**Notice of the Public Hearing** required by the Liquor Control Act **shall be given by the governing body by publishing a notice** of the date, time, and place of the hearing **twice during the 30 days prior to the hearing** in a newspaper of general circulation within the territorial limits of the governing body. **The first notice must be published at least thirty (30) days before the hearing. While the law states that “within forty-five (45) days after receipt of a Notice from the Alcoholic Beverage Control, the governing body shall hold a Public Hearing in the question of whether the department should approve the proposed issuance or transfer”, we recognize the potential for conflict between the requirement for publication of 30 day notice and the 45 day hearing requirement.

With that in mind, when a local governing body receives a liquor license application from ABC, that governing body has a couple of options:

- 2) Request from ABC an extension of time, past the forty-five (45) days, designating how much additional time will be needed to conduct the hearing in compliance with all statutory and regulatory procedures. After the extension is granted and the hearing is held, notify ABC of your decision within thirty (30) days of the hearing;  
ABC has no preference in the option you choose.

The governing body is required to send notice by certified mail to the Applicant of the date, time, and place of the Public Hearing. The governing body may designate a Hearing Officer to conduct the hearing. **A record shall be made** of the hearing.

If the Governing Body disapproves the issuance or transfer of the license, it shall notify ABC within thirty (30) days setting forth the reasons for the disapproval. A copy of the Minutes of the Public Hearing shall be submitted to ABC with the Notice of Disapproval (*Page 1 of the Application, noting disapproval*).

Subject: Zoning Verification for 2411 Cerrillos Road, Santa Fe, NM

Dear Mr. Salazar,

This letter provides zoning verification on the above referenced property. According to the Official Zoning Map, this property is zoned C-2 General Commercial District and is in the Cerrillos Road Highway Corridor Protection District (CRHC) 2 overlay district.

#### **14-4.3 (B) C-2 GENERAL COMMERCIAL DISTRICT**

*The C-2 general commercial district includes areas along streets carrying large volumes of traffic where commercial uses are appropriate. Regulations are designed to guide future additions or changes so as to discourage extension of existing and formation of future strip commercial development, to preserve the carrying capacity of the streets and to provide for off-street parking and loading.*

#### **14-5.5 - HIGHWAY CORRIDOR PROTECTION DISTRICTS**

*(B) CRHC Cerrillos Road Highway Corridor Protection District*

*(1) Purpose and Intent Cerrillos Road is one of Santa Fe's busiest thoroughfares, one of Santa Fe's primary entranceways, and one of the community's major commercial strips. For these reasons, it is the purpose and intent of the CRHC district to assure that Cerrillos Road:*

- (a) accommodates, in a safe and efficient manner, both through and local traffic;*
- (b) provides for a visually attractive and aesthetically appropriate introduction to Santa Fe;*
- (c) allows for clear identification of, and easy access to, all commercial and institutional establishments;*
- (d) provides for a gradual transition between the rural character of the county and the urban character of the city; and*
- (e) accentuates, to the greatest extent possible, architecture and landscaping rather than parking lots and commercial signage.*

*(3) Uses The uses permitted in the CRHC district are the same as those permitted in the underlying district.*

The Director of the Alcoholic Beverage Control Division (ABC) has reviewed the referenced Application and granted **Preliminary Approval**. It is being forwarded to you for Local Option District approval or disapproval of the Liquor License Application.

**Notice of the Public Hearing** required by the Liquor Control Act **shall be given by the governing body by publishing a notice of the date, time, and place of the hearing twice during the 30 days prior to the hearing** in a newspaper of general circulation within the territorial limits of the governing body. **The first notice must be published at least thirty (30) days before the hearing. Both publications must occur before a hearing can be conducted.** The notice shall include:

- (A) Name and address of the Applicant/Licensee;
- (B) The action proposed to be taken;
- (C) The location of the licensed premises.

In addition, if the Local Option District has a website, **the Notice shall also be published on the website.**

While the law states that “within forty-five (45) days after receipt of a Notice from the Alcoholic Beverage Control, the governing body shall hold a Public Hearing in the question of whether the department should approve the proposed issuance or transfer”, we recognize the potential for conflict between the requirement for publication of 30 day notice and the 45 day hearing requirement.

