted exclusively in the district courts located in Santa Fe, New Mexico. The Parties hereby irrevocably submit to the exclusive jurisdiction and venue of such courts in any such suit, action, or proceeding. The Parties waive any objection to the laying of the venue of any such suit, action, or proceeding in the district courts of Santa Fe, New Mexico, and irrevocably waive and agree not to plead or claim in any such court that any such suit, action, or proceeding brought in any such court has been brought in an inconvenient forum.

1 Administrative and/or Indirect Cost – generally, the legislation authorizing the issuance of bonds prohibits the use of its proceeds for indirect expenses (e.g. penalty fees or damages other than pay for work performed, attorney fees, and administrative fees). Such use of bond proceeds shall not be allowed unless specifically authorized by statute.

Revised 7/2025

[THIS SPACE LEFT BLANK INTENTIONALLY]

OPTIONAL EXHIBIT C
SPECIAL CONDITIONS

The capital outlay oversight requires grantees' accounting methods and procedures, including their internal control framework, to be scrutinized, so as to safeguard State capital outlay appropriations and assets acquired with such appropriations.

This Capital Outlay Special Grant Condition(s) **Exhibit C** is necessary pursuant to § 6-3b-1 et seq., NMSA 1978 (Public Finance Accountability Act) and MAPS Fin 9.2, due to the Grantees' material weaknesses, significant deficiencies, or findings that raised concerns as to the ability to expend grant funds in accordance with applicable law in the organization's FY[20XX] audit. The Special Conditions identified below apply to the authorized agent, [insert the Grantee or Fiscal Agent name].

Procurement - All purchases or contracts the Grantee enters that shall use funding from the Department capital appropriations grant must be approved by the Department prior to the initiation of implementing purchasing documents. The Grantee shall receive such prior approval via official correspondence from the Department, which may be through letter or email. The Grantee shall submit the following to the Department in pursuit of prior approval: purchasing policies and procedures, CFO certification, documentation of management and program approval, policies and procedures governing purchasing and contracting, a copy of the current procurement and contracting policies, and documentation regarding informing staff responsible for purchasing and contracting on such policies and procedures.

Budget - Provide documentation of approval of your current budget from DFA Local Government or other authoritative agency. Provide policies and procedures on who is responsible for and how annual budgets (expenditures and revenue) are established, monitored and adjusted. Provide a corrective action plan on how budget issues identified in your audit will be/have been addressed. Also include documentation on how staff responsible for budgeting is informed on budget policies and procedures.

Capital Assets - Provide a complete list of inventory including inventory control numbers and current location. Provide policies and procedures on capital assets and inventory and specify how the proposed purchased items will be included, tagged, and tracked in capital asset inventory. Also include documentation on how staff responsible for capital assets is informed on capital asset policies and procedures.

Travel and Per Diem - Provide policies and procedures on travel and per diem. Also include how staff who travel and those responsible for travel reimbursement are informed on travel and per diem policies and procedures.

Timely Audits – Provide policies and procedures on annual audits. Provide documentation on how and who is responsible for insuring that annual audits are completed timely. Also include documentation on how staff responsible for the annual audit is informed on audit policies and procedures.

Cash Management – policies and procedures on cash management of federal funds. Provide procedures used to draw and disburse federal funds. Provide procedures to reconcile draw amounts, deposits and disbursements; and to prepare federal cash reporting documents to ensure compliance with federal regulations.

The <Grantee> was required to, and has provided sufficient documentation regarding [insert specific names of the Special Condition(s)], as referenced in the <Grantee>'s [20XX] Audit file. Therefore, the criteria to enter into this agreement have been met.

Exhibit E

Data Sharing Provisions for New Mexico Capital Outlay Agreements

I. Introduction:

This Data Sharing Provisions Exhibit ("Exhibit") is incorporated into the New Mexico Capital Outlay Agreements ("Agreements") between the State of New Mexico ("State") and [Insert Partner Name] ("Partner"). This Exhibit outlines the terms and conditions under which data will be shared between the Parties to ensure compliance with New Mexico state laws and regulations, focusing on data privacy, security, and compliance.

II. Definitions:

a. Authorized User: An employee, agent, assign, representative, independent contractor, or other person or entity authorized by Partner or State to access, use, or disclose information through this exhibit.

b. Confidential Information: All data or information shared in confidence, with the expectation that it will not be disclosed in an identifiable form. This includes data that is exempt from public disclosure under the New Mexico Inspection of Public Records Act (§ 14-2-1 et seq. NMSA 1978) or other relevant laws.

c. Data Storage: Electronic media that hold recorded information.

d. Data Transmission: The process of moving information over a network from its source to one or more destinations.

e. Direct Identifier: Records or data containing personal identifiers such as names, addresses, and social security numbers.

f. Disclosure: Permission to access, release, transfer, or otherwise communicate confidential information by any means to any third party, except as authorized by the Party that controls the record.

g. Encryption involves using algorithms to encode data, rendering it unreadable without a specific key. It may be necessary during data transmission and/or storage.

h. Information: Any data, figures, statistics, or other facts provided or learned about someone or something, including Confidential Information, that may be legally transmitted under this Exhibit.

i. Limited Dataset: A data file that omits Direct Identifiers.

j. Protected Personally Identifiable Information: Sensitive personal details such as social security numbers and financial account numbers, with specific exclusions as outlined in the Agreements.

III. Purpose:

The purpose of this exhibit is to promote transparency, facilitate information sharing between the parties, support better policy and decision-making, and enhance public services through collaborative

[THIS SPACE LEFT BLANK INTENTIONALLY]

data analysis from various sources.

IV. Use of Information:

a. Use of Information obtained or created under this exhibit shall be strictly limited to the purposes stated herein and in the agreements. The parties agree not to sell Information to third parties or use it for commercial, solicitation, or political purposes.

b. Each Party shall serve as the custodian of the Information and comply with all conditions for its use, including security measures to prevent unauthorized access.

c. The Parties shall follow all relevant federal and state laws and regulations governing the use of such Information.

V. Safeguarding Information:

a. Confidentiality: Access to Confidential Information shall be limited to the minimum necessary to accomplish the purposes of this Exhibit. Authorized Users must adhere to the confidentiality requirements.

b. Security: Security practices shall comply with the requirements of the New Mexico Department of Information Technology Act and related regulations. The Parties agree to notify each other within three business days of any suspected or actual security breach.

c. Information Storage and Transmission: Data Storage and Transmission shall take place on an encrypted server with appropriate security controls.

VI. Re-Disclosure of Information:

The Parties agree not to disclose Information except as required by law or with prior written approval of the other Party. If there is a public records request, the Party receiving it shall notify the other Party within three business days.

VII. Ownership of Information:

Legal title to Information shall remain with the provider. The Partner grants the State a royalty-free, non-exclusive, non-transferable license to use the Information in furtherance of the purposes outlined in this Exhibit.

CITY OF SANTA FE

Memorandum

Date: 11/10/2025

To: Governing Body

From: Scott Overlie, Public Works Project Manager III SAO

Via: Melissa McDonald, Parks and Open Spaces Division Director MMc
Sam Burnett, Interim Public Work Department Director SB

Reviewed By: Carol Swenson

ACTION:
Request for Approval of Capital Outlay Grant Agreement for Capital Appropriation Project 25-J4370 to Plan, Design, Construct, Repair, Improve and Equip Parks for $150,097 with a Reversion Date of June 30, 2027. (Scott Overlie, Project Manager III; saoverlie@santafenm.gov)

1. Request for Approval of a Budget Amendment Resolution (BAR) to Allocate $150,097 Legislative Grant Funds to Parks and Open Space FY26 Revenue and WIP Construction for Parks Improvement Project.

BACKGROUND:
This grant will support significant enhancements to Herbert Martinez La Resolana Park, with a focus on improving park equipment and accessibility for our community's youngest members. Specifically, the funding will enable the installation of a Tot Lot and Inclusive Playground designed for children under the age of five. These additions will feature safe, age-appropriate, and accessible play equipment that encourages early childhood development and inclusive play. To ensure community input, an Early Neighborhood Notification meeting was held on December 17, 2024, providing residents an opportunity to offer feedback on the final design and key features of the project. The investment in early childhood play infrastructure is a critical component in creating a welcoming and engaging neighborhood park for all families.

NEW MEXICO CAPITAL OUTLAY GRANT AGREEMENT
CAPITAL APPROPRIATION PROJECT

THIS AGREEMENT is made and entered into by and between the State of New Mexico, Department of Finance & Administration, 407 Galisteo Street, Santa Fe, NM 87501, ("**Department**") and the City of Santa Fe, ("**Grantee**") (individually "**Party**" and collectively "**Parties**"). This Agreement shall be effective as of the date the Department executes it ("**Effective Date**").

WITNESSETH

WHEREAS, in the Laws of 2025, Chapter 158, Section 372, the Legislature made an appropriation to the Department, funds from which the Department is making available to the Grantee pursuant to this Agreement; and

WHEREAS, the Department is granting to Grantee, and the Grantee is accepting the grant of funds from this appropriation, in accordance with the terms and conditions of this Agreement;

NOW, THEREFORE, in consideration of the mutual covenants and obligations contained herein, the parties hereby mutually agree as follows:

AGREEMENT

I. PROJECT DESCRIPTION, GRANT AMOUNT, AND REVERSION

A. **25-J4370** ("**Project**") 6/30/2027 ("**Reversion Date**"). Laws of 2025, Chapter 158, Section 372, One hundred fifty thousand ninety-six dollars and two cents, $150,096.02, The time of expenditure for the local government division project in Subsection 341 of Section 29 of Chapter 138 of Laws 2021 to plan, design, construct, repair, improve and equip parks in Santa Fe in Santa Fe county is extended through fiscal year 2027..

B. Grantee's total reimbursements shall not exceed $150,096.02 One hundred fifty thousand ninety-six dollars and two cents, ("**Appropriation Amount**") minus the allocation for Art in Public Places ("**AIPP amount**"), if applicable, $0.00 Zero Dollars and No Cents, which equals $150,096.02 One hundred fifty thousand ninety-six dollars and two cents ("**Adjusted Appropriation Amount**").

C. In the event of a conflict among the Appropriation Amount, the Reversion Date, as defined herein and/or the purpose of the Project, as set forth in this Agreement, and the corresponding appropriation language in the laws cited above in this Article I, the language of the laws cited herein shall control.

The information contained in Article I is referred to collectively as the "**Project Description**."

II. DISBURSEMENT LIMITATION

A. Upon the Effective Date, the Grantee shall submit to the Department a comprehensive procurement plan and expenditure plan, detailing a Project timeline with milestones, required procurements, and identifying expected expenditures per milestone (collectively, "**Project**

Budget"). The Department shall review and approve the Project Budget by approving a Notice of Department's Obligation ("**Notice of Obligation**"), in accordance with the Project Description, a sample of which is attached hereto as **Exhibit B** and incorporated herein by reference. After receipt of approved Notice of Obligation, the Grantee may be reimbursed for allowable costs up to the Adjusted Appropriation Amount. This Agreement and any reimbursements up to the Adjusted Appropriation Amount are expressly conditioned upon the following:

a. Irrespective of any Notice of Obligation, Grantee's expenditures shall be made in accordance with the Project Budget, on or before the Reversion Date and/or, if applicable, any Early Termination Date; and
b. The total amount received by Grantee shall not exceed the lesser of:
    i. the Adjusted Appropriation Amount identified in Article I (B) herein; or
    ii. the total of all amounts stated in the Notice(s) of Obligation evidencing the Department has received and accepted Grantee's Third Party Obligation(s); and
c. Grantee's expenditures are made and accounted for pursuant to the State Procurement Code, State's Model Accounting Practices, and execution of binding written obligations or purchase orders with third-party contractors or vendors for the provision of services, including professional services, or the purchase of tangible personal property and real property for the Project ("**Third Party Obligations**"); and
d. Grantee's submittal of timely Requests for Payment and supporting documentation in accordance with the procedures set forth in this Agreement; and
e. In the event capital assets acquired with Project funds are to be sold, leased, or licensed to or operated by a private entity, the sale, lease, license, or operating agreement:
    i. must be approved by the applicable oversight entity (if any) in accordance with §§ 13-6-2, 13-6-2.1, and 13-6-3; or
    ii. If no oversight entity is required to approve the transaction, the Department of Finance and Administration's Infrastructure Planning Development Division (IPDD) must approve it as complying with the law.

B. Prior to the sale, lease, license, or operating agreement being approved pursuant to Articles II(A)(e) (i) or (ii) herein, the Department may, in its sole and absolute discretion, unless inconsistent with State Board of Finance imposed conditions, reimburse Grantee for necessary expenditures incurred to develop the Project sufficiently to make the sale, lease, license, or operating agreement commercially feasible, limited to planning and design expenditures; and

C. Grantee's submission of documentation of all Third Party Obligations and amendments thereto (including terminations) to the Department and the Department's issuance of a Notice of Obligation for a particular amount in accordance with the terms of this Agreement shall be governed by the following:

a. Grantee is authorized to budget the particular amount set forth in the Notice of Obligation, execute the Third Party Obligation, and request the Third Party to begin work after issuance of a Notice of Obligation by the Department.
b. Grantee acknowledges and agrees that any Third Party Obligations agreed to prior to receiving a Notice of Obligation are its sole responsibility.
c. Grantee shall submit to the Department one copy of all Third Party Obligations and amendments thereto (including terminations) as soon as possible after execution by the Third Party but prior to execution by the Grantee.

d. Department may, in its sole and absolute discretion, issue a Notice of Obligation for the particular amount of a Third Party Obligation that only obligates the Department to reimburse Grantee's expenditures made on or before the Reversion Date or an Early Termination Date. The current Notice of Obligation form is incorporated herein and attached hereto as **Exhibit B**.

D. Grantee shall provide all necessary qualified personnel, materials, and facilities to implement the Project. The Grantee shall finance its share (if any) of the costs of the Project, including all Project overruns.

E. Prior to entering into this Agreement, the Department conducted a risk assessment on the Grantee and a project readiness review for the Project. In accordance with State Model Accounting Practices, FIN 9.2, if the Department determines that the expenditure of Project funds by the Grantee requires special conditions, those conditions are identified and listed in **Exhibit C**, which is attached and incorporated by reference. The Parties agree that, to the extent the Department, in its sole and absolute discretion, determines additional special conditions are necessary or that existing special conditions are no longer required, it may update **Exhibit C** from time to time without the need for a formal amendment of this Agreement.

F. Project funds shall not be used for purposes other than those authorized by the Department in accordance with the Project Description.

G. Project funds cannot be used to reimburse the Grantee for indirect Project costs unless specifically allowed by law.

III. NOTICES

The following provisions shall apply whenever written notices, including written decisions, are to be given or received related to this Agreement.

A. The Grantee designates the person(s) listed below, or their successor, as their official representative(s) concerning all matters related to this Agreement:

Grantee: City of Santa Fe
Name: Alan Webber
Title: Mayor
Address: PO Box 909, Santa Fe, NM 87504
Email: mayor@santafenm.gov
Telephone: 505-955-6590

B. The Grantee designates the person(s) listed below, or their successor, as their Fiscal Officer or Fiscal Agent concerning all matters related to this Agreement:

Grantee: City of Santa Fe
Name: Emily Oster
Title: Finance Director
Address: PO Box 909, Santa Fe, NM 87504
Email: ekoster@santafenm.gov

Telephone: 505-629-3411

C. The Department designates the persons listed below, or their successors, as the Points of Contact for matters related to this Agreement.

Department: DFA/Local Government Division
Name: Daniel Catanach
Title: Grant Manager
Address: Bataan Memorial Bldg. Rm 202, Santa Fe NM 87501
Email: danieln.catanach@dfa.nm.gov
Telephone: 505-231-6090

The Parties agree that all notices, including written decisions, related to this Agreement shall be sent to the persons named above by email or regular mail. For mailings, notices shall be deemed to have been given and received upon the date of the receiving party's actual receipt or five (5) calendar days after mailing, whichever shall first occur. In the case of email transmissions, the notice shall be deemed to have been given and received on the date reflected on the delivery receipt of the email.

IV. TERM & DEADLINE TO EXPEND FUNDS

A. The term of this Agreement shall begin on the Effective Date and terminate on the 30th day of June during the calendar year of the Reversion Date unless Terminated Before Reversion Date ("**Early Termination**") pursuant to Article V herein (collectively "**Term**").

B. The Project's funds must be expended on or before the Reversion Date and, if applicable, the Early Termination Date of this Agreement.

a. For purposes of this Agreement, it is not sufficient for the Grantee to encumber the Project funds on its books on or before the Reversion Date or Early Termination Date.
b. For purposes of this Agreement, an expenditure of funds has occurred on the date the particular quantity of goods is delivered to and received by the Grantee, title to the goods is transferred to the Grantee, and/or as of the date particular services are rendered to and accepted by the Grantee.
c. For purposes of this Agreement, an encumbrance of funds pursuant to a contract or purchase order with a third party does not qualify as an expenditure.

V. EARLY TERMINATION

A. General Provision. The Department may terminate this Agreement before the Reversion Date based on the Completion of the Project, Complete Expenditure of the Adjusted Appropriation, and/or Violation of this Agreement. Early Termination hereunder includes:

a. Termination due to completion of the Project before the Reversion Date;
b. Termination due to complete expenditure of the Adjusted Appropriation Amount before the Reversion Date;
c. Termination for violation of the terms of this Agreement; or
d. Termination for suspected mishandling of public funds, including but not limited to fraud, waste, abuse, and conflicts of interest.

B. Non-appropriation. This Agreement is expressly contingent upon the New Mexico State Legislature making sufficient appropriations and authorizations for the Project Description.

   a. If the Legislature does not appropriate the Appropriation Amount, this Agreement shall terminate upon the Department giving the Grantee written notice of such termination. Such termination shall be effective as of the effective date of the law making the non-appropriation.
      i. The Department's decision as to whether sufficient appropriations or authorizations are available shall be final. Grantee hereby waives any rights to assert an impairment of contract claim against the State of New Mexico in the event of Early Termination of this Agreement.
   b. As used herein, "non-appropriate" or "non-appropriation" includes the following actions by the New Mexico Legislature:
      i. Deauthorization, reauthorization, or revocation of a prior authorization.

C. Grant Disbursements in the Event of Early Termination. In the event of Early Termination, the Department's sole and absolute obligation to reimburse the Grantee is expressly conditioned upon the limitations set forth in Article II above.

D. Notice. Either Party may terminate this Agreement prior to the Reversion Date by providing the other Party with a minimum of fifteen (15) days advance written notice of the Early Termination. Grantee hereby waives any rights to assert an impairment of contract claim against the State of New Mexico in the event of Early Termination of this Agreement by the Department.

VI. SUSPENSION OF NEW OR FURTHER OBLIGATIONS

A. Department, in its sole and absolute discretion, may provide written notice to Grantee to suspend entering into further obligations. Upon the receipt of such written notice by the Grantee:

   a. Grantee shall immediately suspend entering into new or further written obligations with third parties;
   b. Department will suspend the issuance of any new or further Notice of Obligation under this Agreement; and
   c. Department may direct the Grantee to implement a corrective action plan in accordance with Article VI (D) herein.

B. In the event of Suspension of this Agreement, the Department's sole and absolute obligation to reimburse the Grantee is expressly conditioned upon the limitations set forth in Article II herein.

C. A suspension of new or further obligations under this Agreement shall remain in effect unless or until the date the Grantee receives written notice given by the Department informing the Grantee that the Suspension has been lifted or that the Agreement has been Early Terminated in accordance with Article V herein. If the Suspension is lifted, the Department will consider further requests for a Notice of Obligation.

D. Corrective Action Plan in the Event of Suspension. Where the Department, in its sole and absolute discretion, directs Grantee to suspend entering into new or further written obligations

with third parties pursuant to Article VI(A), the Department may, but is not obligated to, require the Grantee to develop and implement a written corrective action plan to remedy the grounds for the Suspension.

a. Such a corrective action plan must be approved by the Department and be signed by the Grantee.
b. Failure to sign a corrective action plan or meet the terms and deadlines set forth in the signed corrective action plan is hereby deemed a violation of the terms of this Agreement for purposes of Early Termination, Article V(A)(c).
c. A corrective action plan shall be in addition to, and not in lieu of, any other equitable or legal remedy authorized hereunder or at law, including but not limited to Early Termination.

VII. AMENDMENTS

Unless expressly stated otherwise herein, this Agreement shall not be altered, changed, or amended except by an instrument in writing duly executed by both parties hereto with the same formalities as this agreement.

VIII. REPORTING

A. Database Reporting

a. Grantee shall provide the Department with quarterly reports of Project activity, entering the required Project information directly into a database required by the Department.
b. Additionally, Grantee shall certify on each Request for Payment form, attached hereto as **Exhibit A** and incorporated herein, that all information provided in the database is true and accurate, updates to the database have been maintained, and all Project activity complies with applicable law and the terms of this Agreement.
c. Grantee hereby acknowledges that failure to perform and/or certify updates to the database will jeopardize the reimbursement of funds. The Department shall give Grantee a minimum of fourteen (14) days' advance written notice of any changes to the information the Grantee is required to report.
d. At the Department's discretion, all reports required hereunder may be directed to and facilitated through an electronic database.
e. Quarterly reports shall be due on the last day of the month, that is, 30 days prior to the end of the quarter following the execution of this Agreement by the Department and ending during the quarter of the submission of the final request for reimbursement for the Project, or the following quarter.

B. Requests for Additional Information/Project Inspection

During the term of this Agreement and during the period of time during which the Grantee must maintain records pursuant to Article VIII, the Department may:

i. request such additional information regarding the Project as it deems necessary; and
ii. conduct, at reasonable times and upon reasonable notice, onsite inspections of the Project.

Grantee shall respond to such requests for additional information within a reasonable period of time, as established by the Department.

B. Requests for Additional Information/Project Inspection

a. During the term of this Agreement and the Record Retention Period, the Department may:
   i. Request additional information regarding the Project as it deems necessary and
   ii. Conduct on-site inspections of the Project at reasonable times and upon reasonable notice.
b. Grantee shall respond to such requests for additional information within the time established by the Department.

IX. REQUEST FOR PAYMENT PROCEDURES

A. Grantee shall request payment by submitting the form attached hereto as **Exhibit A**. Payment requests are subject to the following procedures:

a. Each Request for Payment must be in accordance with the Project Budget and contain proof of payment by the Grantee or liabilities incurred by the Grantee.
   i. Proof of payment must demonstrate the validity of an expenditure or liabilities incurred by Grantee.
   ii. However, Grantee may be reimbursed for unpaid liabilities only if the Department, in its sole and absolute discretion, agrees to do so and in accordance with any special conditions imposed by the Department.
   iii. The Grantee shall make payment to those contractors or vendors within five (5) business days from the date of receiving reimbursement from the Department or in a shorter period than the Department may prescribe in writing.
   iv. The Department reserves the right to make such payments directly to the contractors or vendors as a special condition under this Agreement.
   v. The Grantee is required to certify to the Department proof of payment to the third-party contractor or vendor within five (5) business days from the date the Department reimburses the Grantee.

B. Until the Project is fully planned, designed, and all necessary procurements identified in the Project Budget are completed, Grantee's reimbursements will be limited to the planning, design, and procurement costs outlined in the Project Budget. Once the planning, designing, and procuring stages are complete, the Grantee must obligate at least ten percent (10%) of the Adjusted Appropriation Amount within one (1) year and must have utilized at least eighty-five percent (85%) of the Adjusted Appropriation Amount six (6) months before the reversion date.

C. Deadlines. Grantee shall submit requests for Payments to the Department on the earlier of:

a. Immediately as Grantee receives them, but at a maximum of thirty (30) days from when Grantee incurred the expenditure or liability; or
b. Twenty (20) days from the date of Early Termination or Reversion Date for expenditures or liabilities incurred before the Early Termination date or Reversion Date.

D. Grantee's failure to abide by the requirements set forth in Article II and Article IX herein may result in the denial of its Request for Payment. Department reserves the right to reject a payment request for the Project unless and until it is satisfied that the expenditures or liabilities are for permissible purposes within the meaning of the Project Description, identified within the Project Budget, and that the Grantee is otherwise in compliance with this Agreement.

a. Department's authority to reject any Request for Payment is in addition to, and not in lieu of, any other legal or equitable remedy available to the Department under this Agreement, at law, or in equity.

X. PROJECT CONDITIONS AND RESTRICTIONS

A. The following general conditions and restrictions shall apply to the Project:

a. The Project's funds must be spent in accordance with all applicable state laws, regulations, policies, and guidelines, including, but not limited to, the State Procurement Code.
b. The Project's expenditures and liabilities must be accounted for in accordance with the State's Model Accounting Practices, as amended from time to time.
c. The Project must be implemented in accordance with the New Mexico Public Works Minimum Wage Act, Section 13-4-10 through 13-4-17 NMSA 1978, as applicable.
d. The Project must provide a public benefit above and beyond any incidental benefit to private entities in accordance with applicable law, including, but not limited to, Article IX, Section 14 of the Constitution of the State of New Mexico.
e. Without prior written approval from the Department and State Board of Finance, for the useful life of any asset purchased under this Agreement, Grantee shall not convert any property acquired, built, renovated, repaired, designed, or developed with Project funds to uses other than those specified in the Project Description.
    i. In addition to other remedies available at law or in equity, any disposal or conversion of property acquired, built, renovated, repaired, designed, or developed with Project funds without the Department's and the Board of Finance's express written approval will trigger the Department's right to reimbursement from Grantee of the Appropriated Amount, transfer proceeds from any disposition of property to the State, or otherwise provide consideration to the State for the Appropriated Amounts.
f. Grantee shall comply with all applicable federal and state laws, rules, and regulations pertaining to civil rights and equal employment opportunity.
    i. In accordance with all such laws, rules, and regulations, the Grantee agrees to assure that no person shall, on the grounds of race, color, national origin, sex, sexual preference, age, or handicap, be excluded from participation in the Project, use of the Project, employment with Grantee, or otherwise be denied benefits/subject to discrimination for any activity performed under this Agreement.
g. Where the Department, in its sole and absolute discretion, determines Grantee has failed to comply with the above conditions and restriction, Grantee agrees to take appropriate steps to correct any deficiencies immediately. The Grantee's failure to implement such appropriate steps within a reasonable time, but no longer than thirty (30) days after

notice from the Department, constitutes a breach of this Agreement and grounds for Early Termination.

XI. REPRESENTATIONS AND WARRANTIES

A. Reliance by Department.

a. Grantee expressly acknowledges that the Department relies on the representations and warranties made by Grantee in this Agreement. Grantee acknowledges that such representations and warranties are a material inducement for the Department to enter into this Agreement and provide the Appropriated Amount.

b. Grantee shall ensure all representations and warranties provided herein are true, accurate, and complete as of the date of the Effective Date and shall remain so throughout the Term of this Agreement. Grantee is responsible for promptly notifying the Department in writing of any changes or inaccuracies in the representations and warranties contained herein.

B. Grantee hereby represents and warrants the following:

a. Grantee has taken all necessary steps to attain the legal authority to receive and expend the Project's funds.

b. Grantee has duly authorized this Agreement, and the person executing it has authority to do so. Once executed by Grantee, this Agreement shall constitute a binding obligation of Grantee, enforceable according to its terms.

c. Grantee's obligations hereunder do not conflict with any law, ordinance, or resolution applicable to Grantee, Grantee's charter (if applicable), or any judgment or decree to which Grantee is subject.

d. Grantee has independently confirmed that the Project Description, including, but not limited to, the Appropriated Amount and Reversion Date, is consistent with the underlying appropriation in law.

e. Grantee's governing body has duly adopted or passed as an official act a resolution, motion, or similar action authorizing the person identified as the official representative of the Grantee to sign and submit Requests for Payment on behalf of Grantee.

f. Grantee will abide by New Mexico laws regarding conflicts of interest, governmental conduct, and whistleblower protection.

   i. Grantee agrees explicitly none of its officers or employees or its designees or agents, no member of the governing body, and no other public official of Grantee who exercises any function or responsibility with respect to this Agreement, shall have any interest, direct or indirect, in any contract or subcontract, or the proceeds thereof, for the Project.

   ii. Further, Grantee will require all of its contractors to incorporate the language set forth in this paragraph prohibiting conflicts of interest in all subcontracts.

g. No funds have been paid or will be paid, by or on behalf of the Grantee, to any person for influencing or attempting to influence an officer or employee of the State, any agency, or body in connection with the awarding of any Third Party Obligation.

   i. Grantee will require certifying language prohibiting lobbying to be included in the award documents for all subawards, including subcontracts, loans, and cooperative agreements.

C. Consequences of False or Misleading Representations. If any representation or warranty made by Grantee is found to be false or misleading, the Department shall have the right to exercise any or all of the following remedies:

a. **Termination of Agreement:** Department may terminate this Agreement immediately upon written notice to the Grantee.
b. **Repayment of Grant Funds:** Grantee shall repay all Appropriated Amounts disbursed under this Agreement, upon demand by the Department.
c. **Other Remedies:** Department may pursue any other remedies available at law or in equity.

D. Survival of Representations and Warranties. The representations and warranties made by the Grantee shall survive the Early Termination or expiration of this Agreement.

XII. PROJECT RECORDS

A. Grantee shall be strictly accountable for receipts and disbursements relating to the Project's funds. The Grantee shall follow generally accepted accounting principles and the State's Model Accounting Practices and, if feasible, maintain a separate bank account or fund with a separate organizational code to ensure separate budgeting and accounting of the funds.

B. For six (6) years following the Project's completion ("**Record Retention Period**"), Grantee shall maintain all Project-related records, including, but not limited to, all financial records, requests for proposals, invitations to bid, selection and award criteria, contracts and subcontracts, advertisements, minutes of pertinent meetings, as well as records sufficient to fully account for the amount and disposition of the Appropriated Amount from all sources budgeted for the Project, the purpose for which such funds were used, and such other records as the Department may prescribe.

C. Grantee shall make all Project records available to the Department, the Department's Independent Public Accountant, and the New Mexico State Auditor upon request. With respect to the funds that are the subject of this Agreement, if the State Auditor or the Department finds any funds were improperly expended, Grantee shall be required to reimburse the State all amounts found to be improperly expended.

XIII. IMPROPERLY REIMBURSED FUNDS

If the Department determines part or all of the Appropriation Amount was improperly reimbursed to Grantee, including but not limited to funds reimbursed to Grantee based upon fraud, mismanagement, misrepresentation, misuse, violation of law by the Grantee, after ten (10) days' notice to Grantee and the opportunity to return such funds to the Department, the Department may offset any funds due to Grantee from the State, until the Appropriation Amount is fully repaid.

XIV. LIABILITY

Neither Party shall be responsible for liability incurred as a result of the other Party's acts or omissions in connection with this Agreement. Any liability incurred in connection with this Agreement is subject to

immunities and limitations of the New Mexico Tort Claims Act.

XV. SCOPE OF AGREEMENT

This Agreement constitutes the entire and exclusive agreement between the Parties concerning the subject matter hereof. The Agreement supersedes all prior or contemporaneous agreements, understandings, discussions, communications, and representations, written or verbal.

XVI. REQUIRED NON-APPROPRIATIONS CLAUSE

A. Grantee acknowledges and agrees to include a "non-appropriations" clause in all contracts between it and other parties that are (i) funded in whole or part by funds made available under this Agreement and (ii) entered into after the effective date of this Agreement that states:

   a. "The terms of this Agreement are contingent upon sufficient appropriations and authorization being made by the Legislature of the State of New Mexico ("**Legislature**") for the performance of this Agreement.
   b. If the Legislature does not make sufficient appropriations and authorization, City of Santa Fe may immediately terminate this Agreement by giving Contractor written notice of such termination.
   c. The City of Santa Fe's decision as to whether sufficient appropriations are available shall be final and accepted by the Contractor. Contractor hereby waives any rights to assert an impairment of contract claim against the City of Santa Fe or the State of New Mexico in the event of immediate or Early Termination of this Agreement by the City of Santa Fe or the State Department of Finance and Administration."

XVII. REQUIRED TERMINATION CLAUSE

A. Grantee acknowledges and agrees to include the following termination clause in all contracts that are (i) funded in whole or part by funds made available under this Agreement and (ii) entered into after the effective date of this Agreement:

   a. "This contract is funded in whole or in part by funds made available by the State of New Mexico ("**State**"). Should the State terminate its Agreement with the City of Santa Fe, the City of Santa Fe may terminate this contract immediately by providing Contractor written notice of such termination.
   b. In the event of termination pursuant to this paragraph, the City of Santa Fe's only liability to Contractor shall be for goods and services delivered and accepted prior to the termination date."

XVIII. COMPLIANCE WITH UNIFORM FUNDING CRITERIA

A. Throughout the term of this Agreement, Grantee shall:

   a. Submit all reports of annual audits and agreed-upon procedures required by § 12-6-3(A)-(B), NMSA 1978 by the due dates established in § 2.2.2 NMAC, reports of which must be a

public record pursuant to § 12-6-5(A), NMSA 1978 within forty-five (45) days of delivery to the State Auditor;
b. Have a duly adopted budget for the current fiscal year approved by its budgetary oversight agency (if any);
c. Timely submit all required financial reports to its budgetary oversight agency (if any); and
d. Use accounting methods and procedures consistent with Generally Accepted Accounting Principles and the State's Model Accounting Principals to expend the Appropriated Amount in accordance with applicable law and account for and safeguard Project funds and assets acquired with Project funds.

B. In the event Grantee fails to comply with the requirements of subparagraph A of this Article XVIII, Department may take one or more of the following actions:

a. Suspend new or further obligations pursuant to Article VI(A) of this Agreement;
b. Require the Grantee to develop and implement a written corrective action plan pursuant to Article VI(D) of this Agreement to remedy the non-compliance;
c. Impose special conditions to address the non-compliance by giving Grantee notice of such special conditions in accordance with Article III of this Agreement;
    i. The Parties agree that any special conditions imposed to address non-compliance shall be incorporated into this Agreement, through **Exhibit C**, upon notice to Grantee, without need for formal amendment of this Agreement;
    ii. Special conditions shall be binding and effective on the date that notice is deemed to have been given pursuant to Article III or
d. Terminate this Agreement pursuant to Article V(A) of this Agreement.

XIX. SEVERANCE TAX AND GENERAL OBLIGATION BONDS

A. Grantee acknowledges and agrees that the underlying appropriation for the Project may originate from the issuance of tax-exempt severance tax bonds or general obligation bonds by the State. Proceeds from such bonds are administered by the New Mexico State Board of Finance ("**SBOF**"), an entity separate and distinct from the Department.

a. Grantee acknowledges and agrees:
    i. It is Grantee's responsibility to determine through SBOF what (if any) conditions are currently imposed on the Project;
    ii. Department's failure to inform Grantee of an SBOF-imposed condition does not affect the validity or enforceability of the condition;
    iii. The SBOF may in the future impose further or different conditions upon the Project;
    iv. All SBOF conditions are attached to the Project and Appropriation Amount without the need for formal amendment of this Agreement;
    v. All applicable SBOF conditions must be satisfied before the SBOF will release to the Department funds subject to the condition(s) and
    vi. The Department's obligation to reimburse Grantee from the Project is expressly contingent upon the satisfaction of the then-current SBOF conditions.

B. Grantee acknowledges and agrees SBOF may, at its sole and absolute discretion, require reimbursement or remove eligibility for bond proceeds for the Project if the Project doesn't

proceed sufficiently.

a. Grantee must comply with the requirement to encumber five percent (5%) of Project funds within six months of bond issuance as certified by Grantee in the Bond Questionnaire and Certification documents submitted to the SBOF.
b. Failure to comply may result in the reassignment of the bond proceeds. Upon reassignment of bond proceeds, this Agreement will be suspended until the entity has demonstrated readiness as determined by the SBOF and the Department.

C. Grantee acknowledges and agrees that this Agreement is subject to the SBOF's Bond Project Disbursements rule, § 2.61.6, NMAC, as may be amended from time to time or re-codified.

XX. GENERAL PROVISIONS

A. Assignment: Grantee's rights and obligations under this Agreement are personal and may not be transferred or assigned without the prior written consent of the State. Any attempt at assignment or transfer without such consent shall be void. Any assignment or transfer of Grantee's rights and obligations approved by the State shall be subject to the provisions of this Agreement.

B. Subcontractors: Grantee shall not enter any subgrant or subcontract in connection with its obligations under this Agreement without the prior written approval of the State. Upon request, Grantee shall submit to the Department a copy of each such subgrant or subcontract.

C. Binding Effect: Except as otherwise provided, all provisions of this Agreement, including the benefits and burdens, shall extend to and be binding upon the Parties' respective successors and assigns.

D. Authority: Each Party represents and warrants to the other that the execution and delivery of this Agreement and the performance of such Party's obligations have been duly authorized.

E. Captions and References: The captions and headings in this Agreement are for the convenience of reference only and shall not be used to interpret, define, or limit its provisions. All references in this Agreement to sections (whether spelled out or using the § symbol), subsections, exhibits, or other attachments are references to sections, subsections, exhibits, or other attachments contained herein or incorporated as a part hereof, unless otherwise noted.

F. Counterparts: This Agreement may be executed in multiple, identical, original counterparts, each of which shall be deemed to be an original, but all of which, taken together, shall constitute the same agreement.

G. Digital Signatures: If any signatory signs this agreement using a digital signature in accordance with the State Policies regarding the use of digital signatures, then any agreement or consent to use digital signatures within the electronic system through which that signatory signed shall be incorporated into this Agreement by reference.

H. Modification: Except as otherwise provided in this Agreement, any modification to this Agreement shall only be effective if agreed to in a formal amendment, properly executed and approved in accordance with applicable New Mexico law and State fiscal policies and rules.

Modifications permitted under this Agreement, other than Agreement amendments, shall conform to the policies issued by the State.

I. Statutes, Regulations, Fiscal Rules, and Other Authority: Any reference in this Agreement to a statute, regulation, policy, or other authority shall be interpreted to refer to such authority then current, as may have been changed or amended after the Effective Date of this Agreement.

J. External Terms and Conditions: Notwithstanding anything to the contrary herein, the State shall not be subject to any provision included in any terms, conditions, or agreements appearing on Grantee's or a subcontractor's website or any provision incorporated into any click-through or online agreements related to the Work unless that provision is specifically referenced in this Agreement.

K. Severability: The invalidity or unenforceability of any provision of this Agreement shall not affect the validity or enforceability of any other provision of this Agreement, which shall remain in full force and effect, provided that the Parties can continue to perform their obligations under this Agreement in accordance with its intent.

L. Survival of Certain Agreement Terms: Any provision of this Agreement that imposes an obligation on a Party after the termination or expiration of this Agreement shall survive the termination or expiration of this Agreement and shall be enforceable by the other Party.

M. Third Party Beneficiaries: Except for the Parties' respective successors and assigns described in this Agreement, it does not and is not intended to confer any rights or remedies upon any person or entity other than the Parties. Enforcement of this Agreement and all rights and obligations hereunder are reserved solely to the Parties. Any services or benefits that third parties receive as a result of this Agreement are incidental to this Agreement and do not create any rights for such third parties.

N. Waiver: A Party's failure or delay in exercising any right, power, or privilege under this Agreement, whether explicit or by lack of enforcement, shall not operate as a waiver, nor shall any single or partial exercise of any right, power, or privilege preclude any other or further exercise of such right, power, or privilege.

O. Standard and Manner of Performance: Grantee shall perform its obligations under this Agreement in accordance with the highest standards of care, skill, and diligence in Grantee's industry, trade, or profession.

P. Licenses, Permits, and Other Authorizations: Grantee shall secure, prior to the Effective Date, and maintain at all times during the term of this Agreement, at its sole expense, all licenses, certifications, permits, and other authorizations required to perform its obligations under this Agreement and shall ensure that all employees, agents, and subcontractors secure and maintain at all times during the term of their employment, agency or subcontractor, all license, certifications, permits and other authorizations required to perform their obligations in relation to this Agreement.

Q. Publicity: Any Publicity regarding the subject matter of this Agreement may not be released without prior written approval from the Department. For purposes of this agreement, "**Publicity**"

means notices, informational pamphlets, press releases, email responses, research, reports, signs, and similar public notices prepared by or for the Grantee or jointly with others.

a. Grantee shall obtain written approval prior to issuing any press release or making any public announcement regarding this agreement. Grantee agrees to obtain approval of the Department in advance with respect to all Public Relations, all communications with media, or all communications with any other member of the public with respect to this agreement, except to acknowledge that an agreement does exist.
b. For purposes of this agreement, "Public Relations" includes community relations and means those activities dedicated to maintaining the Department's image or maintaining or promoting understanding and favorable relations with the community or public at large or any segment of the public.
c. Violations of either Article XX (Q)(a) or (b) shall constitute a material Breach of Agreement.

R. Data Sharing: The State intends to secure and collate specific data generated by Grantee under this Agreement to use in support of the State's organizational, policy-making, and management of public resource functions. State, in accordance with **Exhibit E**, attached hereto and incorporated herein by reference, reserves the right to require Grantee and/or its subcontractors to provide specific data relevant to the above-listed functions. Data provided by Grantee may be incorporated into existing or future developed State integrated analysis tools or databases, including but not limited to geographic information system (GIS) networks and databases accessible by the public. Dissemination of data collected may include historical data and projections based on such historical data.

a. To the extent any data transferred as part of this Agreement is legally determined to be the property of Subrecipient or its subcontractors, Subrecipient and/or its subcontractors grants State a nonexclusive, fully paid-up right and license to reproduce, use, distribute, do derivative works based on, and archive data transferred as part of this Agreement.

S. Venue and Choice of Law: This Agreement shall be governed by and construed in accordance with the laws of the State of New Mexico, without regard to any conflict of law provisions. Any legal suit, action, or proceeding arising out of or related to this Agreement shall be instituted exclusively in the district courts located in Santa Fe, New Mexico. The Parties hereby irrevocably submit to the exclusive jurisdiction and venue of such courts in any such suit, action, or proceeding. The Parties waive any objection to the laying of the venue of any such suit, action, or proceeding in the district courts of Santa Fe, New Mexico, and irrevocably waive and agree not to plead or claim in any such court that any such suit, action, or proceeding brought in any such court has been brought in an inconvenient forum.

1 Administrative and/or Indirect Cost – generally, the legislation authorizing the issuance of bonds prohibits the use of its proceeds for indirect expenses (e.g. penalty fees or damages other than pay for work performed, attorney fees, and administrative fees). Such use of bond proceeds shall not be allowed unless specifically authorized by statute.

Revised 7/2025

[THIS SPACE LEFT BLANK INTENTIONALLY]

OPTIONAL EXHIBIT C
SPECIAL CONDITIONS

The capital outlay oversight requires grantees' accounting methods and procedures, including their internal control framework, to be scrutinized, so as to safeguard State capital outlay appropriations and assets acquired with such appropriations.

This Capital Outlay Special Grant Condition(s) **Exhibit C** is necessary pursuant to § 6-3b-1 et seq., NMSA 1978 (Public Finance Accountability Act) and MAPS Fin 9.2, due to the Grantees' material weaknesses, significant deficiencies, or findings that raised concerns as to the ability to expend grant funds in accordance with applicable law in the organization's FY[20XX] audit. The Special Conditions identified below apply to the authorized agent, [insert the Grantee or Fiscal Agent name].

Procurement - All purchases or contracts the Grantee enters that shall use funding from the Department capital appropriations grant must be approved by the Department prior to the initiation of implementing purchasing documents. The Grantee shall receive such prior approval via official correspondence from the Department, which may be through letter or email. The Grantee shall submit the following to the Department in pursuit of prior approval: purchasing policies and procedures, CFO certification, documentation of management and program approval, policies and procedures governing purchasing and contracting, a copy of the current procurement and contracting policies, and documentation regarding informing staff responsible for purchasing and contracting on such policies and procedures.

Budget - Provide documentation of approval of your current budget from DFA Local Government or other authoritative agency. Provide policies and procedures on who is responsible for and how annual budgets (expenditures and revenue) are established, monitored and adjusted. Provide a corrective action plan on how budget issues identified in your audit will be/have been addressed. Also include documentation on how staff responsible for budgeting is informed on budget policies and procedures.

Capital Assets - Provide a complete list of inventory including inventory control numbers and current location. Provide policies and procedures on capital assets and inventory and specify how the proposed purchased items will be included, tagged, and tracked in capital asset inventory. Also include documentation on how staff responsible for capital assets is informed on capital asset policies and procedures.

Travel and Per Diem - Provide policies and procedures on travel and per diem. Also include how staff who travel and those responsible for travel reimbursement are informed on travel and per diem policies and procedures.

Timely Audits – Provide policies and procedures on annual audits. Provide documentation on how and who is responsible for insuring that annual audits are completed timely. Also include documentation on how staff responsible for the annual audit is informed on audit policies and procedures.

Cash Management – policies and procedures on cash management of federal funds. Provide procedures used to draw and disburse federal funds. Provide procedures to reconcile draw amounts, deposits and disbursements; and to prepare federal cash reporting documents to ensure compliance with federal regulations.

The <Grantee> was required to, and has provided sufficient documentation regarding [insert specific names of the Special Condition(s)], as referenced in the <Grantee>'s [20XX] Audit file. Therefore, the criteria to enter into this agreement have been met.

Exhibit E

Data Sharing Provisions for New Mexico Capital Outlay Agreements

I. Introduction:

This Data Sharing Provisions Exhibit ("Exhibit") is incorporated into the New Mexico Capital Outlay Agreements ("Agreements") between the State of New Mexico ("State") and [Insert Partner Name] ("Partner"). This Exhibit outlines the terms and conditions under which data will be shared between the Parties to ensure compliance with New Mexico state laws and regulations, focusing on data privacy, security, and compliance.

II. Definitions:

a. Authorized User: An employee, agent, assign, representative, independent contractor, or other person or entity authorized by Partner or State to access, use, or disclose information through this exhibit.

b. Confidential Information: All data or information shared in confidence, with the expectation that it will not be disclosed in an identifiable form. This includes data that is exempt from public disclosure under the New Mexico Inspection of Public Records Act (§ 14-2-1 et seq. NMSA 1978) or other relevant laws.

c. Data Storage: Electronic media that hold recorded information.

d. Data Transmission: The process of moving information over a network from its source to one or more destinations.

e. Direct Identifier: Records or data containing personal identifiers such as names, addresses, and social security numbers.

f. Disclosure: Permission to access, release, transfer, or otherwise communicate confidential information by any means to any third party, except as authorized by the Party that controls the record.

g. Encryption involves using algorithms to encode data, rendering it unreadable without a specific key. It may be necessary during data transmission and/or storage.

h. Information: Any data, figures, statistics, or other facts provided or learned about someone or something, including Confidential Information, that may be legally transmitted under this Exhibit.

i. Limited Dataset: A data file that omits Direct Identifiers.

j. Protected Personally Identifiable Information: Sensitive personal details such as social security numbers and financial account numbers, with specific exclusions as outlined in the Agreements.

III. Purpose:

The purpose of this exhibit is to promote transparency, facilitate information sharing between the parties, support better policy and decision-making, and enhance public services through collaborative

[THIS SPACE LEFT BLANK INTENTIONALLY]

data analysis from various sources.

IV. Use of Information:

a. Use of Information obtained or created under this exhibit shall be strictly limited to the purposes stated herein and in the agreements. The parties agree not to sell Information to third parties or use it for commercial, solicitation, or political purposes.

b. Each Party shall serve as the custodian of the Information and comply with all conditions for its use, including security measures to prevent unauthorized access.

c. The Parties shall follow all relevant federal and state laws and regulations governing the use of such Information.

V. Safeguarding Information:

a. Confidentiality: Access to Confidential Information shall be limited to the minimum necessary to accomplish the purposes of this Exhibit. Authorized Users must adhere to the confidentiality requirements.

b. Security: Security practices shall comply with the requirements of the New Mexico Department of Information Technology Act and related regulations. The Parties agree to notify each other within three business days of any suspected or actual security breach.

c. Information Storage and Transmission: Data Storage and Transmission shall take place on an encrypted server with appropriate security controls.

VI. Re-Disclosure of Information:

The Parties agree not to disclose Information except as required by law or with prior written approval of the other Party. If there is a public records request, the Party receiving it shall notify the other Party within three business days.

VII. Ownership of Information:

Legal title to Information shall remain with the provider. The Partner grants the State a royalty-free, non-exclusive, non-transferable license to use the Information in furtherance of the purposes outlined in this Exhibit.

MASTER GENERAL PROVISIONS

This Master Agreement is made and entered into, by and between the Houston-Galveston Area Council hereinafter referred to as H-GAC having its principal place of business at 3555 Timmons Lane, Suite 120, Houston, Texas 77027 and Southwest Ambulance Sales, LLC, hereinafter referred to as the Contractor, having its principal place of business at 621 East Kennedale Parkway, Kennedale, TX 76060.

WITNESSETH:

WHEREAS, H-GAC hereby engages the Contractor to perform certain services in accordance with the specifications of the Master Agreement; and

WHEREAS, the Contractor has agreed to perform such services in accordance with the specifications of the Master Agreement;

NOW, THEREFORE, H-GAC and the Contractor do hereby agree as follows:

ARTICLE 1: LEGAL AUTHORITY

The Contractor warrants and assures H-GAC that it possesses adequate legal authority to enter into this Master Agreement. The Contractor's governing body, where applicable, has authorized the signatory official(s) to enter into this Master Agreement and bind the Contractor to the terms of this Master Agreement and any subsequent amendments hereto.

ARTICLE 2: APPLICABLE LAWS

The Contractor agrees to conduct all activities under this Master Agreement in accordance with all federal laws, executive orders, policies, procedures, applicable rules, regulations, directives, standards, ordinances, and laws, in effect or promulgated during the term of this Master Agreement, including without limitation, workers' compensation laws, minimum and maximum salary and wage statutes and regulations, and licensing laws and regulations. When required, the Contractor shall furnish H-GAC with satisfactory proof of its compliance therewith.

ARTICLE 3: PUBLIC INFORMATION

Except as stated below, all materials submitted to H-GAC, including any attachments, appendices, or other information submitted as a part of a submission or Master Agreement, are considered public information, and become the property of H-GAC upon submission and may be reprinted, published, or distributed in any manner by H-GAC according to open records laws, requirements of the US Department of Labor and the State of Texas, and H-GAC policies and procedures. In the event the Contractor wishes to claim portions of the response are not subject to the Texas Public Information Act, it shall so; however, the determination of the Texas Attorney General as to whether such information must be disclosed upon a public request shall be binding on the Contractor. H-GAC will request such a determination only if Contractor bears all costs for preparation of the submission. H-GAC is not responsible for the return of creative examples of work submitted. H-GAC will not be held accountable if material from submissions is obtained without the written consent of the contractor by parties other than H-GAC, at any time during the evaluation process.

ARTICLE 4: INDEPENDENT CONTRACTOR

The execution of this Master Agreement and the rendering of services prescribed by this Master Agreement do not change the independent status of H-GAC or the Contractor. No provision of this Master Agreement or act of H-GAC in performance of the Master Agreement shall be construed as making the Contractor the agent, servant, or employee of H-GAC, the State of Texas, or the United States Government. Employees of the Contractor are

DocuSign Envelope ID: 5A2BDBDE-DFF5-4239-8E0F-5CC95D44E3E3

subject to the exclusive control and supervision of the Contractor. The Contractor is solely responsible for employee related disputes and discrepancies, including employee payrolls and any claims arising therefrom.

ARTICLE 5: ANTI-COMPETITIVE BEHAVIOR

Contractor will not collude, in any manner, or engage in any practice which may restrict or eliminate competition or otherwise restrain trade.

ARTICLE 6: SUSPENSION AND DEBARMENT

Debarment and Suspension (Executive Orders 12549 and 12689) – A contract award (2 CFR 180.220) must not be made to parties listed on the government-wide exclusions in the System for Award Management (SAM), in accordance with the OMB guidelines at 2 CFR 180 that implement Executive Orders 12549 (3 CFR Part 1966 Comp. p. 189) and 12689 (3 CFR Part 1989 Comp. p. 235), "Debarment and Suspension." SAM Exclusions contains the names of parties debarred, suspended, or otherwise excluded by agencies, as well as parties declared ineligible under statutory or regulatory authority other than Executive Order 12549.

Pursuant to the Federal Rule above, Respondent certifies that neither it nor its principals are presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation by any federal department or agency or by the State of Texas and at all times during the term of the Contract neither it nor its principals will be debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation by any federal department or agency or by the State of Texas Respondent shall immediately provide the written notice to H-GAC if at any time the Respondent learns that this certification was erroneous when submitted or has become erroneous by reason of changed circumstances. H-GAC may rely upon a certification of the Respondent that the Respondent is not debarred, suspended, ineligible, or voluntarily excluded from the covered contract, unless the H-GAC knows the certification is erroneous.

ARTICLE 7: GOAL FOR CONTRACTING WITH SMALL AND MINORITY BUSINESSES, WOMEN'S BUSINESS ENTERPRISES, AND LABOR SURPLUS AREA FIRMS (if subcontracts are to be let)

H-GAC's goal is to assure that small and minority businesses, women's business enterprises, and labor surplus area firms are used when possible in providing services under a contract. In accordance with federal procurements requirements of 2 CFR §200.321, if subcontracts are to be let, the prime contractor must take the affirmative steps listed below:

1. Placing qualified small and minority businesses and women's business enterprises on solicitation lists;
2. Assuring that small and minority businesses and women's business enterprises are solicited whenever they are potential sources;
3. Dividing total requirements, when economically feasible, into smaller task or quantities to permit maximum participation by small and minority businesses, and women's business enterprises;
4. Establishing delivery schedules, where the requirement permits, which encourage participation by small and minority businesses, and women's business enterprises;
5. Using the services and assistance as appropriate, of such organizations as the Small Business Administration and the Minority Business Development Agency of the Department of Commerce.
6.

Nothing in this provision will be construed to require the utilization of any firm that is either unqualified or unavailable. The Small Business Administration (SBA) is the primary reference and database for information on requirements related to Federal Subcontracting https://www.sba.gov/federal-contracting/contracting-guide/prime-subcontracting

NOTE: The term DBE as used in this solicitation is understood to encompass all programs/business enterprises such as: Small Disadvantaged Business (SDB), Historically Underutilized Business (HUB), Minority Owned Business Enterprise (MBE), Women Owned Business Enterprise (WBE) and Disabled Veteran Business Enterprise (DVBE) or other designation as issued by a certifying agency.

Contractor agrees to work with and assist HGACBuy customer in meeting any DBE targets and goals, as may be required by any rules, processes, or programs they might have in place. Assistance may include compliance with reporting requirements, provision of documentation, consideration of Certified/Listed subcontractors, provision of documented evidence that an active participatory role for a DBE entity was

considered in a procurement transaction, etc.

ARTICLE 8: SCOPE OF SERVICES
The services to be performed by the Contractor are outlined in an Attachment to this Master Agreement.

ARTICLE 9: PERFORMANCE PERIOD
This Master Agreement shall be performed during the period which begins Oct 01 2023 and ends Sep 30 2027. All services under this Master Agreement must be rendered within this performance period, unless directly specified under a written change or extension provisioned under Article 21, which shall be fully executed by both parties to this Master Agreement.

ARTICLE 10: PAYMENT OR FUNDING
Payment provisions under this Master Agreement are outlined in the Special Provisions. H-GAC will not pay for any expenses incurred prior to the execution date of a contract, or any expenses incurred after the termination date of the contract.

ARTICLE 11: PAYMENT FOR WORK
The H-GAC Customer is responsible for making payment to the Contractor upon delivery and acceptance of the goods or completion of the services and submission of the subsequent invoice.

ARTICLE 12: PAYMENT TERMS/PRE-PAYMENT/QUANTITY DISCOUNTS
If discounts for accelerated payment, pre-payment, progress payment, or quantity discounts are offered, they must be clearly indicated in the Contractor's submission prior to contract award. The applicability or acceptance of these terms is at the discretion of the Customer.

ARTICLE 13: REPORTING REQUIREMENTS
If the Contractor fails to submit to H-GAC in a timely and satisfactory manner any report required by this Master Agreement, or otherwise fails to satisfactorily render performances hereunder, H-GAC may terminate this Master Agreement with notice as identified in Article 29 of these General Provisions. H-GAC has final determination of the adequacy of performance and reporting by Contractor. Termination of this Master Agreement for failure to perform may affect Contractor's ability to participate in future opportunities with H-GAC. The Contractor's failure to timely submit any report may also be considered cause for termination of this Master Agreement. Any additional reporting requirements shall be set forth in the Special Provisions of this Master Agreement.

ARTICLE 14: INSURANCE
Contractor shall maintain insurance coverage for work performed or services rendered under this Master Agreement as outlined and defined in the attached Special Provisions.

ARTICLE 15: SUBCONTRACTS AND ASSIGNMENTS
Except as may be set forth in the Special Provisions, the Contractor agrees not to assign, transfer, convey, sublet, or otherwise dispose of this Master Agreement or any right, title, obligation, or interest it may have therein to any third party without prior written approval of H-GAC. The Contractor acknowledges that H-GAC is not liable to any subcontractor or assignee of the Contractor. The Contractor shall ensure that the performance rendered under all subcontracts shall result in compliance with all the terms and provisions of this Master Agreement as if the performance rendered was rendered by the Contractor. Contractor shall give all required notices, and comply with all laws and regulations applicable to furnishing and performance of the work. Except where otherwise expressly required by applicable law or regulation, H-GAC shall not be responsible for monitoring Contractor's compliance, or that of Contractor's subcontractors, with any laws or regulations.

ARTICLE 16: AUDIT
Notwithstanding any other audit requirement, H-GAC reserves the right to conduct or cause to be conducted an independent audit of any transaction under this Master Agreement, such audit may be performed by the H-GAC local government audit staff, a certified public accountant firm, or other auditors designated by H-GAC and will be

DocuSign Envelope ID: 5A2BDBDE-DFF5-4239-8E0F-5CC95D44E3E3

conducted in accordance with applicable professional standards and practices. The Contractor understands and agrees that the Contractor shall be liable to the H-GAC for any findings that result in monetary obligations to H-GAC.

ARTICLE 17: TAX EXEMPT STATUS

H-GAC and Customer members are either units of government or qualified non-profit agencies, and are generally exempt from Federal and State sales, excise or use taxes. Respondent must not include taxes in its Response. It is the responsibility of Contractor to determine the applicability of any taxes to an order and act accordingly. Exemption certificates will be provided upon request.

ARTICLE 18: EXAMINATION OF RECORDS

The Contractor shall maintain during the course of the work complete and accurate records of all of the Contractor's costs and documentation of items which are chargeable to H-GAC under this Master Agreement. H-GAC, through its staff or designated public accounting firm, the State of Texas, and United States Government, shall have the right at any reasonable time to inspect, copy and audit those records on or off the premises by authorized representatives of its own or any public accounting firm selected by H-GAC. The right of access to records is not limited to the required retention period, but shall last as long as the records are retained. Failure to provide access to records may be cause for termination of the Master Agreement. The records to be thus maintained and retained by the Contractor shall include (without limitation): (1) personnel and payroll records, including social security numbers and labor classifications, accounting for total time distribution of the Contractor's employees working full or part time on the work, as well as cancelled payroll checks, signed receipts for payroll payments in cash, or other evidence of disbursement of payroll payments; (2) invoices for purchases, receiving and issuing documents, and all other unit inventory records for the Contractor's stocks or capital items; and (3) paid invoices and cancelled checks for materials purchased and for subcontractors' and any other third parties' charges.

Contractor agrees that H-GAC will have the right, with reasonable notice, to inspect its records pertaining to purchase orders processed and the accuracy of the fees payable to H-GAC. The Contractor further agrees that the examination of records outlined in this article shall be included in all subcontractor or third-party Master Agreements.

ARTICLE 19: RETENTION OF RECORDS

The Contractor and its subcontractors shall maintain all records pertinent to this Master Agreement, and all other financial, statistical, property, participant records, and supporting documentation for a period of no less than seven (7) years from the later of the date of acceptance of the final payment or until all audit findings have been resolved. If any litigation, claim, negotiation, audit or other action involving the records has been started before the expiration of the retention period, the records shall be retained until completion of the action and resolution of all issues which arise from it, or until the end of the seven (7) years, whichever is later, and until any outstanding litigation, audit, or claim has been fully resolved.

ARTICLE 20: DISTRIBUTORS, VENDORS, RESELLERS

Contractor agrees and acknowledges that any such designations of distributors, vendors, resellers or the like are for the convenience of the Contractor only and the awarded Contractor will remain responsible and liable for all obligations under the Contract and the performance of any designated distributor, vendor, reseller, etc. Contractor is also responsible for receiving and processing any Customer purchase order in accordance with the Contract and forwarding of the Purchase Order to the designated distributor, vendor, reseller, etc. to complete the sale or service. H-GAC reserves the right to reject any entity acting on the Contractor’s behalf or refuse to add entities after a contract is awarded.

ARTICLE 21: CHANGE ORDERS AND AMENDMENTS

A. Any alterations, additions, or deletions to the terms of this Master Agreement, which are required by changes in federal or state law or by regulations, are automatically incorporated without written amendment hereto, and shall become effective on the date designated by such law or by regulation.

DocuSign Envelope ID: 5A2BDBDE-DFF5-4239-8E0F-5CC95D44E3E3

B. To ensure the legal and effective performance of this Master Agreement, both parties agree that any amendment that affects the performance under this Master Agreement must be mutually agreed upon and that all such amendments must be in writing. After a period of no less than 30 days subsequent to written notice, unless sooner implementation is required by law, such amendments shall have the effect of qualifying the terms of this Master Agreement and shall be binding upon the parties as if written herein.

C. Customers have the right to issue a change order to any purchase orders issued to the Contractor for the purposes of clarification or inclusion of additional specifications, qualifications, conditions, etc. The change order must be in writing and agreed upon by Contractor and the Customer agency prior to issuance of any Change Order. A copy of the Change Order must be provided by the Contractor to, and acknowledged by, H-GAC.

ARTICLE 22: CONTRACT ITEM CHANGES

A. If a manufacturer discontinues a contracted item, that item will automatically be considered deleted from the contract with no penalty to Contractor. However, H-GAC may at its sole discretion elect to make a contract award to the next lowest Respondent for the item, or take any other action deemed by H-GAC, at its sole discretion, to be in the best interests of its Customers.

B. If a manufacturer makes any kind of change in a contracted item which affects the contract price, Contractor must advise H-GAC of the details. H-GAC may allow or reject the change at its sole discretion. If the change is rejected, H-GAC will remove the item from its program and there will be no penalty to Contractor. However, H- GAC may at its sole discretion elect to make a contract award to the next lowest Respondent for the item, or take any other action deemed by H-GAC, at its sole discretion, to be in the best interests of its Customers.

C. If a manufacturer makes any change in a contracted item which does not affect the contract price, Contractor shall advise H-GAC of the details. If the 'new' item is equal to or better than the originally contracted item, the 'new' item shall be approved as a replacement. If the change is rejected H-GAC will remove the item from its program and there will be no penalty to Contractor. However, H-GAC may at its sole discretion elect to make a contract award to the next lowest Respondent for the item or may take any other action deemed by H-GAC at its sole discretion, to be in the best interests of its Customers.

D. In the case of specifically identified catalogs or price sheets which have been contracted as base bid items or as published options, routine published changes to products and pricing will be automatically incorporated into the contract. However, Contractor must still provide written notice and an explanation of the changes to products and pricing. H-GAC will respond with written approval.

ARTICLE 23: CONTRACT PRICE ADJUSTMENTS

Price Decreases

If Contractor's Direct Cost decreases at any time during the full term of this award, Contractor must immediately pass the decrease on to H-GAC and lower its prices by the amount of the decrease in Direct Cost. (Direct Cost means Contractor's cost from the manufacturer of any item or if Contractor is the manufacturer, the cost of raw materials required to manufacture the item, plus costs of transportation from manufacturer to Contractor and Contractor to H-GAC. Contractor must notify H-GAC of price decreases in the same way as for price increases set out below. The price decrease shall become effective upon H-GAC's receipt of Contractor's notice. If Contractor routinely offers discounted contract pricing, H-GAC may request Contractor accept amended contract pricing equivalent to the routinely discounted pricing.

Price Increase

Contractors may request a price increase for items priced as Base Bid items and Published Options. The amount of any increase will not exceed actual documented increase in Contractor's Direct Cost and will not exceed 10% of

DocuSign Envelope ID: 5A2BDBDE-DFF5-4239-8E0F-5CC95D44E3E3

the previous bid price. Considerations on the percentage limit will be given if the price increase is the result of increased tariff charges or other governmental actions, or other economic factors. Manufacturer price/contract changes involving the sale of motor vehicles will be considered and may be allowed during the entire contract period subject to submission and verification of the proper documentation required for a contract change as referenced in this section.

Price Changes
Any permanent increase or decrease in offered pricing for a base contract item or published option is considered a price change. Temporary increases in pricing by whatever name (e.g., 'surcharge', 'adjustment', 'equalization charge', 'compliance charge', 'recovery charge', etc.), are also considered to be price changes.
For published catalogs and price sheets as part of an H-GAC contract, requests to amend the contract to reflect any new published catalog or price sheet must be submitted whenever the manufacturer publishes a new document. The request must include the new catalog or price sheet. All Products shall, at time of sale, be equipped as required under any then current applicable local, state, and federal government requirements. If, during any contract, changes are made to any government requirements which cause a manufacturer's costs of production to increase, Contractor may increase pricing to the extent of Contractor's actual cost increase. The increase must be substantiated with support documentation acceptable to H-GAC prior to taking effect. Modifications to a Product required to comply with such requirements which become effective after the date of any sale are the responsibility of the Customer.

Requesting Price Increase/Required Documentation
Contractor must submit a written overview of changes requested and reasons for the request, stating the amount of the increase, along with an itemized list of any increased prices, showing the Contractor's current price, revised price, the actual dollar difference and the percentage of the price increase by line item. Price change requests must be supported with substantive documentation (e.g., notices from suppliers and manufacturers of pricing changes in products, components, transportation, raw materials or commodities, and/or product availability, copies of invoices from suppliers, etc.) clearly showing that Contractor's actual costs have increased per the applicable line-item bid. The Producer Price Index (PPI) may be used as partial justification, subject to approval by H-GAC, but no price increase based solely on an increase in the PPI will be allowed. This documentation should be submitted in Excel format to facilitate analysis and updating of the website. The letter and documentation must be sent to Lead Program Coordinator, james.glover@h-gac.com.

Review/Approval of Requests
If H-GAC approves the price increase, Contractor will be notified in writing; no price increase will be effective until Contractor receives this notice. If H-GAC does not approve Contractor's price increase, Contractor may terminate its performance upon sixty (60) days advance written notice to H-GAC, however Contractor must fulfill any outstanding Purchase Orders. Termination of performance is Contractor's only remedy if H-GAC does not approve the price increase. H-GAC reserves the right to accept or reject any price change request.

ARTICLE 24: DELIVERIES AND SHIPPING TERMS

The Contractor agrees to make deliveries only upon receipt of authorized Customer Purchase Order acknowledged by H-GAC. Delivery made without such Purchase Order will be at Contractor's risk and will leave H-GAC the option of canceling any contract awarded to the Contractor. The Contractor must secure and deliver any item within five (5) working days, or as agreed to on any corresponding customer Purchase Order.

Shipping must be Freight On Board Destination to the delivery location designated on the Customer purchase order. The Contractor will retain title and control of all goods until delivery is completed and the Customer has accepted the delivery. All risk of transportation and all related charges are the responsibility of the Contractor. The Customer will notify the Contractor and H-GAC promptly of any damaged goods and will assist the Contractor in arranging for inspection. The Contractor must file all claims for visible or concealed damage. Unless otherwise stated in the Master Agreement, deliveries must consist only of new and unused merchandise.

ARTICLE 25: RESTOCKING (EXCHANGES AND RETURNS)

There will be no restocking charge to the Customer for return or exchange of any item purchased under the terms of any award. If the Customer wishes to return items purchased under an awarded contract, the Contractor agrees

DocuSign Envelope ID: 5A2BDBDE-DFF5-4239-8E0F-5CC95D44E3E3

to exchange, these items for other items, with no additional charge incurred. Items must be returned to Contractor within thirty (30) days from date of delivery. If there is a difference in price in the items exchanged, the Contractor must notify H-GAC and invoice Customer for increase price or provide the Customer with a credit or refund for any decrease in price per Customer's preference. On items returned, a credit or cash refund will be issued by the Contractor to Customer. This return and exchange option will extend for thirty (30) days following the expiration of the term of the Contract. All items returned by the Customer must be unused and in the same merchantable condition as when received. Items that are special ordered may be returned only upon approval of the Contractor.

ARTICLE 26: MANUALS

Each product delivered under contract to any Customer must be delivered with at least one (1) copy of a safety and operating manual and any other technical or maintenance manual. The cost of the manual(s) must be included in the price for the Product offered.

ARTICLE 27: OUT OF STOCK, PRODUCT RECALLS, AND DISCONTINUED PRODUCTS

H-GAC does NOT purchase the products sold pursuant to a Solicitation or Master Agreement. Contractor is responsible for ensuring that notices and mailings, such as Out of Stock or Discontinued Notices, Safety Alerts, Safety Recall Notices, and customer surveys, are sent directly to the Customer with a copy sent to H-GAC. Customer will have the option of accepting any equivalent product or canceling the item from Customer's Purchase Order. Contractor is not authorized to make substitutions without prior approval.

ARTICLE 28: WARRANTIES, SALES, AND SERVICE

Warranties must be the manufacturer's standard and inclusive of any other warranty requirements stated in the Master Agreement; any warranties offered by a dealer will be in addition to the manufacturer's standard warranty and will not be a substitute for such. Pricing for any product must be inclusive of the standard warranty.

Contractor is responsible for the execution and effectiveness of all product warranty requests and any claims, Contractor agrees to respond directly to correct warranty claims and to ensure reconciliation of warranty claims that have been assigned to a third party.

ARTICLE 29: TERMINATION PROCEDURES

The Contractor acknowledges that this Master Agreement may be terminated for Convenience or Default. H-GAC will not pay for any expenses incurred after the termination date of the contract.

A. *Convenience*

H-GAC may terminate this Master Agreement at any time, in whole or in part, with or without cause, whenever H-GAC determines that for any reason such termination is in the best interest of H-GAC, by providing written notice by certified mail to the Contractor. Upon receipt of notice of termination, all services hereunder of the Contractor and its employees and subcontractors shall cease to the extent specified in the notice of termination.

The Contractor may cancel or terminate this Master Agreement upon submission of thirty (30) days written notice, presented to H-GAC via certified mail. The Contractor may not give notice of cancellation after it has received notice of default from H-GAC.

B. *Default*

H-GAC may, by written notice of default to the Contractor, terminate the whole or any part of the Master Agreement, in any one of the following circumstances:

(1) If the Contractor fails to perform the services herein specified within the time specified herein or any extension thereof; or

(2) If the Contractor fails to perform any of the other provisions of this Master Agreement for any reason whatsoever, or so fails to make progress or otherwise violates the Master Agreements that completion of services herein specified within the Master Agreement term is significantly endangered, and in either of these two instances does not cure such failure within a period of ten (10) days (or such longer period of time as may be authorized by H-GAC in writing) after receiving written notice by certified mail of default from H-GAC.

DocuSign Envelope ID: 5A2BDBDE-DFF5-4239-8E0F-5CC95D44E3E3

(3) In the event of such termination, Contractor will notify H-GAC of any outstanding Purchase Orders and H-GAC will consult with the End User and notify the Contractor to what extent the End User wishes the Contractor to complete the Purchase Order. If Contractor is unable to do so, Contractor may be subject to a claim for damages from H-GAC and/or the End User.

ARTICLE 30: SEVERABILITY

H-GAC and Contractor agree that should any provision of this Master Agreement be determined to be invalid or unenforceable, such determination shall not affect any other term of this Master Agreement, which shall continue in full force and effect.

ARTICLE 31: FORCE MAJEURE

To the extent that either party to this Master Agreement shall be wholly or partially prevented from the performance of any obligation or duty placed on such party by reason of or through strikes, stoppage of labor, riot, fire, flood, acts of war, insurrection, accident, order of any court, act of God, or specific cause reasonably beyond the party's control and not attributable to its neglect or nonfeasance, in such event, the time for the performance of such obligation or duty shall be suspended until such disability to perform is removed. Determination of force majeure shall rest solely with H-GAC.

ARTICLE 32: CONFLICT OF INTEREST

No officer, member or employee of the Contractor or Contractors subcontractor, no member of the governing body of the Contractor, and no other public officials of the Contractor who exercise any functions or responsibilities in the review or Contractor approval of this Master Agreement, shall participate in any decision relating to this Master Agreement which affects his or her personal interest, or shall have any personal or pecuniary interest, direct or indirect, in this Master Agreement.

A. **Conflict of Interest Questionnaire:** Chapter 176 of the Texas Local Government Code requires contractors contracting or seeking to contract with H-GAC to file a conflict-of-interest questionnaire (CIQ) if they have an employment or other business relationship with an H-GAC officer or an officer's close family member. The required questionnaire and instructions are located on the H-GAC website or at the Texas Ethics Commission website https://www.ethics.state.tx.us/forms/CIQ.pdf. H-GAC officers include its Board of Directors and Executive Director, who are listed on this website. Respondent must complete and file a CIQ with the Texas Ethics Commission if an employment or business relationship with H-GAC office or an officer's close family member as defined in the law exists.

B. **Certificate of Interested Parties Form – Form 1295:** As required by Section 2252.908 of the Texas Government Code. H-GAC will not enter a Contract with Contractor unless (i) the Contractor submits a disclosure of interested parties form to H-GAC at the time the Contractor submits the contract H-GAC, or (ii) the Contractor is exempt from such requirement. The required form and instructions are located at the Texas Ethics Commission website https://www.ethics.state.tx.us/whatsnew/elf_info_form1295.htm. Respondents who are awarded a Contract must submit their Form 1295 with the signed Contract to H-GAC.

ARTICLE 33: FEDERAL COMPLIANCE

Contractor agrees to comply with all federal statutes relating to nondiscrimination, labor standards, and environmental compliance. With regards to "Rights to Inventions Made Under a Contract or Master Agreement," If the Federal award meets the definition of "funding Master Agreement" under 37 CFR § 401.2 (a) and the recipient or subrecipient wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance of experimental, developmental, or research work under that "funding Master Agreement," the recipient or subrecipient must comply with the requirements of 37 CFR Part 401, "Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Master Agreements," and any implementing regulations issued by the awarding agency. Contractor agrees to be wholly compliant with the provisions of 2 CFR 200, Appendix II. Additionally, for work to be performed under the Master Agreement or subcontract thereof, including procurement of materials or leases of equipment, Contractor shall notify each potential subcontractor or supplier of the Contractor's federal compliance obligations. These may include, but are not limited to: (a) Title VI of the Civil Rights Act of 1964 (P.L. 88-352) which prohibits discrimination on the basis of race, color or national origin; (b)

DocuSign Envelope ID: 5A2BDBDE-DFF5-4239-8E0F-5CC95D44E3E3

Title IX of the Education Amendments of 1972, as amended (20 U.S.C. §§ 1681-1683, and 1685-1686), which prohibits discrimination on the basis of sex; (c) the Fair Labor Standards Act of 1938 (29 USC 676 et. seq.), (d) Section 504 of the Rehabilitation Act of 1973, as amended (29 U.S.C. § 794), which prohibits discrimination on the basis of handicaps and the Americans with Disabilities Act of 1990; (e) the Age Discrimination in Employment Act of 1967 (29 USC 621 et. seq.) and the Age Discrimination Act of 1974, as amended (42 U.S.C. §§ 6101-6107), which prohibits discrimination on the basis of age; (f) the Drug Abuse Office and Treatment Act of 1972 (P.L. 92-255), as amended, relating to nondiscrimination on the basis of drug abuse; (g) the Comprehensive Alcohol Abuse and Alcoholism Prevention, Treatment and Rehabilitation Act of 1970 (P.L. 91-616), as amended, relating to the nondiscrimination on the basis of alcohol abuse or alcoholism; (h) §§ 523 and 527 of the Public Health Service Act of 1912 (42 U.S.C. 290 dd-3 and 290 ee-3), as amended, relating to confidentiality of alcohol and drug abuse patient records; (i) Title VIII of the Civil Rights Act of 1968 (42 U.S.C. § 3601 et seq.), as amended, relating to nondiscrimination in the sale, rental or financing of housing; (j) any other nondiscrimination provisions in any specific statute(s) applicable to any Federal funding for this Master Agreement; (k) the requirements of any other nondiscrimination statute(s) which may apply to this Master Agreement; (l) applicable provisions of the Clean Air Act (42 U.S.C. §7401 et seq.), the Federal Water Pollution Control Act, as amended (33 U.S.C. §1251 et seq.), Section 508 of the Clean Water Act (33 U.S.C. 1368), Executive Order 11738, and the Environmental Protection Agency regulations at 40 CPR Part 15; (m) applicable provisions of the Davis- Bacon Act (40 U.S.C. 276a - 276a-7), the Copeland Act (40 U.S.C. 276c), and the Contract Work Hours and Safety Standards Act (40 U.S.C. 327-332), as set forth in Department of Labor Regulations at 20 CPR 5.5a; (n) the mandatory standards and policies relating to energy efficiency which are contained in the state energy conservation plan issued in compliance with the Energy Policy and Conservation Act (P.L. 94-163).

ARTICLE 34: PROHIBITION ON CONTRACTING WITH ENTITIES USING CERTAIN TELECOMMUNICATIONS AND VIDEO SURVEILLANCE EQUIPMENT (EFFECTIVE AUG. 13, 2020 AND AS AMENDED OCTOBER 26, 2020)

Pursuant to 2 CFR 200.216, Contractor shall not offer equipment, services, or system that use covered telecommunications equipment or services as a substantial or essential component of any system, or as critical technology as part of any system. Covered telecommunications equipment or services means 1) telecommunications equipment produced by Huawei Technologies Company or ZTE Corporation (or any subsidiary or affiliate of such entities); 2) for the purpose of public safety, security of government facilities, physical security surveillance of critical infrastructure, and other national security purposes, video surveillance and telecommunications equipment produced by Hytera Communications Corporation, Hangzhou Hikvision Digital Technology Company, or Dahua Technology Company (or any subsidiary or affiliate of such entities); 3) telecommunications or video surveillance services provided by such entities or using such equipment; or 4) telecommunications or video surveillance equipment or services produced or provided by an entity that the Secretary of Defense, in consultation with the Director of National Intelligence or the Director of the Federal Bureau of Investigation, reasonably believes to be an entity owned or controlled by, or otherwise connected to, the government of a covered foreign country. Respondent must comply with requirements for certifications. The provision at 48 C.F.R Section 52.204-26 requires that offerors review SAM prior to completing their required representations. This rule applies to all acquisitions, including acquisitions at or below the simplified acquisition threshold and to acquisitions of commercial items, including commercially available off the-shelf items.

ARTICLE 35: DOMESTIC PREFERENCE

In accordance with 2 CFR 200.322, as appropriate and to the extent consistent with law, when using federal grant award funds H-GAC should, to the greatest extent practicable, provide a preference for the purchase, acquisition, or use of goods, products, or materials produced in the United States (including but not limited to iron, aluminum, steel, cement, and other manufactured products). H-GAC must include this requirement in all subawards including all contracts and purchase orders for work or products under the federal grant award. If Contractor intends to qualify for Purchase Orders using federal grant money, then it shall work with H-GAC to provide all required certifications and other documentation needed to show compliance.

ARTICLE 36: CRIMINAL PROVISIONS AND SANCTIONS

The Contractor agrees to perform the Master Agreement in conformance with safeguards against fraud and abuse as set forth by the H-GAC, the State of Texas, and the acts and regulations of any related state or federal agency. The Contractor agrees to promptly notify H-GAC of any actual or suspected fraud, abuse, or other criminal activity

DocuSign Envelope ID: 5A2BDBDE-DFF5-4239-8E0F-5CC95D44E3E3

through the filing of a written report within twenty-four (24) hours of knowledge thereof. Contractor shall notify H-GAC of any accident or incident requiring medical attention arising from its activities under this Master Agreement within twenty-four (24) hours of such occurrence. Theft or willful damage to property on loan to the Contractor from H-GAC, if any, shall be reported to local law enforcement agencies and H-GAC within two (2) hours of discovery of any such act.

The Contractor further agrees to cooperate fully with H-GAC, local law enforcement agencies, the State of Texas, the Federal Bureau of Investigation, and any other duly authorized investigative unit, in carrying out a full investigation of all such incidents.

The Contractor shall notify H-GAC of the threat of lawsuit or of any actual suit filed against the Contractor pertaining to this Master Agreement or which would adversely affect the Contractor's ability to perform services under this Master Agreement.

ARTICLE 37: INDEMNIFICATION AND RECOVERY

H-GAC's liability under this Master Agreement, whether for breach of contract, warranty, negligence, strict liability, in tort or otherwise, is limited to its order processing charge. In no event will H-GAC be liable for any loss of use, loss of time, inconvenience, commercial loss, lost profits, or savings or other incidental, special or consequential damages to the full extent such use may be disclaimed by law. Contractor agrees, to the extent permitted by law, to defend and hold harmless H-GAC, its board members, officers, agents, officials, employees, and indemnities from any and all claims, costs, expenses (including reasonable attorney fees), actions, causes of action, judgements, and liens arising as a result of Contractor's negligent act or omission under this Master Agreement. Contractor shall notify H-GAC of the threat of lawsuit or of any actual suit filed against Contractor relating to this Master Agreement.

ARTICLE 38: LIMITATION OF CONTRACTOR'S LIABILITY

Except as specified in any separate writing between the Contractor and an END USER, Contractor's total liability under this Master Agreement, whether for breach of contract, warranty, negligence, strict liability, in tort or otherwise, but excluding its obligation to indemnify H-GAC, is limited to the price of the particular products/services sold hereunder, and Contractor agrees either to refund the purchase price or to repair or replace product(s) that are not as warranted. In no event will Contractor be liable for any loss of use, loss of time, inconvenience, commercial loss, loss of profits or savings or other incidental, special or consequential damages to the full extent such use may be disclaimed by law. Contractor understands and agrees that it shall be liable to repay and shall repay upon demand to END USER any amounts determined by H-GAC, its independent auditors, or any agency of State or Federal government to have been paid in violation of the terms of this Master Agreement.

ARTICLE 39: TITLES NOT RESTRICTIVE

The titles assigned to the various Articles of this Master Agreement are for convenience only. Titles shall not be considered restrictive of the subject matter of any Article, or part of this Master Agreement.

ARTICLE 40: JOINT WORK PRODUCT

This Master Agreement is the joint work product of H-GAC and the Contractor. This Master Agreement has been negotiated by H-GAC and the Contractor and their respective counsel and shall be fairly interpreted in accordance with its terms and, in the event of any ambiguities, no inferences shall be drawn against any party.

ARTICLE 41: PROCUREMENT OF RECOVERED MATERIAL

H-GAC and the Respondent must comply with section 6002 of the Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act. The requirements of Section 6002 include: (1) procuring only items designated in guidelines of the Environmental Protection Agency (EPA) at 40 CFR part 247 that contain the highest percentage of recovered materials practicable, consistent with maintaining a satisfactory level of competition, where the purchase price of the item exceeds $10,000 or the value of the quantity acquired during the preceding fiscal year exceeded $10,000; (2) procuring solid waste management services in a manner that maximizes energy and resource recovery; and (3) establishing an affirmative procurement program for procurement of recovered materials identified in the EPA guidelines. Pursuant to the Federal Rule above, as required by the Resource Conservation and Recovery Act of 1976 (42 U.S.C. § 6962(c)(3)(A)(i)), Respondent

DocuSign Envelope ID: 5A2BDBDE-DFF5-4239-8E0F-5CC95D44E3E3

certifies that the percentage of recovered materials content for EPA-designated items to be delivered or used in the performance of the Contract will be at least the amount required by the applicable contract specifications or other contractual requirements.

ARTICLE 42: COPELAND "ANTI-KICKBACK" ACT

Contractor shall comply with 18 U.S.C. § 874, 40 U.S.C. § 3145, and the requirements of 29 C.F.R. pt. 3 as may be applicable, which are incorporated by reference into the contract. The contractor or subcontractor shall insert in any subcontracts the clause above and such other clauses as appropriate agency instructions require, and also a clause requiring the subcontractors to include these clauses in any lower tier subcontracts. The prime contractor shall be responsible for the compliance by any subcontractor or lower tier subcontractor with all of these contract clauses. A breach of the contract clauses above may be grounds for termination of the Contract, and for debarment as a contractor and subcontractor as provided in 29 C.F.R. § 5.12.

ARTICLE 43: DISCRIMINATION

Respondent and any potential subcontractors shall comply with all Federal statutes relating to nondiscrimination. These include, but are not limited to:

a) Title VI of the Civil Rights Act of 1964 (P.L. 88-352), which prohibits discrimination on the basis of race, color, or national origin;
b) Title IX of the Education Amendments of 1972, as amended (20 U.S.C. §§1681-1683, and 1685-1686), which prohibits discrimination on the basis of sex;
c) Section 504 of the Rehabilitation Act of 1973, as amended (29 U.S.C. §794), which prohibits discrimination on the basis of handicaps;
d) The Age Discrimination Act of 1975, as amended (42 U.S.C. §§6101- 6107), which prohibits discrimination on the basis of age;
e) The Drug Abuse Office and Treatment Act of 1972 (P.L. 92-255), as amended, relating to nondiscrimination on the basis of drug abuse;
f) The Comprehensive Alcohol Abuse and Alcoholism Prevention, Treatment and Rehabilitation Act of 1970 (P.L. 91-616), as amended, relating to nondiscrimination on the basis of alcohol abuse or alcoholism;
g) Sections 523 and 527 of the Public Health Service Act of 1912 (42 U.S.C. §§290 dd-3 and 290 ee-3), as amended, relating to confidentiality of alcohol and drug abuse patient records;
h) Title VIII of the Civil Rights Act of 1968 (42 U.S.C. §§3601 et seq.), as amended, relating to nondiscrimination in the sale, rental, or financing of housing;
i) Any other nondiscrimination provisions in the specific statute(s) under which application for Federal assistance is being made; and
j) The requirements of any other nondiscrimination statute(s) that may apply to the application.

ARTICLE 44: DRUG FREE WORKPLACE

Contractor must provide a drug-free workplace in accordance with the Drug-Free Workplace Act, as applicable. For the purposes of this Section, "drug-free" means a worksite at which employees are prohibited from engaging in the unlawful manufacture, distribution, dispensation, possession, or use of a controlled substance. H-GAC may request a copy of this policy.

ARTICLE 45: APPLICABILITY TO SUBCONTRACTORS

Respondent agrees that all contracts it awards pursuant to the contract awarded as a result of this Master Agreement will be bound by the foregoing terms and conditions.

ARTICLE 46: WARRANTY AND COPYRIGHT

Submissions must include all warranty information, including items covered, items excluded, duration, and renewability. Submissions must include proof of licensing if using third party code for programming.

ARTICLE 47: DATA HANDLING AND SECURITY

It will always be the responsibility of the selected Contractor to manage data transfer and to secure all data appropriately during the project to prevent unauthorized access to all data, products, and deliverables.

DocuSign Envelope ID: 5A2BDBDE-DFF5-4239-8E0F-5CC95D44E3E3

ARTICLE 48: DISPUTES

All disputes concerning questions of fact or of law arising under this Master Agreement, which are not addressed within the Whole Master Agreement as defined pursuant to Article 4 hereof, shall be decided by the Executive Director of H-GAC or his designee, who shall reduce his decision to writing and provide notice thereof to the Contractor. The decision of the Executive Director or his designee shall be final and conclusive unless, within thirty (30) days from the date of receipt of such notice, the Contractor requests a rehearing from the Executive Director of H-GAC. In connection with any rehearing under this Article, the Contractor shall be afforded an opportunity to be heard and offer evidence in support of its position. The decision of the Executive Director after any such rehearing shall be final and conclusive. The Contractor may, if it elects to do so, appeal the final and conclusive decision of the Executive Director to a court of competent jurisdiction. Pending final decision of a dispute hereunder, the Contractor shall proceed diligently with the performance of the Master Agreement and in accordance with H-GAC's final decision.

ARTICLE 49: CHOICE OF LAW: VENUE

This Master Agreement shall be governed by the laws of the State of Texas. Venue and jurisdiction of any suit or cause of action arising under or in connection with the Master Agreement shall lie exclusively in Harris County, Texas. Disputes between END USER and Contractor are to be resolved in accordance with the law and venue rules of the state of purchase. Contractor shall immediately notify H-GAC of such disputes.

