Subject: Capital Appropriation Project Grant Agreement 23-H3200 for Renovations to El Museo Cultural de Santa Fe Facility

ACTION:

Request Approval of the State of New Mexico Department of Finance and Administration General Fund 93100 Capital Appropriation Project Grant Agreement 23-H3200 in the Total Amount of \$210,000 for Renovations to El Museo Cultural de Santa Fe Facility With a Reversion Date of June 30, 2027. (Tim Farrell, Public Works Property Development Manager; tgfarrell@santafenm.gov)

Request Approval of a Budget Adjustment Request (BAR) to Allocate \$210,000 from the 2023 Capital Appropriation to FY25 Revenue and Expenses for the Santa Fe Railyard.

BACKGROUND AND SUMMARY:

El Museo Cultural de Santa Fe, established in 1993 as a local community-led and community-run Hispano/Chicano cultural center, has grown into and now occupies 31,000 square feet in this former warehouse building at the Railyard. This City owned facility, originally constructed and used for shipping and warehouse purposes, is now being occupied and used for community theater, performe art and artist booth sales.

The City of Santa Fe received capital appropriation 23-H3200 in the amount of \$210,000 which reauthorizes Grant 20-E2734 and has a reversion date of June 30, 2027. The funds will be used for renovations to the building including the heating and air conditioning (HVAC) systems and electrical infrastructure which will improve these functions and ensure a more safe and efficient facility.

There are two additional State Capital Appropriation Grants for El Museo:

- \$175,000 allocated through June 30, 2028, for needed renovations to the building, including the heating and air conditioning (HVAC) systems and electrical infrastructure.
- \$126,950 allocated through June 30, 2026, for renovations and improvements to the building, as deemed necessary by the City, both for scheduled repair and maintenance and also to provide modern efficiencies and operational improvements.

All funds are expected to be utilized prior to the reversion dates.

In the event of a conflict among the Appropriation Amount, the Reversion Date, as defined herein and/or the purpose of the Project, as set forth in this Agreement, and the corresponding appropriation language in the laws cited above in this Article I(A), the language of the laws cited herein shall control.

ARTICLE II. LIMITATION ON DEPARTMENT'S OBLIGATION TO MAKE GRANT DISBURSEMENT TO GRANTEE

A. Upon the Effective Date of this Agreement, for permissible purposes within the scope of the Project Description, the Grantee shall only be reimbursed monies for which the Department has issued and the Grantee has received a Notice of Department's Obligation to Reimburse⁵⁰ Grantee (hereinafter referred to as "Notice of Obligation"). This Grant Agreement and the disbursement of any and all amounts of the above referenced Adjusted Appropriation Amount are expressly conditioned upon the following:

- (i) Irrespective of any Notice of Obligation, the Grantee's expenditures shall be made on or before the Reversion Date and, if applicable, an Early Termination Date (i.e., the goods have been delivered and accepted or the title to the goods has been transferred to the Grantee and/or the services have been rendered for the Grantee); and

 - b. Grantee acknowledges and agrees that if it chooses to enter into a Third Party Obligation prior to receiving a Notice of Obligation that covers the expenditure, it is solely responsible for such obligations.
 - c. The Department may, in its sole and absolute discretion, issue to Grantee a Notice of Obligation for the particular amount of that Third Party Obligation that only obligates the Department to reimburse Grantee's expenditures made on or before the Reversion Date or an Early Termination Date. The current Notice of Obligation form is attached to this Agreement as Exhibit 2.
 - d. The date the Department signs the Notice of Obligation is the date that the Department's Notice of Obligation is effective. After that date, the Grantee is authorized to budget the particular amount set forth in the Notice of Obligation, execute the Third Party Obligation and request the Third Party to begin work. Payment for any work performed or goods received prior to the effective date of the Notice of Obligation is wholly and solely the obligation of the Grantee.

ARTICLE V. EARLY TERMINATION

A. Early Termination Before Reversion Date Due to Completion of the Project or Complete Expenditure of the Adjusted Appropriation or Violation of this Agreement

Early Termination includes:

Either the Department or the Grantee may early terminate this Agreement prior to the Reversion Date by providing the other party with a minimum of fifteen (15) days’ advance, written notice of early termination. Grantee hereby waives any rights to assert an impairment of contract claim against the Department or the State of New Mexico in the event of Early Termination of this Agreement by the Department pursuant to Article V(A).

B. Early Termination Before Reversion Date Due to Non-appropriation

The terms of this Agreement are expressly made contingent upon sufficient appropriations and authorization being made by the Legislature of New Mexico for the performance of this Agreement. Throughout this Agreement the term “non-appropriate” or “non-appropriation” includes the following actions by the New Mexico Legislature: deauthorization, reauthorization or revocation of a prior authorization. The Legislature may choose to non-appropriate the Appropriation referred to in Article I and, if that occurs, the Department shall early terminate this Agreement for non-appropriation by giving the Grantee written notice of such termination, and such termination shall be effective as of the effective date of the law making the non-appropriation. The Department’s decision as to whether sufficient appropriations or authorizations are available shall be accepted by the Grantee and shall be final. Grantee hereby waives any rights to assert an impairment of contract claim against the Department or the State of New Mexico in the event of Early Termination of this Agreement by the Department pursuant to Article V(B).

C. Limitation on Department’s Obligation to Make Grant Disbursements to Grantee in the Event of Early Termination

In the event of Early Termination of this Agreement by either party, the Department’s sole and absolute obligation to reimburse the Grantee is expressly conditioned upon the limitations set forth Article II.

ARTICLE VI. SUSPENSION OF NEW OR FURTHER OBLIGATIONS

A. The Department may choose, in its sole and absolute discretion, to provide written notice to the Grantee to suspend entering into new and further obligations. Upon the receipt of such written notice by the Grantee:

- (i) The Grantee shall immediately suspend entering into new or further written obligations with third parties; and
- (ii) The Department will suspend the issuance of any new or further Notice of Obligation under this Agreement; and
- (iii) The Department may direct the Grantee to implement a corrective action plan in accordance with Article VI(D) herein.

B. In the event of Suspension of this Agreement, the Department’s sole and absolute obligation to reimburse the Grantee is expressly conditioned upon the limitations set forth in Article II herein.

C. A suspension of new or further obligations under this Agreement shall remain in effect unless or until the date the Grantee receives written notice given by the Department informing the Grantee that the Suspension has been lifted or that the Agreement has been Early Terminated in accordance with Article V herein. If the Suspension is lifted, the Department will consider further requests for Notice of Obligation.

D. Corrective Action Plan in the Event of Suspension

In the event that the Department chooses, in its sole and absolute discretion to direct the Grantee to suspend entering into new or further written obligations with third parties pursuant to Article VI(A), the Department may, but is not obligated to, require the Grantee to develop and implement a written corrective action plan to remedy the grounds for the Suspension. Such corrective action plan must be approved by the Department and be signed by the Grantee. Failure to sign a corrective action plan or meet the terms and deadlines set forth in the signed corrective action plan, is hereby deemed a violation of the terms of this Agreement for purposes of Early Termination, Article V(A)(iii). The corrective action plan is in addition to, and not in lieu of, any other equitable or legal remedy, including but not limited to Early Termination.

ARTICLE VII. AMENDMENT

This Agreement shall not be altered, changed, or amended except by instrument in writing duly executed by both the parties hereto.

ARTICLE VIII. REPORTS

Additionally, the Grantee shall certify on the Request for Payment form (Exhibit 1) that updates have been maintained and are current in the

database. The Grantee hereby acknowledges that failure to perform and/or certify updates into the database will delay or potentially jeopardize the reimbursement of funds. The Department shall give Grantee a minimum of thirty (30) days' advance written notice of any changes to the information the Grantee is required to report.

Quarterly reports shall be due on the last day of the month that is 30 days prior to the end of the quarter following execution of this Agreement by the Department and ending during the quarter of the submission of the final request for reimbursement for the Project, or the following quarter.

B. Requests for Additional Information/Project Inspection

During the term of this Agreement and during the period of time during which the Grantee must maintain records pursuant to Article VIII, the Department may:

- (i) request such additional information regarding the Project as it deems necessary; and
- (ii) conduct, at reasonable times and upon reasonable notice, onsite inspections of the Project.

Grantee shall respond to such requests for additional information within a reasonable period of time, as established by the Department.

ARTICLE IX. REQUEST FOR PAYMENT PROCEDURES AND DEADLINES

A. The Grantee shall request payment by submitting a Request for Payment, in the form attached hereto as Exhibit 1. Payment requests are subject to the following procedures:

- (i) The Grantee must submit a Request for Payment; and
- (ii) Each Request for Payment must contain proof of payment by the Grantee or liabilities incurred by the Grantee showing that the expenditures are valid or are liabilities incurred by the Grantee in the form of actual unpaid invoices received by the Grantee for services rendered by a third party or items of tangible personal property received by the Grantee for the implementation of the Project; provided, however, that the Grantee may be reimbursed for unpaid liabilities only if the Department, in its sole and absolute discretion, agrees to do so and in accordance with any special conditions imposed by the Department.
- (iii) In cases where the Grantee is submitting a Request for Payment to the Department based upon invoices received, but not yet paid, by the Grantee from a third party contractor or vendor, if the invoices comply with the provisions of this Agreement and are a valid liability of the Grantee, the Grantee shall make payment to those contractors or vendors within five (5) business days from the date of receiving reimbursement from the Department or such shorter period of time as the Department may prescribe in writing. The Grantee is required to certify to the Department proof of payment to the third party contractor or vendor within ten (10) business days from the date of receiving reimbursement from the Department.

B. The Grantee must obligate 5% of the Adjusted Appropriation Amount within six months of acceptance of the grant agreement and must have expended no less than 85% of the Adjusted Appropriation Amount six months prior to the reversion date.

C. Deadlines

Requests for Payments shall be submitted by Grantee to the Department on the earlier of:

- (i) Immediately as they are received by the Grantee but at a minimum thirty (30) days from when the expenditure was incurred or liability of the Grantee was approved as evidenced by an unpaid invoice received by the Grantee from a third party contractor or vendor; or
- (ii) Twenty (20) days from date of Early Termination; or
- (iii) Twenty (20) days from the Reversion Date.

D. The Grantee's failure to abide by the requirements set forth in Article II and Article IX herein will result in the denial of its Request for Payment or will delay the processing of Requests for Payment. The Department has the right to reject a payment request for the Project unless and until it is satisfied that the expenditures in the Request for Payment are for permissible purposes within the meaning of the Project Description and that the expenditures and the Grantee are otherwise in compliance with this Agreement, including but not limited to, compliance with the reporting requirements and the requirements set forth in Article II herein to provide Third Party Obligations and the Deadlines set forth in Article IX herein. The Department's ability to reject any Request for Payment is in addition to, and not in lieu of, any other legal or equitable remedy available to the Department due to Grantee's violation of this Agreement.

ARTICLE X. PROJECT CONDITIONS AND RESTRICTIONS; REPRESENTATIONS AND WARRANTIES

- A. The following general conditions and restrictions are applicable to the Project:
- (i) The Project's funds must be spent in accordance with all applicable state laws, regulations, policies, and guidelines, including, but not limited to, the State Procurement Code (or local procurement ordinance, where applicable).
 - (ii) The Project must be implemented in accordance with the New Mexico Public Works Minimum Wage Act, Section 13-4-10 through 13-4-17 NMSA 1978, as applicable. Every contract or project in excess of sixty thousand dollars (\$60,000) that the Grantee is a party to for construction, alteration, demolition or repair or any combination of these, including painting and decorating, of public buildings, public works or public roads and that requires or involves the employment of mechanics, laborers or both shall contain a provision stating the minimum wages and fringe benefits to be paid to various classes of laborers and mechanics, shall be based upon the wages and benefits that will be determined by the New Mexico Department of Workforce Solutions to be prevailing for the corresponding classes of laborers and mechanics employed on contract work of a similar nature in the locality. Further, every contract or project shall contain a stipulation that the contractor, subcontractor, employer or a person acting as a contractor shall pay all mechanics and laborers employed on the site of the project, unconditionally and not less often than once a week and without subsequent unlawful deduction or rebate on any account, the full amounts accrued at time of payment computed at wage rates and fringe benefit rates not less than those determined pursuant to Section 13-4-11 (B) NMSA 1978 to be the prevailing wage rates and prevailing fringe benefit rates issued for the project.
 - (iii) The Project may only benefit private entities in accordance with applicable law, including, but not limited to, Article IX, Section 14 of the Constitution of the State of New Mexico, the "Anti-Donation Clause."
 - (iv) The Grantee shall not for a period of 10 years from the date of this agreement convert any property acquired, built, renovated, repaired, designed or developed with the Project's funds to uses other than those specified in the Project Description without the Department's and the Board of Finance's express, advance, written approval, which may include a requirement to reimburse the State for the cost of the project, transfer proceeds from the disposition of property to the State, or otherwise provide consideration to the State.
 - (v) The Grantee shall comply with all federal and state laws, rules and regulations pertaining to equal employment opportunity. In accordance with all such laws, rules and regulations the Grantee agrees to assure that no person shall, on the grounds of race, color, national origin, sex, sexual preference, age or handicap, be excluded from employment with Grantee, be excluded from participation in the Project, be denied benefits or otherwise be subject to discrimination under, any activity performed under this Agreement. If Grantee is found to be not in compliance with these requirements during the life of this Agreement, Grantee agrees to take appropriate steps to correct any deficiencies. The Grantee's failure to implement such appropriate steps within a reasonable time constitutes grounds for terminating this Agreement.
- B. The Grantee hereby represents and warrants the following:
- (i) The Grantee has the legal authority to receive and expend the Project's funds.

- (ii) This Agreement has been duly authorized by the Grantee, the person executing this Agreement has authority to do so, and, once executed by the Grantee, this Agreement shall constitute a binding obligation of the Grantee, enforceable according to its terms.
- (iii) This Agreement and the Grantee's obligations hereunder do not conflict with any law or ordinance or resolution applicable to the Grantee, the Grantee's charter (if applicable), or any judgment or decree to which the Grantee is subject.
- (iv) The Grantee has independently confirmed that the Project Description, including, but not limited to, the amount and Reversion Date, is consistent with the underlying appropriation in law.
- (v) The Grantee's governing body has duly adopted or passed as an official act a resolution, motion, or similar action authorizing the person identified as the official representative of the Grantee to sign the Agreement and to sign Requests for Payment.
- (vi) The Grantee shall abide by New Mexico laws regarding conflicts of interest, governmental conduct and whistleblower protection. The Grantee specifically agrees that no officer or employee of the local jurisdiction or its designees or agents, no member of the governing body, and no other public official of the locality who exercises any function or responsibility with respect to this Grant, during their tenure or for one year thereafter, shall have any interest, direct or indirect, in any contract or subcontract, or the proceeds thereof, for work to be performed or goods to be received, pursuant to this Grant. Further, Grantee shall require all of its contractors to incorporate in all subcontracts the language set forth in this paragraph prohibiting conflicts of interest.
- (vii) No funds have been paid or will be paid, by or on behalf of the Grantee, to any person for influencing or attempting to influence an officer or employee of this or any agency or body in connection with the awarding of any Third Party Obligation and that the Grantee shall require certifying language prohibiting lobbying to be included in the award documents for all subawards, including subcontracts, loans and cooperative agreements. All subrecipients shall be required to certify accordingly.

ARTICLE XI. STRICT ACCOUNTABILITY OF RECEIPTS AND DISBURSEMENTS; PROJECT RECORDS

A. The Grantee shall be strictly accountable for receipts and disbursements relating to the Project's funds. The Grantee shall follow generally accepted accounting principles, and, if feasible, maintain a separate bank account or fund with a separate organizational code, for the funds to assure separate budgeting and accounting of the funds.

B. For a period of six (6) years following the Project's completion, the Grantee shall maintain all Project related records, including, but not limited to, all financial records, requests for proposals, invitations to bid, selection and award criteria, contracts and subcontracts, advertisements, minutes of pertinent meetings, as well as records sufficient to fully account for the amount and disposition of the total funds from all sources budgeted for the Project, the purpose for which such funds were used, and such other records as the Department shall prescribe.

C. The Grantee shall make all Project records available to the Department, the Department of Finance and Administration, and the New Mexico State Auditor upon request. With respect to the funds that are the subject of this Agreement, if the State Auditor or the Department of Finance and Administration finds that any

or all of these funds were improperly expended, the Grantee may be required to reimburse to the State of New Mexico, to the originating fund, any and all amounts found to be improperly expended.

ARTICLE XII. IMPROPERLY REIMBURSED FUNDS

If the Department determines that part or all of the Appropriation Amount was improperly reimbursed to Grantee, including but not limited to, Project funds reimbursed to Grantee based upon fraud, mismanagement, misrepresentation, misuse, violation of law by the Grantee, or violation of this Agreement, the Grantee shall return such funds to the Department for disposition in accordance with law.

ARTICLE XIII. LIABILITY

Neither party shall be responsible for liability incurred as a result of the other party's acts or omissions in connection with this Agreement. Any liability incurred in connection with this Agreement is subject to immunities and limitations of the New Mexico Tort Claims Act.

ARTICLE XIV. SCOPE OF AGREEMENT

This Agreement constitutes the entire and exclusive agreement between the Grantee and Department concerning the subject matter hereof. The Agreement supersedes any and all prior or contemporaneous agreements, understandings, discussions, communications, and representations, written or verbal.

ARTICLE XV. REQUIRED NON-APPROPRIATIONS CLAUSE IN CONTRACTS FUNDED IN WHOLE OR PART BY FUNDS MADE AVAILABLE UNDER THIS AGREEMENT

The Grantee acknowledges, warrants, and agrees that Grantee shall include a “non-appropriations” clause in all contracts between it and other parties that are (i) funded in whole or part by funds made available under this Agreement and (ii) entered into after the effective date of this Agreement that states:

“The terms of this Agreement are contingent upon sufficient appropriations and authorization being made by the Legislature of New Mexico for the performance of this Agreement. If sufficient appropriations and authorization are not made by the Legislature, the **City of Santa Fe** may immediately terminate this Agreement by giving Contractor written notice of such termination. The **City of Santa Fe**'s decision as to whether sufficient appropriations are available shall be accepted by the Contractor and shall be final. Contractor hereby waives any rights to assert an impairment of contract claim against the **City of Santa Fe** or the Department of Finance and Administration, Local Government Division (DFA/LGD) or the State of New Mexico in the event of immediate or Early Termination of this Agreement by the **City of Santa Fe** or the “Department.”

ARTICLE XVI. REQUIRED TERMINATION CLAUSE IN CONTRACTS FUNDED IN WHOLE OR PART BY FUNDS MADE AVAILABLE UNDER THIS AGREEMENT

Grantee acknowledges, warrants, and agrees that Grantee shall include the following termination clause in all contracts that are (i) funded in whole or part by funds made available under this Agreement and (ii) entered into after the effective date of this Agreement:

“This contract is funded in whole or in part by funds made available under a DFA/LGD Grant Agreement. Should the DFA/LGD early terminate the grant agreement, the **City of Santa Fe** may early terminate this contract by providing Contractor written notice of such termination. In the event of termination pursuant to this paragraph, the **City of Santa Fe** only liability shall be to pay Contractor for acceptable goods delivered and services rendered before the termination date.”

Grantee hereby waives any rights to assert an impairment of contract claim against the Department or the State of New Mexico in the event of Early Termination of this Agreement by the Department.

ARTICLE XVII. COMPLIANCE WITH UNIFORM FUNDING CRITERIA.

A. Throughout the term of this Agreement, Grantee shall:

1. submit all reports of annual audits and agreed upon procedures required by Section 12-6-3(A)-(B) NMSA 1978 by the due dates established in 2.2.2 NMAC, reports of which must be a public record pursuant to Section 12-6-5(A) NMSA 1978 within forty-five days of delivery to the State Auditor;
2. have a duly adopted budget for the current fiscal year approved by its budgetary oversight agency (if any);
3. timely submit all required financial reports to its budgetary oversight agency (if any); and
4. have adequate accounting methods and procedures to expend grant funds in accordance with applicable law and account for and safeguard grant funds and assets acquired by grant funds.

B. In the event Grantee fails to comply with the requirements of Paragraph A of this Article XVII, the Department may take one or more of the following actions:

1. suspend new or further obligations pursuant to Article VI(A) of this Agreement;
2. require the Grantee to develop and implement a written corrective action plan pursuant to Article VI(D) of this Agreement to remedy the non-compliance;
3. impose special grant conditions to address the non-compliance by giving the Grantee notice of such special conditions in accordance with Article III of this Agreement; the special conditions shall be binding and effective on the date that notice is deemed to have been given pursuant to Article III; or
4. terminate this Agreement pursuant to Article V(A) of this Agreement.

ARTICLE XVIII. SEVERANCE TAX BOND AND GENERAL OBLIGATION BOND PROJECT CLAUSES

A. Grantee acknowledges and agrees that the underlying appropriation for the Project is a severance tax bond or general obligation bond appropriation, and that the associated bond proceeds are administered by the New Mexico State Board of Finance (SBOF), an entity separate and distinct from the Department. Grantee acknowledges and agrees that (i) it is Grantee’s sole and absolute responsibility to determine through SBOF staff what (if any) conditions are currently imposed on the Project; (ii) the Department’s failure to inform Grantee of a SBOF imposed condition does not affect the validity or enforceability of the condition; (iii) the SBOF may in the future impose further or different conditions upon the Project; (iv) all SBOF conditions are effective without amendment of this Agreement; (v) all applicable SBOF conditions must be satisfied before the SBOF will release to the Department funds subject to the condition(s); and (vi) the Department’s obligation to reimburse Grantee from the Project is contingent upon the then current SBOF conditions being satisfied.

B. Grantee acknowledges and agrees that the SBOF may in its sole and absolute discretion remove a project’s assigned bond proceeds if the project doesn’t proceed sufficiently. Entities must comply with the

requirement to encumber five percent (5%) of Project funds within six months of bond issuance as certified by the grantee in the Bond Questionnaire and Certification documents submitted to the SBOF. Failure to comply may result in the bond proceeds reassignment to a new ready project. If this should occur this grant agreement will be suspended until the entity has demonstrated readiness as determined by the SBOF and the Department.

C. Grantee acknowledges and agrees that this Agreement is subject to the SBOF's Bond Project Disbursements rule, NMAC 2.61.6, as may be amended or re-codified. The rule provides definitions and interpretations of grant language for the purpose of determining whether a particular activity is allowable under the authorizing language of the agreement.

Subject: Reauthorization of Funding Appropriated for Staff Relocations to Move ITT to Market Station

ACTION:

Request for Approval to Change the Purpose of a Previously Approved Budget Amendment Resolution (BAR) in the Total Amount of \$1,500,000, from Moving Land Use Staff Move to the City Owned Market Station Condominium, to Moving Information Technology and Telecommunications Staff to the City Owned Market Station Condominium. (Sam Burnett, Facilities Division Director, jsburnett@santafenm.gov)

BACKGROUND AND SUMMARY:

On August 28, 2024 the Governing Body approved \$1,500,000 to make improvements to the City owned Market Station Condo and to move Planning and Land Use staff to Market Station. This move was planned to create additional space for City operations. These funds have not been spent.