With that in mind, when a local governing body receives a liquor license application from ABC, that governing body has a couple of options:

- 1) Hold a hearing on the license application within the statutory time frame of forty-five (45) days, as required by the Liquor Control Act, and comply with all other statutory and regulatory procedures and notify ABC of your decision within thirty (30) days of the hearing;

- 2) Request from ABC an extension of time, past the forty-five (45) days, designating how much additional time will be needed to conduct the hearing in compliance with all statutory and regulatory procedures. After the extension is granted and the hearing is held, notify ABC of your decision within thirty (30) days of the hearing;  
ABC has no preference in the option you choose.

The governing body is required to send notice by certified mail to the Applicant of the date, time, and place of the Public Hearing. The governing body may designate a Hearing Officer to conduct the hearing. **A record shall be made** of the hearing.

**THE APPLICANT IS SEEKING RESTAURANT A – BEER AND WINE LIQUOR LICENSE WITH ON PREMISES CONSUMPTION ONLY**

**Within thirty (30) days** after the Public Hearing, the governing body shall notify ABC of their decision to approve or disapprove the issuance or transfer of the license by signing the enclosed original Page 1 of the Application. The original Page 1 of the Application must be returned together with the notices of publication. **If the Governing Body fails to either approve or disapprove the issuance or transfer of the license within thirty days after the Public Hearing, the Director may issue the license.**

If the Governing Body disapproves the issuance or transfer of the license, it shall notify ABC within thirty (30) days setting forth the reasons for the disapproval. A copy of the Minutes of the Public Hearing shall be submitted to ABC with the Notice of Disapproval (*Page 1 of the Application, noting disapproval*).

RE: Zoning Verification for 3474 Zafarano Dr, Santa Fe, NM

Dear Ms. Cospers,

This letter provides zoning verification on the above referenced property. According to the Official Zoning Map, this property is zoned C-2PUD General Commercial District, in a Planned Unit Development District, and is not located in any overlay districts .

#### **14-4.3 (B) C-2 COMMERCIAL DISTRICT**

*The C-2 general commercial district includes areas along streets carrying large volumes of traffic where commercial uses are appropriate. Regulations are designed to guide future additions or changes so as to discourage extension of existing and formation of future strip commercial development, to preserve the carrying capacity of the streets and to provide for off-street parking and loading.*

#### **14-5.7 - PUD PLANNED UNIT DEVELOPMENT DISTRICT**

##### **(A) Purpose and Intent**

*(1) This section is intended to allow the creation of planned districts, each conceived as a unit of cohesive development and integrated uses in either a single development operation or a planned series of development operations that may take place over a period of several years. It is also intended to allow and encourage innovative site planning and design to ensure that each planned unit development compatibly integrates with development on adjoining properties and creates an attractive, healthful, sustainable and stable environment for living and working that is superior to the development attainable under existing zoning regulations.*

*(2) It is further intended that PUD regulations in this section and throughout Chapter 14 accomplish the purposes of land use regulation to the same degree that existing zoning regulations do in cases where planning and development are not on a unified basis.*

Entertainment centers with movie theaters, arcades, bars, and full-service restaurants which may or may not have patio services, with incidental alcohol service for on-site consumption are permitted uses in the C-2 General Commercial District.

For additional information, please reference City of Santa Fe Chapter 14 SFCC regarding these districts (Chapter 14-4 – Zoning Districts/14-6 Permitted Uses)

[https://library.municode.com/nm/santa\\_fe/codes](https://library.municode.com/nm/santa_fe/codes). All uses are subject to compliance with applicable development standards such as parking, lot coverage, etc.

Note: The information provided in this letter is solely derived from the Official Zoning Map and the minimum requirements set forth in Chapter 14, SFCC 1987. This letter intends to provide advice regarding zoning regulations. It is not the intent to state that the subject property complies with zoning requirements. Occupancy is determined based on zoning compliance at the time of building permit or certificate of occupancy, whichever applies. Additionally, it is not the intent to interfere with or to abrogate or annul any official document including conditions or safeguards made a part of the subject property at the time of any public hearings. Applicants are advised to pursue an independent search of official documents.