ARTICLE 50: ORDER OF PRIORITY

In the case of any conflict between or within this Master Agreement, the following order of priority shall be utilized: 1) General Provisions, 2) Special Provisions, 3) Scope of Work, and 4) Other Attachments.

ARTICLE 51: WHOLE MASTER AGREEMENT

Please note, this is an H-GAC Master Agreement template and is used for all products and services offered in H-GAC Cooperative Purchasing. Any redlines to this Master Agreement may not be reviewed. If this Master Agreement has not been signed by the Contractor within 30 calendar days, this Master Agreement will be automatically voided. The Master General Provisions, Master Special Provisions, and Attachments, as provided herein, constitute the complete Master Agreement between the parties hereto, and supersede any and all oral and written Master Agreements between the parties relating to matters herein. Except as otherwise provided herein, this Master Agreement cannot be modified without written consent of the parties.

ARTICLE 52: UNIVERSAL IDENTIFIER AND SYSTEM FOR AWARD MANAGEMENT (SAM)

In accordance with 2 CFR Title 2, Subtitle A, Chapter I, Part 25 as it applies to a Federal awarding agency's grants, cooperative agreements, loans, and other types of Federal financial assistance as defined in 2 CFR 25.406. Contractor understands and as it relates to 2 CFR 25.205(a), a Federal awarding agency may not make a Federal award or financial modification to an existing Federal award to an applicant or recipient until the entity has complied with the requirements described in 2 CFR 25.200 to provide a valid unique entity identifier and maintain an active SAM registration (www.SAM.gov) with current information (other than any requirement that is not applicable because the entity is exempted under § 25.110). 2 CFR 25.200(b) requires that registration in the SAM **prior to submitting an application or plan**; and maintain an active SAM registration with current information, including information on a recipient's immediate and highest level owner and subsidiaries, as well as on all predecessors that have been awarded a Federal contract or grant within the last three years, if applicable, at all times during which it has an active Federal award or an application or plan under consideration by a Federal awarding agency; and provide its unique entity identifier in each application or plan it submits to the Federal awarding agency. To remain registered in the SAM database after the initial registration, the applicant is required to review and update its information in the SAM database on an annual basis from the date of initial registration or subsequent updates to ensure it is current, accurate and complete. At the time a Federal awarding agency is ready to make a Federal award, if the intended recipient has not complied with an applicable requirement to provide a unique entity identifier or maintain an active SAM registration with current information, the Federal awarding agency: (1) May determine that the applicant is not qualified to receive a Federal award; and (2) May use that determination as a basis for making a Federal award to another applicant.

ARTICLE 53: PROCUREMENT OF RECOVERED MATERIALS

DocuSign Envelope ID: 5A2BDBDE-DFF5-4239-8E0F-5CC95D44E3E3

In accordance with 2 CFR 200.323, the Houston-Galveston Area Council and the Contractor or Subrecipient must comply with section 6002 of the Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act. The requirements of Section 6002 include: (1) procuring only items designated in guidelines of the Environmental Protection Agency (EPA) at 40 CFR part 247 that contain the highest percentage of recovered materials practicable, consistent with maintaining a satisfactory level of competition, where the purchase price of the item exceeds $10,000 or the value of the quantity acquired during the preceding fiscal year exceeded $10,000; (2) procuring solid waste management services in a manner that maximizes energy and resource recovery; and (3) establishing an affirmative procurement program for procurement of recovered materials identified in the EPA guidelines. Pursuant to the Federal Rule above, as required by the Resource Conservation and Recovery Act of 1976 (42 U.S.C. § 6962(c)(3)(A)(i)), the Contractor or Subrecipient certifies that the percentage of recovered materials content for EPA-designated items to be delivered or used in the performance of the Agreement will be at least the amount required by the applicable contract specifications or other contractual requirements.

MASTER SPECIAL PROVISIONS

Please note, this is an H-GAC Master Agreement template and is used for all products and services offered in H-GAC Cooperative Purchasing. Any redlines to this Master Agreement may not be reviewed. Incorporated by attachment, as part of the whole Master Agreement, H-GAC and the Contractor do, hereby agree to the Master Special Provisions as follows:

ARTICLE 1: BIDS/PROPOSALS INCORPORATED

In addition to the whole Master Agreement, the following documents listed in order of priority are incorporated into the Master Agreement by reference: Bid/Proposal Specifications and Contractor's Response to the Bid/Proposal.

ARTICLE 2: END USER MASTER AGREEMENTS ("EUA")

H-GAC acknowledges that the END USER, which is the HGACBuy customer utilizing the contract (CUSTOMER and END USER may be used interchangeably) may choose to enter into an End User Master Agreement (EUA) with the Contractor through this Master Agreement. A CUSTOMER/END USER is a state agency, county, municipality, special district, or other political subdivision of a state, or a qualifying non-profit corporation (providing one or more governmental function or service that possess legal authority to enter into the Contract. The term of the EUA may exceed the term of the current H-GAC Master Agreement.

H-GAC's acknowledgement is not an endorsement or approval of the End User Master Agreement's terms and conditions. Contractor agrees not to offer, agree to or accept from the CUSTOMER/END USER, any terms or conditions that conflict with those in Contractor's Master Agreement with H-GAC. Contractor affirms that termination of its Master Agreement with H-GAC for any reason shall not result in the termination of any underlying EUA, which shall in each instance, continue pursuant to the EUA's stated terms and duration. Pursuant to the terms of this Master Agreement, termination of this Master Agreement will disallow the Contractor from entering into any new EUA with CUSTOMER/END USER. Applicable H-GAC order processing charges will be due and payable to H-GAC on any EUAs, surviving termination of this Master Agreement between H-GAC and Contractor.

ARTICLE 3: MOST FAVORED CUSTOMER CLAUSE

Contractor shall provide its most favorable pricing and terms to H-GAC. If at any time during this Master Agreement, Contractor develops a regularly followed standard procedure of entering into Master Agreements with other governmental customers within the State of Texas, and offers the same or substantially the same products/services offered to H-GAC on a basis that provides prices, warranties, benefits, and or terms more favorable than those provided to H-GAC, Contractor shall notify H-GAC within ten (10) business days thereafter, and this Master Agreement shall be deemed to be automatically retroactively amended, to the effective date of Contractor's most favorable past Master Agreement with another entity. Contractor shall provide the same prices, warranties, benefits, or terms to H-GAC and its CUSTOMER/END USER as provided in its most favorable past Master Agreement. H-GAC shall have the right and option at any time to decline to accept any such change, in which case the amendment shall be deemed null and void. If Contractor claims that a more favorable price, warranty, benefit, or term that was charged or offered to another entity during the term of this Master Agreement, does not constitute more favorable treatment, than Contractor shall, within ten (10) business days, notify H-GAC in writing, setting forth the detailed reasons Contractor believes the aforesaid

DocuSign Envelope ID: 5A2BDBDE-DFF5-4239-8E0F-5CC95D44E3E3

offer is not in fact most favored treatment. H-GAC, after due consideration of Contractor's written explanation, may decline to accept such explanation and thereupon this Master Agreement between H-GAC and Contractor shall be automatically amended, effective retroactively, to the effective date of the most favored Master Agreement, to provide the same prices, warranties, benefits, or terms to H-GAC and the CUSTOMER/END USER.

EXCEPTION: This clause shall not be applicable to prices and price adjustments offered by a bidder, proposer, or contractor, which are not within bidder's/proposer's control [example; a manufacturer's bid concession], or to any prices offered to the Federal Government and its agencies.

ARTICLE 4: PARTY LIABILITY

Contractor's total liability under this Master Agreement, whether for breach of contract, warranty, negligence, strict liability, in tort or otherwise, is limited to the price of the particular products/services sold hereunder. Contractor agrees either to refund the purchase price or to repair or replace product(s) that are not as warranted. Contractor accepts liability to repay, and shall repay upon demand to CUSTOMER/END USER, any amounts determined by H-GAC, its independent auditors, or any state or federal agency, to have been paid in violation of the terms of this Master Agreement.

ARTICLE 5: GOVERNING LAW & VENUE

Contractor and H-GAC agree that Contractor will make every reasonable effort to resolve disputes with the CUSTOMER/END USER in accord with the law and venue rules of the state of purchase. Contractor shall immediately notify H-GAC of such disputes.

ARTICLE 6: SALES AND ORDER PROCESSING CHARGE

Contractor shall sell its products to CUSTOMER/END USER based on the pricing and terms of this Master Agreement. H-GAC will invoice Contractor for the applicable order processing charge when H-GAC receives notification of a CUSTOMER/END USER order. Contractor shall remit to H-GAC the full amount of the applicable order processing charge, after delivery of any product or service and subsequent CUSTOMER/END USER acceptance. Payment of the Order Processing Charge shall be remitted from Contractor to H-GAC, within thirty (30) calendar days or ten (10) business days after receipt of a CUSTOMER/END USER's payment, whichever comes first, notwithstanding Contractor's receipt of invoice. For sales made by Contractor based on this Master Agreement, including sales to entities without Interlocal Master Agreements, Contractor shall pay the applicable order processing charges to H-GAC. Further, Contractor agrees to encourage entities who are not members of H-GAC's Cooperative Purchasing Program to execute an H-GAC Interlocal Master Agreement. H-GAC reserves the right to take appropriate actions including, but not limited to, Master Agreement termination if Contractor fails to promptly remit the appropriate order processing charge to H-GAC. In no event shall H-GAC have any liability to Contractor for any goods or services a CUSTOMER/END USER procures from Contractor. At all times, Contractor shall remain liable to pay to H-GAC any order processing charges on any portion of the Master Agreement actually performed, and for which compensation was received by Contractor.

ARTICLE 7: LIQUIDATED DAMAGES

Contractor and H-GAC agree that Contractor shall cooperate with the CUSTOMER/END USER at the time a CUSTOMER/END USER purchase order is placed, to determine terms for any liquidated damages.

ARTICLE 8: INSURANCE

Unless otherwise stipulated in Section B of the Bid/Proposal Specifications, Contractor must have the following insurance and coverage minimums:

DocuSign Envelope ID: 5A2BDBDE-DFF5-4239-8E0F-5CC95D44E3E3

a. General liability insurance with a Single Occurrence limit of at least $1,000,000.00, and a General Aggregate limit of at least two times the Single Occurrence limit.
b. Product liability insurance with a Single Occurrence limit of at least $1,000,000.00, and a General Aggregate limit of at least two times the Single Occurrence limit for all Products except Automotive Fire Apparatus. For Automotive Fire Apparatus, see Section B of the Bid/Proposal Specifications.
c. Property Damage or Destruction insurance is required for coverage of End User owned equipment while in Contractor's possession, custody, or control. The minimum Single Occurrence limit is $500,000.00 and the General Aggregate limit must be at least two times the Single Occurrence limit. This insurance may be carried in several ways, e.g. under an Inland Marine policy, as art of Automobile coverage, or under a Garage Keepers policy. In any event, this coverage must be specifically and clearly listed on insurance certificate(s) submitted to H-GAC.
d. Insurance coverage shall be in effect for the length of any contract made pursuant to the Bid/Proposal, and for any extensions thereof, plus the number of days/months required to deliver any outstanding order after the close of the contract period.
e. Original Insurance Certificates must be furnished to H-GAC on request, showing Contractor as the insured and showing coverage and limits for the insurances listed above.
f. If any Product(s) or Service(s) will be provided by parties other than Contractor, all such parties are required to carry the minimum insurance coverages specified herein, and if requested by H-GAC, a separate insurance certificate must be submitted for each such party.
g. H-GAC reserves the right to contact insurance underwriters to confirm policy and certificate issuance and document accuracy.

ARTICLE 9: PERFORMANCE AND PAYMENT BONDS FOR INDIVIDUAL ORDERS

H-GAC's contractual requirements DO NOT include a Performance & Payment Bond (PPB); therefore, Contractor shall offer pricing that reflects this cost savings. Contractor shall remain prepared to offer a PPB to cover any order if so requested by the CUSTOMER/END USER. Contractor shall quote a price to CUSTOMER/END USER for provision of any requested PPB, and agrees to furnish the PPB within ten business (10) days of receipt of CUSTOMER/END USER's purchase order.

ARTICLE 10: ORDER PROCESSING CHARGE

H-GAC will apply an Order Processing Charge for each sale done through the H-GAC contract, with the exception of orders for motor vehicles. Any pricing submitted must include this charge amount per the most current H-GAC schedule. For motor vehicle orders, the Processing Charge is paid by the CUSTOMER/END USER. Contractor will need to refer to the solicitation for the Order Processing Charge.

ARTICLE 11: CHANGE OF STATUS

Contractor shall immediately notify H-GAC, in writing, of ANY change in ownership, control, dealership/franchisee status, Motor Vehicle license status, or name. Contractor shall offer written guidance to advise H-GAC if this Master Agreement shall be affected in any way by such change. H-GAC shall have the right to determine whether or not such change is acceptable, and to determine what action shall be warranted, up to and including cancellation of Master Agreement.

ARTICLE 12: REQUIREMENTS TO APPLICABLE PHYSICAL GOODS

In the case of physical goods (e.g. equipment, material, supplies, as opposed to services), all Products offered must comply with any applicable provisions of the Texas Business and Commerce Code, Title 1, Chapter 2 and with at least the following:

a. Be new, unused, and not refurbished.
b. Not be a prototype as the general design, operation, and performance. This requirement is NOT meant to preclude the Contractor from offering new models or configurations which incorporate improvements in a current design or add functionality, but in which new model or configuration may be new to the marketplace.
c. Include all accessories which may or may not be specifically mentioned in the Master Agreement, but which are normally furnished or necessary to make the Product ready for its intended use upon delivery. Such accessories shall be assembled, installed, and adjusted to allow continuous operation of Product at time of delivery.
d. Have assemblies, sub-assemblies and component parts that are standard and interchangeable throughout the entire quantity of a Product as may be purchased simultaneously by any END USER/CUSTOMER.
e. Be designed and constructed using current industry accepted engineering and safety practices, and materials.
f. Be available for inspection at any time prior to or after procurement.

ARTICLE 13: TEXAS MOTOR VEHICLE BOARD LICENSING

All Contractors that deal in motor vehicles shall maintain current licenses that are required by the Texas Motor Vehicle Commission Code. If at any time during this Master Agreement term, any required Contractor license is denied, revoked, or not renewed, Contractor shall be in default of this Master Agreement, unless the Texas Motor Vehicle Board issues a stay or waiver. Contractor shall promptly provide copies of all current applicable Texas Motor Vehicle Board documentation to H-GAC upon request.

ARTICLE 14: INSPECTION/TESTING

All Products sold pursuant to this Master Agreement will be subject to inspection/testing by or at the direction of H-GAC and/or the ordering CUSTOMER/END USER, either at the delivery destination or the place of manufacture. In the event a Product fails to meet or exceed all requirements of this Master Agreement, and unless otherwise agreed in advance, the cost of any inspection and/or testing, will be the responsibility of the Contractor.

ARTICLE 15: ADDITIONAL REPORTING REQUIREMENTS

Contractor agrees to submit written quarterly reports to H-GAC detailing all transactions during the previous three (3) month period. Reports must include, but are not limited, to the following information:

a. CUSTOMER/END USER Name
b. Product/Service purchased, including Product Code if applicable
c. Customer Purchase Order Number
d. Purchase Order Date
e. Product/Service dollar amount
f. HGACBuy Order Processing Charge amount

ARTICLE 16: BACKGROUND CHECKS

Cooperative customers may request background checks on any awarded contractor's employees who will have direct contact with students, or for any other reason they so choose, any may require contractor to pay the cost of obtaining any background information requested by the CUSTOMER/END USER.

ARTICLE 17: PROHIBITION ON CONTRACTS WITH COMPANIES BOYCOTTING ISRAEL CERTIFICATION

As required by Chapter 2271 of the Texas Local Government Code the Contractor must verify that it 1) does not boycott Israel; and 2) will not boycott Israel during the term of the Contract. Pursuant to Section 2271.001, Texas Government Code:

1. "Boycott Israel" means refusing to deal with, terminating business activities with, or otherwise taking any action that is intended to penalize, inflict economic harm on, or limit commercial relations specifically with Israel, or with a person or entity doing business in Israel or in an Israeli-controlled territory, but does not include an action made for ordinary business purposes; and

2. "Company" means a for-profit sole proprietorship, organization, association, corporation, partnership, joint venture, limited partnership, limited liability partnership, or any limited liability company, including a wholly owned subsidiary, majority-owned subsidiary, parent company or affiliate of those entities or business associations that exist to make a profit.

ARTICLE 18: NO EXCLUDED NATION OR TERRORIST ORGANIZATION CERTIFICATION

As required by Chapter 2252 of the Texas Government Code the Contractor must certify that it is not a company engaged in active business operations with Sudan, Iran, or a foreign terrorist organization – specifically, any company identified on a list prepared and maintained by the Texas Comptroller under Texas Government Code §§806.051, 807.051, or 2252.153. (A company that the U.S. Government affirmatively declares to be excluded from its federal sanctions regime relating to Sudan, Iran, or any federal sanctions regime relating to a foreign terrorist organization is not subject to the contract prohibition.)

ARTICLE 19: PROHIBITION ON CONTRACTING WITH ENTITIES USING CERTAIN TELECOMMUNICATIONS AND VIDEO SURVEILLANCE EQUIPMENT (Effective Aug. 13, 2020 and as amended October 26, 2020)

Pursuant to 2 CFR 200.216, Contractor shall not offer equipment, services, or system that use covered telecommunications equipment or services as a substantial or essential component of any system, or as critical technology as part of any system. ''Covered telecommunications equipment or services means 1) telecommunications equipment produced by Huawei Technologies Company or ZTE Corporation (or any subsidiary or affiliate of such entities); 2) for the purpose of public safety, security of government facilities, physical security surveillance of critical infrastructure, and other national security purposes, video surveillance and telecommunications equipment produced by Hytera Communications Corporation, Hangzhou Hikvision Digital Technology Company, or Dahua Technology Company (or any subsidiary or affiliate of such entities); 3) telecommunications or video surveillance services provided by such entities or using such equipment; or 4) telecommunications or video surveillance equipment or services produced or provided by an entity that the Secretary of Defense, in consultation with the Director of National Intelligence or the Director of the Federal Bureau of Investigation, reasonably believes to be an entity owned or controlled by, or otherwise connected to, the government of a covered foreign country.

Contractor must comply with requirements for certifications. The provision at 48 C.F.R Section 52.204-26 requires that Contractors review SAM prior to completing their required representations. This rule applies to all acquisitions, including acquisitions at or below the simplified acquisition threshold and to acquisitions of commercial items, including commercially available off the-shelf items.

ARTICLE 20: BUY AMERICA ACT (National School Lunch Program and Breakfast Program)

With respect to products purchased by CUSTOMER/END USER for use in the National School Lunch Program and/or National School Breakfast Program, Contractor shall comply with all federal procurement laws and regulations with respect to such programs, including the Buy American provisions set forth in 7 C.F.R. Part 210.21(d), to the extent applicable. Contractor agrees to provide all certifications required by CUSTOMER/END USER regarding such programs.

In the event Contractor or Contractor's supplier(s) are unable or unwilling to certify compliance with the Buy American Provision, or the applicability of an exception to the Buy American provision, H-GAC CUSTOMER/END USER may decide not to purchase from Contractor. Additionally, H-GAC

CUSTOMER/END USER may require country of origin on all products and invoices submitted for payment by Contractor, and Contractor agrees to comply with any such requirement.

ARTICLE 21: BUY AMERICA REQUIREMENT (Applies only to Federally Funded Highway and Transit Projects)

With respect to products purchased by CUSTOMER/END USER for use in federally funded highway projects, Contractor shall comply with all federal procurement laws and regulations with respect to such projects, including the Buy American provisions set forth in 23 U.S.C. Section 313, 23 C.F.R. Section 635.410, as amended, and the Steel and Iron Preference provisions of Texas Transportation Code Section 223.045, to the extent applicable. Contractor agrees to provide all certifications required by CUSTOMER/END USER regarding such programs. With respect to products purchased by CUSTOMER/END USER for use in federally funded transit projects, Contractor shall comply with all federal procurement laws and regulations with respect to such projects, including the Buy American provisions set forth in 49 U.S.C. Section 5323(j)(1), 49 C.F.R. Sections 661.6 or 661.12, to the extent applicable. Contractor agrees to provide all certifications required by CUSTOMER/END USER regarding such programs.

ARTICLE 22: DOMESTIC PREFERENCE

In accordance with 2 CFR 200.322, as appropriate and to the extent consistent with law, a CUSTOMER/END USER using federal grant award funds should, to the greatest extent practicable, provide a preference for the purchase, acquisition, or use of goods, products, or materials produced in the United States (including but not limited to iron, aluminum, steel, cement, and other manufactured products). The CUSTOMER/END USER must include this requirement in all subawards including all contracts and purchase orders for work or products under the federal grant award. If Contractor intends to qualify for Purchase Orders using federal grant money, they shall work with the CUSTOMER/END USER to provide all required certifications and other documentation needed to show compliance.

ARTICLE 23: TITLE VI REQUIREMENTS

H-GAC in accordance with the provisions of Title VI of the Civil Rights Act of 1964 (78 Stat. 252, 42 U.S.C. §§ 2000d to 2000d-4) and the Regulations, hereby notifies all bidders that it will affirmatively ensure that any disadvantaged business enterprises will be afforded full and fair opportunity to submit in response to this Master Agreement and will not be discriminated against on the grounds of race, color, or national origin in consideration for an award.

ARTICLE 24: EQUAL EMPLOYMENT OPPORTUNITY

Except as otherwise provided under 41 CFR Part 60, all Contracts and CUSTOMER/END USER Purchase Orders that meet the definition of "federally assisted construction contract" in 41 CFR Part 60-1.3 shall be deemed to include the equal opportunity clause provided under 41 CFR 60-1.4(b), in accordance with Executive Order 11246, "Equal Employment Opportunity" (30 FR 12319, 12935, 3 CFR Part, 1964-1965 Comp., pg.339), as amended by Executive Order 11375, "Amending Executive Order 11246 Relating to Equal Employment Opportunity," and implementing regulations at 41CFR Part 60, "Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor."

The equal opportunity clause provided under 41 CFR 60-1.4(b) is hereby incorporated by reference. Contractor agrees that such provision applies to any contract that meets the definition of "federally assisted construction contract" in 41 CFR Part 60-1.3 and agrees that it will comply with such provision.

ARTICLE 25: CLEAN AIR AND WATER POLLUTION CONTROL ACT

CUSTOMER/END USER Purchase Orders using federal funds must contain a provision that requires the Contractor to agree to comply with all applicable standards, orders or regulations issued pursuant to the Clean

Air Act (42 U.S.C. 7401-7671q) and the Federal Water Pollution Control Act as amended (33 U.S.C. 1251-1387). Violations must be reported to the Federal awarding agency and the Regional Office of the Environmental Protection Agency (EPA).

Pursuant to the Federal Rule above, Contractor certifies that it is in compliance with all applicable provisions of the Clean Air Act (42 U.S.C. 7401-7671q) and the Federal Water Pollution Control Act as amended (33 U.S.C. 1251-1387) and will remain in compliance during the term of the Contract.

ARTICLE 26: PREVAILING WAGE

Contractor and any potential subcontractors have a duty to and shall pay the prevailing wage rate under the Davis-Bacon Act, 40 U.S.C. 276a – 276a-5, as amended, and the regulations adopted thereunder contained in 29 C.F.R. pt. 1 and 5.

ARTICLE 27: CONTRACT WORK HOURS AND SAFETY STANDARDS

As per the Contract Work Hours and Safety Standards Act (40 U.S.C. 3701-3708), where applicable, all CUSTOMER/END USER Purchase Orders in excess of $100,000 that involve the employment of mechanics or laborers must include a provision for compliance with 40 U.S.C. 3702 and 3704, as supplemented by Department of Labor regulations (29 CFR Part 5). Under 40 U.S.C. 3702 of the Act, each contractor must be required to compute the wages of every mechanic and laborer, on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 U.S.C. 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous, or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.

ARTICLE 28: PROFIT AS A SEPARATE ELEMENT OF PRICE

For purchases using federal funds more than the current Simplified Acquisition Threshold of $250,000, requires negotiation of profit as a separate element of the price. See, 2 CFR 200.324(b). Contractor agrees to provide information and negotiate regarding profit as a separate element of the price for the purchase. Contractor also agrees that the total price, including profit, charged by Contractor will not exceed the awarded pricing, including any applicable discount, under any awarded contract.

ARTICLE 29: BYRD ANTI-LOBBYING AMENDMENT

Byrd Anti-Lobbying Amendment (31U.S.C. 1352) – Contractors that apply or bid for an award exceeding $100,000 must file the required anti-lobbying certification. Each tier must certify to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant or any other award covered by 31 U.S.C. 1352. Each tier must also disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier, up to the CUSTOMER/END USER. As applicable, Contractor agrees to file all certifications and disclosures required by, and otherwise comply with, the Byrd Anti-Lobbying Amendment (31 USC 1352). Contractor certifies that it is currently in compliance with all applicable provisions of the Byrd Anti-Lobbying Amendment (31 U.S.C. 1352) and will continue to be in compliance throughout the term of the Contract and further certifies that:

1. No Federal appropriated funds have been paid or will be paid by or on behalf of the Contractor, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection

DocuSign Envelope ID: 5A2BDBDE-DFF5-4239-8E0F-5CC95D44E3E3

with the awarding of a Federal contract, the making of a Federal Grant, the making of a Federal Loan, the entering into a cooperative Master Agreement, and the extension, continuation, renewal, amendment, or modification of a Federal contract, grant, loan, or cooperative Master Agreement.

2. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing, or attempting to influence, an officer or employee of a Member of Congress in connection with a Federal contract, grant, loan, or cooperative Master Agreement, Contractor shall complete and submit Standard Form – LLL, "Disclosure Form to Report Lobbying", in accordance with its instructions.
3. Contractor shall require that the language of this certification be included in the award documents for all subawards at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative Master Agreements) and that all subcontractors shall certify and disclose accordingly.

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certificate is a prerequisite for making or entering into this transaction imposed by Section 1352, title 31, U.S. Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than $10,000 and not more than $100,000 for each such failure.

ARTICLE 30: COMPLIANCE WITH EPA REGULATIONS APPLICABLE TO GRANTS, SUBGRANTS, COOPERATIVE MASTER AGREEMENTS, AND CONTRACTS

Contractor certifies compliance with all applicable standards, orders, regulations, and/or requirements issued pursuant to the Clean Air Act of 1970, as amended (42 U.S.C. 1857(h)), Section 508 of the Clean Water Act, as amended (13 U.S.C. 1368), Executive Order 117389 and Environmental Protection Agency Regulation, 40 CFR Part 15.

ARTICLE 31: COMPLIANCE WITH ENERGY POLICY AND CONSERVATION ACT

Contractor certifies that Contractor will be in compliance with mandatory standards and policies relating to energy efficiency which are contained in the state energy conservation plan issued in compliance with the Energy Policy and Conservation Act (Pub. L. 94-163, 89 Stat. 871).

All dates & times in Central Time

3. Scope of Work / Specifications

This is an indefinite quantity/indefinite delivery offerings contract. The HGACBuy Customer is responsible to ensure adequate competition is performed between the various contractors or contractors outside of HGACBuy to determine price reasonableness that might be required per any funding agency. Customer will need to ensure compliance with any funding agency requirements before proceeding with a purchase order under this contract. Please consult legal counsel regarding questions concerning compliance as a contractor under this solicitation.

3.1. Overview

H-GAC is soliciting responses for selecting qualified manufacturers, dealers, distributors, and service providers of Ambulances, EMS and Other Specialty Vehicles and related services to make these types of products and services available to Customers of the HGACBuy Cooperative Purchasing Program under blanket type contracts. Customers (end users) may require selective acquisitions of equipment and/or services OR full turnkey projects necessitating additional services, training, and maintenance agreements. H-GAC is seeking the broadest possible selection of available ambulances, emergency medical response and specialty vehicles to best serve our customers by providing the largest selection of products/services available to meet their needs. This solicitation may include a request for a discount percent off price catalog, category, or manufacturer, or price list for supplies, materials, or not to exceed hourly rates for installation or repair. Respondents are not required to provide offerings on all categories.

3.2. Categories

This Solicitation is divided into ten (10) separate but related product categories (A-J). When submitting a response, Respondent may choose to submit a response to any of the categories or all of them. No additional weighted value will be assigned to a response that addresses more than one or all categories listed. All equipment must be the manufacturer's new and current model and must be fully operational upon delivery to the Customer.

Alternative Fuel Vehicles: All responses that include electric, hybrid, or other alternative fuel vehicles must include these vehicles in Category G. If that specific vehicle is also available with an internal combustion engine (ICE), please list the ICE vehicle separately in the appropriate vehicle category. Category G will only include the alternative fuel vehicles, regardless of vehicle function or type.

Product categories are as follows:

DocuSign Envelope ID: 5A2BDBDE-DFF5-4239-8E0F-5CC95D44E3E3

1. **Ambulance**

   Response listings/descriptions must be organized by major sub-categories, which include Manufacturer, Type (I, II, or III), module configurations/dimensions, chassis (make and model), 2WD/4WD, and fuel type.

2. **Light/Medium Duty EMS Rescue Vehicle**

   Response listings/descriptions must be organized by major sub-categories, which include manufacturer, model, type/function, chassis (make and model), dimensions, 2WD/4WD, and fuel type.

3. **Other Specialty Vehicle or Equipment**

   Category includes vehicles or trailers for command, communication, tactical response, or other related emergency response functions. Response listings/descriptions must be organized by major sub-categories, which shall include manufacturer, model, type/function, chassis (make and model), axle configuration, dimensions, 2WD/4WD, and fuel type.

4. **EMS Vehicle Conversions**

   Response listings/descriptions must be organized by major sub-categories, which include manufacturer, model, type/function, chassis, 2WD/4WD, and fuel type.

5. **Remount Services Only**

   Pricing for this service must include the cost of removing an existing body and reinstalling it on a different chassis, only. This service would apply where the chassis was supplied by the end user.
   Note: Remounting Services are to be performed by an authorized dealer/remounter. Any specific certifications or warranties that may be requested by an end user regarding remounts is the end user's responsibility and will be negotiated between the end user and the supplier/contractor when services are quoted.

6. **Remount on Contractor Supplied Chassis**

   Pricing for these items must include the cost of the chassis plus the removal and reinstallation of the body.

7. **Electric/Alternative Fuel Ambulance/EMS/Rescue Vehicles**

   Response listings must be organized by manufacturer, model, vehicle type/function, and primary fuel/propulsion type.

8. **Ambulance/EMS/Rescue Vehicle Service/Maintenance Plans**

   Response listings must include specific details about which fees are included in costs, including current labor rates, and fee structures.

9. **Ambulance/EMS/Rescue Vehicle Parts and Supplies**

   Response listing must include percentage discount.

10. **Ambulance/EMS/Rescue Vehicle Options**

    Response listing must include percentage discount.

DocuSign Envelope ID: 5A2BDBDE-DFF5-4239-8E0F-5CC95D44E3E3

3.3. General Requirements

All products priced and sold pursuant to this Solicitation must, as applicable:

1. Meet all applicable requirements of federal, state and local laws and regulations.
2. Be manufacturer's normal offering with all standard features and functions and performance levels.
3. Be ready for turn-key operation upon delivery.
4. Respondent must include specifications, brochures, warranty information, and any other relevant product information with solicitation Response.

Note: “Unpriced/unpublished” options cannot be quoted on the Base Pricing List and may not be sold through this contract.

3.4. Additional Requirements

Licenses

1. Contractor must have and maintain the appropriate license(s) as required by the State of Texas, Department of Transportation, Division of Motor Vehicles, Motor Vehicle Commission Code [latest edition], or any other local, state and federal licenses required and which are applicable to the respondent’s operations.
2. The prescribed licenses must include the manufacturer/respondent, and any and all dealers and their representatives as may be required by the Motor Vehicle Division. Contractor must ensure all emergency and specialty vehicles sold are in accordance with the laws of the state where the sale and acquisition are made.
3. Contractor must maintain all licensing required by the State of Texas as applicable to their business operations during the entire contract term. If during the contract period such licensing lapses, Contractor will be in default and become subject to contract termination unless issued a stay or waiver.

Manuals

1. Contractor must supply at the time of delivery, at least two (2) sets of complete operations and service documentation covering the completed emergency vehicles as delivered and accepted (as per latest edition of KKK-A-1822F).
2. Respondent must supply the following information with their response: Technical Specifications, Product Brochures, Tear Sheets, Cut Sheets, Strippers, etc. which clearly show all the standard features and capabilities of each listing being bid.

DocuSign Envelope ID: 5A2BDBDE-DFF5-4239-8E0F-5CC95D44E3E3

Warranty

Contractors must comply with the minimum warranty and maintenance requirements described below for any products or services provided under this Solicitation.

1. Contractor must furnish with response, and for all equipment sold through this H-GAC contract, the manufacturer's general warranty, which must be honored by all the manufacturer's authorized service locations.
2. All service/maintenance plan listings must clearly indicate the cost structure for such plans, clearly indicating which costs and fees are included (such as: hourly labor rates, shop fees, supply fees, environmental fees).
3. The Contractor will handle all warranty claims and all work must be completed within ten (10) calendar days after receipt of equipment/vehicle by the Contractor without cost to H-GAC or the Customer. Delayed warranties must be available for all vehicles and equipment. Warranty start date will be effective the date that the completed unit is placed into service by the Customer. The Contractor must furnish a delayed warranty card/document for each unit delivered and/or advise the Customer of the procedures to be followed for obtaining the delayed start of warranty coverage. Requests for delayed warranties will not exceed six months after delivery.
4. Any and all documents necessary to effect manufacturer’s warranty must be properly applied for and submitted by the Contractor. The Contractor will provide to H-GAC and the Customer a manufacturer’s warranty which will be honored by any of the manufacturer’s authorized dealers and a complete copy must be provided at the time of delivery. When additional warranties are available as standard, they must be included as a part of the response for the benefit of H-GAC and Customer.
5. The patient compartment, all modifications to the OEM chassis by Contractor on the accepted unit, equipment and parts will be guaranteed for a minimum period of one (1) year against defects in design, materials, and workmanship. The warranty period will begin upon final acceptance of the equipment. This warranty will cover parts and labor expenses.
6. On Type I & III emergency medical service MODULE the warranty period will be fifteen (15) years.
7. This warranty will be upgraded to its original status each time the module is remounted by Contractor, or a Contractor authorized remount facility, not to exceed five (5) years above the original warranty.
8. In the event any component part of equipment or materials furnished under these specifications, or its subsequent contract(s), becomes defective by reason of material or workmanship during said period, and the end user agency immediately notifies Contractor of such defect, Contractor will, at no expense to the End User agency or H-GAC, repair or replace equipment or component with new equipment or component.
9. Warranty of all system equipment is the sole responsibility of the Contractor under contract, but may be performed by their certified, designated agent.

3.5. Vehicle Requirements

All equipment and vehicles must be new and be the manufacturer's latest and current model. Each vehicle must be fully assembled, adjusted, serviced and ready for immediate and continuous operation upon delivery. If the equipment or vehicle does not meet the specification requirements upon delivery, Contractor will be responsible for correcting all deficiencies and making any corrections or adjustments needed to attain specification requirements.

All equipment and vehicles must conform to applicable local, state, federal requirements and must comply to all applicable industry standards (examples: National Fire Protection Association (NFPA), Commission on Accreditation of Ambulance Services (CAAS), Federal Specification for the Star-of-Life Ambulance (KKK-A-1822F), Occupational Safety and Health Administration (OSHA)).

3.6. Service / Maintenance Plans and Parts

All service/maintenance plan listings must clearly indicate the cost structure for such plans, clearly indicating which costs and fees are included (ex: hourly labor rates, shop fees, supply fees, environmental fees).

3.7. Labor Hours Definitions

If the awarded contract contains hours for labor related services, the following definitions will apply:

1. "Business Day" Monday through Friday
2. "Business Hours" Standard Business Hours 8 a.m. to 5 p.m.
3. "Regular Time" Work that occurs during standard business hours
4. "Emergency Time" Work that occurs outside standard business hours

3.8. Administrative Fee

For each purchase order processed under an awarded contract, H-GAC will directly invoice the contractor an administrative fee (Order Processing Charge) applicable to the sale of all equipment and services submitted in contractor's response. It is the contractor's responsibility to remit the administrative fee within thirty (30) days of processing any customer's purchase order, even if an invoice is not received from H-GAC. Contractor agrees that H-GAC will have the right, with reasonable notice, to inspect its records pertaining to purchase orders processed and the accuracy of the fees payable to H-GAC. For this solicitation the administrative fee is as follows:

Administrative Fee (per Purchase Order)

Category A – Ambulance: $1,000 per purchase order

Category B – Light/Medium Rescue Vehicle: $1,000 per purchase order

Category C – Specialty Vehicle/Equipment:

Light Rescue/Special Service	$1,000 per purchase order
Heavy Rescue/Special Service	$2,000 per purchase order
All Trailers	2% per purchase order

Category D – EMS Vehicle Conversions:	$1,000 per purchase order
Category E – Remount Services Only:	$600 per purchase order
Category F – Remount on Contractor Supplied Chassis:	$600 per purchase order
Category G –Electric/Alternative Fuel Vehicles	Determined by category of vehicle
Category H –Service/Maintenance Plans:	2% per purchase order
Category I - Ambulance/Vehicle Parts and Supplies	2% per purchase order
Category J - Ambulance/EMS/Rescue Vehicle Options	No separate fee - part of vehicle

3.9. Final Contract Deliverables

Contractor agrees to submit written quarterly reports to H-GAC detailing all transactions during the previous three (3) month period. Reports must include, but are not limited, to the following information:

- Customer Name and address
- HGACBuy confirmation number
- Product/Service purchased, including Product Code, if applicable
- Customer Purchase Order Number
- Purchase Order Date
- Product/Service dollar amount
- HGACBuy Order Processing Charge amount

Reports must be provided to H-GAC in Excel or other acceptable electronic format by the 30th day of the month following the quarter being reported. If Contractor defaults in providing Products or Services reporting as required by the contract, recourse may be exercised through cancellation of the contract and other legal remedies as appropriate.

Dear City Staff,

In accordance with State Statute and City Ordinances, this document serves as a blanket ***services'*** determination and is valid until June 30, 2026, for the types of general, professional, and construction services that are clearly one of the types pre-established and approved by the State Purchasing Agent and City CPO.

Please continue to obtain determinations for services that do not clearly and fully fit within the types listed below. For mixed or hybrid services, unclear scopes of work, and design-build projects, specific determinations will be required. In these cases, please email purchasing_det@santafenm.gov to obtain the necessary CPO determinations for your procurement needs.

Should you have any questions or require clarification on a particular service, feel free to contact CPD.

The following are General Services:

- Air/bus, vehicle charter/rental service
- Animal/k9 boarding - basic
- Auctioneers
- Audio-visual equipment setup and routine maintenance for events and presentations (including projectors, microphones, and speakers)
- Automotive mechanical services – all - including vehicle inspection, diagnostics, repair labor, parts replacement, and routine maintenance (e.g., oil changes, brake service, tune-ups, etc.)
- Banking Services (routine, transaction-based)

- Biohazard clean-up and disinfection services for crime scenes, homicides, suicides, unattended deaths, car accidents, deadly car crashes and cleanup of police units, along with any other biohazard situations. Building alarm systems, service and repair
- Check collection service
- Clothing, textile fabrication repair service

General Services (continued):

- Commercial laundry service, dry cleaning, etc.
- Communications systems installation, servicing, and repair
- Conference and trade show coordination
- Debt collection service
- Delivery/courier service
- Document storage, duplication, retrieval, review, and destruction service
- Drug testing and screening (standard tests)
- Engraving service
- Equipment installation, preventive maintenance, inspection, calibration, and repair
- Equipment rental services
- Exams administration and scoring service
- Executive recruitment
- Firefighting/suppression service
- Food preparation, vending, and catering services
- Health screening, basic diagnostic (wellness, blood pressure monitoring, blood draw, etc.)
- Herbicide application service
- Household goods packing, storage, transportation service
- HVAC system maintenance service - Includes filter changes, inspections, cleaning, minor repairs, and system diagnostics.
- Information Technology - Hosting only
- Information Technology Help Desk Services
- Information Technology Services requiring software or equipment
- Information Technology Software and Hardware Support Services
- Interpretive services: written/oral/sign language
- Inventory service
- Janitorial service, carpet cleaning, window washing
- Laboratory testing and analysis (standard tests only)
- Land clearing/debris removal service
- Landscaping—tree planting, grooming service, lawn mowing, etc. (but not landscape architects)
- Language translation service
- Linen rental service

General Services (continued):

- Marine equipment inspection, certification, and repair
- Medical equipment rental or repair service (wheelchairs, walkers, etc.), including measurements, adjustments, and modifications to meet patient needs
- Metal/pipe/wiring detection service
- Office furnishings installation, refurbishment, and repair service
- Package inspection and crating
- Painting service
- Paper shredding
- Parking lot sweeping/snow removal service
- Pest/weed control service
- Photographic/micrographic processing and delivery, includes aerial and ground photography (if analysis is included, then personal service)
- Printing/duplicating service
- Process serving
- Property management (rent collection, property maintenance, etc.)
- Recycling/disposal/litter pickup service
- Retreat and workshop planning, conduct, coordination, etc.
- Security/armored car services
- Shop welding/metal fabrication service
- Software as a Service
- Steam cleaning, high pressure washing, parts cleaning service
- Studio photography service (does not include portrait painting)
- Telephone interview service (conduct of survey using prescribed survey instrument)
- Towing service
- Traffic control services – including certified flaggers, barricade setup/removal, temporary signage, and traffic control plans (not involving permanent installations or design engineering)
- Training – when offered as a regular course by an institution (such as a college or university)
- Travel service — air, surface, water
- Videotaping and recording service
- Warehouse dry/cold storage rental service
- Weather information service

Form **W-9**
(Rev. March 2024)
Department of the Treasury
Internal Revenue Service

Request for Taxpayer Identification Number and Certification

Go to *www.irs.gov/FormW9* for instructions and the latest information.

Give form to the requester. Do not send to the IRS.

Before you begin. For guidance related to the purpose of Form W-9, see *Purpose of Form*, below.

Print or type. See *Specific Instructions* on page 3.

1 Name of entity/individual. An entry is required. (For a sole proprietor or disregarded entity, enter the owner's name on line 1, and enter the business/disregarded entity's name on line 2.)

SOUTHWEST AMBULANCE SALES, LLC

2 Business name/disregarded entity name, if different from above.

3a Check the appropriate box for federal tax classification of the entity/individual whose name is entered on line 1. Check only **one** of the following seven boxes.

☐ Individual/sole proprietor ☐ C corporation ☐ S corporation ☐ Partnership ☐ Trust/estate

☑ LLC. Enter the tax classification (C = C corporation, S = S corporation, P = Partnership) . . . . S

Note: Check the "LLC" box above and, in the entry space, enter the appropriate code (C, S, or P) for the tax classification of the LLC, unless it is a disregarded entity. A disregarded entity should instead check the appropriate box for the tax classification of its owner.

☐ Other (see instructions)

4 Exemptions (codes apply only to certain entities, not individuals; see instructions on page 3):

Exempt payee code (if any)

Exemption from Foreign Account Tax Compliance Act (FATCA) reporting code (if any)

(Applies to accounts maintained outside the United States.)

3b If on line 3a you checked "Partnership" or "Trust/estate," or checked "LLC" and entered "P" as its tax classification, and you are providing this form to a partnership, trust, or estate in which you have an ownership interest, check this box if you have any foreign partners, owners, or beneficiaries. See instructions . . . . . ☐

5 Address (number, street, and apt. or suite no.). See instructions.

PO BOX 917

Requester's name and address (optional)

6 City, state, and ZIP code

KENNEDALE TX 76060

7 List account number(s) here (optional)

Part I Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. The TIN provided must match the name given on line 1 to avoid backup withholding. For individuals, this is generally your social security number (SSN). However, for a resident alien, sole proprietor, or disregarded entity, see the instructions for Part I, later. For other entities, it is your employer identification number (EIN). If you do not have a number, see *How to get a TIN*, later.

Note: If the account is in more than one name, see the instructions for line 1. See also *What Name and Number To Give the Requester* for guidelines on whose number to enter.

Social security number

			–			–				

or

Employer identification number

2	7	–	2	1	0	3	0	5	4

Part II Certification

Under penalties of perjury, I certify that:

1. The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me); and
2. I am not subject to backup withholding because (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding; and
3. I am a U.S. citizen or other U.S. person (defined below); and
4. The FATCA code(s) entered on this form (if any) indicating that I am exempt from FATCA reporting is correct.

Certification instructions. You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and, generally, payments other than interest and dividends, you are not required to sign the certification, but you must provide your correct TIN. See the instructions for Part II, later.

Sign Here **Signature of U.S. person** Ann Garcia **Date** 2-17-25

General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Future developments. For the latest information about developments related to Form W-9 and its instructions, such as legislation enacted after they were published, go to *www.irs.gov/FormW9*.

What's New

Line 3a has been modified to clarify how a disregarded entity completes this line. An LLC that is a disregarded entity should check the appropriate box for the tax classification of its owner. Otherwise, it should check the "LLC" box and enter its appropriate tax classification.

New line 3b has been added to this form. A flow-through entity is required to complete this line to indicate that it has direct or indirect foreign partners, owners, or beneficiaries when it provides the Form W-9 to another flow-through entity in which it has an ownership interest. This change is intended to provide a flow-through entity with information regarding the status of its indirect foreign partners, owners, or beneficiaries, so that it can satisfy any applicable reporting requirements. For example, a partnership that has any indirect foreign partners may be required to complete Schedules K-2 and K-3. See the Partnership Instructions for Schedules K-2 and K-3 (Form 1065).

Purpose of Form

An individual or entity (Form W-9 requester) who is required to file an information return with the IRS is giving you this form because they

THE CITY OF
SANTA FE

MEMORANDUM

DATE: October 16, 2025

TO: Public Works & Utilities Committee
Finance Committee
Governing Body

FROM: Brian Moya, Fire Chief
Sten Johnson, Assistant Fire Chief

SUBJECT: Acceptance of FY26 Fire Protection Fund

ITEM AND ISSUE:
Request for Approval to accept additional FY2026 Fire Protection Fund Grant from New Mexico Dept. of Homeland Security and Emergency Management (DHSEM) in the amount of $522,980.

Request for Approval of a Budget Amendment Resolution (BAR) to add $522,980 from the DHSEM into FY26 Fire Department Revenue.

BACKGROUND AND SUMMARY:
Each fiscal year, DHSEM distributes Fire Protection Fund allocations on a bi-annual basis, based on the revenue received into the State of New Mexico Fire Protection Fund. During the FY2026 budget hearings, Finance Committee approved $1,058,173 as the estimated allocation. However, the actual awarded amount was $1,581,153. The difference of $522,980 needs to be added to Fire Department's FY2026 budget to correct the balance and reflect the total grant amount awarded.

ACTION REQUESTED:
The Santa Fe Fire Department respectfully requests your review and approval to accept the additional $522,980 in FY2026 Fire Protection Fund grant funds to increase the Fire Protection Fund budget accordingly.

DEPARTMENT OF HOMELAND SECURITY
AND EMERGENCY MANAGEMENT

Thursday, June 12, 2025

Remit To:
City of Santa Fe
PO Box 909
Santa Fe, NM 87504

Ref: 1st Fiscal Year 2026 (FY 26) Fire Protection Fund Distribution for the Santa Fe Fire Department.

The Department of Homeland Security will be distributing the Fire Protection Fund on a bi-annual basis for Fiscal Year 26.

NMFA payments, for outstanding department loans, are paid in full during the first funding allocation.

The bi-annual distribution dates for the Fire Protection Fund Fiscal year 2026 will be as follows:

- ***1st bi-annual allocation/distribution*** - On August 15th a 50% distribution of the total amount will be allocated to the municipality or district.
- ***2nd bi-annual allocation/distribution*** - On February 15th a 50% distribution of the total amount will be allocated to the municipality or district.

*The Bi-Annual **Allocation/Distribution** is based on the revenue received into the state of New Mexico for the FY 26 Fire Protection Fund.*

Fiscal Year 2026 1st bi-annual Fire Protection Fund allotment/distribution to your fire departments is enclosed in the amount of $790,577.00

Please refer to the Table below for your complete FY26 Fire Protection Fund **First Allotment** amounts.

Santa Fe

FY 26

First Bi-Annual Allotment

Fire Protection Fund Distribution

Fire Department	Total Distribution	NMFA Amount	Adjusted Total to Dept	Paid First Allotment August FY26 50% of Original Total to Department	Second Allotment February FY26 50% of Adjusted Total to Department
Santa Fe	$1,581,153.00	$0.00	$1,581,153.00	$790,577.00	$790,576.00

The amount allocated covers the period from July 1st 2025, through June 30th 2026, and shall be expended only for the maintenance of the fire department, the purchase, construction, repair and operation of its fire stations, fire apparatus and equipment, the payment of insurance premiums on fire stations, substations, fire apparatus and equipment, and insurance premiums for injuries or death of firefighters as otherwise provided by law. Such funds are to be expended at the direction of the Chief of each fire department in accordance with the provisions of the Public Purchases Act, the Fire Protection Fund Act, and the State Fire Marshal's Rules and Regulations to the Act.

**Please be reminded that during the 2017 regular legislative session, House Bill 4 was enacted (Laws 2017, Chapter 1). Section 8 of House Bill 4 created requirements that the State Fire Marshal must follow in making a determination and certification of needs pursuant to Section 59A-53-3 NMSA 1978 and distributions pursuant to Sections 59A-53-4 and 59A-53-5.1, which pertain to the Fire Protection Fund. Specifically, the bill required the State Fire Marshal to coordinate with the Department of Finance and Administration (DFA), the New Mexico Finance Authority, Office of the State Treasurer, the New Mexico Municipal League and the New Mexico Association of Counties, regarding a periodic allotment schedules.*

Please contact me if you have any questions or concerns, at 505-709-8150 or via email at randy.varela@dhsem.nm.gov.

Respectfully,

Randy Varela
State Fire Marshal

CITY OF SANTA FE
GENERAL SERVICES CONTRACT

SERVICES

Fire Department PPE Inspection, Repair, and Cleaning Services

THIS CONTRACT is made and entered into by and between the City of Santa Fe, herein after referred to as the "City," and **FIRE W.I.R.E. LLC** herein after referred to as the "Contractor."

IT IS MUTUALLY AGREED BETWEEN THE PARTIES:

1. **Definitions**

A. "Products and Services Schedule" refers to the complete list of products and services offered under this Contract and the price for each. Product and service descriptions may be amended with the prior approval of the Contract Administrator. New products and services shall not be added to the Products and Services Schedule.

B. "Business Hours" means 8:00 a.m. to 5:00 p.m. Mountain Time.

C. "Fiscal Year" means the twelve-month period beginning on July 1 and ending on June 30 of the following calendar year.

D. "Fiscal Year Quarters" means the four three-month periods within the City's fiscal year, defined as follows: Quarter 1 is July 1 through September 30; Quarter 2 is October 1 through December 31; Quarter 3 is January 1 through March 31; and Quarter 4 is April 1 through June 30.

2. **Scope of Work**

The Contractor shall perform the following work:

Contractor shall implement an annual maintenance program for the cleaning, inspection, repair, stitching, sewing, and alteration of Personal Protective Equipment ("PPE") bunker gear ("Gear"), for all City owned or used structural firefighting clothing, to include pants, coats, Nomex hoods, gloves, structure helmets and structure boots, in accordance with the most recent National Fire Protection Association ("NFPA") Standard 1851. The Contractor shall be a verified Independent Service Provider ("ISP") and shall be in compliance with NFPA 1851-2020 or most recent edition.

Services required are as follows:

A. Generally. Contractor shall provide services for PPE as follows: Cleaning of coats and trousers, to include removal of liners. Cleaning must include the closure of all Velcro hooks and loops; Post-incident inspections to include Visual Evaluation, Light Evaluation and Water Penetration Barrier Evaluation; Repair of PPE bunker gear, as needed, consistent with garment element manufacturer's methods;

Alterations of PPE bunker gear, as needed, consistent with garment element manufacturer's methods; Contractor shall provide cleaning and inspection of bunker gloves, structure boots, and structure hoods.

Contractor shall conduct testing as included in NFPA 1851 requirements to ensure proper operation of PPE.

B. Deliverables. The Contractor shall be a verified Independent Service Provider ("ISP") and shall be in compliance with NFPA 1851-2020 or most recent edition recordkeeping, and share records with County Contractor, as an ISP shall provide annual Test Verification of Conformity with relevant NFPA 1851 Standards. Contractor shall keep records of all maintenance schedules, testing and evaluation findings, and repair orders, for the entire term of the Agreement. Copies of which shall be provided to City at each service interval or upon City request.

Contractor shall provide a proposed maintenance schedule to include length of time it requires to conduct testing, repair and cleaning of PPE. City requires all services be done within four (4) days from pickup. Contractor shall provide confirmation of their ability to meet City's requirement as part of Contractor's response.

C. **Pick-up and Delivery** Selected Contractor will be expected to pick up PPE at Fire Station 5 located at 1130 Siler Road, Santa Fe, NM 87507, up to twice per month, and deliver inspected, cleaned or repaired PPE, Fire Station 5 located at 1130 Siler Road, Santa Fe, NM 87507 within four (4) days from pickup.

If Contractor cannot pick up and deliver PPE, Contractor shall include details on method of receipt of PPE for service, and methods of return of serviced PPE.

D. Contractor will provide post-incident and annual inspections to include Visual Evaluation, Light Evaluation and Water Penetration Barrier Evaluation;

E. Contractor will provide Hands-on training, to be offered once per year, to City of Santa Fe Fire Department, Health and Safety Staff, at Offeror facility, on proper disposal of retired and condemned bunker gear; Hands-on training, to be offered once per year, to City of Santa Fe Fire Department, Health and Safety Staff, at Offeror facility, on proper storage methods of PPE per manufacturers' guidelines;

F. Additional Services Offered. The following services are offered for certain contaminant exposure as requested by the City: Carbon Dioxide (CO_2) liquid pressure cleaning of protective clothing for structural firefighting gear (Bunker Gear) that consists of pants, coats, including the (outer shell) moisture barrier and (inner shell) thermal barrier, drag rescue device (DRD), boots, gloves and helmets and hoods.

3. Compensation

A. Payment. The City shall compensate the Contractor based on the itemized amounts and/or rates specified in Exhibit A.

For the services described in the scope of work, the City agrees pay the Contractor	$305,026.00
The services in the contract include GRT. The GRT on this contract at 8.1875% equals	+ $24,974.00
The total compensation for the contract including GRT is	= $330,000.00

B. The compensation represents a maximum amount. The Contractor must notify the City when the Services provided under this Contract approach 90% of compensation total. Services rendered beyond the maximum compensation amount will not be reimbursed unless the Contract is amended in writing prior to the provision of such services.

C. Invoicing and Payment Terms Payment will be made upon the City's acceptance of deliverables and receipt of a detailed, certified invoice from the Contractor. Payments will be sent to the Contractor's designated address. The City shall issue payment in accordance with the timelines required by law. Invoices must be submitted no later than fifteen (15) days after the Contract's termination. Late invoices will not be processed or paid.

D. Extended Payment Terms for Grant-Funded Contracts For grant-funded agreements, the City may issue payment within forty-five (45) days following submission of an undisputed payment request.

4. **Term**

THIS CONTRACT SHALL NOT BECOME EFFECTIVE UNTIL APPROVED BY THE CITY. This Contract shall terminate six (6) years from the date of final signature unless terminated pursuant to Paragraph 6 (Termination) or Paragraph 16 (Appropriations). A contract for general services may not exceed ten (10) years, including all extensions and renewals, except as otherwise provided by NMSA 1978, Sections 13-1-150 through 13-1-152 or SFCC 1987, Section 11-13.

5. **Default and Force Majeure**

The City reserves the right to cancel all, or any part of any orders placed under this contract without cost to the City, if the Contractor fails to meet the provisions of this contract and, except as otherwise provided herein, to hold the Contractor liable for any excess cost occasioned by the City due to the Contractor's default. The Contractor shall not be liable for any excess costs if failure to perform the order arises out of causes beyond the control and without the fault or negligence of the Contractor; such causes include, but are not restricted to, acts of God or the public enemy, acts of the State or Federal Government, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, unusually severe weather and defaults of sub-contractors due to any of the above, unless the City shall determine that the supplies or services to be furnished by the sub-contractor were obtainable from other sources in sufficient time to permit the Contractor to meet the required delivery scheduled. The rights and remedies of the City provided in this paragraph shall not be exclusive and are in addition to any other rights now being provided by law or under this contract.

6. **Termination**

A. Grounds. The City may terminate this Contract for convenience or cause. For contracts within their authority, the City Manager or their designee is authorized to provide the notice of termination, otherwise such notice of termination shall be provided by the Mayor, or their designee as authorized by the Governing Body. The Contractor may only terminate this Contract based upon the City's uncured, material breach of this Contract.

B. Notice: City Opportunity to Cure.

i) The City shall give the Contractor written notice of termination at least thirty (30) days prior to the intended date of termination.

ii) Contractor shall give City written notice of termination at least thirty (30) days prior to the intended date of termination, which notice shall (i) identify all the City's material breaches of this Contract upon which the termination is based and (ii) state what the City must do to cure such material breaches. Contractor's notice of termination shall only be effective (i) if the City does not cure all material breaches within the thirty (30) day notice period or (ii) in the case of material breaches that cannot be cured within thirty (30) days, the City does not, within the thirty (30) day notice period, notify the Contractor of its intent to cure and begin with due diligence to cure the material breach.

iii) Notwithstanding the foregoing, this Contract may be terminated immediately upon written notice to the Contractor (i) if the Contractor becomes unable to perform the services contracted for, as determined by the City; (ii) if, during the term of this Contract, the Contractor is suspended or debarred by the City; or (iii) the Contract is terminated pursuant to Paragraph 17, "Appropriations", of this Contract.

C. Liability. Except as otherwise expressly allowed or provided under this Contract, the City's sole liability upon termination shall be to pay for acceptable work performed prior to the Contractor's receipt or issuance of a notice of termination; provided, however, that a notice of termination shall not nullify or otherwise affect either party's liability for pre-termination defaults under or breaches of this Contract. The Contractor shall submit an invoice for such work within thirty (30) days of receiving or sending the notice of termination. *THIS PROVISION IS NOT EXCLUSIVE AND DOES NOT WAIVE THE CITY'S OTHER LEGAL RIGHTS AND REMEDIES CAUSED BY THE CONTRACTOR'S DEFAULT/BREACH OF THIS CONTRACT.*

7. **Amendment**

A. This Contract shall not be altered, changed, or amended except by instrument in writing executed by the parties hereto and all other required signatories.

B. If the City proposes an amendment to the Contract to unilaterally reduce funding due to budget or other considerations, the Contractor shall, within thirty (30) days of receipt of the proposed Amendment, have the option to terminate the Contract, pursuant to the termination provisions as set forth in Paragraph 7 herein, or to agree to the reduced funding.

8. **Status of Contractor**

The Contractor, and Contractor's agents and employees, are independent Contractors for the City and are not employees of the City. The Contractor, and Contractor's agents and employees, shall not accrue leave, retirement, insurance, bonding, use of City vehicles, or any other benefits afforded to employees of the City because of this Contract. The Contractor acknowledges that all sums received hereunder are personally reportable by the Contractor for income tax purposes, including without limitation, self-employment tax and business income tax. The Contractor agrees not to purport to bind the City unless the Contractor has written authority to do so, and then only within the strict limits of that authority.

9. **Assignment**

The Contractor shall not assign or transfer any interest in this Contract or assign any claims for money due or to become due under this Contract without the prior written approval of the City.

10. **Subcontracting**

The Contractor shall not subcontract any portion of the services to be performed under this Contract without the prior written approval of the City. No such subcontract shall relieve the primary Contractor from its obligations and liabilities under this Contract, nor shall any subcontract obligate direct payment from the City.

11. **Non-Collusion**

In signing this Contract, the Contractor certifies the Contractor has not, either directly or indirectly, entered into action in restraint of free competitive bidding in connection with this offer submitted to the City.

12. **Inspection of Plant**

The City may inspect, at any reasonable time during Contractor's regular business hours and upon prior written notice, the Contractor's plant or place of business, or any subcontractor's plant or place of business, which is related to the performance of this contract.

13. **Commercial Warranty**

The Contractor agrees that the tangible personal property or services furnished under this Contract shall be covered by the most favorable commercial warranties the Contractor gives to any customer for such tangible personal property or services, and that the rights and remedies provided herein shall extend to the City and are in addition to and do not limit any rights afforded to the City by any other clause of this order. The contractor agrees not to disclaim warranties of fitness for a particular purpose or merchantability.

14. **Condition of Proposed Items**

Where tangible personal property is a part of this Contract, all proposed items are to be NEW and of most current production, unless otherwise specified.

15. Records and Audit

During the term of this Contract and for three years thereafter, the Contractor shall maintain detailed records pertaining to the services rendered and products delivered. These records shall be subject to inspection by the City, the State Auditor and other appropriate state and federal authorities. The City shall have the right to audit billings both before and after payment. Payment under this Contract shall not foreclose the right of the City to recover excessive or illegal payments.

16. Appropriations

The terms of this Contract, and any orders placed under it, are contingent upon sufficient appropriations and authorization being made by the Governing Body for the performance of this Contract. If sufficient appropriations and authorization are not made by the Governing Body, this Contract, and any orders placed under it, shall terminate upon written notice being given by the City to the Contractor. The City's decision as to whether sufficient appropriations are available shall be accepted by the Contractor and shall be final. If the City proposes an amendment to the Contract to unilaterally reduce funding, the Contractor shall have the option to terminate the Contract or to agree to the reduced funding, within thirty (30) days of receipt of the proposed amendment.

17. Release

The Contractor, upon final payment of the amount due under this Contract, releases the City, its officers, and employees, from all liabilities, claims and obligations whatsoever arising from or under this Contract. The Contractor agrees not to purport to bind the City, unless the Contractor has express written authority to do so, and then only within the strict limits of that authority.

18. Confidentiality

Any confidential information provided to or developed by the Contractor in the performance of this Contract shall be kept confidential and shall not be made available to any individual or organization by the Contractor without prior written approval by the City.

19. Conflict of Interest

A. The Contractor represents and warrants that it presently has no interest and, during the term of this Contract, shall not acquire any interest, direct or indirect, which would conflict in any manner or degree with the performance or services required under the Contract. The Contractor shall comply with any applicable provisions of the New Mexico Governmental Conduct Act and the New Mexico Financial Disclosures Act.

B. The Contractor further represents and warrants that it has complied with, and, during the term of this Contract, will continue to comply with, and that this Contract complies with all applicable provisions of the Governmental Conduct Act, NMSA 1978, Chapter 10, Article 16.

C. Contractor's representations and warranties in Paragraphs A and B of this Paragraph are material representations of fact upon which the City relied when this Contract was entered into by the parties. Contractor shall provide immediate written notice to the City if, at any time during the term of this Contract, Contractor learns that Contractor's representations and warranties in Paragraphs A and B of this Paragraph 19 were erroneous on the effective date of this Contract or have become erroneous by reason of new or changed circumstances. If it is later determined that Contractor's representations and warranties in Paragraphs A and B of this Paragraph 19 were erroneous on the effective date of this Contract or have become erroneous by reason of new or changed circumstances, in addition to other remedies available to the City and notwithstanding anything in the Contract to the contrary, the City may immediately terminate the Contract.

D. All terms defined in the Governmental Conduct Act have the same meaning in this section.

20. Approval of Contractor Representatives

The City reserves the right to require a change in the Contractor's assigned representatives if they are not adequately serving the City's needs.

21. Scope of Contract; Merger

This Contract incorporates all the agreements, covenants, and understandings between the parties hereto concerning the subject matter hereof, and all such covenants, agreements, and understandings have been merged into this written contract.

Statewide/Existing Agreements 13-1-129

This Contract is issued against the state or agency Master Agreement, established, and maintained by the County of Los Alamos, Incorporated County of Los Alamos Services Agreement # AGR25-01, and through this language hereby incorporates this Contract by reference and is included in the order of precedence.

22. Notice

The Procurement Code, NMSA 1978, Sections 13-1-28 through 13-1-199, imposes civil and criminal penalties for its violation. In addition, the New Mexico criminal statutes impose felony penalties for bribes, gratuities, and kickbacks.

23. Equal Opportunity Compliance

The Contractor agrees to abide by all federal and state laws, and local Ordinances, pertaining to equal employment opportunity. In accordance with all such laws, rules, and regulations, the Contractor agrees to assure that no person in the United States shall on the grounds of race, religion, color, national origin, ancestry, sex, age, physical or mental handicap, or serious medical condition, spousal affiliation, sexual orientation or gender identity, be excluded from employment with or participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity performed under this Contract. If Contractor is found not to be in compliance with these requirements during the life of this Contract, Contractor agrees to take appropriate steps to correct these deficiencies.

24. Indemnification

The Contractor shall hold the City and its employees harmless and shall indemnify the City and its employees against any and all claims, suits, actions, liabilities and costs of any kind, including attorney's fees for personal injury or damage to property arising from the acts or omissions of the Contractor, its agents, officers, employees or subcontractors. The Contractor shall not be liable for any injury or damage as a result of any negligent act or omission committed by the City, its officers or employees.

25. New Mexico Tort Claims Act

Any liability incurred by the City of Santa Fe in connection with this Contract is subject to the immunities and limitations of the New Mexico Tort Claims Act, NMSA 1978, Section 41-4-1, et. seq., as amended. The City and its "public employees" as defined in the New Mexico Tort Claims Act, do not waive sovereign immunity, do not waive any defense and do not waive any limitation of liability pursuant to law. No provision in this Contract modifies or waives any provision of the New Mexico Tort Claims Act.

26. Applicable Law

The laws of the State of New Mexico shall govern this Contract, without giving effect to its choice of law provisions. Venue shall be proper only in a New Mexico court of competent jurisdiction in accordance with NMSA 1978, Section 38-3-2. By execution of this Contract, Contractor acknowledges and agrees to the

jurisdiction of the courts of the State of New Mexico over any and all lawsuits arising under or out of any term of this Contract.

27. Limitation of Liability

The Contractor's liability to the City, for any cause whatsoever shall be limited to the purchase price paid to the Contractor for the products and services that are the subject of the City's, claim. The foregoing limitation does not apply to paragraph 24 of this Contract or to damages resulting from personal injury caused by the Contractor's negligence.

28. Incorporation by Reference and Precedence

If this Contract has been procured pursuant to a request for proposals, this Contract is derived from (1) the request for proposal, (including any written clarifications to the request for proposals and any City response to questions); (2) the Contractor's best and final offer; and (3) the Contractor's response to the request for proposals.

In the event of a dispute under this Contract, applicable documents will be referred to for the purpose of clarification or for additional detail in the following order of precedence: (1) amendments to the Contract in reverse chronological order; (2) the Contract, including the scope of work and all terms and conditions thereof; (3) the request for proposals, including attachments thereto and written responses to questions and written clarifications; (4) the Contractor's best and final offer if such has been made and accepted by the City; and (5) the Contractor's response to the request for proposals.

29. Workers' Compensation

The Contractor agrees to comply with state laws and rules applicable to workers' compensation benefits for its employees. If the Contractor fails to comply with the Workers' Compensation Act and applicable rules when required to do so, this Contract may be terminated by the City.

30. Inspection

If this contract is for the purchase of tangible personal property (goods), final inspection and acceptance shall be made at Destination. Tangible personal property rejected at Destination for non-conformance to specifications shall be removed at Contractor's risk and expense promptly after notice of rejection and shall not be allowable as billable items for payment.

31. Inspection of Services

If this contract is for the purchase of services, the following terms shall apply.

A. Services, as used in this Article, include services performed, workmanship, and material furnished or utilized in the performance of services.

B. The Contractor shall provide and maintain an inspection system acceptable to the City covering the services under this Contract. Complete records of all inspection work performed by the Contractor shall be maintained and made available to the City and for as long thereafter as the Contract requires. The City has the right to inspect and test all services contemplated under this Contract to the extent

practicable at all times and places during the term of the Contract. The City shall perform inspections and tests in a manner that will not unduly delay or interfere with Contractor's performance.

C. If the City performs inspections or tests on the premises of the Contractor or a subcontractor, the Contractor shall furnish, and shall require subcontractors to furnish, at no increase in contract price, all reasonable facilities and assistance for the safe and convenient performance of such inspections or tests.

D. If any part of the services do not conform with the requirements of this Contract, the City may require the Contractor to re-perform the services in conformity with the requirements of this Contract at no increase in contract amount. When the defects in services cannot be corrected by re-performance, the City may:

i. require the Contractor to take necessary action(s) to ensure that future performance conforms to the requirements of this Contract; and

ii. reduce the contract price to reflect the reduced value of the services performed.

E. If the Contractor fails to promptly re-perform the services or to take the necessary action(s) to ensure future performance in conformity with the requirements of this Contract, the City may:

i. by contract or otherwise, perform the services and charge to the Contractor any cost incurred by the City that is directly related to the performance of such service; or

ii. terminate the contract for default.

32. Insurance

If the services contemplated under this Contract will be performed on or in City facilities or property, Contractor shall maintain in force during the entire term of this Contract, the following insurance coverage(s), naming the City as additional insured.

A. Commercial General Liability insurance shall be written on an occurrence basis and be as broad as ISO Form CG 00 01 with limits not less than $1,000,000 per occurrence and $2,000,000 in the aggregate for claims against bodily injury, personal and advertising injury, and property damage. Said policy shall include broad form Contractual Liability coverage and be endorsed to name the City of Santa Fe their officials, officers, employees, and agents as additional insureds.

B. Business Automobile Liability Insurance for all owned, non-owned automobiles, with a combined single limit not less than $1,000,000 per accident.

C. Broader Coverage and Limits. The insurance requirements under this Contract shall be the greater of (1) the minimum coverage and limits specified in this Contract, or (2) the broader coverage and maximum limits of coverage of any insurance policy or proceeds available to the Named Insured. It is agreed that these insurance requirements shall not in any way act to reduce coverage that is broader or that includes higher limits than the minimums required herein. No representation is made that the minimum insurance requirements of this Contract are sufficient to cover the obligations of Contractor hereunder.

D. Contractor shall maintain the above insurance for the term of this Contract and name the City as an additional insured and provide for 30 days cancellation notice on any Certificate of Insurance form furnished by Contractor. Such certificate shall also specifically state the coverage provided under the policy is primary over any other valid and collectible insurance and provide a waiver of subrogation.

33. Impracticality of Performance

A party shall be excused from performance under this Contract for any period that the party is prevented from performing as a result of an act of God, strike, war, civil disturbance, epidemic, or court order, provided that the party has prudently and promptly acted to take any and all steps that are within the party's control to ensure performance. Subject to this provision, such non-performance shall not be deemed a default or a ground for termination.

34. Invalid Term or Condition

If any term or condition of this Contract shall be held invalid or unenforceable, the remainder of this Contract shall not be affected and shall be valid and enforceable.

35. Enforcement of Contract

A party's failure to require strict performance of any provision of this Contract shall not waive or diminish that party's right thereafter to demand strict compliance with that or any other provision. No waiver by a party of any of its rights under this Contract shall be effective unless express and in writing, and no effective waiver by a party of any of its rights shall be effective to waive any other rights.

36. Patent, Copyright, Trademark and Trade Secret Indemnification;

A. The Contractor shall defend, at its own expense, the City against any claim that any product or service provided under this Contract infringes any patent, copyright to trademark in the United States or Puerto Rico, and shall pay all costs, damages and attorneys' fees that a court finally awards as a result of any such claim. In addition, if any third party obtains a judgment against the City based upon Contractor's trade secret infringement relating to any product or services provided under this Contract, the Contractor agrees to reimburse the City for all costs, attorneys' fees and amount of the judgment. To qualify for such defense and or payment, the City shall:

i. give the Contractor prompt written notice within 48 hours of any claim;
ii. allow the Contractor to control the defense of settlement of the claim; and
iii. cooperate with the Contractor in a reasonable way to facilitate the defense or settlement of the claim.

B. If any product or service becomes, or in the Contractor's opinion is likely to become the subject of a claim of infringement, the Contractor shall at its option and expense:

i. provide the City the right to continue using the product or service and fully indemnify the City against all claims that may arise out of the City's use of the product or service;
ii. replace or modify the product or service so that it becomes non-infringing; or,
iii. accept the return of the product or service and refund an amount equal to the value of the returned product or service, less the unpaid portion of the purchase price and any other amounts, which are due to the Contractor. The Contractor's obligation will be void as to any product or service modified by the City to the extent such modification is the cause of the claim.

37. Survival

The Contract paragraphs titled "Patent, Copyright, Trademark and Trade Secret Indemnification" shall survive the expiration of this Contract. Software licenses, leases, maintenance and any other unexpired Agreements that were entered into under the terms and conditions of this Contract shall survive this Contract.

38. Disclosure Regarding Responsibility

A. Any prospective Contractor and any of its Principals who enter into a contract greater than sixty thousand dollars ($60,000.00) with any City for professional services, tangible personal property, services or construction agrees to disclose whether the Contractor, or any principal of the Contractor's company is presently debarred, suspended, proposed for debarment, or declared ineligible for award of contract by any federal entity, state agency or local public body.

B. Principal, for the purpose of this disclosure, means an officer, director, owner, partner, or a person having primary management or supervisory responsibilities within a business entity or related entities.

C. The Contractor shall provide immediate written notice to the City if, at any time during the term of this Contract, the Contractor learns that the Contractor's disclosure was at any time erroneous or became erroneous by reason of changed circumstances.

D. A disclosure that any of the items in this requirement exist will not necessarily result in termination of this Contract. However, the disclosure will be considered in the determination of the Contractor's responsibility and ability to perform under this Contract. Failure of the Contractor to furnish a disclosure or provide additional information as requested will be grounds for immediate termination of this Contract pursuant to the conditions set forth in Paragraph 6 of this Contract.

E. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render, in good faith, the disclosure required by this document. The knowledge and information of a Contractor is not required to exceed that which is the normally possessed by a prudent person in the ordinary course of business dealings.

F. The disclosure requirement provided is a material representation of fact upon which reliance was placed when making an award and is a continuing material representation of the facts during the term of this Contract. If during the performance of the contract, the Contractor is indicted for or otherwise criminally or civilly charged by any government entity (federal, state or local) with commission of any offenses named in this document the Contractor must provide immediate written notice to the City. If it is later determined that the Contractor knowingly rendered an erroneous disclosure, in addition to other remedies available to the Government, the City may terminate the involved contract for cause. Still further the City may suspend or debar the Contractor from eligibility for future solicitations until such time as the matter is resolved to the satisfaction of the City.

39. Suspension, Delay or Interruption of Work

The City may, without cause, order the Contractor, in writing, to suspend, delay or interrupt the work in whole or in part for such period of time as the City may determine. The contract sum and contract time shall be adjusted for increases in cost and/or time associated with Contractor's compliance therewith. Upon receipt of such notice, Contractor shall leave the jobsite and any equipment in a safe condition prior to departing. Contractor must assert rights to additional compensation within thirty (30) days after suspension of work is lifted and return to work is authorized. Any compensation requested for which entitlement is granted and the contract sum adjusted, shall have profit included (for work completed) and for cost only (not profit) for Contractor costs incurred directly tied to the suspension itself and not otherwise covered by Contract remedy. Any change in Total Compensation must be

reflected in an Amendment executed pursuant to Section 8 of this Contract.

40. Notification

Either party may give written notice to the other party in accordance with the terms of this Paragraph. Any written notice required or permitted to be given hereunder shall be deemed to have been given on the date of delivery if delivered by personal service or hand delivery or three (3) business days after being mailed.

To the City: Chief Procurement Officer purchasing@santafenm.gov PO Box 909 Santa Fe, NM 87504-0909	Fire Department Assistant Fire Chief 200 Murales Road Santa Fe, NM 87501 fireadmin@santafenm.gov 505-955-3112	**To the Contractor:** FIRE W.I.R.E. LLC Juanita Martinez 3415 Bryn Mawr Dr NE Albuquerque, NM 87107 firewash@hotmail.com 505-660-1477

Either party may change its representative or address above by written notice to the other in accordance with the terms of this Paragraph. The carrier for mail delivery and notices shall be the agent of the sender.

41. Succession

This Contract shall extend to and be binding upon the successors and assigns of the parties.

Sten and Toni,

After reviewing the RFP (attached here for your reference, as posted on the Los Alamos County website) along with the related documentation that you provided, I have determined that it is in the City's best interest to proceed with a City contract under NMSA 1978, Section 13-1-129. This approach allows us to leverage the Los Alamos County Master Agreement for these purposes.

Thank you.

Regards,

Travis Dutton-Leyda

Here are the documents needed. Letter of authorization from the vendor, RFP, proposal, evaluation document, and any related documents or attachments.
Graham, you drafted the contract.
Have you done a purchasing memo for the packet?
I'd like to review those.
Also we need a current COI from FireWire naming City of Santa Fe as the certificate holder.

Toni, is there any way you can get the procurement documents? The RFP, proposal, evaluation document, and any related documents or attachments.

To answer your question, depending on if we can use this contract as the bases for our City contract, the term may be a full 7 years from the date of signature if the vendor agrees. We would use the same scope and items, just update the wording to read "the City of Santa Fe."

Thank you.

Hi Travis,
Can you please review the attached draft contact before we upload it to JotForm? Notice the Term on the *Incorporated County of Los Alamos Services Agreement AGR25-01* is through 11/14/2031. There are six years remaining. Can we use this Contract we're drafting for the remaining six years? Would our term date be 11/14/2031 or 6/30/2032?

Appreciate you,

Subject: RE: Los Alamos County Contract and RFP Documents

Greetings,

Based on the provided scope of work, it has been classified as General Services. This determination is solely focused on that classification and does not address whether the scope of work or procurement method complies with all relevant legal requirements. I reserve the right to modify this determination should the scope of work differ from what was originally submitted. The procurement must follow the processes and procedures established by the City of Santa Fe, Central Purchasing, the Procurement Manual, and applicable state statutes.

Please note:

- Save this email as a PDF and upload it into the corresponding packet and Munis records.
- Check with WorkQuest dba Horizons of New Mexico (vendor # 8673) (mloehman@horizonsofnewmexico.org) ***if*** this service appears on their approved list.
- If your request includes anything that needs to be reviewed and preapproved by another City Department/Division, please send the same SOW to the corresponding email address and include their response in your packet/Munis.

-Treasury (Point of Sale Systems) – questions: drsena@santafenm.gov; clromero@santafenm.gov. Request signature from: clromero@santafenm.gov

-IT components (everything IT) – questions: ereview@santafenm.gov. Request signature from: edcandelaria@santafenm.gov;
Copy: zxdushdurova@santafenm.gov; lenobes@santafenm.gov; lfworstell@santafenm.gov

-Vehicles – questions: fleet@santafenm.gov. Request signature from: dmjaramillo@santafenm.gov

-Grants – questions: grants@santafenm.gov. Request signature from: evlujan@santafenm.gov

- Construction, Facilities, Furniture, Fixtures, Equipment, etc. – questions: fmdreview@santafenm.gov. Request signature from: jsburnett@santafenm.gov

-Emergency Related Purchases – questions oem@santafenm.govand. Request signature from: bgwilliams@santafenm.gov

-Asset over $5k – questions: accountspayable@santafenm.gov. Request signature from: jxbolden@santafenm.gov

- Ensure that the appropriate templates and forms are used https://intranet.santafenm.gov/finance_1 and documented procedures/laws/rules are followed.
- > $20k per year, when processing this procurement, please ensure the procurement number issued by Munis and the procurement name are used in the appropriate documents and the subject of emails.
- If you are processing a procurement where the forecasted amount is =/> $60k, per NMSA 1978, Section 13-1-102, the procurement method must be ITB (if you choose not to use a cooperative or an existing contract). If you feel you need to process an RFP, you must get an Authorization and Plan approved before you process.

- < $20k per year, one quote is acceptable.
- From $20k to $60k per year, if you aren't using a cooperative or existing contract, you must provide 3 quotes in your req. Must use the Munis Bid Module, OpenGov, or Pavilion.
- **Identify your funding source and notify Purchasing.**
  It's essential to determine the funding source early, as it impacts the required documentation and contract language. For example, if federal funds are being used, specific federal provisions must be included in both the procurement request and the resulting contract. Notifying Purchasing of the funding source upfront ensures compliance and avoids delays.
- Follow the link below to review existing price agreements, contracts, or cooperative agreements that might be applicable to this request. You might be able to use an existing price agreement/contract to save time and money.
  - Pavilion: Free Cooperative Contract Search for Governments (please work with Purchasing if you think you found an existing or cooperative contract that might work)
- Submit via **Submit Purchase Requests** or the appropriate email address:
  - Determination requests to purchasing_det@santafenm.gov
  - All other requests to purchasing@santafenm.gov

Thank you for submitting this scope of work for my review.

Book time to meet with me

"A journey of a thousand miles begins with a single step" ~ Lao Tzu

---

From: MILLER, GRAHAM R. <grmiller@santafenm.gov>
Sent: Wednesday, September 24, 2025 12:47 PM
To: DUTTON-LEYDA, TRAVIS K. <tkduttonleyda@santafenm.gov>; CANDELARIA MARTINEZ, TONIETTE O. <tocandelariamartinez@santafenm.gov>
Cc: JOHNSON, STEN A. <sajohnson@santafenm.gov>
Subject: RE: Los Alamos County Contract and RFP Documents

Here is the Scope of Work:

Offeror shall implement an annual maintenance program for the cleaning, inspection, repair, stitching, sewing, and alteration of Personal Protective Equipment ("PPE") bunker gear ("Gear"), for all County owned or used structural firefighting clothing, to include pants, coats, Nomex hoods, structure helmets and structure

boots, in accordance with the most recent National Fire Protection Association (“NFPA”) Standard 1851. The selected Offeror shall be a verified Independent Service Provider (“ISP”) and shall be in compliance with NFPA 1851-2020 or most recent edition

Services required are as follows: **Generally.** Offeror shall provide services for PPE as follows: Cleaning of coats and trousers, to include removal of liners. Cleaning must include the closure of all Velcro hooks and loops;

Post-incident inspections to include Visual Evaluation, Light Evaluation and Water Penetration Barrier Evaluation;

Repair of PPE bunker gear, as needed, consistent with garment element manufacturer’s methods;

Alterations of PPE bunker gear, as needed, consistent with garment element manufacturer’s methods;

Offeror shall provide cleaning and inspection of bunker gloves, structure boots, and structure hoods.

Offeror shall conduct testing as included in NFPA 1851 requirements to ensure proper operation of PPE.

Deliverables The selected Offeror shall be a verified Independent Service Provider (“ISP”) and shall be in compliance with NFPA 1851-2020 or most recent edition recordkeeping, and share records with County

Offeror, as an ISP shall provide annual Test Verification of Conformity with relevant NFPA 1851 Standards.

Offeror shall keep records of all maintenance schedules, testing and evaluation findings, and repair orders, for the entire term of the Agreement. Copies of which shall be provided to County at each service interval or upon County request.

Offeror shall provide a proposed maintenance schedule to include length of time it requires to conduct testing, repair and cleaning of PPE. County requires all services be done between ten (10) and twenty (20) days from pickup. Offeror shall provide confirmation of their ability to meet County’s requirement as part of Offeror’s response.

Pick-up and Delivery Selected Offeror will be expected to pick up PPE at Fire Station 4 located at 4401 Diamond Drive, Los Alamos, NM 87544, up to twice per month, and deliver inspected, cleaned or repaired PPE, to Fire Administration at 999 Central Avenue, Suite 200, Los Alamos, NM 87544 within ten (10) to twenty (20) days from pickup.

If Offeror cannot pick up and deliver PPE, Offeror shall include details on method of receipt of PPE for service, and methods of return of serviced PPE.

Additional Services Preferred But Not Required. The following services are preferred but not required. Offerors are asked to provide a description of any of the following services offered as part of the Offeror’s response. Please provide description of ability to perform and cost information for Carbon Dioxide (CO_2) liquid pressure cleaning of protective clothing for structural firefighting gear (Bunker Gear) that consists of pants, coats, including the (outer shell) moisture barrier and (inner shell) thermal barrier, drag rescue device (DRD), boots, gloves and helmets and hoods.

Please provide description of ability to perform post-incident inspections to include Visual Evaluation, Light Evaluation and Water Penetration Barrier Evaluation;

Hands-on training, to be offered once per year, to Los Alamos Fire Department Safety Division Staff, at Offeror facility, on proper disposal of retired and condemned bunker gear;

Hands-on training, to be offered once per year, to Los Alamos Fire Department Safety Division Staff, at Offeror facility, on proper storage methods of PPE per manufacturers’ guidelines;

Subject: Re: Los Alamos County Contract and RFP Documents

Sten,

You may proceed on this path. The applicable statute is NMSA 1978, Section 13-1-129 Existing Contracts. The procurement was conducted as an RFP, and total compensation is capped at $210,000 (excluding GRT) unless amended. Unit pricing may be based on the items listed in the Master Agreement (Los Alamos' contract). Please also note that the contract term cannot exceed seven years in total.

SECTION B. TERM: The term of this Agreement shall commence November 15, 2024 a continue through November 14, 2031 unless sooner terminated, as provided herein.

SECTION C. COMPENSATION:

1. **Amount of Compensation**. County shall pay compensation for performance of the S in an amount not to exceed TWO HUNDRED TEN THOUSAND AND N0/100 DO ($210,000.00), which amount does not include applicable New Mexico gross receipt ("NMGRT"). Compensation shall be paid in accordance with the rate schedule se Exhibit B, attached hereto and made a part hereof for all purposes.
2. **Monthly Invoices**. Contractor shall submit itemized invoices, upon the completion of s for each set of PPE approximately four (4) times per year, to County's Project M showing amount of compensation due, amount of any NMGRT, and total amount p Payment of undisputed amounts shall be due and payable thirty (30) days after C receipt of the invoice.

Thank you.

Regards,

Travis Dutton-Leyda

Hi Travis,

This contract will be a new service agreement with a vendor we have used for years. The contract is necessary due to our increase usage. ~$50,000/year.
We would like to establish the agreement using an existing contract (Los Alamos Fire Department). A letter from the vendor extending terms is provided.

Let us know how to proceed.

Hi Sten,

We currently have a contract that all Fire Departments can use.

I am forwarding the email Kat Brophy sent to me from the procurement office with the County of Los Alamos. Attached is the entire contract between Los Alamos Fire Department and FIRE W.I.R.E. LLC. She states that the contract can be used "as a piggyback." The contract is good for 7 years.

Please let me know if you have any questions.

Thank you.

AGR25-01

LOS ALAMOS

INCORPORATED COUNTY OF LOS ALAMOS
SERVICES AGREEMENT

This **SERVICES AGREEMENT** ("Agreement") is entered into by and between the **Incorporated County of Los Alamos**, an incorporated county of the State of New Mexico ("County"), and **Fire W.I.R.E., LLC**, a New Mexico limited liability corporation ("Contractor"), collectively (the "Parties"), to be effective for all purposes November 15, 2024 ("Effective Date").

WHEREAS, the County Purchasing Officer determined in writing that the use of competitive sealed bidding was either not practical or not advantageous to County for procurement of the Services and County issued Request for Proposals No. 25-01 ("RFP") on August 1, 2024, requesting proposals for inspection, maintenance and repair of Fire Department Personal Protective Equipment ("PPE"), as described in the RFP; and

WHEREAS, Contractor timely responded to the RFP by submitting a response dated August 8, 2024 ("Contractor's Response"); and

WHEREAS, based on the evaluation factors set out in the RFP, Contractor was the successful Offeror for the services listed in the RFP; and

WHEREAS, Contractor shall provide the Services, as described below, to County.

NOW, THEREFORE, in consideration of the premises and the covenants contained herein, County and Contractor agree as follows:

SECTION A. SERVICES:

1. Contractor shall implement an annual maintenance program for the cleaning, inspection, repair, stitching, sewing, and alteration of Personal Protective Equipment ("PPE") bunker gear ("Gear"), ("Services") for all County owned or used structural firefighting clothing, to include pants, coats, Nomex hoods, structure helmets and structure boots, in accordance with the most recent National Fire Protection Association ("NFPA") Standard 1851.