On December 11, 2024 the Governing Body approved the Development and Disposition Agreement (DDA) with Aspect Studios. This DDA establishes timelines for the City to construct infrastructure to support redevelopment at Midtown. The ITT Department currently occupies Mouton Hall at Midtown. This building is slated for demolition and must be evacuated since it obstructs a roadway that will be built as part of Midtown Phase 1 Infrastructure. The roadway will provide access to Benildus Hall which is included in the Aspect DDA.

The Market Station Condo has been evaluated by ITT and Facilities and found to be an ideal location for the ITT staff. Ultimately, the capital project for a Consolidated City Services Center will provide safe, accessible and sufficient space for City operations. Since the Planning and Land Use Department is highly public facing, it will definitely be included in the new facility. ITT, being an internal service provider, could continue to be located at Market Station for many years. The Facilities Division is working with City leadership and staff on modifications to City Hall and nearby facilities to provide all needed space for City operations.

AGREEMENT

NOW, THEREFORE, in consideration of the mutual covenants and obligations contained herein, the parties hereby mutually agree as follows:

ARTICLE I. PROJECT DESCRIPTION, AMOUNT OF GRANT AND REVERSION DATE

A. The project that is the subject of this Agreement is described as follows:

24-I3146 \$2,000,000.00 APPROPRIATION REVERSION DATE: June 30, 2028

Laws of 2024, Chapter 66, Section 28, Paragraph 504, Two Million (\$2,000,000.00), from the General Fund 93100 to plan, design, construct, improve and equip phase 2 of the Santa Fe regional airport in Santa Fe in Santa Fe county;

The Grantee's total reimbursements shall not exceed Two Million \$2,000,000.00 (the "Appropriation Amount") minus the allocation for Art in Public Places ("AIPP amount")¹, if applicable, Twenty Thousand \$20,000.00, which equals One Million Nine Hundred Eighty Thousand \$1,980,000.00 (the "Adjusted Appropriation Amount").

In the event of a conflict among the Appropriation Amount, the Reversion Date, as defined herein and/or the purpose of the Project, as set forth in this Agreement, and the corresponding appropriation language in the laws cited above in this Article I(A), the language of the laws cited herein shall control.

This project is referred to throughout the remainder of this Agreement as the "Project"; the information contained in Article I(A) is referred to collectively throughout the remainder of this Agreement as the "Project Description." [Optional Language if special conditions apply. Attachment A sets forth additional or more stringent requirements and conditions, which are incorporated by this reference as if set forth fully herein. If Optional Attachment A imposes more stringent requirements than any requirement set forth in this Agreement, the more stringent requirements of Attachment A shall prevail, in the event of irreconcilable conflict.] The Grantee shall reference the Project's number in all correspondence with and submissions to the Department concerning the Project, including, but not limited to, Requests for Payment and reports.

ARTICLE II. LIMITATION ON DEPARTMENT'S OBLIGATION TO MAKE GRANT DISBURSEMENT TO GRANTEE

- A. Upon the Effective Date of this Agreement, for permissible purposes within the scope of the Project Description, the Grantee shall only be reimbursed monies for which the Department has issued and the Grantee has received a Notice of Department's Obligation to Reimburse Grantee (hereinafter referred to as "Notice of Obligation"). This Grant Agreement and the disbursement of any and all amounts of the above referenced Adjusted Appropriation Amount are expressly conditioned upon the following:
- i. Irrespective of any Notice of Obligation, the Grantee's expenditures shall be made on or before the Reversion Date and, if applicable, an Early Termination Date (i.e., the goods have been delivered and accepted or the title to the goods has been transferred to the Grantee and/or the services have been rendered for the Grantee); and
 - ii. The total amount received by the Grantee shall not exceed the lesser of: (a) the Adjusted Appropriation Amount identified in Article I(A) herein or (b) the total of all amounts stated in the Notice(s) of Obligation evidencing that the Department has received and accepted the Grantee's Third Party Obligation(s), as defined in subparagraph iii of this Article II(A); and
 - iii. The Grantee's expenditures were made pursuant to the State Procurement Code and execution of binding written obligations or purchase orders with third party contractors or vendors for the provision of services, including professional services, or the purchase of tangible personal property and real property for the Project, hereinafter referred to as "Third Party Obligations"; and
 - iv. The Grantee's submittal of timely Requests for Payment in accordance with the procedures set forth in Article IX of this Agreement; and
 - v. In the event that capital assets acquired with Project funds are to be sold, leased, or licensed to or operated by a private entity, the sale, lease, license, or operating agreement:
 - a. must be approved by the applicable oversight entity (if any) in accordance with law; or
 - b. if no oversight entity is required to approve the transaction, the Department must approve the transaction as complying with law.
- Prior to the sale, lease, license, or operating agreement being approved pursuant to Articles II(A)(v)(a) and II(A)(v)(b) herein, the Department may, in its sole and absolute discretion and unless inconsistent with State Board of Finance imposed conditions, reimburse the Grantee for necessary expenditures incurred to develop the Project sufficiently to make the sale, lease, license, or operating agreement commercially feasible, such as plan and design expenditures; and
- vi. The Grantee shall request approval of its obligation(s) by submitting a Notice of Obligation form as provided by the Department. The Grantee's submission of documentation of all Third Party Obligations and amendments thereto (including terminations) to the Department and the Department's issuance and the Grantee's receiving of a Notice of Obligation for a particular amount in accordance with the terms of this Agreement shall be governed by the following:
 - a. The Grantee shall submit to the Department one copy of all Third Party Obligations and amendments thereto (including terminations) as soon as possible after execution by the Third Party **but prior to execution by the Grantee.**
 - b. Grantee acknowledges and agrees that if it chooses to enter into a Third Party Obligation prior to receiving a Notice of Obligation that covers the expenditure, it is solely responsible for such obligations.
 - c. The Department may, in its sole and absolute discretion, issue to Grantee a Notice of Obligation for the particular amount of that Third Party Obligation that only obligates the Department to reimburse Grantee's expenditures made on or before the Reversion Date or an Early Termination Date.
 - d. The date the Department signs the Notice of Obligation is the date that the Department's Notice of Obligation is effective. After that date, the Grantee is authorized to budget the particular amount set forth in the Notice of Obligation, execute the Third Party Obligation and request the Third Party to begin work. Payment for any work performed or goods received prior to the effective date of the Notice of Obligation is wholly and solely the obligation of the Grantee.
- B. The Grantee shall implement, in all respects, the Project. The Grantee shall provide all necessary qualified personnel, material, and facilities to implement the Project. The Grantee shall finance its share (if any) of the costs of the Project, including all Project overruns.
- C. Project funds shall not be used for purposes other than those specified in the Project Description.
- D. Unless specifically allowed by law, Project funds cannot be used to reimburse Grantee for indirect Project costs.

¹The AIPP amount is "an amount of money equal to one percent or two hundred thousand dollars (\$200,000), whichever is less, of the amount of money appropriated for new construction or any major renovation exceeding one hundred thousand dollars (\$100,000)." Section 13-4A-4 NMSA 1978.

²"Reimburse" as used throughout this Agreement includes Department payments to the Grantee for invoices received, but not yet paid, by the Grantee from a third party contractor or vendor, if the invoices comply with the provisions of this Agreement and are a valid liability of the Grantee.

ARTICLE IV. REVERSION DATE, TERM, DEADLINE TO EXPEND FUNDS

- A. Upon being duly executed by both parties, this Agreement shall be effective as of the date of execution by the Department. It shall terminate on **June 30, 2028** the Reversion Date unless Terminated Before Reversion Date ("Early Termination") pursuant to Article V herein.
- B. The Project's funds must be expended on or before the Reversion Date and, if applicable, Early Termination Date of this Agreement. For purposes of this Agreement, it is not sufficient for the Grantee to encumber the Project funds on its books on or before the Project's Reversion Date or Early Termination Date. Funds are expended and an expenditure has occurred as of the date that a particular quantity of goods are delivered to and received by the Grantee or title to the goods is transferred to the Grantee and/or as of the date particular services are rendered for the Grantee. Funds are *not* expended and an expenditure has *not* occurred as of the date they are encumbered by the Grantee pursuant to a contract or purchase order with a third party.

ARTICLE V. EARLY TERMINATION

A. Early Termination Before Reversion Date Due to Completion of the Project or Complete Expenditure of the Adjusted Appropriation or Violation of this Agreement

Early Termination includes:

- i. Termination due to completion of the Project before the Reversion Date; or
- ii. Termination due to complete expenditure of the Adjusted Appropriation Amount before the Reversion Date; or
- iii. Termination for violation of the terms of this Agreement; or
- iv. Termination for suspected mishandling of public funds, including but not limited to, fraud, waste, abuse, and conflicts of interest.

Either the Department or the Grantee may early terminate this Agreement prior to the Reversion Date by providing the other party with a minimum of fifteen (15) days' advance, written notice of early termination. Grantee hereby waives any rights to assert an impairment of contract claim against the Department or the State of New Mexico in the event of Early Termination of this Agreement by the Department pursuant to Article V(A).

B. Early Termination Before Reversion Date Due to Non-appropriation

The terms of this Agreement are expressly made contingent upon sufficient appropriations and authorization being made by the Legislature of New Mexico for the performance of this Agreement. Throughout this Agreement the term "non-appropriate" or "non-appropriation" includes the following actions by the New Mexico Legislature: deauthorization, reauthorization or revocation of a prior authorization. The Legislature may choose to non-appropriate the Appropriation referred to in Article I and, if that occurs, the Department shall early terminate this Agreement for non-appropriation by giving the Grantee written notice of such termination, and such termination shall be effective as of the effective date of the law making the non-appropriation. The Department's decision as to whether sufficient appropriations or authorizations are available shall be accepted by the Grantee and shall be final. Grantee hereby waives any rights to assert an impairment of contract claim against the Department or the State of New Mexico in the event of Early Termination of this Agreement by the Department pursuant to Article V(B).

C. Limitation on Department's Obligation to Make Grant Disbursements to Grantee in the Event of Early Termination

In the event of Early Termination of this Agreement by either party, the Department's sole and absolute obligation to reimburse the Grantee is expressly conditioned upon the limitations set forth Article II.

ARTICLE VI. SUSPENSION OF NEW OR FURTHER OBLIGATIONS

- A. The Department may choose, in its sole and absolute discretion, to provide written notice to the Grantee to suspend entering into new and further obligations. Upon the receipt of such written notice by the Grantee:
- i. The Grantee shall immediately suspend entering into new or further written obligations with third parties; and
 - ii. The Department will suspend the issuance of any new or further Notice of Obligation under this Agreement; and
 - iii. The Department may direct the Grantee to implement a corrective action plan in accordance with Article VI(D) herein.

B. In the event of Suspension of this Agreement, the Department's sole and absolute obligation to reimburse the Grantee is expressly conditioned upon the limitations set forth in Article II herein.

C. A suspension of new or further obligations under this Agreement shall remain in effect unless or until the date the Grantee receives written notice given by the Department informing the Grantee that the Suspension has been lifted or that the Agreement has been Early Terminated in accordance with Article V herein. If the Suspension is lifted, the Department will consider further requests for Notice of Obligation.

D. Corrective Action Plan in the Event of Suspension

In the event that the Department chooses, in its sole and absolute discretion to direct the Grantee to suspend entering into new or further written obligations with third parties pursuant to Article VI(A), the Department may, but is not obligated to, require the Grantee to develop and implement a written corrective action plan to remedy the grounds for the Suspension. Such corrective action plan must be approved by the Department and be signed by the Grantee. Failure to sign a corrective action plan or meet the terms and deadlines set forth in the signed corrective action plan, is hereby deemed a violation of the terms of this Agreement for purposes of Early Termination, Article V(A)(iii). The corrective action plan is in addition to, and not in lieu of, any other equitable or legal remedy, including but not limited to Early Termination.

ARTICLE VII. AMENDMENT

This Agreement shall not be altered, changed, or amended except by instrument in writing duly executed by both the parties hereto.

ARTICLE VIII. REPORTS

A. Database Reporting

The Grantee shall report quarterly Project activity by entering such Project information as the Department and the Department of Finance and Administration may require, such information entered directly into a database maintained by the Department of Finance and Administration. Additionally, the Grantee shall certify on the Request for Payment form that updates have been maintained and are current in the database. The Grantee hereby acknowledges that failure to perform and/or certify updates into the database will delay or potentially jeopardize the reimbursement of funds. The Department shall give Grantee a minimum of thirty (30) days' advance written notice of any changes to the information the Grantee is required to report.

Quarterly reports are due on the last day of each quarter. Quarter end reporting periods are September 30th, December 31st, March 31st, and June 30th.

B. Requests for Additional Information/Project Inspection

During the term of this Agreement and during the period of time during which the Grantee must maintain records pursuant to Article VIII, the Department may:

- i. request such additional information regarding the Project as it deems necessary; and
- ii. conduct, at reasonable times and upon reasonable notice, onsite inspections of the Project.

Grantee shall respond to such requests for additional information within a reasonable period of time, as established by the Department.

ARTICLE IX. REQUEST FOR PAYMENT PROCEDURES AND DEADLINES

A. The Grantee shall request payment by submitting a Request for Payment, in the form provided by the Department. Payment requests are subject to the following procedures:

- i. The Grantee must submit a Request for Payment; and
- ii. Each Request for Payment must contain proof of payment by the Grantee or liabilities incurred by the Grantee showing that the expenditures are valid or are liabilities incurred by the Grantee in the form of actual unpaid invoices received by the Grantee for services rendered by a third party or items of tangible personal property received by the Grantee for the implementation of the Project; provided, however, that the Grantee may be reimbursed for unpaid liabilities only if the Department, in its sole and absolute discretion, agrees to do so and in accordance with any special conditions imposed by the Department.
- iii. In cases where the Grantee is submitting a Request for Payment to the Department based upon invoices received, but not yet paid, by the Grantee from a third party contractor or vendor, if the invoices comply with the provisions of this Agreement and are a valid liability of the Grantee, the Grantee shall make payment to those contractors or vendors within five (5) business days from the date of receiving reimbursement from the Department or such shorter period of time as the Department may prescribe in writing. The Grantee is required to certify to the Department proof of payment to the third party contractor or vendor within ten (10) business days from the date of receiving reimbursement from the Department.

B. The Grantee must obligate 5% of the Adjusted Appropriation Amount within six months of execution of the grant agreement and must have expended no less than 85% of the Adjusted Appropriation Amount six months prior to the reversion date.

C. Deadlines

Requests for Payments shall be submitted by Grantee to the Department on the earlier of:

- i. Immediately as they are received by the Grantee but at a minimum thirty (30) days from when the expenditure was incurred or liability of the Grantee was approved as evidenced by an unpaid invoice received by the Grantee from a third party contractor or vendor; or
- ii. Twenty (20) days from date of Early Termination; or

iii. Twenty (20) days from the Reversion Date.

D. The Grantee's failure to abide by the requirements set forth in Article II and Article IX herein will result in the denial of its Request for Payment or will delay the processing of Requests for Payment. The Department has the right to reject a payment request for the Project unless and until it is satisfied that the expenditures in the Request for Payment are for permissible purposes within the meaning of the Project Description and that the expenditures and the Grantee are otherwise in compliance with this Agreement, including but not limited to, compliance with the reporting requirements and the requirements set forth in Article II herein to provide Third Party Obligations and the Deadlines set forth in Article IX herein. The Department's ability to reject any Request for Payment is in addition to, and not in lieu of, any other legal or equitable remedy available to the Department due to Grantee's violation of this Agreement.

ARTICLE X. PROJECT CONDITIONS AND RESTRICTIONS; REPRESENTATIONS AND WARRANTIES

A. The following general conditions and restrictions are applicable to the Project:

- i. The Project's funds must be spent in accordance with all applicable state laws, regulations, policies, and guidelines, including, but not limited to, the State Procurement Code (or local procurement ordinance, where applicable).
- ii. The Project must be implemented in accordance with the New Mexico Public Works Minimum Wage Act, Section 13-4-10 through 13-4-17 NMSA 1978, as applicable. Every contract or project in excess of sixty thousand dollars (\$60,000) that the Grantee is a party to for construction, alteration, demolition or repair or any combination of these, including painting and decorating, of public buildings, public works or public roads and that requires or involves the employment of mechanics, laborers or both shall contain a provision stating the minimum wages and fringe benefits to be paid to various classes of laborers and mechanics, shall be based upon the wages and benefits that will be determined by the New Mexico Department of Workforce Solutions to be prevailing for the corresponding classes of laborers and mechanics employed on contract work of a similar nature in the locality. Further, every contract or project shall contain a stipulation that the contractor, subcontractor, employer or a person acting as a contractor shall pay all mechanics and laborers employed on the site of the project, unconditionally and not less often than once a week and without subsequent unlawful deduction or rebate on any account, the full amounts accrued at time of payment computed at wage rates and fringe benefit rates not less than those determined pursuant to Section 13-4-11 (B) NMSA 1978 to be the prevailing wage rates and prevailing fringe benefit rates issued for the project.
- iii. The Project may only benefit private entities in accordance with applicable law, including, but not limited to, Article IX, Section 14 of the Constitution of the State of New Mexico, the "Anti-Donation Clause."
- iv. The Grantee shall not for a period of 10 years from the date of this agreement convert any property acquired, built, renovated, repaired, designed or developed with the Project's funds to uses other than those specified in the Project Description without the Department's and the Board of Finance's express, advance, written approval, which may include a requirement to reimburse the State for the cost of the project, transfer proceeds from the disposition of property to the State, or otherwise provide consideration to the State.
- v. The Grantee shall comply with all federal and state laws, rules and regulations pertaining to equal employment opportunity. In accordance with all such laws, rules and regulations the Grantee agrees to assure that no person shall, on the grounds of race, color, national origin, sex, sexual preference, age or handicap, be excluded from employment with Grantee, be excluded from participation in the Project, be denied benefits or otherwise be subject to discrimination under, any activity performed under this Agreement. If Grantee is found to be not in compliance with these requirements during the life of this Agreement, Grantee agrees to take appropriate steps to correct any deficiencies. The Grantee's failure to implement such appropriate steps within a reasonable time constitutes grounds for terminating this Agreement.

B. The Grantee hereby represents and warrants the following:

- i. The Grantee has the legal authority to receive and expend the Project's funds.
- ii. This Agreement has been duly authorized by the Grantee, the person executing this Agreement has authority to do so, and, once executed by the Grantee, this Agreement shall constitute a binding obligation of the Grantee, enforceable according to its terms.
- iii. This Agreement and the Grantee's obligations hereunder do not conflict with any law or ordinance or resolution applicable to the Grantee, the Grantee's charter (if applicable), or any judgment or decree to which the Grantee is subject.
- iv. The Grantee has independently confirmed that the Project Description, including, but not limited to, the amount and Reversion Date, is consistent with the underlying appropriation in law.
- v. The Grantee's governing body has duly adopted or passed as an official act a resolution, motion, or similar action authorizing the person identified as the official representative of the Grantee to sign the Agreement and to sign Requests for Payment.
- vi. The Grantee shall abide by New Mexico laws regarding conflicts of interest, governmental conduct and whistleblower

protection. The Grantee specifically agrees that no officer or employee of the local jurisdiction or its designees or agents, no member of the governing body, and no other public official of the locality who exercises any function or responsibility with respect to this Grant, during their tenure or for one year thereafter, shall have any interest, direct or indirect, in any contract or subcontract, or the proceeds thereof, for work to be performed or goods to be received, pursuant to this Grant. Further, Grantee shall require all of its contractors to incorporate in all subcontracts the language set forth in this paragraph prohibiting conflicts of interest.

- vii. No funds have been paid or will be paid, by or on behalf of the Grantee, to any person for influencing or attempting to influence an officer or employee of this or any agency or body in connection with the awarding of any Third Party Obligation and that the Grantee shall require certifying language prohibiting lobbying to be included in the award documents for all subawards, including subcontracts, loans and cooperative agreements. All subrecipients shall be required to certify accordingly.

ARTICLE XI. STRICT ACCOUNTABILITY OF RECEIPTS AND DISBURSEMENTS; PROJECT RECORDS

- A. The Grantee shall be strictly accountable for receipts and disbursements relating to the Project's funds. The Grantee shall follow generally accepted accounting principles, and, if feasible, maintain a separate bank account or fund with a separate organizational code, for the funds to assure separate budgeting and accounting of the funds.
- B. For a period of six (6) years following the Project's completion, the Grantee shall maintain all Project related records, including, but not limited to, all financial records, requests for proposals, invitations to bid, selection and award criteria, contracts and subcontracts, advertisements, minutes of pertinent meetings, as well as records sufficient to fully account for the amount and disposition of the total funds from all sources budgeted for the Project, the purpose for which such funds were used, and such other records as the Department shall prescribe.
- C. The Grantee shall make all Project records available to the Department, the Department of Finance and Administration, and the New Mexico State Auditor upon request. ARTICLE XIII. LIABILITY

Neither party shall be responsible for liability incurred as a result of the other party's acts or omissions in connection with this Agreement. Any liability incurred in connection with this Agreement is subject to immunities and limitations of the New Mexico Tort Claims Act.

ARTICLE XIV. SCOPE OF AGREEMENT

The Grantee acknowledges, warrants, and agrees that Grantee shall include a "non-appropriations" clause in all contracts between it and other parties that are (i) funded in whole or part by funds made available under this Agreement and (ii) entered into after the effective date of this Agreement that states:

"The terms of this Agreement are contingent upon sufficient appropriations and authorization being made by the Legislature of New Mexico for the performance of this Agreement. If sufficient appropriations and authorization are not made by the Legislature, the **CITY OF SANTA FE** may immediately terminate this Agreement by giving Contractor written notice of such termination. ARTICLE XVI. REQUIRED TERMINATION CLAUSE IN CONTRACTS FUNDED IN WHOLE OR PART BY FUNDS MADE AVAILABLE UNDER THIS AGREEMENT

Grantee acknowledges, warrants, and agrees that Grantee shall include the following termination clause in all contracts that are (i) funded in whole or part by funds made available under this Agreement and (ii) entered into after the effective date of this Agreement:

“This contract is funded in whole or in part by funds made available under a DFA/LGD Grant Agreement. Should the DFA/LGD early terminate the grant agreement, the CITY OF SANTA FE may early terminate this contract by providing Contractor written notice of such termination. In the event of termination pursuant to this paragraph, the CITY OF SANTA FE only liability shall be to pay Contractor for acceptable goods delivered and services rendered before the termination date.”

Grantee hereby waives any rights to assert an impairment of contract claim against the Department or the State of New Mexico in the event of Early Termination of this Agreement by the Department.

ARTICLE XVII. COMPLIANCE WITH UNIFORM FUNDING CRITERIA.

