### **Procedures for Early Neighborhood Notification (ENN) Meeting**

1. Santa Fe River Channel Mitigation Project
2. Project Address
  - a. Map of Project Area
3. Description
  - a. The purpose of this work is to mitigate failing grade control structures between Avenida Cristobal Colon and the Ricardo Pedestrian Bridge. The design is at 30% completion and the City is seeking input from neighbors on the planned design and subsequent construction. Proposed work includes a full replacement of the existing, failed structures, installation of new structures, and the construction of grouted boulder ramps. All areas of disturbance will be restored with native plants.
4. Applicant
  - a. City of Santa Fe's Public Works Department, Parks and Open Space Division, River and Watershed Section and William J Miller Engineers, Inc.
5. Staff
  - a. Zoe Isaacson  
River and Watershed Manager  
Parks and Open Space Division  
zrisaacson@santafenm.gov  
505-955-6853
6. Meeting Location
  - a. Oliver La Farge Library Community Room  
1730 Llano St

Santa Fe, NM 87505

Persons with disabilities in need of accommodations, contact the City Clerk's office at 955-6521, five (5) working days prior to meeting date.