2. Contractor is a verified Independent Service Provider ("ISP") and shall be in compliance with NFPA 1851-2020 or most recent edition

3. Contractor shall provide Services as follows:
   a. Cleaning of coats and trousers, to include removal of liners. Cleaning must include the closure of all Velcro hooks and loops;
   b. Post-incident inspections to include Visual Evaluation, Light Evaluation and Water Penetration Barrier Evaluation;
   c. Repair of PPE bunker gear, as needed, consistent with garment element manufacturer's methods;
   d. Alterations of PPE bunker gear, as needed, consistent with garment element manufacturer's methods;

e. Contractor shall clean and inspect bunker gloves, structure boots, and structure hoods.
f. Contractor shall perform testing as included in NFPA 1851 requirements to ensure proper operation of PPE.
g. Contractor shall pick up and deliver inspected, cleaned or repaired PPE, to Fire Administration at 999 Central Avenue, Suite 200, Los Alamos, NM 87544, in accordance with Proposed Maintenance Schedule attached as Exhibit A or as requested by County.
h. As requested by County, Contractor shall perform Carbon Dioxide (CO2) liquid pressure cleaning of protective clothing for structural firefighting gear (Bunker Gear) that consists of pants, coats, including the (outer shell) moisture barrier and (inner shell) thermal barrier, drag rescue device (DRD), boots, gloves and helmets and hoods.
i. As requested by County, Contractor shall perform post-incident inspections to include Visual Evaluation, Light Evaluation and Water Penetration Barrier Evaluation;
j. Contractor shall provide hands-on training, to be offered once per year, to Los Alamos Fire Department Safety Division Staff, at a location mutually agreed upon by both Parties, on proper disposal of retired and condemned bunker gear;
k. Contractor shall provide hands-on training, to be offered once per year, to Los Alamos Fire Department Safety Division Staff, at a location mutually agreed upon by both Parties, on proper storage methods of PPE per manufacturers' guidelines;
l. Contractor shall keep records of all maintenance schedules, testing and evaluation findings, and repair orders, for the entire term of the Agreement. Copies of which shall be provided to County at each service interval or upon County request.

SECTION B. TERM: The term of this Agreement shall commence November 15, 2024 and shall continue through November 14, 2031 unless sooner terminated, as provided herein.

SECTION C. COMPENSATION:

1. **Amount of Compensation**. County shall pay compensation for performance of the Services in an amount not to exceed TWO HUNDRED TEN THOUSAND AND N0/100 DOLLARS ($210,000.00), which amount does not include applicable New Mexico gross receipts taxes ("NMGRT"). Compensation shall be paid in accordance with the rate schedule set out in Exhibit B, attached hereto and made a part hereof for all purposes.
2. **Monthly Invoices**. Contractor shall submit itemized invoices, upon the completion of services for each set of PPE approximately four (4) times per year, to County's Project Manager showing amount of compensation due, amount of any NMGRT, and total amount payable. Payment of undisputed amounts shall be due and payable thirty (30) days after County's receipt of the invoice.

SECTION D. TAXES: Contractor shall be solely responsible for timely and correctly billing, collecting and remitting all NMGRT levied on the amounts payable under this Agreement.

SECTION E. STATUS OF CONTRACTOR, STAFF, AND PERSONNEL: This Agreement calls for the performance of services by Contractor as an independent contractor. Contractor is not an agent or employee of County and shall not be considered an employee of County for any purpose. Contractor, its agents, or employees shall make no representation that they are County employees, nor shall they create the appearance of being employees by using a job or position title on a name plate, business cards, or in any other manner, bearing County's name or logo. Neither Contractor nor any employee of Contractor shall be entitled to any benefits or compensation other than the compensation specified herein. Contractor shall have no authority to bind County to any agreement, contract, duty, or obligation. Contractor shall make no representations that are intended to, or create the appearance of, binding County to any

Docusign Envelope ID: 68B6C977-9F90-4B3C-A3CB-6B67B32A79BB

agreement, contract, duty, or obligation. Contractor shall have full power to continue any outside employment or business, to employ and discharge its employees or associates as it deems appropriate without interference from County; provided, however, that Contractor shall at all times during the term of this Agreement maintain the ability to perform the obligations in a professional, timely, and reliable manner.

SECTION F. STANDARD OF PERFORMANCE: Contractor agrees and represents that it has and shall maintain the personnel, experience, and knowledge necessary to qualify it for the particular duties to be performed under this Agreement. Contractor shall perform the Services described herein in accordance with a standard that meets the industry standard of care for performance of the Services.

SECTION G. DELIVERABLES AND USE OF DOCUMENTS: All deliverables required under this Agreement, including material, products, reports, policies, procedures, software improvements, databases, and any other products and processes, whether in written or electronic form, shall remain the exclusive property of and shall inure to the benefit of County as works for hire; Contractor shall not use, sell, disclose, or obtain any other compensation for such works for hire. In addition, Contractor may not, with regard to all work, work product, deliverables, or works for hire required by this Agreement, apply for, in its name or otherwise, any copyright, patent, or other property right, and acknowledges that any such property right created or developed remains the exclusive right of County. Contractor shall not use deliverables in any manner for any other purpose without the express written consent of County.

SECTION H. EMPLOYEES AND SUB-CONTRACTORS: Contractor shall be solely responsible for payment of wages, salary, or benefits to any and all employees or contractors retained by Contractor in the performance of the Services. Contractor agrees to indemnify, defend, and hold harmless County for any and all claims that may arise from Contractor's relationship to its employees and subcontractors.

SECTION I. INSURANCE: Contractor shall obtain and maintain insurance of the types and in the amounts set out below throughout the term of this Agreement with an insurer acceptable to County. Contractor shall assure that all subcontractors maintain like insurance. Compliance with the terms and conditions of this Section is a condition precedent to County's obligation to pay compensation for the Services, and Contractor shall not provide any Services under this Agreement unless and until Contractor has met the requirements of this Section. County requires Certificates of Insurance, or other evidence acceptable to County, stating that Contractor has met its obligation to obtain and maintain insurance and to assure that subcontractors maintain like insurance. Should any of the policies described below be cancelled before the expiration date thereof, notice shall be delivered in accordance with the policy provisions. General Liability Insurance and Automobile Liability Insurance shall name County as an additional insured.

1. **General Liability Insurance:** ONE MILLION DOLLARS ($1,000,000.00) per occurrence; ONE MILLION DOLLARS ($1,000,000.00) aggregate.
2. **Workers' Compensation:** In an amount as may be required by law. County may immediately terminate this Agreement if Contractor fails to comply with the Worker's Compensation Act and applicable rules when required to do so.
3. **Automobile Liability Insurance for Contractor and its Employees:** ONE MILLION DOLLARS ($1,000,000.00) combined single limit per occurrence; ONE MILLION DOLLARS ($1,000,000.00) aggregate on any owned, and/or non-owned motor vehicles used in performing Services under this Agreement.

Docusign Envelope ID: 68B6C977-9F90-4B3C-A3CB-6B67B32A79BB

SECTION J. RECORDS: Contractor shall maintain, throughout the term of this Agreement and for a period of six (6) years thereafter, records that indicate the date, time, and nature of the services rendered. Contractor shall make available, for inspection by County, all records, books of account, memoranda, and other documents pertaining to County at any reasonable time upon request.

SECTION K. DUTY TO ABIDE: Contractor shall abide by all applicable federal, state, and local laws, regulations, and policies and shall perform the Services in accordance with all applicable laws, regulations, and policies during the term of this Agreement.

SECTION L. NON-DISCRIMINATION: During the term of this Agreement, Contractor shall not discriminate against any employee or applicant for an employment position to be used in the performance of the obligations of Contractor under this Agreement, with regard to race, color, religion, sex, age, ethnicity, national origin, sexual orientation or gender identity, disability, or veteran status.

SECTION M. CHOICE OF LAW: The interpretation and enforcement of this Agreement shall be governed by and construed in accordance with the laws of the State of New Mexico.

SECTION N. VENUE, FORUM NON-CONVENIENS, EXCLUSIVE STATE JURISDICTION: County and Contractor knowingly, voluntarily, intentionally, and irrevocably agree that any and all legal proceedings related to this Agreement, or to any rights or any relationship between the parties arising therefrom, shall be solely and exclusively initiated, filed, tried, and maintained in the First Judicial District Court of the State of New Mexico. County and Contractor each expressly and irrevocably waive any right otherwise provided by any applicable law to remove the matter to any other state or federal venue, consents to the jurisdiction of the First Judicial District Court of the State of New Mexico in any such legal proceeding, waives any objection it may have to the laying of the jurisdiction of any such legal proceeding. County and Contractor also agree that this term is a material inducement for each to enter this Agreement, and that both County and Contractor warrant and represent that each have had the opportunity to review this term with legal counsel.

SECTION O. WAIVER OF JURY TRIAL: In the event of any action or proceeding, (including without limitation, any claim, counterclaim, cross-claim or third party claim) arising out of or, relating to this Agreement, or the transaction contemplated by this Agreement, County and Contractor KNOWINGLY, VOLUNTARILY, INTENTIONALLY, AND IRREVOCABLY WAIVE ANY RIGHT TO A JURY TRIAL, and agree that a court shall determine and adjudicate all issues of law and fact with a jury trial being expressly waived. County and Contractor also agree that this waiver of a jury trial was a material inducement for each to enter this Agreement, and that both County and Contractor warrant and represent that each have had the opportunity to review this jury waiver with legal counsel.

SECTION P. INDEMNITY: Contractor shall indemnify, defend, and hold harmless County, its Council members, employees, agents, and representatives, from and against all liability, claims, demands, actions (legal or equitable), damages, losses, costs, or expenses, including attorney fees, of any kind or nature, to the extent that the liability, claims, demands, actions, damages, losses, costs, and expenses are caused by, or arise out of, the acts or omissions of the Contractor or Contractor's officers, employees, agents representatives, and subcontractors in the performance or breach of the Services under this Agreement.

SECTION Q. FORCE MAJEURE: Neither County nor Contractor shall be liable for any delay in the performance of this Agreement, nor for any other breach, nor for any loss or damage arising from uncontrollable forces such as fire, theft, storm, war, or any other force majeure that could not have been reasonably avoided by exercise of due diligence; provided, however, that the Party failing to perform shall (i) as soon as possible, inform the other Party of the occurrence of the circumstances preventing or delaying the performance of its obligations, and describe at a reasonable level of detail the circumstances causing such delay, and (ii) exert reasonable efforts to eliminate, cure, or overcome any of such causes and to resume performance of its Services with all possible speed. In such event, the non-performing Party may be excused from any further performance or observance of the obligation(s) so affected for as long as such circumstances prevail and such Party continues to use its best efforts to recommence performance or observance whenever and to whatever extent possible without delay.

SECTION R. NON-ASSIGNMENT: Contractor shall not assign this Agreement or any privileges or obligations herein and shall not novate this Agreement to another without the prior written consent of the County Manager.

SECTION S. LICENSES: Contractor shall maintain all required licenses including, without limitation, all necessary professional and business licenses, throughout the term of this Agreement. Contractor shall require and shall assure that all of Contractor's employees and subcontractors maintain all required licenses including, without limitation, all necessary professional and business licenses.

SECTION T. PROHIBITED INTERESTS: Contractor agrees that it presently has no interest and shall not acquire any interest, direct or indirect, which would conflict in any manner or degree with the performance of its services hereunder. Contractor further agrees that it shall not employ any person having such an interest to perform services under this Agreement. No County Council member or other elected official of County, or manager or employee of County shall solicit, demand, accept, or agree to accept, a gratuity or offer of employment contrary to Section 31-282 of the Los Alamos County Code.

SECTION U. TERMINATION:

1. **Generally**. The County Manager may terminate this Agreement with or without cause upon ten (10) days prior written notice to Contractor. Upon such termination, Contractor shall be paid for Services actually completed to the satisfaction of County at the rate set out in Section C. Contractor shall render a final report of the Services performed to the date of termination, and shall turn over to County originals of all materials prepared pursuant to this Agreement.
2. **Funding**. This Agreement shall terminate without further action by County on the first day of any County fiscal year for which funds to pay compensation hereunder are not appropriated by County Council. County shall make reasonable efforts to give Contractor at least ninety (90) days advance notice that funds have not been and are not expected to be appropriated for that purpose.

SECTION V. NOTICE: Unless otherwise provided in this Agreement, any notices required under this Agreement shall be made in writing. Notices shall be sent via 1) hand-delivery; 2) registered or certified mail; 3) a nationally recognized overnight courier service; or 4) electronic mail (with copy by mail or courier). All notices shall be sent to each party at the addresses set out in this section or any address later provided by such party in writing, with postage prepaid by the sender, and shall be deemed delivered upon hand delivery, verified proof of delivery by courier, or three (3) days after deposit in the United States Mail.

Albuquerque, New Mexico 87107

SECTION W. INVALIDITY OF PRIOR AGREEMENTS: This Agreement supersedes all prior contracts or agreements, either oral or written, that may exist between the parties with reference to the services described herein, and expresses the entire agreement and understanding between the parties with reference to said services. It cannot be modified or changed by any oral promise made by any person, officer, or employee, nor shall any written modification of it be binding on County until approved in writing by both authorized representatives of County and Contractor. In the event of any conflict between the terms, conditions, and provisions of this Agreement, and the terms, conditions and provisions of any exhibits or attachments, the terms, conditions and provisions of this Agreement shall control and take precedence.

SECTION X. NO IMPLIED WAIVERS: The failure of County to enforce any provision of this Agreement is not a waiver by County of the provisions, or of the right thereafter, to enforce any provision(s).

SECTION Y. SEVERABILITY: If any provision of this Agreement is held to be unenforceable for any reason: (i) such provision shall be reformed only to the extent necessary to make the intent of the language and purpose of the Agreement enforceable; and (ii) all other provisions of this Agreement shall remain in effect so long as the substantive purpose of the Agreement is possible.

SECTION Z. CAMPAIGN CONTRIBUTION DISCLOSURE FORM: A Campaign Contribution Disclosure Form was submitted as part of the Contractor's Response and is incorporated herein by reference for all purposes.

SECTION AA. LEGAL RECOGNITION OF ELECTRONIC SIGNATURES: Pursuant to NMSA 1978 § 14-16-7, this Agreement may be signed by electronic signature.

SECTION AB. DUPLICATE ORIGINAL DOCUMENTS: This document may be executed in two (2) counterparts, each of which shall be deemed an original.

SECTION AC. NEGOTIATED TERMS: This Agreement reflects negotiated terms between the parties, and each party has participated in the preparation of this Agreement with the opportunity to be represented by counsel, such that neither party shall be considered to be the drafter of this Agreement or any of its provisions for the purpose of any statute, case law, or rule of interpretation or construction that would or might cause any provision to be construed against the drafter of this Agreement.

IN WITNESS WHEREOF, the parties have executed this Agreement on the date(s) set forth opposite the signatures of their authorized representatives to be effective for all purposes on the date first written above.

7. Internet connectivity charges;
8. Any other reasonable costs directly associated with conducting business with County.
9. If reimbursement for lodging or airfare is sought and no receipt is furnished by Contractor showing the actual cost, the travel expense shall be deemed unreasonable and un-reimbursable.

Travel Expenses not allowed are as follows:

1. Entertainment; in-room movies, games, etc. and
2. Alcoholic beverages, mini bar refreshments or tobacco products.

CITY OF SANTA FE

The Purchasing Memo

Date: November 18, 2025

To: Governing Body, Finance Committee, and Public Works & Utilities Committee

From: Brian Moya, Fire Chief BRIAN MOYA

Via: Brian Moya, Fire Chief

Subject: Amendment No. 1 to Contract 3260064

Vendor Name: Life Extension Clinics, Inc. dba Life Scan Wellness Centers

Munis Vendor Number: 7906

ITEM AND ISSUE:

Fire Department respectfully requests your review and approval of Amendment No. 1 to the professional services contract, dated August 25, 2025 between the City of Santa Fe and Life Extension Clinics, Inc. dba Life Scan Wellness Centers to increase the amount of compensation by a total of $495,407.95. The City shall pay to the Contractor in full payment services satisfactorily performed at the rates per physical listed in the table below, such compensation not to exceed six hundred forty-five thousand seven hundred seventy-one dollars and twenty cents ($645,771.20) including gross receipts tax (8.1875%), as calculated in the table below:

Year	Amount Per Physical	Amount not to exceed	GRT	Total
2026	$665.00	$139,000.00	$11,380.63	$150,380.63
2027	$695.00	$145,300.00	$11,896.44	$157,196.44
2028	$730.00	$152,600.00	$12,494.13	$165,094.13
2029	$765.00	$160,000.00	$13,100.00	$173,100.00

Note: Base Exam amount does not include additional testing. Additional testing would incur the same percentage increase from year to year as the base amount. GRT is based on current price but may increase based on New Mexico legislation. Fluctuations in GRT do not increase the not-to-exceed amount of this Contract. Any agreement to reimburse Contractor for additional GRT would need to be agreed upon in writing by amendment.

CONTRACT NUMBER:

The FY26 Munis contract number is 3260064.

BACKGROUND AND SUMMARY:

The objective of the resultant contract is to implement a consistent, National Fire Protection Agency (NFPA) 1582-compliant medical monitoring program that improves firefighter wellness and reduces line-of-duty deaths and injuries. The Contractor shall provide baseline and annual medical examinations and evaluations that include a full range of diagnostics, screenings, and immunizations.

CITY OF SANTA FE, FIRE DEPARTMENT
AMENDMENT No. 1 TO
Contract # 3260064

Firefighter Physical Examinations

This AMENDMENT No. 1 (the "Amendment") amends the CITY OF SANTA FE PROFESSIONAL SERVICES CONTRACT, dated August 25, 2025 (the "Contract"), between the City of Santa Fe (the "City") and Life Extensions Clinics, Inc. D/B/A Life Scan Wellness Centers (the "Contractor"). The date of this Amendment shall be the date when it is executed by the City and the Contractor whichever occurs last.

RECITALS:

A. Under the terms of the Contract, Contractor has agreed to provide annual physical examinations to employees of the City's Fire Department.

B. Pursuant to Article 14 of the Contract, and for good and valuable consideration, the receipt and sufficiency of which are acknowledged by the parties, the City and the Contractor agree to the following Amendment:

Section 3. COMPENSATION.

Article 3, paragraph A of the Contract is amended to increase the amount of compensation by a total of $495,407.95 so that Article 3, paragraph A reads in its entirety as follows:

A. The City shall pay to the Contractor in full payment for services satisfactorily performed at the rates per physical listed in the table below, such compensation not to exceed six hundred forty-five thousand seven hundred seventy-one dollars and twenty cents ($645,771.20), including gross receipts tax

(8.1875%), as calculated in the table below.

Year	Amount Per Physical	Amount not to exceed	GRT	Total
2026	$665.00	$139,000.00	$11,380.63	$150,380.63
2027	$695.00	$145,300.00	$11,896.44	$157,196.44
2028	$730.00	$152,600.00	$12,494.13	$165,094.13
2029	$765.00	$160,000.00	$13,100.00	$173,100.00

Note: Base Exam amount does not include additional testing. Additional testing would incur the same percentage increase from year to year as the base amount. GRT is based on current price but may increase based on New Mexico legislation. Fluctuations in GRT do not increase the not-to-exceed amount of this Contract. Any agreement to reimburse Contractor for additional GRT would need to be agreed upon in writing by amendment.

C. Except as specifically provided in this Amendment, the Contract remains and shall remain in full force and effect, in accordance with its terms.

IN WITNESS WHEREOF, the parties have executed this Amendment No. 1 to the Contract as of the dates set forth below.

CITY OF SANTA FE

PROFESSIONAL SERVICES CONTRACT

THIS CONTRACT is made and entered into by and between the City of Santa Fe, New Mexico, hereinafter referred to as the "City," and Life Extension Clinics, Inc. D/B/A Life Scan Wellness Centers, hereinafter referred to as the "Contractor," and is effective as of the date set forth below upon which it is executed by the Parties.

RECITALS

WHEREAS, the Chief Procurement Officer of the City has made the determination that this Agreement is in accordance with the provisions of the New Mexico Procurement Code (NMSA 1978, 13-1-28 et seq.) pursuant to NMSA 1978, section 13-1-111; and

WHEREAS, the Contractor is one of such requisite and qualifications and is willing to engage with the City for professional services, in accordance with the terms and conditions hereinafter set out, and the Contractor understanding and consenting to the foregoing is willing to render such professional services as outlined in the Agreement; and

The City and the Contractor hereby agree as follows:

1. Scope of Work

The Contractor shall provide the following services-for the City:

The objective of the resultant contract is to implement a consistent, National First Protection Agency (NFPA) 1582-compliant medical monitoring program that improves firefighter wellness and reduces line-of-duty deaths and injuries. The Contractor shall provide baseline and annual medical examinations and evaluations that include a full range of diagnostics, screenings, and immunizations.

1. The physical examinations conducted by the contractor must adhere to the following standards:
   a. United States Occupational Safety and Health Administration (OSHA) Regulations (Standards 29 CFR).
   b. National Fire Protection Agency (NFPA) 1582 - 2018 Edition, Standard on Comprehensive Occupational Medical Program for Fire Departments which contains minimal standards for release to work.
   c. United States Department of Transportation (USDOT) 49 CFR 391.41-391.49 excluding drug and alcohol testing. A Medical Examiner's certificate (DOT Certification) shall be issued to each fire department employee and a copy must be provided to the SFFD's Medical Officer.

2. The contractor shall be able to provide onsite services, including all services required in the resultant contract.

3. The contractor will work with the SFFD Health & Safety Officer to ensure that all requirements of the resultant contract are met in a timely manner. This includes the daily

scheduling for annual physicals and all follow-ups. Annual firefighter physicals shall be done in agreement with the SFFD duty schedule in order to maintain continuous service to the community. The schedule will be agreed upon by both parties at least 30 days prior to the start date of annual physical testing with the intent to begin physicals as coordinated with the Health and Safety Officer of each calendar year.

4. Each firefighter annual physical shall consist of the following components:
   a. Components of the Annual Occupational Medical Evaluation of Members (NFPA 1582-18, 7.4)
      i. **Blood Testing {1582-18, 7.7.1}-** Blood tests shall be performed annually and will include the following:
         1. CBC with differential, RBC indices and morphology and platelet count.
         2. Electrolytes (N, K, Cl, HCO3 or CO2).
         3. Renal function (BUN, creatinine).
         4. Glucose.
         5. Liver function tests (ALT, AST, direct and indirect bilirubin, alkaline phosphatase).
         6. Total cholesterol, HDL, LDL and clinically useful lipid ratios (e.g., percent LDL) and triglycerides.
         7. Prostate specific antigen (PSA) after the age of 40 for positive family history, if African American or if otherwise clinically indicated. After the age of 50 for all other males.
         8. Thyroid function; TSH & free T4.
         9. The following additional tests can be offered as agreed between both party's on a year-to-year basis:
            - Vitamin D
            - Cortisol
            - Progesterone (female option)
            - Estrone (E1) (female option)
            - Estradiol (E2) (female option)
            - Testosterone

      ii. **Infectious Disease Screening and Immunizations (1582-18, 7.7.9)** The following infectious disease screenings and/or immunizations shall be provided, as indicated:
         1. Tuberculosis (TB) screening - baseline tuberculin blood test (interferon gamma release assay); subsequent tuberculosis screening to be performed annually by interferon gamma release assay or tuberculin skin testing using the tuberculin purified protein derivative (PPD). This is to be agreed upon annually between SFFD and selected vendor and guided by frequency according to CDC guidelines unless the member has a history of positive tuberculin screening test, in which case CDC guidelines for management and subsequent chest radiographic surveillance apply.
         2. Hepatitis C virus screening & antibody test - baseline and following occupational exposure.
         3. Hepatitis B virus vaccinations and titers - as specified in CDC guidelines; laboratory confirmation of immunity to be tested 1-2 months after completion of the vaccination 3 dose series.
         4. Tetanus/diphtheria/pertussis (Tdap) vaccine - can be given once to replace the Td booster every 10 years or the 5-year wound management Td dose.
         5. Measles, mumps and rubella (MMR) vaccine - in absence of documented immunity, two doses of MMR to be administered according to current immunization guidelines.
         6. Hepatitis A vaccine

7. Varicella vaccine - offered to all non-immune personnel
8. Influenza vaccine - offered to all personnel annually.
9. HIV screening - available to personnel upon their request.

iii. **Heavy Metal Evaluation (1582-18, 7.7.12}**

1. 7.7.12.1 Baseline testing for heavy metals shall be required when indicated by known exposure or substantial risk.
2. 7.7.12.2 Evaluations shall be performed following known exposures, for recurrent exposures or where required under federal, state or provincial regulations.

iv. **Urine Laboratory Testing (1582-18, 7.7.2)-** Urine lab tests required shall be performed annually and include the following:

1. Dipstick analysis for glucose, ketones, leukocyte esterase, protein, blood and bilirubin.
2. Microscopic analysis for RBC, WBC, casts and crystals if indicated by dipstick analysis results.
3. Analysis for occupational chemical exposure if indicated

v. **Audiology Testing (1582-18, 7.7.3)** Hearing thresholds shall be assessed annually in each ear at each of the following frequencies:

1. 500 Hz
2. 1000 Hz
3. 2000 Hz
4. 3000 Hz
5. 4000 Hz
6. 6000 Hz
7. 8000 Hz

Audiology testing shall compare audiogram results obtained during the yearly evaluations with baseline and subsequent test results. Standard threshold shifts shall be corrected for age as permitted by OSHA.

vi. **Vision Testing.** Ishihara, color and depth perception.

vii. Electrocardiograms (ECGs) {1582-18, 7.7.6)

1. 7.7.6.1 A resting 12-lead ECG shall be performed as part of the baseline medical evaluation and shall be performed annually.

2.7.7.6.2 Evaluations shall compare baseline to subsequent ECGs.

viii. **Spirometry (1582-18, 7.7.4)** Pulmonary function testing shall be conducted annually to measure the following components:

1. Forced vital capacity (FVC).
2. Forced expiratory volume in 1.0 seconds (FEVl).
3. FVC and FEVl ratio.

ix. Cancer Screenings (1582-18, 7.7.13 through 7.7.20)

Contractor shall annually inform members of the heightened risks of cardiovascular disease and various types of cancer associated with firefighting. In addition to medical screening, contractor shall also provide ultrasound imaging to include, at a minimum:

1. Carotid arteries
2. Echocardiogram (heart with function)
3. Aorta and aortic valves
4. Thyroid
5. Internal Organs - liver, pancreas, gall bladder, kidneys and spleen
6. Bladder
7. Testicular and prostate - Men
8. Ovaries and uterus - Women

x. **Physical Exam and Consultation (1582-18, 7.6)** The annual physical examination shall include each of the following components:

1. Vital signs
2. Head, eyes, ears, nose and throat (HEENT)
3. Neck
4. Cardiovascular
5. Pulmonary
6. Breast
7. GI
8. Genitourinary
9. Hernia
10. Lymph nodes
11. Neurological
12. Musculoskeletal
13. Skin (including cancer screening).
14. Vision

xi. **Chest Radiograph (1582-18, 7.7.5)** Chest x-rays shall include an initial baseline and shall be repeated as medically indicated. Evaluator shall compare any chest radiographs with baseline and subsequent radiographs.

xii. Medical Record Keeping (1582-18, 4.1.13)

The fire department comprehensive occupational medical program shall include collection and maintenance of a confidential medical and health information system for members. All medical record keeping shall comply with the requirements of 29 CFR 1910.1020, "Access to employee exposure and medical records," and other applicable regulations and laws. This database shall include any follow-up or additional fitness and/or medical testing performed outside of these guidelines. The information shall be maintained as part of an individual's comprehensive medical record. The contractor shall be responsible for archiving these additional records as a part of each employee's confidential medical file.

xiii. Reporting and Contractor Responsibilities (1582-18, 4.2)

a. The City of Santa Fe and the contractor shall maintain complete and accurate testing records on each City employee, including, but not limited to, annual requirements for specific tests. A "Fit for Duty" certificate will be provided to SFFD for each employee on an annual basis. Both parties shall comply with HIPPA. The SFFD shall also receive from the contractor an aggregate report on the data collected during the annual physicals which describes the overall health of the fire department. Each fire department member shall receive a copy of the information gathered during their annual physical, including interpretive data.
b. Contractor shall understand the physiological, psychological, and environmental demands placed on fire fighters.
c. Evaluate fire department candidates and members to identify medical conditions that could affect their ability to safely respond to and participate in emergency operations.
d. Utilize the essential job task descriptions supplied by the fire department to determine a candidate's or a member's medical certification.
e. Report the results of the medical evaluation to the current member, including any medical condition(s) identified during the medical evaluation, and the recommendation as to whether the current member is medically certified to safely perform the essential tasks.
f. Forward copies of any abnormal results along with patient instructions regarding primary care follow-up to current members who were instructed to seek (as appropriate) medical follow-up to address any medical conditions, or lab abnormalities, identified during the medical evaluation.

g. Provide SFFD with written medical clearance for everyone to perform emergency response service in compliance with NFPA 1582-18.
h. Provide SFFD with written respiratory protection clearance for everyone to wear positive and negative pressure respiratory protection in compliance with OSHA respiratory protection standard, 29 CFR 1910.134.
i. Provide SFFD with a Medical Examiner's Certificate (DOT Certification) for each fire department employee in compliance with United States Dept. of Transportation 49 CFR 391.41-391.49.

2. Standard of Performance; Licenses

A. The Contractor does hereby accept its designation as a professional service, rendering services related to health screening for the City, as set forth in this Agreement. The Contractor represents that Contractor possesses the personnel, experience, and knowledge necessary to perform the services described under this Contract.

B. The Contractor agrees to obtain and maintain throughout the term of this Contract, all applicable professional and business licenses required by law, for itself, its employees, agents, representatives, and subcontractors.

3. Compensation

A. The City shall pay to the Contractor in full payment for services satisfactorily performed at the rate of six hundred sixty five dollars ($665.00) per physical, such compensation not to exceed one hundred thirty nine thousand dollars, ($139,000.00), excluding gross receipts tax. The New Mexico gross receipts tax levied on the amounts payable under this Agreement totaling $11,363.25 shall be paid by the City to the Contractor at the rate of 8.1875%. **The total amount payable to the Contractor under this Agreement, including gross receipts tax and expenses, shall not exceed $150,363.25**

B. Payment. The total compensation under this Agreement shall not exceed [$139,000.00] excluding New Mexico gross receipts tax. **PLEASE NOTE NO PROPERTY TAX WILL BE PAID TO THE CONTRACTOR BY THE City. This amount is a maximum and not a guarantee that the work assigned to be performed by Contractor under this Agreement shall equal the amount stated herein. The Parties do not intend for the Contractor to continue to provide Services without compensation when the total compensation amount is reached. Contractor is responsible for notifying the City when the Services provided under this Agreement reach the total compensation amount. In no event will the Contractor be paid for Services provided in excess of the total compensation amount without this Agreement being amended in writing prior to services, in excess of the total compensation amount being provided.**

C. Payment shall be made upon Acceptance of each Deliverable and upon the receipt and Acceptance of a detailed, certified Payment Invoice. Payment will be made to the Contractor's designated mailing address. In accordance with Section 13-1-158 NMSA 1978, payment shall be tendered to the Contractor within thirty (30) days of the date of written certification of Acceptance. All Payment Invoices MUST BE received by the City no later than fifteen (15) days after the termination of this Agreement. Payment Invoices received after such date WILL NOT BE PAID.

D. **Notice of Extended Payment Provision For Grant Funded Contracts**. This contract allows the owner to make payment within 45 days after submission of an undisputed request for payment.

4. Term

THIS CONTRACT SHALL NOT BECOME EFFECTIVE UNTIL APPROVED BY THE CITY. This Contract shall terminate **four (4) years from date of final signature** unless terminated pursuant to paragraph 5 (Termination) and paragraph 6 (Appropriations).

5. Termination

A. Grounds. The City may terminate this Agreement for convenience or cause. For contracts within their authority, the City Manager or their designee is authorized to provide the notice of termination, otherwise such notice of termination shall be provided by the Mayor or their designee as authorized by the Governing Body. The Contractor may only terminate this Agreement based upon the City's uncured, material breach of this Agreement.

B. Notice; City Opportunity to Cure.

1) The City shall give Contractor written notice of termination at least thirty (30) days prior to the intended date of termination.

2) Contractor shall give City written notice of termination at least thirty (30) days prior to the intended date of termination, which notice shall (i) identify all the City's material breaches of this Agreement upon which the termination is based and (ii) state what the City must do to cure such material breaches. Contractor's notice of termination shall only be effective (i) if the City does not cure all material breaches within the thirty (30) day notice period or (ii) in the case of material breaches that cannot be cured within thirty (30) days, the City does not, within the thirty (30) day notice period, notify the Contractor of its intent to cure and begin with due diligence to cure the material breach.

3) Notwithstanding the foregoing, this Agreement may be terminated immediately upon written notice to the Contractor (i) if the Contractor becomes unable to perform the services contracted for, as determined by the City; (ii) if, during the term of this Agreement, the Contractor is suspended or debarred by the City; or (iii) the Agreement is terminated pursuant to Paragraph 6, "Appropriations", of this Agreement.

C. Liability. Except as otherwise expressly allowed or provided under this Agreement, the City's sole liability upon termination shall be to pay for acceptable work performed prior to the Contractor's receipt or issuance of a notice of termination; provided, however, that a notice of termination shall not nullify or otherwise affect either party's liability for pre-termination defaults under or breaches of this Agreement. The Contractor shall submit an invoice for such work within thirty (30) days of receiving or sending the notice of termination. *THIS PROVISION IS NOT EXCLUSIVE AND DOES NOT WAIVE THE CITY'S OTHER LEGAL RIGHTS AND REMEDIES CAUSED BY THE CONTRACTOR'S DEFAULT/BREACH OF THIS AGREEMENT.*

6. Appropriations

The terms of this Contract are contingent upon sufficient appropriations and authorization being made by the Governing Body for the performance of this Contract. If sufficient appropriations and authorization are not made by the Governing Body, this Contract shall terminate immediately upon written notice being given by the City to the Contractor. The City's decision as to whether sufficient appropriations are available shall be accepted by the Contractor and shall be final. If the City proposes an amendment to the Contract to unilaterally reduce funding, the Contractor shall have the option to terminate the Contract or to agree to the reduced funding, within thirty (30) days of receipt of the proposed amendment.

7. Status of Contractor

The Contractor and its agents and employees are independent contractors performing professional services for the City and are not employees of the City. The Contractor and its agents and employees shall not accrue leave, retirement, insurance, bonding, use of City vehicles, or any other benefits afforded to employees of the City as a result of this Contract. The Contractor acknowledges that all sums received hereunder are reportable by the Contractor for tax purposes, including without limitation, self-employment and business income tax. The Contractor agrees not to purport to bind the City unless the Contractor has express written authority to do so, and then only within the strict limits of that authority.

8. Assignment

The Contractor shall not assign or transfer any interest in this Contract or assign any claims for money due or to become due under this Contract without the prior written approval of the City.

9. Subcontracting

The Contractor shall not subcontract any portion of the services to be performed under this Contract without the prior written approval of the City. No such subcontract shall relieve the primary Contractor from its obligations and liabilities under this Contract, nor shall any subcontract obligate direct payment from the City.

10. Release

Final payment of the amounts due under this Contract shall operate as a release of the City, its officers and employees from all liabilities, claims and obligations whatsoever arising from or under this Contract.

11. Confidentiality

Any confidential information provided to or developed by the Contractor in the performance of this Contract shall be kept confidential and shall not be made available to any individual or organization by the Contractor without the prior written approval of the City.

12. Product of Service – Copyright

All materials developed or acquired by the Contractor under this Contract shall become the property of the City and shall be delivered to the City no later than the termination date of this Contract. Nothing developed or produced, in whole or in part, by the Contractor under this Contract shall be the subject of an application for copyright or other claim of ownership by or on behalf of the Contractor.

13. Conflict of Interest; Governmental Conduct Act

A. The Contractor represents and warrants that it presently has no interest and, during the term of this Contract, shall not acquire any interest, direct or indirect, which would conflict in any manner or degree with the performance or services required under the Contract.

B. The Contractor further represents and warrants that it has complied with, and, during the term of this Contract, will continue to comply with, and that this Contract complies with all applicable provisions of the Governmental Conduct Act, Chapter 10, Article 16 NMSA 1978.

C. Contractor's representations and warranties in Paragraphs A and B of this Article are material representations of fact upon which the City relied when this Contract was entered into by the parties. Contractor shall provide immediate written notice to the City if, at any time during the term of this Contract, Contractor learns that Contractor's representations and warranties in Paragraphs A and B of this

Article were erroneous on the effective date of this Contract or have become erroneous by reason of new or changed circumstances. If it is later determined that Contractor's representations and warranties in Paragraphs A and B of this Article were erroneous on the effective date of this Contract or have become erroneous by reason of new or changed circumstances, in addition to other remedies available to the City and notwithstanding anything in the Contract to the contrary, the City may immediately terminate the Contract.

D. All terms defined in the Governmental Conduct Act have the same meaning in this section.

14. Amendment

A. This Agreement shall not be altered, changed, or amended except by instrument in writing executed by the parties hereto and all other required signatories.

B. If the City proposes an amendment to the Contract to unilaterally reduce funding due to budget or other considerations, the Contractor shall, within thirty (30) days of receipt of the proposed Amendment, have the option to terminate the Contract, pursuant to the termination provisions as set forth in Article 4 herein, or to agree to the reduced funding.

15. Entire Agreement.

This Agreement, together with any other documents incorporated herein by reference and all related Exhibits and Schedules constitutes the sole and entire agreement of the Parties with respect to the subject matter of this Agreement, and supersedes all prior and contemporaneous understandings, agreements, representations, and warranties, both written and oral, with respect to the subject matter. In the event of any inconsistency between the statements in the body of this Agreement, and the related Exhibits and Schedules, the statements in the body of this Agreement shall control.

16. Merger

This Contract incorporates all the Agreements, covenants and understandings between the parties hereto concerning the subject matter hereof, and all such covenants, agreements, and understandings have been merged into this written contract.

All terms and conditions of the **RFP 25160** and the Contractor's response to such document(s) are incorporated herein by reference and is included in the order of precedence.

No prior Agreement or understanding, oral or otherwise, of the parties or their agents shall be valid or enforceable unless embodied in this Contract.

17. Penalties for violation of law

NMSA 1978, sections 13-1-28 through 13-1-199, imposes civil and criminal penalties for its violation. In addition, the New Mexico criminal statutes impose felony penalties for illegal bribes, gratuities, and kickbacks.

18. Equal Opportunity Compliance

The Contractor agrees to abide by all federal and state laws and rules and regulations, and Santa Fe City Code, pertaining to equal employment opportunity. In accordance with all such laws of the State of New Mexico, the Contractor assures that no person in the United States shall, on the grounds of race, religion, color, national origin, ancestry, sex, age, physical or mental handicap, or serious medical condition, spousal affiliation, sexual orientation or gender identity, be excluded from employment with or participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity performed under this Contract. If

Contractor is found not to be in compliance with these requirements during the life of this Contract, Contractor agrees to take appropriate steps to correct these deficiencies.

19. Applicable Law

The laws of the State of New Mexico shall govern this Contract, without giving effect to its choice of law provisions. Venue shall be proper only in a New Mexico court of competent jurisdiction in accordance with NMSA 1978, section 38-3-2. By execution of this Contract, Contractor acknowledges and agrees to the jurisdiction of the courts of the State of New Mexico over any and all lawsuits arising under or out of any term of this Contract.

20. Workers Compensation

The Contractor agrees to comply with state laws and rules applicable to workers compensation benefits for its employees. If the Contractor fails to comply with the Workers Compensation Act and applicable rules when required to do so, this Contract may be terminated by the City.

21. Professional Liability Insurance

Contractor shall maintain professional liability insurance throughout the term of this Contract providing a minimum coverage in the amount required under the New Mexico Tort Claims Act. The Contractor shall furnish the City with proof of insurance of Contractor's compliance with the provisions of this section as a condition prior to performing services under this Contract.

22. Other Insurance

If the services contemplated under this Contract will be performed on or in City facilities or property, Contractor shall maintain in force during the entire term of this Contract, the following insurance coverage(s), naming the City as additional insured.

A. **Commercial General Liability** insurance shall be written on an occurrence basis and be a broad as ISO Form CG 00 01 with limits not less than $2,000,000 per occurrence and $2,000,000 in the aggregate for claims against bodily injury, personal and advertising injury, and property damage. Said policy shall include broad form Contractual Liability coverage and be endorsed to name the City of Santa Fe their officials, officers, employees, and agents as additional insureds.

B. **Business Automobile Liability** insurance for all owned, non-owned automobiles, with a combined single limit not less than $1,000,000 per accident.

C. **Broader Coverage and Limits**. The insurance requirements under this Contract shall be the greater of (1) the minimum coverage and limits specified in this Contract, or (2) the broader coverage and maximum limits of coverage of any insurance policy or proceeds available to the Named Insured. It is agreed that these insurance requirements shall not in any way act to reduce coverage that is broader or that includes higher limits than the minimums required herein. No representation is made that the minimum insurance requirements of this Contract are sufficient to cover the obligations of Contractor hereunder.

D. Contractor shall maintain the above insurance for the term of this Contract and name the City as an additional insured and provide for 30 days cancellation notice on any Certificate of Insurance form furnished by Contractor. Such certificate shall also specifically state the coverage provided under the policy is primary over any other valid and collectible insurance and provide a waiver of subrogation.

23. Records and Financial Audit

The Contractor shall maintain detailed time and expenditure records that indicate the date; time, nature and cost of services rendered during the Contract's term and effect and retain them for a period of three (3) years from the date of final payment under this Contract. The records shall be subject to inspection by the City. The City shall have the right to audit billings both before and after payment. Payment under this Contract shall not foreclose the right of the City to recover excessive or illegal payments.

24. Indemnification

The Contractor shall defend, indemnify and hold harmless the City from all actions, proceeding, claims, demands, costs, damages, attorneys' fees and all other liabilities and expenses of any kind from any source which may arise out of the performance of this Contract, caused by the negligent act or failure to act of the Contractor, its officers, employees, servants, subcontractors or agents, or if caused by the actions of any client of the Contractor resulting in injury or damage to persons or property during the time when the Contractor or any officer, agent, employee, servant or subcontractor thereof has or is performing services pursuant to this Contract. If any action, suit or proceeding related to the services performed by the Contractor or any officer, agent, employee, servant or subcontractor under this Contract is brought against the Contractor, the Contractor shall, as soon as practicable but no later than two (2) days after it receives notice thereof, notify the legal counsel of the City.

25. New Mexico Tort Claims Act

Any liability incurred by the City of Santa Fe in connection with this Contract is subject to the immunities and limitations of the New Mexico Tort Claims Act, Section 41-4-1, et. seq. NMSA 1978, as amended. The City and its "public employees" as defined in the New Mexico Tort Claims Act, do not waive sovereign immunity, do not waive any defense and do not waive any limitation of liability pursuant to law. No provision in this Contract modifies or waives any provision of the New Mexico Tort Claims Act.

26. Invalid Term or Condition

If any term or condition of this Contract shall be held invalid or unenforceable, the remainder of this Contract shall not be affected and shall be valid and enforceable.

27. Enforcement of Contract

A party's failure to require strict performance of any provision of this Contract shall not waive or diminish that party's right thereafter to demand strict compliance with that or any other provision. No waiver by a party of any of its rights under this Contract shall be effective unless express and in writing, and no effective waiver by a party of any of its rights shall be effective to waive any other rights.

28. Notices

Any notice required to be given to either party by this Contract shall be in writing and shall be delivered in person, by courier service or by U.S. mail, either first class or certified, return receipt requested, postage prepaid, as follows:

To the City: Sten Johnson, Assistant Fire Chief, PO Box 909, Santa Fe, NM 87504, sajohnson@santafenm.gov

To the Contractor: Todd LeDuc, CEO, 1011 North MacDill Avenue, Tampa, FL 33607, todd.leduc@lifescanwellness.com

29. Authority

If Contractor is other than a natural person, the individual(s) signing this Contract on behalf of Contractor represents and warrants that he or she has the power and authority to bind Contractor, and that no further action, resolution, or approval from Contractor is necessary to enter a binding contract.

30. Non-Collusion

In signing this Agreement, the Contractor certifies the Contractor has not, either directly or indirectly, entered into action in restraint of free competitive bidding in connection with this offer submitted to the City's Chief Procurement Officer.

31. Default/Breach

In case of Default and/or Breach by the Contractor, for any reason whatsoever, the City may procure the goods or services from another source and hold the Contractor responsible for any resulting excess costs and/or damages, including but not limited to, direct damages, indirect damages, consequential damages, special damages, and the City may also seek all other remedies under the terms of this Agreement and under law or equity.

32. Equitable Remedies

The Contractor acknowledges that its failure to comply with any provision of this Agreement will cause the City irrevocable harm and that a remedy at law for such a failure would be an inadequate remedy for the City, and the Contractor consents to the City 's obtaining from a court of competent jurisdiction, specific performance, or injunction, or any other equitable relief in order to enforce such compliance. The City's rights to obtain equitable relief pursuant to this Agreement shall be in addition to, and not in lieu of, any other remedy that the City may have under applicable law, including, but not limited to, monetary damages.

33. Default and Force Majeure

The City reserves the right to cancel all, or any part of any orders placed under this Agreement without cost to the City, if the Contractor fails to meet the provisions of this Agreement and, except as otherwise provided herein, to hold the Contractor liable for any excess cost occasioned by the City due to the Contractor's default. The Contractor shall not be liable for any excess costs if failure to perform the order arises out of causes beyond the control and without the fault or negligence of the Contractor; such causes include, but are not restricted to, acts of God or the public enemy, acts of the State or Federal Government, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, unusually severe weather and defaults of subcontractors due to any of the above, unless the City shall determine that the supplies or services to be furnished by the subcontractor were obtainable from other sources in sufficient time to permit the Contractor to meet the required delivery scheduled. The rights and remedies of the City provided in this Clause shall not be exclusive and are in addition to any other rights now being provided by law or under this Agreement.

IN WITNESS WHEREOF, the Parties have executed this Contract as of the date of the signature by the required approval authorities below.

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

WAIVER OF TRANSFER OF RIGHTS OF RECOVERY AGAINST OTHERS

This endorsement modifies insurance provided under the following:

BUSINESS AUTO COVERAGE FORM

With respect to coverage provided by this endorsement, the provisions of the Coverage Form apply unless modified by the endorsement.

SCHEDULE

Name(s) Of Person(s) Or Organization(s):	
Any person or organization you are required to include on this policy by written contract or written agreement in effect during this policy period and executed prior to the "loss".	
Additional Premium	$ Included

Section IV – Business Auto Conditions, A. Loss Conditions, 5., Transfer Of Rights Of Recovery Against Others To Us does not apply to the person(s) or organization(s) shown in the Schedule, but only to the extent that subrogation is waived prior to the "accident" or the "loss" under a written contract or written agreement with that person or organization.

We will retain the additional premium shown above, regardless of any early termination of this endorsement of this Policy.

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

THE HARTFORD

BLANKET ADDITIONAL INSURED BY CONTRACT

This endorsement modifies insurance provided under the following:

BUSINESS LIABILITY COVERAGE FORM

Except as otherwise stated in this endorsement, the terms and conditions of the Policy apply.

A. The following is added to Section **C. WHO IS AN INSURED**:

Additional Insureds When Required By Written Contract, Written Agreement Or Permit

The person(s) or organization(s) identified in Paragraphs **a.** through **f.** below are additional insureds when you have agreed, in a written contract or written agreement, or when required by a written permit issued by a state or governmental agency or subdivision or political subdivision that such person or organization be added as an additional insured on your Coverage Part, provided the injury or damage occurs subsequent to the execution of the contract or agreement, or the issuance of the permit.

A person or organization is an additional insured under this provision only for that period of time required by the contract, agreement or permit.

However, no such person or organization is an additional insured under this provision if such person or organization is included as an additional insured by any other endorsement issued by us and made a part of this Coverage Part.

The insurance afforded to such additional insured will not be broader than that which you are required by the contract, agreement, or permit to provide for such additional insured.

The insurance afforded to such additional insured only applies to the extent permitted by law.

The limits of insurance that apply to additional insureds are described in Section **D. LIABILITY AND MEDICAL EXPENSES LIMITS OF INSURANCE**. How this insurance applies when other insurance is available to an additional insured is described in the Other Insurance Condition in Section **E. LIABILITY AND MEDICAL EXPENSES GENERAL CONDITIONS**.

a. Vendors

Any person(s) or organization(s) (referred to below as vendor), but only with respect to "bodily injury" or "property damage" arising out of "your products" which are distributed or sold in the regular course of the vendor's business and only if this Coverage Part provides coverage for "bodily injury" or "property damage" included within the "products-completed operations hazard".

(1) The insurance afforded to the vendor is subject to the following additional exclusions:

This insurance does not apply to:

(a) "Bodily injury" or "property damage" for which the vendor is obligated to pay damages by reason of the assumption of liability in a contract or agreement. This exclusion does not apply to liability for damages that the vendor would have in the absence of the contract or agreement;

(b) Any express warranty unauthorized by you;

(c) Any physical or chemical change in the product made intentionally by the vendor;

(d) Repackaging, except when unpacked solely for the purpose of inspection, demonstration, testing, or the substitution of parts under instructions from the manufacturer, and then repackaged in the original container;

(e) Any failure to make such inspections, adjustments, tests or servicing as the vendor has agreed to make or normally undertakes to make in the usual course of business, in connection with the distribution or sale of the products;

(f) Demonstration, installation, servicing or repair operations, except such operations performed at the vendor's premises in connection with the sale of the product;

© 2021, The Hartford
(May include copyrighted material of Insurance Services Office, Inc., with its permission)

(g) Products which, after distribution or sale by you, have been labeled or relabeled or used as a container, part or ingredient of any other thing or substance by or for the vendor; or

(h) "Bodily injury" or "property damage" arising out of the sole negligence of the vendor for its own acts or omissions or those of its employees or anyone else acting on its behalf. However, this exclusion does not apply to:

(i) The exceptions contained in Paragraphs **(d)** or **(f)**; or

(ii) Such inspections, adjustments, tests or servicing as the vendor has agreed to make or normally undertakes to make in the usual course of business, in connection with the distribution or sale of the products.

(2) This insurance does not apply to any insured person or organization from whom you have acquired such products, or any ingredient, part or container, entering into, accompanying or containing such products.

b. Lessors Of Equipment

(1) Any person or organization from whom you lease equipment; but only with respect to their liability for "bodily injury", "property damage" or "personal and advertising injury" caused, in whole or in part, by your maintenance, operation or use of equipment leased to you by such person or organization.

(2) With respect to the insurance afforded to these additional insureds, this insurance does not apply to any "occurrence" which takes place after you cease to lease that equipment.

c. Lessors Of Land Or Premises

(1) Any person or organization from whom you lease land or premises, but only with respect to liability arising out of the ownership, maintenance or use of that part of the land or premises leased to you.

(2) With respect to the insurance afforded to these additional insureds, this insurance does not apply to:

(a) Any "occurrence" which takes place after you cease to lease that land or be a tenant in that premises; or

(b) Structural alterations, new construction or demolition operations performed by or on behalf of such person or organization.

d. Architects, Engineers Or Surveyors

(1) Any architect, engineer, or surveyor, but only with respect to liability for "bodily injury", "property damage" or "personal and advertising injury" caused, in whole or in part, by your acts or omissions or the acts or omissions of those acting on your behalf:

(a) In connection with your premises;

(b) In the performance of your ongoing operations performed by you or on your behalf; or

(c) In connection with "your work" and included within the "products-completed operations hazard", but only if:

(i) The written contract, written agreement or permit requires you to provide such coverage to such additional insured; and

(ii) This Coverage Part provides coverage for "bodily injury" or "property damage" included within the "products-completed operations hazard".

(2) With respect to the insurance afforded to these additional insureds, the following additional exclusion applies:

This insurance does not apply to "bodily injury", "property damage" or "personal and advertising injury" arising out of the rendering of or the failure to render any professional services, including:

(i) The preparing, approving, or failure to prepare or approve, maps, shop drawings, opinions, reports, surveys, field orders, change orders, designs or drawings and specifications; or

(ii) Supervisory, surveying, inspection, architectural or engineering activities.

This exclusion applies even if the claims allege negligence or other wrongdoing in the supervision, hiring, employment, training or monitoring of others by an insured, if the "bodily injury", "property

© 2021, The Hartford
(May include copyrighted material of Insurance Services Office, Inc., with its permission)

damage", or "personal and advertising injury" arises out of the rendering of or the failure to render any professional service.

e. State Or Governmental Agency Or Subdivision Or Political Subdivision Issuing Permit

(1) Any state or governmental agency or subdivision or political subdivision, but only with respect to operations performed by you or on your behalf for which the state or governmental agency or subdivision or political subdivision has issued a permit.

(2) With respect to the insurance afforded to these additional insureds, this insurance does not apply to:

(a) "Bodily injury", "property damage" or "personal and advertising injury" arising out of operations performed for the federal government, state or municipality; or

(b) "Bodily injury" or "property damage" included within the "products-completed operations hazard".

f. Any Other Party

(1) Any other person or organization who is not in one of the categories or classes listed above in Paragraphs **a.** through **e.** above, but only with respect to liability for "bodily injury", "property damage" or "personal and advertising injury" caused, in whole or in part, by your acts or omissions or the acts or omissions of those acting on your behalf:

(a) In the performance of your ongoing operations performed by you or on your behalf;

(b) In connection with your premises owned by or rented to you; or

(c) In connection with "your work" and included within the "products-completed operations hazard", but only if:

(i) The written contract, written agreement or permit requires you to provide such coverage to such additional insured; and

(ii) This Coverage Part provides coverage for "bodily injury" or "property damage" included within the "products-completed operations hazard".

(2) With respect to the insurance afforded to these additional insureds, the following additional exclusion applies:

This insurance does not apply to "bodily injury", "property damage" or "personal and advertising injury" arising out of the rendering of, or the failure to render, any professional architectural, engineering or surveying services, including:

(a) The preparing, approving, or failure to prepare or approve, maps, shop drawings, opinions, reports, surveys, field orders, change orders, designs or drawings and specifications; or

(b) Supervisory, surveying, inspection, architectural or engineering activities.

This exclusion applies even if the claims allege negligence or other wrongdoing in the supervision, hiring, employment, training or monitoring of others by an insured, if the "bodily injury", "property damage", or "personal and advertising injury" arises out of the rendering of or the failure to render any professional service described in Paragraphs **f.(2)(a)** or **f.(2)(b)** above.

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

NOTICE OF CANCELLATION TO CERTIFICATE HOLDER(S)

This policy is subject to the following additional Conditions:

A. If this policy is cancelled by the Company, other than for non-payment of premium, notice of such cancellation will be provided at least thirty (30) days in advance of the cancellation effective date to the certificate holder(s) with mailing addresses on file with the agent of record or the Company.

B. If this policy is cancelled by the company for non-payment of premium, or by the insured, notice of such cancellation will be provided within ten (10) days of the cancellation effective date to the certificate holder(s) with mailing addresses on file with the agent of record or the Company.

If notice is mailed, proof of mailing to the last known mailing address of the certificate holder(s) on file with the agent of record or the Company will be sufficient proof of notice.

Any notification rights provided by this endorsement apply only to active certificate holder(s) who were issued a certificate of insurance applicable to this policy's term.

Failure to provide such notice to the certificate holder(s) will not amend or extend the date the cancellation becomes effective, nor will it negate cancellation of the policy. Failure to send notice shall impose no liability of any kind upon the Company or its agents or representatives.

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

ADDITIONAL INSURED – SCHEDULED

This endorsement modifies insurance provided under the following:

BUSINESS AUTO COVERAGE FORM

With respect to coverage provided by this endorsement the provisions of the Coverage Form apply unless modified by the endorsement.

SCHEDULE

Name Of Additional Insured Person(s) Or Organization(s):
Any person or organization you are required to include as an additional insured on this policy by written contract or written agreement in effect during this policy period and executed prior to the "loss".

A. SECTION II – COVERED AUTOS LIABILITY COVERAGE, A. Coverage, 1. Who Is An Insured is amended to include as an "insured" the person(s) or organization(s) shown in the Schedule, but only with respect to their liability for "bodily injury" or "property damage" to which this insurance applies, caused in whole or in part, by an "accident" resulting from the ownership, maintenance or use of a covered "auto".

However, the insurance afforded to such "insured":

1. Only applies to the extent permitted by law; and
2. If coverage provided to the "insured" is required by a contract or agreement, the insurance afforded to such "insured" will not be broader than that which you are required by contract or agreement to provide such "insured".

B. SECTION II - COVERED AUTOS LIABILITY COVERAGE, B. Exclusions is amended to include:

This insurance does not apply to:

"Bodily injury" or "property damage" for which the Person(s) or Organization(s) shown in the Declarations or Schedule is obligated to pay damages by reason of the assumption of liability in a contract or agreement

C. SECTION II – COVERED AUTOS LIABILITY COVERAGE, C. Limits Of Insurance is amended to include:

The most we will pay on behalf of the "insured" shown in the Schedule is the amount of insurance:

1. Required by the contract or agreement you have entered into with the "insured"; or
2. Available under the applicable Limits of Insurance shown in the Declarations;

whichever is less.

This endorsement shall not increase the applicable Limits of Insurance shown in the Declarations.

ALL OTHER TERMS AND CONDITIONS OF THE POLICY REMAIN UNCHANGED.

© 2021 MSIG Holdings (U.S.A.), Inc.
All rights reserved Includes copyrighted material of Insurance Services Office, Inc., with its permission.

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

THE HARTFORD

AMENDMENT OF OTHER INSURANCE CONDITION - PRIMARY OR PRIMARY AND NON-CONTRIBUTORY WHEN REQUIRED BY WRITTEN CONTRACT OR WRITTEN AGREEMENT

This endorsement modifies insurance provided under the following:

UMBRELLA LIABILITY SUPPLEMENTAL POLICY

Except as otherwise stated in this endorsement, the terms and conditions of the Supplemental Policy apply.

A. The following is added to Section **C. WHO IS AN INSURED**:

Any person or organization with whom you agreed, because of a written contract, written agreement or because of a permit issued by a state or political subdivision, to provide insurance such as is afforded under this Supplemental Policy, but only with respect to your operations, "your work" or facilities owned or used by you.

a. This provision does not apply:

(1) Unless the written contract or written agreement has been executed, or the permit has been issued prior to the "bodily injury", "property damage", or "personal and advertising injury"; and

(2) Unless the limits of liability specified in such written contract, written agreement or permit are greater than the limits shown for "underlying insurance"; or

(3) Beyond the period of time required by the written contract or written agreement.

b. In no event shall any coverage afforded to any such person or organization apply to any claim or "suit" to which "underlying insurance" does not apply. Coverage provided by this Supplemental Policy for any such additional insured will follow the provisions, exclusions and limitations of the "underlying insurance".

B. Solely as with respect to the insurance afforded to any person or organization qualifying as an additional insured under Section **A.** above, Paragraph **7. Other Insurance** in Section **E. CONDITIONS** is deleted and replaced by the following:

7. Other Insurance

a. This Supplemental Policy shall apply in excess of all "underlying insurance" whether or not valid and collectible. It shall also apply in excess of other valid and collectible insurance (except other insurance purchased specifically to apply in excess of this insurance) which also applies to any loss for which insurance is provided by this Supplemental Policy.

These excess provisions apply, whether such other insurance is stated to be:

(1) Primary;

(2) Contributing;

(3) Excess; or

(4) Contingent.

b. However, the following provisions apply to other insurance available to any person or organization qualifying as an additional insured under Section **C. WHO IS AN INSURED**, as amended by Section **A.** of this endorsement and who is also an additional insured under the Business Liability Coverage scheduled in the "underlying insurance":

(1) Primary Insurance When Required By Contract

If you have agreed in a written contract, written agreement or permit to provide primary insurance to the additional insured, then, after the "underlying insurance" is exhausted, this insurance will be primary. If other insurance is also primary, we will share with all that other insurance by the method described in Paragraph **c.** below.

© 2018, The Hartford
(May include copyrighted material of Insurance Services Office, Inc., with its permission)

(2) Primary And Non-Contributory To Other Insurance When Required By Contract

If you have agreed in a written contract, written agreement, or permit to provide insurance to the additional insured that is primary and non-contributory, then, after the "underlying insurance" is exhausted, this insurance will be primary and we will not seek contribution from the additional insured's own insurance.

Paragraphs **(1)** and **(2)** do not apply to other insurance on which the additional insured qualifies as an additional insured pursuant to the terms of that policy or has been added as an additional insured by endorsement.

c. Method Of Sharing

If all of the other insurance permits contribution by equal shares, we will follow this method also. Under this approach each insurer contributes equal amounts until it has paid its applicable limit of insurance or none of the loss remains, whichever comes first.

If any of the other insurance does not permit contribution by equal shares, we will contribute by limits. Under this method, each insurer's share is based on the ratio of its applicable limit of insurance to the total applicable limits of insurance of all insurers.

C. Paragraph **D.6. How Limits Apply To Additional Insured** is deleted and replaced by the following:

How Limits Apply To Additional Insureds

a. If you have agreed in a written contract, written agreement or permit that another person or organization be added as an additional insured on the Business Liability Coverage scheduled in the "underlying insurance" and such person or organization also qualifies as an additional insured under this Supplemental Policy, the most we will pay on behalf of such insured is the lesser of:

(1) The limits of insurance specified in the written contract, written agreement or permit, less any amounts payable by any "underlying insurance"; or

(2) The Limits of Insurance shown in the Umbrella Liability Supplemental Policy Declarations.

b. Such amount shall be a part of and not in addition to the Limits of Insurance shown in the Umbrella Liability Supplemental Policy Declarations and described in other provisions of this Section.

WAIVER OF TRANSFER OF RIGHTS OF RECOVERY AGAINST OTHERS

This endorsement modifies insurance provided under the following:

BUSINESS AUTO COVERAGE FORM

With respect to coverage provided by this endorsement, the provisions of the Coverage Form apply unless modified by the endorsement.

SCHEDULE

Name(s) Of Person(s) Or Organization(s):	
Any person or organization you are required to include on this policy by written contract or written agreement in effect during this policy period and executed prior to the “loss”.	
Additional Premium	$ Included

Section IV – Business Auto Conditions, A. Loss Conditions, 5., Transfer Of Rights Of Recovery Against Others To Us does not apply to the person(s) or organization(s) shown in the Schedule, but only to the extent that subrogation is waived prior to the "accident" or the "loss" under a written contract or written agreement with that person or organization.

We will retain the additional premium shown above, regardless of any early termination of this endorsement of this Policy.

 Includes copyrighted material of Insurance Services Office, Inc., with its permission

BLANKET ADDITIONAL INSURED BY CONTRACT

This endorsement modifies insurance provided under the following:

BUSINESS LIABILITY COVERAGE FORM

Except as otherwise stated in this endorsement, the terms and conditions of the Policy apply.

A. The following is added to Section **C. WHO IS AN INSURED**:

Additional Insureds When Required By Written Contract, Written Agreement Or Permit

The person(s) or organization(s) identified in Paragraphs **a**. through **f**. below are additional insureds when you have agreed, in a written contract or written agreement, or when required by a written permit issued by a state or governmental agency or subdivision or political subdivision that such person or organization be added as an additional insured on your Coverage Part, provided the injury or damage occurs subsequent to the execution of the contract or agreement, or the issuance of the permit.

A person or organization is an additional insured under this provision only for that period of time required by the contract, agreement or permit.

However, no such person or organization is an additional insured under this provision if such person or organization is included as an additional insured by any other endorsement issued by us and made a part of this Coverage Part.

The insurance afforded to such additional insured will not be broader than that which you are required by the contract, agreement, or permit to provide for such additional insured.

The insurance afforded to such additional insured only applies to the extent permitted by law.

The limits of insurance that apply to additional insureds are described in Section **D. LIABILITY AND MEDICAL EXPENSES LIMITS OF INSURANCE**. How this insurance applies when other insurance is available to an additional insured is described in the Other Insurance Condition in Section **E. LIABILITY AND MEDICAL EXPENSES GENERAL CONDITIONS**.

a. Vendors

Any person(s) or organization(s) (referred to below as vendor), but only with respect to "bodily injury" or "property damage" arising out of "your products" which are distributed or sold in the regular course of the vendor's business and only if this Coverage Part provides coverage for "bodily injury" or "property damage" included within the "products-completed operations hazard".

(1) The insurance afforded to the vendor is subject to the following additional exclusions:

This insurance does not apply to:

(a) "Bodily injury" or "property damage" for which the vendor is obligated to pay damages by reason of the assumption of liability in a contract or agreement. This exclusion does not apply to liability for damages that the vendor would have in the absence of the contract or agreement;

(b) Any express warranty unauthorized by you;

(c) Any physical or chemical change in the product made intentionally by the vendor;

(d) Repackaging, except when unpacked solely for the purpose of inspection, demonstration, testing, or the substitution of parts under instructions from the manufacturer, and then repackaged in the original container;

(e) Any failure to make such inspections, adjustments, tests or servicing as the vendor has agreed to make or normally undertakes to make in the usual course of business, in connection with the distribution or sale of the products;

(f) Demonstration, installation, servicing or repair operations, except such operations performed at the vendor's premises in connection with the sale of the product;

© 2021, The Hartford
(May include copyrighted material of Insurance Services Office, Inc., with its permission)

(g) Products which, after distribution or sale by you, have been labeled or relabeled or used as a container, part or ingredient of any other thing or substance by or for the vendor; or

(h) "Bodily injury" or "property damage" arising out of the sole negligence of the vendor for its own acts or omissions or those of its employees or anyone else acting on its behalf. However, this exclusion does not apply to:

(i) The exceptions contained in Paragraphs **(d)** or **(f)**; or

(ii) Such inspections, adjustments, tests or servicing as the vendor has agreed to make or normally undertakes to make in the usual course of business, in connection with the distribution or sale of the products.

(2) This insurance does not apply to any insured person or organization from whom you have acquired such products, or any ingredient, part or container, entering into, accompanying or containing such products.

b. Lessors Of Equipment

(1) Any person or organization from whom you lease equipment; but only with respect to their liability for "bodily injury", "property damage" or "personal and advertising injury" caused, in whole or in part, by your maintenance, operation or use of equipment leased to you by such person or organization.

(2) With respect to the insurance afforded to these additional insureds, this insurance does not apply to any "occurrence" which takes place after you cease to lease that equipment.

c. Lessors Of Land Or Premises

(1) Any person or organization from whom you lease land or premises, but only with respect to liability arising out of the ownership, maintenance or use of that part of the land or premises leased to you.

(2) With respect to the insurance afforded to these additional insureds, this insurance does not apply to:

(a) Any "occurrence" which takes place after you cease to lease that land or be a tenant in that premises; or

(b) Structural alterations, new construction or demolition operations performed by or on behalf of such person or organization.

d. Architects, Engineers Or Surveyors

(1) Any architect, engineer, or surveyor, but only with respect to liability for "bodily injury", "property damage" or "personal and advertising injury" caused, in whole or in part, by your acts or omissions or the acts or omissions of those acting on your behalf:

(a) In connection with your premises;

(b) In the performance of your ongoing operations performed by you or on your behalf; or

(c) In connection with "your work" and included within the "products-completed operations hazard", but only if:

(i) The written contract, written agreement or permit requires you to provide such coverage to such additional insured; and

(ii) This Coverage Part provides coverage for "bodily injury" or "property damage" included within the "products-completed operations hazard".

(2) With respect to the insurance afforded to these additional insureds, the following additional exclusion applies:

This insurance does not apply to "bodily injury", "property damage" or "personal and advertising injury" arising out of the rendering of or the failure to render any professional services, including:

(i) The preparing, approving, or failure to prepare or approve, maps, shop drawings, opinions, reports, surveys, field orders, change orders, designs or drawings and specifications; or

(ii) Supervisory, surveying, inspection, architectural or engineering activities.

This exclusion applies even if the claims allege negligence or other wrongdoing in the supervision, hiring, employment, training or monitoring of others by an insured, if the “bodily injury”, “property

© 2021, The Hartford
(May include copyrighted material of Insurance Services Office, Inc., with its permission)

damage", or "personal and advertising injury" arises out of the rendering of or the failure to render any professional service.

e. State Or Governmental Agency Or Subdivision Or Political Subdivision Issuing Permit

(1) Any state or governmental agency or subdivision or political subdivision, but only with respect to operations performed by you or on your behalf for which the state or governmental agency or subdivision or political subdivision has issued a permit.

(2) With respect to the insurance afforded to these additional insureds, this insurance does not apply to:

(a) "Bodily injury", "property damage" or "personal and advertising injury" arising out of operations performed for the federal government, state or municipality; or

(b) "Bodily injury" or "property damage" included within the "products-completed operations hazard".

f. Any Other Party

(1) Any other person or organization who is not in one of the categories or classes listed above in Paragraphs **a**. through **e**. above, but only with respect to liability for "bodily injury", "property damage" or "personal and advertising injury" caused, in whole or in part, by your acts or omissions or the acts or omissions of those acting on your behalf:

(a) In the performance of your ongoing operations performed by you or on your behalf;

(b) In connection with your premises owned by or rented to you; or

(c) In connection with "your work" and included within the "products-completed operations hazard", but only if:

(i) The written contract, written agreement or permit requires you to provide such coverage to such additional insured; and

(ii) This Coverage Part provides coverage for "bodily injury" or "property damage" included within the "products-completed operations hazard".

(2) With respect to the insurance afforded to these additional insureds, the following additional exclusion applies:

This insurance does not apply to "bodily injury", "property damage" or "personal and advertising injury" arising out of the rendering of, or the failure to render, any professional architectural, engineering or surveying services, including:

(a) The preparing, approving, or failure to prepare or approve, maps, shop drawings, opinions, reports, surveys, field orders, change orders, designs or drawings and specifications; or

(b) Supervisory, surveying, inspection, architectural or engineering activities.

This exclusion applies even if the claims allege negligence or other wrongdoing in the supervision, hiring, employment, training or monitoring of others by an insured, if the "bodily injury", "property damage", or "personal and advertising injury" arises out of the rendering of or the failure to render any professional service described in Paragraphs **f.(2)(a)** or **f**.**(2)(b)** above.

(May include copyrighted material of Insurance Services Office, Inc., with its permission)

NOTICE OF CANCELLATION TO CERTIFICATE HOLDER(S)

This policy is subject to the following additional Conditions:

A. If this policy is cancelled by the Company, other than for non-payment of premium, notice of such cancellation will be provided at least thirty (30) days in advance of the cancellation effective date to the certificate holder(s) with mailing addresses on file with the agent of record or the Company.

B. If this policy is cancelled by the company for non-payment of premium, or by the insured, notice of such cancellation will be provided within ten (10) days of the cancellation effective date to the certificate holder(s) with mailing addresses on file with the agent of record or the Company.

If notice is mailed, proof of mailing to the last known mailing address of the certificate holder(s) on file with the agent of record or the Company will be sufficient proof of notice.

Any notification rights provided by this endorsement apply only to active certificate holder(s) who were issued a certificate of insurance applicable to this policy's term.

Failure to provide such notice to the certificate holder(s) will not amend or extend the date the cancellation becomes effective, nor will it negate cancellation of the policy. Failure to send notice shall impose no liability of any kind upon the Company or its agents or representatives.

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

ADDITIONAL INSURED – SCHEDULED

This endorsement modifies insurance provided under the following:

BUSINESS AUTO COVERAGE FORM

With respect to coverage provided by this endorsement the provisions of the Coverage Form apply unless modified by the endorsement.

SCHEDULE

Name Of Additional Insured Person(s) Or Organization(s):
Any person or organization you are required to include as an additional insured on this policy by written contract or written agreement in effect during this policy period and executed prior to the "loss".

A. SECTION II – COVERED AUTOS LIABILITY COVERAGE, A. Coverage, 1. Who Is An Insured is amended to include as an "insured" the person(s) or organization(s) shown in the Schedule, but only with respect to their liability for "bodily injury" or "property damage" to which this insurance applies, caused in whole or in part, by an "accident" resulting from the ownership, maintenance or use of a covered "auto".

However, the insurance afforded to such "insured":

1. Only applies to the extent permitted by law; and

2. If coverage provided to the "insured" is required by a contract or agreement, the insurance afforded to such "insured" will not be broader than that which you are required by contract or agreement to provide such "insured".

B. SECTION II - COVERED AUTOS LIABILITY COVERAGE, B. Exclusions is amended to include:

This insurance does not apply to:

"Bodily injury" or "property damage" for which the Person(s) or Organization(s) shown in the Declarations or Schedule is obligated to pay damages by reason of the assumption of liability in a contract or agreement

C. SECTION II – COVERED AUTOS LIABILITY COVERAGE, C. Limits Of Insurance is amended to include:

The most we will pay on behalf of the "insured" shown in the Schedule is the amount of insurance:

1. Required by the contract or agreement you have entered into with the "insured"; or

2. Available under the applicable Limits of Insurance shown in the Declarations;

whichever is less.

This endorsement shall not increase the applicable Limits of Insurance shown in the Declarations.

ALL OTHER TERMS AND CONDITIONS OF THE POLICY REMAIN UNCHANGED.

© 2021 MSIG Holdings (U.S.A.), Inc.
All rights reserved Includes copyrighted material of Insurance Services Office, Inc., with its permission.

AMENDMENT OF OTHER INSURANCE CONDITION - PRIMARY OR PRIMARY AND NON-CONTRIBUTORY WHEN REQUIRED BY WRITTEN CONTRACT OR WRITTEN AGREEMENT

This endorsement modifies insurance provided under the following:

UMBRELLA LIABILITY SUPPLEMENTAL POLICY

Except as otherwise stated in this endorsement, the terms and conditions of the Supplemental Policy apply.

A. The following is added to Section **C. WHO IS AN INSURED**:

Any person or organization with whom you agreed, because of a written contract, written agreement or because of a permit issued by a state or political subdivision, to provide insurance such as is afforded under this Supplemental Policy, but only with respect to your operations, "your work" or facilities owned or used by you.

a. This provision does not apply:

(1) Unless the written contract or written agreement has been executed, or the permit has been issued prior to the "bodily injury", "property damage", or "personal and advertising injury"; and

(2) Unless the limits of liability specified in such written contract, written agreement or permit are greater than the limits shown for "underlying insurance"; or

(3) Beyond the period of time required by the written contract or written agreement.

b. In no event shall any coverage afforded to any such person or organization apply to any claim or "suit" to which "underlying insurance" does not apply. Coverage provided by this Supplemental Policy for any such additional insured will follow the provisions, exclusions and limitations of the "underlying insurance".

B. Solely as with respect to the insurance afforded to any person or organization qualifying as an additional insured under Section **A.** above, Paragraph **7. Other Insurance** in Section **E. CONDITIONS** is deleted and replaced by the following:

7. Other Insurance

a. This Supplemental Policy shall apply in excess of all "underlying insurance" whether or not valid and collectible. It shall also apply in excess of other valid and collectible insurance (except other insurance purchased specifically to apply in excess of this insurance) which also applies to any loss for which insurance is provided by this Supplemental Policy.

These excess provisions apply, whether such other insurance is stated to be:

(1) Primary;

(2) Contributing;

(3) Excess; or

(4) Contingent.

b. However, the following provisions apply to other insurance available to any person or organization qualifying as an additional insured under Section **C. WHO IS AN INSURED**, as amended by Section **A.** of this endorsement and who is also an additional insured under the Business Liability Coverage scheduled in the "underlying insurance":

(1) Primary Insurance When Required By Contract

If you have agreed in a written contract, written agreement or permit to provide primary insurance to the additional insured, then, after the "underlying insurance" is exhausted, this insurance will be primary. If other insurance is also primary, we will share with all that other insurance by the method described in Paragraph **c.** below.

© 2018, The Hartford

(May include copyrighted material of Insurance Services Office, Inc., with its permission)

(2) Primary And Non-Contributory To Other Insurance When Required By Contract

If you have agreed in a written contract, written agreement, or permit to provide insurance to the additional insured that is primary and non-contributory, then, after the "underlying insurance" is exhausted, this insurance will be primary and we will not seek contribution from the additional insured's own insurance.

Paragraphs **(1)** and **(2)** do not apply to other insurance on which the additional insured qualifies as an additional insured pursuant to the terms of that policy or has been added as an additional insured by endorsement.

c. Method Of Sharing

If all of the other insurance permits contribution by equal shares, we will follow this method also. Under this approach each insurer contributes equal amounts until it has paid its applicable limit of insurance or none of the loss remains, whichever comes first.

If any of the other insurance does not permit contribution by equal shares, we will contribute by limits. Under this method, each insurer's share is based on the ratio of its applicable limit of insurance to the total applicable limits of insurance of all insurers.

C. Paragraph **D.6. How Limits Apply To Additional Insured** is deleted and replaced by the following:

How Limits Apply To Additional Insureds

a. If you have agreed in a written contract, written agreement or permit that another person or organization be added as an additional insured on the Business Liability Coverage scheduled in the "underlying insurance" and such person or organization also qualifies as an additional insured under this Supplemental Policy, the most we will pay on behalf of such insured is the lesser of:

(1) The limits of insurance specified in the written contract, written agreement or permit, less any amounts payable by any "underlying insurance"; or

(2) The Limits of Insurance shown in the Umbrella Liability Supplemental Policy Declarations.

b. Such amount shall be a part of and not in addition to the Limits of Insurance shown in the Umbrella Liability Supplemental Policy Declarations and described in other provisions of this Section.

I. INTRODUCTION

A. PURPOSE OF THIS RFP

The purpose of the RFP is to solicit sealed proposals to establish a contract through competitive negotiations for the procurement of annual physicals for firefighters.

B. BACKGROUND INFORMATION

A. The City of Santa Fe Fire Department (SFFD) has historically provided comprehensive onsite annual physical evaluations for approximately 180 City-employed firefighters. These evaluations have supported the SFFD's commitment to firefighter health and operational readiness. It identifies risk factors, detects illnesses early, and helps to ensure continued physical fitness, etc.

B. Physicals have been conducted once per year during a designated 3- to 4-week period, as scheduled by SFFD. During this time, evaluations have taken place onsite to minimize disruption to operations and ensure maximum participation. Each firefighter receives a written report of results and verbal consultation from the provider. These can be compared to baseline and previous evaluations to identify clinically relevant changes over time.

C. These annual physicals have been performed by board-certified medical doctors and/or mid-level healthcare providers, such as certified nurse practitioners or physician assistants, and have adhered to the medical evaluation guidelines established in NFPA 1582: Standard on Comprehensive Occupational Medical Program for Fire Departments.

A. SCOPE OF PROCUREMENT

The objective of the resultant contract is to implement a consistent, National First Protection Agency (NFPA) 1582-compliant medical monitoring program that improves firefighter wellness and reduces line-of-duty deaths and injuries. The Contractor shall provide baseline and annual medical examinations and evaluations that include a full range of diagnostics, screenings, and immunizations.

1) The physical examinations conducted by the contractor must adhere to the following standards:
   a) United States Occupational Safety and Health Administration (OSHA) Regulations (Standards 29 CFR).
   b) National Fire Protection Agency (NFPA) 1582 - 2018 Edition, Standard on Comprehensive Occupational Medical Program for Fire Departments which contains minimal standards for release to work.
   c) United States Department of Transportation (USDOT) 49 CFR 391.41-391.49 excluding drug and alcohol testing. A Medical Examiner's certificate (DOT Certification) shall be issued to each fire department employee and a copy must be provided to the SFFD's Medical Officer.

2) The contractor shall be able to provide onsite services, including all services required in the resultant contract.

3) The contractor will work with the SFFD Health & Safety Officer to ensure that all requirements of the resultant contract are met in a timely manner. This includes the daily scheduling for annual physicals and all follow-ups. Annual firefighter physicals shall be done in agreement with the SFFD duty schedule in order to maintain continuous service to the community. The schedule will be agreed upon by both parties at least 30 days prior to the start date of annual physical testing with the intent to begin physicals as coordinated with the Health and Safety Officer of each calendar year.

4) Each firefighter annual physical shall consist of the following components:
   a) Components of the Annual Occupational Medical Evaluation of Members (NFPA 1582-18, 7.4)
      i) Blood Testing {1582-18, 7.7.1}- Blood tests shall be performed annually and will include the following:
         (1) CBC with differential, RBC indices and morphology and platelet count.
         (2) Electrolytes (N, K, Cl, HCO3 or CO2).
         (3) Renal function (BUN, creatinine).
         (4) Glucose.
         (5) Liver function tests (ALT, AST, direct and indirect bilirubin, alkaline phosphatase).
         (6) Total cholesterol, HDL, LDL and clinically useful lipid ratios (e.g., percent LDL) and triglycerides.
         (7) Prostate specific antigen (PSA) after the age of 40 for positive family history, if African American or if otherwise clinically indicated. After the age of 50 for all other males.
         (8) Thyroid function; TSH & free T4.
         (9) The following additional tests can be offered as agreed between both party's on a year-to-year basis:
            - Vitamin D
            - Cortisol
            - Progesterone (female option)
            - Estrone (E1) (female option)
            - Estradiol (E2) (female option)
            - Testosterone

      ii) Infectious Disease Screening and Immunizations (1582-18, 7.7.9) The following infectious disease screenings and/or immunizations shall be provided, as indicated:
         (1) Tuberculosis (TB) screening - baseline tuberculin blood test (interferon gamma release assay); subsequent tuberculosis screening to be performed annually by interferon gamma release assay or tuberculin skin testing using the tuberculin purified protein derivative (PPD). This is to be agreed upon annually between SFFD and selected vendor and guided by frequency according to CDC guidelines unless the member has a history of positive tuberculin screening test, in which case CDC guidelines for management and subsequent chest radiographic surveillance apply.
         (2) Hepatitis C virus screening & antibody test - baseline and following occupational exposure.
         (3) Hepatitis B virus vaccinations and titers - as specified in CDC guidelines; laboratory confirmation of immunity to be tested 1-2 months after completion of the vaccination 3 dose series.
         (4) Tetanus/diphtheria/pertussis (Tdap) vaccine - can be given once to replace the Td booster every 10 years or the 5-year wound management Td dose.
         (5) Measles, mumps and rubella (MMR) vaccine - in absence of documented immunity, two doses of MMR to be administered according to current immunization guidelines.
         (6) Hepatitis A vaccine
         (7) Varicella vaccine - offered to all non-immune personnel
         (8) Influenza vaccine - offered to all personnel annually.
         (9) HIV screening - available to personnel upon their request.

      iii) Heavy Metal Evaluation (1582-18, 7.7.12}
         (1) 7.7.12.1 Baseline testing for heavy metals shall be required when indicated by known exposure or substantial risk.
         (2) 7.7.12.2 Evaluations shall be performed following known exposures, for recurrent exposures or where required under federal, state or provincial regulations.

      iv) Urine Laboratory Testing (1582-18, 7.7.2)- Urine lab tests required shall be performed annually and include the following:
         (1) Dipstick analysis for glucose, ketones, leukocyte esterase, protein, blood and bilirubin.
         (2) Microscopic analysis for RBC, WBC, casts and crystals if indicated by dipstick analysis results.
         (3) Analysis for occupational chemical exposure if indicated

      v) Audiology Testing (1582-18, 7.7.3) Hearing thresholds shall be assessed annually in each ear at each of the following frequencies:

(1) 500 Hz
(2) 1000 Hz
(3) 2000 Hz
(4) 3000 Hz
(5) 4000 Hz
(6) 6000 Hz
(7) 8000 Hz

Audiology testing shall compare audiogram results obtained during the yearly evaluations with baseline and subsequent test results. Standard threshold shifts shall be corrected for age as permitted by OSHA.

vi) Vision Testing. Ishihara, color and depth perception.

vii) Electrocardiograms (ECGs) {1582-18, 7.7.6)

(1) 7.7.6.1 A resting 12-lead ECG shall be performed as part of the baseline medical evaluation and shall be performed annually.
(2) 7.7.6.2 Evaluations shall compare baseline to subsequent ECGs.

viii) Spirometry (1582-18, 7.7.4) Pulmonary function testing shall be conducted annually to measure the following components:

(1) Forced vital capacity (FVC).
(2) Forced expiratory volume in 1.0 seconds (FEVl).
(3) FVC and FEVl ratio.

ix) Cancer Screenings (1582-18, 7.7.13 through 7.7.20)

Contractor shall annually inform members of the heightened risks of cardiovascular disease and various types of cancer associated with firefighting. In addition to medical screening, contractor shall also provide ultrasound imaging to include, at a minimum:

(1) Carotid arteries
(2) Echocardiogram (heart with function)
(3) Aorta and aortic valves
(4) Thyroid
(5) Internal Organs - liver, pancreas, gall bladder, kidneys and spleen
(6) Bladder
(7) Testicular and prostate - Men
(8) Ovaries and uterus - Women

x) Physical Exam and Consultation (1582-18, 7.6) The annual physical examination shall include each of the following components:

(1) Vital signs
(2) Head, eyes, ears, nose and throat (HEENT)
(3) Neck
(4) Cardiovascular
(5) Pulmonary
(6) Breast
(7) GI
(8) Genitourinary
(9) Hernia
(10) Lymph nodes
(11) Neurological
(12) Musculoskeletal
(13) Skin (including cancer screening).
(14) Vision

xi) Chest Radiograph (1582-18, 7.7.5) Chest x-rays shall include an initial baseline and shall be repeated as medically indicated. Evaluator shall compare any chest radiographs with baseline and subsequent radiographs.

xii) Medical Record Keeping (1582-18, 4.1.13)

The fire department comprehensive occupational medical program shall include collection and maintenance of a confidential medical and health information system for members. All medical record keeping shall comply with the requirements of 29 CFR 1910.1020, "Access to employee exposure and medical records," and other applicable regulations and laws. This database shall include any follow-up or additional fitness and/or medical testing performed outside of these guidelines. The information shall be maintained as part of an individual's comprehensive medical record. The contractor shall be responsible for archiving these additional records as a part of each employee's confidential medical file.

xiii) Reporting and Contractor Responsibilities (1582-18, 4.2)

a) The City of Santa Fe and the contractor shall maintain complete and accurate testing records on each City employee, including, but not limited to, annual requirements for specific tests. A "Fit for Duty" certificate will be provided to SFFD for each employee on an annual basis. Both parties shall comply with HIPPA. The SFFD shall also receive from the contractor an aggregate report on the data collected during the annual physicals which describes the overall health of the fire department. Each fire department member shall receive a copy of the information gathered during their annual physical, including interpretive data.

b) Contractor shall understand the physiological, psychological, and environmental demands placed on fire fighters.

c) Evaluate fire department candidates and members to identify medical conditions that could affect their ability to safely respond to and participate in emergency operations.

d) Utilize the essential job task descriptions supplied by the fire department to determine a candidate's or a member's medical certification.

i) Report the results of the medical evaluation to the current member, including any medical condition(s) identified during the medical evaluation, and the recommendation as to whether the current member is medically certified to safely perform the essential tasks.

ii) Forward copies of any abnormal results along with patient instructions regarding primary care follow-up to current members who were instructed to seek (as appropriate) medical follow-up to address any medical conditions, or lab abnormalities, identified during the medical evaluation.

d) Provide SFFD with written medical clearance for everyone to perform emergency response service in compliance with NFPA 1582-18.

iii) Provide SFFD with written respiratory protection clearance for everyone to wear positive and negative pressure respiratory protection in compliance with OSHA respiratory protection standard, 29 CFR 1910.134.

iv) Provide SFFD with a Medical Examiner's Certificate (DOT Certification) for each fire department employee in compliance with United States Dept. of Transportation 49 CFR 391.41-391.49.

The resulting contract will be a single award.

This procurement will result in a Citywide Contract that may be utilized by all government entities, commissions, institutions, political subdivisions, and local bodies allowed by law.

B. PROCUREMENT MANAGER

Fire Department has assigned a Procurement Manager who is responsible for the conduct of this procurement whose name, address, telephone number, and email address are listed below:

Name: Sten Johnson, Assistant Fire Chief/ Procurement Manager
Telephone: (505) 505-467-9799

1. **Any inquiries or requests** regarding this procurement should be submitted, in writing, to the Procurement Manager AND the CPD at the following emails:

   Procurement Manager: Sten Johnson: sajohnson@santafenm.gov

   CPD: purchasing_RFP@santafenm.gov

   Offerors may contact **ONLY** the Procurement Manager and the CPD regarding this procurement. Other city employees or Evaluation Committee members do not have the authority to respond on behalf of the Procurement Manager. Do not contact the Procurement Manager after the Proposals' due date.