A. Throughout the term of this Agreement, Grantee shall:

1. submit all reports of annual audits and agreed upon procedures required by Section 12-6-3(A)-(B) NMSA 1978 by the due dates established in 2.2.2 NMAC, reports of which must be a public record pursuant to Section 12-6-5(A) NMSA 1978 within forty-five days of delivery to the State Auditor;
2. have a duly adopted budget for the current fiscal year approved by its budgetary oversight agency (if any);

ARTICLE XVIII. SEVERANCE TAX BOND AND GENERAL OBLIGATION BOND PROJECT CLAUSES

A. Grantee acknowledges and agrees that the underlying appropriation for the Project is a severance tax bond or general obligation bond appropriation, and that the associated bond proceeds are administered by the New Mexico State Board of Finance (SBOF), an entity separate and distinct from the Department. Grantee acknowledges and agrees that (i) it is Grantee's sole and absolute responsibility to determine through SBOF staff what (if any) conditions are currently imposed on the Project; (ii) the Department's failure to inform Grantee of a SBOF imposed condition does not affect the validity or enforceability of the condition; (iii) the SBOF may in the future impose further or different conditions upon the Project; (iv) all SBOF conditions are effective without amendment of this Agreement; (v) all applicable SBOF conditions must be satisfied before the SBOF will release to the Department funds subject to the condition(s); and (vi) the Department's obligation to reimburse Grantee from the Project is contingent upon the then current SBOF conditions being satisfied.

B. Grantee acknowledges and agrees that the SBOF may in its sole and absolute discretion remove a project's assigned bond proceeds if the project doesn't proceed sufficiently. Entities must comply with the requirement to encumber five percent (5%) of Project funds within six months of bond issuance as certified by the grantee in the Bond Questionnaire and Certification documents submitted to the SBOF. Failure to comply may result in the bond proceeds reassignment to a new ready project. If this should occur this grant agreement will be suspended until the entity has demonstrated readiness as determined by the SBOF and the Department.

C. Grantee acknowledges and agrees that this Agreement is subject to the SBOF's Bond Project Disbursements rule, NMAC 2.61.6, as may be amended or re-codified. The rule provides definitions and interpretations of grant language for the purpose of determining whether a particular activity is allowable under the authorizing language of the agreement.

Subject: MOU Between Santa Fe County and City of Santa Fe

ACTION:

Request for the Approval of a Memorandum of Agreement (MOA) between Santa Fe County and City of Santa Fe regarding the County's contribution of funds to the City for Water and Wastewater Planning.

BACKGROUND AND SUMMARY:

The City of Santa Fe Water Division (Water) is in the process of completing 40 and 80-year water plans under the Santa Fe 2100 water plan, as directed under Resolution 2019-56. As part of this comprehensive planning effort, the City has entered into 2021 Santa Fe Integrated Management System Model and the 2023 Rio Grande Basin Study MOAs with the United States Bureau of Reclamation (USBR). These MOAs are cost-share agreements that utilize state-of-the-science climate hydrology projections to evaluate future supply and demand conditions and develop adaptation strategies to ensure the City will continue to provide a safe and reliable water supply into the next century.

The City is partnered with Santa Fe County on several water resources agreements, including Amended and Restated Water Resources Agreement, the BDD Shared Pool agreement, the San Juan Chama Return Flow Project, and the Buckman Direct Diversion (BDD) joint powers agreement. The attached MOA builds on these agreements and will provide for a more comprehensive Santa Fe 2100 water plan that will utilize modeling analyses tools (STEWaRDS) to jointly evaluate City and County water supply vulnerabilities and adaptation strategies under climate change scenarios. The joint Santa Fe 2100 water plan outlined in this MOA will develop synergies in water resources and asset management and provide for a more integrated evaluation of City-County requirements centered on the Paseo Real Water Reclamation Facility Master Plan.

REQUEST:

Review and approval of the MOA between the City and County regarding the County's contributions of funds to support integration of County water supply and demand planning efforts with the City for water and Planning.

MEMORANDUM OF AGREEMENT
BETWEEN SANTA FE COUNTY AND THE CITY OF SANTA FE
REGARDING THE COUNTY’S CONTRIBUTION OF FUNDS TO THE CITY FOR
WATER & WASTEWATER PLANNING

THIS MEMORANDUM OF AGREEMENT (“Agreement”) is entered into on this 9 day of December, 2024 by and between SANTA FE COUNTY (“COUNTY”) and the CITY OF SANTA FE, a charter municipality organized under the laws of New Mexico (“CITY”).

RECITALS:

WHEREAS, the City and County share ownership of the Buckman Direct Diversion (BDD), and collaboratively manage water deliveries from this and other sources to City and County utility customers through an interconnected transmission and distribution network; and

WHEREAS, the City has agreed to supply up to 1,350 acre-feet/year to the County under the Amended and Restated Water Resources Agreement, and the City and County have a successful history of working together to manage water deliveries to their customers and planning for the future; and

WHEREAS, the City adopted Resolution No. 2019-56, which directed the development of 40-year and 80-year water plans to evaluate the City’s water demand and supplies, including implementation of operational scenarios to maximize the City’s existing water supplies; and

WHEREAS, the City and County have successfully collaborated on recent planning efforts including the Santa Fe Basin Study; and

WHEREAS, collaborating on a regional water planning effort will ensure a reliable and sustainable water supply to their customers; and

WHEREAS, a shared planning process will ensure a shared understanding of potential future supply and demand scenarios; and

WHEREAS, in order to support the planning process for its 40-year and 80-year water plans, the City has contracted with a third party for services to collect and analyze the necessary data for evaluating water demand and supplies and evaluating potential adaptation strategies necessary to meet future demands (the City's contractual services); and

WHEREAS, the City has developed a model (STEWARDS) to evaluate supply vulnerabilities and adaptation strategies under various future climate scenarios; and

WHEREAS, the County has collected certain data related to the County's water demand and supplies; and

WHEREAS, analysis of the data related to the identification of any additional needs of the County would allow integration of the County's water demand, supplies, and adaptation strategies with the City's water plans for the development of an integrated water plan that will support the development of City and County 40-year plans (the Water Planning Project); and

WHEREAS, an integrated water plan can provide the benefits of a regional entity while maintaining independence of the City and County by developing an iterative approach to the planning analysis that anticipates and enables integration of other entities upon subsequent iteration; and

WHEREAS, the County wishes to contribute certain funds to the City for analysis of data

required for the integration of County water supplies, demands, and adaptation strategies into the integrated water plan; and

WHEREAS, the City is implementing an update to its wastewater master plan, and the County has expressed interest in supporting an analysis of the data required for the integration of the County's future wastewater supply and demand (Wastewater Planning Project); and

WHEREAS, the County has retained a professional engineering firm to prepare a County Regional Effluent Management Plan, the purpose of which is to plan and model for wastewater collection and re-use in the South Sector of the County utility service area; and **WHEREAS**, the County has budgeted up to \$246,000.00 to contribute to the Water Planning Project and \$25,000.00 for the Wastewater Planning Project (collectively "Planning Projects"); however, any funding identified in this MOA or its amendments does not encompass funding for community outreach.

AGREEMENT

NOW, THEREFORE, THE PARTIES AGREE:

- b. Model integration into the City STEWARDS model;
- c. Joint City and County supply projections; and
- d. Evaluation of County adaptation strategies and plan documentation.

C. The following tasks are anticipated for the Wastewater Planning Project and will be completed within the budget as practicable:

- a. Continued coordination and future planning of County wastewater conveyance to the City wastewater treatment facility; and

The County will pay to the City the costs and expenses for both Planning Projects' contractual services, that are part of an approved scope and fee, not-to-exceed the sum of \$246,000.00 for water and \$ 25,000.00 for wastewater, inclusive of New Mexico Gross Receipts Tax. On a monthly basis, the City shall provide the County with written statements of costs incurred by the City that are related to the Planning Projects. The County shall, within thirty (30) days of receipt of a written statement of costs from the City, remit payment to the City for the actual costs of the City's contractual project for the Planning Projects. The Santa Fe County community engagement and public involvement components to accompany this planning effort will be managed and

funded separately from this MOA.

E. The County may cooperatively procure these services from the City's contract.

2. LIMITATION ON PAYMENTS.

a. The County funds to be paid under this Agreement shall not exceed Two Hundred Forty-Six Thousand Dollars (\$246,000.00), inclusive of New Mexico Gross Receipts Tax, and shall be paid solely to reimburse the City for its actual contractual costs and expenses for the Water Planning Project.

4. **TERMINATION.** This Agreement may be terminated by either party upon written notice delivered to the other party at least thirty (30) days prior to the intended date of termination. By such termination, neither party may nullify obligations already incurred for performance or failure to perform, prior to the date of termination.

5. **LIABILITY.** Each party shall be liable for its actions in accordance with this

Agreement.

6. NEW MEXICO TORT CLAIMS ACT. Any liability incurred by the City or County in connection with this Agreement is subject to the immunities and limitations of the New Mexico Tort Claims Act, NMSA 1978, Section 41-4-1, et. seq., as amended. The City, the County and their “public employees” as defined in the New Mexico Tort Claims Act, do not waive sovereign immunity, do not waive any defense and do not waive any limitation of liability pursuant to law. No provision in this Agreement modifies or waives any provision of the New Mexico Tort Claims Act.

7. THIRD PARTY BENEFICIARIES. By entering into this Agreement, the parties do not intend to create any right, title or interest in or for the benefit of any person other than the City and the County. No person or entity shall claim any right, title or interest under this Agreement or seek to enforce this Agreement as a third-party beneficiary.

8. ASSIGNMENT

Neither the City nor the County shall assign or transfer any interest in this Agreement or assign any claims for money due or to become due under this Agreement without the prior written approval of the other party.

Laws of 2022, Chapter 53, Section 30, Paragraph 404, Two Hundred Thousand Dollars and Zero Cents (\$200,000.00), to plan, design, construct, improve and equip a facility for a Santa Fe meals program serving homebound and special needs individuals in Santa Fe county;

The Grantee's total reimbursements shall not exceed Two Hundred Thousand Dollars and Zero Cents \$200,000.00 (the "Appropriation Amount") minus the allocation for Art in Public Places ("AIPP amount")¹⁷, if applicable, Two Thousand Dollars and Zero Cents \$2,000.00, which equals One Hundred and Ninety Eight Thousand Dollars and Zero Cents \$198,000.00 (the "Adjusted Appropriation Amount").

In the event of a conflict among the Appropriation Amount, the Reversion Date, as defined herein and/or the purpose of the Project, as set forth in this Agreement, and the corresponding appropriation language in the laws cited above in this Article I(A), the language of the laws cited herein shall control.

This project is referred to throughout the remainder of this Agreement as the "Project"; the information contained in Article I(A) is referred to collectively throughout the remainder of this Agreement as the "Project Description." [OPTIONAL LANGUAGE: "Optional Attachment A sets forth additional or more stringent requirements and conditions, which are incorporated by this reference as if set forth fully herein. If Optional Attachment A imposes more stringent requirements than any requirement set forth in this Agreement, the more stringent requirements of Attachment A shall prevail, in the event of irreconcilable conflict.] The Grantee shall reference the Project's number in all correspondence with and submissions to the Department concerning the Project, including, but not limited to, Requests for Payment and reports.

ARTICLE II. LIMITATION ON DEPARTMENT'S OBLIGATION TO MAKE GRANT DISBURSEMENT TO GRANTEE

A. Upon the Effective Date of this Agreement, for permissible purposes within the scope of the Project Description, the Grantee shall only be reimbursed monies for which the Department has issued and the Grantee has received a Notice of Department's Obligation to Reimburse¹⁸ Grantee (hereinafter referred to as "Notice of Obligation"). This Grant Agreement and the disbursement of any and all amounts of the above referenced Adjusted Appropriation Amount are expressly conditioned upon the following:

- (i) Irrespective of any Notice of Obligation, the Grantee's expenditures shall be made on or before the Reversion Date and, if applicable, an Early Termination Date (i.e., the goods have been delivered and accepted or the title to the goods has been transferred to the Grantee and/or the services have been rendered for the Grantee); and
- (ii) The total amount received by the Grantee shall not exceed the lesser of: (a) the Adjusted Appropriation Amount identified in Article I(A) herein or (b) the total of all amounts stated in the Notice(s) of Obligation evidencing that the Department has received and accepted the Grantee's Third Party Obligation(s), as defined in subparagraph iii of this Article II(A); and
- (iii) The Grantee's expenditures were made pursuant to the State Procurement Code and execution of binding written obligations or purchase orders with third party contractors or vendors for the provision of services, including professional services, or the purchase of tangible personal property and real property for the Project, hereinafter referred to as "Third Party Obligations"; and
- (iv) The Grantee's submittal of timely Requests for Payment in accordance with the procedures set forth in Article IX of this Agreement; and

¹⁷ The AIPP amount is "an amount of money equal to one percent or two hundred thousand dollars (\$200,000), whichever is less, of the amount of money appropriated for new construction or any major renovation exceeding one hundred thousand dollars (\$100,000)." Section 13-4A-4 NMSA 1978.

¹⁸ "Reimburse" as used throughout this Agreement includes Department payments to the Grantee for invoices received, but not yet paid, by the Grantee from a third party contractor or vendor, if the invoices comply with the provisions of this Agreement and are a valid liability of the Grantee.

- (v) In the event that capital assets acquired with Project funds are to be sold, leased, or licensed to or operated by a private entity, the sale, lease, license, or operating agreement:
 - a. must be approved by the applicable oversight entity (if any) in accordance with law; or
 - b. if no oversight entity is required to approve the transaction, the Department must approve the transaction as complying with law.

Prior to the sale, lease, license, or operating agreement being approved pursuant to Articles II(A)(v)(a) and II(A)(v)(b) herein, the Department may, in its sole and absolute discretion and unless inconsistent with State Board of Finance imposed conditions, reimburse the Grantee for necessary expenditures incurred to develop the Project sufficiently to make the sale, lease, license, or operating agreement commercially feasible, such as plan and design expenditures; and

- (vi) The Grantee's submission of documentation of all Third Party Obligations and amendments thereto (including terminations) to the Department and the Department's issuance and the Grantee's receiving of a Notice of Obligation for a particular amount in accordance with the terms of this Agreement shall be governed by the following:
 - a. The Grantee shall submit to the Department one copy of all Third Party Obligations and amendments thereto (including terminations) as soon as possible after execution by the Third Party **but prior to execution by the Grantee.**
 - b. Grantee acknowledges and agrees that if it chooses to enter into a Third Party Obligation prior to receiving a Notice of Obligation that covers the expenditure, it is solely responsible for such obligations.
 - c. The Department may, in its sole and absolute discretion, issue to Grantee a Notice of Obligation for the particular amount of that Third Party Obligation that only obligates the Department to reimburse Grantee's expenditures made on or before the Reversion Date or an Early Termination Date. The current Notice of Obligation form is attached to this Agreement as Exhibit 2.
 - d. The date the Department signs the Notice of Obligation is the date that the Department's Notice of Obligation is effective. After that date, the Grantee is authorized to budget the particular amount set forth in the Notice of Obligation, execute the Third Party Obligation and request the Third Party to begin work. Payment for any work performed or goods received prior to the effective date of the Notice of Obligation is wholly and solely the obligation of the Grantee.

B. The Grantee shall implement, in all respects, the Project. The Grantee shall provide all necessary qualified personnel, material, and facilities to implement the Project. The Grantee shall finance its share (if any) of the costs of the Project, including all Project overruns.

C. Project funds shall not be used for purposes other than those specified in the Project Description.

D. Unless specifically allowed by law, Project funds cannot be used to reimburse Grantee for indirect Project costs.

ARTICLE IV. REVERSION DATE, TERM, DEADLINE TO EXPEND FUNDS

A. As referenced in Article I(A), the applicable law establishes a date by which Project funds must be expended by Grantee, which is referred to throughout the remainder of this Agreement as the "Reversion Date." Upon being duly executed by both parties, this Agreement shall be effective as of the date of execution by the Department. It shall terminate on **June 30, 2026** the Reversion Date unless Terminated Before Reversion Date ("Early Termination") pursuant to Article V herein.

B. The Project's funds must be expended on or before the Reversion Date and, if applicable, Early Termination Date of this Agreement. For purposes of this Agreement, it is not sufficient for the Grantee to encumber the Project funds on its books on or before the Project's Reversion Date or Early Termination Date. Funds are expended and an expenditure has occurred as of the date that a particular quantity of goods are delivered to and received by the Grantee or title to the goods is transferred to the Grantee and/or as of the date particular services are rendered for the Grantee. Funds are *not* expended and an expenditure has *not* occurred as of the date they are encumbered by the Grantee pursuant to a contract or purchase order with a third party.

ARTICLE V. EARLY TERMINATION

A. Early Termination Before Reversion Date Due to Completion of the Project or Complete Expenditure of the Adjusted Appropriation or Violation of this Agreement

Early Termination includes:

- (i) Termination due to completion of the Project before the Reversion Date; or
- (ii) Termination due to complete expenditure of the Adjusted Appropriation Amount before the Reversion Date; or
- (iii) Termination for violation of the terms of this Agreement; or
- (iv) Termination for suspected mishandling of public funds, including but not limited to, fraud, waste, abuse, and conflicts of interest.

Either the Department or the Grantee may early terminate this Agreement prior to the Reversion Date by providing the other party with a minimum of fifteen (15) days' advance, written notice of early termination. Grantee hereby waives any rights to assert an impairment of contract claim against the Department or the State of New Mexico in the event of Early Termination of this Agreement by the Department pursuant to Article V(A).

B. Early Termination Before Reversion Date Due to Non-appropriation

The terms of this Agreement are expressly made contingent upon sufficient appropriations and authorization being made by the Legislature of New Mexico for the performance of this Agreement. Throughout this Agreement the term "non-appropriate" or "non-appropriation" includes the following actions by the New Mexico Legislature: deauthorization, reauthorization or revocation of a prior authorization. The Legislature may choose to non-appropriate the Appropriation referred to in Article I and, if that occurs, the Department shall early terminate this Agreement for non-appropriation by giving the Grantee written notice of such termination, and such termination shall be effective as of the effective date of the law making the non-appropriation. The Department's decision as to whether sufficient appropriations or authorizations are available shall be accepted by the Grantee and shall be final. Grantee hereby waives any rights to assert an impairment of contract claim against the Department or the State of New Mexico in the event of Early Termination of this Agreement by the Department pursuant to Article V(B).

C. Limitation on Department's Obligation to Make Grant Disbursements to Grantee in the Event of Early Termination

In the event of Early Termination of this Agreement by either party, the Department's sole and absolute obligation to reimburse the Grantee is expressly conditioned upon the limitations set forth Article II.

ARTICLE VI. SUSPENSION OF NEW OR FURTHER OBLIGATIONS

A. The Department may choose, in its sole and absolute discretion, to provide written notice to the Grantee to suspend entering into new and further obligations. Upon the receipt of such written notice by the Grantee:

- (i) The Grantee shall immediately suspend entering into new or further written obligations with third parties; and
- (ii) The Department will suspend the issuance of any new or further Notice of Obligation under this Agreement; and
- (iii) The Department may direct the Grantee to implement a corrective action plan in accordance with Article VI(D) herein.

B. In the event of Suspension of this Agreement, the Department's sole and absolute obligation to reimburse the Grantee is expressly conditioned upon the limitations set forth in Article II herein.

C. A suspension of new or further obligations under this Agreement shall remain in effect unless or until the date the Grantee receives written notice given by the Department informing the Grantee that the Suspension has been lifted or that the Agreement has been Early Terminated in accordance with Article V herein. If the Suspension is lifted, the Department will consider further requests for Notice of Obligation.

D. Corrective Action Plan in the Event of Suspension

In the event that the Department chooses, in its sole and absolute discretion to direct the Grantee to suspend entering into new or further written obligations with third parties pursuant to Article VI(A), the Department may, but is not obligated to, require the Grantee to develop and implement a written corrective action plan to remedy the grounds for the Suspension. Such corrective action plan must be approved by the Department and be signed by the Grantee. Failure to sign a corrective action plan or meet the terms and deadlines set forth in the signed corrective action plan, is hereby deemed a violation of the terms of this Agreement for purposes of Early Termination, Article V(A)(iii). The corrective action plan is in addition to, and not in lieu of, any other equitable or legal remedy, including but not limited to Early Termination.

ARTICLE VII. AMENDMENT

This Agreement shall not be altered, changed, or amended except by instrument in writing duly executed by both the parties hereto.

ARTICLE VIII. REPORTS

A. Database Reporting

The Grantee shall report quarterly Project activity by entering such Project information as the Department and the Department of Finance and Administration may require, such information entered directly into a database maintained by the Department of Finance and Administration (Budget & Formulation Management System). Additionally, the Grantee shall certify on the Request for Payment form (Exhibit 1) that updates have been maintained and are current in the database. The Grantee hereby acknowledges that failure to perform and/or certify updates into the database will delay or potentially jeopardize the reimbursement of funds. The Department shall give Grantee a minimum of thirty (30) days' advance written notice of any changes to the information the Grantee is required to report.

Quarterly reports shall be due on the last day of the month that is 30 days prior to the end of the quarter following execution of this Agreement by the Department and ending during the quarter of the submission of the final request for reimbursement for the Project, or the following quarter.

B. Requests for Additional Information/Project Inspection

During the term of this Agreement and during the period of time during which the Grantee must maintain records pursuant to Article VIII, the Department may:

- (i) request such additional information regarding the Project as it deems necessary; and
- (ii) conduct, at reasonable times and upon reasonable notice, onsite inspections of the Project.

Grantee shall respond to such requests for additional information within a reasonable period of time, as established by the Department.

ARTICLE IX. REQUEST FOR PAYMENT PROCEDURES AND DEADLINES

A. The Grantee shall request payment by submitting a Request for Payment, in the form attached hereto as Exhibit 1. Payment requests are subject to the following procedures:

- (i) The Grantee must submit a Request for Payment; and
- (ii) Each Request for Payment must contain proof of payment by the Grantee or liabilities incurred by the Grantee showing that the expenditures are valid or are liabilities incurred by the Grantee in the form of actual unpaid invoices received by the Grantee for services rendered by a third party or items of tangible personal property received by the Grantee for the implementation of the Project; provided, however, that the Grantee may be reimbursed for unpaid liabilities only if the Department, in its sole and absolute discretion, agrees to do so and in accordance with any special conditions imposed by the Department.
- (iii) In cases where the Grantee is submitting a Request for Payment to the Department based upon invoices received, but not yet paid, by the Grantee from a third party contractor or vendor, if the invoices comply with the provisions of this Agreement and are a valid liability of the Grantee, the Grantee shall make payment to those contractors or vendors within five (5) business days from the date of receiving reimbursement from the Department or such shorter period of time as the Department may prescribe in writing. The Grantee is required to certify to the Department proof of payment to the third party contractor or vendor within ten (10) business days from the date of receiving reimbursement from the Department.

B. The Grantee must obligate 5% of the Adjusted Appropriation Amount within six months of acceptance of the grant agreement and must have expended no less than 85% of the Adjusted Appropriation Amount six months prior to the reversion date.

C. Deadlines

Requests for Payments shall be submitted by Grantee to the Department on the earlier of:

- (i) Immediately as they are received by the Grantee but at a minimum thirty (30) days from when the expenditure was incurred or liability of the Grantee was approved as evidenced by an unpaid invoice received by the Grantee from a third party contractor or vendor; or
- (ii) Twenty (20) days from date of Early Termination; or
- (iii) Twenty (20) days from the Reversion Date.

D. The Grantee's failure to abide by the requirements set forth in Article II and Article IX herein will result in the denial of its Request for Payment or will delay the processing of Requests for Payment. The Department has the right to reject a payment request for the Project unless and until it is satisfied that the expenditures in the Request for Payment are for permissible purposes within the meaning of the Project Description and that the expenditures and the Grantee are otherwise in compliance with this Agreement, including but not limited to, compliance with the reporting requirements and the requirements set forth in Article II herein to provide Third Party Obligations and the Deadlines set forth in Article IX herein. The Department's ability to reject any Request for Payment is in addition to, and not in lieu of, any other legal or equitable remedy available to the Department due to Grantee's violation of this Agreement.

