Procedures for Mayor's Committee on Disability Meeting

The Santa Fe Mayor's Committee on Disability (MCD) works to support city officials in creating, maintaining, and upgrading access in our historic city. We ask that all attendees, committee members, city officials, special guests, and members of the public help create a safe and accessible meeting space by adhering to best practices for effective communication.

- Do not speak over others.
- Raise your hand, virtually or in person, to be called on to speak.
- Turn your camera on, if possible, and announce your name when you speak.
- Minimize the use of the chat and avoid sidebar conversations.
- Be courteous, professional, and mindful of others when you speak.

Alone, we can do so little; together, we can do so much. —Helen Keller