2. **Protests of the solicitation or award must be submitted in writing to the Protest Manager.** As a Protest Manager has been named in this RFP, pursuant to NMSA 1978, Section 13-1-172 and Procurement Manual Section Y, **ONLY protests delivered directly to the Protest Manager in writing and in a timely fashion will be considered to have been submitted properly and in accordance with statute, rule, and this RFP** Protests submitted or delivered to the Procurement Manager will **NOT** be considered properly submitted.

C. PROPOSAL SUBMISSION

Submissions of all proposals must be accomplished via upload:
https://cityofsantafenmvendors.munisselfservice.com/Vendors/VBids/Default.aspx

Offeror Certification
By submitting a proposal, the Offeror certifies that it is legally authorized to perform all services described in this RFP within the State of New Mexico at locations determined by SFFD. Upon request by the City, the Offeror agrees to provide documentation demonstrating such authorization, including but not limited to professional licensure, business registration, and any other applicable certifications.

D. DEFINITION OF TERMINOLOGY

This section contains definitions of terms used throughout this procurement document, including appropriate abbreviations:

DEFINITION OF TERMINOLOGY.docx

E. PROCUREMENT LIBRARY

A procurement library has been established. Offerors are encouraged to review the material contained in the Procurement Library by selecting the link provided in the electronic version of this document through your own internet connection. The library contains information listed below:

Electronic version of RFP, Questions & Answers, RFP Amendments, etc.
https://cityofsantafenmvendors.munisselfservice.com/Vendors/VBids/Default.aspx

II. CONDITIONS GOVERNING THE PROCUREMENT

This section of the RFP contains the sequence of events, the descriptions of each event, and the conditions governing this procurement.

A. SEQUENCE OF EVENTS

The City's CPD and the Procurement Manager will make every effort to adhere to the following schedule:

Action	Responsible Party	Due Dates	Times (in Mounta
Issue RFP	CPD	May 9, 2025	
Pre-Proposal Meeting	Procurement Manager /Potential Offerors	May 22, 2025	1:00-2:00PM
Deadline for Written Questions	Potential Offerors	May 23, 2025	5:00 PM
Response to Written Questions	Procurement Manager	May 30, 2025	
Proposals Due Date	**Offerors**	**June 4, 2025**	**3:00 PM**
*Blind Evaluation	Evaluation Committee	June 6, 2025	
*Interviews	Potential Offerors	June 9, 2025	
*Identification of Potential Best-Valued Offeror(s)	Evaluation Committee	June 11, 2025	
*First Clarification Meeting	Evaluation Committee/Finalist Offeror(s)	June 25, 2025	
*Final Clarification Meeting	Evaluation Committee/Finalist Offeror(s)	July 3, 2025	
*Best and Final Offer(s)	Offeror(s)	July 18, 2025	
*Governing Body Approval	Governing Body	August 11, 2025	
*Contract Award	Requesting Department	August 12, 2025	

*Dates indicated after "Proposals Due Date" through "Contract award" are estimates only and may be subject to change without necessitating an amendment to the RFP.

B. EXPLANATION OF EVENTS

The following paragraphs describe the activities listed in the Sequence of Events.

The City reserves the right to:

1. Change or extend the Proposals Due Date.

2. Revise the RFP document prior to the due date.

The city will process addenda if it is determined that modifications, clarifications, or additions to the RFP are necessary. Addenda will be announced via email to registered Potential Offerors that have selected the corresponding commodity codes used for this event.

1. **Issue RFP**

   This RFP is being issued on behalf of The City Santa Fe, New Mexico on the date indicated in the Sequence of Events.

2. **Pre-Proposal Meeting**

   A Pre-Proposal Meeting will be held as indicated in the Sequence of Events via <MS Teams>.
   https://teams.microsoft.com/l/meetup-join/19%3ameeting_MGY5N2MxZGQtOThhMS00MTZhLTljNTctMjdjNTFlODFlNGU1%40thread.v2/0?context=%7b%22Tid%22%3a%2277b69f5a-55ed-4363-8616-4867b0bc707f%22%2c%22Oid%22%3a%2297f62189-92f2-417d-a178-e85e07d690b6%22%7d
   Potential Offerors are encouraged to submit written questions in advance of the conference to the CPD and the Procurement Manager. The identity of the organization submitting the question(s) will not be revealed. Additional written questions may be submitted at the Meeting. All questions answered during the Pre-Proposal Meeting will be considered **unofficial** until they are posed in writing. All written questions will be addressed in writing on the date listed in the Sequence of Events. A public log will be kept of the names of potential Offerors that attended the Pre-Proposal Meeting.

   Attendance at this meeting is highly recommended, but not a prerequisite for submission of a proposal.

3. **Deadline for Written Questions**

   Potential Offerors may submit written questions to the CPD and the Procurement Manager as to the intent or clarity of this RFP as indicated in the Sequence of Events. All written questions must be addressed to the CPD and the Procurement Manager. Questions shall be clearly labeled and shall cite the Section(s) in the RFP or other document which form the basis of the question.

4. **Responses to Written Questions**

   Responses to the written questions will be provided on Bid Central, on or before the date indicated in the Sequence of Events, and is available for all potential Offerors.

5. **Proposals Due Date**

   Proposals must be uploaded and submitted in BID Central before the deadline indicated in the Sequence of Events to be considered for review and evaluation.

   All proposals must be submitted electronically through the designated upload link provided in the Response Format and Organization section. Proposals submitted by any other method will not be accepted.

Bid Central will maintain a log of all submitting organizations. In accordance with NMSA 1978, Section 13-1-116, the contents of proposals remain confidential and will not be disclosed to competing Offerors during the negotiation process.

The negotiation process remains in effect until the contract is awarded.

For the purposes of this RFP, awarded means the contract has been approved by the City's Governing Body and subsequently signed by the City Mayor.

6. Blind Evaluation

The City will establish an Evaluation Committee (EC) to evaluate proposals in accordance with the timeline outlined in the Sequence of Events or as soon as feasible. The EC will evaluate proposals based on the criteria specified in the Evaluation section of this RFP, using the metrics presented in each proposal and aligning them with the City's needs, as detailed in the City Sample columns of the G Attachments.

To ensure impartiality, the CPD will anonymize proposals by assigning each proposal a letter before forwarding them to the Procurement Manager and EC. Each Evaluation Factor will be scored on a scale of 1, 5, or 10. The scores will then be averaged and converted according to the assigned values for each Evaluation Factor.

7. Interviews

Offerors may be required to participate in an interview to evaluate expertise. A notification will be sent to Offerors with meeting details once the Evaluation Committee has conducted their initial review. This is not a presentation. The Evaluation Committee will interview the Key Personnel Lead. A second individual may be present (standby) to clarify Pricing Proposal if requested.

8. Identification of Potential Best-Valued Offeror

At this point, proposals have been evaluated for compliance and scored based on the criteria outlined in this RFP. Following this evaluation, the highest-ranked Offeror was invited to participate in interviews.

After the interview process, the Evaluation Committee, Procurement Manager, and Assigned CPD Buyer will continue to verify the validity of the proposal based on information provided during the interview and by conducting reference checks. The City will contact references to assess Offerors past performance, reliability, and ability to meet contract requirements. Finalist Offeror may also be contacted for further clarification as needed.

In accordance with NMSA 1978, Section 13-1-117, the responsible Offeror whose proposal is determined to be most advantageous to the City—considering the Evaluation Factors in this RFP—will be recommended for award. Depending on the proposals received and the City's needs, the City may choose to award a contract to one or contracts to multiple Offerors. However, a serious deficiency in any evaluation factor may result in disqualification, regardless of the overall score.

9. First Clarification Meeting

The City may require that the Offeror attend a First Clarification Meeting to present its proposal and to identify additional issues or concerns that the City may have. It is also an opportunity to meet all participants who may be a stakeholder in the project.

10. Final Clarification Meeting

The Final Clarification Meeting is held at the end of the Clarification Phase and is used to present a summary of what was developed and agreed upon during the Clarification Phase. The final Clarification meeting is not a question-and-answer session. The Offeror and City stakeholders can start to ask questions before the meeting. All coordination and planning with the City should be completed prior to the Clarification Phase Summary Presentation meeting on the Sequence of Events.

11. Best and Final Offers

This RFP process will allow for Best and Final Offers (BAFO) from finalist Offerors. Specifically, Offerors should provide their strongest possible pricing in initial proposals, as we expect competitive submissions upfront. However, we reserve the right to re-open negotiation by requesting BAFO under the schedule outlined in the Sequence of Events, or on an accelerated timeline from finalists. The purpose would be to elicit revised pricing or other updated proposal elements that facilitate selection of the optimal offer. Finalist Offerors may also amend or clarify their proposal during the Clarification Meeting.

12. Governing Body Approval

Depending on the total compensation, including any term extensions of the contract, either the City manager will approve and sign the contract, or it will be presented as an agenda item for the appropriate Committee Meetings and then the Governing Body for approval. The mayor signs all contracts presented to and approved by the Governing Body.

13. Contract Award(s)

The award is subject to the CPD, Department, and City Manager/Governing Body approval. The Contractor must not commence work until the Department issues a Purchase Order.

14. Protest Deadline

Any protest by an Offeror pertaining to the solicitation or award must be submitted within 15 days from the notice of solicitation or award and in conformance with NMSA 1978, Sections 13-1-172 and applicable procurement regulations. As a Protest Manager has been named in this RFP, pursuant to NMSA 1978, Section 13-1-172 and Procurement Manual Section Y, ONLY protests delivered directly to the Protest Manager in writing and in a timely fashion will be considered to have been submitted properly and in accordance with statute, rule, and this RFP. The 15-calendar day protest period shall begin on the day following the notice of award of contract(s) and will end at 5:00 pm MST/MDT on the 15th day. Protests must be written and must include the name and address of the protestor and the RFP number. It must also contain a statement of the grounds for protest including appropriate supporting exhibits and it must specify the ruling requested from the party listed below. The protest must be delivered to:

Travis Dutton-Leyda

Chief Procurement Officer
City of Santa Fe
tkduttonleyda@santafenm.gov

PROTESTS RECEIVED AFTER THE DEADLINE WILL NOT BE ACCEPTED.

15. Finalize Contract

After approval of the Evaluation Committee Report, the City of Santa Fe will make every effort to award contract(s) by the deadline set forth in the Sequence of Events. Any contract(s) resulting from this RFP will be finalized with the most advantageous Offeror(s), considering the evaluation factors outlined in this RFP and the best interests of the City, as defined in the Scope of Procurement section. The most advantageous proposal may or may not have received the highest point total. If mutually agreeable terms cannot be reached with the apparent most advantageous Offeror within the specified timeframe, the City reserves the right to finalize a contract with the next most advantageous Offeror(s) without initiating a new procurement process. The City may award one or multiple contracts, as determined to be in the City's best interest.

C. GENERAL REQUIREMENTS

GENERAL REQUIREMENTS.doc

III. RESPONSE FORMAT AND ORGANIZATION

A. NUMBER OF RESPONSES

Offerors shall submit only one proposal in response to this RFP.

B. NUMBER OF COPIES

ELECTRONIC SUBMISSION ONLY

Offerors must submit proposals in response to this RFP through the Bid Central link. Only one electronic copy of each part of the proposal (Main and Cost) should be submitted, as outlined below.

Offerors' proposals should be submitted as separate uploads, as outlined in this section. Each upload should be clearly labeled on the front page as **"Public Proposal," "Confidential Proposal,"** or **"Cost Proposal."** If an Offeror proposes additions or modifications to the City's draft contract, a third document titled **"Contract Edits"** may be submitted. These proposed changes should align with the guidelines in the **General Requirements** section and be summarized in the draft contract attachment reference.

ELECTRONIC proposal submissions must be fully uploaded via **Bid Central** before the submission deadline. Files **cannot** be password-protected and should be submitted in **PDF format,** unless an **Excel spreadsheet** or another format is specifically requested. Offerors should allow ample time to upload large files to ensure a **complete** and **on-time** submission.

As soon as you see this notice, **verify that you can log in** to your **VSS account** and access the RFP in **Bid Central.** Do not wait until the last minute to check your login credentials or ensure you can interact with the system. If you encounter login issues, **email CPD and venreg@santafenm.gov immediately** to avoid delays.

Allow plenty of time to upload your proposal via **Bid Central.** If you experience issues, **email CPD and venreg@santafenm.gov at least two hours before the deadline.** Issues reported within the final two hours may not be resolved in time. While the City will assist, **timely resolution cannot be guaranteed** if problems arise close to the deadline.

Submissions will be deemed **late** if not **both**:

1. **Fully complete** before the deadline.
2. **Received via the submission link** before the deadline.

Additionally, if submissions are not received on time due to being **captured, blocked, filtered, quarantined,** or otherwise **prevented from reaching the City's system** by security or anti-virus software, it will still be considered **late** and **will not be accepted.**

If you are working on your submission close to the deadline and the clock strikes **3:00 PM,** the system **will not** accept your submission and may even log you out. This is **not** a system error—it is the result of **waiting too long** to submit. **Offerors are responsible** for planning accordingly and ensuring timely submission.

⚠ REMEMBER TO CLICK THE SUBMIT BUTTON! ⚠

⚠ LATE PROPOSALS MAY NOT BE ACCEPTED ⚠

Any proposal that does not adhere to the requirements of **the Response Format and Organization section** may be deemed non-responsive and rejected on that basis.

C. PROPOSAL FORMAT

Offerors should accurately complete all required forms, adhering to the provided format and any specific instructions within each form. Failure to comply may result in disqualification.

The City requires the following documents to ensure a comprehensive and equitable evaluation process. **Mandatory documents** must be included in every proposal. **Desirable documents** should also be provided; if any are missing, Purchasing may request them prior to evaluation. Proposals lacking **rated documents** will receive a score of zero for the corresponding evaluation criteria. If the offeror has proposed edits to the draft contract, they must be submitted as a separate attachment.

Attachment	Form	Value
Attachment A	Proposal Cover Page, Declaration, & Checklist	Desirable
Attachment B	Campaign Contribution Disclosure Form	Mandatory

Attachment C	Conflict of Interest	Desirable
Attachment D	Non-Collusion Affidavit	Desirable
Attachment E	Key Personnel Proposal Form	Desirable
Attachment F	Project Cost Proposal Form	Rated
Attachment G	Project Capability Submittal (SC/LE, VA) Checklist and Format	Desirable
Attachment G1	Scope/Level of Expertise Plan (SC/LE)	Rated
Attachment G2	Value Added Plan (VA)	Rated
Attachment H	Reference List	Desirable

IV. EVALUATION

The Evaluation Committee will evaluate and score proposals based on the information provided in this document and the Offerors' demonstrated understanding of the RFP's objectives. Attendance at the Pre-Proposal Meeting is strongly recommended, as it will help Offerors understand the key information required in their proposals and provide a detailed explanation of the evaluation process.

Proposals will be evaluated according to the criteria listed below, which have been identified as critical to the success of the projects.

No.	Rating Criteria	% Point Values
1	Scope/Level of Expertise Plan (SC/LE)	35
2	Value Added Plan (VA)	5
3	Cost Proposal	35
4	Interview	25
5	Local Preference	3% or 6% of the total available points*

*See local preference requirements below

A. DESCRIPTION OF EVALUATION

To ensure that proposals are complete and address all key RFP issues, proposals should adhere to the following format. Proposals shall be organized into the following sections, in the order listed, and inclusive of all requested information:

a) **Proposal Cover Page, Declaration, and Checklist:** Offerors will prepare and submit the Proposal Cover Page, Declaration, and Checklist (Attachment A).

b) **Key Offeror Project Lead.** Using Attachment E, complete the Key Personnel Lead Proposal Form. Offerors should provide the name of their Primary Project Lead (the personnel should be the person who will be interviewed if shortlisted) that offerors propose to execute the project pursuant to a resultant contract.

c) **Project Cost Proposal Form.** Offerors should prepare and submit cost proposals and breakout (see Attachment F). Attachment F should be submitted in a separate electronic document from the rest of the proposal. The rest of the proposal shall not include any financial information. Any financial information associated with a Value Add (Attachment G2) can be included in that section.

d) **Project Capability (PC) Submittal.** The Project Capability Submittal has two components: Scope/Level of Expertise Plan (SC/LE), and Value-Added Plan (VA). (See Attachments G, G1 and G2).

i. Purpose of PC Submittal

i. Assist City in prioritizing Offerors' submittals based on their scope, expertise, and ability to understand intent of this RFP and the resultant contract.
ii. Provide high performing offerors with the opportunity to differentiate themselves from their competitors due to their experience and expertise by using verifiable performance metrics and previous relative project performance results.

ii. PC Submittal Format Requirements

i. PC submittals should NOT contain any names that can be used to identify who the offerors are (such as firm names, personnel names, Project names, or product names).
ii. A PC proposal template is included in this RFP. This document should be used by all offerors. Offerors should NOT re-create, re-format, or modify the template in any manner. Offerors should type their responses on the Word template provided.
iii. Failure to comply with any of the PC format requirements may result in disqualification.
iv. The PC submittal should not contain any marketing information. The submittal should be used to prove to the City that the offeror has expertise for the specific project being proposed on.
v. References used in the PC submittal should be listed in the Attachment H Reference List. The Reference List will be used by CPD, the Evaluation Committee, and Procurement Manager after PC submittals are evaluated.

iii. Overview of the Scope/Level of Expertise Plan - The Scope/Level of Expertise Plan is to allow Offerors to differentiate themselves based on their technical capabilities and understanding of the City's specific needs. It should summarize the metrics that show the Offeror can accomplish the subject project with the Scope defined by past experiences on similar projects. *In addition to completing the Performance Metrics table on Attachment G (1), offerors should provide a narrative explaining their proposed performance metrics. This narrative should describe how their capabilities and proven track record—which the City will verify through references—align with or exceed the City's sample benchmarks. Offerors should justify any significant differences, highlight unique strengths or advantages, and provide a high-level summary of their proposal to ensure the selection committee can quickly grasp the key aspects of their approach and qualifications.* Offerors should identify scope claims based on their expertise and experience supported by verifiable performance metrics that show the capability to this specific project environment and requirement. All cost associated with technical capabilities listed in the SC/LE plan should be included in the proposed base project cost (see Attachments F and G1).

iv. Overview of the Value-Added Section – This section allows Offerors to present industry standards, innovative solutions, or unique services that the City may not have included in the RFP but could enhance the project. The Value-Added Plan provides an opportunity to propose additional options or ideas that may benefit the City, with or without changes to cost or revenue.

Offerors should clearly identify:

i. Any elements the City may have omitted from the scope of work.

ii. How these value-added options have been successfully implemented in previous projects, supported by verifiable performance data.

Offerors should also specify any cost or time impacts associated with these options. Any financial or revenue-related impacts outlined in the Value-Added Section (Attachment G2) should NOT be included in the proposed base cost (see Attachment F).

v. Reference List - There will be a designated area on both the Scope/Level of Expertise Plan and Value-Added Plan where performance claims are supported by an indicated reference. As the PC submittals are anonymous, the reference will be indicated only by a reference number which corresponds to the matching number on the Reference List (Attachment H).

e) Interviews - The Offerors will be required to participate in interviews to confirm/evaluate expertise. This is not a presentation. The Evaluation Committee will interview the Key Personnel Lead on the Interview date specified in the Project Procurement Schedule (or as soon as possible). The individual is required to attend in person or virtual for the interview. A second individual may be present (standby) to clarify their Cost Proposal if needed and/or requested. If interviews are not conducted, then offerors will all receive the full points for the selection criteria.

f) Local Preferences

Purpose:
The City of Santa Fe recognizes the economic value of supporting local businesses. Local preferences are intended to enhance the competitiveness of local businesses in the procurement process, in alignment with the City's Procurement Manual and applicable ordinances. These preferences are applied to promote local economic growth while adhering to the governing laws and regulations.

Usage:
Local preferences are applied in the evaluation of proposals received in response to the City's RFPs. These preferences are granted to businesses that meet specific qualifications, as outlined below, and can only be applied to procurements funded by the City. They are not applicable to purchases using state, federal, or grant funds.

Application:
1. **Local Preference Qualification**
   - To qualify, an Offeror must attach a Resident Business certification issued by the New Mexico Taxation and Revenue Department to their proposal. This certificate must verify that the business is located within Santa Fe municipal limits.
   - Proposals without a valid certification will not be eligible for local preference consideration.
2. **Evaluation in the Formal RFP Process**
   - **Point-Based System:**
     - Local resident businesses are awarded additional points equivalent to 3% of the total

possible points.
    - Businesses with all local resident business subcontractors receive an additional 3% of the total possible points.
    - Maximum local preference: 6%.
3. **Solicitations Above $1,000,000**
    - Proposals from resident businesses are deemed 6% lower than their submitted bid, provided at least 50% of subcontracted services are performed by resident businesses.
    - Proposals from non-local resident businesses are deemed 3% lower, provided at least 50% of subcontracted services are performed by resident businesses.
4. **Restrictions**
    - Local preferences are not applicable when federal funds are part of the expenditure or anticipated to be used for the contract.
    - If multiple preference certificates are submitted by a vendor, only one preference will be applied per solicitation, as determined by the City.

Additional Information: Applications for Resident Business certification can be downloaded at: http://www.tax.newmexico.gov/Businesses/in-state-veteran-preference-certification.aspx.

B. PROJECT REVENUE CONTROLS OF THE BEST VALUE APPROACH (BVA)

There are two revenue controls in the BVA including:

a) Best Value Check: After the prioritization of offerors, if the best value Offeror is within 15% of the next best value cost proposal, the best value Offeror will be prioritized first. If not within the range, the best value Offeror will attempt to justify why they should be awarded the contract. If the justification is clear to the Evaluation Committee, they will move into the clarification period.

b) Selection Check: Before the contract is awarded, an evaluation committee report should be completed and suggest award to the best value Offeror. If the justification is not sufficient, the award may go to the next best valued offeror who has met all the requirements of the BV approach. The Selection Check will provide the justification for hiring the highest prioritized Offeror. Selected proposal should be a proposal that is responsive, responsible, and is the most advantageous to City, as determined by the City in its sole discretion.

C. CLARIFICATION

Following the initial evaluation, the potential best value Offeror may be asked to enter into a Clarification Phase. This crucial phase, guided by Attachment I (Clarification Phase Guide), serves as a 'setting expectations' process to ensure mutual understanding between the City and the Offeror. It provides an opportunity for both parties to clarify any aspects of the proposal and RFP, address identified issues, mitigate risks, and develop a comprehensive Weekly Risk Report (Attachment J). Depending on the outcome of the initial evaluation or the Clarification Phase, the City may request a Best and Final Offer (BAFO). The Offeror will conclude the Clarification Phase with a presentation at the Clarification Meeting, demonstrating a clear and aligned understanding of the project's requirements and expectations.

D. AWARD

The City will notify each offeror in writing of the City’s decision.

a) The City reserves the right to reject any or all proposals and to award more than one offeror and to a offeror other than the lowest-priced offeror. The decision of the RFP award(s) by the City is final.

b) The City at its sole discretion, may decide to take no procurement action as a result of the RFP and/or may re-issue all or portions of the RFP.

c) The City reserves the right to accept or reject without consideration proposals that do not address the full requirements of the RFP or that do not reach the designated address and contact before the proposal due date and time identified.

The final award(s) is/are dependent upon the Offeror's Scope of Work (SOW) being acceptable to the City. Proposals and contents provided by the Offeror will be considered contractual obligations. Any new or unique requirements included in the proposal can be added or amended, at the City's sole option, to the final contract. Obligations of confidentiality will be an important condition of resulting contracts. The selected Offeror and all employees performing duties on this project will be required to keep all aspects of this project in confidence unless otherwise allowed by the City.

All Offeror's performance may be tracked by the Department POC through the Weekly Risk Report System (See Attachment J).

ATTACHMENT LIST – List of all attachments included in the RFP

Attachment A	Proposal Cover Page, Declaration, & Checklist
Attachment B	Campaign Contribution Disclosure Form
Attachment C	Conflict of Interest
Attachment D	Non-Collusion Affidavit
Attachment E	Key Personnel Lead Form
Attachment F	Project Cost Proposal Form
Attachment G	Project Capability Submittal (SC/LE, VA) Checklist and Format
Attachment G (1)	Scope / Level of Expertise Plan (SC/LE)
Attachment G (2)	Value-Added Plan (VA)
Attachment H	Reference List
Attachment I	Clarification Phase Guide
Attachment J	Weekly Risk Reporting System Guide
Attachment K	Draft Contract

ATTACHMENT A – PROPOSAL COVER PAGE, DECLARATION, AND CHECKLIST

The Offeror should complete and submit this Attachment. The following documents are required for this RFP (please mark off each document to acknowledge that you have completed and submitted the document in the proper format):

☐	Attachment A	Proposal Cover Page, Declaration & Checklist
☐	Attachment B	Campaign Contribution Disclosure Form
☐	Attachment C	Conflict of Interest
☐	Attachment D	Non-collusion Affidavit
☐	Attachment E	Key Personnel Lead Form
☐	Attachment F	Project Cost Proposal Form
☐	Attachment G	Project Capability Submittal (LE, RA, VA) Checklist and Format
☐	Attachment G (1)	Level of Expertise (LE) Plan
☐	Attachment G (2)	Value Added (VA) Plan
☐	Attachment H	Reference List
	Attachment K	Redlined Contract Template (if applicable)

ATTACHMENT B - CAMPAIGN CONTRIBUTION DISCLOSURE FORM

Pursuant to NMSA 1978, Sections 13-1-28, and 13-1-191.1, a prospective contractor subject to this section shall disclose all campaign contributions given by the prospective contractor or a family member or representative of the prospective contractor to an applicable public official of the state or a local public body during the two years prior to the date on which a proposal is submitted or, in the case of a sole source or small purchase contract, the two years prior to the date on which the contractor signs the contract, if the aggregate total of contributions given by the prospective contractor or a family member or representative of the prospective contractor to the public official exceeds two hundred fifty dollars ($250) over the two-year period. A prospective contractor submitting a disclosure statement pursuant to this section who has not contributed to an applicable public official, whose family members have not contributed to an applicable public official or whose representatives have not contributed to an applicable public official shall make a statement that no contribution was made.

A prospective contractor or a family member or representative of the prospective contractor shall not give a campaign contribution or other thing of value to an applicable public official or the applicable public official's employees during the pendency of the procurement process or during the pendency of negotiations for a sole source or small purchase contract.

Furthermore, a solicitation or proposed award for a proposed contract may be canceled pursuant to NMSA 1978, Section 13-1-181 or a contract that is executed may be ratified or terminated pursuant to NMSA 1978, Section 13-1-182 if a prospective contractor fails to submit a fully completed disclosure statement pursuant to this section; or a prospective contractor or family member or representative of the prospective contractor gives a campaign contribution or other thing of value to an applicable public official or the applicable public official's employees during the pendency of the procurement process.

The state agency or local public body that procures the services or items of tangible personal property shall indicate on the form the name or names of every applicable public official, if any, for which disclosure is required by a prospective contractor.

THIS FORM MUST BE INCLUDED IN THE RFP AND MUST BE SUBMITTED BY ANY OFFEROR WHETHER OR NOT THEY, THEIR FAMILY MEMBER, OR THEIR REPRESENTATIVE HAS MADE ANY CONTRIBUTIONS SUBJECT TO DISCLOSURE.

The following definitions apply:

"**Applicable public official**" means a person elected to an office or a person appointed to complete a term of an elected office, who has the authority to award or influence the award of the contract for which the prospective contractor is submitting a competitive sealed proposal or who has the authority to negotiate a sole source or small purchase contract that may be awarded without submission of a sealed competitive proposal.

"**Campaign Contribution**" means a gift, subscription, loan, advance or deposit of money.
or other thing of value, including the estimated value of an in-kind contribution, that is made to or received by an applicable public official, or any person authorized to raise, collect, or expend contributions on that official's behalf for the purpose of electing the official to statewide or local office. "Campaign Contribution" includes the payment of a debt incurred in an election campaign but does not include the value of services provided without compensation or unreimbursed travel or other personal expenses of individuals who volunteer a portion or all of

their time on behalf of a candidate or political committee, nor does it include the administrative or solicitation expenses of a political committee that are paid by an organization that sponsors the committee.

"**Family member**" means a spouse, father, mother, child, father-in-law, mother-in-law, daughter-in-law or son-in-law of (a) a prospective contractor, if the prospective contractor is a natural person; or (b) an owner of a prospective contractor.

"**Pendency of the procurement process**" means the time between the public notice of the RFP and ending with the award of the contract or the cancellation of the RFP.

"**Prospective contractor**" means a person or business that is subject to the competitive sealed proposal process set forth in NMSA 1978, Sections 13-1-28 through 13-1-199.

"**Representative of a prospective contractor**" means an officer or director of a corporation, a member or manager of a limited liability corporation, a partner of a partnership or a trustee of a trust of the prospective contractor.

ATTACHMENT C - CONFLICT OF INTEREST STATEMENT

Complete, sign, and return with your proposal.

The City of Santa Fe policy is to prevent personal or organizational conflict of interest, or the appearance of such conflict of interest, in the award and administration of City contracts and Purchase Orders.

The Offeror shall comply with all applicable provisions of the Governmental Conduct Act, NMSA 1978, Section 10-16 et seq and include a full disclosure of all potential organization conflicts of interest in the Proposal.

In addition to the authorized representative, all key personnel shall also complete the Conflict-of-Interest Form below certifying that the entity has read and understands the City's policy regarding conflict of interest. Each key personnel must also certify that there is no conflict of interest in connection to this RFP and/or resultant contract. If there is a conflict with the Project, then the authorized representative and known key personnel needs to describe the conflict.

The Offeror agrees that, if after award, an organizational conflict of interest is discovered, the authorized representative makes an immediate and full written disclosure to the City that includes a description of the action taken to avoid or mitigate such conflicts. If an organizational conflict of interest is determined to exist, the City may, at its discretion, cancel the contract. If Offeror's personnel was aware of an organizational conflict of interest prior to the award of the contract and did not disclose the conflict to the City, the City may terminate the contract for default.

The City may disqualify an Offeror if any of its key personnel belong to more than one Submitter organization/firm.

I, _____ certify that I/We have no personal or financial interests and no present employment or activity which would be incompatible with this firm's participation in any activity related to the RFP or execution of the awarded as a result of this RFP. For the duration of this firm's involvement in the resultant contract, this firm agrees not to accept any gift, benefit, gratuity or consideration, or begin a personal or financial interest in a party who is proposing or associated with an or Offeror on the contract.

I certify that this firm will keep all procurement and contract information confidential and secure. This organization will not copy, give, or otherwise disclose such information to any other person unless the City of Santa Fe has on file a confidentiality agreement signed by the other person, and the disclosure is authorized and necessary to the contract. I understand that if this firm leaves this agreement before it ends, this firm must keep all contract information confidential. I agree to follow any instructions provided by the City relating to the confidentiality of the contract information. I fully understand that any unauthorized disclosure made by this firm may be a basis for civil or criminal penalties. I agree to advise the CPO, via email, purchasing@santafenm.gov immediately in the event that I or another person within this organization either learn or have reason to believe that any person who has access to confidential information has or intends to disclose that information in violation of this agreement.

This statement must be fully completed and signed by an authorized representative.

Company Name: _____

Authorized Representative/Title: _____

Phone Number: _____

Fax Number: _____

Email Address: _____

Signature: _____

Date: _____

The above information is subject to verification by the City of Santa Fe. If the City finds a misrepresentation, the proposal may be automatically disqualified from the procurement process or the contract may be canceled.

ATTACHMENT D - NON-COLLUSION AFFIDAVIT

Complete, sign, and return with your proposal.

I hereby affirm that: I am the _____ (insert title) and the duly authorized representative of _____ (insert organization's name) whose address is _____. And, that I possess the legal authority to make this affidavit on behalf of myself and the firm for which I am acting.

I affirm:

1. I am fully informed respecting the preparation and contents of the attached proposal and of all pertinent circumstances respecting such proposal.

2. Such proposal is genuine and is not a collusive or sham proposal.

3. Neither the said Offeror nor any of its officers, partners, owners, agents, representatives, employees or parties in interest, including this affiant, has in any way colluded, conspired, connived or agreed, directly or indirectly with any Offeror, firm or person to submit a collusive or sham proposal in connection with the Contract for which the attached proposal has been submitted or to refrain from offering a proposal in connection with the Contract, or has in any manner, directly or indirectly, sought by agreement or collusion or communication or conference with any other Offeror, firm or person to fix the price or prices in the attached proposal or of any other Offeror, or to fix any overhead, profit or cost element of the proposal or the offer price of any other Offeror, or to secure through any collusion, conspiracy, connivance or unlawful agreement any advantage against the Mayor and Council of City of Santa Fe, New Mexico or any person interested in the proposed Contract; and

4. The price or prices quoted in the attached proposal are fair and proper and are not tainted by any collusion, conspiracy, connivance or unlawful agreement on the part of the Offeror or any of its agents, representatives, owners, employees, or parties in interest, including this affiant. I do solemnly declare and affirm under the penalties of perjury that the contents of this affidavit are true and correct.

2	Labs and Diagnostics	$	$
3	DOT Physical	$	$
4	Sub VO2 Max testing	$	$
5	Ultrasound Cancer Screening	$	$
6	Other	$	$
7		$	$
		Total Cost	**$**

ATTACHMENT G – PROJECT CAPABILITY SUBMITTAL CHECKLIST AND FORMAT

The Offeror should complete and submit this checklist along with the Project Capability (PC) Submittal. This PC Submittal Checklist is not counted in the 4-page PC Submittal limit. Failing to answer or answering "No" to any of the questions below may result in disqualification.

1. Is your PC Submittal (attachments G1, & G2) a total of 4 pages or less (2 page maximum per document)? ☐ Yes ☐ No
2. Do you understand that your PC Submittal will NOT contain any names, past projects, or information that may be used to identify who your firm is? ☐ Yes ☐ No
3. Do you understand that you should use the PC Submittal templates provided in this RFP and that you are NOT allowed to re-create the PC Submittal Templates (cannot alter font size, add colors, add pictures, etc.) or handwrite your responses? ☐ Yes ☐ No
4. Do you understand that the contents of PC Submittal will become part of the Contract? ☐ Yes ☐ No
5. Do you understand that your Proposal may be disqualified if you fail to meet any of the above requirements? ☐ Yes ☐ No

ATTACHMENT G (1) – SCOPE/LEVEL OF EXPERTISE PLAN (SC/LE)

Instructions:

- Offerors **should use this template** to provide their project performance metrics for each requirement.
- Each reported metric **should be supported by a reference** listed in **Attachment H: Reference List**, with the corresponding reference number indicated in the "Ref #" column.
- Offerors may add additional performance metrics that differentiate their qualifications.
- **Offerors should NOT modify the prefilled sample data** or exceed the 2**-page limit** for this section.
- **Offerors should NOT include any identifying information** in this submission.

The **City of Santa Fe Sample** column provides reference figures based on anticipated project needs. Offerors should enter their actual experience metrics in the **Offeror's Project Performance** column.

Scope Description:
In addition to completing the table below, offerors should provide a narrative explaining their proposed performance metrics. This narrative should describe how their capabilities and proven track record—which the City will verify through references—align with or exceed the City's sample benchmarks. Offerors should justify any significant differences, highlight unique strengths or advantages, and provide a high-level summary of their proposal to ensure the selection committee can quickly grasp the key aspects of their approach and qualifications.

***Note: the instructions above may be deleted from this form to allow for more room to respond.**

Performance Metrics

Requirement	City of Santa Fe Sample	Offeror's Project Performance	Ref #
Years of experience providing physicals	5	[Enter value]	[#]
# of contracts with entities for physicals	1	[Enter value]	[#]
# of contracts with government entities for physicals	1	[Enter value]	[#]
Number of individuals served over the last five years	5000	[Enter value]	[#]
Average Budget ($) Per Contract	~$600,000	[Enter value]	[#]
Average Contract Duration (Years)	4	[Enter value]	[#]
The maximum number of onsite evaluations the Offeror can perform per day	10	[Enter value]	[#]
The number of staff available for onsite service delivery.	3	[Enter value]	[#]
Onsite events per year	1	[Enter value]	[#]
Events where offeror would travel to client	1	[Enter value]	[#]
Customer Satisfaction (?/10)	10/10	[Enter value]	[#]

Offerors may provide additional performance metrics that highlight their expertise. Each metric should be supported by a professional reference in **Attachment H**.

[Enter additional metric]	[Enter value]	[#]
[Enter additional metric]	[Enter value]	[#]
[Enter additional metric]	[Enter value]	[#]

ATTACHMENT G (2) – VALUE ADDED PLAN (VA)

Instructions:

- Offerors **should use this template**.
- The Value-Added Plan should identify any **value-added options or ideas that may benefit the City**. The value-added claims should be prioritized (identify the most important claims first).
- The Offeror may add Value Added Claim rows to the table template, but **do not exceed the 2-page limit for this section**.
- Offerors should NOT include any identifying information in the Plan.
- Information supported by an indicated reference should have a corresponding reference listed in Attachment H: Reference List.
- Each value-added claim will provide a brief description, extra cost/delay, and impact which describes how it would affect the project in terms of cost, time and/or quality.

***Note: the instructions above and the example in table below may be deleted from this form.**

#	Value Added	Cost	Delay	Impact	Ref #
0	Example: Provide telecommunication services for physical updates and emergency calls	5%	0	Increased cost by 5%	1
1	[Enter Description]	[Enter Cost/%]	[Enter]	[Enter Impact]	[#]
2	[Enter Description]	[Enter Cost/%]	[Enter]	[Enter Impact]	[#]

6	[Enter Description]	[Enter Cost/%]	[Enter]	[Enter Impact]	[#]

ATTACHMENT H – REFERENCE LIST

Instructions:

- Offerors **should use this template**.
- The Reference List's "Ref #" should correlate with the references indicated on the Scope / Level of Expertise and Value-Added Plans.
- All references cited should have their Point of Contact (POC) readily available if follow-up questions or verification of project information and performance is required by City.
- Any References listed which are not readily available may be considered invalid in the scoring of the Scope / Level of Expertise and Value-Added Plans.

Ref #	Client Name	POC Name	Email	Phone	Project Cost	Duration
0	Example :Client A	POC Name A	A@gmail.com	(###) ### - ####	$ 1,800,000	1/1/2020 - 5/1/2020

ATTACHMENT I – CLARIFICATION PHASE GUIDE

1. OVERVIEW

a. Purpose: The Clarification Phase is designed to refine the selected Offeror's proposal and ensure a clear understanding of project requirements before contract execution. This phase is not a negotiation of cost/fee/financial rates, project durations, or project team composition, unless specifically requested by the City by following the BAFO process. The Clarification phase commences upon notification of the highest-ranked Best Value Offeror(s) and concludes with the final presentation to the City, after all identified issues have been addressed and updates provided through BAFO. If the City determines, at any point during the Clarification Phase, including after the First Clarification Meeting and Clarification Summary Meetings, that the proposal does not adequately meet the City's needs based on the requirements set forth in this RFP, the City may proceed with a Clarification Phase with the next highest-ranked Offeror. Upon successful completion of the Clarification Phase and receipt of all required documentation, the City may proceed to contract award.

b. Objective and Performance: The City's objective is to maximize the value and effectiveness of the products/services without increasing the Offeror's proposed price, while ensuring high customer satisfaction. The Offeror's performance will be evaluated based on these factors throughout the contract period. The Offeror is expected to proactively manage project risks, utilizing a selected tool such as the Weekly Risk Report (WRR) to mitigate potential issues.

c. Responsibilities: The Offeror is responsible for demonstrating a comprehensive understanding of the project scope and clearly defining their deliverables. The Offeror is also responsible for identifying and mitigating project risks. The City is responsible for communicating any concerns or issues to the Offeror before contract execution.

d. Deliverables: The Clarification Phase requires the Offeror to provide the following deliverables, which will form the basis of the final contract:

   a. A detailed project plan outlining all phases of work.
   b. An integrated cost/time schedule for tracking project deviations.
   c. A simplified milestone schedule for non-technical stakeholder tracking.
   d. A Cost Proposal presented in both milestone schedule and major area formats.
   e. Meeting minutes documenting the Offeror's risk mitigation plans for identified risks.
   f. A finalized Weekly Risk Reporting System (WRRS, Attachment F) for tracking project implementation and delivery. Project work shall not commence without an approved Purchase Order (PO) and a completed WRR (if requested). If requested, the Offeror will be responsible for updating and distributing the WRR to all stakeholders on a weekly basis, including: 1) cost and schedule status, 2) milestone schedule status, 3) project cost and time deviations, and 4) risk mitigation and other performance metrics.

2. PRE-PLANNING AND COORDINATION

a. Supporting Documentation: The City may request supporting documentation to verify information provided in the Offeror's proposal prior to the Clarification Phase.

   First Clarification Meeting: The Offeror is required to attend a First Clarification Meeting to present their proposal, address City concerns, and introduce project stakeholders. The Offeror shall:

   i. Ensure all relevant City stakeholders and participants are invited.
   ii. Present the detailed scope of services, including schedule, cost, and deliverables.
   iii. Clearly define the City's responsibilities.
   iv. Propose a finalized Weekly Risk Report (WRR) format.
   v. Address questions and concerns from City stakeholders.
   vi. Document and address concerns, issues, and comments from City stakeholders.
   vii. Propose a schedule for finalizing the Clarification Phase and contract documents.

b. Post-Meeting Activities: Upon successful completion of the First Clarification Meeting, the Offeror may be required to:

c. Conduct additional site visits or investigations.
d. Coordinate with all parties involved in project delivery.
e. Develop and document mitigation strategies for identified concerns and issues.
f. Finalize the Clarification Document, including the contract, WRR, payment schedule, and scope of work.

3. CLARIFICATION DOCUMENT

The final Clarification Document should include:

a. Executive Summary: A concise summary of the project scope, clearly delineating in-scope and out-of-scope items.
b. Finalized Scope Documents: Detailed descriptions of project tasks and methodologies.
c. Simplified Metrics: Clear and measurable descriptions of project deliverables.
d. Detailed Scope Descriptions: A comprehensive breakdown of all actions required by the Offeror, City, and stakeholders, including detailed and milestone schedules.
e. Finalized Weekly Risk Report (WRR) Format.
f. Project Financial Summary:
   a. The Offeror's Original Price Proposal.
   b. A list of agreed-upon Value-Added Options and their price impacts.
   c. A list of agreed-upon Scope Changes or Additional Work and their price impacts.
   d. A detailed Price Breakout and Payment Schedule.
g. Project and Emergency Contact List.
h. PowerPoint Presentation: A presentation summarizing the project scope, including cost, time, deliverables, and acceptance criteria.

4. FINAL CLARIFICATION MEETING

a. Purpose and Format: The Final Clarification Meeting is a summary presentation of the agreements reached during the Clarification Phase. This is not a question-and-answer session; all questions and coordination should be completed prior to this meeting.

b. Presentation and Documentation: The Offeror shall present a comprehensive overview of the contract period, including coordination and planning activities. The Offeror shall provide all required documentation, including a clear description of the City's responsibilities. The Offeror must demonstrate that all risks have been adequately mitigated. The presentation and meeting minutes (if applicable) will be incorporated into the final contract.

ATTACHMENT J – WEEKLY RISK REPORTING SYSTEM GUIDE

Overview

The City may choose to use the Weekly Risk Reporting System (WRRS) or something similar. This is a companion to the Quality Control Plan that is created by the best value Offeror during the Clarification Phase. The report serves as a tool for the City in analyzing the performance of the Project based on risk. The WRRS does not substitute or eliminate weekly progress reports or any other traditional reporting systems (that the Offeror may do).

The purpose of the WRRS is to allow the Offeror to document and manage all risks that occur throughout a project. Risk is defined as anything that might impact the project scope, cost, and schedule. This includes risks that are caused by the Offeror (or entities subcontracted by the Offeror), and risks that are caused by City (scope changes, unforeseen conditions, etc.). The City's Project Manager may also require the Offeror to document risks that may impact the City satisfaction.

Submission

The weekly report is an Excel file that should be submitted every week. The report is due every week once the Contract Award is issued, until the Project is 100% complete (and final payment is made). The Excel spreadsheet will be available from the City upon request.

The completed report should be saved using the date and name of the Project given by the City (Format: YYMMDD_Project Name; For example, 'HCM Project' for the week ending Friday, Oct 7, 2021, should be labeled '211007_HCM Project'). Weekly Reports are to be emailed by Monday.

The weekly risk report consists of reporting the project performance metrics, cost, scope changes or unforeseen events that are risks to the project in terms of scope and cost deviations, or City satisfaction including any risks that could potentially develop into an issue. When a new risk is identified, it is added to the weekly risk mitigation log.

When a risk has become an issue and causes deviation to project cost, time or quality, it is added to a project deviations log, along with the following: Identification date (date the issue was identified), plan to resolve issue, resolution due date, impact to critical path or schedule (in days), and impact to final cost (in dollars).

As deviations arise that warrant attention, the Offeror should not wait to submit the weekly risk report. The Offeror should contact the City if there are any risks or potential risks identified that are or could be rated at a high level. When a risk is eliminated or the issue is resolved, the actual date of elimination or resolution must be listed.

The City will analyze the reports for accuracy and timeliness. The reports will be used in part by the City to determine the overall final performance rating of the Offeror (and its team).

ATTACHMENT K - DRAFT CONTRACT

The Draft Contract (get current template prior to submitting this RFP for review https://intranet.santafenm.gov/all_forms_1) must be as complete as possible, including all City/Federal Terms, Conditions, Detailed Scope of Work, Definitions, etc. This does not preclude the City from negotiating the final contract terms and conditions during the negotiation period.>

<The paragraph below must remain in this Attachment as notice to all Offerors.>
The draft included in this Attachment represents the contract/price agreement the City intends to use to make an award/awards. The City of Santa Fe reserves the right to modify (as necessary) the draft prior to or during the award process.

The City's contract with the selected contractor will follow the City's standard format and include the terms in the Draft Contract. The City reserves the right to negotiate additional provisions. The RFP and the awarded proposal will be incorporated into the final contract.

Exceptions to contract terms are discouraged and may lead to rejection if they are deemed conditional, deficient, or require significant revisions. If an Offeror proposes changes, they must provide a separate document called Contract Edits, cite the specific sections of the Draft Contract they wish to modify, provide alternative language, and justify the proposed changes. General references to the Offeror's terms or complete substitutions of the Draft Contract are not allowed and will result in disqualification.

Offerors must submit any proposed modifications with their proposal, clearly identifying the affected sections of the Draft Contract. If no changes are proposed before selection, the Offeror agrees to the contract terms as stated. Contract negotiations will only address terms proposed during the RFP process and will not allow further amendments to the proposal.

CITY OF SANTA FE

Date: November 18, 2025

To: Governing Body

From: S. Jane Mathews, Public Works Project Manager II SJMathews SJMathews (Nov 19, 2025 08:34:16 MST)

Via: Sam Burnett, Interim Public Works Department Director JOHN BURNETT (Nov 19, 2025 10:44:06 MST)
Tim Farrell, Interim Facilities Division Director Timothy Farrell

Subject: Assessment and Design for the Preservation Work at the Santa Fe Main Library

Vendor Name: Woven Architecture LLC

Vendor Number: 5149

ACTION:
Request for Approval of a Professional Services Agreement with Woven Architecture LLC in the Total Amount of $231,300 Including NMGRT for Design Services for the Santa Fe Main Library for a Term of Two Years. (Jane Mathews, Public Works Project Manager II; sjmathews@santafenm.gov)

Request for Approval of a Budget Amendment Resolution (BAR) to Allocate $231,300 to FY26 Facilities WIP Design for Santa Fe Main Library Preservation Project.

CONTRACT NUMBER:
The Munis Contract Number is 3250438.

BACKGROUND:
The Public Works Department's Facilities Management Division (FMD), in partnership with the Community Health and Safety Department, has been awarded a Cultural Properties Restoration Fund (CPRF) grant from the New Mexico Department of Cultural Affairs Historic Preservation Division in the amount of $231,300.

The City of Santa Fe received the grant funds in advance, in June 2025. FMD is now seeking to execute both the Joint Powers Agreement and the Preservation Agreement. The Preservation Agreement is required to ensure that grant recipients maintain and preserve their cultural properties after the completion of the grant-funded work; it will remain in effect for a period of ten (10) years.

FMD, in coordination with the Community Services Department, will partner with Woven Architecture to advance this project. The grant funds are to be used for architectural design services for the rehabilitation of the interior and exterior of the historic Main Library. The scope of work includes measured drawings, an interior conditions assessment, programming and space planning to update visitor flow and usage as well as improvements to mechanical,

electrical, and plumbing systems (MEPs). The assessment includes an investigation of the extent of damage in the Southwest Reading Room, which has visible water damage. The project will include cost estimates and working drawings to guide future renovation of the Main Library.

The work will prioritize preservation and rehabilitation of the building exterior, incorporating the findings from the Main Library Facility Condition Assessment, prepared by Woven Architecture and completed in 2024. The working drawings will include the recommendations on site work, windows and doors, balconies, the building envelope, stucco and brick parapets, as well as work yet to be defined during the interior assessment.

Design work is anticipated to begin in January 2026, with completion expected by March 30, 2027. This schedule provides sufficient time to complete the programming phase, which will include extensive stakeholder meetings and public engagement sessions to define the goals and vision for the Main Library. These discussions will ensure that the design reflects the evolving role of libraries as dynamic community hubs rather than solely repositories for books.

Designed by John Gaw Meem and constructed in 1936, the Main Library is a Contributing Historic Structure within both the Santa Fe Historic District and the Downtown and Eastside Historic District, and an important historic and cultural asset to the City of Santa Fe. The building has served a range of civic functions—including City Hall and a police station—prior to its conversion into a library in 1986. Since the last major renovation in 2002, the condition of the facility's exterior has deteriorated significantly due to deferred maintenance.

This grant represents an important first step toward the preservation and restoration of one of the City's most architecturally and historically significant civic landmarks.

CITY OF SANTA FE

PROFESSIONAL SERVICES CONTRACT

THIS CONTRACT is made and entered into by and between the City of Santa Fe, New Mexico, hereinafter referred to as the "City," and **Woven Architecture, LLC**, hereinafter referred to as the "Contractor," and is effective as of the date set forth below upon which it is executed by the Parties.

RECITALS

WHEREAS, the Chief Procurement Officer of the City has made the determination that this Agreement is in accordance with the provisions of the New Mexico Procurement Code (NMSA 1978, 13-1-28 et seq.) pursuant to NMSA 1978, section 13-1-135 and

WHEREAS, the Contractor is one of such requisite and qualifications and is willing to engage with the City for professional services, in accordance with the terms and conditions hereinafter set out, and the Contractor understanding and consenting to the foregoing is willing to render such professional services as outlined in the Agreement; and

The City and the Contractor hereby agree as follows:

1. Scope of Work

The Contractor shall provide the following services-for the City:

A. Interior Conditions Assessment & Rehabilitation Plan. Complete an assessment of the library's interior conditions and develop a plan for rehabilitation of the library interior. The conditions report/plan shall:

1. Address architectural, mechanical, electrical, plumbing and safety and security.
2. Develop priorities and recommendations and evaluate estimated costs.
3. Include photographs and additional resources.

B. Measured Drawings. Measured drawings will be completed to document existing conditions and serve as a base plan for planning documents. Measured drawings shall include: floor plans, exterior elevations, MEP locations, reflected ceiling plan, roof plan, and select interior elevations.

C. Programming and Space Planning. Rehabilitation plans shall include programming and space planning as a pre-development phase of research and decision-making. Plans shall include:

1. Identifying stakeholders.
2. Holding stakeholder meetings.
3. Establishing goals.
4. Conceptual planning.

D. Working Drawings. Working drawings shall be completed for schematic design and design development. Schematic design shall:

1. Confirm the form, function and image of the project for the building's exterior and interior.
2. Determine elements of historic significance to preserve/restore/ protect.
3. Establish floor plan and reflected ceiling plan based on Programming and Space Planning results.
4. Trace existing electrical system for use in future work.
5. Begin building systems coordination.

E. Design Development. Design development drawings shall:

1. Further develop solutions to restore the exterior and rehabilitate the interior for modern library use.
2. Further develop plans to protect historic spaces/finishes.
3. Complete selection of equipment, materials, finishes for inclusion in future work.

F. Construction Documents. Construction documents shall include drawings, details, and specifications for construction, and:

1. Provide drawings incorporating dimensions, materials, finishes, and details necessary for the project for the following:
   a. Site plan; demolition plans; floor plans; roof plan; building + wall sections; reflected ceiling plans; interior elevations + sections; details; mechanical plans; including plumbing & HVAC; electrical plans, including special systems, power, lighting, security; material and color samples; specifications.

G. Opinion of Probable Construction Cost (OPCC). Architect will work with City and General Constructor to develop an OPCC based on industry standards and knowledge of general construction trends in Northern New Mexico.

H. Arborist Consultation/Tree Work. Architect will consult with an arborist to determine the health of the existing trees and make recommendations for moving forward. Currently, tree roots are heaving the brick walkway in multiple locations creating unsafe walking conditions.

All work completed shall comply with The Secretary of the Interior's Standards for the Treatment of Historic Properties. The SOI Standards may be found online, here: https://www.nps.gov/articles/000/treatment-standards-rehabilitation.htm

2. Standard of Performance; Licenses

A. The Contractor does hereby accept its designation as a professional service, rendering services related to architecture and design for the City, as set forth in this Agreement. The Contractor represents that Contractor possesses the personnel, experience, and knowledge necessary to perform the services described under this Contract.

B. The Contractor agrees to obtain and maintain throughout the term of this Contract, all applicable professional and business licenses required by law, for itself, its employees, agents, representatives, and subcontractors.

3. Compensation

A. **The total amount payable to the Contractor under this Agreement, including gross receipts tax and expenses, shall not exceed two hundred thirty-one thousand three hundred dollars ($231,300)**.

B. Payment. The total compensation under this Agreement **s**hall not exceed o shall not exceed two

hundred thirty-one thousand three hundred dollars ($231,300) including New Mexico gross receipts tax.. This amount is a maximum and not a guarantee that the work assigned to be performed by Contractor under this Agreement shall equal the amount stated herein. The Parties do not intend for the Contractor to continue to provide Services without compensation when the total compensation amount is reached. Contractor is responsible for notifying the City when the Services provided under this Agreement reach the total compensation amount. In no event will the Contractor be paid for Services provided in excess of the total compensation amount without this Agreement being amended in writing prior to services, in excess of the total compensation amount being provided.

C. Payment shall be made upon Acceptance of each Deliverable and upon the receipt and Acceptance of a detailed, certified Payment Invoice. Payment will be made to the Contractor's designated mailing address. In accordance with Section 13-1-158 NMSA 1978, payment shall be tendered to the Contractor within thirty (30) days of the date of written certification of Acceptance. All Payment Invoices MUST BE received by the City no later than fifteen (15) days after the termination of this Agreement. Payment Invoices received after such date WILL NOT BE PAID.
D. **Notice of Extended Payment Provision for Grant Funded Contracts**. This contract allows the owner to make payment within 45 days after submission of an undisputed request for payment.

4. Term

THIS CONTRACT SHALL NOT BECOME EFFECTIVE UNTIL APPROVED BY THE CITY. This Contract shall terminate **two (2) years from date of final signature** unless terminated pursuant to paragraph 5 (Termination) and paragraph 6 (Appropriations). The City reserves the right to renew this contract on an annual basis by mutual agreement not to exceed a total of four (4) years in accordance with NMSA 1978, Sections 13-1-150 through 152.

5. Termination

A. Grounds. The City may terminate this Agreement for convenience or cause. For contracts within their authority, the City Manager or their designee is authorized to provide the notice of termination, otherwise such notice of termination shall be provided by the Mayor or their designee as authorized by the Governing Body. The Contractor may only terminate this Agreement based upon the City's uncured, material breach of this Agreement.

B. Notice; City Opportunity to Cure.

1. The City shall give Contractor written notice of termination at least thirty (30) days prior to the intended date of termination.

2. Contractor shall give City written notice of termination at least thirty (30) days prior to the intended date of termination, which notice shall (i) identify all the City's material breaches of this Agreement upon which the termination is based and (ii) state what the City must do to cure such material breaches. Contractor's notice of termination shall only be effective (i) if the City does not cure all material breaches within the thirty (30) day notice period or (ii) in the case of material breaches that cannot be cured within thirty (30) days, the City does not, within the thirty (30) day notice period, notify the Contractor of its intent to cure and begin with due diligence to cure the material breach.

3. Notwithstanding the foregoing, this Agreement may be terminated immediately upon written notice to the Contractor (i) if the Contractor becomes unable to perform the services contracted for, as determined by the City; (ii) if, during the term of this Agreement, the Contractor is suspended or debarred by the City; or (iii) the Agreement is terminated

pursuant to Paragraph 6, "Appropriations", of this Agreement.

C. Liability. Except as otherwise expressly allowed or provided under this Agreement, the City's sole liability upon termination shall be to pay for acceptable work performed prior to the Contractor's receipt or issuance of a notice of termination; provided, however, that a notice of termination shall not nullify or otherwise affect either party's liability for pre-termination defaults under or breaches of this Agreement. The Contractor shall submit an invoice for such work within thirty (30) days of receiving or sending the notice of termination. *THIS PROVISION IS NOT EXCLUSIVE AND DOES NOT WAIVE THE CITY'S OTHER LEGAL RIGHTS AND REMEDIES CAUSED BY THE CONTRACTOR'S DEFAULT/BREACH OF THIS AGREEMENT.*

6. Appropriations

The terms of this Contract are contingent upon sufficient appropriations and authorization being made by the Governing Body for the performance of this Contract. If sufficient appropriations and authorization are not made by the Governing Body, this Contract shall terminate immediately upon written notice being given by the City to the Contractor. The City's decision as to whether sufficient appropriations are available shall be accepted by the Contractor and shall be final. If the City proposes an amendment to the Contract to unilaterally reduce funding, the Contractor shall have the option to terminate the Contract or to agree to the reduced funding, within thirty (30) days of receipt of the proposed amendment.

7. Status of Contractor

The Contractor and its agents and employees are independent contractors performing professional services for the City and are not employees of the City. The Contractor and its agents and employees shall not accrue leave, retirement, insurance, bonding, use of City vehicles, or any other benefits afforded to employees of the City as a result of this Contract. The Contractor acknowledges that all sums received hereunder are reportable by the Contractor for tax purposes, including without limitation, self-employment and business income tax. The Contractor agrees not to purport to bind the City unless the Contractor has express written authority to do so, and then only within the strict limits of that authority.

8. Assignment

The Contractor shall not assign or transfer any interest in this Contract or assign any claims for money due or to become due under this Contract without the prior written approval of the City.

9. Subcontracting

The Contractor shall not subcontract any portion of the services to be performed under this Contract without the prior written approval of the City. No such subcontract shall relieve the primary Contractor from its obligations and liabilities under this Contract, nor shall any subcontract obligate direct payment from the City.

10. Release

Final payment of the amounts due under this Contract shall operate as a release of the City, its officers and employees from all liabilities, claims and obligations whatsoever arising from or under this Contract.

11. Confidentiality

Any confidential information provided to or developed by the Contractor in the performance of this Contract shall be kept confidential and shall not be made available to any individual or organization by the Contractor without the prior written approval of the City.

12. Product of Service -- Copyright

All materials developed or acquired by the Contractor under this Contract shall become the property of the City and shall be delivered to the City no later than the termination date of this Contract. Nothing developed or produced, in whole or in part, by the Contractor under this Contract shall be the subject of an application for copyright or other claim of ownership by or on behalf of the Contractor.

13. Conflict of Interest; Governmental Conduct Act

A. The Contractor represents and warrants that it presently has no interest and, during the term of this Contract, shall not acquire any interest, direct or indirect, which would conflict in any manner or degree with the performance or services required under the Contract.

B. The Contractor further represents and warrants that it has complied with, and, during the term of this Contract, will continue to comply with, and that this Contract complies with all applicable provisions of the Governmental Conduct Act, Chapter 10, Article 16 NMSA 1978.

C. Contractor's representations and warranties in Paragraphs A and B of this Article are material representations of fact upon which the City relied when this Contract was entered into by the parties. Contractor shall provide immediate written notice to the City if, at any time during the term of this Contract, Contractor learns that Contractor's representations and warranties in Paragraphs A and B of this Article were erroneous on the effective date of this Contract or have become erroneous by reason of new or changed circumstances. If it is later determined that Contractor's representations and warranties in Paragraphs A and B of this Article were erroneous on the effective date of this Contract or have become erroneous by reason of new or changed circumstances, in addition to other remedies available to the City and notwithstanding anything in the Contract to the contrary, the City may immediately terminate the Contract.

D. All terms defined in the Governmental Conduct Act have the same meaning in this section.

14. Amendment

A. This Agreement shall not be altered, changed, or amended except by instrument in writing executed by the parties hereto and all other required signatories.

B. If the City proposes an amendment to the Contract to unilaterally reduce funding due to budget or other considerations, the Contractor shall, within thirty (30) days of receipt of the proposed Amendment, have the option to terminate the Contract, pursuant to the termination provisions as set forth in Article 4 herein, or to agree to the reduced funding.

15. Entire Agreement

This Agreement, together with any other documents incorporated herein by reference and all related Exhibits and Schedules constitutes the sole and entire agreement of the Parties with respect to the subject matter of this Agreement, and supersedes all prior and contemporaneous understandings, agreements, representations, and warranties, both written and oral, with respect to the subject matter. In the event of any inconsistency between the statements in the body of this Agreement, and the related Exhibits and Schedules, the statements in the body of this Agreement shall control.

16. Merger

This Contract incorporates all the Agreements, covenants and understandings between the parties hereto concerning the subject matter hereof, and all such covenants, agreements, and understandings have been merged into this written contract.

This Contract is issued against the Cooperative Educational Services (**CES) Master Agreement 2023-01-C1127-ALL** Design Professional Services, Category 1 - Lot 1, Architectural Design and Consulting Services, established and maintained by **Cooperative Educational Services**, and through this language hereby incorporates this agreement by reference and is included in the order of precedence.

No prior Agreement or understanding, oral or otherwise, of the parties or their agents shall be valid or enforceable unless embodied in this Contract.

17. Penalties for Violation of Law

NMSA 1978, sections 13-1-28 through 13-1-199, imposes civil and criminal penalties for its violation. In addition, the New Mexico criminal statutes impose felony penalties for illegal bribes, gratuities, and kickbacks.

18. Equal Opportunity Compliance

The Contractor agrees to abide by all federal and state laws and rules and regulations, and Santa Fe City Code, pertaining to equal employment opportunity. In accordance with all such laws of the State of New Mexico, the Contractor assures that no person in the United States shall, on the grounds of race, religion, color, national origin, ancestry, sex, age, physical or mental handicap, or serious medical condition, spousal affiliation, sexual orientation or gender identity, be excluded from employment with or participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity performed under this Contract. If Contractor is found not to be in compliance with these requirements during the life of this Contract, Contractor agrees to take appropriate steps to correct these deficiencies.

19. Applicable Law

The laws of the State of New Mexico shall govern this Contract, without giving effect to its choice of law provisions. Venue shall be proper only in a New Mexico court of competent jurisdiction in accordance with NMSA 1978, section 38-3-2. By execution of this Contract, Contractor acknowledges and agrees to the jurisdiction of the courts of the State of New Mexico over any and all lawsuits arising under or out of any term of this Contract.

20. Workers' Compensation

The Contractor agrees to comply with state laws and rules applicable to workers compensation benefits for its employees. If the Contractor fails to comply with the Workers' Compensation Act and applicable rules when required to do so, this Contract may be terminated by the City.

21. Professional Liability Insurance

Contractor shall maintain professional liability insurance throughout the term of this Contract providing a minimum coverage in the amount required under the New Mexico Tort Claims Act. The Contractor shall furnish the City with proof of insurance of Contractor's compliance with the provisions of this section as a condition prior to performing services under this Contract.

22. Other Insurance

If the services contemplated under this Contract will be performed on or in City facilities or property, Contractor shall maintain in force during the entire term of this Contract, the following insurance coverage(s), naming the City as additional insured.

A. **Commercial General Liability** insurance shall be written on an occurrence basis and be a broad as ISO Form CG 00 01 with limits not less than $1,000,000 per occurrence and $2,000,000 in the aggregate for claims against bodily injury, personal and advertising injury, and property damage. Said policy shall include broad form Contractual Liability coverage and be endorsed to name the City of Santa Fe their officials, officers, employees, and agents as additional insureds.

B. **Broader Coverage and Limits**. The insurance requirements under this Contract shall be the greater of (1) the minimum coverage and limits specified in this Contract, or (2) the broader coverage and maximum limits of coverage of any insurance policy or proceeds available to the Named Insured. It is agreed that these insurance requirements shall not in any way act to reduce coverage that is broader or that includes higher limits than the minimums required herein. No representation is made that the minimum insurance requirements of this Contract are sufficient to cover the obligations of Contractor hereunder.

C. Contractor shall maintain the above insurance for the term of this Contract and name the City as an additional insured and provide for 30 days cancellation notice on any Certificate of Insurance form furnished by Contractor. Such certificate shall also specifically state the coverage provided under the policy is primary over any other valid and collectible insurance and provide a waiver of subrogation.

23. Records and Financial Audit

The Contractor shall maintain detailed time and expenditure records that indicate the date; time, nature and cost of services rendered during the Contract's term and effect and retain them for a period of three (3) years from the date of final payment under this Contract. The records shall be subject to inspection by the City. The City shall have the right to audit billings both before and after payment. Payment under this Contract shall not foreclose the right of the City to recover excessive or illegal payments.

24. Indemnification

The Contractor shall defend, indemnify and hold harmless the City from all actions, proceeding, claims, demands, costs, damages, attorneys' fees and all other liabilities and expenses of any kind from any source which may arise out of the performance of this Contract, caused by the negligent act or failure to act of the Contractor, its officers, employees, servants, subcontractors or agents, or if caused by the actions of any client of the Contractor resulting in injury or damage to persons or property during the time when the Contractor or any officer, agent, employee, servant or subcontractor thereof has or is performing services pursuant to this Contract. If any action, suit or proceeding related to the services performed by the Contractor or any officer, agent, employee, servant or subcontractor under this Contract is brought against the Contractor, the Contractor shall, as soon as practicable but no later than two (2) days after it receives notice thereof, notify the legal counsel of the City.

25. New Mexico Tort Claims Act

Any liability incurred by the City of Santa Fe in connection with this Contract is subject to the immunities and limitations of the New Mexico Tort Claims Act, Section 41-4-1, et. seq. NMSA 1978, as amended. The City and its "public employees" as defined in the New Mexico Tort Claims Act, do not waive sovereign immunity, do not waive any defense and do not waive any limitation of liability pursuant to law. No provision in this Contract modifies or waives any provision of the New Mexico Tort Claims Act.

26. Invalid Term or Condition

If any term or condition of this Contract shall be held invalid or unenforceable, the remainder of this Contract shall not be affected and shall be valid and enforceable.

27. Enforcement of Contract

A party's failure to require strict performance of any provision of this Contract shall not waive or diminish that party's right thereafter to demand strict compliance with that or any other provision. No waiver by a party of any of its rights under this Contract shall be effective unless express and in writing, and no effective waiver by a party of any of its rights shall be effective to waive any other rights.

28. Notices

Any notice required to be given to either party by this Contract shall be in writing and shall be delivered in person, by courier service or by U.S. mail, either first class or certified, return receipt requested, postage prepaid, as follows:

To the City:
Spencer Schwartz
Project Manager II
City of Santa Fe Public Works
2651 Siringo Road, Building E
PO Box 909
Santa Fe, NM 87504-0909
smschwartz@santafenm.gov
505-955-5929

To the Contractor:
Barbara Felix
President
Woven Architecture, LCC
1114 Hickox Street, Suite A
Santa Fe, NM 87505
barbara.felix@bjfelix.com

29. Authority

If Contractor is other than a natural person, the individual(s) signing this Contract on behalf of Contractor represents and warrants that he or she has the power and authority to bind Contractor, and that no further action, resolution, or approval from Contractor is necessary to enter a binding contract.

30. Non-Collusion

In signing this Agreement, the Contractor certifies the Contractor has not, either directly or indirectly, entered into action in restraint of free competitive bidding in connection with this offer submitted to the City's Chief Procurement Officer.

31. Default/Breach

In case of Default and/or Breach by the Contractor, for any reason whatsoever, the City may procure the goods or services from another source and hold the Contractor responsible for any resulting excess costs and/or damages, including but not limited to, direct damages, indirect damages, consequential damages, special damages, and the City may also seek all other remedies under the terms of this Agreement and under law or equity.

32. Equitable Remedies

The Contractor acknowledges that its failure to comply with any provision of this Agreement will cause the City irrevocable harm and that a remedy at law for such a failure would be an inadequate remedy for the City, and the Contractor consents to the City 's obtaining from a court of competent jurisdiction, specific performance, or injunction, or any other equitable relief in order to enforce such compliance. The City's rights to obtain equitable relief pursuant to this Agreement shall be in addition to, and not in lieu of, any other remedy that the City may have under applicable law, including, but not limited to, monetary damages.

33. Default and Force Majeure

The City reserves the right to cancel all, or any part of any orders placed under this Agreement without cost to the City, if the Contractor fails to meet the provisions of this Agreement and, except as otherwise provided herein, to hold the Contractor liable for any excess cost occasioned by the City due to the Contractor's default. The Contractor shall not be liable for any excess costs if failure to perform the order arises out of causes beyond the control and without the fault or negligence of the Contractor; such causes include, but are not restricted to, acts of God or the public enemy, acts of the State or Federal Government, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, unusually severe weather and defaults of subcontractors due to any of the above, unless the City shall determine that the supplies or services to be furnished by the subcontractor were obtainable from other sources in sufficient time to permit the Contractor to meet the required delivery scheduled. The rights and remedies of the City provided in this Clause shall not be exclusive and are in addition to any other rights now being provided by law or under this Agreement.

IN WITNESS WHEREOF, the Parties have executed this Contract as of the date of the signature by the required approval authorities below.

Exhibit A

City of Santa Fe – Main Library

October 23, 2025

This Proposal/Agreement is for Architectural Services between:

The Owner:	City of Santa Fe Public Works 2651 Siringo Rd. Building E PO Box 909 Santa Fe, NM 87504 Contact: Jane Mathews, Project Manager II; sjmathews@santafenm.gov
The Architect:	Woven Architecture, LLC ("Architect" or "Woven") 1114 Hickox St, Ste A Santa Fe, NM 87505 Contact: Becca Snyder, AIA; becca.snyder@bjfelix.com
For the Project:	City of Santa Fe Main Library 145 Washington Avenue Santa Fe, NM 87501

PROJECT SUMMARY

The City of Santa Fe (City) is requesting a conditions assessment report for the interior (an Exterior Conditions Assessment completed in June 2024), measured drawings of the interior and exterior of the building, programming and space planning services to update visitor flow and usage, and working documents in preparation for brick-and-mortar work of the historic Main Library building located at 145 Washington Ave in downtown Santa Fe. Originally designed by John Gaw Meem in 1936 as the Municipal Building, the building is an excellent example of the work of one of Santa Fe's best-known architects. Located in the Santa Fe Historic District (National Historic Boundary) and the Downtown and Eastside Historic District (City of Santa Fe), it is a 'contributing building' within the City. Built in the Territorial Revival Style, it originally housed city hall, police department and jail, and a single-story fire station. It was converted to the Main Library in 1986. Though the last known major renovation occurred in approximately 2002, the historic integrity of the main façades is still largely evident. The work proposed will help improve the building envelope, make the building more energy efficient, and aid in making the building more resilient to changing climate conditions – in an effort to increase the longevity for this important historic structure. It will also focus on making much needed repairs to the Southwest Reading Room, the historic courtroom in the northeast corner of the building, which has visible water damage.

Upon completion of measured drawings, assessments, and programming, working drawings will be provided. These drawings will have information gathered from the separate exterior assessment, including recommendations on site work, windows and doors, balconies, the building envelope, stucco and brick parapets, as well as work yet to be defined through the interior assessment.

Finally, the City has added consultation work to be completed by an arborist on existing trees as many are more than thirty-five years old and roots are affecting brick walkways.

SCOPE OF SERVICES

1. Measured Drawings – Exterior and Interior documentation of existing conditions to serve as a base plan for planning documents.
    - Floor Plans
    - Exterior Elevations
    - MEP Locations

- Reflected Ceiling Plan
- Roof Plan
- Select Interior Elevations

2. Conditions Assessment – Interior: Provide a Conditions Assessment Report for development of a plan for rehabilitation of the interior of the Main Library. The Report will include:

- Executive Summary
- Conditions: Architectural (Floors, Walls, Ceilings)
Mechanical
Electrical
Plumbing
Safety and Security
- Recommended Work: Priorities
Recommendations
Estimated Cost Ranges
- Appendix: Photographs + Additional Resources

3. Programming + Space Planning – Pre-development phase of research and decision making that brings together a list of building wants and needs.

- Identify stakeholders (Library Staff, Facilities Staff, Friends of the Library, Community, etc.)
- Stakeholder Meetings
- Establish Goals (Organizational, Relationship, Function, Economic, Form + Image, Timing)
- Conceptual Planning Diagrams
- Application/Presentation to H-Board if required.

4. Working Drawings:

A. Schematic Design – Confirm the form, function, and image of the project (Exterior + Interior)

- Determine the elements of historic significance to preserve/restore/protect
- Establish floor plan and reflected ceiling plan based on Programming and Space Planning
- Trace existing electrical system for use in future work
- Begin building systems coordination

B. Design Development – Refine the design concept and requirements.

- Further develop solutions to restore the exterior and rehabilitate the interior for modern library use
- Further develop plans to protect historic spaces/finishes
- Complete selection of equipment, materials, finishes for inclusion in future work
- Provide outline specifications
- Provide Opinion of Probable Construction Cost

C. Construction Documents – Provide drawings, details, and specifications for construction.

- Provide drawings incorporating dimensions, materials, finishes, and details necessary for the project:
  - Site Plan
  - Demolition Plans
  - Floor Plans
  - Roof Plan
  - Building + Wall Sections
  - Reflected Ceiling Plans
  - Interior Elevations + Sections, where appropriate
  - Details
  - Mechanical Plans – including Plumbing + HVAC
  - Electrical Plans – including special systems, power, lighting, security
  - Material and Color Samples
  - Specifications
- Provide updated Opinion of Probable Construction Cost

5. Arborist Consult – Architect will consult with an Arborist to determine the health of the existing trees and recommendations for moving forward. Currently tree roots are heaving the brick walkway in multiple locations creating unsafe walking conditions.

PROJECT TEAM

The work is to be performed by prime consultant, Woven Architecture, LLC or ARCHITECT. Proposed subconsultants, to be hired and coordinated by the Architect, include:

- Tipton Engineering (Dillon Williams): MEP assessment and engineering
- RPA & Associates (Ra' Patterson): Window and door recommendations
- High Desert Structural (Bob Wichmann): Structural assessment and engineering
- Davenport Construction Management (Mitch Davenport): Estimated Cost Ranges
- Arbogast Paint Analysis (David Arbogast): Paint Testing to determine original colors
- Katherine O'Brien: Arborist
- Coates Tree Service: Cottonwood crown thinning

ARCHITECTURAL FEE

The proposed fee including consultants and NMGRT is $230,100. This is equivalent to 10% of a preliminary estimated construction (repair + maintenance) cost of $2.3M. Fees are billed in monthly invoices based on the percentage of work completed in each phase.

Item		Fee	NM GRT	Sub-Total
1	Measured Drawings	$34,662.05	$2,837.95	$37,500
2	Interior Assessment	$46,216.06	$3,783.94	$50,000
3	Programming + Space Planning	$14,789.14	$1,210.86	$16,000
4a	Schematic Design	$24,956.67	$2,043.33	$27,000
4b	Design Development	$41,871.75	$3,428.25	$45,300
4c	Construction Documents	$49,266.32	$4,033.68	$53,300
5	Arborist Consult	$924.32	$75.68	$1,000
		$212,686.31	**$17,413.69**	**$230,100**
	Expenses (Billed as they occur)	$1,109.19	$90.81	$1,200
	TOTAL with Expenses	**$21,795.50**	**$17,504.50**	**$231,300**

SCHEDULE OF WORK

Work can commence immediately upon signing this Proposal or a Contract. Based on the Architect's current workload, the following schedule of work is proposed. Bidding, Permit, Construction Administration, and Project Close-Out will be impacted by Owner and GC requirements/schedule.

Phase	Completion*
1. Measured Drawings	by December 15, 2025
2. Interior Assessment	February 27, 2026
3. Programming + Space Planning	March 27, 2026
4a. Schematic Design	June 26, 2026
4b. Design Development	October 30, 2026
4c. Construction Documents	March 26, 2027
5. Arborist Consult	*As needed*

* *Contingent on signed contract by November 15, 2025 and shall be equitably adjusted as the Project progresses, allowing for changes in scope, character or size of the Project requested by the Owner or Client, or for delays or other causes beyond the Architect's reasonable control, including but not limited to, review and approval times required by public authorities having jurisdiction over the Project, as well as the time required by the Owner and Client for decision-making. Additionally, work within phases may occur simultaneously.*

TERMS & CONDITIONS

A. DISPUTES/RESOLUTION

Any claims or disputes made during design, construction or post-construction between the Owner and Architect shall be submitted to non-binding mediation. Owner and Architect agree to include a similar mediation agreement with all contractors, sub-contractors, sub-consultants, suppliers, and fabricators, thereby providing for mediation as the primary method for dispute resolution between all parties.

B. INDEMNIFICATION

The Owner shall, to the fullest extent permitted by law, indemnify and hold harmless the Architect, his or her officers, directors, employees, agents and sub-consultants from and against all damage, liability and cost, including reasonable attorney's fees and defense costs, arising out of or in any way connected with the performance by any of the parties above named of the services under this Agreement, excepting only those damages, liabilities or costs attributable to the sole negligence or willful misconduct of the Architect.

C. CERTIFICATION

The Architect shall not be required to execute any documents that would result in its certifying, guaranteeing, or warranting the existence of conditions whose existence the Architect cannot ascertain.

D. LIMITATION OF LIABILITY

In recognition of the relative risks, rewards and benefits of the project to both the Owner and the Architect, the risks have been allocated such that the Owner agrees that, to the fullest extent permitted by law, the Architect's total liability to the Owner for any and all injuries, claims, losses, expenses, damages or claim expenses arising out of this Agreement from any cause or causes, shall not exceed the Architect's fee. Such causes include, but are not limited to, the Architect's negligence, errors, omissions, strict liability, breach of contract or breach or warranty.

E. TERMINATION OF SERVICES

This Agreement may be terminated by either the Owner or the Architect should the other fail to perform its obligations hereunder. In the event of termination, the Owner shall pay the Architect for all services rendered to the date of termination, all reimbursable expenses and reimbursable termination expenses.

F. OWNERSHIP OF DOCUMENTS

All documents produced by the Architect under this Agreement shall remain the property of the Architect and may not be used by the Owner for any other endeavor without the written consent of the Architect.

G. MARKETING

The Owner agrees to allow the Architect to take and use photographs or other documents, including drawings, for marketing purposes. The Architect will identify the Owner on all information.

H. TERMS

All fees quoted are valid for forty-five days (45) from the date of this Agreement. It is the Architect's policy on all projects to receive a signed Agreement prior to beginning work. This retainer will be applied to the final billing.

Statements for both fees and expenses are sent monthly (on the 5th), and payment is required within thirty (30) days from the date of receipt. Should the payment exceed thirty (30) days, service may be interrupted and result in a schedule adjustment. The Architect has the right to add a delinquency charge of eighteen (18) percent (1.5%) per month for any unpaid balance thirty days overdue. If payment is not received within thirty days of receipt of invoice, the Architect reserves the right to withhold plans and documents from the review process and the right to suspend or terminate services. If any portion or all of an account remains unpaid ninety days after billing, the Owner shall pay all costs of collection, including reasonable attorney's fees.

I. ACCEPTANCE AND APPROVAL

By signing this Proposal, the Owner and the Architect agree with the Scope of Services to be provided and agree that this Proposal shall function as the Agreement for Services.

Contract Award Letter

October 5, 2022

Barbara J. Felix Architecture + Design, LLC
511 Agua Fria St
Santa Fe, NM 87501

Re: Contract Award for:

2023-01-C1127-ALL Design Professional Services, Category 1 - Lot 1, Architectural Design and Consulting Services

Dear Procurement Partner,

Cooperative Educational Services (CES) thanks you for responding to our 2023-01 solicitation. The responses have been reviewed and it is our pleasure to inform you that your company has been selected to provide the products and services indicated in your response.

The Contract, in conjunction with the Contract and RFP documents, constitute the Agreement between the parties. Please retain all documents for your records. This Indefinite Delivery and Indefinite Quantity contract, as defined in NMSA 13-1-63; is for four (4) years beginning October 6, 2022, and expiring October 5, 2026, pursuant to 13-1-150 NMSA.

It is the vendor's responsibility to keep pricing up to date throughout the life of the contract.

Sincerely yours,

Cooperative Educational Services

David Chavez
Executive Director, Chief Procurement Officer
Office: 505.344.5470

ACCEPTANCE OF PROPOSAL
AND CONTRACT AWARD

CES RFP NUMBER: 2023-01

RFP DESCRIPTION: Design Professional Services, Category 1 - Lot 1, Architectural Design and Consulting Services

CES CONTRACT NUMBER: 2023-01-C1127-ALL

CONTRACT

This contract award is being made by Cooperative Educational Services ("CES"), 10601 Research Rd SE, Albuquerque, New Mexico 87123 effective this October 6, 2022, to Barbara J. Felix Architecture + Design, LLC, with its principal office located at 511 Agua Fria St, Santa Fe, NM 87501 pursuant to the above referenced CES conducted Request for Proposal ("RFP"), or Request for Bids ("RFB") procurement, and Contract Holder accepts the award and enters into this contract pursuant to the following terms and conditions.

RECITALS

Cooperative Educational Services (CES) is a cooperative procurement agency created by a Joint Powers Agreement as authorized by Section 11-1-1, et. seq., N.M.S.A., 1978, and Section 13-1-135 and procures tangible personal property, services and construction services ("Products, Services and/or Construction Services") pursuant to the New Mexico Procurement Code for the benefit of its Members and Participating Entities. The Members consist of public educational institutions in New Mexico that are signatories to a Joint Powers Agreement establishing CES as their procurement agency. The Participating Entities are governmental and 501(C) (3) organizations that have entered into Participating Entity Agreements with CES which allow them to take advantage of the procurement efforts of CES.

The undersigned (Contract Holder) has successfully responded to a RFP or RFB published by CES in accordance with the Procurement Code, (13-1-103, 111, 112), and Contract Holder is being awarded this RFP or RFB contract by CES which allows Contract Holder to offer Products, Services and Construction Services in accordance with the terms and conditions set forth herein and in the RFP or RFB documents and this contract award.

DocuSign Envelope ID: CEC55E2B-3951-4935-A0AF-AEBD9FE80DB1

CONTRACT TERMS

1. The contract term shall be for Four (4) years from the effective contract award date October 6, 2022 through October 5, 2026. CES reserves the right to renew the Contract through a written amendment signed by all required signatories, but in any case, the Contract shall not exceed the total number of years allowed pursuant to NMSA 1978 13-1-150. CES reserves the right to offer month-to-month extensions if it is determined by CES to be in the best interest of CES Members/Participating Entities.

2. Contract Holder agrees and acknowledges that the contract terms and provisions are those contained in the above referenced RFP or RFB and agrees to furnish all Products, Services and/or Construction Services in compliance with all terms, conditions, specifications of and amendments to this RFP, IFB or RFB. Contract Holder understands that his obligations under this RFP or RFB contract extend to CES Members and Participating Entities who are third party beneficiaries of this RFP or RFB procurement process. The Members/Participating Entities may negotiate with Contract Holder certain additional terms and conditions relating to the scope of services and other performance details. However, the terms and conditions of the RFP or RFB may not be altered or amended except with the approval of CES and in accordance with the State Procurement Code.

3. Contract Holder acknowledges and agrees that CES' purpose and function is to act as a cooperative procurement agent on behalf of its Members and Participating Entities so that they may take advantage of these procurement efforts. CES does not have any subsequent responsibility relating to the quality and fitness of any Products, or the performance of any Services and Construction Services by Contract Holder. Any purchase orders placed by a CES Member or Participating Entity with Contract Holder directly or through CES and any resulting contract between the Contract Holder and a CES Member or Participating Entity do not create any additional obligations on the part of CES.

4. For transactions which involve CES transmitting purchase orders from a CES Member/Participating Entity to Contract Holder, CES volunteers to act as a payment facilitator to make payments to Contract Holder with funds transferred to CES by the CES Member/Participating Entity in accordance with CES Member/Participating Entity's written instructions and to provide an accounting of all monies paid or received by CES pursuant to this Agreement. CES also volunteers to provide informal mediation services between Contract Holder and CES Member/Participating Entity in the event any dispute arises between them.

5. Contract Holder understand and agree that upon CES' receipt of funds from CES Member/Participating Entity, CES has no right or authority to thereafter apply those funds to any purpose other than as instructed by CES Member/Participating Entity. CES shall incur no liability to Contract Holder except for liability arising from CES' own gross negligence or willful misconduct to the extent allowed by New Mexico law. Through this procurement process, Contract Holder is

6. authorized to provide the described Products, Services or Construction Services. CES has no obligation or right to involve itself with the manner or method by which Contract Holder provides these Products, Services or Construction Services.

DocuSign Envelope ID: CEC55E2B-3951-4935-A0AF-AEBD9FE80DB1

7. To the extent allowed by New Mexico law, Contract Holder agrees to hold CES harmless from all costs, expenses, attorney fees and judgments based upon claims between a CES Member/Participating Entity and Contract Holder in connection with the specified Products, Services or Construction Services provided by Contract Holder

8. Contract Holder agrees that it will not assert any claim against CES in the event that a dispute arises regarding the alleged failure of Contract Holder or CES Member/Participating Entity to perform as provided for in the RFP or RFB documents, any purchase order or other contract between Contract Holder and a CES Member/Participating Entity. This does not include claims against CES based upon the alleged gross negligence or intentional acts of CES.

9. Any liability incurred in connection with this Agreement shall be subject to the immunities and limitations of the New Mexico Tort Claims Act, §§ 41-4-1 et seq, NMSA 1978, as amended.

9. The Recitals are incorporated herein as contract terms.

Agreed effective the above date:

ATTACHMENT A
TO CONTRACT 2023-01-C1127-ALL
ACCEPTANCE OF PROPOSAL
AND CONTRACT AWARD

GENERAL SCOPE OF WORK AND SPECIFICATIONS
CES RFP 2023-01 Design Professional Services
Category 1 - Lot 1, Architectural Design and Consulting Services

GENERAL

This contract shall comply with the Procurement Code, 13-1-154.1 NMSA 1978 thresholds for On-Call Design Professional Services as follows:

Design fees for a single project shall not exceed Six Hundred Fifty Thousand Dollars ($650,000) and the contract term shall not exceed four (4) years or Seven Million Five Hundred Thousand ($7,500,000) whichever occurs first.

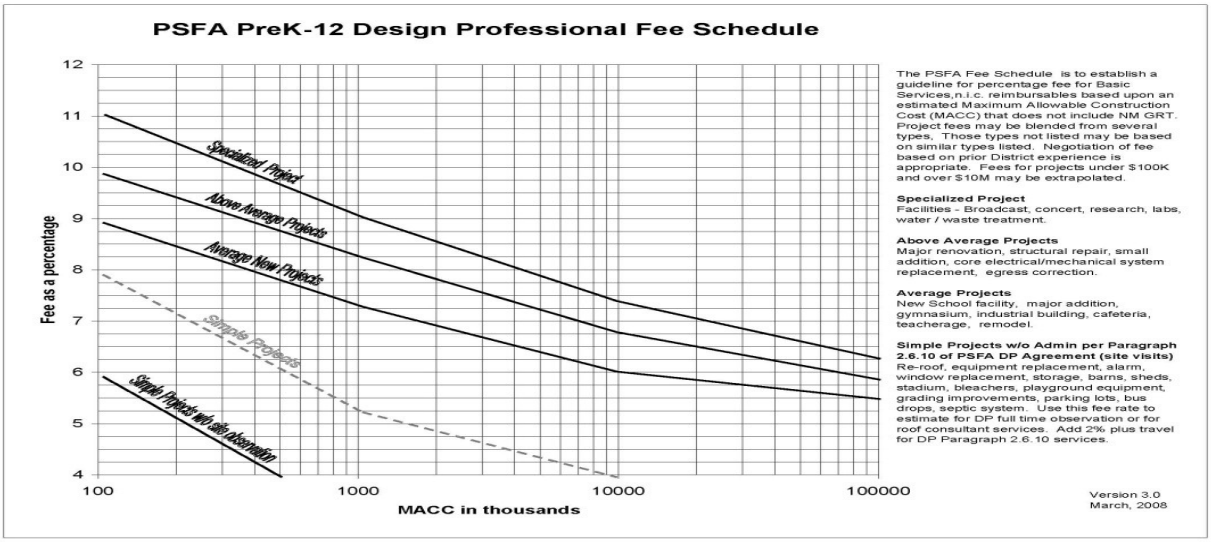
1. ARCHITECTURAL DESIGN BASIC SERVICES

"Architectural services" means the services, as defined by rule of the board, performed in the practice of architecture. These services include predesign services, programming, and planning, providing designs, drawings, specifications, other technical submissions, administration of construction contracts, coordination of technical submissions prepared by others and such other professional services as may be necessary to the planning, progress, and completion of any architectural services. An architect who has complied with all the laws of New Mexico relating to the practice of architecture has a right to engage in the incidental practice of activities properly classifiable as engineering; provided that he architect does not hold himself out to be an engineer or asperforming engineering services and further provided that the architect performs only that part of the work for which the architect is professionally qualified and used professional engineers, architects or others for those portions of the work in which the contracting architect is not qualified. Furthermore, the architect shall assume all responsibility for compliance with all laws, codes, rules and ordinances of the state or its political subdivisions pertaining to documents bearing an architect'sprofessional seal.