ARTICLE X. PROJECT CONDITIONS AND RESTRICTIONS; REPRESENTATIONS AND WARRANTIES

- A. The following general conditions and restrictions are applicable to the Project:
- (i) The Project’s funds must be spent in accordance with all applicable state laws, regulations, policies, and guidelines, including, but not limited to, the State Procurement Code (or local procurement ordinance, where applicable).
 - (ii) The Project must be implemented in accordance with the New Mexico Public Works Minimum Wage Act, Section 13-4-10 through 13-4-17 NMSA 1978, as applicable. Every contract or project in excess of sixty thousand dollars (\$60,000) that the Grantee is a party to for construction, alteration, demolition or repair or any combination of these, including painting and decorating, of public buildings, public works or public roads and that requires or involves the employment of mechanics, laborers or both shall contain a provision stating the minimum wages and fringe benefits to be paid to various classes of laborers and mechanics, shall be based upon the wages and benefits that will be determined by the New Mexico Department of Workforce Solutions to be prevailing for the corresponding classes of laborers and mechanics employed on contract work of a similar nature in the locality. Further, every contract or project shall contain a stipulation that the contractor, subcontractor, employer or a person acting as a contractor shall pay all mechanics and laborers employed on the site of the project, unconditionally and not less often than once a week and without subsequent unlawful deduction or rebate on any account, the full amounts accrued at time of payment computed at wage rates and fringe benefit rates not less than those determined pursuant to Section 13-4-11 (B) NMSA 1978 to be the prevailing wage rates and prevailing fringe benefit rates issued for the project.
 - (iii) The Project may only benefit private entities in accordance with applicable law, including, but not limited to, Article IX, Section 14 of the Constitution of the State of New Mexico, the “Anti-Donation Clause.”
 - (iv) The Grantee shall not for a period of 10 years from the date of this agreement convert any property acquired, built, renovated, repaired, designed or developed with the Project’s funds to uses other than those specified in the Project Description without the Department's and the Board of Finance’s express, advance, written approval, which may include a requirement to reimburse the State for the cost of the project, transfer proceeds from the disposition of property to the State, or otherwise provide consideration to the State.
 - (v) The Grantee shall comply with all federal and state laws, rules and regulations pertaining to equal employment opportunity. In accordance with all such laws, rules and regulations the Grantee agrees to assure that no person shall, on the grounds of race, color, national origin, sex, sexual preference, age or handicap, be excluded from employment with Grantee, be excluded from participation in the Project, be denied benefits or otherwise be subject to discrimination under, any activity performed under this Agreement. If Grantee is found to be not in compliance with these requirements during the life of this Agreement, Grantee agrees to take appropriate steps to correct any deficiencies. The Grantee's failure to implement such appropriate steps within a reasonable time constitutes grounds for terminating this Agreement.
- B. The Grantee hereby represents and warrants the following:
- (i) The Grantee has the legal authority to receive and expend the Project’s funds.

- (ii) This Agreement has been duly authorized by the Grantee, the person executing this Agreement has authority to do so, and, once executed by the Grantee, this Agreement shall constitute a binding obligation of the Grantee, enforceable according to its terms.
- (iii) This Agreement and the Grantee's obligations hereunder do not conflict with any law or ordinance or resolution applicable to the Grantee, the Grantee's charter (if applicable), or any judgment or decree to which the Grantee is subject.
- (iv) The Grantee has independently confirmed that the Project Description, including, but not limited to, the amount and Reversion Date, is consistent with the underlying appropriation in law.
- (v) The Grantee's governing body has duly adopted or passed as an official act a resolution, motion, or similar action authorizing the person identified as the official representative of the Grantee to sign the Agreement and to sign Requests for Payment.
- (vi) The Grantee shall abide by New Mexico laws regarding conflicts of interest, governmental conduct and whistleblower protection. The Grantee specifically agrees that no officer or employee of the local jurisdiction or its designees or agents, no member of the governing body, and no other public official of the locality who exercises any function or responsibility with respect to this Grant, during their tenure or for one year thereafter, shall have any interest, direct or indirect, in any contract or subcontract, or the proceeds thereof, for work to be performed or goods to be received, pursuant to this Grant. Further, Grantee shall require all of its contractors to incorporate in all subcontracts the language set forth in this paragraph prohibiting conflicts of interest.
- (vii) No funds have been paid or will be paid, by or on behalf of the Grantee, to any person for influencing or attempting to influence an officer or employee of this or any agency or body in connection with the awarding of any Third Party Obligation and that the Grantee shall require certifying language prohibiting lobbying to be included in the award documents for all subawards, including subcontracts, loans and cooperative agreements. All subrecipients shall be required to certify accordingly.

ARTICLE XI. STRICT ACCOUNTABILITY OF RECEIPTS AND DISBURSEMENTS; PROJECT RECORDS

A. The Grantee shall be strictly accountable for receipts and disbursements relating to the Project's funds. The Grantee shall follow generally accepted accounting principles, and, if feasible, maintain a separate bank account or fund with a separate organizational code, for the funds to assure separate budgeting and accounting of the funds.

B. For a period of six (6) years following the Project's completion, the Grantee shall maintain all Project related records, including, but not limited to, all financial records, requests for proposals, invitations to bid, selection and award criteria, contracts and subcontracts, advertisements, minutes of pertinent meetings, as well as records sufficient to fully account for the amount and disposition of the total funds from all sources budgeted for the Project, the purpose for which such funds were used, and such other records as the Department shall prescribe.

C. The Grantee shall make all Project records available to the Department, the Department of Finance and Administration, and the New Mexico State Auditor upon request. With respect to the funds that are the subject of this Agreement, if the State Auditor or the Department of Finance and Administration finds that any

or all of these funds were improperly expended, the Grantee may be required to reimburse to the State of New Mexico, to the originating fund, any and all amounts found to be improperly expended.

ARTICLE XII. IMPROPERLY REIMBURSED FUNDS

If the Department determines that part or all of the Appropriation Amount was improperly reimbursed to Grantee, including but not limited to, Project funds reimbursed to Grantee based upon fraud, mismanagement, misrepresentation, misuse, violation of law by the Grantee, or violation of this Agreement, the Grantee shall return such funds to the Department for disposition in accordance with law.

ARTICLE XIII. LIABILITY

Neither party shall be responsible for liability incurred as a result of the other party's acts or omissions in connection with this Agreement. Any liability incurred in connection with this Agreement is subject to immunities and limitations of the New Mexico Tort Claims Act.

ARTICLE XIV. SCOPE OF AGREEMENT

This Agreement constitutes the entire and exclusive agreement between the Grantee and Department concerning the subject matter hereof. The Agreement supersedes any and all prior or contemporaneous agreements, understandings, discussions, communications, and representations, written or verbal.

ARTICLE XV. REQUIRED NON-APPROPRIATIONS CLAUSE IN CONTRACTS FUNDED IN WHOLE OR PART BY FUNDS MADE AVAILABLE UNDER THIS AGREEMENT

The Grantee acknowledges, warrants, and agrees that Grantee shall include a “non-appropriations” clause in all contracts between it and other parties that are (i) funded in whole or part by funds made available under this Agreement and (ii) entered into after the effective date of this Agreement that states:

“The terms of this Agreement are contingent upon sufficient appropriations and authorization being made by the Legislature of New Mexico for the performance of this Agreement. If sufficient appropriations and authorization are not made by the Legislature, the **City of Santa Fe** may immediately terminate this Agreement by giving Contractor written notice of such termination. The **City of Santa Fe**'s decision as to whether sufficient appropriations are available shall be accepted by the Contractor and shall be final. Contractor hereby waives any rights to assert an impairment of contract claim against the **City of Santa Fe** or the Department of Finance and Administration, Local Government Division (DFA/LGD) or the State of New Mexico in the event of immediate or Early Termination of this Agreement by the **City of Santa Fe** or the “Department.”

ARTICLE XVI. REQUIRED TERMINATION CLAUSE IN CONTRACTS FUNDED IN WHOLE OR PART BY FUNDS MADE AVAILABLE UNDER THIS AGREEMENT

Grantee acknowledges, warrants, and agrees that Grantee shall include the following termination clause in all contracts that are (i) funded in whole or part by funds made available under this Agreement and (ii) entered into after the effective date of this Agreement:

“This contract is funded in whole or in part by funds made available under a DFA/LGD Grant Agreement. Should the DFA/LGD early terminate the grant agreement, the **City of Santa Fe** may early terminate this contract by providing Contractor written notice of such termination. In the event of termination pursuant to this paragraph, the **City of Santa Fe** only liability shall be to pay Contractor for acceptable goods delivered and services rendered before the termination date.”

Grantee hereby waives any rights to assert an impairment of contract claim against the Department or the State of New Mexico in the event of Early Termination of this Agreement by the Department.

ARTICLE XVII. COMPLIANCE WITH UNIFORM FUNDING CRITERIA.

A. Throughout the term of this Agreement, Grantee shall:

1. submit all reports of annual audits and agreed upon procedures required by Section 12-6-3(A)-(B) NMSA 1978 by the due dates established in 2.2.2 NMAC, reports of which must be a public record pursuant to Section 12-6-5(A) NMSA 1978 within forty-five days of delivery to the State Auditor;
2. have a duly adopted budget for the current fiscal year approved by its budgetary oversight agency (if any);
3. timely submit all required financial reports to its budgetary oversight agency (if any); and
4. have adequate accounting methods and procedures to expend grant funds in accordance with applicable law and account for and safeguard grant funds and assets acquired by grant funds.

B. In the event Grantee fails to comply with the requirements of Paragraph A of this Article XVII, the Department may take one or more of the following actions:

1. suspend new or further obligations pursuant to Article VI(A) of this Agreement;
2. require the Grantee to develop and implement a written corrective action plan pursuant to Article VI(D) of this Agreement to remedy the non-compliance;
3. impose special grant conditions to address the non-compliance by giving the Grantee notice of such special conditions in accordance with Article III of this Agreement; the special conditions shall be binding and effective on the date that notice is deemed to have been given pursuant to Article III; or
4. terminate this Agreement pursuant to Article V(A) of this Agreement.

ARTICLE XVIII. [OPTIONAL IF THE APPROPRIATION IS FUNDED BY SEVERANCE TAX BONDS OR GENERAL OBLIGATION BONDS] SEVERANCE TAX BOND AND GENERAL OBLIGATION BOND PROJECT CLAUSES

A. Grantee acknowledges and agrees that the underlying appropriation for the Project is a severance tax bond or general obligation bond appropriation, and that the associated bond proceeds are administered by the New Mexico State Board of Finance (SBOF), an entity separate and distinct from the Department. Grantee acknowledges and agrees that (i) it is Grantee’s sole and absolute responsibility to determine through SBOF staff what (if any) conditions are currently imposed on the Project; (ii) the Department’s failure to inform Grantee of a SBOF imposed condition does not affect the validity or enforceability of the condition; (iii) the SBOF may in the future impose further or different conditions upon the Project; (iv) all SBOF conditions are effective without amendment of this Agreement; (v) all applicable SBOF conditions must be satisfied before the SBOF will release to the Department funds subject to the condition(s); and (vi) the Department’s obligation to reimburse Grantee from the Project is contingent upon the then current SBOF conditions being satisfied.

B. Grantee acknowledges and agrees that the SBOF may in its sole and absolute discretion remove a project's assigned bond proceeds if the project doesn't proceed sufficiently. Entities must comply with the requirement to encumber five percent (5%) of Project funds within six months of bond issuance as certified by the grantee in the Bond Questionnaire and Certification documents submitted to the SBOF. Failure to comply may result in the bond proceeds reassignment to a new ready project. If this should occur this grant agreement will be suspended until the entity has demonstrated readiness as determined by the SBOF and the Department.

C. Grantee acknowledges and agrees that this Agreement is subject to the SBOF's Bond Project Disbursements rule, NMAC 2.61.6, as may be amended or re-codified. The rule provides definitions and interpretations of grant language for the purpose of determining whether a particular activity is allowable under the authorizing language of the agreement.

AGREEMENT

NOW, THEREFORE, in consideration of the mutual covenants and obligations contained herein, the parties hereby mutually agree as follows:

ARTICLE I. PROJECT DESCRIPTION, AMOUNT OF GRANT AND REVERSION DATE

A. The project that is the subject of this Agreement is described as follows:

23-H3202 \$200,000.00 APPROPRIATION REVERSION DATE: June 30, 2027

Laws of 2023, Chapter 199, Section 28, Paragraph 448, Two Hundred Thousand Dollars and Zero Cents (\$200,000.00), to plan, design, construct, equip, renovate and improve facilities, including heating, ventilation and air conditioning systems, used by a meals program serving homebound and special needs individuals in Santa Fe in Santa Fe county;

The Grantee's total reimbursements shall not exceed Two Hundred Thousand Dollars and Zero Cents \$200,000.00 (the "Appropriation Amount") minus the allocation for Art in Public Places ("AIPP amount")⁵³, if applicable, Two Thousand Dollars and Zero Cents \$2,000.00 which equals One Hundred and Ninety Eight Thousand Dollars and Zero Cents \$198,000.00 (the "Adjusted Appropriation Amount").

In the event of a conflict among the Appropriation Amount, the Reversion Date, as defined herein and/or the purpose of the Project, as set forth in this Agreement, and the corresponding appropriation language in the laws cited above in this Article I(A), the language of the laws cited herein shall control.

This project is referred to throughout the remainder of this Agreement as the "Project"; the information contained in Article I(A) is referred to collectively throughout the remainder of this Agreement as the "Project Description." The Grantee shall reference the Project's number in all correspondence with and submissions to the Department concerning the Project, including, but not limited to, Requests for Payment and reports.

ARTICLE II. LIMITATION ON DEPARTMENT'S OBLIGATION TO MAKE GRANT DISBURSEMENT TO GRANTEE

A. Upon the Effective Date of this Agreement, for permissible purposes within the scope of the Project Description, the Grantee shall only be reimbursed monies for which the Department has issued and the Grantee has received a Notice of Department's Obligation to Reimburse⁵⁴ Grantee (hereinafter referred to as "Notice of Obligation"). This Grant Agreement and the disbursement of any and all amounts of the above referenced Adjusted Appropriation Amount are expressly conditioned upon the following:

- (i) Irrespective of any Notice of Obligation, the Grantee's expenditures shall be made on or before the Reversion Date and, if applicable, an Early Termination Date (i.e., the goods have been delivered and accepted or the title to the goods has been transferred to the Grantee and/or the services have been rendered for the Grantee); and
- (ii) The total amount received by the Grantee shall not exceed the lesser of: (a) the Adjusted Appropriation Amount identified in Article I(A) herein or (b) the total of all amounts stated in the Notice(s) of Obligation evidencing that the Department has received and accepted the Grantee's Third Party Obligation(s), as defined in subparagraph iii of this Article II(A); and
- (iii) The Grantee's expenditures were made pursuant to the State Procurement Code and execution of binding written obligations or purchase orders with third party contractors or vendors for the provision of services, including professional services, or the purchase of tangible personal property and real property for the Project, hereinafter referred to as "Third Party Obligations"; and
- (iv) The Grantee's submittal of timely Requests for Payment in accordance with the procedures set forth in Article IX of this Agreement; and

⁵³ The AIPP amount is "an amount of money equal to one percent or two hundred thousand dollars (\$200,000), whichever is less, of the amount of money appropriated for new construction or any major renovation exceeding one hundred thousand dollars (\$100,000)." Section 13-4A-4 NMSA 1978.

⁵⁴ "Reimburse" as used throughout this Agreement includes Department payments to the Grantee for invoices received, but not yet paid, by the Grantee from a third party contractor or vendor, if the invoices comply with the provisions of this Agreement and are a valid liability of the Grantee.

- (v) In the event that capital assets acquired with Project funds are to be sold, leased, or licensed to or operated by a private entity, the sale, lease, license, or operating agreement:
 - a. must be approved by the applicable oversight entity (if any) in accordance with law; or
 - b. if no oversight entity is required to approve the transaction, the Department must approve the transaction as complying with law.

Prior to the sale, lease, license, or operating agreement being approved pursuant to Articles II(A)(v)(a) and II(A)(v)(b) herein, the Department may, in its sole and absolute discretion and unless inconsistent with State Board of Finance imposed conditions, reimburse the Grantee for necessary expenditures incurred to develop the Project sufficiently to make the sale, lease, license, or operating agreement commercially feasible, such as plan and design expenditures; and

- (vi) The Grantee's submission of documentation of all Third Party Obligations and amendments thereto (including terminations) to the Department and the Department's issuance and the Grantee's receiving of a Notice of Obligation for a particular amount in accordance with the terms of this Agreement shall be governed by the following:
 - a. The Grantee shall submit to the Department one copy of all Third Party Obligations and amendments thereto (including terminations) as soon as possible after execution by the Third Party **but prior to execution by the Grantee.**
 - b. Grantee acknowledges and agrees that if it chooses to enter into a Third Party Obligation prior to receiving a Notice of Obligation that covers the expenditure, it is solely responsible for such obligations.
 - c. The Department may, in its sole and absolute discretion, issue to Grantee a Notice of Obligation for the particular amount of that Third Party Obligation that only obligates the Department to reimburse Grantee's expenditures made on or before the Reversion Date or an Early Termination Date. The current Notice of Obligation form is attached to this Agreement as Exhibit 2.
 - d. The date the Department signs the Notice of Obligation is the date that the Department's Notice of Obligation is effective. After that date, the Grantee is authorized to budget the particular amount set forth in the Notice of Obligation, execute the Third Party Obligation and request the Third Party to begin work. Payment for any work performed or goods received prior to the effective date of the Notice of Obligation is wholly and solely the obligation of the Grantee.

B. The Grantee shall implement, in all respects, the Project. The Grantee shall provide all necessary qualified personnel, material, and facilities to implement the Project. The Grantee shall finance its share (if any) of the costs of the Project, including all Project overruns.

C. Project funds shall not be used for purposes other than those specified in the Project Description.

ARTICLE IV. REVERSION DATE, TERM, DEADLINE TO EXPEND FUNDS

A. As referenced in Article I(A), the applicable law establishes a date by which Project funds must be expended by Grantee, which is referred to throughout the remainder of this Agreement as the “Reversion Date.” Upon being duly executed by both parties, this Agreement shall be effective as of the date of execution by the Department. It shall terminate on **June 30, 2027** the Reversion Date unless Terminated Before Reversion Date (“Early Termination”) pursuant to Article V herein.

B. The Project’s funds must be expended on or before the Reversion Date and, if applicable, Early Termination Date of this Agreement. For purposes of this Agreement, it is not sufficient for the Grantee to encumber the Project funds on its books on or before the Project’s Reversion Date or Early Termination Date. Funds are expended and an expenditure has occurred as of the date that a particular quantity of goods are delivered to and received by the Grantee or title to the goods is transferred to the Grantee and/or as of the date particular services are rendered for the Grantee. Funds are *not* expended and an expenditure has *not* occurred as of the date they are encumbered by the Grantee pursuant to a contract or purchase order with a third party.

ARTICLE V. EARLY TERMINATION

A. Early Termination Before Reversion Date Due to Completion of the Project or Complete Expenditure of the Adjusted Appropriation or Violation of this Agreement

Early Termination includes:

- (i) Termination due to completion of the Project before the Reversion Date; or
- (ii) Termination due to complete expenditure of the Adjusted Appropriation Amount before the Reversion Date; or
- (iii) Termination for violation of the terms of this Agreement; or
- (iv) Termination for suspected mishandling of public funds, including but not limited to, fraud, waste, abuse, and conflicts of interest.

Either the Department or the Grantee may early terminate this Agreement prior to the Reversion Date by providing the other party with a minimum of fifteen (15) days’ advance, written notice of early termination. Grantee hereby waives any rights to assert an impairment of contract claim against the Department or the State of New Mexico in the event of Early Termination of this Agreement by the Department pursuant to Article V(A).

B. Early Termination Before Reversion Date Due to Non-appropriation

The terms of this Agreement are expressly made contingent upon sufficient appropriations and authorization being made by the Legislature of New Mexico for the performance of this Agreement. Throughout this Agreement the term “non-appropriate” or “non-appropriation” includes the following actions by the New Mexico Legislature: deauthorization, reauthorization or revocation of a prior authorization. The Legislature may choose to non-appropriate the Appropriation referred to in Article I and, if that occurs, the Department shall early terminate this Agreement for non-appropriation by giving the Grantee written notice of such termination, and such termination shall be effective as of the effective date of the law making the non-appropriation. The Department’s decision as to whether sufficient appropriations or authorizations are available shall be accepted by the Grantee and shall be final. Grantee hereby waives any rights to assert an impairment of contract claim against the Department or the State of New Mexico in the event of Early Termination of this Agreement by the Department pursuant to Article V(B).

C. Limitation on Department’s Obligation to Make Grant Disbursements to Grantee in the Event of Early Termination

In the event of Early Termination of this Agreement by either party, the Department’s sole and absolute obligation to reimburse the Grantee is expressly conditioned upon the limitations set forth Article II.

ARTICLE VI. SUSPENSION OF NEW OR FURTHER OBLIGATIONS

A. The Department may choose, in its sole and absolute discretion, to provide written notice to the Grantee to suspend entering into new and further obligations. Upon the receipt of such written notice by the Grantee:

- (i) The Grantee shall immediately suspend entering into new or further written obligations with third parties; and
- (ii) The Department will suspend the issuance of any new or further Notice of Obligation under this Agreement; and
- (iii) The Department may direct the Grantee to implement a corrective action plan in accordance with Article VI(D) herein.

B. In the event of Suspension of this Agreement, the Department’s sole and absolute obligation to reimburse the Grantee is expressly conditioned upon the limitations set forth in Article II herein.

C. A suspension of new or further obligations under this Agreement shall remain in effect unless or until the date the Grantee receives written notice given by the Department informing the Grantee that the Suspension has been lifted or that the Agreement has been Early Terminated in accordance with Article V herein. If the Suspension is lifted, the Department will consider further requests for Notice of Obligation.

D. Corrective Action Plan in the Event of Suspension

In the event that the Department chooses, in its sole and absolute discretion to direct the Grantee to suspend entering into new or further written obligations with third parties pursuant to Article VI(A), the Department may, but is not obligated to, require the Grantee to develop and implement a written corrective action plan to remedy the grounds for the Suspension. Such corrective action plan must be approved by the Department and be signed by the Grantee. Failure to sign a corrective action plan or meet the terms and deadlines set forth in the signed corrective action plan, is hereby deemed a violation of the terms of this Agreement for purposes of Early Termination, Article V(A)(iii). The corrective action plan is in addition to, and not in lieu of, any other equitable or legal remedy, including but not limited to Early Termination.

ARTICLE VII. AMENDMENT

This Agreement shall not be altered, changed, or amended except by instrument in writing duly executed by both the parties hereto.

ARTICLE VIII. REPORTS

A. Database Reporting

The Grantee shall report quarterly Project activity by entering such Project information as the Department and the Department of Finance and Administration may require, such information entered directly into a database maintained by the Department of Finance and Administration (Budget & Formulation Management System). Additionally, the Grantee shall certify on the Request for Payment form (Exhibit 1) that updates have been maintained and are current in the

database. The Grantee hereby acknowledges that failure to perform and/or certify updates into the database will delay or potentially jeopardize the reimbursement of funds. The Department shall give Grantee a minimum of thirty (30) days' advance written notice of any changes to the information the Grantee is required to report.

Quarterly reports shall be due on the last day of the month that is 30 days prior to the end of the quarter following execution of this Agreement by the Department and ending during the quarter of the submission of the final request for reimbursement for the Project, or the following quarter.

B. Requests for Additional Information/Project Inspection

During the term of this Agreement and during the period of time during which the Grantee must maintain records pursuant to Article VIII, the Department may:

- (i) request such additional information regarding the Project as it deems necessary; and
- (ii) conduct, at reasonable times and upon reasonable notice, onsite inspections of the Project.

Grantee shall respond to such requests for additional information within a reasonable period of time, as established by the Department.

ARTICLE IX. REQUEST FOR PAYMENT PROCEDURES AND DEADLINES

A. The Grantee shall request payment by submitting a Request for Payment, in the form attached hereto as Exhibit 1. Payment requests are subject to the following procedures:

- (i) The Grantee must submit a Request for Payment; and
- (ii) Each Request for Payment must contain proof of payment by the Grantee or liabilities incurred by the Grantee showing that the expenditures are valid or are liabilities incurred by the Grantee in the form of actual unpaid invoices received by the Grantee for services rendered by a third party or items of tangible personal property received by the Grantee for the implementation of the Project; provided, however, that the Grantee may be reimbursed for unpaid liabilities only if the Department, in its sole and absolute discretion, agrees to do so and in accordance with any special conditions imposed by the Department.
- (iii) In cases where the Grantee is submitting a Request for Payment to the Department based upon invoices received, but not yet paid, by the Grantee from a third party contractor or vendor, if the invoices comply with the provisions of this Agreement and are a valid liability of the Grantee, the Grantee shall make payment to those contractors or vendors within five (5) business days from the date of receiving reimbursement from the Department or such shorter period of time as the Department may prescribe in writing. The Grantee is required to certify to the Department proof of payment to the third party contractor or vendor within ten (10) business days from the date of receiving reimbursement from the Department.

B. The Grantee must obligate 5% of the Adjusted Appropriation Amount within six months of acceptance of the grant agreement and must have expended no less than 85% of the Adjusted Appropriation Amount six months prior to the reversion date.

C. Deadlines

Requests for Payments shall be submitted by Grantee to the Department on the earlier of:

- (i) Immediately as they are received by the Grantee but at a minimum thirty (30) days from when the expenditure was incurred or liability of the Grantee was approved as evidenced by an unpaid invoice received by the Grantee from a third party contractor or vendor; or
- (ii) Twenty (20) days from date of Early Termination; or
- (iii) Twenty (20) days from the Reversion Date.

D. The Grantee's failure to abide by the requirements set forth in Article II and Article IX herein will result in the denial of its Request for Payment or will delay the processing of Requests for Payment. The Department has the right to reject a payment request for the Project unless and until it is satisfied that the expenditures in the Request for Payment are for permissible purposes within the meaning of the Project Description and that the expenditures and the Grantee are otherwise in compliance with this Agreement, including but not limited to, compliance with the reporting requirements and the requirements set forth in Article II herein to provide Third Party Obligations and the Deadlines set forth in Article IX herein. The Department's ability to reject any Request for Payment is in addition to, and not in lieu of, any other legal or equitable remedy available to the Department due to Grantee's violation of this Agreement.

ARTICLE X. PROJECT CONDITIONS AND RESTRICTIONS; REPRESENTATIONS AND WARRANTIES

- A. The following general conditions and restrictions are applicable to the Project:

Every contract or project in excess of sixty thousand dollars (\$60,000) that the Grantee is a party to for construction, alteration, demolition or repair or any combination of these, including painting and decorating, of public buildings, public works or public roads and that requires or involves the employment of mechanics, laborers or both shall contain a provision stating the minimum wages and fringe benefits to be paid to various classes of laborers and mechanics, shall be based upon the wages and benefits that will be determined by the New Mexico Department of Workforce Solutions to be prevailing for the corresponding classes of laborers and mechanics employed on contract work of a similar nature in the locality. Further, every contract or project shall contain a stipulation that the contractor, subcontractor, employer or a person acting as a contractor shall pay all mechanics and laborers employed on the site of the project, unconditionally and not less often than once a week and without subsequent unlawful deduction or rebate on any account, the full amounts accrued at time of payment computed at wage rates and fringe benefit rates not less than those determined pursuant to Section 13-4-11 (B) NMSA 1978 to be the prevailing wage rates and prevailing fringe benefit rates issued for the project.
 - (iii) The Project may only benefit private entities in accordance with applicable law, including, but not limited to, Article IX, Section 14 of the Constitution of the State of New Mexico, the “Anti-Donation Clause.”
 - (iv) The Grantee shall not for a period of 10 years from the date of this agreement convert any property acquired, built, renovated, repaired, designed or developed with the Project’s funds to uses other than those specified in the Project Description without the Department's and the Board of Finance’s express, advance, written approval, which may include a requirement to reimburse the State for the cost of the project, transfer proceeds from the disposition of property to the State, or otherwise provide consideration to the State.
 - (v) The Grantee shall comply with all federal and state laws, rules and regulations pertaining to equal employment opportunity. In accordance with all such laws, rules and regulations the Grantee agrees to assure that no person shall, on the grounds of race, color, national origin, sex, sexual preference, age or handicap, be excluded from employment with Grantee, be excluded from participation in the Project, be denied benefits or otherwise be subject to discrimination under, any activity performed under this Agreement. If Grantee is found to be not in compliance with these requirements during the life of this Agreement, Grantee agrees to take appropriate steps to correct any deficiencies. The Grantee's failure to implement such appropriate steps within a reasonable time constitutes grounds for terminating this Agreement.
- B. The Grantee hereby represents and warrants the following:
- (i) The Grantee has the legal authority to receive and expend the Project’s funds.

- (ii) This Agreement has been duly authorized by the Grantee, the person executing this Agreement has authority to do so, and, once executed by the Grantee, this Agreement shall constitute a binding obligation of the Grantee, enforceable according to its terms.
- (iii) This Agreement and the Grantee's obligations hereunder do not conflict with any law or ordinance or resolution applicable to the Grantee, the Grantee's charter (if applicable), or any judgment or decree to which the Grantee is subject.
- (iv) The Grantee has independently confirmed that the Project Description, including, but not limited to, the amount and Reversion Date, is consistent with the underlying appropriation in law.
- (v) The Grantee's governing body has duly adopted or passed as an official act a resolution, motion, or similar action authorizing the person identified as the official representative of the Grantee to sign the Agreement and to sign Requests for Payment.
- (vi) The Grantee shall abide by New Mexico laws regarding conflicts of interest, governmental conduct and whistleblower protection. The Grantee specifically agrees that no officer or employee of the local jurisdiction or its designees or agents, no member of the governing body, and no other public official of the locality who exercises any function or responsibility with respect to this Grant, during their tenure or for one year thereafter, shall have any interest, direct or indirect, in any contract or subcontract, or the proceeds thereof, for work to be performed or goods to be received, pursuant to this Grant. Further, Grantee shall require all of its contractors to incorporate in all subcontracts the language set forth in this paragraph prohibiting conflicts of interest.
- (vii) No funds have been paid or will be paid, by or on behalf of the Grantee, to any person for influencing or attempting to influence an officer or employee of this or any agency or body in connection with the awarding of any Third Party Obligation and that the Grantee shall require certifying language prohibiting lobbying to be included in the award documents for all subawards, including subcontracts, loans and cooperative agreements. All subrecipients shall be required to certify accordingly.

ARTICLE XI. STRICT ACCOUNTABILITY OF RECEIPTS AND DISBURSEMENTS; PROJECT RECORDS

A. The Grantee shall be strictly accountable for receipts and disbursements relating to the Project's funds. The Grantee shall follow generally accepted accounting principles, and, if feasible, maintain a separate bank account or fund with a separate organizational code, for the funds to assure separate budgeting and accounting of the funds.

B. For a period of six (6) years following the Project's completion, the Grantee shall maintain all Project related records, including, but not limited to, all financial records, requests for proposals, invitations to bid, selection and award criteria, contracts and subcontracts, advertisements, minutes of pertinent meetings, as well as records sufficient to fully account for the amount and disposition of the total funds from all sources budgeted for the Project, the purpose for which such funds were used, and such other records as the Department shall prescribe.

C. The Grantee shall make all Project records available to the Department, the Department of Finance and Administration, and the New Mexico State Auditor upon request. With respect to the funds that are the subject of this Agreement, if the State Auditor or the Department of Finance and Administration finds that any

or all of these funds were improperly expended, the Grantee may be required to reimburse to the State of New Mexico, to the originating fund, any and all amounts found to be improperly expended.

ARTICLE XII. IMPROPERLY REIMBURSED FUNDS

If the Department determines that part or all of the Appropriation Amount was improperly reimbursed to Grantee, including but not limited to, Project funds reimbursed to Grantee based upon fraud, mismanagement, misrepresentation, misuse, violation of law by the Grantee, or violation of this Agreement, the Grantee shall return such funds to the Department for disposition in accordance with law.

ARTICLE XIII. LIABILITY

Neither party shall be responsible for liability incurred as a result of the other party's acts or omissions in connection with this Agreement. Any liability incurred in connection with this Agreement is subject to immunities and limitations of the New Mexico Tort Claims Act.

ARTICLE XIV. SCOPE OF AGREEMENT

This Agreement constitutes the entire and exclusive agreement between the Grantee and Department concerning the subject matter hereof. The Agreement supersedes any and all prior or contemporaneous agreements, understandings, discussions, communications, and representations, written or verbal.

ARTICLE XV. REQUIRED NON-APPROPRIATIONS CLAUSE IN CONTRACTS FUNDED IN WHOLE OR PART BY FUNDS MADE AVAILABLE UNDER THIS AGREEMENT

The Grantee acknowledges, warrants, and agrees that Grantee shall include a “non-appropriations” clause in all contracts between it and other parties that are (i) funded in whole or part by funds made available under this Agreement and (ii) entered into after the effective date of this Agreement that states:

“The terms of this Agreement are contingent upon sufficient appropriations and authorization being made by the Legislature of New Mexico for the performance of this Agreement. If sufficient appropriations and authorization are not made by the Legislature, the **City of Santa Fe** may immediately terminate this Agreement by giving Contractor written notice of such termination. The **City of Santa Fe’s** decision as to whether sufficient appropriations are available shall be accepted by the Contractor and shall be final. Contractor hereby waives any rights to assert an impairment of contract claim against the **City of Santa Fe** or the Department of Finance and Administration, Local Government Division (DFA/LGD) or the State of New Mexico in the event of immediate or Early Termination of this Agreement by the **City of Santa Fe** or the “Department.”

ARTICLE XVI. REQUIRED TERMINATION CLAUSE IN CONTRACTS FUNDED IN WHOLE OR PART BY FUNDS MADE AVAILABLE UNDER THIS AGREEMENT

Grantee acknowledges, warrants, and agrees that Grantee shall include the following termination clause in all contracts that are (i) funded in whole or part by funds made available under this Agreement and (ii) entered into after the effective date of this Agreement:

“This contract is funded in whole or in part by funds made available under a DFA/LGD Grant Agreement. Should the DFA/LGD early terminate the grant agreement, the **City of Santa Fe** may early terminate this contract by providing Contractor written notice of such termination. In the event of termination pursuant to this paragraph, the **City of Santa Fe** only liability shall be to pay Contractor for acceptable goods delivered and services rendered before the termination date.”

Grantee hereby waives any rights to assert an impairment of contract claim against the Department or the State of New Mexico in the event of Early Termination of this Agreement by the Department.

ARTICLE XVII. COMPLIANCE WITH UNIFORM FUNDING CRITERIA.

A. Throughout the term of this Agreement, Grantee shall:

1. submit all reports of annual audits and agreed upon procedures required by Section 12-6-3(A)-(B) NMSA 1978 by the due dates established in 2.2.2 NMAC, reports of which must be a public record pursuant to Section 12-6-5(A) NMSA 1978 within forty-five days of delivery to the State Auditor;
2. have a duly adopted budget for the current fiscal year approved by its budgetary oversight agency (if any);
3. timely submit all required financial reports to its budgetary oversight agency (if any); and
4. have adequate accounting methods and procedures to expend grant funds in accordance with applicable law and account for and safeguard grant funds and assets acquired by grant funds.

B. In the event Grantee fails to comply with the requirements of Paragraph A of this Article XVII, the Department may take one or more of the following actions:

1. suspend new or further obligations pursuant to Article VI(A) of this Agreement;
2. require the Grantee to develop and implement a written corrective action plan pursuant to Article VI(D) of this Agreement to remedy the non-compliance;
3. impose special grant conditions to address the non-compliance by giving the Grantee notice of such special conditions in accordance with Article III of this Agreement; the special conditions shall be binding and effective on the date that notice is deemed to have been given pursuant to Article III; or
4. terminate this Agreement pursuant to Article V(A) of this Agreement.

ARTICLE XVIII. SEVERANCE TAX BOND AND GENERAL OBLIGATION BOND PROJECT CLAUSES

A. Grantee acknowledges and agrees that the underlying appropriation for the Project is a severance tax bond or general obligation bond appropriation, and that the associated bond proceeds are administered by the New Mexico State Board of Finance (SBOF), an entity separate and distinct from the Department. Grantee acknowledges and agrees that (i) it is Grantee’s sole and absolute responsibility to determine through SBOF staff what (if any) conditions are currently imposed on the Project; (ii) the Department’s failure to inform Grantee of a SBOF imposed condition does not affect the validity or enforceability of the condition; (iii) the SBOF may in the future impose further or different conditions upon the Project; (iv) all SBOF conditions are effective without amendment of this Agreement; (v) all applicable SBOF conditions must be satisfied before the SBOF will release to the Department funds subject to the condition(s); and (vi) the Department’s obligation to reimburse Grantee from the Project is contingent upon the then current SBOF conditions being satisfied.

B. Grantee acknowledges and agrees that the SBOF may in its sole and absolute discretion remove a project’s assigned bond proceeds if the project doesn’t proceed sufficiently. Entities must comply with the

requirement to encumber five percent (5%) of Project funds within six months of bond issuance as certified by the grantee in the Bond Questionnaire and Certification documents submitted to the SBOF. Failure to comply may result in the bond proceeds reassignment to a new ready project. If this should occur this grant agreement will be suspended until the entity has demonstrated readiness as determined by the SBOF and the Department.

C. Grantee acknowledges and agrees that this Agreement is subject to the SBOF's Bond Project Disbursements rule, NMAC 2.61.6, as may be amended or re-codified. The rule provides definitions and interpretations of grant language for the purpose of determining whether a particular activity is allowable under the authorizing language of the agreement.

Subject: Capital Appropriation Agreement Project 24-I4220 for Facility Leased to Kitchen Angels

ACTION:

Request for Approval of Capital Appropriation Agreement with New Mexico Department of Finance and Administration in the Total Amount of \$100,000 for Project 24-I4220 Improvements to the City Facility Leased to Kitchen Angels with a Reversion Date of June 30, 2026. (Caryn Grosse, PMP, Public Works Project Manager III, clgrosse@santafenm.gov)

Request for Approval of a Budget Amendment Resolution (BAR) to Allocate \$100,000 from the 2024 Capital Appropriation to FY25 Revenue and Expenses for Renovations to Facility Leased to Kitchen Angels.

BACKGROUND AND SUMMARY:

Kitchen Angels is the only organization that provides special needs meals to homebound individuals in Santa Fe. It is a 501(c)3 New Mexico nonprofit organization in "Good Standing." Since its founding in 1992, Kitchen Angels has served more than 2 million meals. Kitchen Angels is located at 1222 Siler Road, in a facility owned by the City of Santa Fe. The City and Kitchen Angels have a 20-year lease.

The City of Santa Fe received Capital Appropriation Project 24-I4220 in the amount of \$100,000, which reauthorizes Capital Appropriation Project 20-E2738. The reversion date for these funds is June 30, 2026.

This funding will be used for renovations and improvements to the building, including but not limited to parking lot improvements to increase parking, improve accessibility, and reduce flooding during rain events.

There are two additional state capital appropriation agreements for renovations to the facility leased to Kitchen Angels:

- Grant Agreement 22-G3016 — \$200,000 with a reversion date of June 30, 2026, for renovations and improvements to the building, including but not limited to the heating, ventilation, and air conditioning (HVAC) systems.
- Grant Agreement 23-H3202 — \$200,000 with a reversion date of June 30, 2027, for renovations and improvements to the building, including but not limited to the installation of a solar photovoltaic system to reduce costs.

All funds are expected to be utilized prior to the reversion dates.

If Optional Attachment A imposes more stringent requirements than any requirement set forth in this Agreement, the more stringent requirements of Attachment A shall prevail, in the event of irreconcilable conflict.] The Grantee shall reference the Project's number in all correspondence with and submissions to the Department concerning the Project, including, but not limited to, Requests for Payment and reports.

ARTICLE II. LIMITATION ON DEPARTMENT'S OBLIGATION TO MAKE GRANT DISBURSEMENT TO GRANTEE

- A. Upon the Effective Date of this Agreement, for permissible purposes within the scope of the Project Description, the Grantee shall only be reimbursed monies for which the Department has issued and the Grantee has received a Notice of Department's Obligation to Reimburse Grantee (hereinafter referred to as "Notice of Obligation"). This Grant Agreement and the disbursement of any and all amounts of the above referenced Adjusted Appropriation Amount are expressly conditioned upon the following:
- i. Irrespective of any Notice of Obligation, the Grantee's expenditures shall be made on or before the Reversion Date and, if applicable, an Early Termination Date (i.e., the goods have been delivered and accepted or the title to the goods has been transferred to the Grantee and/or the services have been rendered for the Grantee); and
 - ii. The total amount received by the Grantee shall not exceed the lesser of: (a) the Adjusted Appropriation Amount identified in Article I(A) herein or (b) the total of all amounts stated in the Notice(s) of Obligation evidencing that the Department has received and accepted the Grantee's Third Party Obligation(s), as defined in subparagraph iii of this Article II(A); and
 - iii. The Grantee's expenditures were made pursuant to the State Procurement Code and execution of binding written obligations or purchase orders with third party contractors or vendors for the provision of services, including professional services, or the purchase of tangible personal property and real property for the Project, hereinafter referred to as "Third Party Obligations"; and
 - iv. The Grantee's submittal of timely Requests for Payment in accordance with the procedures set forth in Article IX of this Agreement; and
 - v. In the event that capital assets acquired with Project funds are to be sold, leased, or licensed to or operated by a private entity, the sale, lease, license, or operating agreement:
 - a. must be approved by the applicable oversight entity (if any) in accordance with law; or
 - b. if no oversight entity is required to approve the transaction, the Department must approve the transaction as complying with law.
- Prior to the sale, lease, license, or operating agreement being approved pursuant to Articles II(A)(v)(a) and II(A)(v)(b) herein, the Department may, in its sole and absolute discretion and unless inconsistent with State Board of Finance imposed conditions, reimburse the Grantee for necessary expenditures incurred to develop the Project sufficiently to make the sale, lease, license, or operating agreement commercially feasible, such as plan and design expenditures; and
- vi. The Grantee shall request approval of its obligation(s) by submitting a Notice of Obligation form as provided by the Department. The Grantee's submission of documentation of all Third Party Obligations and amendments thereto (including terminations) to the Department and the Department's issuance and the Grantee's receiving of a Notice of Obligation for a particular amount in accordance with the terms of this Agreement shall be governed by the following:
 - a. The Grantee shall submit to the Department one copy of all Third Party Obligations and amendments thereto (including terminations) as soon as possible after execution by the Third Party **but prior to execution by the Grantee.**
 - b. Grantee acknowledges and agrees that if it chooses to enter into a Third Party Obligation prior to receiving a Notice of Obligation that covers the expenditure, it is solely responsible for such obligations.
 - c. The Department may, in its sole and absolute discretion, issue to Grantee a Notice of Obligation for the particular amount of that Third Party Obligation that only obligates the Department to reimburse Grantee's expenditures made on or before the Reversion Date or an Early Termination Date.
 - d. The date the Department signs the Notice of Obligation is the date that the Department's Notice of Obligation is effective. After that date, the Grantee is authorized to budget the particular amount set forth in the Notice of Obligation, execute the Third Party Obligation and request the Third Party to begin work. Payment for any work performed or goods received prior to the effective date of the Notice of Obligation is wholly and solely the obligation of the Grantee.
- B. The Grantee shall implement, in all respects, the Project. The Grantee shall provide all necessary qualified personnel, material, and facilities to implement the Project. The Grantee shall finance its share (if any) of the costs of the Project, including all Project overruns.
- C. Project funds shall not be used for purposes other than those specified in the Project Description.
- D. Unless specifically allowed by law, Project funds cannot be used to reimburse Grantee for indirect Project costs.

¹The AIPP amount is "an amount of money equal to one percent or two hundred thousand dollars (\$200,000), whichever is less, of the amount of money appropriated for new construction or any major renovation exceeding one hundred thousand dollars (\$100,000)." Section 13-4A-4 NMSA 1978.

²"Reimburse" as used throughout this Agreement includes Department payments to the Grantee for invoices received, but not yet paid, by the Grantee from a third party contractor or vendor, if the invoices comply with the provisions of this Agreement and are a valid liability of the Grantee.

ARTICLE IV. REVERSION DATE, TERM, DEADLINE TO EXPEND FUNDS

- A. As referenced in Article I(A), the applicable law establishes a date by which Project funds must be expended by Grantee, which is referred to throughout the remainder of this Agreement as the "Reversion Date." Upon being duly executed by both parties, this Agreement shall be effective as of the date of execution by the Department. It shall terminate on **June 30, 2026** the Reversion Date unless Terminated Before Reversion Date ("Early Termination") pursuant to Article V herein.
- B. The Project's funds must be expended on or before the Reversion Date and, if applicable, Early Termination Date of this Agreement. For purposes of this Agreement, it is not sufficient for the Grantee to encumber the Project funds on its books on or before the Project's Reversion Date or Early Termination Date. Funds are expended and an expenditure has occurred as of the date that a particular quantity of goods are delivered to and received by the Grantee or title to the goods is transferred to the Grantee and/or as of the date particular services are rendered for the Grantee. Funds are *not* expended and an expenditure has *not* occurred as of the date they are encumbered by the Grantee pursuant to a contract or purchase order with a third party.

ARTICLE V. EARLY TERMINATION

A. Early Termination Before Reversion Date Due to Completion of the Project or Complete Expenditure of the Adjusted Appropriation or Violation of this Agreement

Early Termination includes:

- i. Termination due to completion of the Project before the Reversion Date; or
- ii. Termination due to complete expenditure of the Adjusted Appropriation Amount before the Reversion Date; or
- iii. Termination for violation of the terms of this Agreement; or
- iv. Termination for suspected mishandling of public funds, including but not limited to, fraud, waste, abuse, and conflicts of interest.