Additionally, firm(s) to provide services that may include, but are not limited to:

a. Interior and exterior design services; space planning services; office, instructional, vocationaland specialty areas space design; furniture, fixtures and equipment selection and layout;
b. Structural, mechanical, electrical, and environmental engineering
c. Facility master plan development, review and updating;
d. Program development and implementation;
e. Site, infrastructure, facility, building and building systems assessment and evaluation;
f. Deficiencies investigation, physical and environmental;
g. LEED and building commissioning services;
h. Miscellaneous services associated with and related to the above services.

2. Design Professional Licensure: Offerors will have all the appropriate New Mexico licenses if they intend to perform and provide the services themselves. Copies of current licenses are required. The Offeror agrees to keep and ensure that any required licenses for it and any consultants for a project current and in compliance with New Mexico rules and regulations. It is the Offeror's responsibility to keep CES updated



to any changes in licensure, or to provide copies of renewed licenses to keep the procurement file up to date.

3. Fee Schedule For Professional Services:

Per the NM Procurement Code 13-1-124.Architect Rate Schedule, The Offeror shall utilize the State of NM architect rate schedule which shall set the highest permissible rates for each building type group, which shall be defined in the regulations for a project. The rate schedule shall be in effect upon the approval of the state board of finance and shall be in compliance with the State Rules Act and shall apply to all contracts between a CES Member (K-12) and the Offeror. The Offeror is encouraged to review and take into considerationthe State guidelines layout in the New Mexico General Service rule (GSD 85-510), New Mexico Administrative Code 1-5-18.

State of NM & Public School Facilities Authority Architect Rate Schedule

Per the NM Procurement Code 13-1-124.Architect Rate Schedule

4. Project Phases

Each individual project's scope of work performed will be subject to the individual CES Member or Participating Entity engaging, assessing, evaluating, selecting, and negotiating with the Offeror that possesses the qualifications, background, experience, attributes and resources that best fit their project's goals, objectives and outcomes, and to assist them in developing, implementing, executing,conducting and completing the identified project in the most cost effective and timely manner. Theproject phases may include, but is not limited to:

1. Programming phase;
236. Conceptual design and alignment studies;
237. Schematic design phase;
238. Design development phase;
239. Construction documents phase;
240. Procurement and/or bidding phase;
241. Construction phase;
242. Project acceptance and close-out;
243. Project 11-month warranty phase
244. CES Member/Participating Entity retainage of records

5. Design Activities

The tasks and activities to be performed may relate to and include, but are not limited to new infrastructure, facility and building construction.

a. Educational (administrative, classroom, science, vocational, food service, athletic,playground, maintenance, transportation, etc.) facilities;
b. Utility plant and infrastructure (electricity, gas, water, sewer, communications, etc.) generation, distribution, storage, and related facilities;
c. Historical facility preservation and restoration;
d. Drainage, storm water and flood control systems;
e. Medical and healthcare facilities;
f. Public landscape, parks, and recreational facilities;
g. Transportation, (transit, street, parking lots, pedestrian walkways, bikeways, trails,walkways, etc.) infrastructure and facilities;
h. Urban Design (Architectural, Planning and Engineering Services);
i. Design and project management services of new additions to a public safety/law enforcement facility;
j. Renovation, remodeling, repair, replacement and upgrading of existing infrastructure, facility, building and building systems;
k. Educational (administrative, classroom, science, vocational, food service, athletic,playground, maintenance, transportation, etc.) facilities;
l. Reconfiguring and modifying existing spaces to meet current program needs and requirements,
m. Updating and replacing of the building's envelope (roof, exterior walls), interior walls andfixtures, doors, windows, etc;
n. Renovating, upgrading, and replacing existing electrical (generating, distribution, lighting, communications, etc.) systems;
o. Renovating, upgrading and the replacing of existing mechanical (HVAC, plumbing, etc.) systems;
p. Renovating, upgrading, and replacing existing specialty systems, fire, security, intercom,and communications (voice, data, fiber, Ethernet, cable TV, etc.);
q. Renovating, remodeling, and upgrading existing infrastructures, facilities, buildings, tocomply with ADA, health and safety standards, codes, and regulations;
r. Renovation and restoration of existing historical facilities to preserve the physical andhistorical integrity of the original facility (fabrics, colors, and styles shall be consistent with the building's history, design, and architecture);
s. Utility plant and infrastructure;
t. Renovating, updating, and replacing existing utility infrastructure and facilities (electric,gas, water, sewer, communications, etc.);
u. Respond to, manage, and address emergency repair and recovery events involving theseutility assets
v. Drainage, storm water and flood control systems;
    1) Renovating, updating, and replacing existing systems to meet current and future needs;
    2) Respond to, manage, and address emergency repair and recovery events involving these systems;
w. Medical and healthcare facilities renovate, remodel, and reconfigure the facility for a changing in its function and operations, including renovating, updating, and replacing existing medical and healthcare furniture, fixtures, equipment and delivery systems.

6. Hourly Rate Schedule and Reimbursable Fees shall be submitted after Final Award Notice for the

DocuSign Envelope ID: CEC55E2B-3951-4935-A0AF-AEBD9FE80DB1

Contract File: The Offeror will furnish its proposed hourly rate schedule and Reimbursable Fees schedule that will become part of the Offeror's procurement file. The Hourly Rate Schedule must clearly state and identify any/all services and related services proposed in response to this solicitation with their associated costs, whether provided by the Offeror. The Offerorwill maintain, keep current and provide copies of the approved hourly rate schedule to CES Agencies for audit purposes when preparing quotes. The Hourly Rate Schedule may be modified at contract renewal.

7. Quote/Proposal for the Work for CES Member/Participating Entity: When preparing a quote/proposal under a CES-awarded contract, the Offeror must clearly identify and break out services, deliverables, materials, and reimbursable expenses into individual line items as they appear on the Offeror's awarded price schedule or pricing methodology. Stated prices must include the CES one percent (1.25%) administrative fee.

Design Professional Services
Category 1 - Lot 1, Architectural Design and Consulting Services

PRICING

All pricing including updates/changes must be uploaded through the vendor portal in the eProcurement System for review and approval by CES.

A. **Price List/Pricing:** The Offeror will upload through the vendor portal electronic copies of or provide electronic access to the approved current price list(s) for products and services offered under this solicitation (RFP) upon execution of this contract. The Offeror must keep current all pricing for any contract issued as a result of this solicitation. Should the Offeror fail to update pricing with CES, the Offeror shall honor their pricing on file with CES at the time of their quote submittal to the CES Member/Participating Entity. Discounts off the current price list are permitted and must remain firm throughout the life of the contract. Discount off list price must be clearly noted in the price quote to the member. All pricing must include the CES 1.25% administration fee.

B. **New Technology and Products:** New products or related services announced by manufacturer and/or Contractor may be added to this existing contract. Pricing shall be equivalent to the percentage discount of other product(s); is substantially superior to the original product(s) offered; is discounted in a similar or to a greater degree; and if the product(s) meet the requirements of the original RFP. No products may be added to avoid competitive procurement procedures. CES is responsible for approving any product, service or technology for this contract. CES can reject any approved additions, any new product, service or technology for this contract, without cause.

C. **Price Quote/Proposal:** When preparing a quote/proposal under a CES awarded contract, the Offeror must clearly identify and break out quantities, descriptions, supplies, materials, equipment and services into individual line items as they appear on the Offeror's awarded price schedule or pricing methodology. At a minimum all quotes or proposals shall include the following: description, "hourly labor rate or the list/catalog unit price", "the per cent discount offered" and the final "CES price". All stated prices must include the CES one point two five percent (1.25%) administrative fee. Shipping/Freight costs and the New Mexico Gross Receipts Tax as applicable must be stated in separate lines.

D. **Price Reduction, Promotional and Special Pricing:** A price reduction can be offered at any time and will become effective upon approval by CES. CES reserves the right to approve or disapprove such requests.

E. **Price Increases:** Anytime during the life of the contract, pricing can be updated (increased/decreased) with proper justification letter from the manufacturer or distributor thereof and will become effective upon approval by CES. CES reserves the right to approve or disapprove such requests.

F. **Price Surcharges:** Depending on current market conditions, surcharges may apply as approved by CES.

Subject: RE: Determination Request – Main Library Preservation Design
Date: Wednesday, October 30, 2024 2:51:36 PM
Attachments: image003.png

Greetings,

The scope of work as written would be Professional Services. This determination relates only to that question and is no comment on whether the scope of work or procurement method meet all legal standards. I reserve the right to change this determination if the scope of work differs from the scope of work submitted for the original determination. This procurement must be conducted using the processes and procedures set forth by the City of Santa Fe, Central Purchasing, the Procurement Manual, and state statutes.

Please note:

- Save this email as a PDF and upload it into the corresponding Munis records.
- Check with WorkQuest dba Horizons of New Mexico (mloehman@horizonsofnewmexico.org) if this service appears on their approved list.
- If your request includes anything that needs to be reviewed and preapproved by another City Department/Division, please send the same SOW to the corresponding email address and include their response in your packet/Munis.
  -IT components (anything IT) - ereview@santafenm.gov
  -Vehicles – dmjaramillo@santafenm.gov
  -Grants - mtbonifer@santafenm.gov; cmthompson@santafenm.gov; evlujan@santafenm.gov

  - Construction, Facilities, Furniture, Fixtures, Equipment, etc. - jsburnett@santafenm.gov
  -Emergency Related Purchases - bgwilliams@santafenm.gov
  -Asset over $5k - lmstorey@santafenm.gov
- Ensure that the appropriate templates and forms are used https://intranet.santafenm.gov/finance_1 and documented procedures/laws/rules are followed.
- > $20k per year, when processing this procurement, please ensure the procurement number issued by Munis and the procurement name are used in the appropriate documents and the subject of emails.
- If you are processing a procurement where the forecasted amount is =/> $60k, per NMSA 1978, Section 13-1-102, if you aren't using a cooperative or existing contract, you must process an RFP.
- < $20k per year, one quote is acceptable.
- From $20k to $60k per year, if you aren't using a cooperative or existing contract, you'll need to provide 3 quotes in your req. Must use the Munis Bid Module after 12/21/2023.
  Figure out your funding source and **inform Purchasing**. To ensure that the proper

documents and language are used, it is important to identify the funding source for the subsequent contract. For instance, if federal funds are involved, the procurement request and subsequent contract must include the necessary federal language. Therefore, it is crucial to determine the funding source beforehand.

- Review the pages linked below to determine whether any of the existing price agreements/contracts or cooperative agreements are applicable to this request. You might be able to use an existing price agreement/contract to save time and money.
    - https://www.generalservices.state.nm.us/state-purchasing/statewide-price-agreements/ (if you choose to use a Statewide, you do not need to ask Horizons if they can do the work. State Purchasing must offer the SOW to Horizons prior to placing the award on their website.)

Subject: Determination Request – Main Library Preservation Design

Good morning,

Facilities Division is requesting a SOW determination for the following:

> Provide design services at the Santa Fe Main Library to include an interior conditions assessment and rehabilitation plan, measured drawings, programming and space planning, working drawings, design development, construction documents and opinion of probable cost estimates as described in the City's Cultural Properties Restoration Fund Grant application.

Please let me know if additional information is required.
Thank you!

Best,
Elizabeth "Lisa" Kahahane

JOINT POWERS AGREEMENT
BETWEEN THE
DEPARTMENT OF CULTURAL AFFAIRS
HISTORIC PRESERVATION DIVISION
AND THE
CITY OF SANTA FE

THIS AGREEMENT is made and entered into on _____ pursuant to the Joint Powers Act, Section 11-01-01 et seq., NMSA 1978, and is between the Department of Cultural Affairs, Historic Preservation Division, hereinafter referred to as "HPD," and the City of Santa Fe, hereinafter referred to as the "AGENCY."

WHEREAS, HPD is a public agency as defined in Section 11-1-2 NMSA 1978 and the AGENCY is a political subdivision of the State of New Mexico as defined in 11-6-3(E) NMSA 1978; and

WHEREAS, on May 18, 2023, Governor Michelle Lujan Grisham signed Senate Bill 9, the "Land of Enchantment Legacy Fund" which established dedicated recurring funding for conservation and preservation efforts. The legislation was a bipartisan effort sponsored by Senators Peter Wirth and Steven Neville, and Representative Nathan Small in the 2023 Legislative Session and supports state agencies requiring matching funds for federal conservation grants as well as historic preservation projects; and

WHEREAS, the Department of Cultural Affairs (hereinafter "DCA") is one of eight State Departments receiving funding from the Legacy Fund; and

WHEREAS, funding is administered through the Department of Cultural Affairs, Historic Preservation Division ("HPD"), via the Cultural Properties Protection Act 18-6A-1 – 18-6-6 NMSA 1978; and the Cultural Properties Restoration Fund, (hereinafter "CPRF"), NMAC 4.10.13; and

WHEREAS, one million in funding will be distributed to the CPRF in 2024; and

WHEREAS, when the DCA awards a grant for restoration, interpretation, preservation, stabilization or protection of a cultural property, the grant shall be administered under the terms of a joint powers agreement (JPA), which will specify the nature of the work to be done, payment schedule, reporting requirements, long-term preservation and protection measures, and other requirements of the grant, NMAC 4.10.13.11; and

Docusign Envelope ID: 1284F63A-D6F5-4AAF-B9DE-FF1DD41E336C

WHEREAS, the State Historic Preservation Officer and the Cultural Properties Review Committee (hereinafter "CPRC") are authorized to review and select grant applications to the
CPRF; and

WHEREAS, the HPD and the AGENCY desire to enter into a Joint Powers agreement to exercise their common power to administer grant funds to political subdivisions of the State of New Mexico and state agencies/departments to complete a historic preservation project as outlined in this Agreement; and

NOW THEREFORE, the parties agree as follows:

1. **Purpose**. HPD and the AGENCY shall enter into a Joint Powers Agreement (hereinafter "Agreement") to expend grant funds to complete a historic preservation project (hereinafter "Project") per the AGENCY'S application for CPRF funding.

2. **Scope of Work**. The Project's Scope of Work (hereinafter "SOW") shall include the following stipulations.

   (A) HPD Shall:
   1) Administer the Project in partnership with the AGENCY.

   2) Establish this Agreement and work with AGENCY to develop a Scope of Work outlined in this Agreement.

   3) Periodically review AGENCY progress on the PROJECT.

   4) Ensure that AGENCY is paid for the Project before starting and that the project was completed per this Agreement.

   (B) The AGENCY shall:
   Complete rehabilitation projects at the City of Santa Fe Main Library. The Main Library is a contributing resource within the Santa Fe Historic District, listed in the State Register of Cultural Properties on September 29, 1972, and in the National Register of Historic Places on July 23, 1973.

   1) The project shall consist of the following:

      a. Interior Conditions Assessment & Rehabilitation Plan.
      Complete an assessment of the library's interior conditions and develop a plan for rehabilitation of the library interior.

      The conditions report/plan shall:
      1. Address architectural, mechanical, electrical, plumbing and safety

Docusign Envelope ID: 1284F63A-D6F5-4AAF-B9DE-FF1DD41E336C

and security.
2. Develop priorities and recommendations and evaluate estimated costs.
3. Include photographs and additional resources.

b. Measured Drawings. Measured drawings will be completed to document existing conditions and serve as a base plan for planning documents. Measured drawings shall include floor plans, exterior elevations, MEP locations, reflected ceiling plan, roof plan, and select interior elevations.

c. Programming and Space Planning. Rehabilitation plans shall include programming and space planning as a pre-development phase of research and decision-making.

Plans shall include:
1. Identifying stakeholders.
2. Holding stakeholder meetings.
3. Establishing goals.
4. Conceptual planning.

d. Working Drawings. Working drawings shall be completed for schematic design and design development.

Schematic design shall:
1. Confirm the form, function and image of the project for the building's exterior and interior.
2. Determine elements of historic significance to preserve/restore/ protect.
3. Establish floor plan and reflected ceiling plan based on Programming and Space Planning results.
4. Trace existing electrical system for use in future work.
5. Begin building systems coordination.

Design Development
Design development drawings shall:
1. Further develop solutions to restore the exterior and rehabilitate the interior for modern library use.
2. Further develop plans to protect historic spaces/finishes.
3. Complete selection of equipment, materials, finishes for inclusion in future work.

Construction Documents
Construction documents shall include drawings, details, and

Docusign Envelope ID: 1284F63A-D6F5-4AAF-B9DE-FF1DD41E336C

specifications for construction, and:

1. Provide drawings incorporating dimensions, materials, finishes, and details necessary for the project for the following:
   i. Site plan; demolition plans; floor plans; roof plan; building + wall sections; reflected ceiling plans; interior elevations + sections; details; mechanical plans; including plumbing & HVAC; electrical plans, including special systems, power, lighting, security, material and color samples; specifications.

Opinion of Probable Construction Cost (OPCC)

1. Architect will work with AGENCY and General Contractor to develop an OPCC based on industry standards and knowledge of general construction trends in Northern New Mexico.

e. Arborist Consultation/Tree Work.
Architect will consult with an arborist to determine the health of the existing trees and make recommendations for moving forward. Currently, tree roots are heaving the brick walkway in multiple locations creating unsafe walking conditions.

2) All work completed shall comply with The Secretary of the Interior's Standards for the Treatment of Historic Properties. The SOI Standards may be found online, here: https://www.nps.gov/articles/000/treatment-standards-rehabilitation.htm

3) The Agency will complete and submit progress reports to the Department of Cultural Affairs on a quarterly basis detailing the work completed during the specified period. These reports will be submitted on January 1, April 1, July 1 and October 1 throughout the life of the grant.

(C) HPD Shall:

1) Review AGENCY's completion of the SOW and determine if work meets the SOW outlined herein.

2) Confirm with AGENCY that work has been completed per the Agreement.

3) Seek partial or full repayment from AGENCY if work has not been completed per this Agreement.

3. **Unexpended Funds**. Any unexpended or unencumbered amounts in the FY2025 CPRF shall revert to HPD.

Docusign Envelope ID: 1284F63A-D6F5-4AAF-B9DE-FF1DD41E336C

4. **Administering Agency**. DCA is designated as the administering agency of this agreement via HPD.

5. **Disbursements**. All disbursements for permissible and approved costs incurred under this Agreement shall be made by HPD and shall provide for strict accountability of all receipts and disbursements. Disbursements will be made on a lump sum basis, and an accurate accounting of expenditures and records will be required by the AGENCY.

6. **Funding.** DCA shall pay a sum not to exceed two hundred thirty-one thousand three hundred dollars and no cents ($231,000) in accordance with a payment schedule provided by state regulations. Payments to the AGENCY will be made in full payment for services, unless otherwise agreed to in writing by the parties. The amount includes gross receipts taxes. Such amount shall come from DCA 19300 fund and through DCA's CODE S7007.

7. **Term**. This Agreement shall not become effective until approved by the Department of Finance and Administration and a State of New Mexico Purchase Order (hereafter "PO") issued.

   The term of this Agreement is from the date of the issuance of the PO until April 2027 the term for this Agreement shall not exceed two years.

8. **Termination of Default**. If AGENCY fails to perform in the manner called for in this Agreement, DCA and/or HPD may terminate this Agreement for default.

9. **Assignment**. The AGENCY shall not assign interest in this Agreement or assign any other provision of this Agreement without written approval of HPD.

10. **Subcontracts**. AGENCY shall not assign any portion of its scope of work described under this Agreement or obligate itself in any manner with any third party with respect to its rights and responsibilities under this Agreement without the prior written concurrence of HPD.

    In the event HPD, with a request by the AGENCY to subcontract, such subcontract shall conform to applicable requirements of the Procurement Code and the AGENCY shall be responsible for any and all payments to the subcontractor.

    AGENCY shall not assign any portion of the funding it receives or subcontract to private parties for Projects on privately owned properties.

Docusign Envelope ID: 1284F63A-D6F5-4AAF-B9DE-FF1DD41E336C

11. **Records and Audits.** HPD shall permit the authorized representatives of DCA, Department of Finance and Administration, or the State Auditor to inspect and audit all data and records of DCA relating to its performance under this Agreement until the expiration of three (3) years after final payment under this Agreement.

    The period of access and examination described above, for records which relate to (1) litigation of the settlement of claims arising out of the performance of this Agreement, or (2) costs and expenses of this Agreement as to which exception has been taken by the Comptroller General or any of his duly authorized representatives, shall continue until such appeals, litigation, claims, or exceptions have been eliminated.

12. **Appropriations**. The terms of this Agreement are contingent upon sufficient appropriations and authorizations made by the Legislature of New Mexico for the performance of this Agreement. If sufficient appropriations and authorizations are not made by the New Mexico State Legislature or in the case of federal funds by the Congress of the United States, this Agreement shall terminate upon written notice by DCA to HPD. The decision as to whether sufficient appropriations are available shall be accepted by HPD and shall be final.

13. **Release.** The AGENCY, upon final payment of amounts due under this Agreement, releases HPD, its officer and employees and the State of New Mexico from all liabilities, claims and obligations whatsoever arising from or under this Agreement.

14. **Confidentiality.** Both parties agree to comply with the confidentiality provisions of Section 304 of the National Historic Preservation Act, as amended, and Section 18-6-11.1 NMSA 1978 of the Cultural Properties Act in performing this Agreement.

15. **Product of Services; Copyright.** All materials developed or acquired by the AGENCY in performing its work under this Agreement which rightfully belongs to the AGENCY shall remain the property of the State of New Mexico and be delivered to HPD no later than the termination date of this Agreement. Nothing produced in whole or in part by the AGENCY using materials or information submitted by or obtained from the AGENCY in performing work under this Agreement shall be the subject of an application for copyright by or on behalf of HPD without the prior approval in writing from HPD. However, it is understood that HPD has previously secured the copyright to some of the materials that will be utilized by the AGENCY in performing the scope of work under this Agreement.

Docusign Envelope ID: 1284F63A-D6F5-4AAF-B9DE-FF1DD41E336C

16. **Amendment.** This Agreement shall not be altered, changed or amended except by instrument in writing executed by the parties hereto. The parties may mutually agree to extend the term of this Agreement for limited periods of time not to exceed the maximum two-year grant period.

17. **Scope of Agreement.** This Agreement incorporates all the agreements, preservation agreements and understandings between HPD and the AGENCY concerning the subject matter hereof, and all such covenants, agreements and understandings have been merged into this written Agreement.

    No prior agreement or understanding, verbal or otherwise, of the parties of their agents shall be valid or enforceable unless embodied in this Agreement.

18. **Applicable Law.** This Agreement shall be governed by the laws of the State of New Mexico.

19. **Equal Opportunity Compliance.** The AGENCY agrees to abide by all federal and state laws and rules and regulations, and executive orders of the Governor of the State of New Mexico, pertaining to equal employment opportunity. In accordance with all such laws and rules and regulations, and executive orders of the Governor of the State of New Mexico, the AGENCY agrees to assure that no person in the United States shall, on the grounds of race, religion, color, national origin, ancestry, sex, sexual preference, age or handicap, be excluded from employment with or participation in, be denied the benefits, or be otherwise subjected to discrimination under, any program or activity performed under this Agreement. If the AGENCY is found to not be in compliance with these requirements during the term of the Agreement, the AGENCY agrees to take appropriate steps to correct these deficiencies.

20. **Civil Rights Laws and Regulations Compliance.** DCA HPD shall comply with all federal, state, and local laws and ordinances applicable to the work called for herein. The AGENCY and HPD further agree to operate under and be controlled by Title VI and Title VII of the Civil Rights Act of 1964, the Age Discrimination Employment Act, the Americans with Disabilities Act of 1990, the Environmental Justice Act of 1994, the Civil Rights Restoration Act of 1987, the New Mexico Human Rights Act, the Executive Order No. 11246 entitled "Equal Employment Opportunity," as amended by Executive Order 11375 and as supplemented by the Department of Labor regulations (43 CFR 60). Accordingly, 49 CFR 21 is

Docusign Envelope ID: 1284F63A-D6F5-4AAF-B9DE-FF1DD41E336C

applicable to this Agreement and incorporated herein by reference.

21. **New Mexico Tort Claims Act.** Neither party shall be responsible for liability incurred as a result of the other party's act or omissions in connection with this Agreement. Any liability incurred in connection with this Agreement is subject to the immunities and limitations of the New Mexico Tort Claims Act Section 41-4-1, et seq., as amended thereto. This paragraph is intended only to define the liabilities as governed by common law or the New Mexico Tort Claims Act. HPD and its "public employees" as defined in the New Mexico Tort Claims Act and the AGENCY and it's "public employees" as defined in the New Mexico Tort Claims Act, do not waive sovereign immunity, do not waive any defense and/or do not waive any limitation of liability pursuant to law. No provision in this Agreement modifies and/or waives any provision of the New Mexico Tort Claims Act.

22. **Preservation Agreement**. Both parties of this Agreement shall complete a Preservation Agreement, attached as Appendix A, which stipulates the preservation and protection of the cultural property for ten years (10 years).

Docusign Envelope ID: 1284F63A-D6F5-4AAF-B9DE-FF1DD41E336C

PRESERVATION AGREEMENT

This preservation agreement is made this _____day of _____2025 between The CITY OF SANTA FE, as GRANTOR of a preservation agreement (hereafter referred to as the "Grantor"), and the State of New Mexico Historic Preservation Division of the Office of Cultural Affairs/Covenant Holder, as GRANTEE of the preservation agreement (hereafter referred to ask the "Grantee"). This preservation agreement is entered under Section 4.10.10 NMAC and NMSA 1978, Section 18-6-7 (A), 18-6-8, and 18-10-6 (C) (as applied to
this agreement's application to any potential future private ownership) and for the
purpose of rehabilitating the Santa Fe Main Library, a site that is important culturally, historically, architecturally and archeologically.

1. **The Subject Property**. This agreement creates a preservation agreement in real estate legally described as Santa Fe Main Library (Hereafter referred to as the "Property").

2. **Grant of Preservation Agreement**. In consideration of the sum of $231,300.00 received in grant-in- aid financial assistance from the State of New Mexico, Department of Cultural Affairs ("DCA"), the Grantor hereby grants to the Grantee a preservation agreement in the Property for the purpose of assuring preservation of the Property.

3. **Agreement Required for Cultural Properties Restoration Fund Grant**. This preservation agreement is granted as a condition of the eligibility of the Grantor for the financial assistance from DCA.

4. **Conditions of Preservation Agreement**:
   a. *Duration*. This preservation agreement is granted for a period of ten (10) years commencing on the date when it is filed with the County Clerk.

   b. *Documentation of condition of the Property at time of grant of this agreement*. In order to make more certain the full extent of Grantor's obligations and the restrictions on the Property, and in order to document the nature and condition of the Property, including significant interior elements in spatial context, a list of character-defining materials, features and spaces, including archeological features (if known) are incorporated as "Exhibit A" at the end of this agreement. The Grantor has provided to the Grantee
   architectural drawings of the floor plans. To complement "Exhibit A", Grantor personnel have compiled a photographic record, including photographer's affidavit, black and white photographs and negatives, color digital prints, photograph logs, and a keyed location map. The Grantor agrees that the nature and condition of the Property on the date of execution of this agreement is accurately documented by the archaeological drawings and photographic record, which shall be maintained for the life of this agreement in the
   Grantee's preservation agreement file for the Property.

   c. *Restrictions on activities that would affect historically significant components of the Property*. The Grantor agrees that no construction, alteration, or remodeling or any other activity shall be undertaken or permitted to be undertaken on the Property which would affect historically significant, interior spaces and features identified in

Docusign Envelope ID: 1284F63A-D6F5-4AAF-B9DE-FF1DD41E336C

"Exhibit A", exterior construction materials, architectural details, form, fenestration, height of the Property, or adversely affect its structural soundness without prior written permission of the Grantee affirming that such reconstruction, repair, repainting, refinishing, rehabilitation,
preservation, or restoration will meet The Secretary of the Interior's Standards for the

Docusign Envelope ID: 1284F63A-D6F5-4AAF-B9DE-FF1DD41E336C

Treatment of Historic Properties and the Standards for Archeology and Historic Preservation (hereinafter referred to as the "Standards").

d. *Duty to maintain the Property*. The Grantor agrees at all times to maintain the Property in a good and sound state of repair and to maintain the Property, including the other structures or features of the site, according to the Standards so as to prevent deterioration and preserve the architectural and historical integrity of the Property in ways that protect and enhance those qualities that make the property eligible for listing in the National Register of Historic Places.

e. *Restrictions on activities that would affect archeological resources*. The Grantor agrees that no ground disturbing activity shall be undertaken or permitted to be undertaken on the Subject Property that would affect historically significant archeological resources
identified in "Exhibit A" without prior written permission of the Grantee affirming that such work will meet Standards.

f. *Maintenance of recovered materials*. The Grantor agrees to ensure that any data and material recovered will be placed in a repository that will care for the data in the manner prescribed in the Standards or will comply with the requirements of the Native American Graves Protection and Repatriation Act, 36 CFR 79, and 43 CFR 10, (only if the project has federal funds.)

g. *Right to inspect*. The Grantor agrees that the Grantee, its employees, agents and designees shall have the right to inspect the Property at all reasonable times, with twenty- four hours (24) written notice, in order to ascertain whether the conditions of this agreement are being observed.

h. *Anti-discrimination*. The Grantor agrees to comply with Title VI of the Civil Rights Act of 1964 (42 U.S.C. 2000 (d), the Americans with Disabilities Act (42 U.S.C. 12204), and with Section 504 of the Rehabilitation Act of 1973 (29 U.S.C. 794). These laws prohibit discrimination on the basis of race, religion, national origin, or disability. In implementing public access, reasonable accommodation to qualified disabled persons shall be made in consultation with the State Historic Preservation Office.

i. *Agreement shall run with the land; conditions on conveyance*. This preservation agreement shall run with the land and be binding on the Grantor, its successors and assigns. The Grantor agrees to insert an appropriate reference to this agreement in any deed or other legal instrument by which it divests itself of either the fee simple title or other lesser estate in the Property or any part thereof.

j. *Casualty Damage or Destruction*. In the event that the Property or any part of it shall be damaged or destroyed by fire, flood, windstorm, earth movement, or other casualty, the Grantor shall notify the Grantee in writing within fourteen (14) days of the damage or destruction, such notification including what, if any, emergency work has already been completed. No repairs or reconstruction of any type, other than temporary emergency work to prevent further damage to the Property and to

Docusign Envelope ID: 1284F63A-D6F5-4AAF-B9DE-FF1DD41E336C

protect public safety shall be undertaken by the Grantor without the Grantee's prior written approval indicating that the proposed work will meet the Standards. The Grantee shall give its written approval, if any, of any proposed work within sixty (60) days of receiving the request from the Grantor. If after reviewing the condition of the property, the Grantee determines that the

Docusign Envelope ID: 1284F63A-D6F5-4AAF-B9DE-FF1DD41E336C

features, materials, appearance, workmanship, and environment which made the property eligible for listing in the National Register of Historic Places has been lost or so damaged that its continued National Register listing is in question, the Grantee will notify the Keeper of the National Register in writing of the loss. The Keeper of the National Register will evaluate the findings and notify the Grantee in writing of any decision to remove the property from the National Register. If the property is removed, the Grantee will then notify the Grantor that the agreement is null and void. If the damage or destruction that warrants the properties removal from the National Register is deliberately caused by the gross negligence of the Grantor or future owner, then the Grantee will initiate requisite legal action to recover, at a minimum, the state grant funds applied to the Property which will then be returned to the U.S. Treasury.

k. *Enforcement*. The Grantee shall have the right to prevent and correct violations of the terms of this agreement. If the Grantee, upon inspection of the property, finds what appears to be a violation, it may exercise its discretions to seek injunctive relief in a court having jurisdiction. Except when an ongoing or imminent violation will irreversibly diminish or impair the cultural, historical and architectural importance of the Property, the Grantee shall give the Grantor written notice of the violation and allow thirty (30) days to correct the violation before taking any formal action, including but not limited to, legal action. If a court, having jurisdiction, determines that a violation exists or has occurred, the Grantee may obtain an injunction to top the violation, temporarily or permanently. A court may also issue a mandatory injunction requiring the Grantor to restore to the Property to a condition that would be consistent with preservation purposes of the grant from DCA. In any case where a court finds that a violation has occurred, the court may require the Grantor to reimburse the Grantee and the State Attorney General for all the State's expenses incurred in stopping, preventing and correcting the violation, including but not limited to reasonable attorney's fees. The failure of the Grantee to discover a violation or to take immediate action to correct a violation shall not bar it from doing so at a later time.

l. *Amendments*. The parties may by mutual written agreement jointly amend this agreement, provided the amendment shall be consistent with preservation purpose of this agreement and shall not reduce its term of duration. Any such amendment shall not be effective unless it is executed in the same manner as this agreement, refers expressly to this agreement, and is filed with the Santa Fe County Clerk.

m. *Effective date: severability*. This preservation agreement shall become effective when the Grantor files it in the Office of the County Clerk of Santa Fe County, State of New Mexico, with a copy of the recorded instrument provided to the Grantee for its preservation agreement file. If any part of this preservation agreement is held to be illegal by a court, the validity of the remaining parts shall not be affected, and the rights and obligations of the parties shall be construed and enforced as if the preservation agreement does not contain the particular part held to be valid.

EXHIBIT “A” TO PRESERVATION AGREEMENT

City of Santa Fe, Main Library

To remain eligible for listing on the National Register of Historic Places, a property must be able to convey its significance. The following character-defining materials, spaces, and features have been identified as those that help convey the significance of City of Santa Fe, Main Library photographic documentation is attached.
Exhibit A must be submitted at the time of signing the grant agreement.
Grantee must:

- Take photographs of all four sides of the building
- Take photographs of significant exterior features
- Take photographs of interior of building.

Photographs must be attached as EXHIBIT A to this grant agreement.
The Grant Agreement will NOT be signed by the Historic Preservation Division without a signed preservation agreement and photographs included in Exhibit A.

RE: Cultural Properties Restoration Fund Grant Program
Santa Fe Public Library Main Branch Preservation Project

VIA EMAIL: jsburnett@santafenm.gov

Dear Mr. Burnett:

Congratulations! The City of Santa Fe has been selected to receive the requested $231,300 in grant funding from the Cultural Properties Restoration Fund Grant Program. This is to complete the Santa Fe Public Library Main Branch Preservation Project.

The New Mexico Historic Preservation Division (HPD) received thirty-two applications from qualified applicants around the state. The total request for funding was $6 million and we have a total of $1 million in funding available. This means we are only able to fund a fraction of the applications we received. HPD staff and the Cultural Properties Review Committee reviewed the applications and yours has been selected for funding.

Steven Moffson, Historian at the Historic Preservation Division will work with you to develop the Joint Powers Agreement and the Preservation Agreement. He may be reached at 505-476-0444 or steven.moffson@dca.nm.gov. He will reach out in the next few weeks to review and discuss the grant project's next steps.

If you have questions or would like further information about your grant application, please reach out to Karla McWilliams at 505-827-4451 or karla.mcwilliams@dca.nm.gov.

Regards,

Michelle Ensey
State Historic Preservation Officer (INTERIM)

JOHN BURNETT (Nov 17, 2025 08:16:59 MST)
Tim Farrell, Interim Facilities Division Director

Subject: Capital Appropriation Agreement Project 25-J4368 for City Facility Leased to Kitchen Angels

---

ACTION:
Request for Approval of Capital Appropriation Agreement with New Mexico Department of Finance and Administration in the Total Amount of $119,607 for Project 25-J4368 Improvements to the City Facility Leased to Kitchen Angels with a Reversion Date of June 30, 2027. (Caryn Grosse, PMP, Public Works Project Manager III, clgrosse@santafenm.gov)

BACKGROUND AND SUMMARY:
Kitchen Angels is the only organization that provides special needs meals to homebound individuals in Santa Fe. It is a 501(c)3 New Mexico nonprofit organization in "Good Standing." Since its founding in 1992, Kitchen Angels has served more than 2 million meals. Kitchen Angels is located at 1222 Siler Road, in a facility owned by the City of Santa Fe. The City and Kitchen Angels have a 20-year lease.

The City of Santa Fe received Capital Appropriation Project 25-J4368 in the amount of $119,607, which reauthorized Capital Appropriation Project 21-F2899 and extends the reversion date to June 30, 2027.

A Budget Amendment Resolution (BAR) is not required, as the grant funds have already been incorporated into the FY 2026 Revenue Carryforward.

This funding will be used for renovations and improvements to the building, including but not limited to parking lot improvements to increase parking, improve accessibility, and reduce flooding during rain events.

There are three additional state capital appropriation agreements for renovations to the facility leased to Kitchen Angels:

- Grant Agreement 22-G3016—$200,000 with a reversion date of June 30, 2026, for renovations and improvements to the building, including but limited to heating, ventilation, and air conditioning (HVAC) systems.
- Grant Agreement 23-H3202—$200,000 with a reversion date of June 30, 2027, for renovations and improvements to the building, including but not limited to the installation of a solar photovoltaic system to reduce costs.
- Grant Agreement 24-I4220—$100,000 with a reversion date of June 30, 2026, for renovations and improvements to the building, including but not limited to building envelope repairs such as replacement of windows.

All funds are expected to be utilized prior to the reversion dates.

NEW MEXICO CAPITAL OUTLAY GRANT AGREEMENT
CAPITAL APPROPRIATION PROJECT

THIS AGREEMENT is made and entered into by and between the State of New Mexico, Department of Finance & Administration, 407 Galisteo Street, Santa Fe, NM 87501, ("**Department**") and the City of Santa Fe, ("**Grantee**") (individually "**Party**" and collectively "**Parties**"). This Agreement shall be effective as of the date the Department executes it ("**Effective Date**").

WITNESSETH

WHEREAS, in the Laws of 2025, Chapter 158, Section 370, the Legislature made an appropriation to the Department, funds from which the Department is making available to the Grantee pursuant to this Agreement; and

WHEREAS, the Department is granting to Grantee, and the Grantee is accepting the grant of funds from this appropriation, in accordance with the terms and conditions of this Agreement;

NOW, THEREFORE, in consideration of the mutual covenants and obligations contained herein, the parties hereby mutually agree as follows:

AGREEMENT

I. PROJECT DESCRIPTION, GRANT AMOUNT, AND REVERSION

A. **25-J4368** ("**Project**") 6/30/2027 ("**Reversion Date**"). Laws of 2025, Chapter 158, Section 370, One Hundred Nineteen Thousand Six Hundred Six Dollars and Ninety-Nine Cents, $119,606.99, The time of expenditure for the local government division project in Subsection 340 of Section 29 of Chapter 138 of Laws 2021 to plan, design, renovate, construct, improve and equip a facility for a meals program serving homebound and special needs individuals in Santa Fe in Santa Fe county is extended through fiscal year 2027..

B. Grantee's total reimbursements shall not exceed $119,606.99 One Hundred Nineteen Thousand Six Hundred Six Dollars and Ninety-Nine Cents, ("**Appropriation Amount**") minus the allocation for Art in Public Places ("**AIPP amount**"), if applicable, $0.00 Zero Dollars and No Cents, which equals $119,606.99 One Hundred Nineteen Thousand Six Hundred Six Dollars and Ninety-Nine Cents ("**Adjusted Appropriation Amount**").

C. In the event of a conflict among the Appropriation Amount, the Reversion Date, as defined herein and/or the purpose of the Project, as set forth in this Agreement, and the corresponding appropriation language in the laws cited above in this Article I, the language of the laws cited herein shall control.

The information contained in Article I is referred to collectively as the "**Project Description**."

II. DISBURSEMENT LIMITATION

A. Upon the Effective Date, the Grantee shall submit to the Department a comprehensive procurement plan and expenditure plan, detailing a Project timeline with milestones, required

procurements, and identifying expected expenditures per milestone (collectively, "**Project Budget**"). The Department shall review and approve the Project Budget by approving a Notice of Department's Obligation ("**Notice of Obligation**"), in accordance with the Project Description, a sample of which is attached hereto as **Exhibit B** and incorporated herein by reference. After receipt of approved Notice of Obligation, the Grantee may be reimbursed for allowable costs up to the Adjusted Appropriation Amount. This Agreement and any reimbursements up to the Adjusted Appropriation Amount are expressly conditioned upon the following:

a. Irrespective of any Notice of Obligation, Grantee's expenditures shall be made in accordance with the Project Budget, on or before the Reversion Date and/or, if applicable, any Early Termination Date; and
b. The total amount received by Grantee shall not exceed the lesser of:
    i. the Adjusted Appropriation Amount identified in Article I (B) herein; or
    ii. the total of all amounts stated in the Notice(s) of Obligation evidencing the Department has received and accepted Grantee's Third Party Obligation(s); and
c. Grantee's expenditures are made and accounted for pursuant to the State Procurement Code, State's Model Accounting Practices, and execution of binding written obligations or purchase orders with third-party contractors or vendors for the provision of services, including professional services, or the purchase of tangible personal property and real property for the Project ("**Third Party Obligations**"); and
d. Grantee's submittal of timely Requests for Payment and supporting documentation in accordance with the procedures set forth in this Agreement; and
e. In the event capital assets acquired with Project funds are to be sold, leased, or licensed to or operated by a private entity, the sale, lease, license, or operating agreement:
    i. must be approved by the applicable oversight entity (if any) in accordance with §§ 13-6-2, 13-6-2.1, and 13-6-3; or
    ii. If no oversight entity is required to approve the transaction, the Department of Finance and Administration's Infrastructure Planning Development Division (IPDD) must approve it as complying with the law.

B. Prior to the sale, lease, license, or operating agreement being approved pursuant to Articles II(A)(e)(i) or (ii) herein, the Department may, in its sole and absolute discretion, unless inconsistent with State Board of Finance imposed conditions, reimburse Grantee for necessary expenditures incurred to develop the Project sufficiently to make the sale, lease, license, or operating agreement commercially feasible, limited to planning and design expenditures; and

C. Grantee's submission of documentation of all Third Party Obligations and amendments thereto (including terminations) to the Department and the Department's issuance of a Notice of Obligation for a particular amount in accordance with the terms of this Agreement shall be governed by the following:

a. Grantee is authorized to budget the particular amount set forth in the Notice of Obligation, execute the Third Party Obligation, and request the Third Party to begin work after issuance of a Notice of Obligation by the Department.
b. Grantee acknowledges and agrees that any Third Party Obligations agreed to prior to receiving a Notice of Obligation are its sole responsibility.
c. Grantee shall submit to the Department one copy of all Third Party Obligations and amendments thereto (including terminations) as soon as possible after execution by the

Third Party but prior to execution by the Grantee.

d. Department may, in its sole and absolute discretion, issue a Notice of Obligation for the particular amount of a Third Party Obligation that only obligates the Department to reimburse Grantee's expenditures made on or before the Reversion Date or an Early Termination Date. The current Notice of Obligation form is incorporated herein and attached hereto as **Exhibit B**.

D. Grantee shall provide all necessary qualified personnel, materials, and facilities to implement the Project. The Grantee shall finance its share (if any) of the costs of the Project, including all Project overruns.

E. Prior to entering into this Agreement, the Department conducted a risk assessment on the Grantee and a project readiness review for the Project. In accordance with State Model Accounting Practices, FIN 9.2, if the Department determines that the expenditure of Project funds by the Grantee requires special conditions, those conditions are identified and listed in **Exhibit C**, which is attached and incorporated by reference. The Parties agree that, to the extent the Department, in its sole and absolute discretion, determines additional special conditions are necessary or that existing special conditions are no longer required, it may update **Exhibit C** from time to time without the need for a formal amendment of this Agreement.

F. Project funds shall not be used for purposes other than those authorized by the Department in accordance with the Project Description.

G. Project funds cannot be used to reimburse the Grantee for indirect Project costs unless specifically allowed by law.

III. NOTICES

The following provisions shall apply whenever written notices, including written decisions, are to be given or received related to this Agreement.

A. The Grantee designates the person(s) listed below, or their successor, as their official representative(s) concerning all matters related to this Agreement:

Grantee: City of Santa Fe
Name: Alan Webber
Title: Mayor
Address: PO Box 909, Santa Fe, NM 87504
Email: mayor@santafenm.gov
Telephone: 505-955-6590

B. The Grantee designates the person(s) listed below, or their successor, as their Fiscal Officer or Fiscal Agent concerning all matters related to this Agreement:

Grantee: City of Santa Fe
Name: Emily Oster
Title: Finance Director
Address: PO Box 909, Santa Fe, NM 87504

Email: ekoster@santafenm.gov
Telephone: 505-629-3411

C. The Department designates the persons listed below, or their successors, as the Points of Contact for matters related to this Agreement.

Department: DFA/Local Government Division
Name: Daniel Catanach
Title: Grant Manager
Address: Bataan Memorial Bldg. Rm 202, Santa Fe NM 87501
Email: danieln.catanach@dfa.nm.gov
Telephone: 505-231-6090

The Parties agree that all notices, including written decisions, related to this Agreement shall be sent to the persons named above by email or regular mail. For mailings, notices shall be deemed to have been given and received upon the date of the receiving party's actual receipt or five (5) calendar days after mailing, whichever shall first occur. In the case of email transmissions, the notice shall be deemed to have been given and received on the date reflected on the delivery receipt of the email.

IV. TERM & DEADLINE TO EXPEND FUNDS

A. The term of this Agreement shall begin on the Effective Date and terminate on the 30th day of June during the calendar year of the Reversion Date unless Terminated Before Reversion Date ("**Early Termination**") pursuant to Article V herein (collectively "**Term**").

B. The Project's funds must be expended on or before the Reversion Date and, if applicable, the Early Termination Date of this Agreement.

a. For purposes of this Agreement, it is not sufficient for the Grantee to encumber the Project funds on its books on or before the Reversion Date or Early Termination Date.
b. For purposes of this Agreement, an expenditure of funds has occurred on the date the particular quantity of goods is delivered to and received by the Grantee, title to the goods is transferred to the Grantee, and/or as of the date particular services are rendered to and accepted by the Grantee.
c. For purposes of this Agreement, an encumbrance of funds pursuant to a contract or purchase order with a third party does not qualify as an expenditure.

V. EARLY TERMINATION

A. General Provision. The Department may terminate this Agreement before the Reversion Date based on the Completion of the Project, Complete Expenditure of the Adjusted Appropriation, and/or Violation of this Agreement. Early Termination hereunder includes:

a. Termination due to completion of the Project before the Reversion Date;
b. Termination due to complete expenditure of the Adjusted Appropriation Amount before the Reversion Date;
c. Termination for violation of the terms of this Agreement; or
d. Termination for suspected mishandling of public funds, including but not limited to fraud, waste, abuse, and conflicts of interest.

B. Non-appropriation. This Agreement is expressly contingent upon the New Mexico State Legislature making sufficient appropriations and authorizations for the Project Description.

   a. If the Legislature does not appropriate the Appropriation Amount, this Agreement shall terminate upon the Department giving the Grantee written notice of such termination. Such termination shall be effective as of the effective date of the law making the non-appropriation.
      i. The Department's decision as to whether sufficient appropriations or authorizations are available shall be final. Grantee hereby waives any rights to assert an impairment of contract claim against the State of New Mexico in the event of Early Termination of this Agreement.
   b. As used herein, "non-appropriate" or "non-appropriation" includes the following actions by the New Mexico Legislature:
      i. Deauthorization, reauthorization, or revocation of a prior authorization.

C. Grant Disbursements in the Event of Early Termination. In the event of Early Termination, the Department's sole and absolute obligation to reimburse the Grantee is expressly conditioned upon the limitations set forth in Article II above.

D. Notice. Either Party may terminate this Agreement prior to the Reversion Date by providing the other Party with a minimum of fifteen (15) days advance written notice of the Early Termination. Grantee hereby waives any rights to assert an impairment of contract claim against the State of New Mexico in the event of Early Termination of this Agreement by the Department.

VI. SUSPENSION OF NEW OR FURTHER OBLIGATIONS

A. Department, in its sole and absolute discretion, may provide written notice to Grantee to suspend entering into further obligations. Upon the receipt of such written notice by the Grantee:

   a. Grantee shall immediately suspend entering into new or further written obligations with third parties;
   b. Department will suspend the issuance of any new or further Notice of Obligation under this Agreement; and
   c. Department may direct the Grantee to implement a corrective action plan in accordance with Article VI (D) herein.

B. In the event of Suspension of this Agreement, the Department's sole and absolute obligation to reimburse the Grantee is expressly conditioned upon the limitations set forth in Article II herein.

C. A suspension of new or further obligations under this Agreement shall remain in effect unless or until the date the Grantee receives written notice given by the Department informing the Grantee that the Suspension has been lifted or that the Agreement has been Early Terminated in accordance with Article V herein. If the Suspension is lifted, the Department will consider further requests for a Notice of Obligation.

D. Corrective Action Plan in the Event of Suspension. Where the Department, in its sole and absolute discretion, directs Grantee to suspend entering into new or further written obligations with third parties pursuant to Article VI(A), the Department may, but is not obligated to, require the Grantee to develop and implement a written corrective action plan to remedy the grounds for the Suspension.

a. Such a corrective action plan must be approved by the Department and be signed by the Grantee.
b. Failure to sign a corrective action plan or meet the terms and deadlines set forth in the signed corrective action plan is hereby deemed a violation of the terms of this Agreement for purposes of Early Termination, Article V(A)(c).
c. A corrective action plan shall be in addition to, and not in lieu of, any other equitable or legal remedy authorized hereunder or at law, including but not limited to Early Termination.

VII. AMENDMENTS

Unless expressly stated otherwise herein, this Agreement shall not be altered, changed, or amended except by an instrument in writing duly executed by both parties hereto with the same formalities as this agreement.

VIII. REPORTING

A. Database Reporting

a. Grantee shall provide the Department with quarterly reports of Project activity, entering the required Project information directly into a database required by the Department.
b. Additionally, Grantee shall certify on each Request for Payment form, attached hereto as **Exhibit A** and incorporated herein, that all information provided in the database is true and accurate, updates to the database have been maintained, and all Project activity complies with applicable law and the terms of this Agreement.
c. Grantee hereby acknowledges that failure to perform and/or certify updates to the database will jeopardize the reimbursement of funds. The Department shall give Grantee a minimum of fourteen (14) days' advance written notice of any changes to the information the Grantee is required to report.
d. At the Department's discretion, all reports required hereunder may be directed to and facilitated through an electronic database.
e. Quarterly reports shall be due on the last day of the month, that is, 30 days prior to the end of the quarter following the execution of this Agreement by the Department and ending during the quarter of the submission of the final request for reimbursement for the Project, or the following quarter.

B. Requests for Additional Information/Project Inspection

During the term of this Agreement and during the period of time during which the Grantee must maintain records pursuant to Article VIII, the Department may:

i. request such additional information regarding the Project as it deems necessary; and

ii. conduct, at reasonable times and upon reasonable notice, onsite inspections of the Project.

Grantee shall respond to such requests for additional information within a reasonable period of time, as established by the Department.

B. Requests for Additional Information/Project Inspection

a. During the term of this Agreement and the Record Retention Period, the Department may:
   i. Request additional information regarding the Project as it deems necessary and
   ii. Conduct on-site inspections of the Project at reasonable times and upon reasonable notice.
b. Grantee shall respond to such requests for additional information within the time established by the Department.

IX. REQUEST FOR PAYMENT PROCEDURES

A. Grantee shall request payment by submitting the form attached hereto as **Exhibit A**. Payment requests are subject to the following procedures:

a. Each Request for Payment must be in accordance with the Project Budget and contain proof of payment by the Grantee or liabilities incurred by the Grantee.
   i. Proof of payment must demonstrate the validity of an expenditure or liabilities incurred by Grantee.
   ii. However, Grantee may be reimbursed for unpaid liabilities only if the Department, in its sole and absolute discretion, agrees to do so and in accordance with any special conditions imposed by the Department.
   iii. The Grantee shall make payment to those contractors or vendors within five (5) business days from the date of receiving reimbursement from the Department or in a shorter period than the Department may prescribe in writing.
   iv. The Department reserves the right to make such payments directly to the contractors or vendors as a special condition under this Agreement.
   v. The Grantee is required to certify to the Department proof of payment to the third-party contractor or vendor within five (5) business days from the date the Department reimburses the Grantee.

B. Until the Project is fully planned, designed, and all necessary procurements identified in the Project Budget are completed, Grantee's reimbursements will be limited to the planning, design, and procurement costs outlined in the Project Budget. Once the planning, designing, and procuring stages are complete, the Grantee must obligate at least ten percent (10%) of the Adjusted Appropriation Amount within one (1) year and must have utilized at least eighty-five percent (85%) of the Adjusted Appropriation Amount six (6) months before the reversion date.

C. Deadlines. Grantee shall submit requests for Payments to the Department on the earlier of:

a. Immediately as Grantee receives them, but at a maximum of thirty (30) days from when Grantee incurred the expenditure or liability; or

b. Twenty (20) days from the date of Early Termination or Reversion Date for expenditures or liabilities incurred before the Early Termination date or Reversion Date.

D. Grantee's failure to abide by the requirements set forth in Article II and Article IX herein may result in the denial of its Request for Payment. Department reserves the right to reject a payment request for the Project unless and until it is satisfied that the expenditures or liabilities are for permissible purposes within the meaning of the Project Description, identified within the Project Budget, and that the Grantee is otherwise in compliance with this Agreement.

a. Department's authority to reject any Request for Payment is in addition to, and not in lieu of, any other legal or equitable remedy available to the Department under this Agreement, at law, or in equity.

X. PROJECT CONDITIONS AND RESTRICTIONS

A. The following general conditions and restrictions shall apply to the Project:

a. The Project's funds must be spent in accordance with all applicable state laws, regulations, policies, and guidelines, including, but not limited to, the State Procurement Code.
b. The Project's expenditures and liabilities must be accounted for in accordance with the State's Model Accounting Practices, as amended from time to time.
c. The Project must be implemented in accordance with the New Mexico Public Works Minimum Wage Act, Section 13-4-10 through 13-4-17 NMSA 1978, as applicable.
d. The Project must provide a public benefit above and beyond any incidental benefit to private entities in accordance with applicable law, including, but not limited to, Article IX, Section 14 of the Constitution of the State of New Mexico.
e. Without prior written approval from the Department and State Board of Finance, for the useful life of any asset purchased under this Agreement, Grantee shall not convert any property acquired, built, renovated, repaired, designed, or developed with Project funds to uses other than those specified in the Project Description.
    i. In addition to other remedies available at law or in equity, any disposal or conversion of property acquired, built, renovated, repaired, designed, or developed with Project funds without the Department's and the Board of Finance's express written approval will trigger the Department's right to reimbursement from Grantee of the Appropriated Amount, transfer proceeds from any disposition of property to the State, or otherwise provide consideration to the State for the Appropriated Amounts.
f. Grantee shall comply with all applicable federal and state laws, rules, and regulations pertaining to civil rights and equal employment opportunity.
    i. In accordance with all such laws, rules, and regulations, the Grantee agrees to assure that no person shall, on the grounds of race, color, national origin, sex, sexual preference, age, or handicap, be excluded from participation in the Project, use of the Project, employment with Grantee, or otherwise be denied benefits/subject to discrimination for any activity performed under this Agreement.
g. Where the Department, in its sole and absolute discretion, determines Grantee has failed to comply with the above conditions and restriction, Grantee agrees to take appropriate

steps to correct any deficiencies immediately. The Grantee's failure to implement such appropriate steps within a reasonable time, but no longer than thirty (30) days after notice from the Department, constitutes a breach of this Agreement and grounds for Early Termination.

XI. REPRESENTATIONS AND WARRANTIES

A. Reliance by Department.

a. Grantee expressly acknowledges that the Department relies on the representations and warranties made by Grantee in this Agreement. Grantee acknowledges that such representations and warranties are a material inducement for the Department to enter into this Agreement and provide the Appropriated Amount.
b. Grantee shall ensure all representations and warranties provided herein are true, accurate, and complete as of the date of the Effective Date and shall remain so throughout the Term of this Agreement. Grantee is responsible for promptly notifying the Department in writing of any changes or inaccuracies in the representations and warranties contained herein.

B. Grantee hereby represents and warrants the following:

a. Grantee has taken all necessary steps to attain the legal authority to receive and expend the Project's funds.
b. Grantee has duly authorized this Agreement, and the person executing it has authority to do so. Once executed by Grantee, this Agreement shall constitute a binding obligation of Grantee, enforceable according to its terms.
c. Grantee's obligations hereunder do not conflict with any law, ordinance, or resolution applicable to Grantee, Grantee's charter (if applicable), or any judgment or decree to which Grantee is subject.
d. Grantee has independently confirmed that the Project Description, including, but not limited to, the Appropriated Amount and Reversion Date, is consistent with the underlying appropriation in law.
e. Grantee's governing body has duly adopted or passed as an official act a resolution, motion, or similar action authorizing the person identified as the official representative of the Grantee to sign and submit Requests for Payment on behalf of Grantee.
f. Grantee will abide by New Mexico laws regarding conflicts of interest, governmental conduct, and whistleblower protection.
    i. Grantee agrees explicitly none of its officers or employees or its designees or agents, no member of the governing body, and no other public official of Grantee who exercises any function or responsibility with respect to this Agreement, shall have any interest, direct or indirect, in any contract or subcontract, or the proceeds thereof, for the Project.
    ii. Further, Grantee will require all of its contractors to incorporate the language set forth in this paragraph prohibiting conflicts of interest in all subcontracts.
g. No funds have been paid or will be paid, by or on behalf of the Grantee, to any person for influencing or attempting to influence an officer or employee of the State, any agency, or body in connection with the awarding of any Third Party Obligation.
    i. Grantee will require certifying language prohibiting lobbying to be included in the award documents for all subawards, including subcontracts, loans, and cooperative agreements.

C. Consequences of False or Misleading Representations. If any representation or warranty made by Grantee is found to be false or misleading, the Department shall have the right to exercise any or all of the following remedies:

a. **Termination of Agreement:** Department may terminate this Agreement immediately upon written notice to the Grantee.
b. **Repayment of Grant Funds:** Grantee shall repay all Appropriated Amounts disbursed under this Agreement, upon demand by the Department.
c. **Other Remedies:** Department may pursue any other remedies available at law or in equity.

D. Survival of Representations and Warranties. The representations and warranties made by the Grantee shall survive the Early Termination or expiration of this Agreement.

XII. PROJECT RECORDS

A. Grantee shall be strictly accountable for receipts and disbursements relating to the Project's funds. The Grantee shall follow generally accepted accounting principles and the State's Model Accounting Practices and, if feasible, maintain a separate bank account or fund with a separate organizational code to ensure separate budgeting and accounting of the funds.

B. For six (6) years following the Project's completion ("**Record Retention Period**"), Grantee shall maintain all Project-related records, including, but not limited to, all financial records, requests for proposals, invitations to bid, selection and award criteria, contracts and subcontracts, advertisements, minutes of pertinent meetings, as well as records sufficient to fully account for the amount and disposition of the Appropriated Amount from all sources budgeted for the Project, the purpose for which such funds were used, and such other records as the Department may prescribe.

C. Grantee shall make all Project records available to the Department, the Department's Independent Public Accountant, and the New Mexico State Auditor upon request. With respect to the funds that are the subject of this Agreement, if the State Auditor or the Department finds any funds were improperly expended, Grantee shall be required to reimburse the State all amounts found to be improperly expended.

XIII. IMPROPERLY REIMBURSED FUNDS

If the Department determines part or all of the Appropriation Amount was improperly reimbursed to Grantee, including but not limited to funds reimbursed to Grantee based upon fraud, mismanagement, misrepresentation, misuse, violation of law by the Grantee, after ten (10) days' notice to Grantee and the opportunity to return such funds to the Department, the Department may offset any funds due to Grantee from the State, until the Appropriation Amount is fully repaid.

XIV. LIABILITY

Neither Party shall be responsible for liability incurred as a result of the other Party's acts or omissions in connection with this Agreement. Any liability incurred in connection with this Agreement is subject to immunities and limitations of the New Mexico Tort Claims Act.

XV. SCOPE OF AGREEMENT

This Agreement constitutes the entire and exclusive agreement between the Parties concerning the subject matter hereof. The Agreement supersedes all prior or contemporaneous agreements, understandings, discussions, communications, and representations, written or verbal.

XVI. REQUIRED NON-APPROPRIATIONS CLAUSE

A. Grantee acknowledges and agrees to include a "non-appropriations" clause in all contracts between it and other parties that are (i) funded in whole or part by funds made available under this Agreement and (ii) entered into after the effective date of this Agreement that states:

   a. "The terms of this Agreement are contingent upon sufficient appropriations and authorization being made by the Legislature of the State of New Mexico ("**Legislature**") for the performance of this Agreement.
   b. If the Legislature does not make sufficient appropriations and authorization, City of Santa Fe may immediately terminate this Agreement by giving Contractor written notice of such termination.
   c. The City of Santa Fe's decision as to whether sufficient appropriations are available shall be final and accepted by the Contractor. Contractor hereby waives any rights to assert an impairment of contract claim against the City of Santa Fe or the State of New Mexico in the event of immediate or Early Termination of this Agreement by the City of Santa Fe or the State Department of Finance and Administration."

XVII. REQUIRED TERMINATION CLAUSE

A. Grantee acknowledges and agrees to include the following termination clause in all contracts that are (i) funded in whole or part by funds made available under this Agreement and (ii) entered into after the effective date of this Agreement:

   a. "This contract is funded in whole or in part by funds made available by the State of New Mexico ("**State**"). Should the State terminate its Agreement with the City of Santa Fe, the City of Santa Fe may terminate this contract immediately by providing Contractor written notice of such termination.
   b. In the event of termination pursuant to this paragraph, the City of Santa Fe's only liability to Contractor shall be for goods and services delivered and accepted prior to the termination date."

XVIII. COMPLIANCE WITH UNIFORM FUNDING CRITERIA

A. Throughout the term of this Agreement, Grantee shall:

a. Submit all reports of annual audits and agreed-upon procedures required by § 12-6-3(A)-(B), NMSA 1978 by the due dates established in § 2.2.2 NMAC, reports of which must be a public record pursuant to § 12-6-5(A), NMSA 1978 within forty-five (45) days of delivery to the State Auditor;
b. Have a duly adopted budget for the current fiscal year approved by its budgetary oversight agency (if any);
c. Timely submit all required financial reports to its budgetary oversight agency (if any); and
d. Use accounting methods and procedures consistent with Generally Accepted Accounting Principles and the State's Model Accounting Principals to expend the Appropriated Amount in accordance with applicable law and account for and safeguard Project funds and assets acquired with Project funds.

B. In the event Grantee fails to comply with the requirements of subparagraph A of this Article XVIII, Department may take one or more of the following actions:

a. Suspend new or further obligations pursuant to Article VI(A) of this Agreement;
b. Require the Grantee to develop and implement a written corrective action plan pursuant to Article VI(D) of this Agreement to remedy the non-compliance;
c. Impose special conditions to address the non-compliance by giving Grantee notice of such special conditions in accordance with Article III of this Agreement;
    i. The Parties agree that any special conditions imposed to address non-compliance shall be incorporated into this Agreement, through **Exhibit C**, upon notice to Grantee, without need for formal amendment of this Agreement;
    ii. Special conditions shall be binding and effective on the date that notice is deemed to have been given pursuant to Article III or
d. Terminate this Agreement pursuant to Article V(A) of this Agreement.

XIX. SEVERANCE TAX AND GENERAL OBLIGATION BONDS

A. Grantee acknowledges and agrees that the underlying appropriation for the Project may originate from the issuance of tax-exempt severance tax bonds or general obligation bonds by the State. Proceeds from such bonds are administered by the New Mexico State Board of Finance ("**SBOF**"), an entity separate and distinct from the Department.

a. Grantee acknowledges and agrees:
    i. It is Grantee's responsibility to determine through SBOF what (if any) conditions are currently imposed on the Project;
    ii. Department's failure to inform Grantee of an SBOF-imposed condition does not affect the validity or enforceability of the condition;
    iii. The SBOF may in the future impose further or different conditions upon the Project;
    iv. All SBOF conditions are attached to the Project and Appropriation Amount without the need for formal amendment of this Agreement;
    v. All applicable SBOF conditions must be satisfied before the SBOF will release to the Department funds subject to the condition(s) and
    vi. The Department's obligation to reimburse Grantee from the Project is expressly contingent upon the satisfaction of the then-current SBOF conditions.

B. Grantee acknowledges and agrees SBOF may, at its sole and absolute discretion, require reimbursement or remove eligibility for bond proceeds for the Project if the Project doesn't proceed sufficiently.

   a. Grantee must comply with the requirement to encumber five percent (5%) of Project funds within six months of bond issuance as certified by Grantee in the Bond Questionnaire and Certification documents submitted to the SBOF.
   b. Failure to comply may result in the reassignment of the bond proceeds. Upon reassignment of bond proceeds, this Agreement will be suspended until the entity has demonstrated readiness as determined by the SBOF and the Department.

C. Grantee acknowledges and agrees that this Agreement is subject to the SBOF's Bond Project Disbursements rule, § 2.61.6, NMAC, as may be amended from time to time or re-codified.

XX. GENERAL PROVISIONS

A. Assignment: Grantee's rights and obligations under this Agreement are personal and may not be transferred or assigned without the prior written consent of the State. Any attempt at assignment or transfer without such consent shall be void. Any assignment or transfer of Grantee's rights and obligations approved by the State shall be subject to the provisions of this Agreement.

B. Subcontractors: Grantee shall not enter any subgrant or subcontract in connection with its obligations under this Agreement without the prior written approval of the State. Upon request, Grantee shall submit to the Department a copy of each such subgrant or subcontract.

C. Binding Effect: Except as otherwise provided, all provisions of this Agreement, including the benefits and burdens, shall extend to and be binding upon the Parties' respective successors and assigns.

D. Authority: Each Party represents and warrants to the other that the execution and delivery of this Agreement and the performance of such Party's obligations have been duly authorized.

E. Captions and References: The captions and headings in this Agreement are for the convenience of reference only and shall not be used to interpret, define, or limit its provisions. All references in this Agreement to sections (whether spelled out or using the § symbol), subsections, exhibits, or other attachments are references to sections, subsections, exhibits, or other attachments contained herein or incorporated as a part hereof, unless otherwise noted.

F. Counterparts: This Agreement may be executed in multiple, identical, original counterparts, each of which shall be deemed to be an original, but all of which, taken together, shall constitute the same agreement.

G. Digital Signatures: If any signatory signs this agreement using a digital signature in accordance with the State Policies regarding the use of digital signatures, then any agreement or consent to use digital signatures within the electronic system through which that signatory signed shall be incorporated into this Agreement by reference.

H. Modification: Except as otherwise provided in this Agreement, any modification to this Agreement shall only be effective if agreed to in a formal amendment, properly executed and

approved in accordance with applicable New Mexico law and State fiscal policies and rules. Modifications permitted under this Agreement, other than Agreement amendments, shall conform to the policies issued by the State.

I. Statutes, Regulations, Fiscal Rules, and Other Authority: Any reference in this Agreement to a statute, regulation, policy, or other authority shall be interpreted to refer to such authority then current, as may have been changed or amended after the Effective Date of this Agreement.

J. External Terms and Conditions: Notwithstanding anything to the contrary herein, the State shall not be subject to any provision included in any terms, conditions, or agreements appearing on Grantee's or a subcontractor's website or any provision incorporated into any click-through or online agreements related to the Work unless that provision is specifically referenced in this Agreement.

K. Severability: The invalidity or unenforceability of any provision of this Agreement shall not affect the validity or enforceability of any other provision of this Agreement, which shall remain in full force and effect, provided that the Parties can continue to perform their obligations under this Agreement in accordance with its intent.

L. Survival of Certain Agreement Terms: Any provision of this Agreement that imposes an obligation on a Party after the termination or expiration of this Agreement shall survive the termination or expiration of this Agreement and shall be enforceable by the other Party.

M. Third Party Beneficiaries: Except for the Parties' respective successors and assigns described in this Agreement, it does not and is not intended to confer any rights or remedies upon any person or entity other than the Parties. Enforcement of this Agreement and all rights and obligations hereunder are reserved solely to the Parties. Any services or benefits that third parties receive as a result of this Agreement are incidental to this Agreement and do not create any rights for such third parties.

N. Waiver: A Party's failure or delay in exercising any right, power, or privilege under this Agreement, whether explicit or by lack of enforcement, shall not operate as a waiver, nor shall any single or partial exercise of any right, power, or privilege preclude any other or further exercise of such right, power, or privilege.

O. Standard and Manner of Performance: Grantee shall perform its obligations under this Agreement in accordance with the highest standards of care, skill, and diligence in Grantee's industry, trade, or profession.

P. Licenses, Permits, and Other Authorizations: Grantee shall secure, prior to the Effective Date, and maintain at all times during the term of this Agreement, at its sole expense, all licenses, certifications, permits, and other authorizations required to perform its obligations under this Agreement and shall ensure that all employees, agents, and subcontractors secure and maintain at all times during the term of their employment, agency or subcontractor, all license, certifications, permits and other authorizations required to perform their obligations in relation to this Agreement.

Q. Publicity: Any Publicity regarding the subject matter of this Agreement may not be released without prior written approval from the Department. For purposes of this agreement, "**Publicity**" means notices, informational pamphlets, press releases, email responses, research, reports, signs, and similar public notices prepared by or for the Grantee or jointly with others.

a. Grantee shall obtain written approval prior to issuing any press release or making any public announcement regarding this agreement. Grantee agrees to obtain approval of the Department in advance with respect to all Public Relations, all communications with media, or all communications with any other member of the public with respect to this agreement, except to acknowledge that an agreement does exist.
b. For purposes of this agreement, "Public Relations" includes community relations and means those activities dedicated to maintaining the Department's image or maintaining or promoting understanding and favorable relations with the community or public at large or any segment of the public.
c. Violations of either Article XX (Q)(a) or (b) shall constitute a material Breach of Agreement.

R. Data Sharing: The State intends to secure and collate specific data generated by Grantee under this Agreement to use in support of the State's organizational, policy-making, and management of public resource functions. State, in accordance with **Exhibit E**, attached hereto and incorporated herein by reference, reserves the right to require Grantee and/or its subcontractors to provide specific data relevant to the above-listed functions. Data provided by Grantee may be incorporated into existing or future developed State integrated analysis tools or databases, including but not limited to geographic information system (GIS) networks and databases accessible by the public. Dissemination of data collected may include historical data and projections based on such historical data.

a. To the extent any data transferred as part of this Agreement is legally determined to be the property of Subrecipient or its subcontractors, Subrecipient and/or its subcontractors grants State a nonexclusive, fully paid-up right and license to reproduce, use, distribute, do derivative works based on, and archive data transferred as part of this Agreement.

S. Venue and Choice of Law: This Agreement shall be governed by and construed in accordance with the laws of the State of New Mexico, without regard to any conflict of law provisions. Any legal suit, action, or proceeding arising out of or related to this Agreement shall be instituted exclusively in the district courts located in Santa Fe, New Mexico. The Parties hereby irrevocably submit to the exclusive jurisdiction and venue of such courts in any such suit, action, or proceeding. The Parties waive any objection to the laying of the venue of any such suit, action, or proceeding in the district courts of Santa Fe, New Mexico, and irrevocably waive and agree not to plead or claim in any such court that any such suit, action, or proceeding brought in any such court has been brought in an inconvenient forum.

[THIS SPACE LEFT BLANK INTENTIONALLY]

OPTIONAL EXHIBIT C
SPECIAL CONDITIONS

The capital outlay oversight requires grantees' accounting methods and procedures, including their internal control framework, to be scrutinized, so as to safeguard State capital outlay appropriations and assets acquired with such appropriations.

This Capital Outlay Special Grant Condition(s) **Exhibit C** is necessary pursuant to § 6-3b-1 et seq., NMSA 1978 (Public Finance Accountability Act) and MAPS Fin 9.2, due to the Grantees' material weaknesses, significant deficiencies, or findings that raised concerns as to the ability to expend grant funds in accordance with applicable law in the organization's FY[20XX] audit. The Special Conditions identified below apply to the authorized agent, [insert the Grantee or Fiscal Agent name].

Procurement - All purchases or contracts the Grantee enters that shall use funding from the Department capital appropriations grant must be approved by the Department prior to the initiation of implementing purchasing documents. The Grantee shall receive such prior approval via official correspondence from the Department, which may be through letter or email. The Grantee shall submit the following to the Department in pursuit of prior approval: purchasing policies and procedures, CFO certification, documentation of management and program approval, policies and procedures governing purchasing and contracting, a copy of the current procurement and contracting policies, and documentation regarding informing staff responsible for purchasing and contracting on such policies and procedures.

Budget - Provide documentation of approval of your current budget from DFA Local Government or other authoritative agency. Provide policies and procedures on who is responsible for and how annual budgets (expenditures and revenue) are established, monitored and adjusted. Provide a corrective action plan on how budget issues identified in your audit will be/have been addressed. Also include documentation on how staff responsible for budgeting is informed on budget policies and procedures.

Capital Assets - Provide a complete list of inventory including inventory control numbers and current location. Provide policies and procedures on capital assets and inventory and specify how the proposed purchased items will be included, tagged, and tracked in capital asset inventory. Also include documentation on how staff responsible for capital assets is informed on capital asset policies and procedures.

Travel and Per Diem - Provide policies and procedures on travel and per diem. Also include how staff who travel and those responsible for travel reimbursement are informed on travel and per diem policies and procedures.

Timely Audits – Provide policies and procedures on annual audits. Provide documentation on how and who is responsible for insuring that annual audits are completed timely. Also include documentation on how staff responsible for the annual audit is informed on audit policies and procedures.

Cash Management – policies and procedures on cash management of federal funds. Provide procedures used to draw and disburse federal funds. Provide procedures to reconcile draw amounts, deposits and disbursements; and to prepare federal cash reporting documents to ensure compliance with federal regulations.

The <Grantee> was required to, and has provided sufficient documentation regarding [insert specific names of the Special Condition(s)], as referenced in the <Grantee>'s [20XX] Audit file. Therefore, the criteria to enter into this agreement have been met.

Exhibit E

Data Sharing Provisions for New Mexico Capital Outlay Agreements

I. Introduction:

This Data Sharing Provisions Exhibit ("Exhibit") is incorporated into the New Mexico Capital Outlay Agreements ("Agreements") between the State of New Mexico ("State") and [Insert Partner Name] ("Partner"). This Exhibit outlines the terms and conditions under which data will be shared between the Parties to ensure compliance with New Mexico state laws and regulations, focusing on data privacy, security, and compliance.

II. Definitions:

a. Authorized User: An employee, agent, assign, representative, independent contractor, or other person or entity authorized by Partner or State to access, use, or disclose information through this exhibit.

b. Confidential Information: All data or information shared in confidence, with the expectation that it will not be disclosed in an identifiable form. This includes data that is exempt from public disclosure under the New Mexico Inspection of Public Records Act (§ 14-2-1 et seq. NMSA 1978) or other relevant laws.

c. Data Storage: Electronic media that hold recorded information.

d. Data Transmission: The process of moving information over a network from its source to one or more destinations.

e. Direct Identifier: Records or data containing personal identifiers such as names, addresses, and social security numbers.

f. Disclosure: Permission to access, release, transfer, or otherwise communicate confidential information by any means to any third party, except as authorized by the Party that controls the record.

g. Encryption involves using algorithms to encode data, rendering it unreadable without a specific key. It may be necessary during data transmission and/or storage.

h. Information: Any data, figures, statistics, or other facts provided or learned about someone or something, including Confidential Information, that may be legally transmitted under this Exhibit.

i. Limited Dataset: A data file that omits Direct Identifiers.

j. Protected Personally Identifiable Information: Sensitive personal details such as social security numbers and financial account numbers, with specific exclusions as outlined in the Agreements.

III. Purpose:

The purpose of this exhibit is to promote transparency, facilitate information sharing between the parties, support better policy and decision-making, and enhance public services through collaborative

[THIS SPACE LEFT BLANK INTENTIONALLY]

data analysis from various sources.

IV. Use of Information:

a. Use of Information obtained or created under this exhibit shall be strictly limited to the purposes stated herein and in the agreements. The parties agree not to sell Information to third parties or use it for commercial, solicitation, or political purposes.

b. Each Party shall serve as the custodian of the Information and comply with all conditions for its use, including security measures to prevent unauthorized access.

c. The Parties shall follow all relevant federal and state laws and regulations governing the use of such Information.

V. Safeguarding Information:

a. Confidentiality: Access to Confidential Information shall be limited to the minimum necessary to accomplish the purposes of this Exhibit. Authorized Users must adhere to the confidentiality requirements.

b. Security: Security practices shall comply with the requirements of the New Mexico Department of Information Technology Act and related regulations. The Parties agree to notify each other within three business days of any suspected or actual security breach.

c. Information Storage and Transmission: Data Storage and Transmission shall take place on an encrypted server with appropriate security controls.

VI. Re-Disclosure of Information:

The Parties agree not to disclose Information except as required by law or with prior written approval of the other Party. If there is a public records request, the Party receiving it shall notify the other Party within three business days.

VII. Ownership of Information:

Legal title to Information shall remain with the provider. The Partner grants the State a royalty-free, non-exclusive, non-transferable license to use the Information in furtherance of the purposes outlined in this Exhibit.

CITY OF SANTA FE

Date: November 18, 2025

To: Governing Body

From: Tim Farrell, Interim Facilities Division Director Timothy Farrell

Via: Sam Burnett, Interim Public Works Department Director JOHN BURNETT (Nov 19, 2025 17:51:46 MST)
Brian Moya, Fire Chief BRIAN MOYA

Subject: Capital Appropriation Agreement Project 25-J4366 for Fire Station Facilities

---

ACTION:
Request for Approval of Capital Appropriation Grant Agreement with New Mexico Department of Finance and Administration for Project 25-J4366 Improvements to Fire Station Facilities in the Total Amount of $247,500 with a Reversion Date of June 30, 2028. (Tim Farrell, Interim Facilities Division Director, tgfarrell@santafenm.gov)

Request for Approval of a Budget Amendment Resolution (BAR) to Allocate $247,500 to FY26 Revenue and Facilities WIP Construction for Improvements to Fire Station Facilities.

BACKGROUND AND SUMMARY:
The City of Santa Fe has been awarded Capital Appropriation Project 25-J4366 in the amount of $247,500 to plan, design, construct, renovate, furnish, and equip fire station facilities in Santa Fe. The Facilities Division is working with the Fire Department to identify necessary improvements to existing fire station facilities.

This appropriation does not require an allocation for Art in Public Places (AIPP) and the total of $247,500 is available for project budget allocation. All funds are expected to be expended prior to the June 30, 2028, reversion date.

The Agreement designates Mayor Alan Webber as the official representative in all matters related to the project and requires Governing Body review and approval.

ATTACHMENTS:
Grant Agreement NMDFA 25-J4366

NEW MEXICO CAPITAL OUTLAY GRANT AGREEMENT
CAPITAL APPROPRIATION PROJECT

THIS AGREEMENT is made and entered into by and between the State of New Mexico, Department of Finance & Administration, 407 Galisteo Street, Santa Fe, NM 87501, ("**Department**") and the City of Santa Fe, ("**Grantee**") (individually "**Party**" and collectively "**Parties**"). This Agreement shall be effective as of the date the Department executes it ("**Effective Date**").

WITNESSETH

WHEREAS, in the Laws of 2025, Chapter 158, Section 368, the Legislature made an appropriation to the Department, funds from which the Department is making available to the Grantee pursuant to this Agreement; and

WHEREAS, the Department is granting to Grantee, and the Grantee is accepting the grant of funds from this appropriation, in accordance with the terms and conditions of this Agreement;

NOW, THEREFORE, in consideration of the mutual covenants and obligations contained herein, the parties hereby mutually agree as follows:

AGREEMENT

I. PROJECT DESCRIPTION, GRANT AMOUNT, AND REVERSION

A. **25-J4366** ("**Project**") 6/30/2028 ("**Reversion Date**"). Laws of 2025, Chapter 158, Section 368, Two Hundred Forty-Seven Thousand Five Hundred Dollars And No Cents, $247,500.00, The unexpended balance of the appropriation to the local government division in Subsection 492 of Section 28 of Chapter 66 of Laws 2024 to plan, design, construct, furnish and equip fire station 2, including related infrastructure, in Santa Fe in Santa Fe county shall not be expended for the original purpose but is changed to plan, design, construct, renovate, furnish and equip fire station facilities in Santa Fe in Santa Fe county..

B. Grantee's total reimbursements shall not exceed $247,500.00 Two Hundred Forty-Seven Thousand Five Hundred Dollars And No Cents, ("**Appropriation Amount**") minus the allocation for Art in Public Places ("**AIPP amount**"), if applicable, $0.00 Zero Dollars and No Cents, which equals $247,500.00 Two Hundred Forty-Seven Thousand Five Hundred Dollars And No Cents ("**Adjusted Appropriation Amount**").

C. In the event of a conflict among the Appropriation Amount, the Reversion Date, as defined herein and/or the purpose of the Project, as set forth in this Agreement, and the corresponding appropriation language in the laws cited above in this Article I, the language of the laws cited herein shall control.

The information contained in Article I is referred to collectively as the "**Project Description**."

II. DISBURSEMENT LIMITATION

A. Upon the Effective Date, the Grantee shall submit to the Department a comprehensive procurement plan and expenditure plan, detailing a Project timeline with milestones, required procurements, and identifying expected expenditures per milestone (collectively, "**Project Budget**"). The Department shall review and approve the Project Budget by approving a Notice of Department's Obligation ("**Notice of Obligation**"), in accordance with the Project Description, a sample of which is attached hereto as **Exhibit B** and incorporated herein by reference. After receipt of approved Notice of Obligation, the Grantee may be reimbursed for allowable costs up to the Adjusted Appropriation Amount. This Agreement and any reimbursements up to the Adjusted Appropriation Amount are expressly conditioned upon the following:

a. Irrespective of any Notice of Obligation, Grantee's expenditures shall be made in accordance with the Project Budget, on or before the Reversion Date and/or, if applicable, any Early Termination Date; and
b. The total amount received by Grantee shall not exceed the lesser of:
    i. the Adjusted Appropriation Amount identified in Article I (B) herein; or
    ii. the total of all amounts stated in the Notice(s) of Obligation evidencing the Department has received and accepted Grantee's Third Party Obligation(s); and
c. Grantee's expenditures are made and accounted for pursuant to the State Procurement Code, State's Model Accounting Practices, and execution of binding written obligations or purchase orders with third-party contractors or vendors for the provision of services, including professional services, or the purchase of tangible personal property and real property for the Project ("**Third Party Obligations**"); and
d. Grantee's submittal of timely Requests for Payment and supporting documentation in accordance with the procedures set forth in this Agreement; and
e. In the event capital assets acquired with Project funds are to be sold, leased, or licensed to or operated by a private entity, the sale, lease, license, or operating agreement:
    i. must be approved by the applicable oversight entity (if any) in accordance with §§ 13-6-2, 13-6-2.1, and 13-6-3; or
    ii. If no oversight entity is required to approve the transaction, the Department of Finance and Administration's Infrastructure Planning Development Division (IPDD) must approve it as complying with the law.

B. Prior to the sale, lease, license, or operating agreement being approved pursuant to Articles II(A)(e) (i) or (ii) herein, the Department may, in its sole and absolute discretion, unless inconsistent with State Board of Finance imposed conditions, reimburse Grantee for necessary expenditures incurred to develop the Project sufficiently to make the sale, lease, license, or operating agreement commercially feasible, limited to planning and design expenditures; and

C. Grantee's submission of documentation of all Third Party Obligations and amendments thereto (including terminations) to the Department and the Department's issuance of a Notice of Obligation for a particular amount in accordance with the terms of this Agreement shall be governed by the following:

a. Grantee is authorized to budget the particular amount set forth in the Notice of Obligation, execute the Third Party Obligation, and request the Third Party to begin work after issuance of a Notice of Obligation by the Department.
b. Grantee acknowledges and agrees that any Third Party Obligations agreed to prior to receiving a Notice of Obligation are its sole responsibility.

c. Grantee shall submit to the Department one copy of all Third Party Obligations and amendments thereto (including terminations) as soon as possible after execution by the Third Party but prior to execution by the Grantee.
d. Department may, in its sole and absolute discretion, issue a Notice of Obligation for the particular amount of a Third Party Obligation that only obligates the Department to reimburse Grantee's expenditures made on or before the Reversion Date or an Early Termination Date. The current Notice of Obligation form is incorporated herein and attached hereto as **Exhibit B**.

D. Grantee shall provide all necessary qualified personnel, materials, and facilities to implement the Project. The Grantee shall finance its share (if any) of the costs of the Project, including all Project overruns.

E. Prior to entering into this Agreement, the Department conducted a risk assessment on the Grantee and a project readiness review for the Project. In accordance with State Model Accounting Practices, FIN 9.2, if the Department determines that the expenditure of Project funds by the Grantee requires special conditions, those conditions are identified and listed in **Exhibit C**, which is attached and incorporated by reference. The Parties agree that, to the extent the Department, in its sole and absolute discretion, determines additional special conditions are necessary or that existing special conditions are no longer required, it may update **Exhibit C** from time to time without the need for a formal amendment of this Agreement.

F. Project funds shall not be used for purposes other than those authorized by the Department in accordance with the Project Description.

G. Project funds cannot be used to reimburse the Grantee for indirect Project costs unless specifically allowed by law.

III. NOTICES

The following provisions shall apply whenever written notices, including written decisions, are to be given or received related to this Agreement.

A. The Grantee designates the person(s) listed below, or their successor, as their official representative(s) concerning all matters related to this Agreement:

Grantee: City of Santa Fe
Name: Alan Webber
Title: Mayor
Address: PO Box 909, Santa Fe, NM 87504
Email: mayor@santafenm.gov
Telephone: 505-955-6590

B. The Grantee designates the person(s) listed below, or their successor, as their Fiscal Officer or Fiscal Agent concerning all matters related to this Agreement:

Grantee: City of Santa Fe
Name: Emily Oster

Title: Finance Director
Address: PO Box 909, Santa Fe, NM 87504
Email: ekoster@santafenm.gov
Telephone: 505-629-3411

C. The Department designates the persons listed below, or their successors, as the Points of Contact for matters related to this Agreement.

Department: DFA/Local Government Division
Name: Daniel Catanach
Title: Grant Manager
Address: Bataan Memorial Bldg. Rm 202, Santa Fe NM 87501
Email: danieln.catanach@dfa.nm.gov
Telephone: 505-231-6090

The Parties agree that all notices, including written decisions, related to this Agreement shall be sent to the persons named above by email or regular mail. For mailings, notices shall be deemed to have been given and received upon the date of the receiving party's actual receipt or five (5) calendar days after mailing, whichever shall first occur. In the case of email transmissions, the notice shall be deemed to have been given and received on the date reflected on the delivery receipt of the email.

IV. TERM & DEADLINE TO EXPEND FUNDS

A. The term of this Agreement shall begin on the Effective Date and terminate on the 30th day of June during the calendar year of the Reversion Date unless Terminated Before Reversion Date ("**Early Termination**") pursuant to Article V herein (collectively "**Term**").