Either the Department or the Grantee may early terminate this Agreement prior to the Reversion Date by providing the other party with a minimum of fifteen (15) days' advance, written notice of early termination. Grantee hereby waives any rights to assert an impairment of contract claim against the Department or the State of New Mexico in the event of Early Termination of this Agreement by the Department pursuant to Article V(A).

B. Early Termination Before Reversion Date Due to Non-appropriation

The terms of this Agreement are expressly made contingent upon sufficient appropriations and authorization being made by the Legislature of New Mexico for the performance of this Agreement. Throughout this Agreement the term "non-appropriate" or "non-appropriation" includes the following actions by the New Mexico Legislature: deauthorization, reauthorization or revocation of a prior authorization. The Legislature may choose to non-appropriate the Appropriation referred to in Article I and, if that occurs, the Department shall early terminate this Agreement for non-appropriation by giving the Grantee written notice of such termination, and such termination shall be effective as of the effective date of the law making the non-appropriation. The Department's decision as to whether sufficient appropriations or authorizations are available shall be accepted by the Grantee and shall be final. Grantee hereby waives any rights to assert an impairment of contract claim against the Department or the State of New Mexico in the event of Early Termination of this Agreement by the Department pursuant to Article V(B).

C. Limitation on Department's Obligation to Make Grant Disbursements to Grantee in the Event of Early Termination

In the event of Early Termination of this Agreement by either party, the Department's sole and absolute obligation to reimburse the Grantee is expressly conditioned upon the limitations set forth Article II.

ARTICLE VI. SUSPENSION OF NEW OR FURTHER OBLIGATIONS

- A. The Department may choose, in its sole and absolute discretion, to provide written notice to the Grantee to suspend entering into new and further obligations. Upon the receipt of such written notice by the Grantee:
- i. The Grantee shall immediately suspend entering into new or further written obligations with third parties; and
 - ii. The Department will suspend the issuance of any new or further Notice of Obligation under this Agreement; and
 - iii. The Department may direct the Grantee to implement a corrective action plan in accordance with Article VI(D) herein.

B. In the event of Suspension of this Agreement, the Department's sole and absolute obligation to reimburse the Grantee is expressly conditioned upon the limitations set forth in Article II herein.

C. A suspension of new or further obligations under this Agreement shall remain in effect unless or until the date the Grantee receives written notice given by the Department informing the Grantee that the Suspension has been lifted or that the Agreement has been Early Terminated in accordance with Article V herein. If the Suspension is lifted, the Department will consider further requests for Notice of Obligation.

D. Corrective Action Plan in the Event of Suspension

In the event that the Department chooses, in its sole and absolute discretion to direct the Grantee to suspend entering into new or further written obligations with third parties pursuant to Article VI(A), the Department may, but is not obligated to, require the Grantee to develop and implement a written corrective action plan to remedy the grounds for the Suspension. Such corrective action plan must be approved by the Department and be signed by the Grantee. Failure to sign a corrective action plan or meet the terms and deadlines set forth in the signed corrective action plan, is hereby deemed a violation of the terms of this Agreement for purposes of Early Termination, Article V(A)(iii). The corrective action plan is in addition to, and not in lieu of, any other equitable or legal remedy, including but not limited to Early Termination.

ARTICLE VII. AMENDMENT

This Agreement shall not be altered, changed, or amended except by instrument in writing duly executed by both the parties hereto.

ARTICLE VIII. REPORTS

A. Database Reporting

The Grantee shall report quarterly Project activity by entering such Project information as the Department and the Department of Finance and Administration may require, such information entered directly into a database maintained by the Department of Finance and Administration. Additionally, the Grantee shall certify on the Request for Payment form that updates have been maintained and are current in the database. The Grantee hereby acknowledges that failure to perform and/or certify updates into the database will delay or potentially jeopardize the reimbursement of funds. The Department shall give Grantee a minimum of thirty (30) days' advance written notice of any changes to the information the Grantee is required to report.

Quarterly reports are due on the last day of each quarter. Quarter end reporting periods are September 30th, December 31st, March 31st, and June 30th.

B. Requests for Additional Information/Project Inspection

During the term of this Agreement and during the period of time during which the Grantee must maintain records pursuant to Article VIII, the Department may:

- i. request such additional information regarding the Project as it deems necessary; and
- ii. conduct, at reasonable times and upon reasonable notice, onsite inspections of the Project.

Grantee shall respond to such requests for additional information within a reasonable period of time, as established by the Department.

ARTICLE IX. REQUEST FOR PAYMENT PROCEDURES AND DEADLINES

A. The Grantee shall request payment by submitting a Request for Payment, in the form provided by the Department. Payment requests are subject to the following procedures:

- i. The Grantee must submit a Request for Payment; and
- ii. Each Request for Payment must contain proof of payment by the Grantee or liabilities incurred by the Grantee showing that the expenditures are valid or are liabilities incurred by the Grantee in the form of actual unpaid invoices received by the Grantee for services rendered by a third party or items of tangible personal property received by the Grantee for the implementation of the Project; provided, however, that the Grantee may be reimbursed for unpaid liabilities only if the Department, in its sole and absolute discretion, agrees to do so and in accordance with any special conditions imposed by the Department.
- iii. In cases where the Grantee is submitting a Request for Payment to the Department based upon invoices received, but not yet paid, by the Grantee from a third party contractor or vendor, if the invoices comply with the provisions of this Agreement and are a valid liability of the Grantee, the Grantee shall make payment to those contractors or vendors within five (5) business days from the date of receiving reimbursement from the Department or such shorter period of time as the Department may prescribe in writing. The Grantee is required to certify to the Department proof of payment to the third party contractor or vendor within ten (10) business days from the date of receiving reimbursement from the Department.

B. The Grantee must obligate 5% of the Adjusted Appropriation Amount within six months of execution of the grant agreement and must have expended no less than 85% of the Adjusted Appropriation Amount six months prior to the reversion date.

C. Deadlines

Requests for Payments shall be submitted by Grantee to the Department on the earlier of:

- i. Immediately as they are received by the Grantee but at a minimum thirty (30) days from when the expenditure was incurred or liability of the Grantee was approved as evidenced by an unpaid invoice received by the Grantee from a third party contractor or vendor; or
- ii. Twenty (20) days from date of Early Termination; or

iii. Twenty (20) days from the Reversion Date.

D. The Grantee's failure to abide by the requirements set forth in Article II and Article IX herein will result in the denial of its Request for Payment or will delay the processing of Requests for Payment. The Department has the right to reject a payment request for the Project unless and until it is satisfied that the expenditures in the Request for Payment are for permissible purposes within the meaning of the Project Description and that the expenditures and the Grantee are otherwise in compliance with this Agreement, including but not limited to, compliance with the reporting requirements and the requirements set forth in Article II herein to provide Third Party Obligations and the Deadlines set forth in Article IX herein. The Department's ability to reject any Request for Payment is in addition to, and not in lieu of, any other legal or equitable remedy available to the Department due to Grantee's violation of this Agreement.

ARTICLE X. PROJECT CONDITIONS AND RESTRICTIONS; REPRESENTATIONS AND WARRANTIES

A. The following general conditions and restrictions are applicable to the Project:

- i. The Project's funds must be spent in accordance with all applicable state laws, regulations, policies, and guidelines, including, but not limited to, the State Procurement Code (or local procurement ordinance, where applicable).
- ii. The Project must be implemented in accordance with the New Mexico Public Works Minimum Wage Act, Section 13-4-10 through 13-4-17 NMSA 1978, as applicable. Every contract or project in excess of sixty thousand dollars (\$60,000) that the Grantee is a party to for construction, alteration, demolition or repair or any combination of these, including painting and decorating, of public buildings, public works or public roads and that requires or involves the employment of mechanics, laborers or both shall contain a provision stating the minimum wages and fringe benefits to be paid to various classes of laborers and mechanics, shall be based upon the wages and benefits that will be determined by the New Mexico Department of Workforce Solutions to be prevailing for the corresponding classes of laborers and mechanics employed on contract work of a similar nature in the locality. Further, every contract or project shall contain a stipulation that the contractor, subcontractor, employer or a person acting as a contractor shall pay all mechanics and laborers employed on the site of the project, unconditionally and not less often than once a week and without subsequent unlawful deduction or rebate on any account, the full amounts accrued at time of payment computed at wage rates and fringe benefit rates not less than those determined pursuant to Section 13-4-11 (B) NMSA 1978 to be the prevailing wage rates and prevailing fringe benefit rates issued for the project.
- iii. The Project may only benefit private entities in accordance with applicable law, including, but not limited to, Article IX, Section 14 of the Constitution of the State of New Mexico, the "Anti-Donation Clause."
- iv. The Grantee shall not for a period of 10 years from the date of this agreement convert any property acquired, built, renovated, repaired, designed or developed with the Project's funds to uses other than those specified in the Project Description without the Department's and the Board of Finance's express, advance, written approval, which may include a requirement to reimburse the State for the cost of the project, transfer proceeds from the disposition of property to the State, or otherwise provide consideration to the State.
- v. The Grantee shall comply with all federal and state laws, rules and regulations pertaining to equal employment opportunity. In accordance with all such laws, rules and regulations the Grantee agrees to assure that no person shall, on the grounds of race, color, national origin, sex, sexual preference, age or handicap, be excluded from employment with Grantee, be excluded from participation in the Project, be denied benefits or otherwise be subject to discrimination under, any activity performed under this Agreement. If Grantee is found to be not in compliance with these requirements during the life of this Agreement, Grantee agrees to take appropriate steps to correct any deficiencies. The Grantee's failure to implement such appropriate steps within a reasonable time constitutes grounds for terminating this Agreement.

B. The Grantee hereby represents and warrants the following:

- i. The Grantee has the legal authority to receive and expend the Project's funds.
- ii. This Agreement has been duly authorized by the Grantee, the person executing this Agreement has authority to do so, and, once executed by the Grantee, this Agreement shall constitute a binding obligation of the Grantee, enforceable according to its terms.
- iii. This Agreement and the Grantee's obligations hereunder do not conflict with any law or ordinance or resolution applicable to the Grantee, the Grantee's charter (if applicable), or any judgment or decree to which the Grantee is subject.
- iv. The Grantee has independently confirmed that the Project Description, including, but not limited to, the amount and Reversion Date, is consistent with the underlying appropriation in law.
- v. The Grantee's governing body has duly adopted or passed as an official act a resolution, motion, or similar action authorizing the person identified as the official representative of the Grantee to sign the Agreement and to sign Requests for Payment.
- vi. The Grantee shall abide by New Mexico laws regarding conflicts of interest, governmental conduct and whistleblower

protection. The Grantee specifically agrees that no officer or employee of the local jurisdiction or its designees or agents, no member of the governing body, and no other public official of the locality who exercises any function or responsibility with respect to this Grant, during their tenure or for one year thereafter, shall have any interest, direct or indirect, in any contract or subcontract, or the proceeds thereof, for work to be performed or goods to be received, pursuant to this Grant. Further, Grantee shall require all of its contractors to incorporate in all subcontracts the language set forth in this paragraph prohibiting conflicts of interest.

- vii. No funds have been paid or will be paid, by or on behalf of the Grantee, to any person for influencing or attempting to influence an officer or employee of this or any agency or body in connection with the awarding of any Third Party Obligation and that the Grantee shall require certifying language prohibiting lobbying to be included in the award documents for all subawards, including subcontracts, loans and cooperative agreements. All subrecipients shall be required to certify accordingly.

ARTICLE XI. STRICT ACCOUNTABILITY OF RECEIPTS AND DISBURSEMENTS; PROJECT RECORDS

- A. The Grantee shall be strictly accountable for receipts and disbursements relating to the Project's funds. The Grantee shall follow generally accepted accounting principles, and, if feasible, maintain a separate bank account or fund with a separate organizational code, for the funds to assure separate budgeting and accounting of the funds.
- B. For a period of six (6) years following the Project's completion, the Grantee shall maintain all Project related records, including, but not limited to, all financial records, requests for proposals, invitations to bid, selection and award criteria, contracts and subcontracts, advertisements, minutes of pertinent meetings, as well as records sufficient to fully account for the amount and disposition of the total funds from all sources budgeted for the Project, the purpose for which such funds were used, and such other records as the Department shall prescribe.
- C. The Grantee shall make all Project records available to the Department, the Department of Finance and Administration, and the New Mexico State Auditor upon request. With respect to the funds that are the subject of this Agreement, if the State Auditor or the Department of Finance and Administration finds that any or all of these funds were improperly expended, the Grantee may be required to reimburse to the State of New Mexico, to the originating fund, any and all amounts found to be improperly expended.

ARTICLE XII. IMPROPERLY REIMBURSED FUNDS

If the Department determines that part or all of the Appropriation Amount was improperly reimbursed to Grantee, including but not limited to, Project funds reimbursed to Grantee based upon fraud, mismanagement, misrepresentation, misuse, violation of law by the Grantee, or violation of this Agreement, the Grantee shall return such funds to the Department for disposition in accordance with law.

ARTICLE XIII. LIABILITY

Neither party shall be responsible for liability incurred as a result of the other party's acts or omissions in connection with this Agreement. Any liability incurred in connection with this Agreement is subject to immunities and limitations of the New Mexico Tort Claims Act.

ARTICLE XIV. SCOPE OF AGREEMENT

This Agreement constitutes the entire and exclusive agreement between the Grantee and Department concerning the subject matter hereof. The Agreement supersedes any and all prior or contemporaneous agreements, understandings, discussions, communications, and representations, written or verbal.

ARTICLE XV. REQUIRED NON-APPROPRIATIONS CLAUSE IN CONTRACTS FUNDED IN WHOLE OR PART BY FUNDS MADE AVAILABLE UNDER THIS AGREEMENT

The Grantee acknowledges, warrants, and agrees that Grantee shall include a "non-appropriations" clause in all contracts between it and other parties that are (i) funded in whole or part by funds made available under this Agreement and (ii) entered into after the effective date of this Agreement that states:

"The terms of this Agreement are contingent upon sufficient appropriations and authorization being made by the Legislature of New Mexico for the performance of this Agreement. If sufficient appropriations and authorization are not made by the Legislature, the **CITY OF SANTA FE** may immediately terminate this Agreement by giving Contractor written notice of such termination. The **CITY OF SANTA FE**'s decision as to whether sufficient appropriations are available shall be accepted by the Contractor and shall be final. Contractor hereby waives any rights to assert an impairment of contract claim against the **CITY OF SANTA FE** or the

ARTICLE XVI. REQUIRED TERMINATION CLAUSE IN CONTRACTS FUNDED IN WHOLE OR PART BY FUNDS MADE AVAILABLE UNDER THIS AGREEMENT

Grantee acknowledges, warrants, and agrees that Grantee shall include the following termination clause in all contracts that are (i) funded in whole or part by funds made available under this Agreement and (ii) entered into after the effective date of this Agreement:

“This contract is funded in whole or in part by funds made available under a DFA/LGD Grant Agreement. Should the DFA/LGD early terminate the grant agreement, the CITY OF SANTA FE may early terminate this contract by providing Contractor written notice of such termination. In the event of termination pursuant to this paragraph, the CITY OF SANTA FE only liability shall be to pay Contractor for acceptable goods delivered and services rendered before the termination date.”

Grantee hereby waives any rights to assert an impairment of contract claim against the Department or the State of New Mexico in the event of Early Termination of this Agreement by the Department.

ARTICLE XVII. COMPLIANCE WITH UNIFORM FUNDING CRITERIA.

A. Throughout the term of this Agreement, Grantee shall:

1. submit all reports of annual audits and agreed upon procedures required by Section 12-6-3(A)-(B) NMSA 1978 by the due dates established in 2.2.2 NMAC, reports of which must be a public record pursuant to Section 12-6-5(A) NMSA 1978 within forty-five days of delivery to the State Auditor;
2. have a duly adopted budget for the current fiscal year approved by its budgetary oversight agency (if any);
3. timely submit all required financial reports to its budgetary oversight agency (if any); and

1. suspend new or further obligations pursuant to Article VI(A) of this Agreement;
2. require the Grantee to develop and implement a written corrective action plan pursuant to Article VI(D) of this Agreement to remedy the non-compliance;
3. impose special grant conditions to address the non-compliance by giving the Grantee notice of such special conditions in accordance with Article III of this Agreement; the special conditions shall be binding and effective on the date that notice is deemed to have been given pursuant to Article III; or
4. terminate this Agreement pursuant to Article V(A) of this Agreement.

ARTICLE XVIII. SEVERANCE TAX BOND AND GENERAL OBLIGATION BOND PROJECT CLAUSES

A. Grantee acknowledges and agrees that the underlying appropriation for the Project is a severance tax bond or general obligation bond appropriation, and that the associated bond proceeds are administered by the New Mexico State Board of Finance (SBOF), an entity separate and distinct from the Department. Grantee acknowledges and agrees that (i) it is Grantee's sole and absolute responsibility to determine through SBOF staff what (if any) conditions are currently imposed on the Project; (ii) the Department's failure to inform Grantee of a SBOF imposed condition does not affect the validity or enforceability of the condition; (iii) the SBOF may in the future impose further or different conditions upon the Project; (iv) all SBOF conditions are effective without amendment of this Agreement; (v) all applicable SBOF conditions must be satisfied before the SBOF will release to the Department funds subject to the condition(s); and (vi) the Department's obligation to reimburse Grantee from the Project is contingent upon the then current SBOF conditions being satisfied.

B. Grantee acknowledges and agrees that the SBOF may in its sole and absolute discretion remove a project's assigned bond proceeds if the project doesn't proceed sufficiently. Entities must comply with the requirement to encumber five percent (5%) of Project funds within six months of bond issuance as certified by the grantee in the Bond Questionnaire and Certification documents submitted to the SBOF. Failure to comply may result in the bond proceeds reassignment to a new ready project. If this should occur this grant agreement will be suspended until the entity has demonstrated readiness as determined by the SBOF and the Department.

C. Grantee acknowledges and agrees that this Agreement is subject to the SBOF's Bond Project Disbursements rule, NMAC 2.61.6, as may be amended or re-codified. The rule provides definitions and interpretations of grant language for the purpose of determining whether a particular activity is allowable under the authorizing language of the agreement.

Subject: Capital Appropriation Agreement Project 24-I4221 for Municipal Court Renovations

ACTION:

Request for Approval of Capital Appropriation Agreement with New Mexico Department of Finance and Administration in the Total Amount of \$29,843 for Project 24-I4221 Municipal Court Renovations with a Reversion Date of June 30, 2026. (Caryn Grosse, PMP, Public Works Project Manager III, clgrosse@santafenm.gov)

Request for Approval of a Budget Amendment Resolution (BAR) to Allocate \$29,843 from the 2024 Capital Appropriation to FY25 Revenue and Expenses for Municipal Court Renovations.

BACKGROUND AND SUMMARY:

The City of Santa Fe received Capital Appropriation Project 20-E2740 in the amount of \$363,700. The State allocated \$3,000 for Art in Public Places (AIPP) and the adjusted appropriation amount of \$360,700 was available for renovations including replacing the roof, installing new cooling units and window controls, and a fence with gate to secure the parking lot. Those renovations totaled \$330,857, leaving a balance of \$29,843.

The Legislature approved reauthorization of the remaining balance of \$29,843 under Capital Appropriation Project 24-I4221. The reversion date for these funds is June 30, 2026.

These funds will be used to make additional renovations to the Municipal Court to improve security and accessibility.

The Agreement designates Mayor Alan Webber as the official representative in all matters related to the Agreement and therefore requires review by Governing Body.

This Grant Agreement and the disbursement of any and all amounts of the above referenced Adjusted Appropriation Amount are expressly conditioned upon the following:

The Grantee's submission of documentation of all Third Party Obligations and amendments thereto (including terminations) to the Department and the Department's issuance and the Grantee's receiving of a Notice of Obligation for a particular amount in accordance with the terms of this Agreement shall be governed by the following:
 - a. The Grantee shall submit to the Department one copy of all Third Party Obligations and amendments thereto (including terminations) as soon as possible after execution by the Third Party **but prior to execution by the Grantee.**
 - b. Grantee acknowledges and agrees that if it chooses to enter into a Third Party Obligation prior to receiving a Notice of Obligation that covers the expenditure, it is solely responsible for such obligations.
 - c. The Department may, in its sole and absolute discretion, issue to Grantee a Notice of Obligation for the particular amount of that Third Party Obligation that only obligates the Department to reimburse Grantee's expenditures made on or before the Reversion Date or an Early Termination Date.
 - d. The date the Department signs the Notice of Obligation is the date that the Department's Notice of Obligation is effective. After that date, the Grantee is authorized to budget the particular amount set forth in the Notice of Obligation, execute the Third Party Obligation and request the Third Party to begin work. Payment for any work performed or goods received prior to the effective date of the Notice of Obligation is wholly and solely the obligation of the Grantee.

- D. Unless specifically allowed by law, Project funds cannot be used to reimburse Grantee for indirect Project costs.

¹The AIPP amount is "an amount of money equal to one percent or two hundred thousand dollars (\$200,000), whichever is less, of the amount of money appropriated for new construction or any major renovation exceeding one hundred thousand dollars (\$100,000)." Section 13-4A-4 NMSA 1978.

Upon being duly executed by both parties, this Agreement shall be effective as of the date of execution by the Department. It shall terminate on **June 30, 2026** the Reversion Date unless Terminated Before Reversion Date ("Early Termination") pursuant to Article V herein.
- B. The Project's funds must be expended on or before the Reversion Date and, if applicable, Early Termination Date of this Agreement. For purposes of this Agreement, it is not sufficient for the Grantee to encumber the Project funds on its books on or before the Project's Reversion Date or Early Termination Date. Funds are expended and an expenditure has occurred as of the date that a particular quantity of goods are delivered to and received by the Grantee or title to the goods is transferred to the Grantee and/or as of the date particular services are rendered for the Grantee. Funds are *not* expended and an expenditure has *not* occurred as of the date they are encumbered by the Grantee pursuant to a contract or purchase order with a third party.

ARTICLE V. EARLY TERMINATION

A. Early Termination Before Reversion Date Due to Completion of the Project or Complete Expenditure of the Adjusted Appropriation or Violation of this Agreement

Early Termination includes:

- i. Termination due to completion of the Project before the Reversion Date; or
- ii. Termination due to complete expenditure of the Adjusted Appropriation Amount before the Reversion Date; or
- iii. Termination for violation of the terms of this Agreement; or
- iv. Termination for suspected mishandling of public funds, including but not limited to, fraud, waste, abuse, and conflicts of interest.

Either the Department or the Grantee may early terminate this Agreement prior to the Reversion Date by providing the other party with a minimum of fifteen (15) days' advance, written notice of early termination. Grantee hereby waives any rights to assert an impairment of contract claim against the Department or the State of New Mexico in the event of Early Termination of this Agreement by the Department pursuant to Article V(A).

B. Early Termination Before Reversion Date Due to Non-appropriation

The terms of this Agreement are expressly made contingent upon sufficient appropriations and authorization being made by the Legislature of New Mexico for the performance of this Agreement. Throughout this Agreement the term "non-appropriate" or "non-appropriation" includes the following actions by the New Mexico Legislature: deauthorization, reauthorization or revocation of a prior authorization. The Legislature may choose to non-appropriate the Appropriation referred to in Article I and, if that occurs, the Department shall early terminate this Agreement for non-appropriation by giving the Grantee written notice of such termination, and such termination shall be effective as of the effective date of the law making the non-appropriation. The Department's decision as to whether sufficient appropriations or authorizations are available shall be accepted by the Grantee and shall be final. Grantee hereby waives any rights to assert an impairment of contract claim against the Department or the State of New Mexico in the event of Early Termination of this Agreement by the Department pursuant to Article V(B).

C. Limitation on Department's Obligation to Make Grant Disbursements to Grantee in the Event of Early Termination

In the event of Early Termination of this Agreement by either party, the Department's sole and absolute obligation to reimburse the Grantee is expressly conditioned upon the limitations set forth Article II.

ARTICLE VI. SUSPENSION OF NEW OR FURTHER OBLIGATIONS

- A. The Department may choose, in its sole and absolute discretion, to provide written notice to the Grantee to suspend entering into new and further obligations. Upon the receipt of such written notice by the Grantee:
- i. The Grantee shall immediately suspend entering into new or further written obligations with third parties; and
 - ii. The Department will suspend the issuance of any new or further Notice of Obligation under this Agreement; and
 - iii. The Department may direct the Grantee to implement a corrective action plan in accordance with Article VI(D) herein.

B. In the event of Suspension of this Agreement, the Department's sole and absolute obligation to reimburse the Grantee is expressly conditioned upon the limitations set forth in Article II herein.

C. A suspension of new or further obligations under this Agreement shall remain in effect unless or until the date the Grantee receives written notice given by the Department informing the Grantee that the Suspension has been lifted or that the Agreement has been Early Terminated in accordance with Article V herein. If the Suspension is lifted, the Department will consider further requests for Notice of Obligation.

D. Corrective Action Plan in the Event of Suspension

In the event that the Department chooses, in its sole and absolute discretion to direct the Grantee to suspend entering into new or further written obligations with third parties pursuant to Article VI(A), the Department may, but is not obligated to, require the Grantee to develop and implement a written corrective action plan to remedy the grounds for the Suspension. Such corrective action plan must be approved by the Department and be signed by the Grantee. Failure to sign a corrective action plan or meet the terms and deadlines set forth in the signed corrective action plan, is hereby deemed a violation of the terms of this Agreement for purposes of Early Termination, Article V(A)(iii). The corrective action plan is in addition to, and not in lieu of, any other equitable or legal remedy, including but not limited to Early Termination.

ARTICLE VII. AMENDMENT

This Agreement shall not be altered, changed, or amended except by instrument in writing duly executed by both the parties hereto.

ARTICLE VIII. REPORTS

A. Database Reporting

The Grantee shall report quarterly Project activity by entering such Project information as the Department and the Department of Finance and Administration may require, such information entered directly into a database maintained by the Department of Finance and Administration. Additionally, the Grantee shall certify on the Request for Payment form that updates have been maintained and are current in the database. The Grantee hereby acknowledges that failure to perform and/or certify updates into the database will delay or potentially jeopardize the reimbursement of funds. The Department shall give Grantee a minimum of thirty (30) days' advance written notice of any changes to the information the Grantee is required to report.

Quarterly reports are due on the last day of each quarter. Quarter end reporting periods are September 30th, December 31st, March 31st, and June 30th.

B. Requests for Additional Information/Project Inspection

During the term of this Agreement and during the period of time during which the Grantee must maintain records pursuant to Article VIII, the Department may:

- i. request such additional information regarding the Project as it deems necessary; and
- ii. conduct, at reasonable times and upon reasonable notice, onsite inspections of the Project.

Grantee shall respond to such requests for additional information within a reasonable period of time, as established by the Department.

ARTICLE IX. REQUEST FOR PAYMENT PROCEDURES AND DEADLINES

A. The Grantee shall request payment by submitting a Request for Payment, in the form provided by the Department. Payment requests are subject to the following procedures:

- i. The Grantee must submit a Request for Payment; and
- ii. Each Request for Payment must contain proof of payment by the Grantee or liabilities incurred by the Grantee showing that the expenditures are valid or are liabilities incurred by the Grantee in the form of actual unpaid invoices received by the Grantee for services rendered by a third party or items of tangible personal property received by the Grantee for the implementation of the Project; provided, however, that the Grantee may be reimbursed for unpaid liabilities only if the Department, in its sole and absolute discretion, agrees to do so and in accordance with any special conditions imposed by the Department.
- iii. In cases where the Grantee is submitting a Request for Payment to the Department based upon invoices received, but not yet paid, by the Grantee from a third party contractor or vendor, if the invoices comply with the provisions of this Agreement and are a valid liability of the Grantee, the Grantee shall make payment to those contractors or vendors within five (5) business days from the date of receiving reimbursement from the Department or such shorter period of time as the Department may prescribe in writing. The Grantee is required to certify to the Department proof of payment to the third party contractor or vendor within ten (10) business days from the date of receiving reimbursement from the Department.

B. The Grantee must obligate 5% of the Adjusted Appropriation Amount within six months of execution of the grant agreement and must have expended no less than 85% of the Adjusted Appropriation Amount six months prior to the reversion date.

C. Deadlines

Requests for Payments shall be submitted by Grantee to the Department on the earlier of:

- i. Immediately as they are received by the Grantee but at a minimum thirty (30) days from when the expenditure was incurred or liability of the Grantee was approved as evidenced by an unpaid invoice received by the Grantee from a third party contractor or vendor; or
- ii. Twenty (20) days from date of Early Termination; or

iii. Twenty (20) days from the Reversion Date.

D. The Grantee's failure to abide by the requirements set forth in Article II and Article IX herein will result in the denial of its Request for Payment or will delay the processing of Requests for Payment. The Department has the right to reject a payment request for the Project unless and until it is satisfied that the expenditures in the Request for Payment are for permissible purposes within the meaning of the Project Description and that the expenditures and the Grantee are otherwise in compliance with this Agreement, including but not limited to, compliance with the reporting requirements and the requirements set forth in Article II herein to provide Third Party Obligations and the Deadlines set forth in Article IX herein. The Department's ability to reject any Request for Payment is in addition to, and not in lieu of, any other legal or equitable remedy available to the Department due to Grantee's violation of this Agreement.

ARTICLE X. PROJECT CONDITIONS AND RESTRICTIONS; REPRESENTATIONS AND WARRANTIES

A. The following general conditions and restrictions are applicable to the Project:

- i. The Project's funds must be spent in accordance with all applicable state laws, regulations, policies, and guidelines, including, but not limited to, the State Procurement Code (or local procurement ordinance, where applicable).
- ii. The Project must be implemented in accordance with the New Mexico Public Works Minimum Wage Act, Section 13-4-10 through 13-4-17 NMSA 1978, as applicable. Every contract or project in excess of sixty thousand dollars (\$60,000) that the Grantee is a party to for construction, alteration, demolition or repair or any combination of these, including painting and decorating, of public buildings, public works or public roads and that requires or involves the employment of mechanics, laborers or both shall contain a provision stating the minimum wages and fringe benefits to be paid to various classes of laborers and mechanics, shall be based upon the wages and benefits that will be determined by the New Mexico Department of Workforce Solutions to be prevailing for the corresponding classes of laborers and mechanics employed on contract work of a similar nature in the locality. Further, every contract or project shall contain a stipulation that the contractor, subcontractor, employer or a person acting as a contractor shall pay all mechanics and laborers employed on the site of the project, unconditionally and not less often than once a week and without subsequent unlawful deduction or rebate on any account, the full amounts accrued at time of payment computed at wage rates and fringe benefit rates not less than those determined pursuant to Section 13-4-11 (B) NMSA 1978 to be the prevailing wage rates and prevailing fringe benefit rates issued for the project.
- iii. The Project may only benefit private entities in accordance with applicable law, including, but not limited to, Article IX, Section 14 of the Constitution of the State of New Mexico, the "Anti-Donation Clause."
- iv. The Grantee shall not for a period of 10 years from the date of this agreement convert any property acquired, built, renovated, repaired, designed or developed with the Project's funds to uses other than those specified in the Project Description without the Department's and the Board of Finance's express, advance, written approval, which may include a requirement to reimburse the State for the cost of the project, transfer proceeds from the disposition of property to the State, or otherwise provide consideration to the State.
- v. The Grantee shall comply with all federal and state laws, rules and regulations pertaining to equal employment opportunity. In accordance with all such laws, rules and regulations the Grantee agrees to assure that no person shall, on the grounds of race, color, national origin, sex, sexual preference, age or handicap, be excluded from employment with Grantee, be excluded from participation in the Project, be denied benefits or otherwise be subject to discrimination under, any activity performed under this Agreement. If Grantee is found to be not in compliance with these requirements during the life of this Agreement, Grantee agrees to take appropriate steps to correct any deficiencies. The Grantee's failure to implement such appropriate steps within a reasonable time constitutes grounds for terminating this Agreement.

B. The Grantee hereby represents and warrants the following:

- i. The Grantee has the legal authority to receive and expend the Project's funds.
- ii. This Agreement has been duly authorized by the Grantee, the person executing this Agreement has authority to do so, and, once executed by the Grantee, this Agreement shall constitute a binding obligation of the Grantee, enforceable according to its terms.
- iii. This Agreement and the Grantee's obligations hereunder do not conflict with any law or ordinance or resolution applicable to the Grantee, the Grantee's charter (if applicable), or any judgment or decree to which the Grantee is subject.
- iv. The Grantee has independently confirmed that the Project Description, including, but not limited to, the amount and Reversion Date, is consistent with the underlying appropriation in law.
- v. The Grantee's governing body has duly adopted or passed as an official act a resolution, motion, or similar action authorizing the person identified as the official representative of the Grantee to sign the Agreement and to sign Requests for Payment.
- vi. The Grantee shall abide by New Mexico laws regarding conflicts of interest, governmental conduct and whistleblower

protection. The Grantee specifically agrees that no officer or employee of the local jurisdiction or its designees or agents, no member of the governing body, and no other public official of the locality who exercises any function or responsibility with respect to this Grant, during their tenure or for one year thereafter, shall have any interest, direct or indirect, in any contract or subcontract, or the proceeds thereof, for work to be performed or goods to be received, pursuant to this Grant. Further, Grantee shall require all of its contractors to incorporate in all subcontracts the language set forth in this paragraph prohibiting conflicts of interest.

- vii. - C. The Grantee shall make all Project records available to the Department, the Department of Finance and Administration, and the New Mexico State Auditor upon request. With respect to the funds that are the subject of this Agreement, if the State Auditor or the Department of Finance and Administration finds that any or all of these funds were improperly expended, the Grantee may be required to reimburse to the State of New Mexico, to the originating fund, any and all amounts found to be improperly expended.

ARTICLE XII. IMPROPERLY REIMBURSED FUNDS

If the Department determines that part or all of the Appropriation Amount was improperly reimbursed to Grantee, including but not limited to, Project funds reimbursed to Grantee based upon fraud, mismanagement, misrepresentation, misuse, violation of law by the Grantee, or violation of this Agreement, the Grantee shall return such funds to the Department for disposition in accordance with law.

ARTICLE XIII. LIABILITY

ARTICLE XVI. REQUIRED TERMINATION CLAUSE IN CONTRACTS FUNDED IN WHOLE OR PART BY FUNDS MADE AVAILABLE UNDER THIS AGREEMENT

Grantee acknowledges, warrants, and agrees that Grantee shall include the following termination clause in all contracts that are (i) funded in whole or part by funds made available under this Agreement and (ii) entered into after the effective date of this Agreement:

“This contract is funded in whole or in part by funds made available under a DFA/LGD Grant Agreement. Grantee hereby waives any rights to assert an impairment of contract claim against the Department or the State of New Mexico in the event of Early Termination of this Agreement by the Department.

ARTICLE XVII. COMPLIANCE WITH UNIFORM FUNDING CRITERIA.

A. Throughout the term of this Agreement, Grantee shall:

1. submit all reports of annual audits and agreed upon procedures required by Section 12-6-3(A)-(B) NMSA 1978 by the due dates established in 2.2.2 NMAC, reports of which must be a public record pursuant to Section 12-6-5(A) NMSA 1978 within forty-five days of delivery to the State Auditor;
2. have a duly adopted budget for the current fiscal year approved by its budgetary oversight agency (if any);

2. require the Grantee to develop and implement a written corrective action plan pursuant to Article VI(D) of this Agreement to remedy the non-compliance;
3. impose special grant conditions to address the non-compliance by giving the Grantee notice of such special conditions in accordance with Article III of this Agreement; the special conditions shall be binding and effective on the date that notice is deemed to have been given pursuant to Article III; or
4. terminate this Agreement pursuant to Article V(A) of this Agreement.

ARTICLE XVIII. SEVERANCE TAX BOND AND GENERAL OBLIGATION BOND PROJECT CLAUSES

A. Grantee acknowledges and agrees that the underlying appropriation for the Project is a severance tax bond or general obligation bond appropriation, and that the associated bond proceeds are administered by the New Mexico State Board of Finance (SBOF), an entity separate and distinct from the Department. Grantee acknowledges and agrees that (i) it is Grantee's sole and absolute responsibility to determine through SBOF staff what (if any) conditions are currently imposed on the Project; (ii) the Department's failure to inform Grantee of a SBOF imposed condition does not affect the validity or enforceability of the condition; (iii) the SBOF may in the future impose further or different conditions upon the Project; (iv) all SBOF conditions are effective without amendment of this Agreement; (v) all applicable SBOF conditions must be satisfied before the SBOF will release to the Department funds subject to the condition(s); and (vi) the Department's obligation to reimburse Grantee from the Project is contingent upon the then current SBOF conditions being satisfied.

B. Grantee acknowledges and agrees that the SBOF may in its sole and absolute discretion remove a project's assigned bond proceeds if the project doesn't proceed sufficiently. Entities must comply with the requirement to encumber five percent (5%) of Project funds within six months of bond issuance as certified by the grantee in the Bond Questionnaire and Certification documents submitted to the SBOF. Failure to comply may result in the bond proceeds reassignment to a new ready project. If this should occur this grant agreement will be suspended until the entity has demonstrated readiness as determined by the SBOF and the Department.

C. Grantee acknowledges and agrees that this Agreement is subject to the SBOF's Bond Project Disbursements rule, NMAC 2.61.6, as may be amended or re-codified. The rule provides definitions and interpretations of grant language for the purpose of determining whether a particular activity is allowable under the authorizing language of the agreement.

EXECUTIVE SUMMARY:

The Resolution designates authorized representatives and agents for New Mexico Department of Finance and Administration (DFA), appropriation ID Number 13318 and New Mexico Department of Transportation (NMDOT) Control Number C5243318 (“Grant Agreement”). The Grant Agreement makes available four million five hundred thousand dollars (\$4,500,000), appropriated by the New Mexico State Legislature for a project to plan, design and construct a road connection from New Mexico Highway 599-Jaguar Drive interchange to the Santa Fe Regional Airport for the city of Santa Fe in Santa Fe County.

BACKGROUND:

The New Mexico Department of Transportation, through Article X.B. Adoption of this Resolution will satisfy this requirement and allow the City to enter into the Grant Agreement. The Grant Agreement will be presented to the Governing Body in an action separate from this Resolution; and this Resolution will not be implicated if the Governing Body does not later approve the grant agreement.

AGREEMENT

NOW, THEREFORE, in consideration of the mutual covenants and obligations contained herein, the parties hereby mutually agree as follows:

ARTICLE I. PROJECT DESCRIPTION, AMOUNT OF GRANT AND REVERSION DATE

A. The project that is the subject of this Agreement is described as follows:

APPROPRIATION REVERSION DATE: 6/30/2028

In the event of a conflict among the Appropriation Amount, the Reversion Date, as defined herein and/or the purpose of the Project, as set forth in this Agreement, and the corresponding appropriation language in the laws cited above in this Article I(A), the language of the laws cited herein shall control.

This project is referred to throughout the remainder of this Agreement as the "Project"; the information contained in Article I(A) is referred to collectively throughout the remainder of this Agreement as the "Project Description." The Grantee shall reference the Project's number in all correspondence with and submissions to the Department concerning the Project, including, but not limited to, Requests for Payment and reports.

ARTICLE II. LIMITATION ON DEPARTMENT'S OBLIGATION TO MAKE GRANT DISBURSEMENT TO GRANTEE

A. Upon the Effective Date of this Agreement, for permissible purposes within the scope of the Project Description, the Grantee shall only be reimbursed monies for which the Department has issued and the Grantee has received a Notice of Department's Obligation to Reimburse² Grantee (hereinafter referred to as "Notice of Obligation"). This Grant Agreement and the disbursement of any and all amounts of the above referenced Adjusted Appropriation Amount are expressly conditioned upon the following:

- (i) Irrespective of any Notice of Obligation, the Grantee's expenditures shall be made on or before the Reversion Date and, if applicable, an Early Termination Date (i.e., the goods have been delivered and accepted or the title to the goods has been transferred to the Grantee and/or the services have been rendered for the Grantee); and
- (ii) The total amount received by the Grantee shall not exceed the lesser of: (a) the Adjusted Appropriation Amount identified in Article I(A) herein or (b) the total of all amounts stated in the Notice(s) of Obligation evidencing that the Department has received and accepted the Grantee's Third Party Obligation(s), as defined in subparagraph iii of this Article II(A); and
- (iii) The Grantee's expenditures were made pursuant to the State Procurement Code and execution of binding written obligations or purchase orders with third party contractors or vendors for the provision of services, including professional services, or the purchase of tangible personal property and real property for the Project, hereinafter referred to as "Third Party Obligations"; and
- (iv) The Grantee's submittal of timely Requests for Payment in accordance with the procedures set forth in Article IX of this Agreement; and

¹ The AIPP amount is "an amount of money equal to one percent or two hundred thousand dollars (\$200,000), whichever is less, of the amount of money appropriated for new construction or any major renovation exceeding one hundred thousand dollars (\$100,000)." Section 13-4A-4 NMSA 1978.

² "Reimburse" as used throughout this Agreement includes Department payments to the Grantee for invoices received, but not yet paid, by the Grantee from a third party contractor or vendor, if the invoices comply with the provisions of this Agreement and are a valid liability of the Grantee.

- (v) In the event that capital assets acquired with Project funds are to be sold, leased, or licensed to or operated by a private entity, the sale, lease, license, or operating agreement:
 - a. must be approved by the applicable oversight entity (if any) in accordance with law; or
 - b. if no oversight entity is required to approve the transaction, the Department must approve the transaction as complying with law.

Prior to the sale, lease, license, or operating agreement being approved pursuant to Articles II(A)(v)(a) and II(A)(v)(b) herein, the Department may, in its sole and absolute discretion and unless inconsistent with State Board of Finance imposed conditions, reimburse the Grantee for necessary expenditures incurred to develop the Project sufficiently to make the sale, lease, license, or operating agreement commercially feasible, such as plan and design expenditures; and

- (vi) The Grantee's submission of documentation of all Third Party Obligations and amendments thereto (including terminations) to the Department and the Department's issuance and the Grantee's receiving of a Notice of Obligation for a particular amount in accordance with the terms of this Agreement shall be governed by the following:
 - a. The Grantee shall submit to the Department one copy of all Third Party Obligations and amendments thereto (including terminations) as soon as possible after execution by the Third Party **but prior to execution by the Grantee.**
 - b. Grantee acknowledges and agrees that if it chooses to enter into a Third Party Obligation prior to receiving a Notice of Obligation that covers the expenditure, it is solely responsible for such obligations.
 - c. The Department may, in its sole and absolute discretion, issue to Grantee a Notice of Obligation for the particular amount of that Third Party Obligation that only obligates the Department to reimburse Grantee's expenditures made on or before the Reversion Date or an Early Termination Date. The current Notice of Obligation form is attached to this Agreement as Exhibit 2.
 - d. The date the Department signs the Notice of Obligation is the date that the Department's Notice of Obligation is effective. After that date, the Grantee is authorized to budget the particular amount set forth in the Notice of Obligation, execute the Third Party Obligation and request the Third Party to begin work. Payment for any work performed or goods received prior to the effective date of the Notice of Obligation is wholly and solely the obligation of the Grantee.

B. The Grantee shall implement, in all respects, the Project. The Grantee shall provide all necessary qualified personnel, material, and facilities to implement the Project. The Grantee shall finance its share (if any) of the costs of the Project, including all Project overruns.

C. Project funds shall not be used for purposes other than those specified in the Project Description.

The Grantee and the Department agree that either party shall send all notices, including written decisions, related to this Agreement to the above named persons by email or regular mail. In the case of mailings, notices shall be deemed to have been given and received upon the date of the receiving party’s actual receipt or five calendar days after mailing, whichever shall first occur. In the case of email transmissions, the notice shall be deemed to have been given and received on the date reflected on the delivery receipt of email.

ARTICLE IV. REVERSION DATE, TERM, DEADLINE TO EXPEND FUNDS

A. As referenced in Article I(A), the applicable law establishes a date by which Project funds must be expended by Grantee, which is referred to throughout the remainder of this Agreement as the “Reversion Date.” Upon being duly executed by both parties, this Agreement shall be effective as of the date of execution by the Department. It shall terminate on 6/30/2028 the Reversion Date unless Terminated Before Reversion Date (“Early Termination”) pursuant to Article V herein.

B. The Project's funds must be expended on or before the Reversion Date and, if applicable, Early Termination Date of this Agreement. For purposes of this Agreement, it is not sufficient for the Grantee to encumber the Project funds on its books on or before the Project's Reversion Date or Early Termination Date. Funds are expended and an expenditure has occurred as of the date that a particular quantity of goods are delivered to and received by the Grantee or title to the goods is transferred to the Grantee and/or as of the date particular services are rendered for the Grantee. Funds are *not* expended and an expenditure has *not* occurred as of the date they are encumbered by the Grantee pursuant to a contract or purchase order with a third party.

ARTICLE V. EARLY TERMINATION

A. Early Termination Before Reversion Date Due to Completion of the Project or Complete Expenditure of the Adjusted Appropriation or Violation of this Agreement

Early Termination includes:

- (i) Termination due to completion of the Project before the Reversion Date; or
- (ii) Termination due to complete expenditure of the Adjusted Appropriation Amount before the Reversion Date; or
- (iii) Termination for violation of the terms of this Agreement; or
- (iv) Termination for suspected mishandling of public funds, including but not limited to, fraud, waste, abuse, and conflicts of interest.

Either the Department or the Grantee may early terminate this Agreement prior to the Reversion Date by providing the other party with a minimum of fifteen (15) days' advance, written notice of early termination. Grantee hereby waives any rights to assert an impairment of contract claim against the Department or the State of New Mexico in the event of Early Termination of this Agreement by the Department pursuant to Article V(A).

B. Early Termination Before Reversion Date Due to Non-appropriation

The terms of this Agreement are expressly made contingent upon sufficient appropriations and authorization being made by the Legislature of New Mexico for the performance of this Agreement. Throughout this Agreement the term "non-appropriate" or "non-appropriation" includes the following actions by the New Mexico Legislature: deauthorization, reauthorization or revocation of a prior authorization. The Legislature may choose to non-appropriate the Appropriation referred to in Article I and, if that occurs, the Department shall early terminate this Agreement for non-appropriation by giving the Grantee written notice of such termination, and such termination shall be effective as of the effective date of the law making the non-appropriation. The Department's decision as to whether sufficient appropriations or authorizations are available shall be accepted by the Grantee and shall be final. Grantee hereby waives any rights to assert an impairment of contract claim against the Department or the State of New Mexico in the event of Early Termination of this Agreement by the Department pursuant to Article V(B).