B. The Project's funds must be expended on or before the Reversion Date and, if applicable, the Early Termination Date of this Agreement.

a. For purposes of this Agreement, it is not sufficient for the Grantee to encumber the Project funds on its books on or before the Reversion Date or Early Termination Date.
b. For purposes of this Agreement, an expenditure of funds has occurred on the date the particular quantity of goods is delivered to and received by the Grantee, title to the goods is transferred to the Grantee, and/or as of the date particular services are rendered to and accepted by the Grantee.
c. For purposes of this Agreement, an encumbrance of funds pursuant to a contract or purchase order with a third party does not qualify as an expenditure.

V. EARLY TERMINATION

A. General Provision. The Department may terminate this Agreement before the Reversion Date based on the Completion of the Project, Complete Expenditure of the Adjusted Appropriation, and/or Violation of this Agreement. Early Termination hereunder includes:

a. Termination due to completion of the Project before the Reversion Date;
b. Termination due to complete expenditure of the Adjusted Appropriation Amount before the Reversion Date;
c. Termination for violation of the terms of this Agreement; or

d. Termination for suspected mishandling of public funds, including but not limited to fraud, waste, abuse, and conflicts of interest.

B. Non-appropriation. This Agreement is expressly contingent upon the New Mexico State Legislature making sufficient appropriations and authorizations for the Project Description.

a. If the Legislature does not appropriate the Appropriation Amount, this Agreement shall terminate upon the Department giving the Grantee written notice of such termination. Such termination shall be effective as of the effective date of the law making the non-appropriation.
    i. The Department's decision as to whether sufficient appropriations or authorizations are available shall be final. Grantee hereby waives any rights to assert an impairment of contract claim against the State of New Mexico in the event of Early Termination of this Agreement.
b. As used herein, "non-appropriate" or "non-appropriation" includes the following actions by the New Mexico Legislature:
    i. Deauthorization, reauthorization, or revocation of a prior authorization.

C. Grant Disbursements in the Event of Early Termination. In the event of Early Termination, the Department's sole and absolute obligation to reimburse the Grantee is expressly conditioned upon the limitations set forth in Article II above.

D. Notice. Either Party may terminate this Agreement prior to the Reversion Date by providing the other Party with a minimum of fifteen (15) days advance written notice of the Early Termination. Grantee hereby waives any rights to assert an impairment of contract claim against the State of New Mexico in the event of Early Termination of this Agreement by the Department.

VI. SUSPENSION OF NEW OR FURTHER OBLIGATIONS

A. Department, in its sole and absolute discretion, may provide written notice to Grantee to suspend entering into further obligations. Upon the receipt of such written notice by the Grantee:

a. Grantee shall immediately suspend entering into new or further written obligations with third parties;
b. Department will suspend the issuance of any new or further Notice of Obligation under this Agreement; and
c. Department may direct the Grantee to implement a corrective action plan in accordance with Article VI (D) herein.

B. In the event of Suspension of this Agreement, the Department's sole and absolute obligation to reimburse the Grantee is expressly conditioned upon the limitations set forth in Article II herein.

C. A suspension of new or further obligations under this Agreement shall remain in effect unless or until the date the Grantee receives written notice given by the Department informing the Grantee that the Suspension has been lifted or that the Agreement has been Early Terminated in accordance with Article V herein. If the Suspension is lifted, the Department will consider further requests for a Notice of Obligation.

D. Corrective Action Plan in the Event of Suspension. Where the Department, in its sole and absolute discretion, directs Grantee to suspend entering into new or further written obligations with third parties pursuant to Article VI(A), the Department may, but is not obligated to, require the Grantee to develop and implement a written corrective action plan to remedy the grounds for the Suspension.

a. Such a corrective action plan must be approved by the Department and be signed by the Grantee.
b. Failure to sign a corrective action plan or meet the terms and deadlines set forth in the signed corrective action plan is hereby deemed a violation of the terms of this Agreement for purposes of Early Termination, Article V(A)(c).
c. A corrective action plan shall be in addition to, and not in lieu of, any other equitable or legal remedy authorized hereunder or at law, including but not limited to Early Termination.

VII. AMENDMENTS

Unless expressly stated otherwise herein, this Agreement shall not be altered, changed, or amended except by an instrument in writing duly executed by both parties hereto with the same formalities as this agreement.

VIII. REPORTING

A. Database Reporting

a. Grantee shall provide the Department with quarterly reports of Project activity, entering the required Project information directly into a database required by the Department.
b. Additionally, Grantee shall certify on each Request for Payment form, attached hereto as **Exhibit A** and incorporated herein, that all information provided in the database is true and accurate, updates to the database have been maintained, and all Project activity complies with applicable law and the terms of this Agreement.
c. Grantee hereby acknowledges that failure to perform and/or certify updates to the database will jeopardize the reimbursement of funds. The Department shall give Grantee a minimum of fourteen (14) days' advance written notice of any changes to the information the Grantee is required to report.
d. At the Department's discretion, all reports required hereunder may be directed to and facilitated through an electronic database.
e. Quarterly reports shall be due on the last day of the month, that is, 30 days prior to the end of the quarter following the execution of this Agreement by the Department and ending during the quarter of the submission of the final request for reimbursement for the Project, or the following quarter.

B. Requests for Additional Information/Project Inspection

During the term of this Agreement and during the period of time during which the Grantee must maintain records pursuant to Article VIII, the Department may:

i. request such additional information regarding the Project as it deems necessary; and
ii. conduct, at reasonable times and upon reasonable notice, onsite inspections of the Project.

Grantee shall respond to such requests for additional information within a reasonable period of time, as established by the Department.

B. Requests for Additional Information/Project Inspection

a. During the term of this Agreement and the Record Retention Period, the Department may:
   i. Request additional information regarding the Project as it deems necessary and
   ii. Conduct on-site inspections of the Project at reasonable times and upon reasonable notice.
b. Grantee shall respond to such requests for additional information within the time established by the Department.

IX. REQUEST FOR PAYMENT PROCEDURES

A. Grantee shall request payment by submitting the form attached hereto as **Exhibit A**. Payment requests are subject to the following procedures:

a. Each Request for Payment must be in accordance with the Project Budget and contain proof of payment by the Grantee or liabilities incurred by the Grantee.
   i. Proof of payment must demonstrate the validity of an expenditure or liabilities incurred by Grantee.
   ii. However, Grantee may be reimbursed for unpaid liabilities only if the Department, in its sole and absolute discretion, agrees to do so and in accordance with any special conditions imposed by the Department.
   iii. The Grantee shall make payment to those contractors or vendors within five (5) business days from the date of receiving reimbursement from the Department or in a shorter period than the Department may prescribe in writing.
   iv. The Department reserves the right to make such payments directly to the contractors or vendors as a special condition under this Agreement.
   v. The Grantee is required to certify to the Department proof of payment to the third-party contractor or vendor within five (5) business days from the date the Department reimburses the Grantee.

B. Until the Project is fully planned, designed, and all necessary procurements identified in the Project Budget are completed, Grantee's reimbursements will be limited to the planning, design, and procurement costs outlined in the Project Budget. Once the planning, designing, and procuring stages are complete, the Grantee must obligate at least ten percent (10%) of the Adjusted Appropriation Amount within one (1) year and must have utilized at least eighty-five percent (85%) of the Adjusted Appropriation Amount six (6) months before the reversion date.

C. Deadlines. Grantee shall submit requests for Payments to the Department on the earlier of:

a. Immediately as Grantee receives them, but at a maximum of thirty (30) days from when Grantee incurred the expenditure or liability; or
b. Twenty (20) days from the date of Early Termination or Reversion Date for expenditures or liabilities incurred before the Early Termination date or Reversion Date.

D. Grantee's failure to abide by the requirements set forth in Article II and Article IX herein may result in the denial of its Request for Payment. Department reserves the right to reject a payment request for the Project unless and until it is satisfied that the expenditures or liabilities are for permissible purposes within the meaning of the Project Description, identified within the Project Budget, and that the Grantee is otherwise in compliance with this Agreement.

a. Department's authority to reject any Request for Payment is in addition to, and not in lieu of, any other legal or equitable remedy available to the Department under this Agreement, at law, or in equity.

X. PROJECT CONDITIONS AND RESTRICTIONS

A. The following general conditions and restrictions shall apply to the Project:

a. The Project's funds must be spent in accordance with all applicable state laws, regulations, policies, and guidelines, including, but not limited to, the State Procurement Code.
b. The Project's expenditures and liabilities must be accounted for in accordance with the State's Model Accounting Practices, as amended from time to time.
c. The Project must be implemented in accordance with the New Mexico Public Works Minimum Wage Act, Section 13-4-10 through 13-4-17 NMSA 1978, as applicable.
d. The Project must provide a public benefit above and beyond any incidental benefit to private entities in accordance with applicable law, including, but not limited to, Article IX, Section 14 of the Constitution of the State of New Mexico.
e. Without prior written approval from the Department and State Board of Finance, for the useful life of any asset purchased under this Agreement, Grantee shall not convert any property acquired, built, renovated, repaired, designed, or developed with Project funds to uses other than those specified in the Project Description.
    i. In addition to other remedies available at law or in equity, any disposal or conversion of property acquired, built, renovated, repaired, designed, or developed with Project funds without the Department's and the Board of Finance's express written approval will trigger the Department's right to reimbursement from Grantee of the Appropriated Amount, transfer proceeds from any disposition of property to the State, or otherwise provide consideration to the State for the Appropriated Amounts.
f. Grantee shall comply with all applicable federal and state laws, rules, and regulations pertaining to civil rights and equal employment opportunity.
    i. In accordance with all such laws, rules, and regulations, the Grantee agrees to assure that no person shall, on the grounds of race, color, national origin, sex, sexual preference, age, or handicap, be excluded from participation in the Project, use of the Project, employment with Grantee, or otherwise be denied benefits/subject to discrimination for any activity performed under this Agreement.

g. Where the Department, in its sole and absolute discretion, determines Grantee has failed to comply with the above conditions and restriction, Grantee agrees to take appropriate steps to correct any deficiencies immediately. The Grantee's failure to implement such appropriate steps within a reasonable time, but no longer than thirty (30) days after notice from the Department, constitutes a breach of this Agreement and grounds for Early Termination.

XI. REPRESENTATIONS AND WARRANTIES

A. Reliance by Department.
   a. Grantee expressly acknowledges that the Department relies on the representations and warranties made by Grantee in this Agreement. Grantee acknowledges that such representations and warranties are a material inducement for the Department to enter into this Agreement and provide the Appropriated Amount.
   b. Grantee shall ensure all representations and warranties provided herein are true, accurate, and complete as of the date of the Effective Date and shall remain so throughout the Term of this Agreement. Grantee is responsible for promptly notifying the Department in writing of any changes or inaccuracies in the representations and warranties contained herein.

B. Grantee hereby represents and warrants the following:

   a. Grantee has taken all necessary steps to attain the legal authority to receive and expend the Project's funds.
   b. Grantee has duly authorized this Agreement, and the person executing it has authority to do so. Once executed by Grantee, this Agreement shall constitute a binding obligation of Grantee, enforceable according to its terms.
   c. Grantee's obligations hereunder do not conflict with any law, ordinance, or resolution applicable to Grantee, Grantee's charter (if applicable), or any judgment or decree to which Grantee is subject.
   d. Grantee has independently confirmed that the Project Description, including, but not limited to, the Appropriated Amount and Reversion Date, is consistent with the underlying appropriation in law.
   e. Grantee's governing body has duly adopted or passed as an official act a resolution, motion, or similar action authorizing the person identified as the official representative of the Grantee to sign and submit Requests for Payment on behalf of Grantee.
   f. Grantee will abide by New Mexico laws regarding conflicts of interest, governmental conduct, and whistleblower protection.
      i. Grantee agrees explicitly none of its officers or employees or its designees or agents, no member of the governing body, and no other public official of Grantee who exercises any function or responsibility with respect to this Agreement, shall have any interest, direct or indirect, in any contract or subcontract, or the proceeds thereof, for the Project.
      ii. Further, Grantee will require all of its contractors to incorporate the language set forth in this paragraph prohibiting conflicts of interest in all subcontracts.
   g. No funds have been paid or will be paid, by or on behalf of the Grantee, to any person for influencing or attempting to influence an officer or employee of the State, any agency, or body in connection with the awarding of any Third Party Obligation.

i. Grantee will require certifying language prohibiting lobbying to be included in the award documents for all subawards, including subcontracts, loans, and cooperative agreements.

C. Consequences of False or Misleading Representations. If any representation or warranty made by Grantee is found to be false or misleading, the Department shall have the right to exercise any or all of the following remedies:

a. **Termination of Agreement:** Department may terminate this Agreement immediately upon written notice to the Grantee.
b. **Repayment of Grant Funds:** Grantee shall repay all Appropriated Amounts disbursed under this Agreement, upon demand by the Department.
c. **Other Remedies:** Department may pursue any other remedies available at law or in equity.

D. Survival of Representations and Warranties. The representations and warranties made by the Grantee shall survive the Early Termination or expiration of this Agreement.

XII. PROJECT RECORDS

A. Grantee shall be strictly accountable for receipts and disbursements relating to the Project's funds. The Grantee shall follow generally accepted accounting principles and the State's Model Accounting Practices and, if feasible, maintain a separate bank account or fund with a separate organizational code to ensure separate budgeting and accounting of the funds.

B. For six (6) years following the Project's completion ("**Record Retention Period**"), Grantee shall maintain all Project-related records, including, but not limited to, all financial records, requests for proposals, invitations to bid, selection and award criteria, contracts and subcontracts, advertisements, minutes of pertinent meetings, as well as records sufficient to fully account for the amount and disposition of the Appropriated Amount from all sources budgeted for the Project, the purpose for which such funds were used, and such other records as the Department may prescribe.

C. Grantee shall make all Project records available to the Department, the Department's Independent Public Accountant, and the New Mexico State Auditor upon request. With respect to the funds that are the subject of this Agreement, if the State Auditor or the Department finds any funds were improperly expended, Grantee shall be required to reimburse the State all amounts found to be improperly expended.

XIII. IMPROPERLY REIMBURSED FUNDS

If the Department determines part or all of the Appropriation Amount was improperly reimbursed to Grantee, including but not limited to funds reimbursed to Grantee based upon fraud, mismanagement, misrepresentation, misuse, violation of law by the Grantee, after ten (10) days' notice to Grantee and the opportunity to return such funds to the Department, the Department may offset any funds due to Grantee from the State, until the Appropriation Amount is fully repaid.

XIV. LIABILITY

Neither Party shall be responsible for liability incurred as a result of the other Party's acts or omissions in connection with this Agreement. Any liability incurred in connection with this Agreement is subject to immunities and limitations of the New Mexico Tort Claims Act.

XV. SCOPE OF AGREEMENT

This Agreement constitutes the entire and exclusive agreement between the Parties concerning the subject matter hereof. The Agreement supersedes all prior or contemporaneous agreements, understandings, discussions, communications, and representations, written or verbal.

XVI. REQUIRED NON-APPROPRIATIONS CLAUSE

A. Grantee acknowledges and agrees to include a "non-appropriations" clause in all contracts between it and other parties that are (i) funded in whole or part by funds made available under this Agreement and (ii) entered into after the effective date of this Agreement that states:

   a. "The terms of this Agreement are contingent upon sufficient appropriations and authorization being made by the Legislature of the State of New Mexico ("**Legislature**") for the performance of this Agreement.
   b. If the Legislature does not make sufficient appropriations and authorization, City of Santa Fe may immediately terminate this Agreement by giving Contractor written notice of such termination.
   c. The City of Santa Fe's decision as to whether sufficient appropriations are available shall be final and accepted by the Contractor. Contractor hereby waives any rights to assert an impairment of contract claim against the City of Santa Fe or the State of New Mexico in the event of immediate or Early Termination of this Agreement by the City of Santa Fe or the State Department of Finance and Administration."

XVII. REQUIRED TERMINATION CLAUSE

A. Grantee acknowledges and agrees to include the following termination clause in all contracts that are (i) funded in whole or part by funds made available under this Agreement and (ii) entered into after the effective date of this Agreement:

   a. "This contract is funded in whole or in part by funds made available by the State of New Mexico ("**State**"). Should the State terminate its Agreement with the City of Santa Fe, the City of Santa Fe may terminate this contract immediately by providing Contractor written notice of such termination.
   b. In the event of termination pursuant to this paragraph, the City of Santa Fe's only liability to Contractor shall be for goods and services delivered and accepted prior to the termination date."

XVIII. COMPLIANCE WITH UNIFORM FUNDING CRITERIA

A. Throughout the term of this Agreement, Grantee shall:

a. Submit all reports of annual audits and agreed-upon procedures required by § 12-6-3(A)-(B), NMSA 1978 by the due dates established in § 2.2.2 NMAC, reports of which must be a public record pursuant to § 12-6-5(A), NMSA 1978 within forty-five (45) days of delivery to the State Auditor;
b. Have a duly adopted budget for the current fiscal year approved by its budgetary oversight agency (if any);
c. Timely submit all required financial reports to its budgetary oversight agency (if any); and
d. Use accounting methods and procedures consistent with Generally Accepted Accounting Principles and the State's Model Accounting Principals to expend the Appropriated Amount in accordance with applicable law and account for and safeguard Project funds and assets acquired with Project funds.

B. In the event Grantee fails to comply with the requirements of subparagraph A of this Article XVIII, Department may take one or more of the following actions:

a. Suspend new or further obligations pursuant to Article VI(A) of this Agreement;
b. Require the Grantee to develop and implement a written corrective action plan pursuant to Article VI(D) of this Agreement to remedy the non-compliance;
c. Impose special conditions to address the non-compliance by giving Grantee notice of such special conditions in accordance with Article III of this Agreement;
    i. The Parties agree that any special conditions imposed to address non-compliance shall be incorporated into this Agreement, through **Exhibit C**, upon notice to Grantee, without need for formal amendment of this Agreement;
    ii. Special conditions shall be binding and effective on the date that notice is deemed to have been given pursuant to Article III or
d. Terminate this Agreement pursuant to Article V(A) of this Agreement.

XIX. SEVERANCE TAX AND GENERAL OBLIGATION BONDS

A. Grantee acknowledges and agrees that the underlying appropriation for the Project may originate from the issuance of tax-exempt severance tax bonds or general obligation bonds by the State. Proceeds from such bonds are administered by the New Mexico State Board of Finance ("**SBOF**"), an entity separate and distinct from the Department.

a. Grantee acknowledges and agrees:
    i. It is Grantee's responsibility to determine through SBOF what (if any) conditions are currently imposed on the Project;
    ii. Department's failure to inform Grantee of an SBOF-imposed condition does not affect the validity or enforceability of the condition;
    iii. The SBOF may in the future impose further or different conditions upon the Project;
    iv. All SBOF conditions are attached to the Project and Appropriation Amount without the need for formal amendment of this Agreement;
    v. All applicable SBOF conditions must be satisfied before the SBOF will release to the Department funds subject to the condition(s) and
    vi. The Department's obligation to reimburse Grantee from the Project is expressly contingent upon the satisfaction of the then-current SBOF conditions.

B. Grantee acknowledges and agrees SBOF may, at its sole and absolute discretion, require reimbursement or remove eligibility for bond proceeds for the Project if the Project doesn't proceed sufficiently.

   a. Grantee must comply with the requirement to encumber five percent (5%) of Project funds within six months of bond issuance as certified by Grantee in the Bond Questionnaire and Certification documents submitted to the SBOF.
   b. Failure to comply may result in the reassignment of the bond proceeds. Upon reassignment of bond proceeds, this Agreement will be suspended until the entity has demonstrated readiness as determined by the SBOF and the Department.

C. Grantee acknowledges and agrees that this Agreement is subject to the SBOF's Bond Project Disbursements rule, § 2.61.6, NMAC, as may be amended from time to time or re-codified.

XX. GENERAL PROVISIONS

A. Assignment: Grantee's rights and obligations under this Agreement are personal and may not be transferred or assigned without the prior written consent of the State. Any attempt at assignment or transfer without such consent shall be void. Any assignment or transfer of Grantee's rights and obligations approved by the State shall be subject to the provisions of this Agreement.

B. Subcontractors: Grantee shall not enter any subgrant or subcontract in connection with its obligations under this Agreement without the prior written approval of the State. Upon request, Grantee shall submit to the Department a copy of each such subgrant or subcontract.

C. Binding Effect: Except as otherwise provided, all provisions of this Agreement, including the benefits and burdens, shall extend to and be binding upon the Parties' respective successors and assigns.

D. Authority: Each Party represents and warrants to the other that the execution and delivery of this Agreement and the performance of such Party's obligations have been duly authorized.

E. Captions and References: The captions and headings in this Agreement are for the convenience of reference only and shall not be used to interpret, define, or limit its provisions. All references in this Agreement to sections (whether spelled out or using the § symbol), subsections, exhibits, or other attachments are references to sections, subsections, exhibits, or other attachments contained herein or incorporated as a part hereof, unless otherwise noted.

F. Counterparts: This Agreement may be executed in multiple, identical, original counterparts, each of which shall be deemed to be an original, but all of which, taken together, shall constitute the same agreement.

G. Digital Signatures: If any signatory signs this agreement using a digital signature in accordance with the State Policies regarding the use of digital signatures, then any agreement or consent to use digital signatures within the electronic system through which that signatory signed shall be incorporated into this Agreement by reference.

H. Modification: Except as otherwise provided in this Agreement, any modification to this Agreement shall only be effective if agreed to in a formal amendment, properly executed and approved in accordance with applicable New Mexico law and State fiscal policies and rules. Modifications permitted under this Agreement, other than Agreement amendments, shall conform to the policies issued by the State.

I. Statutes, Regulations, Fiscal Rules, and Other Authority: Any reference in this Agreement to a statute, regulation, policy, or other authority shall be interpreted to refer to such authority then current, as may have been changed or amended after the Effective Date of this Agreement.

J. External Terms and Conditions: Notwithstanding anything to the contrary herein, the State shall not be subject to any provision included in any terms, conditions, or agreements appearing on Grantee's or a subcontractor's website or any provision incorporated into any click-through or online agreements related to the Work unless that provision is specifically referenced in this Agreement.

K. Severability: The invalidity or unenforceability of any provision of this Agreement shall not affect the validity or enforceability of any other provision of this Agreement, which shall remain in full force and effect, provided that the Parties can continue to perform their obligations under this Agreement in accordance with its intent.

L. Survival of Certain Agreement Terms: Any provision of this Agreement that imposes an obligation on a Party after the termination or expiration of this Agreement shall survive the termination or expiration of this Agreement and shall be enforceable by the other Party.

M. Third Party Beneficiaries: Except for the Parties' respective successors and assigns described in this Agreement, it does not and is not intended to confer any rights or remedies upon any person or entity other than the Parties. Enforcement of this Agreement and all rights and obligations hereunder are reserved solely to the Parties. Any services or benefits that third parties receive as a result of this Agreement are incidental to this Agreement and do not create any rights for such third parties.

N. Waiver: A Party's failure or delay in exercising any right, power, or privilege under this Agreement, whether explicit or by lack of enforcement, shall not operate as a waiver, nor shall any single or partial exercise of any right, power, or privilege preclude any other or further exercise of such right, power, or privilege.

O. Standard and Manner of Performance: Grantee shall perform its obligations under this Agreement in accordance with the highest standards of care, skill, and diligence in Grantee's industry, trade, or profession.

P. Licenses, Permits, and Other Authorizations: Grantee shall secure, prior to the Effective Date, and maintain at all times during the term of this Agreement, at its sole expense, all licenses, certifications, permits, and other authorizations required to perform its obligations under this Agreement and shall ensure that all employees, agents, and subcontractors secure and maintain at all times during the term of their employment, agency or subcontractor, all license, certifications, permits and other authorizations required to perform their obligations in relation to this Agreement.

Q. Publicity: Any Publicity regarding the subject matter of this Agreement may not be released without prior written approval from the Department. For purposes of this agreement, "**Publicity**" means notices, informational pamphlets, press releases, email responses, research, reports, signs, and similar public notices prepared by or for the Grantee or jointly with others.

a. Grantee shall obtain written approval prior to issuing any press release or making any public announcement regarding this agreement. Grantee agrees to obtain approval of the Department in advance with respect to all Public Relations, all communications with media, or all communications with any other member of the public with respect to this agreement, except to acknowledge that an agreement does exist.
b. For purposes of this agreement, "Public Relations" includes community relations and means those activities dedicated to maintaining the Department's image or maintaining or promoting understanding and favorable relations with the community or public at large or any segment of the public.
c. Violations of either Article XX (Q)(a) or (b) shall constitute a material Breach of Agreement.

R. Data Sharing: The State intends to secure and collate specific data generated by Grantee under this Agreement to use in support of the State's organizational, policy-making, and management of public resource functions. State, in accordance with **Exhibit E**, attached hereto and incorporated herein by reference, reserves the right to require Grantee and/or its subcontractors to provide specific data relevant to the above-listed functions. Data provided by Grantee may be incorporated into existing or future developed State integrated analysis tools or databases, including but not limited to geographic information system (GIS) networks and databases accessible by the public. Dissemination of data collected may include historical data and projections based on such historical data.

a. To the extent any data transferred as part of this Agreement is legally determined to be the property of Subrecipient or its subcontractors, Subrecipient and/or its subcontractors grants State a nonexclusive, fully paid-up right and license to reproduce, use, distribute, do derivative works based on, and archive data transferred as part of this Agreement.

S. Venue and Choice of Law: This Agreement shall be governed by and construed in accordance with the laws of the State of New Mexico, without regard to any conflict of law provisions. Any legal suit, action, or proceeding arising out of or related to this Agreement shall be instituted exclusively in the district courts located in Santa Fe, New Mexico. The Parties hereby irrevocably submit to the exclusive jurisdiction and venue of such courts in any such suit, action, or proceeding. The Parties waive any objection to the laying of the venue of any such suit, action, or proceeding in the district courts of Santa Fe, New Mexico, and irrevocably waive and agree not to plead or claim in any such court that any such suit, action, or proceeding brought in any such court has been brought in an inconvenient forum.

[THIS SPACE LEFT BLANK INTENTIONALLY]

OPTIONAL EXHIBIT C
SPECIAL CONDITIONS

The capital outlay oversight requires grantees' accounting methods and procedures, including their internal control framework, to be scrutinized, so as to safeguard State capital outlay appropriations and assets acquired with such appropriations.

This Capital Outlay Special Grant Condition(s) **Exhibit C** is necessary pursuant to § 6-3b-1 et seq., NMSA 1978 (Public Finance Accountability Act) and MAPS Fin 9.2, due to the Grantees' material weaknesses, significant deficiencies, or findings that raised concerns as to the ability to expend grant funds in accordance with applicable law in the organization's FY[20XX] audit. The Special Conditions identified below apply to the authorized agent, [insert the Grantee or Fiscal Agent name].

Procurement - All purchases or contracts the Grantee enters that shall use funding from the Department capital appropriations grant must be approved by the Department prior to the initiation of implementing purchasing documents. The Grantee shall receive such prior approval via official correspondence from the Department, which may be through letter or email. The Grantee shall submit the following to the Department in pursuit of prior approval: purchasing policies and procedures, CFO certification, documentation of management and program approval, policies and procedures governing purchasing and contracting, a copy of the current procurement and contracting policies, and documentation regarding informing staff responsible for purchasing and contracting on such policies and procedures.

Budget - Provide documentation of approval of your current budget from DFA Local Government or other authoritative agency. Provide policies and procedures on who is responsible for and how annual budgets (expenditures and revenue) are established, monitored and adjusted. Provide a corrective action plan on how budget issues identified in your audit will be/have been addressed. Also include documentation on how staff responsible for budgeting is informed on budget policies and procedures.

Capital Assets - Provide a complete list of inventory including inventory control numbers and current location. Provide policies and procedures on capital assets and inventory and specify how the proposed purchased items will be included, tagged, and tracked in capital asset inventory. Also include documentation on how staff responsible for capital assets is informed on capital asset policies and procedures.

Travel and Per Diem - Provide policies and procedures on travel and per diem. Also include how staff who travel and those responsible for travel reimbursement are informed on travel and per diem policies and procedures.

Timely Audits – Provide policies and procedures on annual audits. Provide documentation on how and who is responsible for insuring that annual audits are completed timely. Also include documentation on how staff responsible for the annual audit is informed on audit policies and procedures.

Cash Management – policies and procedures on cash management of federal funds. Provide procedures used to draw and disburse federal funds. Provide procedures to reconcile draw amounts, deposits and disbursements; and to prepare federal cash reporting documents to ensure compliance with federal regulations.

The <Grantee> was required to, and has provided sufficient documentation regarding [insert specific names of the Special Condition(s)], as referenced in the <Grantee>'s [20XX] Audit file. Therefore, the criteria to enter into this agreement have been met.

Exhibit E

Data Sharing Provisions for New Mexico Capital Outlay Agreements

I. Introduction:

This Data Sharing Provisions Exhibit ("Exhibit") is incorporated into the New Mexico Capital Outlay Agreements ("Agreements") between the State of New Mexico ("State") and [Insert Partner Name] ("Partner"). This Exhibit outlines the terms and conditions under which data will be shared between the Parties to ensure compliance with New Mexico state laws and regulations, focusing on data privacy, security, and compliance.

II. Definitions:

a. Authorized User: An employee, agent, assign, representative, independent contractor, or other person or entity authorized by Partner or State to access, use, or disclose information through this exhibit.

b. Confidential Information: All data or information shared in confidence, with the expectation that it will not be disclosed in an identifiable form. This includes data that is exempt from public disclosure under the New Mexico Inspection of Public Records Act (§ 14-2-1 et seq. NMSA 1978) or other relevant laws.

c. Data Storage: Electronic media that hold recorded information.

d. Data Transmission: The process of moving information over a network from its source to one or more destinations.

e. Direct Identifier: Records or data containing personal identifiers such as names, addresses, and social security numbers.

f. Disclosure: Permission to access, release, transfer, or otherwise communicate confidential information by any means to any third party, except as authorized by the Party that controls the record.

g. Encryption involves using algorithms to encode data, rendering it unreadable without a specific key. It may be necessary during data transmission and/or storage.

h. Information: Any data, figures, statistics, or other facts provided or learned about someone or something, including Confidential Information, that may be legally transmitted under this Exhibit.

i. Limited Dataset: A data file that omits Direct Identifiers.

j. Protected Personally Identifiable Information: Sensitive personal details such as social security numbers and financial account numbers, with specific exclusions as outlined in the Agreements.

III. Purpose:

The purpose of this exhibit is to promote transparency, facilitate information sharing between the parties, support better policy and decision-making, and enhance public services through collaborative

[THIS SPACE LEFT BLANK INTENTIONALLY]

data analysis from various sources.

IV. Use of Information:

a. Use of Information obtained or created under this exhibit shall be strictly limited to the purposes stated herein and in the agreements. The parties agree not to sell Information to third parties or use it for commercial, solicitation, or political purposes.

b. Each Party shall serve as the custodian of the Information and comply with all conditions for its use, including security measures to prevent unauthorized access.

c. The Parties shall follow all relevant federal and state laws and regulations governing the use of such Information.

V. Safeguarding Information:

a. Confidentiality: Access to Confidential Information shall be limited to the minimum necessary to accomplish the purposes of this Exhibit. Authorized Users must adhere to the confidentiality requirements.

b. Security: Security practices shall comply with the requirements of the New Mexico Department of Information Technology Act and related regulations. The Parties agree to notify each other within three business days of any suspected or actual security breach.

c. Information Storage and Transmission: Data Storage and Transmission shall take place on an encrypted server with appropriate security controls.

VI. Re-Disclosure of Information:

The Parties agree not to disclose Information except as required by law or with prior written approval of the other Party. If there is a public records request, the Party receiving it shall notify the other Party within three business days.

VII. Ownership of Information:

Legal title to Information shall remain with the provider. The Partner grants the State a royalty-free, non-exclusive, non-transferable license to use the Information in furtherance of the purposes outlined in this Exhibit.

Subject: AMENDMENT #1-Calle Mejia Sanitary Sewer Pipe Bursting Rehab Project

Vendor Name: SKE Contractors, LLC

Munis Vendor Number: 10552

ITEM AND ISSUE:

The Public Utilities Department respectfully requests your review and approval of Amendment #1 with SKE Contractors, LLC. for the Calle Mejia Collection System Rehabilitation Project. Amendment #1 increases the amount of compensation to remove and replace a concrete encased section of sewer that crosses an arroyo, by $113,915.40 for a total compensation of $3,388,943.60, including NMGRT, for a term of two years.

1. Approval of a Budget Adjustment Resolution (BAR) in the amount of $113,916 from the Wastewater Enterprise Fund to WIP Construction.

CONTRACT NUMBER:

The FY26 Munis contract number is 3250255.

BACKGROUND AND SUMMARY:

During the pipe bursting process a 300-foot section of 10” clay sewer line was discovered to be encased in concrete as it crossed the arroyo. The concrete encasement did not allow the pipe to be replaced using pipe bursting, so this 300’ section shall be excavated, removed and replaced with a 300’ section of ductile iron pipe encased in concrete. This open-trench replacement will result in additional costs. With existing credits from initial contracted work, the additional cost was reduced to $113,915.40.

PRIOR APPROVALS AND SUPPORTING INFORMATION:

CITY OF SANTA FE, PUBLIC UTILITIES DEPARTMENT
AMENDMENT No. 1

Calle Mejia Sanitary Sewer Pipe Bursting Rehab Project

This AMENDMENT No. 1 (the "Amendment") amends the CITY OF SANTA FE CONTRACT, dated November 21, 2024 (the "Contract"), between the City of Santa Fe (the "City") and SKE Contractors, LLC. (the "Contractor"). The date of this Amendment shall be the date when it is executed by the City and the Contractor whichever occurs last.

RECITALS:

A. Under the terms of the Contract, Contractor has agreed to provide all mobilization, equipment, labor, and materials for the rehabilitation of the sanitary sewer lines within or proximate to Calle Mejia, using pipe bursting methods.

B. Pursuant to Article 14 of the Contract, and for good and valuable consideration, the receipt and sufficiency of which are acknowledged by the parties, the City and the Contractor agree as follows:

2. COMPENSATION.

Article 2, paragraph A of the Contract is amended to increase the amount by a total of $113,915.40 so that Article 2, paragraph A reads in its entirety as follows:

A. The City shall pay to the Contractor in full payment for services satisfactorily performed as described in Exhibit “B” attached and incorporated herein, such compensation not to exceed three million one hundred and thirty-two thousand four hundred and seventy-two dollars and forty-two

cents ($3,132,472.42), excluding gross receipts tax. The New Mexico gross receipts tax levied on the amounts payable under this Contract shall be paid by the City to the Contractor, at the rate of 8.1875%. The Contract Total is determined as follows:

Base Bid (With CO #1) $ 3,132,472.42

Gross Receipts Tax (8.1875%) $ 256,471.18

Total including NMGRT $ 3,388,943.60

The total amount payable to the Contractor under this Contract, including Alternates (if needed) gross receipts tax and expenses, shall not exceed three million three hundred eighty-eight thousand nine hundred forty-three dollars and sixty cents, ($3,388,943.60) including NM gross receipts tax. This amount is a maximum and not a guarantee that the work assigned to be performed by Contractor under this Contract shall equal the amount stated herein. The parties do not intend for the Contractor to continue to provide services without compensation when the total compensation amount is reached. Contractor is responsible for notifying the City when the services provided under this Contract reach the total compensation amount. In no event will the Contractor be paid for services provided in excess of the total compensation amount without this Contract being amended in writing prior to those services in excess of the total compensation amount being provided.

C. CONTRACT IN FULL FORCE.

Except as specifically provided in this Amendment, the Contract remains and shall remain in full force and effect, in accordance with its terms.

IN WITNESS WHEREOF, the parties have executed this Amendment No. 1 to the Contract as of the dates set forth below.

CHANGE ORDER PROPOSAL

Calle Mejia Sanitary Sewer Pipebursting Project

Date of Issuance:	9/29/2025	**CO Proposal No.:**	**1 revised**
Contractor:	SKE Contractors, LLC		
Designer:	N/A	**P.O. No.:**	**22601461**

Explanation:

This change order proposal encompasses the follov

Option 1 - Remove 330 feet of 10" VCP that is encased in conrete and replace with 12" Ductile iron with restrained joints encased in 30" of concrete through arroyo. CIP, all taxes and overhead included.

Description of Work		**Cost**	**Time**
1. Remove existing and replace with 12" Ductile iron, CIP (LS)	$	105,294.42	21 Days
2. GRT tax	$	8,620.98	Days
3.	$	-	Days
4.	$	-	Days
5.	$	-	Days

Please attach back-up documentation

Cost & Time Change Summary		**Cost**	**Time**
Original Contract:	$	3,275,028.20	365 Days
Previous Change Order(s):	$	-	Days
Contract prior to this change order:	$	3,275,028.20	365 Days
Net increase (decrease) from this change order	$	113,915.40	Days
Revised Contract:	**$**	**3,388,943.60**	**365** Days
Percent increase (decrease) this Change Order	3.5%		
Percent increase (decrease) all Change Orders	3.5%

CITY OF SANTA FE

CONSTRUCTION CONTRACT

THIS CONTRACT is made and entered into by and between the City of Santa Fe, New Mexico, hereinafter referred to as the "City," and SKE Contractors, LLC. hereinafter referred to as the "Contractor," and is effective as of the date set forth below upon which it is executed by the Parties.

RECITALS

WHEREAS, the City, through its Governing Body, is authorized to enter into a construction Contract for the project; and

WHEREAS, the City has procured this Contract according to the established State and Local Purchasing procedures for contracts of the type and amount; and

The City and the Contractor hereby agree as follows:

1. Scope of Work

A. The Contractor shall perform the following work:

The Contractor shall perform all the work required by the Contract Documents. The work consists of furnishing all mobilization, equipment, labor and materials for the rehabilitation of sanitary sewer lines through pipe bursting methods as specified in the sewer line location plans and specifications and other incidental work and traffic control as required in the City of Santa Fe, New Mexico.

The contractor's attention is directed to the fact that all applicable Federal Laws, State Laws, Municipal Ordinances, and the rules and regulations of all authorities having jurisdiction over said item shall apply to the project throughout, and they will be deemed to be included in the contract documents the same as though herein written out in full.

The sanitary sewer line to be replaced is in Calle Mejia and proximate to the roadway and St. Frances Drive. The Project consists of installing approximately19,500 feet of twelve-inch diameter High Density Polyethylene (HDPE) pipe along the grade line of the existing ten-inch clay sewer pipe. The operation shall be conducted with a hydraulic or pneumatic pulling or pushing apparatus and a pipe expander or pipe reaming device. The pipe expander or reaming device shall be pushed or pulled through the existing pipe on grade, widening the existing pipe material for the insertion of the new pipe material.

SUBMITTALS

A. Submit all information, shop drawings, and product data as directed below to the owner's representative for review and approval.

B. Product Data:
    1. All pipe, fittings, and accessories to be used.
    2. The manufacturer's installation recommendations including the recommended allowable pulling force to prevent damage to the pipe.
    3. If HDPE is used, information indicating the interior color for the HDPE pipe.

C. Installation Procedure:
    1. The Contractor shall submit, in detail, the procedure and the steps to be followed for the installation of the pipe bursting system selected including, but not limited to:
        a) Traffic control plan.
        b) Layout, storage, and pipe handling areas.
        c) Plan for locating, exposing, and reconnecting service laterals.
        d) Bypass pumping plan.
        e) Point repair plan for removing sags, offset joints, constrictions, or obstructions.
    2. Any proposed changes in installation procedures shall require submittal of revised procedures and acceptance by the City.
D. Preconstruction Television Inspections.
E. Post-Construction Television Inspections.
F. Updated schedule of repairs for the segments included in the contract documents which are to be submitted after the preconstruction CCTV inspections have taken place and the segments reviewed for any modifications to the planned work.
G. Certificates:
    1. Affidavit of compliance with applicable standards.
    2. Test certificates.
    3. As requested, Certificates of Training for the processes used.

QUALITY ASSURANCE

A. The Contractor is responsible for the quality assurance and quality control of the Work.
B. Work shall be performed by a Contractor, with a proven record of performance for similar installations. Contractor shall submit the following:
    1. Contractor shall be experienced in the installation of HDPE sewer mains using the pipe bursting method of trenchless rehab for a minimum period of 5 years.
    2. Warranty:
        a) Terms: Standard Manufacturer's warranty.
        b) Contractor Warranty Period: Two year from City Acceptance.

PRODUCTS

HIGH DENSITY POLYETHYLENE (HDPE) PIPE

A. HDPE pipe for trenchless sewer line replacement shall be solid wall high density polyethylene (HDPE) pipe, meeting the requirements of ASTM F714, ASTM D1248, and ASTM D3350.
B. The pipe shall be manufactured from high density high molecular weight polyethylene resin and shall meet or exceed the requirements of ASTM D3350 for PE4710 material with a cell classification of 445474C, or better.
C. The minimum wall thickness of the HDPE shall meet the following:

1. 0-15 feet = SDR 17
2. >15 feet = SDR 15.5

D. The pipe shall have sufficient strength to withstand both service and installation loads.
E. The pipe and fitting manufacturer shall certify that samples of their production pipe have undergone stress regression testing, evaluation, and validation in accordance with ASTM D2837 and PPI TR-3. Under these procedures, the minimum hydrostatic design basis shall be certified by the pipe manufacturer to be 1600 psi at 73°F and 800 psi at 140°F.

MANHOLE ADAPTERS

A. Manhole adapters for pipes between 4 and 12 inches in diameter shall be Fernco Concrete Manhole Adapter or approved equal.

RE-ESTABLISHMENT OF SERVICE CONNECTIONS

A. Saddles:
   1. HDPE Pipe:
      a) Heat fusion saddles shall be made of polyethylene pipe that meets the minimum specified physical properties and is suitable for fusion welding.
      b) Fusion saddles shall be Branch Saddle as manufactured by Driscopipe, Miller, DuPont, or approved equal.
B. Compression Fit Connection:
   1. The connection shall be specifically designed for connection to the sewer main being installed.
   2. Service connection shall consist of a PVC hub, rubber sleeve and stainless-steel band. Rubber sleeve and gasket shall meet the requirements of ASTM F 477. Gaskets shall be installed by the manufacturer. The water-based solution provided by the manufacturer shall be used during assembly. Do not use pipe lube.
   3. Connection shall be Inserta Tee as manufactured by Inserta Fittings Co. or approved equal.
C. Non-Shear Flexible Coupling:
   1. Connections to existing service laterals shall be made using non-shear flexible couplings.
   2. All flexible couplings shall conform to ASTM Cl 173 and shall be as manufactured by Fernco Inc., MaxAdaptor or approved equal.

EXECUTION

INSTALLATION PROCEDURE

The Contractor shall submit, in detail, the procedure and the steps to be followed for the installation of the pipe bursting system selected, including location of insertion and launching pits, even if the process is named in the specification. All such instructions and procedures submitted shall be carefully followed during installation. Any proposed changes in installation procedures shall require submittal of revised procedures and acceptance by the City.

PIT LOCATIONS

Location and number of insertion or launching pits will be chosen by the Contractor and will typically be located near existing or proposed manholes, at logical breaks in the construction phasing, or at locations to comply with access or maintenance requirements.

EQUIPMENT

The Contractor shall utilize pipe bursting equipment with adequate pulling/pushing force to complete pulls in a timely manner. The Contractor shall provide equipment on the pulling mechanism to verify the pulling/pushing force exerted on the pipe does not exceed the manufacturer's recommendation for allowable pulling force to prevent damage to the pipe. Where the actual pulling force exceeds the allowable pulling force the Contractor shall take steps to reduce the pulling force necessary by either oversizing the cut or lubricating the outside pipe surface.

MINIMIZE NOISE IMPACTS

A. Means and methods should be employed and described in appropriate submittals to ensure that work of a high decibel volume is performed away from business and/or residential properties to the best extent possible. Such description shall include times and durations that are compatible with the neighborhood in which the work is being performed. No such work will be performed in the late afternoon, early evening or weekends unless described, submitted and approved in advance on projects that work outside of usual and customary hours has been previously approved.
B. Provide silencers or other approved devices to reduce machine noise, when it exceeds the City's noise ordinance.

PROTECTION

A. The Contractor shall provide protection for the general safety of workers, pedestrians and traveling public throughout this project. Existing surface improvements and underground facilities and utilities shall be the contractor's responsibility to protect and/or support. Damage caused by the Contractor shall be repaired at no expense to the City. Protection to be provided includes, but is not limited to:
    1. Barricades, warning lights and signs for excavations.
    2. The Contractor shall install all pulleys, rollers, bumpers, alignment control devices and other equipment to protect existing manholes, and to protect the pipe from damage during installation. Lubrication may be used as recommended by the manufacturer. Under no circumstances shall the pipes be stressed beyond their elastic limit.
    3. Do not allow sand, debris, or runoff to enter sewer system.
    4. Verify location of all underground utilities and facilities potentially impacted by rehabilitation or other activities and take necessary precautions to provide protection from damage. Damage caused by Contractor shall be Contractor's responsibility and repaired at Contractor's own expense, and at no additional cost to the City.
    5. Protect the new pipe and components during all phases of work, including hauling, installation, entry into the launching pit, and prevention of scarring or gouging of the pipe or components.

TELEVISION INSPECTION

A. The Contractor shall video (CCTV) inspect the sewer pipe.
B. Preconstruction Television Inspection: Pipe shall be inspected immediately prior to pipe bursting to verify the existing pipe conditions are acceptable for pipe bursting and to locate and verify all active service line connections. If existing pipe conditions are not acceptable for pipe bursting, contact the City. If there is a sag in the existing line, see paragraph SAGS IN LINE below.
C. Post-Construction Television Inspection: Contractor shall inspect the pipe after pipe bursting to locate and verify that all active service line connections were re-established.

D. Preconstruction and Post-Construction Television Inspection documentation shall be submitted to the City for review and acceptance of the Work.

SEWAGE BYPASS

When required for acceptable completion of pipe bursting, the Contractor shall provide for continuous sewage flow around the section(s) of pipe designated for the installation of replacement pipe. The pump and bypass lines shall be of adequate size and capacity to handle the flow. A backup pumping system shall be available on-site if the primary system fails.

SAGS IN LINE

A. If the Pre-Installation CCTV reveals an unidentified sag in the existing sewer, the Contractor shall inform the City and request direction. The city may require the Contractor to eliminate the sag and install new pipe at a uniform grade prior to pipe bursting the remaining portion of the pipe segment. If the sag has been identified in the Contract Documents, the Contractor shall address the sag as directed in the Contract Documents prior to pipe bursting.
B. If post-installation video (CCTV) inspection reveals a sag in the new line where none existed prior to the Work being performed, the Contractor shall remove or repair the sag at no additional cost to the City.

SERVICE LATERALS AND CONNECTIONS

A. Existing service connections shall be located and exposed before initiating sewer main replacement operations. All service laterals attached to the existing sewer shall be completely disconnected and isolated from the existing sewer before the pipe bursting operations. Service laterals shall not be reconnected to the new sewer line until the new line is installed. Any services remaining offline for more than 12 hours, or any connections deemed necessary by the City to protect the customer, shall be bypass pumped until such time that they can be reconnected.
B. Reconnection of service laterals to the installed pipe shall be accomplished using an approved method.

PIPE JOINING

A. HDPE Pipe:
    1. The HDPE pipe shall be assembled and joined at the site using the butt-fusion method conforming to ASTM D2657 to provide a leak proof joint. All equipment and procedures used shall be used in strict compliance with the manufacturer's recommendations. Fusing shall be accomplished by personnel certified as fusion technicians by a manufacturer of HDPE pipe and/or fusing equipment.
    2. The butt-fused joint shall be in true alignment and shall have uniform roll-back beads resulting from the use of proper temperature and pressure. The joint shall be allowed adequate cooling time before removal of pressure. The fused joint shall be watertight and shall have tensile strength equal to or greater than that of the pipe.
    3. All internal beads shall be removed after the cooling time using a suitable bead removal tool. Use of the bead removal tool shall not induce any slits, gouges or defects in the pipe wall. The beads shall be bent back at several positions. No evidence of the bead splitting shall be seen. If the bead is seen to split at any point, then the joint shall be cut from the pipeline and remade. If a similar defect recurs, all further production jointing shall cease

until the equipment has been thoroughly cleaned and examined. New trial joints shall be made and shown to be satisfactory.

4. All defective joints shall be cut out and replaced at no additional cost to the City. All joints shall be subject to acceptance by the City and/or his representative prior to insertion. Any section of the pipe with a gash, blister, abrasion, nick, scar, or other deleterious fault greater in depth than ten percent (10%) of the wall thickness, shall not be used and must be removed from the site. However, a defective area of the pipe may be cut out and joint fused in accordance with the procedures stated above. In addition, any section of the pipe having other defects such as concentrated ridges, discoloration, excessive spot roughness, pitting, variable wall thickness or any other defect of manufacturing or handling as determined by the City and/or his representative shall be discarded and not used.
5. The wall color of the interior pipe surfaces shall be light green or other color approved by the City so that a clear detail examination with CCTV inspection equipment may be made. Product data indicating the interior color to be used shall be submitted for review and approval.

HDPE PIPE RELAXATION AND COOLING

The installed pipe shall be allowed the manufacturer's recommended amount of time, but not less than four (4) hours, for cooling and relaxation due to tensile stressing prior to any reconnection of any service lines, sealing of the annulus or backfilling of the insertion pit. Four (4) inches to eight (8) inches of excess length of new pipe shall be allowed to protrude into the manhole.

MANHOLE SEALING

A. Existing Manholes:
   1. A manhole adapter shall be placed circumferentially on the replacement pipe and encased with a non-shrink grout to prevent infiltration into the manhole.
   2. The manhole adapter shall be installed in accordance with manufacturer's recommendations.
   3. Non-shrink grout shall be installed in accordance with Section 03370 - Sewer Manhole Construction.
B. New Manholes:
   1. Where new manholes are installed in conjunction with pipe bursting, the manhole shall be sealed in accordance with Section 03370 - Sanitary Sewer Manhole Construction.

FIELD QUALITY CONTROL

A. Prior to service line reinstatement, all pipelines shall be tested in accordance with City Standards.
B. If air testing is not possible, the Contractor shall notify the City for further direction.

PROTECTION OF WORK AND PROPERTY

A. The Contractor shall always safely guard the Owner's property from injury or loss in connection with this contract.
B. The Contractor will bear all costs if any damage occurs due to poor weather, etc., while excavation is open.
C. The Contractor will construct the project without any damage to adjacent property, sidewalks, street,

vegetation, etc., unless specifically called out on the drawings to be removed and/or removed and replaced. If damage does occur, Contractor will bear all costs of repair and restoration to its original state.

PUBLIC RELATIONS

The Contractor shall cooperate with the City's Authorized Representative in maintaining a high degree of sensitivity to the needs of property and residence owners along the routes at the various project sites. The use of door hangers and/or personal visits to each affected residence informing them of the Work at least two days prior to beginning the Work is required. The Contractor shall prepare a brief and concise Fact Sheet of the proposed closures for submittal to the City's Office of Public Affairs (505-955-6045) of the planned construction activities one week in advance of the construction activity. This shall also include information for a Fact Sheet regarding public health concerns and the construction process. The Contractor may be required to contact public/private agencies at the direction of the City's Office of Public Affairs. The Contractor shall provide the City's Authorized Representative with a copy of each Fact Sheet that is sent to the City's Office of Public Affairs. The preparation and delivery of the door hangers, visits, and Fact Sheet will not be a separate pay item but shall be considered incidental to the work in executing the construction contract.

2. Compensation

A. The City shall pay to the Contractor in full payment for services satisfactorily performed as described in Exhibit "A" attached and incorporated herein. such compensation not to exceed three million twenty-seven thousand one hundred and seventy-eight dollars ($3,027,178.00), excluding gross receipts tax. The New Mexico gross receipts tax levied on the amounts payable under this Contract shall be paid by the City to the Contractor, as follows:

The Unit Bid Contract Total is determined as follows:

Base Bid (OR BID ALTERNATE A)	$ 3,027,178
Gross Receipts Tax (8.1875%)	$ 247,850.20
Base Bid (OR BID ALTERNATE A) including NMGRT	$ 3,275,028.20

The total amount payable to the Contractor under this Contract, including Alternates (if needed) gross receipts tax and expenses, shall not exceed three million two hundred seventy-five thousand twenty-eight dollars and twenty cents, ($3,275,028.20) including NM gross receipts tax. This amount is a maximum and not a guarantee that the work assigned to be performed by Contractor under this Contract shall equal the amount stated herein. The parties do not intend for the Contractor to continue to provide services without compensation when the total compensation amount is reached. Contractor is responsible for notifying the City when the services provided under this Contract reach the total compensation amount. In no event will the Contractor be paid for services provided in excess of the total compensation amount without this Contract being amended in writing prior to those services in excess of the total compensation amount being provided.

B. Payment is subject to availability of funds pursuant to the Appropriations Paragraph set forth below and to any negotiations between the parties from year to year pursuant to Paragraph 1, Scope of

Work, and to approval by the City. All invoices MUST BE received by the City no later than thirty 30) days after the termination of the Fiscal Year in which the services were delivered. Invoices received after such date WILL NOT BE PAID.

C. Contractor must submit a detailed statement accounting for all services performed and expenses incurred. If the City finds that the services are not acceptable, within thirty days after the date of receipt of written notice from the Contractor that payment is requested, it shall provide the Contractor a letter of exception explaining the defect or objection to the services, and outlining steps the Contractor may take to provide remedial action. Upon certification by the City that the services have been received and accepted, payment shall be tendered to the Contractor within twenty-one days after the date of acceptance. If payment is made by mail, the payment shall be deemed tendered on the date it is postmarked.

D. If the City fails to pay the contractor within twenty-one days after receipt of an undisputed request for payment, the City shall pay interest to the contractor beginning on the twenty-second day after payment was due, computed at one and one-half percent of the undisputed amount per month or fraction of a month until the payment is issued. If the City receives an improperly completed invoice, the City shall notify the sender of the invoice within seven days of receipt in what way the invoice is improperly completed, and the owner has no further duty to pay on the improperly completed invoice until it is resubmitted as complete.

E. **Notice of Extended Payment Provision for Grant Funded Contracts**. This contract allows the City to make payment within 45 days after submission of an undisputed request for payment for contracts funded by grant money consistent with NMSA 1978, sec. 57-28-5(B).

3. Term

THIS CONTRACT SHALL NOT BECOME EFFECTIVE UNTIL APPROVED IN WRITING BY THE CITY. This contract shall terminate two (2) years from date of final signature. The City reserves the right to renew this contract on an annual basis by mutual agreement not to exceed a total of ten (10) years in accordance with NMSA 1978, Sections 13-1-150 through 152.

4. Termination

A. Grounds. The City may terminate this Contract for convenience or cause. For contracts within their authority, the City Manager or their designee is authorized to provide the notice of termination, otherwise such notice of termination shall be provided by the Mayor or their designee as authorized by the Governing Body. The Contractor may only terminate this Contract based upon the City's uncured, material breach of this Contract.

B. Notice; City Opportunity to Cure.

1) Except as otherwise provided in Paragraphs 7.A and 17, the City shall give Contractor written notice of termination at least thirty (30) days prior to the intended date of termination.

2) Contractor shall give City written notice of termination at least thirty (30) days prior to the intended date of termination, which notice shall (i) identify all the City's material breaches of this Contract upon which the termination is based and (ii) state what the City must do to cure such material breaches. Contractor's notice of termination shall only be effective (i) if the City does not cure all material breaches within the thirty (30) day notice period or (ii) in the case of material breaches that cannot be cured within thirty (30) days, the City does not, within the thirty

(30) day notice period, notify the Contractor of its intent to cure and begin with due diligence to cure the material breach.

3) Notwithstanding the foregoing, this Contract may be terminated immediately upon written notice to the Contractor (i) if the Contractor becomes unable to perform the services contracted for, as determined by the City; (ii) if, during the term of this Contract, the Contractor is suspended or debarred by the City; or (iii) the Contract is terminated pursuant to Paragraph 5, "Appropriations," of this Contract.

C. Liability. Except as otherwise expressly allowed or provided under this Contract, the City's sole liability upon termination shall be to pay for acceptable work performed prior to the Contractor's receipt or issuance of a notice of termination; provided, however, that a notice of termination shall not nullify or otherwise affect either party's liability for pre-termination defaults under or breaches of this Contract. The Contractor shall submit an invoice for such work within thirty (30) days of receiving or sending the notice of termination. *THIS PROVISION IS NOT EXCLUSIVE AND DOES NOT WAIVE THE CITY'S OTHER LEGAL RIGHTS AND REMEDIES CAUSED BY THE CONTRACTOR'S DEFAULT/BREACH OF THIS CONTRACT.*

5. Appropriations

The terms of this Contract are contingent upon sufficient appropriations and authorization being made by the Governing Body for the performance of this Contract. If sufficient appropriations and authorization are not made by the Governing Body, this Contract shall terminate immediately upon written notice being given by the City to the Contractor. The City's decision as to whether sufficient appropriations are available shall be accepted by the Contractor and shall be final. If the City proposes an amendment to the Contract to unilaterally reduce funding, the Contractor shall have the option to terminate the Contract or to agree to the reduced funding, within thirty (30) days of receipt of the proposed amendment.

6. Status of Contractor

The Contractor and its agents and employees are independent contractors performing construction services for the City and are not employees of the City. The Contractor and its agents and employees shall not accrue leave, retirement, insurance, bonding, use of City vehicles, or any other benefits afforded to employees of the City as a result of this Contract. The Contractor acknowledges that all sums received hereunder are reportable by the Contractor for tax purposes, including without limitation, self-employment and business income tax. The Contractor agrees not to purport to bind the City unless the Contractor has express written authority to do so, and then only within the strict limits of that authority.

7. Construction Contract Performance and Payment Bond

A. When a construction contract is awarded in excess of twenty-five thousand dollars ($25,000), the following bonds or security shall be delivered to the City and shall become binding on the parties upon the execution of the contract. If the Contractor fails to deliver the required performance and payment bonds, the Contractor's bid shall be rejected, its bid security shall be enforced to the extent of actual damages. Award of the contract shall be made pursuant to the Procurement Code in the following manner:

(1) a performance bond satisfactory to the City, executed by a surety company authorized to do business in this state and said surety to be approved in federal circular 570 as published by the United States treasury department or the state board of finance or the local governing authority, in an amount equal to one hundred percent of the price specified in the contract; and

(2) a payment bond satisfactory to the City, executed by a surety company authorized to do business in this state and said surety to be approved in federal circular 570 as published by the

United States treasury department or the state board of finance or the local governing authority, in an amount equal to one hundred percent of the price specified in the contract, for the protection of all persons supplying labor and material to the contractor or its subcontractors for the performance of the work provided for in the contract.

B. A subcontractor shall provide a performance and payment bond on a public works building project if the subcontractor's contract for work to be performed on a project is one hundred twenty-five thousand dollars ($125,000) or more.

8. Assignment

The Contractor shall not assign or transfer any interest in this Contract or assign any claims for money due or to become due under this Contract without the prior written approval of the City.

9. Subcontracting

The Contractor shall not subcontract any portion of the services to be performed under this Contract without the prior written approval of the City. No such subcontract shall relieve the primary Contractor from its obligations and liabilities under this Contract, nor shall any subcontract obligate direct payment from the City.

10. Release

Final payment of the amounts due under this Contract shall operate as a release of the City, its officers and employees from all liabilities, claims and obligations whatsoever arising from or under this Contract.

11. Confidentiality

Any confidential information provided to or developed by the Contractor in the performance of this Contract shall be kept confidential and shall not be made available to any individual or organization by the Contractor without the prior written approval of the City.

12. Product of Service -- Copyright

All materials developed or acquired by the Contractor under this Contract shall become the property of the City and shall be delivered to the City no later than the termination date of this Contract. Nothing developed or produced, in whole or in part, by the Contractor under this Contract shall be the subject of an application for copyright or other claim of ownership by or on behalf of the Contractor.

13. Conflict of Interest; Governmental Conduct Act

A. The Contractor represents and warrants that it presently has no interest and, during the term of this Contract, shall not acquire any interest, direct or indirect, which would conflict in any manner or degree with the performance or services required under the Contract.

B. The Contractor further represents and warrants that it has complied with, and, during the term of this Contract, will continue to comply with, and that this Contract complies with all applicable provisions of the Governmental Conduct Act, Chapter 10, Article 16 NMSA 1978.

C. Contractor’s representations and warranties in Paragraphs A and B of this Article 12 are material representations of fact upon which the City relied when this Contract was entered into by the parties. Contractor shall provide immediate written notice to the City if, at any time during the term of this Contract, Contractor learns that Contractor’s representations and warranties in Paragraphs A and B of this Article 12 were erroneous on the effective date of this Contract or have become erroneous by reason of

new or changed circumstances. If it is later determined that Contractor's representations and warranties in Paragraphs A and B of this Article 12 were erroneous on the effective date of this Contract or have become erroneous by reason of new or changed circumstances, in addition to other remedies available to the City and notwithstanding anything in the Contract to the contrary, the City may immediately terminate the Contract.

D. All terms defined in the Governmental Conduct Act have the same meaning in this section.

14. Amendment

A. This Contract shall not be altered, changed or amended except by instrument in writing executed by the parties hereto and all other required signatories.

B. If the City proposes an amendment to the Contract to unilaterally reduce funding due to budget or other considerations, the Contractor shall, within thirty (30) days of receipt of the proposed Amendment, have the option to terminate the Contract, pursuant to the termination provisions as set forth in Article 4 herein, or to agree to the reduced funding.

15. Change Orders

A. Changes. The Contractor may only make changes or revisions within the Scope of Work as defined by Article 1 and/or Exhibit 1 after receipt of written approval by the City Manager or his/her designee. Such change may only be made to Tasks or Sub-Task as defined in the Scope of Work. Under no circumstance shall such change affect the:

1) Deliverable requirements, as outlined in the Scope of Work;
2) Due date of any Deliverable, as outlined in the Scope of Work;
3) Compensation of any Deliverable, as outlined in the Scope of Work;
4) Contract compensation, as outlined in Article 2; or
5) Contract termination, as outlined in Article 4.

B. Change Request Process. In the event that circumstances warrant a change to accomplish the Scope of Work as described above, a Change Request shall be submitted that meets the following criteria:

1) The Project Manager shall draft a written Change Request for review and approval by the City Manager to include:
   (a) the name of the person requesting the change;
   (b) a summary of the required change;
   (c) the start date for the change;
   (d) the reason and necessity for change;
   (e) the elements to be altered; and
   (f) the impact of the change.

2. The City Manager shall provide a written decision on the Change Request to the Contractor within a maximum of ten (10) Business Days of receipt of the Change Request. All decisions made by the City Manager are final. Change Requests, once approved, become a part of the Contract, and become binding as a part of the original Contract.

16. Merger

This Contract incorporates all the agreements, covenants, and understandings between the parties hereto concerning the subject matter hereof, and all such covenants, agreements and understandings have been merged into this written contract.

No prior Agreement or understanding, oral or otherwise, of the parties or their agents shall be valid or enforceable unless embodied in this Contract.

17. Penalties for violation of law

NMSA 1978, sections 13-1-28 through 13-1-199, imposes civil and criminal penalties for its violation. In addition, the New Mexico criminal statutes impose felony penalties for illegal bribes, gratuities and kickbacks.

18. Equal Opportunity Compliance

The Contractor agrees to abide by all federal and state laws and rules and regulations, and Santa Fe City Code, pertaining to equal employment opportunity. In accordance with all such laws of the State of New Mexico, the Contractor assures that no person in the United States shall, on the grounds of race, religion, color, national origin, ancestry, sex, age, physical or mental handicap, or serious medical condition, spousal affiliation, sexual orientation or gender identity, be excluded from employment with or participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity performed under this Contract. If Contractor is found not to be in compliance with these requirements during the life of this Contract, Contractor agrees to take appropriate steps to correct these deficiencies.

19. Applicable Law

The laws of the State of New Mexico shall govern this Contract, without giving effect to its choice of law provisions. Venue shall be proper only in a New Mexico court of competent jurisdiction in accordance with NMSA 1978, section 38-3-2. By execution of this Contract, Contractor acknowledges and agrees to the jurisdiction of the courts of the State of New Mexico over any and all lawsuits arising under or out of any term of this Contract.

20. Workers Compensation

The Contractor agrees to comply with state laws and rules applicable to workers compensation benefits for its employees. If the Contractor fails to comply with the Workers Compensation Act and applicable rules when required to do so, this Contract may be terminated by the City.

21. Other Insurance

If the services contemplated under this Contract will be performed on or in City facilities or property, Contractor shall maintain in force during the entire term of this Contract, the following insurance coverage(s), naming the City as additional insured.

A. Commercial General Liability insurance shall be written on an occurrence basis and be a broad as ISO Form CG 00 01 with limits not less than $2,000,000 per occurrence and $2,000,000 in the aggregate for claims against bodily injury, personal and advertising injury, and property damage. Said policy shall include broad form Contractual Liability coverage and be endorsed to name the City of Santa Fe their officials, officers, employees, and agents as additional insureds.

B. Business Automobile Liability insurance for all owned, non-owned automobiles, with a combined single limit not less than $1,000,000 per accident.

C. Broader Coverage and Limits. The insurance requirements under this Contract shall be the greater of (1) the minimum coverage and limits specified in this Contract, or (2) the broader coverage and maximum limits of coverage of any insurance policy or proceeds available to the Named Insured. It is agreed that these insurance requirements shall not in any way act to reduce coverage that is broader or that includes higher limits than the minimums required herein. No representation is made that the minimum insurance requirements of this Contract are sufficient to cover the obligations of Contractor hereunder.

D. Contractor shall maintain the above insurance for the term of this Contract and name the City as an additional insured and provide for 30 days cancellation notice on any Certificate of Insurance form furnished by Contractor. Such certificate shall also specifically state the coverage provided under the policy is primary over any other valid and collectible insurance and provide a waiver of subrogation.

22. Records and Financial Audit

The Contractor shall maintain detailed time and expenditure records that indicate the date; time, nature and cost of services rendered during the Contract's term and effect and retain them for a period of three (3) years from the date of final payment under this Contract. The records shall be subject to inspection by the City. The City shall have the right to audit billings both before and after payment. Payment under this Contract shall not foreclose the right of the City to recover excessive or illegal payments

23. Indemnification

The Contractor shall defend, indemnify and hold harmless the City from all actions, proceeding, claims, demands, costs, damages, attorneys' fees and all other liabilities and expenses of any kind from any source which may arise out of the performance of this Contract, caused by the negligent act or failure to act of the Contractor, its officers, employees, servants, subcontractors or agents, or if caused by the actions of any client of the Contractor resulting in injury or damage to persons or property during the time when the Contractor or any officer, agent, employee, servant or subcontractor thereof has or is performing services pursuant to this Contract. In the event that any action, suit or proceeding related to the services performed by the Contractor or any officer, agent, employee, servant or subcontractor under this Contract is brought against the Contractor, the Contractor shall, as soon as practicable but no later than two (2) days after it receives notice thereof, notify the legal counsel of the City.

24. New Mexico Tort Claims Act

Any liability incurred by the City of Santa Fe in connection with this Contract is subject to the immunities and limitations of the New Mexico Tort Claims Act, Section 41-4-1, et. seq. NMSA 1978, as amended. The City and its "public employees" as defined in the New Mexico Tort Claims Act, do not waive sovereign immunity, do not waive any defense and do not waive any limitation of liability pursuant to law. No provision in this Contract modifies or waives any provision of the New Mexico Tort Claims Act.

25. Invalid Term or Condition

If any term or condition of this Contract shall be held invalid or unenforceable, the remainder of this

Contract shall not be affected and shall be valid and enforceable.

26. Enforcement of Contract

A party's failure to require strict performance of any provision of this Contract shall not waive or diminish that party's right thereafter to demand strict compliance with that or any other provision. No waiver by a party of any of its rights under this Contract shall be effective unless express and in writing, and no effective waiver by a party of any of its rights shall be effective to waive any other rights.

27. Notices

Any notice required to be given to either party by this Contract shall be in writing and shall be delivered in person, by courier service or by U.S. mail, either first class or certified, return receipt requested, postage prepaid, as follows:

To the City: P. Fred Heerbrandt, P.E.
73 Paseo Real
Santa Fe, NM 87507
pfheerbrandt@santafenm.gov

To the Contractor: Brent Costlow
44 Coyote Mountain Road
Santa Fe, NM 87505
Brent@ske1.net

28. Authority

If Contractor is other than a natural person, the individual(s) signing this Contract on behalf of Contractor represents and warrants that he or she has the power and authority to bind Contractor, and that no further action, resolution, or approval from Contractor is necessary to enter into a binding contract.

29. Progress Payments

Based upon Application for Payment submitted to the City by the Contractor and Certificates for Payment issued by the City, the City shall make progress payments on account of the Contract sum to the Contractor as provided in the Contract documents for the period ending the last day of the month as follows:

Not later than twenty-one (21) days following the end of the period covered by the Application for Payment, one hundred percent (100%) of the portion of the Contract Sum properly allocable to labor, materials, and equipment incorporated in the work and one hundred percent (100%) of the portion of the Contract sum properly allocable to materials and equipment suitably stored at the site or some other location agreed upon in writing for the period covered by the Application for Payment, less the aggregate of previous payments made by the City; and upon substantial completion of the entire work, a sum sufficient to increase the total payments to one hundred percent (100%) of the Contract sum, less such amounts as the City shall determine for all incomplete work and unsettled claims as provided in the Contract documents.

30. Final Payment

Final payment, constituting the entire unpaid balance of the Contract sum, unless it is a disputed payment, shall be paid by the City to the Contractor within twenty-one (21) calendar days, after all deficiencies to the Contract document that were noted during the Substantial Completion Inspection and listed on the attachment to

the Certificate of Substantial Completion have been corrected, and provided the Contract has been fully performed and a final Certificate for Payment has been issued by the City. In addition, the Contractor shall provide to the City a certified statement of Release of Lien (AIA Document G706A or approved form), Consent of Surety, Warranty from Prime Contractor, Warranties from Suppliers and Manufacturers, training sessions, equipment/operating manuals, and as-built drawings.

31. Schedule

The Contractor shall, within five (5) days after the effective date of Notice to Proceed, prepare and submit a progress schedule covering project operations for the 30-day Contract period. This progress schedule shall be of the type generally referred to as a Critical Path Method (CPM), Critical Path Schedule (CPS), and Critical Path Analysis (CPA), and other similar designations. The CPM shall be used to control the timing and sequences of the project. All work shall be done in accordance with the CPM Planning and Scheduling. A written statement of explanation shall be submitted with the progress schedule. All costs incurred by the contractor to implement the CPM shall be borne by the Contractor and are part of their Contract.

32. General and Special Provisions

A. Terms used in this Contract which are defined in the Conditions of the Contract shall have the meanings designated in those Conditions.

B. An enumeration of the Contractor's General Comprehensive Liability Insurance requirements appears in the General Conditions of the Contract for construction. Insurance requirements are also described in the Instructions to the Bidder section of the Project Manual. Contractor shall maintain adequate insurance in at least the maximum amounts, which the City could be liable under the New Mexico Tort Claims Act and shall provide proof of such insurance coverage to the City. It is the sole responsibility of the Contractor to comply with the law.

C. This Contract shall not become effective until: (1) approved by the Governing Body; and (2) signed by all parties required to sign this Contract.

D. The Contractor shall maintain detailed time records which indicate the date, time and nature of services rendered. These records shall be subject to inspection by the City, the Department of Finance and Administration and the State Auditor. The City shall have the right to audit billings both before and after payment. Payment under this Contract shall not foreclose the right of the City to recover excessive illegal payments.

E. The Contractor warrants that the Contractor presently has no interest and shall not acquire any interest, direct or indirect, which would conflict in any manner or degree with the performance or services required under this Contract.

F. The Contractor hereby warrants that the Contractor complies with the Americans with Disabilities Act, 29 CFR 1630.

G. Gender, Singular/Plural. Words of any gender used in this Contract shall be held and construed to include any other gender, and words in the singular number shall be held to include the plural, unless the context otherwise requires.

H. Captions and Section Headings. The captions and section headings contained in this Contract are for convenience of reference only, and in no way limit, define, or enlarge the terms, scope, and conditions of this Contract.

I. Certificates and Documents Incorporated. All certificates and documentation required by the provisions of the Contract shall be attached to this Contract at the time of execution and are hereby incorporated by reference as though set forth in full in this Contract to the extent they are consistent with its conditions and terms.

J. Separability. If any clause or provision of this Contract is illegal, invalid or unenforceable under present or future laws effective during the term of this Contract, then and in that event, it is the intention of the parties hereto that the remainder of this Contract shall not be affected thereby.

K. Words and Phrases. Words, phrases, and abbreviations, which have well-known technical or trade meanings used in the Contract documents shall be used according to such recognized meaning. In the event of a conflict, the more stringent meaning shall govern.

L. Relationship of Contract Documents. The Contract Documents are complementary, and any requirement of one Contract Document shall be as binding as if required by all.

M. Pursuant to NMSA 1978, section 13-1-191, reference is hereby made to the Criminal Laws of New Mexico (including NMSA 1978, sections 30-14-1, 30-24-2, and 30-41-1 through 30-41-3) which prohibit bribes, kickbacks, and gratuities, violation of which constitutes a felony. Further, the Procurement Code (NMSA 1978, sections 13-1-28 through 13-1-199) imposes civil and criminal penalties for its violation.

N. Pursuant to NMSA 1978, section 13-4-11. Reference is hereby made to the Minimum Wage on Public Works; weekly payments; posting wage scale; withholding funds.

IN WITNESS WHEREOF, the Parties have executed this Contract as of the date of the signature by the required approval authorities below.

City of Santa Fe
Emergency Determination Form

The emergency procurement method may only be used as described in NMSA 1978, § 13-1-127 and in the City's Procurement Manual XII.

The Department that makes an emergency procurement to plan or prepare for the response to a serious threat to public health, welfare, safety or property caused by a flood, fire, epidemic, riot, act of terrorism, equipment failure or similar event shall account for the money spent in making the procurement and report on that accounting to the City's Finance Department Director within ninety days after the end of the contract or fiscal year in which the procurement was made, whichever comes first.

I. Department: Public Utilities, City of Santa Fe

Department Director: John Dupuis

Department Contact: P. Fred Heerbrandt, P.E.

Department Telephone Number: 505-955-4623

City of SF Chief Procurement Officer: Travis Dutton-Leyda, CPO

Telephone Number: (505) 629-8351

II. Name of Contractor: SKE Contractors, LLC.

Address of Contractor: 44 Coyote Mountain Road, Santa Fe, NM 87505

Amount of prospective contract: $3,027,178

Term of prospective contract: 24 Months, Proposed Contract Attached

Location of Services: Within Call Mejia and adjacent, and adjacent to St Francis Road to its intersection with Paseo de Peralta

III. **Please thoroughly list the services (scope of work), construction or items of tangible personal property of the contract:**

Provide pipe bursting/crushing of a sanitary sewer line named as the Calle Mejia Project (Sewer line restoration from Calle Mejia to the intersection of Paso De Peralta), (The "Project"). The Project consists of replacing approximately19,500 feet of ten-inch clay sewer line with a 12-inch High Density Polyethylene (HDPE) pipe, including, Closed Circuit Television Video (CTTV) inspection, washing of the existing sanitary sewer line, and insert a new 12-inch HDPE pipe utilizing pipe bursting method following insertion procedure specification ASTM F 585.

IV. **Provide an explanation for the justification of the procurement including a description of the emergency condition(s) requiring use of emergency procurement and the practicable competition utilized in compliance with NMSA 1978, § 13-1-127.**

Within FY23, Wastewater attempted a closed-circuit television review of the Sanitary Sewer line located on Calle Mejia. While attempting to televise the existing sewer, the line collapsed on the rover. A point repair was completed within the section of the collapsed line, but when trying to repair the pipe, it continued to collapse, due to the poor condition of the clay pipe, and an expanded section was replaced. This section of Sanitary Sewer line is old and could collapse at any time blocking the sewage flow which represents a public health risk to users within the area, including sewage backing up into their houses and businesses and spilling into the road.

On 7/10/2024 I was informed of the concern, and I immediately contacted the Chief Procurement Officer and informed him of the situation and mentioned emergency procurement, I also investigated the Texas Buy Board, a Cooperative Purchasing agreement which we believed we could utilize. After additional investigation the Buy Board could not be used because New Mexico was not included within the bid Process. It is imperative that we move forward with the repairs as this Sewer Line could fail at any time creating blockage and back-ups. This would be costly for the city, with possible repairs to residents and business locations.

Public Utilities is also working to formulate a contract based on the requirements of this project, and possible liability which may arise.

V. **Please describe what measures are being taken to minimize the duration and effect of this emergency procurement (for example: is the emergency only in place until a competitive process can be completed, etc.).**

The Wastewater Management Division is addressing this situation with an Emergency Determination since based on past experience, this sewer main is at risk of imminent failure due to observed structural issues with the clay pipe. Only this previously identified length of sewer main is being addressed under this Determination.

VI. **Describe what measures the Department will take in the future to prevent/mitigate use of emergency procurement under similar circumstances.**

Sanitary Sewer rehabilitation projects are conducted periodically to address older sewer lines within the city using other procurement methods, but the timeline to acquire these services for Calle Mejia presented unacceptable risks

CITY OF SANTA FE

Date: October 18, 2024

To: Mayor Alan Webber and Governing Body
Finance and Public Works, and Utilities Committees

Via: John Dupuis, Public Utilities Director JD

From: P. Fred Heerbrandt, P.E., Engineer Supervisor FH

Subject: Calle Mejia Sanitary Sewer Rehabilitation Project

Vendor Name: SKE Contractors, LLC

Vendor Number: 10552

ITEM AND ISSUE:
The Public Utilities Department respectfully requests your review and approval of an Emergency Determination for the rehabilitation of 19,500 feet of vitrified clay sewer pipe using a pipe bursting construction method. Request for the Approval of a construction contract in the total amount of $ 3,275,028.20, including NMGRT for construction services for a two-year period from the date of approval

Action Requested: Approval of a construction contract and a BAR in the amount of $3,275,029 from the WWMD Enterprise Fund

BACKGROUND AND SUMMARY:
The sanitary sewer line to be replaced is in Calle Mejia and proximate to the roadway and St. Frances Drive. The Project consists of installing approximately19,500 feet of twelve-inch diameter High Density Polyethylene (HDPE) pipe along the grade line of the existing ten-inch clay sewer pipe. The operation shall be conducted with a hydraulic or pneumatic pulling or pushing apparatus and a pipe expander or pipe reaming device.

PROCUREMENT METHOD:
This project is being procured by an Emergency Determination due to the poor condition of the existing pipe and high probability of a future collapse or structural failure, which could impact the sewer facilities and/or the roadway.

City of Santa Fe
Emergency Determination Form

The emergency procurement method may only be used as described in NMSA 1978, § 13-1-127 and in the City's Procurement Manual XII.

The Department that makes an emergency procurement to plan or prepare for the response to a serious threat to public health, welfare, safety or property caused by a flood, fire, epidemic, riot, act of terrorism, equipment failure or similar event shall account for the money spent in making the procurement and report on that accounting to the City's Finance Department Director within ninety days after the end of the contract or fiscal year in which the procurement was made, whichever comes first.

I. Department: Public Utilities, City of Santa Fe

Department Director: John Dupuis

Department Contact: P. Fred Heerbrandt, P.E.

Department Telephone Number: 505-955-4623

City of SF Chief Procurement Officer: Travis Dutton-Leyda, CPO

Telephone Number: (505) 629-8351

II. Name of Contractor: SKE Contractors, LLC.

Address of Contractor: 44 Coyote Mountain Road, Santa Fe, NM 87505

Amount of prospective contract: $3,027,178

Term of prospective contract: 12 Months, Proposed Contract Attached

Location of Services: Within Call Mejia and adjacent, and adjacent to St Francis Road to its intersection with Paseo de Peralta

III. **Please thoroughly list the services (scope of work), construction or items of tangible personal property of the contract:**

Provide pipe bursting/crushing of a sanitary sewer line named as the Calle Mejia Project (Sewer line restoration from Calle Mejia to the intersection of Paso De Peralta), (The "Project"). The Project consists of replacing approximately19,500 feet of ten-inch clay sewer line with a 12-inch High Density Polyethylene (HDPE) pipe, including, Closed Circuit Television Video (CTTV) inspection, washing of the existing sanitary sewer line, and insert a new 12-inch HDPE pipe utilizing pipe bursting method following insertion procedure specification ASTM F 585.

IV. **Provide an explanation for the justification of the procurement including a description of the emergency condition(s) requiring use of emergency procurement and the practicable competition utilized in compliance with NMSA 1978, § 13-1-127.**

Within FY23, Wastewater attempted a closed-circuit television review of the Sanitary Sewer line located on Calle Mejia. While attempting to televise the existing sewer, the line collapsed on the rover. A point repair was completed within the section of the collapsed line, but when trying to repair the pipe, it continued to collapse, due to the poor condition of the clay pipe, and an expanded section was replaced. This section of Sanitary Sewer line is old and could collapse at any time blocking the sewage flow which represents a public health risk to users within the area, including sewage backing up into their houses and businesses and spilling into the road.

On 7/10/2024 I was informed of the concern, and I immediately contacted the Chief Procurement Officer and informed him of the situation and mentioned emergency procurement, I also investigated the Texas Buy Board, a Cooperative Purchasing agreement which we believed we could utilize. After additional investigation the Buy Board could not be used because New Mexico was not included within the bid Process. It is imperative that we move forward with the repairs as this Sewer Line could fail at any time creating blockage and back-ups. This would be costly for the city, with possible repairs to residents and business locations.

Public Utilities is also working to formulate a contract based on the requirements of this project, and possible liability which may arise.

V. **Please describe what measures are being taken to minimize the duration and effect of this emergency procurement (for example: is the emergency only in place until a competitive process can be completed, etc.).**

The Wastewater Management Division is addressing this situation with an Emergency Determination since based on past experience, this sewer main is at risk of imminent failure due to observed structural issues with the clay pipe. Only this previously identified length of sewer main is being addressed under this Determination.

VI. **Describe what measures the Department will take in the future to prevent/mitigate use of emergency procurement under similar circumstances.**

Sanitary Sewer rehabilitation projects are conducted periodically to address older sewer lines within the city using other procurement methods, but the timeline to acquire these services for Calle Mejia presented unacceptable risks

CITY OF SANTA FE

The Purchasing Memo

Date: November 17, 2025

To: Governing Body, Finance Committee, and Public Works & Utilities Committee

From: Efren Morales, Operations Superintendent EFREN MORALES (Nov 17, 2025 09:05:26 PST)

Via: Michael Dozier, Wastewater Management Division Director

Via: Jesse Roach, Interim Public Utilities Department Director Jesse Roach (Nov 17, 2025 13:15:26 MST)

Subject: CO-OP AGREEMENT-Procure Sanitary Sewer Evaluation Services

Vendor Name: Duke's Root Control, INC.

Munis Vendor Number: 7879

ITEM AND ISSUE:

Wastewater Management Division respectfully requests your review and approval of the Co-op Agreement for the sanitary sewer evaluation services to inspect, provide light to heavy cleaning and to provide a condition assessment report for a portion of the City of Santa Fe's manholes and sewer lines in the amount of $1,463,040.28 including tax with Duke's Root Control, INC for a total of 4 years.

The Wastewater Management Division respectfully requests your approval of a Budget Adjustment Resolution (BAR) in the amount of $1,463,041 from cash to Repair and Maintenance Build/Structure.

CONTRACT NUMBER: 3260220 CO-OP - #12574-SC06-24 - EXP Date 12/28/2025

BACKGROUND AND SUMMARY:

The City of Santa Fe's manholes and sewer lines are exposed to corrosive gasses and fumes that naturally occur when organic solids that are disposed of into the sewer lines begin to decompose and ferment. These gasses are very corrosive and begin to deteriorate any material that is within the sewer lines including the sewer lines and manholes themselves. This inspection and cleaning service, which may take roughly 6 to 7 months, would provide the City's Wastewater Management with an in-depth review and scoring of a portion of the City's sewer lines and manholes and provide light to heavy cleaning of the lines that are in desperate need. The scoring of the sewer lines and manholes will be an invaluable tool that Wastewater Management can utilize to proactively provide maintenance to sewer lines that may be damaged or eroding and can prevent future hazardous spills from sewer lines that may collapse without the proper maintenance and care.

CITY OF SANTA FE
GENERAL SERVICES CONTRACT

SERVICES

Sanitary Sewer Evaluation Services

THIS CONTRACT is made and entered into by and between the City of Santa Fe, herein after referred to as the "City," and **Duke's Root Control Inc.** herein after referred to as the "Contractor."

IT IS MUTUALLY AGREED BETWEEN THE PARTIES:

1. **Definitions**

A. "Products and Services Schedule" refers to the complete list of products and services offered under this Contract and the price for each. Product and service descriptions may be amended with the prior approval of the Contract Administrator. New products and services shall not be added to the Products and Services Schedule.

B. "Business Hours" means 8:00 a.m. to 5:00 p.m. Mountain Time.

C. "Fiscal Year" means the twelve-month period beginning on July 1 and ending on June 30 of the following calendar year.

D. "Fiscal Year Quarters" means the four three-month periods within the City's fiscal year, defined as follows: Quarter 1 is July 1 through September 30; Quarter 2 is October 1 through December 31; Quarter 3 is January 1 through March 31; and Quarter 4 is April 1 through June 30.

2. **Scope of Work**

The Contractor shall perform the following work:

A. Acoustic Pipeline Inspection ("SL RAT") - Scope of Services
Process

i. Complete field survey by installing transmitter and receiver between each pipeline segment in the test area. Any lines greater than 12" will automatically be excluded due to the maximum pipe size eligible for collection with the SL Rat unit.
ii. Collect score of pipe segment and record it into our database.
iii. Upload data to server and audit for errors. Any errors are recorded and communicated to field staff to retest the line segment.
iv. Provide .CSV and .SHP export data files for pipeline segments.
v. Upon project completion, provide executive summary report identifying all pipes and their corresponding scores. Duke's will provide access to Insight 360, Duke's web hosted data platform. A

username and password will be provided so that access to all data, graphs, maps, and raw data downloads are available.

B. Manhole Inspections - Level 2 MACP Scope of Services

Process

i. Making every reasonable effort to access each manhole, complete field televising using a digital manhole camera system. Upon occasion, access with the camera system will not be possible due to terrain, resident access issues or location. At those times, crews will use a digital manhole pole camera to obtain video files. Verify all field measurements with survey stick, pipe diameter verification tool and tape measure.

ii. Duke's to provide all equipment and personnel as required to complete inspections, including at least (1) National Association of Sewer Service Companies NASSCO certified inspector onsite during inspections per camera truck.

iii. Upon project completion, Duke's will provide all data in Access (NASSCO export DB) and .CSV / Excel format, all digital scan files (.IPF/.MP4 file extension as applicable) as well as the free required view software to view the IPF files, when necessary. Provide all PDF reports including appropriate attribute information collected via a FTP or web link and provide them via USB external hard drive when requested. Duke's will provide access to Insight 360, Duke's web hosted data platform. A username and password will be supplied so that access to all data, graphs, maps, and raw data downloads are available.

C. Mainline Televising - Scope of Services

Pipeline Televising Field Process

i. Using a 1-3 man crew, with the operator holding a current NASSCO certification, perform pipeline televising in accordance with most recent version of the PACP (currently v7.0.3). All back office staff including a coder and reviewer will be NASSCO certified for quality control of data.

ii. Provide light traffic control, as needed.

iii. Provide all data in Access (NASSCO export DB) and .CSV / Excel format. Provide all video files. Provide all PDF reports including appropriate attribute information collected per level of inspection detailed below. Provide access to these files via FTP or web link and provide them via USB external hard drive when requested.

iv. Duke's will provide access to Insight 360, Duke's web hosted data platform. A username and password will be provided so that access to all data, graphs, maps, and raw data downloads are available.

3. Compensation

A. Payment. The City shall compensate the Contractor based on the itemized amounts and/or rates specified in Exhibit A.

For the services described in the scope of work, the City agrees pay the Contractor	$1,352,319.15
The services in the contract include GRT. The GRT on this contract at 8.1875% equals	+ $110,721.13
The total compensation for the contract including GRT is	= $1,463,040.28

B. The compensation represents a maximum amount. The Contractor must notify the City when the Services provided under this Contract approach 90% of compensation total. Services rendered beyond the maximum compensation amount will not be reimbursed unless the Contract is amended in writing prior to the provision of such services.

C. Invoicing and Payment Terms Payment will be made upon the City's acceptance of deliverables and receipt of a detailed, certified invoice from the Contractor. Payments will be sent to the Contractor's designated address. The City shall issue payment in accordance with the timelines required by law.

Invoices must be submitted no later than fifteen (15) days after the Contract's termination. Late invoices will not be processed or paid.

D. Extended Payment Terms for Grant-Funded Contracts For grant-funded agreements, the City may issue payment within forty-five (45) days following submission of an undisputed payment request.

4. **Term**

THIS CONTRACT SHALL NOT BECOME EFFECTIVE UNTIL APPROVED BY THE CITY. This Contract shall terminate four (4) years from the date of final signature unless terminated pursuant to Paragraph 6 (Termination) or Paragraph 16 (Appropriations). A contract for general services may not exceed ten (10) years, including all extensions and renewals, except as otherwise provided by NMSA 1978, Sections 13-1-150 through 13-1-152 or SFCC 1987, Section 11-13.

5. **Default and Force Majeure**

The City reserves the right to cancel all, or any part of any orders placed under this contract without cost to the City, if the Contractor fails to meet the provisions of this contract and, except as otherwise provided herein, to hold the Contractor liable for any excess cost occasioned by the City due to the Contractor's default. The Contractor shall not be liable for any excess costs if failure to perform the order arises out of causes beyond the control and without the fault or negligence of the Contractor; such causes include, but are not restricted to, acts of God or the public enemy, acts of the State or Federal Government, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, unusually severe weather and defaults of sub-contractors due to any of the above, unless the City shall determine that the supplies or services to be furnished by the sub-contractor were obtainable from other sources in sufficient time to permit the Contractor to meet the required delivery scheduled. The rights and remedies of the City provided in this paragraph shall not be exclusive and are in addition to any other rights now being provided by law or under this contract.

6. **Termination**

A. Grounds. The City may terminate this Contract for convenience or cause. For contracts within their authority, the City Manager or their designee is authorized to provide the notice of termination, otherwise such notice of termination shall be provided by the Mayor, or their designee as authorized by the Governing Body. The Contractor may only terminate this Contract based upon the City's uncured, material breach of this Contract.

B. Notice: City Opportunity to Cure.

i) The City shall give the Contractor written notice of termination at least thirty (30) days prior to the intended date of termination.

ii) Contractor shall give City written notice of termination at least thirty (30) days prior to the intended date of termination, which notice shall (i) identify all the City's material breaches of this Contract upon which the termination is based and (ii) state what the City must do to cure such material breaches. Contractor's notice of termination shall only be effective (i) if the City does not cure all material breaches within the thirty (30) day notice period or (ii) in the case of material breaches that cannot be cured within thirty (30) days, the City does not, within the thirty (30) day notice period, notify the Contractor of its intent to cure and begin with due diligence to cure the material breach.

iii) Notwithstanding the foregoing, this Contract may be terminated immediately upon written notice to the Contractor (i) if the Contractor becomes unable to perform the services contracted for, as determined by the City; (ii) if, during the term of this Contract, the Contractor

is suspended or debarred by the City; or (iii) the Contract is terminated pursuant to Paragraph 17, "Appropriations", of this Contract.

C. Liability. Except as otherwise expressly allowed or provided under this Contract, the City's sole liability upon termination shall be to pay for acceptable work performed prior to the Contractor's receipt or issuance of a notice of termination; provided, however, that a notice of termination shall not nullify or otherwise affect either party's liability for pre-termination defaults under or breaches of this Contract. The Contractor shall submit an invoice for such work within thirty (30) days of receiving or sending the notice of termination. *THIS PROVISION IS NOT EXCLUSIVE AND DOES NOT WAIVE THE CITY'S OTHER LEGAL RIGHTS AND REMEDIES CAUSED BY THE CONTRACTOR'S DEFAULT/BREACH OF THIS CONTRACT.*

7. **Amendment**

A. This Contract shall not be altered, changed, or amended except by instrument in writing executed by the parties hereto and all other required signatories.

B. If the City proposes an amendment to the Contract to unilaterally reduce funding due to budget or other considerations, the Contractor shall, within thirty (30) days of receipt of the proposed Amendment, have the option to terminate the Contract, pursuant to the termination provisions as set forth in Paragraph 7 herein, or to agree to the reduced funding.

8. **Status of Contractor**

The Contractor, and Contractor's agents and employees, are independent Contractors for the City and are not employees of the City. The Contractor, and Contractor's agents and employees, shall not accrue leave, retirement, insurance, bonding, use of City vehicles, or any other benefits afforded to employees of the City because of this Contract. The Contractor acknowledges that all sums received hereunder are personally reportable by the Contractor for income tax purposes, including without limitation, self-employment tax and business income tax. The Contractor agrees not to purport to bind the City unless the Contractor has written authority to do so, and then only within the strict limits of that authority.

9. **Assignment**

The Contractor shall not assign or transfer any interest in this Contract or assign any claims for money due or to become due under this Contract without the prior written approval of the City.

10. **Subcontracting**

The Contractor shall not subcontract any portion of the services to be performed under this Contract without the prior written approval of the City. No such subcontract shall relieve the primary Contractor from its obligations and liabilities under this Contract, nor shall any subcontract obligate direct payment from the City.

11. **Non-Collusion**

In signing this Contract, the Contractor certifies the Contractor has not, either directly or indirectly, entered into action in restraint of free competitive bidding in connection with this offer submitted to the City.

12. **Inspection of Plant**

The City may inspect, at any reasonable time during Contractor's regular business hours and upon prior written notice, the Contractor's plant or place of business, or any subcontractor's plant or place of business, which is related to the performance of this contract.

13. **Commercial Warranty**

The Contractor agrees that the tangible personal property or services furnished under this Contract shall be covered by the most favorable commercial warranties the Contractor gives to any customer for such tangible personal property or services, and that the rights and remedies provided herein shall extend to the City and are in addition to and do not limit any rights afforded to the City by any other clause of this order. The contractor agrees not to disclaim warranties of fitness for a particular purpose or merchantability.

14. **Condition of Proposed Items**

Where tangible personal property is a part of this Contract, all proposed items are to be NEW and of most current production, unless otherwise specified.

15. Records and Audit

During the term of this Contract and for three years thereafter, the Contractor shall maintain detailed records pertaining to the services rendered and products delivered. These records shall be subject to inspection by the City, the State Auditor and other appropriate state and federal authorities. The City shall have the right to audit billings both before and after payment. Payment under this Contract shall not foreclose the right of the City to recover excessive or illegal payments.

16. Appropriations

The terms of this Contract, and any orders placed under it, are contingent upon sufficient appropriations and authorization being made by the Governing Body for the performance of this Contract. If sufficient appropriations and authorization are not made by the Governing Body, this Contract, and any orders placed under it, shall terminate upon written notice being given by the City to the Contractor. The City's decision as to whether sufficient appropriations are available shall be accepted by the Contractor and shall be final. If the City proposes an amendment to the Contract to unilaterally reduce funding, the Contractor shall have the option to terminate the Contract or to agree to the reduced funding, within thirty (30) days of receipt of the proposed amendment.

17. Release

The Contractor, upon final payment of the amount due under this Contract, releases the City, its officers, and employees, from all liabilities, claims and obligations whatsoever arising from or under this Contract. The Contractor agrees not to purport to bind the City, unless the Contractor has express written authority to do so, and then only within the strict limits of that authority.

18. Confidentiality

Any confidential information provided to or developed by the Contractor in the performance of this Contract shall be kept confidential and shall not be made available to any individual or organization by the Contractor without prior written approval by the City.

19. Conflict of Interest

A. The Contractor represents and warrants that it presently has no interest and, during the term of this Contract, shall not acquire any interest, direct or indirect, which would conflict in any manner or degree with the performance or services required under the Contract. The Contractor shall comply with any applicable provisions of the New Mexico Governmental Conduct Act and the New Mexico Financial Disclosures Act.

B. The Contractor further represents and warrants that it has complied with, and, during the term of this Contract, will continue to comply with, and that this Contract complies with all applicable provisions of the Governmental Conduct Act, NMSA 1978, Chapter 10, Article 16.

C. Contractor's representations and warranties in Paragraphs A and B of this Paragraph are material representations of fact upon which the City relied when this Contract was entered into by the parties. Contractor shall provide immediate written notice to the City if, at any time during the term of this Contract, Contractor learns that Contractor's representations and warranties in Paragraphs A and B of this Paragraph 20 were erroneous on the effective date of this Contract or have become erroneous by reason of new or changed circumstances. If it is later determined that Contractor's representations and warranties in Paragraphs A and B of this Paragraph 20 were erroneous on the effective date of this Contract or have become erroneous by reason of new or changed circumstances, in addition to other remedies available to the City and notwithstanding anything in the Contract to the contrary, the City may immediately terminate the Contract.

D. All terms defined in the Governmental Conduct Act have the same meaning in this section.

20. Approval of Contractor Representatives

The City reserves the right to require a change in the Contractor's assigned representatives if they are not adequately serving the City's needs.

21. Scope of Contract; Merger

This Contract incorporates all the agreements, covenants, and understandings between the parties hereto concerning the subject matter hereof, and all such covenants, agreements, and understandings have been merged into this written contract.

This Contract is issued against the Houston-Galveston Area Council Master Agreement, Duke's Root Control Inc - Public Services ID: 12574 - SC06-24, established and maintained by **Houston-Galveston Area Council**, and through this language hereby incorporates this Contract by reference and is included in the order of precedence.

22. Notice

The Procurement Code, NMSA 1978, Sections 13-1-28 through 13-1-199, imposes civil and criminal penalties for its violation. In addition, the New Mexico criminal statutes impose felony penalties for bribes, gratuities, and kickbacks.

23. Equal Opportunity Compliance

The Contractor agrees to abide by all federal and state laws, and local Ordinances, pertaining to equal employment opportunity. In accordance with all such laws, rules, and regulations, the Contractor agrees to assure that no person in the United States shall on the grounds of race, religion, color, national origin, ancestry, sex, age, physical or mental handicap, or serious medical condition, spousal affiliation, sexual orientation or gender identity, be excluded from employment with or participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity performed under this Contract. If Contractor is found not to be in compliance with these requirements during the life of this Contract, Contractor agrees to take appropriate steps to correct these deficiencies.

24. Indemnification

The Contractor shall hold the City and its employees harmless and shall indemnify the City and its employees against any and all claims, suits, actions, liabilities and costs of any kind, including attorney's fees for personal injury or damage to property arising from the acts or omissions of the Contractor, its agents, officers, employees or subcontractors. The Contractor shall not be liable for any injury or damage as a result of any negligent act or omission committed by the City, its officers or employees.

25. New Mexico Tort Claims Act

Any liability incurred by the City of Santa Fe in connection with this Contract is subject to the immunities and limitations of the New Mexico Tort Claims Act, NMSA 1978, Section 41-4-1, et. seq., as amended. The City and its "public employees" as defined in the New Mexico Tort Claims Act, do not waive sovereign immunity, do not waive any defense and do not waive any limitation of liability pursuant to law. No provision in this Contract modifies or waives any provision of the New Mexico Tort Claims Act.

26. Applicable Law

The laws of the State of New Mexico shall govern this Contract, without giving effect to its choice of law provisions. Venue shall be proper only in a New Mexico court of competent jurisdiction in accordance with NMSA 1978, Section 38-3-2. By execution of this Contract, Contractor acknowledges and agrees to the jurisdiction of the courts of the State of New Mexico over any and all lawsuits arising under or out of any term of this Contract.

27. Limitation of Liability

The Contractor's liability to the City, for any cause whatsoever shall be limited to the purchase price paid to the Contractor for the products and services that are the subject of the City's, claim. The foregoing limitation does not apply to paragraph 25 of this Contract or to damages resulting from personal injury caused by the Contractor's negligence.

28. Incorporation by Reference and Precedence

If this Contract has been procured pursuant to a request for proposals, this Contract is derived from (1) the request for proposal, (including any written clarifications to the request for proposals and any City response

to questions); (2) the Contractor's best and final offer; and (3) the Contractor's response to the request for proposals.

In the event of a dispute under this Contract, applicable documents will be referred to for the purpose of clarification or for additional detail in the following order of precedence: (1) amendments to the Contract in reverse chronological order; (2) the Contract, including the scope of work and all terms and conditions thereof; (3) the request for proposals, including attachments thereto and written responses to questions and written clarifications; (4) the Contractor's best and final offer if such has been made and accepted by the City; and (5) the Contractor's response to the request for proposals.

29. Workers' Compensation

The Contractor agrees to comply with state laws and rules applicable to workers' compensation benefits for its employees. If the Contractor fails to comply with the Workers' Compensation Act and applicable rules when required to do so, this Contract may be terminated by the City.

30. Inspection

If this contract is for the purchase of tangible personal property (goods), final inspection and acceptance shall be made at Destination. Tangible personal property rejected at Destination for non-conformance to specifications shall be removed at Contractor's risk and expense promptly after notice of rejection and shall not be allowable as billable items for payment.

31. Inspection of Services

If this contract is for the purchase of services, the following terms shall apply.

A. Services, as used in this Article, include services performed, workmanship, and material furnished or utilized in the performance of services.

B. The Contractor shall provide and maintain an inspection system acceptable to the City covering the services under this Contract. Complete records of all inspection work performed by the Contractor shall be maintained and made available to the City and for as long thereafter as the Contract requires. The City has the right to inspect and test all services contemplated under this Contract to the extent practicable at all times and places during the term of the Contract. The City shall perform inspections and tests in a manner that will not unduly delay or interfere with Contractor's performance.

C. If the City performs inspections or tests on the premises of the Contractor or a subcontractor, the Contractor shall furnish, and shall require subcontractors to furnish, at no increase in contract price, all reasonable facilities and assistance for the safe and convenient performance of such inspections or tests.

D. If any part of the services do not conform with the requirements of this Contract, the City may require the Contractor to re-perform the services in conformity with the requirements of this Contract at no increase in contract amount. When the defects in services cannot be corrected by re-performance, the City may:

i. require the Contractor to take necessary action(s) to ensure that future performance conforms to the requirements of this Contract; and

ii. reduce the contract price to reflect the reduced value of the services performed.

E. If the Contractor fails to promptly re-perform the services or to take the necessary action(s) to ensure future performance in conformity with the requirements of this Contract, the City may:

iv) by contract or otherwise, perform the services and charge to the Contractor any cost incurred by the City that is directly related to the performance of such service; or

v) terminate the contract for default.

32. Insurance

If the services contemplated under this Contract will be performed on or in City facilities or property, Contractor shall maintain in force during the entire term of this Contract, the following insurance coverage(s), naming the City as additional insured.

A. **Commercial General Liability** insurance shall be written on an occurrence basis and be a broad as ISO Form CG 00 01 with limits not less than $2,000,000 per occurrence and $2,000,000 in the aggregate for claims against bodily injury, personal and advertising injury, and property damage. Said policy shall include broad form Contractual Liability coverage and be endorsed to name the City of Santa Fe their officials, officers, employees, and agents as additional insureds.

B. **Business Automobile Liability** insurance for all owned, non-owned automobiles, with a combined single limit not less than $1,000,000 per accident.

C. **Broader Coverage and Limits**. The insurance requirements under this Contract shall be the greater of (1) the minimum coverage and limits specified in this Contract, or (2) the broader coverage and maximum limits of coverage of any insurance policy or proceeds available to the Named Insured. It is agreed that these insurance requirements shall not in any way act to reduce coverage that is broader or that includes higher limits than the minimums required herein. No representation is made that the minimum insurance requirements of this Contract are sufficient to cover the obligations of Contractor hereunder.

D. Contractor shall maintain the above insurance for the term of this Contract and name the City as an additional insured and provide for 30 days cancellation notice on any Certificate of Insurance form furnished by Contractor. Such certificate shall also specifically state the coverage provided under the policy is primary over any other valid and collectible insurance and provide a waiver of subrogation.

33. Impracticality of Performance

A party shall be excused from performance under this Contract for any period that the party is prevented from performing as a result of an act of God, strike, war, civil disturbance, epidemic, or court order, provided that the party has prudently and promptly acted to take any and all steps that are within the party's control to ensure performance. Subject to this provision, such non-performance shall not be deemed a default or a ground for termination.

34. Invalid Term or Condition

If any term or condition of this Contract shall be held invalid or unenforceable, the remainder of this Contract shall not be affected and shall be valid and enforceable.

35. Enforcement of Contract

A party's failure to require strict performance of any provision of this Contract shall not

waive or diminish that party's right thereafter to demand strict compliance with that or any other provision. No waiver by a party of any of its rights under this Contract shall be effective unless express and in writing, and no effective waiver by a party of any of its rights shall be effective to waive any other rights.

36. Patent, Copyright and Trade Secret Indemnification

A. The Contractor shall defend, at its own expense, the City against any claim that any product or service provided under this Contract infringes any patent, copyright to trademark in the United States or Puerto Rico, and shall pay all costs, damages and attorneys' fees that a court finally awards as a result of any such claim. In addition, if any third party obtains a judgment against the City based upon Contractor's trade secret infringement relating to any product or services provided under this Contract, the Contractor agrees to reimburse the City for all costs, attorneys' fees and amount of the judgment. To qualify for such defense and or payment, the City shall:

i. give the Contractor prompt written notice within 48 hours of any claim;
ii. allow the Contractor to control the defense of settlement of the claim; and
iii. cooperate with the Contractor in a reasonable way to facilitate the defense or settlement of the claim.

B. If any product or service becomes, or in the Contractor's opinion is likely to become the subject of a claim of infringement, the Contractor shall at its option and expense:

i. provide the City the right to continue using the product or service and fully indemnify the City against all claims that may arise out of the City's use of the product or service;
ii. replace or modify the product or service so that it becomes non-infringing; or,
iii. accept the return of the product or service and refund an amount equal to the value of the returned product or service, less the unpaid portion of the purchase price and any other amounts, which are due to the Contractor. The Contractor's obligation will be void as to any product or service modified by the City to the extent such modification is the cause of the claim.

37. Survival

The Contract paragraphs titled "Patent, Copyright, Trademark, and Trade Secret Indemnification; Indemnification; and Limit of Liability" shall survive the expiration of this Contract. Software licenses, leases, maintenance and any other unexpired Agreements that were entered into under the terms and conditions of this Contract shall survive this Contract.

38. Disclosure Regarding Responsibility

A. Any prospective Contractor and any of its Principals who enter into a contract greater than sixty thousand dollars ($60,000.00) with any City for professional services, tangible personal property, services or construction agrees to disclose whether the Contractor, or any principal of the Contractor's company is presently debarred, suspended, proposed for debarment, or declared ineligible for award of contract by any federal entity, state agency or local public body.

B. Principal, for the purpose of this disclosure, means an officer, director, owner, partner, or a person having primary management or supervisory responsibilities within a business entity or related entities.

C. The Contractor shall provide immediate written notice to the City if, at any time during the term of this Contract, the Contractor learns that the Contractor's disclosure was at any time erroneous or

became erroneous by reason of changed circumstances.

D. A disclosure that any of the items in this requirement exist will not necessarily result in termination of this Contract. However, the disclosure will be considered in the determination of the Contractor's responsibility and ability to perform under this Contract. Failure of the Contractor to furnish a disclosure or provide additional information as requested will be grounds for immediate termination of this Contract pursuant to the conditions set forth in Paragraph 7 of this Contract.

E. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render, in good faith, the disclosure required by this document. The knowledge and information of a Contractor is not required to exceed that which is the normally possessed by a prudent person in the ordinary course of business dealings.

F. The disclosure requirement provided is a material representation of fact upon which reliance was placed when making an award and is a continuing material representation of the facts during the term of this Contract. If during the performance of the contract, the Contractor is indicted for or otherwise criminally or civilly charged by any government entity (federal, state or local) with commission of any offenses named in this document the Contractor must provide immediate written notice to the City. If it is later determined that the Contractor knowingly rendered an erroneous disclosure, in addition to other remedies available to the Government, the City may terminate the involved contract for cause. Still further the City may suspend or debar the Contractor from eligibility for future solicitations until such time as the matter is resolved to the satisfaction of the City.

39. Suspension, Delay or Interruption of Work

The City may, without cause, order the Contractor, in writing, to suspend, delay or interrupt the work in whole or in part for such period of time as the City may determine. The contract sum and contract time shall be adjusted for increases in cost and/or time associated with Contractor's compliance therewith. Upon receipt of such notice, Contractor shall leave the jobsite and any equipment in a safe condition prior to departing. Contractor must assert rights to additional compensation within thirty (30) days after suspension of work is lifted and return to work is authorized. Any compensation requested for which entitlement is granted and the contract sum adjusted, shall have profit included (for work completed) and for cost only (not profit) for Contractor costs incurred directly tied to the suspension itself and not otherwise covered by Contract remedy. Any change in Total Compensation must be reflected in an Amendment executed pursuant to Section 8 of this Contract.

40. Notification

Either party may give written notice to the other party in accordance with the terms of this Paragraph. Any written notice required or permitted to be given hereunder shall be deemed to have been given on the date of delivery if delivered by personal service or hand delivery or three (3) business days after being mailed.

To the City: Chief Procurement Officer purchasing@santafenm.gov PO Box 909 Santa Fe, NM 87504-0909	Public Utilities, Wastewater Efren Morales, Operations Superintendent 73 Paseo Real, Santa Fe, NM 87507 emmorales@santafenm.gov 505-910-7627	**To the Contractor:** Duke's Root Control, Inc. Matt Fishbune 400 E. Airport Road, Ste E Elgin, IL 60123 mfishbune@dukes.com 312-890-3587

Either party may change its representative or address above by written notice to the other in accordance with the terms of this Paragraph. The carrier for mail delivery and notices shall be the agent of the sender.

41. Succession

This Contract shall extend to and be binding upon the successors and assigns of the parties.

MASTER GENERAL PROVISIONS

This Master Agreement is made and entered into, by and between the Houston-Galveston Area Council hereinafter referred to as H-GAC having its principal place of business at 3555 Timmons Lane, Suite 120, Houston, Texas 77027 and Duke's Root Control Inc, hereinafter referred to as the Contractor, having its principal place of business at 400 Airport Road, Suite E, Elgin, IL 60123.

WITNESSETH:

WHEREAS, H-GAC hereby engages the Contractor to perform certain services in accordance with the specifications of the Master Agreement; and

WHEREAS, the Contractor has agreed to perform such services in accordance with the specifications of the Master Agreement;

NOW, THEREFORE, H-GAC and the Contractor do hereby agree as follows:

ARTICLE 1: LEGAL AUTHORITY

The Contractor warrants and assures H-GAC that it possesses adequate legal authority to enter into this Master Agreement. The Contractor's governing body, where applicable, has authorized the signatory official(s) to enter into this Master Agreement and bind the Contractor to the terms of this Master Agreement and any subsequent amendments hereto.

ARTICLE 2: APPLICABLE LAWS

The Contractor agrees to conduct all activities under this Master Agreement in accordance with all federal laws, executive orders, policies, procedures, applicable rules, regulations, directives, standards, ordinances, and laws, in effect or promulgated during the term of this Master Agreement, including without limitation, workers' compensation laws, minimum and maximum salary and wage statutes and regulations, and licensing laws and regulations. When required, the Contractor shall furnish H-GAC with satisfactory proof of its compliance therewith.

ARTICLE 3: PUBLIC INFORMATION

Except as stated below, all materials submitted to H-GAC, including any attachments, appendices, or other information submitted as a part of a submission or Master Agreement, are considered public information, and become the property of H-GAC upon submission and may be reprinted, published, or distributed in any manner by H-GAC according to open records laws, requirements of the US Department of Labor and the State of Texas, and H-GAC policies and procedures. In the event the Contractor wishes to claim portions of the response are not subject to the Texas Public Information Act, it shall so; however, the determination of the Texas Attorney General as to whether such information must be disclosed upon a public request shall be binding on the Contractor. H-GAC will request such a determination only if Contractor bears all costs for preparation of the submission. H-GAC is not responsible for the return of creative examples of work submitted. H-GAC will not be held accountable if material from submissions is obtained without the written consent of the contractor by parties other than H-GAC, at any time during the evaluation process.

ARTICLE 4: INDEPENDENT CONTRACTOR

The execution of this Master Agreement and the rendering of services prescribed by this Master Agreement do not change the independent status of H-GAC or the Contractor. No provision of this Master Agreement or act of H-GAC in performance of the Master Agreement shall be construed as making the Contractor the agent, servant, or employee of H-GAC, the State of Texas, or the United States Government. Employees of the Contractor are

DocuSign Envelope ID: 24652F1B-035D-4B60-AD91-DDF8C4DDCC55

subject to the exclusive control and supervision of the Contractor. The Contractor is solely responsible for employee related disputes and discrepancies, including employee payrolls and any claims arising therefrom.

ARTICLE 5: ANTI-COMPETITIVE BEHAVIOR

Contractor will not collude, in any manner, or engage in any practice which may restrict or eliminate competition or otherwise restrain trade.

ARTICLE 6: SUSPENSION AND DEBARMENT

Debarment and Suspension (Executive Orders 12549 and 12689) – A contract award (2 CFR 180.220) must not be made to parties listed on the government-wide exclusions in the System for Award Management (SAM), in accordance with the OMB guidelines at 2 CFR 180 that implement Executive Orders 12549 (3 CFR Part 1966 Comp. p. 189) and 12689 (3 CFR Part 1989 Comp. p. 235), "Debarment and Suspension." SAM Exclusions contains the names of parties debarred, suspended, or otherwise excluded by agencies, as well as parties declared ineligible under statutory or regulatory authority other than Executive Order 12549.

Pursuant to the Federal Rule above, Respondent certifies that neither it nor its principals are presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation by any federal department or agency or by the State of Texas and at all times during the term of the Contract neither it nor its principals will be debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation by any federal department or agency or by the State of Texas Respondent shall immediately provide the written notice to H-GAC if at any time the Respondent learns that this certification was erroneous when submitted or has become erroneous by reason of changed circumstances. H-GAC may rely upon a certification of the Respondent that the Respondent is not debarred, suspended, ineligible, or voluntarily excluded from the covered contract, unless the H-GAC knows the certification is erroneous.

ARTICLE 7: GOAL FOR CONTRACTING WITH SMALL AND MINORITY BUSINESSES, WOMEN'S BUSINESS ENTERPRISES, AND LABOR SURPLUS AREA FIRMS (if subcontracts are to be let)

H-GAC's goal is to assure that small and minority businesses, women's business enterprises, and labor surplus area firms are used when possible in providing services under a contract. In accordance with federal procurements requirements of 2 CFR §200.321, if subcontracts are to be let, the prime contractor must take the affirmative steps listed below:

1. Placing qualified small and minority businesses and women's business enterprises on solicitation lists;
2. Assuring that small and minority businesses and women's business enterprises are solicited whenever they are potential sources;
3. Dividing total requirements, when economically feasible, into smaller task or quantities to permit maximum participation by small and minority businesses, and women's business enterprises;
4. Establishing delivery schedules, where the requirement permits, which encourage participation by small and minority businesses, and women's business enterprises;
5. Using the services and assistance as appropriate, of such organizations as the Small Business Administration and the Minority Business Development Agency of the Department of Commerce.
6.

Nothing in this provision will be construed to require the utilization of any firm that is either unqualified or unavailable. The Small Business Administration (SBA) is the primary reference and database for information on requirements related to Federal Subcontracting https://www.sba.gov/federal-contracting/contracting-guide/prime-subcontracting

NOTE: The term DBE as used in this solicitation is understood to encompass all programs/business enterprises such as: Small Disadvantaged Business (SDB), Historically Underutilized Business (HUB), Minority Owned Business Enterprise (MBE), Women Owned Business Enterprise (WBE) and Disabled Veteran Business Enterprise (DVBE) or other designation as issued by a certifying agency.

Contractor agrees to work with and assist HGACBuy customer in meeting any DBE targets and goals, as may be required by any rules, processes, or programs they might have in place. Assistance may include compliance with reporting requirements, provision of documentation, consideration of Certified/Listed subcontractors, provision of documented evidence that an active participatory role for a DBE entity was

DocuSign Envelope ID: 24652F1B-035D-4B60-AD91-DDF8C4DDCC55

considered in a procurement transaction, etc.

ARTICLE 8: SCOPE OF SERVICES
The services to be performed by the Contractor are outlined in an Attachment to this Master Agreement.

ARTICLE 9: PERFORMANCE PERIOD
This Master Agreement shall be performed during the period which begins Jun 01 2024 and ends May 31 2028. All services under this Master Agreement must be rendered within this performance period, unless directly specified under a written change or extension provisioned under Article 21, which shall be fully executed by both parties to this Master Agreement.

ARTICLE 10: PAYMENT OR FUNDING
Payment provisions under this Master Agreement are outlined in the Special Provisions. H-GAC will not pay for any expenses incurred prior to the execution date of a contract, or any expenses incurred after the termination date of the contract.

ARTICLE 11: PAYMENT FOR WORK
The H-GAC Customer is responsible for making payment to the Contractor upon delivery and acceptance of the goods or completion of the services and submission of the subsequent invoice.

ARTICLE 12: PAYMENT TERMS/PRE-PAYMENT/QUANTITY DISCOUNTS
If discounts for accelerated payment, pre-payment, progress payment, or quantity discounts are offered, they must be clearly indicated in the Contractor's submission prior to contract award. The applicability or acceptance of these terms is at the discretion of the Customer.

ARTICLE 13: REPORTING REQUIREMENTS
If the Contractor fails to submit to H-GAC in a timely and satisfactory manner any report required by this Master Agreement, or otherwise fails to satisfactorily render performances hereunder, H-GAC may terminate this Master Agreement with notice as identified in Article 29 of these General Provisions. H-GAC has final determination of the adequacy of performance and reporting by Contractor. Termination of this Master Agreement for failure to perform may affect Contractor's ability to participate in future opportunities with H-GAC. The Contractor's failure to timely submit any report may also be considered cause for termination of this Master Agreement. Any additional reporting requirements shall be set forth in the Special Provisions of this Master Agreement.

ARTICLE 14: INSURANCE
Contractor shall maintain insurance coverage for work performed or services rendered under this Master Agreement as outlined and defined in the attached Special Provisions.

ARTICLE 15: SUBCONTRACTS AND ASSIGNMENTS
Except as may be set forth in the Special Provisions, the Contractor agrees not to assign, transfer, convey, sublet, or otherwise dispose of this Master Agreement or any right, title, obligation, or interest it may have therein to any third party without prior written approval of H-GAC. The Contractor acknowledges that H-GAC is not liable to any subcontractor or assignee of the Contractor. The Contractor shall ensure that the performance rendered under all subcontracts shall result in compliance with all the terms and provisions of this Master Agreement as if the performance rendered was rendered by the Contractor. Contractor shall give all required notices, and comply with all laws and regulations applicable to furnishing and performance of the work. Except where otherwise expressly required by applicable law or regulation, H-GAC shall not be responsible for monitoring Contractor's compliance, or that of Contractor's subcontractors, with any laws or regulations.

ARTICLE 16: AUDIT
Notwithstanding any other audit requirement, H-GAC reserves the right to conduct or cause to be conducted an independent audit of any transaction under this Master Agreement, such audit may be performed by the H-GAC local government audit staff, a certified public accountant firm, or other auditors designated by H-GAC and will be conducted in accordance with applicable professional standards and practices. The Contractor understands and

DocuSign Envelope ID: 24652F1B-035D-4B60-AD91-DDF8C4DDCC55

agrees that the Contractor shall be liable to the H-GAC for any findings that result in monetary obligations to H-GAC.

ARTICLE 17: TAX EXEMPT STATUS

H-GAC and Customer members are either units of government or qualified non-profit agencies, and are generally exempt from Federal and State sales, excise or use taxes. Respondent must not include taxes in its Response. It is the responsibility of Contractor to determine the applicability of any taxes to an order and act accordingly. Exemption certificates will be provided upon request.

ARTICLE 18: EXAMINATION OF RECORDS

The Contractor shall maintain during the course of the work complete and accurate records of all of the Contractor's costs and documentation of items which are chargeable to H-GAC under this Master Agreement. H-GAC, through its staff or designated public accounting firm, the State of Texas, and United States Government, shall have the right at any reasonable time to inspect, copy and audit those records on or off the premises by authorized representatives of its own or any public accounting firm selected by H-GAC. The right of access to records is not limited to the required retention period, but shall last as long as the records are retained. Failure to provide access to records may be cause for termination of the Master Agreement. The records to be thus maintained and retained by the Contractor shall include (without limitation): (1) personnel and payroll records, including social security numbers and labor classifications, accounting for total time distribution of the Contractor's employees working full or part time on the work, as well as cancelled payroll checks, signed receipts for payroll payments in cash, or other evidence of disbursement of payroll payments; (2) invoices for purchases, receiving and issuing documents, and all other unit inventory records for the Contractor's stocks or capital items; and (3) paid invoices and cancelled checks for materials purchased and for subcontractors' and any other third parties' charges.

Contractor agrees that H-GAC will have the right, with reasonable notice, to inspect its records pertaining to purchase orders processed and the accuracy of the fees payable to H-GAC. The Contractor further agrees that the examination of records outlined in this article shall be included in all subcontractor or third-party Master Agreements.

ARTICLE 19: RETENTION OF RECORDS

The Contractor and its subcontractors shall maintain all records pertinent to this Master Agreement, and all other financial, statistical, property, participant records, and supporting documentation for a period of no less than seven (7) years from the later of the date of acceptance of the final payment or until all audit findings have been resolved. If any litigation, claim, negotiation, audit or other action involving the records has been started before the expiration of the retention period, the records shall be retained until completion of the action and resolution of all issues which arise from it, or until the end of the seven (7) years, whichever is later, and until any outstanding litigation, audit, or claim has been fully resolved.

ARTICLE 20: DISTRIBUTORS, VENDORS, RESELLERS

Contractor agrees and acknowledges that any such designations of distributors, vendors, resellers or the like are for the convenience of the Contractor only and the awarded Contractor will remain responsible and liable for all obligations under the Contract and the performance of any designated distributor, vendor, reseller, etc. Contractor is also responsible for receiving and processing any Customer purchase order in accordance with the Contract and forwarding of the Purchase Order to the designated distributor, vendor, reseller, etc. to complete the sale or service. H-GAC reserves the right to reject any entity acting on the Contractor’s behalf or refuse to add entities after a contract is awarded.

ARTICLE 21: CHANGE ORDERS AND AMENDMENTS

A. Any alterations, additions, or deletions to the terms of this Master Agreement, which are required by changes in federal or state law or by regulations, are automatically incorporated without written amendment hereto, and shall become effective on the date designated by such law or by regulation.

B. To ensure the legal and effective performance of this Master Agreement, both parties agree that any amendment that affects the performance under this Master Agreement must be mutually agreed upon and

DocuSign Envelope ID: 24652F1B-035D-4B60-AD91-DDF8C4DDCC55

that all such amendments must be in writing. After a period of no less than 30 days subsequent to written notice, unless sooner implementation is required by law, such amendments shall have the effect of qualifying the terms of this Master Agreement and shall be binding upon the parties as if written herein.

C. Customers have the right to issue a change order to any purchase orders issued to the Contractor for the purposes of clarification or inclusion of additional specifications, qualifications, conditions, etc. The change order must be in writing and agreed upon by Contractor and the Customer agency prior to issuance of any Change Order. A copy of the Change Order must be provided by the Contractor to, and acknowledged by, H-GAC.

ARTICLE 22: CONTRACT ITEM CHANGES

A. If a manufacturer discontinues a contracted item, that item will automatically be considered deleted from the contract with no penalty to Contractor. However, H-GAC may at its sole discretion elect to make a contract award to the next lowest Respondent for the item, or take any other action deemed by H-GAC, at its sole discretion, to be in the best interests of its Customers.

B. If a manufacturer makes any kind of change in a contracted item which affects the contract price, Contractor must advise H-GAC of the details. H-GAC may allow or reject the change at its sole discretion. If the change is rejected, H-GAC will remove the item from its program and there will be no penalty to Contractor. However, H- GAC may at its sole discretion elect to make a contract award to the next lowest Respondent for the item, or take any other action deemed by H-GAC, at its sole discretion, to be in the best interests of its Customers.

C. If a manufacturer makes any change in a contracted item which does not affect the contract price, Contractor shall advise H-GAC of the details. If the 'new' item is equal to or better than the originally contracted item, the 'new' item shall be approved as a replacement. If the change is rejected H-GAC will remove the item from its program and there will be no penalty to Contractor. However, H-GAC may at its sole discretion elect to make a contract award to the next lowest Respondent for the item or may take any other action deemed by H-GAC at its sole discretion, to be in the best interests of its Customers.

D. In the case of specifically identified catalogs or price sheets which have been contracted as base bid items or as published options, routine published changes to products and pricing will be automatically incorporated into the contract. However, Contractor must still provide written notice and an explanation of the changes to products and pricing. H-GAC will respond with written approval.

ARTICLE 23: CONTRACT PRICE ADJUSTMENTS

Price Decreases

If Contractor's Direct Cost decreases at any time during the full term of this award, Contractor must immediately pass the decrease on to H-GAC and lower its prices by the amount of the decrease in Direct Cost. (Direct Cost means Contractor's cost from the manufacturer of any item or if Contractor is the manufacturer, the cost of raw materials required to manufacture the item, plus costs of transportation from manufacturer to Contractor and Contractor to H-GAC. Contractor must notify H-GAC of price decreases in the same way as for price increases set out below. The price decrease shall become effective upon H-GAC's receipt of Contractor's notice. If Contractor routinely offers discounted contract pricing, H-GAC may request Contractor accept amended contract pricing equivalent to the routinely discounted pricing.

Price Increase

Contractors may request a price increase for items priced as Base Bid items and Published Options. The amount of any increase will not exceed actual documented increase in Contractor's Direct Cost and will not exceed 10% of the previous bid price. Considerations on the percentage limit will be given if the price increase is the result of increased tariff charges or other governmental actions, or other economic factors. Manufacturer price/contract changes involving the sale of motor vehicles will be considered and may be allowed during the entire contract

period subject to submission and verification of the proper documentation required for a contract change as referenced in this section.

Price Changes
Any permanent increase or decrease in offered pricing for a base contract item or published option is considered a price change. Temporary increases in pricing by whatever name (e.g., 'surcharge', 'adjustment', 'equalization charge', 'compliance charge', 'recovery charge', etc.), are also considered to be price changes.
For published catalogs and price sheets as part of an H-GAC contract, requests to amend the contract to reflect any new published catalog or price sheet must be submitted whenever the manufacturer publishes a new document. The request must include the new catalog or price sheet. All Products shall, at time of sale, be equipped as required under any then current applicable local, state, and federal government requirements. If, during any contract, changes are made to any government requirements which cause a manufacturer's costs of production to increase, Contractor may increase pricing to the extent of Contractor's actual cost increase. The increase must be substantiated with support documentation acceptable to H-GAC prior to taking effect. Modifications to a Product required to comply with such requirements which become effective after the date of any sale are the responsibility of the Customer.

Requesting Price Increase/Required Documentation
Contractor must submit a written overview of changes requested and reasons for the request, stating the amount of the increase, along with an itemized list of any increased prices, showing the Contractor's current price, revised price, the actual dollar difference and the percentage of the price increase by line item. Price change requests must be supported with substantive documentation (e.g., notices from suppliers and manufacturers of pricing changes in products, components, transportation, raw materials or commodities, and/or product availability, copies of invoices from suppliers, etc.) clearly showing that Contractor's actual costs have increased per the applicable line-item bid. The Producer Price Index (PPI) may be used as partial justification, subject to approval by H-GAC, but no price increase based solely on an increase in the PPI will be allowed. This documentation should be submitted in Excel format to facilitate analysis and updating of the website. The letter and documentation must be sent to Lead Program Coordinator, james.glover@h-gac.com.

Review/Approval of Requests
If H-GAC approves the price increase, Contractor will be notified in writing; no price increase will be effective until Contractor receives this notice. If H-GAC does not approve Contractor's price increase, Contractor may terminate its performance upon sixty (60) days advance written notice to H-GAC, however Contractor must fulfill any outstanding Purchase Orders. Termination of performance is Contractor's only remedy if H-GAC does not approve the price increase. H-GAC reserves the right to accept or reject any price change request.

ARTICLE 24: DELIVERIES AND SHIPPING TERMS

The Contractor agrees to make deliveries only upon receipt of authorized Customer Purchase Order acknowledged by H-GAC. Delivery made without such Purchase Order will be at Contractor's risk and will leave H-GAC the option of canceling any contract awarded to the Contractor. The Contractor must secure and deliver any item within five (5) working days, or as agreed to on any corresponding customer Purchase Order.

Shipping must be Freight On Board Destination to the delivery location designated on the Customer purchase order. The Contractor will retain title and control of all goods until delivery is completed and the Customer has accepted the delivery. All risk of transportation and all related charges are the responsibility of the Contractor. The Customer will notify the Contractor and H-GAC promptly of any damaged goods and will assist the Contractor in arranging for inspection. The Contractor must file all claims for visible or concealed damage. Unless otherwise stated in the Master Agreement, deliveries must consist only of new and unused merchandise.

ARTICLE 25: RESTOCKING (EXCHANGES AND RETURNS)

There will be no restocking charge to the Customer for return or exchange of any item purchased under the terms of any award. If the Customer wishes to return items purchased under an awarded contract, the Contractor agrees to exchange, these items for other items, with no additional charge incurred. Items must be returned to Contractor within thirty (30) days from date of delivery. If there is a difference in price in the items exchanged, the Contractor must notify H-GAC and invoice Customer for increase price or provide the Customer with a credit or refund for

DocuSign Envelope ID: 24652F1B-035D-4B60-AD91-DDF8C4DDCC55

any decrease in price per Customer's preference. On items returned, a credit or cash refund will be issued by the Contractor to Customer. This return and exchange option will extend for thirty (30) days following the expiration of the term of the Contract. All items returned by the Customer must be unused and in the same merchantable condition as when received. Items that are special ordered may be returned only upon approval of the Contractor.

ARTICLE 26: MANUALS

Each product delivered under contract to any Customer must be delivered with at least one (1) copy of a safety and operating manual and any other technical or maintenance manual. The cost of the manual(s) must be included in the price for the Product offered.

ARTICLE 27: OUT OF STOCK, PRODUCT RECALLS, AND DISCONTINUED PRODUCTS

H-GAC does NOT purchase the products sold pursuant to a Solicitation or Master Agreement. Contractor is responsible for ensuring that notices and mailings, such as Out of Stock or Discontinued Notices, Safety Alerts, Safety Recall Notices, and customer surveys, are sent directly to the Customer with a copy sent to H-GAC. Customer will have the option of accepting any equivalent product or canceling the item from Customer's Purchase Order. Contractor is not authorized to make substitutions without prior approval.

ARTICLE 28: WARRANTIES, SALES, AND SERVICE

Warranties must be the manufacturer's standard and inclusive of any other warranty requirements stated in the Master Agreement; any warranties offered by a dealer will be in addition to the manufacturer's standard warranty and will not be a substitute for such. Pricing for any product must be inclusive of the standard warranty.

Contractor is responsible for the execution and effectiveness of all product warranty requests and any claims, Contractor agrees to respond directly to correct warranty claims and to ensure reconciliation of warranty claims that have been assigned to a third party.

ARTICLE 29: TERMINATION PROCEDURES

The Contractor acknowledges that this Master Agreement may be terminated for Convenience or Default. H-GAC will not pay for any expenses incurred after the termination date of the contract.

A. *Convenience*

H-GAC may terminate this Master Agreement at any time, in whole or in part, with or without cause, whenever H-GAC determines that for any reason such termination is in the best interest of H-GAC, by providing written notice by certified mail to the Contractor. Upon receipt of notice of termination, all services hereunder of the Contractor and its employees and subcontractors shall cease to the extent specified in the notice of termination.

The Contractor may cancel or terminate this Master Agreement upon submission of thirty (30) days written notice, presented to H-GAC via certified mail. The Contractor may not give notice of cancellation after it has received notice of default from H-GAC.

B. *Default*

H-GAC may, by written notice of default to the Contractor, terminate the whole or any part of the Master Agreement, in any one of the following circumstances:

(1) If the Contractor fails to perform the services herein specified within the time specified herein or any extension thereof; or

(2) If the Contractor fails to perform any of the other provisions of this Master Agreement for any reason whatsoever, or so fails to make progress or otherwise violates the Master Agreements that completion of services herein specified within the Master Agreement term is significantly endangered, and in either of these two instances does not cure such failure within a period of ten (10) days (or such longer period of time as may be authorized by H-GAC in writing) after receiving written notice by certified mail of default from H-GAC.

(3) In the event of such termination, Contractor will notify H-GAC of any outstanding Purchase Orders and H-GAC will consult with the End User and notify the Contractor to what extent the End User wishes the

DocuSign Envelope ID: 24652F1B-035D-4B60-AD91-DDF8C4DDCC55

Contractor to complete the Purchase Order. If Contractor is unable to do so, Contractor may be subject to a claim for damages from H-GAC and/or the End User.

ARTICLE 30: SEVERABILITY

H-GAC and Contractor agree that should any provision of this Master Agreement be determined to be invalid or unenforceable, such determination shall not affect any other term of this Master Agreement, which shall continue in full force and effect.

ARTICLE 31: FORCE MAJEURE

To the extent that either party to this Master Agreement shall be wholly or partially prevented from the performance of any obligation or duty placed on such party by reason of or through strikes, stoppage of labor, riot, fire, flood, acts of war, insurrection, accident, order of any court, act of God, or specific cause reasonably beyond the party's control and not attributable to its neglect or nonfeasance, in such event, the time for the performance of such obligation or duty shall be suspended until such disability to perform is removed. Determination of force majeure shall rest solely with H-GAC.

ARTICLE 32: CONFLICT OF INTEREST

No officer, member or employee of the Contractor or Contractors subcontractor, no member of the governing body of the Contractor, and no other public officials of the Contractor who exercise any functions or responsibilities in the review or Contractor approval of this Master Agreement, shall participate in any decision relating to this Master Agreement which affects his or her personal interest, or shall have any personal or pecuniary interest, direct or indirect, in this Master Agreement.

A. **Conflict of Interest Questionnaire:** Chapter 176 of the Texas Local Government Code requires contractors contracting or seeking to contract with H-GAC to file a conflict-of-interest questionnaire (CIQ) if they have an employment or other business relationship with an H-GAC officer or an officer's close family member. The required questionnaire and instructions are located on the H-GAC website or at the Texas Ethics Commission website https://www.ethics.state.tx.us/forms/CIQ.pdf. H-GAC officers include its Board of Directors and Executive Director, who are listed on this website. Respondent must complete and file a CIQ with the Texas Ethics Commission if an employment or business relationship with H-GAC office or an officer's close family member as defined in the law exists.

B. **Certificate of Interested Parties Form – Form 1295:** As required by Section 2252.908 of the Texas Government Code. H-GAC will not enter a Contract with Contractor unless (i) the Contractor submits a disclosure of interested parties form to H-GAC at the time the Contractor submits the contract H-GAC, or (ii) the Contractor is exempt from such requirement. The required form and instructions are located at the Texas Ethics Commission website https://www.ethics.state.tx.us/whatsnew/elf_info_form1295.htm. Respondents who are awarded a Contract must submit their Form 1295 with the signed Contract to H-GAC.

ARTICLE 33: FEDERAL COMPLIANCE

Contractor agrees to comply with all federal statutes relating to nondiscrimination, labor standards, and environmental compliance. With regards to "Rights to Inventions Made Under a Contract or Master Agreement," If the Federal award meets the definition of "funding Master Agreement" under 37 CFR § 401.2 (a) and the recipient or subrecipient wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance of experimental, developmental, or research work under that "funding Master Agreement," the recipient or subrecipient must comply with the requirements of 37 CFR Part 401, "Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Master Agreements," and any implementing regulations issued by the awarding agency. Contractor agrees to be wholly compliant with the provisions of 2 CFR 200, Appendix II. Additionally, for work to be performed under the Master Agreement or subcontract thereof, including procurement of materials or leases of equipment, Contractor shall notify each potential subcontractor or supplier of the Contractor's federal compliance obligations. These may include, but are not limited to: (a) Title VI of the Civil Rights Act of 1964 (P.L. 88-352) which prohibits discrimination on the basis of race, color or national origin; (b) Title IX of the Education Amendments of 1972, as amended (20 U.S.C. §§ 1681-1683, and 1685-1686), which prohibits discrimination on the basis of sex; (c) the Fair Labor Standards Act of 1938 (29 USC 676 et. seq.), (d)

Section 504 of the Rehabilitation Act of 1973, as amended (29 U.S.C. § 794), which prohibits discrimination on the basis of handicaps and the Americans with Disabilities Act of 1990; (e) the Age Discrimination in Employment Act of 1967 (29 USC 621 et. seq.) and the Age Discrimination Act of 1974, as amended (42 U.S.C. §§ 6101-6107), which prohibits discrimination on the basis of age; (f) the Drug Abuse Office and Treatment Act of 1972 (P.L. 92-255), as amended, relating to nondiscrimination on the basis of drug abuse; (g) the Comprehensive Alcohol Abuse and Alcoholism Prevention, Treatment and Rehabilitation Act of 1970 (P.L. 91-616), as amended, relating to the nondiscrimination on the basis of alcohol abuse or alcoholism; (h) §§ 523 and 527 of the Public Health Service Act of 1912 (42 U.S.C. 290 dd-3 and 290 ee-3), as amended, relating to confidentiality of alcohol and drug abuse patient records; (i) Title VIII of the Civil Rights Act of 1968 (42 U.S.C. § 3601 et seq.), as amended, relating to nondiscrimination in the sale, rental or financing of housing; (j) any other nondiscrimination provisions in any specific statute(s) applicable to any Federal funding for this Master Agreement; (k) the requirements of any other nondiscrimination statute(s) which may apply to this Master Agreement; (l) applicable provisions of the Clean Air Act (42 U.S.C. §7401 et seq.), the Federal Water Pollution Control Act, as amended (33 U.S.C. §1251 et seq.), Section 508 of the Clean Water Act (33 U.S.C. 1368), Executive Order 11738, and the Environmental Protection Agency regulations at 40 CPR Part 15; (m) applicable provisions of the Davis- Bacon Act (40 U.S.C. 276a - 276a-7), the Copeland Act (40 U.S.C. 276c), and the Contract Work Hours and Safety Standards Act (40 U.S.C. 327-332), as set forth in Department of Labor Regulations at 20 CPR 5.5a; (n) the mandatory standards and policies relating to energy efficiency which are contained in the state energy conservation plan issued in compliance with the Energy Policy and Conservation Act (P.L. 94-163).

ARTICLE 34: PROHIBITION ON CONTRACTING WITH ENTITIES USING CERTAIN TELECOMMUNICATIONS AND VIDEO SURVEILLANCE EQUIPMENT (EFFECTIVE AUG. 13, 2020 AND AS AMENDED OCTOBER 26, 2020)

Pursuant to 2 CFR 200.216, Contractor shall not offer equipment, services, or system that use covered telecommunications equipment or services as a substantial or essential component of any system, or as critical technology as part of any system. Covered telecommunications equipment or services means 1) telecommunications equipment produced by Huawei Technologies Company or ZTE Corporation (or any subsidiary or affiliate of such entities); 2) for the purpose of public safety, security of government facilities, physical security surveillance of critical infrastructure, and other national security purposes, video surveillance and telecommunications equipment produced by Hytera Communications Corporation, Hangzhou Hikvision Digital Technology Company, or Dahua Technology Company (or any subsidiary or affiliate of such entities); 3) telecommunications or video surveillance services provided by such entities or using such equipment; or 4) telecommunications or video surveillance equipment or services produced or provided by an entity that the Secretary of Defense, in consultation with the Director of National Intelligence or the Director of the Federal Bureau of Investigation, reasonably believes to be an entity owned or controlled by, or otherwise connected to, the government of a covered foreign country. Respondent must comply with requirements for certifications. The provision at 48 C.F.R Section 52.204-26 requires that offerors review SAM prior to completing their required representations. This rule applies to all acquisitions, including acquisitions at or below the simplified acquisition threshold and to acquisitions of commercial items, including commercially available off the-shelf items.

ARTICLE 35: DOMESTIC PREFERENCE

In accordance with 2 CFR 200.322, as appropriate and to the extent consistent with law, when using federal grant award funds H-GAC should, to the greatest extent practicable, provide a preference for the purchase, acquisition, or use of goods, products, or materials produced in the United States (including but not limited to iron, aluminum, steel, cement, and other manufactured products). H-GAC must include this requirement in all subawards including all contracts and purchase orders for work or products under the federal grant award. If Contractor intends to qualify for Purchase Orders using federal grant money, then it shall work with H-GAC to provide all required certifications and other documentation needed to show compliance.

ARTICLE 36: CRIMINAL PROVISIONS AND SANCTIONS

The Contractor agrees to perform the Master Agreement in conformance with safeguards against fraud and abuse as set forth by the H-GAC, the State of Texas, and the acts and regulations of any related state or federal agency. The Contractor agrees to promptly notify H-GAC of any actual or suspected fraud, abuse, or other criminal activity through the filing of a written report within twenty-four (24) hours of knowledge thereof. Contractor shall notify H-GAC of any accident or incident requiring medical attention arising from its activities under this Master

Agreement within twenty-four (24) hours of such occurrence. Theft or willful damage to property on loan to the Contractor from H-GAC, if any, shall be reported to local law enforcement agencies and H-GAC within two (2) hours of discovery of any such act.

The Contractor further agrees to cooperate fully with H-GAC, local law enforcement agencies, the State of Texas, the Federal Bureau of Investigation, and any other duly authorized investigative unit, in carrying out a full investigation of all such incidents.

The Contractor shall notify H-GAC of the threat of lawsuit or of any actual suit filed against the Contractor pertaining to this Master Agreement or which would adversely affect the Contractor's ability to perform services under this Master Agreement.

ARTICLE 37: INDEMNIFICATION AND RECOVERY

H-GAC's liability under this Master Agreement, whether for breach of contract, warranty, negligence, strict liability, in tort or otherwise, is limited to its order processing charge. In no event will H-GAC be liable for any loss of use, loss of time, inconvenience, commercial loss, lost profits, or savings or other incidental, special or consequential damages to the full extent such use may be disclaimed by law. Contractor agrees, to the extent permitted by law, to defend and hold harmless H-GAC, its board members, officers, agents, officials, employees, and indemnities from any and all claims, costs, expenses (including reasonable attorney fees), actions, causes of action, judgements, and liens arising as a result of Contractor's negligent act or omission under this Master Agreement. Contractor shall notify H-GAC of the threat of lawsuit or of any actual suit filed against Contractor relating to this Master Agreement.

ARTICLE 38: LIMITATION OF CONTRACTOR'S LIABILITY

Except as specified in any separate writing between the Contractor and an END USER, Contractor's total liability under this Master Agreement, whether for breach of contract, warranty, negligence, strict liability, in tort or otherwise, but excluding its obligation to indemnify H-GAC, is limited to the price of the particular products/services sold hereunder, and Contractor agrees either to refund the purchase price or to repair or replace product(s) that are not as warranted. In no event will Contractor be liable for any loss of use, loss of time, inconvenience, commercial loss, loss of profits or savings or other incidental, special or consequential damages to the full extent such use may be disclaimed by law. Contractor understands and agrees that it shall be liable to repay and shall repay upon demand to END USER any amounts determined by H-GAC, its independent auditors, or any agency of State or Federal government to have been paid in violation of the terms of this Master Agreement.

ARTICLE 39: TITLES NOT RESTRICTIVE

The titles assigned to the various Articles of this Master Agreement are for convenience only. Titles shall not be considered restrictive of the subject matter of any Article, or part of this Master Agreement.

ARTICLE 40: JOINT WORK PRODUCT

This Master Agreement is the joint work product of H-GAC and the Contractor. This Master Agreement has been negotiated by H-GAC and the Contractor and their respective counsel and shall be fairly interpreted in accordance with its terms and, in the event of any ambiguities, no inferences shall be drawn against any party.

ARTICLE 41: PROCUREMENT OF RECOVERED MATERIAL

H-GAC and the Respondent must comply with section 6002 of the Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act. The requirements of Section 6002 include: (1) procuring only items designated in guidelines of the Environmental Protection Agency (EPA) at 40 CFR part 247 that contain the highest percentage of recovered materials practicable, consistent with maintaining a satisfactory level of competition, where the purchase price of the item exceeds $10,000 or the value of the quantity acquired during the preceding fiscal year exceeded $10,000; (2) procuring solid waste management services in a manner that maximizes energy and resource recovery; and (3) establishing an affirmative procurement program for procurement of recovered materials identified in the EPA guidelines. Pursuant to the Federal Rule above, as required by the Resource Conservation and Recovery Act of 1976 (42 U.S.C. § 6962(c)(3)(A)(i)), Respondent certifies that the percentage of recovered materials content for EPA-designated items to be delivered or used in the

DocuSign Envelope ID: 24652F1B-035D-4B60-AD91-DDF8C4DDCC55

performance of the Contract will be at least the amount required by the applicable contract specifications or other contractual requirements.

ARTICLE 42: COPELAND "ANTI-KICKBACK" ACT

Contractor shall comply with 18 U.S.C. § 874, 40 U.S.C. § 3145, and the requirements of 29 C.F.R. pt. 3 as may be applicable, which are incorporated by reference into the contract. The contractor or subcontractor shall insert in any subcontracts the clause above and such other clauses as appropriate agency instructions require, and also a clause requiring the subcontractors to include these clauses in any lower tier subcontracts. The prime contractor shall be responsible for the compliance by any subcontractor or lower tier subcontractor with all of these contract clauses. A breach of the contract clauses above may be grounds for termination of the Contract, and for debarment as a contractor and subcontractor as provided in 29 C.F.R. § 5.12.

ARTICLE 43: DISCRIMINATION

Respondent and any potential subcontractors shall comply with all Federal statutes relating to nondiscrimination. These include, but are not limited to:

a) Title VI of the Civil Rights Act of 1964 (P.L. 88-352), which prohibits discrimination on the basis of race, color, or national origin;
b) Title IX of the Education Amendments of 1972, as amended (20 U.S.C. §§1681-1683, and 1685-1686), which prohibits discrimination on the basis of sex;
c) Section 504 of the Rehabilitation Act of 1973, as amended (29 U.S.C. §794), which prohibits discrimination on the basis of handicaps;
d) The Age Discrimination Act of 1975, as amended (42 U.S.C. §§6101- 6107), which prohibits discrimination on the basis of age;
e) The Drug Abuse Office and Treatment Act of 1972 (P.L. 92-255), as amended, relating to nondiscrimination on the basis of drug abuse;
f) The Comprehensive Alcohol Abuse and Alcoholism Prevention, Treatment and Rehabilitation Act of 1970 (P.L. 91-616), as amended, relating to nondiscrimination on the basis of alcohol abuse or alcoholism;
g) Sections 523 and 527 of the Public Health Service Act of 1912 (42 U.S.C. §§290 dd-3 and 290 ee-3), as amended, relating to confidentiality of alcohol and drug abuse patient records;
h) Title VIII of the Civil Rights Act of 1968 (42 U.S.C. §§3601 et seq.), as amended, relating to nondiscrimination in the sale, rental, or financing of housing;
i) Any other nondiscrimination provisions in the specific statute(s) under which application for Federal assistance is being made; and
j) The requirements of any other nondiscrimination statute(s) that may apply to the application.

ARTICLE 44: DRUG FREE WORKPLACE

Contractor must provide a drug-free workplace in accordance with the Drug-Free Workplace Act, as applicable. For the purposes of this Section, "drug-free" means a worksite at which employees are prohibited from engaging in the unlawful manufacture, distribution, dispensation, possession, or use of a controlled substance. H-GAC may request a copy of this policy.

ARTICLE 45: APPLICABILITY TO SUBCONTRACTORS

Respondent agrees that all contracts it awards pursuant to the contract awarded as a result of this Master Agreement will be bound by the foregoing terms and conditions.

ARTICLE 46: WARRANTY AND COPYRIGHT

Submissions must include all warranty information, including items covered, items excluded, duration, and renewability. Submissions must include proof of licensing if using third party code for programming.

ARTICLE 47: DATA HANDLING AND SECURITY

It will always be the responsibility of the selected Contractor to manage data transfer and to secure all data appropriately during the project to prevent unauthorized access to all data, products, and deliverables.

DocuSign Envelope ID: 24652F1B-035D-4B60-AD91-DDF8C4DDCC55

ARTICLE 48: DISPUTES

All disputes concerning questions of fact or of law arising under this Master Agreement, which are not addressed within the Whole Master Agreement as defined pursuant to Article 4 hereof, shall be decided by the Executive Director of H-GAC or his designee, who shall reduce his decision to writing and provide notice thereof to the Contractor. The decision of the Executive Director or his designee shall be final and conclusive unless, within thirty (30) days from the date of receipt of such notice, the Contractor requests a rehearing from the Executive Director of H-GAC. In connection with any rehearing under this Article, the Contractor shall be afforded an opportunity to be heard and offer evidence in support of its position. The decision of the Executive Director after any such rehearing shall be final and conclusive. The Contractor may, if it elects to do so, appeal the final and conclusive decision of the Executive Director to a court of competent jurisdiction. Pending final decision of a dispute hereunder, the Contractor shall proceed diligently with the performance of the Master Agreement and in accordance with H-GAC's final decision.

ARTICLE 49: CHOICE OF LAW: VENUE

This Master Agreement shall be governed by the laws of the State of Texas. Venue and jurisdiction of any suit or cause of action arising under or in connection with the Master Agreement shall lie exclusively in Harris County, Texas. Disputes between END USER and Contractor are to be resolved in accordance with the law and venue rules of the state of purchase. Contractor shall immediately notify H-GAC of such disputes.

ARTICLE 50: ORDER OF PRIORITY

In the case of any conflict between or within this Master Agreement, the following order of priority shall be utilized: 1) General Provisions, 2) Special Provisions, 3) Scope of Work, and 4) Other Attachments.

ARTICLE 51: WHOLE MASTER AGREEMENT

Please note, this is an H-GAC Master Agreement template and is used for all products and services offered in H-GAC Cooperative Purchasing. Any redlines to this Master Agreement may not be reviewed. If this Master Agreement has not been signed by the Contractor within 30 calendar days, this Master Agreement will be automatically voided. The Master General Provisions, Master Special Provisions, and Attachments, as provided herein, constitute the complete Master Agreement between the parties hereto, and supersede any and all oral and written Master Agreements between the parties relating to matters herein. Except as otherwise provided herein, this Master Agreement cannot be modified without written consent of the parties.

ARTICLE 52: UNIVERSAL IDENTIFIER AND SYSTEM FOR AWARD MANAGEMENT (SAM)

In accordance with 2 CFR Title 2, Subtitle A, Chapter I, Part 25 as it applies to a Federal awarding agency's grants, cooperative agreements, loans, and other types of Federal financial assistance as defined in 2 CFR 25.406. Contractor understands and as it relates to 2 CFR 25.205(a), a Federal awarding agency may not make a Federal award or financial modification to an existing Federal award to an applicant or recipient until the entity has complied with the requirements described in 2 CFR 25.200 to provide a valid unique entity identifier and maintain an active SAM registration (www.SAM.gov) with current information (other than any requirement that is not applicable because the entity is exempted under § 25.110). 2 CFR 25.200(b) requires that registration in the SAM **prior to submitting an application or plan**; and maintain an active SAM registration with current information, including information on a recipient's immediate and highest level owner and subsidiaries, as well as on all predecessors that have been awarded a Federal contract or grant within the last three years, if applicable, at all times during which it has an active Federal award or an application or plan under consideration by a Federal awarding agency; and provide its unique entity identifier in each application or plan it submits to the Federal awarding agency. To remain registered in the SAM database after the initial registration, the applicant is required to review and update its information in the SAM database on an annual basis from the date of initial registration or subsequent updates to ensure it is current, accurate and complete. At the time a Federal awarding agency is ready to make a Federal award, if the intended recipient has not complied with an applicable requirement to provide a unique entity identifier or maintain an active SAM registration with current information, the Federal awarding agency: (1) May determine that the applicant is not qualified to receive a Federal award; and (2) May use that determination as a basis for making a Federal award to another applicant.

ARTICLE 53: PROCUREMENT OF RECOVERED MATERIALS

In accordance with 2 CFR 200.323, the Houston-Galveston Area Council and the Contractor or Subrecipient must

comply with section 6002 of the Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act. The requirements of Section 6002 include: (1) procuring only items designated in guidelines of the Environmental Protection Agency (EPA) at 40 CFR part 247 that contain the highest percentage of recovered materials practicable, consistent with maintaining a satisfactory level of competition, where the purchase price of the item exceeds $10,000 or the value of the quantity acquired during the preceding fiscal year exceeded $10,000; (2) procuring solid waste management services in a manner that maximizes energy and resource recovery; and (3) establishing an affirmative procurement program for procurement of recovered materials identified in the EPA guidelines. Pursuant to the Federal Rule above, as required by the Resource Conservation and Recovery Act of 1976 (42 U.S.C. § 6962(c)(3)(A)(i)), the Contractor or Subrecipient certifies that the percentage of recovered materials content for EPA-designated items to be delivered or used in the performance of the Agreement will be at least the amount required by the applicable contract specifications or other contractual requirements.

SIGNATURES:
H-GAC and the Contractor have read, agreed, and executed the whole Master Agreement as of the date first written above, as accepted by:

Greetings,
Based on the provided scope of work, it has been classified as General Services. This determination is solely focused on that classification and does not address whether the scope of work or procurement method complies with all relevant legal requirements. I reserve the right to modify this determination should the scope of work differ from what was originally submitted. The procurement must follow the processes and procedures established by the City of Santa Fe, Central Purchasing, the Procurement Manual, and applicable state statutes.
Please note:

- Save this email as a PDF and upload it into the corresponding packet and Munis records.
- Check with WorkQuest dba Horizons of New Mexico (vendor # 8673) (mloehman@horizonsofnewmexico.org) ***if*** this service appears on their approved list.
- If your request includes anything that needs to be reviewed and preapproved by another City Department/Division, please send the same SOW to the corresponding email address and include their response in your packet/Munis.
- If your request includes anything that needs to be reviewed and preapproved by another City Department/Division, please send the same SOW to the corresponding email address and include their response in your packet/Munis.
    - Treasury (Point of Sale Systems) – questions: drsena@santafenm.gov; clromero@santafenm.gov. Request signature from: clromero@santafenm.gov
    - IT components (everything IT) – questions: ereview@santafenm.gov. Request signature from: edcandelaria@santafenm.gov;
      Copy: zxdushdurova@santafenm.gov; lenobes@santafenm.gov; lfworstell@santafenm.gov
    - Vehicles – questions: fleet@santafenm.gov. Request signature from: dmjaramillo@santafenm.gov
    - Grants – questions: grants@santafenm.gov. Request signature from: evlujan@santafenm.gov
    - Construction, Facilities, Furniture, Fixtures, Equipment, etc. – questions: fmdreview@santafenm.gov. Request signature from: jsburnett@santafenm.gov
    - Emergency Related Purchases – questions oem@santafenm.govand. Request signature from: klmorgan@santafenm.gov

Asset over $5k – questions: accountspayable@santafenm.gov. Request signature from: jxbolden@santafenm.gov

- Ensure that the current and appropriate templates and forms are used, they can be found on the intranet https://intranet.santafenm.gov/finance_1 and OpenGov https://procurement.opengov.com/governments/1784201/projects and documented procedures/laws/rules are followed.
- > $20k per year, when processing this procurement, please ensure the procurement number issued by Munis and the procurement name are used in the appropriate documents and the subject of emails.
- If you are processing a procurement where the forecasted amount is =/> $60k, per NMSA 1978, Section 13-1-102, the procurement method must be ITB (if you choose not to use a cooperative or an existing contract). If you feel you need to process an RFP, you must get an Authorization and Plan approved before you process.
- < $20k per year, one quote is acceptable.
- From $20k to $60k per year, if you aren't using a cooperative or existing contract, you must provide 3 quotes in your req. Must use the Munis Bid Module, OpenGov, or Pavilion.
- **Identify your funding source and notify Purchasing.**
  It's essential to determine the funding source early, as it impacts the required documentation and contract language. For example, if federal funds are being used, specific federal provisions must be included in both the procurement request and the resulting contract. Notifying Purchasing of the funding source upfront ensures compliance and avoids delays.
- Follow the link below to review existing price agreements, contracts, or cooperative agreements that might be applicable to this request. You might be able to use an existing price agreement/contract to save time and money.
- Pavilion: Free Cooperative Contract Search for Governments (please work with Purchasing if you think you found an existing or cooperative contract that might work)
- Submit via **Submit Purchase Requests** or the appropriate email address:
- Determination requests to purchasing_det@santafenm.gov
- All other requests to purchasing@santafenm.gov

Thank you for submitting this scope of work for my review.

Subject: Determination Request

Hello Travis,

Below is a SOW for your review.

Scope of Work:

Complete field survey by installing transmitter and receiver between each pipeline segment in the test area and collect scores for each pipe segment. Make every reasonable effort to access each manhole, and complete field televising using a digital manhole camera system. If access is limited Contractor will attempt to obtain the information to the best of their abilities. Will provide all equipment and personnel as required to complete inspections, including at least (1) NASSCO certified inspector onsite during inspections per camera truck. Will provide light traffic control , as needed. Preform light to heavy cleaning of lines that require it. Upon project completion, provide executive summary report identifying all pipes and their corresponding scores. Will provide access to Insight 360, Duke's web hosted data platform. Will provide the city with a detailed report which includes but is not limited to, Data in Access (NASSCO export DB) and .CSV / Excel format, all digital

The Purchasing Memo

Date: September 21, 2025

To: Governing Body
Finance Committee
Public Utilities/ Public Works

From: Martin Valdez, ESD Fleet Manager MJV

Via: Jesse Roach, Interim Public Utilities Department Director JR
Debora Trujillo, Environmental Services Division Director DEBORA TRUJILLO

Subject: Purchase of Two (2) Front Load Collection Vehicles

Vendor Name: Bruckner Truck Sales Inc

Munis Vendor Number: 3431

ITEM AND ISSUE:

Public Utilities Department respectfully requests your review and approval of the purchase of two (2) Commercial Front load Collection Vehicles in the Total Amount of $970,078.00 excluding tax with Bruckner Truck Sales via Cooperative Educational Services (CES) Contract #2024-24-C117ALL

BACKGROUND AND SUMMARY:

Environmental Services seeks to purchase two (2) front-load vehicles powered by compressed natural gas (CNG) to replace two existing front-load vehicles that are no longer viable due to consistently high maintenance costs. The transaction will be conducted through Bruckner's Truck and Equipment and includes two (2) 40-yard Wittke commercial front-load packing bodies mounted on two (2) CNG-fueled AUTOCAR chassis. These chassis have previously proven to be dependable, efficient, and durable in our fleet operations. This acquisition supports the City of Santa Fe's ongoing efforts to reduce emissions and lower our carbon footprint by transitioning to cleaner, more sustainable fuel alternatives.

Contract Award Letter

May 22, 2024

Bruckner Truck Sales, Inc.
8101 Daytona Rd NW
Albuquerque, NM 87121

RFP NUMBER: 2024-24
RFP DESCRIPTION: Medium & Heavy-Duty Trucks
CONTRACT NUMBER: 2024-24-C117-ALL
Category 1 - Lot 1 - Medium & Heavy-Duty Trucks

Dear Procurement Partner

Cooperative Educational Services (CES) thanks you for responding to our 2024-24 solicitation. The responses have been reviewed and it is our pleasure to inform you that your company has been selected to provide the products and services indicated in your response.

The Contract, in conjunction with the Contract and RFP documents, constitute the Agreement between the parties. Please retain all documents for your records. This Indefinite Delivery and Indefinite Quantity contract, as defined in NMSA 13-1-63; beginning May 22, 2024 and expiring May 21, 2028, pursuant to 13-1-150 NMSA.

It is the vendor's responsibility to keep pricing up to date throughout the life of the contract.

Sincerely yours,

Cooperative Educational Services

David Chavez
Executive Director, Chief Procurement Officer
Office: 505.344.5470

ACCEPTANCE OF PROPOSAL AND OFFER
AND CONTRACT AWARD

RFP NUMBER: 2024-24
RFP DESCRIPTION: Medium & Heavy-Duty Trucks
CONTRACT NUMBER: 2024-24-C117-ALL
Category 1 - Lot 1 - Medium & Heavy-Duty Trucks

CONTRACT

This contract award is being made by Cooperative Educational Services ("CES"), 10601 Research Rd. SE, Albuquerque, New Mexico 87123 effective this 22nd day of May 2024, to Bruckner Truck Sales, Inc., with its principal office located at 8101 Daytona Rd NW, Albuquerque, NM 87121, pursuant to the above referenced CES conducted Request for Proposal ("RFP") or Request for Bids ("RFB") procurement, and Contract Holder accepts the award and enters into this contract pursuant to the following terms and conditions.

RECITALS

Cooperative Educational Services (CES) is a cooperative procurement agency created by a Joint Powers Agreement as authorized by Section 11-1-1, et. seq., N.M.S.A., 1978, and Section 13-1-135 and procures tangible personal property, services and construction services ("Products, Services and/or Construction Services") pursuant to the New Mexico Procurement Code for the benefit of its Members and Participating Entities. The Members consist of public educational institutions in New Mexico that are signators to a Joint Powers Agreement establishing CES as their procurement agency. The Participating Entities are governmental and 501(C) (3) organizations that have entered into Participating Entity Agreements with CES which allow them to take advantage of the procurement efforts of CES.

The undersigned ("Contract Holder") has successfully responded to a RFP or RFB published by CES in accordance with the Procurement Code, (13-1-103, 111, 112), and Contract Holder is being awarded this RFP or RFB contract by CES which allows Contract Holder to offer Products, Services and Construction Services in accordance with the terms and conditions set forth herein and in the RFP or RFB documents and this contract award.

CONTRACT TERMS

1. The initial contract term shall be from the effective contract award date May 22, 2024 through May 21, 2028. CES reserves the right to renew the Contract through a written amendment signed by all required signatories, but in any case, the Contract shall not exceed the total number of years allowed pursuant to NMSA 1978 13-1-150. CES reserves the right to offer month-to-month extensions if it is determined by CES to be in the best interest of CES Members/Participating Entities

2. Contract Holder agrees and acknowledges that the contract terms and provisions are those contained in the above referenced RFP or RFB and agrees to furnish all Products, Services and/or Construction Services in compliance with all terms, conditions, specifications of and amendments to this RFP or RFB. Contract Holder understands that his obligations under this RFP or RFB contract extend to CES Members and Participating Entities who are third party beneficiaries of

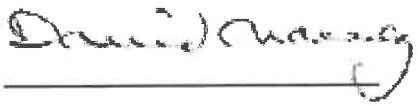
this RFP or RFB procurement process. The Members/Participating Entities may negotiate with Contract Holder certain additional terms and conditions relating to the scope of services and other performance details. However, the terms and conditions of the RFP or RFB may not be altered or amended except with the approval of CES and in accordance with the State Procurement Code.

3. Contract Holder acknowledges and agrees that CES' purpose and function is to act as a cooperative procurement agent on behalf of its Members and Participating Entities so that they may take advantage of these procurement efforts. CES does not have any subsequent responsibility relating to the quality and fitness of any Products, or the performance of any Services and Construction Services by Contract Holder. Any purchase orders placed by a CES Member or Participating Entity with Contract Holder directly or through CES and any resulting contract between the Contract Holder and a CES Member or Participating Entity do not create any additional obligations on the part of CES.

4. For transactions which involve CES transmitting purchase orders from a Member/Participating Entity to Contract Holder, CES volunteers to act as a payment facilitator to make payments to Contract Holder with funds transferred to CES by the Member/Participating Entity in accordance with Member/Participating Entity's written instructions and to provide an accounting of all monies paid or received by CES pursuant to this Agreement. CES also volunteers to provide informal mediation services between Contract Holder and Member/Participating Entity in the event any dispute arises between them.

5. Contract Holder understand and agree that upon CES' receipt of funds from the Member/Participating Entity, CES has no right or authority to thereafter apply those funds to any purpose other than as instructed by Member/Participating Entity. CES shall incur no liability to Contract Holder except for liability arising from CES' own gross negligence or willful misconduct, to the extent allowed by New Mexico law. Through this procurement process, Contract Holder is authorized to provide the described Products, Services or Construction Services. CES has no obligation or right to involve itself with the manner or method by which Contract Holder provides these Products, Services or Construction Services.

6. To the extent allowed by New Mexico law, Contract Holder agrees to hold CES harmless from all costs, expenses, attorney fees and judgments based upon claims between a Member/Participating Entity and Contract Holder in connection with the specified Products, Services or Construction Services provided by Contract Holder



7. Contract Holder agrees that it will not assert any claim against CES in the event that a dispute arises regarding the alleged failure of Contract Holder or a Member/Participating Entity to perform as provided for in the RFP or RFB documents, any purchase order or other contract between Contract Holder and a Member/Participating Entity. This does not include claims against CES based upon the alleged gross negligence or intentional acts of CES.

8. Any liability incurred in connection with this Agreement shall be subject to the immunities and limitations of the New Mexico Tort Claims Act, §§ 41-4-1 et seq, NMSA 1978, as amended.

The Recitals are incorporated herein as contract terms.

Agreed effective the above date.

General Manager

GENERAL SCOPE OF WORK AND SPECIFICATIONS

PART I INTRODUCTION

A. GENERAL

The purpose of this Request for Proposal is to solicit sealed proposals to establish, through competitive public solicitation and negotiation, a multi-year cooperative contract, or contracts, between Cooperative Educational Services (CES) and the successful Offeror(s).

In order to assist CES Members or Participating Entities which consist of over 440 educational and governmental entities in New Mexico, CES is seeking proposals from Offeror(s) who have the experience and can provide Class 3 to Class 8 medium to heavy duty trucks; various types of truck bodies; parts and accessories; maintenance and repair services; public safety upfitting services; and warranty service; etc. **Class 1 and Class 2 trucks cannot be offered under this RFP.**

CES is looking for interested Offeror(s) that are licensed in the State of New Mexico that can provide the following options to CES Members and Participating to purchase vehicles. The options are:

1. Fleet purchase option.
2. Off the lot purchase option.
3. Used Vehicle purchase option.
4. Equipment, supplies and related services.

It is the intent of CES to establish a contract with multiple vendors who can supply the vehicles and services listed throughout this Scope of Work, for direct purchase, and as needed. All vehicles and services are to be supplied according to industry standards, according to the material manufacturers' recommendations and to the satisfaction of CES' Membership. Selected Contractors shall provide vehicles, and/or services as requested by the Member's Representative or their designee. CES or its Membership offers no guarantee of vehicles or services to be purchased under the Contract.

B. NOTICE

If practicable, CES intends to make multiple awards for sufficient coverage statewide. Price agreements` term, resulting from this RFP, are pursuant to New Mexico Procurement Code, NMSA, 1978, 13-1-150.

This is an open-ended RFP. At the discretion of CES, the RFP may remain open for accepting additional proposals after a source award or multiple source awards are made to allow CES to make additional source awards if CES determines in accordance with ¶13-1-154 NMSA 1978 that such additional awards are necessary to fully meet CES member or participating entity service or economy needs identified by CES prior to a source award(s) or identified after a source award(s) is made.

Any new Offeror may not have access to any RFP documents submitted by another Offeror or to documents involved in the rating or ranking process of Offerors, as this would negate the open and fair competition process. Offerors that submitted a proposal for this RFP event and did not receive a recommendation for award may not submit a new proposal for the same RFP event. New proposals will be evaluated as prescribed in the original RFP and evaluated against all other RFP proposals. Any new source awards will be aligned with the contract end date of the original source awards. CES reserves the right to terminate the opportunity for submittal of additional offers at any time prior to the original contract award expiration date.

C. DEFINITIONS

Alternative Fuels:

1. Liquefied petroleum gas
2. Natural gas
3. Hydrogen
4. A blend of hydrogen with liquefied petroleum or natural gas
5. An emulsion of water-phased hydrocarbon fuel that contains not less than 20% water by volume and that complies with any of the following:
   a. Is used in an engine that is certified to meet at a minimum the United States Environmental Protection Agency low emission vehicle standard pursuant to 40 Code of Federal Regulations Section 88.104-94 or 88.105-94.
   b. Is used in an engine that is certified by the engine modifier to meet the addendum to memorandum 1-A of the United States Environmental Protection Agency.
   c. Is used in an engine that is the subject of a waiver for that specific engine application from the United States Environmental Protection Agency's memorandum 1-A addendum requirements and that waiver is documented to the reasonable satisfaction of the Department of Commerce Energy Office.
6. Alcohol fuels that contain not less than 85% alcohol by volume
7. Electricity
8. Solar energy
9. A combination of at least 70% alternative fuel and no more than 30% petroleum-based fuel and that operates in an engine that meets the United States Environmental Protection Agency (EPA) low emission vehicle standard pursuant to 40 Code of Federal Regulations Section 88.104-94 or 88.105-94 and is certified by the engine manufacturer to consume at least 70% alternative fuel during normal vehicle operations.

CDL: Commercial Driver's License
Class: GVWR class ratings. "Medium Class" trucks are: Class 3: 10001-14000#; Class 4: 14001-16000#; Class 5: 16001-19500#; Class 6: 19501-26000#. "Heavy" class trucks are: Class 7: 26001-33000#; Class 8: over 33000#.
Conventional Cab: A cab/engine design with a full front section and hood, where the engine and front axle are positioned in front of the cab.
Dealer Prep: An amount or fee that the dealer charges to receive and prepare the purchase vehicle for delivery to the customer.
EPA: Environmental Protection Agency
Factory Invoice: The actual invoice the manufacturer sends to the dealer for the vehicle.
FMCSR: Federal Motor Carrier Safety Administration
FMVSS: Federal Motor Vehicle Safety Standards
GVWR: Gross Vehicle Weight Rating; the maximum allowable weight of the fully loaded vehicle, per manufacturer, including liquids, passengers, cargo, and the tongue weight of any towed vehicle.

Hybrid Electric Vehicles: HEVs are primarily propelled by an internal combustion engine, just like conventional vehicles. However, they also convert energy normally wasted during coasting and braking into electricity, which is stored in a battery until needed by the electric motor. The electric motor assists the engine when accelerating or hill climbing and at low speeds where internal combustion engines are least efficient. Unlike all-electric vehicles, HEVs do not need to be plugged into an external source of electricity to be recharged; conventional gasoline and regenerative braking provide all the energy the vehicle needs.
Insurance Institute for Highway Safety (IIHS): Tests new models by crashing them into an energy-absorbing, deformable barrier at 40 mph.
Low Cab Forward: A truck design with a truncated front section and no hood, where engine and front axle are positioned under or partially under, the cab.
Manufacturer's Suggested Retail Price (MSRP): The retail price of the new motor vehicle suggested by the manufacturer, including the retail delivered price for each accessory or item of optional equipment physically attached to the new motor vehicle at the time of delivery to the new motor vehicle dealer that is not included in the retail price suggested by the manufacturer for the new motor vehicle.
National Highway Traffic Safety Administration (NHTSA): A federal agency that regulates safety features of vehicles and that crash tests new cars for front impact into a flat, rigid barrier at 35 mph, and side impact with the test car traveling 17 mph being hit broadside by another car traveling 34 mph.
NMDOT: New Mexico Department of Transportation
NMMVD: New Mexico Motor Vehicle Department
OEM: The original equipment manufacturer
Wholesale Price: The cost of the vehicle to the dealer minus the holdback, any factory incentives and rebates.
49CFR393: Parts and Accessories Necessary for Safe Operation
49CFR571: Federal Motor Vehicle Safety Standards

PART II SCOPE OF WORK AND SPECIFICATIONS

CES is seeking proposals from Offeror(s) who have the experience and can offer a complete product line of vehicles that can be configured and equipped to meet individual CES Members or Participating Entities' needs.

The standards and specifications provided below are intended to establish minimum requirements for the Offeror and provide a general overview of the quality and type of vehicles and services being requested. Always use the latest up to date versions of a standard, code, or specification.

A. GENERAL REQUIREMENTS

1. The Offeror must be licensed in the State of New Mexico to sell vehicles.
2. All vehicles shall be new and untitled.
3. **No school bus or Class 1 to Class 2 vehicles can be offered as a response to this RFP.**
4. The Offeror will demonstrate that its facility(s) possesses the resources to supply and support the vehicles offered under this solicitation.
5. All billings and invoices must identify the CES purchase order number, complete description of vehicle with all associated options being billed, and include the name of the vehicle, model number and vehicle identification number.

6. The contractor shall include a copy of any manufacturers' order guide with this proposal. Upon request, the dealer will provide a copy of the order guide to any CES Member or Participating Entity wishing to purchase a vehicle.
7. The prices for all vehicles shall be F.O.B. the Offeror's dealership, or any location within 100 miles of the dealership. If any additional cost to deliver a vehicle is required beyond 100 miles from the dealership, that cost must be identified on a price page. If no delivery costs are identified, the dealer will deliver the car to any CES Member or Participating Entity location at no additional charge.
8. The Offeror will furnish a complete set of specifications for all trucks offered that include all weights, heights, widths, van and body materials and other information to assist in the evaluation process.
9. It shall be the responsibility of the Offeror to assure that all recall notices and other technical service bulletins or notifications from the factory are sent directly to the CES Member or Participating Entity in a timely manner.
10. All standard equipment as identified in the manufacturer's literature, data books, and fleet buyer's guides shall be furnished without additional cost on regular production vehicles.
11. All optional equipment and accessories shall be original equipment from the vehicle manufacturer, or third party authorized by the vehicle manufacturer and installed at the factory or by the dealer.
12. Any dealer provided option must be priced separately and may only be included if specifically ordered by the CES Member or Participating Entity. Under no conditions may a CES Member or Participating Entity be charged additional costs for items such as ADP (Added Dealer Profit), additional rust proofing, pinstripes, upholstery preservative, undercoating (or similar dealer packs), conveyance or document fees, or advertising surcharges.

B. EMISSION STANDARDS

Light duty vehicles and trucks are to meet the most current emission standards. Used vehicle to meet 2010 emission standards. If the Federal Emission standards change during the term of the contract, then the Offeror must provide vehicles that meet the latest federal emission standards.

C. DELIVERY

1. All vehicles will be ready for immediate use upon delivery.
2. No additional cost for fuel will be added to the final invoice.
3. All vehicles ordered must be delivered within 5 days of the quotes delivery date, which has been accepted by a CES Member or Participating Entity. If a vehicle is delayed beyond the original quoted date, or if the delayed delivery is beyond the fiscal year (ending June 30th), CES with the agency approval, reserves the right to cancel the purchase order and the member agency will be under no obligation to select a different vehicle if the vendor is unable to deliver on time.
4. In the case of a delay, the CES Member or Participating Entity needs to be notified within five (5) business days of notice from the manufacturer to Offeror. The CES Member or Participating Entity will notify CES and the Offeror within seven (7) business days whether to proceed or cancel the order. CES, CES Member or Participating Entity will be under no obligation to select a different vehicle if the order is cancelled or to select a different vehicle if the contractor is unable to deliver on time.

5. All deliveries will be made Monday through Friday during normal business hours. Vendor will contact the CES Member or Participating Entity 72 hours prior to delivery to schedule a delivery time, location and date.
6. All vehicles shall be equipped with two (2) full sets of keys to include and special purpose keys or keyless remotes (security systems, locks, storage compartments, lights, etc.) at the time of delivery.
7. Offeror will provide owners with two (2) complete sets of operations and parts manuals and one (1) operational and parts manual in electronic format on CD-R, CD-RW, DVD-R or DVD-RW. If safety videos and handbooks are available, two (2) sets will be provided to the member at no cost on CD-R, CD-RW, DVD-R or DVD-RW.
8. Manufacturer's Certificate of Origin (MCO) or Manufacturer's Statement of Origin (MSO) needs to be provided to CES Member or Participating Entity after the Offeror receives payment from CES. All documents must show the legal name of the CES Member or Participating Entity.
9. All standard and optional equipment installed, fully assembled and serviced per manufacturers' specifications.