C. Limitation on Department's Obligation to Make Grant Disbursements to Grantee in the Event of Early Termination

In the event of Early Termination of this Agreement by either party, the Department's sole and absolute obligation to reimburse the Grantee is expressly conditioned upon the limitations set forth Article II.

ARTICLE VI. SUSPENSION OF NEW OR FURTHER OBLIGATIONS

A. The Department may choose, in its sole and absolute discretion, to provide written notice to the Grantee to suspend entering into new and further obligations. Upon the receipt of such written notice by the Grantee:

- (i) The Grantee shall immediately suspend entering into new or further written obligations with third parties; and
- (ii) The Department will suspend the issuance of any new or further Notice of Obligation under this Agreement; and
- (iii) The Department may direct the Grantee to implement a corrective action plan in accordance with Article VI(D) herein.

B. In the event of Suspension of this Agreement, the Department's sole and absolute obligation to reimburse the Grantee is expressly conditioned upon the limitations set forth in Article II herein.

C. A suspension of new or further obligations under this Agreement shall remain in effect unless or until the date the Grantee receives written notice given by the Department informing the Grantee that the Suspension has been lifted or that the Agreement has been Early Terminated in accordance with Article V herein. If the Suspension is lifted, the Department will consider further requests for Notice of Obligation.

D. Corrective Action Plan in the Event of Suspension

In the event that the Department chooses, in its sole and absolute discretion to direct the Grantee to suspend entering into new or further written obligations with third parties pursuant to Article VI(A), the Department may, but is not obligated to, require the Grantee to develop and implement a written corrective action plan to remedy the grounds for the Suspension. Such corrective action plan must be approved by the Department and be signed by the Grantee. Failure to sign a corrective action plan or meet the terms and deadlines set forth in the signed corrective action plan, is hereby deemed a violation of the terms of this Agreement for purposes of Early Termination, Article V(A)(iii). The corrective action plan is in addition to, and not in lieu of, any other equitable or legal remedy, including but not limited to Early Termination.

ARTICLE VII. AMENDMENT

This Agreement shall not be altered, changed, or amended except by instrument in writing duly executed by both the parties hereto.

ARTICLE VIII. REPORTS

A. Database Reporting

The Grantee shall report quarterly Project activity by entering such Project information as the Department and the Department of Finance and Administration may require, such information entered directly into a database maintained by the Department of Finance and Administration (<http://cpms.dfa.state.nm.us>). Additionally, the Grantee shall certify on the Request for Payment form (Exhibit 1) that updates have been maintained and are current in the database. The Grantee hereby acknowledges that failure to perform and/or certify updates into the database will delay or potentially jeopardize the reimbursement of funds. The Department shall give Grantee a minimum of thirty (30) days' advance written notice of any changes to the information the Grantee is required to report.

Quarterly reports shall be due on the last day of the month that is 30 days prior to the end of the quarter following execution of this Agreement by the Department and ending during the quarter of the submission of the final request for reimbursement for the Project, or the following quarter.

B. Requests for Additional Information/Project Inspection

During the term of this Agreement and during the period of time during which the Grantee must maintain records pursuant to Article VIII, the Department may:

- (i) request such additional information regarding the Project as it deems necessary; and
- (ii) conduct, at reasonable times and upon reasonable notice, onsite inspections of the Project.

Grantee shall respond to such requests for additional information within a reasonable period of time, as established by the Department.

ARTICLE IX. REQUEST FOR PAYMENT PROCEDURES AND DEADLINES

A. The Grantee shall request payment by submitting a Request for Payment, in the form attached hereto as Exhibit 1. Payment requests are subject to the following procedures:

- (i) The Grantee must submit a Request for Payment; and
- (ii) Each Request for Payment must contain proof of payment by the Grantee or liabilities incurred by the Grantee showing that the expenditures are valid or are liabilities incurred by the Grantee in the form of actual unpaid invoices received by the Grantee for services rendered by a third party or items of tangible personal property received by the Grantee for the implementation of the Project; provided, however, that the Grantee may be reimbursed for unpaid liabilities only if the Department, in its sole and absolute discretion, agrees to do so and in accordance with any special conditions imposed by the Department.
- (iii) In cases where the Grantee is submitting a Request for Payment to the Department based upon invoices received, but not yet paid, by the Grantee from a third party contractor or vendor, if the invoices comply with the provisions of this Agreement and are a valid liability of the Grantee, the Grantee shall make payment to those contractors or vendors within five (5) business days from the date of receiving reimbursement from the Department or such shorter period of time as the Department may prescribe in writing. The Grantee is required to certify to the Department proof of payment to the third party contractor or vendor within ten (10) business days from the date of receiving reimbursement from the Department.

B. The Grantee must obligate 5% of the Adjusted Appropriation Amount within six months of acceptance of the grant agreement and must have expended no less than 85% of the Adjusted Appropriation Amount six months prior to the reversion date.

C. Deadlines

Requests for Payments shall be submitted by Grantee to the Department on the earlier of:

- (i) Immediately as they are received by the Grantee but at a minimum thirty (30) days from when the expenditure was incurred or liability of the Grantee was approved as evidenced by an unpaid invoice received by the Grantee from a third party contractor or vendor; or
- (ii) Twenty (20) days from date of Early Termination; or
- (iii) Twenty (20) days from the Reversion Date.

D. The Grantee's failure to abide by the requirements set forth in Article II and Article IX herein will result in the denial of its Request for Payment or will delay the processing of Requests for Payment. The Department has the right to reject a payment request for the Project unless and until it is satisfied that the expenditures in the Request for Payment are for permissible purposes within the meaning of the Project Description and that the expenditures and the Grantee are otherwise in compliance with this Agreement, including but not limited to, compliance with the reporting requirements and the requirements set forth in Article II herein to provide Third Party Obligations and the Deadlines set forth in Article IX herein. The Department's ability to reject any Request for Payment is in addition to, and not in lieu of, any other legal or equitable remedy available to the Department due to Grantee's violation of this Agreement.

ARTICLE X. PROJECT CONDITIONS AND RESTRICTIONS; REPRESENTATIONS AND WARRANTIES

- A. The following general conditions and restrictions are applicable to the Project:

Further, every contract or project shall contain a stipulation that the contractor, subcontractor, employer or a person acting as a contractor shall pay all mechanics and laborers employed on the site of the project, unconditionally and not less often than once a week and without subsequent unlawful deduction or rebate on any account, the full amounts accrued at time of payment computed at wage rates and fringe benefit rates not less than those determined pursuant to Section 13-4-11 (B) NMSA 1978 to be the prevailing wage rates and prevailing fringe benefit rates issued for the project.
 - (iii) The Project may only benefit private entities in accordance with applicable law, including, but not limited to, Article IX, Section 14 of the Constitution of the State of New Mexico, the "Anti-Donation Clause."
 - (iv) The Grantee shall not for a period of 10 years from the date of this agreement convert any property acquired, built, renovated, repaired, designed or developed with the Project's funds to uses other than those specified in the Project Description without the Department's and the Board of Finance's express, advance, written approval, which may include a requirement to reimburse the State for the cost of the project, transfer proceeds from the disposition of property to the State, or otherwise provide consideration to the State.
 - (v) The Grantee shall comply with all federal and state laws, rules and regulations pertaining to equal employment opportunity. In accordance with all such laws, rules and regulations the Grantee agrees to assure that no person shall, on the grounds of race, color, national origin, sex, sexual preference, age or handicap, be excluded from employment with Grantee, be excluded

from participation in the Project, be denied benefits or otherwise be subject to discrimination under, any activity performed under this Agreement. If Grantee is found to be not in compliance with these requirements during the life of this Agreement, Grantee agrees to take appropriate steps to correct any deficiencies. The Grantee's failure to implement such appropriate steps within a reasonable time constitutes grounds for terminating this Agreement.

- B. The Grantee hereby represents and warrants the following:
- (i) The Grantee has the legal authority to receive and expend the Project's funds.
 - (ii) This Agreement has been duly authorized by the Grantee, the person executing this Agreement has authority to do so, and, once executed by the Grantee, this Agreement shall constitute a binding obligation of the Grantee, enforceable according to its terms.
 - (iii) This Agreement and the Grantee's obligations hereunder do not conflict with any law or ordinance or resolution applicable to the Grantee, the Grantee's charter (if applicable), or any judgment or decree to which the Grantee is subject.
 - (iv) The Grantee has independently confirmed that the Project Description, including, but not limited to, the amount and Reversion Date, is consistent with the underlying appropriation in law.
 - (v) The Grantee's governing body has duly adopted or passed as an official act a resolution, motion, or similar action authorizing the person identified as the official representative of the Grantee to sign the Agreement and to sign Requests for Payment.
 - (vi) The Grantee shall abide by New Mexico laws regarding conflicts of interest, governmental conduct and whistleblower protection. The Grantee specifically agrees that no officer or employee of the local jurisdiction or its designees or agents, no member of the governing body, and no other public official of the locality who exercises any function or responsibility with respect to this Grant, during their tenure or for one year thereafter, shall have any interest, direct or indirect, in any contract or subcontract, or the proceeds thereof, for work to be performed or goods to be received, pursuant to this Grant. Further, Grantee shall require all of its contractors to incorporate in all subcontracts the language set forth in this paragraph prohibiting conflicts of interest.
 - (vii) No funds have been paid or will be paid, by or on behalf of the Grantee, to any person for influencing or attempting to influence an officer or employee of this or any agency or body in connection with the awarding of any Third Party Obligation and that the Grantee shall require certifying language prohibiting lobbying to be included in the award documents for all subawards, including subcontracts, loans and cooperative agreements. All subrecipients shall be required to certify accordingly.

ARTICLE XI. STRICT ACCOUNTABILITY OF RECEIPTS AND DISBURSEMENTS; PROJECT RECORDS

A. The Grantee shall be strictly accountable for receipts and disbursements relating to the Project's funds. The Grantee shall follow generally accepted accounting principles, and, if feasible, maintain a separate bank account or fund with a separate organizational code, for the funds to assure separate budgeting and accounting of the funds.

B. For a period of six (6) years following the Project's completion, the Grantee shall maintain all Project related records, including, but not limited to, all financial records, requests for proposals, invitations to bid, selection and award criteria, contracts and subcontracts, advertisements, minutes of pertinent meetings, as well

as records sufficient to fully account for the amount and disposition of the total funds from all sources budgeted for the Project, the purpose for which such funds were used, and such other records as the Department shall prescribe.

C. The Grantee shall make all Project records available to the Department, the Department of Finance and Administration, and the New Mexico State Auditor upon request. With respect to the funds that are the subject of this Agreement, if the State Auditor or the Department of Finance and Administration finds that any or all of these funds were improperly expended, the Grantee may be required to reimburse to the State of New Mexico, to the originating fund, any and all amounts found to be improperly expended.

ARTICLE XII. IMPROPERLY REIMBURSED FUNDS

If the Department determines that part or all of the Appropriation Amount was improperly reimbursed to Grantee, including but not limited to, Project funds reimbursed to Grantee based upon fraud, mismanagement, misrepresentation, misuse, violation of law by the Grantee, or violation of this Agreement, the Grantee shall return such funds to the Department for disposition in accordance with law.

ARTICLE XIII. LIABILITY

Neither party shall be responsible for liability incurred as a result of the other party's acts or omissions in connection with this Agreement. Any liability incurred in connection with this Agreement is subject to immunities and limitations of the New Mexico Tort Claims Act.

ARTICLE XIV. SCOPE OF AGREEMENT

This Agreement constitutes the entire and exclusive agreement between the Grantee and Department concerning the subject matter hereof. The Agreement supersedes any and all prior or contemporaneous agreements, understandings, discussions, communications, and representations, written or verbal.

ARTICLE XV. REQUIRED NON-APPROPRIATIONS CLAUSE IN CONTRACTS FUNDED IN WHOLE OR PART BY FUNDS MADE AVAILABLE UNDER THIS AGREEMENT

The Grantee acknowledges, warrants, and agrees that Grantee shall include a “non-appropriations” clause in all contracts between it and other parties that are (i) funded in whole or part by funds made available under this Agreement and (ii) entered into after the effective date of this Agreement that states:

“The terms of this Agreement are contingent upon sufficient appropriations and authorization being made by the Legislature of New Mexico for the performance of this Agreement. If sufficient appropriations and authorization are not made by the Legislature, the City of Santa Fe may immediately terminate this Agreement by giving Contractor written notice of such termination. The City of Santa Fe’s decision as to whether sufficient appropriations are available shall be accepted by the Contractor and shall be final. Contractor hereby waives any rights to assert an impairment of contract claim against the City of Santa Fe or the Department of Transportation or the State of New Mexico in the event of immediate or Early Termination of this Agreement by the City of Santa Fe or the Department”

ARTICLE XVI. REQUIRED TERMINATION CLAUSE IN CONTRACTS FUNDED IN WHOLE OR PART BY FUNDS MADE AVAILABLE UNDER THIS AGREEMENT

Grantee acknowledges, warrants, and agrees that Grantee shall include the following termination clause in all contracts that are (i) funded in whole or part by funds made available under this Agreement and (ii) entered into after the effective date of this Agreement:

“This contract is funded in whole or in part by funds made available under a Department of Transportation Grant Agreement. Should the Department of Transportation early terminate the grant agreement, the City of Santa Fe may early terminate this contract by providing Contractor written notice of such termination. In the event of termination pursuant to this paragraph, the City of Santa Fe only liability shall be to pay Contractor for acceptable goods delivered and services rendered before the termination date.”

Grantee hereby waives any rights to assert an impairment of contract claim against the Department or the State of New Mexico in the event of Early Termination of this Agreement by the Department.

XVII. COMPLIANCE WITH UNIFORM FUNDING CRITERIA.

- A. Throughout the term of this Agreement, Grantee shall:
1. submit all reports of annual audits and agreed upon procedures required by Section 12-6-3(A)-(B) NMSA 1978 by the due dates established in 2.2.2 NMAC, reports of which must be a public record pursuant to Section 12-6-5(A) NMSA 1978 within forty-five days of delivery to the State Auditor;
 2. have a duly adopted budget for the current fiscal year approved by its budgetary oversight agency (if any);
 3. timely submit all required financial reports to its budgetary oversight agency (if any); and
 4. have adequate accounting methods and procedures to expend grant funds in accordance with applicable law and account for and safeguard grant funds and assets acquired by grant funds.

- B. In the event Grantee fails to comply with the requirements of Paragraph A of this Article XVII, the Department may take one or more of the following actions:
1. suspend new or further obligations pursuant to Article VI(A) of this Agreement;
 2. require the Grantee to develop and implement a written corrective action plan pursuant to Article VI(D) of this Agreement to remedy the non-compliance;
 3. impose special grant conditions to address the non-compliance by giving the Grantee notice of such special conditions in accordance with Article III of this Agreement; the special conditions shall be binding and effective on the date that notice is deemed to have been given pursuant to Article III; or
 4. terminate this Agreement pursuant to Article V(A) of this Agreement.

ARTICLE XVIII. SEVERANCE TAX BOND AND GENERAL OBLIGATION BOND PROJECT CLAUSES

A. Grantee acknowledges and agrees that the underlying appropriation for the Project is a severance tax bond or general obligation bond appropriation, and that the associated bond proceeds are administered by the New Mexico State Board of Finance (SBOF), an entity separate and distinct from the Department. Grantee acknowledges and agrees that (i) it is Grantee’s sole and absolute responsibility to determine through SBOF staff what (if any) conditions are currently imposed on the Project; (ii) the Department’s failure to inform Grantee of a SBOF imposed condition does not affect the validity or enforceability of the condition; (iii) the

SBOF may in the future impose further or different conditions upon the Project; (iv) all SBOF conditions are effective without amendment of this Agreement; (v) all applicable SBOF conditions must be satisfied before the SBOF will release to the Department funds subject to the condition(s); and (vi) the Department's obligation to reimburse Grantee from the Project is contingent upon the then current SBOF conditions being satisfied.

B. Grantee acknowledges and agrees that the SBOF may in its sole and absolute discretion remove a project's assigned bond proceeds if the project doesn't proceed sufficiently. Entities must comply with the requirement to encumber five percent (5%) of Project funds within six months of bond issuance as certified by the grantee in the Bond Questionnaire and Certification documents submitted to the SBOF. Failure to comply may result in the bond proceeds reassignment to a new ready project. If this should occur this grant agreement will be suspended until the entity has demonstrated readiness as determined by the SBOF and the Department.

C. Grantee acknowledges and agrees that this Agreement is subject to the SBOF's Bond Project Disbursements rule, NMAC 2.61.6, as may be amended or re-codified. The rule provides definitions and interpretations of grant language for the purpose of determining whether a particular activity is allowable under the authorizing language of the agreement.

Summary:

The Resolution designates authorized representatives and agents for New Mexico Department of Finance and Administration (DFA) appropriation ID Number I3318, New Mexico Department of Transportation (NMDOT) Control Number C5243318 (“Grant Agreement”). The Grant Agreement makes available four million five hundred thousand dollars (\$4,500,000), appropriated by the New Mexico Legislature for a project to acquire rights of way for and to plan, design, and construct a road connection from New Mexico Highway 599-Jaguar Drive interchange to the Santa Fe Regional Airport for the city of Santa Fe in Santa Fe County.

Departments Affected:

Public Works Department and the Santa Fe Regional Airport.

Consequences of Not Enacting Legislation:

If this legislation is not adopted, the City will not satisfy Article X. B. (v) of the Grant Agreement, which requires the Governing Body to adopt a resolution authorizing the person identified as the official representative of the City to sign the Grant Agreement and to sign Requests for Payment. Additionally, without the adoption of this Resolution the City would not receive NMDOT’s funding in the amount of four million five hundred thousand dollars (\$4,500,000).

Conflict, Duplication, Companionship, or Relationship to Other Legislation:

The Governing Body will be approving the agreement through a separate action.

Performance and Administrative Implications:

The plan, design, and construction of a road connection from Highway 599-Jaguar Drive interchange to the Santa Fe Regional Airport in association with this Grant Agreement will be undertaken by Airport staff with support from Public Works Department. The grant will be administered with support from the Public Works Department and Finance Department staff.

Fiscal Implications:

**Even as there is not a fiscal impact for authorizing and naming agents, it is worth pointing out that Amendment No. 1 to the Intergovernmental Agreement states that “NCNMEDD has agreed to provide the agreed upon services at one percent (1%) of the dollar amount(s) the City expends during the term of this Agreement towards the completion of the Projects”. If the total agreement amount of four million five hundred thousand dollars (\$4,500,000) is expended, then NCNMEDD will receive forty-five thousand dollars (\$45,000) as one percent (1%) of the dollar amount the City expends for the Project. This 1% is paid from City funds separate from the grant funds. Lastly, The Governing Body will approve the agreement through a separate action. Funds for fiscal agent fees will also be budgeted in a separate action.

RE: Approve \$2,750,000 Donation from Northern Soccer Club Toward the Design and Construction of Fields and Amenities at the Soccer Valley Fields, Located at the Municipal Recreations Sports Complex

EXECUTIVE SUMMARY:

The resolution accepts a donation of two million seven hundred fifty dollars (\$2,750,000) from the Northern Soccer Club (“Northern”) as a contribution toward the design and construction of a championship soccer field at the West side of Soccer Valley at the Municipal Recreation Complex (“MRC”) with associated amenities, facilities, and infrastructure directly supporting the field. These amenities will include but not be limited to lights, bleachers, a scoreboard, parking, fencing, restrooms, and storage. The doner has stipulated that the City must match this donation with the same amount (\$2,750,000) for the expansion of Soccer Valley. The City of Santa Fe (“City”) has secured funds sufficient to match this amount via 2024 New Mexico legislative appropriation.

Additionally, the resolution provides for the following actions: 1) upon receipt of Northern’s donation, the City Manager will assemble the appropriate staff to identify capital improvement funds for the project and to commence the design and construction of the field and related amenities, 2) the design alternatives and related fiscal impacts for the championship field will be presented to the Governing Body for approval, and 3) the Governing Body’s welcomes proposed name for the new championship field for its consideration, in accordance with Resolution No. 2010-19, in recognition of Northern’s commitment to the facility.

Staff anticipate that, should this resolution be adopted, and once the championship field is constructed, additional budget allocations and staff will be required to operate and maintain the expanded facility.

BACKGROUND:

Soccer is rapidly growing in the United States, appealing to diverse players of all ages and backgrounds. The recent closure of the soccer fields at the Downs at Santa Fe left over one thousand eight hundred (1,800) children without playing fields, prompting the City to accommodate these teams at the Southwest Node Area Regional (“SWAN”) Park and the MRC. Recent policy changes at the MRC provided increased field access for leagues like Northern Soccer Club, La Liga Santa Fe Soccer, the Santa Fe United Football Club, and Santa Fe Youth Lacrosse.

Summary:

The proposed Resolution accepts a donation of \$2,750,000 from Northern Soccer Club (“Northern”) and commits the City of Santa Fe (“City”) to match these funds in the amount of \$2,750,000. The donation is dedicated to funding the construction of a championship field at Soccer Valley, including associated amenities and facilities directly supporting the field such as but not limited to lights, bleachers, a scoreboard, parking, fencing, restrooms, and storage at the Municipal Recreation Sports Complex (MRC). Upon receipt of Northern’s donation, the Resolution also directs the City Manager to assemble the appropriate staff to identify the additional funds, beyond the donation and the City’s match, for the design and construction of additional fields and amenities, and to provide the Northern Soccer Club with a written acknowledgment of the receipt of the donation. If the City decides not to use the donation to fulfill the project defined in the Resolution, any unspent donated funds will be returned to the Northern.

Departments Affected:

Public Works Department (Parks and Open Space Division Complex).

Consequences of Not Enacting Legislation:

If this legislation is not adopted, the City will not have adopted the terms requested by Northern to accept a donation of \$2,750,000, to be used toward the expansion of soccer facilities and new amenities at Soccer Valley at the MRC.

Conflict, Duplication, Companionship, or Relationship to Other Legislation:

Resolution 2013-90 directed City staff to “collaborate with regional soccer leagues to identify necessary improvements to the MRC facilities and the possible construction of an indoor soccer facility and to explore funding mechanisms for such improvements and construction”. Additionally, the State of New Mexico appropriated \$3,425,000 to be used for the expansion of Soccer Valley at the MRC. This appropriation more than covers the \$2,750,000 match described in the Resolution.

Performance and Administrative Implications:

Both the donation and the City's match will be maintained in accounts designated for MRC Soccer Valley improvements and will be administered in compliance with the terms of the Resolution. Once constructed, hiring staff and establishing contractual services will be required to operate the facility.

Fiscal Implications:

Upon approval of this Resolution and upon securing matching funds, the City would receive the donation of \$2,750,000 for Soccer Valley improvements and match Northern's donation with the \$2,750,000 state legislative appropriation, grant number 24-I3136, for Soccer Valley improvements. Once constructed, budget for staff, supplies, utilities and contractual services will be required, roughly estimated to cost \$500,000 per year.