D. PRE-DELIVERY SERVICES

1. Each unit shall be DOT inspected and include the appropriate documentation and decal. In addition, each unit shall be equipped with the required fire extinguisher and reflective triangle kit.
   a. Complete lubrication
   b. Checking of all fluid levels to ensure that they are filled to manufacturers' specifications.
   c. At time of delivery the fuel tank must be at least one-fourth (1/4) full as indicated on the fuel gauge. If dual fuel tanks are present, the vehicle must have at least one-fourth (1/4) tank in each tank. For diesel engines that use, Selective Catalytic Reduction (SCR) technology, a minimum of one-half (1/2) of a tank of diesel exhausts fluid when delivered to CES Member's or Participating Entities location or picked up by CES Member or Participating Entity. No additional cost for fuel shall be added to the final invoice.
   d. Electrically powered vehicles will have all batteries fully charged.
   e. All tires, including the spare, inflated to manufactures' specifications.
   f. Wheels properly aligned to manufactures' specifications.
   g. All vehicle mechanical, electrical and electronic operations are operating to manufacturers' specifications.
   h. Inside and outside clean with all unnecessary tags, stickers and markings removed.
   i. No decals or markings of any type pertaining to advertisements other than the manufacturer's name or model designation normally installed by the factory will be attached to the vehicle.
   j. Vehicles will need to be checked for any appearance defects and fixed before delivery to CES Member or Participating Entity.

E. VEHICLE INSPECTION

1. Prior to acceptance by the ordering agency, each vehicle shall be subject to a complete inspection by the CES Member or Participating Entity.
2. Inspection shall include, but not necessarily be limited to, conformity to the specifications, mechanical integrity, quality or workmanship and materials, and appearance defects.

3. If a vehicle is returned to the contractor prior to acceptance, corrections shall be made within seven (7) calendar days or time as mutually agreed to by the CES Member or Participating Entity and contractor. Upon delivery of a corrected vehicle, the normal inspection time will start fresh. All corrections shall be made without any inconvenience to CES Member or Participating Entity.

F. WARRANTY

1. At the minimum, warranties shall be the manufacturer's standard new vehicle warranty. All warranties shall begin when the vehicle is placed in service. It shall be the responsibility of the ordering CES Member or Participating Entity to notify the contractor when a vehicle is actually put in service.

G. EXTENDED WARRANTY OPTIONS

1. Offeror is encouraged to offer extended warranties for all major mechanical, electrical and electronic components to cover the member after the standard warranty has expired.
2. The terms, conditions, stipulations, exceptions, limitations and warrantee periods will be clearly identified.
3. The Offeror must provide all warrantee work, ongoing maintenance, have an inventory of parts and have access to specialized or custom parts within 72 hours.
4. The term of a warranty is extended by any period of time during which repair services are not available to the CES Member or Participating Entity because of any war, invasion, strike, fire, flood or other natural disaster.

H. ORDERING AND BILLING

1. Fleet purchases will enable the CES Member or Participating Entity to order options as needed.
2. Trucks offered may have many options, provided by the manufacturer and authorized third party manufacturers, body builders or dealers.
3. All optional equipment and accessories to be original equipment from the manufacturer or provided by manufacturer approved aftermarket suppliers and installed by a factory qualified certified technician.
4. Except as restricted by the manufacturer in a fleet purchase, all factory incentives and rebates will be passed to the CES Member or Participating Entity. All participating dealer rebates, year-end rebates, and other discounts offered to the general buying public will be available to the CES Member or Participating Entity.
5. All dealers must identify the dealer holdback offered by the manufacturer as a percentage of the base invoice, the base MSRP, total MSRP, or other basis.

I. SAFETY

1. The Offeror will provide, at no charge to the Member/Participating Entity, MSDS information providing asbestos content of friction materials (brake pads, brake shoes, clutch discs, etc.), upon request.
2. Truck shall comply for FMVSS 208 Occupant Crash Protection
3. All vehicles offered shall comply with most current FMVSS standards.

J. WARRANTY MINIMUM REQUIREMENTS:

a. Class 3-7 Medium Duty Trucks
   a. Base vehicle - 2 years unlimited mileage
   b. Engine - 3 years unlimited mileage
   c. Transmission either manual or automatic – 2 years unlimited mileage
   d. Steering and drive axles – 2 years unlimited mileage
   e. Frame, Frame Rails and Crossmembers – 5 years unlimited mileage
   f. Cab Structure – 5 years unlimited mileage
   g. Full parts and labor on warrantable failures
   h. Travel or towing when an engine or transmission is disabled by a warrantable failure or further operation would cause damage – 3-year unlimited mileage
   i. Consumables not reusable due to covered failure
   j. No deductible
b. Class 8 Heavy Duty Trucks
   a. Base vehicle - 2 years unlimited mileage
   b. Engine - 2 years unlimited mileage
   c. Transmission either manual or automatic – 2 years unlimited mileage
   d. Steering and drive axles – 2 years unlimited mileage
   e. Frame, Frame Rails and Crossmembers – 5 years unlimited mileage
   f. Cab Structure – 5 years unlimited mileage
   g. Full parts and labor on warrantable failures
   h. Travel or towing when an engine or transmission is disabled by a warrantable failure or further operation would cause damage - 2-year unlimited mileage
   i. Consumables not reusable due to covered failure
   j. No deductible
c. OEM parts
   a. 12 months unlimited mileage
d. Bodies
   a. 12 months unlimited mileage
   b. Full parts and labor on warrantable failures
   c. No deductibles
e. Extended Warranty Options
   a. Offeror is encouraged to offer extended warranties for all major mechanical, electrical and electronic components to cover the member after the standard warranty has expired.
   b. To cover parts, labor, and towing.
   c. To include maintenance service plans.
   d. The terms, conditions, stipulation, exceptions, limitations and warranty periods will be clearly identified.
   e. Minimum period of 2 years after the standard warranty period.
   f. Warranty and all terms, conditions, stipulation and warranty periods will be clearly identified to the member.
   g. All warranty periods will begin when the vehicle is accepted by the Member/Participating Entity.

K. New Mexico requires that 25% vehicles purchased by public agencies operate or have the option to operate on alternative fuel. The Offeror is encouraged to offer alternative fuel vehicles to meet state and federal air standards.

1. The Offeror will submit the most up-to-date set of manufacturer specifications for any alternative fueled vehicle offered.
2. Bi-fuel vehicles must have upgraded intake valve seats or other modifications that promote engine life with hotter burning natural gas.
3. Offeror of electric vehicles will provide infrastructure information (charging locations) and informational assistance to members in establishing a local charging station.
4. Alternative fueled vehicles may operate on liquefied petroleum gas, natural gas, hydrogen, a blend of hydrogen with liquefied petroleum or natural gas, an emulsion of water-phased hydrocarbon fuel that contains not less than 20% water by volume, alcohol fuels that contain not less than 85% alcohol by volume, electricity, solar energy, a combination of at least 70% alternative fuel and no more than 30% petroleum-based fuel. As new technology introduces other alternative fuels, these vehicles can be added to the contract if they can be licensed to operate in New Mexico.
5. For alternative fueled vehicles, the Offeror shall provide list of locations where fuel can be procured.

L. CAB AND CHASSIS VEHICLES

1. The production vehicle shall be a current Model Year.
2. The Offeror is encouraged to propose a full line of chassis and cab, conventional and low cab forward. Complete specifications for models proposed must be included in the proposal package with prices.
3. Engines may be gas or diesel.
4. Chassis shall be heavy duty and the as-built, fully loaded Gross Vehicle Weight cannot exceed the Original Equipment Manufacturers (OEM) GVWR.
5. Engine shall meet current Federal Emission standards for diesel, gas and alternative fueled trucks.
6. The front and rear springs shall have a ground load rating equal to or exceeding the GVWR of the vehicle.
7. The fuel system shall meet the minimum requirements FMVSS be supplied by the OEM. Any chassis fuel system modifications shall be fully compliant with FMVSS and Federal Emission Standards.

M. TRANSMISSION

1. The transmission shall be heavy-duty OEM installed.
2. Manual transmissions with five (5) or more speeds can be offered.
3. Automatic transmissions with four (4), five (5), six (6) speeds or more speeds can be offered.
4. Transmission auxiliary cool is to be offered.
5. Four-wheel or all-wheel drive vehicles may be offered.

N. ENGINES

1. Diesel and gas engines offered must be of the latest design, fuel efficient and meet or exceed the most current federal, state and local emissions standards.
2. Diesel engines that use biodiesel must conform to the specifications of ASTM 6751, Biodiesel Standard.
3. For diesel engines that use Selective Catalytic Reduction (SCR) technology. Various tank sizes need to be offered.
4. Diesel engines must be able to operate us at minimum B-5 biodiesel fuel. Manufactures are encouraged to provide vehicles that can operate with B-20 biodiesel fuel.

5. CNG, LNG, LP and Hybrid Electric power plants can be offered as options.
6. Engine and emission systems to be tuned to proper operating condition and operating per manufactures' specifications.
7. All water-cooled vehicles will have antifreeze protection to -35°F or to meet regional delivered levels.
8. Various sizes and types of single and dual-fuel tanks should be available depending on the fuel type and vehicle configuration ordered and must meet or exceed federal standards.

O. ALTERNATIVE FUEL VEHICLES

1. The Offeror is encouraged to offer alternative fuel vehicles to meet state and federal air standards.
2. For electric vehicles, the Offeror shall provide charging information and equipment.
3. Alternative fueled vehicles may operate on liquefied petroleum gas, natural gas, hydrogen, a blend of hydrogen with liquefied petroleum or natural gas, or bio diesel. As new technology introduces for other alternative fuels, these vehicles can be added to the contract if they can be licensed to operate in New Mexico.

P. BODIES AND UTILITY BED OPTIONS

1. The Offeror is encouraged to propose a full line of bodies for various member operations.
2. May include, but not be limited to: Stake beds, dump beds, lift beds, lift gates, water tanks, component body beds, service bodies, haulers, emergency service bodies (including police, fire, etc.), refuse disposal, roll-off, hazardous material (HazMat) related service beds/hauling, mounted cranes or booms, refrigerated box, box, or Member designed bed option.
3. Third-party equipment is permitted, and factory or dealer installed is preferred.
4. Bodies or utility beds offered may be hydraulically, mechanically, and/or electrically operated, powered by the vehicle's electrical supply, a power-take-off (PTO), independent or separate power source. PTO's shall be installed in accordance with vehicle manufacturer's recommendations.
5. In the event the factory installed vehicle electrical system requires modifications/upgrades to provide power to the optional utility bed, installing dealer shall ensure modifications/upgrades will be in accordance with the vehicle manufacturer's specifications, and not void the manufacturer's warranty.
6. Must be securely fastened to the basic vehicle structure and bolted securely through chassis rail flange as per chassis manufacturer design specifications.
7. Shall not exceed the manufacturer's vehicle load recommendations or the gross vehicle weight rating (GVWR). The factory-installed vehicle braking system shall meet or exceed the US Department of Transportation (USDOT) and New Mexico Department of Transportation (NMDOT) stopping requirements for the total vehicle GVWR.
8. All options provided shall comply with USDOT and NMDOT requirements for width, height, weight, lighting, safety, and other requirements for operation on city, and county roads, and state and federal highways. Vendor agrees to consult and provide CES Members or Participating Entities requirements and specifications for CES Members or Participating Entities designed bed options to comply with USDOT and NMDOT requirements.
9. Dealer shall supply to the CES Members or Participating Entities any USDOT and/or NMDOT certificates stating compliance for the vehicle, and/or utility bed installed on the vehicle, if applicable and/or required for registration and use on highways.

10. Upon request by the CES Members or Participating Entities prior to vehicle delivery, the dealer will assist CES Members or Participating Entities in obtaining or provide service to obtain any required vehicle inspections. Vehicle shall pass all required inspections prior to passing of vehicle title to Member/Participating Entity.

Q. BRAKES

1. Brakes should include, but not limited to, standard four-wheel hydraulic disc, air, antilock systems, engine and compression brake systems that are appropriate for the size of the vehicle.
2. Braking systems offered on vehicles offered shall comply with the minimum stopping distances as stated in USDOT, 49 CFR Part 571 Federal Motor Vehicle Safety Standards.
3. Air braking systems offered shall comply with USDOT, 49 CFR Part 571 Federal Motor Vehicle Safety Standards: Air Brake Systems.
4. Engine brakes may be offered as a vehicle braking option.

R. STEERING

1. OEM Power steering is required for all vehicles offered.
2. Steering shall incorporate an OEM factory installed tilt wheel and cruise control.

S. INSTRUMENTAL PANEL

1. The instrument panel shall have lamps sufficient to illuminate all instruments. All instruments shall be accessible for maintenance and repair and shall be mounted so that each instrument and all indicator lights are clearly visible to the driver. Chassis OEM gauges shall be used in the driver's instrument cluster. If OEM gauges are not available, then gauges of equality quality can be used. Lights in lieu of the listed gauges will not be acceptable.

T. BACK-UP WARNING DEVICE

1. Shall be waterproof that is readily audible outside each vehicle when the transmission is in reverse.
2. A rear obstacle detection system can be offered.

U. TWO-WAY RADIO AND ANTENNA PRE-WIRE

1. A two-way radio 12-volt DC supply, ground harness and cable conduit shall be installed in the driver's area.
2. Provide noise suppression due to alternator, lighting, engine or other source.

V. MIRRORS

1. The truck shall be equipped with a corrosion-resistant, outside rearview mirror on each side of the truck. The mirrors shall permit the operator to view the highway along both sides of the truck, including the rear wheels. The mirrors are to be designed in such a way that allows for firm attached to the truck to prevent vibration and loss of adjustment, but not losing the folding feature.

W. SUN VISOR

1. Windshield sun visor system shall be standard OEM chassis visor(s). Visors shall be shaped to minimize light leakage between the visor and windshield pillars. Visors shall store out of the way and shall not obstruct airflow from the climate control system or interfere with other equipment. Deployment of the visors shall not restrict vision of the rearview mirrors. Visor adjustments shall be made easily by hand. Sun visor construction and materials shall be strong enough to resist breakage during adjustments.

X. BUMPERS

1. The front bumpers shall be OEM standard design.

Y. EXHAUST

1. The exhaust system shall be OEM standard design properly installed with heat shields, baffles and vibration mounts as required.

Z. WHEELS AND TIRES

1. Tires will be as provided by the OEM or dealer and designed to meet or exceed the GVWR of the vehicle.
2. All tires shall be of the same brand and sized matched for the vehicle.
3. Vehicle wheels shall be sized according to OEM chassis specifications.
4. Steel or brass valve stems shall be used on all wheels with elbow extensions on the inside rear dual for access.
5. The combined load rating of the tires shall equal or exceed the GVWR of the vehicle.

AA. MUD FLAPS

1. The vehicle shall have commercial grade anti-sail mud flaps behind the front and rears wheels.
2. Will not have any visible imprinted logo or advertising.
3. Splash guards will be installed on all trucks and will be attached in a manner that prevents the splashing of mud or water on the windshield of other motor vehicles.
4. Extend to a length of not more than eight inches (8") from the ground, be wide enough to cover the full tread or treads of the tires being protected.
5. Be installed close enough to the tread surface of the tire or wheel to control the side throw of the bulk of the thrown road surface material.
6. Be attached in a manner that, regardless of movement either in the splash guards or the vehicle, the splash guards retain their general parallel relationship to the tread surface of the tire or wheel under all ordinary operating conditions.

BB. BATTERIES

1. To be provided per the design specification of the vehicle manufacturer to handle the requirements for the chassis, body and all accessories.
2. Battery cables installed shall be a continuous run and sized to match the electrical system's maximum current draw. Battery cables shall be color-coded and supported with rubber or plastic-coated clamps.

3. Batteries need to have a mechanism to securely hold down the battery to the battery tray.

CC. ALTERNATOR

A. OEM supplied of the highest rating available to handle the chassis, body and any accessories added by the manufacturer, dealer or body supplier.

DD. BODY

1. Corrosion Protection: Per OEM manufacturer's specifications.

EE. EXTERIOR LIGHTING

1. All lights for taillights, brake light, turn signal, back-up, collision avoidance lights and clearance marker lights shall be Light Emitting Diode (LED).
2. Daytime running lights can be offered if not a standard feature offered by the manufacturer.

FF. DRIVERS AREA

1. The driver's area shall consist of an ergonomically designed molded dash console, located conveniently to the driver's seated position and in full view of the driver.
2. Equipped with door pockets, full-width dual sun visors with elastic storage straps, wired for radio, area to mount a radio, storage area for logbook, column-mounted turn signals with flash-to-pass function.
3. All interior rearview mirrors will be day/night adjustable.
4. All vehicles will have dual windshield wipers with washers and left and right side outside mirrors. All truck mirrors will be heavy-duty, top of the line systems and meet federal and state size requirements.
5. Interiors must offer a choice between long-lasting vocational units equipped for hard and messy work and more deluxe interiors and seating.
6. All switches are to be properly labeled and illuminated.
7. Door activated dome lights are to be provided.
8. Tinted glass will comply with New Mexico state law at the time of order.

GG. SEATING

1. Various options and configuration need to be offered for driver and passenger seating with adjustable lumbar support.
2. All vehicles must have factory-installed seat belts. When possible, safety-belt pre-tensioners will be installed.

HH. PAINT AND TRIM

1. The color shall be standard colors offered from the OEM manufacturer. Custom paint colors can be Offeror as an option.
2. All exterior surfaces shall be smooth and free of wrinkles and dents.
3. Exterior surfaces to be painted shall be properly prepared as required by the paint system supplier.
4. Drilled holes and cutouts in exterior surfaces shall be made prior to cleaning, priming and painting to prevent corrosion.

5. To the degree consistent with industry standards for commercial vehicle finishes, painted surfaces shall have gloss and orange peel shall be minimized.
6. All exterior finished surfaces shall be impervious to diesel fuel, gasoline and commercial cleaning agents.
7. Paint shall be applied smoothly and evenly with the finished surface free of dirt and the following other imperfections:
   a. Blisters or bubbles appearing in the topcoat film
   b. Chips, scratches, or gouges of the surface finish
   c. Cracks in the paint film
   d. Craters where paint failed to cover due to surface contamination
   e. Over spray
   f. Peeling
   g. Runs or sags from excessive flow and failure to adhere uniformly to the surface
   h. Chemical stains and water spots

II. SAFETY EQUIPMENT

1. Shall at the minimum comply with FMCSR 393.95.

JJ. UNDERCOATING

1. Per OEM manufacturer's specifications.

KK. HEATING AND AIR CONDITIONING

1. Per OEM manufacturer's specifications.

LL. LICENSE PLATES

1. Provisions shall be made to mount standard size U.S. license plates per SAE J686 on the rear of the truck.

MM. OPTIONAL EQUIPMENT AND FEATURES

1. The Offeror is to provide a list of optional equipment and features that can be offered to customize the vehicle to meet the CES Members or Participating Entities needs, such as hydraulic and electric gate lifts, ramps, tow hooks, generators, lift buckets, power take off unit (PTO), ladder racks, wet unites, fire truck bodies, etc.
2. The Offeror will need to provide details on the process that will be used by CES Members or Participating Entities to identify the optional equipment and features and how they will be implemented in to the design of the vehicle.

NN. USED VEHICLES

1. Used vehicles may be offered under solicitation. Pricing shall be based upon Dealer acquisition price + cost to comply to Federal and NMDOT safety standards + vehicle service +transportation + dealer markup not to exceed a maximum of XX.XX% to arrive at Selling Price
2. According to the requirements for 13-1-155 A NMSA 1978, any used item of "… tangible personal property the estimated cost of which exceeds five thousand dollars ($5,000), …" requires at a minimum "… a written warranty for at least ninety days after date of delivery and an independent "certificate of working order" by a qualified mechanic or appraiser."

OO. REPLACEMENT PARTS

1. OEM or aftermarket parts approved by the OEM.
2. If aftermarket parts are provided for warranty repair, they must not void the manufactures warranty.

PP. Biodiesel and Alternative Fuel Systems Retrofit

1. Biodiesel and alternative fuel system kits and installations may be offered.
2. Biodiesel and alternative fuel system kits shall be installed in accordance with the kit manufacturer's instructions.
3. Biodiesel and alternative fuel systems shall not void vehicle manufacturer's engine or emission warranties.
4. All installed biodiesel or alternative fuel systems shall be warranted against defects and installation.

QQ. MEDIUM AND HEAVY-DUTY TRUCK REPAIR AND RELATED SPARE PARTS

1. Vendors may offer medium/heavy-duty truck parts, tires, and accessories. Service-related equipment (mechanics tool sets, jacks, equipment lifts, shop tools, etc.) will not be allowed under an awarded contract. However, specialty and/or proprietary tools or equipment directly related to a specific vehicle or optional utility bed and required for proper service, maintenance and operation of the specific vehicle, shall be allowed.
2. Safety equipment shall include, but not be limited to: first aid kits, daytime running lights, fire extinguishers, mirrors, strobe lights, and triangle kits. Servicing of safety equipment is requested.
3. Undercarriage and suspension parts shall include, but not be limited to; air bags, chassis springs, drag links, kingpin kits, power steering filters, shock absorbers, steering gear pumps and gears, and tie rod ends.
4. In vehicle monitoring systems and GPS tracking systems can be offered.
5. Brake and wheel end parts shall include, but not be limited to: air compressors and dryers, caliper kits, chambers, diaphragms, drums, master cylinders, brake pads and shoes, tube and tubeless rims, side and lock rims, rotors, wheel bearings, seals, discs, and spacers, slack adjusters, and steel brake tubing.
6. Electrical parts shall include, but not be limited to: alternators, auxiliary heaters, batteries, battery cables, heaters, and terminals, block heaters, circuit breakers, heater motors, horns, wire connectors, jumper cables, dome, security, marker, fog, and head lights, and various switches.
7. Exhaust parts shall include, but not be limited to: brackets, clamps, pipes and tubing.
8. Engine maintenance parts shall include, but not be limited to: charge air coolers, engine components, fans, filters, overhaul kits, radiators, thermostats, water pumps and other applicable maintenance parts.
9. Transmission, clutch and axle parts shall include, but not be limited to: center bearings, clutches, flywheels, manual and automatic transmissions, U-joints, yokes and repair kits.
10. Hood and cowl parts shall include, but not be limited to: big screens, fuel caps, hoods, instrument and panel gauges, and wiper blades.
11. Lubricants and chemicals shall include, but not be limited to: absorbents, antifreeze, brake and power steering fluids, cooling additives, fiberglass body filler, oil and grease, shop chemicals, paints, waxes, polishers, and cleaners, windshield washer fluids, and hand cleaners.

12. New tires offered shall be from known brands such as: Bridgestone, Firestone, Goodyear, Kelly, Michelin, Toyo, Yokohama, or equal. Bias Ply and Radial tires may be offered. Tires requiring tubes shall be installed with new tire tubes and flaps. New valve stems shall be installed on new tubeless tires. Used tires are not allowed. Retreaded tires that meet Federal requirement can be offered.
13. Remanufactured, recapped, or retread tires may be offered from known brands/manufacturers such as: Bandag, Chicago Tire Inc., Wilson Tire Company, or equal.

RR. SERVICES

1. Repair, maintenance and warranty repair services may be offered. Body repair services are requested. Specialty repairs may be performed by an authorized sublet repair facility.
2. Contract vendor offering warranty and/or out-of-warranty repair service under an awarded contract shall have only ASE-Certified Master Truck Equipment Technicians, or at a minimum technician with prior medium-heavy duty truck/bus experience in air brake systems, steering and suspension, to repair vehicles.
3. Warranty repairs shall only be performed by manufacturer authorized repair facilities for vehicles and/or optional installed equipment.
4. Tire repair and maintenance services may include, but not be limited to: balancing, re-grooving, rotating, patching, tube replacement, wheel stud replacement, etc.

SS. TRAINING

1. Training for maintenance staff on the proper service and repair of the vehicle and body.
2. Training for drivers on the proper and safe operation of the vehicle and body with special emphasis on how the emission control's function.

TT. PUBLICATIONS AND PRINTED MATERIALS

1. Each vehicle will have a complete set of operation, and warranty publications. The following shall be provided at time of delivery:
   a. Operation Manual: A complete operations manual and troubleshooting guide with a detailed manufacturer's parts list that covers the conversion features on the vehicle as listed in this specification. The manual will provide complete, comprehensive instructions to include but not limited to air conditioning systems, tie downs, heater, emissions, engine operations, lights, radio, wiring diagram and body modifications, accessories and related equipment.
   b. A complete schematic diagram of all hydraulic lines, air lines and electric circuits.
   c. Warranty Information: Each vehicle will have a published listing of contractor warranty repair locations, including address, telephone number, and contact name.

UU. ADDITIONS TO THE SCOPE OF WORK

Offerors who receive a contract as a result of this solicitation, and through the duration of the contract, may propose vehicles, equipment, products, and related services that were either inadvertently left out of this RFP, or are new technology. Such proposed items shall be submitted to CES for review and must remain consistent with the spirit of the RFP. Items approved shall be added to the contract through an amendment, mutually agreed upon by all parties to the contract.

Omissions in this proposal of any provision herein described shall not be construed as to relieve the vendor of any responsibility or obligation to the complete and satisfactory delivery, operation, and support of any and all equipment or services.

ATTACHMENT B
TO
ACCEPTANCE OF PROPOSAL AND OFFER
AND CONTRACT AWARD

PRICING

All pricing including updates/changes must be uploaded through the vendor portal in the eProcurement System for review and approval by CES.

A Price List/Pricing: The Offeror will upload through the vendor portal electronic copies of or provide electronic access to the approved current price list(s) for products and services offered under this solicitation (RFP) upon execution of this contract. The Offeror must keep current all pricing for any contract issued as a result of this solicitation. Should the Offeror fail to update pricing with CES, the Offeror shall honor their pricing on file with CES at the time of their quote submittal to the CES Member/Participating Entity. Discounts off the current price list are permitted and must remain firm throughout the life of the contract. Discount off list price must be clearly noted in the price quote to the member. All pricing must include the CES administration fee.

B New Technology and Products: New products or related services announced by manufacturer and/or Contractor may be added to this existing contract. Pricing shall be equivalent to the percentage discount of other product(s); is substantially superior to the original product(s) offered; is discounted in a similar or to a greater degree; and if the product(s) meet the requirements of the original RFP. No products may be added to avoid competitive procurement procedures. CES is responsible for approving any product, service or technology for this contract. CES can reject any approved additions, any new product, service or technology for this contract, without cause.

C Price Quote/Proposal: When preparing a quote/proposal under a CES awarded contract, the Offeror must clearly identify and break out quantities, descriptions, supplies, materials, equipment and services into individual line items as they appear on the Offeror's awarded price schedule or pricing methodology. At a minimum all quotes or proposals shall include the following: description, "hourly labor rate or the list/catalog unit price", "the per cent discount offered" and the final "CES price". All stated prices must include the CES one point two five percent (1.25%) administrative fee. Shipping/Freight costs and the New Mexico Gross Receipts Tax as applicable must be stated in separate lines.

D Price Reduction, Promotional and Special Pricing: A price reduction can be offered at any time and will become effective upon approval by CES. CES reserves the right to approve or disapprove such requests.

E Price Increases: Anytime during the life of the contract, pricing can be updated (increased/decreased) with proper justification letter from the manufacturer or distributor thereof and will become effective upon approval by CES. CES reserves the right to approve or disapprove

such requests.

F Price Surcharges: Depending on current market conditions, surcharges may apply as approved by CES.

ACX64 Class 8
Model Year 2026

Bruckner Truck Sales, Inc.
8101 Daytona Rd. NW

Subject: Fleet Approvals New Vehicle

T o whom it may concern,

I am writing to express that in the case of **ESD, Fire, Transit, Airport, Complete streets 1 ton and above**, I'm not required to review any of their purchases. This is because I don't over see their fleet or manage those assets.

Please reach out if you have any questions.

CITY OF SANTA FE

The Purchasing Memo

Date: November 18, 2025

To: Governing Body, Finance Committee, and Quality of Life Committee

Economic Development Advisory

From: Noah Tamas-Parris, Contracts Administrator NTP

Via: Johanna Nelson, Office of Economic Development Director JN

Subject: Amendment to General Plan Update Contract

Vendor Name: WSP USA Inc.

Munis Vendor Number: 2960

ITEM AND ISSUE:

The Office of Economic Development respectfully requests your review and approval of an Amendment No. 1 to Contract #3250006 with WSP USA Inc. for Updating the General Plan. Amendment No.1 increases the amount of compensation (to add an economic development strategic plan to the scope of work) by $150,000 for a total compensation of $2,037,871.87.

CONTRACT NUMBER:

The FY24 Munis contract number is #3250006

BACKGROUND AND SUMMARY:

In 2024, The Land Use Department entered into a contract with WSP USA Inc. to update the current general plan. This was filed with the Clerk's office as 24-0352. In the summer of 2025, The Office of Economic Development, with the Land Use Department's permission, began with the vendor to explore adding an economic development strategic plan to the original contract's Scope of Work. On September 19th, this Scope of Work addition was finalized that fit within our budget of $150,000 and we moved forward with the Land Use Department to amend the original contract to add this Economic Development Strategic Plan to the scope of work.

CITY OF SANTA FE, ECONOMIC DEVELOPMENT
AMENDMENT No. 1 TO
Contract # 3250006

General Plan Update Contract

This AMENDMENT No. 1 (the "Amendment") amends the CITY OF SANTA FE CONTRACT, dated May 31, 2024 (the "Contract"), between the City of Santa Fe (the "City") and WSP USA Inc. (the "Contractor"). The date of this Amendment shall be the date when it is executed by the City and the Contractor whichever occurs last.

RECITALS:

A. Under the terms of the Contract, Contractor has agreed to provide a comprehensive review and revision of the City of Santa Fe's General Plan.

B. Pursuant to Article 14 of the Contract, and for good and valuable consideration, the receipt and sufficiency of which are acknowledged by the parties, the City and the Contractor agree as follows:

1. SCOPE OF SERVICES

Article 1 of the Contract is amended to expand the scope of work to include the creation of an economic development plan for the City's Office of Economic Development. The contract has been amended, so that Article 1 reads as follows:

The Contractor shall facilitate a comprehensive review and revision of the City of Santa Fe's General Plan.

The Contractor shall provide the following services-for the City:

In response to RFP#24/20/P (Contract Exhibit 1), the Contractor proposes an alternative work plan

and modified process intended to provide an accelerated project timeline. The alternate process provided in the Contractor's Technical Proposal (Contract Exhibit 2) and Cost Proposal (Contract Exhibit 3) shall encompass all requested elements and shall be inclusive of services and work product deliverables detailed in the scope of work set forth in RFP #24/20/P.

The Contractor shall provide the following services, further described in the Contractor's Technical Proposal (Contract Exhibit 2) attached hereto, to the City as represented in their proposal to the City in response to RFP #24/20/P.

A. STEP 1 - Mobilization and Understanding

Approximately 9 months

Scope of work and deliverables:

1. Kickoff meeting and materials
2. Project management plan
3. Project SharePoint site
4. Digital User Platform development: Phase 4
5. Social Pinpoint Hub or other equivalent online civic engagement tool
6. Project communications brand, identity, supporting materials, and templates
7. Public Engagement Plan, inclusive of CHART and Midtown outreach considerations
8. Open house plans and materials, Community Conversation Kits, and other supporting public engagement materials in English and Spanish
9. Governance model
10. Administrative draft, public review draft and final assessment report completed in

two phases. **Phase 1** will document the analysis of existing conditions and trends. The draft report will be published on the project website for public comments and recommendations. **Phase 2** will incorporate the public engagement findings and the City's short-term and long-term needs and desires

B. STEP 2-Vison and Goals

Approximately 6 months

Scope of work and deliverables:

1. Public communications and engagement materials
2. Internal project team charrette to develop vision and goals
3. Administrative draft, public review draft and final vision statement
4. Administrative draft, public review draft and final goals
5. Place-type initial groups cross referenced to City's Land Development Code (LDC)
6. Digital User Platform development: Phase 2

C. STEP 3 - Scenario Planning

Approximately 6 months

Scope of work and deliverables:

1. Public communications and engagement materials
2. Scenario planning internal project team charrette
3. Place-type categories within each group identified in Step 2 coordinated with LDC
4. Six discussion draft scenario ideas for internal project team charrette
5. Three thematic, conceptual level scenarios with one-page briefer for each with characterization and comparative analysis: administrative review, public draft review and final

6. Digital User Platform development: Phase 3

D. STEP 4 - Development of Preferred Plan

Approximately 6 months

Scope of work and deliverables:

1. Administrative draft, public review draft and final General Plan document with appendices
2. Public communications and engagement materials
3. General Plan document outlining internal project team charrette
4. Complete draft of place-types categories within each group, coordinated with LDC
5. Digital User Platform development: Phase 4

E. STEP 5 - Work Program and Funding Plan

Approximately 3 Months

Scope of work and deliverables:

1. Internal project team charrette to outline the General Plan document
2. Public communications and engagement materials
3. Administrative governance policy and procedure
4. Administrative draft, public review draft and final implementation work program
5. Equitable project development and delivery guidelines
6. Digital User Platform development: Phase 5

F. STEP FORWARD - Governing Body Action & Implementation and Evaluation

Approximately 3 Months

Scope of work and deliverables:

1. Public communications and engagement materials

2. Internal charrette to prepare for final action on General Plan and preparatory implementation steps

3. One decision-maker briefing PowerPoint presentation for City staff to use in briefing decision-makers

4. One Planning Commission hearing and presentation

5. One Governing Body hearing and presentation

6. Digital User Platform development: Phase 6

G. STEP ONGOING - Administrative Coordination + Engagement and Communication

Scope of work and deliverables:

1. Biweekly team agenda and notes

2. Quarterly LDC update team agenda and notes

3. Monthly e-newsletter

4. Periodic social media posts

5. PowerPoint presentations for periodic Planning Commission and Governing body updates conducted by City staff, including Step stage gates

6. Monthly progress reports and invoices

Crosswalk illustrating Alternative Proposed Work Plan as compared to the RFP Scope of Work:

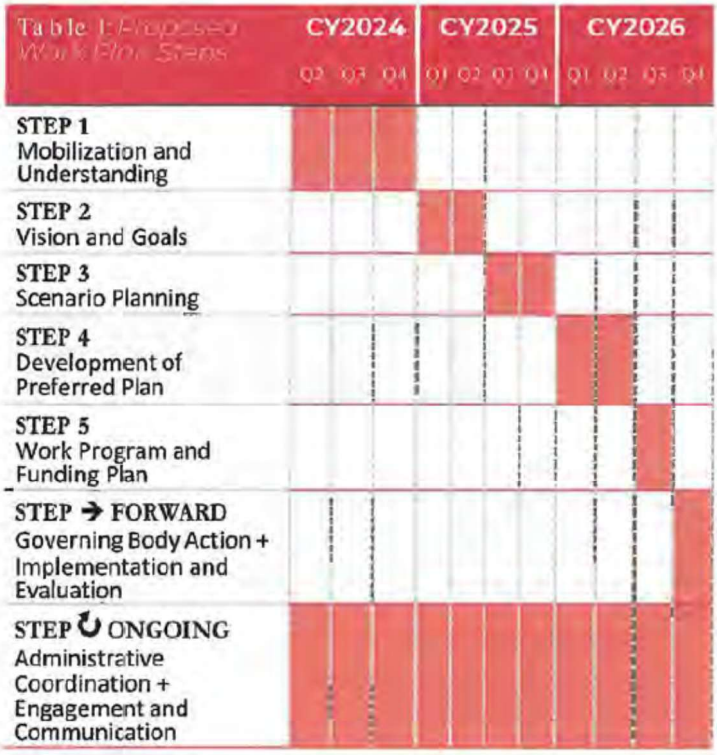

Table 2: Crosswalk to RFP Work Plan	Phase 1	Phase 2	Phase 3
STEP 1 Mobilization and Understanding	Task 1 Task 2 Task 3	Task 4 Task 5	
STEP 2 Vision and Goals			Task 7
STEP 3 Scenario Planning			Task 6
STEP 4 Development of Preferred Plan			Task 7
STEP 5 Work Program and Funding Plan			Task 8
STEP → FORWARD Governing Body Action + Implementation and Evaluation			Task 9
STEP ↻ ONGOING Administrative Coordination + Engagement and Communication	Task 1	Task 1 + Task 4	Task 1 + Task 4

In addition, the contractor shall create an economic development strategic plan for the City's Office of Economic Development as shown in attached Exhibit C.

2. COMPENSATION.

Article 3, paragraph A of the Contract is amended to increase the amount of compensation by a total of $150,000 for the Economic Development strategic plan as outlined in attached exhibit D. Article 3, paragraph A reads in its entirety as follows:

A. Payment.

A. The City shall pay the Contractor in full payment for services satisfactorily performed based upon deliverables detailed above, at the rate of ONE MILLION, EIGHT HUNDRED EIGHTY-THREE THOUSAND, SIX HUNDRED FORTY-EIGHT DOLLARS and

EIGHTEEN CENTS ($1,883,648.18), excluding gross receipts tax. The

New Mexico gross receipts tax levied at the rate of 8.1875% on the amounts payable under this Contract totaling ONE

HUNDRED FIFTY-FOUR THOUSAND, TWO HUNDRED TWENTY-THREE DOLLARS and SIXTY-NINE CENTS ($154,223.69) shall be paid by the City to the Contractor. The total amount payable to the Contractor under this Contract, including gross receipts tax and expenses, shall not exceed TWO MILLION, THIRTY-SEVEN THOUSAND, EIGHT HUNDRED SEVENTY-ONE DOLLARS and EIGHTY-SEVEN CENTS ($2,037,871.87). This amount is a maximum and not a guarantee that the work assigned to be performed by Contractor under this Contract shall equal the amount stated herein. The parties do not intend for the Contractor to continue to provide services without compensation when the total compensation amount is reached. Contractor is responsible for notifying the City when the services provided under this Contract reach the total compensation amount. In no event will the Contractor be paid for services provided in excess of the total compensation amount without this Contract being amended in writing prior to those services in excess of the total compensation amount being provided.

3. CONTRACT IN FULL FORCE.

Except as specifically provided in this Amendment, the Contract remains and shall remain in full force and effect, in accordance with its terms.

IN WITNESS WHEREOF, the parties have executed this Amendment No. 1 to the Contract as of the dates set forth below.

Santa Fe Economic Development Strategy: Scoping

DRAFT 18 September 2025

Project Understanding

The City recently commissioned a report from Ernst & Young analyzing the industry mix and overall economy of Santa Fe. That work, which relied on quantitative industry cluster analysis and stakeholder outreach, resulted in a set of industry targets and other recommendations intended to serve as a prelude to more in-depth strategy development, supported by additional analysis and focused engagement. A parallel effort is underway by the firm Motiva, designed to help the City strategically address its workforce development needs, with a broad scope but emphasis on underserved local populations.

In addition, as part of the *Santa Fe Forward* comprehensive plan update process, Leland Consulting Group ("Leland") just completed an assessment of past economic development strategy documents along with fresh analysis of trends and existing conditions related to employment, industry mix, commercial development, and other factors influencing Santa Fe's prospects for improved economic vitality.

Importantly, the New Mexico EDD recently completed its *2025 State Plan Update* to guide statewide economic development activity, including major policy recommendations related to data sharing and visualization, infrastructure investments promoting local site readiness across the state, guidelines for careful diversification away from extractive industries, and strategies for better leveraging federal funding. These policy initiatives, though broad and statewide, are ultimately geared towards improving economic improvement at the local level.

The effort proposed here is intended as a logical extension and complement to those efforts. The resulting consolidated strategic plan and implementation roadmap will serve as a long-overdue update to the 2004 plan of action to guide the Office of Economic Development in fostering economic vitality -- capitalizing on the strengths of Santa Fe to attract, expand, and retain quality firms and individuals, while removing barriers to business success and growth. While that plan needs to be grounded in a rigorous quantitative understanding of the industry structure of the city and the surrounding region, it should also acknowledge and creatively leverage the unique blend of attributes that have long given Santa Fe an economically valuable perceptual advantage.

Task 0: Kickoff and Internal Team Coordination

- Kickoff meetings with OED and other relevant City staff (including Mayor and other key leadership)
- Scope consensus-building: What do we want to get out of this?
- Ensuring formal roles for stakeholders without forming yet another steering committee.

Deliverable:

- Internal summary memo

Timing:

- 2-3 weeks

In-person site visit

Task 1: Coordination with Other Economic Development Organizations

Engage existing economic development stakeholder groups to inform them about this effort, ensure that the Santa Fe team is up to date on those organizations' recent and ongoing efforts, and explore potential additional engagement targets.

- NCNMEDD
- Regional Development Corporation (RDC)
- MRCOG
- Northern Area Local Workforce Development Board
- Tourism Santa Fe
- Santa Fe Chamber of Commerce
- State of NM Economic Development Department
- Other City boards and commissions with stake in economic development
- Many others (~30 stakeholder area groups in all)

Deliverable:

- Technical memo summarizing ongoing parallel efforts and roles across economic development organizations the region and state;

Timing:

- 2-3 weeks, including prep.

Virtual/in-person combo

Task 2: Community Engagement

- **Community survey**: work with project team to craft questionnaire(s) about perceptions of SF strengths and weaknesses, along with resident desires for specific areas of economic and commercial growth. Coordinate sampling and fielding efforts to sync with ongoing engagement/outreach activities in *Santa Fe Forward*.
- **Business/industry survey**: develop questionnaire(s) for members of the business community about SF strengths and weaknesses, desires for specific areas of economic and commercial growth, and with perceived barriers to successful operations and growth.
    - Both the community and business/industry survey engagement efforts will be fully bilingual in Spanish and English.

Deliverable:

- Questionnaire and sampling/fielding plan draft
- Memo summarizing survey findings (timing TBD)
- Full electronic database of survey responses

Timing:

- 4-5 weeks, including prep.; note that survey fielding will take longer -- running parallel to multiple subsequent tasks.

Task 3: Refinement of Industry/Cluster Targeting

- Conduct peer review of Ernst & Young analysis and findings relative to industry mix, clusters, and targeting. Preliminary recommendations from that study, shown below, include many targets related to those identified in the Santa Fe's prior economic development strategy (Angelou 2004) along with some additions and refinements.

Potential target industry (2025)		2004 strategy
Arts, design & media	Arts & culture	Arts and Culture
	Design	Design
	Film, TV, media	Publishing and New Media
Tourism, recreation & specialty consumer goods	Hospitality	Hospitality
	Specialty retail	Outdoor Gear and Apparel
	Specialty manufacturing	
Technology development	Software	Software Development
	Scientific R&D	Water Conservation and Clean Energy Technologies
Professional services		

DRAFT

Deliverable:

- Interim technical memo with summary of industry structure, trends, and targets

Timing:

- 4-5 weeks

No site visit

- Revisit and refine findings and recommendations from the E&Y study and from Leland's economic development chapter in the *Santa Fe Forward* Assessment Report.
- Examine the above Santa Fe-specific findings in the context of plans from broader geographies, with special emphasis on the *2025 State Plan Update* just completed by the New Mexico EDD to guide statewide economic development. Major strategic initiatives identified in that plan need to be directly and efficiently leveraged in Santa Fe's updated strategy.
- Gather and analyze information from national and regional industry publications within targeted sectors to better understand industry trends including evolving workforce, infrastructure, and space needs. (To be explored further in Task 4 outreach)

Task 4: Employer Engagement

- Engage with representatives of major private-sector employers in Santa Fe (and potentially elsewhere in the region) to discuss strengths, weaknesses, opportunities, and threats related to operating in Santa Fe.
- Topics of this outreach should include, but not be limited to:
    - growth prospects and what is currently "working" in terms of City policies, services, and investments
    - barriers to growth
    - emerging supply chain clusters
    - workforce development needs (education, training, etc.)
    - infrastructure requirements/desires (transportation, water, etc.)
    - public policy, including land use/zoning
- Some employers may have site-specific observations and concerns that involve City policies and priorities already being given consideration in the parallel *Santa Fe Forward* effort.

Deliverable:

- Technical memo on cluster/target analysis review with refined SWOT analysis based on employer engagement in combination with learning from prior tasks

Timing:

- 4-5 weeks

Multi-day in-person site visit

Task 5: Coordination, Engagement Related to Workforce Development

- Meet with Motiva to understand status/direction of their workforce development strategy efforts and share preliminary findings and recommendations.
- Meet with secondary and higher education (UNM, NMSU, SFCC, St. John's) representatives [particularly entrepreneurial programs within those].
    - Evaluate how an educational anchor could reinforce creative sector ecosystem and talent retention.
- Meet with other education/arts groups to explore local arts engagement programs as economic development tools. These conversations should be informed in part by the *2024 Creative Industries Study* completed for the New Mexico EDD.
- Analyze housing affordability and housing mix in relation to workforce development and recruiting goals. This analysis should be coordinated with housing-related analysis and recommendations emerging in the *Santa Fe Forward* effort.

Deliverable:

- Report on workforce development key findings and strategy implications

Timing:

- 4-5 weeks

In-person visit supplemented with remote interviews.

Task 6: Identification and Evaluation of Potential Opportunity Sites

- Meet with planning staff and coordinate with *Santa Fe Forward* future land use mapping effort to understand key remaining areas of potential growth (via either new development or re-development), with focus on areas of non-residential growth.
- Evaluate identified candidate areas relative to draft industry targets, employer outreach findings, and other input from prior tasks.
- Develop high-level strategic profiles and recommendations for promising catalyst areas of potential development.

Deliverable:

- Map(s) and technical memo with high-level strategic recommendations

Timing:

- 4-5 weeks

In-person visit supplemented

Task 7: Situational Analysis and Strategic Framework

- **Synthesize findings** from all previous tasks into a comprehensive assessment of Santa Fe's current economic position.
- Summarize **key challenges**, barriers, and constraints limiting and influencing economic growth for Santa Fe.
- Document specific **opportunities** emerging from industry analysis, stakeholder engagement, and site evaluation.
- Develop clear **problem statements** that connect community needs with economic development solutions.
- Present **integrated SWOT analysis** that builds on E&Y work but incorporates new insights from community and employer engagement.

Deliverable:

- Situational Analysis Report summarizing key challenges, opportunities, and strategic priorities identified through data analysis and stakeholder engagement

Timing:

- 3-4 weeks

Task 8: Draft Goals, Strategies, and Action Plan

- Translate the situational analysis and strategic framework into a limited set of (5 to 7) broad goals to guide how the Office of Economic Development can strengthen and diversify Santa Fe's economy.
- Break down each broad goal into a set of (2 to 5) more specific *strategies,* which will, in turn, be accompanied by a number of concrete *action* items written in the form of prioritized instructions that can be implemented by the OED and clearly identified partners.
- Through this process, we will move forward those project areas that are most critical to moving forward, and we may deemphasize those that, while important, simply cannot move forward immediately given higher priorities and organizational capacity.
- For each action item, we will assign:
    - a timeframe within the next five years
    - a rough order of magnitude cost estimate
    - the role of key implementing partners,
    - objective metrics and performance indicators that should be tracked to monitor progress and make adjustments,
    - other necessary notes attributes that will help translate the action plan into a practical day-to-day guide and work plan.
- At a minimum, we expect the strategy to address implementation in the following areas:
    - A refined set of **industry targets** and targeting-related guidelines
    - A clear statement of Santa Fe's **strategic differentiators**: perceptual advantages that should be intentionally leveraged
    - Identify **policies changes and investments** that directly **address and mitigate identified barriers** to business success, attraction, and retention in Santa Fe
    - Recommended policies and actions for how the OED can help to promote a better fit between Santa Fe's labor force and the city's **housing options**

Deliverable:

- Draft economic development strategy and action plan

Timing:

- 6-8 weeks

Work session can be combination remote/in-person

- High-level identification of, and recommendations for, **key opportunity sites/nodes/corridors** within Santa Fe that are closely tied to its economic development goals
- Policies and actions related to how the OED can contribute in a complementary role in support of industries and businesses dependent of visitors.
- **Workforce**: address ways to bolster the supply of well-qualified workers to support economic vitality across the board
- **Higher education**: recommendations for how OED, with the help of partners, can work towards attracting a significant campus presence in Santa Fe

- **Work Session**: Once the draft action plan is ready, we will review with OED and relevant City staff prior to scheduling a city council work session where we will present our findings and gather feedback.

Task 9: Final Strategy/Action Plan Document

- **Final Economic Development Strategic Action Plan**: We will take the feedback gathered from Task 5 and prepare a final report suitable for adoption or acceptance by the city council.
  - We expect the document to serve as both an internal resource and an external statement of Santa Fe's commitment to economic development. As such, it will be highly graphical, with significant use of maps, graphics, charts, and tables to make it readable and keep it brief.
  - Reporting and recommendations will be integrated with the *Santa Fe Forward Digital User Platform*.
- [optional] Develop stakeholder engagement plan to promote strategy adoption of findings/recommendations across a wider audience of key leadership and organizations.

Deliverable:

- Final economic development strategy and action plan

Timing:

- 3-4 weeks

In-person site visit for final presentations

September 19, 2025

Re: Contract #3204702 and Economic Development Strategy

Dear Johanna,

Thank you for allowing us to submit this cost proposal for the City of Santa Fe Economic Development Strategy, in conjunction with Leland Consulting Group and under the City of Santa Fe General Plan Update (Contract #3204702).

Based on the scope of work provided, we have developed a proposed cost in the amount of **$150,000.00,** which includes an estimated **New Mexico Gross Receipts Tax (8.1875%), of $11,352.00**, which is to be paid separately by the City of Santa Fe.

We are available to start work immediately upon receipt of a contract amendment and purchase order, or other mutually approved written Notice to Proceed. If you have any questions during your review of our cost proposal, please contact me (505-870-4449; nick.fazio@wsp.com). On behalf of WSP USA and Leland Consulting Group, thank you for the opportunity to continue our work for the City Different!

Sincerely,
WSP USA, Inc.

Nick Fazio
Assistant Vice President, Communications and Public Involvement
WSP USA, Inc.

Description of Services

A description of services and scope of work is provided as a separate attachment, dated September 18, 2025.

Costs and Schedule

WSP proposes to provide these services on a lump sum basis for a total of **$138,648.00,** not including applicable New Mexico Gross Receipts Tax of **$11,352.00**, which is to be paid separately by the City of Santa Fe. This brings the total cost to **$150,000.00.**

Scope Item	Hours	Not to Exceed Price
Labor		
Task 0: Kickoff and Internal Team Coordination	48	$8,360.00
Task 1: Coordination w/ Other Economic Development Orgs.	58	$9,516.00
Task 2: Community Engagement	182	$23,041.00
Task 3: Refinement of Industry/Cluster Targeting	43	$8,240.00
Task 4: Employer Engagement	66	$10,716.00
Task 5: Coordination/Engagement Related to Workforce Dev.	63	$10,047.00
Task 6: Identification/Evaluation of Potential Opportunity Sites	41	$8,135.00
Task 7: Situational Analysis and Strategic Framework	64	$12,515.00
Task 8: Draft Goals, Strategies, and Action Plan	121	$24,156.00
Task 9: Final Strategy and Action Plan Document	70	$13,815.00
Subtotal	**756**	**$128,541.00**
Direct Expenses (no mark-up)		
Mileage Reimbursement		$427.00
Travel expenses		$9,380.00
Vehicle charges		$300.00
Subtotal		**$138,648.00**
NMGRT @ 8.1875%		$11,352.00
Total		**$150,000.00**

CITY OF SANTA FE
PLANNING & LAND USE

DATE: May 16, 2024

TO: Mayor Webber and City Council
Finance and Quality of Life Committees

VIA: Emily Oster, Finance Department Director
Travis Dutton-Leyda, Chief Procurement Officer
Rich Brown, Community Development Department Director
Jason Kluck, Planning & Land Use Department Director jmk

FROM: Heather L. Lamboy, AICP, Assistant Director, Planning & Land Use Department HLL

SUBJECT: General Plan Update Contract

VENDOR: WSP USA, Inc.

ITEM AND ISSUE

Request for Approval of a Professional Services Agreement with WSP USA, Inc, to Update the General Plan and Create a Digital User Platform In the Total Amount of $1,887,871.87, Inclusive of NMGRT for a Four Your Term.

BACKGROUND AND SUMMARY

The General Plan is adopted by resolution and is the comprehensive planning document that sets the City of Santa Fe's (City's) official policies guiding the long-ranging planning of physical growth, community development, and public services, as well as the City's goals for subjects including equity, inclusion, sustainability, affordability, and mobility. The General Plan is composed of several chapters, each focusing on specific topics related to the planning and development of the city. The goals and objectives of each chapter are used to set City policy and are implemented through the City's Code of Ordinances, regulating documents such as the Future Land Use Map, comprehensive planning efforts, and other mechanisms.

The last comprehensive update of the currently adopted General Plan was in 1999, after several years of community engagement, research, and drafting. Since 1999, the city has seen significant population growth, infrastructure and sustainability concerns and economic fluctuations, and thus much of the data supporting the 1999 plan is now out of date. Additionally, realignment with the City's Capital Improvement Plan is needed. Finally, it should be acknowledged that 20-25 years is generally considered to be the lifespan of a city-wide plan such as Santa Fe's General Plan.

This contract proposes that the process for the General Plan Update be informed by a robust community conversation addressing the issues raised by the Governing Body, the associated recommendations in

the Governing Body resolution that was approved on March 24, 2023, and other recommendations and subject matter for consideration as identified, such as growth planning and management, mobility and accessibility, adaptability, resiliency and sustainability, inclusion and equity, and economic strength and opportunity. Furthermore, the contract calls for staff and the consultant to undertake efforts to evaluate the 1999 plan to identify its strengths and deficiencies. This will help ensure that proposed policies are informed by the successes and beneficial outcomes, as well as the shortcomings, of the current plan and will best address the needs of the Santa Fe community.

Included in the scope of work is the development of a digital platform that will not only provide information on the General Plan Update process, but also the Zoning Code update process, community engagement associated with both projects, and a robust Geographic Information Systems (GIS) platform where community members can access information on subdivision plats, development plans, special use approvals, historic preservation inventory forms, building permits, and much more. The development of this platform will provide more accessible information which could assist in reducing the overall number of public information (IPRA) requests.

The consultant offered an accelerated Work Plan that will shorten the duration of the update project. The intent of this accelerated pace is to ensure that the General Plan aligns with Phase 3 of the Land Development Code update, where the consultants of the two projects will review the draft General Plan and Land Development Code updates to ensure consistency between the two documents.

Crosswalk illustrating Alternative Proposed Work Plan as compared to the RFP Scope of Work:

Table 1: Proposed Work Plan Steps	CY2024 Q3 Q4	CY2025 Q1 Q2 Q3 Q4	CY2026 Q1 Q2 Q3 Q4
STEP 1 Mobilization and Understanding			
STEP 2 Vision and Goals			
STEP 3 Scenario Planning			
STEP 4 Development of Preferred Plan			
STEP 5 Work Program and Funding Plan			
STEP → FORWARD Governing Body Action + Implementation and Evaluation			
STEP ↻ ONGOING Administrative Coordination + Engagement and Communication			

Table 2: Crosswalk to RFP Work Plan	Phase 1	Phase 2	Phase 3
STEP 1 Mobilization and Understanding	Task 1 Task 2 Task 3	Task 4 Task 5	
STEP 2 Vision and Goals			Task 7
STEP 3 Scenario Planning			Task 6
STEP 4 Development of Preferred Plan			Task 7
STEP 5 Work Program and Funding Plan			Task 8
STEP → FORWARD Governing Body Action + Implementation and Evaluation			Task 9
STEP ↻ ONGOING Administrative Coordination + Engagement and Communication	Task 1	Task 1 + Task 4	Task 1 + Task 4

Given these considerations, the Planning and Land Use Department seeks to contract approval for consulting services for an update of the City's General Plan. This RFP will include a detailed project

description and scope of work for the General Plan update. The consultant(s) will be selected based on their proposals, experience and estimated budget.

New Mexico Statutes 1978, Chapter 3, Article 19, Planning and Platting and Article 21, Zoning Regulations, outline the City's responsibility to adopt a "master plan", also referred to as a "comprehensive plan". For consistency's sake, this memo and the resolution for the RFP refer to the City's "General Plan," instead of a "master plan" or "comprehensive plan," as the document under consideration.

CITY OF SANTA FE

PROFESSIONAL SERVICES CONTRACT

THIS CONTRACT is made and entered into by and between the City of Santa Fe, New Mexico, hereinafter referred to as the "City," and **WSP USA Inc**, hereinafter referred to as the "Contractor," and is effective as of the date set forth below upon which it is executed by the Parties.

RECITALS

WHEREAS, the Chief Procurement Officer of the City has made the determination that this Agreement is in accordance with the provisions of the New Mexico Procurement Code (NMSA 1978, 13-1-28 et seq.) pursuant to NMSA 1978, section 13-1-111 and

WHEREAS, the Contractor is one of such requisite and qualifications and is willing to engage with the City for professional services, in accordance with the terms and conditions hereinafter set out, and the Contractor understanding and consenting to the foregoing is willing to render such professional services as outlined in the Agreement; and

The City and the Contractor hereby agree as follows:

1. Scope of Work

The Contractor shall facilitate a comprehensive review and revision of the City of Santa Fe's General Plan. The Contractor shall provide the following services-for the City:

In response to RFP#24/20/P (Contract Exhibit 1), the Contractor proposes an alternative work plan and modified process intended to provide an accelerated project timeline. The alternate process provided in the Contractor's Technical Proposal (Contract Exhibit 2) and Cost Proposal (Contract Exhibit 3) shall encompass all requested elements and shall be inclusive of services and work product deliverables detailed in the scope of work set forth in RFP #24/20/P.

The Contractor shall provide the following services, further described in the Contractor's Technical Proposal (Contract Exhibit 2) attached hereto, to the City as represented in their proposal to the City in response to RFP #24/20/P.

STEP 1 – Mobilization and Understanding
Approximately 9 months

Scope of work and deliverables:

1. Kickoff meeting and materials
2. Project management plan
3. Project SharePoint site

4. Digital User Platform development: Launch Phase
5. Social Pinpoint Hub or other equivalent online civic engagement tool
6. Project communications brand, identity, supporting materials, and templates
7. Public Engagement Plan, inclusive of CHART and Midtown outreach considerations
8. Open house plans and materials, Community Conversation Kits, and other supporting public engagement materials in English and Spanish
9. Governance model
10. Administrative draft, public review draft and final assessment report completed in two phases. **Phase 1** will document the analysis of existing conditions and trends. The draft report will be published on the project website for public comments and recommendations. **Phase 2** will incorporate the public engagement findings and the City's short-term and long-term needs and desires

STEP 2 – Vison and Goals
Approximately 6 months

Scope of works and deliverables:

1. Public communications and engagement materials
2. Internal project team charrette to develop vision and goals
3. Administrative draft, public review draft and final vision statement
4. Administrative draft, public review draft and final goals
5. Place-type initial groups cross referenced to City's Land Development Code (LDC)
6. Digital User Platform development: Phase 2

STEP 3 – Scenario Planning
Approximately 6 months

Scope of work and deliverables:

1. Public communications and engagement materials
2. Scenario planning internal project team charrette
3. Place-type categories within each group identified in Step 2 coordinated with LDC
4. Six discussion draft scenario ideas for internal project team charrette
5. Three thematic, conceptual level scenarios with one-page briefer for each with characterization and comparative analysis: administrative review, public draft review and final
6. Digital User Platform development: Phase 3

STEP 4 – Development of Preferred Plan
Approximately 6 months

Scope of work and deliverables:

1. Administrative draft, public review draft and final General Plan document with appendices
2. Public communications and engagement materials
3. General Plan document outlining internal project team charrette

4. Complete draft of place-types categories within each group, coordinated with LDC
5. Digital User Platform development: Phase 4

STEP 5 – Work Program and Funding Plan
Approximately 3 Months

Scope of work and deliverables:

1. Internal project team charrette to outline the General Plan document
2. Public communications and engagement materials
3. Administrative governance policy and procedure
4. Administrative draft, public review draft and final implementation work program
5. Equitable project development and delivery guidelines
6. Digital User Platform development: Phase 5

STEP FORWARD - Governing Body Action & Implementation and Evaluation
Approximately 3 Months

Scope of work and deliverables:

1. Public communications and engagement materials
2. Internal charrette to prepare for final action on General Plan and preparatory implementation steps
3. One decision-maker briefing PowerPoint presentation for City staff to use in briefing decision-makers
4. One Planning Commission hearing and presentation
5. One Governing Body hearing and presentation
6. Digital User Platform development: Phase 6

STEP ONGOING - Administrative Coordination + Engagement and Communication

Scope of work and deliverables:

1. Biweekly team agenda and notes
2. Quarterly LDC update team agenda and notes
3. Monthly e-newsletter
4. Periodic social media posts
5. PowerPoint presentations for periodic Planning Commission and Governing body updates conducted by City staff, including Step stage gates
6. Monthly progress reports and invoices

2. **Standard of Performance; Licenses**

A. The Contractor does hereby accept its designation as a professional service, rendering services related to the General Plan Update for the City, as set forth in this Agreement. The Contractor represents that Contractor possesses the personnel, experience, and knowledge necessary to perform the services described under this Contract.

B. The Contractor agrees to obtain and maintain throughout the term of this Contract, all applicable professional and business licenses required by law, for itself, its employees, agents, representatives, and subcontractors.

3. **Compensation**

A. The City shall pay to the Contractor in full payment for services satisfactorily performed based upon deliverables detailed above, such compensation not to exceed ONE MILLION, SEVEN HUNDRED FORTY-FIVE THOUSAND DOLLARS ($1,745,000), excluding gross receipts tax. The New Mexico gross receipts tax levied on the amounts payable under this Contract totaling ONE HUNDRED FOURTY-TWO THOUSAND, EIGHT HUNDRED SEVENTY-ONE DOLLARS and EIGHTY-SEVEN CENTS ($142,871.87) shall be paid by the City to the Contractor. The total amount payable to the Contractor under this Contract, including gross receipts tax and expenses, shall not exceed ONE MILLION, EIGHT HUNDRED EIGHTY-SEVEN THOUSAND, EIGHT HUNDRED SEVENTY-ONE DOLLARS and EIGHTY-SEVEN CENTS ($1,887,871.87). This amount is a maximum and not a guarantee that the work assigned to be performed by Contractor under this

Contract shall equal the amount stated herein. The parties do not intend for the Contractor to continue to provide services without compensation when the total compensation amount is reached. Contractor is responsible for notifying the City when the services provided under this Contract reach the total compensation amount. In no event will the Contractor be paid for services provided in excess of the total compensation amount without this Contract being amended in writing prior to those services in excess of the total compensation amount being provided.

Contractor's Cost Proposal (Contract Exhibit 3) outlines annual funding required to adhere to the project schedule (Proposed Work Plan Steps) presented in the Technical Proposal (Contract Exhibit 2).

B. Payment is subject to availability of funds pursuant to the Appropriations Paragraph set forth below and to any negotiations between the parties from year to year pursuant to Paragraph 1, Scope of Work, and to approval by the City. All invoices MUST BE received by the City no later than thirty 30) days after the termination of the Fiscal Year in which the services were delivered. Invoices received after such date WILL NOT BE PAID.

C. Payment in future fiscal years is subject to availability of funds pursuant to the Appropriations Paragraph set forth below and to any negotiations between the parties from year to year pursuant to Paragraph 1, Scope of Work, and to approval by the City. All invoices MUST BE received by the City no later than fifteen (15) days after the termination of the Fiscal Year in which the services were delivered. Invoices received after such date WILL NOT BE PAID.)

D. Contractor must submit a detailed statement accounting for all services performed and expenses incurred. If the City finds that the services are not acceptable, within thirty days after the date of receipt of written notice from the Contractor that payment is requested, it shall provide the Contractor a letter of exception explaining the defect or objection to the services, and outlining steps the Contractor may take to provide remedial action. Upon certification by the City that the services have been received and accepted, payment shall be tendered to the Contractor within thirty days after the date of acceptance. If payment is made by mail, the payment shall be deemed tendered on the date it is postmarked.

E. If the City fails to pay the contractor within twenty-one days after receipt of an undisputed request for payment, the City shall pay interest to the contractor beginning on the twenty-second day after payment was due, computed at one and one-half percent of the undisputed amount per month or fraction of a month until the payment is issued. If the City receives an improperly completed invoice, the City shall notify the sender of the invoice within seven days of receipt in what way the invoice is improperly completed, and the owner has no further duty to pay on the improperly completed invoice until it is resubmitted as complete.

F. **Notice of Extended Payment Provision For Grant Funded Contracts**. This contract allows the owner to make payment within 45 days after submission of an undisputed request for payment.

4. Term

THIS CONTRACT SHALL NOT BECOME EFFECTIVE UNTIL APPROVED BY THE CITY. This Contract shall terminate **four (4) years from date of final signature** unless terminated pursuant to paragraph 5 (Termination), or paragraph 6 (Appropriations).

5. Termination

A. Grounds. The City may terminate this Agreement for convenience or cause. For contracts within their authority, the City Manager or their designee is authorized to provide the notice of termination, otherwise such notice of termination shall be provided by the Mayor or their designee as authorized by the Governing Body. The Contractor may only terminate this Agreement based upon the City's uncured, material breach of this Agreement.

B. Notice; City Opportunity to Cure.

1) The City shall give Contractor written notice of termination at least thirty (30) days prior to the intended date of termination.

2) Contractor shall give City written notice of termination at least thirty (30) days prior to the intended date of termination, which notice shall (i) identify all the City's material breaches of this Agreement upon which the termination is based and (ii) state what the City must do to cure such material breaches. Contractor's notice of termination shall only be effective (i) if the City does not cure all material breaches within the thirty (30) day notice period or (ii) in the case of material breaches that cannot be cured within thirty (30) days, the City does not, within the thirty (30) day notice period, notify the Contractor of its intent to cure and begin with due diligence to cure the material breach.

3) Notwithstanding the foregoing, this Agreement may be terminated immediately upon written notice to the Contractor (i) if the Contractor becomes unable to perform the services contracted for, as determined by the City; (ii) if, during the term of this Agreement, the Contractor is suspended or debarred by the City; or (iii) the Agreement is terminated pursuant to Paragraph 6, "Appropriations", of this Agreement.

C. Liability. Except as otherwise expressly allowed or provided under this Agreement, the City's sole liability upon termination shall be to pay for acceptable work performed prior to the Contractor's receipt or issuance of a notice of termination; provided, however, that a notice of termination shall not nullify or otherwise affect either party's liability for pre-termination defaults under or breaches of this Agreement. The Contractor shall submit an invoice for such work within thirty (30) days of receiving or sending the notice of termination. *THIS PROVISION IS NOT EXCLUSIVE AND DOES NOT WAIVE THE CITY'S OTHER LEGAL RIGHTS AND REMEDIES CAUSED BY THE CONTRACTOR'S DEFAULT/BREACH OF THIS AGREEMENT.*

6. Appropriations

The terms of this Contract are contingent upon sufficient appropriations and authorization being made by the Governing Body for the performance of this Contract. If sufficient appropriations and authorization are not made by the Governing Body, this Contract shall terminate immediately upon written notice being given by the City to the Contractor. The City's decision as to whether sufficient appropriations are available shall be accepted by the Contractor and shall be final. If the City proposes an amendment to the Contract to unilaterally reduce funding, the Contractor shall have the option to terminate the Contract or to agree to the reduced funding, within thirty (30) days of receipt of the proposed amendment.

7. Status of Contractor

The Contractor and its agents and employees are independent contractors performing professional services for the City and are not employees of the City. The Contractor and its agents and employees shall not accrue leave, retirement, insurance, bonding, use of City vehicles, or any other benefits afforded to employees of the City as a result of this Contract. The Contractor acknowledges that all sums received hereunder are reportable by the Contractor for tax purposes, including without limitation, self-employment and business income tax. The Contractor agrees not to purport to bind the City unless the Contractor has express written authority to do so, and then only within the strict limits of that authority.

8. Assignment

The Contractor shall not assign or transfer any interest in this Contract or assign any claims for money due or to become due under this Contract without the prior written approval of the City.

9. Subcontracting

The Contractor shall not subcontract any portion of the services to be performed under this Contract without the prior written approval of the City. No such subcontract shall relieve the primary Contractor from its obligations and payment liabilities under this Contract, nor shall any subcontract obligate direct payment from the City.

10. Release

Final payment of the amounts due under this Contract shall operate as a release of the City, its officers and employees from all liabilities, claims and obligations whatsoever arising from or under this Contract.

11. Confidentiality

Any confidential information provided to or developed by the Contractor in the performance of this Contract shall be kept confidential and shall not be made available to any individual or organization by the Contractor without the prior written approval of the City.

12. Product of Service -- Copyright

All materials developed or acquired by the Contractor under this Contract shall become the property of the City and shall be delivered to the City no later than the termination date of this Contract. Nothing developed or produced, in whole or in part, by the Contractor under this Contract shall be the subject of an application for copyright or other claim of ownership by or on behalf of the Contractor.

13. Conflict of Interest; Governmental Conduct Act

A. The Contractor represents and warrants that it presently has no interest and, during the term of this Contract, shall not acquire any interest, direct or indirect, which would conflict in any manner or degree with the performance or services required under the Contract.

B. The Contractor further represents and warrants that it has complied with, and, during the term of this Contract, will continue to comply with, and that this Contract complies with all applicable provisions of the Governmental Conduct Act, Chapter 10, Article 16 NMSA 1978.

C. Contractor's representations and warranties in Paragraphs A and B of this Article are material representations of fact upon which the City relied when this Contract was entered into by the parties.

Contractor shall provide immediate written notice to the City if, at any time during the term of this Contract, Contractor learns that Contractor's representations and warranties in Paragraphs A and B of this Article were erroneous on the effective date of this Contract or have become erroneous by reason of new or changed circumstances. If it is later determined that Contractor's representations and warranties in Paragraphs A and B of this Article were erroneous on the effective date of this Contract or have become erroneous by reason of new or changed circumstances, in addition to other remedies available to the City and notwithstanding anything in the Contract to the contrary, the City may immediately terminate the Contract.

D. All terms defined in the Governmental Conduct Act have the same meaning in this section.

14. Amendment

A. This Agreement shall not be altered, changed, or amended except by instrument in writing executed by the parties hereto and all other required signatories.

B. If the City proposes an amendment to the Contract to unilaterally reduce funding due to budget or other considerations, the Contractor shall, within thirty (30) days of receipt of the proposed Amendment, have the option to terminate the Contract, pursuant to the termination provisions as set forth in Article 4 herein, or to agree to the reduced funding.

15. Entire Agreement.

This Agreement, together with any other documents incorporated herein by reference and all related Exhibits and Schedules constitutes the sole and entire agreement of the Parties with respect to the subject matter of this Agreement, and supersedes all prior and contemporaneous understandings, agreements, representations, and warranties, both written and oral, with respect to the subject matter. In the event of any inconsistency between the statements in the body of this Agreement, and the related Exhibits and Schedules, the statements in the body of this Agreement shall control.

16. Merger

This Contract incorporates all the Agreements, covenants and understandings between the parties hereto concerning the subject matter hereof, and all such covenants, agreements, and understandings have been merged into this written contract. All terms and conditions of RFP #24/20/P and the Contractor's response to such document(s) are incorporated herein by reference and is included in the order of precedence.

No prior Agreement or understanding, oral or otherwise, of the parties or their agents shall be valid or enforceable unless embodied in this Contract.

17. Penalties for violation of law

NMSA 1978, sections 13-1-28 through 13-1-199, imposes civil and criminal penalties for its violation. In addition, the New Mexico criminal statutes impose felony penalties for illegal bribes, gratuities, and kickbacks.

18. Equal Opportunity Compliance

The Contractor agrees to abide by all federal and state laws and rules and regulations, and Santa Fe City Code, pertaining to equal employment opportunity. In accordance with all such laws of the State of New Mexico, the Contractor assures that no person in the United States shall, on the grounds of race, religion, color, national origin, ancestry, sex, age, physical or mental handicap, or serious medical condition, spousal affiliation, sexual orientation or gender identity, be excluded from employment with or participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity performed under this Contract. If Contractor is found not to be in compliance with these requirements during the life of this Contract, Contractor agrees to take appropriate steps to correct these deficiencies.

19. Applicable Law

The laws of the State of New Mexico shall govern this Contract, without giving effect to its choice of law provisions. Venue shall be proper only in a New Mexico court of competent jurisdiction in accordance with NMSA 1978, section 38-3-2. By execution of this Contract, Contractor acknowledges and agrees to the jurisdiction of the courts of the State of New Mexico over any and all lawsuits arising under or out of any term of this Contract.

20. Workers Compensation

The Contractor agrees to comply with state laws and rules applicable to workers compensation benefits for its employees. If the Contractor fails to comply with the Workers Compensation Act and applicable rules when required to do so, this Contract may be terminated by the City.

21. Professional Liability Insurance

Contractor shall maintain professional liability insurance throughout the term of this Contract providing a minimum coverage in the amount required under the New Mexico Tort Claims Act. The Contractor shall furnish the City with proof of insurance of Contractor's compliance with the provisions of this section as a condition prior to performing services under this Contract.

22. Other Insurance

If the services contemplated under this Contract will be performed on or in City facilities or property, Contractor shall maintain in force during the entire term of this Contract, the following insurance coverage(s), naming the City as additional insured.

A. **Commercial General Liability** insurance shall be written on an occurrence basis and be a broad as ISO Form CG 00 01 with limits not less than $2,000,000 per occurrence and $2,000,000 in the aggregate for claims against bodily injury, personal and advertising injury, and property damage. Said policy shall include broad form Contractual Liability coverage and be endorsed to name the City of Santa Fe their officials, officers, employees, and agents as additional insureds.

B. **Broader Coverage and Limits**. The insurance requirements under this Contract shall be the greater of (1) the minimum coverage and limits specified in this Contract, or (2) the broader coverage and maximum limits of coverage of any insurance policy or proceeds available to the Named Insured. It is agreed that these insurance requirements shall not in any way act to reduce coverage that is broader or that includes higher limits than the minimums required herein. No representation is made that the minimum insurance requirements of this Contract are sufficient to cover the obligations of Contractor hereunder.

C. Contractor shall maintain the above insurance for the term of this Contract and name the City as an additional insured and provide for 30 days cancellation notice on any Certificate of Insurance form furnished by Contractor. Such certificate shall also specifically state the coverage provided under the policy is primary over any other valid and collectible insurance and provide a waiver of subrogation.

23. Records and Financial Audit

The Contractor shall maintain detailed time and expenditure records that indicate the date; time, nature and cost of services rendered during the Contract's term and effect and retain them for a period of three (3) years from the date of final payment under this Contract. The records shall be subject to inspection by the City. The City shall have the right to audit billings both before and after payment. Payment under this Contract shall not foreclose the right of the City to recover excessive or illegal payments.

24. Indemnification

The Contractor shall defend, indemnify and hold harmless the City from all actions, proceeding, claims, demands, costs, damages, attorneys' fees and all other liabilities and expenses of any kind from any source which may arise out of the performance of this Contract, caused by the negligent act or failure to act of the Contractor, its officers, employees, servants, subcontractors or agents, or if caused by the actions of any client of the Contractor resulting in injury or damage to persons or property during the time when the Contractor or any officer, agent, employee, servant or subcontractor thereof has or is performing services pursuant to this Contract. If any action, suit or proceeding related to the services performed by the Contractor or any officer, agent, employee, servant or subcontractor under this Contract is brought against the Contractor, the Contractor shall, as soon as practicable but no later than two (2) days after it receives notice thereof, notify the legal counsel of the City.

25. New Mexico Tort Claims Act

Any liability incurred by the City of Santa Fe in connection with this Contract is subject to the immunities and limitations of the New Mexico Tort Claims Act, Section 41-4-1, et. seq. NMSA 1978, as amended. The City and its "public employees" as defined in the New Mexico Tort Claims Act, do not waive sovereign immunity, do not waive any defense and do not waive any limitation of liability pursuant to law. No provision in this Contract modifies or waives any provision of the New Mexico Tort Claims Act.

26. Invalid Term or Condition

If any term or condition of this Contract shall be held invalid or unenforceable, the remainder of this Contract shall not be affected and shall be valid and enforceable.

27. Enforcement of Contract

A party's failure to require strict performance of any provision of this Contract shall not waive or diminish that party's right thereafter to demand strict compliance with that or any other provision. No waiver by a party of any of its rights under this Contract shall be effective unless express and in writing, and no effective waiver by a party of any of its rights shall be effective to waive any other rights.

28. Notices

Any notice required to be given to either party by this Contract shall be in writing and shall be

delivered in person, by courier service or by U.S. mail, either first class or certified, return receipt requested, postage prepaid, as follows:

To the City: Heather Lamboy, Procurement Manager, City of Santa Fe
200 Lincoln Ave, Box 909
Santa Fe, NM 87504-0909
hllamboy@santafenm.gov

To the Contractor: WSP USA Inc.
Daniel Sims, Senior Vice President
2440 Louisiana Blvd NE, Suite 400
Albuquerque, NM 87110
dan.sims@wsp.com

29. Authority

If Contractor is other than a natural person, the individual(s) signing this Contract on behalf of Contractor represents and warrants that he or she has the power and authority to bind Contractor, and that no further action, resolution, or approval from Contractor is necessary to enter a binding contract.

30. Non-Collusion

In signing this Agreement, the Contractor certifies the Contractor has not, either directly or indirectly, entered into action in restraint of free competitive bidding in connection with this offer submitted to the City's Chief Procurement Officer.

31. Default/Breach

In case of Default and/or Breach by the Contractor, for any reason whatsoever, the City may procure the goods or services from another source and hold the Contractor responsible for any resulting excess costs and/or damages, including but not limited to, direct damages, indirect damages, consequential damages, special damages, and the City may also seek all other remedies under the terms of this Agreement and under law or equity.

32. Equitable Remedies

The Contractor acknowledges that its failure to comply with any provision of this Agreement will cause the City irrevocable harm and that a remedy at law for such a failure would be an inadequate remedy for the City, and the Contractor consents to the City 's obtaining from a court of competent jurisdiction, specific performance, or injunction, or any other equitable relief in order to enforce such compliance. The City's rights to obtain equitable relief pursuant to this Agreement shall be in addition to, and not in lieu of, any other remedy that the City may have under applicable law, including, but not limited to, monetary damages.

33. Default and Force Majeure

The City reserves the right to cancel all, or any part of any orders placed under this Agreement without cost to the City, if the Contractor fails to meet the provisions of this Agreement and, except as otherwise provided herein, to hold the Contractor liable for any excess cost occasioned by the City due to the Contractor's default. The Contractor shall not be liable for any excess costs if failure to perform the order arises out of causes beyond the control and without the fault or negligence of the Contractor; such causes include, but are not restricted to, acts of God or the public enemy, acts of the State or Federal Government, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, unusually severe weather and defaults of subcontractors due to any of the above, unless the City shall determine that the supplies or services to be furnished by the subcontractor were obtainable from other sources in sufficient time to permit the Contractor to meet the required delivery scheduled. The rights and remedies of the City provided in this Clause shall not be exclusive and are in addition to any other rights now being provided by law or under this Agreement.

IN WITNESS WHEREOF, the Parties have executed this Contract as of the date of the signature by the required approval authorities below.

DRAFT CONTRACT 56

I. INTRODUCTION

A. PURPOSE OF THIS REQUEST FOR PROPOSALS

The purpose of the Request for Proposals (RFP) is to solicit sealed proposals to establish a contract through competitive negotiations for a Land Use Planning Consultant to facilitate a comprehensive review and revision of the City of Santa Fe's (City) General Plan. New Mexico Statute refers to this plan as a "Master Plan" and other government entities refer to it as "comprehensive" plan or "master" plan.

B. BACKGROUND INFORMATION

The City of Santa Fe enjoys a long history as a municipality and in prior eras spanning from settlement by the first Indigenous populations (whose descendants still call it Oga Po'geh, White Shell Water Place), and followed by the Spanish Influence beginning in the 1500's and American influence from the 1900's to modern times. Modern planning efforts began in Santa Fe in 1946, with the adoption of the "City Plan" prepared by Harland Bartholomew and Associates.

First adopted in 1972, and subsequently updated in 1983 and 1999, The General Plan is the City of Santa Fe's policy guide for land development, planning and growth objectives, related implementation strategies, and the administration of the Land Development Code. It serves as the statement of goals, recommendations and policy guidance for the development of the physical environment of Santa Fe and other geographic areas in Santa Fe's region. The General Plan will serve as a basis for land development approvals and other land and planning related implementation programs within the City. The goals, vision, implementation policies and work programs, and policy guidance of the General Plan may be amended from time to time to meet the changing requirements of the City.

The General Plan guides the comprehensive, long-range plan for the development and responsible stewardship of Santa Fe's resources. It is a critical tool for priority identification and decision making. It provides a policy framework for development proposals, capital improvements, annexation, and extension of public services. It represents the vision of the Santa Fe community and should be recognized as the City's foremost commitment to Santa Fe's future growth and redevelopment objectives. It outlines a vision through various themes that reflect the aspirations of the community and establishes a basis for review of development proposals and public projects to ensure that they are consistent with policy objectives. It provides for strategies that will enhance the character of the community and preserve critical environmental and historic resources and minimize potential hazards. It provides the basis for establishing and setting priorities for implementing programs and regulations and provides the basis for nurturing a vital community and assuring input from all segments of the population.

The General Plan's last comprehensive update was adopted in 1999, after several years of community engagement, analysis and drafting. The 1999 General Plan, along with the Future Land Use Map, continues to be the presiding document which guides city planning and land use policy and review of new development proposals. While many of the themes in the 1999 General Plan remain relevant for

contemporary planning, the data and analysis in 1999 General Plan have not been updated to reflect contemporary circumstances in Santa Fe and the shifting priorities of the world at large, it is no longer directly tied to the City's Capital Improvements Plans and does not incorporate plans adopted since 1999.

Due to these circumstances, the City is endeavoring to revise the General Plan to reflect current conditions and respond to contemporary issues such as climate change, housing affordability, and social equity. The General Plan Update should acknowledge and honor relevant components of the existing 1999 General Plan while recognizing contemporary challenges and opportunities. The revision should identify economic, demographic and environmental changes in Santa Fe in the years since the 1999 General Plan was adopted. It should then identify both the short-term and long-term needs and desires of the community and provide a strategic framework for addressing those needs in a responsible and equitable way.

The General Plan Update will be conducted concurrently with the Land Development Code (LDC) Update project, Phase 1 of which is already underway. The LDC Update is a multi-phase project led by the Land Use and Planning Department in collaboration with Clarion Associates, a consulting firm that specializes in ordinance development and plan implementation, to restructure and update the City's Land Development Code.

Phase 1 of the project is focused on identifying issues with the code and recommending non-substantive amendments to the code's organization and text that will make the code easier to understand and administer. Phase 2 of the project is focused on more substantive changes including LDC's procedures, regulations, and zoning districts. Finally, Phase 3 of the project focuses on adding additional substantive revisions to implement the land use and growth goals and policies of the updated Santa Fe General Plan identified by General Plan Update project. The General Plan Update consultant is expected to collaborate with the Land Development Code update project team across all three phases, but particularly in Phase 3, where the code will be amended to reflect the goals and policies identified in the General Plan update project. The full Land Development Code project scope is provided in the Procurement Library (Section I.G.).

In addition to the LDC update, the following planning activities are ongoing and will need to be included in the Plan update:

1. Culture, History, Art, Reconciliation and Truth (CHART): an extensive public engagement effort initiated in response to the period of civil unrest in 2020.
2. Santa Fe Water 2100: a 100-year water resource plan currently being drafted by the City's Water Division.
3. Midtown District Redevelopment: A major City-led redevelopment project of the former College of Santa Fe campus. A master plan has been completed and RFP's have been issued for development proposals.
4. Complete Streets Engineering Handbook: An effort led by the Public Works Department to update the City's Street design and engineering standards and move them from the Land Development Code to an Engineering Handbook managed by Public Works.
5. Bicycle and Multimodal Master Plans Update: An effort led by the Santa Fe Metropolitan Planning Organization to update the existing Bicycle and Multimodal Master Plans.

The General Plan Update consultant is expected to collaborate with the project teams and incorporate the findings from these ongoing planning efforts into the goals and objectives identified as part of the update project.

C. SCOPE OF PROCUREMENT

This RFP is to solicit the procurement of a qualified Land Use and Planning Consultant to facilitate a comprehensive review and revision of the City of Santa Fe's (City) General Plan. The Consultant Services may include, but are not limited to, administrative coordination and support, public engagement, land use planning analysis and recommendations delivered in a variety of formats including reports, maps, digital and paper publications. The Consultant Team may include subcontractors, community organizations and other relevant members needed to perform the required tasks.

Tasks and Phases are meant to provide guidance on structure and schedule of deliverables but may change due to circumstances including but not limited to Land Development Code Rewrite progression, Consultant recommendations or other circumstances.

The Tasks and Phases listed in Section IV. Scope of Work are intended to include the entire General Plan Update project, however only Phase 1 is currently funded. The subsequent Phases 2 and 3 will be undertaken as funding becomes available in subsequent fiscal years.

PROJECT TERM

The project procurement will be for four (4) years.

The resulting contract will be a single award.

This procurement will result in a contractual agreement between two parties; the procurement may ONLY be used by those two parties exclusively.

D. PROCUREMENT MANAGER

The Planning and Land Use Department has assigned a Procurement Manager who is responsible for the conduct of this procurement whose name, address, telephone number and email address are listed below:

Name: Heather Lamboy, Assistant Director of Planning and Land Use, Procurement Manager
Telephone: (505) 955-6598

1. **Any inquiries or requests** regarding this procurement should be submitted, in writing, to the Procurement Manager AND the Central Purchasing Office at the following emails:

   Procurement Manager: hllamboy@santafenm.gov

Central Purchasing Office: purchasing_RFP@santafenm.gov

Offerors may contact **ONLY** the Procurement Manager and the Central Purchasing Office regarding this procurement. Other city employees or Evaluation Committee members do not have the authority to respond on behalf of the Procurement Manager.

2. **Protests of the solicitation or award must be submitted in writing to the Protest Manager identified in Section II.B.12.** As a Protest Manager has been named in this Request for Proposals, pursuant to NMSA 1978, §13-1-172 and Procurement Manual Section Y, **ONLY protests delivered directly to the Protest Manager in writing and in a timely fashion will be considered to have been submitted properly and in accordance with statute, rule and this Request for Proposals.** Protests submitted or delivered to the Procurement Manager will **NOT** be considered properly submitted.

E. PROPOSAL SUBMISSION

Submissions of all proposals must be accomplished via upload:
https://cityofsantafenm.sharefile.com/r-r6a199d2a98094545a0fc75efdb971f9b

F. DEFINITION OF TERMINOLOGY

This section contains definitions of terms used throughout this procurement document, including appropriate abbreviations:

1. "**Authorized Purchaser**" means an individual authorized by a Participating Entity to place orders against this contract.

2. "**Award**" means the final execution of the contract document.

3. "**Business Hours**" means 8:00 AM thru 5:00 PM MST/MDT, whichever is in effect on the date given.

4. "**Central Purchasing Office**" means the office responsible for the control of procurement of items of tangible personable property, services, or construction.

5. "**Chief Procurement Officer**" means that person within the Central Purchasing Office who is responsible for the control of procurement of items of tangible personable property, services, or construction.

6. "**City**" means the City of Santa Fe, New Mexico which in the procurement context may act through the Finance Director, City Manager, or Governing Body.

7. "**Close of Business**" means 5:00 PM Mountain Standard or Daylight Time, whichever is in use at that time.

8. "**Confidential**" means confidential financial information concerning Offeror's organization and data that qualifies as a trade secret in accordance with the Uniform Trade Secrets Act

NMSA 1978, §§57-3-A-1 through 57-3A-7. The following items may **not** be labelled as confidential: Offeror's submitted Cost response, Staff/Personnel Resumes/Bios (excluding personal information such as personal telephone numbers and/or home addresses), and other submitted data that is **not** confidential financial information or that qualifies under the Uniform Trade Secrets Act.

9. "**Contract**" means any agreement for the procurement of items of tangible personal property, services, or construction.

10. "**Contractor**" means any business having a contract with the City of Santa Fe.

11. "**Department**" means the Requesting Department sponsoring this Procurement.

12. "**Determination**" means the written documentation of a decision of a procurement officer including findings of fact required to support a decision. A determination becomes part of the procurement file to which it pertains.

13. "**Desirable**" – the terms "may," "can," "should," "preferably," or "prefers" identify a desirable or discretionary item or factor.

14. "**Electronic Submission**" means a successful submittal of Offeror's proposal.

15. "**Electronic Version/Copy**" means a digital form consisting of text, images or both that are readable on computers or other electronic devices. The electronic version/copy can only be uploaded to ShareFile.

16. "**Evaluation Committee**" means a body appointed to perform the evaluation of Offerors' proposals.

17. "**Evaluation Committee Report**" means a report prepared by the Procurement Manager and the Evaluation Committee to support the Committee's recommendation for contract award. It will contain scores and written evaluations of all responsive Offeror proposals.

18. "**Final Award**" means, in the context of this Request for Proposals and all its attendant documents, that point at which the final required signature on the contract(s) resulting from the procurement has been affixed to the contract(s) thus making it fully executed.
